All About Nothin'

(Editor's note: Following is a letter received this week from Lewis Patterson, who is a ministerial student at Bethany-Peniel college at Bethany, Okla.)

Dear Buford:

World War Hero No. 1, Sergeant York, spoke last Sunday night in the municipal auditorium in Oklahoma City. I was privileged to hear him speak to an audience of about 7,000 or more people. Every seat was taken and some were standing. He spoke on prayer.

He said it was prayer that took him to the battle front and brought him back. Not giving any name, he said in World War One, there were 104 boys drafted from one community and 104 boys came back home because the people of that community "stopped everything" at 4 o'clock every day the boys were gone, and prayed that they would return. Sgt. York said, "That was direct answer to prayer."

I will give you in as exact words as I can, an interesting happening he related. He said: "While I was gone there was not a day that I did not hear my mother's prayer even in the midst of bursting shell and machine gun fire. One day after I had prayed in a dug-out for about an hour, there was a sergeant of higher rank than I who came and jumped down in the dug-out with me. When I asked him what brought him there he said, 'I have confidence in your prayers and feel safe in your presence.' That comrade had no more than finished that statement until a shell fell in the dug-out and buried itself, but it didn't 'pop.' He said that prayer won the other war and it will take prayer to win this one. He asked every home that didn't have a family altar to go home that night and start family prayer.

If a man like Sgt. York who has "been there" would put such emphasis on prayer, the greatest thing we can do for our boys is to start daily prayer if we haven't already — for their victory and God's protection.

Sincerely,

Lewis Patterson."

HAVE YOUR LOST YOUR

AUTO TAX STAMP? HERE'S HOW TO ANSWER YOUR PROBLEM

If you have lost your auto "use" tax stamp which you purchased at the postoffice in January for \$2.09, you should cut out the form printed below and have it sworn to by either a notary public or a deputy internal revenue collector. When questioned by officials about the missing stamp, you can show this affidavit. No new stamp will be issued in case of loss, so the form below should be saved for possible future need should your stamp become lost or stolen.

Abernathy Weekly Review

ABERNATHY, TEXAS, WEEKLY REVIEW, THURSDAY, FEB. 26, 1942

VOLUME XXI, NUMBER 37.

"Over There" Will Introduce Local Lads In Foreign Service And Boost Sale of Defense Bonds

War has scattered Abernathy boys from the hot spots in the Far East, to the south coast of England. We have scores of boys in training in all parts of the nation—from New Hampshire to California, and from Florida to Washington state, from the great lakes to the Gulf of Mexico.

In a new feature starting in this Review, we, with the financial assistance of merchants and individuals, are to present a picture each week of one of our boys in the service. Purpose of the feature, "Over There," will be to introduce our boys, and at the same time to boost the sale of U. S. Defense Savings Stamps & Bonds.

The boys "over there" need equipment, and we can put this equipment in their hands with regular purchases of bonds and stamps.

There's a great deal of cost attached to the reproduction of a photograph in the Review. We have almost 100 boys in service and more entering each month, and in order to put the picture of each one of the boys in the paper, the aid of our ever-faithful merchants has been solicited. There's no desire on the part of either the merchants, or the Review, to commercialize on the position of our boys in service, and the fact that our merchants are assisting with this feature by directly sponsoring a picture of a boy each week does not mean they are doing it for any commercial gain. They will help us bear the expense of reproducing the picture in the paper and space for the feature will be furnished.

Bring Pictures To Review Office

Parents of boys in service, here and abroad, are urged to bring their pictures to the Review office now.

LAKEVIEW WAR BOARD IS NAMED; TEACHER IS HEAD

F. H. Copeland, principal of Lakeview school, was named chairman of the War Board for that community. Other members are W. A. Waters, Dale Moody, Mrs. T. E. Lutrick and Mrs. Norman Matthews.

WHO WROTE THIS?

"You must live for another if you wish to live for yourself."

BOND-A-MONTH CLUB STARTED HERE WITH TWO MEMBERS

Although only two members were signed for the Bond-A-Month club here Tuesday, there are many more here who are buying one or more U. S. Defense Bonds each month. Other names probably will be added to the list late this week and next week. H. Schulz and L. M. Rankin have signed membership blanks.

STAMP SELLING UNIT HERE

MARCH 6 AND 19

Hale county food stamp selling unit is to be at First State bank here from 1 until 3 o'clock on March 6th and 19th, it is announced.

THOUGHT FOR THE WEEK

Many a man who follows the band wouldn't have the nerve to face the music.

NEW DEAL NEWS

SUNDOWN SEXTET WINS GIRLS DISTRICT BASKETBALL CUP

Sundown won the girls high school basketball championship of the District Saturday night with a 34 to 24 victory over Wilson in finals of the district tournament at New Deal.

Ropesville defeated Spring Lake, 21-13, for third place, while consolation honors went to New Deal, with a 22-19 victory over Meadow. In the semi-finals, Sundown defeated Spring Lake, 33-22; Wilson won from Cotton Center, 17-13, while Meadow took Whiteface, 15-13.

First prize of \$12.50 in defense stamps went to first place winner, \$9 to second, \$6 to third and \$4 to fourth, while \$5 went to the consolation winner and \$3.50 to runner-up. Each member of the all-district sextet and four substitutes received \$1 in defense stamps each.

The all-district team selected included: forwards, Sage of Sundown, Watson of Wilson, James of New Deal; guards, Moore of Wilson, Parker of Sundown and Arant of Ropes. Reserves were Fay Watson of Wilson, Anderson of Sundown, Evelyn (Continued to Back Page).

"Over There"

Jesse Webb, above, is one of Abernathy's boys "over there." The last word his parents, Mr. and Mrs. John D. Webb, had from him was several weeks ago and he was in Java.

Jesse, who graduated from Abernathy high school, served in the National Guard and went to Camp Bowie, Brownwood, with the Lubbock unit in December of 1940. Late last year he went with a division of the 131st Field Artillery to the west coast to board a ship for the Far East. He was one week past Honolulu on Dec. 7.

Mr. and Mrs. Webb have two other sons in service. J. D., an aviation cadet, was transferred this week to Goodfellow Field, San Angelo, to receive basic training, from Tulsa, Okla., where he took primary flight training. Lieut. Gorman Webb, of the Marine Corps, is in the student officers section, Armored Force school at Fort Knox, Ky.

THE CALL TO THE COLORS IS A CALL FOR DOLLARS!

Dig deep. Strike hard. Our boys need the planes, ships, and guns which your money will help to buy.

Go to your bank, post office, or savings and loan association. Tell them you want to buy Defense Bonds regularly, starting now.

You can help Jesse by purchasing Defense Savings Bonds and Stamps. Buy as many as you can—as often as you can.

(Sponsored by Douglas Chapman.)

(Next week Lieut. Fred Thompson will be presented.)

GUARD SHOWS IMPROVEMENT IN DRILL WORK

Capt. Geo. W. Ragland was pleased with improvement exhibited by Abernathy Home Guard unit in its practice Tuesday night at the local school gymnasium. More than 50 men were present, and several new members were signed up that night.

A new bunch of recruits has started drill practice at most every meeting, and others are urged to attend the meeting in the gym next Tuesday night at 8 o'clock.

Dr. H. E. Williams volunteered his services in giving physical examinations to members of the Guard.

SCHOOL BOARD MEETS MONDAY
An important meeting of Abernathy school board is to be held Monday night, officials announce.

District FHT Meet Set Here March 7

The District IV Future Homemakers of Texas meeting is to be held at Abernathy high school Saturday, March 7, beginning at 9:30 o'clock a. m., and lasting until late afternoon. The Abernathy chapter is host and Hale Center chapter has charge of the program. About 200 girls and guests are expected to attend.

The day's program is based on our present crisis. A defense quiz program, "Keep It Ringing," with special numbers included, will be given in the morning, and an amateur hour will be held in the afternoon. A tea in the homemaking cottage will close the meeting.

All women and girls who wish to attend as guests are welcome. Plan to attend and stay for all of the meeting, officials announce.

Kress Wins Cage Crown

Kress boys annexed the district 6-B basketball championship title Thursday night when they defeated the Antelopes, 30 to 25, in an overtime period of the final game of a two-out-of-three series. Playing in the local gym, the teams were tied, 25-25, at the end of the game and a free shot and two tosses at the goal counted for the visiting lads to place them at the head of the district along with the Kress girls' team, district winner in that division.

Other Games Set

Antelope senior and junior boys teams played at Smyer Tuesday night. Tonight (Thursday) the Antelope boys and girls teams play at Idalou. Tuesday night, girls and boys teams from Smyer are to meet the Antelopes here, and Friday night, March 6, Idalou teams are to meet the local squads here.

LAKEVIEW STARTS "BOND-A-MONTH" CLUB

Aiding in Hale county's drive to secure a thousand members in a new "Bond-A-Month" club, Lakeview has started a club and at the last report had five members. Among those in that community who plan to buy a bond each month are Raymond Amerson, R. A. Daugherty, F. H. Copeland, Mrs. Henry Scarborough and W. A. Waters. Names of others who join the club in that community will be printed as they are reported.

FIELD AND TRACK MEET TO BE HELD HERE

ADDITIONAL TIRE INSPECTORS NAMED IN HALE COUNTY

Additional inspectors to assist in the tire rationing program in Hale county have been appointed by County Judge Frank Day. They are tire dealers in their respective towns.

In Abernathy, they are: — A. T. Johnston, M. L. Seay, Howard Brown, Guy Thompson, Brad Seale, W. C. Jenkins and Dan Z. Ward.

Abernathy Masons are to be hosts to members of the Petersburg lodge and their families Friday night during a supper and program here in observance of George Washington's birthday.

Local Masons and their families and the Petersburg visitors are to attend a supper in the home economics cottage starting at 9 o'clock. Mrs. Jack Hackler and her Future Homemakers are to prepare and serve the supper, and a brief program will be given.

Following the supper, the meeting will move to the school auditorium where a complete program will be presented. Rev. Ollie Apple of Jayton, former pastor of Petersburg Methodist church, is to be principal speaker. Jean and Marjorie Montgomery, senior and junior, respectively, in Masonic Home High school at Fort Worth, are to appear on the program. They are to tell of their life in the school and in the Masonic Home there.

Other numbers on the program will be provided by Petersburg.

The public is invited to attend the program in the auditorium.

The Montgomery sisters, accompanied by their mother, also of Fort Worth, are to arrive here early Friday morning and will be house guests of Mr. and Mrs. W. A. Richter during their stay here. They also will visit in Petersburg Saturday and leave for Fort Worth Sunday.

Mrs. Will Darden, Mrs. W. A. Richter and a Petersburg woman will be in the reception line at the home economics cottage.

J. D. Kirkpatrick of Lakeview, who went to the finals in the state Golden Gloves tournament in Fort Worth last week, is to be an honor guest.

The Montgomery sisters may meet the local high school debate team, Mary Stevens and Maxine Harp, in a debate Friday.

A THRILLER-DILLER, HUMDINGER

If you want to forget your war worries for about two hours, begin planning now to attend the play, "There's a Man in the House." It is

bound to be a hilarious comedy when a man-hating old maid refuses to allow any sign of the opposite sex in her house, and yet, somehow, one manages to get in!

Remember the movie, "The Women," which you saw at the Rita? Remember how sad it was? "There's a Man in the House" offers a great comparison with this show, because no man character appears on the stage, but the whole story is all about men. But the best comparison is that this play is just as full of fun as the movie was sad, — so it must be a THRILLER - DILLER, HUMDINGER!

Consult your future copies of the Review for time, place, sponsors, story and cast; because the more you know about this play, the more you will want to see it. You cannot afford to miss it!

Quitting Time?

... Not for Us

QUITTING time doesn't mean a thing to your Electrical Company. Twenty-four hours a day, every day of the year, it brings better living to thousands of homes at the snap of a switch. It serves equally in industry, working as one of the most versatile tools ever given man's hand.

In this time of stress, when our whole country is devoted to production, we in the Electrical Industry are proud of the part Electricity is playing in making this land of ours a safer place for democracy. We are proud, too, that we were not found wanting when we were called on to serve.

No quitting time for the buying of U. S. Defense Bonds, either!

Your Cottonseed Now

All farm agencies are stressing the importance of farmers in this area selecting their cotton seed now for planting this year's crop. Almost all seed tested from last year's crop in this area have been found to have low germination, and seeds from other sections are rapidly being taken off the market through purchase by farmers in South and Central Texas.

Teachers To Ration Sugar Purchases

Information concerning sugar rationing, to be put in effect as a war economy within the next few weeks, is outlined briefly in the following bulletin received this week by this newspaper from the Division of Information, of the OPM:

Teachers in public schools will register sugar consumers, then ration books will be issued, as soon as the enormous job of printing and distributing the books can be completed. Local rationing boards will have general supervision over the registration of consumers and issuance of books.

One rule that will be incorporated into the sugar rationing plan when it goes into effect will be to provide that persons who have built up hoards of sugar will have stamps torn out of their ration books to cover the hoards. Thus, they will be deprived of the right to buy more sugar until their hoards are gone.

One book will be issued for each

person in the country, regardless of age; and each book will contain 28 stamps, which will be numbered. They can be used to purchase sugar during only one designated week.

When a sugar purchase is made, the proper stamp will be torn from the book. Each stamp will entitle its holder to purchase a definite amount of sugar—probably three-quarters of a pound, or 12 ounces, per person each week. The exact amount will be determined when the War Production Board decides how much is to be made available each week for the thousands of retail stores throughout the nation.

When consumers apply for War Ration Book No. One, they will be required to make a sworn statement as to the amount of sugar per person in possession of the family, the balance will be considered as hoarded sugar and an appropriate number of stamps will be removed from the book at the time of registration. This will make it impossible for the book holder to buy any sugar until his or her supply is used up.

The application which must be signed to obtain a ration book will carry on its face the warning that false reports to any government agency subject the person making such reports to severe penalties, as high as a \$10,000 fine or 10 years of imprisonment. It is expected that there will be relatively few cases of falsification.

It is planned to require one person to register for each family unit to include the mother, father, children and wards. Other persons living in a household must register separately for their books, except in such unusual cases as those of invalids, etc.

When a consumer buys sugar and the storekeeper tears stamps

out of the ration book, the stamps must be pasted on a card by the storekeeper. He then must turn these cards in to a supplier of sugar in order to replenish the store's supply of sugar.

SCHOOL NEWS

Supt. R. Lee Snider has completed a survey among students for ministers of the town. It was to determine the number and place of those in Sunday school, and the preference of those not attending.

Warrants were received this week by the local school for the defense class, \$248, and for the vocational agriculture department, \$547.50. Defense money came from the Federal government, and the agriculture money from the state.

Gate receipts for the Antelope vs. Kress game Friday night totaled \$57.65, a record attendance this season. Activity money the past year and a half has been sufficient to finance the purchase of equipment and other supplies without the aid of money derived from school taxes, Supt. Snider stated.

NEW DEAL NEWS

(Continued From Page 1.) James of New Deal and Myers of Spring Lake.

6,759 BALES GINNED

Only a dozen bales of cotton were ginned at Monroe during the week ending Tuesday. Total for the season was 6,759 bales.

TWO NEW TEACHERS

Mr. McClung from Shallowater and Mr. McCloud of Circle Back have joined the faculty at New Deal school. They succeed Earl Sunderman, who is to join the air corps, and Homer Schulze, who resigned to teach at Aspermont.

BASKETBALL GAMES SET

New Deal and Cooper girls are to play at New Deal Friday night. Prospects for the New Deal boys team next year will also play then. Girls of the two schools were to have played at Cooper Wednesday night.

WHAT YOU SHOULD EAT

The government's campaign to get us to eat our way to victory—to eat the right kinds of food in order that we will all be stronger and better able to resist hard times—should be a thing we should naturally want to do anyway.

The men who go in the army will suffer less and those of us who stay at home will be happier, if we see to it right now that we do everything possible to make ourselves physically strong.

Many government workers are busy planning diets for us which

will accomplish this end. As a result of detail study of the problems of correct eating, they have listed seven foods that should be eaten daily to keep us in the best possible state of health. Those foods are:

1. Milk at least a pint for everyone, more for children—or cheese, or evaporated or dried milk.
2. Oranges, tomatoes, grapefruit or raw cabbage—at least one of these.
3. Vegetables—green, leafy and yellow—one big helping—some raw, some cooked.
4. Potatoes and apples—and other vegetables and fruit.
5. Lean meat, poultry or fish—or sometimes dried beans or peas.
6. Eggs—at least 3 or 4 a week, cooked any way you choose.
7. Bread and cereal—whole grain products or enriched bread and flour.

TAKE CARE OF YOUR TIRES

One of the first effects of the war in the Philippines on the people in this town was the immediate action to stop the sale of automobile tires.

Therefore, any motorist who wants to continue to drive his car in the future should take the best possible care of his present tires. Some ways which this can be done are:

Cut out high speeds. Your tires will last twice as long at 40 miles per hour than at 60 miles per hour. Don't stop short when you don't have to. That burns off the tread. Drive with great care over rough roads—holes and stones cause blow-outs and break tire cords.

Check wheel alignment. A tire a half inch out of line will be dragged sideways 87 feet every mile. Change wheel positions every 5,000 miles.

Don't speed around curves. When you hear the tires squeak you hear some of their rubber being worn off.

Inflate tires regularly and never let pressure get more than 3 pounds below recommended minimums.

And if your tires do get badly worn have them retreaded. A retreaded tire if done correctly, can give you 80 per cent as much wear as a new tire.
