Man Jailed After Allsup's Robbery

Tahoka Police arrested a Tahoka man Friday after Allsup's convenience store on West Lockwood was robbed about 3:30 a.m. Thursday.

Charged with robbery was Jesse Almandares Gonzales, 25, who signed a statement admitting the robbery, which netted about \$140, and also admitting a robbery of the same store Jan. 2.

Allsup's officials said clerk Zina Atkinson was in the store alone when a man wearing a pantyhose mask came into the store, displayed a knife and took the money. The clerk was not harmed. The same clerk had been on duty Jan. 2, and she reportedly realized it was the same man.

Gonzales remained in jail at mid-week in lieu of \$2,000 bond set by Justice of the Peace Ed Hamilton.

Also in jail during the week were two persons for driving while intoxicated and one each for criminal mischief and operating a motor vehicle with an expired drivers license.

In the criminal mischief case, a 20-year-old Tahoka man pleaded guilty and was fined a total of \$243, including restitution, for shooting out the window on a tractor owned by Edwin Nettles near Lakeview. The man was sentenced by County Judge J.F. Brandon.

A 7-year-old Wilson boy was bitten by a dog last Saturday and deputies located and destroyed the

stray dog. Tests now are being conducted to determine possible rabies. Meanwhile, a report back on tests of a cat which attacked a teenage Wilson girl was fortunately negative, officers said.

A 1975 Chevrolet pickup reported stolen in Lubbock was found Sunday just inside the Lynn County line near FM 2192. The truck had been burned, and officers found a gas can and kitchen match near the scene.

Police also received calls during the past week including a complaint about three boys who were throwing trash out of their pickup into the streets, and another call from a resident who reported his wife had been receiving obscene phone calls.

Police also investigated a couple of fights during the weekend. No one was arrested, however.

JR. HIGH THESPIANS — The Tahoka Jr. High One Act Play went to Cooper May 3 for U.I.L. competition. There were six plays presented. First place went to Frenship, second, Denver City, and Cooper placed third. Rusty Jennings and Jennifer Saldana, left, were named to the all star cast and Dene Valentine, center, got honorable mention. Other members of the play, "The Summer People" were: Maritza Ausbern, Bebo Willis, Danny Alvarado, Rochelle Reid, and Johnna Phillips. Crew members were Jackie Hays, Robin Parker, Amber McNeely and Sandra Stice. The play director was Leta Pierce. (LYNN COUNTY NEWS PHOTO)

School Seeks Administrators

Tahoka School board members last week met to handle mostly routine items, then discussed at length vacancies for high school principal and school superintendent, after presenting a gift of appreciation to Supt. Jim Coulston, who has resigned effective at the end of the month.

Applications for both positions are currently being received by the board. The current high school principal, Tom Cooper, has been reassigned to Tubb Elementary School, where he was principal

before taking the high school job.

All board members were present for Thursday's meeting.

Pat Glisson, representing Tahoka Youth Basketball, presented the school district a check for \$690 to be used to buy three disk drives for computers in elementary schools.

Business manager Loretta Tekell reported a balance in all funds of \$557,213 as of April 30, and said current tax collections totaled \$717,209, and were 89.9 per cent complete. She estimated the 1983-84 carryover would be more than \$23,000.

Tahoka students in grades 3 and 5 showed mastery of math, reading

and writing in recent Texas Assessment of Basic Skills (TABS) tests, reported counselor Paulette Brownfield. However, she said, TABS results for grade 9 were slightly below the expected level. She said a public hearing on the TABS test results is scheduled just prior to the regular June meeting of the school board.

Resignation of Mrs. Beth Askew as kindergarten teacher was accepted. Supt. Coulston reported enrollment in all grades at a total of 787 on May 10. He also announced that students under the federal program who need dental care are sent to a dentist who meets guidelines.

WOODWORK

BY DALTON

PICTURES are vital to the appearance of any newspaper. A picture is worth a thousand words. So I will try to write at least a few hundred words about our photography operations at the newspaper, so you'll get the picture.

Each week we try to get all the pictures we are going to use in that week's newspaper on one roll, so there will be a minimum of processing time in our darkroom, and also because film is plenty expensive.

Last week one of our workers started out the week by taking some pictures of a couple planning a special event. Then another member of our staff took several more photos of some junior high youngsters who had won some special honors in UIL play performances.

Then we sent the camera over to Wilson, where we had our correspondent, an experienced photographer, take some pic-

tures at the FFA banquet. Then we get ready to process the film, and started rewinding it. It felt kind of different, and sure enough, there was no film in the camera. All those good pictures that we had people pose for were not pictures.

This wasn't the first time that happened, although it has been a year or two. We also have done about everything else people can do to mess up pictures. Of course, most of our pictures turn out okay, and some of them are especially good.

The camera is supposed to be re-loaded with film every time film is taken out of it. I'm not sure whose fault it was, but since it probably was mine, I'd rather not go into it.

Anyway, photography is fun. But every time we take a picture that we know will be lost forever if it is messed up, we shutter....uh, shudder.

ELEMENTARY U.I.L. CONTESTANTS — These Tahoka elementary students won ribbons in the recent U.I.L. Literary Events competition. Many of the children in foster care have previously been abused or neglected by their parents. As a result, the children are in need of a secure and emotionally stable home.

Foster parents are needed to provide placements for older children, ages 10 and above, handicapped children, and children with special medical problems. There is a demand for hispanic and black foster homes as well as anglo

foster homes. Training is provided for prospective foster parents.

If you are interested in the foster care program or have any questions, call Jody Longoria, 998-4552 or Camille Ellis, 675-2367.

About the seniors. They're quite a group, these young men and women. They're a big, big part of our home town. Today, they are mature young people on Graduation Day and ready and confident...eager to take up new challenges, strive for new goals. We're exceptionally proud of you, Seniors, and we wish each of you a full measure of success and happiness in every endeavor.
