SIXTY-SECOND YEAR — Sonora, Texas Friday, October 26, 1951 — THIRD WEEK

What's going on in Sonora

George H. Neill, president of the Hill Country Bankers Association, will preside over the meeting of the association Saturday in Kerriville. A banquet, address by John Ben Sheppard, secretary of state, and a business session are on the program . . . . Cleveland Nance, son of Mr. and Mrs. R. G. Nance of Sonora, has bee promoted toCorporal in the army. He is stationed in Korea with the 69th Field Artillery . . . . "Corduroy Road," the life story of Glenn McCarthy, has recently been published by the Anson Jones Press in Houston. It was written by Wallace Davis, brother of W. L. and G. H. Davis and Mrs. H. C. Saunders of Sonora . . . . HHR Miss D. W. 20 G 26, shown by Halbert and Fawcett, placed 20th in a summer yearling heifer class at the Pan American National Hereford Show at Dallas last week. November 1, Halbert and Fawcett will exhibit five bulls and seven cows at the National Polled Hereford Show and Sale at Louisville, Kentucky. Premiums at this show total $10,000 according to D. W. Chittenden, secretary of the American Polled Hereford Association . . . . The Sutton County 4-H boys won some ribbons at the State Fair. In the fat lamb class, Oscar Carpenter won 15th, and 18th; George Spinks 19th; Eddie Smith 21st; and Joe David Ross 22nd. Others attending the show were Joe Renfroe, who showed a lamb Carlos Loeffler, who exhibited a calf, and D. C. Langford, county agent. . . .Mr. and Mrs. Bill Smith are attending the Eastern Star convention in San Antonio this week . . . . Mr. and Mrs. D. W. Cupp had as their guests this week, his parents and neice, Mr. and Mrs. H. W. Cupp and Charlotte Roland of Coloroado City . . . . New pharmacist at the Cornor Drug is Miss Helen Sue Reiley of Abilene . . . . James T. Hunt and Miss Peggy Reiley, University of Texas students, were home last weekend visiting their parents, Mr. and Mrs. Bryan Hunt and Mr. and Mrs. Dantes Reiley . . . . Aviation Cadet John Allen Ward completed his basic training at Connally Air Force Base at Waco, and reports next week to Lubbock for advanced training. Ward completed the basic course at the head of his class and was made student captain. He and a classmate, Bill Lloyd, are guests this week of Ward's parents, Mr. and Mrs. J. A. Ward, Jr. . . . Mrs. H. T. Espy and daughters, Allison and Gayle, were in Austin last week . . . . . Mr. and Mrs. R. G. Nance have as their guest this week, their daughter, Mrs. E. E. Miss and infant daughter, Lou Nance, of Navasota.

Parrish Not Guilty In Murder Trial

After a deliberation of only 32 minutes, a Sutton County jury acquitted Mrs. Lillie Mae Parrish, 36, charged with the murder of her husband, Ellis J. Parrish. The jury went out at 8:38 o'clock Wednesday night and was back at 9:10 with the "not guilty" verdict.

CATTLE PRICES TRENDS DISCUSSED IN BOOKLET

"Selecting a market for his livestock is one of the stockman's most important decisions," points out Dr. John G. McNeely, agricultural economist with the Texas Agricultural Experiment Station.

Dr. McNeely recently made a study of compartive beef cattle prices at the three major Texas public livestock markets - Fort Worth, Houstin and San Antonio- for the period 1946-50. The findings of this study are given in Miscellaneous Publication 78.

In this bulletin Dr. McNeely compares prices for all grades of livestock in each classification steers, cows, bulls, calves, and heifers-at each market, and for each grade at the three markets.

Transportation costs by rail and truck are included in the bulletin also, so the producer can evaluate prices in terms of additional costs if shipment to more distant markets.

"The pupose of this publication is to give the livestock producers an analysis of recent price behavior in the three leading livestock markets of Texas,'" said Dr. McNeely.

Miscellaneous Publication 78 is available from the Publications Office, Texas Agricultural Experiment Station, College Station, Texas.

Airman Apprentice Earl Johnson was here last week on leave from Corpus Christi Naval Air Base visiting his parents, Mr. and Mrs. E. E. Johnson and friends.

Mr. and Mrs. Van Hardesty had as their guests last week Mr. and Mrs. J. L. Bruce of London Texas.

Mrs. J. B. Hefln has been in a San Angelo hospital the past week for treatment.

Mr. and Mrs. L. W. Elliott had as their guests last week-end Mr. and Mrs. F. O. Ray if Alpine.

In defending Mrs. Parrish. her attorneys, Murray Howze of Monohans, Guy McFarland of Odessa, and Clayton Bray of Sonora, brought out three main points and enlarged on them throughout the trial:

1. That Ellis J. Parrish, the deceased, was an alcoholic, a habitual user of Barbiturates, and that their use caused him to be a "bad and dangerous man."

2. That the defendant, Mrs. Lillie Mae Parrish, had been subjected to more than 100 beatings at the hands of the deceased, had been forced to have the deceased put in jail on at least 30 occossions, and was almost constantly in fear of her and her children's lives.

3. That the shooting of the deceased by the defendant was an accident.

The state argued that Mrs. Parrish had planned to kill her husband because she so stated in a letter to his mother, Mrs. Ada Parrish of Wink. The letter was not produced in court, however. The state also argued that the shooting was no accident, since it was most unlikely that Mrs. Parrish would have grasped the .22 rifle around the small of the stock and with one finger on the triger if she were going to use the rifle as a club, as she claimed.

A complete record of testimony will appear in next weeks News.

Gonzales Polio Center Drive On

Sutton County is raising $500 to aid the Gonzales Warm Springs Foundation, Texas' own polio polio treatment center, according to George H. Neill, drive chairman.

Neill said the drive will get underway Monday morning, and donations may be left at the bank.

It is pointed out that money given to the Gonzales Warm Springs foundation stays in Texas to help Texans should they need it. In the past Sutton County people have gone over the top on this drive and it is hoped the good record will be maintained this year.

BROADCASTS SATURDAY

Humble Oil & Refining Co., football broadcasts tomorrow afternoon will include two important Southwest Conference games and an interesting intersection tilt. About 50 radio stations will bring these broadcasts to Humble Networks listeners in Texas.

Baylor University takes on one one of its toughest opponents for the 1951 Southwest Conference football crown when the Bears meet the Texas Aggies. Rice Institute visits Austin to tackle the University of Texas Longhorns, and T. C. U. invades the far west to try for the second 1951 Southwest Conference victory over a Pacific Coast team when they meet the University of Southern California.

Charlie Jordan and John Ferusion will describe the Baylor-Texas A. M. contest direct from Kyle Field in College Station at 1:50 p. m. over stationsWOAI, San Antonio; KGKL, San Angelo.

The Rice-Texas fracas in Memirial Stadium, Austin will be broadcast at 1:50 p. m. also, with Kern Tips and Alec Chesser rendering play-by-play and color accounts of the game over stations KTBC, Austin; WFAA-WBAP-820, Dallas-Ft. Worth; KABC, San Antonio.

Three fifty o'clock will be the broadcast time for the T. C. U.-U. S. C. match in Los Angeles Memorial Stadium, Los Angeles, California, when Ves Box and Eddie Barker will report on the game over stations WFAA-WBAP-570, Dallas-Ft. Worth; KTSA, San Antonio.

Mrs. Tom Driskell and Mrs. Pearl Martin spent last weekend visiting their children. Mrs. Driskell was the guest of her son and Driskell and children, of Waco, and family, Captain and Mrs. C. T. Mrs. Martin was the guest of her daughter and family, Mr. and Mrs. E. C. Reese if Killeen.

Junior Class Grabs High School Grade Honors

The Junior Class took most of the honors this week when the High School schalastic honor roll was published.

Seven juniors made all A's. They are Oscar Carpenter, Nancy Eaton, Nettie Kisselburg, Lois Lu Lomax, Marilyn Mittel, Joe David Ross and Billy Scott. Juniors making all A's and one B. are Jack Mackey, Dorthy Miller and Rita Renfroe.

Senior all A students are Esther Chavez, Tyree Hardy and Jack Ratliff. Seniors making all A's and one B are Maria Chavez, Irma Gomez, Darlene Lovelace, Myrtle McKee and Eva Lee Moore.

Only sophomore on the roll was Bill Ratliff, who made all A's and one B.

Ester Ivy had the all A section to herself in the freshman class. Making all A's and one B were Billy Cothran, Ralph Copeland, Betsy Ross and Greta Shaw.

Eight grade students making all A's are Edward Aldwell and Nancy Hunt. Making all A's and one B are Cynthia Hall, Martha Mittel and Martha Valliant.

ELLIOTT SCHOOL NAMES HONOR STUDENTS

Carl W. Jones, principal of the L. W. Elliott School released the first six week's honor roll this week.

All "A" Students

First Grade: Maria Santos, Rolando Robles, Edwina Ibarra, Irma Gonzales, Adolfo Cervantes, and Rafael Mesa.

Second Grade: Carlos Ortega.

Third Grade: Ana Maria Badillo, Israel Leija, Glora Valdez, Oscar Bermea, and Dolores Iberra.

Fourth Grade: Maria Gomez, and Nick Bermea.

All "A" and 1 "B" Students

First Grade: Lemuel Lopez, Alesia Valadez, Yolanda Sosa, Manuel Paredes, and Ruben Noriega.

Second Grade: Estella Bermea, Margaret Sanchez, Gloria Gonzales and Francisca Salazar.

Third Grade: Alfred Trevino, Richard Garcia, and Joe Garcia.

Fourth Grade: Jimmie Samaniego, Benito Castillo, Dominick Maldanaldo, Lidia Martinez, Amelia Guerra, Ana Velia Perez, and Junior Castro.

Fifth Grade: Johnnie Brown, Rebecca Chavez, Antonio Chavez, Odelia Duran, and Samuel Galindo.

Sixth Grade: Armando Badillo.

Seventh Grade: Francisso Sanchez.

Eight Grade: Tomasa Badillo.

Sonora Lions Club Pays County U. S. O. Quota Of $500 Tuesday

In a move typical of its outstanding civic work during the past 15 years, the Sonora Lions Club Tuesday picked up another tab by voting to pay the Sutton County U. S. O. quota of $500. The money came from the proceeds of last year's auction sale.

The U. S. O. which performed so magificiently in World War II, providing a home away from home for our young men and women in uniform, has been called back into action, at the request of the Militaary, to perform a similar job for the approximate 4,000,000 youths who now wear the American uniform.

Many of them are still in their teens, and but for the awful demands of war would still be at home. It is most important that each of us do everything possible to maintain the ties of home with these boys and girls so that their morale may be kept high while they are away, that their hopes of a decent future may be assured, and that they may return to their homes as good and useful citizens.

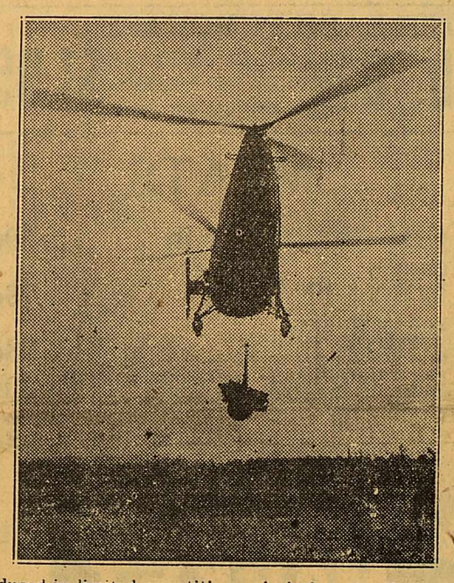

The great instrument which the American people have created to provide these home ties is the U. S. O. - United Service Oranigations.

Through U. S. O. Clubs, U. S. O. Camp Shows, and Travelers Air Units, U. S. O. seeks to provide not only recreational facilities for service personnel but also to give them religious, health, and personal counsel and special help in contact with civilians, as well as sports and educational activities.

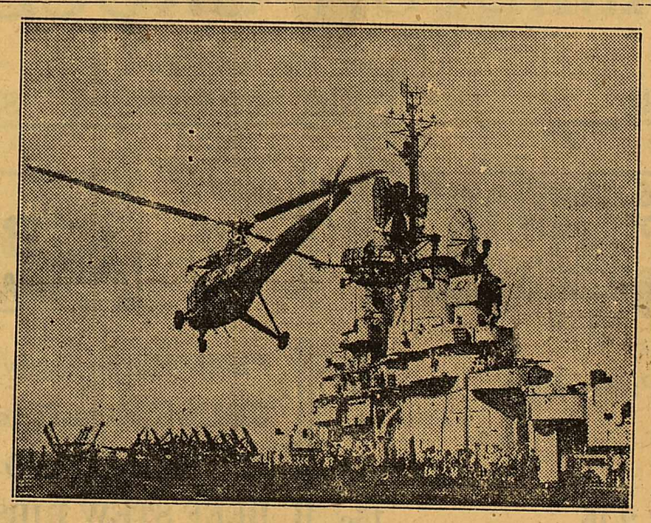

Member agencies of the U. S. O. are the Young Men's Christian Association, the Young Women's Cchistian Association, the National Catholic Community Service, the Natiinal Jewish Welfare Board, the Salvation Army, the National Traveler's Aid Association , and Camp Shows, Inc.

HELICOPTER SERVES UNLIMITED MISSIONS IN COMBAT IN KOREA

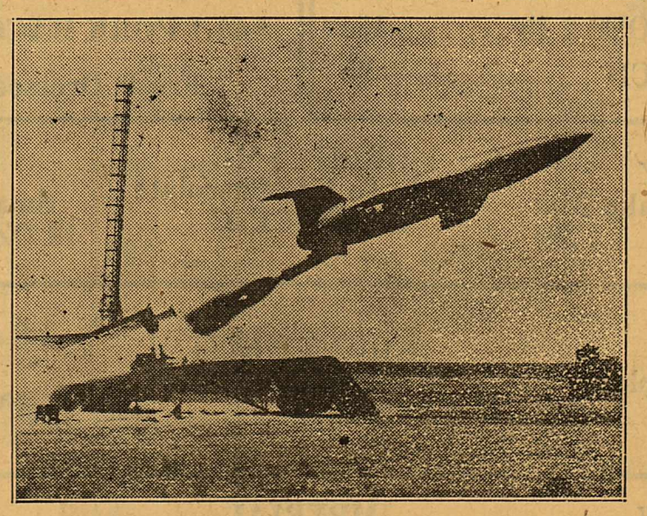

Prior to the Korean operations, the helicopter was generally considered an oddity, an infant among the battle-tested fighters, bombers and transport planes. During the interim period following World War II, it was used chiefly for air-sea rescues, reconnaissance and mapping, a limited means of transporting personnel and equipment, crop dusting and various military operational experiments. With the outbreak of the Korean aggression, the helicopter loomed to the fore as one of the most versatile planes in combat. Because of its maneuverability in remote and inaccessible areas it has been used extensively in the evacuation of casualties and rescue of isolated troops as well as the recovery of critical equipment. Thousands of fighting men owe their lives to this type of evacuation. Specially designed equipment produced in limited quantities and vital to the United Nations operations have been retrieved and returned to our forces. Safe shipment of highly essential equipment and supplies is most generally assured.

Its unique size and the low altitude at which it flies makes it a difficult target for the enemy and a very effective forward observer and artillery spotter for ground troops. Field commanders are using it extensively for closer liaison with their tactical positions and troops. The armed services are anticipating many more uses for the aerial curiosity with additional field tests and certain modifications.

MISSION ACCOMPLISHED—USS Boxer's (CV-21) helicopter lands on the flight deck after an air-sea rescue mission.

A "FANTASTIC WEAPON" ON ITS WAY—A U. S. Air Force Martin B-61 Matador (pilotless bomber) shoots into the sky with a roar, black smoke and white heat of its rocket auxiliary thrust. The Matador is under advanced development at the Air Force's missile test center at Cocoa, Fla., and the first squadron to be trained in its field use is soon to be activated. In the tests it is planned to be flown out over the Atlantic Ocean, is tracked by radar stations down range, telemetering information back to the base. Note the black smoke emitted from the tail as the Matador leaves the launching platform.

Annual Halloween Carnival, Parade Set For Wednesday Night Downtown

The annual high school student council Halloween Carnival will be held Wednesday night, October 31, in downtown Sonora.

The parade, headed by the Halloween Queen and her court and the Bronco Band, will form at the Courthouse at 6:30 o'clock. The carnival will follow the parade and judging of contestants.

School children who are taking part in the costume contest and intend to march in the parade, are urged to be on time at the Courthouse. Children will march according to grades beginning with the kindergarden and first grade.

After costume prizes are presented, the Queen will officially open the carnival. Candidates for Queen are Carnie Sue Wyatt, Lois Lu Lomax, Ora Crites, Patty Hardesty and Nancy Hunt.

Classes and organizations have been assigned the following concessions: Seniors, wheel of chance and auction; Juniors, raffle and wheel of chance; Girls Athletic Association, cakewalk; Sophomores, food and drink stand; Band, Bingo; Freshmen, Ball throwing and turtle derby. Eighth Grade, penny pitching; Elementary School country store; Spanish Club, Side Show and ring pitching; Library Club, Talent Show.

Sixteen different activities are offered at this year's carnival.

Broncos Take On Jackets Tonight

It's "Back To The Wars" again tonight for Sonora's lassoed but unbroken Broncos who roll out the red carpet this time to the Menard Yellow-Jackets, heavy contenders for the number two district slot. The Jackets have been beaten only by powerful Eldorado.

The Broncos are generally in good shape for this game. Indeed, it has been their conditioning, with one or two exceptions, which has carried them through game after game against heavier, more experienced opponents, without serious injury.

Game time is 8 o'clock. Plenty of coffee and sandwiches at the field.

Mr. and Mrs. R. L. Hallum spent the weekend in Odessa the guests of her daughter, Mrs. Ross Blakley and son, John Barton.

Mrs. S. P. Glasscock is in Stevenville visiting her sister and family, Mr. and Mrs. Grady Peters, this week.

Sonora Drops Eden Tilt 25-0

Underfeated Eden, co-favorites with Eldorado to share District 6-A honors, rolled to its sixth straight victory Friday night by crushing Sonora 25-0.

It was the first conference game for Eden. Next week the Bulldogs entertain Junction in another league battle. Junction has won one and lost one in district play.

After a scoreless first quarter, Eden exploded for three touchdowns and then waited until the fourth to add the final score of the game.

Jimmy Green to Pat Maddox, a strong passing combination, clicked for the opening and closing touchdown of the game. In between, Windell Brandon raced 45 yards to score and Charles McDonald cracked six for a touchdown. Only one of four placements for the conversion proved successful.

In six games this season, the Bulldogs have scored 202 points to a total of 32 for their opponents.

Ben Castilleja Murder Trial Underway

The trial of Ben Castilleja, Sonora shearing captain, charged with the murder of Miguel Gonzales, got started Thursday afternoon after an intense search for additional jurymen. The Parrish murder trial, completed Wednesday night, reduced the panel by twenty.

The jury before which the Castilleja case is being tried is composed of Jo Hardgraves, Louis Davis, Billy Galbreath, Wilfred Berger, Jim Branscum, Collier Shurley, Vernon Marion, John McClelland, S. M. Kerbow, Artie Joy, Lawrence Nichols and Truman Hines.

Castilleja is represented by Clayton Bray. Representing the state are Connell Ashley, Fort Stockton, Web Elliott and M. C. Gonzales, special prosecutor from San Antonio. Ashley, a law associate of Hart Johnson, and Elliott took over the state's case Wednesday afternion during the Parrish trial when Johnson became ill and was taken to the Hudspeth Memorial Hospital.

Johnson's condition was reported improving Thursday.

A complete account of the Castilleja trial will appear next week.

Parole Board Report Made By Shepperd

Secretary of State John Ben Shepperd stated in a report to George E. Smith, Sonora Chairman of the Sutton County Voluntary Parole Board that the Texas Voluntary Parole System is functioning economically and satisfactorily.

Shepperd reported that when he assumed the duties of Secretary of State in February 1950 there were 600 parolees unaccounted for in Texas. He commended the Texas Voluntary Parole Board members for their cooperation and assistance in enabling the Department to reduce the number of missing parolees to 60.

The Texas Voluntary Parole System, Shepperd stated, is a positive and constructive program designed to aid the parolees in becoming worthwhile citizens of the community. Parolees, he reported, are released from prison on recommendation by the Board of Pardons and Paroles to the Govenor for the granting of clemency. After clemency has been granted, a parolee is under the supervision of Parole Board members until expiration of his sentence.

The Parole System, Shepperd reported, has proved to be a sound program as a method of progressive public protection. The Annual Report of Texas Board of Pardons and Paroles show that in 1949 there were 11.6 % parole violators. This figure was reduced to only 3.8 % in 1950.

These men, the Secretary of State reported, are supervised at the very low cost of only 4½ cents daily for each parolee while it costs the Texas Prison System 82 cents daily for each inmate. This figure, he stated, does not take into consideration the amount spent by the State in caring for the dependents of those incarcerated. The Department of Public Welfare shows in their Audit Report for 1950 that $212,426.27 was spent in aiding these families.

In comparing the costs of the Texas Volunteer Parole supervision with that of other states the Secretary of State cited the fact that the state of New York spends $62 for each parolee yearly; Massachusetts $54 yearly,Virgina $60 yearly, Wisconsin $34 yearly while Texas only spends $15 yearly for each parolee.

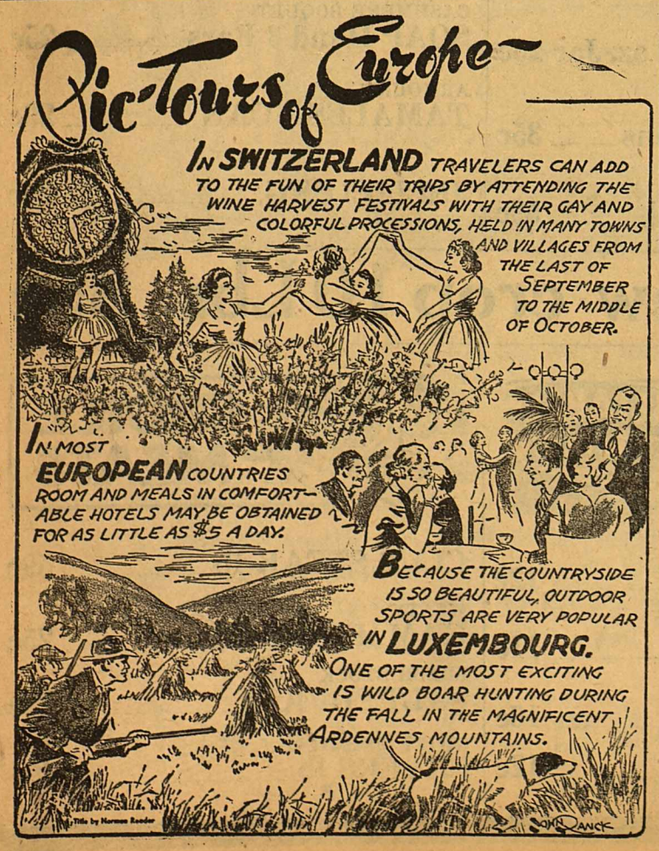

Shepperd also prased the work of the members of the Voluntary Parole Board and cited several cases where through their efforts delinquent have been restored from the prison system to daily pursuits of everyday life.

Other members of the Sutton County Voluntary Parole Board are: R. A. Halbert, Bryan Hunt and B. M. Halbert, Jr.

Those attending the Eastern Star Convention this week in San Antonio are; Mmes. M. E. Genrich, A. E. Prugel, Dave Locklin, Curt Schwiening, Geo S. Schwiening, Ray Baker and Mr. and Mrs. W. P. McConnel.

Mrs. Mattie Spoon of Menard is here visiting her daughter and family, Mr. and Mrs. Ray Baker.

Mrs. Tom Franks and Mrs. C. B. Brown were in Rocksprings visiting this week.

RATLIFF HOME SCENE OF DINNER - BRIDGE MONDAY

Mr. and Mrs. Tom Ratliff, Mr. and Mrs. Ben Cusenbary, Mr. and Mrs. E. A. Brodhead, and Mrs. Ella Wallace were hosts at dinner and a bridge party Monday night at the Ratliff home.

G. H. Hall won high score for men and Mrs. Jack H. Kerbow won high for ladies. Bingo prizes were won by Rip Ward and Mrs. Robert Kelley, Jr. Several traveling prizes were also awarded.

About seventy guests attended.

MRS. PATRICK HOSTESS TO THURSDAY CLUB

Mrs. Lee Patrick entertained the Thursday Bridge Club last week at her home. High member score was won by Mrs. S. M. Kerbow, and Mrs. J. H. Brasher won high for guests. Mrs. O. C. Ogden won low.

Fall cutflowers were used as decorations.

Pie a La mode and coffee were served to Mmes. John Bunnell, B. C. McGilvray, Lee Labensky, H. V. Morris and S. M. Kerbow. Guests attending were Mmes. J. H. Brasher, O. C. Ogden, andLeslie Malmstrom.

Attend SOME Church Sunday.

QUESTIONS AND ANSWERS FROM VETERANS ADMINISTRATION

Q - Will the Veterans Administration find me a job? I am a World War II veteran.

A - - The VA has no job-finding functions, under laws established by Congress. The place to go is your local state employment office.

Q - My daughter will be 18 next July-during the Summer vacation between school terms. She is receiving death pension payments because of the death of my husband, a World War I veteran. Will VA stop the payments between the time of her 18th birthday and the time she starts to school in the Fall?

A - No. So long as your daughter enters school at the end of the vacation period, the payments may, with VA approval, be continued during the Summer after her 18th birthday-even though she is not actually in school during that time.

Q - - I have just finished Public Law 16 training and I expect to continue drawing subsistence checks for the two months following my rehabilitation. If I reenter military service, will the checks still keep coming to me?

A - - No. You are not entitled to receive substence allowance if you are getting active service pay.

Q - - Does time spent in the WAAC during World War II count toward building up entitlement for GI Bill training?

A - No. However time spent in the WAC, after it became a component of the Army in 1943, does count.

YOUR HEALTH

"What the average community needs is a well organized health department which emphasizes five types of activities to protect the child's health" says Dr. Geo W. Cox, State Health Officer. "These activities are: (1) The safeguarding of child health and motherhood; (2) the control of Contagion; (3) accurate recording of births and deaths; (4) support of public health laboratories; and (5) sanitary control of diseases spread from human waste and by vermin and insects."

"The full time local health unit gives due emphasis to each of the above memtioned activities. To illustrate how these 5 essential functions are interrelated, the interest of the various divisions in the new born baby, preschool and school child may be cited as an example. Child health is safeguarded by providing instruction to the mother. Through the use of vital statistics, complete and accurate birth registration is kept, as well as records indicating deaths which occur among children from preventable diseases.

"Contagion is prevented or controlled against further spread through the encouragement of immunization early in life, through the prompt reporting of infectious disease. Public health laboratories and sanitary engineers provide additional bulwarks of protection for child life.

CONGRATULATIONS To These NEW PARENTS

Mr. and Mrs. Catarino E. Salas are the parents of a boy, Roberto Catarino, born October 14 at Hudspeth Memorial Hospital and weighing seven pounds and two ounces.

Maternal grandparents are Mr. and Mrs. Euselo Balpoyar of Sonora. Paternal grandparents are Mr. and Mrs. Candelario Salas of Cuidad Acuna, Mexico.

* * *

Mr. and Mrs. Jimmie Lee Durham of Ozona are the parents of a baby girl born October 19 and weighing seven pounds and seven ounces.

"Adequate health organization and wholehearted support on the part of varous state and local agencies are essential if these activities are to be successfully maintained."

Personal Notes

Mr. and Mrs. Pat Lyles were in Dallas last week on business.

Mrs. G. C. McElhaney of Corona, Calif., is the guest of her daughter and family, Mr. and Mrs. Hollis Lambert, for a few days this week.

Mrs. Bill Cartwright is recovering from minor surgery in a San Angelo hospital.

Mrs. Ira Langford and children of San Angelo were here last week visiting friends and her parents, Mr. and Mrs. Monroe Crowell.

Mrs. Adam Delrie has been in a hospital in San Angelo the past few weeks. She underwent surgery.

Paternal grandparents are Mr. and Mrs. Fred Dunham of Enid, Oklahoma.

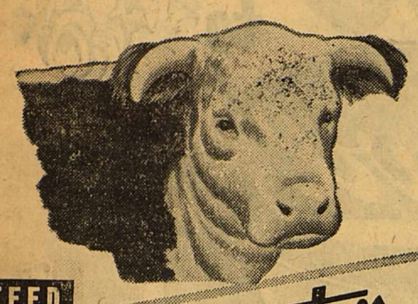

Mrs. W. L. Lakey is in San Angelo this week visiting her daughter and family, Mr. and Mrs. Scott Murry and children.

Mrs. Ervin Willman, who has been in a San Angeli hospital, returned home last week and doing nicely.

Mrs. Ellen Ray has been in San Antonio for a few days visiting her sister, Mrs. J. B. Smith.

Clyde Henderson, Malcolm Holinger, and Jim Hugh Richardson attended the Huntsville Prison rodeo last Sunday.

Mr. and Mrs. Hollis Nutt went on a fishing trip to Port Isabel and Corpus Cristi, last week. They also visited her parents and daughter, Mr. and Mrs. H. L. Hairston and Miss Bobby Fritz Kiefer of Brady.

NO OTHER CAR PROVIDES ALL THIS:

DYNAFLOW DRIVE*—saves strain on driver and car

FIREBALL ENGINE—high-compression, valve-in-head—gets more miles from every tank of fuel

PUSH-BAR FOREFRONT—combines smart style and unsurpassed protection

WHITE-GLOW INSTRUMENTS—greater clarity at night

TORQUE-TUBE DRIVE—seals the chassis, steadies ride, improves driving control

4-WHEEL COIL SPRINGING—cushions ride, saves servicing costs

DUAL VENTILATION—outside air fed separately to right or left of front compartment

SELF-ENERGIZING BRAKES—hydraulic—multiply pedal-pressure five times at brake drum

DREAMLINE STYLING—tapered, car-length fenders, gleaming sweepspears on most models

Plus: Self-locking luggage lid, StepOn parking brake, two-way ignition lock, Safety-Ride rims, Hi-Poised engine mounting, Body by Fisher

When better automobiles are built BUICK will build them

Double Surprise for a lot of folks

EVERY time we publish the price of a Buick, it seems to surprise a lot of people, because they come in and tell us so.

They just can't believe that so little money buys such a lot of car — but it's true.

And that brings us to the second surprise — which is how much power and performance — how much comfort and room — what a long list of standout engineering features you get for the price.

Take power. You'll find that no other car at the price of the Buick SPECIAL pictured here delivers the horsepower you get from its high-compression, valve-in-head Fireball Engine.

Take comfort. The best thing to do is try the depth of its seats—their width—and the headroom you get in this Buick SPECIAL, and judge for yourself.

Take the ride. This Buick has big soft coil springs on every wheel, plus the solid firmness of a torque-tube keel—and the way this combination smothers the bumps is something that's hard to match in cars costing a thousand dollars more.

Take the way it steers. Buick engineers have given this light-handling beauty a special "front-end geometry" that almost does the steering for you—even brings the front wheels back to a straight line when you come out of a turn.

And you can add to all this Dynaflow Drive*—that puts magic smoothness into every mile you drive—and practically repays its extra cost by the way it protects the whole driving mechanism, and by the dollars it adds to trade-in value.

So if you have been hoping, some day, to own a Buick—what's holding you back? If you can afford any new car—better see us now.

*Equipment, accessories, trim and models are subject to change without notice. *Standard on ROADMASTER, optional at extra cost on other Series.*

Tune in HENRY J. TAYLOR, ABC Network, every Monday evening.

Mrs. Pearl Crites is in Pearland, this week visiting her son and family, Mr. and Mrs. Bruce Crites.

Mrs. J. H. Brasher, her brother and sister, Fred Sterling and Mrs. Maggie Hurt of San Antonio are spending a few days in Rockport this week.

TWO SONORANS FINISH MARINE BOOT TRAINING

Marine Pfc. Phillip Cooper, son of Mr. and Mrs. Alfred Cooper, and Pfc. Jimmy Lightfoot, son of Mr. and Mrs. Gene Lightfoot of Junction recently completed their recruit training at the Marine Corps Recruit Depot, San Diego California.

In recognition of this accomplishment they were promoted to their present ranks.

The young Leathernecks have been thoroughly trained in basic weapons of the Marine Corps, first aid, map reading, infantry drill, and many other military subjects. Almost one-third of this training was at the rifle range where they quickly became efficient marksmen with the M-1 rifle.

They will now be transferred to one of the numerous duty stations where Marines are serving throughout the world, or be assigned to a specialist school for further technical training.

THIS TASTS GOOD IN TEXAS

Salmon Souffle

¼ cup butter
1-3 cup unsifted flour
1 ½ teaspoon salt
2 cups milk
4 eggs separated
1 1 lb can salmon

Melt butter in top of double boiler; blend in flour, add salt and milk, and cook over direct heat, stirring constantly, until sauce boils and thickens. Beat egg yolk until light, stir in a little of the hot sauce, and pour into rest of sauce; cook over boiling water, stirring constantly, for 2 minutes. Remove from heat. Flake salmon and mix with sauce. Beat egg whites until stiff and fold lightly but thoroughly into mixture. Pour into a well-buttered 6-cup casserole and bake in a moderately slow oven (325 deg. F.) for one hour. Serve immediately. 5 - 6 servings.

Mr. and Mrs. Gene Lightfoot were in town last week-end on business.

HALBERT AND FAWCETT TO PRESENT TROPHY

The Halbert and Fawcett ranch of Sonora will present a trophy for the Champion Sale Bull at the National Polled Hereford Show and Sale in Louisville, Kentucky, November 1, 2, and 3.

R. A. Halbert, co-owner of the ranch, gained permanent possession of the Champion Sale Bull trophy donated by the Texas Polled Hereford Association, by Winning it for the third time at last years National Show and Sale in Kansas City Mo.

Mrs. G. E. Berry of Cisco was the guest this week of Mr. and Mrs. Lea Allison and children. Mrs. Berry is Mrs. Allison's mother.

Mrs. Rex LeBleu and daughters spent the week-end in San Anfelo visiting Mr. and Mrs. E. D. LeBleu.

Mr. and Mrs. Bill Barker of Cleveland, Ohio are visiting Mr. and Mrs. Granville Barker for a few days.

Clyde Henderson, Malcolm Bolinger, and Jim Hugh Richardson attended the Huntsville Prison rodeo last Sunday.

TAYLOR & MOORE STOCK MEDICINE CO.

EVEN the best of us get out of shape from time to time. But that truck of yours—*if it's to be a steady source of profitable income*—must be kept in hauling trim.

That's our specialty.

If you turn your equipment over to our mechanics at regular intervals—we can keep your trucks in tiptop condition by catching the "little things" *before* they develop into major breakdowns.

And in so doing, you save money *three* ways.

First, you avoid 90% of the costly repairs experienced by less wise truck owners.

Second, you get more hours of profitable hauling with less time lost to "down time."

Third, you get more years of service from the equipment you now own.

Isn't it worth a try?

I READ IT SOMEWHERE
By W. H. Marshall

It is a sign of a well-managed life when a man can live on twenty-four hour a day.

The best in life is to learn to look for no favors from life which have not been abundantly earned.

There is no use complaining about the bad luck that work would have averted.

The best luck is to be able to tell yourself the truth.

Never let your egoism so master you so as to make it easy for you to find fault with people.

You might need a friend some day, so be careful about what you say.

Many good ideas have been defeated because they were argued too intoleratly.

Any civilization is to be measured, not by the success of a few men, but by the success of a few ideas.

City Court

The following fines were paid in City Court this week: Alonzo Soto, $5 failure to stop at stop sign; Dolores Salinas, $5, failure to stop at stop sign.

Mrs. Virgie Blainey is in Conway, Arkansas the guest of her mother, Mrs. M. B. Brady.

Defense is your job, too!

JUST one minute before this picture was taken you would have seen nothing here but waving grass, pine trees, and blue sky. For in only 60 seconds this alert Marine gun crew has landed by helicopter, set up its 75mm howitzer, and is ready to fire!

Precision training and maneuvering like this means that these men stand ready at a moment's notice to protect you and America. That they're doing *their* job for defense.

But, defense is *your* job, too! And one of the best ways to do your job is by buying Defense* Bonds regularly. For by buying bonds you help build the great American economic strength that backs up our armed forces. And at the same time you put your money in the world's safest place. For Defense Bonds are as safe as America!

The U. S. Defense Bonds you buy give you personal financial independence

Remember that when you're buying Defense Bonds you're building a personal reserve of cash savings. Money that will some day buy you a house or educate your children, or support you when you retire. Remember, too, that if you don't save *regularly*, you generally don't save at all. So go to your company's pay office—now—and sign up to buy Defense Bonds through the Payroll Savings Plan.

Don't forget that bonds are now a better buy than ever. Because now *every Series E Bond you own* automatically goes on earning interest every year for *20 years* from date of purchase instead of 10 as before! This means that the bond you bought for $18.75 can return you not $25—but as much as $33.33—if you just hold it the extra ten years! A $37.50 bond pays $66.66. And so on. For your security, and your country's, too, buy U. S. Defense Bonds now!

*U. S. Savings Bonds are Defense Bonds
Buy them regularly!

The U. S. Government does not pay for this advertising. The Treasury Department thanks, for their patriotic donation, the Advertising Council and
