

Dead Recluse's Fortune Found In Battered Trunk

NEW YORK, Oct. 19. (AP)—When Mrs. Minnie Rosser Weigle, 79-year-old eccentric recluse, died last August in a junk-littered hotel apartment, police wrote it off as a routine matter, but the sequel came today when two amateur sleuths produced her hidden fortune of \$469,500 in cash, found in a battered old trunk.

Most of the money was crisp and new, in denominations of \$5,000, \$1,000 and \$500 bills. Healy is attorney for the estate and Raymond is an administrator. They removed 11 barrels of trash from the apartment in the course of a search that led them into every crevice and cranny.

Thomas Again Convicted Of Murder

Third Trial Gives Him Life Sentence For Hunt Slaying

SWEETWATER, Oct. 19. (AP)—Jim Thomas, 51-year-old convict, was convicted today for a third time on a charge of murdering Dr. Roy E. Hunt of Littlefield and assessed a sentence of life imprisonment.

On two previous convictions of the same charge juries had decided death should be the punishment. After today's verdict was reported at 3:30 p.m. Thomas' counsel gave notice of appeal to District Judge A. S. Mauzey.

A jury at Plainview first convicted Thomas, who was arrested Oct. 27, 1943, a day after the bodies of Dr. and Mrs. Hunt were found mutilated and bound in bed at their residence. He was tried only in the death of Dr. Hunt. Thomas won a re-trial because of a jury irregularity and the case then was tried at Lamesa on a charge of venue. The Lamesa jury also convicted Thomas.

After the conviction at Lamesa Jan. 12, 1945, attorneys for Thomas filed motion for a new trial which got underway here on a change of venue this week. The Sweetwater jury received the case about midnight Friday.

The state rested its case last night after he Hunt's eight-year-old daughter, Joan, testified that on the night of the slaying she was awakened by her mother's screams. She went into her parents' room and "a big man, wearing black shoes, picked me up and put me in the clothes closet," she said.

Levi Duncan, a Texas Ranger, yesterday identified a picture introduced as evidence as that of an automobile which Red Craig had testified he loaned to Thomas in Amarillo the day before the Hunts were slain.

Duncan testified that car tracks in an alley near the Hunt home corresponded with tire marks on the Craig car. He also identified pieces of metal as having been sawed from a fender of the same car. He said they were scratched and indented as if by a blow from a hard object. He said a piece of concrete in the Hunt alley showed that a car had backed into it.

On cross-examination, Defense Attorney Farmer of Waco read from the transcript of Duncan's testimony at Thomas' previous trials to show what the Ranger had not then mentioned the picture, the concrete block or pieces of metal.

Water Changes Taste With Shift To Lakes

The city shifted to its lake supply Saturday with the result that water in some quarters changed its taste.

Initial water was from Moss Creek, but the water department was due to shift to Powell Creek lake during the night in hopes of correcting the taste factor and give time for adjusting treatment to care for Moss Creek waters, also. Difference in the two is the heavier amount of vegetation normally in Moss Creek.

Supplies have been coming from wells since thundershowers poured new supplies into the lakes, making the waters turbulent.

Stock Sale Lasts All Day, All Night

ALEXANDRIA, La., Oct. 19. (AP)—The biggest livestock sale in Louisiana history ended at 6 a.m. today after an all day and all night session at the Alexandria stockyards.

The sale also marked the end of the biggest week in the history of the Alexandria market with cattlemen receiving approximately \$300,000. Yesterday's receipts were 2,600 cattle and 400 hogs, bringing more than \$150,000.

Prices Whirling As Controls Lifted

Victoria Men Killed In Plane Crash In Swamp

MERIDIAN, Miss., Oct. 19. (AP)—The bodies of four men found in the wreckage of a plane near Key Field here today were identified by Sheriff W. Y. Brame as residents of Victoria, Tex.

He said a telephone call to Victoria disclosed they were en route to the Mississippi State-San Francisco game in Memphis, Tenn., and apparently lost their direction.

He lifted the victims as Howard Cecil Odell Grimes, 34, owner and pilot of the plane; Cecil Leon Bachus, 22, Dr. Earl Barton Keith, 31, chiropractor, formerly of Johnson City, Tenn.; and William Walter Granberry, 36.

The wreckage was discovered in a swamp area within a mile of Key Field by H. L. Skinner of Arandel community who was going fishing.

Sheriff Brame said attendants at Key Field reported a plane circling the airport about 7 o'clock last night and field lights were turned on.

The sheriff said the plane, a two-engine Cessna, apparently struck a tree while attempting to make a turn.

Coroner Louis Boyd conducted an inquest and pronounced the deaths due to accidental causes.

New Maritime Problems Rise; Talks Resumed

By The Associated Press Efforts to settle the nationwide tie-up of shipping were resumed in New York today as new maritime problems—both involving Army material—rose in Baltimore and Seattle.

In New York high ranking CIO maritime officials met with John W. Gibson, assistant secretary of labor, and spokesmen for Atlantic and Gulf Coast ship operators, to discuss the 19-day strike of the Marine Engineers Beneficial Association (CIO) and the Masters, Mates and Pilots (AFL).

The Engineers seek wage increases of 35 per cent. The Masters want 35 per cent more pay and a closed shop.

Meanwhile, in Baltimore, striking deck officers and engineers refused to sail the freighter Thomas W. Murray because, their spokesman said, the steamship company had assigned a non-union to the ship.

The vessel was slated to leave today for Italy with a load of coal consigned to the U. S. Army. The ship is owned by the Cosmopolitan Steamship Corporation.

In Washington the War Department said the Seattle CIO committee on Maritime unity had delivered an "ultimatum" refusing to load any but six commodities, and those only on transports owned or operated directly by the Army.

The department claimed the support of Harry Bridges, head of the International Longshoremen Union (CIO), in its efforts to end the Seattle dispute, which involved movement of Army supplies to troops in Japan and Korea.

Trainmen Reject Union Affiliation

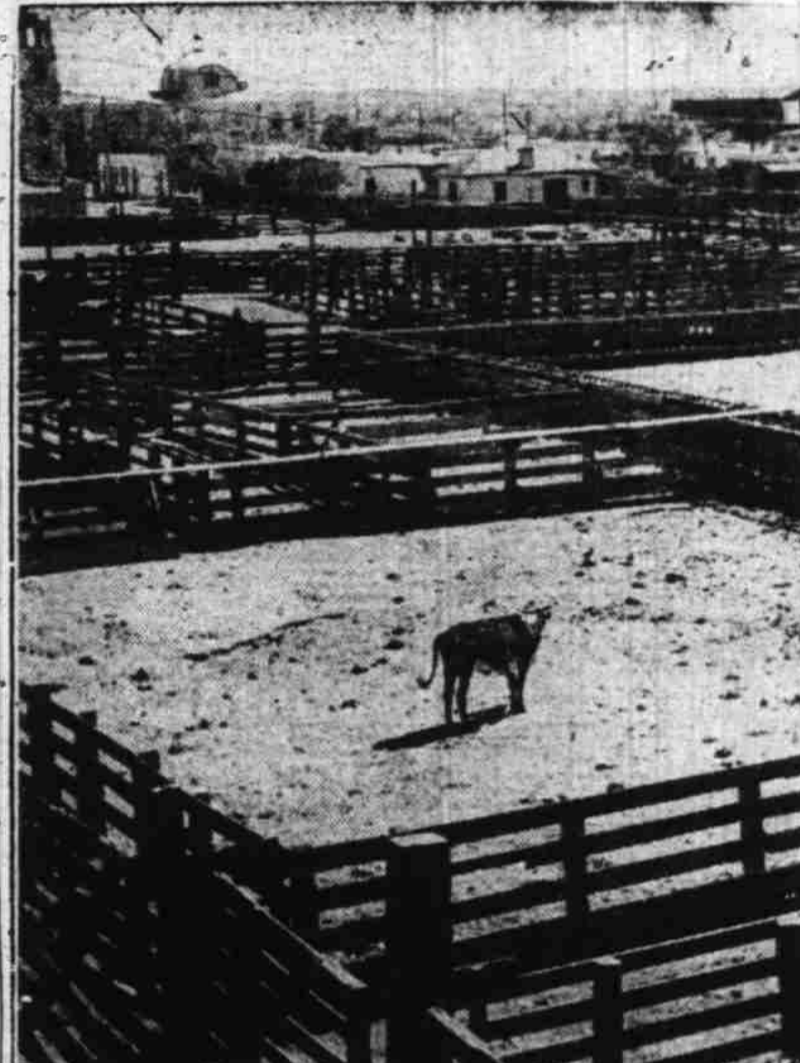

MIAMI BEACH, Fla., Oct. 19. (AP)—A. F. Whitney, president of the Brotherhood of Railroad BRT Independent Union had rejected affiliation with the AFL as well as the CIO.

Whitney said the union in considering the CIO offer earlier this week had decided to make a joint resolution, and voted down affiliation with either of the big labor groups.

He said at a press conference that he still hoped William Green, AFL president, would come to Miami Beach to address the convention, and that it was possible but not probable that it might reconsider and vote on whether to accept an AFL offer.

Whereabouts Sought

EDCOUCH, Oct. 19. (AP)—Police today attempted to locate Clinton Fraser, Jr., of Houston, vacationing somewhere in the West, to notify him of the death of his father, a former Valley banker and pioneer lemon grower and citrus cooperative advocate.

WAITING FOR MEXICAN CATTLE—A steer stands alone in stockyards at El Paso, Tex., which were ready to handle movement of Mexican cattle across the border from Juarez. The US quarantine on importations of cattle from Mexico was lifted Oct. 18.

Livestock Value Shoots Up; Some Items Drop

CHICAGO, Oct. 19. (AP) The removal of OPA controls has sent the price pattern for most major items in the American food budget into a dizzy whirl and there were indications today of growing consumer resistance to those products which turn up with a higher sales tag.

The impact of sudden decontrols hit the markets an erratic blow and it was too early to tell how the food dollar of the near future would compare with its buying power of last week.

The major staple decontrolled—meat—promises to be relatively plentiful in butcher shops across the nation in a few days but at prices above old OPA ceilings.

Dealers, consumers and trade associations have joined hands in efforts to keep prices down. The prices of all livestock shot up, despite an avalanche of receipts, and record highs were established in some markets. Both cattle and hog prices, however, experienced downward trends when offerings were the heaviest.

In the commodity markets, the price of soybeans, lard and flax also went up.

However, a long list of commodities dropped in price, including poultry, eggs, butter, wheat and cotton. Trade sources attributed the butter drop to the removal of ceilings on other fats and oils.

The American Meat Institute, saying prices would be higher until demand is met, urged housewives to "shop around for the best buys." Some dealers refused to buy meat at high prices and the president of the New Jersey Independent Butchers' Association urged consumers to "strike" until meat prices come down "within reason."

In Helena, Mont., housewives started a chain telephone call movement advocating buyers strike against butter prices of 89 cents to \$1.00 a pound.

In the nation's livestock markets there was no official trading today, although hogs and cattle were in the pens waiting for opening of trading Monday.

Meat Control Definitely Dead, Anderson Says

KANSAS CITY, Oct. 19. (AP)—Controls will not be reinstated on livestock and meats, Clinton F. Anderson, secretary of agriculture, assured the American public today.

"As far as the livestock industry is concerned, we have reached the end of the control period, and controls are off permanently," Anderson told a press conference.

Anderson did not refer to statements made recently by Republican campaign speakers suggesting that controls might be reimposed after the November elections, but stated "this is no on and off proposition." The chief purpose in removing livestock and meat ceilings was to promote the earliest practicable balance between supply and demand.

At the same time, the secretary, who is in Kansas City to attend the American Royal livestock show, appealed to livestock men to follow an orderly procedure in marketing their animals.

Pointing out that there had been so many hogs shipped to stock yards that some markets had been unable to handle them, Anderson said this added to marketing costs to the producer.

"It most assuredly will be to the producers' interest if they will check with their market agencies to make sure hogs can be handled at the marketing center before they are sent to market.

"It will not be to the interest of either the producers or consumers for livestock to go to market when it is not in slaughter condition. The situation today calls for all of the meat we can obtain from hogs sold at normal weights."

Prayers For Rain

VATICAN CITY, Oct. 19. (AP)—Pope Pius XII ordered prayers in all Rome's churches today for rain to relieve southern Italy's prolonged drought, which has enforced rationing of electric power in the capital.

Staats To Open Bible Services Tonight At 8

Dr. Loren B. Statts, Dallas, will be heard at 8:00 p. m. today at the city auditorium in the first of a series of Bible conference services sponsored by the Big Spring Pastors' Association.

Dr. Statts arrived here Saturday, and with him was Ivan Barcoff, widely known symphony and concert pianist, whose virtuosity will be demonstrated in the services during the week.

In his first message of the series this evening, Dr. Statts speaks on "Power Today for Conquest Tomorrow," a message in which the conference leader proposes to tell of "Communism's secret plan to destroy America."

He is to speak at the 11 a. m. worship of the East Fourth Baptist church, the pastor, the Rev. James Roy Clark, announced. Dr. Statts will bring "A Message for the Home," based on Ex. 2:9, "Take this child away and nurse it for me, and I will give thee thy wages."

Rev. W. L. Porterfield, pastor of the Wesley Methodist church and president of the Big Spring association, will preside at the conference series. George McLellan, director of music at East Fourth Baptist, will direct a 60-voice choir for the evening services, which will be at 7:30 o'clock at the auditorium. Morning services will be at 10 o'clock at the East Fourth Baptist church.

Reviewing The Big Spring - Week -

Joe Pickle

Controls came off livestock last week and the sellers' strike ended with a big volume here and over the land. Local sales, counting private deals, probably hit 3,500 head during the week. Prices were up, but not as much as might have been expected. Wildest bidding was on hogs, and here the small volume caused terrific bidding. Offers got up to 30 cents a pound on foot, the price for which you once could buy nice cured ham.

While on the subject of meat, it would be an eye-opener to many local people if they would go on the annual tour of the Howard County Hereford Breeders association Thursday and Friday. The average person doesn't realize the scope or quality of the cattle breeding industry in Howard county.

Allocation by the state board of water engineers of water rights above Colorado City on the Colorado, has the effect of putting the free-city combine (Colorado River Municipal Water association) in the driver's seat. The group (if and when it becomes a district) will be free to reach decisions without restrictions.

San Angelo is seeking star route service which would bring early morning mail from Big Spring to that city as a means of speeding delivery. This is a needed service. From our point of view, a return of the route in the evening would further improve service.

City and school tax notices are due to go out shortly, and because of the delay, the deadline for qualifying for three per cent discount will be extended until Nov. 15. Taxpayers should not confuse county and state payments with this date, for the three per cent discount goes off in this case with October.

First and biggest push, from the point of dollar volume, will begin the Community Fund on Tuesday. A representative group of us have accepted assignment, such time can be conserved while we will be giving serious thought to the week, Page 4, Col. 1

Details Completed For Community Fund Campaign

With organizational details almost complete, the Community Fund drive—covering the financial needs of six agencies—shoves off Tuesday morning in quest of a \$32,000 quota.

The special gifts committee, with some 50 workers, and the 100 per cent Day-Pay club, with 10 helpers, will take to the field in the first contacts for the overall fund.

Potentially large contributors will be contacted for representative gifts, not for one organization, but for an even half dozen—the YMCA, the Salvation Army, the Boy Scouts, the Girl Scouts, the USO and China Relief.

One week from Tuesday, the general business canvass along with the remainder of the campaign, including a canvass of the residential and rural areas and of the schools opens operation of downtown booths and distribution of collection jars in business places.

After these have spent their force, the Mop-Up brigade, under direction of J. H. Greene, will go into action to pick up the loose ends.

General Chairman Ira Thurman, expressing appreciation for the spirit of willingness to help on the part of workers, expressed the hope that the drive would be over the top well in advance of the tentative date of Nov. 11.

R. T. Painter, Ted Groehl and Mark Wentz will be in charge Tuesday at 7:30 a.m. in the Settles when the kick-off breakfast for the special gifts group is held. Meeting jointly with this group will be 100 per cent Day-Pay workers under Joe Pickle. Groehl is to make the address at the breakfast for the special gift workers.

Letters have gone out to prospects on the special gift canvass, explaining the fact that this drive represents all major drives of the community except Red Cross, and the need for quickly meeting financial needs of cooperating agencies.

Workers not only will have gift and pledge cards, but they also will have service bonds to be issued to contributors over certain amounts in recognition of their part in supporting worthwhile activities in the campaign.

Preliminary details were discussed at a meeting of workers at the Settles Friday afternoon. It was reported at the meeting that letters to out-of-town firms have gone out from a special committee headed by Marvin Miller, and that some responses have been reported already.

The general business and residential canvass are due for Oct. 29. The American Business Club and the Lions Club are to take the field for a complete canvass of the residential area on the same day. Walter Reed also will throw his school canvass into action on that date and Alvin Thigpen, Dewey Martin and Lee Porter will give the high sign to rural workers simultaneously.

Booths will open in the downtown district, under the direction of Mrs. Larson Lloyd, and jars are to be distributed in business places so that loose change contributions may be made to the Community Fund.

Demmer, who said in a hearing before Oppenborth that "he has just as much right to wear lady panties as women do," was bound over to the court of crimes on charges of indecent exposure under \$100 bond.

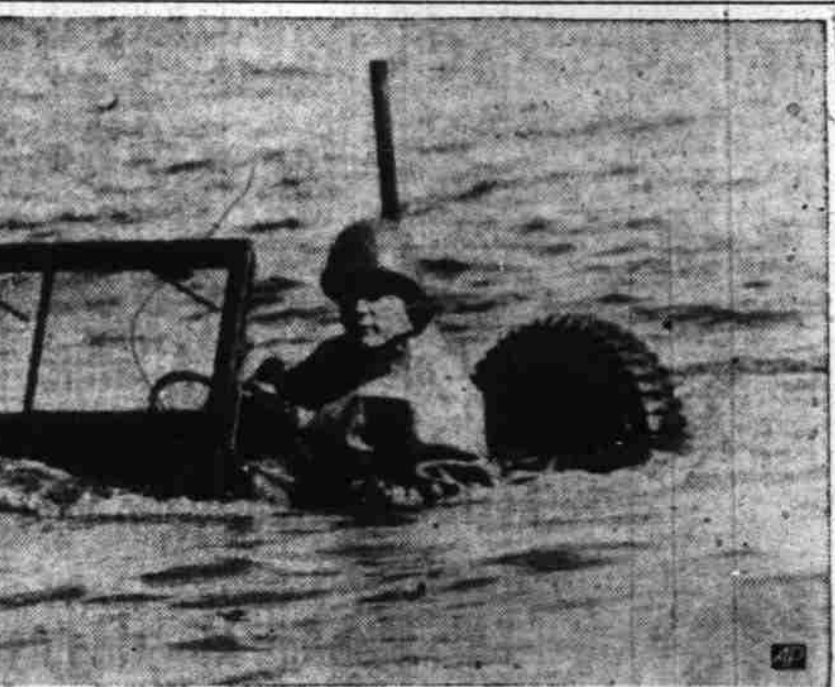

He was arrested on complaint of Mrs. C. Baugen, his landlady, who told the court Demmer was "parading around his apartment attired only in pink panties."

Demmer told the court he had purchased seven pairs because he couldn't buy men's shoes. "And they're much cooler, too, your honor," Demmer added.

Demmer said he would seek the aid of a lawyer and contest the case.

DEMONSTRATES 'SUBMARINE JEEP'

With little more than his head above the surface, Marine Sgt. Roy Harmon of Washington, D. C., drives the Navy's new waterproof jeep. "The Reluctant Turtle" during an underwater demonstration at Bay Ridge, Md. A conventional jeep, the change consists principally of making ignition parts waterproof and in extending exhaust and breather pipes above the surface. The jeep will be used for beach and fording operations. (Wirephoto).

Deep Reeves Test Promising Pay

By JOHN B. BREWER

San Angelo, Oct. 19 — A south-eastern Reeves county wildcat was bidding for production in the Delaware Basin at a record depth to highlight oil developments as the past week closed.

ARGO No. 1 Mrs. Dora Roberts in Reeves county was testing between 9,000, where 5-inch casing was cemented, and plugged back depth of 12,500 feet. It filled with oil in 13 3-4 hours and made a brief flow early in May on a drill-stem test from 10,697-729 feet, in lime reported to be Wolfcamp, basal, Permian. The prospect is in the C NE NE 29-13-H&CN, 13 miles northeast of Balmorhea.

Humble No. 1-C R. B. Cowden in northwestern Ector county, C SE SW 3-45-2n-T&P, recovered sulphur water with no oil or gas on a drill-stem test of the Ellenburger from 9,150-85 feet and was expected to be abandoned. Its Ellenburger top, 9,165 feet, 5,859 feet, was 600 feet lower than in Humble No. 1-B R. B. Cowden, opener of the Andector field 1-4 miles east and slightly north. Plymouth staked a diagonal north-east offset to the Andector strike, C SW SW 1-45-2n-T&P, in Andrews county.

Phillips No. 1 R. B. Cowden, discovery Silurian producer in the North Goldsmith field, C NE NW

3-45-1n-T&P, was completed through casing perforations at 8,255-80 feet for a 24-hour flow of 225.77 barrels of oil. It had been acidized.

Broadening to the west of the south end of the Block 12 (Tubb) field in southwestern Andrews county was indicated when Atlantic No. 1-F-12 University filled 5,500 feet with oil on a 70-minute drill-stem test from 7,048-7,250 feet. It ran casing to test. The outpost is in the C NE NE 21-12-U.

Atlantic No. 1-E-12 University, C NE NE 18-12-U, 2-1-4 miles west of the Block 12 discovery, became the first operation in the area to show all and gas from the Devonian, on a drill stem test from 8,445-8,510 feet. It drilled ahead.

Cooper Gas Co. No. 3-A Jess Koy, third well in the northwest extension to the Page (Strawn) field, Schielcher county's first major oil producing area, flowed 25 barrels of oil hourly from perforations at 5,615-45 feet after acidizing with 3,000 gallons. It is in the C SW SE 38-L-GH&SA, quarter mile south of No. 1-A Koy, discovery in the area.

L. W. Elliott of Sonora and W. M. Holland and Rudolph Grossenbacher of San Angelo and associates spudded No. 1 V. G. Tidale, slated 6,000-foot wildcat in Schielcher, C NW NW 16-A-HE&WT, 3 1-2 miles west-northwest of the Page northwest extension.

Stanolind No. 1-B J. J. Perkins, C SW SW 4-B-psi, marked an extension one location north and east to Keystone Ellenburger production in Winkler county, rating 589 barrels of oil daily from 9,958-10,061 feet.

Devonian production east of the Keystone Ellenburger field was moved a quarter-mile north by

Stanolind No. 1 John M. Moss, C. NW SW 8-B2-psi, which, was finished with a daily flowing potential of 502 barrels from acidized pay at 7,945-73 and at 7,985-8,063 feet.

Stanolind No. 12 Sealy-Smith, south offset to Ralph Lowe's upper Clear Fork lime discovery in south-eastern Winkler county, C NW NW 72-A-C&MMB&A, swabbed 45 barrels of oil and three barrels of water in 12 hours, at plugged back depth of 5,290 feet.

Contract was awarded to C. F. Braun Co. of Los Angeles for the construction of a gasoline plant in the Slaughter field of Cochran, Hockley and Terry counties that will have a daily capacity of 90 million cubic feet daily. Honolulu, The Texas Co., Devonian, Magnolia and Geo. P. Livermore, Inc., will share the project with Stanolind, which will operate it. Residual gas will find an outlet through a 26-inch line to be built by El Paso Natural Gas Co. from Jal, N. M., with a Slaughter field feeder, to Blythe, Calif., where connection will be made with a new system to supply the California market.

Pure No. 1 E. A. Preston, second well in the Irish field, first in Hale county, swabbed and flowed 500 barrels of oil in 19 hours after washing with acid, bottom at 5,880 feet. It was retreating. Location is the C SW SW 12-DT-HE&WT, diagonal northeast offset to Stanolind No. 1 Lee Irish, the discovery.

Terrorism Results In Jewish Curfew

JERUSALEM, Oct. 19. (AP) — Military officials imposed a strict house curfew—8:30 to 5:30 a. m. daily—on Jewish sections of Jerusalem today because of a "serious recrudescence of Jewish terrorist activity in the Jerusalem area during the hours of darkness."

Bower's statement said that "in recent days one British police inspector, two British soldiers and one British airman have been murdered and a British colonel, two British soldiers, a British airman and an Arab civilian injured" by activities of extremists.

A similar curfew was in effect for nearly a month after the King David Hotel was blasted July 22. Eight persons were injured this morning when a gang broke up a mass meeting of the Jewish labor party, which was discussing the election of representatives to the World Zionist Congress scheduled for December at Basel, Switzerland. Police interviewed to halt clashes in the crowd.

MEN! GET PEP..
Do you want to feel young again?
Why feel old at 40, 60 or more? Enjoy youthful pleasures again. If added years have slowed down your vim and vitality, just go to your druggist and ask for Cassia tablets. Many men are obtaining remarkable results with this amazing formula.

Cooler... Cleaner! No unwanted cooking odors, grease or heat in this kitchen. A special ventilating system whisks them away right at their source! And there's new freedom in the three big kitchen jobs, too... thanks to a silent, trouble-free Gas refrigerator—the abundance of hot water from an economical automatic Gas water-heater—and the joy of cooking on an automatic Gas range with the "CP" seal.

It's the cookingest kitchen in town!

① Cooks without a leak! Modern automatic cooking reaches a new peak of ease and convenience on a new automatic Gas range built to "CP" standards. An ingenious "Clock Control" turns the Gas on... cooks a delicious oven meal... turns Gas off... all while you're miles away!

② Bakes like a dream! Cakes come out light and luscious... roasts shrink less, are wonderfully tender. For a new Gas oven it's automatic! It stays at the exact temperature you set it for. And being Gas, it's ventilated... so that it browns evenly on any level... bakes perfectly in every corner.

③ Clicks to simmer in a second! Top-of-stove cooking is the fastest ever! Just flip the valves and these Gas burners instantly light to high-heat... another flip and they're automatically set on slow simmer. Yes, and there's no wasteful afterheat, long after you turn them off. Non-clog—so they're cleaner, too!

④ Flame-broils for flavor! A smokeless Gas broiler really broils! Whether it's golden rich chicken or luscious, crusty steak... the flexible flame does it up brown! So remember! For superb cooking... performance plus every available automatic feature—a new Gas range with the "CP" seal is tops. How about choosing yours, today?

Glasscock Deep Test Promising

Prospects for the first producer from the Mississippian formation in West Texas were brighter Saturday on the basis of the showing of Shell No. 1 L. C. Clark, north-eastern Glasscock county wildcat. After being shut in for two weeks, the deep test flowed 204 barrels of oil and 11 barrels of salt water in 19 hours. The flow of 56.6 gravity oil came with alternately black and white water through casing perforations at 9,740-55 feet. It had been plugged back after finding the Ellenburger barren. Testing is continuing on the wildcat, located in the southwest quarter of section 5-32-4s, T&P.

In northwest Mitchell county, where Norman & Roche No. 1 S. R. Coleman, section 70-97, H&TC, three miles north of production in the Westbrok pool, continued to rate about 30 barrels daily, the discovery well, was rigged up 660 feet to the south in the same section for his 1-A Coleman. Doswell & Morgan No. 1 S. R. Coleman, section 8, Cuthbert strip, rigged up for spudding. Tobe Foster No. 1 Womack, 330 feet out of the southwest corner of section 5, Cuthbert strip, also rigged up. Hearing on spacing rules for the Coleman Ranch field has been called for Tuesday by the railroad commission.

Completed on the pump for 98 barrels of oil daily, Seaboard No. 1-A Robinson marked an extension of San Andres production in the Sprayberry pool in eastern Dawson county one-half mile north and 1,700 feet east. It had been shot from 3,760-3,910 feet. The well is in the northeast quarter of section 37-34-Sn-T&P.

Midland Oil Corp. of Post applied for permits to drill two slated 3,000-foot wildcats in the same section in Garza county 15 miles northeast of Post. N. 1 D. W. Eubanks and J. H. Eubanks will

be 330 feet out of the southeast corner of section 15-4-WCRR; No. 2 Eubanks will be 300 feet out of the northeast corner of section 15.

Humble No. 1 Irene Elkins, 3-4 mile northeast of Humble No. 1 L. A. Vick, Kent county's lone producer and opener of the Polar (Ellenburger) pool, recovered a small amount of new oil in early testing after treating with 2,000 gallons of acid through perforations at 7,795-7,825 feet. It is in the C NW NW 28-5-H&GN.

Glasscock county got three locations, a shallow well by Continental in section 180-29, W&NW, a similar test by Humble in section 131-28, W&NW, and a 3,000-foot test by Magnolia for the No. 12 Chalk in the southwest quarter of section 114-29, W&NW.

New locations picked up in Seury county, also, with Coffield & Guthrie pegging No. 2 H. A. Wade, for a 2,000-foot test in the northwest quarter of section 115-97, H&TC; C. T. McLaughlin No. 4 and No. 4-D and No. 5-D J. C. Stinson, all in the southeast quarter of section 116-97, H&TC. These are projected for 1,850 feet. Humble staked location for No. 1 T. C. Davis, 660 feet from the south and west lines of section 339-87, H&TC, an 8,000-foot rotary test.

Week's Business

Boom Follows End Of Control On Livestock

The expected livestock sales boom hit Big Spring with the end of price controls on meat, but with exception of hogs, the price bubble did not gain much size. The cattle were on the scene when both local auction concerns launched regular weekly sales, however, and bidding maintained constant competition. When final results emerged from the activity, reports showed that hogs had soared to an unprecedented top of \$30 cwt. Fat yearlings had moved at \$19 cwt. Little change from the previous week's top and stocker animals still were commanding attractive price tags.

Apparently hogs are scarce, even without price controls, since light receipts contributed most to the high prices. On the other hand, the heavy volume of cattle and calves seemed to create a sort of stabilization. The greatest change in the cattle market was more laxity in classification. Some of the yearlings and calves that sold for fat butcher animals this week could not have merited that category under OPA specifications. Nevertheless, packers and slaughterers snapped them up. Stockers maintained their strength of the past few weeks, with good steer yearlings bringing up to \$18 cwt. Sales volume was 2,900 head, with about 500 head sold privately in addition.

Since reaching the million-dollar mark, Big Spring building has again subsided to a methodical, unimpressive weekly rate. The city issued 14 permits during the past week, but only two were for new construction, both residences. The week's score in estimated cost was \$11,650, with the current total for the year practically stalemated at \$1,046,886.

Real estate still was a steady business, however, according to warranty deeds filed in the county clerk's office during the week. Instruments were recorded, covering property valued at \$45,605. The total for the year to date is \$2,799,773. Fifteen new automobiles and three trucks were registered at the county tax assessor-collector's office during the week.

Doomed Nazis Knew Of Goering Suicide

NUERNBERG, Oct. 19. (AP)—The 10 Nazi chieftains hanged Wednesday were told that Hermann Goering had committed suicide, Col. B. C. Andrus, prison commandant, announced today.

As soon as Goering's death became known, the four-power commission in charge of the execution ordered that the 10 other doomed men be shackled, and the chaplains were told to inform each prisoner why this was done.

Andrus reported the Quadripartite Commission in charge of the executions was awaiting results of laboratory tests before publishing results of their inquiry into the suicide. Laboratory specialists involved in the investigations now are in Paris.

Sulphur, which is also called "brimstone," has been known to man from remote times.

Plans Completed Walker Heads 4-H Clubs

Definite plans have been completed to hold the annual Howard County Food, Pig and Poultry show at the county warehouse on NW 10th street, County Agent Durward Lewter announced Saturday.

Although preliminary plans for the show had been underway for several weeks, a definite site had not been agreed upon previously. To reach the county warehouse from town, visitors to the show are directed to drive north on Highway 87 and turn left 10 blocks north of the overpass. The warehouse is one block west of the highway.

Catalogs for the show will be ready for distribution by the middle of next week, Lewter said. Definite arrangements also are underway for staging poultry and swine exhibits, as well as food and educational booths.

local conflicts on regular meeting dates, the host club will name another date; upon approval of the county 4-H committee.

The Knott club will be host for the November meeting, and Big Spring is to host the Christmas party in December.

Adult sponsors and officers of local clubs will arrange programs for their respective meetings.

Man Fatally Shot, Wife Badly Wounded

FRANKLIN, Oct. 19. (AP)—W. C. Click, about 60, of Corpus Christi was shot to death last night in his automobile on Highway No. 6, seven miles south of Bremond. His wife, Zula, was in a hospital at Groesbeck today, reportedly in a serious condition with a knife wound near her heart. Robertson county sheriff said a murder charge was filed today against Mrs. Click.

Motorists returning from a football game at Hearne last night took Click's body and the injured woman to Groesbeck after she hailed them.

consideration in the meantime, for a donation which will cover gifts they would have given to each of the six cooperating agencies.

The American Legion post is the latest unit to have a string band. We can think of four or five such bands off hand who play in these parts. It might make an interesting program next summer in the amphitheatre series to devote one evening to a string band jam-boree.

Today we lose a south and north flight out of Big Spring with the reduction of Continental service to two flights daily. The north flight is a morning one, but the south flight departs in the afternoon. An early morning schedule to San Antonio has been and still is the need.

The Boy Scout council is searching for a permanent campsite. It may be that the area authorities will hold off until the Colorado river water project begins to shape up since this would represent a central location, and an accessible one.

Negro Held In Jail

ATLANTA, Oct. 19. (AP)—A Negro candidate for coroner against 23 white aspirants was held for several hours in the Atlanta jail last night at the request of relatives before being turned over to them for transfer to a private mental hospital. Police Chief M. A. Hornsby said today.

Cordova Island Import Station

EL PASO, Oct. 19. (AP)—"Cordova Island," a bit of Mexican land jutting into the United States and scene of bloody battles between smugglers and border patrolmen in prohibition days, within two weeks will become one of the major points in the United States for importation of Mexican cattle.

A four month ban on livestock importation, caused by fears Mexican cattle were infected with hoof and mouth disease, was lifted Friday but no cattle have crossed here yet. Ranchers estimate that between 250,000 and 300,000 head will cross this year.

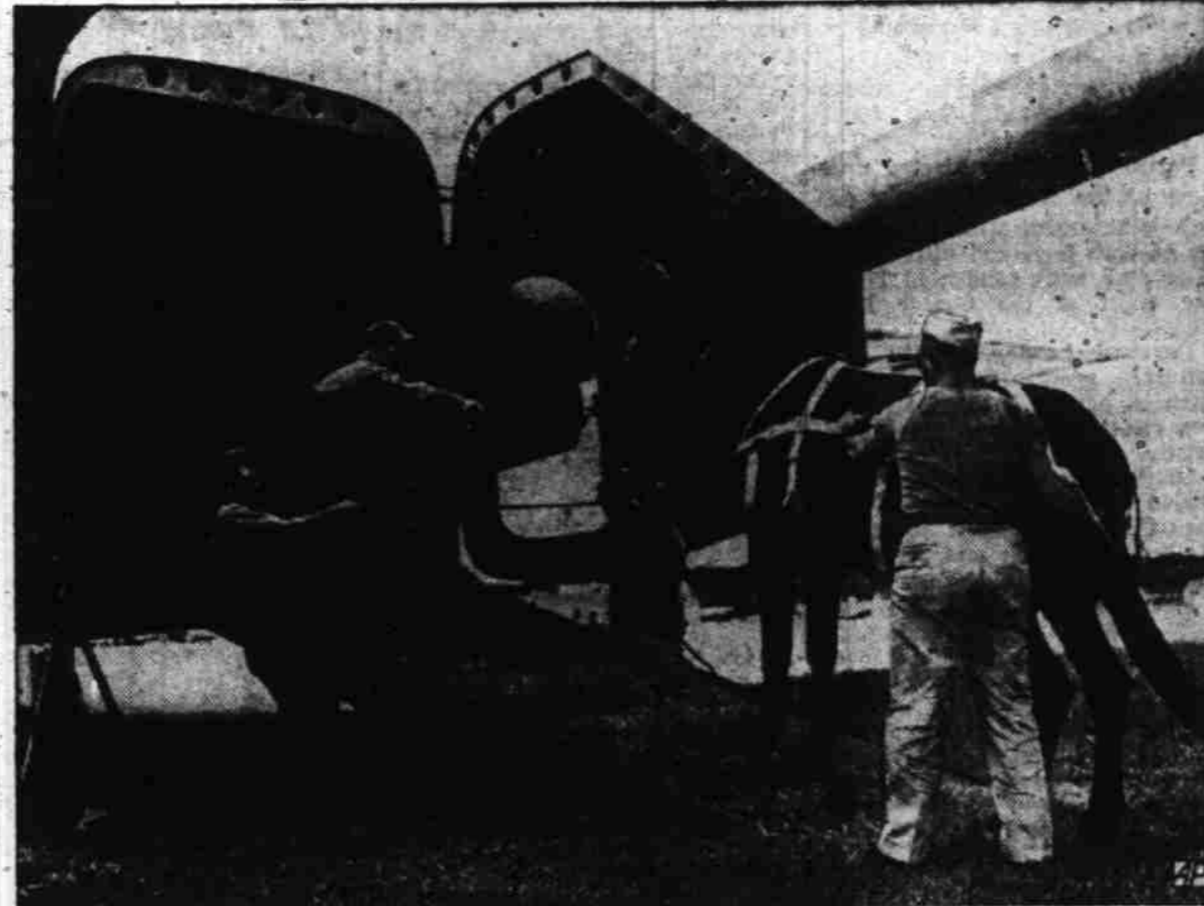

The "island," on the outskirts of El Paso, is connected with the Mexican "mainland" by a narrow bridge over the Rio Grande.

Workmen for the Chihuahua Cattlemen's Association, Union Ganadera Regional De Chihuahua, today began construction of fences and chutes on the American side leading to their yards.

Pickets Tightening At New Orleans Port

NEW ORLEANS, Oct. 19. (AP)—Tightening of the picket choke on the New Orleans riverfront to affect again a complete tie-up seems likely to come at midnight tonight.

Spokesmen for the two striking unions said plans are made to extend the picket lines and thereby close down virtually all port activity unless new offers are received from representatives negotiating in New York. A complete tie-up was in effect last week until Saturday, when strike leaders decided to relax the hold on the port except in regard to 42 American vessels.

UNCO-OPERATIVE — A mule strikes a characteristic pose, as four G.I.'s try to load it aboard a C-82 packet at Marshall Field, Kas., for an experimental Army flight.

Nazis Grow Scarce In British Germany

AP Newsfeatures HEREFORD, Germany — Of some 22,000,000 Germans in the British Zone, less than 750,000 will be disqualified from voting because of Nazi activities or associations.

Occupation authorities assert, however, that a larger number—the exact figure not yet decided—will be barred from standing as candidates.

The British say this autumn's local elections will be the first in 13 years in which the Germans of

the area have had a chance to cast an unfettered ballot.

Although the elections will be under British control, the mechanical operation of the balloting will be entrusted largely to Germans.

Germans consulted on the elections have shown greatest interest in achieving an absolutely secret ballot. One Briton said "bitter experience" had taught them to fight shy of any system whereby a ballot could be identified as having been cast by any particular voter.

The United Kingdom system of numbering ballots consecutively on the back was unsatisfactory to the Germans. They offered an alternative plan and British officials accepted it.

The British are looking toward the elections as a weathervane of German thinking. They want to see whether the voice of the people is strong enough to influence party platforms or whether party discipline will be strong enough to pull waverers into line.

Moslems Reported Waging Civil War Against Hindus

COMILLA, East Bengal, Oct. 19. (AP)—Residents of this Eastern Bengal city who are caring for victims of communal violence declared today that the Moslems who comprise a majority in this area are waging "undeclared civil war" against the Hindu minority.

More than 5,000 refugees from Noakhali have streamed into this Tippera district city bringing with them gruesome tales of murder, rape, arson and looting.

Four refugee camps are filled with stranded men, women and children.

The refugees give this account of the terror to which they say they have been subjected:

The Moslems are making determined efforts to wipe out every member of the minority community or compel them to embrace the faith of Islam.

Even if they agree to conversion their properties and possessions are confiscated.

Persons handling relief work say there are 70,000 persons affected by the violence. They say exact figures of the killed and wounded are impossible to estimate because "some communities are completely immolated."

Previous estimates by a congress official said the deaths had reached 5,000 and that as many as 100,000 persons were affected.

Tidewater Canal Building Approved

WASHINGTON, Oct. 19. (AP)—The United States division engineer has approved construction of a tidewater ship canal between New Orleans and the Gulf of Mexico east of the Mississippi River.

This was disclosed yesterday by Rep. Hebert (D-La.). He said the engineers estimated cost of the recommended route as about \$82,000,000, with a \$90,000 yearly maintenance cost.

Location on the canal east of the Mississippi River was recommended in a report made by Major General Robert W. Crawford, division engineer at Vicksburg, Miss. The report was released by Lieutenant General Robert O. Wheeler, chief of engineers.

Myers Pays Two Fines On Driving Counts

Clarence O. Myers, stopped by members of the state highway patrol Friday night, paid fines in separate courts Saturday morning.

He entered a plea of guilty to the charge of driving while under the influence of intoxicants in county court and his penalty was set at \$50 and costs. In justice court, he paid a fine of \$1 and costs for operating a motor vehicle without a license.

Influenza Vaccine May Be Used Again

WASHINGTON, Oct. 19. (AP)—The Army's new influenza vaccine was so successful when used upon 6,000,000 troops last year that it will be administered again this winter if an epidemic threatens, the War Department announced today.

Some army health authorities say influenza occurs in cycles and there is evidence one may be due this winter. But they added there is little likelihood it will be severe.

Fair, Mild Weather Forecast For Texas

By The Associated Press

Fair and mild weather will prevail over most of the country Sunday, and temperatures will be higher than Saturday's, the Weather Bureau said.

Exceptions, the Bureau said, will be the Pacific Northwest, which had rains yesterday and will have them again today; the Northern Rocky Mountains area, which may have a dusting of snow, and that section of country from Kentucky and Tennessee to the Atlantic Coast, which probably will get light showers.

Fair and warmer was the forecast from the Gulf Coast, which simmered in the 80's yesterday, to the Great Lakes region, which shivered in the 40's.

Eisenhower Pleased By Occupation Army

WASHINGTON, Oct. 19. (AP)—General Dwight D. Eisenhower, returning from a four-week European inspection trip, said today he was "more than gratified" at improvements shown by American occupation troops in Germany.

"In view of what we have been through in the last year and a half their advances in training and discipline were remarkable," he told reporters.

The trip completed his inspections of major army overseas installations as War Department chief of staff, except for Alaska. He said he was "too tired" to go there this year.

Eisenhower said American and Russian troops got along very well and he saw "very little to worry about in personal relations."

PEN OF HENS WINS

To date, WAA has sold 63 per cent of the property declared surplus to the agency by the OGD.

Over 4,000 Bales Of Cotton Ginned

Just as the market began to take a turn toward the uncertain, Howard county's 1946 cotton harvest definitely was progressing down the home stretch, according to estimates at the end of the week. Based on the rate at Big Spring gins during the past week, well over 4,000 bales of the county's crop have moved from the fields, with considerable progress noted during the week. Most reports indicate that the labor situation has brightened considerably, and if favorable weather continues, two more weeks should see the bulk of the crop harvested. Current estimates are that more than half of the crop had been ginned before Friday's market nosedive, and a major portion of it had been sold.

Industrial Rebirth Vital To Germany, Connally Claims

ABOARD THE QUEEN ELIZABETH, Oct. 19. (AP)—Sen. Tom Connally (D-Tex.) asserted today that the industrial rebirth of Germany was necessary for Europe and added that "the United States doesn't want to destroy that vanquished nation." The chairman of the US Senate Foreign Relations Committee, on the way home from the Paris peace conference, made the statements at a news conference at which he also expressed confidence that the UN Security Council would have the power to enforce any decisions it makes on Trieste, despite the statement of Yugoslavia that she would not abide by decisions of the Paris peace conference regarding the Adriatic port. The Senator said that "certainly we don't want another Fiume in case of trouble," referring to the difficulties Italy and Yugoslavia had over that city after the end of the first World War. Connally also urged the clarification of the "dubious and uncertain language" of the United Nations charter regarding the use of the veto by the Big Five "so we can tell where it ends and stops." He said that "my opinion is that it shouldn't apply to procedural or incidental matters. This modification may not come at this session, but it must come." Connally held his conference after listening to a rebroadcast of last night's address of US Secretary of State Byrnes. Endorsing Byrnes' remarks, Connally said the conference achieved "notable results." He declared that "on the whole the United States did very well." He said such gatherings gave every nation a chance to tell its troubles to the world and "are more conducive to settling disputes than the old secret diplomacy."

London Skeptical Of Stalin's Trip

LONDON, Oct. 19. (AP)—A Halifax Chronicle report that Russian Premier Stalin would travel to the United States aboard the Aquitania next month was greeted with skepticism in London diplomatic circles today. A foreign office spokesman broke into an unfinished request for information about it with "you meant that Canadian story about Stalin, I suppose. Well, we've had no information at all about it. Why don't you try the Russian embassy or 10 Downing Street?" The young woman in the Russian embassy's press office said: "We have had no news of it, thank you."

Texas Subdues Razorbacks With Early Uprisings, 20-0

FLAY SWEET AFTER RESERVES HERE SATURDAY NIGHT—Victors over the Midland Bees last week, the Big Spring high school football reserves (above) return to action in an 8 o'clock bout here Saturday night meeting the Sweetwater Colts. Left to right, top row, they are Gordon Madison, Harold Berry, Fred Jones, R. J. Carter, James Abbe, Loy Anderson, Joe Bailey, John Currie, Carl McDonald, Ed Kohanek, Coach John Dibrrell. Middle row, Roy Lee Pool, Delmar Turner, Sam Thurman, Jr., Jim Grubbs, Marshall Day, Howard Knuckles, Johnny Hambrick, Harold Miller and Roy Bailey. Bottom row, Guesses, Jerry Houser, Ernie Ache, Bobby Fox, Charles Seydler, Cliff Perch, Bob Coffee, Har. J. Van Pelt and Iob Flanagan. (Photo by Jack M. Haynes).

Layne's Aerial Tricks Account For Two Tallies

AUSTIN, Oct. 19. (AP)—Riding high on the passing arm of Bobby Layne, the Texas Longhorns maintained their perfect record today by dumping the Arkansas Razorbacks from the ranks of the undefeated, 20 to 0, before an estimated 40,000 fans.

Layne's passing accounted for two touchdowns after substitute fullback Raymond Jones chalked up the first Longhorn marker on a dive over the center of the line early in the first quarter.

Texas was described as the crippled team before today's game but Arkansas apparently was harder hit by the loss of Clyde (Smackover) Scott, its ace wingback. Scott saw no action.

Statistics belied the score except in the passing department, for Arkansas and Texas each collected eight first downs, and the Razorbacks gained 101 yards rushing to the Longhorn's 103.

It was in the air that Texas outshone Arkansas, gaining 145 yards to its opponent's 88. Layne threw nine of the ten passes. Texas attempted and completed six for all the yardage that the Longhorns picked up by way of the air lanes.

Texas' first score came after a sustained drive of 78 yards, two breaks coming the Longhorns' way when pass interference was ruled against Arkansas on its 32 and the Porkers were penalized on the next play to their 8-yard line.

Fullback Ralph Ellsworth swept right end to the two-yard line, and Jones nosed dive over for the touchdown three plays later.

The Longhorns continued to make it look like this would be another runaway when Layne bulleted a pass to Hub Bechtolt on the Arkansas 30-yard line and Bechtolt scrambled on down to the double stripe on a sensational run behind the blocking of guard Spot Collins and end Dale Schwartzkopf.

He was tackled as he hit paydirt. Guest try for point was blocked.

Texas wound up scoring festivities for the day late in the second quarter when Layne tossed to the leading pass receiver on the Southwest Conference, wingback Jimmy Canady.

Canady made one of his famous over-the-shoulder catches on the fly and outraced two Arkansas tacklers to the goal on a play that covered 47 yards. Guest converted.

O'Dowdy Looks Over Rattle Arena Sites

Big Spring's newest citizen is Joe O'Dowdy and family. Joe moved here last week to study the possibility of going into the promotional end of the wrestling game. He has all but closed the deal for a wrestling arena, says he'll be ready to make an announcement relative to such a building within a few days. If the deal is closed, Joe will go to work on a ring, send for the boys and be ready to open shop in a matter of a few short weeks if not days.

If the grunt-and-groan industry flourishes here again, Gulesp will work in close conjunction with the Dory Detton Athletic Enterprises of Amarillo, which supplies the tin-ears for the West Texas centers.

A graduate of Southwest State Teachers college of Weatherford, Oklahoma, and a veteran of professional wrestling since 1932, O'Dowdy went overseas with a USO group of wrestlers July 1, 1945, and returned Jan. 22, of this year.

Giving grappling exhibitions with a troupe which included Al Williams, Joe Dorsett, Carl Youngmeyer, Rudy Kay and Pierre LaMar, Joe appeared in Germany, France, Belgium, Holland and Austria.

He appeared here several times during the middle '30's.

Fourth-Period Rally Sinks Bruins, 14-7

Harris, Hollis Cross Double Stripes In 4th

BROWNFIELD, Oct. 19.—Even pig-iron will give when irresistible pressure is brought to bear against it. A reasonable fescimile was drawn here Friday night when Brownfield's heralded defense caved in as Big Spring's surging Steers seeped through in the waning moments to a thrilling 14-7 victory.

For three periods, the rock-ribbed Cub defense held the Big Spring machine completely at bay and Brownfield rooters could envision their first 1946 victory being etched on the battered turf of the battered Bruin arena. Then their hopes died a thousand deaths as the District 3AA team made full use of the breaks to speed to the fore.

The Big Springers scored twice in three plays in the fourth period after the Cubs had tacked up a six-pointer—their first of the year—in round two.

Harold Crites' Brownfield giants dominated the play throughout the first two stanzas what with their great line stopping the Steer running game dead and their power-laden backs ripping tremendous yardage in gargantuan efforts to break their long scoring drought.

At that, they were not able to make bourbon headway until they shook the ball loose from Steer back Ernie Ache deep in Big Spring territory. Ache, in for one play, headed upfield from his own 20 when two Brownfield forwards descended upon him for a singular tackle. The oval squirted from Ernie's hand and John Dalton pounced on it at the 24.

From that point, the Bears raved to pay-dirt on straight power plays. Alton Martin going over for the score from the one-yard stripe. Since Martin had responded so well on the payoff onslaught, the Brownfield quarter gave it to him again on the try for point and he inched over before the right side of the Steer line could hit him down.

The herd took to the air in the few remaining minutes and were making a definite impression on the opposition until Jerry Worsham plucked one of Hoss Rankin's aerials out of the ozone around the Cub 30. The half-time gun caught them as they had forged a first down just outside their own 40.

With Big Gee Harris hanging away at the Cub line and experiencing some success, the Steers

down. Darpe Fortune was breathing on his neck. The ball ricocheted off his hands and Robin ran smack into it, then sped untouched to the goal. Harris this time tried for the point with a boot and sliced the uprights for the point that ran the score to 14-7.

The win may have proved costly to the Bovines, who lost Bobo Hardy on an injury before half time and had Larry Hall, Barron and Pete Fugliar running on game legs before the final whistle.

Tankersly was the big noise in the Brownfield attack, piling up 105 yards in 21 tries. Martin also proved outstanding.

Harris proved the main cog in the Big Spring ground gain that was oftentimes found wanting and shared the offensive spotlight with Barron. Worrell looked to advantage, especially on defense.

Hollis, Puckett, Houser, Robb, Collins, Hall—all bathed themselves in glory with their responsible jobs along the line of scrimmage.

Score by quarters: Big Spring 0 0 0 14-14 Brownfield 0 0 0 7-7 Starting lineup: BIG SPRING—Puckett and Houser, ends; Cybert and Hollis, tackles; Robb and Fugliar, guards; Hall, center; Barron, Rankin, Harris and Hardy, backs.

BROWNFIELD—Lewis and Jones, ends; J. Price and D. Price, tackles; Adams and Doss, guards; Vernon, center; Tankersly, Worsham, Black and Martin, backs.

Substitutes: BIG SPRING—J. Jones, Collins, Lamb, Worrell, Reeves, Madison, Ache. BROWNFIELD—Johnson, C. Jones.

Eagles Trounce Courtney, 26-20

STERLING CITY, Oct. 19.—Chesney McDonald's Sterling City Eagles outscored Courtney, 26-20, in an exciting District Ten six-man football game here Friday night.

Jackie Tweedie ran 75 yards for one War Bird touchdown. Other touchdowns were chalked up by Davis, Brown and King. The latter gathered in a pass from Tweedie to tally.

Two of Courtney's scores resulted from long passes, the other on an interception. The victory was Sterling's second in four starts.

STEER STAR TO RUN NEW ORLEANS, Oct. 19. (AP)—Among the nation's top track stars who have accepted invitations to the New Orleans mid-winter sports carnival Dec. 29 is Jerry Thompson, Texas University star.

Grand Slam Against IAA Clubs District 3AA 11's Impress In Bouts Outside Circuit

The week's schoolboy football parade went a long way toward proving that District 3AA is one of the toughest, if not the outstanding, conference in Class AA circles.

In five outings last Friday against tribes of the IAA circuit—once the most feared in Texas high school circles—the District 3AA clubs emerged with as many scalps.

Odesa and Sweetwater, co-favorites to cop the bunting and the West Texas championship, both emerged with impressive wins. The Broncs rolled to their sixth consecutive victory by thumping Amarillo, which less than a month

ago was rated the state's No. One contingent. Joe Coleman's gang had things all their own way in a 26-13 victory.

Sweetwater meanwhile had early trouble with Plainview but went on to win, 26-14.

On other fronts, Big Spring scored an impressive 14-7 triumph over Brownfield and thereby became the second team to tally more than one touchdown against the massive Cubs. The victory was earned the hard way. John Dibrrell's Longhorns chalked up two touchdowns in the fourth period to break through.

Abilene, showing steady improvement, made maximum use of its ground game to edge Lubbock's Westeners, 14-12. The victory was the Eagles' second of the year.

In the league's only family bout, Lamesa pounded out a 27-13 decision over San Angelo, which has yet to win a game this year. The Bobcats have lost four, tied one in five starts.

Three conference games will

hold the spotlight next weekend. Odesa should have no trouble in a game at San Angelo. Sweetwater rules as decided favorite. The Midland-Abilene bout at Abilene is rated a toss-up.

Big Spring hosts the unbeaten and unified North Side Steers of Fort Worth.

Season's Standings: Team W L Pct. Pt. Op. Odesa 6 0 1.000 133 32 Sweetwater 4 0 1.000 111 34 Midland 4 1 1.000 95 51 BIG SPRING 2 2 1.000 47 32 Lamesa 2 3 1.000 39 53 Abilene 2 3 1.000 58 89 San Angelo 0 4 1.11 43 108

Valley Wildcats Capture Thriller From Coahoma Bulldogs, 32 To 16

COAHOMA, Oct. 19.—Water Valley retained its No. One rating in the District Ten six-man football chase by turning back the Coahoma Bulldogs, 32-16, in an exciting game played here Friday afternoon.

Absence of Everett Self from the Coahoma line weakened the Bulldog line. The Coahomans pulled within two points of the Wildcats at one point but could get no closer.

Gene Cope paced the Valley attack, scoring two touchdowns and booting a field goal. L. Westbrook added a six-pointer as did Bannister and Myers.

Wayne DeVaney cracked the Wildcat line for one of the Dogs' TD's. Bill Wolf added another while DeVaney booted the points after touchdowns.

Starting lineup: COAHOMA—Bates and Shafer, ends; Hull, center; DeVaney, Cathey and Turner, backs; WATER VALLEY—Turner and Myers, ends; Bannister, center; G. Westbrook, Dorsey and Cope, backs.

Substitutes: COAHOMA—Shive, Wolf, Cockrell, Phinney, West and Lindsey.

WATER VALLEY—Cates, L. Westbrook, Shaw, Brown, Jones, Matthews.

Klondike Falls Before Eagles

ACKERLY, Oct. 19.—Klondike's Cougars fell before the Ackerly Eagles in a six-man football game here Friday afternoon. Great play by Billy Brown, Gerald Rodgers and Dwain Williams enabled the War Birds to come out on top, 13-2.

Brown scored the initial touchdown in the second period on an 11-yard pass from Rodgers to Williams produced the second tally in the third quarter.

Billy Sanders starred for the Cougars. The former Ackerly athlete proved Klondike's most consistent ground gainer.

The Rodgers-Williams pass combination was the best seen on Eagle field this year.

H. Rodgers and Douglass Story, ends; D. Zant, center; and Williams, Brown and Gerald Rodgers, backs, started for the Eagles.

Major League Gate Up 63 Percent; NY Yankees Set Pace

NEW YORK, Oct. 19. (AP)—Over 18,000,000 fans paid their way into major league baseball parks during the 1946 season with the New York Yankees establishing a new individual record by drawing 2,309,029 spectators, according to unofficial figures compiled by the Associated Press.

The grand total of both the American and National leagues was 18,613,704, an increase of 63 per cent over the 1945 total of 11,375,185.

The American league drew 9,666,421 while the National's totalles clicked off 8,946,284. In 1945, the junior loop drew 6,002,366 and the senior, 5,372,819.

Although they wound up in third place, the Yanks' mark broke the previous high of 1,485,166 established by the pennant winning 1929 Chicago Cubs.

The Brooklyn Dodgers, runner-up to the world champion St. Louis Cardinals in the National league pennant race, lured 1,796,155 customers through its gates, tops for the circuit. The Detroit Tigers of the American circuit also beat the former Cub mark by drawing 1,722,590 to Briggs Stadium.

Ten of the 16 teams drew more than one million paid admissions as compared to five last season and none in 1944.

The Philadelphia Athletics and the St. Louis Browns of the American and the Chicago Cubs and Cincinnati Reds of the National were the only teams that failed to break their previous attendance records.

Stanton Loses To Panthers

STANTON, Oct. 19.—Stanton's Buffaloes returned to their losing ways here Friday night, falling before Fort Stockton, 12-7, in a District 5B game.

Bill Barton dashed to a touchdown from the 15 yard stripe on one Panther breakthrough. Joe Reeves accounted for the other with a drive from the ten.

Leroy Gregg took a pass from Herb Jones for Stanton's only six-pointer.

Bisons Defeat Mertzon, 60-6

FORSAN, Oct. 19.—Frank Honoycutt's Forsan Buffaloes ran roughshod over the Mertzon Hornets in a six-man football contest here Friday night, 60-6.

Bobby Wash scored from the one-yard line early in the fray. Eldon Prater, a thorn in the visitors' side all evening, ran 40 yards for the second tally, then tried a dropkick for the extra point that went wide.

Prater again stepped into the spotlight after Forsan got possession of the ball and scampered 35 yards for a touchdown, running for the score to 18-0. A pass, Wash to Max Anderson, proved good for the 19th point.

It was Prater again on the Buffs' fourth TD: The swift moved three yards on a reverse. His try for point was blocked.

Bobby Baker did the honors soon thereafter, dashing 30 paces for a tally but Prater's try for point again failed.

With the count 31-0, Joe Green broke loose for 25 yards and a tally and Baker added the point. Prater took charge soon thereafter, moving 20 yards across the double stripes. Baker again booted the extra point, then took a pass for another marker.

The final tally went into the books when Green intercepted a pass and broke loose on a 55-yard gallop.

John Tankersky drove into the end zones for Mertzon's only score.

Assault Loses Fifth In Row

NEW YORK, Oct. 19. (AP)—A pair of fillies bred by the late Col. E. R. Bradley captured both stakes at Jamaica today as Robert Kleberg's three-year-old champion, Assault, went down to his fifth straight defeat before 40,497 cheering fans.

Bridal Flower, now running for John R. Bradley, brother of the late colonel, edged out Assault by a neck in the Roamer handicap and her stablemate, Dimlette, earned a photo triumph in the Friezette stakes.

Assault, the favorite in the field of 12 three-year-olds, made up a lot of group to finish two lengths in front of G. H. Bostwick's filly, Risolator, who headed War Watch for the show.

Assault, who hasn't won a race since his victory in the Dwyer stakes at Aqueduct in June, missed a chance to jump from eighth to fourth on the list of leading money winners. His \$5,000 second money ran his total to \$370,345.

Marshall Fans Seek Baseball Franchise

MARSHALL, Oct. 19. (AP)—A delegation from Marshall will apply for an East Texas baseball league franchise at a league meeting in Longview tomorrow.

A spokesman for the delegation of baseball fans and civic leaders said that about one-third of the \$35,000 sought for construction of a ball park here had been pledged and tentative agreement reached to locate it on the central East Texas Fair Grounds.

Blankenship To Go To Austin Meeting

Supt. W. C. Blankenship will be one of three representatives of Region Two of the state interscholastic league who will attend the annual meeting of advisory council members in Austin Nov. 2.

SERVING THROUGH SCIENCE

See Your U.S. Tire Dealer Today

TAKE A DEMONSTRATION RIDE ON TOMORROW'S GREAT NEW PREMIUM TIRE

If you drive a car, you should discover what it means to ride on the new U. S. Royal Air Ride Tire. And you can do just that—today! Although the Air Ride has not yet been released for sale, your U. S. Tire Dealer is waiting now to take you for a demonstration ride in an Air Ride-equipped car... waiting to let you experience an entirely new and thrilling kind of tire performance. You're riding on more air—a substantially bigger, noticeably softer air cushion. But that's only the beginning. The Air Ride is a magnificently balanced tire—swift, nimble, "light on its feet"—responsive to your slightest touch on the steering wheel.

Tech Rallies To Win Over Baylor Brigade

LUBBOCK, Oct. 19. (AP)—Striking with rattlesnake fury and suddenness in the third quarter to score two rapid-fire touchdowns, the Texas Tech Red Raiders scored their third successive win of the season over Southwest Conference opposition today by turning back Baylor's Bears, 13-6.

A sellout crowd of more than 13,000 fans witnessed the Raiders homecoming day grid feature.

After playing rather listless ball to fall behind by a 6-0 count at the halftime intermission, Coach Dell Morgan's red-shirted Techs stormed back to punch across two touchdowns in less than three minutes time for their winning margin.

Chunky Ed Robnett, Tech fullback and younger brother of the famed former Texas Aggie tackle Marshall Robnett, plunged through the line for short gains to account for both Tech touchdowns.

Tech, chiefly because of its last-half surge, held a distinct edge in most statistical departments. First downs favored the Raiders, 12 to 10, and they amassed 219 yards running to a net gain of 129 by Baylor on the ground. In the air, Baylor picked up a total of 36 yards, three more than the Raiders.

Played in ideal football weather, the game was largely a battle of two bruising lines, with the Tech forwards finally wearing down the Bears.

In the backfields, the game began as a one-man show by Baylor's 215-pound fullback, Sammy Pierce. The big boy led the Bears on a first-quarter touchdown march to put them into an early 6-0 lead, but left the game soon after the start of the second quarter with a leg injury. His loss visibly affected the Baylor ground attack, and from that point on the offensive show belonged largely to Tech's Ralph Earhart, Ed Robnett, Ernest Hawkins, Roger Smith and Leete Jackson, who took turns ripping off sizeable gains against the tiring Baylor line.

The Bears launched their lone scoring drive following Ken Hubbard's recovery of a Tech fumble on the Bear 44. From there, a series of end sweeps featuring the pile-driving running of Pierce carried to the Tech 3, from where Jerry Mangum, freshman halfback from San Antonio hammered across for extra point was wide to the left, leaving Baylor ahead 6-0.

The Bruins staved off one second-quarter Tech drive to hold their lead until half-time, but in the third stanza the Raiders, using a spread line that baffled the Bear defense, powered their way 64 yards on an all-ground assault to score, with Robnett going over from the three yards out.

Just two plays later the Raiders were on their way to their second touchdown. On the first play from scrimmage following the kickoff to Baylor, halfback Glenn Lewis broke through to bat down a lateral from Bobby Griffin intended for Sheats and recovered the ball on Baylor's 16-yard line, and on fourth down Robnett rocketed through.

Cadets Flatten Columbia, 48-24

WEST POINT, N. Y., Oct. 19. (AP)—Army, back at the top of the heap as the No. 1 club, shook Glenn Davis, its Mr. Outside, loose for 66 yards and a touchdown and

LOOKING 'EM OVER

JACKIE BARRON ... Standout Back
ELI CYPERT ... Fired Up

With TOMMY HART

Two of the most improved Big Spring ball players in the Steer-Brownfield football outing Friday night were Jackie Barron, the junior signal baker, and Eli Cypert, who filled in at both guard and tackle. Barron proved a cool customer when the chips were down and responded when he had to after the intermission. Heretofore, he's let such operatives as Horace Rankin, Gerald Harris and Bobo Hardy steal the offensive spotlight but Friday his on-the-run passing was perhaps the biggest single factor in the local win. In fact, local observers are saying they never saw a local boy who could unloose an aerial better while on a gallop. Rankin was dwarfed by the Cub players, each of whom must have been ten pounds heavier than his program weight showed. Too, The Hoos was suffering from a bruised right thigh that fouled his running gear. Harris ran better than at any time since the Cisco game. Cypert helped plug a leak in the Big Spring line that was very apparent in the first few minutes. Larry Hall, very popular with players and fans alike, played a great defensive game, up to his usual standard. Likeable Bobby Hollis continues as the defensive standout of the forward wall, improves with each outing. Ike Robb proved his usual durable self. Reed Collins was brilliant at times. Ensor Puckett played his best game to date, as did Eddie Houser. Finest defensive play of the evening occurred in the third period when Georgie Worrell came up from a line-backer's post to break up a Brownfield sweep, felling three Cub backs with a sacrificial block. Brownfield linemen seemed overzealous on some of their plays. The crowd was the smallest of the year to see a Big Spring game, though the bout was unreeled in perfect football weather. However, Our Town's rooters made themselves most apparent, especially when the Longhorns began to move.

Patton Quits The Pros

At least two local prepsters are hoping Big Spring high school will sponsor a golf team in the spring. That would be Mav Wright, the football end, and wee Charley Bailey, who is a comer despite his lack of height. Minor league baseball reportedly played to over 30,000,000 paid admissions during the 1946 season an all time high. Together with the majors, something like 50,000,000 customers witnessed pro baseball in the campaign just completed. In 1939, the game's centennial year, the minors attracted 18,500,000 fans. Representatives of Albuquerque, N. M., El Paso, Juarez, Mex., and half a dozen Arizona cities convene at Tucson today to discuss formation of a new professional circuit. If Albuquerque's Dons bolt the WT-NM league setup, Wichita Falls might replace them. Clifton Patton has quit the professional football ranks because of injuries and is back to Abilene. The former Big Spring lineman was with Brooklyn. He may take a fling at pro baseball. W. E. "Rat" Ramsey, who had ample opportunity to see both in action while in the Army in Shanghai, says he thinks "Wing" Eikenberry, the current Rice sensation, is a much better footballer than the highly touted Big Ten star, Bill Daley, who's now with Brooklyn.

Fanning Says Vets Coming Back

Bronko Naguski, oft-times referred to as the greatest football fullback of them all, is back in the wrestling game and currently making appearances on the west coast. St. Mary's Gaels, recently surprised by California's Bears, have been offered \$50,000 to play in Honolulu and will probably take it. The Hawaiian capital is one of the best sports town under the American flag. The Raisin Bowl football game, which is played every Jan. 1 at Fresno, Calif., will take on new significance by 1948. Seating capacity of the stadium is to be increased from 15,000 to 25,000 next year. Hardin-Simmons university would probably relish the chance of appearing there this season and may get the invitation if Warren Woodson's Cowboys manage to get through the campaign unbeaten. Freddy Apostall, the one-time middleweight boxing king-pin, is starting another comeback. John Kimbrough, who made a great reputation as a fullback at Texas A & M some years ago, is currently playing at right half for the Los Angeles professional Dons. The big guns of that All-American Conference team are Angelo Bertelli, the famed Springfield Rifle who was a passing great at Notre Dame, and Charley O'Rourke, one time Boston College standout. Lloyd Merriman of Stanford university is a sure-fire All-American back by 1947, so say West Coast chroniclers. Foy Fanning, who saw all the golfing greats at the Glen Garden Open in Fort Worth a couple of weeks ago, says Ky Laffoon and Paul Runyan are definitely the linksmen to watch in the big tournaments for the next few months. Both are devoting their full time to the tournament trail after a vacation of several years. Foy worked with Laffoon for a time in Florida.

FOOTBALL GAMES SOUGHT

Jaycee Casaba Contingent Working Out Under Bush

Coach Leon Bush has issued suits to candidates for the Howard County Junior College basketball team and is supervising regular workouts at the new newly acquired gymnasium on the college grounds.

About 26 boys have been working out under Bush since Monday, among them several former Big Spring high school athletes. The Jaycees will play their regularly scheduled games at the Steer gymnasium on Johnson street, according to Harold Throver, business manager of athletics. School officials have agreed to permit the college team to use the fieldhouse on Wednesday and Saturday nights of each week. First game will probably be played the second week in November, Bush said. McMurry college, ACC and Wayland Junior college are among the schools which will send quintets here.

Bush recently obtained use of a quantity of football equipment. Several athletes are engaging in workouts this fall, despite the fact that it is probably too late to schedule any games this season. The coach said he would hold spring training next March and will book a full program for next fall.

Meanwhile, several of the boys are seeking to line up a series of six-man games with independent teams of this area. Anyone interested in booking a game in the abbreviated sport with the school team can contact Throver by calling Telephone Number 241 during business hours. The Jayhawks—the newly adopted nickname of the college team—open their basketball season Monday night at Steer gym when they play the Knott Independents. They go to Ackerly Wednesday to tangle with an all-star unit there. Running with the first string in practice the past week have been John Rudeseal and Jack Griffin, both of Ackerly, at forwards; Tommie Elliott, former Woodrow Wilson (Dallas) regular, at center; and Ladd Smith, Big Spring, and Troy Brown, Ackerly, at guards. Others who will probably rate the traveling squad are R. L. Heath, Melvin Newton, Ed McLane, Bobby Miller, Jimmy Pedan, Harry Middleton, Mickey Butts and Wesley Deats, all of Big Spring. Red and Grey have been chosen as the team's colors. Some varieties of sugar beet contain more than 20 per cent of sucrose.

Yearling Game Is Transferred

Originally scheduled to be played here, the Colorado City - Big Spring junior high school football game will instead be played in the Mitchell county city Thursday night, Athletic Director John Dibrell announced Saturday.

The game was charged due to the fact that local stands are being re-painted and probably will not be dry by that time. The two elevens will get together here later in the season. Jim McWhorter's Big Springers have won two, lost one to date.

College Receives Supply Of Books

Arrival of more texts and approximately 3,000 volumes from the Library of Congress considerably eased the book situation at the Howard County Junior College during the past week.

There are some classes, however, which are still short on texts, notably the bookkeeping division. In this field, an additional supply is expected in a matter of days, said E. C. Dodd, president. Arrival of a few new machines also has eased the typewriting class pressure.

Installation of a program clock will smooth class periods, said Dodd. The instrument handles bells automatically. Many of the knicks in regular routine have been ironed out, said the president. Many of the volumes received in the 4,468-pound shipment from the Library of Congress will be available to GI students without cost, according to Dodd.

Monday, the board is due to meet at 7:30 p.m. at the college in a delayed session. Among matters to be discussed are reconversion problems and progress of efforts to retain certain equipment which was in the bombardier school.

Tuesday the sophomore class of the college will organize under the sponsorship of M. J. Fields, dean of the college.

Billies Beaten By Garden City

GARDEN CITY, Oct. 19.—Garden City's Bearkats repelled Knott's Hill Billies, 33-0, in a six-man game here Friday afternoon, earning their third victory in four District Ten starts. Harry Caverly and J. C. Pye dominated the offensive play for the Glasscock county gang.

Aggies Snap Losing Streak By Turning Back TCU, 14-0

COLLEGE STATION, Oct. 19. (AP)—Texas A&M snapped its losing streak today by whipping Texas Christian 14-0 to shove the Horned Frogs out of the Southwest Conference football title race.

There never was any doubt about which team would win but the embattled Frogs put up a struggle that kept a sweating crowd of 20,000 in a continuous uproar.

The Aggies, who hadn't won a game since slaughtering North Texas State in the season opener, moved to touchdowns in the first and second periods, the initial score coming on a 25 yard dash by Barney Welch and the other on a 11 yard line smash by Marion Flanagan, Keyan in the Cadet offense today.

The Frogs twice penetrated Aggie territory to the shadow of the goal posts but didn't have the punch to put the oval over. It was the conference opener for the Aggies whose offense up till today had been something for the eyes to write sad letters about.

The Frogs got into a hole from the start. A&M took the kickoff but had to punt. Lincy, Berry ran back to the Frog 34 but Pete Stout, although smashing through for 10 yards, fumbled and Jim Winkler recovered on the 44. Willie Zapalac, another stout offensive performer, made three and Tom Pickett rolled to a first down on the 34 but here the Frogs traced and Welch kicked over the goal line.

TCU drew a penalty for too much time out and Berry kicked with Winkler smashing through to partially block it and send it outside on the Aggie 48. Daniels and Zapalac pounded the line for three

and Daniels passed to Clarence Howell on the Frog 35. Zapalac plowed for 10 yards then Leo Daniels tried a lateral. The throw was wild but Welch picked up the ball and touched down. John Ballentine came in and kicked the extra point.

This didn't take the starch out of the Frogs, however. When the Aggies had to kick, the fleet Berry raced 49 yards to the Aggie 38 and with Stout leading the way surged to the Cadet 18. But A&M braced and took over on the 17.

It was late in the second period before the Aggies could strike again. Once they got into Frog territory on a 31 yard run through tackle by Flanagan, but TCU threw the Cadets back and it was a short punt by Jesse Mason after clipping penalty had set the Frogs back to their seven that gave the Aggies the opportunity to get their final touchdown. The boot went to Welch who scattered down to the Frog 26, then Flanagan personally led the charge to the score. He brushed right tackle for four and swept right end to the TCU 15. Daniels got four at left end and Flanagan bounced through three tackles for the touchdown. Aggie Ballentine converted.

The Aggies rolled up 259 yards on the ground but got only 11 yards out of nine forward passes attempted. TCU made 103 rushing and 45 in the air.

Central Champs Play Green Wave

Six ward school football teams start a big football week here Wednesday evening at 7:30 p.m. The opener sends South Ward into action against College Heights. Other games will pit East Ward against Central Ward and North Ward against West Ward.

The South Ward-College Heights matches teams which have already been beaten. The South Side eleven lost to West Ward, 27-0, last week while College Heights was being thumped by Central's Red Devils, 20-0.

Quarters of all the games will be limited to six minutes each.

Things To Think About!

- Is your car hard to start?
- Do the brakes work right?
- Are your lights properly adjusted?
- Do you have correct lubricant for winter driving?
- Let us give your car a free check-up for proper performance.

Coahoma School Head Elected By County Teachers

M. R. Turner, superintendent of Coahoma schools, was elected president of the Howard County Teachers' association for the current school year Saturday when the organization met at Howard County Junior College as guests of the school.

Supt. G. D. Kennedy of Forsan and County Supt. Walker, Bailey will act as first and second vice-presidents; Mrs. Helen Acuff was elected secretary, and Mrs. F. L. Bass, Center Point, treasurer. County School Superintendent Walker Bailey opened the convention, extending a welcome to visiting teachers, and E. C. Dodd, president of Howard County Junior College, offered response. Dodd pointed out the advantages of junior colleges and emphasized that the local institution presented an opportunity for all residents of the county. He said that a special Saturday class for teachers would be arranged if such a plan would prove acceptable by them.

Following introduction of teachers, Bailey listed holidays for the current year and announced that the association will be given a Christmas party December 16 in the college cafeteria. He particularly urged that all teachers become members of the Texas State Teachers Association.

Preceding regular business meeting teachers were greeted and invited to inspect the college buildings and grounds by a committee of students who acted as hosts and hostesses. Doughnuts and coffee were served the guests in the school cafeteria. Instructors from Knott district present included Katie Day, Mrs. Lela Lumpkin, Elizabeth Waters, Mrs. Homer Barnes, Florence Stry, Elna Spraws, O. V. Fuller, Mrs. W. R. Cates, and H. E. Barnes, superintendent. From Center Point, Mr. and Mrs. F. L. Bass, Elizabeth Edwards; Elbow, Mrs. C. E. Marstrand, Mrs. Ross Hill, L. B. Fuller.

Mr. and Mrs. O. S. Clark, Mr. and Mrs. Glenn Whittenburg, Mr. and Mrs. E. P. Honeycutt, Joe Holladay, Superintendent and Mrs. G. D. Kennedy, Mrs. Muri Bailey and Kathryn Bailey represented Forsan; Mrs. Hattie Lacy, Alice Bryson, Gay Hill; Marie Bryson, Hartwell; Mrs. Edward Simpson, Mrs. Cleo Pickens, Vealmoor; Mrs. Emma Land, Ollie Mae Martin, Mr. and Mrs. H. E. Eaton, C. S. Ross, Midway.

Mrs. Louise Jackson, Mrs. Fay Newman, Lomax; and Mrs. Leighton Mundt, Big Spring, Walker Bailey, E. C. Dodd, Twila Lomax and Helen Acuff.

Teachers Discuss Federal School Aid
WACO, Oct. 19. (AP)—Two hundred Texas teachers held a closed conference here today to discuss the promotion of additional state and federal aid for public schools.

J. W. Edgar, superintendent of schools at Orange and chairman of the State Teachers' association, presided. Both the TSTA and the National Education Association, which sponsored the meeting, favor additional federal funds for schools but oppose government control. Other topics were national school legislation and the equalizing of educational opportunities in the United States.

Oil Well Fire Burns Into Second Week

ATHENS, Oct. 19. (AP)—Fire fighters hope to extinguish in a day or two the oil well near here which has been on fire since last Sunday.

The Christmas tree valve-arrangement remains atop the burning well, J. H. Plunkett, one of the owners said today, adding it may help greatly in controlling the blaze if the valve can be used to stop the stream of oil.

All the pipe and most of the sub-structure have been removed from the site.

Jimmy Doolittle first attended school in Alaska.

Plans For Scouts' Round-Up Discussed

Plans for full participation in the nationwide Scout Round-up currently being conducted were discussed Thursday night at a meeting of local Boy Scout commissioners in the Settles hotel.

George Melear, district commissioner, presided at the meeting. Local commissioners attending included J. E. Duggan, Cecil Nabors, J. B. Apple, Richard Reagan, Elra Phillips, Olen Puckett and D. M. McKinney.

Russian Reporters Refuse To Pool Nuernberg Stories

NEW YORK, Oct. 19. (AP)—Arthur Gaeth, Mutual Broadcasting correspondent who witnessed the Nuernberg executions, said today Russian newspaper representatives refused to "pool" their stories with other correspondents because they were not permitted to use their own press room after the hangings.

Gaeth returned to the United States last night. "All of the eight allied correspondents reporting the executions as official observers had agreed that they would write their stories in the same room together after the executions were over, and that they would make no distribution of their stories until given permission to do so, by the military authorities," he said at a news conference. "Apparently this was not clear to the two Russian correspondents," he continued, "and, after the executions, they entered an objection. They said they should be permitted to write their stories in their own press room."

"This was denied, however, by the military authorities, and they were compelled to go with us to the room assigned the correspondents. There they were released at the same time as the rest of us. "Although they made no formal complaint, the Russians did not make their stories available to the rest of the correspondents."

Laredo To Ask WAA For Army Airfield

WASHINGTON, Oct. 19. (AP)—A Laredo, Tex., group seeking acquisition of the army airfield in that city for international airport expressed here today hope they could present their case to the War Assets Administration Monday.

Here to confer on the matter are Webb County Judge M. J. Raymond, Mayor Hugh Cluck and Robert Lee Bobbett. Although they arrived Thursday they have been unable so far to press formally their request because of a delay in receipt of word from Texas that the state itself is not interested in exercising its superiority to purchase the airfield, Bobbett said.

Cochrons Announce Daughter To Wed J. C. Mittle

Mr. and Mrs. R. M. Cochron are announcing the marriage of their daughter, Pat, to J. C. Mittle on August 9.

The wedding vows were read in the First Baptist church of Midland by Rev. Raymond G. Hall.

Mrs. Mittle attended Big Spring high school where she was a member of the High Heel Slipper Club and was a yell leader in 1943 and 1944. Mittle was graduated from Big Spring high school in 1943 and served in the army for three years, seeing duty in the European theater for five months.

Mr. and Mrs. Mittle left Sunday morning for Los Angeles, Calif., where they will make their home.

Anders-Irwin Rites Read Friday; Miss Moore, Miss Miller Honored

At the altar of the First Presbyterian church Friday afternoon at two o'clock, Virginia Irwin, daughter of Mr. and Mrs. W. N. Irwin of Knott, was married to George Anders, son of George Anders Sr. of Fort Worth.

The double ring vows were read by the Rev. R. Gage Lloyd. Mrs. L. G. Talley, organist, played Schubert's "Ave Maria" preceding the nuptials, and accompanied Mrs. A. B. Brown as she sang "Always" and "Because." During the ceremony the organist played Schubert's "Serenade" as background music. She also played Mendelssohn's wedding march.

The bride wore for her wedding ensemble a frock of beige silk crepe designed with simple neck and sleeve lines, and with lace trim in the color of the dress still-

ched to the fitted bodice. She wore a brown hat with beige feather trim, and her accessories were brown. Her bouquet was a cluster of red roses tied with red ribbon and showered with narrow red ribbons and rosebuds. She also had a matching shoulder corsage. For something old she wore a watch belonging to Clarice Smolenyak which had belonged to her great-grandmother, and something borrowed was a strand of pearls belonging to Norma Belheimer.

Mrs. Marvin Sewell, the bride's sister, was the matron of honor and wore a dress of navy blue crepe with a corsage of gardenias. Her accessories were black.

Woodrow Campbell acted as best man.

Following the ceremony Mrs. Sewell entertained with a reception in her home honoring the couple. The bride's table was laid with a lace cloth and was decorated with a centerpiece of white asters arranged in a green basket, carrying out the bride's chosen colors of green and white. The white three tiered wedding cake was topped with a miniature bride and bridegroom and occupied one end of the table, while the punch service was placed at the other end. Mrs. Talley and Mrs. Brown served the cake, and Rosalie Shaffer presided at the punch service. Miss Belheimer registered guests attending the reception.

The bride was graduated from Big Spring high school and attended business school here. At the time of her marriage she was a

MRS. GEORGE ANDERS

Mrs. Relerce Jones Named President Of Alatha Bible Class

Mrs. Relerce Jones was named president of the Alatha Sunday school class of the first Baptist church when they met Thursday evening in the home of Mrs. Jones for a business meeting.

Mrs. Reuben Creighton was named membership vice-president, Mrs. Charles Tompkins, fellowship vice-president, Mrs. Ted Williams, stewardship vice-president, Mrs. Billy Smith, ministriss and treasurer, Mrs. Paul Sledge secretary with Mrs. Jack Irons as assistant secretary. Group captains will include Mrs. T. F. Horton, Mrs. C. W. Mahoney, Mrs. Loy House.

The teacher, Mrs. J. C. Pickle, brought the devotional from Matthew 10.

Refreshments were served to Mrs. J. C. Pickle, Mrs. Jack Irons, Mrs. Ted Williams, Mrs. Loy House, Mrs. T. F. Horton, Mrs. Reuben Creighton, Mrs. Paul Sledge and the hostess.

Mrs. Lewis Murdock Entertains Bridge Club Friday Afternoon

Mrs. Lewis Murdock, hostess to the Friendship bridge club Friday afternoon, used the Hallowe'en theme in decorations for the entertaining rooms.

The individual tables were spread with printed cloths, and the napkins were of Hallowe'en design. Plate favors were candies in decorated containers. Roses were used in decorations.

Mrs. Arthur Woodall made guest high, and Mrs. Herbert Johnson made high score for members. Mrs. W. K. Gage won the floating prize, and bingo winners were Mrs. C. Y. Clinkcales and Mrs. R. L. Warren.

Attending the meeting as guests were Mrs. Warren and Mrs. Woodall, and members present included Mrs. H. V. Crocker, Mrs. R. F. Bluhm, Mrs. R. L. Pritchett, Mrs. Johnson, Mrs. Gage and Mrs. Clinkcales.

Melba Dean Anderson is visiting this weekend with her parents, Mr. and Mrs. M. E. Anderson. She is a freshman student at Southwestern university in Georgetown.

Hallowe'en Theme Used For Bridge Party Decorations

The Hallowe'en theme was used in decorations for the afternoon bridge club when Mrs. Roy Tidwell was hostess Friday afternoon.

Mrs. Roy Lassiter made high score and Mrs. V. A. Maxwell and Mrs. Jimmy Felts bingood.

Mrs. Merrick and Mrs. Felts were guests, and members present were Mrs. Ollie Anderson, Mrs. Elvis McCrary, Mrs. James McCrary, Mrs. Carlson Hamilton, Mrs. A. H. Ryle, Mrs. Lassiter and the hostess.

Mr. and Mrs. R. V. Hart have as their guests this week Mr. and Mrs. Chester S. Lamber of Corpus Christi and E. A. Haley of Cross Plains.

Mr., Mrs. John Hull Observe Golden Anniversary In Stevens Home, Dinner

In celebration of their Golden Wedding anniversary Mr. and Mrs. John R. Hull were honored Friday evening with an anniversary dinner in the home of their daughter, Mrs. Birt Stevens.

The couple was married in Eastland on Oct. 18, 1896, and came to Howard county in 1903. Mrs. Hull was the former Della Payne of Eastland. Mr. Hull was engaged in farming in Howard county for a number of years, and was later associated with the Marvin-Hull Motor company. He is at present retired. The Hulls reside at 308 East Park.

The couple had five children, and there are nine grandchildren and two great-grandchildren.

The dining table was centered with a bowl filled with red and gold colored roses arranged with fern, and arrangements of roses, gladioli and chrysanthemums.

Attending the affair were Mr. and Mrs. Emmett Hull, Mr. and Mrs. Burly Hull and Delores, Marvin Hull and Dutch, Mr. and Mrs. M. A. Loudamy, Joy, Dorothy, Loy, and Roy, M-Sgt. and Mrs. D. C. Lillard and Donna, Mr. and Mrs. Hull and Mr. and Mrs. Stevens.

Miss Anderson Wed To Fred Holder In Double Ring Rites

In a double ring ceremony read Friday at 11:30 p.m. by Dr. P. D. O'Brien in his home, Eulene Anderson of Stanton became the bride of Fred Holder, also of Stanton.

For the ceremony the bride was attired in a navy blue frock, and had a corsage of red carnations. Attending the rites were the bride's mother, Mrs. Dudley Anderson, her sister, Frances Anderson, both of Stanton, Mrs. H. L. Burns, sister of the bridegroom from Jackson, Miss., and Louise Koonce of Stanton.

Mr. and Mrs. Anderson will make their home in Stanton.

St. Paul's Church Announces Plans

St. Paul's Lutheran church Sunday services will begin with Sunday school and Bible class at 10:15 a.m. under the direction of Walter Pachall, and E. O. Voge will conduct divine worship at 11 a.m.

All meetings at the church have been cancelled until Friday due to the absence of the pastor, Rev. O. H. Horn left Saturday for Eden where he will be guest speaker at a missionary rally this week. On Friday night lectures on Christian doctrines will begin at 8 p.m., and the Saturday school will be held from 9 until 11:45 a.m. Children's instruction class will be Saturday at 1:30 p.m.

Sunday's worship will be based on Esther 5:13, and the sermon theme will be "Humility, Kindness and Contentment." The public is invited to attend the services.

The St. Paul's church is now making plans for a bazaar to be held on Nov. 1 on the church grounds.

Secretaries Plan Dance For Nov. 21 At Dinner Meet

Plans were made for a formal dance to be held by the National Secretary's association on Nov. 21 in the Settles hotel, when members of the organization met Friday evening at the Settles for a dinner meeting.

Julia Cochran was elected corresponding secretary.

Attending were Elizabeth Canning, Martine McDonald, Violet Butts, Virginia Lassiter, Margaret Brown, Nell Davis and Julia Cochran.

There will be a call meeting for members on Oct. 30.

Hedgpeths Feted At Farewell Party

FORSAN, Oct. 19 (Sp.) — Mr. and Mrs. W. V. Hedgpeth and son, Donnie, were honored with a farewell party by Mr. and Mrs. O. D. Smith and Vencil Sewell. The Hedgpeths are going to make their home in Big Spring.

Strong music and dominoes were entertainment.

Attending were Mr. and Mrs. Chauncy Long, Big Spring, Mr. and Mrs. E. E. Blankenship, Mr. and Mrs. Ott King, Juanita Sewell, Big Spring, Leslie Glacier, Big Spring, Pat King, Joyce Sewell, Emma Frances Sageser, Ray Prather, Bill Long, Buri Griffith, Bill Skiles, Clarence McClusky, O. D. Smith, Jr., Sammie Porter.

Midland Couple Wed By Dr. P. D. O'Brien

Wilda Turner and Lloyd Grierson of Midland were married Friday at 10 a.m. in the parlor of the First Baptist church.

The double ring vows were read by Dr. P. D. O'Brien. The couple will be at home in Midland.

County H.D. Club, 4H Girls Have Baking Contest

A contest for baking of quick breads will be held Friday at the Presbyterian church for members of Howard county 4-H club girls and Home Demonstration club women.

Between 200 and 250 club girls and women are expected to enter the contest. Margaret Christie, Home Demonstration agent, declared. Girls will register for the contest at 9:20 a.m. in the church and registration for the women will begin at 10 a.m.

The club members, who have been featuring the study of baked goods at their meetings for the past months will enter variations of quick breads, including nut, prune, peanut butter, date nut, orange, banana and quick coffee cake. Judges for the women's contest will be teachers in the home economics department throughout the county, and girls' contest will be judged by club women.

A system of judging has been set up and the general rules will follow observance of the general appearance, flavor, crumb and lightness. Appearance of the loaf will include its size, shape and color, and flavor involves its odor and taste. The crumb will be adjudged coarse or fine, tough or tender, moist or dry, elastic or inelastic as well as to inner color, distribution of gas.

The contestants do not compete against each other, but rather against a perfect score. There are three sets of prizes to be distributed in groupings who score 80-84, 85-89, and 90 to 100. The prizes include various pieces of equipment used in every-day cooking.

At noon the contest will halt for a luncheon to be held in the church with Mrs. J. M. Craig in charge of arrangements, assisted by Mrs. J. D. Leonard.

Guests are invited to attend the display of baked goods.

Revival Singers To Practice Today

Music for the city-wide revival which begins today will be furnished by a choir of 80 members taken from the choirs of the churches participating in the revival services.

George McEllan of East Fourth Street Church will direct the singers, and has called a final rehearsal for this afternoon at 3 p.m. in the city auditorium.

Choir members include Toka Williams, Mrs. George Holden, Mrs. W. A. Johnston, Lena Mansfield, Leroy Minnew, Walter Grice, Melvin Ray, O. E. Couch, Mrs. Mamie Wilson, Mrs. Wayne Johnston, J. S. Bennett, Emrie Rainey, Talbot Hale, Jim Bennett, Mrs. John Haney, Pearl Clanton, Rev. and Mrs. Amos Watkins, Mr. and Mrs. Bernard Lamun.

Pauline Morris, Mrs. F. F. McGowan, H. M. Neel, H. F. Williamson, Arnold Marshall, J. W. Garrison, Mrs. Arthur Pickle, Mrs. J. B. Apple, Mr. and Mrs. Bernard Huett, Mrs. Ed Wilkerson, Dorothy Wilkerson, Juanita Wilkerson, Evelyn Ray, Agnes Harp, E. R. Winters, Verbal Whately, Geneva Turner, Jane Mize, Mrs. E. W. Jones, Ely Cypert.

Mrs. A. B. Brown, Mrs. Noble Kennemur, J. B. Potter, B. E. Freeman, Mr. and Mrs. Ernest Hock, Mrs. Ruby Billings, Mrs. W. D. McNair, Mr. and Mrs. D. J. Holmes, Mrs. William Bonner, Mrs. L. A. Eubanks, Ima Deason, H. Clay, C. M. Shaw and J. L. Miller.

E. D. Dodd To Speak At AAUW Meeting

E. C. Dodd, president of Howard County Junior College, will be the featured speaker at the meeting of the local chapter of the American Association of University Women. Mrs. J. B. Mull will be hostess for the meeting at 8 p.m. in her home, 1408 11th Place.

Band Queen Election To Be Concluded This Week, Coronation On October 25

Election of the band queen for the Big Spring Municipal high school band goes down the home stretch with four class nominees in the race.

Senior candidate for the honor is Mary Anna Whitaker, for the juniors Nanty Hooper, for the sophomores Jane Stripling, and for the freshmen Maxie Younger.

Winner will be crowned at the Northside (Fort Worth) - Big Spring football game on Oct. 25, an occasion the band has designated as "Dan Conley Day," in honor of a former director who instituted the queen election procedure several years ago.

Conley, assisted by Wilda Watts, band queen for 45-46, will be on hand to make the coronation. Haddon said that the day had been set apart, also, to pay tribute to Conley with his work while director of the band.

Under procedure followed in the queen contest, each class names its nominee. Slogans are sold at five cents and up with each \$1 entitling the purchaser to 100 votes.

Money received from the sale not only elects the band queen, but is used to purchase materials needed by the band, to help finance trips, socials, etc. which the band has as a part of its activity.

Haddon urged Big Spring people to help make the occasion a successful one by participating in the election as a means of boosting the band.

Currently, the band has approximately 40 members, but with an organization plan for elementary school and beginners in high school set up, Haddon predicted the next year's edition would have 70 members and thereafter the high school regular band likely would have 80 members.

Mrs. Brewer Feted At Bridal Shower

COAHOMA, Oct. 20 (Sp.) — Mrs. Laddie Brewer, formerly Mary Beth Adams before her recent marriage, was the guest of honor Monday evening when Mrs. Rachel Poleak, Mr. Buddie Brewer and Mrs. Stella Jackson entertained with a bridal gift tea in the Jackson home.

The bride and her mother, Mrs. Horace Adams, greeted the guests at the door. Mrs. Dale Puckett was at the register, and presiding at the tea and coffee services were Louise O'Daniel and Stella Mae Wheat.

The refreshment table was laid with a hand made linen cloth and pink and white asters formed the centerpiece.

Guest list included Mrs. Alfred Collins, Mrs. Ophelia Sullivan, Mrs. R. B. Hood, Mrs. Dale Puckett, Louise O'Daniel, Mary Jane Collins all of Big Spring, Stella Mae Wheat, Shirley Ann Wheat, Mrs. E. T. O'Daniel, Mrs. Oscar O'Daniel, Mrs. Leslie Adams, Mrs. Mary Adams, Mrs. Leroy Echols, Miss Joyce Smith, Mrs. Bill Hunter, Mrs. Cora Echols, Miss Allie Ray Adams, Mrs. Raymond Arthur, Mrs. Rachel Poleak, Mrs. Horace Adams, and Mrs. Buddy Brewer.

Parent-Teacher Radio Programs To Begin With Monday Show

First of a series of weekly radio programs to be sponsored by the city Parent Teacher council each Monday at 2:30 p.m. over KBST will be aired this week by Central Ward School, Mrs. Zollie Mae Rawlins, council radio chairman has announced.

The school will present a skit copying a P-TA meeting, which will be directed by Mrs. Ruth Burnam. Talking part will be Shirley Riddle, Dorothy Crittenden, June Gray and Glen Dale Bunn.

All P-TA members, as well as the general public, are invited to listen to the radio show.

Expecting a Baby? Mother's Friend massaging preparation helps bring ease and comfort to expectant mothers. MOTHER'S FRIEND, an exquisitely prepared emollient, is useful in all conditions where a bland, mild anodyne massage medium in skin lubrication is desired. One condition in which women for more than 70 years have used it is an application for massaging the body during pregnancy... it helps keep the skin soft and pliable... thus avoiding unnecessary discomfort due to dryness and tightness. It refreshes and tones the skin. An ideal massage application for the numb, tingling or burning sensations of the skin... for the tired back muscles or cramp-like pains in the legs. Quickly absorbed. Delightful to use. Highly praised by nurses, many doctors and nurses. Millions of bottles sold. Just ask any druggist for Mother's Friend—the skin emollient and lubricant. Do try it.

Coahoma News

Mrs. Swan Fetes HD Club With Sunrise Breakfast

COAHOMA, Oct. 20, (Spl.) — Mrs. Ray Swan entertained the ladies of the Coahoma HD club last week with a Halloween sunrise breakfast. Attending were Margaret Christie, Mrs. Harris of Big Spring Mrs. Alvin Lay, Mrs. Billy Layfield, Mrs. K. G. Blalock, Mrs. I. H. Severance, Mrs. Sam Armstrong, Mrs. Tony Snyder, Mrs. Oscar O'Daniel, Mrs. Mary Adams, Mrs. Lee Hasen, Mrs. Wheeler Graham, Mrs. D. S. Phillips, Mrs. E. T. O'Daniel, Mrs. Stella Jackson and the hostess.

The student body of the Coahoma schools met in the grammar school auditorium Wednesday for a program given by the home economics classes and members of the FFA. The playlet was a mock wedding. Other numbers on the program were readings by members of Mrs. C. H. DeVaney's expression class, and musical selections by Marie Kelsey and Gypsy Tedd McCollum. Rev. and Mrs. E. G. Cullie, Mrs. R. B. Mayfield, Mrs. T. A. Bartlett, Mrs. Stella Jackson and Mrs. Muddie Brewer traveled to Hamlin Tuesday where they attended the funeral of Mrs. Johnson, mother of Arnold Johnson of Coahoma. Mr. and Mrs. S. R. Hagler had as guests in their home last week their son and his wife, Mr. and Mrs. W. T. Hagler of Midland, her brother, W. C. Bookout, and Mrs. Bookout of Jacksonville, and her sister, Mrs. R. C. Cook, and Mr. Cook of Big Spring. The group visited another sister, Mrs. H. V. Sorrells, and family of Colorado City. Mrs. George McGregor entertained a group of friends Thursday afternoon when Mrs. Sam Hicks was named as guest of honor and surprised with a pink and blue shower. Present were Mrs. Frank Loveless, Mrs. C. T. DeVaney, Mrs. Ellie Elliott, Mrs. Grady Robinson, Mrs. Cora Echols, Mrs. Bruce Mayfield, Mrs. R. V. Guthrie, Mrs. Jim Shelburne, Mrs. E. G. Culley and the honoree and hostess. Mrs. Houston Crocker and daughter, Mrs. Buddy DeMasters and children, Rodney and Kendays this week visiting Coahoma days, this week visiting Coahoma relatives. Mr. and Mrs. W. T. Barber returned Wednesday from Dallas after spending a week attending the state fair.

ANDERS

(Continued from Page 1) ticket agent for American Airlines. Anders received his education in Fort Worth schools. He served for 32 months in the South Pacific while in the Army, and following his discharge about six months ago became associated with the American Airlines here. The couple left by plane on a short wedding trip to Dallas immediately after the reception. For traveling the bride chose a suit of bride's blue wool with which she wore brown accessories. On their return Mr. and Mrs. Anders will be at home at 905 Johnson.

Miss Miller Feted Among brides choosing fall as the season for the weddings is Juanita Miller who will be married to L. B. Conway Tuesday in the First Baptist church with Dr. P. D. O'Brien reading the marriage vows. Miss Miller, daughter of Mrs. Inez Miller, was honored at a bridal gift tea Thursday evening at the home of her aunt, Mrs. Rufus Miller. Bride-elect Honored Complimented at a miscellaneous wedding shower on Thursday also was Peggy Louise Moore who will be married to James Milton Carver in a ceremony to be read at the First Baptist church on November 2. Hostesses for the affair honoring the bride-to-be were Mrs. W. D. Coffee and Mrs. Rabon Wood who entertained in the Wood home.

HERALD WANT-ADS GET RESULTS

WHAT GIVES 'ROUND TOWN

By LEATRICE ROSS

HCJC athletes will hereafter be known as the Jayhawks, that name having been chosen by popular vote of the student body Thursday. A jayhawk, says Tommie Elliott, who first proposed the name, is a small gray bird with a red head. It is peculiar to Kansas, where it is the state bird, and is known chiefly for its ability to overcome in combat a bird many times its size. In addition to carrying out the college's own color combination red and gray, the emblem will be symbolic of an indomitable spirit—a spirit most desirable for the new school.

Annual run for band queen of BSHS is on with usual active participation of all high school students. Most everybody has indicated his own personal choice and is out selling band slogans and license plate tags on their behalf. Senior candidate is Mary Anna Whitaker, juniors are backing Nancy Hooper, sophs have elected Jane Stripling, and the fish nominee is Maxie Younger. Every penny's sale counts one vote for one of the four girls, and anybody may vote!

Some of the mob of girls who went to Steer-Brownfield game Friday night in a cattle truck: Lynelle Sullivan, Roz Beale, Mary Alice Dorsey, Joyce Worrell, Jean Cornelison, Sonia Weaver, Betty Sturville, Frances Bigony, Joyce Beene, Barbara Lytle, Donnie Roberts, June Hamill, Peggy Lamb, Dot Taylor, Anita Mason. Wesley Strahan came in Friday night from Fort Stockton to spend the weekend with Gib Sawtelle. Jimmy Wilkes, student at Texas A&M, had the highest mark of the school's English entrance exam. Pfc. Ike Davidson, stationed on Guam, writes that he is training for professional boxing in the welter weight division. Already he has selected his ring apparel, which will be scarlet with a stripe in gold.

Tunney Goodson, previously to come home at any time, has reported that he will be in San Diego some 13 more weeks. Cpl. D-Eon Priest, who is in that impossible place near Tokyo, Japan, tells the one about the captain of their outfit doing an admirable hula stop a mess hall table. That inevitable rendez-

vous at the State drug, Friday afternoon Robert Hobbs; Mickey Butts, Millie Balch, Wendel Lawrence, Charles Lovelace, Billy Chrane, P. D. Gage, Norma Jones, Dee Thomas, Bobby Green, Zack Gray, Evelyn Green, Don Richardson, Lynn Jeffcoat.

Joyce Jones and Mary Rusk are credited with advancing a new idea for a club in high school. The organization, which will be known as the Bobby Socks club, and will meet each Monday evening hereafter, has 10 pledges: Bobby Fields, Pat Munsey, Betty Munsey, Wanda Clanton, Betty Henry, Alene Cahoon, Della Kellogg, Wynona Hamby, Edna Merie Gaston, Jean Adams.

Seeing "The Runaround" Tuesday evening: Dot Cauble, Jerre Bankson, Billie Chelf, Wilda Watts, Colleen Davidson, Charles Hodges, Brookale Phillips, Betty Smith, Jim Bob Chaney, Tip Anderson. HCJC held open house Saturday morning for teachers from over Howard County. Student officers and members of the Student Activities committee acted as official hosts and hostesses.

New football jackets were meted out to lettermen on the Steer team Friday morning. Among those eligible for the award were back-fielders Horace Rankin, Jackie Barron, Bobo Hardy, Gerald Harris; centers Roy Lee Reeves, Larry Hall; guards Ike Robb, Pete Fuglaar, Mickey Casey; tackles Bobby Hollis, Reed Collins, Paul Shaffer, ends Marvin Wright, Enor Puckett. Graduates who were also to receive jackets included A. J. Cain, Tommy Clink- scles, Beans Miller, D. D. Douglass, Hugh Cochran, 4-year letterman, will receive a blanket.

Tommie Jean Stator, BSHS grad of '46, was present in assembly Friday morning to dedicate the new stage curtains to the high school as that class, parting gift. Jack Murdock and Tabor Rowe are enrolled in the school of engineering and architecture at University of Kansas.

Markets

NEW YORK, Oct. 19. (AP)—The stock market shifted irregularly lower today although holding a next gain on the week for the first time since the period concluded Sept. 27.

The final session was the slowest of the past two years. While modest advances were well distributed at the close, minus signs maintained the majority. Transfers of 300,000 shares compared with the previous Saturday two weeks ago of 370,000 and were a minimum since Oct. 28, 1944.

Apprehension over the recent slump in commodities, brokers said, together with caution inspired by decontrols, the climb of industrial inventories to a new peak, the complex international picture as described by Secretary Byrnes, and thoughts of a possible business deflation in coming months, served as a speculative and investment restraint.

Mrs. J. O. Tamsitt returned last week from Portales, N. M., where she was a guest in the home of Mrs. R. L. Wood.

Mr. and Mrs. Howard J. Lester have returned from Meredith and Glenwood, Colo., where they spent a two months vacation.

War Bride Leaves English Fog To Come To Seasons Of Rain In US, Texas

"When you get to the United States and to Texas you'll see plenty of sunshine," M. W. McClure told his London-born wife. So when she arrived here it rained—and rained. "It was raining when I landed," attractive Mrs. McClure declared, "and as we drove down from Baltimore, Mo., it continued to rain every night. When we finally reached Spur, it rained all of the time for a week." Mrs. McClure has gotten used to nearly everything in the United States and Texas after 13 months, but when she arrived she was unable to eat. "The food was so highly seasoned, all I could digest was steak, candy and cake." In England, she said, spices were not used very much in cooking. Mrs. McClure didn't have the trouble getting used to American recipes many English brides do. She doesn't use them. The McClure romance started from a blind date and progressed until she finally came to the United States. She was a stenographer in the Ministry for Fuel and Power and lived in London. During the war years there was little planned entertainment, Mrs. McClure stated. "There was dancing and picture shows and that was about all." "Women in England aren't interested in sports as the American women are," she continued. "They swim and play tennis, and have little interest in other sporting activities. Football is strictly a man's game in England, and the women show no interest in it at all." The McClures moved here last week where he is now associated with the O. F. Priest investments office.

WINTER WHITE . . . Two versions of an important postwar fashion—the white wool dress, treated so that it can be dunked with the family wash without shrinking. Left, white wool jersey with red buttons and belt; right, multicolor criss-cross stitching on bodice of white wool dress. Both by Eddie Rubenstein.

The Woman Speaks Her Mind

Big Spring Women Served Faithfully, Well During Four Years Of War

By ANNE HOUSER

As I look back on my three years as program director of the USO, the thing that stands out in my mind is the service of the Big Spring women as volunteer hostesses.

Had it been a short war, or had they served only during the first few months of excitement their records might not have been so outstanding; or had they all been from one organization, club or religion, we might have felt it was their loyalty to that group that made them faithful, but they were part of many organizations, many clubs and of all faiths, Catholic, Jewish and Protestant.

I feel that their unflinching courtesy, sympathetic listening, generous giving of their time and talents was prompted by a two-fold impulse . . . that of serving, (as were their sons and daughters, husbands and friends), and their desire to make an organization successful, an organization dependent upon the citizens of Big Spring for that success. It is good to live in a town among such women!

Rosenberg Reversed Opinion Of War

NUERNBURG, Oct. 19. (AP)—Alfred Rosenberg, atheistic philosopher of the Nazis, expressed in his last hours the hope that Germany develop peacefully—a philosophy he shunned when Hitler was riding high and Rosenberg preached that war was godly. "I have decided my way. Above all I have the sincerest wish that by death and the death of the others will clear the way for a peaceful development for the German people and the German country," he wrote.

Spanish-French Border May Reopen

MADRID, Oct. 19. (AP)—Spain's agreement with the western allies on disposition of an estimated \$20,000,000 in German public properties in Spain was regarded today as foreshadowing possible reopening of the Spanish-French border, closed more than seven months ago.

The cabinet of Gen. Francisco Franco's government, without giving details, announced today: "An accord was reached with the governments of Britain, the United States and France over handling of German public properties situated in Spain."

This was presumed to mean that Spain finally had recognized the allied control commission in Germany as legal successor to the Hitler government—recognition for which the British and American embassies have pressed in Madrid for a year.

Baptist Brotherhood Elects New Officers

FORSAN, Oct. 19. (Spl.)—Brotherhood of the Baptist Church met Monday night at the Church for a social hour.

Following the barbecue supper John Butler was elected as president of the Brotherhood. Other officers elected included Newman Baker, activities, O. D. Elliott, membership chairman, entertainment, Frank Theime, J. W. White, treasurer. Also elected to fill the positions of cub scout committeemen were Ted Henry, A. P. Oglesby, Earl Hughes, and Glen Whittenburg.

Mrs. A. Bailey and Betty Ray Nall are in Austin where they attended the Texas-Arkansas football game. They are visiting with John P. Miller, Mrs. Bailey's son, a student at the university.

Visits And Visitors

Jack Nall, who has been working in Rifle, Colo., for the past year, is here visiting with his wife and family.

Darrell Webb, a student at Texas Tech in Lubbock, is spending the weekend with his parents, Mr. and Mrs. A. D. Webb.

Mrs. Frank Galda of Yorktown is visiting here with her daughter, Mrs. Harold Talbot, and Mr. Talbot.

Central Ward Has Party At Center

Central Ward P.T.A. sponsored a party Saturday afternoon for children who frequent the West-side recreation center.

Helping in serving of refreshments were Mrs. L. D. Jenkins, Mrs. D. T. Evans and Mrs. J. C. Lane. Approximately 30 attended. Mrs. J. C. Lane, welfare chairman for the Council of Church Women, asked that all geographical, news and picture magazines be contributed to the center in order that they might be used by the children for making scrap books.

H. G. Talbot's Parents Of Son Born Friday

Mr. and Mrs. Harold Gayle Talbot are the parents of a son, born early Friday morning. The infant, who has been named Harold Galda, weighed eight pounds at birth.

Maternal grandparent is Mrs. Frank Galda of Yorktown and paternal grandparents are Mr. and Mrs. C. E. Talbot of Big Spring.

Girl Scouts Make Plans For Week

To observe the beginning of national Girl Scout week on October 27, member troops of the local Girl Scout council will hold a vesper service at the First Baptist church at 4:30 p.m.

The program will be opened with processional of troops with flags, followed by a color ceremony to be presented by senior troop two. After a salute to the flag the troops will sing "O Beautiful Banner!" Girls of Troop Four, led by Mrs. Carl Smith, will give the Girl Scout promise and laws, followed by the "Hymn of Scouting." Brownie group 19, directed by Mrs. L. D. Jenkins, will give the Brownie Scout Promise, after which the Brownie smile song will be sung.

Girl Scout troop one will tell "What Girl Scouting Means" and then will be sung "For the Beauty of the Earth."

Dr. P. D. O'Brien will give the featured message. "The Golden Day is Dying" will precede the benediction.

Other features which will be held during the observance week will be 15 minutes programs presented over KBST.

The committee for the week's planned programs includes Mrs. J. L. Roberts, Mrs. Joe Haddon, Mrs. Marion Beam, Mrs. Larson Lloyd, Mrs. A. B. Brown and Mary Miller.

The public is invited to attend Girl Scout week vesper services and other programs.

Music Club To Have Called Meeting

Mrs. G. T. Hall, president, has called a meeting of all members of the Music Study Club to be held in her home Wednesday at 1:30 p.m. All members were urged to attend since important matters will be discussed.

Carson, Morgan Star At Ritz

Just suppose your boy friend, a nice, open-faced, open-minded, open-handed guy from Milwaukee (by way of Brooklyn) threw you into the path of a handsome prince who fell in love with democracy so wholeheartedly that he wanted to marry you? That's the predicament facing Joan Leslie in Warners' rollicking new comedy, "Two Guys From Milwaukee," which co-stars Dennis Morgan and Jack Carson in the dual title role and opens today at the Ritz Theatre.

It seems that Buzz (Jack Carson), a cab driver, picks up Prince Henry (Dennis Morgan) as a fare. Henry is bent on learning about democracy and nourishes a secret passion for Lauren Bacall. When the two men wake up with heavy hangovers and find out that all the world is looking for Prince Henry, Buzz takes him down to his barber shop to have the regal moustache removed, and at the same time introduces him to Connie (Joan Leslie), a manicurist, his girl friend, who went to school with Lauren Bacall. From there on in, Prince Henry and Buzz embark upon a mirth provoking program which, before they have finished, involves an international broadcast and the subsequent loss of a crown. Just how Connie makes up her mind to choose her husband makes for a neat surprise ending.

Just to keep things moving at a merry pace, S. Z. Sakall portrays the aide to the prince; Janis Paige is Joan Leslie's friend and confidante; Rosemary DeCamp is Buzz's persevering sister; and eight-year-old Patti Brady is his precocious little niece.

David Butler directed the Warner comedy for producer Alex Gottlieb from an original screenplay by Charles Hoffman and I. A. L. Diamond.

'Easy To Wed' Opens At Lyric

"Easy to Wed," new MGM Technicolor musical, which opens today on the Lyric screen, is easy to look at, easy to listen to, and above all, easy to laugh at.

With a star-studded cast, topped by Van Johnson, Esther Williams, Lucille Ball and Keenan Wynn, the new picture offers a world of entertainment in a howl-provoking tale of a lady-killer who sells his charm to the highest bidder only to find himself facing charges of bigamy.

Against this is laid a colorful background of metropolitan action contrasted with scenes at a Mexican resort, with Van Johnson and Miss Williams doing their first singing and dancing on the screen, and the lovely Esther again revealing her skill as a swimming and diving champ. The musical sequences — Miss Ball does a song-and-dance number, too — are arrestingly original and beautiful.

HOUSEHOLD STAFF REDUCED TOKYO, Oct. 18. (AP) — The Imperial Household Staff has been reduced from 8,200 persons to approximately 4,000 in the first year of occupation, Allied headquarters said today.

THREE'S A CROWD—Obviously, in this scene from "Two Guys From Milwaukee," the comedy romance stars Dennis Morgan, Joan Leslie and Jack Carson and is playing today and tomorrow at the Ritz Theatre.

CAUGHT BETWEEN TWO GLAMOUR LOVELIES!—That's the predicament (?) Van Johnson is in in this scene and in the movie, "Easy To Wed," at the Lyric Theatre this weekend for a two-day run.

PLAN FOR ROSY FUTURE—And they don't care what means they take to reach it, even murder. John Garfield and Lana Turner are shown in a romantic scene from the State attraction today and tomorrow, "The Postman Always Rings Twice."

The Week's Playbill

RITZ
SUN, MON.—"Two Guys From Milwaukee" with Jack Carson, Dennis Morgan.
TUE, WED.—"No Time For Comedy" with James Stewart, Rosalind Russell.
THURS.—"Jungle Princess" with Dorothy Lamour, Ray Milland.
FRI, SAT.—"Three Wise Fools" with Margaret O'Brien, Lionel Barrymore.
LYRIC
SUN, MON.—"Easy To Wed" with Van Johnson, Esther Williams.
TUE.—"Janie Gets Married" with Joan Leslie, Robert Hutton.
WED., THUR.—"Deadline at Dawn" with Susan Hayward, Paul Lukas and Stage Show with Buford Gamble and his Pioneers
FRI, SAT.—"Singing On Trail" with Ken Curtis, Jeff Donnell.
QUEEN
SUN.—Spanish Language show
MON., TUE.—"Three On Trial"

Garfield And Turner Teamed In State Film

It's "hot stuff" in the literal meaning of the term — the show that's playing today and tomorrow at the State Theater.

Starring Lana Turner and John Garfield, "The Postman Always Rings Twice," is a picturization of James M. Cain's novel of some years back about some not-so-nice people who commit murder and then distrust each other. It's a good psychological murder analysis of the kind that Hollywood is putting out so much of lately, and better than the general run.

It's got Turner in brief bathing suits and skin-drawn dresses and bleached hair as a young thing married to an older operator of a roadside hamburger stand. Along comes Garfield to take a job and falls in love with Turner. They plan to murder the old man and do on the second try and even manage to beat the murder rap.

But they reckon without the DA and a growing distrust for each other and after a suspenseful unwinding of the plot, the picture proves the old adage from which the title is derived: you can't beat the postman because he always rings twice.

It's unethical but absorbing to adult audiences, and it certainly isn't meant for the young fry.

RADIO NOTES

One of the Jones boys who made good—Alan Jones, tenor of the stage, screen, radio—will be the guest of Toastmaster Don McNeill on the American Broadcasting Company's Breakfast Club; Tuesday, Oct. 22, at 8:00-9:00 a.m., CST, over KBST.

Breakfast Club, heard via ABC Mondays, through Fridays, stars McNeill as emcee, with Cruising Crooner Jack Owens, Sam (Clowning Cowling), Aunt Fanny, Maestro Ed Ballantine, and guest songstresses.

Broadway appearance in the United States portraying a temple priest in the original 1921 production of "The Green Goddess," will play the starring role of the Rajah of Rukh when the play is heard during the KBST broadcast of The Theatre Guild On The Air tonight at 9:00 p.m. CST.

Charles Laughton, who had been scheduled in the role, was called back to "Hollywood for a special motion picture commitment."

Taking advantage of a smuggler's susceptibility to feminine charm, a brainy and beautiful government agent is put on his trail during the KBST broadcast of David Harding—Counterspy this afternoon at 4:30 p.m. CST. The smuggler discovers the agent's identity and an exciting and spine-chilling case takes place before the smuggler is captured and the agent rescued.

The broadcast is titled "The Case of the Kidnapped Agent."

Sino-Red Negotiator To Return To Parley

SHANGHAI, Oct. 19. (AP) — Renewing hopes of peace for China, Gen. Chou En-Lai, chief communist negotiator, agreed today to return to Nanking for negotiations and will leave for the capital Monday.

It was Chou who previously had served the government an ultimatum that if Kalgan, Chahar provincial capital, was wrested from the communists that negotiations were at end and a civil war to the finish was inevitable. Kalgan fell last week.

Man Found Stabbed To Death In Box Car
EL PASO, Oct. 19. (AP) — A race horse caretaker, identified as Earl D. Thomson was found stabbed to death today in a box car in which four race horses were being shipped from Skidmore, Texas to Phoenix, Ariz.

There were 40 small wounds in his chest which detectives said may have been made by a pitch fork or hay hook, but the death instrument was not found. The man had been dead about six hours, officers said. The car arrived here at 12:05 a.m. The horses were being shipped to J. P. Armstrong of Phoenix.

Farm And Ranch News

By WACIL McNAIR
The increased volume of cattle at local auction sales immediately after price controls were lifted on meat may have caused many to wonder where the animals had been during the past few months. However, there still was no great volume of good fat yearlings and calves, despite increased receipts in practically all classes. It also is significant that stockers still are in heavy demand here, indicating that farmers and ranchers in the area intend to make every effort to keep the supply coming in. Regardless of general public reaction throughout the country, it is hard to find farmers and ranchers who are concerned over charges that they deliberately kept cattle and hogs off the market to break price control. For the most part, they seem to have marked the incident up as just one of the few times in history when they were caught in a squeeze and had something to fight back with. And maybe they are right.
Another demonstration on cattle rest control has been scheduled for Tuesday morning by County Agent Durward Lewter. He plans to treat about 200 head at the Donald Lay farm near Coshocton. Beginning at 10 a.m. Lice, ear ticks and gribbs are to get special attention.
American agriculture has increased in value practically 90 per cent since 1940, and was worth 101.5 billion dollars at the beginning of 1946. This dollar valuation to US Agriculture is shown in a study recently released by the Bureau of Agricultural Economics in Washington, indicating that the figure is still on the rise, the Bureau's survey showed a 12 per cent increase since 1945. A significant point brought out in the study might be that very little of the increase in agriculture's value was the result of improvements of farms and farm property. A very large part of the increase has come from price increases on farm products and from accumulations of money due to large sales. The report indicated that approximately 800 million dollars that were added to farmers' cash holdings during the war will have to be re-invested in improvements of farms and equipment that were not maintained through the period 1942-45.
Property of farmers and other owners of farm businesses accounted for 93.2 billion dollars of the total dollar worth of agriculture. The remaining 8.3 billions were taken up by creditors' claims. Although farmers' mortgage debts declined during 1943, they did not decline as much as in previous years, and actually increased in 20 states.
Cotton growers in almost every county in West Texas are crying for pullers to help in the cotton harvest. State Farm Labor Supervisor C. Hohn, of the extension service, reports that Dawson county needs 1,500 additional workers to harvest cotton. There is a demand for the same number in Scurry county, Hohn says, where the cotton harvest is reaching its peak, and Jones county, as cotton begins to come in, is calling for 1,000 laborers. Very few counties in West Texas have enough migrant help, and pullers are being paid from \$1.50 to \$2.50 at the gin.

National Air Mail Week Set Aside To Commemorate Splendid Service

Thirty years ago, the first streaks of light of the coming of the air age began to show faintly along the horizon of the future. Encouragement given to aviation by the Post Office Department in that early day was perhaps the most potent factor in developing the great American mail carriers of the air today.

In commemoration of the development of the nation's air mail facilities, the department has set aside the week of Oct. 27 to Nov. 2 as National Air Mail Week.

Big Spring, as is every other city in the country, is being asked to participate in the celebration of the event and that by making use of the facility.

"In order to retain the splendid air mail service we now have and show that we can make maximum use of even better service, we should make it a point to use the air mails at all time during that

special week," Postmaster Nat Shick said.

The city has boasted air mail service since Oct. 15, 1930, when a three-engine Fokker piloted by Homer Rader stopped at the local airport to deposit and to pick up shipments. Since that time, the local service has improved to a point where it is among the best in the country.

Rader, incidentally, is still flying this route for American Airlines.

Air mail shipments has shown a marked increase since the reduced rates went into effect here the first of the month, according to Shick.

A total of 1965 pounds of letters and parcels, bound for all parts of the United States, has been bundled here since Oct. 1.

The traffic reached a new high

for a single day on Thursday, Oct. 3, when 138 pounds of air freight departed the local station.

If an excuse is needed to write someone a letter, we are in the midst of National Letter-Writing Week. The Post Office Department is hopeful the people will show their enthusiasm for the occasion by filling the postal bins with a record amount of correspondence.

CANINES OF ALL BREEDS ELIGIBLE FOR WTKC SHOW

Dogs of all breeds will be eligible to compete in the West Texas Kennel Club's next sanctioned show, which will be staged in Odessa, Nov. 17.

Owners who desire to enter their canines into competition can register them with Glen Clark of Odessa, general chairman of the show, or other members of the directorate, one of whom is Bill Talbott of Big Spring.

Dr. Henry Celaya of San Antonio and D. E. Van Buskirk of College Station will serve as judges on the event. More than \$200 in prizes will be proffered winners.

Sulphur is widely and abundantly distributed throughout the world.

NEW INSTRUMENTAL PROGRAM IN ORGANIZATION AT SCHOOL

Organization of the new instrumental program of the Big Spring schools is well underway, according to Joe L. (Prof) Haddon, supervisor of the work.

To date he has approximately 45 new students in the beginner band at high school, and there are prospects that it will reach 50 before enrollment is closed on Friday. Work started three weeks ago and Haddon urged others contemplating the work to get in under the wire this week.

Another phase of work Haddon

is handling is beginner instruction in the elementary schools. Work starts Monday on this program, and enrollments will be closed during the first week in November. Haddon will spend two hours a week in each of the elementary schools to direct this instruction, which is free to the student. Because of this and increased interest, Haddon felt there would be from six to eight band students in each of the elementary schools.

Because of the scarcity of instruments, Haddon urged persons who have horns not in use to write a card to him in care of the

high school, giving the kind of instrument (cornet, clarinet, etc.), name, address and telephone number of the owner. This information will be placed in the hands of parents who may be interested in purchasing an instrument for their children. With the program expanding, horns will become a vital need, he said.

Make This Home Recipe To Take Off Ugly Fat

It's simple. It's amazing, how quickly one may lose pounds of bulky fat and help regain slender, more graceful curves; if reducible pounds and inches of excess fat don't just seem to disappear almost like magic from neck, chin, arms, bust, abdomen, hips, calves and ankles, just return the empty bottle for your money back. Follow the easy way endorsed by many who have tried this plan and help bring back alluring curves and graceful slenderness. Note how quickly bloated disappears—how much better you feel. More alive, show the simple, easy way to lose youthful appearing and active.

The Texas Poll - - -

Wets, Drys Fairly Evenly Divided

By JOE BELDEN

Director, The Texas Poll

AUSTIN, Oct. 19. — If a statewide prohibition election were held in Texas today, it would be a nip-and-tuck fight between the wets and the drys.

The Texas Poll has posed this query:

"If the question of prohibiting the sale of liquor in Texas came up again, would you vote wet or dry?"

A cross section representative of Texas voters answered:

Would vote wet 51%
Would vote dry 53

Not included in the above tabulation are 5 per cent who were undecided.

When the survey is based on all Texans over 21 years of age, including those who failed to pay a poll tax, these are the results:

Would vote wet 47%
Would vote dry 53

In this tabulation 6 per cent undecided are not included.

The fact that the total adult population is more favorable to prohibition than a cross section typical of eligible voters only is explained by the difference in views held by Texas men and women.

Texas women are predominantly dry in their sentiments, but fewer women are eligible to vote. The interviewers found that 63 per cent of Texas women would vote dry, as compared with 43 per cent of the men.

While Texas men and women show considerable difference in their views on prohibiting the sale of liquor, they are in close agreement on this question: "Does it seem to you that the

drinking of beer and liquor in Texas is increasing, or decreasing?"

Increasing 62%
Decreasing 14
Neither 13
Don't know 11

There was practically no difference in the views of men and women on this question. Sixty-three per cent of Texas women said drinking is increasing, a view shared by 62 per cent of the men. During the war there was widespread discussion of the attitude of the returning veteran toward prohibition. In Texas communities and in other states efforts to hold prohibition elections were often met by the charge that "you are trying to slip prohibition in while the soldiers are away from home." The inference was that those in uniform would vote against prohibition.

This belief seems to have been well founded. The Texas Poll found that today 72 per cent of the veterans would vote "wet," while only 28 would vote "dry."

It is interesting to note that there is no difference in wet-dry sentiment in Texas now and what it was in February 1942, according to the Poll. In 1942, the survey showed Texas voters divided 51 per cent wet, 49 per cent dry — the exact division of sentiment that this week's Poll reflects.

Drivers License Bureau In Lull

C. E. Strain, local employe of the Department of Public Safety, who was being kept in a trot earlier in the year by persons seeking motor vehicle operator's licenses, experiencing a lull in business but he's not certain how long the holiday will last.

Several weeks ago, the department forwarded information that all persons who had let their licenses lapse could get them renewed simply by forwarding their old certificates to DPS headquarters at Austin.

Judging from the slack business since that time, most all the drivers boasted licenses at one time or another. At any rate, not nearly so many people are asking for tests and fresh certificates as was six weeks ago.

Strain issued a warning that all motorists caught without up-to-date licenses are still liable to prosecution. Justice court proceedings here are ample evidence for that. An average of two motorists are halled into court here daily because of failure to produce proper certification upon inspection.

Police in Bulgaria literally earmark known pickpockets with indelible ink.
