J. Porter Neal Dies in Waco Tornado May 11

J. Porter Neal Jr., who grew up in Wellington, was one of the 112 victims of the Waco Tornado Monday, May 11, friends here learned Wednesday.

Mr. Neal was an employee of R. T. Dennis Furniture store, a five-store Waco landmark, and had been with that company for several years.

His body was found about 2:00 p. m. Wednesday, his aunt, Miss Allene Motley of Hollis, told Mrs. J. M. Strong in a telephone conversation that day. Funeral services and burial were at Waco Thursday.

Mr. Neal was the son of Major and Mrs. J. P. Neal, who lived here for several years while he was pastor of the First Baptist Church. The family left here about 12 years ago, when Rev. Neal entered the Army as a chaplain. He is now stationed at Fort Hood, and the family maintains a home at Waco.

Mrs. Neal was in West Virginia with a daughter, Charlene, at the time of the storm. Their daughter, Peggy, lives in Waco.

Mr. Neal is also survived by his wife and two small children.

Quail Eighth Grade Graduation On Wednesday

Twenty-seven boys and girls will receive diplomas in the eighth grade graduation exercise at Quail Thursday morning, May 21, when Paul Spillman, Wellington attorney is the guest speaker.

Valedictorian of the class is Alta Jackson, daughter of Mr. and Mrs. John Jackson, who will not be present for her graduation, as she is now in Washington, D. C., participating in the National Spelling Bee.

Ellen Messer is the salutatorian.

Paye Lacy will read the class will, a choral reading will be given and the 8th grade girls chorus will sing.

Receiving diplomas will be Sonja Morris, R. A. Newman, Jerry Peoples, Tom Souder, Ruben Thomas, Eddie Wheeler, Geneva White, Edna Ellen Wright, Theresa Roberts, David Easley, Patsy Aaron, Don Barker, Paul Bell, Shirley Blades, Rita Boen, Buell Davis, Betty Dollar, Earl Farris, Sheri Graham, Wayne Hamby, Don Homer, Alta Jackson, Martha Johnson, David Kendrick, Paye Lacy, Jim Lindley and Ellen Messer.

Mauldin Resigns As Tax Deputy

Personnel changes in the county tax office were announced this week by Claude McKinney, sheriff, tax assessor and collector.

Hubert Mauldin, chief deputy, has resigned effective May 15, to enter the dairy business.

Miss Louise Fulcher, who has been employed in the office for almost two and a half years, has been advanced to fill Mr. Mauldin's place and Mrs. Arthur Robinson of Quail has been hired to complete the office staff.

Mr. Mauldin entered the county's official family June 19, 1946, as deputy assessor-collector. In 1948, he was named assessor-collector, upon the resignation of J. W. Holden. That same year he was elected to a full term of his own. In 1950, upon the combination of the office with that of sheriff, Mr. Mauldin was elected to the place and served until the first of the year, when he again became deputy tax assessor collector under Mr. McKinney.

He has had under construction for several months buildings necessary for establishing a Grade A dairy. This is located at his farm in the Loco community, one half mile east of Highway 83 on the county line.

Miss Fulcher, formerly an employee of The Wellington Leader, went to the tax office in January 1951. She had previously worked there for a short time.

Mrs. Robinson for a number of years was employed in the Quail Mercantile and during that time was correspondent for The Leader from the Quail community. More recently she has been secretary to Clark Anderson in his insurance business.

THESE BRING SINGING HONORS TO QUAIL

These girls from the Quail high school septet, which recently placed first in regional competition of Future Homemakers of America at Lubbock and sang at the state convention in Austin. They are home-making students of Mrs. Monty Mitchell, and their singing activities are directed by Mrs. Lowell Wells, Quail school music instructor. They are pictured in the dresses in which they sing. In the back row are Barbara Weaver, Shirley Robinson, June Russell and Janell Longford. Seated at front row are Sonja Atkinson, Fayteen Peoples and Sharlene Saunders Marsh.

Alfalfa Growers to Hear Seed Prospects, Elect Officers

A meeting of the Collingsworth County Certified Alfalfa Seed Growers Association has been called for Monday night, May 25, when two alfalfa seed specialists will speak on the present seed situation.

This will also be the re-organization meeting, with new officers being elected, and applications for seed certification will be available. County Agent J. W. Thomas said. Guest speakers will include Lee Coffey, agronomist from Texas A&M College, and Roy Quinby, superintendent of the Chillicothe Agricultural Experiment Station. They will discuss the alfalfa situation as to varieties, and also the improved varieties.

Mr. Thomas pointed out that

there is considerable interest in improved varieties here, and this interest will probably grow, since the government loan rate on the common variety seed in 1952 was only 20 cents per pound, while the rate on improved seed was 40c.

Dick Sweat, Wellington alfalfa grower, last year grew the only certified Ranger Alfalfa Seed in the state. Mr. Thomas said. Ranger is an improved variety recommended by the United States Department of Agriculture.

Mr. Sweat has 26 acres of this

variety, which he planted in 1951. Its entire growth has been during a period of dry weather here, and although it looks good this spring, Mr. Sweat pointed out that he hasn't had the opportunity to see what the improved variety could do in a year of normal rainfall.

This year Mr. Sweat has bought 800 pounds of Ranger Alfalfa seed for three local growers, Temple Slay, Ernest Harwell and Rufus Sweat.

VFW Auxiliary Sponsors Poppy Day Here May 23

The most intensive Poppy Day campaign in recent years will be held here Saturday, May 23, under the sponsorship of the Auxiliary unit of the Veterans of Foreign Wars, Mrs. Hiram Cudd, president, announced this week.

Poppy week is May 24 to 30, she explained, but the sale date here is being changed from the traditional Memorial Day to May 23, since May 30 is scheduled as an official holiday here.

Four-H Club girls will be this year's salesmen, carrying poppies into every business house, not only in Wellington, but also in Dodson, Quail and Samnorwood, Mrs. Cudd said.

As in the past, there is no set price for poppies, but each buyer

is to give the amount he wishes. These poppies are made by disabled veterans of overseas service in some war in which the United States has participated, and in many cases the funds derived from making goes to buy essential items for the men.

County Girls to State 4-H Contest in June

Ada Carole Thomas, Wellington 4-H Club girl, and Ann Aaron, Dodson member, Saturday won the district 1 4-H Club products contest in Panhandle, and with it the right to participate in the state contest at the 4-H Round-up at College station in late June.

Ada Carole and Ann competed as a team, while another Collingsworth County girl, Joyce Amerson, Samnorwood 4-H Club member, participated as an individual demonstrator and placed second. It is not yet definite if she will go to the state contest.

The three girls were trained by

Miss Mary Trammell, county home demonstration agent.

Ada Carole is the daughter of County Agent and Mrs. J. W. Thomas, and this week is graduating from the eighth grade of Wellington junior high. She has had several years experience already in 4-H Club work.

Ann is the daughter of Mr. and Mrs. John Aaron who live near Fresno. Also an eighth grader, she is graduating from elementary school with the class at Dodson.

Joyce is the daughter of Mr. and Mrs. Amerson of Samnorwood.

AREA FFA OFFICER

Ton Whitson Samnorwood Future Farmer, has been elected FFA Area 1 Reporter. He is one of five area officers representing 4010 boys enrolled in vocational agriculture. He was a candidate from the Greenbelt district. Whitson is the son of Mr. and Mrs. Tom Whitson of the Aberdeen community.

County Baseball Teams in Salt Fork League

Baseball is here to stay for this season. Wellington's home-town talent will open their first home-stand against the Wheeler "nine" this Sunday, May 23, at 3:00 p. m. at the local diamond.

The local club is now a member of the Salt Fork League. In this league at the present time is Shamrock, Wheeler, Quail, and Wellington. However, the present plans call for the induction of two more members. Childress and Hedley may become the other clubs in this newly-formed league, but only if the other clubs in the circuit vote them admittance.

The Quail club and Shamrock team go after each other's scalp when they tangle in a single encounter this Sunday, May 24. The game will be played in Shamrock and the "play ball" will be yelled at 3:00 p. m.

Also Wellington and Wheeler will play at the Wellington Ball Park Sunday evening, at 8:00 p. m.

Rev. Austin Joliff Resigns Pastorate Of City Church

The Rev. R. Austin Joliff, pastor of the Assembly of God, has announced his resignation, and he and his family will leave Wellington Monday, May 25, for Tulsa, Oklahoma.

After a short vacation, they will locate in Tulsa during the summer months, and he will re-enter the ministry next fall, Rev. Joliff said.

He will preach his farewell sermon to the congregation here Sunday, May 24.

Rev. and Mrs. Joliff and their children came here four and one-half years ago from Konowa, Oklahoma.

In addition to an aggressive church program carried out during the time, Rev. Joliff headed the church building program, in which the new church in its new location was built.

He will be replaced in the pastorate here by the Rev. Pete Love of Colorado City, who is due to arrive May 26.

Attend Funeral Of Joe Wells

A group from Wellington was in Amarillo Friday, May 15, to attend the funeral of Joe Wells, 49, who in his capacity as appraiser for the Federal Land Bank for the Panhandle, has visited this county many times over the years.

Going were cousins, Percy Wells, Morris Wells, Deskins Wells and Lowell Wells; and A. Y. Bell, secretary of the Wellington NFLA.

Funeral Here Thursday

Lt. Royce Lowry Killed in B-29 Crash in Nebraska May 14

Lt. Royce Lowry of the Army Air Force, formerly of the Lute community, was one of nine men killed when a B-29 from the Great Falls Montana Air Force Base crashed and burned near Sargent, Nebraska, Thursday, May 14.

He was the son of Mr. and Mrs. H. L. Lowry, who moved to Meridian a few years ago.

Funeral services for Lt. Lowry will be held at the First Methodist Church in Wellington Thursday, May 21, with the Rev. Robert Webb, pastor of Faith Baptist Mission, and former pastor at Lute, officiating, assisted by the Rev. Jack Garrett, pastor of the First Christian Church.

Burial will be in the Wellington cemetery, directed by the Ellis Funeral Home. Military rites will be conducted by a team from Shepard Field.

Lt. Lowry was born at Lute and at the time of his death was about 23 years of age. When he was a small boy the family moved to Muleshoe, where he grew up and graduated from high school as an outstanding athlete and student.

He was a member of the National Honor Society, lettered two years in football and three in basketball, and was president of his

Commencement Program For Four Schools Listed

Forty-eight Wellington seniors will receive diplomas at the commencement Friday evening, May 22.

The students themselves will furnish the commencement program.

Theme of the program will be "Flight into the Future."

Miss Priscilla Baumgardner will give the salutatory welcome and James F. LeDerer the valedictory

RANKING STUDENTS

The three high ranking graduates of Wellington high school are shown here. Upper left is James F. LeDerer, valedictorian of the class, while Priscilla Baumgardner is salutatorian. High ranking student with perfect scholastic record, but not eligible for the valedictory honor, was Roberta Posey, lower picture. She had completed her high school work in three years rather than the prescribed four.

High Ranking Graduates at Wellington Named

The twelve high ranking graduates of Wellington high school were announced this week by Bennett Goodloe, high school principal.

Standing at the top of the class, and with a perfect scholastic record was Roberta Posey, with a straight "A" record, or 3.00 grade points. Miss Posey, however, was not eligible to receive the honor of valedictorian, as she completed her high school work in three years, rather than the prescribed four set up in determining the valedictory honor, Mr. Goodloe said. She is the daughter of Mr. and Mrs. Robert Posey.

Valedictorian of the class is James Frederick LeDerer, son of Mr. and Mrs. Fred LeDerer, whose grade point average was 2.934.

The salutatorian is Priscilla Baumgardner, the daughter of Mr. and Mrs. Joe Baumgardner, with an average of 2.926.

The other high ranking students are Jocelyn Wells, daughter of Mr. and Mrs. Morris Wells, 2.869; Glenna Fred Yarbrough, daughter of Mr. and Mrs. Fred Yarbrough, 2.750; Sue Harvey, daughter of Mr. and Mrs. Glen Harvey, (Continued on Page Eight)

Duncan, Wood and Starkey

Skyrockets Name Three 1953 Co-Captains

Co-captains of the 1953 Skyrocket football team were named late last week and again this year include three players, Doolen Starkey, Lonnie Wood and Douglas Duncan.

This is the second year the team has chosen three instead of two

farewell. The history of the class will be given by Miss Roberta Posey.

Diplomas will be presented by Supt. C. T. Roberts and special awards by Bennett Goodloe, high school principal.

The high school brass ensemble will give as the processional "Triumph March" by Sol B. Cohen, and "Soldier's Chorus" from Gounod's Faust as the recessional. A special number, "Prelude," by Chopin will be presented by the flute quartet.

The Rev. Jack Garrett will give the invocation.

Receiving diplomas will be Calvin Aaron, Priscilla Baumgardner, Freddie Alexander, Gene Baird, Eugene Black, Jessie Burkhalter, Jannine Crawford, Jessie Davis, Jerry Drummond, Georgia Durey, Jack Eads, Eugene Eagle, Verna Gallagher, James Glasscock, Bennie Graves, Phil Handley, Jimmy Hartman, Sue Harvey, Nadyne Howell, Guthrie Hite, Floyd Hood, Clyde Ingram, Peggy Jeffers, Charlie Johnson, Mary Jane Johnson, Walter Keisling, Calvin Lacy, Colin Lampkin, Johnny Langford, James F. LeDerer, Jimmy Leggitt, Dale Lockhart, Harold Moore, Ruthie McCaskill, Tawana Scott, McCutchen, Harley McKinney, Vesta Lee Orr, Roberta Posey, Grazele Scott, Tanya Smith, LaDonna Sparks, Jean Stengel, Peggy Taylor, Jimmy Thompson, Jocelyn Wells, Virgil White, Betty Wood and Glenna Fred Yarbrough.

Dodson

Graduation activities for Dodson seniors, the smallest class the school has had in recent years, began Sunday May 24, with the baccalaureate service, while the commencement will be held Thursday night, May 28.

The Rev. J. B. Bickford, pastor of the Church of the Nazarene, will preach the baccalaureate sermon, when that program is held at the Nazarene Church, beginning at 8:00 p. m.

Johnnie Aaron will play the processional and recessional, while the Rev. James Cooper will give the invocation and the Rev. John Fitzgerald the benediction. As musical (Continued on Page Eight)

co-captains. Preparing to vote on two, election results showed one player had a one-vote lead and the next two were a tie.

This same thing occurred in 1952, when Vesta Lee Orr, Floyd Hood and Clyde Ingram were co-captains.

The three 1953 captains are seniors, and each will be playing his third year of A-team football.

In the 1952 season, Duncan was top individual scorer in Panhandle AA football, making 22 touchdowns for a total of 132 points.

Starkey, likewise was high in Panhandle AA football on the number of points after touchdowns, 26.

Wood is one of the few quarterbacks who can handle the ball equally well with either hand — to the confusion of his opponents, and the benefit of the Rockets. This has been especially valuable on fake plays and in his passing.

Thaxton Receives Veterinary Degree

Curtis L. Thaxton will receive his degree as Doctor of Veterinary Medicine from Texas Agricultural and Mechanical College at College Station on May 29, 1953. He will be granted his license to practice upon successful completion of the State Board Examination on June 3, 1953. Mr. Thaxton is planning to return to Wellington and open his office about June 8th, opening a large and small animal business.

Mr. Thaxton lived in Collingsworth County upon return from the navy in 1946 until June of 1943 when he entered Texas A. & M. He was associated with the R. E. A. and taught thirteen months in the Veterans Vocational Agricultural School at Quail and Wellington. He played two summer with the (Continued on Page Eight)

Sophomore Class. He graduated in 1947.

He continued his education at Eastern New Mexico University, Portales, N. M., where he was again one of the outstanding students. He won numerous honors, and was chosen during the spring of 1951 to go on the Leaders Retreat, an honor reserved for only

Samnorwood Senior Series

Marland K. Sheffield

A valued member of the senior class has been Marland K. Sheffield, who has been one of those students who is there when you need him.

Marland is the son of Mr. and Mrs. Jewel Sheffield, who now live at Atoka, Oklahoma, but who lived here for a number of years. He was born at Lane, Oklahoma, July 7, 1934, and attended school there until six years ago, when he came here with his family.

Marland played basketball for two years and was a member of the Future Farmer Chapter two years. He was also a member of the science club.

L. B. Cornell

Riding is the hobby of L. B. Cornell, and he is a member of the Samnorwood Riding Club, one of the outstanding amateur rodeo groups of the section.

L. B. is the son of Mrs. Gussie Cornell of Dozier and L. T. Cornell of Phoenix, Arizona. He was born at Dozier January 26, 1935.

All of his schooling has been at Samnorwood with the exception of one year in high school, spent at West Phoenix High School, Arizona.

L. B. has had a number of honors come his way. He has been a member of the Future Farmers of America four years and a vice-president; he was chosen the senior favorite and he was treasurer of the junior class in 1951.

He also was a member of the senior play cast.

Earl Wayne Bryan

A real Samnorwood-er is Earl Wayne Bryan, who has lived here in this community all his life. He is the son of Mr. and Mrs. Rolan Bryan, who live on Route Three, Shamrock, and was born September 27, 1935, at Wellington.

Since Earl Wayne is pretty

much of a farmer already, his ag work and Future Farmer activities have claimed most of his interest during the time he was in high school.

He placed third in the judging events at Texas Tech, and has also won other honors in FFA.

He has also been a member of the Science Club.

Earl Wayne doesn't say what his plans are, but it's a good guess that he has them worked out.

Barbara Ann Scott

Barbara Ann Scott is another senior who started to school at Norwood and came up through the grades here.

She is the daughter of Mr. and Mrs. Sam Scott, who live on Dozier Route, Shamrock, and was born January 29, 1933, at Wellington.

She has not actively participated in sports, turning her activities to other lines, for she was a member of the Future Homemakers for four years and also a member of the Science Club.

Barbara isn't certain what she'll do next year, but she'll either go to college or get a job, she says.

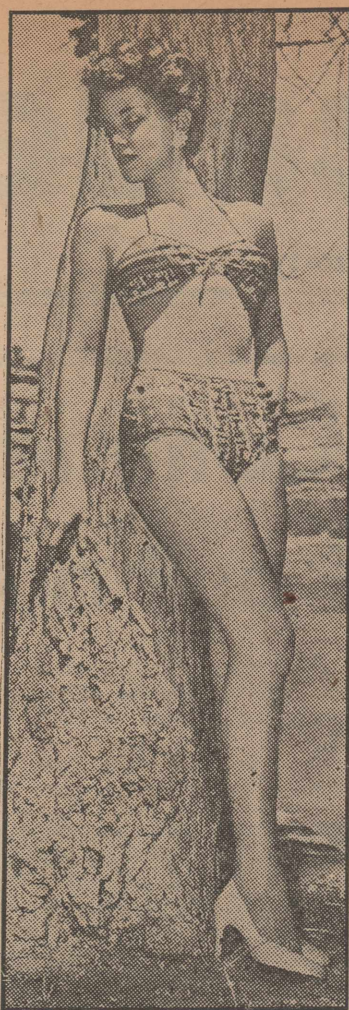

Troy W. Clark

Valedictorian of this year's graduating class is Troy W. Clark, son of Mr. and Mrs. H. J. Clark of Dozier.

All his achievements have not been along scholastic lines, however, for he has been active in a number of groups here, and in district and area FFA work.

Troy was born at Dozier September 21, 1935, and all of his school work has been at Samnorwood.

Troy began receiving his series of honors when he was named reporter of the freshman class. Then he became sophomore secretary, and served both the junior and

LADY BY THE LAKE—Cooling off beside a lake in southern Utah is lovely Jan Sterling of Hollywood. She is seen above relaxing between takes of a new movie.

Billy King

Youngest member of the graduating class is 16-year-old Billy King, the son of Mr. and Mrs. Bill King of Dozier.

He was born at Shamrock July 10, 1936.

He first attended school at Lone Mound, then came to Samnorwood for the remainder of his grade school and all his high school work.

Billy has been active in Future Farmers of America for two years.

As for sports, his favorite is riding — something he's good at — and he served the Samnorwood Riding Club as its treasurer.

Goldie Lee Tippie

Salutatorian of this year's graduating class is Goldie Lee Tippie, 17-year-old daughter of Mr. and Mrs. Purl Tippie, both of whom are faculty members of Norwood school.

Goldie Lee was born September 26, 1935, at Granite, Oklahoma, and came to Samnorwood six years ago. Previously, she had attended school at Ocina, City View and Blair, Okla.

Besides being an outstanding student, Goldie has had a well-rounded list of other activities. She was secretary of her sophomore class, lettered in basketball three years, was president of the Future Homemakers this year, as well as having served as secretary of the group as a junior.

She was this year's High School Favorite and Basketball Queen. Her clubs included FHA and Science Club.

Betty Sue Moody

senior classes as vice-president.

He has been a member of the Future Farmer chapter four years and served it as president and secretary. Gaining recognition for his ag work, he was reporter for the Greenbelt District and area I FFA sentinel. He held the latter office last year.

In the sports line, Troy likes riding, and is president of the Riding Club.

So far, he hasn't announced what his plans are for next year.

Peggy Jean Garner

The job of being secretary to groups and organizations has come naturally to Peggy Jean Garner, who has served in that capacity for the Future Homemakers Chapter, of which she has been a member three years, and the 4-H Club, to which she has belonged two years. In addition to these groups, Peggy Jean has been a member of the science club one year and played basketball four years.

She is the daughter of Mr. and Mrs. Riley Garner of the Lutie community, and was born at Shamrock July 29, 1935.

Peggy is one of the group who has had her entire schooling at Samnorwood.

Alverna Dale Bradley

The outstanding success of this year's high school annual is due in large measure to its editor, Dale Bradley, who has concentrated a great deal of her spare time in its behalf.

Dale is the daughter of Mr. and Mrs. C. F. Bradley of San Diego, Calif., but for the past two years

she has been staying here with relatives, Mr. and Mrs. Pat Bradley.

Dale was born at Dozier December 17, 1935. She attended grade school at Wonder and Mitchell, Oregon, and Lakeside, California. Her high school work has been divided between Hoover High School, California, and Samnorwood.

Her activities here have included one year of basketball, in which she lettered, membership in the science club, and in the Future Homemakers of America two years. She also was a member of the cast of both the junior and senior plays.

Bonnie Ruth Kidwell

One of the county's outstanding girl basketball players has been Bonnie Kidwell, captain of the Eaglettes for two years, and a member of the team three years.

Bonnie Ruth is the daughter of Mr. and Mrs. Otis Kidwell, who live at Samnorwood. She was born at Shamrock January 8, 1935, and her first year of schooling was in that town. Since then, she's attended at Samnorwood.

Bonnie was president of her sophomore class and treasurer of the junior and senior classes. She was a member of the Future Homemakers four years, and in the cast of both the junior and senior plays.

Already Bonnie is making plans for next year, for she's arranging to enter college next September.

Chevrolet trucks must be the best buy!

This year—for the 12th straight production year—truck users are buying more Chevrolet trucks than any other make. That couldn't be true unless Chevrolet trucks offered more of what you want.

Already, 1953's official sales figures tell a remarkable story of clear-cut and decisive preference for Chevrolet trucks. But, this is not surprising, for truck users everywhere are discovering how far ahead of all others Chevrolet trucks really are.

They are discovering things like the tremendous new power in advanced Load-master engines in heavy-duty models... the remarkable gasoline economy... the extra ruggedness and strength of heavier, more rigid frame construction. And, in addition to all these advantages, the Chevrolet line lists for less than any other trucks of comparable size and capacity. So, before you buy any truck, stop in and see us.

Group Attends Nazarene Conv. At Wichita Falls

A group representing the Church of the Nazarene in Wellington is attending the annual convention of the Abilene District, which opened in Wellington Monday, May 11 and will continue through Friday.

Delegates include Elmore Dodson of Dodson; Rev. and Mrs. Sam Sparks; Mr. and Mrs. Earl Yarbrough; and Mr. and Mrs. Rodell Biers. Delegates to the youth people's division include Jannine Crawford, LaDonna Sparks, Harold Wayne Moore, Donovan Bounds and Donald Crawford.

They were joined Monday night by Miss Vivian Scarberry and Miss Louella Trimble for the convention dinner.

Mr. Dodson is a member of the advisory board, a post he has held 25 years. The board is made up of two laymen and two ordained ministers, whose responsibility is to the district superintendent for carrying out church work and business of the district.

Rev. Sparks is a permanent member of the board of orders and relations, which determine qualifications of ministers seeking to be ordained, as well as having other duties.

This is a policy making convention of the church, and work of the past year is also reviewed, Rev. Sparks explained.

Among the distinguished guests this year were Dr. Samuel Young, general superintendent and an international officer, and Dr. Remus Roefelt, general secretary for foreign missions, both of Kansas City.

Explorer Training Meeting Held

Training school for the Explorer Advisors of the Southern District of the Adobe Walls Council Area was held recently in the Methodist Church parlor.

The school was conducted by John Glascock, Rev. Jack Garrett and Jay Gould of Clarendon. These three men are the Explorer Training Crew for the district.

Men that were present beside the workers were Robert Harris and Bob Baily of Hedley, Arless Crump and H. M. Lang of Esteline, Bobby West of Memphis and W. A. Allen of Shamrock.

The meeting was held to give instructions to the post advisors on the coming events for their various troops.

Ringgold Crew Off to Harvest

Mr. and Mrs. N. B. Ringgold are leaving this week with their custom combine equipment and crew on their annual trip north with the wheat harvest.

They will begin with the harvest around Olney, going from there to Chillicothe and then to Granite, Oklahoma. From there they will continue on through the middle west as the wheat ripens.

This is the fourteenth year they have done custom combine harvesting. The farthest north has been to New Underwood, South Dakota. Last year they had a total of 40 working days.

Going with Mr. and Mrs. Ringgold are her son, Owen Johnson, and Melvin Angle, Bill Gardner and Oral Martin. The latter two are new to their crew this year, although they have made the harvesting trips previously.

Carolyn Whitson Receives Degree

When Will She Start PAYING HER WAY?

That Depends...

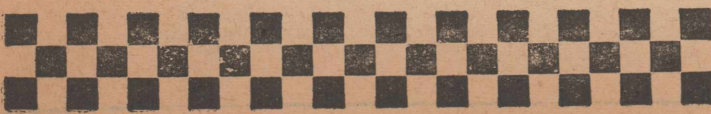

On how good a start you give her. For heifers never get over a good start — or a poor one.

Calves raised on the Purina Plan get a double barreled push — with Nursing Chow and Calf Startena. And since Purina Nursing Chow replaces all milk after 3 days, lots of folks are selling that extra 25 gallons the calf used to take.

Yes, there's a new way to raise calves. We'd like to tell you more about it. Stop by next time you are in town.

EDITORIAL COMMENT — THE WELLINGTON LEADER

Tips on Tornadoes

This is the tornado season in the Central and South-Central states. Already there have been two tornados of major proportions in Texas, and several smaller ones. Here is some information about the violent storms that you might need to know.

1. Tornados are not peculiar to Texas. They have occurred in every state in the Union. They are more common in the central United States.

2. A tornado is usually seen as a spinning funnel-shaped cloud, extending toward the earth from the base of a thundercloud. When close by, it sounds like the roar of hundreds of airplanes. Oftentimes the funnel cloud is obscured by rain, dust or low clouds, or cannot be seen because of darkness. Sometimes two or more funnels may be seen in the same thundercloud. The funnel cloud may be in the shape of a rope spinning down from the cloud; or it may be barrel shaped or like a huge elephant's trunk.

3. Familiar thunderstorm clouds are present. An hour or two before a tornado the under part of the clouds may be seen bulging down instead of up. Often there is a greenish-black color to the clouds. Rain and hail often accompany the tornado. The funnel-shaped cloud of a tornado should not be confused with low or ragged cloud remnants which frequently are seen hanging down from the main cloud, often where the visible cloud leaves off and the curtain of rain begins.

4. Tornados are localized. They usually cover a very limited area. Most tornados are less than a block wide. A few have had paths over 2 miles in width, but this is unusual. Tornado paths are usually short, less than five miles long. Because they are extremely localized, the chances for tornados striking a given area are very slight. Most Texans will never see nor ever experience a tornado in their entire lifetimes.

5. Tornado damages varies greatly with the storm and where it strikes, and many tornados cause little or no damage and no loss of life nor injuries.

6. Tornados have occurred every month of the year, but about two-thirds of all tornados occur between April 8 and June 9.

7. Tornados are most likely to occur in the late afternoon or early evening. Thirty-five per cent of all tornados occur between 3 p. m. and 6 p. m. Twenty-nine per cent between 6 p. m. and 9 p. m. Less than one-fourth of

all tornados occur during school hours, 8 a. m. and to 4 p. m.

8. Tornados usually move from southwest to northeast; less frequently from west to east. Tornado spotters should particularly keep watch in these directions. There are exceptions — they have moved from partially every direction. In some few cases they have traveled almost in a circle.

9. Tornados move forward at a rate usually 15 to 40 miles per hour average, but the rate of progress has been somewhat less as well as much greater.

10. Warnings about an approaching tornado are seldom possible longer than a hour in advance, usually less and sometimes only a few minutes, but despite any disadvantage occasioned by a brief warning period, the warnings can be extremely effective in saving human lives.

11. School officials should become familiar with factual information regarding the characteristics of tornados, safety precautions to be taken in case a tornado is sighted in their immediate locality, and recommended procedure to be followed when forecasts and warnings are in effect and until an "ALL CLEAR" advisory is issued. The same suggestion holds for the public in general.

12. In the great majority of cases, the tornado affects less than one-tenth or 1 per cent of the "warned area" and is seen by less than 1 per cent of the population. Safety precautions generally need not be taken until the tornado cloud is seen or local community warning given or until unusually threatening thunderstorm type clouds are observed.

13. School officials and instructors have a special responsibility to remain calm and thus prevent school children becoming excited. Do not wait until a storm is approaching but have a pre-arranged plan well thought out beforehand and be ready to carry it out should the necessity arise. It would be a good plan to have two or more good pictures of tornados in action in Texas or nearby states in order that school children and others might early and easily recognize such a storm, either while in attendance or in going home from school.

The Buck Creek Philosopher

Editor's note. The Buck Creek Philosopher on his Johnson grass farm on Buck Creek has some advice for school teachers this week, and like most free advice, it's probably worthless.

Dear editor:

Along about this time of the year I always get to speculating on how much I'm gonna make off my farm out here. I walk over the place, size up the different fields, figure this one ought to bring me in so much, that one so much, etc.

I know a lot of other farmers who do the same thing, but some of em don't get the full benefit out of the system.

You take one of my neighbors. He always under-estimates his crops, figures the whole thing is practically a failure before he gets a seed in the ground and starts clamping down on expenses. I don't look at it that way, takes all the fun out of farmin. Not only do I estimate my yields as record breakin, but I go ahead and spend the anticipated money.

Over a long period of years, I

have found that frequently the only money I make farmin is the anticipated revenue, and a man who doesn't go ahead and spend that may wind up at the end of the year with nothin spent and his whole year wasted.

And it ain't so unheard of in other fields. Take the State Legislature. It'll pass almost any kind of a bill spendin money if enough people bring enough pressure on it, then it can go home and the problem is up to the Comptroller to decide whether the anticipated revenue is adequate to allow the bill to stand.

This brings me up to a similar problem the school teachers are encounterin.

As I see this, the school teachers of Texas have gotten slipped up on. Here they've been spendin months turnin into professional lobbyists ad spendin all the time they could spare in Austin buttonholin the politicians and puttin the pressure on the Legislature, and all the time they clean forgot the Comptroller. They got their

bill through givin em a \$600 raise, but some Civics teachers ought to have been put on them lobbyin committees to let the other teachers in on the news that the Comptroller is the bird with the power when it comes to writin the checks.

I tell you, spendin anticipated revenues is a great thing, but I hope the school teachers didn't go hog-wild over their raise and blow it all in, because I've found when the Fall rolls around and the anticipated revenue turns out way ahead of the actual revenue, the bankers begin to clear their throats.

Yours faithfully,
J. A.

Paul's Early Life and Background

The life of the Apostle Paul is a very good example of the effect that early training has on the life of the child when he later becomes a man.

It is true that Paul's attitudes and convictions during the mature years of life which followed his

conversion were very different from those of his youth. This is an example which we find in our modern society. Many men who entertained radical ideas in their early years have been "converted" in their mature years to sensible constructive men who are of much value to the society which they once tried to injure.

Paul's conversion was followed by the formation of ideas so different from those of his youth that he was persecuted by the same people whom he once joined in the persecution of Christians.

The one thing that characterized his life, both before and after his conversion, was a good conscience. During the time when Paul was persecuting the Christians, Paul thought he was doing God a service just as he did in the days of his enlightenment when service had become inspired with love and devotion to Christ.

Paul evidently owed a great heritage to the parents whose God he worshiped. He also owed much to his teacher, Gamaliel, at whose feet he sat in the city of Jerusalem. Gamaliel appears in the scriptures to be a tolerant, justice-loving Jewish leader.

Paul's early contacts as a boy in the seaport town of Tarsus probably did much to prepare him for the cosmopolitan character which he became when, as a Chris-

tian citizen of the world, he aspired to preach the Gospel in every part of the known world.

Also, Paul had the training of the synagogue. He, like the boy Jesus, heard these impressive words every Sabbath: "Thou shalt love the Lord thy God with all thine heart, and with all thy soul, and with all thy might."

Colin Lampkin

Texas A&M is the graduation plans for Colin Lampkin, son of Mr. and Mrs. C. H. Lampkin of Wellington.

Colin was born on December 6, 1935, at Hollis, Oklahoma. He started to school at Vinson and then in 1944 he came to Wellington and now he will be a graduate of this 1953 class.

His activities include basketball, boxing, volleyball, shop, C. A. P., and journalism.

Included in his hobbies is fishing, hunting, and tennis.

His home address in Wellington is 1108 Belton Street.

Phil Handley

Phil Handley, son of Mr. and Mrs. Bura Handley, is one of the most informed on how the city machinery operates. He was born in 1935.

He has gone to school all twelve years in Wellington.

He is also one of the most active members of the class. He has taken part in football, baseball, volleyball, tennis, band, chorus, Physics Club, F. T. A., slide rule team, and both the junior and senior play.

Many honors have come to him during his high school days. Runner-up in the tennis singles for three years. First division in the Trombone solo three times.

He does show a preference in school subjects. His favorites include math and science.

Because of his intense interest in cars, his hobby is mechanics.

He plans to go to the University of Texas and become an Engineer.

Vesta Lee Orr

One of the Rocket's most versatile athletes in recent years is the son of Mr. and Mrs. V. K. Orr. He is none other than Vesta Lee Orr. He was born on January 5, 1935, in Hollis, Oklahoma, and attended Vinson schools for a short time. He has gone to Wellington for most of his schooling.

He is an outstanding football player having lettered for four years. He was named All-District in '50-'51, '52-'53, and All-Regional in 1953. He received honorable mention on the All-Regional squad in 1952. Now he has been chosen to play in the East-West game in the Greenbelt Bowl.

Biology is his favorite subject and hunting and fishing are his favorite forms of relaxation.

He does plan to attend college, but he is very undecided.

Charlie Johnson

Charlie Johnson, the best long passer in this Region this past year, is the son of Mr. and Mrs. L. A. Johnson. Charlie was born on October 20, 1933 in Wellington and he has attended the local schools all of his life.

Charlie has been very active in football, baseball, track, chorus,

agriculture, "W" club, and C. A. P.

His honors have come on the gridiron. He has been voted on the All-District team for one year, and was given honorable mention in 1952. This year he received honorable mention in Region and All-State.

His favorite subjects are shop and agriculture.

His college plans include two schools as possibilities. Howard Payne and Hardin-Simmons.

Jannine Crawford

When the Skyrocket band has made an appearance on the football field or in town for the past three years, you will see Jannine Crawford out front with the twirlers.

Jannine is the daughter of Mr. and Mrs. Johnny Crawford. She was born on November 22, 1935.

During her school career, she has won many honors. She has been active in the FTA, FHA, Spanish Club, chorus, Skyrocket staff, band and the Dragonettes.

She was also in the junior and senior plays. She was elected key club sweetheart her senior year. This year at Canyon Jannine received a first division in piano at the festival.

Being a talented pianist, naturally her favorite pastime is playing the piano.

Jannine isn't sure as to what she will do when she graduates but believes she will attend Texas University or Bethany Peniel. She wants to be a teacher or do secretarial work.

Jocelyn Wells

Being crowned as carnival queen during her senior year was one of the highlights of Jocelyn Wells' school career.

During her school activities Jocelyn has won many honors and been active in various clubs. She has been a member of the Skyrocket band for four years. She has also been a member of the Dragonettes, KoShari, FHA, junior play, FTA, Skyrocket paper staff, Spanish club, Sans Souci, Gayteens and the crafts club.

She was also awarded the English award during school.

Her favorite hobbies are painting and playing the piano, and her favorite subjects are band and English.

Jocelyn is the daughter of Mr. and Mrs. J. M. Wells, 1211 Amarillo Street. She was born on March 12, 1936, at Wellington.

This fall she will be one of the students to attend school at Texas University and plans to major in art education.

Joe Thompson, Miss Marilyn Dickey and Miss Tanya Smith were in Amarillo Saturday.

George Schadid is in Dallas attending the men's Fall market this week.

Wichita Falls Buyers Guild Tour Here Friday

Sixteen Wichita Falls business men were in Wellington Friday, May 22, making this the farthest point visited in their series of Buyers Guide tours sponsored by the commercial department of the Wichita Falls Chamber of Commerce.

This is the last of eight Buyers Guide trips through southwestern Oklahoma and the lower Panhandle region. This is the first year of the issuance of the Buyers Guide, which were distributed to local business men, and give a key to wholesalers, manufacturers, distributors and jobbers in Wichita Falls.

"If we can serve the merchants of Wellington, we'd like for them to come to Wichita Falls for their wholesale needs," Bill Donnell of the Times Publishing Company declared.

D. L. Naylor has served as chairman of the commercial de-

partment of the Chamber of Commerce and with Seth Cunningham, manager, and Tom Daniel, director of commercial affairs, has been in charge of issuing the Guide, and of the trips.

Here in addition to visiting in local business houses, the Wichita Falls men visited with a group headed by James Sullivan, president of the Wellington Chamber of Commerce.

Electric Mishap Fatal to G. Mason

Gene Mason, employee of the Southwestern Bell Telephone Company of Lubbock, and a brother of Mrs. Odie Killingsworth of Wellington, was electrocuted May 11, when a pole he was helping set came in contact with a 7200 volt power line.

The accident happened west of Floydada.

Mr. Mason is the son of Mrs. Y. M. Mason of Brownfield. He was a former employee of the General Telephone Company of the Southwest.

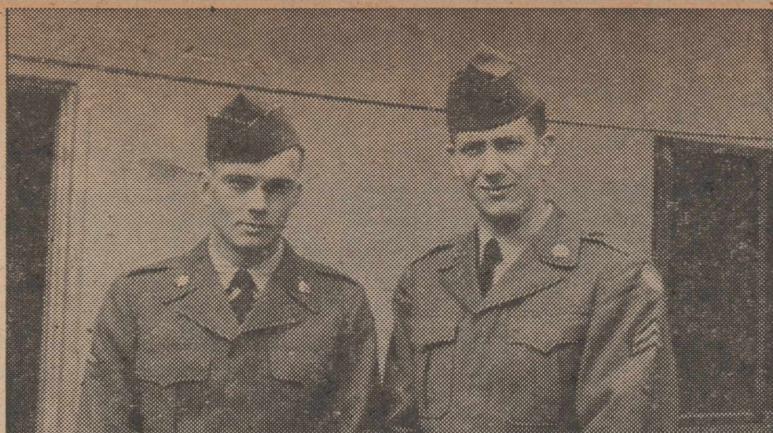

Funeral services were held Wednesday at Brownfield. Mr. and Mrs. Killingsworth attended from here.

Mr. Mason had visited his sister here many times and had a number of friends in this area.

Quail Chorus Returns from Carlsbad Trip

By MRS. G. T. STEPHENS
The Quail high school chorus and the Future Homemakers have returned from a trip that took

them to Carlsbad Cavern, the first time most of the group had seen this scenic wonder.

The group left Saturday morning, May 9, at 4:00 a.m. They carried a picnic lunch, which they ate at the park in Seminole. They also visited the Pecos River at Carlsbad, N. M.

They drove on to White City, N. M., where they stayed Saturday night. Early Sunday morning they started through the cavern and ate lunch in the dining room of the cavern, which is 750 feet below the surface.

The girls were in a group of about 400 people who went through as they did. In the groups to tour the Cavern Sunday there were over 1500 people. All 48 of the states were represented, as well as 23 foreign countries and Washington, D. C. The largest number came from Texas.

Four hours is required for the tour, which includes 40 minutes for lunch. The tour ended about 12:45 p.m. and the group started home about 2:00 p.m.

The Quail girls gave an impromptu concert at the mouth of the cavern before the tour began. Their singing began spontaneously, and the others waiting to go through formed a most appreciative

audience.

En route home, they ate supper at the park in Lubbock, and reached Quail about midnight Sunday night.

Making the trip were Elizabeth Wilson, Sonja Atkinson, Barbara Weaver, Janelle Langford, Fayette Peoples, Sharlene Marsh, June Russell, Nancy Stephens, Edna Wright, Ellen Messer, Betty Dollar, Rita Boen, Faye Lacy, Tommie Souder, Geneva White, Martha Johnson, Wanda Phipps, Peggy Clay, Alice Wilkinson, Joan Lacy, Erma Farris, Joan Kirkland, Mary Jo Phipps, Patsy White, Beatrice Claunch, Margie Price, Betty Gollighugh, Barbara Norman, Betty Patterson, Vivian Minatrea, Cleta Clay, Mike Mitchell, and the sponsors, Mrs. Lowell Wells and Mrs. Monty Mitchell, R. E. Bradley, high school principal, and J. L. Parker. The latter two drove the school buses.

Mrs. Olean Leggett of Clarendon was here Friday night to attend the music recital of Mrs. John Harper's students, in which her niece, Miss Priscilla Baumgardner, took part. She remained over Saturday to attend to business.

House Burns on Sachse Farm

By MRS. GEORGE ADKINS
Tuesday night, May 5, about 8:00 p.m., the neighbors of Mr. and Mrs. L. A. Sachse rushed to their home south of Loco to put out a fire in a small utility house located about 20 feet from the Sachse residence.

Mr. and Mrs. Sachse had left home about an hour before the fire to go to Childress to talk to their children in Amarillo over the phone.

As the neighbors arrived they began to carry water and wet the side of the house. The fire was too advanced to save anything about the utility building.

Mr. Sachse estimated that \$450 worth of supplies were stored in the house, not to mention a two-weeks laundry of the family's clothing and bed linens.

The west side of the Sachse home was scorched and smoked. The house had been newly painted only a short time ago.

Classified Ad Finds Lost Picture of Prize Pig and His Owner

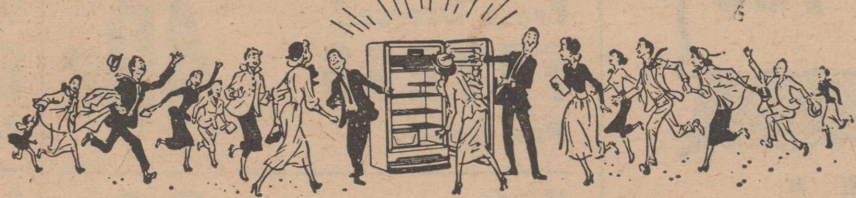

Troy Thomason was owner of the grandchampion pig at the Project Show a few weeks ago, and more recently he acquired an enlarged picture of himself and his winner — but he lost the picture before he got home. This is the classified ad, run in The Wellington Leader, which found it for him.

LOST. Picture of myself and my hog. Troy Tromason.

The finder was Cecil Price of Quail, who doesn't know Troy, but who had seen his ad. Mr. Price brought the picture to The Wellington Leader, and one of the staff has sent it onto Troy. He had found the picture in the street near the post office, still undamaged.

Mr. and Mrs. B. G. Glenn left Sunday for Lubbock where they visited Mr. and Mrs. J. C. Hunsaker. Mrs. Hunsaker accompanied them to California to visit her daughter, Mrs. Jack Covey and family. They will also visit Mr. and Mrs. Joe Pierce of Palm City and Mr. and Mrs. Marvin Petty of Benicia.

VFW Auxiliary Honors Prospective Members with Tea on Sunday

Members of the Auxiliary Unit of the Glynn Moore Post of the Veterans of Foreign Wars were hostesses at a tea Sunday afternoon, May 17, for women of this area who are eligible for membership in that organization.

The event was held at the VFW hall from 3:30 to 5:30 o'clock.

Guests were greeted by Mrs. Hiram Cudd, president of the Auxiliary, Mrs. Jimmie Bowen and Mrs. Joe A. Coleman.

During the afternoon, musical selections were given by Miss Nelda Terry.

The refreshment table was laid with a pale orchid cloth and centered with an arrangement of orchid asters and greenery set in

florist foam. Mrs. Louis Berg presided at the silver tea service, and other appointments were in crystal.

Assisting were Mmes. Durant McInnis, Jim Leach, Jake Leach, Herman Childress and Donald Curry.

Mrs. Cecil Street Hostess at Club

Mrs. Cecil Street was hostess to the 1924 Study Club Thursday, May 14, in the home of Mrs. Howard Riggs.

During the business meeting a certificate from the Texas Federation of Women's Club was presented showing that the club had one hundred per cent membership subscription to "The Texas Club Women."

The club voted to sponsor Madame Renee Von Bronneck in a program on Tuesday, September 22. Madame Von Bronneck is from Vienna, Austria, and will make a tour of the Seventh District Federation in the fall.

Mrs. J. W. Cochran had charge of the program and she gave a review of the current and best Broadway productions.

A dessert course was served to Mmes. Clark Anderson, Frank Campbell, R. R. Crawley, J. W. Cochran, Misch Dukeminier, Chester Fires, E. K. Jones, Fred Lederer, James Ross, Walt Winters, Miss Katherine Boverie and the hostess, Mrs. Street.

The last meeting of the club year will be in the home of Mrs. Walt Winters on Thursday, May 28.

Betty Wood

Selected as best all-round girl of Wellington High School during her senior year was the honor given to Betty Wood, daughter of Mr. and Mrs. J. H. Wood.

Betty has received all her education in the Wellington school system. She was born on January 2, 1935.

During her school years she has been active in many of the school functions. She has been a twivler for the band four years, FTA, FHA, Senior Play Junior Play, one-act play during her senior year, Skyrocket staff, chorus and the Dragonettes. One of the honors yet to come will be when she will represent Wellington at Childress at the Greenbelt football game this summer.

Betty's favorite subject is speech and her favorite hobbies are swimming and horseback riding.

This fall she will attend school but now she is undecided as to where she will go.

Verna Gallagher

Attending school at Wellington during her senior year only is Verna Gallagher, daughter of Mr. and Mrs. T. H. Gallagher. Verna was born at Mountain Air, New Mexico.

She has attended school at Bakerville, California, Raton, New Mexico, and Wellington.

During school she has been active in the Spanish club, basketball, Library club, FHA, Girls League, 4-H club, and class secretary.

Her favorite subjects are book-keeping and Spanish. Her favorite hobby is photography.

She hasn't decided whether she will attend school but if she does she will attend at Pasadena, California.

Tawana Scott McCutchen
Tawana Beth Scott McCutchen through her entire senior year has done an outstanding job, not only in her school work, but also as a homemaker and as society editor of The Wellington Leader.

Tawana's joining the newspaper staff was something of an accident. She was hired to work through a Christmas vacation, and

because of the fine quality of her work, she became a permanent staff member. In addition to the women's page, she does general reporting and is in charge of circulation.

In September, she was married to Bobby McCutchen, a former Skyrocket football star.

Tawana is the daughter of Mr. and Mrs. Ocie L. Scott of Wellington, and was born here June 28, 1935. All of her school work has been in the local schools.

With not a lazy bone about her, Tawana has found time for plenty of school activities. She was cheer leader two years, a member of the Dragonettes, and a member of the Future Homemakers. She played basketball and was class reporter during her junior year. During this time, she also maintained a high scholastic record.

Tawana's favorite subjects have been shorthand and algebra.

Her hobby, she says, is "keeping house for my husband." Now that she is graduating, this will become an even more important part of her life, and she will also continue her work with The Wellington Leader.

James Allen Glasscock

The other staff member of The Wellington Leader graduating this year is James Allen Glasscock, son of Mr. and Mrs. John Glasscock.

James, who had been writing sports for the Skyrocket, was picked for the same job during football season for The Wellington Leader last fall. Using his own initiative, he did a fine job of sports coverage for the paper that has drawn the praise of weekly and daily sports writers.

For some time now, James has been working regularly at the newspaper before and after school, and with the beginning of summer vacation, this will become a full time job.

James was born at Shamrock March 4, 1935, and completed his elementary and junior high school work there. He's been a student here since 1950.

His activities have included being a member of the student council two years and serving as its president in 1952; serving as junior class president; membership in the Key Club and the casts of the junior and senior plays.

James won the district extemporaneous speaking contests the past two years and this year also won the regional, participating in the state contest.

He was one of two boys chosen last summer by the Chamber of Commerce to attend the State Democratic Convention in San Antonio. During the past year, James has been a popular speaker at Methodist churches over the county and at other meetings.

He plans to enter the ministry, and will study at Southern Methodist University, Dallas and later Perkins School of Theology.

Mary Jane Johnson

Receiving all her education in the Wellington schools has been the experience of Mary Jane Johnson, daughter of Mr. and Mrs. Matt Johnson.

Some of the activities she has been active in are the band, chorus, FHA, FTA, KoShari, Dragonettes, Spanish club, Skyrocket club, band reporter and treasurer. She was candidate for Carnival queen her sophomore year. During her senior year was running in the Miss Wellington contest.

Mary Jane's favorite subjects are typing and band. She likes to spend her pastime swimming and drawing. She also likes music.

This fall she will attend school at Baylor or Texas University.

Jimmy Thompson Honored May 15

Mr. and Mrs. Barney Glenn were host at a party honoring Jimmy Thompson, who is graduating this year, Friday night, May 15 at their home.

The entertaining rooms were decorated with roses.

The guests spent the evening playing records and games of Liverpool rummy and forty-two. Refreshments were served to Floyd Hood, LaJuan Wilson, Calvin Lacy, Jean Stingel, Edward Bawcom, Mary Jane Johnson, Harold Wayne Moore, Ricky Boyd, the honoree, Jimmy Thompson and the hosts, Mr. and Mrs. Glenn.

Mrs. J. S. Aaron, who has been spending the winter with children in Dallas, returned here for the summer. Bringing her were her son and family, Mr. and Mrs. George Aaron and Judy. They also visited her father, Jerry Phipps, and other relatives. Mrs. Aaron, who has been seriously ill, is considerably improved. She will be at the home of a daughter, Mrs. George Jones.

Spring Brings New, Attractive Stockings

BY EDNA MILES

THE fashion influence of this Coronation Year has made itself felt, particularly in pretty accessories. In hosiery, it has produced a spring shade in gossamer sheer stockings called "pageantry."

Other shades bow to the Coronation, too. These range from a glowing sun tone that blends with toast, and caramel colors through crown taupe for gray, violet and the muted blues. Crest beige is for light browns and greens, jewel blond for medium blues, variations of green and flame reds and majesty tan plus a rose-tinted hue for pastel colors and white.

In the interests of a slender ankle, there are many tapered heel treatments this spring. One treatment is the outline heel with dark seam. Another is a slender black heel and foot with a shadow outline. There's also a heel within a heel.

A new stocking has been developed especially for the life of the housewife. It's meant to reduce the high cost of hosiery.

With patented built-in garter block at the top of the seam that allows gartering-in directly on the seam, this stocking will now shift even with bending and stretching. Better still, it has run-resistant properties that reduce runs and snags to a minimum.

Bicycling is a hazard to hosiery as a rule. But this girl wears laboratory-tested stockings that are run and snag-resistant. They come in proportionate lengths for various sizes.

For the Coronation Year there are these new stockings in a shade called "pageantry." Gossamer sheerness is combined with a new color tone for a fashionable spring look.

Jimmy Thompson

Jim Thompson, son of Mr. and Mrs. Loren Thompson, is the most active of any boy in the senior class. Jim was born on March 14, 1935, in Wellington and he has gone to the local educational facilities for these twelve years.

His activities look like it was the work of an entire team. However, knowing this boy you will easily understand how it looks. Boxing four years, football four years, track one year, chorus, three years, annual staff, two years, paper staff (editor) one year, debate team third year, contestant at Texas State Golden Gloves this year, and volleyball.

Many honors have come to this outstanding class member. District GG championships last three years, regional champ for three years, outstanding competitor in the Pampa tourney, outstanding boxer during his Freshman year, Lone Star Farmer degree, member of regional and district judging teams in F. F. A. work, winner of T. F. B. F. pin in F. F. A. work this past year, president of UCY and Senior Crew leader of scouts.

His favorite subjects include physics and American History. Hobbies unlimited in the pastimes of Jim. He likes hunting, fishing, and girls.

"I plan to work on the farm for my uncle, Barney Glenn, this summer. I have applied for a scholarship in Agriculture at Tech. I have had offers but I am not going to attend college on my boxing. I plan to enter the AF ROTC at Tech when I go," he stated.

Grazelle Scott

Entering Bethany Peniel College at Bethany, Oklahoma, this fall and majoring in business is the plans of Grazelle Scott, another active senior of Wellington.

Grazelle is the daughter of Mr. and Mrs. George Scott, 1402 West Avenue. She was born on August 12, 1935 at Wellington.

Her school activities have included FHA four years, Spanish Club, speech club, FTA, basketball, volleyball, and chorus.

During her senior year, Grazelle was placed on the all tournament guard basketball team at Mobeetie.

Her hobbies are collecting match and soap covers from various vacation spots. In school her favorite subjects have been commercial subjects, and basketball.

Glenna Nadyne Howell

Coming to Wellington at the start of her high school career is Nadyne Howell, daughter of Mr. and Mrs. Lee Stout. She was born on February 22, 1935, at Nocona, Texas.

Nadyne has attended school at Nocona, Throckmorton, Kermit, Byers, Bowie, Graham and Wellington.

During school she has been on the basketball team, volleyball, press club, annual, chorus, FTA, FHA, Spanish club, Library club play, dramatics, music appreciation and library club reporter.

Her favorite subjects are biology, basketball and English. Collecting 1943 pennies is her hobby.

After school she plans to attend Draughn's business college.

Bennie Bob Graves

Bennie Bob Graves is this year's band president. Bennie is the son of Mrs. J. H. Savage and he lives at 709 Childress street in Wellington. He was born on November 29, 1934, in Borger and has attended schools in Lubbock, Fort Worth and Wellington. He started in Lubbock in 1941-1944, in Fort Worth 1945-1947, and the local

school in 1947 to his graduation. Bennie's activities include four years of band, F. T. A. one year, chorus two years, industrial arts one year, and the paper staff this year.

His favorite subjects are industrial arts, biology, English, while his hobbies include reading, girls, cars, and girls.

He does not plan to go to college but hopes to join the Air Force. As of now, he is a member of the Texas National Guard.

Farmers Co-op Gin Names 1953 Officers, Manager

Clyde Emmert was re-elected president of the Farmers Co-operative Gin Society in a recent meeting of the board of directors. Named to serve with him were Robert Kames, vice-president; W. R. Adams, re-elected secretary; and Paul Bell of Quail, assistant secretary.

Raymond Ward is the outgoing vice-president and Barney Glenn the retiring assistant secretary.

The board, which was elected at the annual meeting, includes the four officers and W. C. Harwell, D. C. Lacy and J. R. Bowen. These three, with Mr. Bell, are new members.

Dick Sweat, manager of the gin plant for the past ten years, was re-elected to that place.

Legal Notices

NOTICE OF HEARING TO APPROPRIATE PUBLIC WATERS OF THE STATE OF TEXAS

No. 1806
Notice is hereby given, to whom concerned, that W. L. Green, the postoffice address of whom is Wellington, Texas, on the 12th day of May, 1953, filed his application in the office of the Board of Water Engineers for the State of Texas, in which he applies for a permit to appropriate of the unappropriated waters of the State of Texas, from the Salt Fork of the Red River in Collingsworth County, Texas, not to exceed 108 acre-feet of water per annum for the irrigation of not to exceed 54.0 acres of land out of Section 78, Block 16, H. & G. N. Survey, in Collingsworth County, Texas, which land is more fully described in said application; the water to

be diverted by means of a pumping plant. The proposed pumping plant is located at a point which bears North 73 degrees 20' East 342 feet from the Southwest corner of Section 78, Block 16, H. & G. N. Survey, on the North bank of the Salt Fork of the Red River, in Collingsworth County, Texas, and is distant in a Northwesterly direction from Wellington, Texas, about 8 miles.

A hearing on the application of the said W. L. Green will be held by the Board of Water Engineers for the State of Texas, in the office of the Board at Austin, Texas, on Monday, July 13, 1953, beginning at ten o'clock A.M., at which time and place all parties interested may appear and be heard. Such hearing will be continued from time to time, and from place to place, if necessary, until such determination has been made relative to said application at the said Board of Water Engineers may deem right, equitable and proper.

Given under and by virtue of an order of the Board of Water Engineers for the State of Texas, at the office of the said Board at Austin, Texas, this the 12th day of May, 1953.

Cummings Speaks At Graduation

Logan Cummings, former superintendent of McLean schools, will return Friday night, May 22, to deliver the commencement address to the graduating class.

Mr. Cummings' address will be "The Test of Your Education." He will tell the students that the test of their education will be their qualification to live in today's world and to fit into their community and society.

"When you graduate," he will continue, "you will be in society and in competition with the rest of the world, and the test of education will be the ability to adjust to the environment around you."

The number of degrees a person holds does not indicate whether he is educated, Mr. Cummings will point out.

Mr. and Mrs. Earl Shields and two children of Sunray were here during the week end to visit their mothers, Mrs. Lela Maxwell of Quail and Mrs. Pat Shjelds, and other relatives.

Conoco Advertising Program Features Automobile Safety

Safer automobiles for safer driving is the main objective of Continental Oil Company's summer advertising program, which begins Wednesday, May 20, in The Wellington Leader.

Conoco's advertising will contain a list of safe-driving tips compiled by the National Safety Council. Commenting on the safety-first theme of the company's summer campaign, Paul Jones, National Safety Council director of public information, recently stated:

"The need for spreading the gospel of safety is becoming more urgent year after year, considering that more people were killed in automobile accidents last year than were killed in the Korean War. We feel that Continental Oil Company is to be congratulated for undertaking a program of this sort."

Continental's advertisements, which will appear in 1,029 newspapers, will urge car owners to take their cars to Conoco service stations for safety check-ups, in which tires, lights, batteries, cooling systems, and other parts commonly causing unsafe conditions will be checked without cost to car owners.

Newspapers will again serve as the main force in Continental's advertising plans, and this program will be supplemented by point-of-purchase advertising at service stations operated by more than 30,000 dealers, it was said.

Morris Second in Area Speaking

Darryl Morris took second place honors in the Area I speaking contest at Tulsa last Saturday, May 9.

"This was the first year that he had taken part in this F. F. A. sponsored contest. He took the district honors in a meet at Memphis some time ago. In this area meet there were five speakers and the winner won second in the state meet last year," Mr. Frank Kennedy declared.

Each year a district gets to send one boy to the area meet and then the winner can continue winning until he reaches the national level.

Morris is a freshman at the Quail high school.

Morris wrote and prepared his own talk which was entitled, "Soil and the Individual."

"While we were at the contest the applications of Jimmy Langford, Virgil Patterson, and Wayne Lacy were presented for the Lone Star Farmer degrees," the chapter advisor stated.

Lewis Morris accompanied Mr. Kennedy and Darryl.

Dodson Cemetery Working May 29

The annual cemetery working at Dodson, sponsored by the Dodson Civic Club, will be held Friday, May 29, Mrs. B. B. Martin, a member of that organization, said.

Everyone having relatives or friends buried in the Dodson cemetery is asked to come and bring rakes and hoes to help in the work.

Carolina Pastor Visits in City

The Rev. and Mrs. Paul M. Sayre and son, Royce, of Honea Path, South Carolina, were recent visitors in the home of Mrs. E. M. Hix. He is a nephew of the late Mr. Hix.

The family was en route home after attending the Southern Baptist Convention, held in Houston, the largest in the church's history.

During the time they were here, Mrs. Tom Draper of Hereford, Mrs. Hix's daughter, came to visit with them.

BUSTER BARKER CONDUCTS NEW TYPE RADIO RELIGIOUS PROGRAM

Buster Barker, who lived here prior to entering service in World War II and was a staff member of The Wellington Leader, is conducting a youth program called "Faith on the Street" each Saturday afternoon at 4:30 over station KFDA, Amarillo.

"The theme is Sunday school evangelism, and we concentrate on attracting non-church members to church," he explained. "We have been meeting for three years rain or shine on Amarillo's busiest downtown street corner to conduct an outdoor religious service that has been well received, therefore we decided to go on the air."

Our program is a half-hour one and we do not stress any one denomination. We offer music and singing and a brief Bible talk."

The Graham Hoeme Plow Company is the sponsor. Mr. Barker served in the Air Force during World War II, later studied in New York, then returned to service for an enlistment in the Navy. He has been associated with radio stations in Amarillo.

Chapman Shows Siamese Egg

First of the spring's egg oddities brought to The Wellington Leader was a Siamese egg, belonging to J. W. Chapman.

The eggs were laid by one of Mr. Chapman's flock of Red Hampshire pullets, which have just started laying.

"It's the first time I ever had anything like this," he commented concerned the egg.

Mr. and Mrs. R. E. Joiques of Oklahoma City visited in the home of Mr. and Mrs. Bob Glenn and Mr. and Mrs. Barney Glenn last week.

Mrs. Claude Howe Returns Here

Mrs. Claude Howe, a resident of Claude for about four years, has returned here to make her home, following Mr. Howe's recent death.

She had been a long-time Wellington resident and before her marriage to Mr. Howe she was Mrs. Lizette Cudd. She has long been active in the Methodist Church, both here and at Claude.

SALT FORK

By MRS. R. H. ISBELL

Sunday was a beautiful day out our way. The roads were muddy in places but were in the best shape other ways they've been in a long time. We want to say a great big thank you to the ones that dragged our roads. We surely appreciate it. We've had a lot of nice slow showers of rain the past week. Cotton planters will really be humming soon as it dries up enough.

Sunday afternoon visitors in the C. A. Wright home were Mr. and Mrs. Ernest Maxwell and boys, Kenneth Moody, Richard and Nell Bolton and Mr. and Mrs. C. D. Messer and girls.

Mrs. G. C. Wright and the Isbells visited in the U. S. Bolton home Saturday in Wellington.

Mr. and Mrs. W. C. Boykin and son of Amarillo visited relatives in Wellington several days last week. W. C. had a seventy-two hour vacation.

Mrs. Wright has two rooms of her home newly papered and painted. Mrs. Bill Clifton, Mr. and Mrs. C. A. Wright and the Isbells helped her do the work.

Mr. and Mrs. Horace Hallmark and sons are selling out, getting ready to leave this part of the country. They haven't decided for sure where they will locate.

Mr. and Mrs. J. W. Gollighugh, Clyde and Jeanetta were absent from Sunday school Sunday. They attended a family get together with other members of the Gollighugh family at Lelia Lake.

The Rex Joyner are getting ready to move to California soon as school is out. Mrs. Joyner and girls have attended Sunday school at Salt Fork all time and we're surely going to miss them. The Sunday school gave them a lovely Good Shepherd picture Sunday to show our appreciation for their faithfulness.

Among the visitors at the Assembly of God church Sunday night were Mrs. G. C. Wright, Mr.

and Mrs. G. C. Isbell and son, Mr. and Mrs. R. H. Isbell, Mrs. May Morgan, Mrs. Gilbert Bell of Brownfield. They are here visiting their mother, Mrs. Feemster and Mr. Feemster. Mrs. Feemster is getting better from her long illness. She is able to be up some now. They told us that our neighbors, the Ira Caldwells, have moved to New Mexico. We have missed them but didn't know where they had moved to. Brother Joliff is working in Tulsa at the present. The new pastor, Brother Love will move to Wellington soon. Bro. Ples Crane brought a good message Sunday night.

Mr. and Mrs. J. P. Cummings visited relatives in Wellington Sunday after church attended the singing. Mr. and Mrs. Richard Peters and family also drove on to Wellington after Sunday school.

Mr. C. A. Wright, Charles and Edna Ellen attended the baccalaureate services at Quail Sunday morning.

Recent visitors in the Rev. L. D. Cleveland home in Wellington were his brother and family, the Ernest Cleland, of Brownfield.

Mrs. Lester Scott visited Mrs. G. C. Wright awhile last Thursday afternoon.

Mrs. R. H. Isbell visited Mrs. Ted Isbell in Wellington awhile Saturday afternoon.

Sherd Bolton visited his son and family awhile one day last week, the U. S. Boltons. Mr. Bolton lives at Dodson.

Mr. and Mrs. R. H. Isbell and Mrs. Wright were supper guests in the G. C. Isbell home Sunday night.

Next Sunday will be preaching day at Salt Fork. James Glasscock will be there to bring us a good message. We're hoping for a large crowd. Sunday school begins at 10 o'clock.

LOCO

By MRS. GEORGE ADKINS

Rev. L. D. Cleveland filled his regular appointment at the Bethel Methodist Church Sunday. Mrs. Cleveland and Bessie accompanied him. They were dinner guests at the home of Mrs. W. D. Durfey.

Rev. Cleveland was in the baccalaureate services at Clarendon College Sunday night, so church services were dismissed.

Quite a number from here attended the high school baccalaureate services in Wellington Sunday night. Graduating from here this year will be Georgia Ann Durfey, daughter of Mr. and Mrs. W. M. Durfey. Peggy Taylor, daughter of Mr. and Mrs. Raymond Taylor. Dale Lockhart, son of Mr. and Mrs. Cecil Lockhart, and Calvin Lacy, son of Mr. and Mrs. R. H. Lacy of Lefors.

Mrs. Ora Calcote of Texola, Oklahoma, and Mr. and Mrs. W. H. Calcote of Shamrock visited Mr. and Mrs. G. W. Adkins Saturday. Mrs. Calcote remained for a few days visit.

Mrs. L. A. Sachse has been very busy making new drapes for her home this week.

The good rains this week have certainly changed the appearance of the brown wheat fields. They are nice and green, but doubt if it helps the yields any.

Several farmers have to replant their cotton and feed, and most all of the gardens are being replanted.

Mr. and Mrs. Clair Lawrence of Arlie, are doing some re-decorating at their home this week.

Mrs. G. K. Patterson of Wellington and Mrs. Jack Brown dressed fryers for the locker Friday.

Rev. and Mrs. L. D. Cleveland and Bessie visited Mr. and Mrs. G. W. Adkins Sunday afternoon.

Mr. and Mrs. R. J. Holland of Dodson and Walter Scivally of Amarillo visited Mr. and Mrs. E. V. McClendon Sunday.

Mrs. Gene Cook and baby daughter returned to Fort Bliss this week to make their home near Mr. Cook who is stationed there with the Army. Mrs. L. M. Bartlett and Genevieve helped her to move and get settled.

Peggy Taylor returned from Dallas to finish her schooling. She is staying with Mrs. W. D. Durfey. She reported her dad, Raymond Taylor, was some better, but would undergo another operation soon. Mr. Taylor was seriously injured in an auto wreck several weeks ago.

Mr. and Mrs. Loyce Worrels of Arlie entertained a large number of friends and relatives with a chicken dinner on Mothers Day.

Don Warrick of Wellington spent last week end with Bill Durfey.

Dale and Don Lockhart, sons of Mr. and Mrs. Cecil Lockhart and Calvin Aaron were examined for the Navy May 15. The three young men volunteered for service.

LILLIE

By MRS. G. D. THOMAS

Lillie community was blessed with a good rain last week. The farmers will begin planting now. Our attendance at Sunday

school and church was small at Lillie Sunday as some attended the baccalaureate service at Quail. Norman Dysert and two sons of Amarillo, Mr. and Mrs. C. A. Kessler and Mr. and Mrs. Lester Harwell of Fresno community visited in the W. C. Harwell home Sunday.

Mr. and Mrs. Mac Horton and family and Mrs. Raymond Barnett visited in the Delbert Morris home. We are sorry to report Mr. and Mrs. Morris are still ill. We wish them a speedy recovery.

Mrs. G. D. Thomas visited in the Howard Sullivan home Sunday evening.

Mr. and Mrs. Ray Byrd of Martinez, California, spent the week end with her parents, Mr. and Mrs. I. H. Manuel. They are returning to their former home in Wichita Falls.

Those visiting in the Luke Tollett home Sunday were Mr. and Mrs. Dude Bruce of Cactus, Mr. and Mrs. Homer McGrady, Mr. and Mrs. Thomas McGary and Mr. and Mrs. C. R. Barnett.

Mr. and Mrs. Elmer Haralson and boys visited Mrs. Haralson's mother, Mrs. G. Cowan at Wheeler Sunday.

Mr. and Mrs. Barney Jones of Wellington visited in the C. R. Barnett home Sunday evening.

Mr. and Mrs. Leon Tollett of Silverton spent the week end in the H. L. Tollett home.

Rev. C. L. Watson of Quail preached at Lillie Sunday night. He is just beginning his ministry. Every one enjoyed his message. Mrs. Watson and Mrs. Ivy Kelley also attended the service from Quail.

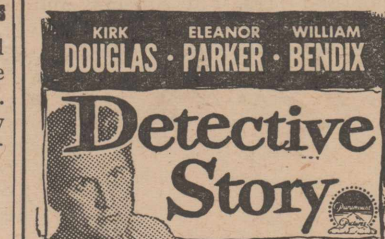

We are sorry to report our pastor, Rev. Roland Jenkins, resigns as our pastor Sunday morning. He feels his work is finished at Lillie. The Lord is leading him to another field. We miss him and Mrs. Jenkins at Lillie. We wish them great success wherever the Lord leads him to work.

Mrs. Hubert Bowen and son, Lyndal, and Mrs. Bob Wilder were visitors in Amarillo during the week end.

Want to make a quick getaway?

THE nearest we can come to word-picturing for you how it feels to drive a 1953 Buick with Twin-Turbine Dynaflo* is this:

When you toe the gas treadle, you can get away like silken lightning in a silent hurry.

More specifically, you can sweep your speedometer needle from zero to a legal 30 mph in the time you normally take two breaths.

Equally important, you get this dazzling getaway with whisper quiet—and with one smooth, progressive build-up of velvety power.

The literal truth is—no other car in all the world can get away with the combined quickness, quiet and

utter smoothness of a 1953 Buick with TT Dynaflo.

It takes more than the advanced new engineering of this fully automatic transmission to produce such thrilling performance, of course.

It takes power, too.

And that's here in full measure—the highest horsepower and compression ratios, Series for Series, in Buick's fifty great years—with the world's most advanced V8 engine powering the SUPER and ROADMASTER.

There's a lot more you get in any 1953 Buick in generous and hard-to-match measure—room, comfort, ride

steadiness, visibility—and, above all, value.

But these are things you must discover for yourself—as you must the greatest Buick performance in history.

Why not drop in on us real soon? We'll be happy to put you at the wheel of a new Buick and let our points prove themselves.

Samnorwood Senior Series

Geraldine Moody

Class favorite of the seniors, as well as FFA sweetheart, this year was Geraldine Moody, daughter of Mr. and Mrs. J. F. Moody, who live in the Needwood community.

She was born October 3, 1935, at Marlow, Oklahoma. She attended school at Cox City, Oklahoma, then after moving to this county, at Quail and Wellington before coming to Samnorwood eight years ago.

Geraldine played basketball a year, but her major interests have been in her activities. She was a member of the Future Homemakers for four years, and this year was parliamentary. She also was make-up editor of the annual.

Geraldine also plans to enter college this fall.

Edward Dail Clark

Edward Dail Clark brought the top state honor to the Samnorwood Future Farmer Chapter when he was awarded the Lone Star Farmer degree — one of a small number of boys each year from over the state to be honored.

Dail is the son of Mr. and Mrs. Jack Clark, who live on Dozier Route, Shamrock.

He was born at Magic City November 5, 1934, and began his school work there. For the past ten and one-half years, however, he has attended school at Samnor-

wood.

Dail was a member of the FFA chapter three years and served as historian his first and second years. He received the Green Hand degree, Chapter Farmer degree, preceding, and required before he could become a Lone Star Farmer.

He was also a member of the Science Club and played basketball one year.

Lela Joyce Webb

Lela Joyce Webb — Joyce to us — was born September 26, 1934, at Thackerville, Oklahoma, the daughter of Mr. and Mrs. B. V. Webb of Shamrock, Route 3.

Joyce began her school work at Thackerville, attending there until four and a half years ago when she came here with her family.

During her high school years, Joyce as played basketball two years and the Future Homemakers of America three years. During this year she served as reporter. She was also a member of the science club.

Interested in sewing, she participated in the Youth Project Show this year, winning second place on a skirt she had made.

Joe Thompson

One of the outstanding basketball players the Eagles have produced is Joe Thompson, son of Mr.

and Mrs. Nathan Thompson of Samnorwood.

Joe was born February 5, 1935, at Wellington, and has lived in this community all his life. This makes him another of the group that has had all their schooling at Samnorwood.

Joe played basketball three years. His other interests have been the Future Farmers of America, of which he was also a member three years, and the Science Club.

Joe doesn't say what his plans for next year are.

Wanda Levene Deviney

Nursing is the chosen profession of Wanda Deviney, and she's already making plans to enter nurses training in September.

Wanda was born May 29, 1935, at Clarksville. She makes her home with her uncle and aunt, Mr. and Mrs. Roy Billingsley, who live in the north part of the county.

She attended grade school at Negley and Dimple, both five years ago came to Samnorwood. She has been a member of the Future Homemakers for the past four years and also a member of the science club.

Wanda topped off her school activities with her work as assistant make-up editor of the school annual.

Shirley Ruth Gleaves

To travel some, then go to Draughan's Business College in San Antonio are the future plans of Shirley Ruth Gleaves, daughter of Mr. and Mrs. Ted P. Gleaves.

Shirley Ruth was born at Shamrock April 12, 1935. She attended grade school at Lone Mound a year, and the remaining eleven years have been here at Samnorwood.

Her extra curricular activities have been varied. She played basketball a year and a half, then was yell leader a year. She has been a member of the annual staff.

Active in 4-H Club work, she has been a member eight years and of the Future Homemakers three years. She has won a number of ribbons for her work in both. She was also a member of the science club a year.

Lazona Joy Scott

Lazona Joy Scott is one member of the only sister team graduating this year. She is the daughter of Mr. and Mrs. Sam Scott,

and was born May 1, 1933, in the Buck Creek community.

All of her school work has been at Samnorwood, and she has been a valued member of her class throughout high school.

LaZona Joy has been a member of the Future Homemakers Chapter for four years and also a member of the science club.

After graduating from high school, she plans to get a job.

Wayne L. Johnson

If Wayne Johnson seems preoccupied these days, it's probably because he has much of the responsibility of working up the commencement and baccalaureate programs, for he is president of this year's graduating class.

Dependable by nature, Wayne for several years has been the boy who is elected to the posts where the responsibility falls.

He is the son of Mr. and Mrs. Fred Johnson of Samnorwood. He was, however, born at Quail in 1935, and attended school there from 1941 to 1943, when he moved with his family to Norwood. He's been a student here ever since.

Besides serving as president of the senior class, he was president of last year's junior class.

In the way of other high school activities, he has been a member of the Future Farmer chapter for four years and played basketball. He is a member of the Samnorwood Riding Club.

Wayne lists his favorite subjects in school as law, while lea-thercraft is his hobby.

He is undecided yet if he will attend college, but he is definite in that he plans in the immediate future to go to work in the carpenters trade at Fort Worth.

Quail Senior Series

Gaylon Tow

On the thirteenth day of November, 1934, a little shaver was born to Mr. and Mrs. W. T. Tow, a boy whom they named Gaylon Ray. He started to school at Quail, when he was nearly seven, and has gone here all his life.

During his seventh, eighth and ninth grades, he played on the junior high basketball team, and for the remaining three years on the senior team.

Gaylon doesn't have his future plans made yet.

He has been outstanding in other activities, too, for he was the senior class favorite. He was also on the Quail Echo staff, the annual staff, a member of the Safety Council, participated in FFA three years, and during those

same three years was district FFA reporter. Along the line of other sports, he played baseball three years.

Loreta Kindrick

On April 5, 1934, at Ada, Oklahoma, Loreta was born to Mr. and Mrs. C. R. Kindrick.

She spent seven of her school years in Oklahoma, then she moved to Texas where she spent the rest of her school years at Quail.

Her favorite foods are green beans, creamed corn, and parfait pie.

Her favorite teachers are Miss Fancher, Mrs. Mitchell, and Mr. Howard.

During her high school years she has been a member of the F. H. A. three years. She was candidate for Miss Quail. She was assistant editor on the Echo.

Her favorite sports, although she doesn't play either one, are softball and basketball.

Saudi-Arabia Family Visits Here

Mr. and Mrs. Dick Taylor and sons, Jimmy Dick, and Larry, of Bahrin, Saudi Arabia, were here Monday for a short visit with his uncle and aunt, Mr. and Mrs. Darwin Nix. Mr. Taylor works in an executive capacity for the Anglo-Arabian Oil Company.

The family is now on their first visit to the United States in three years.

Their trip home was made by plane, a portion of it on the new jet Comets. They came by the Oriental route, stopping in India, Si-am, and other points. Between Singapore, Malay States, and Honolulu, Jimmy Dick was stricken with appendicitis and the family had an unscheduled two weeks in the latter city while he underwent an appendectomy.

They will return to Bahrin by way of London, England, Switzerland, and Beirut, Lebanon, where they will spend a week with friends.

They brought with them here motion pictures made in Arabia and en route home.

Taylor is the son of Mrs. Mae Taylor, who now lives at Norman, Oklahoma, and spent his childhood in Wellington. The family home was Amarillo before he went to Arabia.

"Biggest Surprise I Ever Had"

PATRONS ON RURAL RT. 2 HONOR SAVAGE WITH BIRTHDAY PARTY

Claude Savage, genial mail carrier on Rural Route 2, was the honor guest at a big birthday party, Monday night, May 18, which patrons of four communities on that route, plus additional friends, made a well-kept secret until he arrived.

The party was given at the Rolla Gin, and celebrated his 49th birthday.

Mr. Savage, his daughter, and some friends were presumably en route to Lakeview to visit relatives, when it was suggested they stop at the Rolla store.

"I've been carrying the mail 28 years and that's the biggest surprise I ever had," he declared Tuesday morning.

"I sure did appreciate it, and I didn't know I deserved that much attention out there," he added.

The friends had brought gifts and a big birthday cake, topped by candles — 10 more than his actual years, he learned on counting.

Mr. Savage has been in the postal service 28 years. He has worked in the Wellington post office, and carried the mail on Route 1, Dodson, Route 3, Wellington, and for the past four years, Route 2.

Approximately 75 patrons from the Rolla, Swearingen, Wilnolter and Buck Creek communities, and other friends from over the counties, attended.

Mrs. W. W. Johnson and Mr. and Mrs. L. S. Riley of Pampa are visiting Mr. and Mrs. Hollis Johnson of Dallas this week.

Mrs. Betty Godbey of Altus is visiting her daughter, Mr. and Mrs. Joe Thompson this week.

Mr. and Mrs. T. B. Wilkins, Tom and Pat, visited Bud and Alice Faye Wilkins in Amarillo Sunday.

Mr. and Mrs. C. G. Maples of Dimmitt were guests of Mr. and Mrs. John Puryear early this week. They were en route home after visiting her mother in Oklahoma. Mr. and Mrs. Maples lived here for a number of years prior to 1918.

BUDDY POPPIES SYMBOL OF A NATION'S DEVOTION

Emblem of the dead and dying on the fields of Flanders in 1918, the V.F.W. Buddy Poppy has been glorified by the American people as their "Flower of Remembrance."

Down through the years, ever since 1922 to be exact, the V.F.W. Buddy Poppy has given to all patriotic citizens—rich and poor alike—their chance to honor the dead by helping the living.

The annual sale of Buddy Poppies serves two great purposes. It fosters the beautiful custom of wearing these little flowers, once each year, in mute salute to the memory of America's honored dead; it provides the funds that are required to serve the daily personal needs of the nation's disabled and needy veterans, and their dependents.

There are millions of unfortunate veterans—as well as widows and orphans and dependent parents—who are unable to qualify for government aid.

Why? Mainly because the government itself—in time of war—has never been able to maintain accurate records on the physical welfare of each individual in uniform.

Through no fault of their own, these veterans—many of them the victims of the lingering effects of exposure, shock and malnutrition—are unable to qualify for help from their government because their service records fail to confirm the origin of their ailments.

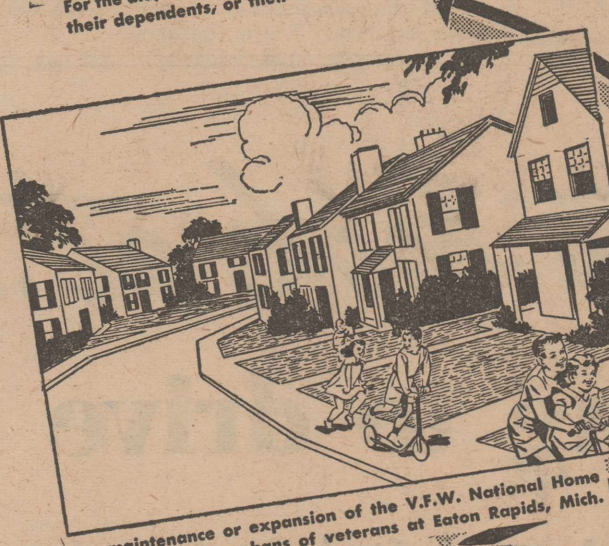

Your support of the annual sale of Buddy Poppies makes it possible for the Veterans of Foreign Wars to maintain its great, nationwide program of free rehabilitation service to the millions of needy veterans.

Every dime or dollar which you may give in exchange for a Buddy Poppy goes into a special sacred fund—one that will be spent for nothing but the relief and rehabilitation of America's disabled veterans, and their needy loved ones.

Remember the dead who are buried near the battlefields where they died, or in our cemeteries here at home. Let's do them honor by helping the living!

For the old, relief and comfort of disabled and needy veterans, their dependents, or their widows and orphans.

For maintenance or expansion of the V.F.W. National Home for widows and orphans of veterans at Eaton Rapids, Mich.

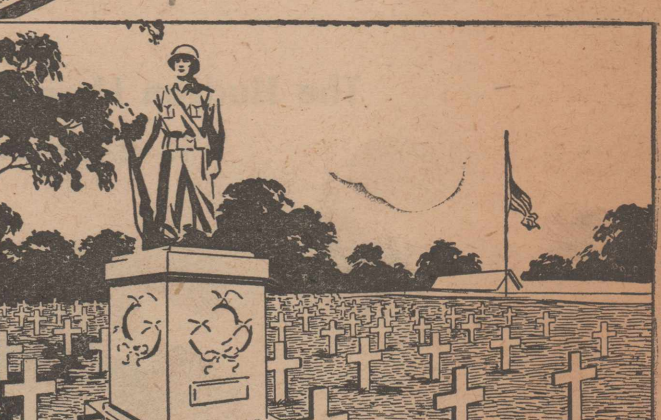

For necessary expenses for military funerals of deceased veterans.

For hospital entertainment, for needy veterans and service patients.

For rehabilitation, welfare and service work, including liaison service with the Veterans Administration.

For acquisition, improvement and maintenance of burial plots and the decoration of graves of veterans and servicemen.
