Tahoka, Lynn County, Texas, Friday, January 17, 1958

Number 15

STANDING ON THE CORNER

With P. J.

It may make a difference to all eternity whether we do right or wrong today. —James F. Clarke.

You know, there are a lot of people who don't believe all they hear about Texas—can't imagine why.

However, anyone from out of state may have been convinced if they traveled through West Texas Sunday. Within a radius of 50 miles the weatherman provided rain, a snow storm, a sand storm and a beautiful sunny day—all in a few hours time! In fact, while a heavy snow was falling in Tahoka, sand was blowing 10 miles southwest of Brownfield.

Yep! This is quite a country we live in.

Several good thoughts and jokes you will be reading in the near future will be some sent by an auntie of mine down at Merkel, my mom-in-law in Missouri, and Eva Hill in Tahoka. Believe me, their contributions shore do help when this peck-writer's brain slows down (which happens all too frequently).

The story goes that John Wesley, in a vision, met Satan face to face and asked if his congregation consisted of any Wesleyans, any Roman Catholics, any Baptists, any Presbyterians, and Church of England people, or any other professed faiths. Satan replied that he had a great many of each in his fold.

Disappointed and dismayed, Wesley turned his step upward and came to the gates of Heaven. Here he repeated the same question. The answer was "No."

"Then whom do you have here?" he asked in desperation. "We know nothing here of any of those names you have mentioned," said the angel at the gate. "They are all Christians here—born again people. Of these we have a great multitude which no man can number, gathered out of all nations and kindreds and peoples and tongues."

We hope that little Dennis Chapman, son of Mr. and Mrs. Claude "Tootles" Chapman of (Cont'd. on Page 4)

J. F. Rogers Sr. Services Monday

James Franklin Rogers, Sr., 91 year old retired farmer, died Sunday at 11:00 a. m. in the Seale Clinic and Hospital in Lamesa. He had been in ill health several months.

Rogers was a well-known resident of the Newmoore community, having lived in Lynn county since 1927 when he came here from Venus, Texas.

He was born Sept. 18, 1866 in Tennessee and at the time of his death left over 300 survivors. His wife died in 1951 at a time when the couple had been married 63 years. She was the former Miss Mary Elizabeth Waddell.

Funeral services were held Monday at 10:00 a. m. in the Wells Baptist Church with Rev. D. W. Copeland, pastor, officiating. Arrangements were made by Stanley Funeral Home, who took the body overland to Venus Monday. Funeral services were held there Tuesday and burial followed in Venus cemetery under the direction of Kay-Holloway Funeral Home of Grandview.

Survivors include seven daughters, Mrs. Oma Blair, Mrs. Virgil Adams, Mrs. E. M. Crutcher, all of O'Donnell, Mrs. W. A. Rodgers of Lubbock, Mrs. Joe Williams of Seagraves, Mrs. H. C. King of Big Spring, and Mrs. W. A. Wilson of Littlefield; six sons, T. H. and J. G. of O'Donnell, Jim of Venus, Jack of New Home, J. F. Jr. of Brownfield, and Clyde of Welch; approximately 148 grandchildren, 730 great-grandchildren, and 30 great-great-grandchildren.

Six of the grandsons were pallbearers.

Snow Sunday Helps Soak County Lands

Snow fell here again Sunday which put 22 of an inch of water in the rain gauge. Coupled with the 8 to 10 inches which fell the Saturday and Sunday before, this brings the precipitation for January to a total of 1.21 inches.

Mist and rain began falling at about 10:00 a. m. Sunday, and a few minutes later the rain turned to snow, and the fall continued until about 2:00 p. m., coming down in large, wet flakes nearly as large as some of those the week before. Had the snow not melted, it would probably total at least two inches.

This snow, however was limited in scope and seemed to have its center over Tahoka, O'Donnell, and Lamesa. Lubbock on the north and Post on the east received only slight moisture, while skies were clear over Brownfield.

Farmers had no complaint as the added moisture put the ground in even better shape for spring plowing. However, there is still an estimated total of 2,000 to 4,000 bales of cotton yet to be ginned in the county. Ginning has been at a virtual standstill since the snow of two weeks ago.

Corbell Named Amicable Officer

Russell R. Corbell, 53, son of Mrs. L. E. Corbell of Gordon and older brother of Dwight Corbell of New Home, has been named a director of the American Life Insurance Co., according to a news story in the Waco News-Tribune quoting Franklin Smith, president of the company.

Mr. Corbell came to Lynn county in 1919 with his parents, graduated from Post High School and attended Toby's Business College.

He is married to the former Miss Dorothy Buss of Waco, and the couple live at 3320 Mitchell Road in that city. They have two sons, Lt. R. R. Corbell II is a pilot at James Connolly Air Force Base, and Donald H. Corbell is a senior in Texas A & M.

He has come up through the ranks of the company, and President Smith stated Corbell is thoroughly trained and experienced in every phase of the insurance business. He became assistant secretary of the firm in 1949.

He is a Rotarian, a Royal Arch Mason, past chairman of the Associates Section of the Texas Life Convention, and has been a leader in many other activities.

Many friends of the Corbell family in the area will be glad to learn of Russell's success in the insurance field.

Gurley's Step-Dad Dies In Amarillo

C. A. Tolleson of Amarillo, 64 year old step-father of W. W. Gurley, died Tuesday morning at 1:30 a. m. in Veterans Hospital in Amarillo.

Funeral services were held at 2:00 p. m. Thursday in Blackburn-Shaw Funeral Chapel and burial followed in an Amarillo cemetery. Tolleson had been in ill health for three years. He married Mrs. Gurley, the former Miss Eunice Craig of Lynn county, on Dec. 13, 1948. Other than his wife, survivors include one step son, W. W. Gurley of Tahoka, two step-grandchildren, four sisters and three brothers.

Mr. and Mrs. Hubert Edwards of Hereford were down Wednesday looking after some business and visiting old friends. They moved from New Home last year to be an irrigated farm between Hereford and Dimmitt.

Mrs. J. A. Sanders, who was injured about Christmas in an automobile accident, is reported to be in fair condition at Tahoka Hospital.

Mathis In Race For County Judge

County Judge W. M. Mathis announces this week he is a candidate for re-election to the office he now holds.

The Judge says he will make a formal announcement of his candidacy later, and in the meantime asks the voters to give his candidacy their careful consideration. If re-elected, he promises to do his best to fulfill the duties of the office in the future as he has in the past.

Speaker Named For C-C Banquet

Dr. Sterling L. Price of Abilene, reputed to be one of the better after-dinner speakers of the southwest, will deliver the principal talk at the annual Farmer-Businessman-banquet of the Tahoka Chamber of Commerce in the school cafeteria here on Thursday night, Feb. 6.

Dr. Price is not only a forceful speaker but is a humorist. He is pastor of the University Baptist Church in Abilene.

Only 275 tickets will be sold for the meeting, as this is all the banquet room will accommodate. These will be placed on sale this week and by C. C. directors.

Local business men members of the C. C. are expected to bring their wives and families and their wives as guests.

Soil Conservation District and other farm awards are also made at this meeting each year.

Granvel Ayer is president of the Chamber of Commerce this year. New officers will be announced at the meeting.

Two Are Injured In Pickup Wreck

Rayford Smith was in fair condition Thursday morning, following an accident Tuesday night on a curve just north of O'Donnell about 7:15 p. m. when the car in which he and Roy Everett were riding overturned.

Everett was treated at Methodist Hospital and released. Smith was released Thursday morning. The car overturned after the car slipped onto the road shoulder when trying to regain the pavement.

A \$1000 check which was lost by Everett at the time of the wreck was found by L. D. Jackson near the scene.

Everett's wife, Elizabeth, was critically injured Oct. 20 in an accident south of Lamesa and is now at home in Tahoka.

Pick-up Donated To T-Bar Club

A. M. Bray Wednesday morning delivered to the T-Bar Country Club a 1951 GMC pickup for the club's use in maintaining the grounds, according to J. E. (Red) Brown, president.

The pickup was a contribution to the county organization.

Congratulations—

Mr. and Mrs. Clayton "Ike" Carter on the birth of a son Thursday, Jan. 9, 3:41 p. m. in Methodist Hospital in Lubbock. Gary Don weighing 10 pounds, three and one-half ounces and is the couple's first child. The mother is the former Lou Ann King. Grandparents are Mr. and Mrs. C. B. King of route 1, Tahoka and Mrs. and Mrs. Otto Carter, also of Tahoka. Gary Don is the King's first grandchild.

Echatology is the study of "last things"—i.e., death and the end of the world.

Epsom salt takes its name from a mineral spring at Epsom, Eng.

Poll Taxes Are Coming In Slowly

Poll tax payments had risen to an even 1,200 in Lynn county up to Thursday morning, according to J. E. (Red) Brown, county tax assessor and collector, but this figure is still far below normal.

January 31st is the deadline for citizens to secure their poll tax receipts.

For convenience of people over the county wishing to purchase poll taxes as a qualification for voting during 1958, receipts may be obtained at five places in Lynn county, namely:

Lynn county tax collector's office in the courthouse.

Wilson school tax collector's office.

Bill Balch service station in New Home.

The First National Bank in Tahoka on the remaining two Saturdays of the month, January 18 and January 25.

Hugh Lot's Pharmacy in O'Donnell on the two remaining Saturdays, January 18 and January 25.

These places for poll tax payments have been made available by Mr. Brown for the convenience of citizens and in the hopes this will help spur payments.

First National Promotes Hegi

Officers and directors of the First National Bank of Tahoka were re-elected at a meeting of the stockholders here Tuesday, and Cashier F. B. (Pete) Hegi was elevated to Vice President and Cashier.

Charles Verner, executive vice president, said all other officers and directors were re-elected.

W. B. Slaton is the president; Mrs. Ethel M. Slaton, vice president; and other directors are W. H. Eudy, L. O. Sparks, Wilbur R. Slaton, and E. E. Ellis.

Mr. Hegi joined the bank force in the fall of 1929 as a bookkeeper. He later became an assistant cashier, then cashier, and now cashier and vice president. Eudy and J. W. Inklebarger are assistant cashiers.

Mr. Slaton is reported to be showing steady and continued improvement. He comes down to the bank periodically and attended the meeting held Tuesday.

Supt. Otis Spears made a business trip to Austin last week.

Have news? Phone 35.

County Banks Have Increased Deposits

Deposits of the three Lynn county banks totaled \$12,500,000, at the close of business on December 31, 1957, statements of conditions of the banks reveal.

The record deposits when a call was made is about \$14 million. This high mark was set 10 or 15 years ago.

Tahoka's First National Bank on the call day had a total of \$6,919,797.15 on deposit, the Wilson State Bank had \$3,086,222.16, and the First National Bank of O'Donnell had \$2,514,082.69.

Deposits of the Lynn county banks are much higher proportionately than most of the banks over the South Plains this year, due largely to the fact that Lynn county crops were not hurt as badly by the early freeze as were some other counties.

Only towns in the area showing more on deposit than did the First National Bank of Tahoka were Lubbock, which had a loss of \$14 million from the same date a year ago, Plainview, Brownfield, Levelland, and Littlefield in that order.

Tahoka deposits exceeded such towns as Seminole, Post, Slaton, Muleshoe, Spur, Lockney, and Floydada.

March of Dimes Drive Opens, Plan Benefit Programs Here

Huge Sum Spent By Local Polio Board During Past Year

Although no goal is set in the March of Dimes campaign here, H. B. McCord, Jr., county chairman of the National Foundation of Infantile Paralysis, says he hopes more money can be raised than ever before.

The local chapter is actually "in the hole" about \$1200.

Last year a total of \$3900 was collected by the county's drive, half of which was kept here and half of which was sent to the National Foundation. However, well over \$5000 was paid out last year on six or seven county polio cases, including several new cases. This included the \$1800 kept in the county fund and \$3500 which was sent to Lynn county from the Foundation to cover needed expenses.

In 1956, the county ended the year a little ahead, but in 1955 the county also spent more than it collected, or over \$6000.

McCord pointed out that although half of the money is sent to the Foundation, any needed amount is sent back, and in the cases of two out of three years, Lynn county has spent several hundred dollars more than was raised in drives.

In answer to the question asked by many citizens of who actually qualifies for aid from the Foundation, McCord says that anyone is helped where polio would lower the citizen's standard in the community, not necessarily needy families.

McCord and C. W. Conway, drive chairman, urge all citizens to give as much as possible. They also remind citizens that there is plenty of Salk vaccine available at this time and suggest that all who have not received three shots to either take the remainder or to begin the series immediately.

WTCC MAN HERE

Ralph E. Duncan of the Community Service Department of the West Texas Chamber of Commerce was here last week conferring with Herman Heck, local WTCC director, and signing up members in the regional body.

Have news? Phone 35.

Two Are Named To Water Board

Two county committeemen were elected in Lynn county Tuesday to the High Plains Underground Water Conservation District No. 1, which is comprised of several South Plains counties.

The two chosen to represent Lynn are Frank Lisemby Jr., and Earl Cummings, both of Wilson. They will replace Roger Blakney of route 1, Wilson and H. D. Dean of route 6, Lubbock.

Elmer Blankenship of Wilson is a director of District Precinct No. 1. This precinct includes Lynn and Lubbock counties. He has one more year to serve before his term of office expires.

Both Lisemby and Cummings will serve three-year terms.

New Oil Test East of Wilson

Another wildcat oil test has been announced for Lynn county northeast of Wilson, and early this week operators were still testing the No. 1 Coleman discovery three miles east of Wilson.

McCullough Oil Exploration Co. of California, operating from Midland, has located a test, the No. 1 Nienhoff, four miles northeast of Wilson, 330 feet from the north and west lines of Section 1, GW-475 survey. Contract depth is 5,000 feet.

The Herman Brown No. 1 Coleman is reported to have swabbed six barrels of fluid per hour on testing, about 30 percent oil. Perforations are opposite Gloriaeta from 4,616-622 and 4,593-596 feet. Rumor this week was that the operator may move the rig and drill another hole.

\$1,500 Cash Taken From Lady's Home

No trace has been found of the \$1,500 in cash stolen Sunday by a burglar from the home of Mrs. George Vaughn, aged O'Donnell widow, according to Sheriff Norvell Redwine.

The money, mostly in large bills, was taken from the home while Mrs. Vaughn and a daughter were attending church, stated Deputy Sheriff "Son" Guinn, who investigated the theft. If the officers had any clues as to the identity of the burglar, they were not revealing them.

Pastor Will Speak To Baptist Men

On Monday night January 20th, the Brotherhood of the First Baptist Church will meet in the Fellowship Hall at 7:00 p. m. for their monthly meeting. All Baptist men are urged to be present and visitors as well are welcome. After the supper the speaker will be the pastor of the church, Rev. W. A. Brooks. This will be a good opportunity to show your support of the new pastor.

Have news? Phone 35.

NELSON BARELY MISSES TORNADO AT DENISON

L. K. (Heavy) Nelson has just returned from Denison to accompany his sister, Mrs. George Kerr, to her home.

He says while visiting there he and a cousin came very close to being in the tornado near Ector, also in Fannin county. They were in the rain-and-hail storm and heard later they were near the path of the tornado.

Rev. and Mrs. J. B. Thompson are visiting Thursday through Saturday in Pampa with their son who is educational director and music director of the First Methodist Church there.

Bernie Howell Will Play At Talent Show January 27

The March of Dimes campaign in Lynn county officially got underway here this week, according to Tahoka county drive chairman, C. W. Conway.

Teenagers in Tahoka have supervised the passing out of school cards in all schools, including the new addition of senior cards for upper classmen. The teenagers will also prepare mail-out cards to be sent to all boxholders in the county.

Two marches will be held in Tahoka this year, the first on Wednesday afternoon, Jan. 23, when the teenagers will march on the businessmen of the town carrying March of Dimes boxes. The contributions, however, will strictly be on a voluntary basis with no certain amounts designated for the business institutions.

At 6:30 p. m. Jan. 24, the Pythian Sisters and other organizations and women helping them will conduct the annual Mother's March, when residents are asked to leave their porch lights burning. Since basketball teams will be playing both at home and at Wilson, special provisions are being made for fans. Those who plan to attend the Wilson games are asked to bring their donations by the WOW Hall before leaving town. Mothers will be at the local gymnasium to collect contributions from fans there.

A feature attraction this year will be Bernie Howell, of Lubbock, television renown, who will play at the high school auditorium at 8:00 p. m. on Jan. 27. Also performing will be various local talent. However, no contest will be conducted, Conway said. Admission will be \$1.00 with proceeds going to the March of Dimes.

On Jan. 31 the annual March of Dimes variety show in O'Donnell will be held at the high school auditorium there. An advance ticket sale will begin shortly. O'Donnell usually collects anywhere from \$500 to \$1000 at its variety show.

John Ellis is drive chairman in O'Donnell and A. L. Holder will conduct the drive at Wilson this year.

J. E. Morgan Is Buried Wednesday

J. E. Morgan, 80, pioneer eastern Lynn county farmer, died Monday at 10:00 a. m. in a rest home at Lubbock following an illness of about six weeks.

Funeral services were held in the First Baptist Church in Tahoka Wednesday at 2:30 p. m. with Rev. Monte Roberson of Lamesa officiating. Burial followed in the Tahoka Cemetery under the direction of Stanley Funeral Home.

A brother, Kemp Morgan of Haskell, had died in his sleep at his home in Haskell at about 3:00 a. m. the same morning, and funeral rites for the latter were held in that city Tuesday.

Jackson Edward Morgan was born in Robertson county on April 11, 1877. He was reared in Bosque county and then moved to Haskell county, where he was married at Rule on April 5, 1908, to Miss Addie Hendrix.

The couple moved to the old Magnolia community, later a part of Garfield, in eastern Lynn county in the fall of 1916 when Mr. Morgan bought a quarter section of land from the C. W. Post development project. He and Mrs. Morgan lived the rest of their lives on this farm and raised their family there.

Mrs. Morgan died January 5, 1957, just a year and eight days prior to her husband.

Mr. Morgan suffered a stroke in 1937, but virtually recovered. On December 4, he suffered another (Cont'd. on Page 4)

Tahoka Defeats Spur 62 to 45

With the Tahoka Bulldogs win over Spur 62 to 45 Tuesday night, and Post's victory over Floydada, the local quintet remained the only undefeated basketball team in district 2-AA.

However, Coach Jake Jacobs and his boys feel the present record is nothing to crow about since Tahoka has not yet met Abernathy and Floydada, two strong contenders in the district. At the same time, Tahoka stands a good chance of being in the district running.

At the time the News was going to press, the Bulldogs were meeting the Slaton Tigers here in another conference battle, with the possibility of being knocked out of the undefeated conference record.

At Spur while the boys were winning, the girls were defeated 35 to 11 with the local team being unable to hit in possibly their coldest game of the year.

The Tahoka teams have an open

date tonight with play resuming Tuesday night when Floydada is the host team. Beginning Thursday and continuing through Saturday of next week the Tahoka girls and "B" boys will play in the Wilson tournament.

In the battle of Bulldogs in Spur, Tahoka took the lead in the first quarter which ended 13 to 8. The margin widened in the second with the score standing at 33 to 22 at half time. Jerry Brown hit the basket for 23 points while Marlin Hawthorne continued to hit in the double figures with 16. Spur's Parsons scored 19 and Gilcrease 12.

The girls game was tied up 4 to 4 at the end of the first quarter, but Tahoka was unable to score in the second and Spur led 14 to 4 at the half. The opponents widened the margin to 26 to 8 at the end of the third. Simpson scored 18 points for the winners while Jan Thomas made 6 for Tahoka.

Tahoka Boys Win At Post

Tahoka Bulldogs took their second conference victory last Friday night over Post, winning 54 to 45, while the girls lost by a close 33 to 35, giving them a 1-1 conference record at that time.

The boys had a hot first quarter, hitting the basket for 22 points, while the Antelopes scored 11. The Bulldogs kept the lead during the game, scoring 16, 14, and 12 points in the remaining three quarters while Post scored 12, 14, and 8. Halftime score was 38 to 23.

Brown, Hawthorne, Gurley and Prohl paced Tahoka with 20, 15, 13 and 9 points, respectively. Shor scored 14 for Post, the only player hitting in the double figures.

Post led Tahoka in the girls' game 22 to 17 at the half and 33 to 26 at the end of the third. Tahoka was almost able to catch up in the final period scoring 9 points to Post's 5.

Patsy Norman held high point honors with 15, while Jan Thomas scored 14. Whittenberg made 9 for Post, but the winning factor was that five players hit six or more points.

B Team Loses To Slaton Tigers

Tahoka lost two "B" games to Slaton here Monday night the boys score ending 34 to 22 and the girls losing 30 to 26.

Slaton teams led both games from the beginning. George Adams made 7 points for Tahoka, while Slaton's Wilson poured in 12. Others scoring for Tahoka were Spruiell, 4; Stice, 3; Huffaker, 3; Short 2; and Ford, 3. Players other than those mentioned seeing action were Copeland, Forsythe, Bragg, and Smith.

The girls scoring attack was led by Sandra McNeely with 10 points and Dixie Forsythe with 8, while Wilke made 11 for Slaton. A total of 12 local girls saw action in the game.

New Home Meets Whiteface Tonight

New Home boys and girls basketball teams go to Whiteface tonight, and next Tuesday night will entertain Smyer at New Home, Coach Hubert Williams reports.

Tuesday night at New Home the boys lost to Cooper 46 to 27. Larry Edwards had high scoring honors for New Home with 8 points.

New Home girls took a 51 to 42 victory over Cooper with Inda Faye Harmonson burning the nets with a total of 34 points.

DO YOUR CAR WHEELS NEED BALANCING?

4 out of 5 do!

Yes, even most
NEW cars need wheel
balancing jobs

A good wheel balancing job with a modern Hunter Balancer pays for itself fast. That's true because unbalanced wheels pound your tires to an early death—and increase wear and tear on the front end of your car.

You get more pleasure out of driving—greater comfort, smoother riding, easier steering when you get a wheel balance job done with the modern Hunter Balancer. Yours will be a safer car on the highway, too.

Get your wheels checked FREE—in just 2 minutes. Stop in today.

WASHINGTON AND "SMALL BUSINESS"

By C. WILSON HARDER

The once-sedate U. S. State Dept. is now panhandling with a tin cup American business firms to help underwrite the American participation next year in the Brussels World Fair in Belgium.

At the last session of Congress the State Dept., which now has a world fair department set up, wheedled the State Dept. out of \$12,345,000, although it had requested \$15,000,000 to participate in this Belgian event.

And, as usual, whenever public money is wanted for any purpose, no matter how sound, the argument advanced was that this was a step in winning the cold war with Russia. Somehow, it was felt, that by the U. S. showing its vast technological superiority over Russia, the free peoples would be encouraged to stand up straight, those on the fence would be influenced to favor the American way.

Of course, Sputnik and Mutt-nick kind of exploded this line of reasoning, but Howard Cullman, U. S. Commissioner to the fair, is still using this line of reasoning as he approaches American business enterprises with the tin cup for donations.

But most interesting of all is the reason why more money than what Congress appropriated is necessary.

Out of the over \$12,000,000 voted by Congress, the Belgium government took half of it for taxes and insurance. This was done despite the fact that U. S. funds to the tune of over \$5 million were expended to build a pavilion, a theatre and landscape the grounds around the Amer-

ican exhibit. Undoubtedly, the lion's share of this money found its way into pockets of Belgium workers and thence into coffers of Belgium businessmen.

Thus, once again, the State Dept. has made a patsy out of the American taxpayer.

Now, woefully short of funds to pay staff salaries, performers, guides and ushers, the State Dept. is asking private companies to pony up for the deficit.

In exchange, State Dept. promises to give firms wide publicity. Needless to say, few companies can afford such a heavy expense, and those that can will naturally take a tax deduction on contributions. So, once more, average U. S. taxpayer will be found making up difference.

Thus, there is witnessed one more muddle well muddled by your State Dept. in action. It is small wonder members of Congress are getting restless with the constant bumbling in this branch of the government. Perhaps in a recent letter to his constituents, Sen. Joseph Clark of Pennsylvania expressed a majority sentiment of Congress.

Sen. Clark said, "We should make major changes in our State Dept., including the resignation of the present Secretary of State; Foreign Service appointments should be on the basis of capability and experience instead of political contributions . . . and there should be an immediate review of our intelligence evaluation set-up."

In other words, the Senator is merely highlighting a remark often heard in Washington.

This comment is "operation of both the State Dept. and the American intelligence service is getting duller and duller."

New Businesses In Lynn County

Amarillo, Jan. 9 — "There are five more business concerns in Tahoka, Lynn county today than there were two years ago," says Wayne A. Cook, manager of the Amarillo office of Dun & Bradstreet. Basing his facts upon the figures in the current January, 1958 Reference Book, Clark points out that in 1956, 203 businesses were listed by Dun & Bradstreet; today there are 208 enterprises.

The Reference Book, incidentally listed only manufacturers, wholesalers, retailers, and some service companies, such as laundries and gasoline service stations. It does not include some of the service and "professional" businesses, such as barber and beauty shops, real estate and stock brokers. Thus the figure for businesses in Lynn county would actually be higher than the 208 quoted above.

Better than 95 percent of all commercial transactions in the United States are made on credit terms and the buyer and the seller are brought together by means of credit information.

When the owner of a business or his accountant returns his financial statement to Dun & Bradstreet, the owner has taken the first step in establishing his responsibility as a seeker of credit.

The statement becomes a part of the credit report on his business along with a financial analysis, a description of what the business does, and a record of how it pays its bills.

On the basis of the information in the report, a rating is assigned and the businessmen is listed in the Dun and Bradstreet Reference Book. This makes it possible for his suppliers and insurance under-

Lt. Col. T. Cooper Goes To Europe

Lieutenant Colonel Trusty Cooper, wife, and son "Butch" will leave January 20 for Worthien, Germany, where he will become executive officer of an Army Field Artillery Group.

They are here visiting his parents, Mr. and Mrs. E. J. Cooper, and her mother, Mrs. George Knight of Lubbock while awaiting the assignment.

Col. Cooper just recently spent a year and a half on the Staff of Faculty at the Army Command and General Staff College at Fort Leavenworth, Kansas. His duties there including the re-writing of extension courses made necessary the reorganization process and because of changing times, the missiles program, etc.

Cooper is now "on his own" in the Army ladder of promotions which leads toward the top, as he has received about all the training and experience required to ultimately reach the top echelon of officers.

Although he has 16 years of service, he is still a young man and has risen rapidly in the service from second lieutenant to lieutenant colonel.

Following his graduation from Tahoka High School, he attended Texas A&M College, where he had an outstanding record and from

writers, who uses the book, to look him up and in this way is assisted in getting his goods and insurance.

In other words, should a manufacturer or wholesaler receive an order for merchandise from a merchant in Lynn county the listing and the rating of the merchant can be checked in the Reference Book. And it makes no difference where the seller is located. The listing of the Lynn county businessman appears in every issue of the Reference Book in the United States.

A Reference Book listing contains the name of the business and the rating. The rating consists of two symbols. The first, a letter of the alphabet, indicates financial strength or capital. It is the difference between what the business owes and what it owns. The second symbol, a numeral, reflects a composite of financial stability and payment record.

which he graduated and was commissioned in the Army.

Assigned to the 1st Cavalry, during World War II he went up from Australia to Japan.

From a "cub" plane he helped direct the landings at Leyte in the Philippines and also in the same manner directed the march on Manila, and as a result in close touch with Gen. Douglas MacArthur. He was also with the force that accepted the Japanese surrender.

The Lynn County News, Tahoka, Texas

January 17, 1958

Then followed a "hitch" as Food Administrator for Korea, an instructor at Fort Sill, a year with the Military Mission as advisor to the Army of Turkey, three years as an instructor in St. Mary's University, and lastly special training and a faculty member at the Army Command and General Staff College.

Have news? Phone The News.

Mrs. W. P. Inman is now in Colorado City with her daughter, Mrs. M. M. Shearer, according to Mrs. Florence Davies, another daughter.

Excalibur was the name of the famous mystic sword of King Arthur.

Europe is the smallest of the world's continents.

Dear Folks:

There are dozens of surprises in the new John Deere Day we've planned for you, your family, and your friends. More colorful, more informative, more entertaining than ever, it's entirely different from previous John Deere Day programs.

In beautiful Technicolor you'll see an interesting new "Odyssey in Farming," your old friend Tom Gordon, an interesting success story on irrigation. In "What's New for '58" you'll see the latest in farm machinery. The feature picture is something new—a rib-tickling western musical comedy. And tying the program together are colorfully costumed choruses and trios singing bouncy music written especially for this show. It's a program you and your family will long remember.

Here's something else—no tickets are required. You simply have to show up on the date, at the time, and at the place shown below. You'll be our guests.

We're counting on you!

JOHN DEERE DAY

DATE: Friday, Jan. 24 TIME: 10 a. m. to 6 p. m.

Standing . . .

(Cont'd. from Page 1)
Plainview, hasn't lost his faith in Santa Claus.
The old gentleman was supposed to have delivered Dennis a real Eve doll (sex not ordered) for a Christmas present. Unless things change before this issue hits the streets—the poor little fellow is still looking up the chimney—while Papa chews his knuckles (fingernails were gone a long time ago).

Which reminds us, incidentally

Deane Wright's are growing out again. They tell me the Wright's Thanksgiving son who arrived shortly before Christmas looks just like his pa.

Unlike the American teenager, whom we wouldn't trade for a million, the young man or lady in England is very precise as denoted in this story.

Cyril: I really think that the British custom of answering the telephone is superior to the American "Hello."

Tom: And what do they say in England?

J. E. Morgan . . .

(Cont'd. from Page 1)

stroke and had been in a critical condition since. He was a patient in St. Mary's Hospital, Lubbock, until about ten days before his death, when he was moved to Popular Grove Convalescent Home, also in Lubbock. He became much worse during Sunday night, and the children were called.

Mr. Morgan was one of the county's finest citizens. His opinion and advice were frequently sought by many friends and acquaintances. He was a leader in his community and the county, served on his community school board, and was a member of the first county agricultural committee when the Roosevelt administration set up the initial farm program.

He is survived by three sons, Curtis, who lived with and cared for Mr. and Mrs. Morgan after the other children left home, J. P. of Loco Hills, New Mexico, Carmon of San Angelo, and Rufus of Leveland; one daughter, Mrs. W. W. Miller of Lubbock; one brother, Carl Morgan of Munday; and two sisters, Mrs. Minnie Waldrup of Knox City and Mrs. Carrie Weaver of Rule; several grandchildren. E. J. (Peet) Hendrix of Wilson is a brother-in-law.

Cyril: We say, "Are you there?" Then, of course, if you're not there, there's no use going on with the conversation.

But then, it probably doesn't take them nearly so long to un wind from the telephone cord.

Winston Wharton thinks one of Tahoka's crying needs is a shine boy who will "stay put." He points out that the late Early Lee Lawson made quite a financial success shining shoes in Tahoka, and some young "colored" boy might follow his example.

Be sure to check the society page for some more good news this week—the kind concerning wedded bliss.

According to The Christian Herald there is at this time a great threat to freedom of the press. You recall that the Reader's Digest has published several articles on cigarettes, filters and non-filters. It seems that one of the nation's biggest advertising agencies handled the circulation accounts for Reader's Digest, and also the advertising campaign for American Tobacco Company, who got their toes stomped, and it also seems that the latter's account was much the bigger.

To save inconvenience, trouble, or just plain money (the later, no doubt) with apparently no regard to freedom of the press, Batton, Barton Durstine and Osborne Advertising Agency, after certain pressure was applied from ATC dropped their association with the Reader's Digest.

The point was also made that the company handles the publishing of the Revised Standard Version of the Holy Bible and the advertising campaign for Schenley's Inc. The question was—which would be closed out because of pressure?

It's something very significant to think about, especially if a trend is established when sometimes helpful information is withheld from the public to protect industries, such as the tobacco companies.

CARD OF THANKS

We wish to take this means to express our deepest appreciation to our friends and neighbors and others concerned for every kindness shown us during our sorrow, for the food, cards, and beautiful flowers. God be with you all. The J. F. Rogers Sr. family.

WEDDING PARTY AT

REHEARSAL SUPPER

Miss Norma Terry and Dewey Corley, who will be married this Saturday, were honored with a rehearsal supper Wednesday evening by Mr. and Mrs. W. P. Corley and Mrs. Morrell Jones.

The home of Mrs. W. B. Tilley at New Lynn was the scene of the event when the bride-elect's chosen colors of blue and white were carried out. Twenty-four guests attended.

DIXIE HD CLUB

The Dixie Home Demonstration Club met Wednesday in the home of Mrs. A. E. Aycox with the vice president, Mrs. Troy Capelin, presiding.

Mrs. Laura Bowman, home demonstration agent, gave a demonstration on foreign cookery. She demonstrated pizza and gave the basic dough recipe.

The next meeting will be Feb. 4 in the home of Mrs. B. C. Aycox when the agent will meet with the club for a covered dish meal.

CARD OF THANKS

We deeply appreciate all of our friends kind deeds and words of comfort during our sorrow, for the cards, flowers, food, and many other tokens of your love and thoughtfulness. God bless each of you.—The family of J. E. Morgan.

Society & Club News

Miss Fredda Fite, Chas. Townes Wed

Miss Fredda Fite of Lubbock and Charles B. Townes of Tahoka were married at noon Tuesday in vows read at the Methodist parsonage in Clovis, N. M.

Rev. Earl Nowlin read the wedding ceremony.

The bride is the daughter of Mrs. Mayme Fite of Lubbock and the bridegroom is the son of Mrs. C. B. Townes of Lubbock, and the late Dr. Townes, a well-known pioneer doctor in Tahoka and Lynn county.

The bride wore an imported dress of brown and white silk tweed fashioned with a Peter Pan collar. Her accessories included a beige satin hat, accented with brown alligator shoes. The bridal corsage was a brown orchid.

Following the ceremony the couple left for a trip to Phoenix, Ariz. and Las Vegas, Nev. They will make their home at 2009 North First Street, Tahoka.

The bride has been employed as secretary at the Lubbock National Bank. She is a charter member of Xi Gamma Sigma Chapter of Beta Sigma Phi sorority, and is a graduate of Texas Tech.

Townes is a graduate of Tahoka High School and Texas Tech and is presently assistant postmaster in Tahoka.

Miss Bobbie Craighead spent the week end visiting in the home of Mr. and Mrs. F. A. Wyatt and children.

Miss Idalia Wood Named Homemaker

Miss Idalia Wood, senior student in Tahoka High School and the daughter of Mr. and Mrs. N. E. Wood, has been named the Betty Crocker Homemaker of Tomorrow in the local school.

The announcement of the honor was to be made Friday morning by Principal John Shepherd in assembly.

Miss Wood, who received her State degree in homemaking last year, plans to enter Baylor University next year and major in homemaking. She is a third year student in the department in the Tahoka school.

She received the highest score in a written examination on homemaking knowledge and attitudes, administered Dec. 3, to senior girls in the graduating class. Her examination paper will be entered in competition to name this state's candidate for the title of All-American Homemaker of Tomorrow and will also be considered for the runnerup award in the state. For her achievement, Miss Wood will receive an award pin and other recognition.

Scholarships will be awarded the state winner and runner-up, and the national winner's scholarship will be increased, as will those who rank second, third and fourth in the nation.

In the U. S. Navy the executive officer is the one next in line to the captain.

Honor Couple On 25th Anniversary

Mr. and Mrs. F. E. "Dolly" Roberts will be honored with a reception Sunday Jan. 19, on their 25th wedding anniversary.

Friends will be invited to attend the event from 2:00 to 4:00 p. m. in the home of Mr. and Mrs. Elbert Roberts at 1612 Sanders "M" Street in Tahoka.

Mr. and Mrs. Roberts, who have farmed in the Grassland community nearly all of their married life, were married on Jan. 23, 1933 in New Mexico.

The couple have two children, Elbert Roberts, and Mrs. Billy Craig, both of Tahoka, and three grandchildren.

Shower Is Given For Bride-Elect

Miss Mary Alice Stone's home was the scene Sunday of a bridal shower given in honor of Miss Norma Ruth Terry.

The bride elect's chosen colors of blue and white were carried out in the table decorations. The table was covered with a blue linen cloth, and the center piece was composed of blue Dutch Irish, white carnations, and greenery. Hostesses were Misses Mary Stone, Nita Hewlett, Marcia Standerfer, Jerene Wuensch, Vernell Dube, Martha Pair, Joyce Church, and Sherry Tilley.

Wells Sewing Club Has 12 Present

The Wells Sewing Club met Tuesday afternoon in the home of Mrs. Hubert Webb with 12 members present.

Mrs. Leverett gave a demonstration on smoked pillow case tops and cake and coffee were served those attending.

The next meeting will be held Tuesday, Feb. 11, in the home of Mrs. Clyde Childress.

Junior 4-H Girls Elect Officers

The 4-H Club of Junior I girls in Tahoka met Thursday of last week with Mrs. Laura Bowman, home demonstration agent, when vegetables and recipes for preparing them were discussed.

Officers of the local organization include Judy Connolly, president; Diane Brandon, vice president; Rhonda Littlepage, secretary; Joyce Huey, reporter; and Mary Lou Fischer, song leader.

Today's MEDITATION

The World's Most Widely Used Devotional Guide

THE UPPER ROOM, NASHVILLE, TENNESSEE

I have appeared unto thee for this purpose, to make thee a minister and a witness both of these things which thou hast seen, and of those things in the which I will appear unto thee. (Acts 26:16)

One morning at 1:15 we were awakened by a knocking at the door. A neighbor was ill and needed help urgently. We went to his house and found him so seriously ill that we took him to the hospital.

After he had recovered from his illness, I asked him what he would have done if we had not heard the call for help. He said the call would have continued until we did hear.

This was a most favorable moment, and I said to him: "The Lord Jesus is knocking insistently at your heart right now. He wants to make you His disciple and to heal you of your sins. Why don't you listen to Him, at least once?"

After pondering my words, he gladly accepted the call of Christ.

PRAYER
Loving Father, in Thy great mercy Thou dost grant us opportunity to become Thy disciples. Make us truly Thy disciples. Let not family and comfort hold us back. We ask in the name of our Master and Lord. Amen.

THOUGHT FOR THE DAY
"Do the work of an evangelist, make full proof of thy ministry." Leticia G. Hidalgo (Bolivia)

Reduce Delinquency YOU ARE IMPORTANT

(A distinguished Texas judge offers pointers on combating our fast-increasing juvenile delinquency problem.)

By JUDGE SARAH T. HUGHES

JUDGE HUGHES

Many more individuals are needed for work with young people. You can volunteer to serve in one of the numerous organizations crying for help on every hand—the Scouts, the YW and YM, club activities for boys and girls.

Does your town have a community center where teenagers can hold meetings and play games? It takes work to establish such a center, but it doesn't need to be elaborate. Sometimes a very simple one is the best, but somebody has to sponsor it.

You Are Needed
We should also remember that after a community center is established, your help will be needed. It doesn't just run itself, of course. Ideas and volunteer help are a MUST.

There is need likewise for constructive activities for boys and girls in the churches. Get together a group of young people. They will have ideas about what they want to do, but they need your suggestions as well as your assistance.

Gathering at Home
Make your home a center for young people. Have a barbecue party in the back yard; start a song fest around the piano in the living room—or sing without a piano. Teen-agers enjoy home more than we imagine—if there is something to do.

This job of promoting activities for young people is a tremendous one, but it is well worthwhile.

My article next week: The Law and Juveniles.

Jaycee-Ettes Hold Meeting Tuesday

A total of 11 members of the Jaycee-Ettes met in the home of Mrs. A. W. McClellan Tuesday, Jan. 14 for a regular meeting.

The hostess gift was won by Mrs. Margaret Byrd.

Mrs. Charles McClellan will be hostess at the next meeting to be held Tuesday, Jan. 28.

H. P. Caveness was admitted to Tahoka Hospital Friday where he is a medical patient.

Bill Gass was released as a medical patient Tuesday from Tahoka Hospital.

John Andersons Married 50 years

Mr. and Mrs. John Anderson of O'Donnell celebrated their Golden wedding anniversary Sunday, Jan. 12, when their children held open house at the Anderson home.

About 100 friends and relatives called to offer congratulations in spite of the bad weather.

Mr. and Mrs. Anderson were married in Crawford, Texas Jan. 12, 1908. They moved to Lynn county Sept. 5, 1915 and settled in the Three Lakes community where he was engaged in farming. They moved to O'Donnell in 1924 where they still make their home.

For several years Anderson served as commissioner of Precinct 3 and has been active in school and community affairs. Both have long been active members of the Baptist Church.

Four children were born to the marriage, Mrs. Louise Wyatt of Tahoka; Mrs. Vernie M. Gary, deceased; Mrs. Avie John Hunt, Irving; and Bart Anderson, O'Donnell. The couple have eight grandchildren.

At the reception arrangements of yellow gladioli, mums and pink carnations decorated the living room.

Covered with a white lace cloth over gold taffeta, the serving table was arranged with acacia and fern featuring little golden bells around a crystal punch bowl. White tapers, a white three tiered cake trimmed in golden roses and leaves completed the decor.

Miss Janice Hunt, a granddaughter, and Mrs. Bart Anderson serv-

Methodist Men Hear Rev. Daniel

Rev. Hugh Daniel, Methodist pastor at New Home for more than three years, was the speaker at the Tahoka Methodist Men meeting Monday night at the local church.

Interested in youth work and also in shooting, he said his thoughts naturally turned to hunting, which led to the subject of his address, "Whom Do You Seek," the words spoken by Christ to Mary at the tomb. His talk on men hunting for Christ proved an inspiration.

The speaker was introduced by Milt Draper, serving his first meeting as president of the organization.

W. G. Pennington and Rev. J. B. Thompson led the group singing. The meal which preceded the program was prepared and served by Maurice Huffaker, Elmer Owens, and Carl Griffing.

Next month's program will be arranged by "Cotton" Carter, and the meal will be arranged by A. M. Bray, Rush Dudgeon, and Douglas Finley.

Students Give Rotary Program

Tahoka Rotarians enjoyed a very interesting program Thursday noon of last week presented by several Tahoka High School students.

Karl Prohl, a senior and son of a Rotarian, made the principal talk using the subject, "How I See Rotary As a Youth." Karl proved to be an excellent public speaker with a message. He has attended four Rotary International conventions, including those at Seattle, Chicago, and Lucerne, Switzerland, and knows more about Rotary than many Rotarians.

He said the youth looks on Rotary as a group of Christian citizens, leaders in the community, and friends of teen-agers, promoters of fellowship and international good will—a group of good citizens where economic standing, religious beliefs, and political affiliations are no barrier to membership.

Rotary in Tahoka has impressed him because of its interest in Boy Scouts and the sponsorship of a local troop and raising funds for the local Boy Scout hut, for sponsoring Little League baseball, for inviting senior boys in high school to visit the club a month as "junior Rotarians," for its friendliness in general to the youth of the community and promotion of fellowship with the youth.

He also told of some of the friends he had made around the world as a result of being the son of a Rotarian.

Preceding the talk, Buddy Chestnutt sang three songs, Body and Soul, Lazy Bones, and Water Boy. A quintet of girls composed of Carol Smith, Martha Bell, Linda Jones, Sunny Gibson, and Vicky Hamilton brought down the house with their renditions of A Good Man is Hard to Find, Alexander's Ragtime Band, and Sentimental Journey. The musical numbers were accompanied at the piano by Mrs. Gwen Patterson.

Carol Smith, club sweetheart, arranged the program and introduced the numbers. The program was in charge of Harley Henderson, who worked with Carol in arranging the program.

Junior Rotarians for the month of January are Jackie Applewhite and Marlin Hawthorne, and they were introduced, respectively, by John Toler and Roy Edwards.

Thomas A. Edison produced his first incandescent lamp Oct. 21, 1879.

The elephant is the largest of living land animals.

Governor and Friend

AUSTIN — After signing a proclamation designating the month of January, 1958, as "March of Dimes Month" in Texas, Gov. Price Daniel has some words of encouragement for tiny polio victim George Craig DeVilleneuve, Jr., 22-month-old, of Austin. Stricken at the age of 10 months, Craig will eventually make a 100 per cent recovery, his doctors say. Cost of his treatment is paid by March of Dimes funds supplied by the Travis County Chapter of the National Foundation for Infantile Paralysis.

Vehicle Inspections Now Being Made

With the 1958 motor vehicle inspection deadline more than three months away, approximately one million vehicle owners have obtained their 1958 inspection stickers, setting a trend for early inspections.

According to John H. Grant, manager of Motor Vehicle Inspection Records, Texas Department of Public Safety, more than 300,000 vehicles above the number inspected during the comparative period last year have been inspected to date. But he cautioned that three-million vehicles are yet to be inspected before the April 15 deadline.

Mrs. Jim Bannister, who has been seriously ill since June, is now doing pretty good, according to her daughter, Mrs. J. E. Mayberry.

Students Plan Future Careers

The date for the first career conference to be held in Tahoka High School has been set for Wednesday, Feb. 5, beginning with a general assembly at 9:30 a. m. in the auditorium when Dr. Morris Wallace, head of the education department at Texas Tech, will make the address.

Dr. Wallace will speak to the student body on choosing a vocation or a topic of similar nature, according to the National Honor Society, sponsoring organization of the conference.

Professional men and women are being secured to speak to students in two classroom meetings, one to be held from 10:00 to 11:00 a. m. and the other from 11:00 to 12:00 noon.

In a questionnaire recently given students, they indicated their first two vocational choices. They will attend the sectional meeting of their first choice at 10:00 o'clock and at 11:00 o'clock will attend the meeting of their second choice.

A large variety of vocations were named popular choices by the students and those now employed or holding the positions, both in Tahoka and out of town, will conduct the meetings.

Purpose of the conference is to encourage students to begin now thinking of their future and planning for it. Those holding the meetings will describe the vocation, tell the students of the nature of the work, attractive and undesirable features and the present outlook; the requirements of the vocation, including the education and training, personal and physical qualifications; and rewards of the vocation, the financial angle the security, opportunities, and the service rendered to others through the medium of the occupation; and how to get started in the vocation.

The list of professional men and women conducting the sectional meetings will be announced as soon as it is complete, according to Mrs. Pete Hegi and Floyd Tubbs, sponsors of the National Honor Society. However, it will include outstanding personnel over the area and promises to be very successful in fulfilling the purposes of the conference.

It is hoped that the conference

D. A. Parkhurst Died Last Fall

News has been received here recently of the death some time last fall of D. A. Parkhurst in Hawthorne, California, where he and his wife have been living for some time.

No details are known of his death except that J. G. Price, secretary of the Tahoka Woodmen of the World received the information

will become an annual event in the Tahoka schools. The program has been carried on in many schools of the state with much success and benefit to the students, the school systems, and the parents.

through the national headquarters. Mr. Parkhurst was postmaster here for a number of years in the 1920s and early 1930s during the Republican administrations of Presidents Warren G. Harding, Calvin Coolidge, and Herbert Hoover. He had no children, but is survived by his wife, Phoebe, who lives in Hawthorne.

Mrs. Alice Fortenberry of Eugene, Ore. is in Tahoka visiting and attending to business. She has lived in Oregon for the past year where her children, Mrs. Clayton Lawrence and J. W. Fortenberry, also live.

Lynn County Soil Conservation District News

ROY L. WILLIAMS ELLIS BARNES
O. E. TERRY W. L. (Cap) ROWE
ELMER BLANKENSHIP

O. T. Tekell and Albert Curry are planning to install a waterway on Albert's farm two miles south and two west of Wayside. Soil Conservation Service engineers will obtain necessary information to design the waterway. The waterway will be installed in a natural drain that will need to be shaped and widened to handle outside water. Structure is to be seeded to a perennial grass to reduce soil washing. The kind of grass is largely determined by width of waterway. Native Buffalo grass is a sod grass and may be used where silting is a problem. K. R. Bluestem is a taller bunch grass that has a

spreading growth habit useful in waterways. Blue panic may be used if soil accumulation is not enough to build up and fill waterway.

Grass Planting
Sorghum land which has sufficient stubble to protect it from flowing provides a satisfactory condition for row grass planting under the conservation rotation practice if it is handled properly. For blue panic a clean seedbed should be prepared by running a sweep (preferably of stubble mulch type) down the middle before the grass is seeded.

Also an ordinary sweep type row crop cultivation will do a satisfactory job. In either case the stubble should be left undisturbed so that it will continue to protect the land after the grass is seeded. Cultivation prior to seeding would not be required for weeping lovegrass, switchgrass, Indian grass, and K. R. and Caucasian bluestem unless weed growth has started by seeding time. Planting can be done with the ordinary grass drill making either one or two rows in each middle, depending on whether a twenty or forty inch row is needed.

Information for planting the waterway on the Strain farm that G. L. Autry is operating was collected by the SCS technicians. There is a need for more planned waterways in the Lynn. SCD to take care of excess water coming off of other farms. Waterways are designed here to take care of the largest rain normally expected over a period of ten years. Waterways can be some of the

Eskimos are considered akin to the American Indian.

most productive sites for grass, hay or small grain production.

Attending the Texas State Association of Soil Conservation Districts Convention at Corpus Christi are Mr. and Mrs. Ellis Barnes of Wells, Mr. and Mrs. W. L. Rowe of Draw, Allyn Cox of Tahoka and M. C. Thomas of Grassland.

Conservation irrigation systems are being designed for Billy Spears, J. A. and Boyd Pebsworth and Howard Draper, Clarence and A. J. Gickhorn. All farmers receiving cost-share assistance on installing underground pipe lines must have planned conservation irrigation systems.

Cover
Now while every one is thinking about annual plans is a good time to think of things in relation to their importance—put first things first. The dust storms last spring convinced everyone that if dryland crop production is to continue on the South Plains more attention must be given to providing vegetation protection throughout the year. And it is just as true that careful planning be done for a vegetative program to improve and maintain irrigated land for its longtime use. All of which emphasizes the importance of allowing definite time in the plans for improvement of the vegetative program on both dryland and irrigated lands. However, planning alone is not enough—it will take the concentrated effort of everyone involved to follow through on the plans if they are to be effective. Plan the work—then work the plan.

Everyday Religion

By J. B. Thompson
Back in the horse and buggy days when drivers could stop in the road for a visit, a choice bit of wit and wisdom was expressed one day as one pulled up his team, and his wagon churned to a stop alongside that of his neighbor. "Howdy—travelin' or goin' somewhere?" he boomed.

What a profound question that is! How pertinent for us today! Traveling or going somewhere? Do we have a worthy goal in life or are we just wandering about? One of the grave dangers of life is to turn aside on some smooth looking side-path that leads only into the jungle.

The scenery along life's road is just as enchanting to those who are going somewhere as it is to those who are aimlessly wandering. There is a deeper joy that comes to him who journeys toward a worthy goal that is never felt by the carefree wanderer. The desert's heat and the mountain's dizzy pass hold no fears for him who sees beyond the struggles of the road the shining goal to which he presses.

An unknown author has left these words of wisdom which answer our question.

"To know just where the trail doth lead, Is better far than speed.

No toilsome journey daunts the soul. When vision sees a worthy goal."

The New England states are Maine, New Hampshire, Vermont, Massachusetts, Rhode Island, and Connecticut.

Bible Topics

By Leroy Cowan
ABUNDANCE.... We live in a land of abundance and especially so when we consider other nations. It is God that makes possible our having these good things. Too many go through life failing to give due credit to the Lord. The earth is the Lord's and the fullness thereof; the world and they that dwell therein. Ps. 24:1.

Consider this too! People may think that they have an abundance and yet be in great need. The church at Laodicea said they were rich, increased with goods and had need of nothing; but the Lord said they were wretched, miserable, poor, blind and naked. He advised them to repent and live godly so they would be acceptable. Rev. 3: 14-22. This teaches us that abundance cannot always be measured by world standards.

When Jesus said "I am come that they may have life and that they might have it more abundantly," no doubt he was speaking of the abundant entrance into the everlasting kingdom of our Lord. Jo. 10:10; II Pet. 1:11. That entrance is by faith and obedience.

A soil test is a mighty good start for next spring's garden or for taking the first step in establishing a lawn.

O'DONNELL OIL WELL
A west offset to the Lamb No. 1 discovery oil well will be drilled on the J. W. Gardenhire farm in the Mesquite community of north-west Borden county, the O'Donnell Index-Press reports. The discovery well was completed as a producer of 250 barrels of oil per day.

L. S. Todd is doing fine, he says, following major surgery early in December at St. Mary's Hospital in Lubbock. A patient there for about 16 days, he is up and about and has been able to walk around town.

Compare...

and you'll go **GAS** everytime!

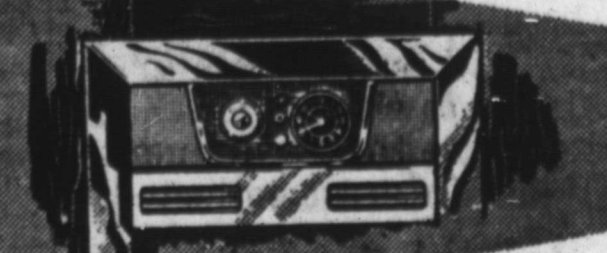

...For Closed-Door Smokeless Broiling

Yes, lady, only with a GAS range is it advisable to do your broiling with the broiler door closed—because only a clean-burning live flame is capable of consuming cooking vapors! And closed-door broiling means no odors escaping into your kitchen...no excess heat pouring out. But this is just one of the many advantages of GAS cooking. You'll also find gas the FAST fuel...the CLEAN fuel...the FLEXIBLE fuel...the DEPENDABLE fuel! What's more, Gas Ranges cost less to buy, less to install, and less to maintain. Investigate, and you'll find that where food is finest, it's cooked with GAS! Stop in and get the complete story, then visit your gas appliance dealer.

PUT AN END TO POT-WATCHING, FOREVER

The Burner-with-a-Brain on a new gas range assures completely automatic top-burner cooking. A hyper-sensitive thermostat regulates the heat to eliminate all danger of boil-overs, scorching, or burning.

CONTROL OVEN TEMPERATURES EXACTLY

A self starting, self stopping gas oven keeps an eagle eye on your cooking...free you from watching or worry while it follows the directions you've set on the dial for time and temperature.

Celesta Schaal
Sends Her Thanks

The following is a letter received here by Miss Echo Milliken from Mrs. Jack Arrington of Denton concerning the gift of nearly \$200 sent Dr. Celesta Schaal as a Christmas present from her many friends in Tahoka and Lynn county. She has been hospitalized for many months and is now showing improvement.

"Celesta asked me to write and tell you how much she appreciated the wonderful gift from all of you in Tahoka. We wish we could thank each of you personally.

"If you could only have seen her face when I opened the box and she saw all that money. Even in her helpless condition, you and all her many friends helped to make this a very Merry Christmas for her. She stood alone Christmas eve, for the first time in ten and one-half months. She tried so hard to be able to walk by herself, but just couldn't make it.

"I don't know whether she told you about Dr. Ida P. Rolf, from New York or not, but when Dr. Rolf was in Oklahoma last spring, she made two trips to Denton to give Celesta two treatments. Anyway, Dr. Rolf sent Celesta a Christmas card and wrote a note, telling us that she would be in Los Angeles from Jan. 20 to March 20 and wants Celesta to come to Los Angeles so that she can give her some more treatments.

ERROR IN ANNOUNCEMENT

Last week in the announcement of Truett Smith for district Judge of 106th judicial district, The News left out Lynn county in the list of counties making up the district. Naturally, Lynn is a part of the district which also includes Dawson, Gaines, Yoakum, Terry and Garza counties.

Angeles so that she can give her some more treatments.

"Dr. and Mrs. Allen in Abilene, who have been coming here two week ends each month and giving Celesta this same type treatment said they would make plans to take her to Los Angeles.

"I just thought that you and the rest of the people there would be pleased to know that your kindness and generosity has helped to make this trip possible for Celesta. Oh, she is so happy. She said, 'This means I can walk again.'

"The Texas Chiropractic Association also sent her some money for Christmas. I plan to use it to get her up and back in the office, the Lord willing.

"We all hope that each of you had as Merry a Christmas as we did and pray for health and happiness for each of you during the year."

Legal Notices

NOTICE:

State of Texas,
County of Lynn:
Whereas, the 53rd Legislature of the State of Texas (Acts 1953, 53rd Leg. p. 858, ch. 349), did enact certain legislation pertaining to the Sale, Use, and Transportation of Herbicides, and which said enactment has been codified and classified as Article 135b-4, Vernon's Annotated Revised Civil Statutes of Texas, and

Whereas, Section 17 of said Act provided that such Act should not be effective as to a certain designated area, which such area would be exempt from the provisions of said Act because it was found to be a fact that there was not then no crop or vegetation of value susceptible to damage in such area, but which said Section 17 provided further that when any crop or vegetation of value that is susceptible to damage exists in any county in such area, which fact shall be determined by the Commissioners Court of the affected county, evidenced by an appropriate order entered in the minutes of such court immediately upon the entrance of said order, and

Whereas, Lynn County, Texas, is included in that designated area referred to in said Section 17 of said Act, and

Whereas, a question has arisen as to whether or not the provisions of said Act should be made applicable to said Lynn County, Texas, and whether or not any crop or vegetation of value that is susceptible to damage exists in said county, and

Whereas, a question has arisen as to whether or not the provisions of said Act should be made applicable to said Lynn County, Texas, and whether or not any crop or vegetation of value that is susceptible to damage exists in said county, and

Whereas, the Commissioners Court of Lynn County, Texas, did by order duly made, passed, and entered on the 13th day of January, 1958, designate and set a time and place of hearing on such matter and determination and order that notice hereof be published in the Lynn County News, a newspaper published in said Lynn County, Texas, ten (10) days prior to said hearing and determination, said hearing and determination to be held in the County Court Room of the Lynn County Courthouse in Tahoka, Texas, on the 10th day of February, A. D. 1958 at 11:00 o'clock a. m.:

NOW THEREFORE, TO ALL TO WHOM THESE PRESENTS SHALL COME: GREETING:

You are hereby notified that on the 10th day of February A. D. 1958, at 11:00 o'clock a. m. and in the County Court Room of the Lynn County Courthouse, in Tahoka, Texas, the Commissioners Court of said county, will hold a hearing on such matter and will proceed to hear and determine the question of whether or not Lynn County, Texas, should be governed by the terms and conditions of said Article 135b-4 and whether or not such act shall be in full force and effect in said county, at which time and place any and all interested persons may appear and be heard.

Witness my hand this 13th day of January 1958.

W. M. Mathis, County Judge,
Lynn County, Texas
Attest: Beulah Fridmore,
County Clerk, Lynn County, Texas
And Ex Officio Clerk Commissioners Court, Lynn County, Texas
(SEAL) 18-14

Legal Notices

CITATION BY PUBLICATION
THE STATE OF TEXAS

TO: Carl A. Clark and wife, Ethel Clark, W. H. Hays and A. F. Cause, whose addresses and whereabouts are unknown, and if any of them, or all of them be deceased, then their unknown heirs, and their legal representatives, executors, administrators and assigns, and anyone else who may be claiming a right, interest or possession unto any of the hereinafter described property, Defendants, Greetings:

You are hereby commanded to appear before the Honorable District Court of Lynn County at the Court House thereof, in Tahoka, Texas, at or before 10 o'clock a. m. of the first Monday next after the expiration of forty-two days from the date of this issuance of this citation, same being the 17th day of February A. D. 1958, then and there to answer Plaintiff's Petition filed in said Court, on the 27th day of December A. D. 1957, in this cause, numbered 2326 on the docket of said court and styled Jennie B. Bowlin, a widow, et al. Plaintiffs, vs. Carl A. Clark and wife, Ethel Clark, et al. Defendants.

A brief statement of the nature of this suit is as follows to wit: The property involved in this suit is described as follows: Being all of the North one-half (N/2) of Lots Nos. Eleven (11) and Twelve (12), in Block No. One hundred twenty (120), of the Original town of O'Donnell in Lynn County, Texas, according to the map or plat of said town of record in the Deed Records of Lynn County, Texas; plaintiffs are the surviving widow, and all of the children, respectively, of J. P. Bowlin, deceased, and plaintiffs are claiming fee simple title to all of the above-described property and are herein suing in Trespass To Try Title and possession to said property, and for their damages; also, plaintiffs are claiming fee simple title under a lost and unrecorded warranty deed from W. H. Hays and A. F. Cause to J. P. Bowlin, and plaintiffs are asking the Court to establish said deed as of January 1, 1931 and vest in them fee simple title to all of said property, and to divest all of the title, claim or right of possession out of said defendants; the defendants Carl A. Clark and wife, Ethel Clark conveyed said above property to W. H. Hays and A. F. Cause on April 2, 1925, said deed being recorded in the Deed Records of Lynn County, Texas in Volume 35, Page 221, but the description of the above property in said deed was defective, and these grantors are now made parties-defendant; also,

plaintiffs are claiming fee simple title to said property under and by virtue of the Statutes of Limitations of Ten Years, and the Statutes of Limitations of Twenty-five Years, because of adverse possession, according to law, of over 25 years by J. P. Bowlin and the plaintiffs herein, as is more fully shown by Plaintiff's Petition on file in this suit as above shown by their Attorney, John Saleh, P. O. Box 593, O'Donnell, Lynn County, Texas.

The officer executing this process shall promptly execute the

same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Tahoka, Texas this 27th day of December A. D. 1957.

Attest: W. S. Taylor,
Clerk, District Court, Lynn County, Texas.
(SEAL) 13-4tc

Mrs. Beulah Applewhite reports her daughter, Mrs. Prentice (Helen) Walker of Brownfield suffered a severe illness last week but is now improving nicely.

Would YOU work for less than 1¢ an hour?

Reddy Kilowatt does!!

Reddy's average residential customer pays him wages of 22 cents a day for electric service. Reddy's on the job 24 hours a day — so he's working for less than a penny an hour.

What's more, Reddy's wages for an hour of work in your home are LESS than they were ten years ago. The cost of living, on the other hand, is up.

The biggest bargain in your family budget? Reddy Kilowatt, of course.

Pay Taxes Now!

State and County Taxes are now due and should be paid during January. After January 31, the law provides that unpaid taxes be put on the Delinquent Roll and penalty and interest collected.

PAY YOUR POLL TAXES!

This is election year. Poll taxes must be paid in January as a qualification for voting, unless you come under the exemption laws.
