THURSDAY, JANUARY 9, 1969

NUMBER 18

DRAFTING FINAL PLANS for the Junior Livestock Association Show slated for January 18 is this group of dedicated adults. They are Elmer Klinkerman, Charles McCullough, Jack Aaron, J. B. Riley, and

James Easter, standing. Seated are Mmes. Morris Simonson, Bill Hutchinson, Bobbie Klinkerman, Archie Faulk and Sue Pruitt. (Burk Star Photo)

First National Gains Are Noted

Operations during 1968 at the First National Bank of Burk Burnett were one of the most successful in the institution's 61-year history.

A. R. Hill, president, said that during the year, the firm paid four regular dividends, added an appreciable amount to the capital structure, contributed \$5,000 to the employee's retirement fund, and paid a 12½% bonus to employees.

"This was done in face of increasing costs of operation," Hill said, "and it reflects the sound economic growth of the greater Burk Burnett area."

Further growth and the financial stability of the area was reflected in the growth of deposits at the First National.

Deposits as of the close of business on December 31, 1968, were \$9,420,000, an increase from the same date a year previously, when the deposits were \$8,077,654.21.

New Officers To Be Installed Here

Bill Vincent, manager of the Burk Burnett office of Texas Electric Service Company, will head the list of new officers to be installed at the annual Chamber of Commerce banquet Saturday night.

Vincent, as president, will be assisted by T. M. Corneli, first vice-president; Jerry McClure, second vice-president; Tom Nicklas, treasurer, and Joe Gillespie, assistant treasurer.

The banquet, to start at 7 p.m., will feature Dr. Dan Proctor, Houston businessman, as guest speaker.

It will be at the Burk High School cafeteria. Also to be recognized are other Burk citizens who have distinguished themselves in service to the community during the past year.

Tickets, at \$3.50 per plate, will remain on sale until Saturday noon at the Chamber office, Burk Burnett Bank, First National Bank, Texas Electric Service Company, and Lone Star Gas Company.

140 Youths To Show Projects

More than 140 youngsters are expected to display their handiwork and projects at the annual Burk Burnett Junior Livestock Association Show here on January 18.

About 100 boys and 40 girls will take part in the two divisions.

The boys will display their livestock and poultry exhibits at the old light plant building. Foods and clothing will be displayed by the girls in the Community Room of the Burk Burnett Bank.

The directors of the show are looking forward to a successful show, and are asking the cooperation of the parents and the public interest in the show.

Mrs. Bobbie Klinkerman, director, urged citizens of the area to come visit the exhibits. No admission will be charged.

ACCIDENT RATE IS HIGH IN BURKBURNETT DURING 1968

The year of 1968 was a dangerous and expensive year for motorists on the streets of Burk Burnett.

Records of Chief of Police Buck Abbott show that 144 accidents, or an average of almost three a week, were reported during the year.

Property damage in these accidents was \$40,493.70.

Twenty-five persons were injured in the 144 accidents.

Joe Janeke To Speak At Center

The regular Neighborhood Meeting of the Burk Burnett Community Service Center will be held Monday, January 13, 1969 at the Center on West 7th St. at 7:30 p.m.

Louis Johnson, newly elected chairman of the Board, will preside.

Joe Janeke, prominent lawyer in Burk Burnett, will be the guest speaker. Mr. Janeke's topic will be on Wills and Business Management for our families.

Mr. Ernest Masters drove to Lander, Wyo., to spend the holidays. Mrs. Masters returned home with him this week after spending two months caring for her seriously ill sister, Mrs. Ray Virden.

Mrs. Bookbinder Accepts Citation

Mrs. Opal Bookbinder recently received a beautiful citation signed by President Lyndon B. Johnson in memory of her husband, Morris Bookbinder.

The citation read as follows: The United States of America honors the memory of Morris Bookbinder. This certificate is awarded by a grateful nation in recognition of devoted and selfless consecration to the service of our country in the armed forces of the United States.

Lyndon B. Johnson
President of the United States

DOGS KEEP POLICE BUSY

Dogs and various animals kept the Burk Burnett police department busy through 1968.

According to the records of Chief of Police Buck Abbott, 89 dogs were picked up and delivered to the pound during the year.

Fifty-six dog bites were reported, and another seven bites by cats are on the record.

One rabbit bite, and one monkey bite were also reported.

Council Seeks To Eliminate Old Hazardous Buildings

A definite policy and procedure for the collection of delinquent taxes was recommended by the Burk Burnett City Commission Monday night, and an ordinance calling for the repair or destruction of dilapidated buildings was passed as an emergency measure.

A three-man committee was appointed, consisting of Mayor A. H. Lohofener, City Manager Gary Bean and City Attorney Joe Janeke will formulate a policy for the collection of delinquent taxes, to be approved by the council.

Certain buildings, deemed to be health and safety hazards were discussed. The new ordinance will define hazardous conditions.

Property owners will be requested to make improvements, or to destroy the buildings and clear the lots. Property owners would have the right to appeal. However, suit may be filed for failure to comply.

Another emergency ordinance, setting electrical license fees at \$50 was passed.

Under the ordinance, only firms holding valid Burk Burnett

licenses would be allowed to perform electrical installations or repairs within the city limits.

Representatives of Dixon-Stanley, Wichita Falls architects, presented samples of downtown improvement programs. The City of Burk Burnett has been planning such a program for several months.

In other business, the commission approved the purchase of a radio transmitter for a police unit, with the old unit to be transferred to a city fire truck, and approved the payment of \$5,505 in current bills.

HERE and THERE AROUND BURKBURNETT

Mr. and Mrs. Floyd Gladden of Cortez, Colo., arrived Wednesday for a visit with his sisters, Mrs. Ina Gilbert and Miss Mabel Gladden both of this city.

Mrs. Glen Evinger of Oklahoma City is here visiting her sister and husband Mr. and Mrs. J. L. Caffee. Mrs. Caffee has been a victim of the flu but is gradually improving.

Mr. and Mrs. M. F. Wright of Nocona and Mr. and Mrs. D. A. McDaniel of Electra spent Monday with their sister and husband Mr. and Mrs. S. M. Butts. They also visited Mrs. Wright's sister Mrs. Mary Wood.

Mrs. Nomie Wilkinson spent a week with her daughter and husband Mr. and Mrs. C. J. Ille in Stevenson, Calif. She accompanied her grandson Bobby Wilkinson, who had spent Christmas in Burk with his mother Mrs. Weida Wilkinson. Bobby attends school in Ceres, Calif. Mrs. Wilkinson returned home Tuesday by plane.

Mrs. Alta Spillers is in the Bethania Hospital recovering from a recent heart attack.

Mrs. James Metz who recently had back surgery in the Bethania Hospital hopes to be moved to the home of her parents Mr. and Mrs. B. L. Turner

in Burk soon. Mrs. (George) Mildred Couter is in the Wichita General Hospital receiving tests and care.

Mrs. Larry Gowan is a patient in the Wichita General Hospital undergoing treatment and xrays. Mr. and Mrs. H. E. Duncan of Oklahoma City visited Mrs. Ida Willis over last weekend.

BURK BANK GAINS IN '68

Bright financial prospects for the Burk Burnett and the Southern Oklahoma area for 1969 were voiced yesterday by Jack Aaron, president of the Burk Burnett Bank.

"We feel the progress shown by the Burk Burnett Bank during the past year is evidence of the solid financial structure of the area," Aaron said.

"Our deposits have shown a substantial increase during 1968, and we have every reason to believe the growth will continue," he added.

"Our new Savingsbook Plan has met with gratifying acceptance by the public, and helped toward the total deposits increase," Aaron said.

Deposits at the Burk Burnett Bank as of the close of business on Dec. 31, 1968, were \$3,146,050.66.

PERSONALS

Mrs. Frank Hunt was admitted to the Wichita General Hospital Friday, Dec. 26 for tests and observation. She is in room 428.

Mr. and Mrs. Leo Dudley attended funeral services of a friend, Mrs. O. B. Duggins, in Bowie, Texas, Tuesday.

AN ESTIMATED \$11,000 damage was done to a truck, trailer and cargo when the truck plunged through a guard rail on the Red River bridge early Tuesday morning. The driver, A. M. Tinney, 41, of Quitman was treated at Wichita General Hospital for what was

believed minor back injuries. Tinney lost control as he approached the north lane, striking the guard rail. Owner of the vehicle is C&H Trucking Company of Dallas.

GREETINGS

One of the first things that will greet every working person with the dawn of the new year will be an increase in social security taxes. Social security payment deductions from wage and salary checks will rise to 4.8 per cent of earnings up to \$7,800. This means that any employee with earnings of \$7,800 will pay \$374.40 in social security taxes. Employers will pay an equal amount. Thus, the total tax hike in the name of "social security" will reach nearly 10 per cent of taxable payrolls. Nearly 10 per cent of every dollar up to maximum taxable earnings will go the federal government to pay for social security and medicare—as much as \$748.80 per employee. And more increases in this tax are coming in the years ahead. By 1987, it will amount to 5.9 per cent each for employee and employer.

A little pamphlet issued by the Associated Industries of Alabama, entitled "Another Chunk Out of Your Check," explains why social security costs are increasing so rapidly. There are two main reasons. One, a great number of people are now getting benefits which come to more than the taxes they and their employers have paid into social security. Two, Congress has changed the law many times to (a) add more groups to the program, (b) make it easier to get benefits, (c) increase the benefits, and (d) add medicare. Each change costs both employees and employers more money.

So remember, among those who will be first to greet you in the new year will be the tax collector.

NOTED AND PASSED

The Disadvantaged: The fifty New York University students who broke up the meeting being addressed by an official of the government of South Vietnam hardly qualify as "disadvantaged." Their families must have had the money for their tuition and the youths must have had enough education and intelligence to pass entrance examinations. Yet they assaulted the Vietnamese official, insulted his country and its flag.

Fresh Green Bean Chowder with a Snap

Tender green beans are snappy eating with a good contribution of vitamins A, C and minerals. This crispy slender legume is suggested in a tureen of hearty chowder with fresh onion slicing its way through our succulent soup.

Though we enjoy this vegetable during all seasons, Florida is the big winter supplier. When buying, look for beans that are crisp and have a fresh, bright appearance. Generous ladles of our New England style Snap Bean Chowder make a great lunch or supper entree for cold weather days.

GREEN BEAN CHOWDER

1 pound fresh green beans 1/4 cup butter or margarine
2 medium-sized onions 1/4 cup flour
1 1/2 cups water 1/2 teaspoon pepper
1 beef bouillon cube 3 cups milk
2 1/2 teaspoons salt

Remove ends from green beans and cut into 1-inch lengths. Thinly slice onions. Combine beans, onions, water, bouillon cube and 1 teaspoon salt in large saucepan. Cover and cook over medium heat 10-12 minutes or until beans are tender; do not drain. Remove from heat. Melt butter or margarine; blend in flour, remaining 1 1/2 teaspoons salt and pepper. Gradually stir in milk. Cook over medium heat, stirring constantly, until mixture thickens and reaches boiling point. Stir in vegetables and vegetable liquid; heat to serving temperature, stirring occasionally. Makes about 6 cups.

VIETNAM (FHTNC) Dec. 13
— Marine Staff Sergeant Richard W. Lasseter, of 606 E. Third, Burkburnett, Tex., met and talked with the Senior Senator from Texas in Vietnam.

While serving with the Third Marine Division he met Senator Ralph W. Yarborough, (D-Tex.), during the Senator's visit to units in Quang Tri Province.

The Senator, a member of the Senate Appropriations Committee, met with a number of Marines from Texas as he visited the installations at Dong Ha, Quang Tri and Vandergrift Combat Base.

EVENTS OF YESTERYEAR

From the Burkburnett Star 10 Years Ago

Five inches of snow covers this area. No roads have been closed but many auto wrecks have been attributed to the icy roads.

The Methodist Church of this city voted unanimously Sunday Jan. 4th to buy the City Hotel property directly across the street from their present sanctuary.

Mr. and Mrs. B. H. Alexander Sr., spent the Christmas holidays with their daughter, Mr. and Mrs. Glen McCurley and family in Pecos, Tex. They also visited relatives in Midland before returning home.

Mr. E. Throgmorton of Dallas is the scheduled Speaker at the Chamber of Commerce Annual Banquet Friday, Jan. 16th.

The Monthly Chamber of Commerce Newcomers Coffee will be Monday Jan. 12 at 10 a.m. at the Town Hall. Merchants and Newcomers are invited to come by and get acquainted.

Tony May, 11-year-old Burkburnett boy was reported in good condition Saturday morning in the Wichita General Hospital where he underwent surgery after receiving an accidental gunshot wound in his right leg caused by a small caliber pistol discharged in Tony's pocket when he

accidentally fell to the floor.

Mrs. Wayne Randall and boys Gary and Larry of Long Beach, Calif. are visiting Mr. and Mrs. Ted Randall through the holidays.

New System Controls Smog

An improved smog control system that is different from those installed on production-line cars and also adds to engine life is now available.

"The simplest explanation to the way the system operates is by use of negative crankcase pressure. The engine in a car — which has been likened to a massive air pump — is completely sealed off, and the crankcase area becomes a negative pressure area.

"Air drawn from the outside, via the carburetor, produces a vacuum action, pulling emissions up from below and entering them into the combustion process. Unlike other systems, the new one requires a completely sealed engine.

"Benefits derived and proved by lab and road testing include longer engine life and the elimination of engine compartment fumes."

In Vietnam

CHU LAI, Vietnam, (AHTNC) — Army Specialist Four Dudley L. Hooper, 21, son of Mr. and Mrs. Elbert P. Hooper, 602 Oak Burkburnett, Tex., was assigned December 10 to the Americal Division's 56th Artillery near Chu Lai, Vietnam.

Farmers Need To Organize Says Farm Bureau

At times past in the history of this nation, rural areas in general and farm people in particular were in firm control of the political power of this nation. This has long since changed and now rural Americans, especially farmers, find themselves in a distinct minority.

According to the latest figures from the U.S. Department of Commerce, less than 6 per cent of this country's total population is considered rural. Farmers of today are under extreme pressure. The economic position of farmers has worsened because of the cost-price squeeze. Parity is extremely low. Not even a spectacular increase in productive efficiency has enabled the farmer to offset production and living cost brought on by spiraling wage and price increases.

If there ever was a time when farmers and ranchers needed strength through organization, that time is now. The Wichita County Farm Bureau, with 660 members, is seeking to increase its membership strength through a county-wide enrollment campaign. Nationwide, the Farm Bureau is the largest of all general farm organizations, but it needs the support and participation of even more farmers and ranchers if agriculture is to have the strong voice it so badly needs.

The organization is truly democratic with policies adopted by majority vote in county, state and national conventions. It deserves the support of all farmers and ranchers who want to protect their economic future and guarantee their voice in affairs of government.

GO SLOW

Turkey producers and processors, meeting recently in Washington with USDA officials, are calling for a hold-the-line on 1969 turkey production. The group said that an increase in next year's production would bring lower prices to producers and too many carried over in storage. The demand for turkeys in 1969 will be only slightly higher than in 1968, in the face of expected larger supplies of red meat and broilers.

Malaysia's Domes And Minarets

Malaysia is a fascinating land that will delight your eye. You will be treading in the footsteps of history when you holiday in this tropical country, Southeast Asia's newest vacation paradise. It is a magnet that has drawn many adventurers and missionaries. Fifteenth century Arab traders brought to the Malay Peninsula the domed mosques and minarets that today spear skyward. Photo shows the domes of the Royal Mosque at Kuala Kangsar, capital of the state of Perak, which has taken on a new and lustrous look. Clad with anodized, gold colour finish aluminium sheets, the largest dome is 100 feet high with a diameter of 62 feet.

HEALTH & SAFETY

Mainly for Mothers

by Carol Hart

Home Safety Protection For Mom

If Mom were working at a hot machine in industry instead of over a hot stove in her home, she'd more than likely get head-to-foot protection.

She would have accident prevention help from the plant safety engineer. She might be provided with safety gloves for her hands, safety goggles for her eyes, a safety hat for her head, and protective clothing to guard her against accidental injury to her body.

Why not borrow some of the measures of industry and apply them to the chores of the homemaker? Here are some suggestions how you can do this from the Council on Family Health, a non-profit organization sponsored as a public service by leading members of the drug industry to promote home safety and family health.

When working at the stove, use hot pads for handling pots and pans. Or use padded safety gloves if you prefer.

Keep your face away from the cooking utensil you uncover. When lifting the lid on a pan of hot grease or steaming liquids, tilt it so you can see what is happening in the skillet or pot without being splattered or scalded.

If you wear glasses while working, be sure they are clean, and that you can read clearly. It is important to read labels on medicines and household chemicals and understand every word of the directions, so they may be followed completely.

When reaching for objects on

high shelves, use a step stool. Be sure of your footing so that the objects you lift won't fall on your head.

Wear comfortable but protective clothing. House dresses should be made of fire resistant fabric. Wear short-sleeved garments without belts or sashes. Long sleeves may catch on pot handles. Sashes or loose belts may catch on doorknobs, cabinet catches or household appliances.

Mrs. David Keith

PATRICIA ELAINE SIMONS, DAVID KEITH WEDDING IS ANNOUNCED

Saint Jude Thaddeus Roman Catholic Church in Burkburnett was the setting of the December 30th nuptial wedding mass which united Miss Patricia Elaine Simons of Bovina and Burkburnett, and David Zachary Keith of Dimmitt in marriage. The pastor, Father Patrick M. Scanlan, officiated at the double ring ceremony.

Parents of the couple are Mr. and Mrs. Edward John Simons of Burkburnett and Mr. and Mrs. Clyde Bishop Keith of Denver City.

Banks of poinsettias flanked the altar and sanctuary along with candle trees which held white votive candles and greenery. Mrs. Maxine Creel was organist with Mrs. Dorothy Fox of Wichita Falls and Alden Smith of Hillsboro as soloists.

Given in marriage by her father, Miss Simons wore a formal gown of silk chiffon over candlelight taffeta which featured embroidered alencon lace on the neckline and skirt. The back bodice was embellished with pearls and a wattleau train. Her veil of silk illusion was caught to a satin pillbox and dior bow with crystal beading and seed pearls. She carried a cascade arrangement of gardenias, tube roses, lilies of the valley centered with a white orchid.

Mrs. Charlotte Simons Percy of Andrews, sister of the bride, was matron of honor. She wore a floor-length gown of moss-

green velveteen featuring a semi-fitted A-line skirt, three quarter length bell-shaped sleeves lined in peau de soie. The bodice was accented by a tubular belt and bow from which extended a train of peau de soie. A pillbox of peau de soie with illusion formed the head piece and she carried a cascade of American Beauty roses.

The brides matrons were Mrs. Sue Revier Harsh of Dallas, Mrs. Carol Hajek Vacker of Fort Worth, and Mrs. Carolyn Keith Williams of San Antonio, sister of the groom. They were attired in cranberry red gowns identical to the matron of honor and carried cascades of moss-green roses.

Serving as best man was Jerry Moore of Plainview, while Jan Percy of Andrews, G. L. Dubose of Dimmitt, and Alden Smith of Hillsboro, cousin of the bride, were groomsmen and also seated the guests.

Van Mark and Kirk Edward Percy, nephews of the bride, served as candle-lighters and ring bearers. Weldon Nix served as commentator for the mass and Danny and David Nix were altar boys.

The bride's parents were hosts for the reception at the National Room. The bride's table was covered with white satin overlaid with a skirt of tulle, and held a red centerpiece and silver candelabra which accentuated the bride's cake and antique punch service. The groom's table was covered with an ecrû maderia cloth and held the groom's cake entwined with garlands of della robbia and the silver coffee service. Miss Beverly Cuba of Wichita Falls, cousin of the bride, registered guests at a table which featured an American Beauty rose in bud vase. Other reception assistants were Mrs. Kay Zimmerman Nuekols of Irving, Mrs. Suzette McLean McSpadden of Vernon, Mrs. Sharon Nix Martin of Duncan, Okla., and Mrs. Anita Sweet Pate, Miss Louise Boyd, Mrs. Tona Nix Cornelius, and Miss Toni Savage, all of Burkburnett.

The bride was an honor graduate of Burkburnett High School and received her B.S. degree in Home Economics Education from Texas Tech College. She is a member of the faculty of the Bovina Schools. The groom was an honor graduate of Denver City High School and received his B.S. degree with honors from West Texas State University where he was a member of Lambda Chi. He is employed as an Industrial Education Teacher in the Dimmitt Schools.

Mr. and Mrs. Keith were hosts for the rehearsal dinner in the dining room of Luby's in Wichita Falls. The table was arranged with a centerpiece of red gladiolus and holly.

Following a wedding trip to the Taos and Ruidoso Ski area in New Mexico and to Aspen, Colo., the couple will be at home in Dimmitt.

'69 Ford. Spend 15 minutes inside the year's most talked about car.

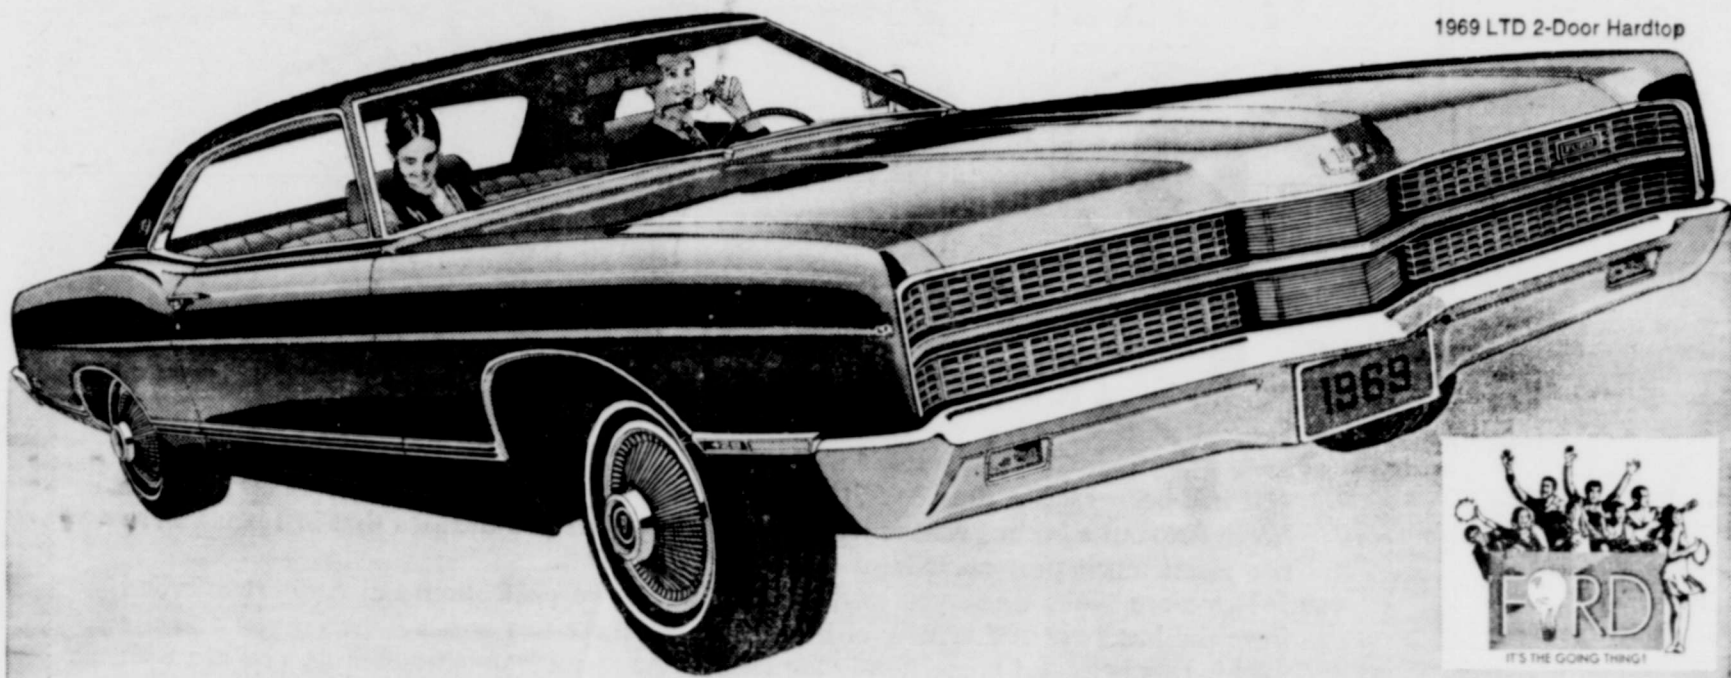

The '69 Ford LTD is the best-selling car in its class. Because it offers you so much more than the others.

Take a test drive. Fifteen minutes will show you what makes Ford so special. A front seat area so spacious it's called the Front Room. A wheelbase longer than Chevrolet's for an extra-smooth ride. The road-holding grip of a track as wide as Cadillac. All wrapped up in a car that's amazingly agile. Ford's turning circle is even smaller than Plymouth's.

The 1969 LTD was designed to ride quieter than the LTD that was quieter than a Rolls-Royce. Come in now. Talk it over. Try it out. Take it home.

FORD

Then try to talk yourself out of it.

GIRLS PROJECT SHOW SET HERE FOR JANUARY 18th

As part of the annual Junior Livestock and Project Show, the girls' division will be held in the Community Room of the Burkburnett Bank Saturday, Jan. 18th. Girls who attend school in Burkburnett and are members of the 4-H and FHA organizations and all girls en-

rolled in Homemaking in the 8th grade through the 12th grade are eligible to participate.

Garments constructed and foods prepared by the girls will be entered, judged and exhibited on that day. All entries must be in place by 8:30 in the morning and judging will begin soon afterwards. Awards will be presented to the girls at 10 o'clock by members of the Junior Livestock and Project Show Committee.

The articles will remain on display until four o'clock and the public is encouraged to remember to come by and see the work the girls have done.

Patricia Lynn Bryant To Wed Donald Tyson In February

Mr. and Mrs. Johnnie T. Bryant, 106 Preston St., Burkburnett, announce the approaching marriage of their daughter, Patricia Lynn, to Donald Wayne Tyson. He is the son of Mr. and Mrs. E. C. Tyson, 2207 Taylor, Wichita Falls.

Miss Bryant was graduated from Burkburnett High School and is presently employed by Aetna Finance Company. Mr. Tyson was graduated from Wichita Falls High School and is employed by the Army-Air Force Exchange Headquarters of Dallas, Tex.

The wedding date is set for February 15.

Visiting Mr. and Mrs. H. E. Clayton over the holidays were their daughters, Mr. and Mrs. Clyde Martin of Fort Worth, Mr. and Mrs. Jerry Richardson and girls of Arlington, Tex., and a nephew, Mr. and Mrs. Fred Conner and boys of El Paso.

STOCK SHOW MEMBERSHIPS AVAILABLE

Memberships are now on sale for the third Annual Junior Livestock Show.

The show is scheduled for January 18, when young farmers of the area will display their prize animals.

The memberships, at \$5 each, can be secured from any of the directors or from the Burkburnett Bank, or the First National Bank.

Banquet Tickets On Sale Now

Tickets for the annual Burkburnett Chamber of Commerce banquet are on sale at several places today.

The tickets, at \$3.50 each, can be purchased at the First National Bank, The Burkburnett Bank, Texas Electric Service Company, Lone Star Gas Company, or the Chamber of Commerce office.

The banquet will be at 7 p.m. Saturday at the Burkburnett High School Cafeteria.

Guest speaker is to be Dr. Dan Proctor of Houston.

Newcomers Coffee Set At Sheppard

The Newcomers coffee will be held Wednesday, Jan. 15, at the Sheppard Officers Open Mess by the Sheppard Officers Wives Club.

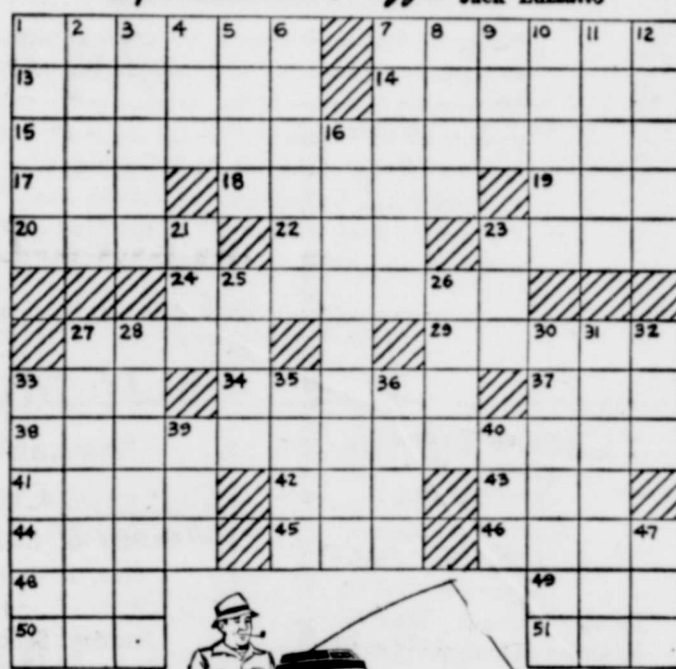

The Hail and Farewell coffee will feature a "Happy Birthday" theme. No reservations are necessary.

AUDITIONS SET

Auditions for the Jaycees talent contest will be held at the Wichita Falls YMCA at 9 a.m. Saturday.

The talent contest will be televised on Jan. 25 and 26.

Meadow Lane Club Has Holiday Party

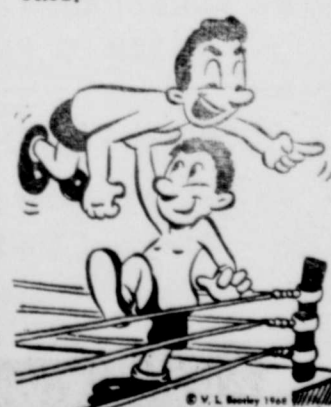

Meadow Lane Garden Club had their Christmas Party December 12th in Mrs. Wallace Landrum's home. Mrs. J. C. Adams Jr., presided over the short business meeting and final plans for taking gifts, baked goods and fruit to the county farm were made. The Contemporary Study Club also contributed \$5.00 toward the purchase of fruit for the Farm. Refreshments were served from a lovely table and members exchanged gifts and sang Christmas Songs. Those enjoying the evening were Mmes. Frank Miller, Melvin Peters, Kenneth Shadd, Tom Evans, Cliff Wampler, J. C. Adams Jr., F. T. Felty Jr., Ray Foster, the hostess, Mrs. Landrum and one guest Mrs. Fusson.

Altus Grades 23,000 Bales

The USDA Cotton Division Classing Office at Altus graded 23,900 bales during the week ending January 3. "Sample receipts have dropped drastically during the past week," reported C. E. Cox, officer in charge at Altus. "Except for a few late harvesting areas, our classing territory appears to be entering the scrapping stages."

The season total classed now stands at 265,500 bales, and already exceeds original estimates for this season's volume. Last year at this time 198,900 bales had been classed, and two bales.

years ago to this date 209,600

**PROTECTION FROM THE ELEMENTS**

It has been said in the Lone Star State that there is nothing between Texas and the North Pole but a barbed wire fence. That certainly gives you the idea that in Texas you're not given much protection from the cold North wind.

There are times when you might think there is no protection and comfort afforded from the hardness and cruelty of the world. But there is a buffer between you and the world. This help and protection is the church. As members of the church, you are with good people of like minds who love you, pray with you, comfort you and assist you. They are the ones who "by love serve one another." (Gal. 5:13)

We invite you to attend the church of your choice this week. You will find a warm welcome there.

"And this commandment we have from him, that he who loveth God love his brother also."

1 John 4:21

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

NOTICE

The Federal Communications Commission has designated for hearing in a consolidated proceeding the mutually exclusive applications all for day-time new standard AM radio stations on a frequency of 850 kc with directional antenna systems as filed by Bill Thacker for Burkburnett, Texas, Howard M. McBee for Lawton, Oklahoma, and Allan Pratt Page for Anadarko, Oklahoma.

The Commission has designated the following issues for said hearing:

- To determine the areas and populations which would receive primary service from the proposed operations, and the availability of other primary service to such areas and populations.
- To determine with respect to the application of Bill Thacker:
 - Whether a bank loan of \$25,000 is available to the applicant, and, if so, the terms of repayment and the security required.
 - The manner in which the applicant will obtain additional funds to construct and operate the proposed station for one year.
 - Whether in light of the evidence adduced pursuant to (a) and (b), above, the applicant is financially qualified.
- To determine whether the proposal of Bill Thacker will realistically provide a local transmission facility for its specified station location or for another larger community, in light of all the relevant evidence, including, but not necessarily limited to, the showing with respect to:
 - the extent to which the specified station location has been ascertained by the applicant to have separate and distinct programming needs;
 - the extent to which the specified station location are being met by existing standard broadcast stations;
 - the extent to which the applicant's program proposal will meet the specific unsatisfied programming needs of its specified station location; and
 - the extent to which the projected sources of the applicant's advertising revenues within its specified station location are adequate to support its proposal, as compared with its projected sources from all other areas.
- To determine, in the event that it is concluded pursuant to the foregoing issue (3) that the proposal will not realistically provide a local transmission service for its specified station location, whether such proposal meets all of the technical provisions of the Rules for standard broadcast stations assigned to the most populous community for which it is determined that the proposal will realistically provide a local transmission service, namely Wichita Falls, Tex.

5. To determine the efforts made by Bill Thacker and Howard M. McBee to ascertain the community needs and interests of their respective service areas and the means by which the applicants propose to meet those needs and interests.

6. To determine whether a grant of the proposal of Allen Pratt Page would be in contravention of the provisions of Section 73-35 (a) of the Commission's Rules with respect to multiple ownership of standard broadcast stations.

7. To determine with respect to the application of Allen Pratt Page:

- The basis for the applicant's estimate of first year operating costs and whether such estimate is reasonable.
 - In the event the applicant will depend upon operating revenue during the first year of operation to meet fixed costs and operating expenses, the basis for such estimate and whether such estimate is reasonable.
 - Whether, in light of evidence adduced pursuant to (a) and (b), above, the applicant is financially qualified.
8. To determine, in the light of Section 307 (b) of the Communications Act of 1934, as amended, which of the proposals would better provide a fair, efficient and equitable distribution of radio service.
9. To determine, in the event it is concluded that a choice between the applications should not be based solely on considerations relating to Sections 307 (b), which of the operations proposed in the above-captioned applications would better serve the public interest.
10. To determine, in the light of the evidence adduced pursuant to the foregoing issues which, if any, of the applications should be granted.

The hearing will be held at the office of the Federal Communications Commission, Washington, D.C. commencing at 10:00 a.m. on March 12, 1969. Members of the public who desire to give evidence concerning the foregoing issues should write to the Federal Communications Commission, Washington, D.C. 20554, not later than January 10, 1969. Letters should set forth in detail the specific facts which the writer wishes to give evidence. If the Commission believes that the evidence is legally competent, material, and relevant to the issues, it will contact the person in question. A copy of the application, all amendments and related material for Burkburnett, Texas as filed by Bill Thacker are on file for public inspection at the Chamber of Commerce, 412 Avenue C, Burkburnett, Texas.

"Farm Bureau Week" Slated For Wichita County

County Judge Calvin Ashley has designated the week of January 13-18 as "Farm Bureau Week" in Wichita County. The county Farm Bureau organization will have a special enrollment drive during this period as part of a statewide effort to push Farm Bureau membership in Texas over the 110,689 figure achieved in 1968.

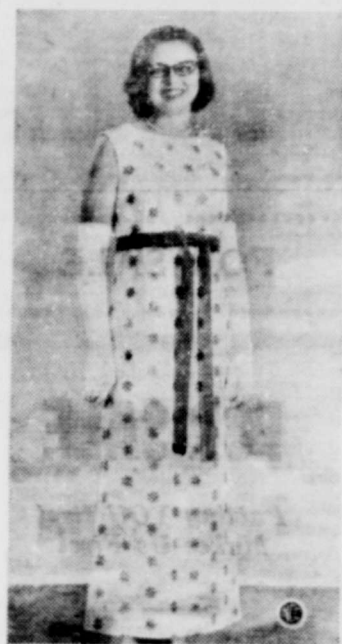

The Wichita County Farm Bureau ended its 1968 membership year with 660 member families.

The official proclamation called for citizens "to give due recognition to this observance honoring the Wichita County Farm Bureau."

Earlier Governor John Connally proclaimed the same period as "Farm Bureau Week in Texas."

Raymond Schroeder of Burkburnett is president of the Wichita County Farm Bureau. Membership Chairman is Ed Foster, Jr. of Electra. Members of the committee with Foster are L. B. Slaughter of Wichita Falls and Norman Roberts of Burkburnett. Foster's Committee held a Covered Dish Supper on January 6 in the Farm Bureau Office.

Approximately forty attended. Workers present were given instructions and the names of prospective members and the board of directors and their wives worked on a one day all-out effort for members held on January 7th.

YOUTH WINNER—This embroidered cotton pique formal made by Annabelle Barclay, Alsea, Ore., was rated tops in the youth division of the National Grange Cotton Sewing Contest. Miss Barclay is one of three finalists for the grand prize which includes \$1000 in cash, a mink cape, and a new car.

ADA MAY BOWLES HOSTS GUESTS DURING HOLIDAYS

Ada May Bowles entertained friends and relatives with a dinner party during the Christmas holidays.

Those attending were: Mr. and Mrs. Hume Fuller, Devol, Okla.; Brenda Carol and Barbara Bowles, Amarillo, Mr. and Mrs. Tom Carse, Mr. and Mrs. Bill Weathered and Brenda, Mr. and Mrs. Richard Nunn and Nacole, Mr. and Mrs. Virgil Mills, Mr. and Mrs. Dan Mills, Troy C. and Rusty, Mrs. Grace Mills, Mrs. Bennie Ola Mills and Mrs. Eva Robison.

DEVOL NEWS

By MRS. ETHEL McCASLAND

Mr. and Mrs. Aubrey Allen of Oklahoma City spent the week end with her mother, Mrs. Coker.

Mr. and Mrs. A. J. Adams over week end company was their children Mr. and Mrs. Irvin Adams and family, Mrs. Billie Mullens and children of Burkburnett; Mr. and Mrs. J. W. Adams and children of Wichita Falls; Mr. and Mrs. Daryl Adams and family, Mr. and Mrs. Charles Adams and children and grandchildren, Malinda, Sidney and Monty Mullins of Burkburnett; and Mrs. Adams sister and husband, Mr. and Mrs. Roy Givins of Wichita Falls.

Mrs. Edna Tanner and Mr. and Mrs. Bill Buckwald of Lawton, Okla. spent Sunday with Mrs. Pearl Coker.

The grandchildren of Mr. and Mrs. A. J. Adams discovered a bag on the creek bed of Deep Red while playing Christmas day along the creek bank north of Cookie Town. The bag was found to contain hundreds of coin wrappers also money bags which bear the identification of a number of banks. The Cotton County Sheriff's office was notified and the FBI agents have

'DOGS MEET
BOWIE FRIDAY

The Burk Burnett Bulldogs
bring the District 4-AAA basket-
ball race to their home court
Friday night, as they entertain
the powerful Bowie Jackrabbits.
Both teams opened the district
slate earlier this week, with the
Bulldogs dropping a 77-61 deci-
sion to Hirschi's Huskies, and
Bowie clipping Vernon to the
tune of 77-50.

The Rabbits, sporting an 8-7
season record, will bring high-
scoring Dwayne Hamilton and
Whit Coffield into action.
Both have been stellar per-
formers for Bowie this season.

Tuesday night, Robert Nunn
canned 16 points to lead the fu-
ture Burk assault against the
Huskies. Preston and Kuntz ad-
ded 13 and 12, respectively, as
the Bulldogs attempted to wipe
out first quarter deficit of 22-9.
Game time Friday is 6 p.m.
with the B teams seeing action
in the curtain-raiser.

69-2191 For Quality Printing

Lieutenant Jones
Finishes Course

FT. BLISS, TEX. (AHTNC)—
First Lieutenant James O. Jones,
son of Mr. Onis V. Jones, 515
E. Cleveland, Electra, Tex.,
completed the air defense ar-
tillery officer basic course Dec.
17 at the Army Air Defense
School, Ft. Bliss, Tex.

During the nine-week course,
he was trained in air defense
artillery operations and tactics
with a major portion of his stu-
dies devoted to the Nike-Hercu-
les missile system. The course
was climaxed by a field exer-
cise at McGregor Guided Missile
Range, N. M., where the class
fired two missiles.

Lt. Jones received his com-
mission through the Reserve Of-
ficers' Training Corps program.
He attended the University of
Iowa, Iowa City, Baylor Uni-
versity, Waco, Tex., and Mid-
western University, Wichita
Falls, Tex., and holds a B.S. de-
gree. He is a member of Phi
Sigma Kappa, Sigma Xi, and
Beta Beta Beta fraternities.

His wife, Marilyn, lives at
601 E. Fourth St., Burk Burnett,
Tex.
