—Donley County Livestock and Agricultural Exhibit, Clarendon, Texas, September 17th and 18th. Two Big Days.

The Clarendon News

—Vote Saturday for the man whom you think is the most able to be governor of Texas, leaving all prejudice behind.

$2.00 Per Year | All The Local News—While It Is News. | CLARENDON, DONLEY COUNTY, TEXAS, THURSDAY, AUGUST 26, 1920. | Established in 1878. | New Series, Vol. 31, No. 35.

A. L. CHASE HEADS COLORADO-TO-GULF HIGHWAY ASSOCIATION NEXT CONVENTION AT FORT WORTH

ELECTION OF CLARENDON MEN AS PRESIDENT AND SECRETARY OF COLORADO-TO-GULF HIGHWAY GREAT RECOGNITION OF THIS CITY'S IMPORTANCE. THE EFFECT IS TO MAKE CLARENDON HEADQUARTERS FOR THE ROUTE WHICH INSURES MORE PUBLICITY.

The following news item clipped from the Trinidad, Colorado, Chronicle-News will be of special interest to the citizens of this section of the Panhandle, Since A. L. Chase has been elected president and Roy B. Mefferd secretary of the association. We feel that no better selections could have been made in securing men of special fitness for their respective positions.

President, A. L. Chase of Clarendon, Texas.

First Vice-President—C. H. Walker of Dalhart, Texas.

Second Vice-President—T. H. Burdett of Hillsboro, Texas.

Secretary—Ray B. Mefford of Clarendon.

Treasurer—A. R. Davis of Raton, N. M.

With the election of officers and the selection of Fort Worth as the place for holding the next annual convention, the business of the 1920 Colorado-to-Gulf Highway Association was concluded at the Chamber of Commerce yesterday afternoon. The next convention will be held in the month of April next year, dates to be designated later.

Each county through which the highway passes will choose a director to be named by the board of officers who will meet some place in Texas in the coming weeks.

A. L. Chase, the new president, is of the firm of Carraway & Chase of Clarendon, dealers in wholesle oil, and is a staunch highway booster. The new secretary, Ray Mefford, is secretary of the Clarendon Chamber of Commerce.

At the afternoon session Monday an address was delivered by Harrison Golsmith, secretary of the Rocky Mt. Auto Trades association. A report of the organization committee with Mr. Farquharson was presented and adopted. On this committee wiht Mr. Farquharson was W. H. Blaine of Amarillo, Texas, C. J. Costello of Bowie, Texas, F. E. McDowell of Dalhart and E. E. Jackson of Colorado Springs.

From the standpoint of attendance the convention was a success and to a large extent stimulated interest in the Colorado-to-Gulf highway. It was admitted there had not been an organization that had effectively promoted the highway and it is now planned to employ a paid secretary ztion work and publicity.

Today many of the delegates and visitors of the convention with Trinidad people are enjoying an outing in the beautiful Stonewall country. The trip was made in autos and at noon a box lunch will be served. Before returning the party will visit the San Isabel national forest.

About twelve cars with chamber of commerce members and visitors attending the convention pulled away from the court house this morning for the day's outing at Stonewall.

The last Texas delegate to arrive is D. W. Wooley of Channing who arrived this morning. Though he missed trpheocedgiens btrs missed the proceedings of the convention he was in time to take the excursion to the mountains.

TRADES TRIP DATES SET SEPTEMBER 7-8

The special committee appointed by the Chamber of Commerce to make all necessary arrangements for the Trades Trip planned by that organization have set the dates for September 7th and 8th, which will fall on Tuesday and Wednesday.

Unless there is a change in the tentative outline of the trip now the first days journey will be down thru the Brice community, through Leslie, Lakeview, Memphis, Giles, Hedley, Lelia Lake and home. The second day of the excursion will be by way of Jericho, Groom, Claude, Goodnight, Ashtola, and Home Sweet Home.

The business men of the city are urged to co-operate with this special committee in every way to make this two-day affair a mighty incentive to fall trade in Clarendon.

POWER PLANT ALMOST READY TO GIVE SERVICE

The new semi-Deisel, 150 horse power engine recently installed at the light plant is now ready for operation. The factory inspector must pass on the job before any real service begins. He is expected to arrive on the scene most any day. A 75 kw generator will be put into use at first pending the arrival of a hundred kilowat generator. The small one is said to answer the purposes for the present, but will be kept for emergency use after the arrival of the larger generator. Some real light service is expected when the big engine gets on the job much to the joy and gratification of a long-suffering populace.

BAPTIST REVIVAL CONTINUES TO HAVE LARGE CROWDS

Large congregations continue to attend the Baptist revival being held at the Baptist revival being held Smith. The sermons are most interesting and there seems to be much spiritual awakening upon the the part of those who attend. Many conversions have resulted. Mr. Davis, who leads the singing, is doing a great work and his solos are appreciated very much.

BULLETINS WILL BE GIVEN OUT SATURDAY NIGHT ON ELECTION

Saturday night following the run-off primary bulletins will be posted at the Rexall corner as they were on the night of tht first primary. County Chairman Braswell and Mess. Beville & Sons will handle the returns and all the citizenship are invited to drive down after supper and hear the fortunes of their respective favorite candidates. There will be no necessity for further funds to be collected as there is still a balance from the first bulletin fund to cover the cost of the news on the ran-off.

Through the Star-Telegram at Ft. Worth The News has been able to secure reports without cost except the telegraph tolls. Reports will also be secured from Amarillo, and possibly Wichita. Local election judges throughout Donley county are urged to phone in their reports at the earliest possible moment at the close of the election. Call the county chairman at his expense.

"Y" BUILDING BEING PUT IN READINESS AT RAPID CLIP

A force of workmen are rapidly putting the "Y" building in shape for active use, the ceiling being finished and painted at present. The carpenter work is being directed by A. Burkett while W D. Tyre has charge of the painting. The floors will be of oak and other inside finishing in keeping with the same quality and beauty.

The active population of the city is jubilant over the early prospects of having a place to meet for mutual improvement for both the spiritual and physical man. None are more interested than the kiddies who have already tried out the pool under a disadvantage and have been keeping a close tab on the progres of the pool and general arrangements connected therewith.

The building will be in entire readiness within six weeks or possibly before that time according to those having the work in charge.

TWO NARROWLY ESCAPE DEATH WHEN HIT BY TRAIN

While crossing the Denver tracks some three miles east of Memphis Monday morning, a car occupied by L. L. Foreman and Ben Huchton was struck by a freight engine and narrowly escaped death.

Foreman, who was doing the driving, was thrown clear of the track and received two broken ribs and many bruises. Huchton was also thrown clear of the wreckage and escaped with severe bruises and the shock that usually follows such accidents. Both men are recovering as rapidly as could be expected.

CHAMBERLAIN ITEMS

Crops are looking fine at this writing.

Several from this community have been attending the revivals at Clarendon this week.

Mess. Huffstutler, Oran Hott and Alfred Huffstutler returned Saturday evening from Mexico, where they have been prospecting. They seem to be satisfied with the Panhandle.

Several from this community went to church at the Hudgins School House Sunday night.

Gordon Dingler spent Saturday night and Sunday with Mrs. Flossie Hott.

Mr Dingler and family spent Sunday with W. T. Bell and family.

Mr. J. N. Neely and family spent the day at Mr Couch's Sunday.

The revival at the First Christian Church continues with great interest, and good results. The meeting will continue over Sunday and we anticipate the greatest day of the entire revival next Sunday. Additions are being had at nearly every service. The plain, practical gospel sermons of Bro. Strong are encouraging and strengthening the faith and zeal of the membership, and unbelievers are being convinced of their need of a Savior. The inspiring, soul thrilling solos of Mss Wofford, furnish one of the greatest blessings of every service. Every one is urged to attend every service and help to make this revival the greatest in the history of this church.

P. R. Huckleberry, Pastor.

Mrs. Homer Glascoe was hostess at a most delightful card party and linen shower, given in honor of Mrs. T. H. Ellis on Friday afternoon of last week. Many beautiful gifts were bestowed upon the honored guest, and a delicious salad course was served to the following girlhood friends: Mesdames T. H. Ellis, Sam Dyer, Winnie Dyer, Chas. Trent, A. L. Chase, F. E. Chamberlain, J. M. Calhoun. M. L. Kelley, W. C. McDonald, Stanhope McClellan, A. T. Jeffries, Sam Joekel, Bob Strickland, and Misses Anne Nevis, Laura Nevis, Marjorie Turner, Marion Letts, Catherine Patrick, Mamie Harrington, Ruth Harrington and Maud Harrington.

Drs. Jenkins are moving to their handsome new office building near the Presbyterian church this week.

CARAWAY CHILDREN ALMOST VICTIMS OF TERRIBLE AFFAIR

One the return of Odus Caraway and family from their trip to Flint, Mich., where the former went after new Buick autos, Clarendon people are learning of a little accident which almost culminated in a horrible tragedy. On their route home driving the new cars from the factory night overtook the party about forty miles the other side of Oklahoma City and at the request of the children permission was obtained from a farmer to allow them to camp for the night on the banks of a creek just over the fence from the main highway. How near this request came to being the means of the tragical death of the children was the source of terrible mental suffering on the part of the fond parents and a matter of sympathetic wonder on the part of their many friends here.

Driving into the pasture the cars were headed down a little decline towards the water's edge, where the camp for the night was made. The emergency brakes were set on each of the machines and after the usual evening romp with the children they were put to bed in the tonneau of one of the cars, Mr. and Mrs. Caraway sleeping on cots nearby. On account of the damp coolness of the atmosphere the curtains on the car occupied by the children were closely fastened and when Mr. Caraway got up to see about the kiddies about 4 o'clock in the morning nithnig had gone amiss nor had the car moved from the place where it had been left.

In the early dawn Mr. Caraway was called hurriedly by Mr. R. O. Thomas, who was driving the other car, and informed him that the car occupied by the children was in the water. Rushing down to the bank he found the car standing with the radiator submerged. the water well up in the front of the car and the rear wheels about half out of the water. This left the children still some inches above hte water level, but the angle of the car was such that the party was almost frantic until the curtains had been snatched open and the children wakened up and passed to the safety of the shore.

On examination it was found that the emergency brake was still set and no one will ever know just how the machine got into motion and rolled down into the water. Just a few feet farther there was an abrupt jump-off into twenty feet of water and the wonder of wonders is just how the big car kept from rolling on into the depths while like rats in a cage the poor children would have lost their lives without being able to make any sound or scarcely make a struggle. The shock was so severe on the mother and party that when Oklahoma City was reached several days were spent there in absolute rest and relaxation before any effort was made to take to the road again.

The engine of the car was completely filled with the water and after it was hauled from the creek into the next town it ws carefully drained and put into action without any injury. The creek where the near-tragedy was enacted happened to be swollen and it is thought that the mushy turf of the first few feet in the water's edge and the fact that an old fish trap was encountered by one wheel is all that stood between the children and a cruel death—a tragedy which would have struck this city like a thnuderbolt.

"God moves in mysterious ways," and all Clarendon will join with the Caraway family in thankfulness for the safety of the children in the face of so great a danger.

NEW WESTER REFLECTS CRFDIT ON COLLEGE

The annual put out this year by the Students Association is without a doubt the best that the institution has ever enjoyed. From beginning to end, originality is the keynote of the book, and the distinctive features are as numerous as the engraving and printing trade knows. The cuts are clear, the printing is done on a super grade of paper, and the entire arrangement is unique. The arrangement of the annual is in five sections: The College; The Classes; Organizations; Athletics; and En Resume. The dedication is the mothers of the students.

Of the college section, many familiar scenes of the campus and the city form the first part; the last half is devoted to the faculty. Due tribute is paid to the various members of the faculty and the co-operation of student body and faculty is at all times in evidence.

The pictures of the classes are arranged on a dark background with the mottoes of each class near at hand. Between the pictures of the Seniors the likeness of the wise old owl seems a happy omen.

The various organizations of the student body get their proper share of the write-up. The Literary societies are among the greatest assets of the college and they have the prominent place with their membership rolls. The social functions of the year are recalled by live write-ups.

The athletics were this year backed up by every member of the student body and faculty alike and an excellent year was the result. The picture of the athletes and events are fine, and when the total of the games are reviewed and the score placed in a row, the year was a victorious one altogther.

Due credit should be given to the members of the staff who had the responsibility of collecting and criticising the material. Ray Loftis was the business manager and, in the end had the editing to do and he did the job up in fine shape. The annual of this year will be the standard for many years to come.

W. R. Durham of near Henrietta arrived here Wednesday for the purpose of buying a home. He already owns some farm land in Hall county and wants to own a farm in the "green belt."

LUNCHEON DEVOTED TO ROADS TALK

LUNCHEON HELD AT SIX O'CLOCK ON ACCOUNT OF WORK IN Y. M. C. A. BUILDING CONSIDERS ROAD IMPOVEMENT

The regular Tuesday Luncheon was held at the Y. M. C. A. Building at six o'clock instead of half-past the noon hour Tuesday of this week on account of the workmen going forward with the completion of the building. A smaller attendance than usual was present on account of the hour and a number of other conflicting matters, but those present were deeply in earnest and the work of the evening was not without profit.

One of the first things done after enjoying the excellent luncheon prepared by the Christian Ladies was to take up the matter of arrangements for the trades trip which has been planned for some time. A steering committee was appointed to set the time and make all arrangements.—Mess. J. T. Patman, O. C. Watson, and Crockett Taylor. The trip announcement and dates are announced in another column.

After listening to the report of the committee sent down into the Brice country to look into the matter of doing some road work in order to divert cotton to Clarendon this fall, the proposition was discussed fully and it was the general opinion that by spending about $2000, together with what free work the people of that section would donate, not less than 5000 bales of cotton could be brought here which might otherwise go to other points. On the recommendation of the committee a finance committee was appointed to apportion out the total cost among the business men of the city and those who would be specialy benefitted. The committee is made up of Mess. Fred Story, Claude McAllister, J. D. Swift, H. Mulkey and George Ryan. These men are busy and The News will give account of their work in next weeks issue.

One of the most pleasant features of the luncheon was the announcement that Mr. A. L. Chase, who had been sent as the representative of Donley County to the Colorado-to-Gulf Highway convention at Trinidad Colorado, was honored by being elected to the presidency of the organization and at his expressed wish, Mr. Roy B. Mefferd of this city had been made secretary. This means that Clarendon will be the headquarters of that organization and all publicity pertaining to the highway will emanate from this center.

SHRINERS AFTER MORE PETITIONS

Members of Khiva Shrine are busy soliciting petitions of novices for initiation at the ceremonial to be held here Thursday, September 2. Recorder R. R. Swift will leave tonight for the South Plains in efforts to sign up more novices. He will go from here to Snyder, where he will be joined by Nobles W. W. Gross and M. A. Fuller who will assist him in the work. While away Mr. Swift will visit Spur and Post also. Mr. Gross is of the opinion that many more petitions can be secured on the South Plains.

Noble W. W. Davis has received from "Hec" Coke Oliver of Slaton, a former newspaper man, a life-size picture of Jiggs, which has been placed on display in the window at meeting of Shriners at that city dressed up in one of Khiva's new fezes.

W. W. Massey of Clarendon has invited Amarillo nobles to attend a meeting of Shrine rs at that city Sunday afternoon. It is expected that a number will leave here about 11:30 o'clock that morning for Clarendon.—Amarillo News.

EHLINGER TO INVESTIGATE DONLEY ROAD SITUATION

Leo Ehlinger, district engineer for the state highway department, will go to Clarendon Friday and Saturday to meet with the commissioners of Donley County to make an investigation and work on an estimate of the cost of constructing a road system for that county. The estimate is desired, he said, by the commissioners to guide them in deciding the amount of money to be involved in a bond election to be held to determine whether or not a new road system will be constructed. Mr. Ehlinger will go to Clarendon at the invitation of the Clarendon Chamber of Commerce.—Amarillo News.

AGED MINISTER ENJOYS MANY DISTINCTIONS

Rev. Shelby King, the oldest Missionary Baptist minister in Texas, was in town Tuesday on his way to join his son in New Mexico. Rev. King is eighty-seven years old, was licensed to preach more than sixty-two years ago. Not only that, he enjoys the distinction of having officiated at the golden wedding ceremony of a couple which he had joined in wedlock more than a half century past. The venerable man is known and loved by hosts of the people of the southwest for his Godly nature, kindly disposition and that big-heartedness redolent of the southwest.

J. O. Quattlebaum of McLean will move his folks over soon to make his home in our city, he having purchased the J. B. Annis home on the hill in the south part of town. This is one of the many beautiful homes in the City Beautiful and we congratulate the new owner because of his fortunate acquisition.

J. T. Patman and M. M. Noble had business in Hedley Tuesday.

RECORD PRICES OBTAINED WITH TOP $3,300 FOR GILT

Childress, Texas, Aug. 25.—The outstanding feature of the sale of registered Poland China hogs here Saturday by Lewis & Cunningham was the spirited bidding on sows and gilts bred to their phenominal spring yearling boar, the Ranger, which sold for an average price of of $1,066.25 a head. The entire offering sold for $18,085 The thirty-three sows sold averaged $532.88. The top of the sale was an April yearling gilt, sired by Chief Price 2nd and bred to the Ranger which sold to W. L. Butler of Lelia Lake, Texas, for $3,300. She is the highest priced gilt of any breed ever sold in the Southwest, eclipsing the record recently set by the Duroc breed in the Lillard Sale at Arlington last July when an open gilt sold for $3,200.

Lewis Bros., from whom the foundation herd for the Lewis & Cunningham farm was secured, have been breeding Poland China hogs for many years. They bought Long Orange at the National Swine Show and developed him, selling him to Lon Alexander then of Childress, but recently moved to Arlington, to head his herd They have two wonderful sons of Long Orange,—the Ranger and Orange Gladiator,—and also Chief Price 2nd, another of their herd boars, is the sire of the top of today's sale, and also sired the top of Lon Alexander's winter sale, Chief's Model, bought by Ludwig Irlbeck of Happy, and now owned by Frank M. Clark of Hedley.

Poland China Circuit

Considerable interest has been aroused in auction sales, practically an innovation in this section. Other auction sales of Poland Chinas for the coming month are:

R. A. Welch, Red Oak, Okla., Sept. 7; E. T. Dunlap & Son, Red Oak, Okla., night of 7th; Gilliam & Sharp Checotah, Okla., Sept. 8; Parvin & Cunningham, of Prosper, Texas, sale at McKinney, Sept. 9th; Frank M. Clark, Hedley, Texas, Sept. 10; Ludwig Irlbeck, Happy, Texas, Sept. 11. A special Pullman will be run from Fort Worth to Hedley and to Happy for these sales.

The animals sold were:

Lot D, boar, Joe Howard, McLean, Texas, $300.

Lot E, boar, Cox Brothers, Childress, $200.

Lot 1, C. E. Alexander, Childress, $775.

Lot 2, Leopold & Lewis, Childress, $320.

Lot 3, Jack F. Jones, Dodsonville, $300.

Lot 4, C. F. Franz, Turkey, Texas, $200.

Lot 5, Ludwig Irlbeck, Happy

Lot 5, Ludwig Irlbeck, Happy, $225.

Lot 7, Jack F. Jones, $700.

Lot 9, Jack F. Jones, $500.

Lot 10, W. L. Butler, Lelia Lake, $170.

Lot 11, Ludwig Irlbeck, $225.

Lot 14, Ludwig Irlbeck, $825.

Lot 15, A. S. Clark, Bartlett, $425.

Lot 16, C. L. Franz, Turkey, Tex., $350.

Lot 17, Ludwig Irlbeck, $200.

Lot 18, W. L. Butler, $425.

Lot 19, Ludwig Irlbeck $225.

Lot 20, Ludwig Irlbeck, $225.

Lot 21, John Lindsay, Bartlett, $290.

Lot 22. B. H. McClelland, Childress, $280.

Lot 23, Claude E. Alexander, Childress, $500.

Lot 24, W. L. Butler, $1,300.

Lot 27, Frank Clark, Hedley, $1,-050.

Lot 29, W. L. Butler, $1,225.

Lot 30, S. T. Cheatham, Childress, $1,225.

DONLEY COUNTY MELONS BRING FANCY PRICES

The melon crop is rolling. They are being brought to town by the wagon load and numerous trucks are being pressed into the service in order to rush the loading of cars. C. J. Tally loaded a car Monday that brought $391.00 on the track. Melons are being shipped out in car lots over the Denver in many other places in Donley county due in part to the biggest crop ever raised in this section of the Panhandle.

Editor B. O. Brown of the Vernon Record was here Saturday night and Sunday morning enroute to Trinidad, Colo., where he attended the meeting of the Colorado-to-Gulf Highway convention. Editor Brown is a special friend of the News editor and visited with this office between trains.

The Ladies Christian Aid met with Mrs. Clonpit Aug. 18 with 13 members present and 3 visitors. Had a good lesson study from the Bible. Ice cream and cake was served by the hostess, assited by her daughter. Mrs. Will Martin from Amarillo.

Miss Lucile Martin is here visiting with her parents, Mr. and Mrs. N. N. Martin. Miss Martin is connected with the Government's radio work for the Navy in Washington, D. C.

Guy Martin and wife of Cisco, Tex. are here visiting with the former's parents. He will return in a few days to resume his duties as acting field superintendent on an oil lease for a company in the Ranger field.

A good word from J. R. Bartlett and family locates them at Mineral Wells. Mr. Bartlett states that he is having the time of his life, a fact which we are all glad to learn.

Encouraging reports come from the folks of Windy Valley regarding the revival being held there by Rev. H. G. Finley, which began Sunday last.

HON. E. A. SIMPSON DELIVERS TELLING BLOWS FOR BAILEY

AMARILLO LAWYER FORMERLY OF THIS CITY HOLDS LARGE STREET AUDIENCE WHILE PRAISING BAILEY

Speaking in behalf of the candidacy of Hon. Jos. W. Baily, Democratic aspirant for the office of Governor of the commonwealth of Texas, Hon. E. A. Simpson of Amarillo addressed a large number of interested voters on the streets of Clarendon Saturday afternoon, Aug. 19th, at two-thirty P. M. Capt. Simpson, as he is better known to the people of Donley county and this section of the State, is a former citizen of our city and is well and favorably known throughout this section of the Panhandle, having raised and trained a company of infantry which saw active and glorious service on the fields of France during the late war.

Mr. Simpson said in beginning his address that he above everything else desired to be fair in discussing the merits and faults of both contestants for the governorship of Texas. In pursuing this purpose he presented the qualifications of both candidates, reading from the life of each and showing what had been accomplished by each as found in the records of state and most of which still is fresh in the memory of many of our citizens. As Mr. Simpson stated it was not his purpose to enter into fulsome praise of either man, neither did he desire to criticise ither except insofar as was necessary in presenting the actual things accomplished by each. Neither is it our purpose in reporting the speech to enter into an extended account of the matter as presented by Mr. Simpson—but only the general outline that he followed.

In outlining the qualifications of each candidate, Mr. Simpson showed that each man was possessed of a University eucation; that each man was a lawyer. but that Senator Bailey had had considerable more and broader experience than Mr. Neff in this regard; that each man had had legislative experience, Mr. Neff served in the Texas House of Representatives and was elected speaker of the House while serving in that body, while Sen. Bailey served both in the House of Representatives and two terms as Senator from Texas in the National Congress. During the time Mr. Bailey served as Representative fro mthe Fifth District of Tex., he was signally honored by the Democratic party then in the minority, by being nominated without opposition as the democratic candidate for Speaker of the House of Representatives, an honor never before nor since conferred on any Representative from our State. In answering the charge that Mr. Bailey was not the author of a single constructive piece of legislation while in Congress, Mr. Simpson pointed out that while Mr. Bailey was in Congress, the Democrats were in the minority, whether of the Republican or Democratic faith, always were very particular in seeing that all constructive legislation bore the signature of a member of their political faith.

Mr. Simpson then spoke at length as to why he did not believe that Mr. Neff should be elected Governor. He gave a number of these reasons and backed them up by affidavits and copies of the records of office during Mr. Neff's incumbency as County Attorney of McLennan County. The details of which are doubtless fresh enough in the memory of all who heard him, whether supporters of Mr. Bailey or Mr. Neff. It was also shown that Mr. Neff's war record consisted in riding a Pullman across the State of Texas, equipped by the Red Cross, and in making a few four minute speeches from the platform, being refreshed and cooled, as pictured by Mr. Simpson, by an invisible electric fan, playing upon the placid, and beatific countenance of the hero of the "Four minute speech brigade."

Mr. Simpson made during the afternoon perhaps the most forceful speech that he ever made in Clarendon, and according to many of his friends, undoubtely made many votes for the candidate whose cause he championed.

MRS. IDA CHITWOOD WILL TAKE CLUBS ON FISHING TRIP

The members of the Donley county canning and poultry clubs are to be treated to a real outing September 23rd and 24th. Mrs. Ida Chitwood, county demonstrator, is asking that all members make preparations in plenty of time to make the trip to the canyon—the exact place to be announced later. The principal feature on the program will be fishing—Homer Mulkey claims to know just where they "bite" best and has volunteered his services to lead the crowd to the exact location even though he has guarded that spot with the same jealous care that Captain Kidd did his mythical treasure on the unknown island. Anyhow, it will be one of the biggest features in the season's work for all who can make it convenient to go along with the bunch Get your bedding and camping outfits ready—you know what it takes—and don't delay the matter until too late to get your name in the "pot." Homer Mulkey has the turtle and bell ready to turn loose in the pond to scare the finny fellows out on the bank where they may be easily dispatched with a club.

Miss Mannette Leake returned Saturday night from Canyon where she has been attending the summer normal at the state school.

Mack Hudspeth of Dallas is visiting Misses Annie and Lucile Dozier.

LOCAL DRILLING REPORT OF TESTS SHOW ACTIVITY

OPTIMISM SHOWN IN ATTITUDE OF DRILLERS AND STOCKHOLDERS IN THE SEVERAL OIL TESTS IN DONLEY CO.

Wildcat drilling in this section of the Panhandle received added impetus since oil in some quantity has been found in the test near the Ox Bow bridge. The same quantity and quality was also found in the Deep Lake test. It is now thought that the same sands exist in both places and that a large pool will be ppened when the proper depth is reached. The Virginia-Tex company which is drilling near Ox Bow, resumed their labors passing up the small showing at the present depth.

No late reports have been received from Deep Lake, though it has been reliably reported that the company would go on down just as soon as the obstruction was removed that was placed in the hole some time ago by what is alleged to be unknown parties. Other reports state that the obstruction is a concrete fill put in to be redrilled that the hole might be made straight. Still another report has it that a bit was lost in the hole and that it is being pounded to one side until the bit can pass. You may take your choice of the various explanations.

The Crane-New York test on the Bugbee ranch northwest of here in charge of Ed Martin, is still drilling. They encountered a quick sand strata at a depth of 225 feet but have successfully gotten by that, reaching a present depth of 575 feet. It will be remembered that this company found an artesian flow during July and the hole is now full of water. Since eighty per cent of the drillers either lose their tools or get their casing stuck in this treacherous formation, it may be readily understood by the unitiated just why progress has been so slow. Taking everything into consideration, the crew has made wonderful progress on this test hole.

E. D. Martin, who has charge of the drilling of this test, states that he expects to get hrough the presen formation this week and that, judging from the logs of other wells in this locality, the formation underlying the present strata will stand to a depth of 2500 feet.

The crew at the Lelia well happened to some more bad luck the last of the week and have spent most of the time since fishing for a lost string of tools. The gray lime formation holds out and those in outhority confidently expect a fine showing when that formation is passed through. Special tools were expected to arrive Wednesday which will enable them to get the lost tools.

BIG THINGS BEING DONE BY MARTIN COMMUNITY

The various clubs of the Martin community will meet at the home of Mrs. W. M. Mosley Monday, August 30th, at 9:30 a. m. These clubs will spend the day in canning vegetables for both home use and exhibition purposes. Every woman and girl in this community are urged to attend this meeting and bring your steam pressure canners, vegetables, cans and help do the work. Also bring your dinner which will be spread under a big shade tree in Mr. Mosley's back yard.

A large variety of vegetables will be canned at this meeting under the direction of Mrs. Chitwood, County Demonstration Agent.

CARAWAY GATHERS IDEAS ON LONG OVERLAND TRIP

Odos Caraway returned home Sunday from Flint, Mich., having made the trip overland in a new Buick. He traveled across parts of the states of Michigan, Ohio, Illinois, Iowa, Missouri, Kansas, Oklahoma and Texas. He states that the worst roads were those of Illinois which resembled some of our local roads. Some of the Missouri road bed was in bad shape but most of it in fine shape and well kept. Mr. Caraway has always been a good road enthusiast but has the fever even more than ever now, declaring that the traveler always judges the country by the roads as he passes through it. Of course he is right about it.

MEETING IS ANNOUNCED FOR CHURCH OF CHRIST

The meeting to be held at the Church of Christ to begin Sunday, September 12th, is announced in this issue. Evangelist Foy E. Wallace. Jr., who held the meeting here last year, will do the preaching at this revival. The singing will be led by Mr. J. W. Acuff, a singer well known over the state and who is a member of the Trio music company of Waco.

Those who heard Mr. Wallace last year will be glad to know that he will again be with us, though a young man, he is credited with being one of the leading evangelist in the brotherhood.

STOCKING STORE GETS A RESTFUL RENOVATION

The Stocking drug store was treated to a thorough cleanup, change all round and a coat of white enamel on the inside this week. A much larger stock has also been added. The arrangement of the stock with the added light presents a very beautiful appearance indeed.

Mr. and Mrs. Homer Glascoe left over the Denver this morning for Tucumcari on a combined business and pleasure trip.

The World's Choice
for the chocolate gift

FIRST in the East the fame of *Quinby's California Chocolate Shop Chocolates* quickly spread. Now from far off countries comes recognition of their vast superiority. To fastidious friends they solve the gift-giving problem, especially at this time, in a way no ordinary chocolates could. The dainty redwood box remains a useful memento when the chocolates are but a delicious memory.

THE AMERICAN PRESS ASSOCIATION

Any man who will fall out with his neighbors about political differences may not be reckoned as a friend and his loss as such is no loss at all.

Some of our town people have been rather amused and entertained by the continued appearance recently of women tourists in male attire. Possibly these women are ignorant of the fact that they are violating a state law by appearing in public in this tom-boy dress, and the ignorance might be forgiven if some of them didn't assume a swaggering walk and attitude. Anyway, one of our Clarendon boys who wore the khaki and knows how it ought to be worn says most of these Janes ought to learn how to wear their trousers—in other words they ought to "to take up the slack." There might be some excuse for women to wear overalls on a camping expedition far from the centers of population but this swaggering down the streets of genteel and ladylike cities like Clarendon is an imposition on good nature and a severe strain on the eyesight.

As predicted in these columns a few weeks back, the interstate commerce commission after rehearing the plea for a loan by the Orient railroad, reversed its former adamant position and granted this most worthy servant of Oklahoma and Texas communities the loan, without which it would have been forced to suspend business. Bureaucracy can only serve the people of a nation when its inner chambers are open to the pleas of justice. The granting of the loan will be hailed with delight by every person who knows the conditions of the road and the mighty commercial and agricultural possibilities of the section through which the Orient operates.

The Donley County Livestock and Agricultural Exhibit is only about three weeks off and all who are enlisted in the work are busy on the plans to make this the greatest Fair ever held in Donley County. Last year the fair was held at Hedley and Clarendon people were glad to help them make it a success. This year it was brought to Clarendon and so far there has been nothing but hearty co-operation from the Hedley end of the county. This speaks well for the broad spirit of Donley county people nd insures the success of whatever enterprise the doers may embark upon. Get ready to come to the Donley County Fair September 17-18. Two big days in the best town in the best county in Texas.

There is great rejoicing among the suffragettes following the action of the Tennessee legislature in ratifying the nineteenth amendment. The more sane ones contend, however, that it will be necessary to get one more state on their side of the ledger in order to offset the probable unconstitutionality of the Tennessee action. The News has not changed one iota in its belief that the final ratification of the nineteenth amendment will be a sad day in the history of the republic, but why jump on poor old Tennessee about it? If they hadn't spilled the beans, some othr bunch of time-serving solons would have done it for them. We shall see what we are now seeing and a lot of other strange sights as well.

Flour, Meats and--

Good groceries here, the whole long year, from sugar clear to beans,
Right here's the store with goods galore, from ginger-snaps to greens,
Our goods in cans are high-class brands, our ketchup up to date.
Crackers, cakes and breakfast flakes, and candy something great,
Eggs and rice and cloves and spice and coffee that is ground,
Raisins, peas, soap, prunes and cheese and butter by the pound,
Yeast and fruits, the kind that suits, we keep the best on earth,
Select the stock that none can knock, and get your money's worth.

RIGHT HERE WHY NOT?

—We give you what you want, when you want it, the way you want it.

Shelton, Watts & Sanford

Phone 186

The News does not believe that the record in the family Bible of the Neffs is mistaken as to the age of Pat. We believe that Pat was out of the draft age, knew he was, and knew there was no call for him to register. The News does not believe that Pat Neff was a slacker, nor that Joe Bailey was a slacker. People that charge this against the two candidates are shortsighted, narrow and prejudiced to the degree that they are not sound in their judgment and therefore have no claim on the attention of their neighbors. As to the discrepancy in the Bible record and the other records The News believes it understands just how it all came about. When Mr. Neff was elected speaker of the house at Austin according to the Bible record he was 31 years of age. Up to that time no speaker of the House had ever been eleceted to that position younger than thirty-one years old. In his eagerness to be acclaimed the youngest speaker of the House ever elected in Texas he just slipped his age back one year and then in order to keep the record straight he just had to continue to give his age in keeping with that one-year mistake. He doesn't deny that he gave his age in to the various publications as being born in 1872. He merely tells a truth by saying that his mother and the family Bible say he was born in 1871, and therefore not in the draft age. As a matter of fact the little discrepancy has small bearing on the governors' race insofar as Mr. Neff's ability is concerned. It appears to be one of those little white lies that are sometimes scattered along life's pathway, and which have a peculiar habit of bobbing up at the wrong time. It doesn't effect our judgment in the matter of who to vote for in the least. The News has said and it still believes that Mr. Bailey is more able in every way to give Texas the best administration and for that reason it gives him loyal support.

The News editor felt that Wm. J. Bryan, Champ Clark and others were wonderfully wrong in their opposition to the selective draft act, as we believe that it was the best and fairest law to meet the emergency when the war came upon us. Yet, never for one instant did we charge that they were not Democrats or lacked in patriotism because they differed on the method of gaining the desired end. Any Democrat with so little sense is a disgrace to the party. Yet, today, here in Texas, we have a coterie who are so self-centered and puffed up with bunk that they think they can read every man out of the Democratic party who fails to agree with them, many of whom at different periods of their political careers have refused to endorse some specific act of the party. They are great felows—provided you can forget their inconsistencies. Any party man who practices such methods proves himself unworthy the trust of decent Democrats and deserves to be reduced to the rear ranks.

One of the pleasures of this summer to the News editor was the fraternal visit of Editor John Esten Cooke, editor of the Rockdale Reporter, President of the Texas Press Association, and former newspaper man here in Clarendon. We had the pleasure of having this most estimable gentleman in our home and enjoying his shop talk here in the office. Mr. Cooke has been away from home for a few weeks on a vacation following a nervous breakdown on the death of his wife in July. Of course he is saddened by his loss—immeasurably saddened—but he bears up under the blow like a brave man that he is and continues to scatter sunshine wherever he goes. His old friends here in Clarendon love him no less than his staunch friends at Rockdale, and he is worthy of both.

SHOULD HAVE SECOND TERM

Lieutenant Governor W. A. Johnson will be in the run-off primary in the race for his second term. It has become almost a religion with Texas Democrats to give its representatives a second term where they have served acceptably in public office. This is very correct. Governor Johnson was tied up a month in the legislature just before the primary, and another month in the governor's office while Governor Hobby was away as a delegate to the San Francisco convention. This prevented even a start at a campaign for his second term. We believe that in the run-off primary the people will do th proper thing by giving him the second term. He has has dispatched business in the Senate more rapidly and correctly than it had been for many years.

Some perhaps voted against him in the first primary, thinking he was the man who pardoned Watson for killing Banking Commissioner Patterson. He was not the man, as it was R. M. Johnston of Houston who pardoned Watson.

Governor Johnson is a prohibitionist, for suffrage, and a strong supporter of the national administration. Do substantial justice and correct an unconscious injury to him by giving him your vote for a second ter mfor Lieutenant Governor.

BAILEYITE BALL BATTLE NETS NEFFITES NOTHING

The ball game played Tuesday between the "Baileyites" and the "Neffites" resulted in a score of two to one in favor of the "Baileyites," the "Neffites" losing much money on the side.

The calling of the game with a cool breeze blowing set every one astir. Money by the thousands was being placed on both sides amid wild cheering. The "Baileyites" were handicapped from the start because of their extreme "ignorance," many of the other side declaring them not mentally "competent" to play a game of real ball. While they did their best, many of them after swatting the pill moped off to first like a pall bearer at a funeral only to hear the final roll call of the "ump" call him out. Many of them claimed to be ball players, but the records failed to "show" where they had ever done any real "constructive" playing though they had a chance for more than twenty years. The other side grumbled a great deal on account of the slippery condition of the diamond after the Baileyites scored twice in the 8th inning. Jack Killough and Manly Ozier managed to get around the diamond in the 8th thus saving the day for their side.

The "Neffites" appeared to be timid all the way through the game, some denying that they had ever "shot a gun" much less play ball though they had a chance in earlier life to get into the world league but "failed" to register. In fact the "Neffites" reminded the other side of a bunch of old maids judging from their innocent tactics. Matthew Lane scored one time according to the "records."

The wise judgment dispensed by Holman Kennedy and Forest Taylor in umpiring the game will preserve their names to coming generations, both of their names having been placed in the records of the family bible of one Homer Mulkey.

The players for the Baileyites included: Sam Dyer, c; Jim Roberts, p; Wink Adams, 1b; Manly Ozier, 2b; Jack Killough, 3b; Hope Hudgins, ss; Buck Stewart, lf; Fenn Bourland, cf; H. B. Spiller, rf. The lineup of the Neffites included: Jones, c; B. Albert, p; A. Cook, 1b; Nick Carter, 2b; J. Adams, 3b; U. F. King, ss; Matt Noble, lf; M. Lane, cf; Bill Murray, rf. Matthew Lane made the score for the "Neffites."

PROSPECTS FOR THE COLLEGE FOR NEXT YEAR

I think it due the community to know of the situation of the College with reference to the next season. Reservations have already been made in sufficient numbers to assure the greatest out of town attendance in the history of the institution. Were we not constructing the new wing to the girls' home, we would not be able to accept another girl but by the use of this new wing we hope to be able to care for the girls. There are only two more vacancies in the boys' hall today. Judging by the past there will be at least 50 more boys than can be acommodated in college hill. It will be necessary for the young men to get accommodations in town.

The indications are that the patronage from the town is going to be in proportion to that from abroad. We are limited as to the number of pupils we can care for in the primary and the intermediate departments. All those who were in this work last year at the college will be accommodated. The others will be taken, up to our capacity as applications for enrollment are made. We will not accept a sufficient number in these departments to hinder efficient work.

The registrar and the dean will be in the college office from 9 to 11 each day, beginning Monday, August 30th. If you will board young men or want to apply for a place in any department or want classification, please appear in person at these hours and they will be glad to serve you. Every student who applies for admission in the college this session must present an official statement of all previous school work. Entrance examinations will be required of all students coming from non-affiliated schools. Only those students applying for junior standing will be required to take the examinations. Students doing high school work will be matriculated on the basis of credits presented. These examinations will be held beginning September 11th and closing September 13th. A schedule of subjects may be had by application to the registrar.

G. S. Slover.

PANHANDLE-PLAINS CHAMBER OF COMMERCE

Amarillo, Tex., Aug. 21, 1920.

Dear Sir:

On September the 6th of the current year there is to be held at the West Texas State Normal at Canyon, Texas, a consolidated institute to which there will gather by prearranged plans, the public school teachers of some twenty-two counties. This will constitute a generous congregation of Panhandle teachers and affords an inspirational opportunity rarely available.

Those who have signified their willingness to participate in this consolidated occasion have performed a very wise action and one that will subscribe to the best intersets of the rising Panhandle generation. Some splendid lecturers have been procured for this event and we feel that it will be a very valuable affair in the unification of the Panhandle effort and a harmony of the affairs of this section of the State.

We hope you will urge the attendance of your teachers and that we may have the pleasure of meeting you there.

Yours very truly,
F. R. Jamison,
Secretary-Manager.

MOORE COUNTY ROADS

Some forty miles of first-class road building has been done out of Dumas in Moore county the past few weeks. Over six thousand dollars has been expended for road building machinery and the treasury holds over seventeen thousand dollars yet for road work.

KANSAS HAS EARTHQUAKE

Kansas experienced a real quake Friday when the earth trembled and opened up a crack varying from six to eighteen feet in width for a length of a mile near Mullinville on the Canyon ranch.

WANT ADS ARE CASH IN ADVANCE

We wish to again call the attention of our patrons to the fact that unless they have a regular monthly account with us, it will be impossible for us to open an account with them in order to charge a small item. The loss of time in making these small collections amounts to more during these times of high expense, than the item amounts to. Matter phoned in for the want column must be paid for before the day of publication if the party has no regular monthly account.

Clarendon News.

FORMER CLAUDE BOY DIES IN CALIFORNIA

A telegram received here by relatives stated that Garland Gibson, 13 year old son of Mr. and Mrs. W. R. Gibson, former Claude residents, was injured while riding on a search board at Long Beach, Cal., on Tuesday of last week, dying a few hours later. The remains were buried in Long Beach. His father, W. R. Gibson, was county attorney here for several years. He and Mrs. Gibson were married here until they went to California to make their home.—Claude News.

ONE OF CLARENDON'S VERY BEST HOMES TO BE SOLD AT SACRIFICE

House has five large rooms, hall extra nice bath, and a large screened back porch.

Place has abundant shade and fruit trees, fine well. good windmill and large tank, barn and chicken house.

The improvements alone can not be built for $10,000.00. The owner has interests elsewhere. Place will be sold at a sacrifice. A rare bargain at $7,500.00.

Joe M. Warren & Son.

MATTRESSES—Made to order on short notice. Very reasonably priced. Whipple Produce Co. 35c

YOUNG MAN YOUNG WOMAN

Are you going to College this Fall?

Then you will be interested in a school that offers the following advantages:

1. A standard four years' college curriculum leading to a Bachelor's degree, and specially equipped to offer advanced instruction in Agriculture, Art, Expression, and Music in additon to the usual college courses.
2. A faculty of fifty "hand picked" specialists in the various fields of learning.
3. A department of Music unexcelled in the whole Southwest, giving private instruction in voice, piano, string instruments, band and orchestra besides instruction in public school music.
4. A department of Expression that takes rank with the best in the country.
5. A Department of Agriculture equipped with splendid laboratories and sufficient land for work in horticulture and stock farming. We have a herd of high bred dairy cows, a few fine hogs, and a poultry yard.
6. A school plant that represents the last word in school architecture, consisting of an Administration Building, a Dormitory for Girls, an Infirmary, a metal shop for Manual Training, and heating plant, conservatively valued at $1,250,000 and easily surpassing all other institutions with in three hundred miles.
7. A Dormitory for women that has every modern convenience at a minimum of expense, under the directions of as fine Christian influence as can be found anywhere.
8. A Kindergarten in charge of trained experts, used as a demonstration school for kindergarten teachers.
9. A common school of nine grades under expert instructors used as a demonstration school for grade and high school teachers.
10. A Manual Training Department that offers courses in all forms of wood and metal work and printing.
11. A Director of Athletics and Physical Education for both men and women and the very best equipment for these departments including a beautiful indoor swimming pool, shower baths, an unexcelled gymnasium, six tennis courts, a base ball and football field, a race track, etc.
12. A library of 10,000 volumes unexcelled in quality, administered by trained librarians.
13. The religious life of the school is distinctly invigorating. Devotional exercises are held daily for the entire student body. The Y. W. C. A. maintains a paid secretary who gives general direction to Christian activities. In addition, the Baptist and Methodist Churches will have paid secretaries here during the coming session.
14. Expenses very low—no tuition (except for private instruction) free text books, cheap board.

There is no need for the young people in the Panhandle and Plains to go away from this section for college advantages, when all of the above unexcelled facilities are to be found in The West Texas State Normal College, Canyon, Texas.

J. A. Hill, President.

—But it does no good to save money unless it is put into circulation in some way.

—Until you are ready to invest your savings a safe, patriotic depository for them is a bank account where they will stand for increased credits on which to finance reconstruction and business activities.

—Your funds deposited with this Bank will be safe, immediately available and will be doing their full patriotic duty.

PIONEER NEWSPAPER MAN DIES AT AMARILLO

J. L. Caldwell, who published the first daily of Amarillo, passed away Thursday at the age of 85, death being due to senility. He had been a resident of that city since 1890 and took a prominent part in the development of the metropolis. The deceased was well known to the newspaper fraternity over the state, he having been in the profession since 1854.

Amarillo is to have a twelve ton auto unloading crane according to a statement given out this week by the officials of the Santa Fe railway.

Potter County will spend $6,000,000.00 on her roads during the next few months, contracts being let for that amount Friday of last week.

The sheriff's association of Texas will be held at Amarillo next year.

$1,000 AUTO RACE — ROUND-UP

The Palo Dura Post is planning to put on a real show and Round-Up during the Randall County Fair which will be held in Canyon on September 8, 9, 10. Among the big features will be a $1000 auto race.

A number of the boys got up a Wild West Show last Trades Day which was held at the Normal Athletis field. This gave them an idea of a bigger and better show to be pulled off during the fair. The officer of the Palo Dura Post and the Fair management were consulted, the result being the plans are now under foot for one of the biggest and best Round Ups ever held in Randall County. The show will be a distinct feature of the Randall County Fair, but under the entire charge of the Palo Dura Post.—Randall County News.

Shumate razors are guaranteed a life time by Stocking's Drug Store. Look over our large assortment.

LOCAL & PERSONAL

A ten pound daughter was born to Mr. and Mrs. J. C. Finley on the 20th.

L. C. Shaw was a Quitaque visitor to the metropolis of old Donley Monday.

Slaton Mahaffey and wife returned Friday from their wedding tour thru east Texas.

P. L. Cook, of Cordell, Oklahoma, is visiting here with his relatives J. W. McQueen and family.

Mrs. J. E. Weeks, of Claude, visited here last week with the Misses Mildred and Helen Martin.

Jim Patman returned Thursday from a trip over the Panhandle seeing the world in general.

Mrs. W. H. Gray and son, of Childress, visited here the past week with Mr. and Mrs. W. E. Davis.

W. H. Peters, of McLean, was in Clarendon last Friday on business. While here he was a pleasant caller at the News office, placing his name on the list of subscribers before leaving.

Miss Lydia Belle Ferebee, of Vernon, daughter of Mr. and Mrs. D. M. Ferebee, former residents of this city, arrived here Saturday morning and visited with friends the past week end.

J. M. Jacks, old time favorite of this city and who now makes his home at Dalhart, made a visit with Clarendon folks the first of the week bringing along his daughter, Miss Alma.

Mrs. Stuart Condron returned Wednesday evening of last week from a stay in Hereford with her parents Mr. and Mrs. W. B. Parmer. She was accompanied home by her sister Miss Nell who visited here for several days.

Cleveland Hayter has sold his Conway mercantile businss to Amarillo parties and will give possession the first of the month. We are not informed as to Mr. Hayter's future plans, but hope that he is to remain a Carson county citizen.—Panhandle Herald.

Mr. and Mrs. Cal Shepherd and children have been the hosts of a number of relatives from Lawton, Oklahoma, for the past week, consisting of the following: Mrs. W. T. Adkinson, Mr. and Mrs. Wm. F. Adkisson, Miss Carolyn Payne Adkisson, and Mrs. Jack Adkisson.

John Hendrix and family of Los Cruces, N. M., passed thru here Saturday on their way to pay a visit to relatives and friends in various parts of Oklahoma. Mr. Hendrix is connected with the state A. & M. College of that state and is known to a number of people in this city.

H. M. Parker and family returned from an auto trip to all the larger cities of central Texas, arriving home the first of the week. The big blacksmith and his super made it all right until near Chillicothe when she went in over her nose in a mudhole. It jsut took seven dollars and a half to appease the misery of a team owner to pull her to solid ground. Taken all round, H. M. says it was worth the money and made the folks glad to get back to the city beautiful once more.

Charley Dean spent the front end of the week in Tulia.

Mrs. Mabel Hudgins visitied in Amarillo the first of the week.

Herman Bennett is home again after a sight seeing trip up thru Colorao.

Mrs. J. R. Bond of Vernon visited her husband in this city the last of the week.

C. E. Griggs returned Sunday from a busines trip to the South Plains country.

Mrs. W. J. Atteberry of Amarillo visited friends and relatives in this city the first of the week.

J. W. Meador of Aspermont returned home Saturday after having spent several days with relatives here.

Mrs M. L. Churchman and son of Hope, Arkansas, are visiting at the home of the lady's uncle, S. D. Churchman.

Mr. and Mrs. Earl Beck of Dalhart came down the first of the week to spend several days at the Joe M. Warren home.

Mrs. J. D. Griggs of Crowell and J. L. Griggs and family of Dalhart are visiting at the C. E. Griggs home in this city.

R. L. Biggers left the first of the week for Seymour, Texas, to be with his brother-in-law, W. R. Hillyer, who is critically ill at that point.

Miss Winnie Mae Rutherford returned to her home at Putnam, Callahan county Monday after spending several days visiting in the Lee Morrison home in this city.

Jas. C. Sharp, who has been on the News force for more than a year, will attend the state university this coming school year expecting to matriculate in the law department.

Joe Funk of Basin Springs, Texas, boyhood friend of A. L. Bruce, spent Sunday at the Bruce farm west of town. This is their first meeting in several years and a general rejoicing was the result of the visit.

Mr. and Mrs. W. W. Massey left on the Denver Monday morning bound for most any place west of here on a vacation trip. Here's hoping that they find just what they are looking for and may they have the best time of their lives.

H. N. Mears of near Memphis, came up Monday to get acquainted with the county seat of Donley, he being a new man in the best part of the Panhandle. At any rate he is sure that he is located in a better country than he left in southern Arkansas.

Mr. and Mrs. S. E. Atteberry arrived home the first of the week after spending an extended vacation in Milwaukee, several places in Illinois and Kentucky. Both appear to have reaped a general benefit from the trip from a standpoint of health as well as the pleasure to be found along the way.

H. F. Fields of Durant, Oklahoma, was in the city over Monday for the purpose of selecting a new location. Mr. Fields states that farming is not altogether what it is cracked up to be in that section of the country and that the rains have just about ruined the cotton crop. He expects to retire to a good school town and quit the game.

Oscar L. Smith of Alanreed was over on a business trip Monday reporting everything in fine shape over the way.

H. L. Welch, formerly operating the linotype on the Lubbock Avalanche, is now doing the same stunt on the News force here.

Gene Nolan and family left Wednesday on a vacation trip expecting to see the most interesting parts of Colorado and New Mexico.

S. J. May happened to an unusual accident Monday when a wheel ran off his car near the Allen garage, the accident happening at the right place.

W. L. Watts and family returned to their home at Lawton Monday after spending a week with Rev. and Mrs. J. H. Wats and other relatives in this city.

Miss Geraline Kretchmar and mother are expected to arrive soon from Norman, Oklahoma, to spend the winter with Geraldine's grandparents, Mr. and Mrs. W. J. Parsons.

Tom Zeigler is rejoicing over the arrival of a spitz terrier, a gift of a relative of Ft. Worth. The dog came thru by express, arriving Tuesday and acts true to the name given this noted breed.

Victor Langley, John and Ira North and Roy Wims, all of Erath county, spent the most of the week here admiring this section to the extent that at least a part of them hope to make their homes here in the near future.

Mr. and Mrs. G. H. Boyles, who have been spending a delightful visit of several days at the W. J. Parsons home and with other friends in this city, left the first of the week for Anadarko where they will visit with relatives before returning to their home at Weatherford.

ASHTOLA LOCALS

Dell Shores and family left Wednesday morning of last week for points in Nebraska, where they will visit relatives.

Mrs. Blackman of Garland, Texas, is visiting her daughter, Mrs. W. A. Poovey.

Mr. and Mrs. W. D. Sims of McLean visited the latter's sister, Mrs. J. J. Hanson, Sunday.

J. A. Johnson and W. A. Poovey were business visitors in Clarendon Monday.

Powell Johnson and wife visited with Noel Harvey and family Thursday night.

Ed O'Neil and family expects to move to Goodnight the first of next week. They are moving there for the benefit of the school.

Burn Roy and family of Goodnight visited here with relatives Friday.

Mr. and Mrs. Austin Rhodes and children of Martin visited Fielding Johnson and family Sunday.

Mrs. R. A. Hendricks who has been visiting her daughter, Mrs. J. J. Hanson returned to her home at McLean Sunday night.

J. R. Atkin and family of Quail visited J. A. Johnson and family Sunday.

W. M. PATMAN, Prop.

IT IS TO LAUGH

Southwest Plainsman: Some of the antics of our beloved Government in its efforts to protect the "dear people" from the rapacity of the omnivorous profiteers are enough to wring tears from a cold chisel.

Here at the fag end of summer, comes an order to the federal agents to take a fall out of the iceman! All through the hottest weather, not a thing was said about the exceeding high cost of ice—that is, by the government agents, though the rest of us have fussed enough about it, goodness knows. Now, when the season is all but over, somebody suddenly becomes mightily concerned about the price of ice and straigtway proceeds to order it reduced. Some of the dealers have complied with the order and others have defied the authorities. They well know that the pampered people of this generation cannot do without ice and will pay whatever the companies charge rather than do so. Moreover, if the manufacturers stop making ice as they threaten to do if they are forced to lower the price, the people will resent the Government's interference.

To anyone except a Government official, it does look as though if anything was to be done about the ice situation, the time to start it was in the spring when the season first opened, or rather, allowing for the red tape necessary to Government functioning, it should have been started last fall. Perhaps the work done now may have some effect by another summer but it is doubtful, for by that time, wages will have been boosted several times more or else the bottom will have fallen out of the whole business. In either case making the Government's laboriously collected data, hopelessly out of date.

We would like to suggest that instead of pestering the ice profiteers whose race is nearly run anyway, for this season, the Government might do something that would really help if it would knock a few dollars off the price of coal or make the clothing manufacturers who have been giving us nothing but shoddy and calling it wool and who are now closing down their plants and refusing to buy the sheep raisers' wool, cut their prices in two about twice. Something like that might help some but going after the iceman now looks too much like playing to the gallery.

AMARILLO IS TO HAVE CAFETERIA

According to Amarillo papers, that city is soon to have a cafeteria. The Chocolate Shop is to be the location, the inside of the building now being in the hands of the carpenters for remodeling. The proprietor will be ready for business the first of September, it is announced.

Emmett Richards is visiting at Kasota this week.

The New Things in Ladies' Ready-to-Wear Are Here

And, truly, it seems that each season's designs and materials are triumphs over those of the last season that can never be surpassed. Those who have already viewed this seasons' new things have been astonished at the beauty of line nnd design revealed in everything—Coats, Suits and Dresses.

It is not our ambition to sell the most garments in a season, but it is an ambition of ours to sell each customer a garment of such high quality and at such a low price that she will nlways think of her purchase, and of us, with a feeling of gratification.

Beautiful pile fabric coats for all-purpose wear with generous collars of fur or self material.

Always in good demand, the plush coat is more wanted this season than ever before, and is being shown in the cities in extremely high priced models. The short coats are favored. We are showing them with collars of fur or self material, of beautiful plush.

---$48.50 to $150.00

Suits in such excellence of material, design and workmanship as you see only rarely.

In the wonderful line of coat suits known as the "Klingrite," we are able to offer you coat suits that embody to a remarkable degree that indefinable quality of "chicness" or originality of design, as well as materials and linngs of superlatve qualty. One must see them to appreciate our meaning.

---$25.00 to $150.00

"Sperling" Dresses are more charming than ever, and, as usual, made of finest materials only.

The best testimonial to the sterling qualities of "Sperling" dresses is the fact that the purchasers of the first numbers shown in Clarendon are still buying "Sperling" Dresses. AND, we do not hesitate to make the assertion that no store in the U. S. is selling them as reasonably as we are. We have other lines of dresses, too, and are showing dresses ranging from—

---$24.95 to $110.00

"Jack Tar Togs"

Middies of Super-Excellence

We now have the exclusive selling privilges of this widely-known and nationally adveertised line of middies, and will carry them in a good assortment of styles. They are just as good as middies can be, and the woman or girl who has worn them will tell you so. We want you to try a "Jack Tar" and we know you'll always buy only "Jack Tars" afterward.

$3.00 to $6.00

A Display of Dress Goods

Remarkable for its variety of color and Material

The approach of the Fall season finds us well prepared to supply all demands on our dress goods department. And, since all our purchases were made long ago, we can, and will, sell you your dress goods at prices you can pay.

SILKS—In Satins, Messalines, Taffetas, Georgettes, Crepe-de-Chines, Linings, etc., are here in a multitude of colors and qualities.

WOOLENS—Our stock of plain and fancy woolens is unusually complete, and includes 46 inch and 54 inch materials, as well as some very beautiful coat materials—heavy and warm.

Strickland-Story's
"The Dependable Store"

The Largest Shoe Stock We Have Ever Shown

Do you know—from experience—how good our lines of shoes are? If you don't you can make your shoe money go farther.

Packard Shoes For Men

The splendid wearing and fitting qualities of the "Packard" shoe for men has built for us such a large and satisfied line of customers that we now believe we have the most expensive stock of shoes for men, under one brand, in Clarendon. We chose the "Packard" as being the shoe to offer under our policy of offering for sale the best quality possible at a medium price. Carried in lasts suitable for all feet, and in a wide range of sizes.

$12.00 to $16.50

"Red Goose" Shoes

Are Best For Children

At the risk of being tiresome, we must again tell you that our stock of Red Goose shoes will be more complete, and much larger, than ever before. But the unusual wearing qualities and style in "Red Goose" shoes made the increased stock absolutely necessary. If you are not familiar with this wonderful line ask your neighbor. In all probability, she wll tell tell you how much longer they wore than any ither shoes she had bought. But——don't buy shoes for your child until you see our stock.

"Drew" Shoes For Women

We inherited the "Drew" line of shoes from our predecessor, Mr. D. P. Ross, who sold it, with perfect satisfaction for many years, and ve, ourselves, find it so satisfactory that we now have in our shelves a most comprehensive selection of ladies' and misses' styles. Browns and blacks, in kid and calf, and in low, military and high heels.

$8.00 to $17.50

"Friedman-Shelby" Shoes

Are known as the "All-Leather Line."

Our work shoes, and our medium priced dress shoes bear the above brand, and have proved as satisfactory as any other line of shoes in the house. We might add that Freidman-Shelby Shoe Company makes the Red Goose shoe, in itself an endorsement of their other lines. We can not attempt detailed dscription but we have all styles, and we want to impress on you our belief in our shoes. Try them.

"Steel Fiber Nik" Suits

For Red-Blooded School Boys

We are showing this season a much larger stock of these deservedly popular boys' clothes. Be sure to see the patented double seat and knees, making one pair of pants wear like two pairs. We wish it were possible to get every mother to try at least one of these suits. Come and look them over.

Extra Special

A table full of ladies' and misses' shoes at bargain prices

We have been unpacking this week many thousands of dollars worth of new shoes, and in re-arranging the stock have selected 75 to 100 pairs of shoes, not pumps nor oxfords, in all sizes, which are odds and ends, broken runs of sizes, etc. These shoes will be sold at bargain prices, marked with a green tag, and will not last long at the prices we will put on them. They must move

REGARDLESS OF PRICE!

LOCAL & PERSONAL

John H. Turney returned from a business trip to Oklahoma City Monday.

John M. Warren has purchased the home of his son, Jim, near the Baptist church.

Mrs. J. B. Annis and daughter, little Miss Joe Kate, left over the Denver Monday morning bound for San Antonio where they will spend the winter for the benefit of Mrs. Annis' health.

J. T. Warren had business in Alanreed the first of the week.

Joe M. Waren is hibernating on the south plains to be away for several days.

Mr. and Mrs. W. W. Beaty of Memphis were guests at the Holland home the first of the week.

Mrs. M. E. Cox of Panhandle is visiting at the home of her mother, Mrs. A. H. Baker in this city.

J. A. Warren is the new owner of the J. M. Stevens place on east first street, the deal being made Monday.

Harry Ramsey is back from a vacation trip to Colorado and New Mexico where he saw about all that was worth while.

Roy Guffey is spending most of his time around Claude where he is buying grain. In fact, Roy operates anywhere on the Denver.

Mr. and Mrs. T. L. Fergusson of Lancaster, Texas, spent a few days the first of the week with relatives in this city going from here to Pampa.

Mrs. F. J. Mahaffey and two smaller children returned home Monday after spening several weeks visiting relatives in several places in East Texas.

J. F. and J. L. Frazier of Quitaque were in town on a business mission Monday reporting plenty of rain all the way down to the famous cotton belt.

George Kemp bought the McDowell home near the high school building Monday and will move to town. He also disposed of his crop, teams and surplus stock.

Clyde Butler and J. M. Jordan of Brice report no hail of any great consequence so far in the Brice section to head off the biggest cotton crop in that section. The other crops are right up to now too.

Mr. and Mrs. S. L. Joeckel of Waxahachie are in town for the week visiting at the home of the lady's parents, Mr. and Mrs. Robert Turner. Mr. Joeckel was formedly pastor of the local Presbyterian church and will preach at that church next Sunday.

Miss Elizabeth Phillips visited in Hedley Sunday.

Mrs. Floyd Oliver of Amarillo, visited Mrs. Wm. Patman last Friday.

Miss Linnie Turner returned to her home at Woodson Monday after spending a few days at the Holland home.

Miss Louise Kirschke of Houston was the charming guest of Mrs. C W. Dubbs and family the past week.

Mrs. Elliott Weeks and babies have returned to their home in Claude after visiting with J. W. Martin and family.

Vote Saturday for the man whom you think is the most able to be governor of Texas, leaving all prejudice and bitterness behind.

Mrs. W. R. Kennison and son Billy of Pocatello, Idaho, are visiting friends and relatives in the city. Mrs. Kennison will be remembered as Laura Lane.

John E. Cooke, after a visit of ten days with his old friends, Mr. and Mrs. Joe Holm, relatives and other friends, returned to his home in Rockdale the first of the week.

Secretary Mefferd of the C. C. is in receipt of information to the effect that a Dublin, Texas, cotton buyer will make this place his headquarters during the cotton season this fall and winter.

M. Parrish of near Brice and J. J. Cross loaded a partnership car with their household effects here Tuesday bound for Wood county, Texas. They expect to make their homes there in the future.

Elmer Adams, formerly with the Cameron lumber company at Willow, Oklahoma, arrived Monday to assume the management of the local plant of the same firm, he succeeding Claude McCallister, who resigned to accept the position of city secretary.

M. S. Brazil, a large realty holder in this city and at one time a resident here, arrived Wednesday for a few days. He is much improved in health at this time. He has been visiting relatives near Whitedeer the past several days.

R. I. North of Erath county arrived here Tuesday and has been kept busy by realty men looking over the country. He expects to locate here declaring himself well pleased with the prospects of the bumper crop, fine water and excellent class of citizenship.

M. T. Crabtree and family and Mr. and Mrs. Henry Toombs and mother, Mrs. Toombs, returned from a vacation trip to Colorado and New Mexico points of interest Saturday. M. T. declares that the most interesting things on the trip were the Mexic emple and Palace of Governors at Santa Fe. The Taos valley offered the spectacle of seeing grain threshed by stock in the ancient way as well as other interesting sights.

R. A. LONG DRUG COMPANY

HOW OLD IS PAT NEFF?

Read the following affidavit made by a Clarendon lady who has known Pat Neff since 1872.

THE STATE OF TEXAS,
County of Donley:

Before me, a Notary Public in and for Donley County, Texas, this day personally appeared MRS. C. H. DEAN, SR., to me well known, and who, after being by me duly sworn, did depose and say that she is well acquainted with Pat M. Neff, candidate for Governor of Texas; that she came to Texas in February 1872; moving to Eagle Springs, Texas, near the border of McLennan county, and two (2) miles from the home of Pat Neff, where he was born; that in February 1872 Pat Neff was a baby several months old, having been born in the latter part of 1871; that she knows these facts to be true by having visited very frequently in the Neff home, 2 miles away, and knew both his father and mother, and other members of the family, and knows Pat Neff to be at the present time nearly forty-nine (49) years of age, and two years ago was then nearly 47 years of age. Affiant further says that she states these facts of her own knowledge.

Mrs. C. H. Dean, Sr.,

Sworn and subscribed before me by the subscribing witness, this the 23rd day of August, A. D. 1920.

—R. H. Beville, Notary Public in and for Donley County, Texas."

How old is Joe Bailey and why did he change his name?

Vote for Pat M. Neff, a clean, Christian, patriotic citizen for governor, and against the man whose record is tainted with bribery charges, while in office.

(Political Advertisement.)

Mr. and Mrs. Roy McCallister of Memphis, Texas, were the guests of the Claude McCallister home in this city Wednesday.

Bed-Bug-Beater has been sold in Clarendon for 35 years by Stocking's Drug Store. It is guaranteed to kill bed bugs.

A FAMILY REUNION

An interesting family reunion dinner was given at the Dr. G. S. Jackson home this week at which time Mr. and Mrs. J. C. Jackson, Mr. and Mrs. R. L. Lawver and children, Mrs. R. L. Williams and children of Flagler, Colo., Mrs. W. M. Umphrey and son Carroll of Whitedeer and Miss Alma Raymond were present.

Misses Mable and Mae Bell returned from Claude Monday night where they have been visiting the past few days. They were accompanied home by their friend, Miss Vernon Hosclaw.

NOTICE ELECTION OFFICIALS!

You are directed to guard carefully against two classes of citizens who may offer to vote, viz.—the known adherents of other parties and the partisan Democrat who has declared that he will not vote for Bailey should he win the nomination or those who have declared they will not vote for Neff should he win the nomination. This is important and judges must observe these warnings.

Sam M. Brasswell,

Sitner's Style Shop

When Milady Buys Her Hat

She realizes that it is the one article of her outfit, particularly in Autumn and winter, that must bear every evidence of true distinction. Her Hat must "set her off" from the commonplace.

Individuality is the keynote of our present selected stock. Every hat has been chosen or made with that idea in view. You'll be pleased with this season's assortment, because it is so varied and extensive. Selection, therefore, is a pleasure here.

The Vogue

Rid Your Place of Rats

IMPORTANT—READ THIS!

Do not judge RAT-SNAP by the results of a single cake. Some people expect a single 35c cake to kill a whole swarm of rats that may have been breeding around the premises a long time. It won't—no poison will. If there are many rats on your premisesfi get a $1.25 pkg. (5 cakes) and we will absolutely guarantee results. After rats eat RAT-SNAP they flee the premises to find water, so judge results by the rats you DON'T see, after RAT-SNAP has been used.

Don not judge the "KILLING MERITS" of RAT-SNAP by seeing some of the broken pieces laying around. Wait at least ten days. If you then see more live rats, use RAT-SNAP again in generous quantities.

Take precaution to use a corner of the paper wrapper when breaking off bits of RAT-SNAP. In this way, fingers should never touch RAT-SNAP because the rat with his acute sense of smell would detect human agency in preparing his LAST MEAL.

Rats can tell at once if food has been handled.

If then it fails—we pay back all your money.

YOUELLS EXTERMINATING COMPANY
WESTFIELD, N. J.

—For Sale by

R. A. Long Drug Company.

Three and one-half sections; two sets of improvements; five miles of Clarendon; on public road and mail route Would sell half. We believe that the price of $25 per acre for all or half this place is a little below market conditions.
—N. N. Martin & Son.

Mrs. Harry Davis, who has been visiting her mother, Mrs. Clio Keys for the past few days, was joined by her husband Tuesday on his return from a business trip to Dallas. They returned to their home at Claude the middle of the week.

Whit Carhart and family returned Wednesday from a vacation trip to Colorado and New Mexico points.

J M. Stevens bought the Boon McCullom place the first of the week.

Buy a Shumate Razor at Stocking's Drug Store. Each Razor unconditionally guaranteed for life and insured against breakage.

R. A. LONG DRUG COMPANY

Dubbs Brothers Realty Co.

We want to tell our friends and prospective buyers that we are right up on another bumper harvest in old Donley county, and we think it the largest harvest in her history because of the enlarged acreage and the immense production.

This means that there will be lots of money in this section and that lots of land will change hands. In order to take care of our ever-increasing business and the large volume of new business that we know will come our way this fall, we have added a new member to the firm in the personage of Mr. Cleveland Hayter who has been a resident of this section of the Panhandle and who knows the country, the people and their wants. Since our firm is now composed of three members, there will be at least one in the office all the time to look after your wants.

We are extremely proud of the fact that our best friends are our customers and we want to prove it to you Mr. Newcomer. Remember it costs you nothing for us to show you. We are friends just the same whether you buy or not. Write, wire or phone us for information.

No deal too large for our capacity, or too small for our careful attention.

Goldston Brothers

Jewelers

THE STATE OF TEXAS

To the sheriff or any constable of Donley County, Greeting:

You are hereby commanded to summon Howard W. Ballard, by causing a copy hereof to be published for three successive weeks in some newspaper published in Donley County, Texas, the first of which publications shall not be less than twenty-one days before the return day hereof, to be and appear before Leon O. Lewis, Justice of the Peace, of Precinct No. Two, Donley County, Texas, at his office in the First National Bank Building in Clarendon, in said County, on Monday, the 30th day of August, 1920, to answer the plaintiff's demand in a cause wherein Mrs. W. Goldston, a widow, is plaintiff, and Howard W. Ballard is defendant in cause No. 1088, plaintiff's demand being for $31.00 due and owing to her by defendant for and on account of balance due upon room rent for the months of December, 1919, and January and February, 1920; that the said Ballard is a resident of the state of California; that for jurisdictional purposes plaintiff asks for a writ of garnishment against The Donley County State Bank, a state banking corporation of Clarendon, Texas.

Herein fail not, but have you this writ before said court on the return day thereof, with your return in writing, showing how you have executed the same.

Witness my official signature, at Clarendon, Texas, this the 9th day of August, 1920.

Leon O. Lewis,
Justice of the Peace of Precinct No. Two, Donley County, Texas. 35c.

ARE YOU GUILTY?

A farmer carrying an express package from a big mail order house was accosted by a local merchant:

"Why didn't you buy that bill of goods from us? We could have saved you the express, and besides you would have been patronizing a home store, which helps pay the taxes and builds up this locality."

The farmer looked at the merchant a moment and said:

"If you believe in supporting home industries for the good of the community, why don't you patronize your home paper and advertise? I learned where to get the articles I have here from advertising. I read our home paper, and didn't know you ever kept this kind of stuff."

CAMELS have wonderful full-bodied mellow-mildness and a flavor as refreshing as it is new.

Camels quality and Camels expert blend of choice Turkish and choice Domestic tobaccos win you on merits. Camels blend never tires your taste. And, Camels leave no unpleasant cigaretty aftertaste nor unpleasant cigaretty odor!

What Camels quality and expert blend can mean *to your satisfaction* you should find out at once! It will prove our say-so when you *compare Camels with any cigarette in the world at any price!*

R. J. REYNOLDS TOBACCO CO.
Winston-Salem, N. C.

WHAT IS THE CHAMBER OF COMMERCE

The work of a Chamber of Commerce cannot be conducted properly unless it has a defined line of work for it, is then in a position to interpret the public mind with very little lost energy. It is a mistake to think that a Chamber of Commerce will serve one class of people in the county more than it will any other class of people. It is a well known fact the county is made up of people following different lines of work in order to secure their livelihoods and for that very reason it is necessary for a Chamber of Commerce to touch all of these people in order to be the biggest sucess possible. With this in mind the Clarendon Chamber of Commerce has enlarged itself so that it can handle the different propositions that interest all of the people of the county.

In this organization the Chamber of Commerce is in a position to handle the following lines of work by departments:

Welfare Department

Educational problems, health, recreation, government, Boy Scouts, American Legion, religious, housing, ahtletic, entertainment, insurance rating.

Agricultural and Live Stock Dept.

Grain, crops, beef cattle, dairy cattle, swine, poultry, horses and mules, employment, market and distribution, statistics, exhibits.

Financial Department

Budget, membership and emergency.

Highway and Civic Improvement

Streets and sidewalks, roads and bridges, and Clean Up.

Fair Department

Financial bureau, entertainment, arrangement, exhibits.

Publicity Department

Government news, public school news, college news, society news, business news, financial news, weather news, crop news, cattle news, building news, church news and oil news.

Extension Department

To handle anything that will be necessary to extend the work of the Chamber of Commerce.

Home Extension Department

This Department will cover all of Mrs. Chitwood's work and will help her to enlarge the present line of work.

Please check this list over and see if you can't find something in the line up that will be of interest to you and that will help you in your regular line of work. If there is nothing in the above list that will in any way help you, please come around to the Chamber of Commerce offices and tell us what it will take to help you and we will immediately take steps to look after your interests.

You will notice that this work will amply cover the interests of the farmer, ranchman, business man, professional man, laboring man, retired man, all women, of course if a man has no interests here this is not the place for him to live and it would do no good to try to help him.

Are your interests included in the above list?

Roy B. Mefferd,
Secretary-Manager.

CHAMBER OF COMMERCE EMPLOYMENT SERVICE

The local Chamber of Commerce will open an employment bureau at an early date. It will be the purpose of this Burueau to help the farmers secure the necessary help to gather the crops over the county and with that in view all of the farmers are urged to come in and tell the Secretary of the Chamber of Commerce, Mr. Roy B. Mefferd, how many men you will need and just when you will need them and what you will pay them. If you will drop in and give them this information, he will help you locate the necessary help until he gets the employment bureau to working and if you can't come in to see him, write him a letter and give him the following information and he will immediately get to work trying to get you the help. Give him the following information in your letter:

When will you need help?
How much help will you need?
What will you pay?
What kind of work will you have?
Have you place for help to stay?
How long will you want help?
Where do you live?
Telephone connection?
Will you come in for help?

EXHIBITORS MAY SELL AT FAIR

Those who show live stock, poultry or pet stock at the Donley County Free Agricultural Fair to be held in Clarendon on the 17th and 18th of September will be offered exceptional opportunities to sell their products.

When each exhibit is entered the exhibitor will be asked to put his selling price on the entry tag if he wants to sell the animal and then that selling price will be where everybody can see it and every possible advantage will be given each exhibit so that satisfactory results may be obtained and the sales made.

It matters not how many times one exhibit may be sold, that exhibit must remain in its place until the end of the last day of the Fair before it can be removed by the buyer otherwise the premiums won will be forfeited.

Efforts are being made to secure ocmpetent judges for the different lines of exhibits from the A. & M. College at College Station and all ribbons and prizes will be given according to the judgings. Each exhibit being judge by its own individual merit.

The Chamber of Commerce is very anxious to help each farmer in the county to get the very best possible results from the Fair and it is ever ready and willing to take up his needs.

This will give you an exceptionally good opportunity to get the very best of market and fancy prices for your products and under the very best possible conditions.

You should get your entry blank from Mr. Mefferd, Secretary Chamber of Commerce immediately after the first and fill it out so that arrangements may be made for your live stock during the fair.

This applies to horses, mules, colts, beef cattle, dairy cattle, hogs, all kinds of poultry and rabbits.

Financial Committee,
Fair Department.

THE PRESBYTERIAN CHURCH "THIS MAY BE YOUR CHURCH"

It will be the pleasure of those who attend the services of this church to hear the former pastor, Rev. S. L. Joekel, next Sabbath. We are sure that Mr. Joekel's former friends will give him a good hearing, as they know that they can expect something good in his sermons.

Strangers and visitors in the city are cordially invited to attend these services at any and at all times. A hearty welcome awaits any man or woman who is not a regular attendant at church services.

If we cannot be of service to you, we do not deserve your attention. If we can, we will be happy.

W. H. Foster.

NO TRAPPING

Positively no trapping in any of the JA pastures. If you want to avoid prosecution, observe the above J. W. Kent, Superintendent. tf

29 Years **13 Years**

More than one quarter of a century has elapsed since N. N. Martin established himself in Donley County, Texas. Believing that it possessed one of the healthiest climates of the entire United States and that it was destined to grow into an agricultural country of the first rank, as has since become universally recognized, he has chosen to remain here for all that period. He has been satisfied for 29 years to devote his entire time and effort to the building up of a country with such a rare combination of resources and advantages as this affords.

One of the oldest real estate firms of the Panhandle was formed 13 years ago by him, and he has devoted his attention exclusively to this occupation from that date to the present time. Did you ever try listing your properties with an old established firm where that if a possible mistake is discovered after a deal has been turned, the agent is still there for you to "come back at." We also invite you to consider the prices on some of our listings from a page of quick special choices in city property. farms and ranches.

For sale or trade the Taylor home known as the Charles McMurtry place in the west part of the city. This is one of the prettiest homes in Clarendon. Priced reasonable and on good terms.

N. N. Martin & Son, exclusive agts.

Farm of 160 acres, 4-room house, large barn, windmill, 140 acres under cultivation. 100 acres fenced with hog-wire; one mile from good school; price, $85 per acre.

Six section ranch 4 miles from Clarendon; sufficient tillable land for ranch purposes; living water and shade trees; priced low.

Six section ranch 9 miles from Goodnight; 400 acres tillable, living water. Price, $17.50 per acre.

Three and one-half sections; two sets of improvements; five miles of Clarendon; on public road and mail route This place is a bargain to be bought entirely or cut in half at $25 per acre.

N. N. Martin & Son.

Bailey or Anti-Bailey

—Cuts no figure when it comes to eating—all of both sides must eat. And the place to buy your groceries is all that should interest you, as well as the kind you eat. If you are going to buy and eat the best, then the question is settled in our favor.

Tire Prices

Some False Ideas About Them

Should an extra price buy an extra grade tire?

It should not. Any first-grade tire should be built as well as a tire of that type can be built.

Cord Tires cost more than Fabrics, and are worth the extra price. Men who figure cost per mile are coming to Cord Tires.

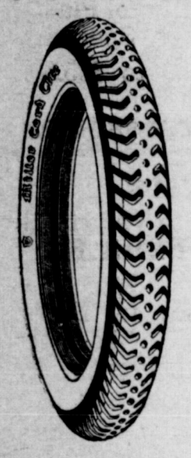

But any tire, Cord or Fabric, should be built for the utmost service which that type can give.

Some Men Over-Pay

Some men pay extra prices, expecting extra mileage. Some pay under prices for an under-grade, and hope to save in that way.

Both are wrong. There may be exceptions—there are always freak tires. But countless tests have proved that Miller Tires at Miller prices, on the average, give the lowest cost per mile.

And Miller Tires, both Cord and Fabric, cost about the standard prices.

TreadPatented

Center tread smooth with suction cup, for firm hold on wet asphalt. *Geared-to-the-road* side treads mesh like cogs in dirt.

We Insist on This

There are three requirements which Miller Tires must meet.

First, they must average greater mileage, type for type, than any rival tire.

We constantly prove this. Eight machines in our factory run two tires each under rear-tire conditions. Each tire is run 650 miles daily by running extra-fast.

Won Over 21 Makes

The Eldorado Stage Co. of Los Angeles tested 21 other makes against Millers on 12-passenger Packard Buses, weighing 8,600 pounds loaded. In this supreme test Millers won by long odds, on long-distance uniformity.

Here we constantly compare the best other tires with Millers. Also in ceaseless road tests. Thus, day by day and week by week, we are guarding the Miller supremacy.

Every Tire Signed

We insist that Millers must be uniform. Each tire is signed. A record is kept of the maker, the inspector and the process.

If a tire comes back for adjustment we learn the reason. If the workman is at fault he is penalized. If the inspector overlooked a flaw he is held responsible. If any process or material is at fault, we correct it.

After years of this checking we've attained uniform tires. There are whole large cities from which not a Miller Tire came back last year.

Treads Must Endure

Miller Treads, by our standard, must outwear the balance of the tire.

We have attained a tread which outwears rivals by 25 per cent.

Every day our tread stock is vulcanized, then tested, in our laboratory. We permit no variation.

Not a single Miller Tire with these new-grade treads has ever come back with the tread gone.

Not 20,000 Miles

Countless reports come to us on Miller Cord Tires showing 20,000 to 28,000 miles of service. And tales of that kind are told everywhere, we learn.

But mileage depends on conditions—on size, care, load and road. Millers are uniform, but they are not used under uniform conditions.

In our factory tests we average 15,000 miles on Cords.

But a Miller Tire will outlast—almost always—any tire that you place opposite, no matter what it costs. Compare them under like conditions, and see what mileage modern tires can give.

You will gain a new criterion.

When you buy a new car insist on Miller Tires. Twenty car makers now supply them and there is no extra charge.

WONDERFUL MUSICAL REVUE FAIR EVENT

Emile de Recat, Famous Producer, to Present Original Show.

Assuring the people of Texas and the southwest a wonderful and entirely original Coliseum show for the State Fair season by a daring adven-

ture into the production game, the State Fair management will present, begining October 9 and ending October 24, Emile de Recat's latest and most famous production. It will be in the nature of a musical revue, giving world events in song and dance. De Recat is a genius in costuming, stage decorations and effects. He will be given free rein to make the State Fair revue the most wonderful in the way of costumes and stage scenics that has ever been produced in the South.

"There will not be a dull moment in this great revue," says Secretary W. H. Stratton, who visited a week at de Recat's studio in Chicago. "The singing and dancing will be extraordinary, introducing as it will ten principals and a chorus of twenty-four beautiful girls. The costumes will make every scene one of dazzling, vivid beauty. In addition four unusual specialty acts will round it out."

Three carloads of scenery will be needed to stage the revue, which will be shown in Dallas for the first time, making the State Fair rank with New York and Chicago for original productions.

COX'S CATTLE MAY VISIT STATE FAIR

Democratic Presidentail Nominee Is Owner of Fine Herd of Herefords.

Visitors to the livestock exhibit of the State Fair of Texas—October 9 to 24—will likely have an opportunity of seeing some of the famous Hereford breed raised by Governor James M. Cox of Ohio. Plans are being made to bring the pick of the Democratic nominee's herd here during the Fair and enter them in the contest for the livestock awards.

Assurances that the livestock exhibit this year will far excel any previous exhibit held here are made by Secretary W. H. Stratton, who has just returned from a trip to Chicago, where he visited a number of prominent cattlemen whose prize herds will be seen here this fall. Mr. Stratton declares that the coming Fair is arousing more interest in the North and East than ever before and that scores of cattle raisers from the Chicago district alone are already making plans for the trip during October.

Cattle, swine and sheep will have a prominent place in the exhibit and entries for all divisions have already begun to pour in. Those in charge of this department of the Fair are fired with enthusiasm over the prospects of staging the greatest livestock show that America has ever seen.

SCHOLARSHIP AWARDS EVENT FOR YOUNGSTERS

The awarding of seven college scholarships will be one of the many features of the Boys' and Girls' Educational Encampment to be held at the State Fair of Texas, October 9 to 24. It is estimated that more than 1,000 boys and girls will attend the encampment and each will be given an opportunity to win a prize.

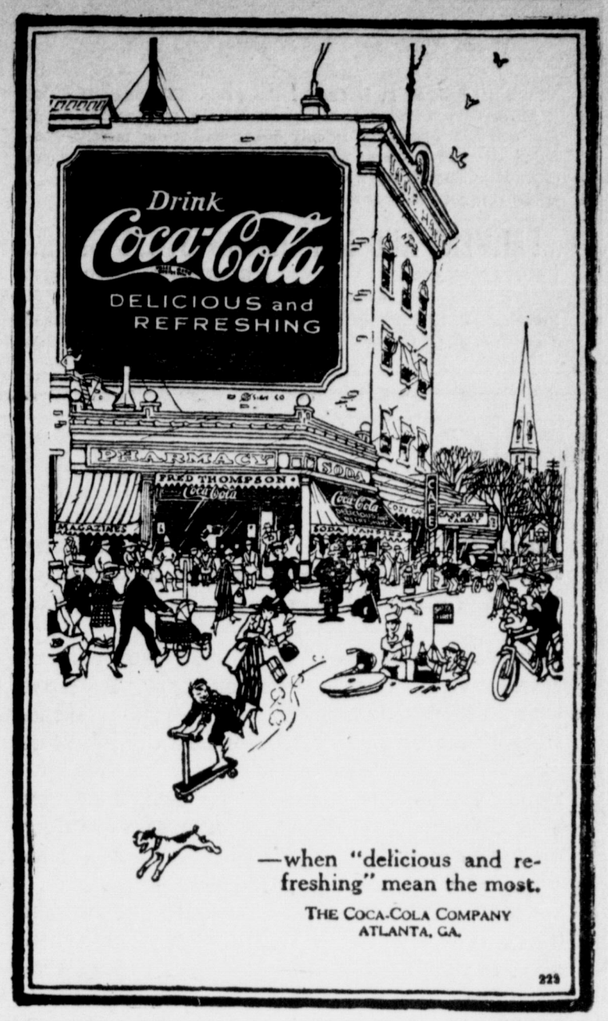

In addition to the six scholarships announced recently, T. B. Truitt & Son of Waxahachie, Texas, have offered an A. & M. College scholarship for the best acre of cotton grown by a member of a Boys' club.

The encampment, which has been organized now for several years, is a very important factor in keeping boys and girls of Texas interested in farm work.

AUTO SHOW AT FAIR TO BRING NEW MODELS

Though the exhibition season of the State Fair of Texas—Oct. 9 to 24—is several weeks away, automobile dealers of Dallas and of North Texas have practically all placed their orders for cars to be brought here for the automobile exhibit, which will be held on a larger scale than ever before. Already more than a hundred entries have been made by automobile dealers and many more will be made before the Fair is opened, taking up every bit of available space in the automobile building.

Late models of cars of practically every make will be shown here. In many instances the new 1921 models will be displayed for the first time.

College of Industrial Arts

(THE STATE COLLEGE FOR WOMEN)

DENTON, TEXAS

—The College of Industrial Arts, Denton, Texas, enrolled during the past session 1462 students and during the summer session 666, or a total of 2128 Texas girls, making it the largest College for girls in the United States with the exception of two, both of which are located in Massachusetts. It is a college of the first-class; and gives literary, technical, industrial, and vocational education and training of the best quality, designed solely to develop mental discipline, social culture, industrial efficiency, and spiritual vision and outlook.

—Its courses of study are composed of correlated subjects, including every necessary phase of woman's education, and are grouped as follows:

—(1) literary, (2) household arts, (3) fine and applied arts, (4) manual arts, (5) rural arts and science, (6) music, including piano, voice, violin, and public school music, (7) reading or expression, (8) secretarial studies, (9) kindergarten training, (10) homemaking, rural and urban, (11) teacher-training for public school music, public school art, household arts, vocational home economics, primary grades, and high school subjects; practice teaching under expert supervision, (12) vocational training of both college and non-college rank for many of the most remunerative and attractive vocations, rural and urban, for women. It confers the degrees of Bachelor of Arts, Bachelor of Science, Bachelor of Music, Bachelor of Literary Interpretation, and Bachelor of Business Administration; awards diplomas and certificates of proficiency; and issues teachers' State certificates.

—The College plant is valued at $1,500,000; the management is modern, safe, and wholesome; the faculty is one of the best in the Southwest; it is a Texas College for Texas girls. The next session opens, Tuesday, September 14, 1920. For further information or for the latest catalogue, address

College of Industrial Arts,
Denton, Texas.

JUDGE CRUDGINGTON SPEAKS IN BEHALF OF CANDIDACY OF PAT NEFF SATURDAY EVE

Judge Crudgington of Amarillo, by consent of Capt. Simpson, who first addressed the gathering here Saturday afternoon, speaking for Jos. W. Bailey, followed the rather extended talk of Capt. Simpson with an enthusiastic and well received talk of about forty minutes, being the recipient of much applause and repeated cheering from the Neff supporters. Judge Crudgington was accompanied to Clarendon by Major T. D. Barton, also of Amarillo, who commended the Company of the 142nd Infantry, raised from Amarillo and adjoining territory. Major Barton is also a supporter of Pat Neff.

Judge Crudgington, who from the outset of his address, received the enthusiastic attention and frequent applause of mny of his listeners, opened his remarks by disavowing the support or even knowledge at the time of its passage, of the Legislative resolution endorsing Senator Bailey, which was referred to by Capt. Simpson in such a manner as to make it appear that Judge Crudgington and others who at that time were members of the lower House of the Texas Legislature, were parties to the passage of this resolution. After disavowing himself and others of participation in the spreador passage of this resolution, Judge Crudgington took occasion to explain to his listeners that the resolutions of this class were one of the standing jokes of all legislative bodies, being slipped into the journal and proceedings of the body at a time when many were absent.

Another feature of the speech was the reading of a telegram declaring the falseness of the charge in regard to Mr. Neff's age, declaring that he was born on Nov. 26th, 1871, and was well past the age requiring him to register in the selective draft of the call of Sept. 1918.

Judge Crugington then reminded those present of his having heard Bailey for the first time when he was speaking in different parts of the State condemning Grover Cleveland, and that he (Senator Bailey) had been busy condemning nearly everybody and everything else of constructive origin and intent since then. The Judge also referred to the charges of bribery, etc., brought up in connection with the Waters-Pierce Oil Co., while Bailey was serving as Senator.

In answering the charges that have been brought against Mr. Neff Judge Crudgington referred the people to the verdict of the voters of McLennan county, Mr. Neff's home, where he received a majority over all three of the other candidates in the first primary, saying that he considered that the people who had known Mr. Neff all of his life were better qualified to know and pass judgment on the actions of this man and the motives that actuated him in these actions, than anyone else.

The speaker made a very impressing talk even if he did speak hurriedly and in a brief manner, and his friends were very enthusiastic in their reception of the speech and freely predicted that his remarks would be largely instrumental in turning many undecided voters to the candidacy of Mr. Neff.

REPORT OF GRAND JURY AUGUST TERM

To the Hon. Henry S. Bishop, Judge of the District Court, Donley county, Texas.

We, the Grand Jury for the July Term, A. D. 1920 of District court for Donley County, Texas, having been in sesson for ten days beg leave to make the following report:

We have summoned and had before the Grand Jury about one hundred witnesses, many of whom showed a disposition to shun the WHOLE TRUTH, and who by their actions helped to defeat the object of their labors, and we therefore recommend that the court and the prosecuting attorneys of our county be very diligent in bringing such perjurers to a just reward.

We find by having to return bills in cases when parties have violated the statutory laws of our state that the peace officers have failed to do their duty, thereby causing the Grand Jury to have to remain in session longer than they should, if the above officers would strictly observe their duties and diligently pursue them as set out by the statutes, the Grand Jury would not have to remain in session so long, and thereby curtail the expense of the county and by promptly bringing the offenders to justice prevent others from violating the law. In some cases that have come before us, the facts have developed that the parents in many cases allow their children to attend or go riding with questionable characters which results in near violations of the law and produces scandalous reports in our communities.

The unwarranted action of people who do business in our county through the banking or checking system has become staggering and alarming in its nature. The Grand Jury was forced to set one day to examine forged checks, overdrafts, etc. The conditions have become alarming along this line that we as a Grand Jury feel it is our duty to send out a warning to the public of this status of affairs, and insist that the banks, business men and officials of our city and county cooperate strongly for the eradication of such evils.

Gambling which seems to be almost instinctive in the human race, seems to have reached its climax in Donley County, matching for the drinks, pajamas, ice cream, car fare, shaves, shines, etc., seems to have become a mania, or at least a very bad and injurious habit among men and boys, as it is a form of gambling and usually results in things more serious.

Betting on ball games seems to be equally as common and while we have returned bills in all the cases brought to our knowledge when the testimony would warrant it, we find that men with beard on their faces stand out among young and innocent youth bidding for bets in open and flagrant violation of the law. We must recommend that the peace officers are greatly at fault for such conditions in our county.

We also find that the Justices of the Peace of the various precincts of the county are very dilatory about making their quarterly reports to the commissioners' court, and their semi-annual reports to the Grand Juries. We most earnestly suggest that the County Attorney assist the above mentioned officers in making their reports and keeping their records straight, and in performing their duties in matters in the absence of officers, when such duty would devolve upon them.

After reviewing our labors we find that many infractions and violations of the law have occurred thru the laxity of the peace officers, and the negligence of our citizens, and we therefore recommend a hearty cooperation of the law-abiding citizens of our county in order to prevent and punish all violations of the law.

Having finished our labors and having found 8 felonies and 24 misdemeanors bills of indictment, we therefore ask that we be dismissed for the term.

W. S. NOBLE,
Foreman of the Grand Jury Donley County, Texas.

NOTICE!

The opening date for our public schools has been set for Monday, September 13th. The buildings are being overhauled and much needed repairing done and everything will be in first class condition by the opening of school. The Board has succeeded in securing a very strong faculty, and with the new department of Domestic Science, and three additional teachers, to take care of the fast growing demands of the school we are sure we will have one of the best schools in the entire country. The trustees of the school urge every citizen of the district to get behind the school and help make it the very best.

John T. Sims, President, W. W. Taylor, Secretary, J. T. Patman, Odos Caraway, H. B. Kerbow, F. A. Story, and F. E. Chamberlain, members. 35c
