## Dodson Area Farmer Gins First Cotton

The first bale of cotton ginned in the county this year was grown by Leland Crabb and ginned at Dodson Tuesday morning August 31, shortly before 10:00 a. m.

Ed Crowder, manager of the Farmers Co-op Gin, which ginned the cotton, said Mr. Crabb had 2,000 pounds of seed cotton and a 522 pound bale with 950 pounds of seed.

The First State Bank in Dodson bought the cotton, paying Mr. Crabb 40 cents per pound, five cents above the market price. The bank is the traditional purchaser of the first bale in that town, last year paying 50 cents per pound for its purchase and in 1950 45 cents.

Dodson merchants made up a premium, and altogether Mr. Crabb received \$300 from his bale. Merchants contributing, in addition to the bank, were the Davis Gin, J. C. Howell Grocery, Hunt Implement Company, Fillpot Service Station, G. T. Owens Grocery, King Blacksmith Shop, Dodson Cafe Farmers Co-op Gin, J. H. Baird Station and The Wellington Leader.

Mr. Crabb farms the row crop land on the Grainville Clark ranch, in northern Childress county, but in the Dodson community.

This bale was grown on irrigated land and Mr. Crabb told Mr. Crowder he went over only a little more than four acres to get the bale. His hands continued pulling in the 60-acre field. The grower estimates he will make a bale per acre.

The cotton, of the Paymaster variety, was planted during the latter part of April, and it is irrigated, has not been hurt by the dry weather.

This is Mr. Crabb's first year to farm the acre, as he formerly farmed near Hollis. Altogether he is working 170 acres of land.

## All 4-H, HD Clubs Work for Achievement Day

Plans are complete for the second annual Home Demonstration and 4-H Club Achievement Day, Miss Mary Trammel, county home demonstration agent, have announced.

This event is scheduled for Saturday, September 4, at the community building, when women and girls participating in the Extension Service Program will display individual work and club projects completed during the past two years.

All entries must be in place Friday, September 3, and the community building will be open from 1:30 to 6:00 p. m.

Judging the show will be Miss Juanita Titus of Childress, Miss Ellen Dunlap of Pampa and Miss Geraldine Mayes of Stinnett.

There has been no change in the exhibit classes, which were announced last week, Miss Mary (Continued on Page Ten)

## Vernon Man to Manage United; Crowley to Wichita

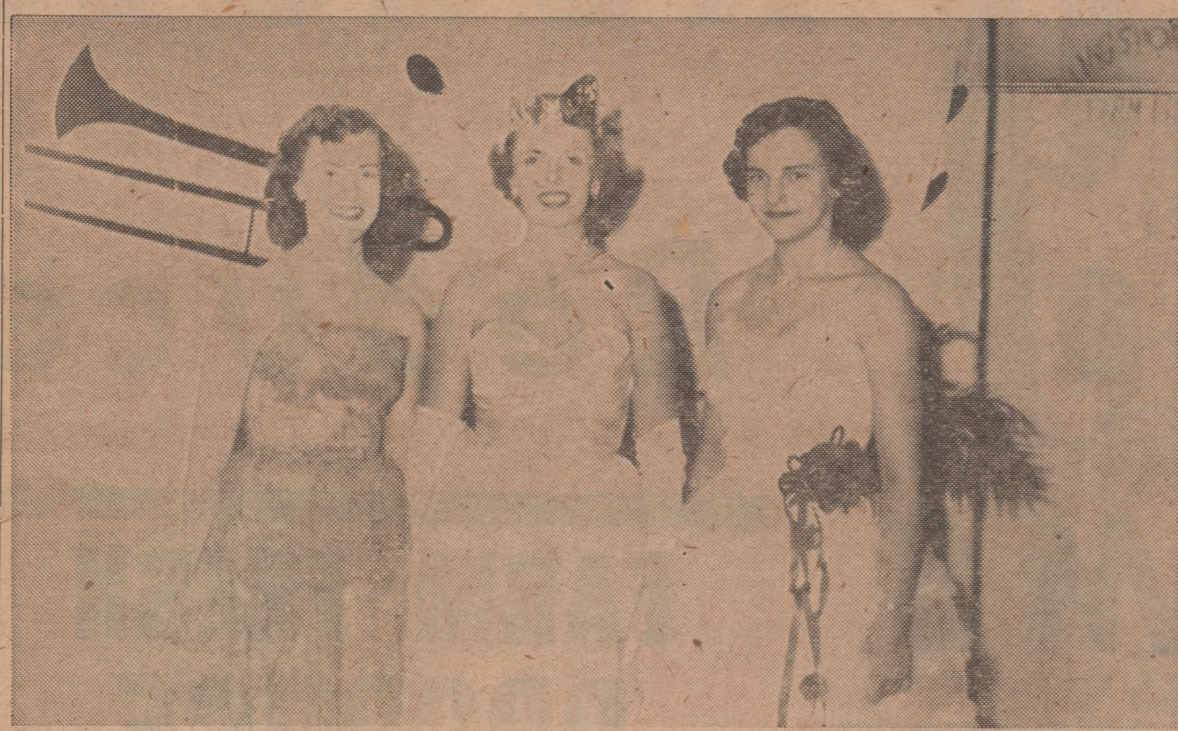

Randall V. Stewart of Vernon has been named manager of United Super Market in Wellington, succeeding Herman Crowley, who resigned to accept a sales position with Lever Brothers, with headquarters at Wichita Falls.

Mr. Stewart took over his duties Monday, August 30. He formerly was assistant manager of the Vernon store, and has been with the company for the past four years. Reared at Vernon, he is married and has one son, Randy, 5. The family is active in the Church of Christ and Mr. Stewart is a member of the National Guard.

Mr. Crowley, one of the most active civic workers in Wellington, came here as store manager in June 1953, after having joined the company in 1951.

He is serving as commander of the Frank King Post of the American Legion, a member of the board of directors of the Wellington Chamber of Commerce, and a director of the Wellington Kiwanis Club.

Mr. Crowley and his family belong to the Baptist Church.

## Collingsworth Crowns a Queen

## Miss Johnson Crowned County Farm Bureau Queen

Miss Mary Jane Johnson was crowned Collingsworth County Farm Bureau Queen in the annual contest held Friday night, August 27. Second place in the contest went to Miss Wanda Rose Phipps of Quail, and third to Joyce Amerson of Samnorwood.

The Wellington beauty will represent the county in the district contest which will be held in Amarillo September 18. This will be a televised event, and a limited number of tickets will be allotted this county for those wishing to attend.

## Rev. Freeman Pastor of First Christian Church

The Rev. Delmar Freeman of Sallisaw, Oklahoma, has come here as pastor of the First Christian Church, succeeding the Rev. Stanley Letcher, who recently accepted the pastorate of the Cleveland, Oklahoma Church. He preached his first sermon as pastor of the church Sunday, August 29.

The new pastor entered the ministry at 19 and has served three churches during the past 14 years.

Reared at Brookings, S. D., he attended Minneapolis Bible College, Minneapolis, Minn.; San Jose Bible College, San Jose, Calif.; and Odark College Joplin, Mo. His first pastorate was at Pierre, capitol of South Dakota, where he also served as chaplain of the State House. For the last four and a half years, he has been pastor of the First Christian Church at Sallisaw, and in addition to his pastoral work he has done considerable missionary work with mission churches in the Cookson Hills and Ozark

Mountains of Eastern Oklahoma and Arkansas. He served as vice-chairman of (Continued on Page Ten)

## Faculty Complete As School Opens September Sixth

The Wellington schools will open Monday, September 6, with a full faculty, including three new teachers named to succeed three who resigned during recent weeks, Bennett Goodloe, superintendent, announced.

Mrs. Walter O'Neil has been elected to teach the third grade in elementary school, replacing Mrs. Bob Barnett, who will teach in Plainview, where she and Mr. Barnett are making their home.

Mrs. O'Neil is the former Joyce Wood, daughter of Mr. and Mrs. Jim Wood, and a WHS graduate. She received her degree from TSCW at mid-term 1953.

Mrs. Vernon Peters, a member of the Vinson, Oklahoma faculty, was elected to teach fourth grade, replacing Mrs. R. M. Henderson, who is teaching in the Stanton schools. Mrs. Peters is a graduate of Southwestern State College, Weatherford, Oklahoma.

In Junior High, Mrs. Barbara Hardin of Hollis is taking the place of Miss Theresa Lile and will teach girls physical education. Miss Lile has accepted a place with the Denver City school. Mrs. Hardin is a graduate of Oklahoma College for Women, Chickasha.

Student enrollment begins Thursday morning, September 2 and will continue through Friday.

A general faculty meeting is scheduled for Saturday at 9:00 a. m., Mr. Goodloe said. At 10:30, a principals meeting will be called, and at 1:30 p. m. teachers will meet with their principals in their buildings. At the same hour, bus drivers will meet with Mr. Goodloe.

Buses will run their usual routes and the cafeteria will be open with the beginning of classes.

## Odis B. Bradley Re-Elected ASC County Chairman

Odis B. Bradley of Samnorwood was re-elected chairman of the ASC County Committee for the 1955 program at a meeting held Tuesday, August 31. Walter Camp a member of the committee last year, became vice chairman, and J. I. Morgan of Quail was named a committee member, replacing Z. J. Neely. First Alternate for 1955 is Herbert Knoll of Samnorwood and second alternate is Frank Coleman of Quail.

In the community elections completed last week, the following committeemen were named:

Community "A" (Shinney) Muri Lacy, Chairman, J. T. Owens Vice Chairman, Earl H. Yarbrough, member, Wayne B. Yarbrough and Truman Estes, alternates. Community "B" (Dodson) John Eron Forbis, Chairman, Roy J. Thomas, Vice Chairman, Ruel W. Alexander, member, Elvis D. Crowley and Barney Cooy, alternates. Community "C" (Rolla) William (Continued on Page Ten)

## Mobile Chest Unit Here For Free X-Rays Sept. 8-11

The annual visit of the State Health Department's mobile x-ray unit will return to Wellington for its county-wide survey Wednesday, Sept. 8, remaining through Saturday, Sept. 11, Dr. Dale Watkins reminded area residents this week.

The unit will be located at the Collingsworth Motor Company and

will operate from 8:30 a. m. to 5 p. m. each day.

Jim Cochran is chairman of this year's campaign. "This is the only drive in the county that isn't asking you for money," Dr. Carter Holcomb, who is helping with plans, points out. "We just want five minutes of your time and it may save your life."

As in the past, every person over 15 years of age is urged to have a chest x-ray.

Dr. Watkins pointed out that the x-rays are free, but they are not charity. The state-wide program is paid for by the tax-payers money and is offered in an effort to eradicate tuberculosis from Texas.

Other chest ailments than tuberculosis are located by the chest x-rays, it was pointed out, including heart ailments, cancer, and other conditions of the chest that should have the attention of the individual's family doctor.

The chest x-rays take only a few minutes, there is no pain, and the individual is x-rayed fully clothed. All information given is confidential and so are the results of the x-rays.

If no suspicious conditions are revealed by the x-rays, the individual receives a card to this effect from the State Department of Health. Should there be a condition that indicates further investigation, the family doctor notified.

These chest x-rays will be accepted by city and county health officers from those who must have health certificates as food handlers, etc. These persons must keep the original x-rays report, however, since no duplicates can be issued.

Children under 15 years of age are not included in the x-ray program because they are less likely to have tuberculosis, and only where disease is found to exist in an older member of the family are (Continued on Page Ten)

## Yarborough Gets Narrow Lead

## Voters Elect Rainey Sheriff, Tax Officer

Collingsworth County voters Saturday, August 28, elected John Rainey Sheriff-tax assessor and collector over Claude McKinney, veteran Panhandle peace officer, in the only county race involved in the election.

Rainey received 1199 votes to 1053 given McKinney.

The total vote in the second primary was 2297 votes, a little more than in the first primary, but less than political observers had expected in view of the record absentee balloting.

In the governor's race, the county again went for Ralph Yar-

borough, but by a narrower margin than in the first election.

Governor Allan Shivers, whose state-wide vote left no doubt whom Texans wanted to lead them, polled 1082 votes in Collingsworth County. Yarborough received 1159 votes.

In the Associate Justice of the Supreme Court race, Collingsworth County gave Judge Few Brewster 956 votes to 872 for his opponent, Alfred M. Scott.

Lloyd W. Davidson, the only candidate for Judge of the Court of Criminal Appeals, received 21-61 votes.

## Executive Vice President and Cashier

## Colorado City Banker To Wellington State

C. T. Hubbard of Colorado City, a West Texas banker for more than 25 years, has been named executive vice president and cashier of the Wellington State Bank, and Monday began his duties there. He will also serve as a member of the board of directors.

He replaces R. M. Henderson, who recently resigned as vice president and director of the bank to move to the South Plains area. Coming here highly recommended, Mr. Hubbard has been with the City National Bank in Colorado City since 1950 as vice president.

Reared at Hamlin, he began his banking career as bookkeeper and later teller of the First National Bank in Anson. In 1941 he went to the First National Bank of Littlefield and shortly afterward was promoted to cashier. From 1945 to 1947, he was cashier of the First National Bank of Levelland and in the latter year he went to the Snyder National Bank, Snyder as cashier. He became vice president of that institution in 1949.

Mrs. Hubbard is the former Charline King, who was reared at Mt. Vernon and Wimsboro. They have two children, Kay, 16 and a junior in high school, and Chris, four.

Mr. Hubbard has been active in the Lions Club and was a director of the Colorado City Chamber of Commerce at the time he came here. His hobbies are fishing and hunting.

Mrs. Hubbard has participated in Parent-Teacher Association work and study club activities. Both have been active in the First Baptist Churches of the towns in which they have lived.

The family is now living at 1101 Amarillo Street.

Although the Hubbard family had not previously been to Wellington, they do have relatives here. Mr. Hubbard is a nephew of the late Mrs. Bede Atkinson, and a cousin of Mrs. E. T. Vaughan and John Atkinson, and also a relative of John Dollar, all of the Quail area.

## C. R. Burney, Well Known Quail Farmer, Dies

C. R. Burney, 69, widely known farmer of the Quail area, died in the Shamrock General Hospital Monday, August 30, following an illness of about two months. He had lived there for the last 14 years, moving from Wheeler County, where the family had resided for a number of years.

Funeral services were held at the First Baptist Church in Wellington Wednesday, at 2:30 p. m., with the Rev. R. K. Whitaker of Twitty, a family friend, conducting. (Continued on Page Ten)

## Funeral Services Saturday for Mrs. J. A. Dodson

Mrs. J. A. Dodson, who has lived east of Dodson for about 24 years, died at her home at 5:20 p. m. Thursday, August 26.

Friends gathered to pay final tribute at the funeral services Saturday at four o'clock at the Dodson Methodist Church. Officiating was the pastor, the Rev. John M. Fitzgerald. Pall bearers were Walter Roberson, Walter Boggs, Leonard Rowe, Leonard Sanders, Raymond Estes and Jack Gibson.

Burial was in the Dodson cemetery under the direction of the Coley Funeral Home.

Mrs. Eula Dodson was born December 18, 1894, in Magnolia, Ark., and at the time of her death she was 59 years, 8 months and 8 days of age.

Mr. Dodson preceded her in death in February 1950.

She is survived by a son and daughter, Malcolm Dodson and Mrs. Joe Carter, both of Route 2, Hollis; three grandchildren, Clara Frances Carter, Jerry Don Carter and Duane Dodson. Also surviving are five sisters: Mrs. Ala Gunnels, Mrs. Anne Hughes, Mrs. Bess Hughes, and Mrs. Edna Allen of Lake Village, Ark., and Mrs. Ola McCollum of Louisiana.

## A Scrimmage, Pep Rally and Band Music, Too

## Big Box Supper, and Auction to Raise Funds for New Scoreboard

A big box supper and auction sale, a fast scrimmage and a pep rally, a parade and music by the Skyrocket band will make up one of the biggest benefit entertainments held here in recent years.

This event, on Thursday night, September 9, at 7:30, is sponsored jointly by the Rotary and Kiwanis Clubs and the proceeds will be to pay for the new electric scoreboard at Powell Field, where the entertainment will be held.

The scoreboard will be up and used for the first time that night, Jimmie Lee and D. C. McKinney, who head the committees in charge for the Kiwanis and Rotary Clubs announced.

"This is county-wide. It's for everybody who likes football and who wants to spend a little money to help with the scoreboard—and have a wonderful time doing it," they declare.

As many women as can are ask-

ed to come and bring boxes. Merchants of the town will be contacted, and if they do plan to attend the box supper, they will be urged to contribute some item to be auctioned off. This can be anything the merchant wants to give.

This entertainment comes the night before the Skyrockets first game, and the scrimmage will be a prelude of what boys on the team can put out this year.

The band will march in the business section of Wellington during the afternoon and will perform again that night.

If the weather is bad, the box-supper-auction will be held either at the community building or the high school auditorium, the exact place to be announced.

Members of the joint Kiwanis-Rotary committee helping to raise funds for the scoreboard are Mr. McKinney, Mr. Lee, Zook Thomas, Sandy Parsons Jr., Orval Couch,

Dr. E. K. Jones, Walter Winter, Herman Crowley, Ed Miller, Jimmie Kelso and Mack Saied Jr.

## Permanent Improvements

## Garden Club Plans Park Beautification Project

Beautification and improvement of Ellison Park has been adopted as the permanent project of the Wellington Garden Club, Mrs. Jim Light, president, has announced. Planting and replacement of shrubs and trees, development of small permanent family picnic areas, development of a softball diamond, improvement of tennis and volleyball courts, flower gardens, and the building of permanent tables and benches are to be

included in the plans. In outlining the needs of the park, Mrs. Ann Fires, park improvement committee chairman is working with City Manager Bura Handley, who has developed a master plan of park improvement Clubs and individuals will be invited to undertake specific projects under the overall plan.

Improvement of Ellison Park is a need that has been felt by many (Continued on Page 10)

# Deck's DIDACTICS

—By Deskins Wells

Crops in the Wellington area are the best they have been since 1949 in spite of some sick spots in the Dodson-Loco area. However, Ruth Hightower, who was in the office Tuesday, says that a good rain right now would make a fair to good yields in most of that area.

Goat Hopper took a look at the picture of Guar in last week's Leader, which showed the tap root penetrating far into the hardpan and remarked: "I don't believe it." But the next morning he went out to his own field and pulled up three stalks at random. The first broke off with a root measuring 13 inches and another measured 17 inches with the third falling in between and showed the full length of the root.

Since my dog, Skipper died, we have acquired one red hen, one yellow cat, and I am afraid that a Collie pup is about to take up with us. In case you want to know what I am scared about—all three are of the female gender. We already have the hen pretty fat on table scraps; so I know what can be done about her; but if you don't have a dog there is little you can do about a cat if one of the varmints decides to adopt you.

Well, I guess we can start arguing about baseball now. The Indians are a comfortable 5 1/2 games ahead of the Yankees and the Giants are 3 1/2 games ahead of the Dodgers; so perhaps we will hear some new names when the world series is played this fall.

In the south where segregation is practiced, the ratio of Negro teachers is 1 to 5; but in northern and western states where there is no segregation the ratio is 1 to 73. Imagine what will happen to these deserving and mainly excellent teachers if segregation is crammed down our throats.

The Rockets will play their first three games at home this year and they should be good ones. Do wish we could get back

our old conference or one like it such as Shamrock, Memphis, Clarendon, McLean, Paducah, etc. As it is we have to be voted into the league we are in, and we have to travel too far to the out of town games.

In the closing days of the campaign, there was quite a rash of tearing down Shivers posters. We kept putting them back up and continued to make a pretty good showing. After the election was over I asked a couple of the boys to go out and take them down; but there is one you had better leave alone. John Puryear served in the Legislature with Allan Shivers. When the sign on his electric light post was torn down, he picked it up and fastened it on a big tree in his yard, with baling wire I figure that a man who wires up his own sign means for it to stay there until he gets ready to take it down himself.

Bernice Welch is a pretty good sport. He is now handing out Shivers buttons—that is when his wife is not around.

I see by the papers that a telephone company in New Mexico is having to refund rate increases to its customers. People here would not object to a reasonable increase in rate; but the present bills that were put on us without any authorization from the City are unreasonable and most objectionable.

## IN MEMORIAM

To the Worthy Matron, Worthy Patron, Other Officers and Members of Wellington Chapter No. 238, Order of the Eastern Star:  
WHEREAS, Another link in our golden chain was severed on August 7, 1954, when God in his infinite wisdom saw fit to call from her earthly home the soul of Sister Loeva Pierce, a member of our Eastern Star Chapter; therefore, be it

Resolved, first that we make this permanent record of our esteem for our departed sister; and of our recognition that her good life exemplified the sublime virtues of our beloved order.  
Second, that this resolution be recorded in the minutes of the chapter and that the surviving family be sent a copy as an expression of our sympathy in this hour of bereavement, and that a copy be printed in the local paper.  
Third, that our charter be draped for a period of four weeks in memory and respect of our departed Sister.

Somewhere back of the sunset  
Where loveliness never dies—  
She lives in the land of glory  
Mid the blue and the gold of the skies.

And those who have known and loved her—  
Whose passing has brought sad tears—  
Will cherish her memory always  
To brighten the drifting years.  
Respectfully submitted,

## Crop is Burning Badly in Spots

# Collingsworth Cotton Area Bright Spot, Travelers Report

Collingsworth County crops remain a bright spot in West Texas, but in spite of this, the heat is hurting both cotton and feed.

Many local residents who return from trips in almost any direction report that crops here look the best they have seen, outside the irrigated sections.

Both leaf and boll worms have made an appearance, County Agent Lefty Thomas reports, and farmers with irrigated cotton are being warned to watch their fields.  
"We are having the least boll worm infestation than at any time since 1949, but there are a few worms," Mr. Thomas said.

The leaf worm infestation, however, is running up to the maximum of what growers on irrigated land, can stand without spraying, he added. This infestation is scattered, however, and the county agent has received reports from John Oldham, Bill Neeley, Elvis Crawley, John Sherman, Sandy Parsons Sr. and Raymond Ward. Several of these have sprayed.

Opinions vary on the expected yield. Mr. Thomas said he believed the county would have a yield above the 10-year average of 158-160 pounds of lint per acre.

He added, however, that there is cotton in the county that is hurting badly.

Dick Sweat, manager of the Farmers Co-op Gin, estimated the cotton condition about 85 per cent of this time a year ago. He reported that not a lot of cotton over the county looks any better than it did last year, and the overhead heat is hurting cotton badly, particularly on the tight land southeast of town and in the Ad-erden section. The Deger brothers of the latter community report the sorriest crop they have ever raised.

Ed Crowder, manager of the Farmers Co-op at Dodson, said the cotton in that section has burned pretty badly, although a rain now could bring it out to the point that part of the county would gin

nearly as much as last season. The crops look best north and east of Dodson on the sand, but not as good as last year. The approximately 1,000 acres of irrigated cotton in that area is expected to produce a bale to the acre.

Irrigated cotton around Wellington is also expected to make similar yields.

Mr. Thomas reported that some of the best dry-land cotton in the

county is in an area from Lutie north to Greasy Corner, and eastward a few miles toward Aberdeen. Good cotton is also growing in the Quail area.

The county has between 76,000 and 80,000 acres in cotton this year.

Jake Tarter spent last week in Fort Worth visiting an uncle, A. V. Adkins.

# Thanks Friends!

I want to express my sincere thanks and appreciation to my friends throughout the county whose votes elected me the next Sheriff-Tax Assessor and Collector.

I am aware of the responsibilities that face me, through the trust that you have put in me at this time, and I will try to fulfill the duties in a way that will be a credit to the office.

I want to thank my opponent, too, for the way in which he conducted his race for the office.

# Miss Swift, Sammy Earls Mary Here August 28

The impressive ceremony uniting in marriage Miss Sharon Swift and Sammy Earls of Altus, Oklahoma, was solemnized Saturday, August 28, at seven o'clock in the evening, in Our Lady of Mercy Catholic Church, with the Rev. Charles Knapp, pastor, officiating.

The bride is the daughter of Mr. and Mrs. Pat Swift of Wellington, while the groom is the son of Mr. and Mrs. Sam Earls of Gould, Oklahoma.

White gladiolus were used on the altar, and music was provided by Miss Nancy Elliott, organist, who used Rossini's wedding processional and recessional.

The bride, given in marriage by her father, wore a gown of white chantilly lace, designed with a fitted bodice with scallops outlining the scooped neckline and short sleeves. Over this she wore a boiero of matching lace, with a tiny standing collar, long fitted sleeves, and closed down the front with tiny buttons. The full skirt was waltz length. Her fingertip veil of illusion fell from a white lace cap, and was embellished with medallions of lace. She carried three gardenias atop her white brocade Prayer Book, from which fell streamers of white satin.

Miss Mary Ann Hunter was the bride's maid of honor. She wore a dress of pink silk shantung, designed with a strapless bodice, over which she wore a brief fitted bolero. The bouffant skirt was waltz length. Her pink net head-dress held the shoulder length veil, and she carried an old fashioned nosegay of white net and white carnations.

Tom Earls of Altus was his brother's best man.

For her daughter's wedding, Mrs. Swift wore a navy crepe dress with navy accessories and her corsage was of white carnations. Mrs. Earls also chose navy for her dress and accessories, and her corsage matched that of the bride's mother.

A reception in the home of the bride's parents followed. Guests

were greeted by Mrs. Estella Coker, grandmother of the bride, and Mrs. Fred Watkins, her great aunt.

The bride's table was laid with a white cutwork cloth, centered with the three-tiered wedding cake. Appointments were in crystal. Serving the cake and punch were Miss Jean Drummond of Midland, Miss Cynthia Watkins, and Miss Sally Parsons.

Arrangements of greenery decorated the room.

Later, the couple left on a short wedding trip, then returned to Altus, where they have established their home at 706 North Main Street.

## Miss Booker, Elder Norman Wed

Announcement was made this week of the marriage of Miss Thelma Booker of Childress to Elder E. J. Norman on August 5.

Mrs. Norman is employed as Cashier and bookkeeper of the J. C. Penney Store in Childress. Elder Norman has lived in Wellington for 19 years and since that time has been pastor of the Primitive Baptist Church. He will continue to carry on his work as pastor here. They will make their home at 1108 Ave. G. North West in Childress.

## Dodson HD Club Studies Hat-Making

Mrs. A. V. Lowrie was hostess to the Dodson Home Demonstration Club in the school lunch room Tuesday, August 10.

Mrs. T. J. Bowling gave a demonstration on making hats, and each member present made a hat during the afternoon.

Refreshments were served to Mesdames Bowling, Iris Wadley, Raymond Crownover, Nell Poteet, Marvin Wynn, Billy Brewster, Raymond Daugherty, Wayne Reynolds, Jeff Welch, Homa Yarbrough, and the hostess, Mrs. Lowrie.

## Wellington and Vinson Hostesses Honor Mrs. Wilbur Tillman

Mrs. Wilbur Tillman, the former Miss Barbara Graves, was named honoree at a bridal shower Thursday, August 19, in the home of Mrs. Jack Brewer, 1200 Belton Street.

Joining in hostess duties were Mesdames Jack Brewer, George Brewer, George Martin, E. W. Jenkins, Otis Roberson and Pete Brock of Wellington and Mesdames Gene Skaggs, Mammie Kromer, Mann Skaggs, Luther Hayes, Alpha Cooper and Bert Hayes of Vinson.

The guests were met by Mrs. Brewer and presented to the honoree, Mrs. Tillman; her mother, Mrs. Allan Graves; and the mother of the groom, Mrs. Bill Tillman of Vinson.

The lace covered table was set with appointments of crystal, and Mrs. Jenkins presided at the punch service.

Calling and sending gifts from Wellington were Mesdames C. W. Killingsworth, Harold Elbert, Ed White, Buster Hughes, Beatrice Jenkins, Austin White, Luther McPherson, Jim Clark, Riley Dunson, J. W. Tarver, Lloyd Woodruff, Keith Smith, C. E. McKinney, Ray Uselton, Norris Hoyt, Alvin Horton, Sunday Bill Smith, Floyd Hood, Raymond Horton.

Mesdames Odis Killingsworth, Leonard Karnes, Arthur Robinson, J. D. Aaron, Mary Marchbanks, Mack Saied, Lena Miller, Roy Thomason, Arthur Hudson, Bill Tillman, Allen Graves, R. L. Mabery, Vernon Peters, Dewey Mar-

oney, Austin O'Neil, Mesdames J. C. Dean, L. B. Bratten, Earl Smith, George Brewer, W. C. Starr, John French, J. S. Dorn, Lee Scarberry, Chester Fries, Willie Smith, R. T. Jameson, J. L. Burt, George Ferris and B. L. Duncan, Pete Scott.

Misses Mary Trammel, Nelda Scott, Sarah Doyle, Marie Berryman, Louella Trimble, Shirley Agee, Dorothy Simmons, Jonaquin Cecil, also Dr. J. F. Goss and Elmer Jones.

From Hollis were Mesdames L. B. Tillman, M. B. Dixon, Dayle Worrell, Lois Cunningham, Mattie Lovelace, Abb Tom Shied, Bill Shied, Sidney Shied, Hexie Shied, Harry Barnes. From Mangum were Roverna Parkey and Helen Vaughan; from Childress, Mesdames Joan Porter, Pat Shew, Kenneth Duncan, and Lewis Nichols and family.

## Friends Invited to Open House At Young Annual Reunion Sunday

The annual reunion of the J. H. Young family will be held Saturday and Sunday, September 4 and 5, and this year friends of the family from throughout the lower Panhandle area are invited to meet with them at the open house planned for Sunday afternoon, September 5, from two to five o'clock.

The event will be held at the community building in Wellington, and all friends are invited.

Mrs. J. H. Young heads this family, which each year brings back to Collingsworth County all or almost all of the 11 living children and their families.

The relatives will begin gathering Saturday, and a number of them will appear in a radio program from Shamrock at 11:30 a. m. that morning. Headquarters for the gathering will be the spacious home of Mr. and Mrs. Rufus Sweet north of town. Super will

be served picnic style Saturday night.

Singing, for which the family is famed locally, and visiting will make up the entertainment at the open house.

One daughter, Mrs. F. E. Thompson of California, will be unable to attend, due to the illness of her husband, Mrs. Grover Young, widow of the only deceased child, will come if the health of her foster mother, Mrs. Keava Lee Polk, formerly of Aberdeen, permits.

Children planning to attend with their families are Jason Young, Mrs. Walter Taylor and Mrs. L. K. Vaughan of Arlington; Dewey Young of Dallas; James Young of Irving, Tye Young of Muleshoe; Mrs. H. L. Lowry of Meridian; Mrs. Jack Lowry and Mrs. Rufus Sweet of Wellington, and Henry Young of Artesia.

## Blevins-Nohavitz Rites at Midland

A wedding of interest here was that of Miss Patricia Ann Blevins, the daughter of Mr. and Mrs. R. H. Dennis of 3700 Avondale Drive Midland, and Gilbert Nohavitz of Mrs. Elsie Nohavitz of El Campo and Ed Nohavitz of Premont.

The ceremony took place at the home of the bride's parents Friday, August 20, at 8 o'clock in the evening, with the Rev. Harold Glenn Brown of the First Christian Church officiating.

The couple stood before an improvised altar banked with greenery and white gladiolus, flanked by baskets of white gladiolus and white tapers in branched candelabra. Recorded music was played softly before and during the ceremony.

The bride, given in marriage by her step-father, wore a gown of white embroidered organdy over taffeta. Lace medallions studded with rhinestones accented the fitted bodice, which was styled with a madarin neckline and brief sleeves, and a deep point at the waistline the bouffant skirt was ballerina length. Her hat was rhinestone trimmed and held the white-length veil. Her bouquet was of white split carnations.

Her matron of honor, Mrs. Bill Blake of Midland, wore a pastel pink polished cotton dress, with strapless bodice studded with rhinestones, and full ballerina length skirt, matching stole and hat. She carried a bouquet of ice blue split carnations.

Mr. Nohavitz was his son's best man.

Elizabeth Veazley of Midland, the flower girl wore a dress of ice blue nylon, with tiny roses edging the cap sleeves. She carried a basket of ice blue net over silver. Johnny Tarvin of Pampa, nephew of the bride, lighted the candles, and Scotty Dennis, brother of the bride, was ring bearer. Elo Nohavitz of El Campo and Johnny Wilson of Shamrock, uncle of the bride, were ushers.

A reception followed on the lawn of the Dennis home. The bride's table was laid with a white linen cloth with crystal appointments, and centered with an arrangement of ice blue split carnations and silver leaves, flanked by ice blue tapers in crystal holders. The three-tiered wedding cake was topped with a miniature, bride and groom.

Mrs. Lige Tarvin of Pampa and Mrs. Johnny Wilson of Shamrock, aunts of the bride, presided at the refreshment table.

As the couple left on their wedding trip to Indian Lodge in the Davis Mountains, the bride was wearing a navy nylon taffeta suit with a small velvet hat and matching accessories. Upon their return they will be at home at 3501 Tanner Drive, Midland.

The bride, who is a granddaughter of J. E. Blevins of this county, and has many other relatives here, graduated from Shamrock high school and Texas Technological College. The groom is a graduate of El Campo high school and the University of Houston. Both are employed by Magnolia Petroleum Company in Midland.

## Miss Cole, Donald J. Terry Marry in Informal Ceremony

An informal ceremony read Saturday morning, August 28 in the reception room of the First Baptist Church Annex united two members of Wellington's younger set. Miss Donnie Jo Cole, the daughter of Mrs. Alton Abernathy, and Donald Joe Terry, DKSM, U. S. Navy, son of Mr. and Mrs. Joe Terry.

The vows were read at eleven o'clock by the Rev. Bill Saunders as the couple stood beneath an arch of greenery. Arranged behind this were candelabra holding lighted cathedral tapers, flanked by baskets of white gladiolus in tall standards.

Miss Patsy Patton, organist, played a pre-nuptial concert that included "Because," "Indian Love Call," and "Tell Me Why," during the ceremony. "With This Ring I Thee Wed," was played softly, and the traditional wedding marches were used.

The bride, given in marriage by her step-father, Alton Abernathy, wore a dress of blue silk taffeta, designed in princess style. The strapless bodice featured folds at the top, to duplicate similar trim to the brief short sleeved bolero. The flaring skirt was waltz length. She wore a half hat of white velvet, and carried a Bride's Bible, topped with an orchid.

Miss Sharon Bettis was maid of honor. She wore a white linen suit accented with a corsage of blue carnations.

Herman Claude Terry, brother of the groom, was best man.

Lighting the candles was Miss Helen Gardner, wearing a dusty rose styled with a fitted bodice and pleated skirt. Her corsage was of white carnations.

A reception followed immediately after the ceremony. The bride's table was laid with a white damask cloth and centered with the Bride's Bible and flowers. After the couple cut the first slice of topped with a miniature bride and groom, the guests were served by Mrs. Herman Claude Terry. Miss Bettis presided at the crystal punch service.

As the couple left on their trip to Corpus Christi, where they will make their home, the bride was wearing a white pique dress, with

her orchid corsage.

Mrs. Terry has been a student in Wellington high school, where she was active in school affairs and where she would have been a junior this year. The groom graduated from Wellington high school in 1950 and attended Texas Technological College at Lubbock three years before entering the Navy. He is now stationed at the Naval Air Station, Corpus Christi. Mr. Terry is a member of a pioneer family of the area, being the grandson of the late Mr. and Mrs. C. C. Terry.

For her daughter's wedding, Mrs. Abernathy wore a mauve dress with navy accessories, and a corsage of white carnations. Mrs. Terry chose a navy dress, with ice blue trim and accessories, and her corsage also was of white carnations.

## Miss O'Rear, Mr. Replogle, to Marry In Ceremony here on September 5

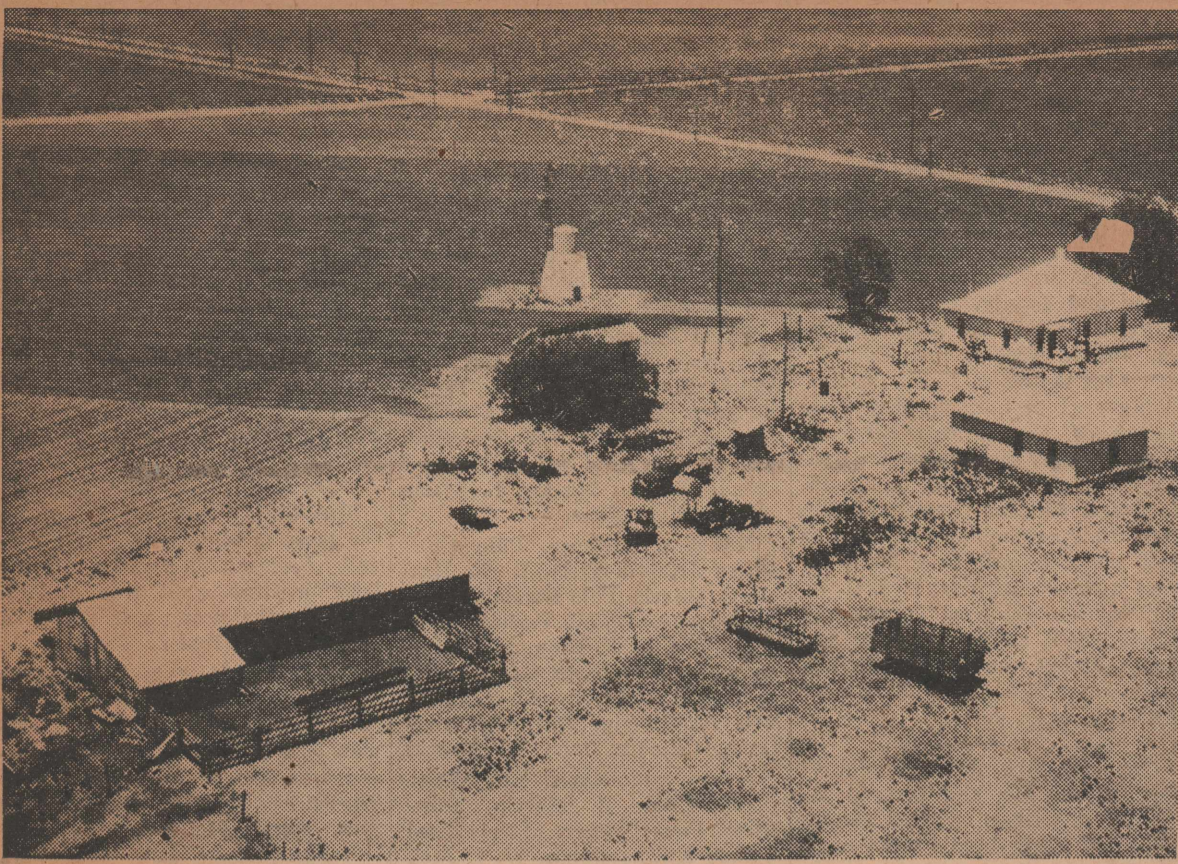

Mr. and Mrs. Wallace O'Rear have announced the engagement and approaching marriage of their daughter, Barbara, to Max E. Replogle, the son of Mr. and Mrs. Gene Replogle of Perryton.

The couple will be married Sunday, September 5, at 2:30 o'clock in the First Baptist Church in Wellington. The Rev. Calvin Cook, pastor of the Peoples Chapel in Perryton, will officiate.

The bride-to-be has chosen as her matron of honor her sister,

Mrs. Margie Uselton of Wellington. Mel Sammons of Perryton will be the groom's best man.

Miss O'Rear graduated from Wellington high school in 1946 and from St. Joseph's Hospital School at Memphis, Tenn., in 1953. She is now employed at Sanford Hospital in Perryton. Mr. Replogle, a graduate of Perryton high school, attended West Texas State College, then served in the armed forces, with two years in Korea.

**MYSTERY FARM**

What farm family owns this place? It's a neat white square house, set at some Collingsworth cross roads. You can see family pride all over this picture. The yard and the entire area around the building is clean and neat. The picture was taken while crops were small and the fields around show a well cared for look. The first person guess-

ing the ownership correctly will receive two free show tickets, by calling his guess to The Wellington Leader after 8:00 a. m. Thursday. The owner will receive a free picture by coming to newspaper office, confirming the identification, and giving a history of the farm.

**4 Important Reasons why you should buy a PONTIAC RIGHT NOW!**

**1 Pontiac is One of the Greatest Cars Ever Built!**

Match today's Pontiac with America's finest cars and you'll get a dramatic picture of Pontiac value. First of all, Pontiac is bigger, in fact, than many cars costing hundreds of dollars more. Pontiac is beautiful—with its distinctive Silver Streak styling. Inside, you'll find genuine fine-car luxury and appointments—along with the roominess and comfort that come only with a long wheelbase. But the big surprise comes when you test Pontiac's performance. See how alert it is to every demand in traffic, how it handles and corners almost without effort, how it takes to the open road with plenty of power to spare and saves money every mile.

**2 Pontiac has the Best Resale Value in its Price Class!**

Along with all its fine-car size, luxury and performance, Pontiac has a very special attribute no car at any price can beat—its unsurpassed reputation for year-in, year-out dependability. Pontiac's carefree, economical long life and its proved record of amazingly low maintenance expense are so widely known and acknowledged that it commands the highest resale value in its price class. Because Pontiac is America's most desirable used car, your original investment comes back in greater measure when you trade.

**3 Pontiac is Priced Just Above the Lowest!**

After you've convinced yourself of Pontiac's value, after you've considered all the good things you've heard about its dependability—see how it compares dollar-wise. Despite the fact that it's a fine car in every sense of the term, Pontiac is priced so near the lowest that if you can afford any new car you can afford a Pontiac.

**4 We'll Make You a Deal You Can't Afford to Miss!**

Right now we're making such liberal trade-in allowances that you just can't afford to pass up the greatest opportunity you ever had to become a fine-car owner. Come in and get the facts.

DOLLAR FOR DOLLAR YOU CAN'T BEAT A PONTIAC!

Your Questions Answered

# Dam Across Salt Fork Would Conserve Water Rightfully Ours

Given here in question and answer form is pertinent information concerning the proposed dam across Salt Fork River at the Donley County line, to be built by the Greenbelt Municipal and Industrial Water Authority. This is the first of a series of articles on the project:

**Q.** For what purpose was the Authority organized?

**A.** This Authority was organized for the purpose of conserving the water properly belonging to the Greenbelt area now flowing completely away, storing such water and thereby providing a permanent, dependable and adequate supply of good water to citizens of the cities and towns who vote to accept membership in the Authority.

**Q.** What was the origin of this program?

**A.** For many years a group of local citizens had the idea that the Salt Fork of Red River and Whitefish Creek had a huge water shed capable of producing a tremendous amount of water if a dam was constructed to impound such water; those individuals obtained early water rights and succeeded in getting them extended from time to time, anticipating that the water would surely be needed in the future for domestic or irrigation purposes.

**Q.** What was the next procedure in formation of the project?

**A.** Citizens from the cities of Wellington, Hedley, Clarendon, Memphis, Childress, Paducah and Quanah associated themselves for the purpose of exploring the actual amount of water which might be available from the Salt Fork and Whitefish Creek drainage area. They contributed funds for expense and employed Mr. A. H. Woolverton, a Hydrologist of Austin, Texas, to make a preliminary report upon the amount of water which could be impounded and a possible location for a dam site as well as to assist them in obtaining water rights from the State Board of Water Engineers.

**Q.** Were the water rights secured from the State Board of Water Engineers?

**A.** Yes, these water rights were granted by the State Board of Water Engineers under the con-

dition that the program would show definite progress of development before January 1, 1955.

**Q.** What location for the proposed dam has been selected?

**A.** The dam location, subject to engineering review, has been tentatively established at the junction where White Fish Creek flows into the Salt Fork of Red River. This is a east edge of Donley County about 8 miles north of Hedley and about 17 miles north of Memphis.

**Q.** How much water will be capacity of the proposed lake?

**A.** It is estimated that the lake at the dam site will have a depth of 59 or more feet and that the area which will drain into the lake will be about 750 square miles or 5/6 the size of the average Panhandle County. This will accumulate about 100,000 acre feet of water.

**Q.** How many gallons are in an acre foot of water?

**A.** There are 325,580 gallons in an acre foot of water.

**Q.** What will be the approximate size of the proposed lake?

**A.** Present plans indicate the lake will be in an elbow shape with about 5 miles North to South and about 5 miles East to West.

**Q.** How can this be compared to some other water supply lakes which might be familiar to people of Western Texas?

**A.** The most likely comparison would be Lake Worth at Fort Worth. Lake Worth has a capacity of 24,000 acre feet of water. This proposed lake with 100,000 acre feet of water would be more than four times as large.

**Q.** What do the engineers estimate will be year-round average availability of water which can be obtained for the members of this Authority?

**A.** Twenty-five million gallons daily.

**Q.** What is the approximate daily consumption of the towns proposed to be included in the Authority?

**A.** Based upon the towns of Clarendon, Hedley, Memphis, Wellington, Childress, Paducah, Quanah, Shamrock and McLean, with an estimated total population of 32,843 and an average usage of 100 gallons per capita, gives an

average combined daily consumption of 3,284,300 gallons, which is about 13 per cent of the available supply.

**Q.** What engineers have been employed by the Authority to make plans and direct the development of the project?

**A.** The Authority has selected a firm of Water Engineers who are well known in West Texas. Water problems and whose reports are recognized by Investors in securities of this type. FREESE AND NICHOLS of Fort Worth are the engineers. They are quite familiar with water in all Western Texas.

**Q.** What is the quality of water to be obtained?

**A.** Chemical analysis has been made by the Quality of Water Division of the U. S. Geological Survey. Reports on flows of the water show good quality: low flows not quite as good as desired but on the whole it is considered to be better quality than required that water from this reservoir by standards of Health Department. Other tests for full determination of quality of the water will be made to be sure that it is fully desirable.

**Q.** What, if any, other tests will be made?

**A.** In addition to other routine engineering studies of the drainage area and its productiveness, tests will be made as to the soil content of the body of the lake to determine of the lake will hold water after it is impounded.

City Must Take Some Action

1956 Tentative Date to Begin Dam Across Salt Fork River

The tentative date for construction to begin on the Greenbelt Municipal and Industrial Water Authority Dam across Salt Fork is 1956—not a year and a half away, R. A. Underwood of the R. A. Underwood & Co., Inc., Dallas, has informed County Judge R. L. Templeton, who has worked actively for the project from its earliest days.

This is the date if all goes according to schedule (Judge Templeton pointed out). The Greenbelt Municipal and Industrial Water Authority is governed by a board of directors, of whom the three Wellington directors are Jimmie Lee, Orval Couch and Bura Handley.

Several decisive steps must be taken by each of the seven towns now in the authority. Wellington Childress, Quannah, Clarendon, Hedley, Memphis, and Paducah. The first of these is what is called a "confirmation election."

The \$8,100,000 dam and equipment will be built with revenue bonds, and will ultimately become the property of the Greenbelt Municipal and Industrial Water Authority. But the seven towns now making up the authority are not going to get this valuable property without some effort and expense on their own part, both Mr. Underwood and Judge Templeton point out.

The towns in the authority must vote short term bonds to raise money required until revenue begins coming in from sale of water impounded by the dam. It is estimated the tax levy would be for only five or six years.

The dam site has been selected tentatively at the junction of White Fish Creek and Salt Fork of Red River, across the line in Donley County. This is approximately 24 road miles from Wellington.

One of the jobs of the Underwood company is to secure industrial users for water from the lake, for the seven towns in the Authority will use only 13 per cent.

At least three major established industries within 100 miles of here will be users, although it is not yet time to release the names of these, Judge Templeton said. One of these would take a million

gallons a day. There will be 25 millions of water per day available.

Explaining further the "Confirmation election," Judge Templeton said that the date for this has not been set, but it will be held some time in the near future. It will decide only one thing. Does Wellington want to remain in the Authority or does it want to get out? It does not commit anybody to anything.

Once the city votes to remain in the authority the seven towns

Farmers Reminded Of Labor Law

Albuquerque, August 31, With school bells nearly ready to sound the fall opening of the nation's public schools, education-minded officials of the U. S. Department of Labor here are concentrating on keeping employment from hampering youthful education.

It is best, they say, for every youngster to finish his schooling before venturing into the working world on a permanent basis.

Child-labor provisions in Federal Fair Labor Standards Act generally prohibit the employment of children under 16 years of age in agriculture or in any other occupation covered by the law during hours when school is in session.

Field Office Supervisor Harry Nunn of the U. S. Labor Department's Wage-Hour Division here said such unlawful employment should not cheat youngsters of an education.

"The economic well-being of individuals and communities is directly related to their levels of education," he said. "It is to the material interests of both to aid educational upgrading."

Since Congress enacted the law in 1938, he said he hoped it was generally understood to apply equally to local resident children and to migratory children.

It does exempt a farmer's own children working on the parent's farm. But farmers are responsible under the law, the same as other employers, if they employ under-age children during school hours.

will act as one body and not seven individual units.

The only persons who can vote in the confirmation election are tax paying property owners, (either personal or real property or both) living within the city limits of Wellington, and having poll taxes or being eligible by exemption.

The bond election will come later. Again only taxpaying property owners within the city limits will vote.

It is proposed that the tax levy be 30c on the \$100 valuation, and while this seems like a heavy levy, Judge Templeton points out that it will run for only a few years.

"Later, we meaning the towns in the Greenbelt Authority, will own everything, the dams, the equipment, the water lines, etc. It is a thing that will cost us something at first, but it will become a decided asset," he continued.

The big thing in the immediate future is to see that people residing in the seven towns of the authority understand what it is, what it proposes to do, what it can do and what can be expected in the future.

Mr. Underwood's company has prepared considerable information on the proposed dam, and this will be presented in question and answer form in a series of articles in The Wellington Leader.

Old Settlers to Mobeetie Picnic

The annual old settlers picnic will be held in historic Old Mobeetie on Labor Day, Sept. 6, 1954. An interesting and entertaining program will be presented during the day. At night there will be an old fashioned square dance in the oldest public building in the Panhandle. Mobeetie is the oldest town in the Panhandle, and used to be the county seat of what is now 27 counties. Last year over 1000 old timers registered. Those attending are asked to bring a basket lunch to supplement the Bar-B-Cue and beans and coffee. The picnic is sponsored by the American Legion in connection with all of the other organizations of the town. The Mobeetie community have arranged for three beebes to be barbecued for the occasion.

COLLINGSWORTH COUNTY CHECKERBOARD NEWS

BY CHARLES LITTLE JR. Singley Mill & Elevator

Mrs. T. C. Newkirk tells us that her first 518 pullets are now producing over 70 per cent at just a little over six months of age. She was in the store this past week and got a fresh supply of Purina Cage Layena.

creep feeding the pigs Purina pig startena. Chub says he is weaning some dandy pigs.

I visited for a while last week with Mrs. O. A. Kiker and saw her fine flock of Purina fed pullets. Mrs. Kiker has been in the poultry business for several years. Not only does she keep a nice flock of laying hens but up until this year she has been raising turkeys for the Thanksgiving and X-mas market.

Danny Davis from Rolla bought Purina Pig Startena for his pigs. He is going to give them the Right feed and care and care as long as he follows the Purina Program for raising hogs. Ask Danny what he thinks about Purina Chows. He knows, he feeds them.

SHE'S A PIG FACTORY

Mrs. Kiker has 165 pullets that she received April 5 and they are now laying. She also has 80 that are younger and will soon be coming into production.

She tells me that the best chicks and turkeys she has ever raised have been on Purina and not only that but she told me that this is the best she has ever done with any flock she has raised. She says her death rate is less when feeding Purina than any other feed.

Ask Mrs. Kiker what she thinks of the Purina Program for raising Pullets.

Chub White was in one day last week and got enough Purina Pig Wormer to Worm 30 Pigs. This is something that every hog raiser in the country should do. The cost to worm a pig is about ten cents. This dime spent will help you show a profit many times greater.

Your sow is a pig factory. You feed her materials which she converts to pigs... but she must have the right kind and the right amounts of raw materials.

Sows have the ability to reabsorb the tiny embryos if their ration isn't meeting nutritional needs. For this reason it's important that sows be fed a well-balanced ration like Purina Sow & Pig Chow.

Purina Sow & Pig Chow contains ingredients needed to build big litters of husky pigs... the kind that are good-doers from the start.

MAKE OUR STORE YOUR HEADQUARTERS We not only handle Purina Chows and Sanitation products, but have a trained feeding advisor to help you with your feeding and sanitation problems. Next time you're in town drop by the store and let's get acquainted.

Game With Berger Team October 14 Rocket Fans Needed At Canadian Scrimmage

The Wellington Skyrockets will scrimmage the Canadian team Saturday night at 7:00 p. m., and Coaches Maxey McKnight, John Hurley and their boys are inviting football fans to go along and lend support.

"We'd like to have a good Wellington representation out there rooting for us," McKnight declared. This scrimmage originally was scheduled for Thursday night.

Another game has been added to the Rocket schedule, Coach McKnight announced, with the Rockets meeting the Berger A team reserves and B team on Powell Field Thursday night, October 14. This will be the last home game before the conference schedule begins.

With only 23 men on the roster this year, the Rockets have lost one man and picked up one, then the two coaches brought up a last

year's junior high player to give him a chance on the varsity team.

Bobby Davis, end, is moving with his family to Dickens. Gary Phillips, who lettered in the quarterback position last year, but who was out of town when training started, has come back and is working out in the end position. James Forrester, a freshman, just into his teens, but weighing around 170 pounds, showed promise on the junior high team last year that McKnight and Hurley are trying him out as a regular A-team member.

McKnight again invited fans out to watch the Rockets at their workouts each night. So far, anywhere from 20 to 100 fans have been out each evening for the practices, and a good crowd attended the first scrimmage, with McLean Saturday night.
