PUTTING ON SQUARES

Collingsworth cotton is loading up well, although more moisture will be needed on dry land if it is going to hold the squares, says Extension Agent Don Reeves. With sufficient rain, the county could have a

second good money crop in one year. Wheat was the other. This cotton grows in the Fresno community.

Rockets Scrimmage Wheeler Thurs., Aug. 18

The weather says summer—the calendar, and the enthusiasm say football.

Wellington Skyrockets will scrimmage the Wheeler Mustangs Thursday, August 18, at Powell Field.

Game time will be 5:30 p.m. This scrimmage is important to those supporting the Red and White, for Wellington plays only three home games during the regular season. This is to compensate for 5 home games (one more than usual) during the 1982 season.

One week later, Thursday, Aug. 25, the Skyrockets and Hale Center will travel to Matador to scrimmage at Motley County High School field.

Coach James Williams said the Wheeler scrimmage will start with the Skyrocket JV taking the field. They will probably run a couple of series of plays, both offensively and defensively.

Then the varsity second units will come in, and they will run 20 offensive plays

and 20 defensive, said the coach.

Last to take the field will be the Skyrocket Varsity, which also will play 20 offensive and 20 defense series.

This pattern probably will be followed in the Hale Center scrimmage, coach Williams indicated.

Although Wheeler dropped to Class 1-A, the

Mustangs remain a strong, competitive team.

"They have a lot of tradition. Several years ago, they were state champions, and later state runner up," said Williams. "They always have big kids. This is going to be a good first scrimmage for us."

"Wheeler comes off a 6-6-6 season with a solid nucleus of top players,"

says the Harris forecast. There are 13 lettermen, 7 offensive and 5 defensive starters. Tackle Manson Porter, guard, Wade Bentley and tackle Lance Reems head a talented line. A pretty good backfield adds a little more luster. If the Mustangs get their mind to it, they can win a loop championship. They are stronger."

"Our kids are working real hard. They started in pads Friday morning and they have had some bright spots and some spots we need to work on a lot."

Coaches are working on the backfield with Dwayne Culpepper, halfback and James Benton, running back, providing much of the experience.

Williams is working with three quarterbacks at this point, Joe Bill Munn, Darvin Nix and Michael Souder.

Other starters are Michael Breedlove and Chad Holland.

Hale Center for the last

two seasons has gone to the state semi final round of playoffs and this year the team is ranked No. 10 in State Class AA football.

They have 6 starters back on defense and 5 on offense.

There is one all-state defensive back, and probably another who is an all-state candidate at running back.

"That will give us a real good test the second week," Williams believes.

A number of people are coming out to watch the Rockets workout.

"We welcome them if they want to watch," the coach said. Workout times are 8 a.m. and 4 p.m.

"We're working out in over 100 degree weather, and the boys will be pretty well used to the heat by the end of the week."

Cheer leaders are out every morning too, even on those days when the Rockets had 6:30 workouts. "They have been there every workout," said Williams.

Bring a Melon, Meet the Rockets

Skyrocket football mothers will sponsor a Meet-the-Rockets night following the Wheeler Scrimmage Thursday, Aug. 18, at Powell Field.

The group is asking each family to bring a watermelon to the event. There will be an ice-filled metal tank at the south end of the field near the field house and the chilled watermelons will be served after the scrimmage.

All football fans are invited to come meet the team.

Fire Destroys 1½ Sections On Wilson Ranch

A grass fire burned one and one half sections of grass land on the Tom Wilson ranch in the west part of Collingsworth County Saturday before it was brought under control.

Fire departments from Wellington, Samnorwood, Shamrock, McLean, Memphis, Howardwick, Clarendon and Hedley responded. And the Childress fire department stood by to

Indian Creek Reunion Set for Sat.

The annual Indian Creek Reunion will be held Saturday, Aug. 20, in Bura Handley Community Center, then followed on Sunday by the Pritchard Family reunion at Pioneer Park, to which all the Indian Creek people are invited.

The Indian Creek reunion will start about 10 a.m. Saturday and there will be visiting and registering through the day, said Mrs. Gladys Pritchard Cartwright. Cookies, donuts and pop will be served through the day.

At 6:30 p.m. a basket

supper will be served.

Clyde Hall, of Lubbock, president, will be in charge of the program and business meeting.

Much of the program will be music, and the remainder visiting, until about 10 p.m.

It is emphasized that anyone who at any time in their lives lived at Indian Creek is eligible to attend the reunion, Mrs. Lois Ratliff emphasized. It is not necessary that one must have attended Indian Creek (Seale) School.

Invitations went out to former resident and friends

whose addresses were known, but again it was pointed out that it is not necessary to have received

an invitation.

Officers in addition to Hall are his wife, secretary; —See INDIAN CREEK, page 2

Nicholson Reunion Slated on Sunday

Plans are complete for the annual Nicholson Reunion, which will be held in the Samnorwood School Cafeteria, Sunday, Aug. 21.

It is emphasized that this is for everyone who ever lived in that community,

whether or not they attended Nicholson School. Former teachers in the school are especially invited.

August 19-21 Set for Annual Rodeo

The grand entry led by Collingsworth 4-H Horse Club opens the Wellington Rodeo at 8 p.m. Friday, August 19 and the colorful ceremony will be repeated at the beginning of the Saturday, August 20 performance, again at 8.

There will be an additional jackpot roping on Sunday, August 21, at 2 p.m. All performances will be in the VFW arena in Northeast Wellington.

Stock will be furnished by C&C Rodeo Co., of Childress, and the books will open Thursday, August 18, from 9 a.m. to 5 p.m. The number to call is 817-937-8401. There is no limit on the number of participants.

The Red River Band will play for the rodeo dance from 9 p.m. to 1 a.m. both nights.

This is the second annual rodeo to be staged under the sponsorship of the Wellington Rodeo Association.

There will be 7 standard events and two special events each night, according to Walter Clements, who is helping with arrangements. Regular events are saddle bronc riding, bareback bronc riding, tie down roping, heading and heeling, steer wrestling, ladies barrel racing and bull riding. Prize money and buckles will be awarded in all events. Engraving on prizes will be furnished by the House of Jewelry, Gifts and Flowers.

Slack in all events will be held Friday night after the main performance.

An All Around buckle will be awarded.

A new entry free was set for the barrel racing: \$30 entry fee and a \$5 secretarial fee for each contestant. In all other events, entry fees will be \$45 for each contestant plus \$5 stock charge.

There will be a \$30 fee for the jackpot roping Sunday, beginning at 2 p.m. This is good for three head, progressive after one. Divisions are junior, senior, over 80 and open.

The two special events are wild cow milking and the calf scramble. They will be held both nights.

"The first 6 teams to make it to the wire will be in the wild cow milking contest," Clements said.

There are three people on each team and they may be all men, all girls, or mixed.

He explained the contest: The six teams will be placed about the arena, and the cows, with halters and small lead ropes, will come out of the bucking chutes. One team members will hold the lead rope, one the cow's tail and the other will do the milking—catching the milk in a pop bottle.

"The first team to come to —See RODEO, page 2

Farmers Can Graze PIK

Collingsworth County farmers can get permission to graze their own livestock on their own "conservation use" cropland, Bob Weatherly, ASCS county executive director, said this week.

The U.S. Department of Agriculture issued special provisions on August 9 that will allow the grazing in some drought-affected areas.

Conservation use acreage is cropland that has been removed from production

and devoted to approved cover as a requirement for the acreage reduction program, paid diversion and the PIK program.

Requests for permission to graze should be made to the county ASCS office.

Producers interested in the grazing program must notify the county ASCS office of their intentions, Weatherly said.

Grazing will be restricted to livestock owned by the producer as of August 1.

A producer may not let another use his conservation use acreage. It must be grazed by the producer's own livestock, Weatherly said. The permitted grazing may not remove cover to the extent that the acreage would lose its protection from weeds and from wind and water erosion.

These provisions take effect immediately and will apply for the remainder of the county's six-month "non-grazing" period.

Norwood Adopts Budget Set Tax Rate at 82¢

Samnorwood school board adopted a budget of \$646,283 and set the tax rate at 82 cents at a special meeting Thursday, Aug. 11.

The tax rate of 82 cents per \$100 valuation is up 3 cents from last year's rate of 79 cents, a 3.8% increase.

Supt. Garland Cavitt said the increase was necessary to fund \$20,000 for a new school bus and \$30,000 for a new vocational agriculture building.

\$336,000 of the budget will come from local tax money. The remainder comes from state and federal funds.

In other action at board meeting, the board accepted the resignation of Peggy

Hendrix and hired Jedd (Sissy) Wallace to teach 5th and 6th grades. Mrs. Wallace is a 1983 graduate of Lubbock Christian College and her husband, Rick, is a coach at Shamrock.

The board also hired Floyd Foster of Lookeba, Oklahoma to teach science. He replaces Zeldon Jenkins who resigned earlier to take a teaching position at Groom.

The board also hired John Oldham as bus mechanic to replace Ray Garza who resigned earlier in the summer.

Cavitt said that the only other personnel change was that former teacher Donna Messer of Shamrock will

substitute as special education teacher for the next 6 to 8 weeks while Juanita Hernandez is recovering from surgery.

Eighty-three students are enrolled so far, although Cavitt said he expects a few more students to enroll in the next couple of weeks.

Classes started Monday, Aug. 15 at Samnorwood. Teachers had in-service days Thursday and Friday, Aug. 11 and 12. Cavitt said the in-service days centered on designing new curriculum to conform to House Bill 246. The bill requires curriculum changes next year, but Samnorwood is implementing them this year, Cavitt said.

Hedley ISD Sets 67¢ Rate

Hedley school board adopted a budget of \$401,728 and set the tax rate at 67 cents for the '83-'84 year at budget hearing and board meeting Monday, August 8.

The tax rate of 67 cents per \$100 valuation is up 3 cents from last year's 64 cent rate, a 4.7% increase. Of the 67 cents, 54 cents, will go the local operating

budget and 13 cents to the interest and sinking fund.

The board also set lunchroom prices at 80 cents for lunch and 40 cents for breakfast. Reduced price meals were set at 25 cents per meal for both lunch and breakfast.

Students may apply for free or reduced price meals by contacting superintendent Glyndol Holland at 856-3661 or at the school

office. Students qualify for free or reduced-price meals if he meets federal guidelines based on family income and the number of persons in the household.

Teacher in-service days will be Friday, Aug. 19 and Monday, Aug. 22 and classes will begin Tuesday, Aug. 23. Supt. Glyndol Holland is expecting about 100 students to enroll.

55 Teams in Men's Best Ball

Fifty-five teams participated in Wellington Country Club's Two-Man Best Ball Tournament last weekend. "We were expecting about 40 teams," tourney chairman Eddie Orr said, "so we were proud of the turnout and appreciated the members that worked at the tournament."

"Our next tournament is a Member-Student Tournament," Orr said. "We're asking each member to bring a student under 18 years of age. We want to encourage golf in high school and junior high."

The Member-Student Tournament will be an 18-hole best ball tournament

and Amey Seale, co-ordinator and Mrs. Cartwright, treasurer.

On Sunday afternoon at 4:30, descendants of W.S. and Sallie Pritchard and their Indian Creek friends will gather at Pioneer Park, bringing sandwiches and pop. Fiddling and other music, along with visiting will entertain the crowd.

After their marriage at Muskogee, Okla.; Mr. and Mrs. Pritchard who rode horseback to their wedding, lived at Munday then homesteaded in Beaver County, Oklahoma before moving to the Wellington area.

The oldest living member of the family is Joe Pritchard, 80, who returned to Wellington three years ago after living in California. He lives at the family "home place" on Graham Street.

Other brothers and sisters are Jack Pritchard, and Jessie Lou Kirk, Shamrock; Betty Barbee and Mrs. Cartwright, Wellington; H.D. Pritchard, Glendale, Ariz., and Mitchell Cartwright, Memphis.

Joe Shields of Amarillo visited his mother Mrs. Theresa Shields.

Assembly of God Hosts TV First

Wellington's Assembly of God hosted a community first Sunday, Aug. 14 with a church service broadcast live from Anaheim, California and received here via satellite by a television receiver dish.

The service was shown on a 10-foot television projection screen at the church here.

The event was the Sunday evening service of the 40th General Council of the Assemblies of God.

Pastor Larry Boyd said it was a first, not only in Wellington, but a first for any denomination to have its services broadcast live throughout the country and available for reception by any local congregation.

Dream Communications of Childress provided the 9-foot reception dish free of charge to the church.

Dan Davis, Dream Communications' sales manager and chief engineer at Childress, said the program was broadcast over RCA's Satcom F-4 satellite.

lunch will be served at 1 p.m., with those attending bringing basket lunches. Drinks will be furnished by those still in the community.

Faye Dunaway of Shamrock is secretary.

Visiting Mrs. Vera Robertson were her daughter Mrs. Marjorie Brown, a grandson Stan Brown, a friend Tod Roberts all of Amarillo, a brother and sister-in-law Mr. and Mrs. Clifton Stafford of Springtown and a nephew James Stafford also of Springtown.

Davis said the reception dish was set up on a trailer and was easily portable.

the judges stand turn the bottle over and if as much as one drop hits the ground, that team wins. The winning team will receive \$15, with prize money to be split evenly among the team members.

The calf scramble is for boys and girls 12 years and under. The contestants will line up in the arena, the calves will be turned loose, and the first youngster who gets the string off the calve's neck or the ribbon off his tail will receive a cash prize.

The schedule of events was announced and will be the same each night:

At 8 p.m. the 4-H Horse Club will make the grand entry into the area. Other events are:

- 1st section bull riders, 15 riders.
- Calf Roping, 15 riders in main performance.
- Calf Scramble.
- Bareback Bronc Riding, 10-12 riders each night.
- Steer Wrestling, 7-8 riders each night.
- Wild Cow milking.
- Barrel Racing, 12 riders each night.
- Saddle Bronc riding, 7-10 riders nightly.
- Team Roping, 15 contenders.
- Second section of bull riding.

"We ought to have 40-50 bull riders and calf ropers; probably 20-30 bareback bronc riders; roughly 15

steer wrestlers; 20-30 barrel racers; 12-18 saddle bronc riders; and around 40 teams in the team roping," said Clements.

Work continues on the arena updating.

The arena was shortened to 255 Feet. There will be two holding pens on the north end instead of one. "An alley between the two holding pens should help us turn these events quicker," Clements said. "We should be able to run roping events and barrels much quicker and cut off at least a third of the time," he explained.

"We hope to have a platform completed behind the bucking chutes, approximately two and one-half feet off the ground so the cowboys can work the bucking stock easier and quicker, and with a lot less effort."

Freddy Cordell of C&C Rodeo Co., and Clement predict that all events will be full for both performances.

Admission will be \$3.50 for adults and \$2 for children under 12.

The Red River Band of Hollis will play for the rodeo dance each night. This is a favorite of country and western fans through the Wellington area and should

FIRE— continued from page 1
assist others if trouble should develop in their home towns while firefighters were away.

Dozens of community in itself draw a crowd.

This will be held in the Community Building. Admission will be \$6 for singles and \$10 for couples.

Anyone who wants any additional information about the rodeo should call Fred Cordell, Childress, 817-937-8401.

volunteers also assisted in fighting the fire. Neighbors brought tractors and county road crews brought maintainers to plow fire lanes around the fire.

The fire apparently started when an oak tree that had been struck by lightning Friday night reignited Saturday. A shower had apparently put the fire out Friday, but it started again in Saturday's heat.

Firefighters battled the fire from around noon until 10 p.m. Saturday.

Major Change in Fair Eligibility

A major change in the eligibility rules for the Collingsworth County Fair was announced Friday, Aug. 5, by Walter Clements, chairman. The Fair dates are Sept. 9 and 10.

In the past, only county residents were eligible to place entries in the fair.

"Under new rules, all persons with entries in the Collingsworth County Fair must be residents who currently live in the county, or who have children attending public or private schools in Collingsworth County.

Out of county residents are welcome to display their items when space permits, however the entries will not be judged or receive ribbons.

Other general rules governing the fair are:

-No claims for injury to any person or property or loss of property shall be asserted or suit instituted or maintained against the Collingsworth County Fair committee, its officers or the

Collingsworth Chamber of Commerce.

-Each division chairman and assistants will have charge of receiving and placing all exhibits. Ribbons will be attached only by the division chairman, their assistants or the judge.

-All exhibits must remain

Band Rehearsals Get Under Way

Wellington School Band Director Frank Aue is predicting a "real good year," 1983-84. "Everybody is ready to start now, instead of after school starts," he said this week.

At a meeting of band members and parents, Aue said there was a real good parent turnout for the middle of the summer. "Everyone is ready to go."

"More people were able to make evening rehearsals, and from now until school

starts, we will rehearse on Monday, Tuesday, Thursday and Friday at 7:30 p.m. at the band hall," Aue announced.

He now believes there may be from 33 to 35 members in this year's band, up several from what he estimated earlier.

"Instrumentations are good. We may have one or two flutes, but in all other places there are plenty of people to cover the parts," he said.

on the grounds until released by the chairman from 11 a.m. to 12 noon, Saturday, Sept. 10. No one but the exhibitor shall be held responsible for items left after 12 noon on Saturday.

-The community building will be open to the public at 11:30 a.m. to 5 p.m. Friday,

and from 9 a.m. to 12 noon on Saturday.

-Where there is no competition, prizes will be awarded according to the article exhibited.

-Commercial or non-profit organization exhibits are welcome, however fair exhibits will come first if space is limited.

Allsup's Joins Fight for MD

Through Labor Day, September 5, Allsup's Convenience Stores will display Muscular Dystrophy collection canisters in all stores in New Mexico, Texas and Oklahoma. This fund raising activity, along with many others, will help find causes and cures for 40 crippling neuromuscular disorders that affect an estimated one million Americans of all ages.

The programs of the Muscular Dystrophy Association are funded almost entirely by private contributions and corporations. And the research is working! MDA recently announced the first breakthrough in the treatment of amyotrophic lateral sclerosis (ALS) -- also known as Lou Gehrig's disease. While the drug-TRH-is classified as experimental, it is the first treatment that has ever resulted in significant improvement in ALS patients and it represents a glimmer of hope for people with this terrible disease. Allsup's is proud to be a part of such worthwhile research.

Again this year, Allsup's invites area youngsters to participate in the annual "Door Bell Brigade for MDA." Kids are encouraged to pick up collection kits at their local Allsup's store on August 27 and 28. After collecting donations for MDA and "Jerry's Kids," return the collections to the store and each youngster will receive a free fountain drink of their choice. It's Allsup's way of saying thank you to all the kids who care about helping "Jerry's Kids."

From Jack Crow, Director of Public Relations for Allsup's, "Thanks to all of

our friends and customers for your generosity in helping to fight neuro-muscular diseases. Your nickels and dimes add up to millions for research and treatment, so look for the MDA coin collection canisters and give to 'Jerry's Kids'. Your change can be the key to the cure."

Concession Stand Work Outlined

Band Parents Club members met Monday, Aug. 1, to begin for plans for operating the concessions stand at Powell Field this year.

Rev. Clifford Harper of Dodson will be in charge of operation of the concession stand; Jim Morgan will be in charge of ordering materials and maintenance of the equipment.

Mrs. Harold Caldwell will secure volunteers to work at the stand for each football game.

These three succeed Mrs. Howard Murdock who had handled the concession stand for a number of years. She will assist but told the group she could not head its operation again.

There is a need for volunteers on Sept. 23 to help clean the concession stand and see what needs to be painted and take a general inventory.

Free, Reduced Meals Available At School

Children from families whose income falls within the federal guidelines are eligible for either free meals or reduced-price meals at Wellington School cafeteria. A copy of this sliding scale may be obtained from the school business office.

Regular prices are: student grades K-5 \$.85, student grades 6-12 \$.95 and breakfast is \$.50 for students K-12.

Reduced prices are: \$.40 for lunch and \$.30 for breakfast.

"If you have foster children living with you, they may be eligible for these benefits," said superintendent Kenneth McKay.

Keller to Pastor First Christian

David Keller has been appointed pastor of First Christian Church and his first service was conducted here Sunday, Aug. 14.

Keller comes to Wellington from Portales, N.M., where he recently completed work on an M.A. in Religion at Eastern New Mexico University. He also pastored a church at Denver City, Texas during this period.

He received a B.A. in Bible-Ministries at Manhattan Bible College in Manhattan, Kansas in 1973.

After graduating, he entered the pulpit ministry and has served churches in Morrowville and Oxford,

Keller and his wife, Hettie, have a daughter, Tera, 8 and two sons, David 5 and Nathan 2.

11:27 a.m. Danny Gray, fire chief, said the origin of the fire is not known. Boxes were reported to have been stored in the garage, Gray said.

TSTA Membership Drive Planned

Members of the Collingsworth County TSTA local unit met in the home of Mrs. Jean Cavitt in Samnorwood Wednesday, August 10.

Plans were made for the membership drive and the 1983-84 programs. Membership materials were distributed and discussed. "TSTA and the National Education Association, with 95,000 members in TSTA and 1.7 million members in NEA, are the largest associations for school employees in the state and nation," says Mrs. Shirley Henard.

TSTA/NEA programs cover members rights protection, legislation, political action, professional growth, instructional resources, regional staff assistance, publications, media/com-

munity relations, research and economic benefits.

"Each teacher and administrator in the county schools will be contacted in the next few weeks," said Mrs. Henard.

Tentative plans were made for programs for September, October and March.

Mrs. Cavitt reported that she and Gay McAlister of Wellington attended a TSTA leadership workshop in Memphis on August 1.

Those members present were: Shirley Henard, Alcie Estes, Jane Sheer and Jean Cavitt.

Thank you!

Our sincere thanks to each and every one of you for your part in helping us fight a major grass fire on our ranch Saturday. We cannot attempt to name everyone that came and worked their hearts out and assisted us in so many ways, but a special thank you to

*Fire Departments of Wellington, Samnorwood, Shamrock, McLean, Memphis, Howardwick, Clarendon and Hedley, (and to the Childress department for standing by for Wellington).

*County commissioners and the county crews for their efforts in using maintainers to control and contain the fire.

*Warrick's, Inc., Ralph Owens and Wayne Cudd who furnished and drove large water trucks to the site.

*Those who brought horses and trailers and helped take care of the cattle.

*Sheriff's Department and Reserves.

*The wives of volunteers who made several trips with food for the men.

We are indebted to you and thankful for our many friends and neighbors who assisted in so many ways.

Stacey Weatherly, Joel Hood Marry in the Church of Christ

Miss Stacey Dawn Weatherly was married to Joel Wade Hood of Abilene in a ceremony performed in the Church of Christ Friday, the twelfth of August, at two in the afternoon.

Gaylord Cook, minister at the Church of Christ, Spearman, and a former minister of the church here, officiated.

The bride is the daughter of Mr. and Mrs. Bob Weatherly of Route 2, Wellington. Parents of the bridegroom are Mr. and Mrs. Don Hood, 749 Gary, Abilene.

Church decorations were an arch decorated with foliage and silk flowers. A candelabra on each side held peach tapers accented with satin bows.

The unity candle was placed nearby. Pews were marked with silk flowers.

Wedding songs were presented acapella by a vocal group consisting of Mr. and Mrs. Dickie Johnson, Paul Williams, Jannon Thomason, Terri Thomason of Abilene, Elaine Minor of Arlington and Andrea Terrell of Austin.

Mr. Weatherly gave his daughter in marriage.

Her wedding gown was designed with an oval V-neckline with scalloped lace accents and tiny lace caplet sleeves. The fitted empire waist curved lower at back and a row of tiny satin-covered buttons extended from neck to waist.

The skirt had gathered fullness at the back and a wide tulle ruffle edged in lace and accented with seed pearls encircled the skirt and swept to a chapel train. Her bouffant veil was attached to a fitted lace headpiece and lace edged the veil which extended the full length of the train. She carried a nosegay of silk peach roses and stephanotis.

The maid of honor, Miss Maria Langford, was the bride's only attendant.

She wore a peach dotted organza dress made with fitted bodice. A ruffle encircled the scooped neckline and sleeves were

MRS. JOEL HOOD

above-elbow length. The gathered skirt, ruffled at the hemline, was calf-length. Her ribbon belt was tied in a bow at back and she carried a bouquet of peach silk miniature carnations.

Don Hood, father of the bridegroom, was his best man, and groomsmen were Roger Welch and Adam Rios. All are from Abilene.

Ushers were Don D. Hood and Derek Hood, brothers of the bridegroom, Abilene, and Quincy Weatherly, brother of the bride.

Brent Duncan and Rodney Weatherly, brother of the bride, lighted the candles. Karissa Hall of Altus, Oklahoma, was the flower girl and Rodney Weatherly, brother of the bride, was ring bearer.

After the ceremony, Mr. and Mrs. Weatherly entertained with a reception at their home one mile south of Wellington.

The bride's table was covered with a floor-length white cloth with an overlay of white eyelet. The bride's bouquet was the centerpiece and this table held her fountain cake. Silver appointments were used.

Hors d'oeuvres were served from the bridegroom's table, which was covered with a floor-length

peach cloth with a matching crepe de chine overlay.

Allison Neeley registered the guests. Serving at the bride's and groom's tables were Vanda Wood, Elaine Minor of Arlington, and Terri Thomason of Abilene.

After a wedding trip to Pine Forest in East Texas, the couple will live at 542½ B East North 16th Street, Abilene.

The bride is a 1981 graduate of Wellington High School and will be a junior at Abilene Christian University this fall.

A 1980 graduate of Abilene Christian High School, the bridegroom is a senior at Abilene Christian University.

Mrs. Clement Honored On 92nd Birthday

Mrs. T.C. Clement was honored with a party on her 92nd birthday, August 9, at Thomas Nursing Center.

Mrs. Clement has been a nursing center resident 8½ years since falling and breaking her hip.

Relatives say she enjoys the center and its staff and invited the center's nurses, staff, cooks and cleaning crew to join her at the party which hosted 53 people.

Mrs. Clement's five children attended her party: Mrs. Pearl Harwell, Mrs. Opal Dunn, Mr. and Mrs. E.W. Clement and Doni Kay, Guy Clement and Earl Clement.

Mrs. Clement has 12 grandchildren and 6 great-grandchildren.

102 Register for 5 Community Reunion August 13 and 14

The three community reunion has grown to a five community reunion. On Saturday and Sunday, August 13 and 14, 102 of those who live or had once lived in the Marella, Salt Fork, Lillie, Cross Roads or Quail communities began gathering about 3:00 p.m. Saturday night sandwiches, salads and desserts were served. They enjoyed visiting and sharing "Do you remember" stories.

Sunday morning Alvin Horton gave the devotional and had a memorial service for those who had died in each community since the last reunion.

A basket lunch was served Sunday noon.

Those in charge of the arrangements were Hugh Bledsoe, president, Alvin Horton, vice president and Trudie Peters, program chairman.

The person coming the farthest was Arletius Needham from Mesa, Arizona; the oldest person present was Mrs. Belle Mitchell, who is 98. Jim Claunch of Bula was the oldest person present who was born in the county.

During the business meeting the following new officers were elected:

Monty Mitchell, president; Emory Ewing, vice president; Mrs. Mac Horton, secretary and Raymond Horton, program chairman.

Those attending were Helen (Hildenfelt) Fain and Watters Fain, Memphis; Mary Zella Riley Holcomb; Luther and Irene Chambliss Edwards, Sudie Maxwell Wright, Maurine Wilson Mercer, Edith Riley Cole, Wilbur and Nola Pierce DePauw, Gary and Sally Mitchell, Donna Ogletree Brinkley, all of Amarillo; Lucille Cockrell Riley and Janine Riley, McLean; Arletius Needham, Mesa, Arizona and his daughter Mr. and Mrs. Mike Hill and four children of Phoenix, Ariz., Mr. and Mrs. Cletus Coldiron, Ville Platte, La.,

Mary Hutchings, Lee Mathis Wedding Saturday, Aug. 6

First Christian Church in Palestine was the setting for the formal candlelight wedding of Mary Virginia Hutchings and Lee Spencer (Rusty) Mathis, both of Palestine, on Saturday, August 6, at six in the evening. Dan Douglas Manuel, minister of the Crockett Road Church of Christ in Palestine, officiated the double ring ceremony.

The bride is the daughter of Mr. and Mrs. George Stokes Hutchings of Palestine, formerly of Wellington. She is the daughter of the former Stella Mae Tenison and the granddaughter of Mrs. Robert Lester Tenison, 1506 Childress St., and the late Mr. Tenison. She is also the niece of Judge and Mrs. R.L. Templeton and Mr. and Mrs. Bobo Castleberry.

Parents of the groom are Dr. and Mrs. Lee Roy Mathis, Jr. of Palestine.

The church was decorated with a 15 branch arch candelabra entwined with English ivy, centered behind the communion table, and flanked by two brass heart shaped votive candelabra. An arrangement of pink and white gladiolas, burgandy poms and gypsophelia was placed on the communion table. Two arrangements of pink and white gladiolas, gypsophelia, burgandy poms on white grecian pedestals were placed on either side of the steps leading to the altar. Votive candles and English ivy were placed on the altar railings.

Classical music was played by Thomas Mosley, organist, and Mrs. Carl Kirk, pianist, both of Palestine. After the seating of the mothers, "Sunrise, Sunset" was sung by Paige Alleen Nation of Austin, Mrs. Mark Ellington Converse and Craig Harris, both of Palestine.

Escorted and given in marriage by her father, the bride wore a white formal designer gown by Eve of Milady. Her gown was of imported organza, re-embroidered Alencon lace, English net and pearls. The molded bodice in English net, accented with re-embroidered Alencon lace, and heavily embellished with pearls, featuring a sheer cameo yoke. This look formed the lace Victorian neckline. Long sheer tapered sleeves sculptured with lace and pearls fell to waist length which came to tear-drop shape to her hands. The A-line full skirt

MRS. LEE MATHIS

fell to slipper level, to a deep, scalloped border of Alencon lace and pearls, and swept to a chapel length train. A profile picture hat adorned with organdy roses, beaded Alencon lace and waltz length illusion veiling edged in Alencon lace complemented her gown.

The bride carried a cascade bouquet of white gardenias, burgandy sweet heart roses, pink glamelias, dusty rose heather and gypsophelia and English ivy. The bride keeping with tradition, carried a hand-made linen and lace handkerchief from her paternal grandmother symbolizing something old, something new was her wedding attire, something borrowed was a pair of pearl and diamond earrings, and something blue was her garter. Her father placed a penny in her shoe wishing her much happiness and good luck.

Attending the bride as maid of honor was Kerry Lee Alford of Palestine, matron of honor was Mrs. Steven Clifford Statham, of Palestine. Bridesmaids were Mrs. Bobby Gene Farley, Jr. of Kerens, Mrs. Eric Charles Pottkotter, Malinda Kay Adair, both of Tyler, Susan Ann Ray of Palestine and Mrs. William Douglas Surratt of Houston.

Ryan Eric Mathis of Palestine attended his brother as best man. Groomsmen were William Zoeller, Mark Thornton both of Palestine, Darwin Ray Scott, Jr. of Rockdale, Christopher Owen Cox, of

Houston. Lewis Eugene Vowell of League City and James Scoggin, Jr. of Van Buren, Ark.

Ushers were the bride's brothers, Dennis Harris of Palestine and Robert Harris of Canadian, Charles Clifford Davis, III of Palestine and Frederick Charles Neuberger of Houston.

After the ceremony, Mr. and Mrs. Hutchings were hosts at a reception honoring the couple at the Reagan Room of the Town and Country Hotel. The tables were laid with white lace cloth and gathered at the edge.

The bride's table was centered with a large arrangement of pink and white gladiolas, burgandy poms and gypsophelia to either side of the arrangement stood candelabras holding white tapers. The wedding cake was accented with mauve gladiolas. Punch was served from a crystal punch bowl and crystal and silver appointments were used.

The champagne was served from a gleaming brass fountain four tiers high.

Members of the house-party were Patty Tubb, Sharon Westmoreland, Sheryl Jones, Lisa Ward, Janice Anderson, Cherie Green, Mrs. Paul Pesce, Mrs. John Hite, Mrs. James Hudson, Mrs. Charles Boyd, Mrs. Charles Dickens, Mrs. Montee Poole, Mrs. Mike Saxton, Miss Wendy Harris, both nieces of the bride, all of Palestine. Also, Mrs. Paul Allen of Houston and Mrs. Lewis

Gear was born May 23, 1905 in Quanah. He moved to Hollis, Oklahoma that same year.

He was a machinist and plumber in Hollis until 1940 when he moved to Lawton as a civil service employee in the military artillery gun shop. He worked there until his retirement in 1967.

He sometimes worked in Collingsworth County during the time he lived at Hollis.

He was married to Thelma Louise Royal on May 13, 1950 at Vernon.

Gear is survived by his wife, a daughter, Mrs. Jessica Leiker of Houston, two grandsons, three sisters, Mrs. Martin, Mrs. Florine Bowen of Torrance, Ca., Mrs. Lauretta Vaughan of Dallas, and five brothers,

Services Here Saturday for Zelma Hudson

A former Wellington woman, Mrs. Zelma Dell Hudson, died Friday, Aug. 12, in a Dallas hospital after a long illness. Her home had been 2017 Meadow Creek, Plano, since 1980. She was 74.

Services for Mrs. Hudson were conducted at Schooler-Gordon Funeral chapel Saturday, Aug. 13, at 3 p.m., with the Rev. Stanley Hughes of First Baptist Church officiating. Burial was in Fairview Cemetery under the direction of

Guy Gear and Frank W. Gear, both of San Antonio, Oscar Gear of Georgetown, Perry Gear of Ringgold, La., and Milton Gear of Red Bluff, Ca.

Schooler-Gordon Funeral Directors.

Pall bearers were Lonnie Simmons, Carl Haggard, Duke Peterson, David Baty, Richard Stobart, Jim Kennedy and Steve Langford.

Mrs. Hudson, the former Zelma Dell Edmondson, was born at Win Hill in Jack County on March 30, 1908. She came to Wellington as a girl and lived here until 1964, when she moved to Amarillo, remaining there until she went to Plano.

Mrs. Hudson was in

business here for a number of years. She was retired at the time of her death.

She was a member of Temple Baptist Church, Amarillo.

Survivors are one son, John F. Langford, Amarillo; two daughters, Geraldine Haggard of Plano and Peggy Stobart of Richardson; two sisters, Mrs. Ora Dyer, Austin, and Iva Edmondson, Jacksboro.

There are 7 grandchildren and one great-grandchild.

Scoopin'

George Shadid showed me an interesting front-page article from The Daily Oklahoman that described a Russian obstetrician who is delivering babies under water.

The doctor says the babies swim instinctively as soon as they are born and that they know to go to the surface for air whenever they need it. He says the deliveries are easier for the mother, too.

The babies spend the next four or five days mostly in the water. He said the babies float on their backs while they sleep. Sometimes the babies need help in getting turned over, but after a couple of times they get the hang of it and sleep like a baby.

Each day they spend a little more time on dry land until they are out of the water completely.

The doctor says children who have been born with this method are stronger, taller and healthier than their classmates—he's been watching them develop for about a dozen years.

I guess this means that, since Dr. Kumar is again delivering babies here, the hospital board needs to be thinking about a swimming pool instead of a new fire sprinkler system.

I can now say that I have been to Europe. When the topic comes up in conversation, I don't plan to mention that I was just in London for two days. I plan to start off with something like "Well, the last time I was in Europe..."

We knew at the time we left that we might be called back on an emergency so it wasn't a disappointment.

They say that getting there is half the fun. I'm not so sure. We had gotten a cheap flight to New York, and I decided we needed to try to get on the People Express, a new airline with discount fares of \$149 to London.

The only problem was that the regular seats were sold out and the only way to get the cheap fare was to go standby.

We arrived at the Newark, New Jersey airport about midnight, expecting to be the only people who were desperate enough to spend the night waiting in line for a cheap ticket. Big mistake. There are apparently a lot of people with more time than money.

There were already 50 people ahead of us in line, sprawled out across the floor of the old Newark airport—a jumble of backpacks, bags, one student with a bicycle, inflatable air mattresses, and two guys who had come prepared—they had lawn chairs and a styrofoam cooler.

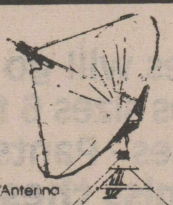

By noon the next day there were another hundred people behind us in the line. To make a long story short, we got on the plane, along with the student with the bicycle (I saw a London baggage claim man trying to find out who had the bicycle) and the guys in the lawn chairs (I don't know what happened to the lawn chairs.)

Our only serious problem came when Carol almost got run over by a London taxicab when she spotted across the street a store where she could buy her china pattern at 1/3 U.S. retail because of the currently strong U.S. dollar and cheap British pound.

Christian School Begins Term September 5

With a new name and a new location, Abundant Life Christian School will open its 1983-84 term on Monday, September 5, according to the Rev. Jim Horton, pastor of Abundant Life Fellowship.

The new location of the school is at the Abundant Life Church, at the corner of 9th and Haskell Streets.

The faculty will be announced later.

He defined the purpose of Abundant Life Christian School as being "for the spiritual training of our children, and we are offering it as a service to anyone else in the area who wants their children to have a Christian education."

The school's basic format will be the same as last year.

Rev. Horton said the requirements for enrollment are for both parent and children to have a personal conference with him not later than Wednesday, Aug. 24.

They must view slide presentations and familiarize themselves with the rules and regulations and submit a medical history before approval to attend the school can be given. Concerning the size of the school, the pastor said:

"We know we will have at least 19 students and

probably between 25 and 30. We will offer all 12 grades, and if anyone is to that point, we will offer paces to help in the first two years in college.

"The course of study will be the Accelerated Christian Education (ACE) the same course offered last year.

"The program is designed around reading. We'll have 5-year-old kids going through the learn-to-read program."

He emphasized this is purely Bible based.

The new location will give ample room for a playground and was called "a lot more serviceable."

An athletic program will be offered. "We will have inter-school basketball, volleyball and track. There are several Christian schools in the area, plus if they (the students) do well enough, they will go to national competition in Dallas at the end of the year.

"Our objective is to train children with a Christian education," said Rev. Horton. "The children we accept will be from any race, color or creed, but in addition, we will, to the best of our ability, expect our children to be saved."

He emphasized that children of all churches will be accepted as students,

although the supervisors and monitors will be part of the Abundant Life Church fellowship.

Horses Need Booster Shot This Month

Horse owners should give their horses an annual booster shot against equine encephalomyelitis, sleeping sickness, at this time of year, Mark Fires, D.V.M., said this week.

"We have had a couple of cases reported in counties north of us and there are several cases in South Texas now," Fires said. "We need to get all of our horses taken care of with an annual booster before we have any problems so that we don't get into a situation like we had a couple of years ago."

Sleeping sickness is transmitted by mosquitoes from one horse to another and can be transmitted to man by the mosquitoes.

Hospital Hires New Radiologist

Collingsworth General Hospital board swore in newly appointed member Emory Ewing and transacted a variety of business at regular meeting Tuesday, August 16.

The board accepted the hospital medical staff's recommendation to appoint Dr. Robert Metcalf of Hollis to the board as consulting radiologist.

At the same time the board read a letter from Dr. William Dunnagan of Childress terminating his radiology consulting services effective July 28. Dunnagan said in his letter that he understood that the hospital thought his financial arrangement with the hospital was causing financial problems for the hospital and that he understood that the hospital had contacted Dr. Metcalf about the possibility of his serving as the hospital's radiologist. Dunnagan said that in view of the situation, he would waive the 60-day termination clause in his contract and terminate services the last week of July.

The board also reviewed action approved at an earlier meeting to buy out the lease on the hospital's computer at a price of about \$33,000. The transaction has been completed, and the hospital now owns the computer outright.

The board also accepted a contract from Smith X-Ray

to handle silver recovery and maintain the x-ray processor. The hospital will receive half of the silver recovered in the process.

The board also heard a report by hospital administrator Perry Foster on the hospital's recent Medicare survey. The survey listed problems which the hospital has often been cited for: doctor's medical records are

not up to date, registered nurses are working too many shifts, several small problems with the building, and a variety of miscellaneous items. Medicare gives the hospital a certain amount of time to correct the problems mentioned after each survey.

Present were hospital board members Robert Owens, Loretta Wright, Corky Bowen, J.M. Orr, Yates Parker and Emory Ewing. Bill Patrick was absent.

Free Cheese Distribution Begins Again Friday, Aug. 19

Free cheese is back, but under a new program and with new guidelines.

Cheese distribution for Collingsworth County will begin again on Friday, August 19 at the Senior Citizens Center at 8:30 a.m.

Cheese distribution was temporarily halted in June by the Department of Agriculture because of abuses of the program. Under the new guidelines, Texas Panhandle Community Action Corporation of Amarillo will be the distributor for the 26 Panhandle counties.

In the past anyone over 60 years of age was automatically eligible even if they had another source of income.

The new guidelines are

based solely on total family income from all sources, except Food Stamp income.

Every recipient will have to sign a self-declaration form including family size and income, and a statement that they have not received donated food items in any other town or county during the past month.

The Texas Department of Human Resources may verify information on the applications and can prosecute those who make false statements on their application. A new application will have to be filed each time donated food is received.

The new income guidelines are: \$405.00 per month for a family of one, \$545.00 a month for a family of two, \$685.00 per month for a family of three, \$825.00 a month for a family of four, and gradual increases for

each increase in family size.

The guidelines will be posted at the Senior Citizens Center. A driver's license, social security card or some form of identification will be required.
