Cowboys by nine

Some of you folks may take some time Sunday to watch a certain professional football game.

It seems the Dallas Cowboys are taking on the Buffalo Bills.

Yes, I'll be one of many watching the Super Bowl and rooting for the Cowboys to demolish the Bills. My pick: Dallas by 9.

When I arrived in the Twin Cities in 1984, obviously I wasn't a Cowboy fan. Being a Chicago native, I rooted for my beloved Chicago Bears.

I'll always cherish that great year of 1963 when the Bears won the NFL title (before the Super Bowls started) by dropping the hated New York Giants. The Bears had some great players, like full-back Rick Casares, middle linebacker Bill George, cornerback Richie Petitbon, QB Billy Wade, and a tight end named Mike Ditka.

That was the year before a young linebacker named Dick Butkus joined the team. He was the greatest football player I ever saw.

Anyway, after they won that title, the Bears went downhill for about 20 years before coming back under Coach Ditka.

When we moved to the Washington, D.C., area in 1979, I began to follow the Redskins. They had George Allen's "Over the Hill" gang which was fun to watch. Then Joe Gibbs took over after a couple of losing seasons. His first round draft choice was Art Monk - not a bad pick. And the Redskins took off.

When I first came to the Twin Cities, I was too busy to take much interest in pro football. But I came to be a gung-ho Cowboys' fan in a strange way. Here's why:

Each year, our popular football contest gives as its top prize a package featuring tickets to a Dallas Cowboys' game.

Well, when the Cowboys had their 1-15 record, I felt badly about it. How could I promote the "great prize" of watching the worst team in the NFL?

So I began to root like mad for the Cowboys to win more games, so our contest prize would seem worthwhile. So the next season when they went 7-9 was much better. And the next year when they made the playoffs was even better than that.

And this year we offered tickets to a Super Bowl-bound team!

Now isn't that a lot nicer to say!

In last week's column, I had asked for help in identifying who Gerald D. Gault was. He was a possible addition to the Parmer County Memorial honoring the county's war dead. It will be dedicated at Farwell City Park on Memorial Day.

Friday, I got a call from his first cousin. Gerald never lived in Parmer County but his folks moved to Bovina about 1940 from Oklahoma and lived there for a year or two.

Gerald was an ensign in the U.S. Navy. He was raised in Oklahoma and entered the Navy. He died after his destroyer, the U.S.S. Barton,

Here's a look at '92 in review

Here is a look at the year 1992 in the Twin Cities in review:

January

The mural on the side of the Farwell City Hall was repainted and restored.

Combined work by the Texico marshal's office and the Parmer County Sheriff's department led to the arrest of two youths responsible for a spree of vandalism and several burglaries. Earlier four other youths were arrested for vandalism.

The Texico Marshal's office proposed a curfew to help curb the vandalism and disregard for the law. Meetings were held at the school and at the City Hall to discuss this issue. A curfew was not approved.

At the Farwell Junior Stock Show, Klay Camp showed the grand champion lamb; Watson Langford showed the grand champion heifer; Clint Patterson showed the grand champion swine; Clint Austin won the swine showmanship trophy.

Martin Chandler retired as director of the ASCS office. Curt Miller was named new director.

A. W. "Webb" Gober was elected to the board of the High Plains Underground Water Conservation District.

The contract was awarded to begin the second phase of the project to widen the Amarillo Hwy. between Friona and Bovina. A third phase of this project was planned to widen the highway all the way to the state line in 1993.

Frances Kube was elected president of the Farwell Convalescent Center Auxiliary.

Farwell school Supt. Richard Boothby's contract was extended for the next year.

Lazbuddie school Supt. Phil Warren's contract was extended for the next year.

Waste Management of Lubbock was hired to provide trash service in Farwell.

Farwell residents met to discuss their need for some kind of police protection.

Mandy Magby showed the Grand Champion Steer, Shana Foster showed the Grand Champion Lamb, and Jason Thomas showed the Grand Champion Swine at the Lazbuddie Junior Livestock Show.

Texico citizens organized to propose positive alternatives to the proposed curfew. The Texico Community Activities Organization was formed, headed by Kirk Roberts.

Steps were begun to improve the Texico Cemetery.

Texico voters approved a \$825,000 bond issue to begin construction of additional classroom space.

The Rhea-Hollene Volunteer Fire Department was organized.

Parmer County Sheriff's department recovered several fertilizer tanks near Las Cruces, N.M., which had been stolen from Farwell.

Shane Roberts showed the Grand Champion Barrow at the Parmer County Junior Livestock Show.

February

Renovations of the 3rd floor of the Parmer County Courthouse were completed. The county commissioners voted to renovate the second floor as well.

New UIL alignments were announced. Farwell's basketball district now includes Hart and Kress in addition to Bovina, Sudan and Vega. In football, the district included Bovina, Hart, Sudan, Kress and Nazareth.

Muleshoe State Bank opened a branch facility in Farwell.

Farwell FHA raises funds to restore old cemetery

The Farwell FHA is having a fund-raiser to help restore the old Olivet Cemetery 2 miles south of Farwell on the state line.

The idea was broached by the first period home economics class.

Students were knocking on doors last week to seek funds. They want to plant trees and shrubs, restore some head stones and burn the weeds at the historic site.

Persons wishing to donate may send funds to the Farwell FHA, in care of Mrs. Atkins at Farwell High School, Drawer F, Farwell TX 79325.

Research done by Chris Aycock shows the following: Olivet is the original cemetery for Farwell and many prominent citizens of Parmer and Curry counties are buried there.

On Nov. 23, 1908, the land was deeded by the Capitol Freehold Land and Investment Co. to J.D. Hamlin. The first sale of lots occurred in 1910.

But the earliest burial was apparently in 1907, before the land was deeded. The oldest marker shows only the name "Essie," the words "At rest" and the dates "1898-1907."

The newest grave is that of William J. Jones, corporal, U.S. Army, World War II, who was buried in 1981.

There is no plat of the cemetery filed in either the Parmer County Court House or Farwell City Hall. Other than the few recorded deeds and information recorded from tombstones, no record of who is buried at the cemetery exists.

In 1928, the cemetery was surveyed and a plat made. It shows the cemetery to be 6.36 acres divided into 6 sections and 525 lots surrounded by roads and including a small "park."

From the deed records, it appears that the last recorded sale occurred in 1926. However, it appears that more sales occurred later but were not recorded.

Among the important citizens buried there are J.D. Hamlin, who was chairman of Farwell's first school board and the representative of Farwell's interests before the Railroad Commission; members of the Hassell family, who were murdered in a famous case in the 1920s; and several War veterans, including some from the Civil War.

In 1973, Hugh and Wilma Moseley, of Farwell, conducted an extensive survey of the cemetery. They determined that about 100 people are buried there, though only 11 people have recorded deeds to the lots.

Over the years, the cemetery has been periodically cleaned up. But it basically continues in a state of disrepair.

Roberts resigns

Texico Deputy Marshal Kirk Roberts announced his resignation at Tuesday's Texico City Council meeting.

Roberts, who has been here about a year, will join the police department at Rio Rancho, near Albuquerque. His resignation is effective Feb. 5.

Roberts also has served as president of the Texico Community Activities Organization and has been a catalyst in Texico youth activities, such as the dances at the community center.

In other business, the council:

- Heard Mayor Doyal LaRue say that the test wells to be drilled to find the extent of the KKR Park contamination will start Feb. 22. They will determine which way the contamination is flowing.

- Was told that Farwell isn't interested in letting Texico use its animal pound to hold Texico strays.

- Heard that the Farwell Youth Association turned in the keys to the baseball park and is willing to turn over the park's lease to the City of Texico. This was placed on the agenda for the next meeting.

- Decided against having a field sobriety ordinance, on advice of city attorney Duane Hamar. This would have provided an extra fine in addition to normal charges for DWI if the suspect declined to take a breathalyzer test.

School Board election set

Texico voters go to the polls on Feb. 2 to elect school board candidates.

Running for position 4, an office previously held by Herman Gries, will be Terry Winkles and Ted Richardson.

Incumbent Janice Hamilton is unopposed for position 5.

Polls will be open at the Texico Community Center from 7 a.m. - 7 p.m. mst. Voters from both Texico and Pleasant Hill will vote at the Community Center.

Underpass to stay the same this year

The Parmer County Commissioners had a quiet, short meeting Monday.

They agreed to have Brown, Graham CPAs of Friona do the annual audit.

The commissioners also will let bids for having a county bank depository and for a cleaning service.

They began discussing possible renovations for the first floor of the courthouse.

It was noted that FM 145 will be renovated by the state highway department from the underpass to the Oklahoma Lane crossroads this year.

No changes will be made this year to the underpass, but maybe next year, reported County Judge Bonnie Clayton.

There also was a discussion of a proposed road ex-

tension in Lazbuddie near the gin, and parallel to FM 145. It was approved by a jury of view but an adjacent landowner opposes it. The legality of the extension is being looked at. County commissioner Ray McGehee is working on it.

Fire Calls

Farwell firefighters had 3 calls.

On Jan. 19 at 6:55 p.m., the ambulance transported a person from 710 3rd St. to Friona Hospital.

On Jan. 22 at 10:15 a.m., they were called to a fire in Lariat.

On Jan. 23 at 10:09 a.m., the ambulance was sent east of Farwell but no transport was made.

Texico may move up to Class 2A

It's appearing more certain that Texico may find itself in Class 2A for the next school year.

Texico Supt. R. L. Richards attended a meeting last week of the state's realignment committee, looking at the possibility of re-aligning the state's districts.

The suggestion that Texico has made - having 5 classes with about 20 percent of the schools in each class - apparently is also being backed by school athletic officials.

If adopted, many schools that Texico already plays, like Tatum and Melrose, would also move up to Class 2A. And Texico already plays several 2A schools, like Dexter, Jal and Eunice, so it wouldn't be a shock.

Speaker named for banquet

W.C. Newberry, a humorist from San Marcos, Texas, who also touches on motivational skills and dealing with stress, will be the speaker at the Farwell Chamber of Commerce banquet this year.

The banquet is tentatively set for March 27, it was noted at Tuesday's Chamber meeting.

The Farwell Convalescent Center Auxiliary will be the group honored at the banquet this year.

Local youths will entertain during dinner. Eighth graders will serve the meal. The Farwell School cafeteria ladies will prepare the food. Steaks will be grilled by Fred Chandler, Marlon Inman, Joe Jones and Johnny Actkinson.

The cost will be higher this year - \$10 a ticket, which includes at least \$1 to go toward the Parmer County Veterans Memorial.

Persons who would like to nominate someone for Man of the Year, Woman of the Year and Agriculturalist of the Year, may send their nominations to the Chamber, Box 1005, Farwell TX 79325.

In other business, the Chamber:

- Voted to dedicate the Veterans Memorial in Farwell City Park at 3 p.m. May 30, a Sunday. Concrete will be poured in March.

So far, \$8,180, including \$4,000 pledged by the county commissioners, has been raised toward the memorial's cost, estimated at \$12,300. Persons wishing to contribute should send their checks to the Chamber at the address listed above. The Friona VFW will help raise funds for it, too.

- Agreed to keep membership dues for businesses at \$50 annually, to be paid in 1 or 2 installments, and to raise the dues for individuals from \$22.50 to \$25 per year.

- Heard the treasurer's report for 1992 by Anne Norton. The balance, as of Dec. 31, was \$6,472.

- Agreed to continue its sponsorship of the Farwell Buyer's breakfast.

- Agreed to fix up the billboard near the ENMR office in Farwell. Its use is being donated by the owner. It will read:

was torpedoed by a submarine during World War II in the Battle of the Solomons. Gerald apparently was listed by the government as from Parmer County because that's where his folks lived at the time of his death. *** Farwell fans, I wish you could have been at the Farwell Lady Blue basketball game Tuesday night against Sudan. You would really have been proud of the Farwell variety girls team. I've lived here for 9 years now, and I've watched the girls' basketball program come along. Under the coaching of Jimmy Taylor and Patsy Camp, the girls are now competitive at virtually every level. The Lady Blue went against a team ranked No. 5 in the state. Sudan won because they shot extremely well from the outside in the second half. If they had just missed half their shots, it would have been nip and tuck. I'm really proud of the Lady Blue. They have worked very hard in the off season, and have practiced hard during the regular season to achieve their status as an excellent team. With district half over, the girls have a shot at the play-offs. Even if they don't succeed in that goal, they can feel good about themselves. They are a team with spirit, talent and, above all, a winning attitude. Congratulations, girls, you have helped return the Lady Blue to the "success" status.

FFA plans new horticulture project

The Texico FFA is undergoing lots of changes this year. For instance, they may not sponsor a Spring Hog Show, and they did not send delegates to the national FFA Convention this year as they have in the past.

On the other hand, FFA members and the Vo Ag department are busy making plans for a new horticulture program in conjunction with the Texico Special Education department.

State FFA President Lane Widner and District 4 representative Shelly Vaughn visited Texico Schools on Jan. 19 to discuss the state FFA program with the Texico members. They told the students about some of the state level events coming up.

Some Texico FFA students may participate in the "Made for Excellence Conference" in Albuquerque Feb. 13 and 14. Many FFA'ers will also be participating in judging contests and other competitions.

The FFA also has a Donkey Basketball game scheduled for April 16.

Two New Mexico State FFA officers spoke to the Texico FFA classes on Jan. 19. Lane Widner (left) of Estancia is the New Mexico State FFA Treasurer and District 4 Representative, and Shelly Vaughn (right) of Las Cruces is the State FFA President.

Accidental discovery may end obesity

WASHINGTON—Researchers may have discovered a way to end obesity—by accident!

In a study with a potential cholesterol lowering agent, scientists noted an unusual side effect. Instead of lower cholesterol levels, patients receiving a natural plant colloid lost weight while body weight in a control group remained constant.

The scientists say the mechanism behind the weight loss is not clear, but suggest it is partially due to a decrease in the intestinal absorption of calories. Scientists in another study published in the *British Journal of Nutrition*, found that patients consuming the same colloid lost weight in spite of being instructed not to alter normal eating patterns. Despite this evidence, other scientists may not agree on the weight loss benefits of colloids. Someday, pending further study, there could be universal agreement that colloids are helpful in confronting the problem of obesity.

National Dietary Research, whose research topics have been the subject of articles published in recent medical and nutritional journals, has successfully incorporated a series of colloids into a chewable food tablet called FS-1. When used as directed, FS-1 replaces high calorie fats with lower calorie nutrients, thus providing optimum nutrition with a minimum number of fat calories. According to an article published in the *American Journal of Clinical Nutrition*, consciously limiting the amount of food one consumes is not necessary to lose weight, provided you limit the fat.

A Florida company has obtained exclusive distribution rights to FS-1, which is available through pharmacies and other health care professionals.

Steers nip Hornets in battle for first place in district

The Farwell Steers shocked the Sudan Hornets Tuesday night, 43-42, in a battle for first place in district. The win puts the Steers in the driver's seat in a place for the state playoffs.

The Steers are now 5-0 with 4 of their remaining 5 games at home. Sudan, ranked high in the state, is 4-1. Bovina is 3rd at 3-2.

The Steers had lost to Sudan by 10 points earlier in the season at the Sudan Tourney. That game occurred just after Sudan finished playing football and the Hornets didn't have all their players yet. So the Steers entered this game as a heavy underdog, especially since Sudan had a huge height advantage.

But Farwell Coach Larry Gregory, in his last season before leaving the sidelines, came up with brilliant strategy that befuddled the speedy Hornets. He had his team use a semi-stall to great success.

By taking its time, and looking for the easy layups, Farwell went on top 12-4 at the end of the first quarter.

But Sudan struck back, using a full court press, and took a 2-point lead at the half, 20-18.

Sudan pushed ahead midway in the 3rd quarter by 13 points before Farwell started its stirring comeback. In the final period, Sudan was held to 7 points.

The winning basket with 8 seconds left was provided by a short jumper by Kade Kent, with an assist to Ryan Williams. Sudan's All-State guard Weaver missed a last second off balance jumper.

The key to Farwell's success was the ability of Steer guards Williams and Eric Delgado to use their quickness and ball handling ability to drive past the bigger and faster Sudan guards.

They hit a high percentage of their short shots, and also dished off the ball to Kent and Derrick Haseloff for more points.

Also, Kent dominated under the boards despite the tall Sudan team.

Third guard Brent Harrison didn't play much due to illness. Jeremy Ortiz filled in well.

Scoring were: Kade Kent, 12; Derrick Haseloff, 12; Eric Delgado, 11; Ryan Williams, 6; Shawn Haseloff and Jeremy Ortiz, 1 each.

The Steers beat Kress 71-52 Saturday.

Scoring were: Kade Kent, 32; Brent Harrison, 12; Derrick Haseloff, 8; Eric Delgado, 6; Ryan Williams and Shawn Haseloff, 4; Jeremy Ortiz, 3; and Clay Corn, 2.

The Steers beat nipped Vega on a last second jumper by Ryan Williams Jan. 22, 45-43.

In a game filled with turnovers by both teams, the two teams were close throughout the contest. Farwell played excellent defense.

Scoring were: Kade Kent, 16; Eric Delgado, 8; Ryan Williams, 6; Jeremy Ortiz, 5; Brent Harrison, 2; and Shawn Haseloff and Derrick Haseloff, 4 each.

Varsity Girls

Farwell's Lady Blue played strongly against a hot-shooting Sudanteam Tuesday and lost 73-58.
