Bulldogs Lose One, Await Denver City

By DALTON WOOD

After giving an all-out effort which fell barely short against a talented Seminole team last Friday, the Tahoka Bulldogs and fans face the job of getting back up again this week as the Denver City Mustangs bring an in-and-out, but dangerous team here this week.

Tahoka's fans went all out last week to help boost the team in the battle against Seminole, going to the game in a caravan, holding a pep rally outside the Indian stadium and then filing in as a group and really whooping it up throughout the game. The team gave a performance to match, but two big mistakes in the first quarter ultimately proved their undoing as Seminole won 20-12.

A Seminole resident told the Lynn County News representative about an hour after the game, "I've never seen such good team spirit as the townspeople of Tahoka showed tonight...if they keep that up all the time, they may lose the score sometimes, but they'll never really be beaten."

Coach A.D. Shaver's boys also did themselves proud in a losing effort, especially in the middle two quarters when they dominated play and threatened to come back and win it despite being down 14-0 after the first period.

Seminole did one thing nobody else has done: they stopped Bulldog running back Tracy White with just 54 yards in 19 carries—not bad at all, but short of his average of more than 100 yards per game. Once on a kickoff return, White was within one man of breaking a long one for a TD.

Clifford Oages gained 85 yards in 15 carries

and scored both Bulldog touchdowns, and Quarterback Todd Brown gained 30 yards in 7 trips, and completed three passes for 45 yards total, two to Tracy White and one 18-yarder to Kenny Scott.

Luchion Thompson, who

again played a good game at tackle for Tahoka, recovered a Seminole fumble on the second play of the game, but Tahoka couldn't move, and the first disaster came with less than 5 minutes left in the first when a Tahoka punt was blocked and Seminole took

over on the Blue and White 16. Quarterback Mike Grass scored from the 4 and Kirk Jackson converted to make it 7-0.

With Tahoka having trouble kicking into the strong wind in the first quarter, Seminole got the

ball back less than two minutes later and Grass on first down threw a perfect strike to wide receiver Kenneth Lowrie, who caught the ball going full speed behind the Dog secondary and ran on over to score on the 47-yard play. This made

it 14-0 at the end of the first period.

Long Run

Early in the second, Indian running back Ricky Greene got away on a 40-yard run, but fumbled at the Tahoka 2 and Todd Brown fell on it for the Bulldogs. Later in the quarter, Oages fell on a Seminole miscue at the Indian 35, setting up Tahoka's first touchdown drive. Brown hit Tracy White for 23 yards to the 12, White ran 10 yards to the 1 and Oages went in from there. Guard Kevin Elmore's extra point try was blocked and it was 14-6 with 5:40 left in the half, and that was the score at intermission.

Tahoka really carried the fight to Seminole in the third, holding the Indians well in check. And with 8:37 left Oages suddenly broke through, straightened up and raced 49 yards for a TD that really fired up the Bulldog fans and players. A running try by White was short, and it was 14-12.

The defense continued to play well in the third, with outside linebacker Johnny McKibben twice knifing through to throw Indians for losses, plus some good plays by folks like Brown, End Brad White and Tackle Doug Barham. But near the end of the third a Tahoka punt into the wind went just 13 yards and Seminole had the ball on Tahoka's 45.

Hill Scores

On the first play of the fourth, Indian runner Jim Hill broke 34 yards for a TD, but the point was missed and it remained 20-12. The Bulldogs kept trying to crank up a drive in the fourth, but each time it was thwarted, and that's the way it wound up.

Seminole has to be considered in the driver's seat of the district race now, but still has to play a couple of good teams, including Slaton, and even some of the supposedly weaker teams are rising up and smacking somebody down, as Roosevelt did last week in beating Frenship 21-0. This week's foe for the Dogs, Denver City, lost 22-0 to Slaton, apparently suffering some letdown after a super effort against Seminole the previous week which the Indians won 14-6. The Bulldogs are hoping not to suffer the same kind of letdown and will be wary of the Mustangs, who have a better team than their record indicates. Tahoka, with just one district loss, still is very much in the race.

City That Never Was Now Never Will Be

The city of Lynn City, Texas, which never made it in nearly 90 years of being platted in Lynn County, obviously never will, because the county Monday decided to let it officially become part of the ranchland it has been all the time anyway.

Around 1890 a half section of land about five miles northwest of Tahoka was designated as the future townsite of Lynn City, Texas, with streets and alleys platted, spaces designated for city schools and parks, and with names given the streets which never materialized, such as Olive Street and

Lake Street.

The property has been part of the T-Bar Ranch partnership, and since there's nothing there but prairie, the commissioners granted a request by T-Bar representative Cass O. Edwards III to quitclaim the property back to the ranch. Alleyways, for example, still technically belonged to the county, and the action was taken to clear the title. Edwards was present to present his proposal, with attorney Jimmy Wright.

At the request of District Judge George Hansard, the commission voted to raise

probation fee in misdemeanor cases from \$10 to \$15.

Also discussed was a proposal to increase fees charged residents for hauling caliche to private property, since the county is losing money on such hauling, but it was decided to wait until 1980 to increase the charges.

Sid Lowery, county veterans service officer, has resigned at the suggestion of his physician, and commissioners accepted with regret. A resolution of appreciation to Lowery for his 11 years of service to the county was passed. Judge Melvin Burks said his office would handle veterans service matters until a replacement can be appointed.

It was voted to close the county courtroom and partition it off to expand the county clerk's office on the south side of the present courtroom, leaving an area on the north side for commission meetings and other activities.

Commissioners appointed Andra Solomon, Bill Schooler and Debbie Wright to the county child welfare board.

Tire Store Will Open Next Week

Wade Tire Co., a new dealership handling several kinds of tires, is scheduled to open for business next week at the former location of Wade Implement Co. at 1229 Lockwood.

Hershel Wade, who has moved his International dealership in farm implements to a new location further east on U.S. 380 at the edge of town, said the tire company will handle tires for tractors, cars, pickups and trucks. Major lines to be offered include Goodyear, Michelin, Lee and Safemark.

Kent Shepherd, who has been with Wade for some time, will be manager of the tire store. Also working in the operation will be Valentino Gonzales and Rudy Tejada.

Shepherd said the facility would use radio-equipped service trucks to provide field service for tire problems, a feature expected to boost service especially to farmers. Phone number of the new company is 998-5488.

Jury Finds For County In Lawsuit

A 106th district jury found in favor of the defendant Lynn County in a case wound up last Wednesday in court here. The county had been sued by Atchison, Topeka and Santa Fe Railway for \$27,602 damages as a result of a train derailment at a crossing southeast of Tahoka in August, 1975.

After hearing testimony Monday and Tuesday, the jury decided the county was not at fault. The railroad had alleged that the rails at the crossing had been damaged by county grading equipment.

The Tahoka firm of Huffaker and Green handled defense for the county, and the Lubbock firm of McWhorter, Cobb and Johnson represented the railroad.

Some farmers are applying defoliant, others "letting nature take its course". Very limited cotton harvest so far.

Police Investigate Two Accidents

Two auto accidents, a burglary, some stolen dogs and a report that a city street was "sinking" were among items investigated by law enforcement officers here during the last week.

Sheriff's officers checked on a burglary at the home of Mrs. Tom Russell, northwest of Wayside, where a television set, vacuum cleaner and antique Singer sewing machine were missing after a door had been broken in while no one was at the house. The machine was valued at \$250, but neither the vacuum cleaner or TV set were in working order.

Also reported to the sheriff by Donna Parker of near Wilson was theft of four Doberman pups valued at \$150 each.

Tahoka Police Dept. investigated two wrecks, both Tuesday. At Lockwood and Ave. K a 1978 Chevrolet driven by Peggy Underwood struck a parked 1972 Mercury owned by John A. Roberts of Tahoka.

On the parking lot between the post office and bank, a collision involved a 1974 Dodge driven by Mrs. Opal Drager of Tahoka and a 1973 Buick station wagon driven by Nannette Watson of

Tahoka.

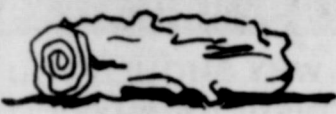

A resident called police and reported that the street was sinking on N. 1st. City officials explained that a water leak under the street caused the problem. The street along 1st near Ave. S was repaired.

TOUGH INJUNS--The Tahoka Bulldogs found the Seminole Indians plenty tough last Friday, finally bowing to the home team 20-12, but not until they put up a good fight. Bulldogs identifiable here are Johnny Alvarado (22), Ricky Chapa (10) and Ronald Lusk (51).

MEMBERS HONORED--Pam Womack, Lynn Co. Extension Homemakers Council Chairman, presents TEHA Medallions to 50 year members: Clifford Tankersley, Dove Atchison, and Mrs. Willie Thomas. Awards were presented at the Annual Extension Homemaker's Appreciation Luncheon Oct. 22, at Lyntegar.

WOODWORK

by dalton

GET LOTS OF SLEEP Friday night, and sleep Saturday morning, because Saturday night you'll have to stay up until 2 a.m. (which is really Sunday morning), so you can change your clock to standard time from daylight savings time.

It's a funny time to be changing over, but that's when the federal government says the change takes place, and if you change the clock before that you are cheating, and probably liable to 10 years' imprisonment in Leavenworth.

Possibly the reason the government makes the change on the last Sunday morning in October is you'll have all day Sunday after you wake up the next day to try and figure out what time it is.

To this point, we've been avoiding telling you which way to set your clock, because we're not sure. However, it either goes up an hour or back an hour. A lot of people say they have no trouble remembering which way at which time of year, because all you have to remember is a saying: "Spring backwards and fall over," or something like that.

Some people like daylight savings time and some don't, and often there is heated controversy in legislative chambers about whether to make the change in April or not. In this age of compromise, we would not be surprised to find the legislature deciding to move the clock up 30 minutes in the Spring.

In case there is someone who really doesn't know, you are supposed to turn the clock backward on Saturday night, and you don't have to stay up until 2 a.m. to do it. If you're sleepy at 11:30 p.m., set the clock at 10:30 and go to bed and enjoy an extra hour's sleep.

SOMETIME between the kickoff at Seminole Friday night and Saturday morning when I got up, a germ invaded my body and gave me a lousy cold leading on the flu, and by Monday I felt like nine miles of bad road.

Of course I am aware that a lot of folks in recent weeks have been hit by some kind of virus, but somehow it seems worse when it happens to me when it happens to the other guy. Anyway, by the time this is published, I'll feel great, I'm sure. The doctor prescribed for me some pills, and it says on the bottle to take one pill at 8 a.m. and one at 8 p.m. I did that, and have been wondering ever since what to do with the other eight pills in the bottle.

I'm not sure why I even mentioned having a cold, because I meant to say something here about howlown coming up next Wednesday night. Maybe it's because my wife says my cough sounds like a death rattle.

When men get a cold, she says, they act like big babies, and after reflecting indignantly on that for a while, I had to agree.

However, while I may be a bit cowardly about things like that, I can be quite brave about other things. Horror shows don't bother me, and when howlown night comes along, nobody is gonna scare me, folks.

Unless somebody comes to the door dressed like a germ.

She died at 9:30 p.m. Thursday, Oct. 18 in Littlefield Medical Center after a lengthy illness.

She had been a resident of Littlefield the past 15 years. She was a member of the Church of Christ.

Mrs. Vandiver and her family lived in New Home for several years during the '40's where Mr. Vandiver was employed by the New Home Coop Gin and she managed a cafe.

Survivors include three sons, Billy J. of Plano, Bob of Lubbock and Butch of Muleshoe; a brother; two sisters; seven grandchildren, and four great-grandchildren.

The family suggests memorials to the American Cancer Society.

Lubbock Jaycee-ettes Art Sale

The works of local artists, as well as artists throughout Texas and Oklahoma, will be featured at a Starving Artist Sale Nov. 16-18. Sponsored by the Lubbock Jaycee-ettes, the exposition will be held at the former TG&Y Building in Monterey Center. Nancy Morgan, publicity chairman for the sale, said "many kinds of art, such as jewelry, oil paintings, ceramics, macrame, and wire sculpture will be featured."

The sale will be open Friday, Nov. 16, and Saturday, Nov. 17, from 10 a.m. until 8 p.m. and Sunday, Nov. 18, from 12 noon until 5 p.m. Proceeds from the sale will go to charities. Last year's proceeds from the sale went to the March of Dimes, Multiple Sclerosis Society, Family Services of Lubbock, Lubbock Area Foster Parents Association, Lubbock Area Children's Shelter, Lubbock Jaycee's Children's Shopping Tour and the Texas Jaycee Campus.

This will be the eighth annual sale the Jaycee-ettes have sponsored.

Gasohol, highly-touted as a liquid fuel that will help ease gasoline shortages, was sold by nearly 2,300 service stations in the Midwest in the 1930's.

Sherry Etheredge Says....

Smooth-top ranges get the "ok" on energy efficiency--if they have thermostatically controlled elements.

They'll save even more energy if their owners learn to finish cooking food by using "retained heat."

That means turning off the burner before food is completely cooked and letting it finish cooking with heat that the element retains.

Smooth-top ranges have excellent retained-heat capabilities, researchers say. Also, most researchers report similar amounts of energy used by smooth-top ranges with thermostatically controlled elements and by conventional ranges.

Although cooking is about 15 percent slower on smooth tops, their efficient transfer of heat makes energy-use figures similar with those of conventional ranges.

On the other hand, smooth tops with non-thermostatically controlled units will use slightly more energy than other models, and they do require about 23 percent more cooking time.

Smooth-top ranges have been marketed for just over 10 years, and consumers buy one smooth-top for every 10 ranges and countertop ranges they purchase.

Most smooth-top owners

say eye appeal and cleaning were major reasons for their choice.

However, popularity of these ranges is declining somewhat.

Consumers have voiced worries regarding energy consumption and slow cooking.

Go, Big Blue

WHY SHOULD YOU CONSULT A PHYSICIAN?

Because you know a physician has to spend so many years at a medical school and internship in a hospital that he has knowledge about diseases and their treatment that you could not know. Because when everyone but a physician selects a medicine to take, they usually do not treat the cause of the trouble but only try to stop the pain or discomfort. Similar symptoms are often present in differing medical problems. A physician, aided by new diagnostic techniques, x-rays, urinalysis, etc., can find out what is causing your trouble and prescribe the one particular medicine he decides is best for you. That is why, if self-treatments do not help immediately, it is wise to go to a physician before a possible serious disease can develop.

continue to support these young men in their efforts. Our citizens are to be commended for their support in Seminole. I thought there was a very good turnout for this game so far away. Remember, our football team, our school, our administration, our coaching staff are not looking back and saying "What if", only looking ahead, taking them one at a time, and winning. The citizens of Tahoka must continue to support these efforts and only look ahead. Sincerely, Dwain Lusk

Junior High Teams Beat Roosevelt

Tahoka Junior High football teams both won over Roosevelt Oct. 11, but both lost on Oct. 18 to the 7th and 8th grade teams of Slaton.

The 7th grade walloped Roosevelt 44-12 as Mario Bernal scored four touchdowns and Ricky Nieman scored twice. Charles Wells played a good game on defense.

Against Slaton, the 7th grade fell far behind at 32-0 in the first half, but came back strong in the last half, although losing 50-24. Nieman made one Tahoka TD and Bernal scored twice, once on a 60-yard run.

The 8th grade beat Roosevelt 16-8 and then lost a toughie to Slaton 8-6. Against Roosevelt defensive standouts include Robert Munoz, Travis Moore, Havie DeLeon, Jackie Robinson, David Garcia and Leonard Flores. Roosevelt scored first and led 8-0 at the half. In the third, DeLeon and Moore each recovered fumbles and Flores ran for a TD behind blocking by Garcia and Randy Summers. Flores also scored 8 points in the last quarter to give Tahoka the winning margin.

Tahoka led at the half against Slaton after Garcia scored, but Slaton came back to win with a touchdown and extra points in the third quarter.

Public Notice

Legal Notice Notice of Intent To Engage In Weather Modification Activities

Notice is hereby given that the Colorado River Municipal Water District, 400 E. 24th Street, Big Spring, Texas 79720, who holds License No. 79-1 of the State of Texas issued Sept. 5, 1978 (renewal application was submitted July 17, 1979 and is pending at this time) intends to engage in an operation to change or attempt to change by artificial methods the natural development of atmospheric cloud forms for and on behalf of the Colorado River Municipal Water District, P.O. Box 869, Big Spring, Texas 79720, and will conduct the program of weather modification designed to increase precipitation by means of the aerial application of silver iodide or other artificial nuclei as follows:

1. The area over, or within which, equipment may be operated shall include the counties of Lynn, Garza, Kent, Dawson, Borden, Scurry, Fisher, Martin, Howard, Mitchell, Nolan, Glascock, Sterling and Coke.

2. The target area, within which the precipitation is intended to be enhanced, can be described as follows: The boundary may be described by a line beginning at a point of origin at Big Spring, Texas, and running along Highway 87 in a northwesterly direction to Lamesa, thence north-northeast on Highway 87 to the north border of Dawson County, thence east along the northern boundary lines of Dawson, Borden, and Scurry Counties to Highway 84; thence southeast along Highway 84 to Roscoe, in Nolan County; thence south-southeast to Maryneal; thence southwest to Silver in Coke County; thence south-southwest to Highway 87 at a point approximately 13 miles northwest of Sterling City; thence northwesterly along Highway 87 to the point of origin at Big Spring, Texas.

3. The materials, equipment

and methods to be used in conducting the operation within this area of approximately 3500 square miles include 3 cm and 5 cm radar systems, cloud seeding aircraft, and the application of silver iodide ice nuclei, hygroscopic nuclei or other nuclei considered appropriate to the artificial nucleation of clouds or weather systems.

4. The program will be operational during the period from March 1 through November 30 during the years 1980, 1981, 1982, and 1983.

5. Any person desiring additional information may contact the Texas Department of Water Resources, P.O. Box 13087, Capitol Station, Austin, Texas 78111. s/s Owen H. Ivie

Past Noble Grand Club met on Thursday night in the home of Callie Massey. After the business session and study of Constitution and by-laws, a delightful meal was served to the 7 members present.

Visiting in the home of Wilma Smith last week were her mother, Mrs. Wilma Morris of Plainview and her niece, Laura Duncan, a student at Wayland Baptist College. Also here from Albuquerque were her sister and nephew, Dorothy Duncan and Revel Rainey.

Mrs. Hulda Schneider was hostess when the Wilson Sewing Club met on Monday afternoon in the Museum. There were nine members present. Mrs. Charlie Lichey and Mrs. Elmer Rice attended from Tahoka.

More than 40 persons were on hand for Friday's noon luncheon at Lynn Co. Pioneer Club. Mrs. Lois Weathers and Mrs. Lottie Spears were hostesses. Zella Taylor won the lucky member gift. There were 2 visitors from Lubbock and 3 from Brownfield.

The Art and Crafts Show and Sale will be held this Friday and Saturday, Oct.

26-27 along with a garage sale at the east door of the Senior Center. The public is invited to come, look, see, or buy.

Mr. N.E. Wood is home

after several days in Methodist Hospital.

Mr. and Mrs. Edd Akin have returned to their home after spending 2 weeks with the daughter's family in Garland, Texas.

Mary Samson from the Lubbock office on aging was at the Senior Center on Tuesday. She also attended the noon luncheon at Methodist Church as a special guest of Mrs. Abbe.

Like a good neighbor, State Farm is there.

Mr. and Mrs. R. A. Weatherby Celebrate 50th Anniversary

Mr. and Mrs. R. A. Weatherby of Lamesa will observe their 50th wedding anniversary at a reception Sunday, Oct. 28 from 2 to 5 p.m. at the Dawson County Community Center, Houston Ave., Lamesa, Texas.

The former Mable Israel and R. A. Weatherby were married Oct. 30, 1929 in

Lynn County. Their children Joyce Bullard, Vera Fairweather of Lamesa; Kathy Warren of Rome, Miss.; and Mary Lee Laws of Tahoka will host the reception.

Mr. and Mrs. Weatherby have 8 grandchildren and 1 great-grandchild.

All friends are invited to attend.

Wilson Upsets Meadow

The Wilson Mustangs put an end to the Meadow Broncos' undefeated season record last Friday night as they came from behind to upset the Broncos 17-7.

A Mustang fumble early in the first quarter on their own 19 yard line set Meadow up for their first and only touchdown drive and extra point kick. The two teams battled back and forth the rest of the half to go in with Meadow leading 7-0.

Then in the third quarter Wilson had a 4th and one yard situation on their own 30 yard line. Tailback Randy Hall broke it and ran the 70 yards to paydirt. The extra point was blocked leaving the score 7-6.

The first play of the fourth quarter found the Mustangs in a fourth down situation again. In comes junior Donald Freitag who put the Mustangs ahead 9-7 with his successful 29 yard field goal. The Mustangs came back minutes later to score again with a 3 yard touchdown fumble recovery by senior Randy Moczygemba. Mustang Jon Cox passed to Bobby Garcia for the extra points. The Broncos were never able to bounce back.

Individually Randy Hall was leading rusher with 199 yards on 32 carries followed by Kendall Wilke with 36 yards on 2 carries. Defensively, Quintin Talkmitt led with 14 tackles for the Mustangs followed by Moczygemba with 12, Mitch Bartley with 9, Cox with 8 and David Weaver with 7.

The Mustangs are now 5-2 for the season and 2-0 in zone play. They will meet the highly rated undefeated Klondike Cougars at home Friday night. Kick-off time is set for 7:30 p.m.

BOSWORTH CHILDREN WILL HAVE RECEPTION

The remaining 5 children of the late Mr. and Mrs. R. Bosworth would be happy to greet old friends at the Grassland Community Center, Sunday, Oct. 28 from 2 to 4 p.m.

Wilson News

By Marsha Chisum

Jeremy Ross was honored on his fourth birthday with a party in his home. Hot dogs and cake were enjoyed by the following guests: Kimberly Cox, Kent Gatski, Shane Moore, Kenda Chisum, Dillon Stone, Jon Zacharias, and Brody Moore.

Miss Tracy Ray, daughter of Mr. and Mrs. Bob Ray, made her twirling debut with the Tech Red Raider Band last Saturday afternoon in the Jones Stadium. Tracy, a former Mustang twirler, is a Freshman at Tech and was selected as an alternate Tech twirler last Spring.

The Mustang Band will be performing their contest routine at Jones Stadium in Lubbock this Saturday before judges for criticism to help them prepare for their actual contest in November. If you have not seen them march lately don't miss their half time performance this Friday night.

Friday, October 26, has been designated as "Blue and White" Day in Wilson. Everyone is encouraged to wear blue and white all over town that day, to the pep rally, and to the ballgame. The Mustangs will face the undefeated Klondike Cougars at home Friday night for the game that will probably determine the 3-B West Zone Champion. Klondike lost only to Wilson last year 6-0 in district play and they will be out for revenge. The Cougars return 21 lettermen off that '78 team. They are rated the Number 3 team in the state according to the Harris rating system. Let's get behind these boys and show them this "Mustang Country" is for the "Blue and White" all the way!

The junior high Mustangs proved that they meant business last Thursday evening when they stepped out on the field by walking all over the undefeated Meadow Broncos. These little Mustangs were outsize physically but not in desire and determination. They control-

led the ballgame from beginning to end.

Outstanding effort by Keith Spears brought the young Mustangs their first touchdown in the second quarter when he intercepted a Bronco pass and ran it back 52 yards. Sammy Nava scampered into the endzone for the extra 2 points.

The next TD was scored when Nava passed for 30 yards to Joel Velasquez and then Nava carried for the extra points. Spears again found paydirt with a 3 yard run and then connected a pass to David Ehlers for the extra points.

The Mighty "Mosquito" Mustangs all did an outstanding job. They brought their record to 6-0 and will travel to Klondike this Thursday afternoon to face the only other undefeated junior high team in the district.

In the JV junior high Wilson-Meadow game the Mustangs were also victorious with a 6-0 score. Tony Apolinar broke for 70 yards to score the only touchdown of the game.

Concession workers for the high school Klondike game Friday night are: Mr. and Mrs. Billy Weaver (chairman), Mr. and Mrs. Rudy Schwertner, Mr. and Mrs. Dean Daniell, Mr. and Mrs. W. H. McNeely, Mr. and Mrs. Donald Klaus, Mr. and Mrs. B. W. Hobbs, and Margarito Hernandez.

Men responsible for running the chain are: Tom Freitag and Loyd Hagens.

The Wilson Future Homemakers of America had a regular meeting last week. At the meeting various things were discussed.

The yearly FHA beau was chosen and will be announced at a later date. The chapter also chose FHA'er of the months for Sept. and Oct. The FHA'er for September is Stephanie Cook. Stephanie is a senior at Wilson High School and the daughter of Mr. and Mrs. Dan Cook.

The FHA'er for October is Sherri Steinhauer. Sherri is a junior at Wilson High School and the daughter of Mr. and Mrs. Gilbert

Steinhauer.

Pythian Sisters

Pythian Sisters of Lynn Temple #45 met Tuesday, Oct. 16 at 7:30 p.m. for their regular meeting with Mrs.

Darlene Gurley, M.E.C. presiding.

The Temple has received another shipment of pecans and will also have a new shipment of knives, peppers and extracts for sale. Contact any member if you are interested in any of these items.

Mrs. Darlene Gurley and Mrs. Winnie Spruiell were hostesses and 17 members attended.

The Temple was the host for the District #9 Convention on Saturday, Oct. 13. Mrs. Bertha Williams, District Deputy and Dorothy Kidwell, M.E.C. presided during the meeting. A luncheon was served at the Methodist Church. Miniature rockers with flowers were used in the table decorations and registration cards were decorated with smiling faces, the grand Chief's emblem.

Card of Thanks

We would like to thank the
Lions Club for the use of
their booth at the Harvest
Festival. We also thank all
the mothers that brought
cakes and brownies and the
ones that worked. Thanks to
Billy, Nadine and Sherry for
letting us auction off the
cakes that were left. We feel
the Harvest Festival was a
big success this year and all
had a good time. Thanks to
everyone for supporting the
Cub Scouts.

Thanks,
Cub Scouts
and Den Leaders

The Harvest Festival
Queens of 1990 would like to
thank McCord Motor Com-
pany for the use of a new
pickup for the Homecoming
parade.

Card Of Thanks

We would like to thank our
many friends, neighbors,
and relatives for your many
acts of kindness shown
during the loss of our loved
one. We wish to express a
special thanks to the
O'Donnell Ambulance Ser-
vice and Rev. Norman
Patton. Your kindness help-
ed comfort us in our sorrow.
The V.O. Caswell Family

We wish to express our
sincere thanks to all our
friends who sent flowers,
food, cards and most of all
for your prayers, love and
concern during the loss of
our loved one.
May God bless each and
everyone.
The Family of
