$\$$ Winners

Winners in Saturday's last drawing for Christmas dollars were present in person to accept their prizes. Top picture shows Virginia McKinney squinting in the sunlight as she accepts her $25 prize. Second picture is Julius Smith, winner of $50. Third picture shows Tony Love accepting his 50-dollar bill and the bottom picture catches the big smile of Mrs. G. R. Rhode, $100 winner.

Sales Tax Up Up Up Up

$21,649.78 Check Indicates Booming Economy

The city received a sales tax check recently for sales during the third quarter of 1973 in the amount of $21,649.78, the highest amount received since voters approved the extra one cent collection in 1970.

The $21,649.78 check is more than a thousand dollars more than the $20,321.90 check received for second quarter sales this year and about six thousand more than the $15,608.74 for third quarter sales last year.

Sales have increased almost every period since the tax collection began. Colorado City merchants have reported that sales during the heavy Christmas shopping season were good, so the sales tax check for fourth quarter sales should be the largest amount ever.

Tax checks received so far this year are $16,970.45 for the first quarter, $20,321.90 for the second quarter and $21,649.78 for the third quarter, totaling $58,942.13 for the three quarters.

Checks received last year amounted to $14,913.39 for the for the first quarter, $14,617.05 for the second quarter, $15,608.74 for the third quarter and $18,379.47 for the fourth quarter, totaling $63,518.65 for the year for 1972.

Since the total received so far for 1973 is already almost $59,000, sales in 1973 should be the best that Colorado City has experienced in many years.

Sales tax receipts are one of the best indicators of a city's economy and even minus the inflation factor, sales indicate that business is good in Colorado City.

$6,100 Received By Industrial Team

The Colorado City Industrial Team, Inc., has already collected $6,100 toward its $50,000 goal of a fund drive that is scheduled to get underway early in 1974.

The impending fund drive was announced two weeks ago due to the fact that the Industrial Team has been advised by some of the past contributors that they would prefer to make some or all of their investment now in order to obtain a tax credit for this year.

Those who have already contributed include J. Lee Jones Jr., $1,000; J. S. Craddock Jr., $50; Gus Chesney, $100; Dr. W. H. Rhode, $500; Root Enterprises, $500; City National Bank, $2,500; C. C. Thompson, $500; George Witten, $500; Villa Inn, $250 and Frank Brownfield, $200.

Anyone who wishes to make a contribution before the end of the year can do so by contacting any member of the industrial team, by taking the funds to the City National Bank or the Chamber of Commerce or mailing it to Colorado City Industrial Team, P. O. Box 242, Colorado City, Tex. 79512.

"The Team has had only two fund drives previously, each of which was approximately three years apart," said Bob Reily, chairman of the Team's finance committee.

"The funds raised from these drives have been depleted but we are very proud of the results obtained," he noted.

"Due to the Team's efforts, we have assisted in locating industries here that now employe a total of approximately 200 people...Jeanne Manufacturing Co., Foam-Tex, Inc., Sequoya Mobile Homes and H&H Auto Air," Reily pointed out.

Other members of the Finance committee are G. D. Foster and J. S. Craddock Jr.

In addition to Reily, Foster and Craddock, other members of the Industrial Team are C. C. Thompson, Charles Root, J. Lee Jones Jr., J. Ralph Lee, Willie Landau and Mac McKinnon.

No Paper Sunday

For the first time in recent history, the Colorado City Record will skip an issue. There will not be a Record published this Sunday, Dec. 30.

A shortage of newsprint and the opportunity to reduce energy requirements led to the decision to to take a holiday this weekend.

The Record will resume its regular publishing schedule with the Thursday, Jan. 3 edition.

The Record office will be closed Friday and Saturday and will be open Monday, Dec. 31. Our office will be closed New Year's Day and will be open Wednesday, Jan. 2, when the Record office will resume regular office hours.

Loraine, Westbrook In Tournament

Teams from both Westbrook and Loraine are entered in the Hawley Boys-Girls Invitational Tournament this weekend.

Loraine Boys team will play Rule at 11:45 a.m. Thursday, and if they win, will take on the winner of the Aspermont-Goree game at 1:30 p.m. on Saturday.

Westbrook's boys and girls teams will play Munday, girls at 1 p.m. and boys at 2:30 p.m. Thursday.

Other teams entered in the tournament are Roscoe, Trent, Woodson, Clyde, Moran and Knox City girls team.

Livestock Show Opens

The Mitchell County 4-H and FFA Livestock Show opened Thursday morning, with weighing-in and preparations being made for one of the best shows ever held in the county.

Show officials were expecting about 120 barrows, 50 lambs and 25 steers and heifers to be entered in the competition.

Awards were to be made to livestock entered in the three divisions, with special awards for the competitors.

Lamb judging is set for 9 a.m. Friday. Charles Northcutt and Donald Smith are superintendents in the Sheep Division, with Oliver Werst, county extension agent of Glasscock County as judge and Richard Smith, Vocational Agriculture teacher of Hermleigh as the classifier.

Swine judging is set for Friday afternoon at 1:30. The superintendents of the Swine Division are Bob Hoback and Tommy Morris, with Bobby Lee, Vocational Agriculture teacher of Wilson as the judge.

Steers and heifers will be judged at 10 a.m. Saturday. Cattle superintendents are David Stubblefield and Leon Light, with Billy Reagan, county extension agent of Martin County as the judge in the Beef Division.

Don Stewart, Eddie Mitchell and Don Hodges are in charge of weights and tags for the Livestock Show.

The Mitchell County 4-H and FFA Livestock Show Committee will award cash prizes to winners in each of the three divisions and banners and trophies have been donated.

The Beef Division Grand Champion banner and trophy has been given by the City National Bank, with Reserve Champion banner-trophy donated by the Colorado City Record. A rosette will be presented for the best breed bred in Mitchell County.

Sheep Division Grand Champion banner and trophy has been donated by the First State Bank of Loraine, with Reserve Champion banner-trophy donated by Tommy Marricle. Rosettes will be presented to the best lamb bred in Mitchell County and for the champion and reserve champion group of three.

Swine Grand Champion banner and trophy has been donated by Lone Wolf Electric, with Reserve Champion banner-trophy donated by T-X Farms of Colorado City. Rosettes will be presented to the best barrow bred in Mitchell County and for the champion pen of three.

Showmanship awards will be presented to winners in the steer, lamb and swine divisions by Hutchins Ford Sales.

Herdsman awards will be presented by Dink Rees in the Beef Division ; Jimmy Moody in the Swine Division and Tommy Marricle in the Sheep Division.

Complete results of the show along with pictures of the winners, will be published in the Thursday, Dec. 30 edition of the Record.

44,182 Bales Of Cotton At Gins

The Mitchell County cotton crop is nearing the point of breaking last year's record breaking yield of slightly more than 46,000 bales.

As of Thursday noon, Mitchell County gins have ginned 40,445 bales and another 3,737 are on gin yards awaiting ginning.

The total number of bales at the gin amounts to 44,182. In addition to the bumper crop, prices for the cotton this year have hit the highest levels ever bringing as much as 64¢.

It now appears that last year's record yield could be equaled or bettered by this year's crop. However, most farmers report they are through stripping cotton and it will take at least 2,000 more bales to break last year's record.

With this year's crop almost history, farmers are growing increasingly concerned over the lack of rainfall this fall. Fall and winter rainfalls are important for winter grains as well as for base seasoning for next year's cotton crop.

This is the earliest that the cotton crop harvest has been completed in many years, especially a crop of this magnitude, primarily due to the good weather that has been experienced.

However, this same good weather is regarded with mixed feeling because although it helped get the cotton crop out and to have a high quality cotton crop, the lack of rainfall could hurt next year's crop.

A heavy snowfall within the coming months would help provide seasoning and farmers are hoping for rain soon to help winter grains and pasture grasses which are dying due to the lack of moisture.

Here are the totals for each of the Mitchell County gins:

--Broughton, 1,261 ginned, 30 on yard.

--Buford Co-op, 6,646 ginned, 600 on yard.

--China Grove Co-op, 384 on yard, 5,132 ginned. (China Grove has ginned 10,263 and has 768 on yard but half of that is considered Scurry County cotton).

--Farmers Gin, 4,392 ginned, 25 on yard.

--Loraine Co-op, 9,917 ginned, 1,547 on yard.

--Mitchell County Gin, 201 on yard, 2,397 ginned.

--Planters, 300 on yard, 2,720 ginned.

--Producers, Co-op, 7,980 ginned, 650 on yard.

A NEW YEAR'S RESOLUTION

"He is not communicating," said a friend concerning the ineffectiveness of a certain minister.

He was wrong. His friend WAS communicating. He was telling the world everything about himself. He was saying, "I have lost my zeal! I have lost my direction! I am headed nowhere--bearing no cargo--without a rudder!

Thus he was a casualty of today's high-speed social change and the breakdown of authority.

But God's man must not allow such a tragedy to occur to him. He must renew his vision, his zeal, his direction, in the only way he can by, "looking off unto Jesus, the author and finisher of our faith; who for the joy that was set before Him, endured the cross, despised the shame, and is set down at the right hand of the throne of God."

It's not communicating--it's communicating rightly. That makes the difference.

Happy New Year

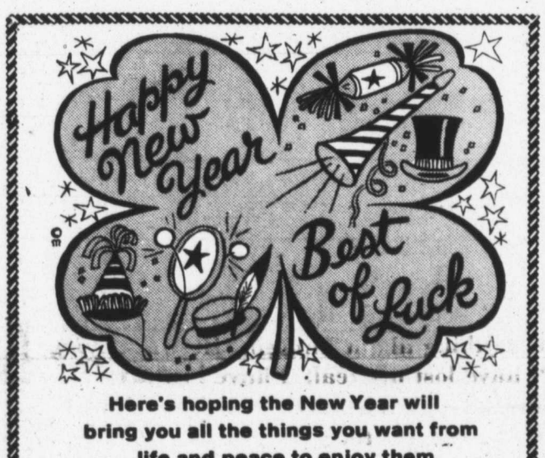

The year 1973 is rapidly coming to a close. It has been a good year for Mitchell County residents.

This year has seen many changes come to the county. Almost every organization and business has made considerable advances. As the year comes to a close, let us look forward to 1974.

Despite the many problems facing the nation and our community, 1974 can be an even better year than 1973. It'll take hard work, patience and determination to overcome problems such as the energy crisis but with the high caliber of people we have in Mitchell County, 1974 is sure to be an even better and more prosperous year than 1973.

We wish everyone the best of everything in 1974.

Question:

Is Lone Star doing everything it can to hold down costs?

Answer:

Yes!

We're operating more efficiently than ever before. But our costs are going up none the less . . . just like yours.

For instance, the interest rates on money we have to borrow for constructing new gas supply systems have increased dramatically. These rates have recently been at all time highs.

Within the last 18 months, we have invested nearly $100 million:

- ☐ to build a large diameter, 400-mile pipeline from West Texas to the Dallas-Ft. Worth area,
- ☐ for other facilities along this pipeline,
- ☐ to attach major new reserves and
- ☐ to pay for well drilling by producers...

all for the purpose of assuring continuing natural gas supplies to our customers.

These investments don't even include the cost of all the gas we must buy to fill the line. In 1969, natural gas cost us about 19 cents per thousand cubic feet. Recently we paid more than 85 cents for major new supplies. And the price is still rising.

Costs like these are the price Lone Star must pay for your continuing natural gas supplies. It's important that you understand our need for adequate rates so we can continue to deliver clean gas energy to your home for winters to come.

We're doing everything possible to hold down controllable costs. But even with gradual rate increases, natural gas from Lone Star will still be your most economical and efficient nonpolluting fuel.

Wolves In Tournament

Colorado City's Wolves will play their first game in the Coahoma Tournament against Crane at 8 p.m. Friday.

Wolves coach Dean Ingram said that Wednesday's workout was the first one held since the Christmas holidays and that he expected the team would have lost some of the quickness from the rest. He also said that the Wolves have played against Crane before and should have a chance to win.

If the Wolves win their first game, they take on the winner of the Jal, N. M.-Coahoma game on Saturday.

Other teams entered in the tournament are Stanton, Rankin and Denver City.

the $1,75 million from the recent sale of the school bond issue Wednesday, Dec. 26, and the money was immediately invested in certificates of deposit at about 9 per cent interest with the Citizens National Bank of Abilene.

Citizens National is a co-operating bank with the City National Bank of Colorado City.

Supt. Lloyd McKee said that the investments were made in 90 day duration and 60 day duration groups in order that the school district might meet its obligations yet still realize the profit from the investment of such a large amount of money.

FFA District Banquet Here

The Colorado City chapter of Future Farmers of America won two banners in district competition against area FFA chapters and the awards were presented recently at the FFA District banquet.

The awards won by the local farmers were for farm skills and chapter ratings. Colorado City's FFA was the only chapter receiving a chapter rating award.

Melissa Haygood, daughter of Mr. and Mrs. Garland Haygood of Roscoe, was selected as the district sweetheart. Runner-up was Martha Sparks, senior of Colorado City.

A talent contest was held for the entertainment of the crowd of about 220 and Ira placed first, with Colorado City's "Tony and the Greengoes" coming in second. Members of the group were Tony Rivera, leader of the entertainment squad and Mike Brooks, Tony McClure, David Myers, Kenny McClure, Ricky Hemphill and William Jones.

District offices are held this year by Colorado City FFA members, Randy Erwin, president; Jim Bo Morgan, vice president; Rodney Dockrey, secretary; Pete Fincher, treasurer; Allen Sparks, reporter and Tony Rivera, sentinel. Frank Brownfield is the sponsor of the local chapter and of the district officers.

Farm Bureau Elects Officers

Officers for the coming year were selected recently for the Farm Bureau by the board of directors.

Alton Raschke was elected president; Murrell Blassingame, vice president and Tommy Fuller will serve as secretary-treasurer.

The board of directors includes Bruce Byrne, R. B. Golden Jr., Wayne Oliver, Heston Redwine, D. M. Smith, Travis Turner, Fred Warren, Ronnie Feaster and Dwayne Harris.

100,000 Bale Decline . . . Citrus Projection Unchanged . . . Milk Production Increases Slightly.

A 100,000-bale decline in Texas' 1973 cotton crop is noted in the Dec. 1 cotton crop estimate from the Texas Crop and Livestock Reporting Service. Even so, it is still the largest crop since 1961.

The Dec. 1 estimate is 4,700,000 bales; the 1961 crop turned out to be 4,754,000 bales.

Yield is expected to average 410 pounds of lint per acre compared with 408 pounds in 1972. Harvest acres are estimated at 5,500,000 compared with 5,000,000 acres in 1972.

Weather conditions on the High Plains have been excellent for harvest of the crop there. Some cotton has yet to be harvested in the Rio Grande Valley. Many farmers there have given up hope of salvaging the crop and are shredding stalks and plowing whenever field conditions permit. Some areas in the Blacklands were also continuing to have weather problems in harvesting.

Yield and production prospects on the High Plains have been and continue to be excellent. Grade staple and micronaire are considered unusually good.

The Nov. 1 cotton estimate was 4,800,000 bales for Texas.

CITRUS prospects in the Lower Rio Grande Valley continue unchanged from a month ago. The 1973-74 citrus crop for the state is now forecast at 20,500,000 boxes. This is seven per cent above the production of last season.

Grapefruit production is expected to total 12,500,000 boxes, six per cent above the 11,800,000 boxes produced last season. Early and mid-season oranges are forecast at 5,400,000 boxes, eight per cent above the 5,000,000 boxes produced last year.

Valencia oranges are forecast at 2,600,000 boxes, an increase of eight per cent over last year's 2,400,000 boxes.

Processing fruit increased during the month as processing plants started operating on a volume basis.

Trees remain in excellent condition and soil moisture is adequate.

Nationwide, a record crop of 68,000,000 boxes of grapefruit is expected for the 1973-74 season.

NOVEMBER milk production in Texas is one per cent above a year ago but one per cent below the previous month's production which continues to have dairy associations worried over the prospects of the future milk supplies.

Milk production throughout the nation is four per cent under a year ago. Milk production in Texas averaged 740 pounds per cow; nationwide, the average production per cow was 765 pounds.

TEXAS wheat pasture conditions continue to lag behind a year ago. Continued dry weather has hindered grazing as the roots have not yet set. There is increased reporting of greenbugs and other insects damaging fields.

Seeding of wheat is complete in the state. But even though planting is ahead of last year, growing conditions have been less than ideal, resulting in the lag in condition.

More than a third of the crop in Kansas, Oklahoma, and Texas had sufficient forage to support grazing, but only two-thirds of that acreage is being utilized.

McAdams, Bruns To Exchange Nuptials

Mr. and Mrs. Marshall McAdams of Loraine announce the engagement and approaching marriage of their daughter, Brenda Kay McAdams to Larry Ray Bruns of Big Spring. Parents of the prospective bridegroom are Mr. and Mrs. Curtis Bruns of Big Spring.

Wedding of the couple will be at 7 o'clock in the evening on January 1, 1974 at the Dora Roberts Community Center in Big Spring.

Fuel diversification is important to you and your family.

But what is it?

Fuel diversification is the key to our being able to supply the electricity you'll need in the years ahead.

It means using several kinds of fuel to generate electricity. Making the best use out of the fuels available to us. And reducing our dependence on fuels in short supply.

At Texas Electric, natural gas is our major fuel, with oil used on a standby basis. We foresaw growing shortages of these fuels and several years ago developed long-range plans to diversify to lignite coal and nuclear fuels.

We now have one lignite plant in operation and two others under construction. A nuclear-fueled plant is planned for operation by 1980.

One advantage of lignite and nuclear fuels is that neither is being used extensively for any purpose other than generating electricity. A disadvantage is that it costs much more to build these plants than gas-fired plants. Lignite plants cost about twice as much. Nuclear plants cost more than three times as much.

In just the next five years alone TESCO must spend $700 million on new facilities. Financing these essential expenditures makes an increase in electric service rates necessary.

We're working to supply the electricity you need, but it will have to cost more in the future.

LITTLE LETTERS

By JILL DAVIS

Jill Davis, 10, answers letters from young readers and tries to help them with their problems.

Dear Jill,

My room is dull. How can I perk it up?

DULL ROOM

Dear Dull,

Get some bright posters and cute little things. That will help a lot.

* * *

Dear Jill,

How can I help people and be neighborly?

WANT TO BE HELPFUL

Dear Want,

Ask people if there is anything you can do to help them or their family.

* * *

Dear Jill,

The boys on my block chase me with crickets, frogs and other things. How can I stop them?

MAD

Dear Mad,

Act like you like the bugs and don't run away. That will take all the fun out of it and they'll leave you alone.

* * *

Dear Jill,

I have a friend who cries about everything. How can I stop her?

FRIEND WHO CRIES

Dear Friend,

Just let her cry. Maybe if she gets no sympathy she'll stop.

* * *

Dear Jill,

I can't sleep at night and I'm grouchy. Do you know how I could get to sleep?

RESTLESS

Dear Restless,

Don't think about sleep just look forward to something good.

* * *

Dear Jill,

I've been having so much fun over the holiday I dread going back to school. Am I being babyish?

DREAD SCHOOL

Dear Dread,

No, but just think about seeing your friends and find out what they got for Christmas.

* * *

ALL YOU NEED TO DO TO RECEIVE A "LITTLE LETTERS" PENCIL IS WRITE YOUR PROBLEM TO JILL. BE SURE TO ENCLOSE YOUR NAME AND ADDRESS ALTHOUGH NO NAMES WILL BE USED IN THE NEWSPAPER.

Chambers Graduates From College

Two hundred and fifty-two Southwestern State College students completed requirements for 253 degrees as the fall semester ended this week.

Since the college does not hold graduation exercises at midterm, formal awarding of the degrees must await Southwestern's 70th annual Spring Convocation next May 17.

Among those graduating was Richard Chambers, Bachelor of Science in biology son of Mr. and Mrs. Robert Chambers of Colorado City.

Kay Hunter To Teach In Woden

Kay Hunter

Mrs. Kay Hunter, daughter of Mr. and Mrs. J. P. Jameson of Kingsville, received a BS in Education Thursday, December 20th from Stephen F. Austin State University in Nacogdoches, Texas.
