## Senator Small Dies in Austin Monday Night

Former State Senator Clint Small, Sr., of 1405 Hardouin, Austin, died at 11:30 p.m. Monday, November 1, at the age of 83. This closed a distinguished career of public service that began in Collingsworth County and carried him to the State Senate, where he represented the Panhandle.

He practiced law from 1940, when he left the Senate, until he retired. In this capacity, he continued to serve Collingsworth County and its people in many ways, and his ties with Wellington were always close.

His first elective office was that of Collingsworth County attorney, in which he served from 1910 to 1914. He received his Law Degree from the University of Texas in 1911.

From 1918 to 1922, he was Collingsworth County judge, and during most of the time he was also ex officio county superintendent of schools, with 39 rural schools to look after, having an enrollment that increased to about 3,300 during his tenure.

Beginning in 1924, he was Mayor of Wellington, and many years later he was to say that of all the offices he held, he enjoyed this one most. The city's sewer system was put in and

## Red Cross Fund Drive Closes Saturday Night

The annual Red Cross finance drive will continue through Saturday, November 6, county residents were reminded this week by Earl Hunter, county chairman.

"We are pleased with the progress during the week the drive has been in progress, and especially with the generosity of the business people," said Mrs. Ernest Harwell, one of the 5 drive co-chairmen.

Completed reports have not been made by any of the workers at this time.

Any person who feels he or she has been missed in the drive may make a contribution to any worker, the Mrs. Kenyard Poteet, chapter secretary, in the county judge's office; or to Mrs. Rob Isbell home service chairman, in the county library.

### Rocket Band Gets Excellent Rating

That Skyrocket Band marched to a Division II or Excellent rating in the Class AA University Interscholastic League contests in Canyon Tuesday, October 26.

"I felt the kids did a beautiful job marching," declared Band Director Stephen Schmidly. "Overall I was real pleased, for we competed with some of the largest 2-AA bands in the state. The main criticism given our band was lack of a loud sound."

The competition was held at the Frank Kimbrough Memorial Stadium and judged by Bruce Cook of the University of Texas at Austin; Dan Gibbs of Seagraves High School and Mr. Schmidly's high school band director at Levelland; and Joe Rogers of New Braunfels High School. More than 2,500 Panhandle band students participated. The bands were judged on appearance and

## FARMERS UNION OFFICIALS

Election of the slate of 1971 officers of the Collingsworth County Farmers Union was completed at a recent meeting. From left, Mrs. Delbert White is secretary and Mr. White is first vice president. Donald Langley, center, is president and Donald Cole-

man vice president. At right is Rudie Tate, the outgoing president, who this week was appointed to the program committee of the Texas Farmers Union. He will help to prepare the program for the state meeting to be held in December.

## At Quanah

### Skyrockets to Meet Indians Friday Night

The Skyrockets go on the road Friday, November 5, to play Quanah Indians, a team with a season record similar to Wellington's in many ways. Game time remains 8:00 p.m.

Both teams are 2-6 for the season, and both are hunting their first conference victory—a hunt that is going to end for one of them Friday night.

Electra Tigers, who could make only two points and hold the Rockets scoreless in a heavy rain, downed Quanah 14-0 Friday night in a defensive battle at Electra. At the same time, Wellington lost to Seymour 6-0, again on a cold soggy field.

Wellington's coaching staff has considerable respect for the Indians.

"They have a fine running back in Eddie Hunter and an excellent linebacker in 170 pound David Stofel, as well as a fine tackle, Donald Carter, who weighs in at 220," said

Coach Jimmy Forrester.

"We feel our chances against Quanah are good," he continued. "Quanah is potentially a good club. They have been playing a good game and following it with one not so good, but they are capable of beating anyone in the district." Wellington has had a touch of this quality, also, as the 30 points they scored against powerful Shamrock indicates, although Wellington lost the game.

One of the key Skyrocket players, Jay Thomas, re-injured his knee in the Seymour game, and the extent of this injury is still being assessed.

In addition to the Wellington Seymour and Quanah-Electra games, in District 2-AA Childress trounced the Shamrock Irish 27-8, knocking them out of the undefeated, untied ranks.

This enabled Childress to grab first place in the district race with three wins and no

## B&PW Progressive Dinner Set Nov. 9

The Wellington Business and Professional Women's Club will hold its third annual progressive dinner Tuesday evening, Nov. 9, when local residents will have the opportunity to enjoy a traditional Thanksgiving dinner in the homes of a series of B&PW members.

Tickets are on sale and may

be bought from Club members, according to Miss Myra Hayes, finance committee chairman.

To provide for a smoother progression of guests, tickets are marked for two time periods, 5:30 to 6:30 p.m. and 6:30 to 7:30 p.m. These tickets will be punched at each home where a meal course is served.

Serving will begin at 5:30 p.m. and continue until 7:30. The first course will be at the home of Miss Hays, 2010 East Avenue. Those attending will be directed to the next homes for the courses that follow.

"If anyone wishes to attend, but has not had the opportunity to buy a ticket before the dinner, a limited number will be available at the first course of the meal," Miss Hays said.

## Lowry Released From Hospital

J.E. Lowry, 1606 Dalhart Street, has been released from Wichita Falls General Hospital where he was a patient for several weeks for injuries received in a car accident in Electra.

He is now at the home of his daughter, Mrs. Peggy Taylor, in Electra, according to his niece, Mrs. Cal Hurst.

Mr. Lowry received serious chest and throat injuries, and later underwent throat surgery. The accident occurred when the car in which he was a passenger was struck by another vehicle, Mrs. Hurst said.

## Quarterly TB Control Clinic Set Nov. 9, 10

The quarterly TB control clinic for Collingsworth and surrounding counties will be held Tuesday and Wednesday, November 9 and 10, in Bura Handley Community Center.

The chest clinic, which is the continuing follow-up phase of the tuberculosis control program of the Texas State Health Department, is now serving 95 persons from Collingsworth, Childress, Cottle and Donley Counties, according to Mrs. Ernest Harwell, who is in charge of scheduling appointments.

A number who were receiving the INH chemoprophylaxis but who did not have active cases of tuberculosis, have completed their course of treatments and have been dismissed, it was pointed out.

## Guest Preacher Due at Church Of Nazarene

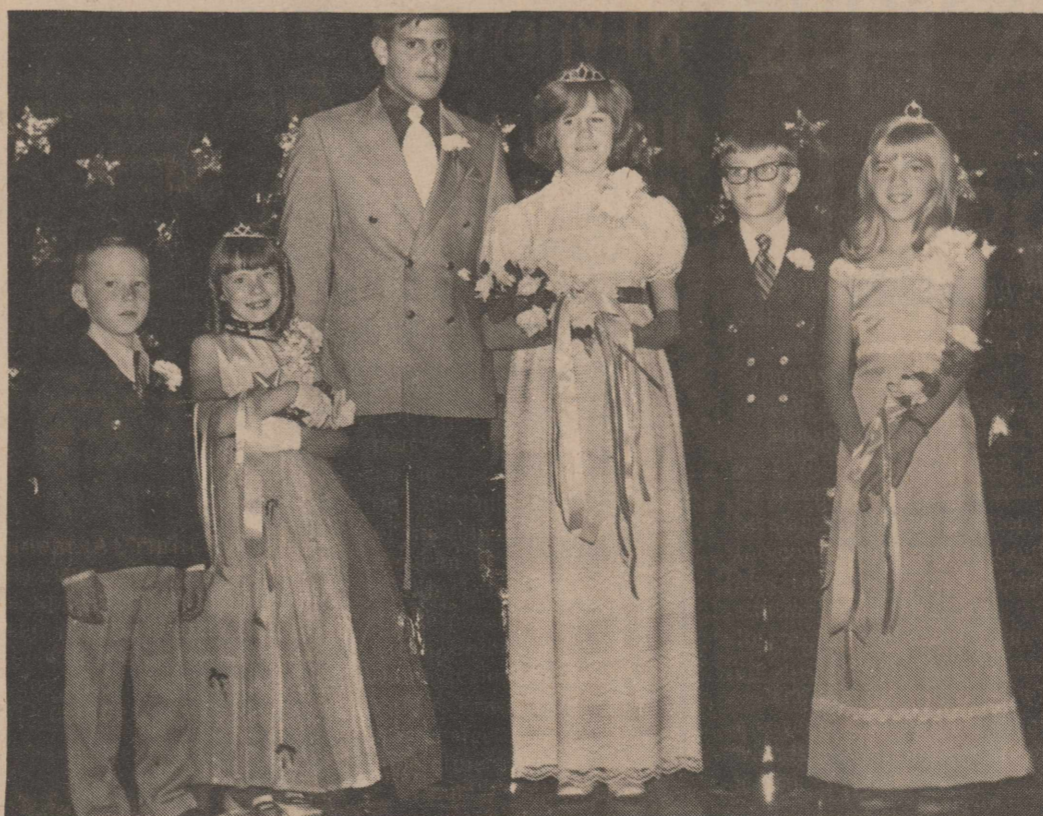

The Rev. James Frantz of Oklahoma City will be guest speaker at the Church of the Nazarene for two Sundays, November 7 and 14.

This is in the absence of the Rev. Phillip Daniels, pastor, who with Mrs. Daniels is vacationing in the Northwest.

"Rev. Frantz is a converted night club owner, and while in this business was involved in narcotics and a life in his environment," said Rev. Daniels. "We urge all ages to come and hear this young man. One Sunday while here he will relate his conversion experience in the morning worship service."

## SAMNORWOOD ROYALTY

These Samnorwood School queens were crowned Saturday night at the close of the annual Harvest Festival. With their escorts, from left they

are Lynn Tate and Jona Stages, elementary school; Joel Rainey and Mary Blair, high school; and Mark Tarver and Donnie Knoll, junior high.

## 4-H Awards Program Honors Youths Saturday

Four-H Club boys and girls will be honored for outstanding work in an Awards program Saturday, November 7, at 7:30 p.m. in the Heritage Room.

This is the one time each year when the public can give its recognition to these members and their contribution to the community, pointed out Mrs. Leta Hill, home demonstration agent, and Don Reeves, county agent, who are in charge of the program.

The evening will open with a covered dish supper, which all friends may attend by bringing a dish.

One new presentation will be made, the Alumni Award, but the recipient will not be announced until it is given. The person receiving it must have been a member of the 4-H Club as a youth and who has contributed significantly to 4-H as an adult.

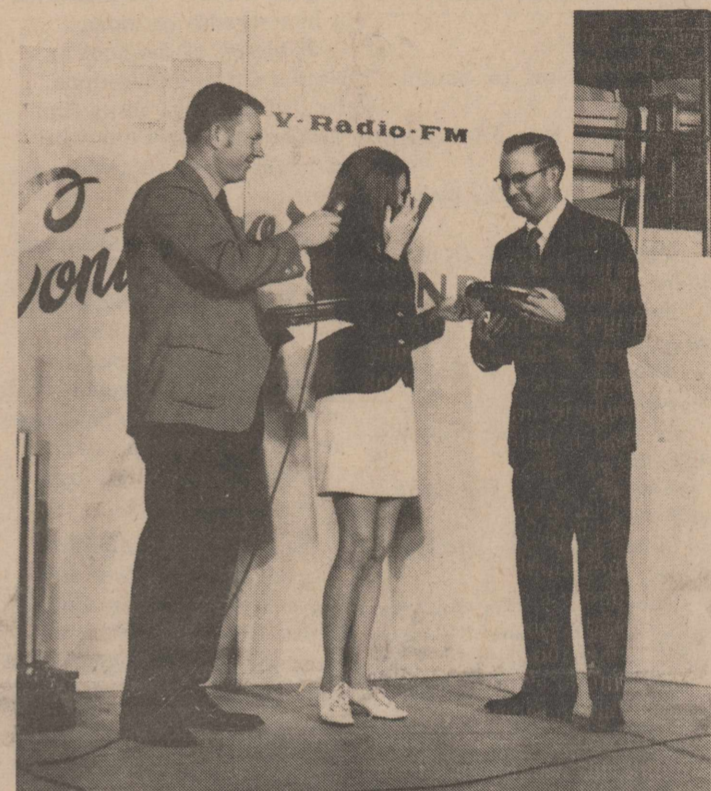

The Gold Star Awards, highest on the county level and given to one boy and one girl each year, will be presented to Susan Lowe and Keith Davis. These are from the Texas Extension Service.

Recipients of the other awards will not be announced

prior to the program, but they will include beef cattle, horse club, citizenship, wild life conservation, agriculture, food preservation and nutrition, clothing, breads, home economics, leadership, and possibly others.

These are provided for the most part, by major industries and organizations that are related to agriculture.

The awards program is one of the major events of the 4-H year, and the only time that boys and girls in the many phases of the program are brought together.

KENNETH MATTHEWS RECEIVES AWARD

## Greenbelt Electric Cited for 4-H Work

Greenbelt Electric co-operative, Inc., has received the Cotton John Smith Award for co-operation with the Extension Service 4-H Club Program.

The award was presented at the Tri-State Fair and received by Kenneth Matthews, a member of the board of directors, in the absence of George Henry, manager.

"I would like to take this opportunity to thank you and your cooperative for the outstanding contribution you have made to 4-H in helping to sponsor the Gold Star Banquet. We appreciate your assistance and it is a career highlight of Gold Star boys and girls of this district," said District I agents W.W.

Grisham, Jr., and Mrs. Sue Farris in a joint statement.

Greenbelt Electric Co-operative will again be one of the sponsors of the Gold Star Banquet when it is held in November, following the county banquet on November 6.

## For State Convention

### Tate Named to FU State Committee

The state office of Texas Farmers Union has announced the appointment of a Program Committee to draft the resolutions which will be considered by the delegates at the 68th annual convention of the organization which will be held at the St. Anthony Hotel in San Antonio, December 6 through 8. Rudie Tate, Abra rancher, is a member of this committee.

The 17-member committee will assemble the resolutions adopted by the county affiliates of Texas Farmers Union into a proposed draft of the state program for consideration in San Antonio. County groups will be making their views known to the state organization in the form of county resolutions adopted at the local annual meeting.

"These farm leaders will undertake the tough responsibility of combining county resolutions into a proposed draft of the policy statement to be heard by our convention delegates. We are proud to make public the names of these leaders who are giving of their time to accomplish this important job," said Texas Farmers Union president Jay Naamen.

The first meeting of the Program Committee has been

## Verdict Is Instructed in Case Monday

Judge Robert Montgomery in a session of 100th District Court Monday, November 1, handed down an instructed verdict for the defendant in the east of the State of Texas vs. L.A. Sachse.

Mr. Sachse, a farmer in the Loco area, had been indicted by the grand jury on a charge of fraudulently disposing of mortgaged property, two crawler type tractors.

The defense based its motion for an instructed verdict on the grounds that the state failed to prove venue for prosecution was in Collingsworth County, and that there was variance in evidence offered by the State and in allegations contained in the indictment, Judge Montgomery said.

Richard Bird of Childress was the attorney for the defendant.

The indictment alleged that the First State Bank of Dodson was the lienholder on the two crawler type tractors.

This case was heard in a special setting of a jury week to help clear the docket in Collingsworth County.

scheduled at the Holiday Inn Southwest in Waco November 15 and 16. The committee will meet again prior to the convention on December 5 in

## Firemen Called To 3 Blazes

The Wellington Fire Department answered three calls Sunday and Monday, October 31 and November 1, according to Donald Settle, department president.

The first call was to a house at the corner of Fourth and Childress Streets at 2:00 a.m. Sunday. It was pretty well destroyed on the inside, and Mr. Settle said it appeared to be vacant.

Firemen were called to Third and Amarillo Streets at 7:00 a.m. where a small house, long-vacant, was burning out of control.

Fire destroyed a hay barn on the Claude Smith farm southeast of Wellington Monday afternoon. There was a quantity of hay inside the barn, and firemen could only empty their load of water from the rural unit and stand by, Mr. Settle said.

## Arnett Teams Give 1971-72 Game Schedule

The Arnett Indians, both boys and girls, will open their 1971-72 basketball season Tuesday, November 2, when they meet the Quail Quails and Bobwhites at Arnett.

This game should attract a large following of Collingsworth as well as western Harmon County fans to see these four teams in action.

The Arnett Junior High teams begin play Monday, November 8, when they travel to Duke. Game time for both is 7:00 p.m.

Ralph Word, long-time Wellington teacher, is coaching the Arnett High School teams, while Lloyd Hays is the Junior High Coach.

## Eagles Defeat Allison Boys

Samnorwood Eagles defeated Allison boys 58 to 42 there Tuesday, October 26, but the girls lost their game 59-25 the same evening.

A strong and experienced Mobeetie team won the double header from Norwood Friday evening on another trip away from the Eagles home court. The boys score was 74-52 and the girls score was 52-33.

Norwood boys took a narrow lead over Allison early in the game and at halftime led 24-20. The Eagles widened the margin to 11 points by the end of the third period and both teams scored well in the final quarter.

Johnny Christner scored 20 points for Samnorwood and Rainey had 14. Donaldson led Allison scoring with 14.

The Eaglettes lost the game in the first quarter, scoring only one point while Allison went ahead 18. Scoring was even in the second period with 10 points each but Allison stepped up its scoring in the final two periods.

Lyna Coleman scored 12 points for Samnorwood; Keys had 24 for Allison.

**MOBEETIE - NORWOOD**

Mobeetie stepped out ahead of the Eaglettes in the first half, with a 30-18 score. Each team had 11 points in the third period, but Mobeetie stepped ahead with 11 points to four for Norwood in the final period. Lyna Coleman led the scoring with 23 for Norwood; Carla Ridgeway had 22 for Mobeetie.

Mobeetie boys were ahead throughout their game. Although Samnorwood outscored them 18 to 14 in the final period they could not overcome the three

## Clarendon Man Sets Northern Pike Record

AUSTIN - A Clarendon man went fishing in the dark depths of Greenbelt Reservoir and hooked a monster - a 13-pound northern pike. The fish is a new state record, approved by Texas Game Fish Records Committee of the Texas Parks

and Wildlife Department.

Clarence L. Hamilton caught the pike on a deep running lure on the afternoon of Sept. 10, 1971. The fish measured 37 1/2 inches in length and had a girth of 15 3/4 inches.

Twelve-pound test line was used.

Northern pike are not native to Texas. They were stocked experimentally by the Texas Parks and Wildlife Department to test their feasibility as a game fish and a control for rough fish.

**Stockmen Warned of Prussic Acid Danger**

LUBBOCK -- Cattlemen who are grazing their animals on grain sorghum stubble, Sudan grass or Johnson grass and who ignore warnings of an early frost could be making a fatal mistake as far as those animals are concerned.

The reason is the danger of prussic acid, or hydrocyanic, poisoning occurring in these types of plants when they are placed under stress such as that produced by an untimely frost. According to Prof. John Baumgardner of Texas Tech's Department of Animal Science, the forage of plants such as sorghum, Sudan and Johnson grass contains a substance known as glucoside. Stress breaks down this substance and releases the prussic acid poison.

"The likelihood of such a

chemical reaction occurring is especially high in young plants," Baumgardner said, "and in the regrowth of these plants in fields which have already been combined. Due to the high amount of recent moisture, this regrowth has been extensive."

Another kind of stress leading to the release of prussic acid poison is the "bruising" of plants during the combining process, the Tech animal scientist pointed out. When a frost hits, the poison is released immediately.

Although the actual occurrence of prussic acid poisoning among cattle is somewhat erratic and cannot be predicted with certainty in all cases, any animals grazing on sorghum, Sudan or Johnson grass are never-

theless always subject to this highly fatal type of cyanide poisoning during periods just preceding a frost, Baumgardner warned.

He added that intake of only "a very small amount" of the poisoned plant by cattle is enough to be fatal and that very little can be done to save the poisoned animals.

"Unfortunately, one of the first signs that plants have become poisonous is finding a field littered with dead animals," Baumgardner said. "Thus, by the time the discovery is made, it is usually already too late to do anything about it."

He said that the possibility of prussic acid poisoning occurring is always there, especially now when conditions are favorable for a frost to hit "any day."

"Therefore, the safest thing to do is for cattlemen to move their animals away from this dangerous grazing before a frost comes," he urged. "This is one time cattlemen cannot afford to listen to weather forecasts

### Wellington Women Attend State LVN Convention in Galveston

Two Wellington women, Mrs. Lucille Gilmore and Mrs. Emma Tate, were among the group from the newly-formed Division 83 of the Licensed Vocational Nurses of Texas who attended the 22nd annual state convention in Galveston October 28 through 30.

The others were Mrs. Chorice Hulseley and Mrs. Rebecca Morgan of Shamrock and Mrs. Martha Harrison of Texola.

This group was recognized twice at the annual banquet in the Galvez Hotel, first as members of the youngest division in the state, and again on stage when they were presented their charter from the state president, Mrs. Dorothy Harris.

Division 83 is made up of licensed vocational nurses from Wellington, Shamrock, McLean, Wheeler and Texola. The organizational meeting was held in Mrs. Gilmore's home in Wellington, with 15 charter members.

The installation banquet was held in mid-September in Shamrock. The LVN Division officers are Mrs. Hulseley, president; Mrs. Bonnie L. Dodson of Twitty, first vice president; Mrs. Lena Irene Williams of McLean, second vice president; Mrs. Gilmore, treasurer; and Mrs. Morgan, secretary.

Directors are Mrs. Tate; Mrs. Harrison; Miss Lucille Pavlovsky

of Shamrock; Mrs. Elmerine S. Burnam of Wheeler, and Mrs. Bonnie Immel of McLean.

Other members are Mrs. Louella Hartman, Mrs. Wilma Gibbs and Mrs. Sandra Baker of Wellington; Mrs. Virginia Harris, Mrs. Ethel Brickey and Mrs. Lucille Blair of Shamrock; Mrs. Louella S. Hall of McLean, and Mrs. Cumi Warren of Wheeler.

The officers were installed by Mrs. Wynelle Henry Childers of Amarillo, who grew up in Wellington and is the daughter of Earl Henry. She is a new member of the board of directors of the Texas LVN Association.

The October meeting was a business session, held in the conference room of Shamrock General Hospital.

Tammy Hernandez, daughter of Mr. and Mrs. Jesse Hernandez, was in St. Anthony's Hospital, Amarillo, from Wednesday until Friday for tests and x-rays.

Mr. and Mrs. Graham Bowen and small son of Hereford visited over the week end with his parents, Mr. and Mrs. King Bowen.

Mrs. Donald White and son, Bret, were in Wellington Tuesday to take care of business and visit for a while with relatives.

### Coffee and Shower on Saturday Morning Honors Mrs. Kent Clark

An autumn theme was carried out at the bridal coffee-shower which honored Mrs. Kent Clark Saturday morning, October 30. The event was held in the Heritage Room.

Before her recent marriage, the honoree was Miss Debbie Neeley.

Hostesses were Mrs. Calvin Hurst, Mrs. Calvin Mitchell, Mrs. Fred Covey, Mrs. John Holton, Mrs. J.B. Oney, Mrs. Wayne Cudd, Mrs. Barney Glenn, Mrs. Louis Allred, Mrs. Jimmy Langford, and Mrs. Don Lacy.

Receiving the guests were Mrs. Langford, the honoree, Mrs. Kent Clark, Mrs. Raymond Neeley and Mrs. Earl Clark.

Miss Stacey Neeley, sister of the bride, presided at the registry, at a table covered with a gold crushed velvet cloth, with an arrangement of autumn flowers. Gifts were displayed

### Lillie HDC Sets Holiday Plans

The Lillie Home Demonstration Club met Thursday, October 28, in the Heritage Room, with Mrs. Lowell Wells as hostess.

She also read the devotional and "A Prayer of Modern Days." Gifts were brought for the Christmas box to be sent to the State Hospital in Wichita Falls.

During the business session, members discussed the Christmas tea and other money-raising projects. The November meeting was set for Nov. 18.

Mrs. Leta Hill, home demonstration agent, gave "Seven Keys to a Happy Life." These are: face reality, adapt to change, control anxieties, give of yourself, consider others, curb hostilities, learn to love.

A Halloween decorative motif was used in the table decorations and refreshments. Attending were Mrs. L.M. Bartlett, Mrs. Ozro Bartlett, Mrs. Marvin Garrison, Mrs. Malcolm Horton, Mrs. Bill Langford, Mrs. Henry Langford, Mrs. Bill Hill, Mrs. Charley Hill, Mrs. Haskell Manuel, Mrs. Dudley Phipps, Mrs. Wells, Mrs. Gabe Wright, Mrs. Fred Yarbrough, Mrs. Phillip Daniels, and Mrs. Hill.

on tables covered with avocado green and gold cloths.

Coffee was served from a table covered by gold cloth with a white lace overlay. The centerpiece was an arrangement of gold spider chrysanthemums, and silver appointments were used. Miss Denise Mitchell poured.

Approximately sixty guests called during the coffee hours, ten to eleven-thirty.

### B&PW Hears UN Program

A program on the United Nations was presented for members of the Business and Professional Women's Club by Mrs. Amos McQueary Tuesday evening, October 26.

She stated that October 24th was the 26th birthday of the United Nations and there are 131 nations as members. The United States pays one-third of the cost. Countries have made donations for the buildings and one of these is a bronze statue of a man beating swords into plowshares.

A filmstrip on the Charter of the United Nations was shown. Decorations of small flags of member nations were used on the tables. Other members on the committee were Mrs. Henard, Co-Chairman, Mrs. Lottie Handley, Mrs. Pat McAlister and Mrs. V.K. Orr, Jr.

Mrs. Charles Darter presided and reported on the suggested gifts needed for Christmas by patients at Vernon State Hospital. Reports were given by Mrs. Rob Isbell on the National B&PW Week coffee, and Miss Myra Hays, finance chairman, on the upcoming dinner.

Members present were Mrs. Darter, Mrs. McQueary, Mrs. Henard, Mrs. Orr, Mrs. Isbell, Miss Hays, Mrs. Truman Estes, Mrs. Fred Yarbrough, Mrs. Handley, Mrs. Joan Flint, Mrs. Ernest Maxwell, Mrs. Jimmie Kelso, Mrs. Tommie Murdock, Mrs. McAlister, Mrs. Drury Lacy, Mrs. Mittie Lowry, Mrs. Rufus Sweat, Mrs. Wayne Parker, Mrs. Louise Templeton, Mrs. Pearl Aaron, and Mrs. Raymond Patton.

### Wellington Book Club Holds Annual Member Dinner Monday Evening

The Wellington Book Club held its annual dinner Monday evening, November 1, in Cherokee Inn Restaurant, when the circulation of the year's books was begun.

Members of the hostess committee were Mrs. Robert Barjenbruch, chairman, Mrs. Wayne Cudd, Mrs. Earl L. Bartlett, Mrs. Bobo Castleberry and Mrs. Frank Anderson.

Two Wellington High School students presented the program, directed by Mrs. Bob McAlister and Mrs. Bartlett. Leigh Nall read "Southern Girl" and she was joined by Benny Stallings to present the dialogue, "Women's Rights."

Mrs. J.F. Michael gave the invocation. Mrs. Russell Yates, president directed the business session, with Miss Bonnie Willis acting as secretary. Miss Hattie D. Wells was elected to membership and Mrs. Earl Clark and Mrs. Lowell Wells, elected earlier, were welcomed.

Attending were Mrs. Henry Vaughan, Mrs. R.L. Templeton, Mrs. John Henard, Mrs. Jeff Wilson, Miss Willis, Mrs. Yates, Mrs. Clark, Mrs. Cudd, Mrs. Michael, Mrs. Cecil Masten, Mrs. Barjenbruch, Mrs. Edd Henard, Mrs. Jones Singley, Miss La Honda Mayhugh, Mrs. Jack Sanford, Mrs. Bartlett, Mrs. McAlister, Miss Nall and Mr. Stallings.

The Wellington Book Club, which has functioned here for many years, is made up of 24 members, each of whom places a book in the club, to be circulated at two-week intervals.

Mr. and Mrs. John Sherman, Mr. and Mrs. Andy Bell and Tony spent a few days recently in El Paso visiting their daughter and sister, Mr. and Mrs. William Scurry, Sherman and Willie.

Mr. and Mrs. John D. King and Mr. and Mrs. T.W. Lovelless of Dumas, and Mr. and Mrs. Arlie Green of Borger visited over the week end with Mr. and Mrs. Alvin Horton and Mr. and Mrs. C.E. McKinney, and attended the 14-county Singing Convention.

## Notes from Your County Home Demonstration Agent

by Mrs. Leta Hill

### SEWING WITH LEATHER

Sew excitingly for fall -- sew with leather.

Buckskin, suedes and cham- ois skins are readily available in a variety of colors. And great new patterns have been planned for leather sewing.

First, make a trial muslin. Remember leather garments cannot be altered; stitching marks remain when threads are removed.

To begin working with the leather convert each pattern half into a full pattern, then lay the pattern pieces in one direction on the skin underside. Tape pattern pieces to the skin and cut with sharp shears.

Necessary markings can be transferred using wax, chalk or ball point pen.

When ready to stitch, hold seams in place with paper clips or cellophane tape. Core spun or silk thread make a stronger seam. Adjust the machine for 7 to 10 stitches per inch, and loosen the thread tension. Use a size 16 leather needle.

Thread ends should be tied, rather than backstitched to avoid marring the leather.

Stay seams to deep the leather from stretching. Open seams, apply rubber cement to the underside and pound the seams flat with a wooden mallet. Hems also are cemented and pounded into place.

Jumpers, jackets, shorts, skirts and all types of accessories can be made with leather. Add a special touch to your leather sewing to get the fashionable hand-crafted look -- tool it, stencil it, paint it (use shoe paint) or lace it.

### NOVEMBER GARDENING

Do not put the gardening tools away for winter. November and the winter months are a prime gardening season.

This season is an ideal time for planting and transplanting trees and shrubs in the landscape. The late fall nurseries are restocked with new and exciting plants, which will entice the weakest of plant enthusiasts.

November should not pass without having completed spring bulb plantings, with the exception of tulips which should be delayed until December after the tulip bulbs are chilled in the refrigerator for 45 to 60 days. Pansy plants should be planted in a rich soil in the sun. This year try some of the solid colored pansies in masses as well as the giant mixed colored ones. Dahlia roots should be dug and stored in November, annual and perennial beds cleaned and prepared for future spring planting, and new

### Latin America Study Finished

The Wesleyan Service Guild of the First United Methodist Church met in the home of Mrs. Barney Glenn Thursday evening, Oct. 25th.

Mrs. Glenn presided over the business meeting. Mrs. Nita White read a personal testimony from a girl in the Methodist Home at San Antonio. Mrs. Donald Settle concluded the Guild study of Latin America.

Delicious refreshments were served to the following members and guest:

Mrs. Frank Anderson, Mrs. Donald Settle, Mrs. Marie Watkins, Mrs. Hug Bowen, Mrs. Ollie Wilson, Mrs. Lewis Morris, Mrs. Joe Thompson, Mrs. Barbara Williamson, Mrs. Ethel Michael, Mrs. Raymond Dyess, Mrs. Cecil Masten, Mrs. Nita White, Mrs. Jack Davis, Mrs. W.C. Reeves, Mrs. Mary Jones, Mrs. Gorman Owens, Mrs. Guy Owens, and Mrs. Barney Glenn.

## Guild Members Attend Retreat

Mrs. Jack Davis, Conference Chairman of the Wesleyan Service Guild, and Mrs. Barbara Williamson, a conference board member, attended the 24 hour Enrichment Opportunity, sponsored by the Northwest Texas Conference of the United Methodist Church October 30 and 31. It was held in Ceta Canyon.

Twenty-eight women gathered for the 24 hours of evaluation, inspiration and aspiration, coming together with different experiences and understandings, yet sensing a oneness and common concern, Mrs. Williamson reported.

The average age of leadership in the Methodist Church today is 54, they were told, and there is a need for more active participation from the younger woman. The where, what and why of her absence was discussed, her needs pinpointed, and an attempt was made to plan for these needs.

Mrs. Cecil Matthews, conference President of Women's Society-Guild, led the Bible studies. The guest speaker was Mrs. Boyd Tyrrell, Assistant General Secretary of the Women's Division of the Board of Missions, New York. She stressed the need for change, for openness and above all, the need to "say yes to life."

### Fix-It Tip

Here are a few safety precautions to observe if you are painting the exterior of your home:

- Always face the ladder when climbing up or down and hold on with both hands. Tools and supplies should be carried up in your pocket, or haul them up with a line.

## Statement of Non-Discrimination

Harmon Electric Association has filed with the Federal Government a Compliance Assurance in which it assures the Rural Electrification Administration that it will comply fully with all requirements of Title VI of the Civil Rights Act of 1964 and the Rules and Regulations of the Department of Agriculture issued thereunder, to the end that no person in the United States shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination in the conduct of its program and the operation of its facilities. Under this Assurance, this organization is committed not to discriminate against any person on the ground of race, color or national origin in its policies and practices relating to applications for service or any other policies and practices relating to treatment of beneficiaries and participants including rates, conditions and extension of service, use of any of its facilities, attendance at and participation in any meetings of beneficiaries and participants or the exercise of any rights of such beneficiaries and participants in the conduct of the operations of this organization.

"Any person who believes himself, or any specific class of individuals, to be subjected by this organization to discrimination prohibited by Title VI of the Act and the Rules and Regulations issued thereunder may, by himself or a representative, file with the Secretary of Agriculture, Washington, D.C. 20250, or the Rural Electrification Administration, Washington, D.C. 20250, or this organization, or all, a written complaint. Such complaint must be filed not later than 90 days after the alleged discrimination, or by such later date to which the Secretary of Agriculture or the Rural Electrification Administration extends the time for filing. Identity of complainants will be kept confidential except to the extent necessary to carry out the purpose of the Rules and Regulations."

## Mrs. Coleman Hosts Abra HDC

Mrs. Wood Coleman was hostess when the Abra Home Demonstration Club met Friday, October 22.

Mrs. Leta Hill, home demonstration agent, presented the program, "Seven Keys to a Happy Life."

During the meeting, presided over by Mrs. Ed Brown, members answered roll call by each naming her favorite season; Mrs. Coleman read the devotional; Mrs. Guss Gooch read the council report; and members agreed to write Congressman Bob Price and Senators John Tower and Lloyd Bentson that they feel the Federal Extension Service is not taken care of in two bills, 1612 and HR 7993.

Members will bring cookies to the next meeting and these will be taken to the Golden Spread Nursing Home in Shamrock. Mrs. Brown reported on the District Home Dem-

POWELL FIELD CONCESSION STAND

The newest and one of the most needed improvements at Powell Field is the concession stand, located at the north end of the playing field. Here, especially at half-time, the fans of the Rockets and their opponents can come for hot and cold

drinks and snacks—with plenty of room for everyone. On the opposite side of the building are the ticket offices. This big project was the work of the Band Booster Club, headed by O. V. Johnson.

## Collingsworth County FARM NEWS

By Don Reeves  
County Agricultural Agent

Hybrid sorghum-sudan pastures, fast growing and excellent forage for livestock, can also be deadly during the fall grazing season.

The plant's own enzymes break down plant material and this results in prussic acid poisoning for animals which eat the forage. The actual agent causing death is hydrogen cyanide.

Prussic acid poisoning generally occurs at two times. It is especially prevalent after a frost that had damaged plants. Also, poisoning occurs when plants perk up and begin fast growth after a very drouthy period.

Hay that is improperly cured can also present prussic acid poisoning problems for a short time.

Hydrogen cyanide is very volatile and therefore stays in the plants for only a short time. But while it is present,

animals must be kept off the pasture for a few days.

In severe cases, cows exhibiting symptoms when the veterinarian is called may be dead before he can arrive. He will probably be able to save only those which are still breathing.

Farmers and ranchers are also urged to be on the lookout for nitrate poisoning that may occur during the late fall on winter pastures when there is a lot of cloudy weather.

Under these conditions, the plants, instead of growing and changing nitrates into protein, just accumulate the nitrates. Animals must also be taken off these pastures until the plants have had a chance to grow and convert the nitrates to protein.

The blood of animals that have died from nitrate poisoning will be chocolate brown while those dying from prussic acid poisoning will be cherry red.

## Junior High Meets Shamrock There Nov. 4

The two Wellington Junior High teams will travel to Shamrock Thursday, November 4, to meet the Irish 8th and 7th grade teams.

"We expect a close game," declared Coach Carroll Nunnally, 8th grade coach. "We had a close game with them here, and on common opponents, Quannah and Childress, we have fared about the same."

Wellington 7th grade won 28-8 in the initial meeting. "But they are always tough at home and we will have our hands full," said Coach Dick Hamilton.

## We Can Lay Basic Plans For Profitable Hunting

This is not a very good hunting season, as a whole, but it just might be the best possible time to look ahead at some economic facts of seasons when our game birds will again be plentiful.

The idea of game leases for Collingsworth County has been discussed from time to time, and a few landowners do charge for the privilege of hunting.

We do not have to be reminded that over the long run, we are in one of the best game bird areas in this part of the southwest. Leases, properly handled, can be another source of income. Why should not the landowner charge the weekend hunter, whom he doesn't know and probably will never see again? At home this hunter would not presume to give his merchandise or his professional services to the landowner without charging for it at the prevailing price. (This has nothing to do with letting out of town friends hunt your land.)

Game leases will require considerable planning ahead, sound advice from those who know about this type of leasing, and the landowner who takes his game for granted will have to give more attention to game management.

Other sections of Texas have made game leases profitable. It is another Collingsworth resource that is waiting for some development.

### Teddy's Speeches

Who writes Sen. Edward Kennedy's speeches? Whoever does needs to throw in a little regard for political decencies.

A hasty dip back into memory recalls these remarks by Kennedy during the past year:

- Nixon is playing politics with the war, keeping it going to the point where it will do him the most good in 1972. (That's like calling the President a murderer.)

- The American Medical Association has discredited itself and should not be allowed a dissent against the Kennedy plan for socializing American medicine.

- Nixon's trip to China is just a blind to cover neglect of the prisoner-of-war issue.

Then the latest remark: Nixon, Atty. Gen. John Mitchell and Sec. of the Treasury John Connally are the kind of men who would have put up "Impeach Earl Warren" billboards.

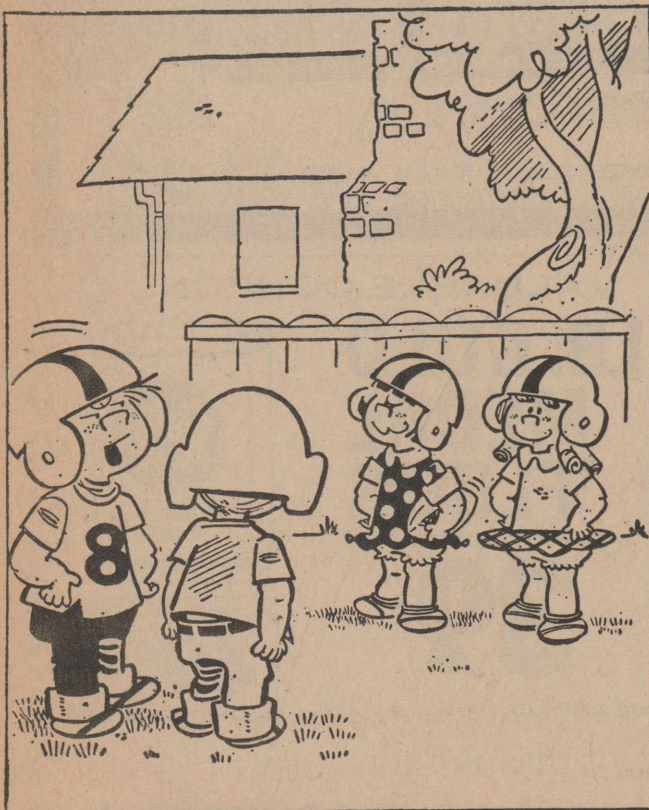

In his speeches, Sen. Kennedy takes all foreign policy, war, medicine and law for his province and assigns base motives to others.

How many of the speeches are his own is anybody's guess, but they are notable for bad taste and contain none of the charity Kennedy himself once appealed for in the case of record when he explained his own motives to a national TV audience.—The Dallas Morning News.

Some things carry over from Pilgrim times. Today's football fan still encounters scalpers.

Being able to work while the fellow across the desk talks to himself is a triumph of mind over matter.

## STATE Capital NEWS

By Bill Boykin

AUSTIN, Tex. — Ballot order has been selected for 14 proposed constitutional amendments to be voted on at the November 7, 1972, election.

Major changes, including authorization for a constitutional convention, four-year terms for major state officials, higher state bond interest ceilings and equal rights for women are included in the list.

The amendments, in the order they will appear on the ballot, follow:

1. A salary raise for legislators from \$4,800 to \$8,400 a year.

2. To abolish Lamar County hospital district.

3. To provide for compensation of all justices of the peace on a salary basis.

4. To establish a constitutional revision commission and call a convention to revise the state constitution in January, 1974.

5. To allow tax exemptions for disabled veterans, their surviving widows and children and widows and children of armed forces personnel killed on active duty.

6. To provide a minimum \$3,000 property tax exemption for resident homesteads of those 65 and over.

7. To guarantee that equality under the law shall not be denied or abridged because of sex, race, color, creed or national origin.

8. To provide four-year terms for governor, lieutenant governor, attorney general, comptroller, treasurer, land commissioner, secretary of state and other statutory state officials.

9. To allow soil and water conservation district directors to hold, or be compensated for, more than one office.

10. To require that proposed constitutional amendments be described twice in clear language by statewide newspaper publication (633 papers).

11. To fix an annual salary of \$22,500 for speaker and lieutenant governor.

12. To permit state employees to serve on local governing boards.

13. To set a six per cent weighted average annual interest rate for constitutionally-authorized bond issues.

14. To allow counties to reduce their permanent school fund and distribute money to independent and common school districts on a per-scholastic basis.

COURTS SPEAK — The State Supreme Court affirmed lower court findings that state employees are constitutionally banned from city council service.

In another new decision, the High Court set a hearing November 3 in the controversy over whether 588 acres were legally acquired at Odessa for a new University of Texas of the Permian Basin campus.

Third Court of Civil Appeals here held a law preventing vending machine owners from holding financial interests in taverns is constitutional.

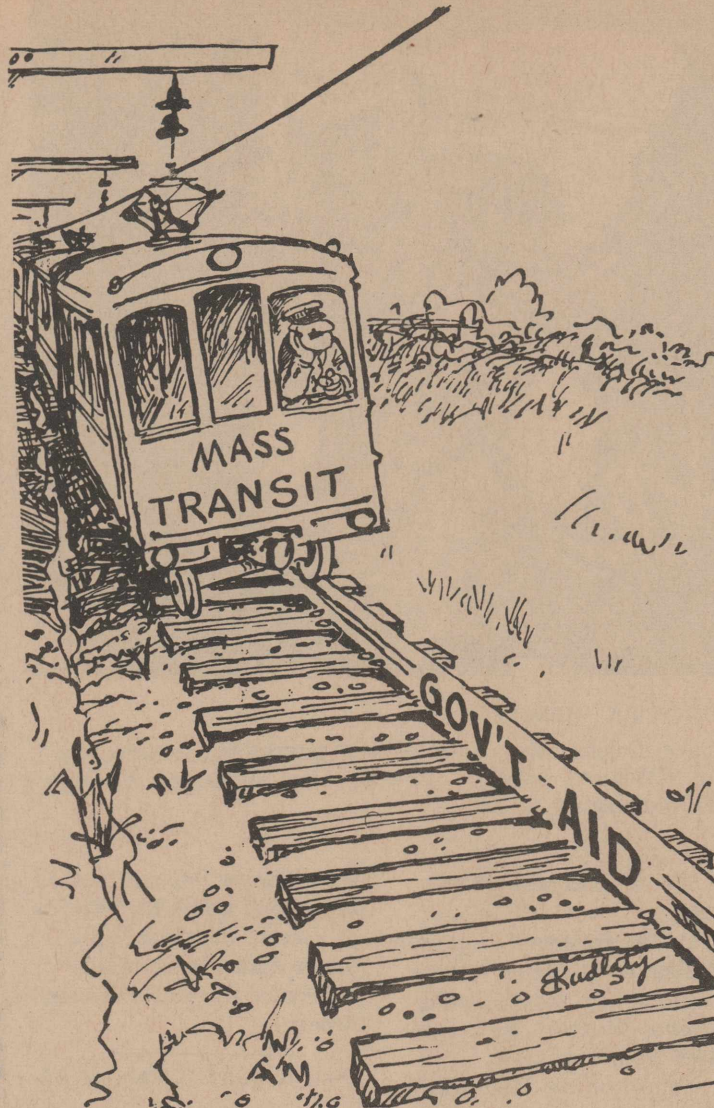

The death penalty conviction of a Refugio County man for slaying a sheriff and a deputy sheriff in 1969 has been upheld by the Court of Criminal Appeals.

DISASTER AID APPROVED — Texas Employment Commission will pay disaster unemployment compensation to persons made jobless by tropical storm Fern September 9-September 30 in 14 South Texas counties.

Counties covered in the assistance plan are Aransas, Bee, Brooks, Duval, Nueces, Refugio, San Patricio, Jim Wells, Hidalgo, Starr, Willacy, Jim Hogg, Live Oak and Calhoun.

Special aid determined in accord with U.S. Labor Department regulations will correspond in amount and duration to benefits paid un-

der the state unemployment insurance program and manpower development and training act. Maximum is \$45 per week for 26 weeks.

Eligible include those who no longer have jobs or a place to work as a result of the storm or who were unable to reach work, who were injured or who were made heads of households as a result of deaths in the disaster.

BOND SALE OFFERED — A total of \$31.5 million in veterans land program bonds will be offered for sale November 1.

Land Commissioner Bob Armstrong said sale of additional bonds is necessary to continue the program under which 20,000 applications for low interest rate land purchase loans have been made since last February. The interest ceiling on the bonds is 4.5 per cent.

### SHORT SNORTS

The legislative Redistricting Board barely made its October 23 deadline for reapportioning the House of Representatives. The new Senate districts were announced a week earlier.

Enrollment in Texas Junior and Senior colleges reached an all-time high of 479,807 this fall.

The School Land Board will offer 401,847 acres of state land for lease at its oil and gas lease sale December 7.

John W. Berry of Conroe received the 1971 Lady Bird Johnson Highway Beautification Award and \$1,500 cash prize.

Gerald McCathern of Hereford and Worth Jones of Hart were selected to the Board of Directors of the Grain Sorghum Producers Association.

## CROSSROADS REPORT

Dear Editor:

I see where numerous nations, including some created by and subsisting extensively on U.S. foreign alms, voted in the United Nations to expel Free China.

There wasn't any claim that the Free Chinese had done anything entitling them to get thrown out of this allegedly noble organization. It was an unearned honor.

So maybe there is hope that these nations we have gone so gloriously in debt to help will gang up some day to show their sincere appreciation by voting the U.S. out of the U.N.

It is contended by loud if not numerous folks that outlawing the ownership of personal guns by law abiders would reduce crime.

Presumably the citizens who o not mind breaking laws against armed robbery and murder would instantly throw away their guns if it became a legal no-no to own one.

And disarming the victim class could save them some money. Like if you shoot an intruder or attacker before he shoots you, he or his estate may sue you in court and get a ruinous judgment against you.

## Short Takes

### Snail's Pace

A snail is capable of traveling as much as three inches in a minute, although it is able to move only a fraction of an inch at a time.

### Famed Midget

Until his early teens, Gen. Tom Thumb, the most famous midget in history, was only 25 inches tall. Later he grew to be 40 inches tall and to weigh 70 pounds.

### Low Water

Badwater Pool is the lowest body of water in the western hemisphere. It lies 280 feet below sea level in California's Death Valley.

### Cuttlefish's Camouflage

A cuttlefish can change its color in two-thirds of a second. If this camouflage fails, it screens itself with a brownish-black ink.

### Big Bell

Largest bell in the western hemisphere is the Bourdon bell, weighing 18 1/2 tons, in the Rockefeller carillon, Riverside Church, New York City.

### Star Is Added

When a new state is admitted to the Union, a star is added to the national flag on July 4 next succeeding the date of such admission.

# Panthers Edge by Skyrockets Friday

On a foggy evening that would have rivaled anything on the Gulf Coast, the Wellington Skyrockets battled the Seymour Panthers evenly for three quarters only to lose the game 0 to 6 in the final quarter.

Both teams turned in a magnificent performance as they moved back and forth on the wet turf and tried to complete passes and pitchouts with a ball that had to be dried after nearly every other play.

It also marked the fourth time in a single season that the band concession experienced a disappointing evening. With the new stand loaded with goodies, coffee, cold drinks, sandwiches, hot dogs, pop corn, candy, gum and almost anything good to eat they found themselves selling to the old faithful with a lot of popcorn and candy left over.

The game started with Wellington kicking off from the north end favored by a misty wind. Randall Hodges kick went into the end zone and the Panthers started from their own 20 yard line. The Panthers made two short gains; but timely tackles by Charlie Taylor and Trinidad Cantu assisted by other Rockets forced the Panthers to punt without making a first down.

The Wellington receivers, Williams and Hodges wisely decided to let the short punt of the ball go and it went dead on the Wellington 38 yard line.

Gonzales made 4 and Carter 2, Gonzales 3 and a sneak by Carter picked up the first down of the game. The second series of plays failed with Gonzales making short gain, Randall Hodges gliding through for 5 yards and a pass to Bruce Oney falling incomplete.

Randall Hodges punted over the end zone and Seymour made three tries before being held by the Rockets. After the punt it was Wellington again on their own 35 yard line. A fumble on the first play was recovered by the Panthers giving them the ball on the Rocket 30 yard line.

With Philip Martin doing most of the ball carrying the Panthers led a drive that looked dangerous and advanced the ball to the Wellington 20 yard line. After a one yard gain a five yard penalty against the Panthers made it second down and 14 yards to go. On what was to have been an attempted pass Ronnie Pennon broke through and threw Martin for a 10 yard loss making it third down and 24 yards to go for the Panthers. A beautiful pass to Phillip Martin put the ball on the Rocket 10 yard line. Only a timely tackle by Denny Carter saved the pass from being a touchdown.

Strong defensive play by Charlie Taylor, Bill Henard, Trinidad Cantu assisted by Paul Wilbur, Barry Long, and Louis Gonzales and Randall Hodges managed to hold the fired up boys from Seymour for three downs and the fourth down pass attempt was no good due to the strong rush of Long and Pennon and the stout play of the center of the Rocket line.

With Wellington on its own 3 yard line, Louis Gonzales hit the line for three and then four yards to get the ball out to the 10 yard line as the first quarter ended.

A try by Carter failed to pick up a first down and Hodges, standing back of the goal line, punted to the Seymour 46 yard line.

The Panthers started another strong offensive and picked up a first down on the Rocket 44 yard line. Denny Carter deflected a pass intended for Brent Albright that could have been dangerous and on the next play the Panthers fumbled with the alert Charlie Taylor recovering on the Rocket 40 yard line. Gonzales gained 7 yards in two tries but the third attempt by another Wellington back was fumbled and Seymour took over on the 45 yard line.

Passes to Jones and Albright made a first down for the Panthers on the 34 yard line. Beautiful single tackles, first by Trinidad Cantu and the second

by Mike Williams saved possible long gains; but the Panthers did manage to punch the ball over for a first down on the 24 yard line.

Henard charged through to make it a five yard loss with 1 yards to go on second down for the Panthers. An incomplete pass and a try for field goal that went wide gave the Rockets the ball on their own 20 yard line.

Gary Wright made a short gain and on the next play Carter passed to Gonzales to put the ball on the 45 yard line. On the next play there was a fumble in the Rocket backfield and Seymour recovered on the 43 yard line. This courtesy was returned three plays later when Mike Williams recovered a Panther fumble on the Wellington 45 yard line.

Carter made 7 yards on a keeper and Gonzales picked up 6 more through the line to make a first down. With Wellington in Panther territory a pass went incomplete and on the next play Carter was thrown for a loss. Hodges picked up short yardage as the half ended.

Most football games have taken a definite turn by the end of the half; but last week's encounter between the Skyrockets and the Panthers proved to be just the opposite with the outcome of the game in doubt until the final whistle. The fog was heavier and the grass was wetter as the second half began.

Wellington received the ball on the 30 after a short punt was killed.

On runs by Hodges, Gonzales and Jay Thomas the Rockets picked up a first down barely past their own 40 yard line.

Oney made two yards, Gonzales four and Thomas picked up a one yard gain short of a first down and Hodges punted deep and the Panthers brought the ball out to their own 25 yard line. The Rockets held and Seymour made a long rolling punt that died on the Wellington 20 yard line.

It was here in the latter part of the third quarter that Wellington put on one of its most sustained drives picking up three first downs in a row with Jay Thomas and Louis Gonzales making valuable yardage and Denny Carter adding to it on an occasional keeper. But the Rockets stuck to their ground game too long and the Panthers gave them the ball on the Rocket 30 yard line.

From their own 18 yard line Seymour started and offensive drive that led to a touchdown. The drive was halted once when Jay Thomas deflected a long gaining pass and another time by Teddy Sango who plugged the line after it was open and Steve Hunter made a great defensive play; but all of this was not enough to stop the Panthers as they passed taking the ball over. The kick was not good and the score was 6 to 0.

The Rockets came back strong to make two first downs in a row; but their belated passing attack was stopped when Coach Noles sent in his giant basketball players on pass defense. These were Garland Raphael and Wayne Washington and they looked like they might be something like 6.7 and 6.9 feet tall. It was Raphael who intercepted a pass to end one of the Rockets more promising offensive drives.

The Rockets made 10 first downs to 8 for Seymour, 133 yards rushing as compared to 137 for the Panthers; but the Panthers intercepted 2 passes and the Rockets intercepted none.

## AT RECRUITING SCHOOL

Platoon Sergeant Donald R. Settle, right, of Wellington, and member of Detachment One, Support Company, 2nd Battalion, 142d Infantry, receives information and pointers about recruitment from Major Robert Collins, left, of Austin, who was one of the instructors during a two-day recruiting school at Amarillo.

## Settle Attends National Guard Recruit Meet

AMARILLO -- (Spl.) -- National Guardsmen from the Panhandle to West Texas assembled here recently for a two-day recruiter training session. Platoon Sgt. Donald Settle attended from Wellington.

Thirty-four Guardsmen were enrolled in the class. The Guardsmen represented 21 different towns.

The school, held in the Amarillo armory, is one of six which are to be conducted across Texas. The Amarillo school was the first to be held. Other classes are set in Austin, McAllen and two separate schools in Dallas. The final seminar will be conducted the middle of December at Houston.

According to a spokesman, the schools are stressing the principles and techniques of retention and recruiting for company, battery, troop and detachment level recruiters.

The instructors are from State Headquarters at Austin. Composing the instructor team are Lt. Col. Walter Dingle, Major Leroy Cobb, Major Eugene Mees and Major Robert Collins. Their material was developed by the National Guard Bureau in Washington, D.C.

## Gilberts Visit New England

Mr. and Mrs. Harry Gilbert have returned from New England, where they visited their daughter and son-in-law, Mr. and Mrs. L.R. Lyons, followed by a visit to places of historic significance along the Atlantic coastline northeastward to Boston.

Mr. Lyons' father, Gardner Lyons, joined them at Wichita, Kansas, for the remainder of the flight. Many of their stops were at seaports, including Provincetown and Hyannis, on their way to the end of Cape Cod. At Plymouth, they saw Plymouth Rock and Mayflower II, an exact replica of the ship which brought the Pilgrims to America.

During their Boston visit, they visited Paul Revere's home, which now stands among skyscrapers, and Old North Church, where he hung two lanterns, to warn of the British approach. These, they found, were much larger than they expected, and could give out ample light.

At an old cemetery, where Mayflower settlers are buried, they found the graves of a Lyons ancestor and took a rubbing of the gravestone to include in the family history. Their return to Darien was through Worcester, Hartford and New Haven.

On Saturday, they again went to New Haven for the Yale-Cornell football game, which New Yorkers won. A stadium sign brought amusement: If you come to Yale to learn to play football, you're in the wrong school. Adding much to their travels in Connecticut and Massachusetts was the beauty of the New England autumn.

"Every tree had on all its finery," said Mrs. Gilbert. The Wellington couple was away three weeks.

## Church Presents Young Musicians During November

First Christian Church will present a guest musician at the evening service each Sunday in November, Marvin Garrison, minister, has announced.

The high point of the series will come with the concert group from Dallas Christian College on Sunday, November 21, said Mrs. Raymond Neeley, who is helping with plans.

Thirteen-year-old Nort Sain of Dodson, will be presented on November 7, and on November 14, his older brother, Elvis Sain, vocalist and guitarist, will appear.

Other guest musicians will be secured for the final Sunday in the month.

## Eighth Grade Loses Thursday

Wellington Firecrackers lost to a powerful Childress 8th Grade team 41-8 at Powell Field Thursday night, October 28.

"We played a real good game, and I was proud of the boys, for they did a tremendous job considering the opposition they had," declared Coach Carroll Nunneley.

Childress scored early in the first period, taking possession of the ball on a blocked punt and going 30 yards to score. The try for extra point failed.

Wellington received the kickoff and drove 65 yards with good blocking, running and excellent passing to score from one yard out on a quarterback keeper by George Brewer. The extra point try was good on a pass from Brewer to Edward Thomas, and Wellington led 8-6, the only time in the game the Firecrackers were ahead.

Childress scored twice more before the half and led 22-8 at halftime, then added three more touchdowns in the last half.

"Childress is real large and real fast," said Coach Nunneley. "They are undefeated, having beat Quanah twice and Shamrock twice. They haven't been challenged yet and they have one of the finest backs in Hernandez that I have ever seen in an eighth grader. He can run the 100 in 10 seconds flat."

The Firecrackers had two starters out with injuries, Cameron Moore, who received a broken arm in last week's game with Quanah, and Neal Cochran, who broke a finger earlier.

## Gospel Singers To Meet Nov. 6

The Collingsworth County Gospel Singers will meet Saturday evening, November 6, in Trinity Methodist Church. Singing will begin at 7:00 p.m.

Everyone interested in gospel singing is invited to attend and take part, or just listen. President Tom Wilkins announced.

## Pattersons Home From Honolulu

Mr. and Mrs. Louis Patterson of Dodson returned October 25 from a 9-day visit to the islands of Oahu and Hawaii, Hawaii. They were guests of their daughter and family, Capt. and Mrs. Greg Ventura and two-year-old son, Todd.

While in the islands, they toured Pearl Harbor and the Arizona Memorial, Waikiki Beach, the International Market Place, Punchbowl Memorial Cemetery, in addition to circling the entire island of Oahu.

They arrived at the beginning of Aloha Week, Hawaii's annual celebration of her heritage. Island festivities include the traditional dances, songs and luau, luaus, parades, and in general a whole week devoted to recapturing Hawaii's history and spreading the Aloha spirit.

After visiting Oahu, Mr. and Mrs. Patterson flew to the biggest island in the chain, Hawaii, where they spent four days in a lodge on the slope of Mauna Loa, an active volcano, in Hawaii Volcanos National Park.

Besides visiting major points of interest, they went to some of the areas of the two islands not frequently seen by tourists, and noted many comparisons with state-side living.

This was their first flight to Hawaii, a trip which Mr. Patterson recommended highly to everyone.

Capt. Ventura is stationed in Hawaii with the U.S. Army.

## Seventh Grade Goes Down 12-0

The breaks of the game fell to Childress, and Wellington Seventh Grade lost 12-0 Thursday night, October 28, at Powell Field.

Childress scored in the first period on a sweep around the left side. Wellington then moved the ball well but a penalty set them back and the game continued a tough defensive battle during most of the remainder of the game.

Early in the fourth quarter, Wellington got down to the Childress two yard line but couldn't push through for the score and they lost the ball on downs. In the last 30 second of play, Childress scored again, on a sweep to the right.

Neither Childress try for the extra point was good. "I think we were about as strong as Childress, but the breaks made the difference," said Coach Dick Hamilton.

## Trio Attends TSTI-Amarillo

Three Wellington students are among the 523 currently enrolled at Texas State Technical Institute in Amarillo.

William Darrell Ferguson, son of Mrs. Tom Ferguson, is enrolled in the construction technology program; Reese Bowen, son of Mr. and Mrs. J.R. ## RC&D Approves By Laws During Thursday Meet

Four Collingsworth representatives to the North Rolling Plains RC&D attended the meeting of that body in Shamrock Thursday, October 28.

They were Commissioner W.R. Breeding, Collingsworth County; Bob McAlister, City of Wellington; Dan Henard, Salt Fork Soil Conservation District; and Gary Reed of the Soil Conservation Service.

The constitution and by-laws of the North Rolling Plains Resource Conservation and Development program was reviewed and approved and Bill Brooks, Wheeler County SCS, reviewed projects which already have been proposed to be carried out under the program.

Mr. Reed said that a meeting will be held in the county within a short time to select a director to serve on the executive board of the RC&D.

Member counties of RC&D are Collingsworth, Wheeler, Hemphill, Lipscomb, Gray, Donley, Hall and Briscoe below the caprock.

## Whites Move To Clarendon

Donald White, a 10-year employee of Greenbelt Electric Co-operative, Inc., has been transferred to the Clarendon office, and he and his family moved there during the week end.

He succeeds Bill Land, who became electrical engineer for Clarendon College.

Mr. White was reared at Quail and is the son of Mr. and Mrs. Ople White.

Mrs. White has been a deputy in the office of the county clerk two years, and worked there on a part-time basis three years prior to that.

The couple has two sons, Randy, 8, in the third grade, and Bret, four.

## Music Career Conference Set At West Texas

CANYON, Tex. -- High school students contemplating a musical future have the opportunity to receive professional evaluations and advice at the 4th Music Career Conference Nov. 13 at West Texas State University.

The Conference is free to students enrolled in the 9 to 12 grades and are considering a music career. Dr. George Umberson, head of the WTSU music department, said today.

"The conference is not a contest," Umberson said, "but a means of noting the strengths and weaknesses of a student in an effort to help him prepare for study at the college level in the field of music."

The one-day conference includes administration of advisory examinations to help determine a student's aptitude and background, and individual performances before a faculty member who is a specialist in voice, piano, organ, string, woodwind, brass or percussion instruments.

Each participant will be involved in group counseling in which opportunities in music and the requirements for the various areas of the field will be discussed, Umberson said.

A complimentary luncheon will be served all participants, he said.

## HSU Band in Spotlight at Baptist Rally

Chris Hubbard, Jr. is a member of the Hardin-Simmons University Concert Band which was in the spotlight at a massive Baptist rally in Houston's Astrodome on Wednesday night, Oct. 27.

The H-SU Chorale, directed by Carl Best, and the band, directed by Marion B. McClure, performed at a "Spiritual Spectacular," in connection with annual sessions of the Baptist General Convention of Texas.

The choir and band from H-SU joined other music groups in a special music program at which a number of different Baptist groups from over the state took part.

The service in the Astrodome began at 7:30 p.m. Selections included "The Star Spangled Banner," "The Lord's Prayer," "The Battle Hymn of the Republic," "When I Survey the Wondrous Cross," "Steal Away," and "All Hail the Power."

Combined college choirs and bands also sang Thursday morning, Oct. 28 in Jones Hall. Selection titles during the morning performance included: "Good Christian Men Rejoice," "From Sea to Shining Sea," and "The Battle Hymn of the Republic."

## Couples Home From Arkansas

Mr. and Mrs. Sandy Parsons and Judge and Mrs. Zook Thomas returned Saturday, October 30, after a week's trip through Arkansas and Southwest Missouri areas noted for the beauty of their fall foliage.

After going over the Tahina Drive in Southeastern Oklahoma, they stopped for two days at Hot Springs and Lake Hamilton, Ark., then turned northward.

At Harrison, they visited Mr. and Mrs. Johnny Wallace, former Wellington residents.

Mr. Wallace, who owned a men's store here, spent 20 years in soil conservation work at Harrison before retiring. He is again with a men's store in that town.

In Eureka Springs, they had dinner at the mountain-side hotel made famous in Believe It or Not, which is 7 stories tall, with a ground level entrance on each floor.

They drove on to Branson, Roaring River Park, and Lake Tannycorno, Missouri, then returned to Ft. Smith to pick up Mrs. Parsons aunt. Their last stop was at Tulsa, for her mother, Mrs. Claud McMillin, who had visited her son, Mr. and Mrs. Don McMillin for 10 days.

## Gayla Elmore In 'Noah' Cast

Gayla Joan Elmore, the daughter of Mr. and Mrs. Lynn Courtney, is cast in one of the leading roles in "Noah" which will go on stage November 7 to 9 in the Fine Arts Auditorium of Frank Phillips College.

Mrs. Elmore is a student in the college.

The Andre Obey drama, with English text by Arthur Wilmutt, is presented by members of the Mask and Mike Club and is a modernized retelling of Noah and the Ark.

## September Bond Sales \$2,380

According to a report received from County Bond Chairman John T. Forbis, sales of Series E and H United States Savings Bonds in Collingsworth County during September totaled \$2,380. Nine-month sales were \$25,665 for 26 percent of the 1971 goal of \$100,000.

Sales in Texas during the month were \$15,465,128 compared to \$15,033,393 during September 1970. The January-September sales totaled \$152,382,599 with 84 per cent of the 1971 goal of \$181.9 million achieved.

# Deck's DIDACTICS

—by Deskins Wells

DR. ROGER J. WILLIAMS, a research scientist at The University of Texas at Austin, has prepared a paper saying that 'supernutrition' can be used to prevent mental retardation, mental illness, arthritis, heart disease. Dr. Williams contended that the nations medical schools and physicians have neglected proper nutrition as a way to prevent disease. As I remember that is what Benarr McFadden spent his lifetime advocating. His recipe for health was threefold, proper food, exercise and rest.

\* BUT BACK to the interesting Dr. Williams:

Dr. Williams didn't say that there is a specific, perfect, super-nutritious diet uniformly good for everyone. Needs of individuals vary so widely that computerized techniques may have to be used "before refined supernutrition can be applied to individual human beings."

Friction, light, carcinogens, and viruses are environmental agents that can cause cells to become cancerous, Dr. Williams reminded. "No one has taken the trouble to see whether attempts to strengthen every link in the nutritional chain will result in decreased incidence or disappearance of cancer. It seems a lot to hope for, but available evidence points to the conclusion that if supernutrition can be successfully furnished, cancer irritation may be stopped."

\* DR. WILLIAMS paper concluded:

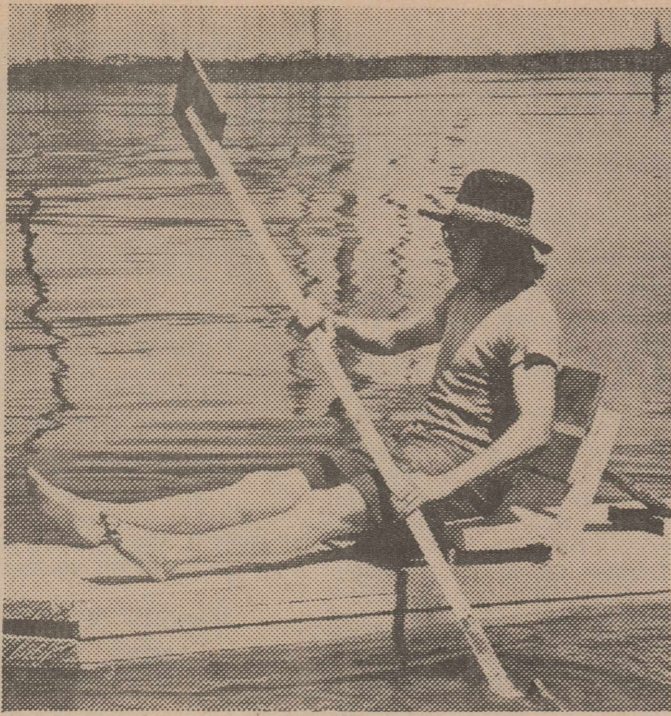

"Good nutrition is best exemplified by what we often give our cats and dogs, as well as chickens and pigs being raised for market. Such nutrition provides the animals not only with energy but with an abundance of protein of high quality, as well as a good assortment of vitamins and minerals far above the danger line."

\* ONE OF Wellington's more interesting citizens of other days died this week in Austin. He was Senator Clint Small, Sr., who served this county as county attorney and county judge, was later mayor of Wellington and district judge before becoming a member of the State Senate. His career as a senator was one of remarkable service and accomplishment; but he once remarked that he thought his best public service was as Ex-Official Superintendent of Rural Schools when he was county judge.

\* SENATOR SMALL also said that he enjoyed being mayor of Wellington more than any other public services. It was at this time that the sewer system was installed and all of the present brick paving was laid. By contrast he said that he did not enjoy serving as district judge. He said: "I spent most of the time waiting for juries to report or for lawyers to amend their petitions."

\* CLINT SMALL was an enthusiastic baseball and football fan and continued to go to games as long as he was physically able. For a period of approximately 35 years he practically never missed one of the Longhorns football games. He also loved to hunt especially during the quail and prairie chicken season; but he had little time for it in his latter years. On the other hand he had no taste for horse racing, boxing or auto racing and was frank to say so. His attitude toward sports reflected his attitude toward life. He was either for something strongly or he was against it. Although half of his life was spent in politics, he was never found in the middle of the road.

\* OCTOBER IS our loveliest month of the year, but the beauty of the trees in their fall colors often shows up the best in November and such is the case this year. Last week and this week shows the brilliant, yellows and reds and the infinite variety of greens

## Norwood Harvest Queens Crowned

Sammorwood School crowned its royalty during the annual Harvest Festival Saturday, October 30, to a theme of silver magic. This followed an evening of carnival fun shared by the entire community.

Mary Blair was the high school queen and Joel Rainey was her escort. Donnie Knoll was junior high queen, and she was escorted by Mark Tarver. The grade school queen was Jona Stages, with Lynn Tate as her escort.

Approximately \$850 was raised by the Parent-Teacher Association, to be used on a project to benefit the school. The combined junior and senior classes made \$230 on a separate project.

### Visitor Here From Calif.

Mrs. Bess (Pritchard) Strong of Laguna Hills, California, was here this week visiting her brother-and-sister-in-law, Mr. and Mrs. J.M. Strong.

Mrs. Strong grew up in Wellington.

\* #4—continued from page 1 losses, and Shamrock dropped to runner up spot with 2-1. These teams shared the district crown last year, but Childress gained the right to move into the playoffs with a leading on 20-yard penetrations.

Wellington will meet the Childress Bobcats in the final game of the season, and the Skyrocket's last in AA football.

Among the teams with whom Wellington will be playing next year, Wheeler -- a Rocket opponent in non-conference play, rolled over the Claude Mustangs 24-0. Wheeler now leads the District 2-A standing.

McLean Tigers, whom the Rockets have not met in several years, took a 33-15 victory over Memphis, scoring all touchdowns by the ground route.

and browns in all their splendor. It is time to be out driving.

\* THE FOOTBALL game last Friday was much more interesting than the 6 to 0 score might indicate and the heavy fog illuminated by the football lights provided a spectacle worth seeing in itself. The fog, driven by a stiff north breeze, was so heavy you could see it rolling on the ground and blowing around the lights. It was an eerie sight and a beautiful one.

\* AN ATTRACTIVE blond woman walked in the office yesterday afternoon and remarked: "You don't know me, do you?" "Yes I do, Bess Pritchard," I told her. She was a member of my high school graduating class. There were 12 in 1919 four boys and eight girls. They were: Clara Skelton, Alie White, Oma Kelly, Velda Ketchum, Bess Pritchard, Bessie Hite, Pearl Renner and Velda Ketchum. The boys were: Luther Sullivan, Candler Hawkins, Keener Hudson, and Deskins Wells according to Luther Sullivan. Bess, who is now Mrs. Bess Strong now lives in La Guna Hills, California

## Farm Bureau School Set

Collingsworth County Farm Bureau will host a secretary's school for a four-county area, Friday, November 5.

This will cover pertinent information of the accidental death insurance which Farm Bureau is co-ordinating with its membership.

Burt Todd from the state FB office in Waco and Barry Vrice, area field underwriter from Canyon, will conduct the school, according to Mrs. G.N. Davis, secretary in the local office.

Other counties included will be Wheeler, Donley, and Childress.

\* #2—continued from page 1 bock, director of the State Health Department TB control Division for Region 10, will again be in charge of the clinic, assisted by Marilyn Metcalf, RN, from the Amarillo office and Andrea Hopsapple, RN, from Lubbock.

Volunteer workers at the clinic are headed by Miss Bonnie Willis.

At the clinic, each patient will be checked and receive a prescription of INH, the single antimicrobial drug used for chemoprophylaxis, which is the prevention of disease in those who were positive reactors in the Mantoux Test (tuberculin skin test) in the control program conducted here in January 1971.

\* #3—continued from page 1 Glenda Norman, Jean Ann Owens, Sherry Peeke, Sharon Pence Joe Peters, Kenneth Porter, Janie Reynolds, Vickie Reynolds, Lillie Rogers, Jimmy Saied, Gary Scott, Kathlyn Scott, Donnie Settle, Della Shumate, Randall Sims, Richard Sims, Benny Stallings, Kenny Stallings, Lucy Sullivan, Phyllis Sullivan, Toni Taylor, Edward Thomas,

Eric Thomas, Pat Thomas, Doris Tingle, Pam Vines, Danny Waters, Generah Welch, Landi White, Diana Wilson, Esther Mejia, Isiah Mejia, Angie Mitchell, Melodie Iverson, Diana Garabay, Evelyn Gragson, Mickey Vassey, Sharon Pippins, Debbie Brinkley, Don O'Rear.

\* #5—continued from page 1 streets were paved. There were numerous other civic improvements that were visible evidence of a job well done.

Upon the death of Judge R.L. Templeton, he was appointed District Judge for a 5-county area, and served until 1928, when he ran for the State Senate. He remained there 12 years. Senator Small intended to stay only until the River Bed Bill was passed, but he found so many other reforms were needed, he remained.

After leaving Wellington, he and his family lived in Amarillo for several years before moving to Austin.

Charles Clinton Small was born in Collinsville, Alabama, May 22, 1888, the son of the late Judge and Mrs. E.H. Small. His parents brought him to the Aberdeen community in June 1891, and his father was one of the county's earliest judges. They moved to Shamrock in 1904.

He attended Goodnight College, Clarendon College, Trinity University and The University of Texas. On January 27, 1914, he was married to Miss Zoe O'Neil, a member of another family that shaped the county's beginning.

Senator Small was a member of the Presbyterian Church and the Masonic Lodge.

Funeral services were conducted in Austin Wednesday, November 3.

Surviving Mr. Small are his wife; a son and daughter, C.C. Small, Jr., of Austin and Mrs. John Jones of Houston; six grandchildren, three great grandchildren; a brother and three

sisters; Hugh Small of Lubbock, Mrs. Earl Kromer and Mrs. Walter Mount of Amarillo, and Mrs. Fred Holmes of Shamrock. Two sisters and a brother preceded him in death, Mrs. Cleo Templeton, Mrs. Temple Atkins and Horace Small. Relatives here are Mrs. L.C. Hill and Horace Small.

\* #7—continued from page 1 an open-hearing session to receive testimony from other organizations and individuals who wish to have their views heard.

Mr. and Mrs. Howard Crosby were in San Angelo from Friday until Sunday visiting Mr. and Mrs. Bruce Crosby and son, Keelan.

H.B. Chase of Royalston, Mass. arrived Friday for a visit with his daughter, Mr. and Mrs. James Sullivan and Phyllis Ann.

Week end visitors with Mrs. Hattie Hornsby were her great-grandchildren, Mrs. Virginia Spinelli and Dora Hill of Abernathy; Wayne Hodge, Dona Baker and Carl and Hodge of Corpus Christi.

Today American farmers produce 20 percent more crops on 6 percent fewer acres than did their fathers. One farm worker now supplies enough food and fiber for 45 people. Only 10 years ago, he was producing enough for 23.

An hour's factory pay today can buy 8.9 pounds of frying chicken. In 1950, one hour's pay would buy only 2.4 pounds.
