Outstanding District Family

Dr. and Mrs. W. S. (Bill) Rhode and daughters, Anne (left) and Susan (right) Tuesday were named outstanding family in the Sixth District of the Texas Federation of Women's Clubs. The Rhodes, active in civic, cultural and religious activities, were selected from candidates from 26 Texas counties.

Far-Reaching New Project Revealed For Baker Hotel

19 Cabanas, Pool In Planning Stage

Plans for a building project which will give Colorado City unexcelled tourist facilities among area West Texas towns were revealed here Thursday by T. Z. Hamm, Fort Worth architect for Ed Baker, owner of Colorado City's Baker Hotel.

Hamm told the Record Thursday that Baker, a principal figure in Worth Investment Co. of Fort Worth, was now in the process of completing the purchase of a brick building adjacent to the hotel.

The property, owned by O. A. Ruffin of Colorado City, will provide space for a massive building project involving 19 luxury-type cabanas and a 20 by 40-foot swimming pool.

Plans call for the adjacent building to be torn down to make way for the project, Hamm said. The building is located west of the hotel, facing south on First St.

Original plans for the hotel tentatively called for seven cabanas and a smaller pool. Hamm said that remodeling of the hotel proper would naturally be completed before the new project. Construction of the cabanas and pool will probably take all summer.

Original opening date for the hotel was set earlier for May 1, but long periods of bad weather have delayed construction to some extent.

The cabanas will be built around the pool-facing north and east, Hamm said, and will be built on two levels. All will face the fully-filtered swimming pool and a court area and second-floor cabanas will be provided with a balcony overlooking the pool and court.

The luxury units will be built of masonry and all will feature gas fronts. Strategically-placed planting will surround the pool in the court area, Hamm said.

The pool and court will be fully lighted with underwater lights in the pool, floodlights and garden lights.

Baker Hotel's Decor to Be Finest in Wide Area

Tourists at the new Baker Hotel in Colorado City will find not only the finest available accommodations in this general area, but also the most tastefully appointed decor.

Among the hotel's many features will be a television-equipped lobby lounge with all new furniture. Copper planters with aluminum standards will be used throughout the lobby area.

Dividing the lounge from the rest of the lobby will be an original ornamental iron grille of contemporary design.

One wall of the lobby lounge will be done in cast stone in an Aztec pattern.

The desk in the lobby will be walnut formica with the switch board finished in the same material.

Carpeting will be used in the lounge area. The hotel elevator will be completely renovated with walnut paneling and fluorescent lighting.

Modern features in the hotel restaurant will include a club room which may be separated from the rest of the area by a folding wall. Lights in the club room will be on rheostates, so that lighting may be regulated to any desired intensity.

In the restaurant kitchen, all modern equipment will be used, including electric deep-fat fryer and range, a baker's oven, automatic dishwasher, refrigerator, ice cream and cold drink boxes, vent hood, exhaust fan, etc.

Space will also be available for a large, walk-in cooler.

Lockers and restrooms will be provided for employees. Restrooms and a powder room will also be located off the lobby.

Extensive planting will be featured all the way around the hotel outside and the adjoining pool and cabanas. About a dozen trees will be planted around the hotel and in the interior court. In addition to various shrubs in exterior planter boxes and inside the court.

The hotel name will be located on panels beside both the east and south entrances. The name will be in raised aluminum letters on a terrazo-panel.

A new neon sign will also be placed on top of the building.

Glass and aluminum will be used extensively on the first floor exterior. Extended copper covered canopies will be built over both main entrances.

DEADLINE MONDAY

Licenses Selling Slowly

With only four days remaining for motorists to obtain 1958 license plates before the Monday deadline, more than 50 per cent of the motor vehicles in Mitchell County were still unregistered Thursday.

County Tax Assessor - Collector Tom Glover said that the tax office at the court house will remain open until 5 p.m. Saturday to take care of last-minute registrations.

Glover said about 2,500 passenger cars had been registered by Thursday. About 200 farm and commercial licenses have also been given here.

But with 5,909 vehicles registered in Mitchell County in 1957, more than 3,000 owners of motor vehicles still have not registered their cars.

Glover pointed out that a 20 per cent penalty on registration is charged if a motorist drives with old plates after Monday.

He also reminded auto owners to bring last year's license receipt and their automobile title with them when they come to buy plates.

Long-Time Resident's Rites Held

John A. Thompson, 83, father of Mrs. Emmett Tilley of Colorado City, was buried in the Westbrook Cemetery Wednesday afternoon.

Funeral services were held Wednesday morning in the Lockney Church of Christ with the pastor, Rev. Paul Elps, officiating. Thompson was a member of the Church of Christ.

He died in Lockney General Hospital Monday. He made his home in Lockney at the home of a daughter, Mrs. Faye Sweatt.

He was born Sept. 5, 1874 at Kaufman and was married to Lena Smith in 1895 at Thornton.

Thompson moved with his family to Westbrook in 1905 where he was engaged in farming. He moved to Colorado City in 1916 where he operated a dray line, handling general freight. He later had a general merchandise wholesale business and operated a grocery store.

Thompson moved to the home of a daughter, Mrs. Sweatt, in Lockney after the death of his wife in 1946. He was manager of a labor camp for two years and then retired.

Survivors include six daughters; Mrs. Tilley; Mrs. Sweatt and Mrs. Katherine Pylant of Lockney; Mrs. Ola Murphy and Mrs. Mae Wright of Dimmitt; and Mrs. Fern Austin of Pecos.

Also one brother, F. B. Thompson of Lufkin; one sister, Mrs. Minnie Cheatem of Houston; 16 grandchildren and 26 great-grandchildren.

Thompson had two sons, to precede him in death. Grandsons were pallbearers.

Award to Hutchinson School

New Soil Bank Funds Expected

Mitchell County farmers who applied for the 1958 cotton soil bank but could not be signed to an agreement during the registration period may get another chance to place cotton land in acreage reserve, it was announced Thursday by A. L. Young, chairman of the county Agricultural Stabilization and Conservation Committee.

Approximately \$200,000 worth of cotton agreements were stalled on a waiting list earlier this year because of a lack of soil bank funds in the Department of Agriculture.

Both the senate and the house of representatives have approved supplemental appropriations amounting to about \$250 million to provide funds for additional acreage reserve participation, Young said.

The additional appropriation will bring total for the 1958 program to 750 million.

More than \$750,000 in agreements have already been signed in Mitchell County, but

Alliance Sets Park Service Here Easter

Colorado City's Ministerial Alliance Thursday announced plans for its annual sunrise Easter service.

The special service will be held at 6 p.m. April 6 at Kendrick Park amphitheater with Rev. James Carraway, pastor of Oak Street Baptist Church, as speaker.

Special music will be the Junior choir of the First Baptist Church with songs by Don Jones, minister of music at First Baptist Church.

Men from the cooperating churches will participate in the service, according to Rev. Clarence Collins, president of the Ministerial Alliance.

A committee working on arrangements for the service includes Rev. Earl Clary as chairman and Rev. James Poe and Rev. Jack Selcraig.

Everyone is invited to attend the Easter morning services, Collins said.

150 Convene As District Meet Opens

About 150 delegates from a 11-county West Texas area arrived in Colorado City Thursday afternoon for a two-day convention of the 16th Texas Parent-Teacher Association District.

The convention is scheduled to last through Friday with four general sessions slated at First Baptist Church, according to Mrs. Ray Noble, general chairman for the convention.

Among state and national officials here for the meeting are Mrs. J. R. Shackelford of Amarillo, state vice president; Mrs. J. M. Harper, Lubbock, 14th District president; Mrs. Elmer Payne, Sweetwater, 16th District president; Floyd Parsons, Big Spring, state citizenship chairman, and Mrs. Leon Price, Dallas, national publicity chairman.

Delegates are attending the convention from P-TA organizations in Howard, Martin, Sterling, Glasscock, Coke, Runnels, Nolan, Andrews, Dawson, Borden and Mitchell Counties.

Mrs. Payne of Sweetwater will preside at the conference. Activities opened Thursday at 12:30 p. m. with registration at First Baptist Church.

A highlight of the two-day conference will be a banquet Thursday night at 7:30 p. m. in Civic House. Mrs. Price will be the principal speaker.

Contractor Called To Wife's Bedside

Jess Pierce, construction superintendent for Colorado City Baker Hotel remodeling, rushed to Fort Worth Thursday morning to be at the bedside of his wife.

Mrs. Pierce was reported critically ill in a Fort Worth hospital. She was expected to be moved later Thursday to a Dallas hospital.

C of C Committees Plan Work Program

Colorado City's Chamber of Commerce rolled up its sleeves this week for another year of work as 14 newly organized committees held their first meetings of the new work year.

Eight committees had met through Thursday and the remaining six groups were expected to hold planning sessions within the next week.

The chapter board of directors will meet next Thursday to consider the tentative work programs set up by the various committees, according to Ernest Larmer, chamber manager.

Topping the list of proposed projects which will be recommended to the board of directors are:

AT FEDERATION MEET

City Family Wins District Honors

Dr. and Mrs. W. S. (Bill) Rhode and daughters of Colorado City have been named outstanding family in this area by the Sixth District of the Texas Federation of Women's Clubs.

The Rhode family was selected from candidates from about 40 towns in the 122-club district, according to Mrs. H. Gene Steakley, president of the Mitchell County Federation.

The winning Colorado City family was named as the top family in the district at a Tuesday district convention in Sweetwater.

Twenty-six counties are included in the district. Announcement of awards highlighted the convention's final session at First Christian Church in Sweetwater Tuesday afternoon.

The winning family was announced by Mrs. Steakley. Mrs. Rhode and Dr. Rhode's mother, Mrs. W. W. Rhode, both of Colorado City, were introduced.

Mrs. Steakley, a past president of the 1949 Study Club here, was presented with the district's Leadership Development award, presented by Mrs. John Berry of Clyde.

Dr. and Mrs. Rhode and daughters, Anne, 11, and Susan, 15, were picked locally for the outstanding family award on the basis of participation in recreation, cultural and church activities.

The local selection was made early in January. Dr. Rhode, is a member of Colorado Country Club, Sports men's Club, Lions Club, Methodist Men, etc.

He was 1957 director of the Mitchell County United Fund. Mrs. Rhode is a member of Women's Society of Christian Service, Zetaghian Study Club and other local organizations.

This is the second consecutive year in which a Colorado City family has been named outstanding family in Federation District Six.

Last year, the Joe Salter family of Colorado City won outstanding honors in the Sixth District and placed second in the state-wide contest.

CHUCK MOSER ... three state titles.

Chuck Moser To Speak at Sports Fete

Chuck Moser, head football coach of Abilene High School, will be the featured speaker at Colorado City Quarterback Club's All-Sports Banquet, April 22.

The banquet, honoring all participants in sports in Colorado High School, will be held in Primary School Cafeteria.

Fred McKay, Quarterback Club president, said tickets to the affair are priced at \$1.50 and will go on sale in the near future.

Approximately 85 boys and girls in all sports and the coaches will be the honored guests of the club.

The 39-year-old Moser has built a brilliant coaching record at Abilene High. His grid teams have 58 games, 49 in a row, taken three straight state championships and have compiled an overall record of 58-3-2.

His overall coaching record at Lexington, Mo., McAllen and Abilene is 121 wins, 21 losses and 4 ties.

His 1957 Abilene team was tied 20-20 by Highland Park in the semifinals with Highland Park winning on penetrations, 5-3. That stopped the Eagles' win streak at 49, but that was still good enough for a national record.

Moser is well-known as a Sunday School teacher and has made numerous speaking appearances at high school banquets in the West Central Texas area.

Personally Yours

By EVELYN GUNNING
Record Women's Editor

In town Tuesday looking over his dad's remodeling for Colorado City's Baer Hotel, Edwin L. Baker Jr. asked about a couple of friends — Bob and Ronnie Fee. The young Fort Worth nurseryman and builder was a Texas Tech fraternity brother of the Fees.

Talk of a bridge party Saturday night was the sack dress worn by Callie (Mrs. Bill) Craig. A stunning orange color, it is too.

Hutchinson Principal and Mrs. Weldon Moore are among those who still love the "good" music. They traveled to Fort Worth for that city's Civic Opera production of "Aida." And both have only compliments for the opera.

Smiles and red faces, too! That's what Pamela Pratt, 11, brought for her parents, Mr. and Mrs. Newby Pratt, while fishing the other day at Howard Bynum's Lakeside Camp. Mom and dad couldn't get a bite. But the youngster hooked and landed two whopping bass — the largest, five pounds four ounces, and the other, four pounds 12 ounces. Pam was casting with a Shimmy Wiggler, whatever that may be.

Extra proud this week is Mrs. Frank Smith. She has been informed her granddaughter, Jody Smith, won a Permian Basin district contest in Odessa for piano students. But even better, she was first among 25 contestants in later regional competition in Amarillo. Jody is the daughter of Mr. and Mrs. Johnny Smith of Andrews.

You might not have thought about it, but it's a signal honor for Colorado City two years consecutive to have the "outstanding family" for the Sixth District Texas Federation of Women's Clubs. And it couldn't have happened to a nicer family this year 1958 than the Bill Rhodes.

Mr. and Mrs. Clem C. Myers are happy their daughter, Nancy, can live at home and still work in Snyder. Nancy formerly a student at TCU, commutes daily to Snyder for her job as receptionist and typist for Mid-Continent Oil Company. Her younger sister, Janice, is pledging Gamma Sigma, a social club at McMurry College.

Something of commuter, too, because of cherished friendships in Colorado City is Mrs. L. W. Patterson, who recently moved to Sweetwater. She drives here regularly for meetings of Colorado City Garden Club and she's one of the representatives for the local club this week at the flowershow in San Angelo.

City Students Take Tour of Local Bank

One hundred thirty-seven students of the eighth grade of Colorado Junior High School toured the City National Bank last Thursday and Friday.

Students were shown through the bank and instructions were given of banking procedure.

Gus D. Chesney, vice president of City National Bank, conducted the guided tours and was assisted by Trevlyn Kelley.

Mrs. F. L. Turpin, eighth grade teacher, said students gained knowledge and a better understanding of banking. Mrs. Turpin and all students

expressed appreciation for the opportunity of visiting local bank.

Couple Are Guests In Midland Homes

Mr. and Mrs. Frank Deregius were guests last week end in the home of Mr. and Mrs. Delton Marcum of Midland.

While in Midland they visited in the home of Mr. and Mrs. Richard Boatright.

The Marcums and Boatrights are former residents of Colorado City.

In Addison Home

Mrs. Ben Richburg of Odessa and Mrs. Marion Cox of Silver were Monday guests in the home of Mr. and Mrs. L. N. Addison. They attended a gift tea in honor of the Addison's daughter, Eleanor Carole.

DAUGHTERS OF KING

Class to Donate Parsonage Roses

The Daughters of the King Sunday-School Class of First Methodist Church voted to present two climbing red roses for the lawn of the new Methodist parsonage.

The rose project was approved at their regular meeting last Thursday in the home of Mrs. Rube Hart.

Mrs. W. H. Garrett, president, appointed Mrs. E. H. Winn to make the selection of the roses for the parsonage. Mrs. W. M. Miller read the devotion from Luke and also directed the class in repeating the Lord's Prayer.

Members answered roll call with an Easter reading.

Mrs. J. L. Pidgeon, courtesy chairman, reported she had mailed seven get well and birthday cards to friends and members of the class.

"Name that Tune", a Bible quiz, was the program high light directed by Mrs. Hart with class members participating in the quiz.

The hostess served fruit cake, candy, tea and coffee to 16 members: Mrs. Garrett, Mrs. L. A. Costin, Mrs. Georgia Phillips, Mrs. W. J. Chesney, Mrs. H. T. Coles, Mrs. Maggie Bush, Mrs. Miller, Mrs. H. P. Allmond, Mrs. J. E. Ketter, Mrs. W. H. Winn, Mrs. H. L. Jamison, Mrs. J. D. Norman, Mrs. Pidgeon, Mrs. A. D. Priddy and Mrs. Pearl Durham.

Mrs. Phillips will be hostess for the next meeting of the class in her home April 10.

Mrs. Jack Smith in Houston, Ft. Worth

Mrs. Jack G. Smith was a guest last week in the home of her daughter, Mrs. John Murrell Jr., of Fort Worth.

Mrs. Smith left Fort Worth Wednesday en route to Houston where she met Mrs. C. P. Gary, and Mrs. Bruce Johnson of Loraine. The three women will attend the State Tuberculosis Association meeting in Houston.

MRS. COLLINS TO LEAD

Council Program

Mrs. Clarence Collins will direct the program Monday afternoon for the Colorado City Council of Church Women at the St. Luke Methodist Church.

The three o'clock meeting will be the regular fifth Monday session of the council and program will be under the direction of the leadership education department.

Mrs. Collins will present "Trends in Adult Education," a demonstration of techniques which will include (1) self evaluation, (2) quizzes, (3) informal buzz groups, (4) role playing, and (5) spot drama.

Mrs. Collins is rated as an expert in the field of religious education; according to Mrs. J. D. White, council president.

This program should be interesting and helpful to all church women and they are invited to attend, Mrs. A. O. Hickman, publicity chairman, announced.

The program will be preceded by a short business session. Following the business and program will be a fellowship and tea.

Girvin, Root Score High

Mrs. L. S. (Bunky) Girvin Jr. and Charles Root won high score honors at the Saturday Night Bridge Club in

the home of Mr. and Mrs. Willie Landau.

During the Saturday evening games Mrs. Girvin won high score for women and Mr. Root high score for men.

The host couple served a dessert plate to one guest couple, Mr. and Mrs. Bill Craig, and the following mem-

bers: Mr. and Mrs. Girvin, Mr. and Mrs. Root, Mr. and Mrs. Trevor Crawford, Mr. and Mrs. Ray Noble, Mr. and Mrs. Douglas Richardson, Mr. and Mrs. Bob Robinson and Mr. and Mrs. Joe M. Gunning.

IN LETTER TO CARR CLUB

Tech Students Says 'Thanks' For HD Clubs' Scholarship

Carr Home Demonstration Club "received a letter of appreciation from HD Scholarship student" at their regular meeting Friday in the home of Mrs. John Latty.

Laura Ellen Horn, a student at Texas Technological College, wrote the Carr HD Club to express her appreciation for their contribution to the District 2 HD Scholarship fund which is helping her acquire her education at Tech.

Mrs. Ruth Airhart, leader, directed the club song, prayer and presented the "Thought for Today."

Members exchanged favorite cookie recipes for the afternoon roll call.

Mrs. Don Henderson reported from the last meeting of the Mitchell County HD council. She reminded the club of the forthcoming Texas Home Demonstration Association district meeting in Big Spring, April 17.

Mrs. Tom Jackson and Mrs. Latty, food demonstrators, were appointed to attend the "Top of the Range Meals" which will be directed by the HD agent, Miss Elinor Harvey, at the Lone Wolf Electric Co. Operative building March 31.

Mrs. T. L. McKenney, landscape demonstrator, made a report on a landscaping project at her home.

Mrs. Latty conducted a comical quiz with members participating.

Afternoon program featured Miss Harvey, whose program topic was "Food to Prolong the Prime of Life." She emphasized the importance of a well balanced diet to the health of our bodies and our minds.

Refreshments were served to Miss Harvey, Mrs. C. N. Adams, Mrs. McKenney, Mrs. Airhart, Mrs. Henderson, Mrs. Jackson, Mrs. C. C. Buchanan,

Junior High Party Held at Civic House

Civic House was the scene Friday evening for Colorado Junior High's eighth grade party.

Attending the fete were 90 eighth graders, guests, teachers and sponsors.

Mrs. Joe Dulin and Mrs. Arnell Smith are teacher-sponsors of the classes.

A spring motif of butterflies and spring flowers in pastel colors decorated the Civic House. Those serving on the decoration committee were Pat Thomason, chairman; Gayle Hart, Mary Allmendinger, Gary Harkins and Billy Fredenburg.

Games played during the evening were directed by Ronnie Gurley, seventh grade coach.

Curtis Latimer, Junior High principle, served as the master of ceremonies.

Danny Latimer, president, was announcer for the class party.

Guests and teachers present were Mr. and Mrs. Frank Wilson, Mr. and Mrs. Ed E. Williams, Mrs. Marion New, Mr. and Mrs. Latimer, Mr. and Mrs. Gurley, Mr. and Mrs. Dulin, Mr. and Mrs. Smith, W. S. Taylor and Bob McMillan.

Highlighting the evening program was "A Pantomime of Popular Musicians" which featured the following students: Tommy Allen, Jay Lin Kuhn and Roger Richards.

Others featured on the evening program were Billie Fay Miller, Jane Blessingame and Carolyn Morris who presented a song; Ann Sellier and Sharon Thompson a twirling exhibition; and a drum solo by Tommy Allen.

TOP COOKIE "SALESWOMEN"—Receiving award certificates as the three top Girl Scout Cookie "saleswomen" for 1958 are Regina Ellis (left center) Arla Jo Payne (center) and Janet Wood (right center). Presentations were made by Eldon Mahon (right). Cookie sales chairman for 1958 is Jackson P. Ellis (left).

2,400 Boxes Of Cookies Sold Here

During the 1958 Girl Scout cookie campaign Mitchell County scouts sold 2400 boxes of cookies, announcement was made this week by Jackson P. Ellis, cookie chairman.

Three Girl Scouts won top honors in the cookie drive this year—Arla Jo Payne, Janet Wood and Regina Ellis.

Eldon Mahon made the presentation of certificates for this achievement at the Lions Club luncheon last Friday.

Arla Jo won top honors selling 90 boxes of cookies, Janet sold 80 and Regina sold 66.

Ellis expressed his appreciation to citizens, scout leaders and scouts who worked to make this year's drive a success.

FRIDAY IN CIVIC HOUSE

Carnegie Course Demonstration Set

Free demonstration meeting of the Dale Carnegie course is scheduled Friday, 7 p.m. in the Civic House.

The meeting is being held in an effort to organize a second Carnegie class here.

If 25 sign up for the course, it will be held on Friday nights from 6:30 to 10:30 p.m., beginning April 4.

Sponsors of the course here is the Junior Chamber of Commerce.

Bob Williams, chairman of the Jaycee Ways and Means Committee, said Thursday that you are under no obligation when you attend the free demonstration meeting.

"We just want to show you what the course offers and how it can help you," Williams added.

Johnny Hammond of Abilene, instructor in the course currently underway here now, will be in charge of the Friday demonstration.

Jaycees have been contacting prospective members for the new class this week.

Cost of the entire course, including textbooks, is \$125. Registrants may pay as little as \$35 down payment and \$15 per month for six months.

Persons wishing to pay cash will be given a 10 percent discount. The course is divided into 14 four-hour sessions, one each week for 14 weeks.

Instructors place special emphasis on improving the individual's money, self-assurance and ability to speak in public, and human relations.

Thirty pupils are enrolled.

AT ANNUAL BIG SANDIE RELAYS

Track, Tennis Teams Try Competition in Amarillo

Colorado High School's track and tennis teams will be in Amarillo this weekend for the annual Big Sandie Relay Carnival.

Eight boys and two coaches are scheduled to leave at 5 a.m. Friday with competition slated to begin at 1 p.m. Friday.

Dean King, track coach, and Larry Morton, tennis coach, will each take four boys to the Panhandle meet.

King's quartet includes Banker Cade, Don Black, Paul Free and Freddie Womack. Black has been ill the past week, and if he isn't ready to go, King will probably call on Lucky Merket.

Three tennis players are definitely lined up to make the trip. They are Bob Rader, Melvyn Berman and Jerry Lady. A playoff was being conducted Thursday to determine the fourth member of the racket quartet. Trying for the lone spot were Jimmy Brown, Robert Boney and Billy Bobo.

The Colorado City athletes will compete against boys in the Class AAA and Class AAAA schools with record number of entries expected in both the track and tennis events.

Last year, over 90 teams battled in the track and field meet with over 1,000 boys participating.

The four trackmen making the trip will run in the 440-yard and mile relays. In addition, Cade will be entered in the open 440-yard dash, Free and Womack will run the 100-yard dash while Black will run the 220-yard dash.

The entire track team will go to Andrews next week on Thursday for a scheduled meet.

And then Friday and Saturday of next week, the Wolf cindersmen will run in the ABC Relays in Big Spring.

Coach Morton's netmen will find equally stiff competition at Amarillo. Rader will be entered in the 'A' singles while Berman and Lady will team up in the 'A' doubles. The fourth boy — yet to be

picked — will play in the 'B' singles. Last weekend, the tennis team played in the West Texas Relays meet at Odessa.

Rader received a bye in the first round of the 'A' singles and won his first match from an Andrews player, 3-6, 6-2. He lost in the quarterfinals to Abilene High's Glen Schmittou, 6-1, 4-6, 6-2.

Schmittou lost in the semifinals to Odessa's Weston

Herring Entered in Annual Texas Relays

Doyle Herring of Colorado City will be a busy boy at the Texas Relays in Austin Saturday.

Herring will run on three relay teams for the Texas Tech Red Raiders.

The sophomore trackman will run a leg on the 440-yard relay, a quarter on the mile relay and the 220-yard leg of the sprint medley relay.

Wolff, 6-1, 4-6, 6-2. Berman and Lady lost in the first round of the 'A' doubles to a team from Monterey High of Lubbock.

Brown took his first match in the 'B' singles, 6-0, 6-0 but lost in the second round.

Bobo and Boney were defeated in the first round of the 'B' doubles.

Tuesday, the Colorado High team whipped Big Spring High's racketmen, 5 matches to 2.

Rader won the No. 1 singles and Berman took the No. 2 singles match but Lady lost the No. 3 singles competition.

The No. 1 doubles team of Berman and Lady lost its match but the No. 2 doubles team of Rader and Bobo came out victorious over the Big Spring duo.

Colorado City's No. 2 doubles team whipped the Big Spring No. 1 doubles team while the C-City No. 1 doubles team whipped Big Spring's No. 2 doubles pair.

The Wolves' will go to Big Spring Tuesday for a return match.

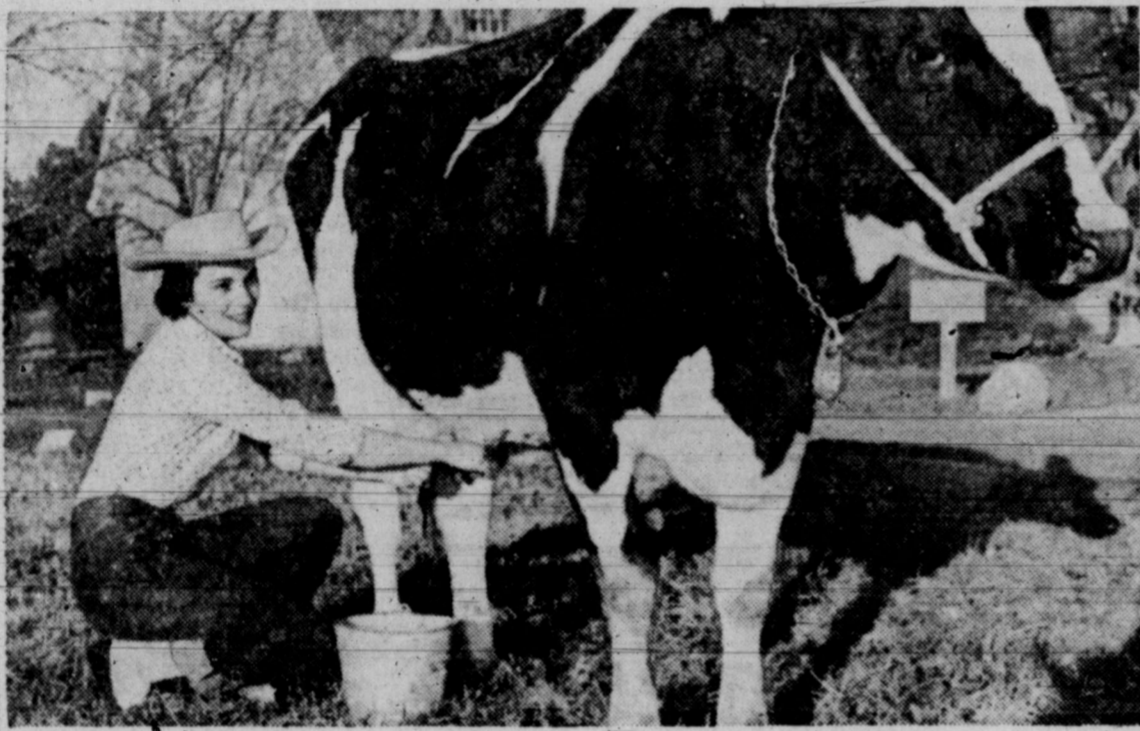

Compton Named To All-Area Cage Team

Richard Compton, Colorado High School's ace basketball player, has been named to the Abilene Reporter-News All-Area Team in Class AAAA. Compton, 6-foot senior, led District 3-AAA in scoring with 143 points, an average of 18 per game. His season total was 375 for a 15-point average.

Compton joins Bob Bernad and Guy Gibbs of Graham; Rex Wilson of Lake View and Bill Phillips of Snyder on the team.

Junior Trackmen Score 20 Points In Meet; To Sweetwater Saturday

Taking advantage of their strength in the field events, Colorado Junior High 8th and 9th grade track teams finished high at Stamford last Saturday.

Coach Win Talley's Ragnots and Jackrabbits tracksters finished behind North Abilene, Graham, Sweetwater and Snyder in the Junior High Invitational Meet.

The 9th grade Rabbits scored 9 points while the 8th grade Ragnots tallied 11 points in their division.

In the 9th grade bracket, Jerry McKay took third in both the broad jump and high jump. He leaped five feet five inches in the high jump. Red Lemons grabbed a fourth place in both the discus and shotput.

Luke Harrison leaped five feet four inches in the jump for fourth place.

Don Vest picked up two points with third place in the discus throw.

Kenneth Northcutt was the top scorer for the 8th grade squad. He took a first place in the shotput, throwing the eight-pound iron ball 41 feet 6 inches. He tied for second place in the discus with a heave of 121 feet 6 inches.

Randolph Cupp tied for second place in the 70-yard low hurdles with a time of 10 seconds flat.

Jimmy Ruth completed the Ragnot scoring with a 39-foot throw in the shotput and a 118-foot toss in the discus, each mark good for fourth place.

Talley will take his team to Sweetwater Saturday for a test against the top junior high squads in the area.

Entries in the 9th grade

division at Sweetwater include:

McKay—sprint, sprint relay, high jump and broad jump. Joe Tarter—sprints, relays, broad jump.

Lemons—Shot and discus; 1320-yard relay.

Temporary Pastures for Grazing

Summer temporary pastures provide the most dependable source of summer grazing that is available. Too they usually supply better quality grazing than is available from permanent pastures.

But these are not the only advantages of summer temporary pastures. They permit resting permanent pastures and provide grazing all through the summer. They also provide some reserve feed. Any excess grazing may be put up as hay or silage, something very few livestock raisers have enough of.

Sudangrass and pearl millet make the best summer pastures, with sudangrass being the best bet in most areas. However, pearl millet will be the choice in East Texas and certain Central Texas soils.

The pasture can be planted from the time danger of frost is past until moisture is too low in the summer. The grazing season may be extended by planting as soon as danger of frost is past and then making additional plantings at three or four-week intervals.

Proper fertilization will pay big dividends with good growing conditions.

he says. A soil test is the best way to determine the soil requirements. The dollar for a soil test is the best fertilizer dollar that can be spent.

Rotation grazing and mowing should be practiced in order to get the most out of the pasture.

Rotation grazing permits resting the plants between grazings, giving higher yield and permits use of the plants while they are in their most palatable and nutritious stage. Too, blocks not needed may be put up as hay or silage.

The Real Cost

The real cost of any fertilizer is measured in terms of the per unit cost of plant nutrients applied to the soil. So, before farmers buy a fertilizer, they should look at the grade analysis and see if the same quantity of plant nutrients can be obtained cheaper in a higher analysis fertilizer.

The grade analysis can give a farmer this information because it tells how much nitrogen, phosphorus and potassium each bag of mixed fertilizer contains.

For example, a hundred pound bag of 5-10-5 contains five pounds of nitrogen, 10 pounds of phosphoric oxide and five pounds of potash. A hundred pound bag of 10-20-10 contains 10 pounds of nitrogen, 20 of phosphorus and 10 of potash.

These two grades of fertilizer contain the same ratio of nutrients but the latter contains twice as much in each 100-pound sack. So, even though the 10-20-10 costs more per ton, it is normally cheaper in the long run because of the quantity of plant nutrients which is obtained.

The cost per unit of plant nutrients is not the only way high analysis fertilizers are usually cheaper than low analysis fertilizers. When one sack of 10-20-10 can substitute for two sacks of 5-10-5, transportation costs are reduced. Not only would transportation costs be lower, but application costs would be less since less fertilizer is needed to supply the same quantity of plant nutrients.

Greetings, Chum!

MORE BUILDING is on the way for Colorado City. It now appears that original remodeling plans for the Baker Hotel will be greatly expanded with the addition to the basic project of about 20 ultra-modern cabanas and a swimming pool about twice the size of the one which was formerly listed as "tentative" on the plans.

Only seven cabanas were planned at first and even these were not definitely scheduled. But by acquiring a piece of adjoining property, space has been made available for the expansion in plans.

EXPANSION in the original plans appeared to be almost a certainty Thursday. The addition of the cabanas and swimming pool to the renovated and modernized hotel would undoubtedly

give Colorado City the most luxurious and complete tourist facilities of any town between Abilene and Midland.

Available in Colorado City would be the finest accommodations for tourists and traveling men in the entire Sweetwater-Snyder-San Angelo-Big Spring-Colorado City area.

With a new lake scheduled for construction in the near future, such accommodations could conceivably bring a vast increase in tourist trade and convention activity to Colorado City.

ALSO ON THE building scene, the word is out that three major oil companies will construct three large service stations in Colorado City before the end of the year.

Construction plans for two of the stations were apparently definite Thursday. Phillips Petroleum Co. has purchased a building site for a new company station on Walnut St. next to Better Cleaners. Three homes which now occupy the site, will be moved.

WORK MAY BEGIN within a month. The station is scheduled for completion by Dec. 31.

Magnolia Petroleum Co. is also expected to build a new service station in the 300 block of E. Second St. at the site of the old Col-Tex wholesale warehouse, which is now being torn down.

The old company-owned Magnolia station next to the site will also be removed. Date for construction was indefinite Thursday, but the station will be built before the end of the year.

MAGNOLIA WAS also looking Thursday for a suitable site for construction of a new company warehouse. No definite site has been picked.

A third major oil company is also expected to build a station here within the next few months.

Thus far, building in Colorado City cannot be described as a "building boom" or anything of the sort. Nevertheless, new construction is being carried on steadily and more rapidly than in recent years.

But, although it isn't a boom, it could hardly be classified as a "recession" either.

NEW NAMES, FACES BUT

Same Old Problems Plague Texas' Insurance Division

By VERN SANFORD

Texas Press Association
New names. New faces. But same old problems plague the state insurance liquidation division.

Next Legislature undoubtedly will step in and try to assign authority and responsibility more definitely—possibly overhaul the whole system.

Latest chapter in the division's history of crisis—crossed efforts is the appointment of a new general counsel to the liquidator. He is Cecil C. Rotsch, former assistant attorney general.

Significant aspect of this is that Rotsch was appointed by Insurance Commissioner William A. Harrison. Whether the State Insurance Board, which Harrison represents, or judges of the receivership courts have the right to appoint attorneys for liquidation has been at issue for some years.

Last year Austin District Judge Charles O. Betts appointed liquidator to pay out \$2,181,464 recovered from the assets of US Trust and Guaranty Co. This represents some 31 per cent of the \$7,300,000 in claims made by

creditors, mostly holders of US Trust "investment certificates."

Action was made possible after the Supreme Court made final its ruling that certificate holders had no priority in claims.

No miracle is yet in sight for the ailing Texas industry.

Railroad Commission cut the statewide allowable for April to 2,444,571 barrels a day. It's 120,203 barrels a day less than March. Eight producing days will be allowed, one less than March.

Commission set this lowest in its history producing schedule after hearing most major oil buyers say they could foresee no substantial increase in demand for oil this year. Commission operates on the philosophy that oil should not be produced unless someone is willing to buy it.

THIS WEEK IN WASHINGTON

Officials See No Economic Collapse

By CLINTON DAVIDSON

There are many reasons why Washington officials are confident that the confident business recession will not result in a collapse comparable to the 1929-33 crash that led to the closing of all banks for a time.

Two of the main reasons are the Federal Deposit Insurance Corp. and the Federal Savings and Loan Insurance Corp. which, combined, insure more than \$165 billion in bank deposits and savings & loan association accounts.

Officials of both insurance corporations with whom we have talked emphatically emphasize that your savings are safe up to the insured limit of \$10,000 on deposit in any one bank or savings and loan association covered by either of the corporations.

This includes several thousand banks with insured deposits and savings totaling about \$125 billion and some 3800 Federal savings and loan associations insured with the FS&LIC, covering accounts totaling about \$42 billion.

There are however, significant differences between the insurance provisions between the insurance provisions applying to savings & loan associations. Those differences are not generally understood by many who have put their money in the associations.

Both advertise that accounts are insured up to \$10,000 and that is true. The main difference, however, is in provisions covering withdrawal of your money. Many associations have neglected to make the difference clear in their literature.

The difference, however, would become significant only in the event of an extreme national emergency.

As a matter of practices in normal times the two banks and savings & loan associations—make immediate payments upon demand.

The FDIC requires that any bank failing to pay deposits or savings in full within 30 days may be declared in default, at which time the FDIC steps in to make good in full on insured deposits or savings accounts up to \$10,000.

Since the FS&LIC was created in 1934 only 38 insured savings & loan associations have required assistance. In 28 instances the FS&LIC supplied cash to restore the association to a sound position and in three others it purchased assets. Seven were declared in default and investors were paid in full.

There is, however, no specified time limit in which a savings & loan association must be declared in default after failing to redeem all certificates in full. It may, if unable to pay all withdrawal requests, establish a numerical listing and apply a portion of receipts over an indefinite period of time until all requests are paid in full.

When unable to pay immediately and in full demands the association is required to make a partial payment to the extent that receipts are available, but not to exceed \$1,000, to applicants in the order in which they apply. After each partial payment the applicant goes to the foot of the list and awaits his next turn. This procedure is repeated over and over until the payment is received in full.

Congress should enact legislation to provide for more prompt repayment, or it should require that the savings & loan associations make this waiting period provision perfectly clear to those entrusting their money to them.

LOCAL BUSINESS

Century-Old Firm Needs Advertising

By JOE BOATRIGHT

Record Advertising Mgr. The merchant who assumes that everyone knows all about his store, could learn something from the Marshall Field department store of Chicago.

The great department store ran its first newspaper advertisement in 1857. Since that time, Field's has become one of the most successful retail stores in the world.

After a century of experience, the Marshall Field executives still regard local newspaper advertising as a key force in retail sales. In fact, the store placed \$2,670,000 worth of advertising in a

single newspaper during 1956.

No business could afford to invest two million dollars in advertising without plenty of proof that solid profits would result. The Field company expected the record high advertising expenditure to bring a new record in gross sales. It did.

A smaller retailer may wonder how the experience of a giant operation like Field's could be applied to his business. But actually the problems of advertising do not vary greatly with size.

Field's advertising is much the same as the advertising of some of our local stores. It is made up of newsy information about the latest products on hand. And while selling individual items, Field's advertising helps to maintain the store's personality and identity. All good retail advertising does the same.

Sure everyone in Chicago knows about Marshall Field and Company. Yet, even after a hundred years, Field's spends more than three million dollars annually on advertising just to make sure that no one forgets about Marshall Field and Company.

HE LOVES ME!

I'VE WAITED ALL THESE YEARS FOR SOME LITTLE SIGN THAT HE CARES FOR ME AS I CARE FOR HIM...

...AND TODAY TODAY IT HAPPENED! HE SHOWED ME HE LOVED ME!

HOW?

HE KICKED MY SHINS!

IT'S STARVING, TOM! SINCE MAM'S TRYING TO LOSE WEIGHT ALL WE EAT IS RABBIT FOOD!

YOU SHOULD TAKE HER SINCE MY WIFE WENT TO TWENTY POUNDS, AND WE EAT THE SAME TYPE MEALS WE'VE ALWAYS HAD.

GEE, THAT'S GREAT!

WHAT KIND OF MEDICINE DID HE GIVE HER?

OH, HE'S NOT A MEDICAL DOCTOR!

HE'S THE DENTIST WHO PULLED ALL HER TEETH!

BIBLE COMMENT:

Vision Impresses Christ's Disciples

In the story of the transfiguration, Christ did not take all apostles into the mountain with Him, but only Peter, James and John. Perhaps the experience was one for which the rest were not fitted. Yet Peter, James and John would not seem to have been particularly prepared for the experience, for we are told that during it their eyes were heavy with sleep.

Perhaps the vision which the story records came to them in the form of a dream on the mountaintop. But it was real and unforgettable. Christ appeared in a glorified form with Moses and Elias.

The apostles were astounded. They didn't know what to say. But Peter, always ready to say something in his impulsiveness, burst out with, "Master, it is good for us to be here; and let us make three tabernacles."

Just then a cloud overshadowed them and a voice was heard, saying, "This is My beloved Son in whom I am well pleased. Hear him."

With the voice, the vision disappeared, and Christ was standing alone. Deeply impressed and holding their peace, the apostles came down with Him from the mountaintop and returned to the sufferings and needs of the people.

There is the story of a demented child and of the healing that Christ brought to him and comfort to his distressed parents. "And they were all astonished at the majesty of God."

We cannot have such an experience unless we go to the mountain with the Master. And such experiences are worthless unless they bring us back, as Christ and the three apostles, to daily duty and service.

Westbrook School Board Election Set for April 5

By MRS. ALFIS CLEMMER
Record Correspondent

WESTBROOK — April 5 has been set as the date for the 1958 Westbrook school board election.

Candidates for two posts on the board are Leon Ashford and H. H. Salley. Floyd Langley, whose term expires along with Ashford, will not seek re-election.

Salley, a resident of the Spade community, is a former member of the Westbrook board.

M. A. Webb has been named election judge for the April 5 voting. The election will be held at the school building, according to Superintendent S. A. Walker.

Other members of the board, not up for re-election, are W. A. Swafford, president; Sam Oden, vice-president; Troy Lankford, secretary-treasurer; Rex McKenney and Louis Rees.

Approximately 100 persons attended a workers conference Tuesday night at the Westbrook Baptist Church. Attending were members of churches in the Mitchell-Scurry Baptist Association.

Supper was served at 6 p.m. by the host church.

'57 Safeway Earnings Hit All-Time High

Confirming preliminary reports, 1957 was an all-time record year for Safeway Stores according to the company's annual report and audit released Thursday.

Last year's sales, stockholder profits, employee compensation and taxes were the highest in Safeway's history.

Consolidated 1957 sales totaled \$2,117,314,394, an increase of 6.4% over 1956, the highest previous year. Profit, before income taxes, was \$65,017,646, as compared to \$53,361,450 in 1956.

Net profit, after all income taxes, represented 1.46 cents out of each sales dollar and amounted to \$30,906,876, as compared to \$23,406,310 in 1956.

Employees received \$239,774,602 in direct salaries and wages, up 6.2% over 1956. All 1957 taxes totaled \$54,740,536 of which \$34,110,770 were income taxes — compared res-

pectively to \$47,346,294 and \$27,955,140 in 1956. At the end of the year there were 2,033 retail stores in operation as compared to 1,981 at the end of 1956. Continuation of Safeway's expanded building program will open a minimum of 150 new stores during 1958, most of which will replace older facilities.

From Abilene Mr. and Mrs. Frank Richards of Abilene visited in the home of Mr. and Mrs. Charlie Hamilton at Loraine Wednesday and Thursday.

Three Student Entries Win Soil Essay Contest Awards

Three Mitchell County students have been named as winners in an essay contest on soil conservation sponsored by the Mitchell County Soil Conservation District.

The three, Gary Wayne Parnell of Loraine, Sarah Pratt of Loraine and Charles Rees of Westbrook, were presented award plaques as winners of the county contest.

According to A. V. Shepard, of the local Soil Conservation Service office, approximately 50 students entered the contest.

The three top entries were picked by a panel of impartial judges and were chosen without students' names.

Complete text of the three award-winning essays is given below.

The American farmers have done much toward perfecting farming. American farmers have replaced the old wooden plow with new improved tractors. Where cotton used to be picked by hand, it is now being striped by huge cotton strippers.

Today the farmers not only are thinking of making profit from their land, they are also concerned with what the condition of their land will be when the crop is harvested.

A farmer may be called the luckiest person in this world today if he is a good steward of the land.

There is no better way for a man to make his contribution to society than by being a good steward of the land.

By SARAH PRATT, Loraine High School. We, the younger generation, are stewards of the soil. It is the younger generation's duty to learn the ways to conserve the soil.

Ever since Adam and Eve disobeyed God, people have been farmers or depended upon farming in one way or another for their livelihood.

When we see someone abusing the soil, we should immediately explain to the people about soil conservation.

The farmers of today should cultivate their land in a conservative way. The farmer should learn all the new ways in which to conserve the soil.

Our lives of the future depend on soil conservation. We the younger generation should begin now to prepare ourselves for the future.

By CHARLES REES, Westbrook High School. America has world leadership mostly because of the soil and what it produces.

There are areas of our land that have been cultivated for several hundred years because of good management of the land.

Good farm management consists of organizing and operating all the land on the farm to yield the maximum continuous profit.

Good crop rotation is an important step in land management. It helps to maintain and increase soil productivity.

Also visiting in the Narrell home were their son and family, Mr. and Mrs. Don Narrell and daughter, Dian, of Abilene.

Atmosphere surrounding the earth is about 21 per cent oxygen, 79 per cent nitrogen.

DYNAMITE A-BOMB TRIGGER BLASTS HOUSE—A B-47 bomber accidentally dropped an atomic bomb in the back yard of Walter Gregg's house in Florence, S. C.

Should be stopped as soon as possible because all the topsoil could soon be washed away.

No better ways to control erosion have been devised than those found under natural conditions. Woods offer one of the best controls when they are protected from grazing by livestock and from fire.

City Election Date Changed at Loraine

Elections for Loraine, which were to be held Tuesday have been postponed until April 5, according to Homer Hart, city secretary.

Two councilmen will be elected by voters. Candidates are Woodrow Pratt, an incumbent, and Howard Tartt, Herbert Mease, vice president of First State Bank at Loraine and the other incumbent, is not seeking re-election.

April 3 has been set as the new deadline for filing in the city election, Hart said.

The Companion Sunday School Class of the First Baptist Church met Thursday afternoon at the home of Mrs. S. H. Hart for a monthly

worship and business session. Co-hostesses with Mrs. Hart were Mrs. L. E. Crutcher and Mrs. A. C. Taylor.

Mrs. O. C. Lucas presented the devotional to open the worship period and Mrs. John Johnson led in prayer.

Mrs. Johnson, class president, conducted the business session, during which Mr. W. H. Long was appointed as chairman to head a committee for class goal during April.

The class voted to care for three shut-ins during the month of April and a box was packed by the class for the Roundrock Orphanage.

Nine members attended. Visit Dallas. Mr. and Mrs. Pete Ellis of Westbrook visited in Dallas last week end.

Banquet Honors Loraine Cagers

By MRS. C. C. HAMILTON, Record Correspondent

LORAINÉ—Men from the First Baptist Church and First Methodist Church here sponsored a banquet Monday night honoring members of the Loraine High School boys' and girls' basketball teams.

The special dinner, prepared by school lunchroom personnel and served by high school girls, was held in the school cafeteria at 7:30 p.m.

Three trophies were presented to the school by Bob Tremaine, boys basketball coach. They were accepted for the school by Plez Beatty, chairman of the board of trustees.

Tremaine also presented patches to members of the boys team and their managers.

Invocation was by Rev. Bobby Rine, pastor of First Baptist Church.

Following the dinner, Tremaine made a short talk and the presentations.

Vance Dickenson, girls basketball coach, announced the team captains, Carolyn Bauman and Marger Moore, who presented him with a gift from the team.

Boys team members Billy Stribling and Jerry Robertson presented gifts from the team to Tremaine and Coach Claude Morrison.

Guest speaker was Olaf of typoid fever in 1861.

South superintendent of Sweetwater schools. He was introduced by Beatty. Rev. Allen Adams closed the program with prayer.

Loraine Future Homemakers of America observed National FHA Week this week with several special activities.

They attended services in a group Sunday at First Baptist Church. Monday, the group wore the official colors of the organization and Tuesday they cleaned the Loraine school grounds.

FHA week will end Saturday with a "Hobo Day" sponsored by the Loraine chapter.

Proceeds from work during the week will be used to send delegates to the state FHA meeting in San Antonio April 19.

The Mae Taylor Circle of First Baptist Church met Monday afternoon in the home of Mrs. Dottie Marshall for a mission study and business session.

Mrs. O. C. Lucas presented the lesson, following an opening prayer by Mrs. H. L. Leach.

Devotional and closing prayer were by Mrs. W. D. Green.

Plymouth carries more... does more... provides more family fun than any other wagon in the low-price 3 because it's BIGGEST IN THE LOW-PRICE 3. You can't buy bigger at any price!

Maybe you're a station wagon family right now. More Americans are each day! But do you know all the really astonishing facts about the Plymouth wagon... how much more it gives you than other wagons, at a low budget price?

Size alone is only part of it! The Plymouth wagon is big as wagons in the high-price field that cost \$5500 and more... but, in addition to extra size, this glamorous beauty offers a wagonload of other features that are exclusively Plymouth in the low-price 3!

You simply can't get 'em anywhere else in the field. And once you try them... learn how little the years-ahead Plymouth wagon costs... you'll never settle for less! Why should you? Your Plymouth dealer has the money-saving story, and he's waiting for your visit.

5 big reasons why your wagon should be a Plymouth:

- 1 BIGGEST OF THE LOW-PRICE THREE: Big as wagons costing thousands of dollars more. You can't buy bigger at any price! 122" wheelbase.
2 HOLDS SO MUCH MORE THAN THE "OTHER TWO": Over 7 cu. ft. more passenger and cargo space. Extra "secret luggage" compartment in 6-passenger models.
3 REAR-FACING 3rd SEAT: Folds flush into the floor; you don't have to store it outside when it's not in use. Easy to enter.
4 DISAPPEARING REAR WINDOW: Rolls down into tailgate. Doesn't get in the way. Only Plymouth has it in the low-price field.
5 TORSION-AIRE RIDE—AT NO EXTRA COST: Only on Plymouth in the low-price 3. Big-car luxury, No sideway on turns or nose-dive on stops.

LONE STAR GAS COMPANY

Heavier Rig Succeeds With Bass Where Light Line Fails

By VERN SANFORD

Everyone who fishes for bass hopes some day to land a grandpappy. Not that they are any better eating... It is just the pride in catching one bigger than you've ever taken before.

Well, if you've tried everything else, here is a suggestion that may be worth something. It has paid off. Whether it does for you may depend on luck as well as ability.

Some call it jigging. Actually it is just plain horsing. You might call it bottom fishing with a heavy rig. But it does, occasionally, pay off with a big bass.

Naturally you must have

good bass water. Always in bassy water there is an area that looks good, but is unworkable with light lines. You can do it, however, with a heavy rig.

The best spot is at the base of big tree trunks that stick out of water or where there is considerable brush under the water. Rig up your light salt water tackle, or use a good stiff-action rod with a heavy reel loaded with from 20 to 30 pound test line.

The bait doesn't make too much difference, if it is something that will attract the bass. Right now some of the fishermen are using those black plastic worms or black eels. They have a good heavy sinker on the terminal that will take the bait to the bottom. After it has had a chance to settle down, work it only slightly and not too often. Just an occasional movement up and down. The chances are a big bass already has spotted it. He's not likely to be in a hurry to attack. You may spend a half-hour there, but don't take the lure out. Finally the old bruiser can't stand it any longer and he rushes it.

Set your hook and start up all with the same motion. Don't give him a chance to wrap the line around a limb or crawl under a fence. More depends upon your retrieve than most anything else. That's the reason you need a good heavy line, one with which you can hoist him out.

When you are fishing for the big ones it is man against fish. If you land the fish you are the best. After you get him on the stringer find a new location and start all over again.

Will it work? Try it yourself.

There is another way you can use the same rig, except for the lure. This time use a deep running, large plug. You might even want a trailing jig. Troll it fast through good bass water, and deep. That's why you'll need the heavy equipment, so you can pull it deep.

This is being done every day on Texoma with wonderful results. You may not do it the first time, but the idea

is worth a little practice. Again, will it work? Again, try it.

Hawaiian Lures

Twenty-five years ago a fisherman in Ohio by the name of Fred Arbogast was testing out lures to see what effect they would have on catching fish. There was some thing about a Hawaiian skirt that intrigued him, so he made a skirt for an original lure and called it the Hawaiian Wiggler.

It didn't take long for this lure to catch on. Every man wanted one in his tackle box because it was a bass killer. Since that time Fred has gone on to his reward, but his Hawaiian-Wiggler lives on. More than 14 million of them have been sold.

This year a number of silver Wigglers have been made up for presentation to a few long-time users. I am proud to have one.

Gar Fishing

It won't be too long until gar fishing will be coming along again. Over near Madisonville they are catching some of these big tackle busters already. Recently two were taken in Blue Lake on the east side of the Trinity, about 25 miles northeast of Madisonville.

One of them weighed 118 pounds and the other 74, with more than a score of smaller ones.

The gars were taken in gill nets. However, they can be taken on rod and reel and there is plenty of fight in doing it.

Ice Fishing

We don't have ice fishing in this part of the country, but occasionally we do have some real chilly weather. Fishermen on Lake Texoma have found a way to help overcome some of the chill. They are using charcoal heaters in their boats.

Other use gasoline stoves for the same results.

While we believe in comfort, we hesitate to recommend a stove for a small boat. It's taking a lot of chance, especially in a boat where there is a gasoline tank or extra can of fuel.

Rocking of the boat, a gust of wind or even excitement while boating a fish could cause a terrible tragedy. If you've never seen a boat on fire in the middle of the lake, with its passengers struggling in the water, we can tell you it's not a pleasant sight.

Speaking of cold weather. Early morning fishing is chilly even in late Spring. If you want the big economy size of warmth — take along a Jonee, Jumbo-size warmer. It's a new self-starting, lighter-fluid type of hand-warmer, only it's giant size.

A Laddin Laboratories of Minneapolis has just produced this big one, patterned after their famous lighter size hand-warmer. It has easy starting, no-flame heater, and also serves as a handy, cigarette lighter. I'm told they also have a belt that you wear close to the body for real cold days. "Resembles an old-time money belt and has two pockets in the back for inserting the warmers."

A Natural "Lifelike and true to nature" is how Burke's Flexo-Products Co. refers to their new Flexo-Lures. Plastic lures seem to be growing in popularity, and this Traverse City (Mich.) manufacturer is making artificial bait that is as realistic as can be.

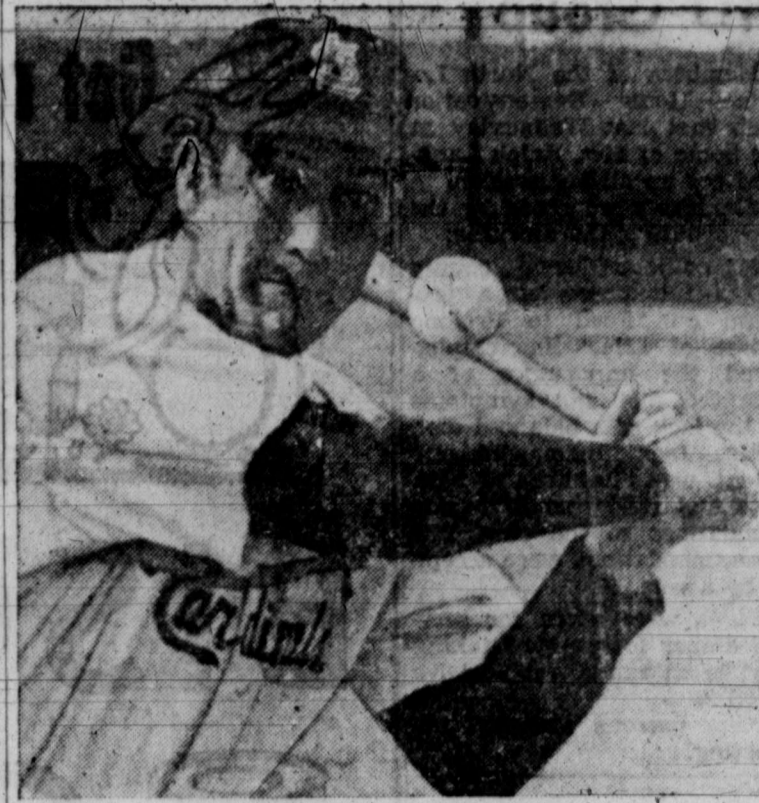

They now produce everything from artificial red ants, to floating frogs and the most "natural" eels. Especially "tempting" is their Flex-Minnow for spinning, trolling or casting. Sure hard to tell 'em from the real McCoy.

Got a fisherman friend to whom you'd like to present an inexpensive little gift? Here's something he'd appreciate. It's only a \$2 item but it's quite a little gadget.

We're talking about the fisherman's DE-LIAR. It's a combination scale for weighing (up to 8-pounds) and a 24-inch retractable steel tape for measuring length. Right clever, little all-metal gauge that's no bigger than a cigarette lighter. It's made by the Langley Corporation of San Diego Calif. They have sold 3,000,000 of them the past 10 years.

OPENING WITH A BANG—Spring training is a time when rookies try their hardest to make the big leagues and even old pro Freddie Hutchinson shows the determination of a youngster. The St. Louis Cardinals' manager was batting out fly balls for outfield prospects.

Legion Show Raises Funds for Ball Park

LORAINÉ—Approximately \$75 in funds designated for a lighted Little League baseball field in Loraine was taken in Friday at a musical show sponsored by American Legion Post 555.

The show featured Ben Hall and the Circle Four Ramblers of KEDY-TV in Big Spring.

Loraine Legionnaires are working with the local Lions Club and the city council to provide a playing field for Loraine youngsters.

Bill Bowles, commander of the Loraine Legion post said that the organization wanted to contribute something of a lasting nature to the community.

The Legion feels that a lighted baseball field is something that the people of the community should be interested in, Bowles said.

Present were Mrs. J. D. McDonald, Mrs. Cora Hall, Mrs. Troy Jones, Mrs. Frank Johnson, Mrs. Lily Bennett, Mrs. Pauline Smiley, Mrs. Fay McCollum, Mrs. Josephine Marshall, Mrs. J. W. Fairbairn, Mrs. Maylon Compton and Miss Elizabeth McDonald.

Mrs. Alfred Richey was hostess for a meeting of the 1950 Club in her home Thursday night, entertaining with three tables of canasta.

Mitchell Ministers At Big Spring Meet

Rev. P. D. Sullivan of Colorado City and Rev. Bobby Rice of Loraine represented Mitchell County at a special meeting of Baptist workers in Big Spring Wednesday.

Groundwork for observance of a special missions week next November was laid by the group.

Alberta, a province in Canada, was named in honor of one of Queen Victoria's daughters.

The Willie Mae Kennedy Circle of the First Baptist Church met Monday afternoon at the home of Mrs. Lester Webb for a mission study and business session.

Devotional was presented by Mrs. Dexter Taylor. Mrs. W. M. Teeters, assistant circle chairman, conducted the business session.

Study of the book, "The Guide for Community Missions," was completed by Mrs. D. V. Marcum.

HOOP-DE-DO—A three-ring circus is nothing compared to the show that Navaho Indian brave Eddie Yozzie puts on at Salem, Ore. The tricky gyrations with hoops are part of his tribe's devil dance. Eddie traveled from his native Arizona to display it at the annual festivities put on by the Chemawa Indian School.

This is the age of specialists. A wise person is one who realizes it is impossible to know everything. He gets the advice of experts to help when sickness attacks.

First call on your physician to find out what is wrong and what to do about it.

Next, depend on a pharmacist to supply you with the medicines and health-aids you need.

We physicians and pharmacists have studied many years to gain the knowledge necessary to help you most.

Steakley Slated as Westbrook Speaker

WESTBROOK—Dr. H. Jene turned home after being at the bedside of her father at the home of Mrs. Ralph Lankford for several days.

Mr. and Mrs. Edison Taylor and daughter, Gay Nell, of Big Spring were guests in the home of Mr. and Mrs. C. E. Taylor Thursday night.

Mr. and Mrs. Perry Anderson of Odessa spent Sunday with Mr. and Mrs. A. G. Anderson.

Tip Gressett arrived in Big Spring Tuesday by plane from California where he has been hospitalized for the past several months.

He will be moved to the home of his brother and sister-in-law, Mr. and Mrs. Buss Gressett at Westbrook. He is still seriously ill.

Mrs. Roscoe Wilkerson of Westbrook is at the home of her brother H. W. Hardestie in Colorado City recuperating from a heart ailment. She was hospitalized for three and one-half weeks.

Mr. and Mrs. Jack Roberts of New Mexico were guests of his brother and sister-in-law, Mr. and Mrs. Hoyt Roberts, last week.

Sgt. Donald Taylor, son of Mr. and Mrs. C. E. Taylor of Westbrook, has returned to the United States after spending two months in Africa and six weeks in Spain.

Taylor is stationed at Homestead Air Force Base in Florida.

Mrs. S. M. McElhatten was in Lubbock this week visiting her daughter and son-in-law, Mr. and Mrs. Collin Dummam.

Ray and Faye Conaway were honored last Wednesday night by their parents, Mr. and Mrs. Orho Conaway, with a party on their 14th birthday.

Present were Glenda Jo Rees, Rebecca, Don and Bill Bird, Ethel Buchanan, Dale Byrd, Richard Clemmer, Gerald Phillips, June Ritchey, Doris Sweet, Karen Walter, Robert Rees, Laverne Sullivan, Sue Betty and Linda Blackney and Mrs. Ed Blackney.

Games were played and refreshments were served.

HD Group

Members of the North Lorraine Home Demonstration Club met last Wednesday at the home of Mrs. Ralph Lankford for an all-day session.

Planters were made by the group during the morning.

Miss Elinor Harvey, county HD agent, presented a program on "Food to Prolong Prime of Life." She emphasized the importance of a balanced diet and symptoms of the lack of a balanced diet.

Mrs. Jack Linam, club president, was in charge of business and read council recommendations to the club. The recommendations were accepted by a vote.

Plans were made for serving dinner for persons taking part in an annual rabbit drive April 2.

Nine persons attended the meeting.

C-City Visitors

Mr. and Mrs. C. E. Welch of Colorado City visited at Lorraine Monday with Welch's sister and brother-in-law, Mr. and Mrs. Hal Bennett. Spending the week at Lorraine with Mr. and Mrs. Bennett is Mrs. Bennett's mother, Mrs. Stella Welch of Colorado City.

City Native Dies

Miss Louise Vincent, 55, a native of Colorado City and daughter of a pioneer Howland County sheep rancher, died Thursday at her home in Los Angeles, Calif.

She had been ill for three months.

Her family left Colorado City in 1914.

In medieval times the age of consent for a girl was 12. There are 80 small islands in the Aleutian chain.

THE FORM'S THE THING—If you wish to know the correct way to club a man, study this picture. Note the policeman's excellent form as his subject sags in Bogota, Columbia. Occasion for the demonstration of skill was a riot started when supporters of one presidential candidate started slugging it out with an opposition group.
