Dan Henard Jr. Named Chairman Of SCD Board

Re-organization of the Board of supervisor of Salt Fork Soil Conservation District was held recently, with Dan Henard, Jr., taking office as chairman.

Pat Bradley was elected vice-chairman; John Brim secretary; and Earl Patterson, and Otis Emmert, members.

Mr. Emmert was re-elected a supervisor for a 5-year term from the Quail Zone in early October. He was the out-going chairman.

Following the re-organization, Mr. Henard reported on meetings of the Panhandle Regional Planning Commission, and the North Rolling Plains Resource Conservation and Development. He represents the Salt Fork SCD on both bodies.

Museum Board Leases Building For New Office

The Collingsworth County Museum has acquired new temporary headquarters through an arrangement with the City of Wellington.

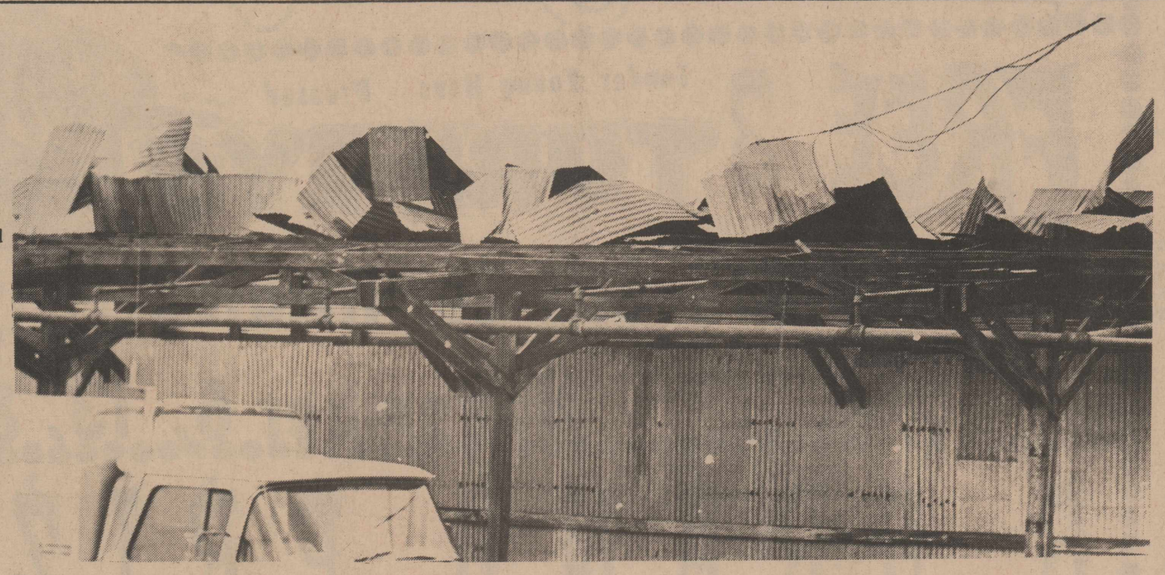

The Museum board has leased for $1.00 per year, the small glass and masonry building at the corner of West Avenue and 10th Street, owned by the City. Judge C.C. Bishop was the last occupant.

As director of the museum, the board has appointed Mrs. Clyde Drake to serve during the coming year.

Opening of the museum office will come as soon as the building is readied.

"The office will be a repository for historical photographs,

STORM DAMAGE

The sheet metal roof of this open-side warehouse at Traders Compress was torn completely off when the building was struck by a small twister Tuesday afternoon, Oct. 26. The full length of the 130-foot long structure was the same as the section pictured here. Sheet metal blown across the compress is shown on the north side, below, and one section of wall was pulled outward almost the width of the walkway.

Compress Damaged By Twister Tuesday

A small twister dropped down on the East side of Wellington about 2:00 p.m. Tuesday, October 26, completely unroofing a newly remodeled section of Traders Compress, but leaving undamaged a car in the warehouse and missing the office only a few feet away.

The funnel appeared to be traveling in the air from southwest to northeast but winds beneath it did minor damage at the Fred Cox home, 1703 Haskell Street and blew off large tree limbs at the J.L. Harper and Don Welch homes and Kelso Funeral Home.

Mrs. Bob Barton, office employee at Traders Compress, looked outside a door to the southwest as the funnel approached. It was then apparently behind the Jack Needham Body Shop, she said, debris was whirling around on the ground and it appeared like a huge whirlwind.

She believes the funnel may have dipped down as it reached the compress.

With her were her daughter and grandson Mrs. Billy Wilkerson and Bobby, who had stopped to tell Mrs. Barton that Wellington was under a tornado watch.

Remodeling the damaged section, 30 by 130 feet, was completed about two weeks ago, as a ware house with the west side open. Pieces of the sheet metal roofing were hurled across the top of the compress toward the northwest and did an undetermined amount of damage to the remainder of the roof, according to Joe Hooper, foreman.

Electrical wiring was burned out and a water pipe to the sprinkler system ruptured. The sprinkler itself came on and wet down the inside of the compress, but none of the cotton remaining in it was damaged, Mr. Hooper continued.

The first reported effect of the twister was at the Fred Cox home, 1703 Haskell, where one post to the back porch was blown out and two others moved. A heavy dog house was blown off the porch, Fred Cox reported. He was coming from the home of his mother-in-law, Mrs. Gilroy Rummel, next door, and reported a whistling sound from the storm for the approximately one minute that it lasted.

Four blocks to the north east, Hezze Jones, 1507 Dalhart, had lumber stacked for a car port, and this was scattered and some of it splintered. A large tree at the house belonging to Mrs. Donnie Huston, in the same blocks, had large limbs torn off and scattered on bicycles parked at Elementary School. Trees at the Don Welch home on West Avenue, and Kelso Funeral Home, 1300 East Avenue, were damaged and are in a direct line from the Cox home to the Compress. Jimmie Kelso said one tree limb approximately 10 inches in diameter was broken off.

Deputy Sheriff Alvin Minatrea said there was no warning of the approaching storm, but Sheriff John Rainey saw it first from a window in the county court room when dirt in its path began swirling up, and the two went on immediate alert.

Ray Scott, 71, Dies Suddenly Sunday Evening

Ray W. Scott died suddenly at 5:10 p.m. Saturday October 23, at his home at 1201 Belton Street, as he and Mrs. Scott were mowing the lawn.

Mr. Scott, who was 71, was a retired farmer and farm machinery company employee.

A native of Collingsworth County and a life-long resident here, Mr. Scott was born April 12, 1900, the son of the late Jim and Ida Reynolds Scott.

He farmed for many years south of Wellington, but he was known among farmers and ranchers throughout the southeast part of the Panhandle.

After moving into town, he worked for a number of years with Stevenson Implement Co., and when J.B. Stevenson retired from that business, Mr. Scott was associated with Gene Moat.

Mr. Scott was a Baptist.

He was married to Miss Eula Hobbs on August 5, 1922, in Wellington.

Funeral services were conducted at 2:00 p.m. Wednesday in Faith Baptist Church, with the Rev. Roy Collins,

Red Cross Fund Drive Quota Is Set at $1,763

The annual Red Cross finance drive is now under way and will continue through Saturday, November 6, Earl Hunter, Collingsworth County Chapter chairman, has announced.

The quota is $1,736.

Final plans were worked out in a committee meeting Thursday, October 21, when workers for both city and rural areas were appointed.

Trusten A. Thomas, Jr., chairman of the Red Cross Blood Program, reminded people of the urgent need to keep the Red Cross Blood Bank affiliation for St. Joseph's Hospital, as it is the only means by which blood for transfusions can be secured in the quantity that is necessary.

The annual blood bank fee of $333 will be paid out of the money collected during the current drive. The Red Cross Blood Program fee will be paid first.

The major local expense incurred by the Red Cross Chapter is for help to men in the armed forces. Red Cross is the go-between for the man or his family and his commanding officers should there be a need for emergency leave or in hardship cases.

Of the remaining money collected, the county chapter will keep 50 per cent and the other will be sent to the National Red Cross. It is this money from all the chapters, with which Red Cross finances its many programs, such as help to disaster victims.

The drive is headed this year by 5 co-chairmen: Mrs. Ernest Harwell, Mrs. Charles Darter, Mrs. Edward Aguilar, Mrs. Adam Sosa and Mrs. Alonzo Price. Workers and the area assigned to them include:

WELLINGTON

East Avenue: Mrs. Jimmie Kelso and Mrs. Harwell.

Arlington, Belton and Corsicana: Mrs. Eddie Saldana and Mrs. Sosa.

Dallas, Ft. Worth and Galveston: Mrs. Lloyd Wooldridge and Mrs. Kenyard Poteet.

West Avenue to the square: Mrs. Hiram Cudd and Mrs. Farris Wood.

Amarillo St.: Mrs. Marvin

"Our Chances Pretty Good"

Rockets-Seymour Meet Here Friday

Wellington Skyrockets will meet another strong opponent when Seymour comes here Friday night, October 29.

"Seymour probably has one of the best quarterbacks in the district in Kenny Shipman, and they also have two fine tackles, Ricky Goss, 195 pounds, and Phillip White, 175 pounds, said Coach Jim Forrester.

"We expect them to be about the same calibre team as Electra, maybe a little better, so we feel our chances with them are pretty good."

Seymour defeated Electra 13 to 6 in the first conference game. However, in the second conference tilt Friday, Childress shut out Seymour 13-0.

Earlier in the year, Seymour had won two non-conference games.

"We received some injuries in the Electra game that will hurt us real bad," Coach Forrester said this week. "The two who were injured were starters, Charlie Taylor and Defensive starter Dennis Powell."

Taylor appears to have a hairline fracture in his right ankle, while Powell received a back injury, according to the Coach, and was hospitalized a couple of days.

"There is a possibility they will see limited action, but it is a remote possibility," Coach Forrester continued.

Also in District 2-AA play Friday night, Shamrock blanked Quanah 7-0.

Faith Baptist Revival Slated November 4 to 7

Revival services will open at Faith Baptist Church Thursday, November 4, and continue through Sunday, November 7.

The Rev. E.E. Pitts of Estelline will be the evangelist and Tom Wilkins, a member of First Baptist Church, will lead the singing.

Services will be at 7:30 p.m.

Faith Baptist Church, which at present is without a pastor, is located at 100 East Avenue.

Bob Stephenson, Farmer, Grain Dealer, Dies

R.C. (Bob) Stephenson, 75, of 1101 El Paso Street, died in Hall County Hospital at 8:15 p.m. Saturday night, October 22. His passing followed a long period of ill health, although he was hospitalized only a few hours.

Mr. Stephenson farmed south of Wellington for many years after coming here in 1923. He later operated a grain business in Wellington before retiring.

Born May 11, 1896, at Sunset, Montague County, he was the son of T.B. and Lou Henderson Stephenson.

He was married to Miss Ella Bridgewater November 25, 1915, in Wichita Falls, and they lived at Bowie before coming here.

Mr. Stephenson was a member of the Church of Christ.

Funeral services were conducted at 2:30 p.m. Tuesday, October 26, in the Church of Christ, with Minister Gaylord Cook officiating. Burial was in North Fairview Cemetery under the direction of Kelso Funeral Home.

Pall Bearers were Robert Posey, Gilroy Rummel, Grady Fenley, Carroll Reynolds, Shelton Nunnelley and Jack Neeley.

Surviving Mr. Stephenson are his wife; a sister, Mrs. Eldon Loveall of Bowie, and four nieces.

Gospel Singers from 14 Counties Here Oct. 30-31

Gospel singers -- possibly as many as 500 -- will gather in Wellington Saturday night and Sunday, October 30 and 31, for the 14-County Singing Convention. It is the first time the group has met here in a number of years.

All sessions will be in Bura Handley Community Center, with Tom Wilkins, president of the Collingsworth County Gospel Singers, heading the arrangements. Members of the county group are assisting.

The opening session will be at 7:00 p.m. Saturday. Sunday morning, the singing will get under way at 10:00 a.m. and continue until noon and the afternoon session will be from 1:00 to 4:00 p.m., Mr. Wilkins said.

Some of the best known gospel quartets of the Panhandle and North Texas will be here, coming from Lubbock, Amarillo, Ft. Worth and Plainview, Mr. Wilkins said. Besides these special numbers, there will be plenty of good congregational singing for everyone who likes gospel music, he assured. Leaders will be veteran gospel singers from over the territory.

To take care of the crowds that will attend, Mr. Wilkins said that risers will be placed in the north end of the community building auditorium to serve as a stage, giving a clear view of the Quartets and song leaders through to the south side of the club room, as well as to those in the balcony.

The 14-County Singing covers an area from Amarillo and Borger southward to Plainview, and eastward to Quanah and Paducah. Singings are held on the week end of each Fifth Sunday, about four times a year.

President of the 14-County Singers is Earl West of Tulia, while Clifford Trolinder of Childress is vice-president and Mrs. Clarence O. Killingsworth of Wheeler is secretary.

Mrs. C.M. Aaron, famous for her food throughout this area, will cater the dinner from 12:00 noon to 1:00 p.m. This will be served at noon at the community building for a nominal charge.

"We urge Wellington people to come from church to the community building, eat dinner and remain through the afternoon singing," Mr. Wilkins said.

"And we extend a cordial invitation to everyone who likes this heartwarming gospel singing to attend any or all of the sessions."

Standard Time Returns Sunday

County residents will turn their clocks back an hour on Sunday, October 31, the official date for the return to Central Standard Time.

The easiest way to accomplish this, it is pointed out, is to set your clock back an hour when you go to bed Saturday night. For example, if you go to bed at 11:00 p.m. Saturday, set your clock back to 10:00 p.m.

You'll wake up Sunday morning where you feel you should have been for some weeks now.

Or you can remember this now-popular seasonal saying:

"Spring forward; Fall back."

Officials at State Meeting

Three couples represented the county at the annual meeting of the Texas County Judges and Commissioners Association, held in San Antonio October 20 through 22.

They included County Judge and Mrs. Zook Thomas; Mr. and Mrs. Melvin Seale of Precinct 2 and Mr. and Mrs. W.R. Breeding of Precinct 4.

PTO Halloween Carnival Slated on Saturday Night

Tiny goblins and ghosts, shepherded by their grownups, will gather at the Elementary School Saturday evening, October 30, for the annual PTO Halloween Carnival.

The entertainment, which will feature fun for all ages, will begin at 7:00 p.m. and last to 10.

This is the only money raising event of the Wellington Parent-Teacher Organization during the year, and all proceeds are spent for needed elementary school improvements, Mrs. Bill Hall, general chairman, explained.

As an added attraction, Tuggie, an Amarillo children's television personality, will be present during the first hour to visit with the children.

A number of events will center in the cafetorium. These will include table games and food booths, under the direction of PTO members.

Each room of the school will be the site of a traditional Halloween event. These, and the teacher in whose room it will be located include:

Fish pond, Mrs. Sam Thompson; ring toss, Mrs. Vernon Peters; dart board, Mrs. Walter Camp; sponge toss: Mrs. Dan Henard; bean bag, Mrs. Gus Barton; table games, Mrs. R.B. Tucker; and the cake walk, which also will be in the cafetorium, Mrs. J.I. Morgan and Mrs. A.A. McQueary; and the spook house, Mrs. Charles Floyd.

Room mothers will assist each teacher, and prizes will go to the winners.

The food booths will be one of the major attractions, and the prices will be set so that everyone can have lots to eat along with the fun, Mrs. Hall pointed out.

There will be hot dogs, frito pies, coffee and home made candy and ice cream, and the cakes which will be given in the cake walk also will be home made.

PTO officers, who are assisting the general chairman in overall planning, include, Mrs. Ralph Owens, president; Mrs. Troy Gene Thomason, vice president; Mrs. Charles Floyd, secretary; Mrs. Bob Weatherly treasurer; Mrs. J.W. Cochran and Mrs. Denzil Lacy, hospitality chairmen; Mrs. John Wolf, publicity chairman and Mrs. Hall, finance chairman.

Skyrocket B Meet Bobcats October 28

The Skyrocket B team will travel to Childress Thursday, October 28, to meet one of their strongest opponents this season, the Bobcat B team.

Game time is 7:00 p.m.

"They have lost only one this year and that was to Quanah, whom we then defeated 18-6. We feel we may have a good chance of upsetting Childress.

"Our game was the second one in two years that Quanah has lost, and we were fortunate to beat them."

The Childress game will be the last that the Wellington B plays away from home this year. The remaining two games will be with Shamrock and Memphis.

Van Pelt Named 1972 Spelling Bee Director

Don Van Pelt, 1706 Ellison St., Wellington, has been named to direct the activities for the 1972 Spelling Bee program for Collingsworth County.

April 8, 1972 is the latest deadline for the event to be held in the county, and the winner named will be a participant in the 24th Regional event in Amarillo on April 29, 1972. The youngster who catapults to the top regional spot in Amarillo on April 29, 1972 will be the lucky recipient of an all-expense trip to Washington D.C., June 5-9, 1972, for himself and a parent. In the nation's capital he'll compete for the 44th national title with other area winners from throughout the United States to Guam. The week's stay in Washington will be highlighted by various tours throughout the nation's most famous city.

Any boy or girl who has not reached his 16th birthday or passed beyond the eighth grade by June 1, 1972, is eligible to enter.

The 1972 Golden Spread Bee will be co-sponsored by West Texas State University and the Amarillo Globe-News. L.J. (Jack) Edmondson, director of public services at the university, will be bee coordinator for the Golden Spread contest. This year's regional spelldown is the 24th annual contest sponsored by the newspaper and WTSU, and 46 counties in the Texas Panhandle, Oklahoma, Kansas, and New Mexico comprise the Golden Spread area.

In 1971, Diana Wilson (daughter) of Mr. and Mrs. Jeff Wilson of Wellington represented Collingsworth County in Amarillo, She attended Wellington Junior High School, and was in the 7th grade.

A secondary contest -- the only one of its kind within the National Spelling Bee program sponsored by 59 leading daily and Sunday newspapers -- will be open to youngsters from the sixth and lower grades. These youngsters will be guests at the Amarillo Globe-News Spellers' luncheon on April 29, 1972, but WILL NOT spell unless they represent both divisions.

The Junior County Winner in 1971 was Billy Blair son of Mrs. Lucille Blair of Samnorwood.

At the Regional Bee, each county winner will receive a gold lapel pin and a plaque; each county junior champion will be awarded a trophy and silver pin. All contestants --- both divisions --- will receive entry ribbons and winner ribbons.

The 1972 "Words of Champions" -- (the practice booklet used by most schools -- is new in design, new in lettering, new in colors, and contains more than 600 word changes -- by far the most ever incorporated

Bank Offers College Booklet to Seniors

A 32-page booklet designed to answer the questions of high school students and their parents about college is being made available to the senior students of Collingsworth County schools as a community service of the Wellington State Bank, it was announced this week by C.T. Hubbard, president of the bank.

This booklet titled "What About College?" is divided into two sections - the first for students and the second for parents. It tells students why a college education should be their goal and how this can be accomplished. The basic questions of students - where to get information, when to take action, how to make decisions - are all answered in this new reference source.

The Special Section aimed at parents is entitled "Guide to College Costs." It gives accurate estimates of the cost of a college education and cites ways to save money. It details how to pay for college, how to apply for scholarships and grants-in-aid and how to obtain loans. It also explains the work-study programs offered by many colleges.

Mr. Hubbard said that "If the Wellington State Bank - through its sponsorship of this "What About College?" booklet - helps to influence a single student to enrich himself in higher learning, it will more than justify our sponsorship." Don Van Pelt, counselor for Wellington, Quail, and Samnorwood schools is in charge of the distribution of the "What About College?" booklets.

from one year to the next. There will be no change in the price of the study book -- only 20 cents -- and they will be available from: Jim W. Walker, Spelling Bee Editor, Amarillo Globe-News, P.O. Box 2091 79105.

The county director is in complete charge of his bee. The only stipulation made by the sponsors is the observance of dates indicated above. Contests may be verbally, written -- or a combination of both. However, the Regional Bee will be conducted verbally.

A list of prizes to be awarded the top 15 will be announced at a later date.

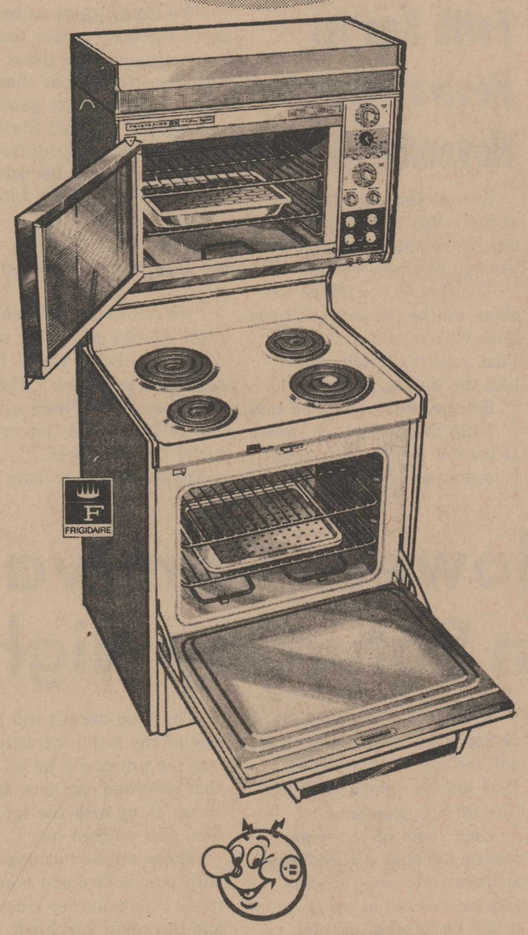

The National Spelling Bee, founded in 1925, has continued without interruption except for the World War years of 1943-44-45, and is administered by the Scripps-Howard Newspapers.

This County has had one district winner, Alta Jackson of Quail, now Mrs. Don Wheeler of El Paso, and the daughter of Mr. and Mrs. John Jackson of Wellington. She was the 1953 winner.

Junior High Splits Pair With Quanah

Wellington Junior High teams split a double-header with Quanah at Powell Field Thursday night, October 21. Wellington eighth grade was defeated 12-0 but the seventh grade turned the tables and shut out the Quanah seventh grade 24-0.

EIGHTH GRADE

Wellington received the first half kickoff but was unable to mount a sustained drive. At the last of the first period, however, Quanah drove downfield and scored on a line plunge. The extra point kick was blocked by Wellington's Edward Thomas, and that ended the scoring for the first half.

The second half was a standoff until the last minute of the game, Quanah threw a 30-yard touchdown pass. Again, the extra point try was no good.

"Quanah is the best team we have faced all year, and we held them to the lowest score they have been held to all year," said Coach Carroll Nunnelley. "They have been averaging 24 to 30 points per game, and they have one of the biggest and best teams I've ever seen in Junior High. Their head coach commented to me that it was one of the best 8th grade teams they've ever had coming up, it appears to him."

SEVENTH GRADE

The seventh grade, coached by Dick Hamilton, started its scoring run with a touchdown on a pass play from Shane Tarver to Joe Baumgardner that covered about 30 yards, near the first of the game.

Bobby Cantu ran the ball for two points after touchdown.

The second touchdown also came in the first quarter and was set up on a pass interception by Cliff Pennon. Jesse Runnels then made an end sweep for about 40 yards to carry the ball over. He then ran the ball over for the two extra points, making the score 16-0.

There was no more scoring until late in the fourth, when Bobby Cantu set up the touchdown on a long gain off tackle. On the next play, Runnels again ran off tackle for 40 yards and carried the ball over. Cantu ran the ball over for the two extra points.

"I'd like to brag on all of them," declared Coach Hamilton. "They all did a good job, linemen as well as backs."

Hughs Attends Ace Showing

Mr. and Mrs. Buster Hughs were in Dallas for the week end. He then flew to Atlanta, Ga., to attend an Ace Hardware showing.

Mrs. Hughs remained in Dallas for a visit with their children, Mr. and Mrs. Lewis Holliman and Mr. and Mrs. Mike Hughs.

Norwood Cubs Hold Carnival, Receive Awards

Samnorwood Cub Scouts held their pack carnival Saturday night, October 16, at the home of Mr. and Mrs. Leon Myers. Later Cub Scout awards were presented to the boys.

Games followed the carnival.

John A. Thomas, cubmaster, presented these awards: Lowry Schaub, showman, forrester, naturalist and engineer; Jody Knoll, showman; Charles Stages, bobcat; Dwayne L. Myers, two arrow points; Lynn Tate, one arrow point.

Fifty eight attended the family night event.

Five Couples at Aransas Pass

Five Wellington couples left late last week and during the week end for flounder fishing at Port Aransas.

All traveled with campers.

They included Mr. and Mrs. Les White, Mr. and Mrs. Ray Clubb, Mrs. and Mrs. R.T. Savage, Mr. and Mrs. Oran Starkey and Mr. and Mrs. Jack Nelson.

The Savages were the first to return, coming home early this week. The others are remaining for a longer period of fishing.

Eagles, Eaglettes Play at Home in Next Two Games

Samnorwood will host the Mobeetie basketball teams in a triple-header Friday evening, October 29, then follow this with an all-girls evening with Estelline Tuesday, Nov. 2. This will also be at home.

Friday will see a B Team boys game at 6:00 p.m., the Eaglette-Mobeetie girls at 7:00 and the Eagle-Mobeetie boys afterward.

The Estelline game will be the second meeting of these teams this season, as the Norwood Junior High girls won at Estelline in the season opener, but the Eaglettes lost.

This year's Eaglette team is made up of 5 juniors and 6 freshmen -- but no seniors or sophmores.

Players are Lyna Coleman, who is leading in scoring so far, Janice Snead, Rosa Oldham, Diane Barefoot, Ada Bryant, Robin Waters, Teresa Ray, Elaine Purkey, Judy Bell, Ethel Bryant, and Shirley Kirkland.

Coach Kenneth Martindale has an inexperienced Eagle team this year also. Johnny Christner and Feliciano Segura are three year lettermen and also have considerable playing experience, they have started only once or twice in their careers.

Eagle members are Johnny Christner, Segura, John Stages, Randy Garner, Kyle Janes, Joe Stice, Laron Breeding, Joel Rainey, Doug Coleman, Ben Segura, Byron Bell, Johnny Morgan, Mark Simpson and Kim Martindale.

Clyde Seymour Dies in Calif.

A former Collingsworth County man, Clyde Seymour, 65, died in Riverside, Calif., Tuesday, October 5. He moved from here to California 30 years ago, but returned every two years since then to visit relatives.

Mr. Seymour was born in Mitchell County November 21, 1906, the son of the late Mr. and Mrs. J.H. Seymour of Dodson. He was married to Miss Gertie Head of Dodson.

Brothers and sisters going from this area to the funeral were Mrs. Jack Pritchard of Shamrock, Mrs. Marie York of Wichita Falls, Mr. and Mrs. Milton Seymour and Mrs. Joe Birchfield, Jr.

Another brother, Claude Seymour of Vinson, was unable to attend, and the other brother, C.A. Seymour, lives in Corona, Calif.

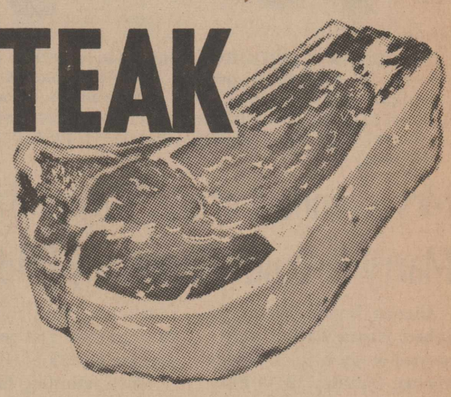

Mr. Seymour is also survived by his wife and a son, Keith, of Riverside.

Mrs. Birchfield remained a week after the others returned home, reaching here Wednesday, Oct. 20.

Mrs. Glenna Poteet, Wayne Barton Marry in Quiet Ceremony Friday

Glenna Taylor Poteet and Robert Wayne Barton were married at six o'clock Friday evening, October 22, in First Baptist Church. Only members of their families attended and the Rev. Roy Collins performed the ceremony.

The bride is the daughter of Mr. and Mrs. Glenn Taylor, while the bridegroom is the son of Morris Barton and the late Mrs. Barton.

Wedding music was presented by Mrs. Billy Wilkerson, vocalist, and Mrs. Truman Estes, organist.

Mrs. Barton wore a matching dress and coat of pink silk shantung. The high neckline of the dress was outlined in pearl flowers, and her accessories were pink. She carried a bouquet of pink and white roses on a white Bible.

The couple's attendants were her sister, Mrs. Neal Roberts of Weatherford, Oklahoma, and his brother, William Barton of Vernon.

After the ceremony, wedding guests were received in the church fellowship hall. The refreshment table was laid with a lace cloth and appointed in crystal. The center-piece was the bride's bouquet.

Since returning from a short wedding trip, the couple is at home at 901 El Paso St.

Both Mr. and Mrs. Barton are graduates of Wellington High School . She is presently employed by Wellington Credit Bureau and he by the Ft. Worth & Denver Railway.

1924 Study Club Presents Guest Trio at Family Finance Forum

A guest day Family Finance Forum on October 21 answered some of the needs expressed in the State of the Family seminar recently presented to the public by the 1924 Study Club members. Mrs. Benson Long was hostess at the Heritage Room.

The roundtable dialogue entitled "Dollars and Sense" had as resource persons Jack Sanford, insurance executive; Jack Neeley, bank officer, and John Duncan, an Amarillo insurance agent.

Mr. Duncan spoke on estate planning, wills and trusts, stocks, mutual funds, current values and benefits in annuities. Mr. Neeley related the procedures of personal banking and references to the existing and changing laws. Mr. Sanford told of insurance benefit of living and death, living income, retirement income. Of special interest were his suggestions on participating whole life policies for youth, mortgage cancellation and guarantee insurability rider.

In the question and answer session there was much participation. The final evaluation was "place your conficence in your professional men for advice and guidance."

Mrs. J.B. King was program leader and presided in the absence of the president and vice-president.

The Ethel Michael Circle of First United Methodist Church met in the home of Mrs. Robert Karnes Friday, October 15.

Mrs. Mayme Somerville, chairman, opened the meeting with a prayer, followed by a short business meeting.

Mrs. Cecil Masten gave the program on "New Machine and New Humanity".

Refreshments were served to Mrs. Raymond Dyess, Mrs. W.E. Brewster, Mrs. Earl Alexander, Mrs. Somerville, Mrs. J.B. King, Mrs. W.F. Vaughan, Mrs. Cecil Masten, Mrs. Beatrice West, Mrs. S.L. Lindsey, Mrs. Emma Jones, Mrs. John Henard and the hostess, Mrs. Karnes.

Excelsior Has Paul Kane Study

Mrs. Robert Barjenbruch was hostess to the Excelsior Club Thursday evening, October 21, at her home south of Wellington.

She was also leader for the art study, featuring Canadian painter Paul Kane. Mrs. Lowell Wells presided at the business session.

The club was reminded of the Ft. Worth showing of Kane's paintings, the first time they have been shown outside of Canada, and the first time in more than 100 years they have been exhibited at all.

Mrs. Barjenbruch told the group that although Kane is considered a Canadian painter, he was born in Mallow, County Cork Ireland, in 1810, and was brought to Canada when he was 8 or 9 years old. He began the study of drawing in Toronto soon afterward. His travels are reflected in his paintings, Mrs. Barjenbruch said. From 1836 to 1945, he traveled in America and Europe, then joined an expedition of Hudson's Bay Company through the Great Lakes. For two years, he journied across Canada. The more than 500 sketches were later to provide him with material for his paintings.

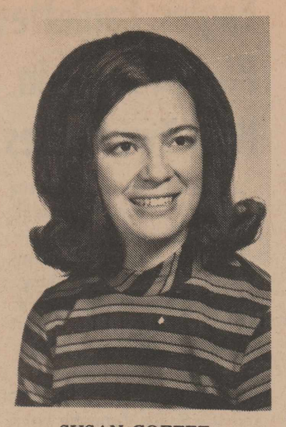

"Kane's work is important mainly as a unique historical and ethnological record of life in the 19th Century Canada," said Mrs. Barjenbruch.

"He is particularly well known for his paintings of Indians, such as the Indian Encampment on Lake Huron (1845) which hangs in the Art Gallery of Ontario in Toronto."

Refreshments were served to Mrs. E.F. Bartlett, Mrs. Wells, Miss Marie Shadid, Miss Hattie D. Wells, Miss Bonnie Willis, Miss Rose Shadid, Miss Dorothy Robertson, and the hostess, Mrs. Barjenbruch.

Mr. and Mrs. Bill Wauer and children, Susan, Mike, Donna, Patti, Kevin and Karen, of Lubbock visited with Mr. and Mrs. Paul Wauer and family during the week end.

Mrs. Eddie Riley and children, Doug and Kimberlie, of Boys Ranch visited her parents, Mr. and Mrs. Dudley Phipps

Dove Season Ends Saturday

Duck, Goose Season To Open November 3

One migratory game bird season will close Saturday, October 30, but others will open within the few days following.

Saturday is the last day of the mourning dove season in the North Zone, the Texas Parks and Wildlife Department reminds.

Other game bird seasons and information pertaining to them will be:

- Geese and brant: the season will open Wednesday, Nov. 3 and continue through January 16, with bag and possession limit 5, with these restrictions: Daily bag limit and possession limit not more than one Ross's goose and in the alternative, one white-fronted goose, or one white fronted goose and one Canada Goose, or two Canada Geese.

Sandhill cranes: Zone B, west of Vernon, Albany and Abilene, December 4 through January 30, with a daily bag limit of three and possession limit of 6.

Ducks, except certain Tree Ducks, but including Teal ducks: November 3 through January 11. The daily bag limit is two to 10 ducks in aggregate based on the following 100 plus point system.

100 point ducks: canvasback and Red-head; 90 point ducks: mallard hens, New Mexican, black, Wood and Hooded Merganser Ducks; 20 point ducks: mallard drakes, Mottled Ducks, Pintail Hens and Ring-necked Ducks; and 10 point ducks: all other species except Black-bellied Tree ducks and Fulvous Tree Ducks.

The daily bag limit is reached when the point value of any duck taken added to the total point value of all ducks already taken that day reaches or exceeds 100 points. The possession limit is the maximum number of ducks of sex and species that could be taken in two days.

Shooting hours are one-half hour before sunrise to sunset. One fully feathered wing must remain attached to dressed migratory game birds while being transported between the place taken and the home or commercial preservation facility of the hunter.

Skyrocket B Defeats Quanah B Team 18-6

The Wellington Skyrocket B team took a 18-6 victory over Quanah B on the Indian Field Thursday evening, October 21, in a game that showed both strong offensive and defensive play.

Wellington's first score came on an end sweep with Bobby Joe Shrubs going 50 yards for the touchdown, but the try for extra point failed.

In the second period, Quanah blocked a Wellington punt on the 10 yard line and scored from there about three plays later.

Richard Sanders blocked Quanah's attempted kick for point after touchdown, and the score was 6-6 at the half.

Shrubs scored again on an end sweep in the third quarter, this one for 70 yards. Again the Rockets failed to convert for extra points and the score was 12-6.

On the last play of the third period a pass play from fullback Bobby Joe Shrubs to halfback John Runnels accounted for Wellington's final score, with the combined pass and run amounting to 85 yards.

Quanah penetrated to the Wellington 5-yard-line in the fourth period, but the Rocket defense tightened and held the young Indians for four consecutive downs. Upon getting the ball, Wellington ran out the clock.

Wellington had only 13 men available for its full squad Thursday night, while Quanah fielded about 40, Coach Don Lacy said.

"Our boys played real well defensively, and blocked and ran the ball well offensively," he declared.

Players included Robert Wolf, at center, who filled in for Hubert Baker, who has moved to California with his family; Randy McKinney, Gary Cummings and Danny Fowler, guards; Sanders and Leslie Bailey, tackles; Kenneth Porter and Ken Maxwell, ends; Dickie Johnson and Jim Bob Nall, quarterbacks; Robin Maddox and John Runnels, half backs; and Shrubs, fullback.

Mrs. White in South Texas

Mrs. Anita White recently visited her son and family, Mr. and Mrs. Tim White and Angela in Bryan, Texas. She also visited Mr. and Mrs. Joe Barron. Mrs. Barron is a former Wellington resident, Verda Thompson.

In Tom Ball, she visited Dr. and Mrs. Curtis Thaxton and daughters. The Thaxtons are also former Wellington residents.

APPLES ON A STICK

Halloween is just around the corner so why not try these "Apples on a Stick" to give to the witches and goblins that come to your door.

APPLES ON A STICK
8 medium size red apples
8 wooden skewers or spoons
3 cups sugar
½ cup light corn syrup
½ cup water
1 drop oil of cinnamon
1 teaspoon red food coloring
Wash and dry apples; romove stems and insert skewers into stem ends. Combine sugar, corn syrup and water in deep heavy saucepan. Cook over medium heat, stiring constantly, until mixture boils. Then cook without stirring until temperature reaches 285 degrees F. (soft crack stage) or until a small amount of syrup dropped into very cold water separates in threads which are hard but not brittle. Remove from heat. Add flavoring and coloring; stir only enough to mix. Hold the apple by skewer and quickly twirl in syrup tilting pan to cover apple with syrup. Remove from syrup; allow excess to drip off, then twirl to spread syrup smoothly over apple. Place on lightly buttered baking sheet to cool. Store in a cool place. Makes 8.

DRYCLEANER PLASTIC BAGS

Hesitant about throwing those plastic drycleaning bage into the trash as soon as you get them?

If you have young children they are dangerous to have around the house.

Another problem with the bags has become evident since the wet look vinyls have become popular on the fashion scene. Any printing dye on the plastic bag can be transferred to any vinyl clothing it hangs next to in the closet. If it does rub off, it cannot be removed.

According to the specialist if you take off the plastic bag, your clothes hang more freely and breathe better even though they are exposed to dust and fumes.

Quail Boys Down Roaring Springs 68-33

The Quail Quails took a victory on their home court over an inexperienced Roaring Springs team 68-33 Tuesday, October 19.

Quail jumped to a 22-7 lead in the first quarter and by half time had widened it to 45-15. The Quails scored 15 points in the third period, while holding their opponents to 9, then coasted through the final period with play between the teams about even.

Laron Peters was high scoring player with 23 points for Quail, while David Cole scored 12 for Raoring Springs.

The Quails and Bobwhites will play another game Friday, October 29.

Group Hears The Carpenters

Mrs. Bill Lowe took six high school students to the concert of the Carpenters, given recently in Amarillo.

Going were Mike Peterson, Alton Belew, Gary Wright, Susan Lowe, Joy Jesse and Peggy Young.

Marine Recruit Office Moves

The United States Marine Corps recruiting office in Amarillo has moved. Their new offices are located in the Herring Plaza at 317 East Third Street in Amarillo. Office hours remain the same. They are open from eight until five, Monday through Friday and from eight until noon on Saturday.

Master Sergeant Don Hann and Staff Sergeant Jim Santiago are the Marines to see about guaranteed occupational specialties, aviation school programs, and short term enlistments - two and three years. If you can't come to Amarillo, call collect at 376-5151 extension 2151.

Former marines are also invited to come in, have a cup of coffee, shoot the bull, and look over the new quarters.

Electra Tigers Win Game by 2-0 Score

Penalties, fumbles and a slippery ball with assistance from a determined group of Electra Tigers held the Wellington Skyrockets scoreless as the Tigers made 2 points on a safety in a conference game here Friday, October 22. Those 2 points made in the second quarter did not seem particularly important at the time since the Rockets had been outplaying the Tigers; but they proved enough to win the conference game as the Tigers held on grimly.

Wellington started out auspiciously enough with Randall Hodges bringing the kickoff back from the 15 yard line to his own 44. Gonzales made a short gain on[the first attempt and Carter picked up a first down on a keeper and then the shape of things to come began to unfold. An off side penalty followed by a fumble back of the lines turned the ball over to the Tigers.

Electra was unable to make a first down on three tries and punted. Louis Gonzales brought the punt back to his 42 yard line. He hit the line for two yards and on a keeper that could have been a pass, Carter picked his way through a broken field to the Electra 43 and the Rockets second first down. A plunge into the line gained no yardage and an offside penalty left the series at second down and 15 yards to go. A 15 yard penalty put the Rockets back on their own 35 with thirty yards to go forcing a punt.

Electra was unable to make any yardage due mainly to two jarring tackles in a row by Bill Henard as the first quarter ended.

The Tiger punt went almost straight up and the Rockets had good field position on the Electra 34 yard line. Two tries at the line and an incompleted pass forced the Rockets to punt and it went out the end zone.

At this point Electra put together three first downs in a row and two of them were made with the assistance of 15 yard penalties against Wellington; but they were finally held and forced to punt.

The Rockets started another promising drive with Carter making 5 yards and Hodges going 6 for a first down. A neat pass to Hodges who caught it on the 49 yard line was called back on a 15 yard penalty. A fumble of the wet ball put the Rockets back near their own goal line. A bad pass from center was fallen on behind the goal line by the Tigers for a 2 point safety and the scoring of the evening ended as the half ended.

At the beginning of the second half Hodges made a good return of the short kickoff and worked the ball back to the 46 yard line but two fumbles in a row the last of which was recovered by Electra gave the Tigers the ball on Wellington's own 40 yard line. Again the Rockets held for three downs with Trinidad Cantu making a great single tackle stop of what could have been a long gain.

On the next series of plays Gary Wright and Jay Thomas made a first down on two carries. Gonzales and Thomas picked up nice yardage but a five yard penalty for delay of game forced them to punt at the end of the third quarter.

In the fourth quarter Wellington picked up two first downs for only 1 for Electra. The Rockets main drive was again halted by a penalty and slippery footing: but the Eagles were handicapped for the same reason and could not move the ball effectively. The feature of this quarter was a 60 yard booming punt that put the Rockets out of danger and gave Electra the ball on their own 30 yard line as the soggy game ended a dreary evening.

It was a hard fought game by both teams and both sides kept on putting out all their effort until the final whistle.

Wellington was penalized 115 yards and Electra was penalized 55. Each team made 8 first downs.

Rockettes to Attend Clinic On Basketball

PLAINVIEW, special -- Wayland Baptist College Hutcherson Flying Queens, internationally known and national championship women's basketball team, will move into action on Nov. 6 as they stage the Fourteenth Annual High School Basketball Clinic.

Registration begins on Nov. 6 at 9 a.m. in Hutcherson Physical Education Center on the Wayland Campus. Eight Plainview area high school teams will be matched in afternoon games.

Coach Don Lacy will take his A team Rockettes to the clinic. These girls have started basketball practice during their physical ed class.

Following the 9 o'clock registration session, Harley J. Redin, coach of the Flying Queens for some 16 years, will present basic basketball fundamentals throughout the morning. The Flying Queens will be on hand for demonstrations and performances during the day.

High school games slated for the afternoon and evening of the clinic include Claude against Robinson, Canyon against Hale Center, Spearman against New Home and Friona against Sanford-Fritch.

The Flying Queens, who have won the National AAU Championship during the last two seasons, also won the championship in 1961, 1959, and 1954 - 1957.

For the past three years since its inception, they have won the Amarillo National Invitation Tournament for collegiate women's basketball.

Quail Junior High Wins

Quail Junior High Basketball teams were victors in a doubleheader at Lela Thursday evening, October 21.

Quail girls won by one point, 21-20 in a game that saw the heaviest scoring in the first period. The lead changed hands frequently, and there was seldom more than one or two points separating the teams.

Tanja Alston led Quail's scoring with 13 points; Sharon Childers had two, Kathy Guthrie 6, and the other players were Karen Caldwell, Shirley Culpepper and Karen Gosnell.

Quail boys took their game by a topheavy score of 51-32.

Quail jumped to a 14-4 lead by the end of the first quarter and continued to widen the margin.

Quail's high point player was Gary Wischkaemper with 18, while Johnny Needham had 16; Danny Brown one; Charles Hall four; Lupe Sanchez and Tommy Caldwell 6 each, and James McCann was the other player.

Norwood Opens With Estelline And Quitaque

Samnorwood basketball teams opened their season against Estelline and Quitaque, playing the latter games as their home opener.

The Eaglettes and Junior High Girls traveled to Estelline Tuesday, Oct. 19, for the first game of the season.

Norwood Junior High won 19-9, with Cindy Coleman the individual high pointer, scoring 14 points.

Mary Jariett had 5 for Estelline.

Playing for Norwood were Patricia Segura, Aletha Ray, Mabeline Bryant, Ida Beth Stice, Eugenna Weldon, Jayne Ann Morgan, Molly Martinez, Debbie Roberts, Rebecca Graves, Vonnie Knoll, and Debbie Oldham.

The Eaglettes lost their game 29-23, although only one to three points separated the scoring during the first three quarters, In the final period, however, Estelline girls scored 11 points while holding Samnorwood to two.

Patty Welch led the scoring with 20 for Estelline and Lyna Coleman had 14 for Norwood.

SAMNORWOOD - QUITAQUE

Samnorwood opened at home against Quitaque but dropped both games. The girls lost 38-27 and the boys a close 57-53.

Scoring was close in the girls game to well into the third period, with a half time tie of 13-13. In the fourth, fouls cost Norwood two strong players. Quitaque could score only four points in that period and Norwood two.

Lyna Coleman led scoring with 21 points, while W. Ramsey had 15 for Quitaque.

The Eagles had trouble hitting the basket during the first half and trailed 30-15. Norwood outscored Quitaque during the third and fourth periods, and twice tied up the game, 43-43 and 45-45, but the Eagles could never pull ahead.

Alvin Ivory led the scoring with 28 for Quitaque, while Feliciano Segura had 20 for Norwood.

Wellington Will Be Filled By Happy Singing This Week

This week end Wellington will entertain several hundred gospel singers, coming for the two-day 14-County Singing Convention.

Hosting this crowd is a big undertaking for the newly re-organized Collingsworth County Gospel Singers, who merit our town's support.

Gospel singing is joyful, and this is the quality it brings to the relationship of the singer and his God. The fellowship of one of these singings is hardly to be matched in any other gathering.

Gospel singing is pure American, and it goes back far in our history. It is more popular, more widely recognized, and has achieved greater status today than at any time in the past.

In some areas, gospel singings attract thousands of singers. Right here, we in Wellington have something which we could help to build big.

Working on Welfare

In response to a recently enacted New York law, groups of able-bodies welfare recipients have begun to work cleaning up New York City public parks. They get carfare, and their pay is no greater than what they would be getting anyway.

According to a newspaper reporter's interviews, everyone is happy about the new undertaking. One member of the parks detail said, 'I like this work; it makes me feel a little better." Another said, "I wouldn't mind doing this kind of work on a permanent basis."

The chief administrator for New York parks, August Heckscher said: "It's working out very well. We'll take all the welfare people we can get." Estimates run as high as 50,000.

That substantial numbers on welfare are able to work has sometimes been questioned, but not very persuasively in time of high unemployment. Organized labor is never happy about the employment of people getting less than union scale, but sometimes its watchdogs can be persuaded that there is useful work that will not be done unless welfare people do it. — Chicago Tribune.

To Starvation

Science is just now discovering what every green thumber has known for centuries. Plants are not insensitive things they do react favorably to human kindness and care.

But pursuing that fact, those who are probing this fascinating subject have come up with some strange discoveries. Plants, like dairy cows, resent blood and thunder music. They appreciate, apparently, and thrive under the soothing impact of music as we knew it before the days of rock and roll.

Can it be that too many rock festivals would be a serious threat to all plant life? It seems, if the scientists are right, that this could be true. Too many festivals, apparently, would lead to wholesale starvation.

Wait Till He Turns the Page

STATE Capital NEWS By Bill Boykin

AUSTIN, Tex. -- Organized labor leaders of Texas have set as political priorities for 1972 the defeat of President Nixon and support of former U.S. Senator Ralph Yarborough for any office he seeks.

AFL-CIO State President Roy R. Evans announced the goals were adopted by his organization's executive board and the COPE administrative committee in a recent meeting here.

It is "quite possible," Evans said, the AFL-CIO will make no endorsements in next year's governor's race unless Yarbrough is a candidate. He noted a two-thirds majority of delegate strength is necessary for endorsement in a COPE convention.

FEED LOT SHUT DOWN -- The Texas Water Quality Board ordered a cattle feeding operation near San Marcos shut down when it found a "constant threat of pollution" to underground water in the Edwards Aquifer.

The Edwards Aquifer is a major source of water for a large area of South Central Texas.

Attorneys for the feedlot, Hill County Feeders, said the decision will be appealed to state district court.

COURTS SPEAK-- The widow and mother of a Mexico air crash victim are entitled to collect $36,579 on his life insurance policy though he had requested it be discontinued five days before his death, the State Supreme Court held.

Court of Criminal Appeals held a 1967 U.S. Supreme Court decision guaranteeing defendants the right to subpoena accomplice witnesses to testify for them can be applied retroactively. The finding may provide a new way to freedom for prisoners convicted before 1967 and denied testimony of accomplices to the offense for which they were charged.

Criminal Appeals Court upheld a 1,000-year prison sentence for a repeat-offender convicted in Dallas of robbery by assault, but the Court suggested such sentences are "impossible" and should not be assessed.

Same Court credited a prisoner with time he did not serve behind bars when he was earlier released by mistake.

OYSTERING REOPENED -- A large part of Lavaca Bay which was closed last year to oyster harvesting due to mercury contamination has been reopened.

However, the State Department of Health said blue crab should not be taken for human consumption until further notice.

Excessive mercury densities are still found in some blue crab collected from the bay, the Health Department said.

There has been a steady reduction in mercury densities found in oysters (which can cleanse themselves as the quality of their environment improves), according to the Department. Maps showing approved oystering areas and those still closed are available from the Health Department division of marine resources, 1100 W. 49th St., Austin.

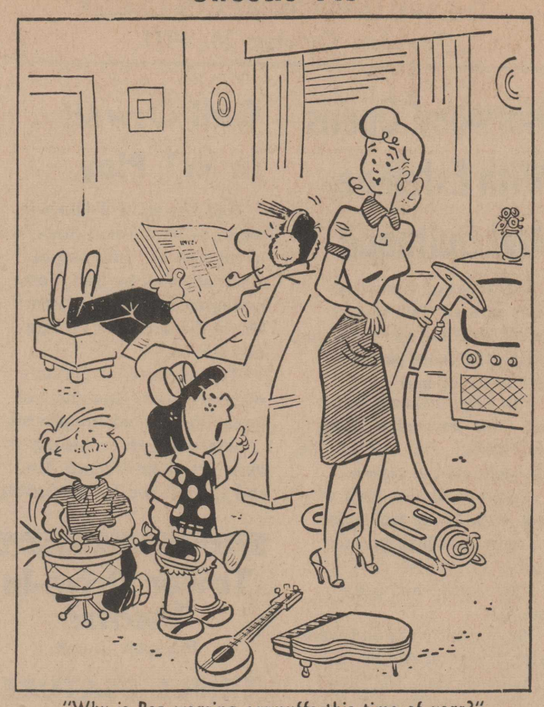

SCHOOL FOOD PROGRAM CURBED -- A free breakfast program for school children faces insufficient funding, a Texas Education Agency spokesman reports.

TEA has been unable to add schools to the breakfast program this year due to lack of money. About 115 schools have had to be turned down. Schools participating last year increased from 298 in September to 474 in May. Schools receive 15 cents per breakfast or the cost of each meal, whichever is less, through U.S. Department of Agriculture allocations.

DRAFT CALL SET-- The Texas draft call for the rest of 1971 is 588 men, State Selective Service Director Col. Melvin N. Glantz announced.

None will be ordered for induction in October, 363 in November and 195 in December. All are from extended first priority groups.

SHORT SNORTS

Applications have been filed for Citizens State Bank in Rowlett, Dallas County, and Woodridge State Bank in Gulfgate Mall, Houston.

Jim Kane, state Republican party executive director, said the GOP expects to pick up 20 to 30 Texas House seats next year if redistricting lines are "drawn right."

U.S. Sen. Lloyd Bentsen shies away from talk about his favorite son presidential candidate in 1972 and stresses need for Texas Democratic party harmony.

State Liquor taxes during the fiscal year which ended August 31 jumped 23 per cent over 1970 to a record total of $72.3 million.

CROSSROADS REPORT

Dear Editor:

I see where a passel of U.S. Senators are striking for President and slighting their senatoring jobs, which, however, generally results in improved performance of the Senate.

It has never been quite clear why a man who has not made much of a splash as a Senator or a Hero thinks he is Called to be President.

Like a man thinking he had ought to be promoted to manager of the service station where he works because he has flopped at fixing flats.

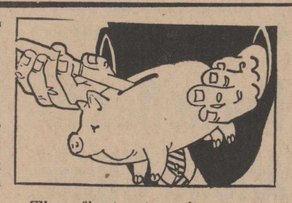

It is to be expected, of course, that mankind would find better ways to do things after extensive experience here on Earth.

Like the Biblical Good Samaritan had compassion and out of his own pocket financed a hotel room and care for a robber victim he saw lying by the roadside.

But today's Good Samaritan don't mess around with compassion and spending their own money on robber victims; they take church collection money and tax money to wet nurse and defend the robbers and mayhemmers.

WHAT ABOUT COLLEGE?

We have arranged for high school distribution of the booklet:

"WHAT ABOUT COLLEGE?"

The booklet shows students WHY a college education should be their goal and how this can be accomplished. It anticipates all their questions about college: WHERE to get information, WHEN to take action, HOW to make decisions.

Leading educators agree that far more students should go to college. At least 100,000 high school graduates in the top quartile do *not*. Many regret it all their lives.

At the time they do not appreciate the advantages of higher learning. They do not know how to finance themselves through college.

Guidance counselors believe that a considerable percentage of the student body can be helped by this compelling presentation of the facts.

For our part, a single student influenced to enrich himself in higher learning will justify the expense.

We are happy to cooperate in providing this service to the young people of our community.

Services Held At Headrick for Mrs. McWhorter

Mrs. Herbert McWhorter, who lived for many years in the Kelly community, died Friday, October 15, at Headrick, Oklahoma, after a long illness.

The former Eunice Lewis, she was born Feb. 4, 1904, at Faite, the daughter of the late Mr. and Mrs. T.J. Lewis. She came with the family to Collingsworth County in 1905.

She attended school at Kelley, Clarendon College and the University of Oklahoma at Norman. At Clarendon, where she majored in music and English, she studied piano under Miss Mabel Betts, with Paul Edward Allen as dean of the conservatory, and was presented in her senior recital in 1923.

She was a charter member of Sigma Phi Delta, composed of seniors in the college fine arts department, and a member of the Pan Althean Literary Society.

After graduating from Clarendon, she taught in Headrick, Oklahoma, and gave private lessons in piano.

She and Mr. McWhorter were married May 22, 1926. She had been an invalid for many years. Mrs. McWhorter was a Methodist.

Funeral services were conducted at Headrick Sunday, October 17, by the Rev. C.L. Abercrombie, a retired Baptist minister. The choir was composed of long-time friends and relatives, with a duet by Arnice and Ineze Lewis.

Pall bearers were Lynn Carter, Walter Camp, Tommy Lewis, Carthel Lewis, Danny Lewis, Grover Graham, Art Kane, and Sam Thompson of Wellington and Dodson. Burial was in Restland Memorial Park, Altus, Oklahoma.

Survivors are her husband, Herbert McWhorter of Headrick; two daughters, Mrs. J.I. Morgan of Wellington and Mrs. David Sowell of Arlington; two sisters, and a brother, Mrs. D.C. Camp and George Lewis of Wellington, and Mrs. J.P. Ingle of Grand Prairie. There are six grandchildren.

Purcell Seeks Legislation to Protect Stock

WASHINGTON. Legislation to protect American livestock and poultry from exotic diseases was passed overwhelmingly today by the House of Representatives.

U.S. Representative Graham Purcell (D-Tex.), author of the measure, commented, "Passage of this legislation is certainly within the best national interest. Not only will it save farmers and ranchers millions of dollars in livestock investments, but it will insure American consumers protection of our already high standards of meat and animal products."

The bill is designed to erase readblocks to cooperation by the United States with Mexico and Central and South American countries in combatting communicable animal diseases before they enter this country. It carried the endorsement of the Department of Agriculture and the House Agriculture Committee.

Congressman Purcell, with the backing of the Subcommittee on Livestock and Grains, which he chairs, guided the bill to victory on the floor of the House today. Urging his colleagues to favorably consider the bill, he pointed to the tragic toll of over 1,350 horses which died this summer of a disease that entered the United States through Mexico.

Hailing today's House action, the Texas Democrat said, "Despite the fact that the Department of Agriculture knew Venezuelan Equine Encephalomyelitis (VEE) had grown to epidemic proportions in Mexico as early as August, 1970, nothing was done until it entered our borders. This bill grants the Secretary of Agriculture all the authority he says he needs to attack such diseases before they threaten the lives of our livestock and poultry.

Church Group Attends Rally

The Wellington Assembly of God was represented at the Christ's Ambassadors Rally, held recently at Pampa First Assembly of God.

Attending from here were the Rev. and Mrs. John Hutson, the Rev. and Mrs. M. Lefkovitz who were conducting a revival here, Mrs. Thomas Jesse, Miss Joy Jesse, Miss Doris Tingle, Billy Teakell, Miss Dian Keith, Miss Kathy Hooper, and Miss Debra Stallings.

Services Held Thursday for J. W. Wood, 83

James William Wood, 83, retired Lelia Lake farmer, died at 4:30 p.m. Tuesday, Oct. 19, at the Groom Hospital.

Services were held at 2:30 p.m. Thursday at the Primitive Baptist Church in Wellington with Elder V.R. Henderson officiating. Burial was in the West Wellington Cemetery.

He is survived by his wife; two daughters, Mrs. Erbie Driver of Fort Worth and Mrs. Marshall Milligan of Muleshoe; two sons, Willis Wood of Muleshoe and Cecil Wood of Lelia Lake; two stepsons, Lewis M. Craig of Ruindoso, N.M., and Kenneth L. Craig, of Gallup, N.M.; two sisters, Mrs. Effie Mabery of Wellington and Mrs. Myrtle Darrow of Shamrock; brothers, Elder A.D. Wood of Glenrose, and Fred Wood of Wheeler; 16 grandchildren and 29 great-grandchildren.

Mr. Wood was born Sept. 13, 1888, in Cuero. He farmed for a number of years near Rolla and reared his family there before moving to Lelia Lake in 1949. His wife, Mrs. Bertha Wood died a number of years ago, and in 1964 he was married to Mrs. Margaret Lucille Craig.

He was a member of the Primitive Baptist Church here.

He was an uncle of Mrs. Frank Light and R.L. Mabery.

Widows, Parents Of Veterans Get Questionnaire

Riley Dunson, Veteran's Service for Collingsworth County, this week warned all veterans' widows and parents who are receiving benefit checks from the Veterans Administration that they will receive an annual income questionnaire card around November 1.

"This questionnaire card will be in the same envelope with your VA check," Mr. Dunson said.

"If you need any help with your questions, if you will come to the county courthouse second floor, room 9, we will try to help you with them," he continued.

Owen Ball Dies Oct. 21

Deck's DIDACTICS

—by Deskins Wells

POLITICIANS and TV announcers have been busy commenting on what happened in the UN when Pekin China was admitted and Nationalist China kicked out. Some of the public figures are saying that the U.S. contribution to the support of the United Nations, one third of the total at this time, should be reduced.

* * *

THE MAN on the street has been of that opinion for twenty years. It is difficult to see any sound reason for the United States bearing such a disproportionate amount of the cost when there are 131 nations in the UN and some of them such as West Germany, Japan and others have currencies that are rising in value while that of the U.S. is declining.

* * *

THE FACT that the UN building is located in New York is obviously not worth that much to this nation in dollars and cents. From the action of our "friends" as well as our enemies this week in asministering a humiliating defeat the location of the headquarters in this country is not worth its trouble on the diplomatic front.

* * *

THIS IS not to say that the rank and file of our citenzery is in favor of getting out of the UN at this time. It is to say that they are not in favor of continuing the lopsided cost to the people of the United States. If it means transferring the high livers, hanger ons and plain spies to frozen Moscow or more attractive Switzerland let them move and let somebody else pay a little more.

* * *

AS EXHILIRATING and at the same time as nostalgic an event as Wellington has enjoyed in recent years was the media-mix production staged in the auditorium of Wellington High School last Saturday evening. Dramatically conceived and superbly enacted it provided accurate history and merry entertainment for old and young alike.

* * *

THIS SORT of an endeavor is good for a community. It is good for those who created it, for those who had active parts in its portrayel and for those who simply watched and listened.

* * *

EVERY PART of "Man & Land & Love" brought vivid memories to me and I am sure that others who are no longer in their youth had similar feelings and recollections. The school scene was so real that I could feel myself sitting on those uncomfortable seats except it was sixty years ago and not last Saturday. The teacher and the children did their parts exceedingly well.

* * *

ODORS and then music (sound) stir memories more than other exterior sensations so the Beautyshop Quartet Twice should be mentioned. I don't suppose they had space enough on the program to list them as an Octet. Anyway their costumes were authentic and the girls were beautiful.

* * *

THE SAME PRAISE should be given the Square Dancers, the Gospel Singers, The Wives, The Goodtime Girls, the Cowboys and the Nesters, the Pioneer Couple and everything else. The roll call of the students and teachers of the schools of the county provided interesting audience participation. It was a great show.

* * *

ALVIN HORTON once told me of seeing a tornado form less than a mile from where he was working on a fence and explode a white frame church building. Tuesday I was less than a 100 yards away when that one hit the Pioneer-Traders Compress. I did not see the tin flying on account of the buildings; but I did see the dust boiling up on Highway 83. I was getting in my car in front of Gibson's. If I had seen the sheet metal sailing I would have gotten away from there with more speed than I did. At Dallas street I drove off the street and looked back and everything was clear.

Junior High, Childress to Meet Here

Wellington Junior High teams will be on their home field when they meet Childress 8th and 7th grade teams Thursday, October 28.

"This is the best team I've ever had in the 7th grade," declared Coach Dick Hamilton after the boys had shut out Quanah 7th grade 24-0 this week.

The team has a 5-1 record and only two teams have been able to score on them. One of those was Childress, who won 12-0 in their first game this season.

"The boys are out to even up the score and I believe we're ready for them," he said.

The Childress 8th Grade is un defeated as they come to Wellington this week.

Coach Carroll Nunnelley's eighth grade played them once, in Bobkitten territory, and lost 28-0.

"We feel we can make a game out of it this time. We believe we are improved and we are looking for a victory," declared the coach.

The seventh grade game will start at 6:00 p.m. and the eighth grade game at 7:00.

UNROOFED WAREHOUSE

Joe Hooper, foreman at Traders Compress, looks up at the remaining frame of an open-side warehouse unroofed by a small twister Tuesday afternoon. The office, just beyond the dark pickup, was untouched.

Bess Fenley Is New Operator of Magic Mirror

Bess Fenley announced this week that she has leased the Magic Mirror Beauty Salon and will operate it with two other experienced beauticians.

Associated with her will be Eula Mae Morgan and Pauline Hartman who have been expert practicioners for years.

The Magic Mirror is located in the rear of the building formerly occupied by Town & Country.

related to the county, or family chronicles and historical documents, and it will serve as the headquarters for the museum," Mrs. Drake explained.

Two display cases will be set up in the large window area, and one of the first major projects of the newly-organized Collingsworth County Museum is a series of rotating exhibits which will be shown in Quail, Samnorwood and Dodson.

It was pointed out that this arrangement will enable the board to conserve all funds which have been donated to construction of a new museum.

Twice on Sunday

First Baptist Puts Services on Cable

First Baptist Church began Sunday morning, October 24, broadcasting services to Wellington cable television viewers over Channel 5, the Rev. Roy Collins, pastor, announced.

Both morning and evening services, 11:00 a.m. and 7:00 p.m. may be seen.

"We have entered into an agreement with Cablecom General to make this a permanent thing, and we are purchasing television equipment to upgrade the television program," Rev. Collins said.

A television committee for the church has been named, with R.H. Tyler as chairman, and Ernest Harwell, Mrs. Ben Wilhelm, Ralph Owens and Mrs. Dee Burba as members.

Skyrocket 2-A 1972 Playing Schedule Given

The Skyrockets 1972 playing schedule has been completed and was announced this week by Coach Jim Forrester and Supt. Thayne Amonett.

This will mark Wellington's first year to return to Class 2-A in the University Interscholastic League alignment. However, the schedule reveals that the three non-conference games will include opponents which Wellington met this year, two in district play, the third in non-district.

The major change to be noticed is the seven conference and three non-conference games in 1972, instead of the five and five division the 2-AA teams have played. Wellington will also have an open date the first playing week of the football season, which is the second Friday of September. The Rockets do not play until the third Friday, September 15.

1972 SCHEDULE

Sept. 8 - Open
Sept. 15 - Hollis here.
Sept. 22 - Shamrock there.
Sept. 29 - Childress there.

DISTRICT GAMES

Oct. 6- Clarendon here.
Oct. 13 - Wheeler there.
Oct. 20 - Silverton here.
Oct. 27 - Turkey-Quitaque there.
Nov. 3 - Memphis here.
Nov. 10 - Claude there.
Nov. 17 - McLean here.
