

Dress Rehearsal

Loueta Jo Black will be 6 years old Aug. 12 and that means that she will start to school this fall and that means, too, that she will pre-enroll next Friday. Here her mother Mrs. Buddy Black, puts her through a dress rehearsal for the big event Friday, trying to keep back the tears (the mother, that is.) Loueta Jo has three sets of grandparents, Mr. and Mrs. Oscar Allison, Mr. and Mrs. J. H. Milsap, and Mr. and Mrs. Pete Black. (Photo by Ray Martin)

It's School Time for Johnny & Jane, 6

Johnny and Jane, who were born after Sept. 1 in 1959 or before Sept. 1, 1960, will start to school next autumn and next Friday comes the big day when both J. and J. will don their best clothes and travel shakily to DeShazo or Richland Hills. And accompanying them will be their tearful mothers, who just can't possibly believe that J. or J. could be approaching that ripe old age of 6!

The schools call the big day "pre-registration" for children who will be in the first grade next autumn. But it means a lot more to the mamas, to the Johnnies and the Janes, and even to the papas, although they won't admit that

the whole idea of Johnny or Jane being 6 doesn't shake them up a bit.

Anyway, it's a sort of pre-view to September, 1966 when this trek to school will be a five-days-a-week affair for five days a week for nine months for 12 years! And for some it will be four more years beyond that.

The school's prosaic announcement simply said that the pre-registration for children who will be in the first grade this autumn... will start at 8:30 a.m. and continue through the day.

And those who started this same schedule a year ago will get a day off since their tea-

chers will be the ones who will be signing up the new crop of 6-year-olds.

The schools also point out that nobody simply takes the word of Johnny or Jane or even of his parents that the lad or lass actually is 6 years old; the schools demand a proof like a birth certificate.

And just a scar or two on the left arm won't prove that J. or J. has had small pox vaccination and such; a record of immunization signed by a physician, will be required before a child can start class-work next September.

But if Jane or Johnny (or their parents) have neglected to attend to this matter of im-

munization, that doesn't mean Jane or Johnny are to forget all about next Friday's pre-enrollment routine. Says the release from the superintendent's office: "We would like to have the children pre-enroll on May 6 whether or not they have the birth certificate or the immunization record, so we can plan better for next year."

But come September, and the birth certificate and the immunization record will be required.

And here's what the release says in regard to the immunization policy of Muleshoe Schools: "All children, before enrolling in the first grade,

Industry Group Forms Plans, Charter Signup Near Finish

Harmon Elliott, chairman announced this week that preliminary planning has begun on a program of work for the Muleshoe Area Industrial Foundation, the new economic development organization still in its charter membership period. With the overall purpose of creating new dollars flowing in the economy of the area, the group is setting a number of intermediate goals designed to implement that purpose.

Based on these goals, an organization chart is being drawn up, showing how manpower resources should be deployed most effectively. "Every member of the group will be given the opportunity to be part of a working committee," Elliott said.

The work of MAIF, a non-profit corporation, is seen as a long-range development program, not as a formula to produce "instant industry." Charter members are signing up to support an initial four-year program expected to move the community step-by-step toward greater industrial, agricultural and commercial income, benefitting all the people of the area.

"The acquisition of new

manufacturing plants may be a long way down the road," Elliott stressed. "We must prepare our community, know exactly what is to be done, and know what we can and will do for new industry before we are likely to obtain any major factories."

The planning is generally following the "Five Steps in Seeking New Industry", outlined by Harry Clark, Executive Director, Texas Industrial Commission in an address when in Muleshoe last month.

Those steps are:

1. COMMUNITY BETTERMENT — This involves such things as good government, beautification, clean streets, good churches and schools, good "livability" conditions. Projects in this field by the City, County, Chamber of Commerce, Service Clubs, etc.
2. RESEARCH AND ANALYSIS — The development of thorough, factual information about the area and a scientific study of this data to answer the question, "What can be produced at a profit in Muleshoe?"
3. FINANCING — This means (Continued on page 8)

Muleshoe Merchants Plan City-wide Sales Events

Muleshoe merchants displaying the "Salute of Values" posters have joined to make this the greatest selling event in the history of Muleshoe. You can read of and listen to the big city sales attractions, but none of them will compare with the values to be found here in Muleshoe.

No one merchant could or would undertake such a tremendous sales event as the Muleshoe merchants displaying the "Salute of Values" posters are conducting. Check the "Salute of Values" page in today's edition of the Journal and you will find many useful items that you need and would like to have, at unbelievable prices.

These merchants are not attempting to dispose of distress merchandise. They are offering you outstanding values on merchandise for the home, automobile and for personal use. Study the items advertised on the "Salute of Values" page, and shop these stores for the merchandise you want and need, but heretofore thought you

couldn't afford.

MAIF Signs Up 15 Members

Fifteen more have joined the Muleshoe Area Industrial Foundation (MAIF) it was announced by Harmon Elliott, chairman, to bring the total membership to 85 in the organization which has for its purpose the industrial expansion of the Muleshoe area.

Newest members are Vic Benedict, Pete Black, Mrs. W. T. Bovell, Sam Damron, J. D. Dunlap, N. A. Dunlap, Kenneth Hanks, Randy Johnson, Buck Johnson, Earl Ladd, Earl Ladd Jr., Walter Little, Elbert Nowell, Dr. B. R. Putman and Doyce Turner.

Summer School is Announced

Muleshoe public schools have announced plans for a six-weeks' pre-school summer school to be held July 1 through August 12. Superintendent Neal Dillman said the school will be open to all pre-school children who will be 6 years of age or older later than Sept. 1 this year. The school will be conducted from 9 a.m. until 1 p.m. each day, Monday through Friday, and lunches will be served free to "qualified children," the school chief explained.

Health services also will be available at the nurse's office, and all classes will be held

at DeShazo Elementary school. Pupils, to attend, must fall into the following qualifications: 1. Retainees of first and second grades. 2. Social promotions from first grade. 3. A child in first or second grade next year who is one or more years behind in grade level. 4. Children having a language barrier. 5. Children with speech defects. 6. To be eligible, all children must have reached their 6th birthday on or before Sept. (Continued on page 8)

Resigns

Roy Davis, manager of the Muleshoe Chamber of Commerce for the past four years, has resigned to accept a similar position at Kermit. He will assume his new duties June 1. The Muleshoe chamber has made great strides during the past four years with many new projects launched. These include an industrial foundation (MAIF), a drive for an area junior college, a proposed city planning program, and a library program, all of which have either been chamber projects or have been backed by the chamber.

Go-Go Committee Plans Meeting

Muleshoe Chamber of Commerce's Retail Activities Committee — the Go-Go club — will meet at Paul's Restaurant at 10 o'clock Tuesday to plan summer activities, Harvey Bass, chairman, announced.

"We want every business represented at this meeting," Bass said. "We think the policies should be made by every business man — not by just a few — and that's why we want everybody present."

Schools Purchase 12 Lots Adjoining Junior High

Muleshoe schools have bought the property at the corner of Ave. F and West Third, Neal Dillman, superintendent, announced Saturday, and the region will be added to the campus of Muleshoe junior high school.

The superintendent said the board had been discussing the matter with the widow of the late C. S. Holland for some time, and had only this week

reached a settlement. Price was disclosed as \$15,000.

Included in the sale are lots 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11 and 12, block 41, original town of Muleshoe.

The new area will be included in the junior high campus, Dill-

man said, and possibly later will be used for expanded school purposes.

The schools bought the present house and will get possession of the property not later than Sept. 1, the contract says. It is presumed the

house will be offered for sale later.

The house is occupied by Mrs. Jon Holland. Her husband C. S. Holland, was publisher of the Journal a number of years ago.

Muleshoe's Athletic Boosters will meet in the First National Bank's community room tomorrow at 7 p.m. to lay plans for the annual athletic banquet set for May 30 in the high school cafeteria. Tickets will be distributed to members to sell, and a capacity turnout is expected. Speaker will be Darrel Royal, head coach at Texas University. While in this area, he also will speak at Clovis' annual athletic banquet, and it is reported that all tickets already are sold for that event.

Thirteen Muleshoe high school pupils took part in a district history contest at West Texas State University this past week. Pupils going were Mike Rajmah, Steve Oliver, David Dillman, Judy Jones, Judy Hudson, Kerry Beckingfield, Stan Johnson, Ransom Jones, Debbie Bryant, Wetona Kincannon, Terry Lynn Bryant and Gail Locker and Jan Gardner.

Progress Club Has New Name

The "Busy B's" is the name chosen for a group of girls from the Progress 4-H club who are taking a course in "Bedroom Improvement" under the leadership of Mrs. Clarence Mason.

The girls were busy making drawer dividers at their meeting Tuesday which was held in the home of Mrs. Mason. Each girl is making a scrap book showing actual pictures of their own bedrooms and the improvements they are making. The girls are also learning to choose proper colors.

Next meeting for the group will be May 3 when they will study book shelves.

Refreshments were served by Mrs. Mason to Mitzi Bass, Kathy Pena, Charlotte Wedel, Andrea Hicks, Linda Mason and Barbara Whitte.

House Cleaning Is Old Fashioned

Spring house cleaning is old-fashioned, says Mrs. Doris Myers, Texas A&M University Extension home management specialist.

A good home manager will rotate cleaning jobs each week or each month. She thus avoids ever having to do a total cleaning job at any one time.

"This practice will keep the house looking presentable throughout the year. You'll have more free time in the spring to devote to other important family activities," Mrs. Myers adds.

Jewell Peeler TOPS Queen

Jewell Peeler was named queen for the week at Thursday night's TOPS meeting. Her courtesses were Zora Mae Belter, Barbara Bush and Leona Evans.

The club met in the Bailey County Electric Community room and began its meeting with the singing of the fellowship song and reciting the TOPS pledge.

Twelve members answered the roll call and were measured and paid their dues.

Mary Edmiston was given a birthday gift from the birthday box and the group sang "happy birthday" to her.

Each member is reminded to bring fruit for the monthly queen at Thursday's meeting as she will prepare the fruit basket. Following the goodnight song the group was dismissed.

Convention

11:00 AM and in the evening will install the 1966-68 officers of Texas Federation of Women's Clubs. Within a month Mrs. Pearce will become the president of GFWC.

Miss Marian Ross of New York, Associate Community Relations Director of the Motion Picture Association of America will discuss the "Movies and You" program which was adopted by GFWC this year at the Wednesday afternoon session.

Exciting sessions will be the awards presentations when the winners in the Shell Oil Company Scholarship Project, the Hallmark Scholarship, the Outstanding Clubwoman of the Year, the Mother of the Year and the Teacher of the Year will be announced. The name of the Poet Laureate of TFWC for 1965-66 will be revealed and the Outdoor Advertising Art Award will be given. The clubs that received the 1965-66 Community Improvement Program Awards will receive checks from Mr. Hubert Burnham, Dallas, Southwest Area Vice President of Sears Roebuck Foundation at the Wednesday dinner.

Mrs. Kelly McAdams, Austin, who, with her committee, successfully led Texas to the 100 percent participation in this contest, will introduce Mr. Burnham and Mr. J. P. Plain, the Regional Director of the Foundation.

Mrs. T.B. Poindexter of Wortham, State Crafts Chairman, will commentate the Fashion for Fun Style Show on Thursday and the winners in the sewing contest will be announced at that time. Mrs. Jean Smith, Publicity Director of the Ralls-Tex Mills, will be in charge of the "Cotton Splendor for Action Days" show. This is through courtesy of Wee-Pat Industries.

Departmental Reports and reports of standing committee chairmen will intersperse the business sessions, and the District Presidents will give reports at the Thursday evening dinner. Reports of the Executive Committee and introduction of GFWC Board members will be on Wednesday.

To climax the three day meeting, a "Romance of Jewels" Reception honoring the General Federation officer, the Incoming and Outgoing State Officers, the District Jewels selected at the District Convention as outstanding members will be held at Ko Ko Inn.

The president of the Muleshoe Study Club, Mrs. Ray Martin, plans to attend the convention as does Mrs. O. N. Jennings, Mrs. J. G. Arm, Mrs. Cecil Cole and Mrs. Rufus Gilbreath.

It's safe to refreeze food if it has only partly thawed and is still icy inside. But remember that refrozen food loses some of its flavor and other qualities and that it should be used as soon as possible.

Spring cleaning, lighting fixtures and lamps? Make sure that they are turned off before you clean. And another safety tip: when you clean that ceiling or wall fixture, stand on a sturdy, steady ladder.

Methodist Folk Attend School

Several women from the First Methodist Church here attended the Vacation Bible School in Plainview Thursday.

Attending from Muleshoe were Mrs. Beck Johnson, director of this year's school; Mrs. Joe King, Mrs. Max King, Mrs. Byron Gwyn, Mrs. Lewis Wayne Shafer, Mrs. Frank Ellis, Mrs. Ben Roming and Mrs. Harold Cronan.

According to Mrs. Johnson, Muleshoe First Methodist Church will begin its Bible school June 20 and continue through June 24. The school will be interdenominational as in years past.

Public Approves Soil Districts, Says SCS Chief

"Texas soil and water conservation districts have enjoyed public confidence and widespread endorsement since their very beginnings more than 25 years ago," says H. N. Smith, State Conservator of the Soil Conservation Service. "In recent years increased support, by rural and urban folks alike, of the vital work Texas conservation districts are doing, is evidenced by the most tangible evidence of all -- money."

Figures recently released comparing dollar estimates of non-federal contributions to Texas conservation districts for 1965 were \$3,575,000, an all-time high.

Local unit of government, primarily cities and counties, contributed to the promotion of soil conservation work, about

Lubbock. Pupils who had parts in making exhibits included Fern Harrison, Stephanie Bryant, Tana Murrah, Carrie Pre-cure, Christy Ford, Karen Hamilton, Donita Throckmorbeyrd, Hal Tibbits, Tod Bliss and Steve Glover.

Airman Bobby L. Carlisle, son of Mr. and Mrs. Paul W. Carlisle, Star Route, Goodland, has been selected for training at Chanute AFB, Ill., as an Air Force aircraft maintenance specialist. He is a 1959 graduate of Bula high school and attended Hardin-Simmons University, Abilene. His wife is the former Dorothy Tucker, Morton.

\$1,114,000, an increase of more than \$200,000 over 1963.

Sherman Innman of the local Soil Conservation District says that approximately \$3500 of local money was spent to advertise and promote soil conservation work. Radio Station KMUL and the Bailey County Journal & Muleshoe Journal have contributed much time and space toward promoting conservation activities. Local businessmen have contributed to local conservation by buying advertisements in the Blackwater Valley Soil Conservation District newsletter. Innman said this newsletter is mailed to district cooperators and persons interested in soil conservation.

State government assistance to soil, water and plant conservation rose \$20,000 over 1963, from \$291,000 to \$311,000.

Financial help from private individuals and businesses approximated \$2,151,000 during 1965.

Purposes for which non-Federal funds were spent during 1965 as compared to 1963 reveal changes of emphasis in conservation. For example, local and state funds spent for flood prevention increased from \$1,725,000 in 1963 to almost \$2,500,000 in 1965.

Non-Federal expenditures in other categories, such as information and education also increased.

Award night for Muleshoe schools has been set for Thursday, May 5, in the high school auditorium, starting at 7:30 p.m. School Superintendent Neal Dillman announced Saturday.

Muleshoe Cooperative Gin members named C. W. Stallings, a farmer living west of town, and renamed A. R. McGuire to the board at their recent annual session here. Other members are Kenneth Roberts, who has served as president for the past year, Jerry Roberts, who was secretary, and W. W. Stevenson, Bill Milen and Carl Bamert. Stallings succeeds Ed Little. Members received \$88,000 in dividends.

Mrs. Jerry Coleman and daughter, Kerri, Amarillo, are visiting with the Howard Elliotts. Mrs. Coleman is the Elliott's daughter.

Mr. and Mrs. Jim Small returned to Muleshoe Thursday from Austin where they were visiting with Jim's brother and family, George Small.

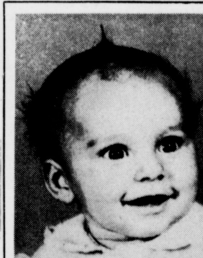

The ESA Sorority will be at the grocery stores Wednesday for anyone who would like to give a \$1 donation to the club and thus enable her to win a wig which will be given away Saturday at Chubby's Beauty Shop. The proceeds will go to the Muleshoe Public Library.

Mr. and Mrs. Don Harmon left Muleshoe Tuesday for Fort Worth. Harmon is attending an appraisal school. The Harmones will return to Muleshoe Monday.

Mrs. Addie Mae Spence, special education teacher; Mrs. Mary Maddox, speech therapist; Mrs. F. D. Harris, special education teacher; and Mrs. John Watson, curriculum director, attended a conference for teachers, coordinators, and administrators of special education in Tulsa, Tuesday evening. Clark Hall, Tulsa coordinator, presided during the dinner meeting. Dr. Carol Anderson, associate professor of education and psychology at West Texas State University, Canyon, gave the report and recommendations from the Governor's Conference on mental retardation.

establishing machinery available to help finance land and buildings for prospective industry and becoming familiar with other alternatives, such as revenue bonds, series 501 5, will include—Transportation, Highways, routes, schedules, and rates, utilities and fuel, (electrical, gas, phone, municipal water), labor, agriculture—production and marketing, taxes, city and county government, community livability factors, water and climate.

4. SITES AND BUILDINGS—The acquisition or control and, sometimes, improvement of land and buildings suitable for industry, to insure its availability at a fair price when prospects appear. A good knowledge of all other sites in the area is also desirable.

"Prospecting", Step No. 5, is considered to be the last step, and is described as: identifying and contacting firms and individuals who are in a position to expand industry in your area.

The various fields of information about the area, involved in Research and Analysis, Step 5, will include—Transportation, Highways, routes, schedules, and rates, utilities and fuel, (electrical, gas, phone, municipal water), labor, agriculture—production and marketing, taxes, city and county government, community livability factors, water and climate.

Jim Cox, who was chairman of the Steering Committee which brought economic development interest to the point of organization MAIF, has been named Membership Chairman and is seeking to complete the charter membership at an early date.

Sales Training School Booked

D. W. Thomas, sales management training specialist for Distributive Education of the University of Texas, will conduct a course, "The Dynamics of Selling" Monday through Thursday at 7:30 p.m. It was announced Saturday by the Muleshoe Chamber of Commerce and Distributive Education department.

Fee is \$3 per person for the four nights. Thomas, a graduate of Baylor University, has had broad experience in personnel administration and retail merchandising.

must have a signed statement from their physician certifying that they have been immunized against smallpox, diphtheria, polio, whooping cough and tetanus."

And all that must be done, incidentally, sometime between now and Aug. 30, the starting date of the 1966-67 term of school.

The superintendent also pointed out that "forms for this immunization record may be picked up at the principal's offices or any physician's office in Muleshoe."

He added that the schools are urging parents to take their infants and pre-schoolers "to the family physician, in addition to the school children, for the service as soon as possible."

"If parents are unable to pay for this service, they may take their children to Mrs. Inaugene Tiller, school nurse, or the receptionist at the West Plains hospital and clinic where arrangements can be made with the county health officer."

The superintendent said that these pre-enrollment days in the past have brought as few as 140 and as high as 170 pupils. Enrollment, of course, increases considerably by the start of the school year, the September first-grade total running as high as 230 pupils, this year's peak number.

WINDJAMMERS -- The Windjammers will be the feature attraction at the Barnstorm being given by the Muleshoe Parents League in honor of the Junior and Senior classes of Muleshoe High School May 7.

Junior - Senior Barnstorm Set

The Windjammers will be the feature attraction at the Barnstorm being given in honor of the Junior and Senior classes of Muleshoe High School May 7 from 9:30 till 12 midnight. The Muleshoe Parents League are sponsoring the affair.

The Windjammers are widely known and appeared in 236 shows of "Thank You Mr. President" at Six Flags Over Texas during the summer of 1965. They also appeared on Talent 66, a statewide TV program produced in Houston for Southwestern Bell Telephone Co. This program was televised through out Texas early Spring this year. They have made two recordings also.

Others featured on the program will be the Dobbins and the Sky Gypsies. The Barnstorm will be held in Aubrey Heathington's barn which is located 5 1/2 miles north of the Friona Highway.

1, 1966. The superintendent said that buses will be operated to the six general areas of the Muleshoe independent district, but he explained that "we will not be able to cover the whole district as we do in the regular school session. Collecting points will be set up where the buses will pick up and deliver children."

He said that the schools are urging "that as many students as possible enroll for the summer program on spring round-up day next Friday."

May Is Good Raisins Month

What's your favorite use of raisins? Whatever it is, May's a good time to use lots of raisins, continue in unusual abundance on into May. Honeycoats are slightly less than the 1964 near-record level, but well above 1962 and 1963 figures.

Raisin production is estimated at the largest in 13 years. And production of American type grapes used for grape juice was five percent larger than the previous year.

Scallops in cold storage figure at 5 million pounds, twice as much as last year. Scallops in cold storage figure at 5 million pounds, twice as much as last year. The seafood industry has adjusted prices in favor of the consumer.

USDA's Consumer and Marketing Service also reports plentiful supplies of crabs and crab meat this month — the answer to meals that are really different and delicious.

'Moonlight, Roses' Is Banquet Theme For Bula School

BULA — Bula Junior High School Annual Activity Banquet was held at 8 p.m. Saturday in the school lunch room with L. D. Holt acting as master of ceremonies for the evening. "Moonlight and Roses" was the theme of the banquet. One side of the room depicted a stone wall with roses hanging from the top. Speakers table was centered with an arrangement of red roses off-set with white burning tapers. Other tables were centered with white burning candles entwined with rambling roses. Girls wore semi-formal, each place card depicted the color of dress the girl was to wear.

The menu and program booklet was titled "Moonlight and Roses". Speaker for the evening was District Judge M. C. Ledbetter from Morton. Invocation was given by Margaret Richardson, Donna Crume giving the welcome and Diane Crume the response. Musical entertainment for the evening was given by the rose petals, Donna Crume, Sharon Turner, Judy Snitker, Jolene Cox and Margaret Richardson.

Following the speaker message, coach Rinsinger made the presentation of several awards. The most outstanding student in grades fifth through eighth were presented a gold engraved loving cup. Jimmy Rinsinger was receiver from the fifth grade; Larry Clawson, sixth grade; Diane Crume, seventh grade; and Judy Snitker, eighth grade. Trophies with most outstanding player engraved on them were presented to Sharon Turner in girls basketball, Ron Rinsinger in boys basketball, and Steve Crockett in football. Margaret Richardson was chosen by the boys as football sweetheart and she was presented with a necklace of a football and the football charm for her hair.

The eighth grade presented gifts of appreciation to their speaker Mr. Ledbetter, Mrs. Ray Reid, their home room teacher, their room mothers Mrs. Ivan Clawson and Mrs. Doye Turner and to coach Rinsinger and coach W. C. Fincher. The menu consisted of baked ham, green beans, stuffed potatoes, tossed salad, strawberry short cake, tea and coffee. The food was cooked and served by mothers of the eighth grade class.

Teachers, room mothers, and lunch room cooks were invited guests for the evening. Glenn Salyer, son of Mr. and Mrs. G. B. Salyer, placed third in poetry reading at regional, Saturday in Lubbock, for the literary regional competition. Glenn competed with the state championship last year. Glenn read the poem "The Man with the Hoe".

COME IN AND GET ACQUAINTED

BUSINESSMEN -- Pictured here are two Muleshoe businessmen. Seated is Monroe Lee who has opened Muleshoe Real Estate Agency here at 113 West Avenue D, across the street south of the courthouse. Beside him is his father, M. E. Lee, building contractor who's office is housed in the same building with the Real Estate office.

Joint Real Estate and Building Contractor Office Established

Muleshoe has a new business located at 113 West Avenue D. In fact, the new business has been established in connection with one of long standing.

It is known as Muleshoe Real Estate and is owned and operated by Monroe Lee as principal broker in the Real Estate business and his father, M. E.

Lee, well-known building contractor.

Monroe is a home town boy, born and reared in Muleshoe and is a Muleshoe High graduate. He was graduated from Texas Tech in August and holds a Bachelor and Masters degree in civil engineering.

He and his wife, Kitty, live at 722 West 6th Street, Mrs. Lee

teaches fourth grade at Richland Hills School.

M. E. Lee is widely known in the construction industry in this area. He has erected many beautiful homes and business buildings here.

For all your real estate needs, farms, ranches and city property or construction of any type call 272-3114.

Muleshoe Takes Regional Prizes

The Regional Science Fair was held in Lubbock April 22 and 23.

Tommy Little entered a project on molds in the junior high division. Tommy is a freshman in Muleshoe High School. He won a silver award. Jona Goucher and Neil Knight entered in the senior high division. They are both sophomores at Muleshoe High School. Neil Knight entered an exhibit on the Dissection of a Grasshopper. He received a bronze award. Jona Goucher entered her project on Geotropism. She received a silver award. Jona also received a certificate from the U. S. Air Force stating that her exhibit was selected as the most outstanding in the field of Aerospace Sciences.

Six Muleshoe Junior High school students entered the Fair competition.

Don Heathington and Ricky Black both 6th grade students won a 2nd and 3rd place respectively.

Mark Edwards, a 7th grade student, was awarded a 1st place and was presented with two books.

Eighth grade students entering were Bill Goodwin, 2nd

place, Diane Crawford, 2nd place, and Delton Bass, 3rd place. Bill Goodwin was awarded a "Certificate of Achievement for an Outstanding Science Project", given by the U. S. Army.

Halls of Enochs Visit Relatives On West Coast

By Mrs. Jerome Cash

ENOCHS -- Mr. and Mrs. Carl Hall returned Friday night from visiting their sons and families, Lawrence in Anaheim, Calif., and Cleo in Phoenix, Ariz.

Mr. and Mrs. J. D. Bayless and Mr. and Mrs. J. D. Bayless Monday morning for Phoenix, Ariz. The Bayless went to visit their daughter and family, Mrs. Cleo Hall. The Dances' also went to visit a daughter and family, Mrs. Lindsey Bates.

Mrs. George Autry is in the Littlefield hospital at Littlefield for observation.

Everybody enjoyed the nice rain. Enochs got over three inches.

Lovetta Jo and Carol Sue Milsap of Muleshoe spent a few days last week with their grandparents, Mr. and Mrs. J. Milsap.

Mr. and Mrs. E. C. Gilliam shopped in Lubbock Saturday; they also visited his sister and family west of Lubbock, Mrs. Lloyd Huffacher before returning home.

Jerry Thomas who has been working in Lubbock for several weeks visited his parents over the weekend.

Mr. and Mrs. Bob Newton and Mr. and Mrs. C. H. Byars spent from Saturday until Wednesday in El Paso attending a Scottish Rites reunion. They also visited the Byars' son, Tom who is stationed at Ft. Bliss. Tom was doing fine and liking army life.

Mr. and Mrs. T. A. Thomas visited in Midland the weekend of April 16 with their son-in-law, Gale Pugh and two granddaughters.

Those visiting in the R. P. McCall home Sunday were their son Danny and family, their daughter and family, Mrs. Burley Roberts; her mother, Mrs. Nath Crockett, Morton, and Mr. and Mrs. Earl Elliot, Littlefield.

FIRST PLACE WINNERS -- Collin Flatt, Sam Allison and Bobby Allison from the Pleasant Valley 4-H Club walked away with first place ribbons at Lubbock's district 4-H eliminations. Fred Allison was high point individual in the contest followed by Sam Allison.

Pre-School Kids Flock to Library For Own Program

National Library Week Program at the Muleshoe area Public Library included a program for the pre-school children on Wednesday morning. Individual youngsters, as well as three kindergarten classes were present, making a total of 91 in all.

The kindergarten classes who came in groups were those of Mrs. Cecil Tate, Mrs. Johanna Green, and the Goodwill kindergarten sponsored by the First Baptist Church. Eleven adults came with the children; and Carol (Mrs. Buck) Johnson assisted with transportation.

The children were given the opportunity to browse in the picture books and easy books in the children's corner of the library; then they were shown the film, "The Magic Book".

This is a delightful color and sound movie that introduces the small ones to the wonderful world of books in the library -- and especially brings out the care of books that are borrowed from the library.

At the close of the film the children were given souvenir book marks and Book Week cal-

endars to remember their visit to the library. For many of these children it was their very first time, but we hope they will be regular users of library in the future.

Babe Ruth League

To Open May 9

Muleshoe's Babe Ruth league will blast off its 1966 season Monday night, May 9, Mari Stevenson, president of the league announced. The Colts and Dusters will tangle in the opening game.

The Babe Ruth park will sport snazzy new lights at its revamped park in the 700 block of South Main.

The Babe Ruth league has just completed rewiring the field, a \$1600 project which saw Southwestern Public Service furnishing "a bunch of equipment," Stevenson said. Sears-Roebuck furnished 30 suits at cut rate, and the City has made water available. United Fund supplied \$1500.

Sponsors of teams this year are E. R. Hart, who sponsors the Eagles; Plains Auto, the Colts; St. Clair Department Store, the Cats; Whitt and Watts, the Dusters.

Combined Garden Clubs of Texas adopted landscaping of the Governor's Mansion as a statewide project.

This film was then shown by the librarians at Richland Hills school, Mary DeShazo, and one grade of Jr. High; then it was sent to Whiteface school, by the bookmobile to be shown the children there. This is just one example of how special materials may be shared for better library service, in our area. We estimate 1500 children will see the film.

Overcoming Sin
 Is Science Theme

The spiritual basis for over-
 coming sin will be taken up
 at Christian Science church
 services today.

"Behold, what manner of
 love the Father hath bestowed
 upon us, that we should be
 called the sons of God. . . Who-
 soever abideth in him sinneth
 not." These verses from 1 John
 will be included among the open-
 ing readings in the Bible Les-
 son on "Everlasting Punish-
 ment."

Related passages from
 "Science and Health with Key
 to Scriptures" by Mary Baker
 Eddy will be read, including
 these lines: "What we most
 need is the prayer of fervent
 desire for growth in grace, ex-
 pressed in patience, meekness
 love, and good deeds. . . To
 hold yourself superior to sin."

THE FAMILY LAWYER

Look Out Below!

Through two rollicking days,
 delegates at a veterans' conven-
 tion had fun. From the win-
 dows of their hotel they joyfully
 dropped bags of water on unsus-
 pecting passers-by.

But on the third day came
 trouble. A cluster of pedestrians,
 catching sight of a descending
 bag, scattered in panic. One man,
 crowded off the curb and against
 a passing car, suffered severe
 injuries.

Unable to find out who had
 dropped this particular bag, the
 victim filed a damage suit against
 the hotel. And he collected.

Mrs. Gene Hawkins of Lockney showed slides of the New Zealand Crusade. Measurements given for the pattern of life given was: How Wide Is Your Concern For The World? How Deep Is Your Prayer For Life? and How Long Is Your Service For Others? The menu for the banquet was ham, baked potatoes with butter, tossed salad, iced tea, pie, hot rolls and butter.

Stanky Recalls How Lopez Move Saved 1959 World Series Game

SAVING A SERIES SHUTOUT: Jim Rivera is about to catch Dodger Charley Neal's long drive in the fifth game of the 1959 World Series in Chicago. That's Jim Landis backing up. Manager Al Lopez had put Rivera into right field a few moments before. The catch saved a 1-0 shutout for three White Sox pitchers.

Manager, Chicago White Sox

Written for AP News Features

The men on the field make the plays but sometimes the manager is the one who helps to make a certain play possible. I'm thinking now of a move my predecessor, Al Lopez, made in the 1959 World Series against the Dodgers.

The situation occurred in the seventh inning of the fifth game in the Los Angeles Coliseum on Oct. 6, 1959. Bob Shaw was pitching for the White Sox and the score was 1-0 in his favor. There were two out and the Dodgers had runners on first and second.

At this juncture Lopez, managing the White Sox, switched his outfield. He sent left-handed Jim Rivera to right field and moved Al Smith from right to left in place of Jim McAnany. Charley Neal was the Los Angeles batter.

Shaw's first pitch was wild and both runners advanced. Neal then sent a long fly to deep right center. Rivera pulled it down with a spectacular one-handed grab to retire the side.

Lopez's decision to insert Rivera as a defensive replacement at this point of the game was a stroke of genius. It is ex-

are specifically for present or former 4-H club members who will be college juniors in the fall of 1966, and who plan to major in home economics.

The donors and scholarships are tremendously grateful that a right-handed outfielder like Smith, who had been playing right field that day, could have made the catch. By saving that game, Rivera and Lopez forced the Dodgers to return to Chicago where the series ended two days later. That catch also preserved a shutout for pitchers Shaw, Billy Pierce and Art Donovan. Donovan got the last five men. What's more it gave Sandy Koufax his first World Series setback. I'll always remember Rivera's catch, and the defensive move made by Al Lopez.

are as follows: two \$800 grants will be given by Sunbeam Corporation, The S&H Foundation, Inc., and The West Bend Company. Three \$500 grants will be offered by Pyrofax Gas Corporation.

Candidates should make application before October 1, through the county or state 4-H Club office. They must submit an account of their 4-H activities and their freshman and sophomore scholastic records. Only one girl per state can be considered for these scholarships, according to the Cooperative Extension Service which selects the finalists.

Girls in need of such a scholarship should contact the county extension office or write directly to their state 4-H Club leader for the special 4-H scholarship fund application blank.

Dear Friends of El Monterrey:

As you have perhaps noticed, I am no longer associated with El Monterrey, as of April 1st, 1966.

To our kind friends everywhere -- especially of Clovis, Portales, Muleshoe, Hereford, Bovina, Friona, Sudan, Littlefield, etc., may I express my appreciation for your past patronage -- Not only for the past 8 years, during my ownership, but also for the previous 12 years when my father (Col. Weede) was associated with the Gray Reed's. As you know, my Aunt & Uncle (Sis & Gray Reed) were the original founders some 30 years ago.

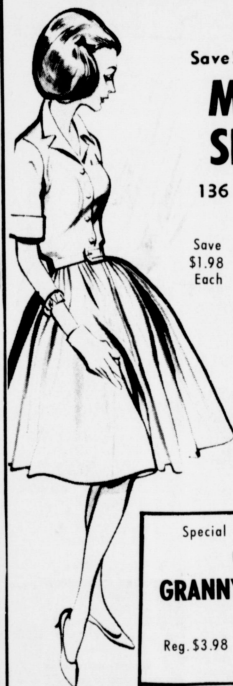

Although I've sold all my interest in El Monterrey, I have retained the right to enter any business in any location -- even to direct competition to El Monterrey.

Sincerely
James A. Weede Jr.
