See page 6

Mitchell County Briefs

Arts and Crafts help

Anyone interested in helping with the Arts and Crafts on October 7 and 8 are asked to call the Chairman's office at Dockrey Motor Co., 728-2542.

Some of the things that will be done where extra hands might be needed are: decorating the barn Friday afternoon, picking up, delivering and unloading tables and chairs Friday afternoon; meeting and helping arriving artists Friday afternoon and from 8 to 10 Saturday morning and stapling booth numbers and exhibitors' names Friday noon.

Adult Ed. classes

Registration for the Adult Education classes at the Wallace Center will be held today (Thursday) and the first day of class will also start today.

Classes will be held from 6 to 10 each Thursday night until the end of the Colorado City school system's school year.

Shipment delayed

Town & Country, Inc. regrets the delay in shipment of trees ordered through the Mitchell County Day Care Center. The trees will be received within the next 10 working days.

Hunters safety course

A Hunter Safety Course will be held Tuesday, September 20 and Thursday, September 22 at the C. C. Thompson Room from 6 to 10 p.m.

People must be present both nights to be certified. Those planning out of state hunts should be present.

For more information, contact Ronnie Aston, 728-5522.

Marriage seminar

Today (Sunday), the First United Methodist Church of Colorado City will be hosting a seminar on marriage at 5:30 p.m. led by Mr. and Mrs. Gene Sorley of Lubbock.

Gene and Imogene are certified by the United Methodist Church to conduct marriage enrichment and encounter sessions and seminars.

County Fair

The Mitchell County Fair will begin Thursday, September 29 and last through October 1.

Jest Amusement Co. will be providing all carnival rides throughout the three-day festivities.

Judging of entries will take place on Thursday, a pet show will be on Saturday as well as the RECORD Bake-off.

Everyone is urged to attend this year's fair.

Fall Festival

St. Ann's Annual Fall Festival will be held Saturday, September 17 and Sunday, September 18 from 10 a.m. to 11 p.m. both nights.

A drawing for \$500 will be held plus various food booths and an auction at 4 p.m. Sunday. The public is invited to attend the two-day event.

Bonfire

The homecoming bon fire will be held this week in conjunction with the Colorado High School homecoming.

The fire will be Thursday at 8 p.m. at the rodeo arena. Anyone wishing to have wood picked up, can call the high school that Thursday.

That Friday after the football game, a homecoming dance will be held at Wolf Gym beginning at 10 a.m. and ending at 1 p.m.

Answerline

(Q) Can anyone join the Colorado Band Booster Club and what is the club's main function?

(A) The Band Booster Clubs main function is to help the band financially. Anyone may join the club at no cost. The booster club solicits new members continually. If you would like to join, please call Mrs. Ray Dillard, club president, or Bill Shipp, the band director.

City vs. animals

Council to discuss ordinance

By TOM JAY GOSS II

Fireworks may start early this year. The Colorado City council will discuss a new animal ordinance at its regular meeting on September 13 and cat and dog ordinances tend to provoke strong feelings.

City Manager Rick Crowley says the ordinance is not in final form but awaits the in-

put of members of the City Council on Tuesday.

But as of right now, Crowley's thinking is along the lines of restricting the dog and cat owner to three adult animals of either variety, or possibly three of each.

There will be no legal swine inside the city limits. Other domestic animals must be kept at

least 200 feet from any residence.

There will be no kennels or pet business operations within an area zoned residential.

After the effective date of the ordinance, if passed, dangerous wild animals and dangerous reptiles would be prohibited. This and other sections of the ordinance will be subject to approval or alteration by members of the council.

The ordinance will allow the council to set redemption fees for animals picked up by the animal warden, and the animal must be vaccinated if redeemed.

In other business, the city will approve a contract with the Texas Division of Highways and Public Transportation for work on the Rogers Road and on Cherry Street. The project is a joint one between the City and the THD. The city will pick up the tab for right-of-way and for moving utilities and poles.

The council will also open and award bids for a landfill trench and employee hospitalization insurance.

The council will approve spex and authorization to accept bids for two new pickups—one for animal control and one for water and sewer, also for Phase 1 of waste water treatment plant improvements and will finalize the acquisition of property and easements from Morris and Sharon Hammond.

Shots 'ring out' at restaurant

By TOM JAY GOSS II

Gun fire erupted Thursday night at the Visa Cattleman's Truck Stop on I-20 west of Colorado City.

Sue Turner, 39-year-old truck stop manager is in the Root Memorial Hospital in stable condition with a gunshot wound through her stomach and at least two persons are being questioned by Sheriff Wendell Bryant.

Several shots were fired by a 53-year-old woman and a 21-year-old man in the crowded Cattleman's Cafe, about 8:15 p.m. Thursday but See GUNFIRE, Page 2

Coop plans annual meeting

The Lone Wolf Electric Cooperative, Inc., will hold its annual meeting Tuesday, September 13 at 7 p.m. in the Co-opatorium.

Items to be discussed include the election of three directors, hearing reports and any other business that may come before the meeting.

The nominating committee has nominated the following for directors: Area III G. C. Strange and Travis Conaway; Area V Martin Murphy and Morris Ashley; Area VII Hubert Dunn and Wylie Oliver. One director will be selected from each area.

This year's program has an abundance of local talent that will entertain throughout the evening. Chris Hubbard and the "Sagebrush Chorus" will provide the entertainment. The "Sagebrush Chorus" includes See COOP, Page 2

CISD Board to meet Monday

The Colorado ISD Board will meet in regular session, Monday, September 12 at 7 p.m.

Items on the agenda include school board policies, hardship transfer, Oliver Energy System, resignation, approval of preliminary application foundation funds, CISD communication agreement and employment of an architect for an air conditioner at the middle school kitchen.

Other items to be discussed are city bus routes, appraisal district use of computer, TASB-TASA annual convention and report-building trades house sale.

FARM TOUR-The annual farm tour last Thursday was another success as some 125 people toured farms and ranches throughout Mitchell County. The tour concluded at the Civic Center where 156 plates of bar-b-que were served to the crowd above.

Busy week planned at CHS

"Homecoming Fever" will fill the halls of Colorado High School this upcoming week.

CHS will be celebrating its 56th homecoming Friday, September 16 and the classes of 1943,

'44, '45, '46 and '74 will be holding their reunions. Highlighting all the festivities will be the crowning of the 1983 Homecoming Queen and the football contest which pits the Wolves against the Denver City Mustangs.

Because of a tie, six seniors were nominated for queen by their classmates. See CHS, Page 2

Plans announced for annual Bake-Off

This year's Colorado City RECORD Bake-Off planned for Saturday, October 1 during the Mitchell County Fair promises to be bigger and better than last year.

A total of 20 prizes will be awarded to the top four cooks in each category. The grand prize again this year will be a

La-Z-Boy recliner from Britton's Furniture and Appliance. Other top prizes include: 2nd place - G.E. microwave oven from Britton's; 3rd place - Quasar 13" portable color TV from Ramo Appliance; 4th place - \$150 worth of groceries from E-Z Way Superette and 5th place - See BAKE-OFF, Page 2

Commissioners to set 1983 tax rate

Setting the Mitchell County tax rate for 1983 taxes and appointing members to the Mitchell County Library Board are just two of the items to be discussed when the County Commissioners meet on Monday, September 12 at 1 p.m. in the County Courthouse.

Wendell Bryant, Mitchell County Sheriff,

will also meet with the Commissioners. Other items on the agenda include 1982 audit report from Joe Morren, open bids on sale of Mitchell County property as advertised procedure for appointment of County Treasurer and open bids on two vehicles to be used in the sheriff's department.

Credit requirements to be discussed

The Loraine ISD Board will meet Monday night, September 12 at 7 p.m. in the Loraine board room.

The agenda includes approval of minutes, ratification of bills, resolution to create a Dead Tax Roll on taxes that are uncollectable, approval of Preliminary Application for Foundation Funds, consideration for requiring 22 credits for graduation beginning with the seniors of 1987, consideration of requiring Mastery of the exit level of TABS test for graduation from high school beginning

with the senior class of 1985 and the authority to borrow operating funds for September, 1983.

Chamber board to meet

On Monday, September 12 at 7 p.m., the Chamber of Commerce will hold their regular meeting.

Items on the agenda will be approval of financial report, membership letter, budget and the fair.

RIBBON CUTTING CEREMONIES were held Wednesday at the new location of Darleys Brake and Alignments. Joining in the celebration were Bob Ratliff, Ray Anne Carlock, Carolyn Shaw, owner C. M. Darley and his wife Shirley, Aaron Carpenter, Linda McCombs and Lee Woods.

Four class reunions planned for weekend

During next week's Homecoming festivities, several of the graduating classes at Colorado High School will be planning and anticipating their class reunions to be held Friday, September 16 after the game against Denver City and Saturday, September 17.

The classes of 1943, 1944, 1945 and 1946 will be joining together to celebrate their reunion. Coffee and cookies will be served at the Civic Center after the game Friday night. Starting at 10 a.m., September 17 registration will begin followed by a business meeting until 12 p.m.

Lunch, consisting of sandwiches, dips and chips will be served. A barbeque dinner will begin at 6 p.m. and last until 8 p.m. From 8 p.m. to midnight, a dance will be held featuring the Wild West Show

Band from San Antonio. All activities will take place at the Civic Center.

As of now, 110 people are planning to attend. Forty or 50 more are expected for festivities.

The class of 1963 will also hold their 20th year reunion. Coffee and refreshments will be served following the Homecoming game at the C. C. Thompson Room. Several plan to attend and according to Sue McGuire, there should be a pretty good turnout just to get together and reminisce. No other activities are planned for the reunion.

The graduating class of 1974 will be celebrating their 9th year reunion also next weekend. A reception at the Colorado City Country Club will follow the Homecoming game and last until midnight. Chips, dips and punch will be

served and everyone will have a chance to visit.

On Saturday, September 17, a reception for adults and their children will be held at the C. C. Thompson Room from 10:30-11:30 a.m.

Refreshments of coffee, juice and cookies will be served. Saturday night there will be a barbeque from 7 to 8 p.m. at the Country Club and a dance from 8 p.m.-midnight.

Anyone who graduated from any of the classes are urged to send in their invitations and come enjoy all of the activities.

Rambos to instruct dance

Bob and Dee Rambo, from Snyder will be the instructors for a new Country & Western Dance Class beginning September 20, from 7-9 p.m. at the Wallace Center.

Each night a new dance will be taught. The class will meet each Tuesday night for six weeks. The fee for the course is \$25 for couples and \$15 for singles.

Basic steps in "Texas Two-Step," "Schottische," "Cotton-Eyed Joe," "Waltz," "Put-Your-Little-Foot," and "Dallas Four Corners" will be taught.

To enroll for the class, you must come by the Wallace Center. Six couples must be pre-registered for the class to begin. For more information, you may call the Wallace Center, 728-2392.

Robie Raschke and Scott Free Engagement announced

Mr. and Mrs. Alton Raschke announce the engagement of their daughter Robie Anne Raschke to Scott Free, son of Mr. and Mrs. Paul D. Free.

The couple plan to exchange vows on De-

cember 31 at 2:30 p.m. in the First United Methodist Church of Colorado City.

The bride-elect is attending Angelo State University and the future groom is attending TSTI in Sweetwater.

CHS

From Page 1

mates. The young ladies are Becky Albin, Laura Baum, Carla Calaway, Christine Castillo, Patricia Martinez and Robyn Turner. The winner will be crowned at half-time of the Wolves-Mustangs game.

Other activities planned at CHS is "Beat a Mustang Week." Every day students will dress in different outfits commemorating the theme of the day. Some of the themes are "Socks it to 'em Week," where everyone wears crazy socks. "Double-Trouble with the Wolves" is the day students come dressed like twins, and

Friday is "Color us Number One" where students wear red and black.

Thursday night at 8 p.m. everyone will gather together at the bonfire at the rodeo arena west of town. The wood will be taken to the arena at 4 p.m., Thursday afternoon. Anyone who has any wood to donate can call the high school and someone will come to pick it up.

Friday afternoon after school, the annual Homecoming Parade will take place beginning at First Baptist Church and ending at the courthouse.

Bake-Off

From Page 1

\$50 worth of groceries from Fuller Foods.

This year's contest will feature five categories, with a judge for each category. All judges will be from out-of-town. Judging will begin at 5 p.m. Entries will be taken from 2 p.m. to 5 p.m. Saturday. Decisions of the judges are final.

Each person who places first in their category (cakes, breads, pies, cookies and candy) will be eligible for the five grand prizes. Those placing 2nd, 3rd, and 4th in each category will receive gifts ranging in value from \$8 to \$20. These entries will become the property of the Bake-Off and will be auctioned off later in the day, the proceeds to go to the Mitchell County Day Care Center and the Chamber of Commerce.

All other entrants who would like to donate their item to the auction are invited to do so. Last year's Bake-Off netted over \$600 for the Chamber of Commerce. to the finals.

There is no age limit, and the contest is open to men, women, boys and girls, so come on out and give it a try.

Entries should be placed on a disposable material such as paper plates. Fair management won't be responsible for contestants' plates or utensils.

For more chances to win, you may enter each category once. How-

ever, if you win in more than one category, only one winner will advance.

For more information, call the RECORD office at 728-3413 or Marian Morris at the County Extension Office, 728-3111.

White invites Block to drought areas

Governor Mark White invited U.S. Agriculture Secretary John Block to visit drought-ravaged West Texas after their Friday meeting in Chicago failed to produce federal aid for Texas farmers.

Governors and other officials from 29 states

met with Block to discuss drought-related problems plaguing the Midwest and Southwest. Governor White described Friday's meeting as a "disappointment."

In renewing his request for federal assistance, Governor White said the state's farm-related problems are not confined to West Texas. He said Hurricane Alicia damaged East Texas rice crops.

1st Methodist to celebrate 200th birthday

The First United Methodist Church, United Methodist women are going to celebrate their 200th birthday with a picnic Sunday, September 18 from 6:30 to 8 p.m. on the church grounds.

Everyone is encouraged to wear old fashioned clothes, bring folding lawn chairs and picnic lunches of sandwiches, chips, fried chicken and desserts. The drinks will be furnished.

Ann Beaty, entertainment chairman, said a short program on history of local WMU will be presented.

Kids will be able to play in the playground and everyone is invited to attend.

Gunfire

From Page 1

apparently Ms. Turner was the only one hit. Sheriff Bryant says that Ms. Turner may have been shot by mistake, that the bullet may have been intended for someone else.

The dispute was between truck stop management and Cafe management, Sheriff Bryant says.

"We're not holding anyone at this time," Bryant says, "but we will be filing some charges the first part of next week. We're still working on the case."

PUBLIC NOTICE

A filing with the Public Utility Commission of Texas (PUC) has been made by Texas Electric Service Company, for fixed fuel factors pursuant to the formula set forth in PUC Sub. Rule 052.02.03.033. This rule provides that no automatic fuel adjustment clauses will be allowed in the tariffs of investor owned utilities. Fuel costs are subject to reconciliation as provided by the Rule. Protests or requests to intervene should be sent to the Public Utility Commission of Texas, Docket No. 5294, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757.

Marian's Memos

By Marian Morris

Over the years, crepes have come to be identified with fine dining and elegant entertaining. These very thin pancakes, which can be filled, rolled, and then sauced, are used to create an enormous variety of appetizers, entrees, and desserts. Even though the word "crepe" is French, many cultures have developed dishes which resemble crepes—Italian cannelloni, Mexican enchiladas, Russian blini, and Jewish blintzes. Basically, there are two kinds of crepes:

those for appetizers and main courses, and those for desserts. The only difference between the two is that dessert crepes are made with sugar in order to complement either tart or sweet fillings. The beauty of making crepes is that you can prepare them in large quantities, freeze them, and then use as many or as few at a time as you wish. Making crepes requires few utensils. You will need a mixing bowl, a spatula, and a whisk or wooden spoon (if you plan to beat the batter

by hand), or a kitchen blender. Use a low-sided pan or skillet, six to eight inches in diameter. It is not necessary to use a special crepe pan or one with a non-stick surface. However, if you use a pan in which you cook highly-seasoned foods, be sure that you remove any excess oil which may have absorbed previous cooking odors.

After you have combined the ingredients, let the bowl of batter stand at room temperature for one or two hours. Refrigerate it if you are not expecting to cook the crepes within that time. This resting period allows the flour to absorb moisture, the gluten structure of the flour to relax, and any bubbles in the batter to collapse. One or two hours of resting is considered optional for hand-beaten crepe batter, but is a good idea no matter how you mix

your ingredients.

The heat of the pan is one of the most important factors in successful crepe making. Generally, the heat should be moderate and evenly spread over the cooking surface. Finding the correct temperature setting on your range may require a bit of trial and error. Use the water-drop test to gauge temperature. Sprinkle a few drops of cold water on the pan. If the drops simply stand and boil, with little or no movement, the surface is not hot enough. If the water vaporizes almost instantly, the pan is too hot. When the water drops skitter or dance on the cooking surface, the pan will be at the correct temperature.

Once the batter is prepared and the pan has reached the correct cooking temperature, the procedure of actually making crepes takes very little time. Use a small ladle or a large spoon to measure about two tablespoons of the batter and pour it into the pan. Immediately raise the pan off the range and use a twisting motion of your wrist to swirl the batter gently so that it covers the surface of the pan evenly. This will ensure a properly formed crepe that cooks consistently throughout.

How do you tell when the crepe is cooked? It should have the transparent quality of fine bone china and a lacy-looking surface on the first side to be cooked. A few tries should help you get the hang of the procedure.

Crepes should not be stacked on top of one another or they may become soggy and stick together. Insert pieces of waxed paper between crepes to facilitate separating them without breaking or tearing the

delicate pancakes. When you freeze a stack of crepes, wrap them in a plastic bag, foil, or a rigid container.

Once you have prepared the pancakes, the variety of filled crepes you can create is limited only by your imagination. Make crepes two at a time if serving yourself, or cook them by the dozen for a dinner party menu. Two crepes is the normal serving size for each person.

Crepes can be folded or rolled in one of three basic ways. The most popular form is a long, thin roll, open at the ends. Flamed dessert crepes, such as the traditional Crepes Suzette, usually are folded into triangles. Yet another way to make filled crepes is to fold them into pockets.

Storing filled crepes in the freezer generally is not a good idea. Many crepes will become soggy because they absorb the liquid of the filling. Freshly filled and sauced crepes will have a much better consistency and flavor than leftovers.

The Texas Agricultural Extension Service serves people of all ages regardless of socio-economic level, race, color, sex, religion, or national origin.

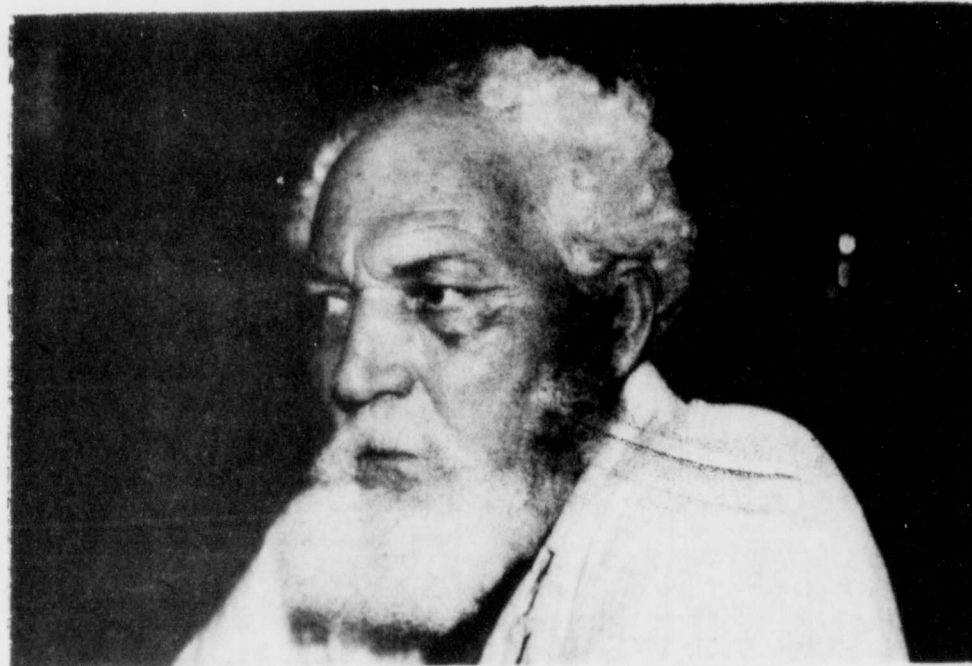

Westbrook VFD August fire report

The Westbrook Volunteer Fire Department answered four fire calls during the month of August.

On August 8 an alarm was received at 4:30 a.m. reporting a grass fire one mile east of Westbrook. The Colorado City Volunteer Fire Department along with the WVFD answered the call.

On August 8, a grass fire was reported at 8:30 a.m. 5 miles northwest of Westbrook at the Morrison place.

On August 27 at 8 p.m., another grass fire alarm was called in at the Morrison place, four miles north of Westbrook. CCVFD also answered the call. The following morning at 9:30 a.m., the fire department went back to the fire because the winds had rekindled the blaze.

Charlie Proctor

Retired railroad worker creates figures from spikes

What happens to old spikes when they retire from working on the railroad? Come to the Mitchell County Ag Barn October 8 and 9 in Colorado City to see what Charlie Smith of Proctor, Oklahoma sets them to doing.

Something about the old spikes piled in rusting disarray or lying forlornly along the railroad bed struck a chord in Charlie's heart. They looked like lonely little old men! Being a welder, he decided to try his

hand at putting them to doing things and surprised himself with his own ingenuity! Starting with a golfer for his son and a bowler for his daughter-in-law, ideas came thick and fast. He has been asked to make special "spike men" for several famous people.

They are reminiscent of a haunting memory of bygone days when rail travel was a way of life, the dusty, deserted depots were bustling centers of activity. The old nails are reminders of a

lusty era in the history of our great country, and it is especially appropriate that Colorado City will have this booth at its 1983 Railroad Arts & Crafts Roundup. The Railroad Roundup is so named in recognition of Colorado City's status as one of the largest shipping centers west of Fort Worth in the 1880's.

Volleyballers fall to tough Abilene Cooper

The Colorado City Wolves varsity volleyball girls ran into some more tough competition as they fell to the Abilene Cooper Cougars 15-12, 15-4, but in the process they put on a much better performance than in their last outing versus Andrews.

The Wolves gave a tough Cougar squad all they wanted in the first match before finally bowing out. In fact, the home team held as much as a five point lead before Cooper rallied for the win. The Abilene school came into the contest with a 6-2 record, while being rated in the top 20 in the class 5A polls.

The Wolf Pack showed signs of brilliance throughout parts of the

contest. Their efforts were nothing like their previous lackluster performance in which Andrews "drilled" them 15-6, 15-1. This night the Pack was aggressive, challenging and sometimes getting the best of the powerful Cooper front line.

Team captain Laura Baum along with sophomore Sherry Fite and Denise Jackson, keyed a charge in the first match that gave the Cougars all they bargained for. The Wolves relayed the ball well and setter Traci Blackwell who led the team with 13 sets along with Sheri Morris, Carla Calaway and Chris Castillo, all set the ball well. Spiker Lynn Scott kept the Cougar defense off balance with

her timely dink shots.

In the first match with the score tied at two, the Wolves started a surge and it looked like an upset. Morris started the ball rolling with a point. She added another point thanks to a Baum kill plus another point and the lead was 6-2.

Following a Cooper point, Baum added two quick points thanks to erratic Cooper ball handling and their lead was 8-3. Cooper added another point and the Pack countered with a Blackwell service point thanks to a down the line spike by Jackson, and the lead was 9-4.

That's when the visitors made their run at the Pack thanks to some Wolf miscues and some

fine spiking by Cooper's Tracy Scott who downed three spikes during the surge which netted the 'Coogs eight unanswered points and the lead, 12-9.

Cooper added two more points for a 14-9 lead, but the Pack broke service and made a short surge of their own. Scott aced the middle of the 'Coog defense and added another point before service was broken. Cooper could not score and Baum's point drew the Pack to within two. On that point, Fite went high over the net and stuffed a Scott kill attempt. But Cooper finally added another point to earn a 15-12 win.

In the second match, Wolf coach George Mar-

tin substituted a fresh squad and the Pack started having problems as Cooper jumped to a quick 10-0 lead. Jodi Mann added a little spark to the Pack attack as she served three consecutive points. Baum would later add another tally but this was to be the Cougars' game as they won handily 15-4.

The Wolves' effort left coach George Martin pleased. "Everyone played well. We had good relay passes and set the ball well. In that one

stretch I was much more impressed with our play than in the win over Sweetwater," said Martin. The Wolf mentor said that in the future, his team will be experimenting with the 5-1 offense. The Wolves currently run a 4-2 offense.

The loss drops the Wolves record to 1-2 for the season. Senior spiker and captain Robyn Turner will be lost for approximately two to three weeks due to a dislocated shoulder suffered during cheerleading workouts.

The junior Wolves fell to Cooper 15-4, 15-3, to drop their record to 1-2.

Yvonne Lujan, Jody Huff, Cheryl Bentley and Yolanda Lee all scored points. Huff and DeLoera were leading spikers for the Pack.

The freshmen squad captured their second win in three tries as they downed Sweetwater 15-10, 15-13.

Leading spikers in the contest were Robin Edwards, Hollie Tarter,

LaAnne Parker and Kelly Beights. Top setters were Carmen Reyes and Cynthia Walker. Parker led the scoring with 11 points and Edwards added five. Others serving points were: Walker, Becky Westbrook, Sally Mendoza, Mary Salazar and Lana Bedell.

The Wolves next action will be Monday at Wolf Gym as the freshmen take on Water Valley at 5:30 p.m. and the varsity follows at 6:30 p.m.

Seventh grade captures win

The seventh grade "A" volleyball team was the only local squad to gain a season opening victory in Sweetwater Monday.

The seventh grade, coached by Debbie Goforth downed their opponents 11-15, 15-11, 15-7. In the first match, Sweetwater jumped out to a 4-1 lead and stretched it to 6-1 until C-City's Shelia Monroe scored four-in-a row to cut the lead to 6-5.

Sweetwater then stretched the lead to 11-5 until Amanda Salmoran scored four points to narrow the lead to 11-9. Sylvia Alvarez added two more points, but Sweetwater went on to the victory.

In the second match, the wolves jumped out to a big lead thanks to a point by Mary Reyes and four more by Monroe. Aundra Weatherly, Salmoran and Alvarez

served points and the lead was 10-8 after the first round of serves. Darla Gregory ended the contest by scoring the final three points as the Pack took a 15-11 win.

In the final contest, Weatherly and Amy Rodriguez keyed the win as they combined for eight points to give the Wolves the win.

The seventh grade "B" team lost in two straight matches 15-3, 15-13.

In the first match, Amy Aguilar scored two points and Yvette Lujan served one point. In the second match, Lujan scored four points, Delia Aguilar three and Elia Aguilar two points.

The eighth grade "B" team fell in two consecutive matches, 15-12, 15-8.

Sweetwater jumped out to a 9-2 lead in the first match and the Pack battled back behind five points by Hilda Rodriguez but it was not enough.

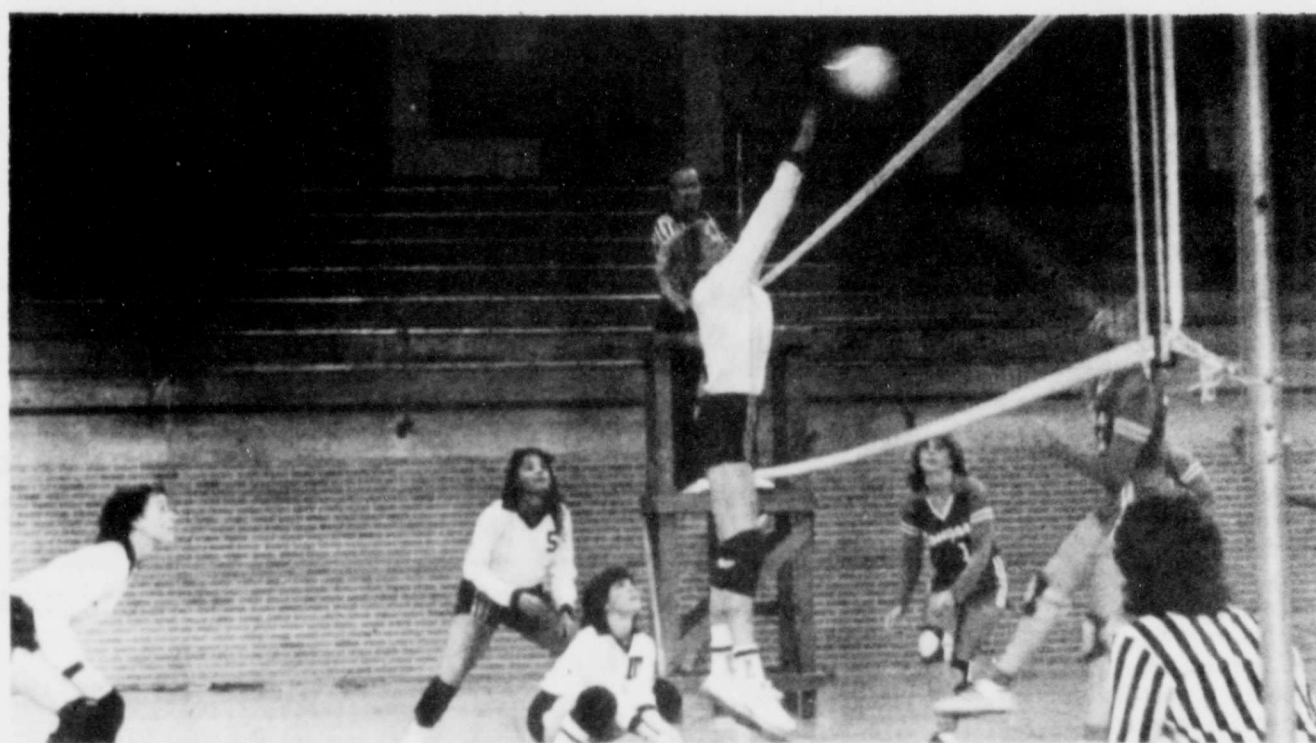

In the second match, Mary Molina scored three points and Trisha Phillips scored two points. Coach Kathy Marshall credits Rodriguez and Tori Weatherly as having the outstanding games for the squad.

The eighth grade "A" team fell to the Mustangs 10-15, 16-14, 5-15.

Maria Coronado led the scoring in the first match with four points. In the second match, Sweetwater jumped out to a commanding 10-1 lead before the Wolves rallied.

They came back and cut the lead to 13-11, and went on to take the lead and the match on five points by Coronado and Yolanda Salazar. Coronado and Debra Luera led the scoring that match with four points each.

In the tie-breaking game, Sweetwater jumped out to an 8-1 lead and never looked back. Marshall credits Coronado and Misty Strain as having outstanding games for the squad.

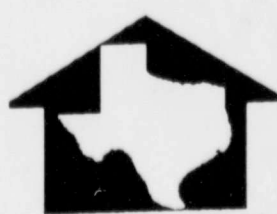

BLOCK-Wolf Sophomore Sherry Fite goes high to reject a spike by a Cooper opponent in Tuesday night action. Ready for action are Denise Jackson (5), Traci Blackwell (10) and Sheri Morris.

TOUCHDOWN CELEBRATION—Don Randle and Doug Chitsey (7) give the high five following Randle's 23 yard scoring pass from Chitsey. Joining in the celebration is Larry Hamilton (20).

Wolves scalp Indians, 35-14

The old saying "Better late than never" applied to the Wolves in their contest versus Seminole here Friday night.

It took the Pack three quarters before they could finally get their chemistry together as they erupted for four fourth quarter touchdowns as they went on to defeat the Indians 35-14 in their first contest in front of the home crowd.

A gutsy Seminole squad gave the Pack all they could handle in the first three stanzas as the Pack did as much going backwards as they did forward. The red and black were hindered by penalties and a swarming Indians defense. For the night the Wolves were whistled for nine infractions for 110 yards and clung to a precious 7-6 lead at the half.

About the only way C-City moved the ball in the first half was through the air. Wolf quarterback Doug Chitsey hit receiver Dennis Rivera and tight end Don Randle for 56 yards in the half. The Wolf rushing attack which was so dominant in the season opener was held to only 40 yards, and accumulated only 117 yards the entire game.

Seminole dominated the first half as they held the ball for nearly three-fourths of the time. The Indians racked up 139 yards in the half including 88 passing, thanks to the combination of quarterback

Herby Rios to split end Pete Aguilera.

In fact, the score could have been in the visitor's favor if they had taken advantage of their opportunities. Two times they were inside the Wolves' 20 and both times they came away empty handed. D. Rivera's first of three interceptions killed the first drive at the Wolf nine, and the second drive stalled when the snap went over the holder's head on a 25 yard field goal attempt.

But the Seminole dominance would cease in the second half as a stingy Wolf defense led by end Randle, tackle Fred Dakan and the entire secondary composed of D. Rivera, Armando Rivera, Gary Marsh and Michael Lura held them to only 52 yards.

Just like last week, the Pack started the game out with a bang. Following a Raymond Bassinger fumble recovery at the Wolf 37, the Pack launched a 63 yard scoring drive. First Chitsey ran for a first down and then found Rivera for 13 yards and another first down.

With a third and five from the Seminole 23, Chitsey dropped back and found Randle open over the middle at the 15. The big tight end "waltzed" the remainder in for a touchdown. D. Rivera's PAT was good and the count was 7-0 with 5:47 remaining in the first quarter.

Late in the first stanza, disaster struck the Pack. Chitsey's attempted pass to Randle at the Wolf six was picked off by Aguilera and he strolled in for the touchdown. The PAT was blocked, and the score was 7-6 with :42 remaining in the first quarter.

The remainder of the half was spent with both teams jockeying for position with Seminole having the upper hand. But the Wolf defense always shut the door before the Indians could get through.

The Pack's defense came out dominating the third quarter. The visitors moved to the Wolf 45 and Rivera intercepted his second pass of the contest. The Pack moved to the Indians 45, but a fake punt attempt was stopped.

In the fourth quarter, the fireworks started happening. Following a 17 yard punt return by A. Rivera down to the Seminole 40, the Wolves struck paydirt. Chitsey again found Randle open in the left flat and tossed a short pass to him. The big junior rambled in to complete a 34 yard scoring play. Rivera's PAT was good.

Just as the fans settled back in their seats, the ever-present Aguilera fielded the kickoff at his own 20. He burst up the middle and then headed for the left sidelines. He appeared stopped around the 40, but then burst out of the See WOLVES, Page 7

CONTACT—Wolf cornerback Gary Marsh puts a hard hit on Seminole receiver Pete Aguilera after Aguilera caught a pass. Closing in on the play are Perry Conner (10) and Edward Rivera (81).

TURNING THE CORNER—Wolf running back Larry Hamilton goes around the end versus Seminole Friday night. Throwing a block for Hamilton is Edward Rivera (81).

Wolves

From Page 6

pack and stepped off the remaining 60 yards for an 80 yard kickoff return. Lightning had struck twice in one minute's time. Rios pass to

Joe Alvidrez was good and the score was tied 14-14 with 11:35 remaining in the contest. But the Pack had some lightning planned

of their own. From the 42 yard line, Chitsey found D. Rivera behind the secondary for a 33 yard gain down to the Seminole 23. On the next

play, the junior quarterback found receiver Lura over the middle for 21 yards down to the two. Chitsey got the scoring honors from the

two, and the Pack had retaliated in 1:28. Again the PAT was good and the lead was 21-14.

A fired up Wolf defense stopped the first running attempt for no gain. On the next play, Rios was hit and Marsh recovered the pigskin at the Indians 21. Then the Wolves did a good impersonation of how to go backwards.

A clipping penalty and a fumble in which the Wolves recovered moved the ball way back. Facing a third and 29 from the 40, Chitsey dropped back and again found Rivera behind the secondary for his third scoring pass of the night. The PAT was good and the score was 28-14 with 8:20 remaining in the contest.

Following D. Rivera's third interception of the night at the Wolf 37, the Pack launched their second 63 yard scoring drive of the night. Again Chitsey and Rivera hooked up for a 19 yard

pass completion. Running back Kevin Norman then rambled for 17 yards down to the Indians 20. Facing a fourth and two from the 12, Chitsey carried the ball down to the five. Two plays later, Larry Hamilton went in from the three. The PAT was good which ended the scoring for the night.

Chitsey had a super night throwing the ball completing nine of 16 passes for 219 yards. Rivera was on the receiving end of six of those passes for 140 yards. Randle grabbed two passes, both of them for touchdowns adding up to 57 yards.

The Indians defense held the Pack's rushing attack in check for most of the night. Norman gained 59 yards on 12 carries. For the second consecutive week, the Wolf defense held their opponents to less than 200 yards total offense (191).

The win moves the Packs record to 2-0, while Seminole falls to 0-2.

GOOD CATCH—Wolf wide receiver Dennis Rivera hauls in one of his six receptions versus Seminole Friday night at Wolf Stadium. For the night, Rivera caught six passes for 140 yards and one touchdown. On defense he intercepted three passes.

Bulldogs lose 2nd game

The Robert Lee Steers handed the Loraine Bulldogs their second defeat of the year Friday night in Robert Lee by a score of 27-6.

The Steers jumped out to a commanding 20-0 halftime lead using se-

reen passes to set up their scores.

In the second half, the Bulldogs played the Steers on even terms but the first half deficit was too much to overcome. Loraine was without the services of linebacker

and leading tackler Buck Trice because of a hand injury, and quarterback - linebacker Tony Morris had to leave the game because of a dislocated shoulder.

The Bulldogs only score came late in the

fourth quarter following a 60 yard pass from James Griffin to Joe Espinoza. The play carried to the Steers one foot line. On the next play, the Bulldogs were penalized for five yards. Griffin then took the ball in on a sweep.

Bulldogs coach B. D. Trice said that penalties hurt his team as they had 95 yards in penalties. The 'Dogs suffered two interceptions in the contest.

Trice said that line-men Phillip Sanders and Shane Vallery had good games. On defense, Griffin and Morris played well.

The loss drops the Bulldogs record to 0-2 for the season.

After the victory

Quarterback Doug Chitsey: "We were a little lax the first half. We didn't come out real good. We came out thinking that we kinda had it won. They really put it to us the first half. In the second half, we came out ready to go. On one pass to Dennis, it was a 54, which is an out and up sideline pattern. But most of them were sideline passes. The corners were sucking in on Don (Randle) and leaving Dennis wide open. On the interception, I was trying to throw the ball to Don. I did something I did a lot last year, I got the ball down and my steps weren't right."

Dennis Rivera, receiver and safety: "They had that quick receiver and he was just running out patterns. On the interceptions, I just turned to where I was supposed to be and the ball was just there. In the first half, we weren't breaking on the ball quick enough. We all got together and started doing it."

Offensive and defensive lineman Fred Dakan: "We had about six good plays that Coach Robinson gave us and we shut down the running game. Their offensive linemen weren't that good, they were all young. We took them too lightly. Monday and Tuesday this week we were still thinking about Slaton."

Head coach Tom Ramsey: "I thought the kids were ready to play. I think that Seminole had a lot to do with our not being able to go after it. They had a pretty good ball club. I think they out quicked us tonight. We are going to have to stop making a lot of penalties. We got ourselves into a lot of bad situations tonight. They played pretty good defense on us. They made us air it out. I think we threw for something like 230 yards. But the game was closer than the score indicates."

Tight end and defensive end Don Randle: "On the first touchdown, it was a seam pass to me. We had been working alot on it. On the play, Doug couldn't

hit his Z (receiver) so he just dumped it over to me and I just ran it in. We took them light. We found out that in the second half we were going to have to go out and take these boys. We wanted it. This is the first time Colorado City has been 2-0 in a while."

Biggs, Cambell exchange vows

Sharon Renee Biggs and Christopher David Cambell were united in marriage during a double-ring candlelight ceremony in the First Baptist Church of Dallas on August 20 with the Rev. John Pleitz officiating the ceremony.

Parents of the couple are Mr. and Mrs. Jack Biggs of Houston. Mrs. Biggs is the former Juanita Hodges of Colorado City. The groom's mother is Mrs. Linda Fox of Wichita Falls. Grandparents of the bride are Mrs. Nettie Hodges and the late Ben Hodges of Colorado City. Grandmother of the bride is Mrs. Fay Martin of Biloxi, Miss.

The bride wore a designer white embroidered silk gown with a beaded pearl bodice and a carriage hat with a

full veil.

Serving as maid of honor was Kathy Hartman of Fort Worth. She wore a mauve pink gown that was accented with an off-the-shoulder pleated ruffle.

Attendants were Georgia Thompson cousin of the bride from Dallas, Dana Troutt of Fort Worth and Lesslee Fitzmorris of Covington, La. They wore dresses identical to the maid of honor.

Best man was Scott Cambell brother of the groom of Dallas, Jeff Cambell, brother of the groom of Dallas, Kenneth Fox of Dallas and Mark Biggs, brother of

the bride of Houston.

The bride attended Texas Tech University where she was a member of Zeta Tau Alpha Social Society.

Following a honeymoon trip, the couple will reside in Dallas.

Out of town relatives of the bride attending were Mr. and Mrs. Alton Hodges and Lisa Hodges cousin of the bride of Houston, Viva Smith, great aunt of Palm Desert, CA, Viva William-

son, great-great aunt of Corsicana, Bethanne Briesacher, cousin of New Orleans, LA and Doris Hanson, great aunt of San Antonio.

Loraine Booster Club to meet Tuesday

The Loraine Booster Club will be meeting this Tuesday at 7 p.m. at the Loraine Public School library.

New officers have been elected for the upcoming year with Marsha Rickard being named president; Richard Cooper, vice-president; Charlene Sanders, secretary and Ray Preston, treasurer.

A membership drive has been started and all Loraine residents are encouraged to join the organization. The Booster Club is a group that backs up all athletic participants at Loraine.

Annual club dues are \$7.50 per family and \$5 per person. Anyone wishing to join the Booster Club should get in touch with an officer or member of the organization.

Also plans have been made by the club to sell cakes at halftime of all the home games. The money raised from these sales will go toward buying the player's meal after out-of-town contests.

The club also agreed to put signs in the yards of all the athletic participants.

News from... Westbrook 8th Grade

By JAMES WOODS & AMY HARRISON

As a result of the much needed three day Labor Day weekend, Westbrook 8th graders returned to school on September 6 to resume classes tired, sunburned and snotty nosed.

On September 7, fifteen minutes of the first class was set aside to elect the new class officers.

The new officers for the 83-84 school year are as follows: President or "Leader of the Pack," Veronica Lopez; Vice-Presidents or "Junior Leaders of the Pack," Ronda Kelly, Ramiro Fuentes and Ruben Cantu; Treasurer or "Money Counter," Clayton Cannon; Recording Secretary or "Writer of Words," Neal Ginking; Corresponding Secretary or "Writer of Letters," Joel Rodriguez; Reporter or "No-sie Rosie," James

Woods and Amy Harrison; Fair Project Chairman, Frankie Fuentes; Chaplain, Buddy Lopez; Pot Banger Extraordinary, Kate Walls; Carnival Chairman in charge of Beggin' and Diggin, Jr. Levitz; Christmas party chairman in charge of Santa's Letters, Scott Jacob; End of School Trip Chairman, Donna Henry; Student Council Members, Jeannie Rogers and Jimmie Kelly.

The 8th grade class will soon begin work on fair projects to be entered in the Mitchell County Fair September 28-October 1.

Annuals went on sale last week. It has been fun signing them and thinking of really rugged things to say. We would like to thank all of the businesses who advertised in the 1983 annuals keeping our price at \$2.

Until next time...

Roach to give makeup and fashion show at Wallace

Winnie Roach with the Merle Norman Cosmetics Studio will present a Fall Makeup and Fashion Seminar at the Wallace Center on Wednesday, September 14. Two sessions will be offered beginning at 1 p.m.

Lunch will be served at noon for only \$1 for all attending. All ladies of the community are invited to attend.

The Makeup and Color Session will include a demonstration on taking the colors you already have and show how to coordinate them.

Color customizing your present wardrobe. Coordinating eyes and hair with wardrobe. Guidelines to find your colors, (a personal makeover will be done).

The Fashion Session will include showing what line of clothes looks best to accent the positives and minimize the negatives.

Handouts and favors will be available.

Please call the Wallace Center, 728-2392, to make reservations for the luncheon by Tuesday, September 13.

Cook's Corner

Ray Anne Carlock

Ray Anne Carlock did not start cooking until she was married. "Because I was a young bride, I really learned by trial and error and by calling my mother a lot."

She said she really enjoyed cooking when her family is home or for guests. "I really like fixing a big Sunday dinner for my family."

She has two sons, Tom of Colorado City and Jim of Ranger.

"I used to cook quite a bit when my kids were at home. When I prepared a meal, I followed the cliché used by Pillsbury, 'nothing says loving like something from the oven.' I usually baked everything that was chocolate."

Her favorite things to cook are casseroles that

you can fix ahead of time. "Being a working woman, I don't always have time to prepare a dinner, so casseroles are really convenient. My husband also helps out in the kitchen."

She said she had an enormous collection of recipes and each of them was especially dear to her if they had been handed down through her family or given to her by her friends. Her recipe for Mock Birds was given to her by her aunt. "It has a very unusual taste and is interesting to prepare."

Today she is sharing that recipe plus four others of her favorites with RECORD readers.

MOCK BIRDS

Large cut tenderized round steak with fat and bone removed. Cut into 2½"-3" rectangles or triangles. Spread mustard on top side, salt and pepper. Roll small sour or dill pickle inside the meat. Secure with two uncolored toothpicks to fashion "legs." Dust rolled birds in flour and brown slightly in hot fat. Drain unused fat from pan and cover "birds" adding ½ c. water to

Carlock learned by trial and error

steam. Bake 350 degrees for 35 minutes until tender. Dripping makes a "different" taste and use gravy if desired. Serve with rice or stir-fried vegetables.

1 LAYER DEVILS FOOD CAKE

3 T cocoa
¼ oleo or 2 T Crisco
½ c. boiling water
Pour water over Crisco and cocoa to melt.

Then stir in 1 c. sugar into 1 c. flour, sifted

once. Add to this ½ teaspoon soda. Add cocoa mixture. To this add 1 beaten egg and ¼ c. buttermilk and 1 t. vanilla. Pour into prepared 9½x10 or 11" pan. Bake at 350 degrees.

ICING

In small sauce pan, mix 1 c. sugar, 3 T. cocoa, one-third c. milk. Cook, stirring only until it begins to boil. Boil one minute—do not stir. Remove from heat, add

large T. oleo and 1 t. vanilla and beat until almost fudge. Spread on cooled cake.

MONKEY BREAD

1 cup warm water;
add 2 pkgs. yeast
1 cup mashed white potatoes

Two-thirds c. sugar
½ c. Crisco
2 unbeaten eggs
1 t. salt
1 c. scalded milk
5-6 c. sifted flour
Combine all of the

above with alternating measurements of flour and milk ending with flour. Let rise slightly, kneed, roll ¾" thick, cut into strips. Dip in melted oleo. Layer in pan. Do not let rise again. Bake 10 minutes at 300 degrees then 40 minutes at 400 degrees.

POUND CAKE

1 can Solo Poppy Filling
1 cup butter
1½ c. sugar

4 eggs separated
1 t. vanilla
1 c. sour cream
2½ c. sifted flour
1 t. baking soda
1 t. salt

Cream butter and sugar until light and fluffy. Add Poppy seed filling, add egg yolks one at a time, beating well after each. Blend in vanilla and sour cream. Sift together flour, soda and salt. Add gradually to above mixture beating

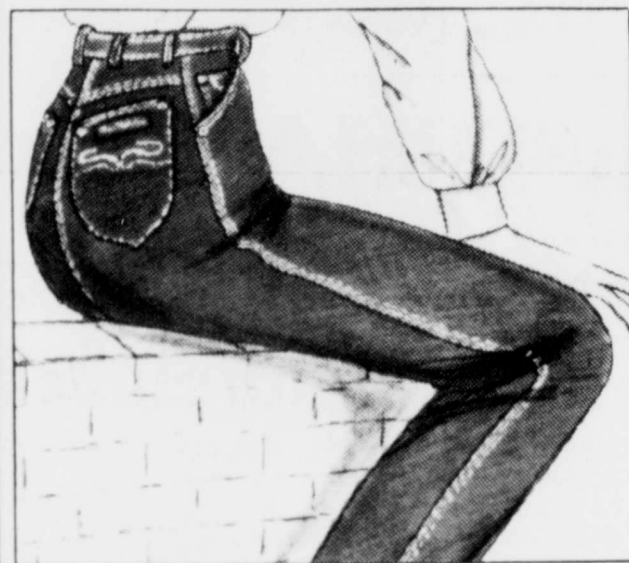

well after each addition. Fold in stiffly beaten egg whites. Pour into greased tube pan which has the bottom lined with waxed or foil paper. Bake 350 degrees for about 1 hour and 15 minutes, cool for 5 minutes. Remove from pan, peel off paper and dust top with sifted confectioners sugar.

"Pour the coffee and call me!"

Ray Anne

Economic Injury Disaster Loans to be available

Congressman Charles W. Stenholm (D-Stamford) announced that Economic Injury Disaster Loans (EIDLs) will be made available from the U.S. Small Business Administration (SBA)

to small businesses in five counties in the 17th Congressional District.

The five eligible counties in the 17th District are Coke, Howard, Martin, Mitchell and Nolan.

"These counties have suffered severely from the current drought in West Texas," Stenholm said. "Rainfall in this area has been far below the norm for several years. Because agriculture is the foundation of the economy in so much of West Texas, many

small businesses have been damaged, through no fault of their own.

"The SBA disaster loan assistance is being

made available to small firms which depend heavily on farmers and ranchers for their economic health," Stenholm said. To qualify for the SBA loans, issued at 8 percent interest, an applicant must have been refused credit elsewhere and must supply information about other financial resources available to that business. The economic damage due to drought must

have been suffered since January 1, 1983. The deadline for filing an application with the SBA is February 16, 1984.

The Farmers Home Administration announced on August 16 that emergency disaster loans are available for agricultural producers with range and pasture losses in these five counties. The FmHA loans are also made at eight

percent interest.

Operators of agriculturally-related small businesses in the affected area should contact Bill White at the BA District Office in Lubbock for more details on the EIDL loans. The office is located at 1611 Tenth Street, Suite 200, Regency Plaza, Lubbock, Texas 79401, phone (806) 743-7502.

In all, the SBA has declared 20 counties in West Texas eligible for EIDLs. The remaining counties are: Andrews, Brewster, Crane, Culberson, Ector, Jeff Davis, Midland, Pecos, Presidio, Reagan, Sutton, Terrell, Upton, Ward and Winkler.

In addition to these 20 counties, the FmHA loans will also be made available in Reeves, Loving and Schleicher counties.

SEVERAL OF THE ROOT VALLEY FAIR LODGE residents were given a special treat on Thursday, September 8. Mrs. Herschel Williams of Loraine brought some Pekinese and Bulldog puppies for the residents to cuddle. Here (left to right) are Mary Rogers, Margaret Clark and Jewel Richter holding the puppies.

TAES field day to be held Sept. 13

Scientific detective work which has just led to the release of seven new drought-tolerant germplasm lines of cotton will be spotlighted at the 74th annual field day of the Texas Agricultural Experiment Station (TAES) in Lubbock, Tuesday, September 13.

Research efforts to develop plants with above-average tolerance to drought stress have

been ongoing for many years at the Lubbock center, just north of Lubbock International Airport on FM 1294. They have consisted of cooperative efforts in a multidisciplinary Plant Stress and Water Conservation Research Program involving TAES, the U.S. Department of Agriculture-Agricultural Research Service, and Texas Tech University.

The work will be featured at one of the four major stops for visitors to the Tuesday field day at the Texas A&M University Agricultural Research and Extension

Center. Dr. Charles Wendt, professor of soil physics, and Dr. Jerry Quisenberry, cotton geneticist and TAES director of the USDA-ARS group, will explain the work.

This stop will be alongside the rainout shelters which the scientists use to provide controlled water and stress conditions for the tests. The seven new germplasm lines will be on display.

"In these shelters, we're looking at the basic mechanisms of drought-tolerant cotton," Quisenberry said. He explained that a cotton plant normally has four xylem bundles, or vascular systems, which draw water from the soil. But some exotic varieties have as many as six.

From an initial germplasm source known as Texas 25, which has five vascular bundles, the scientists went on to develop and release the seven new drought tolerant varieties.

Other work being conducted in the rainout shelters, Wendt noted, includes screening of exotic cotton types by USDA, early season drought tolerance in grain sorghum, screening of turf samples for drought tolerance, late season drought tolerance in grain sorghum, and the

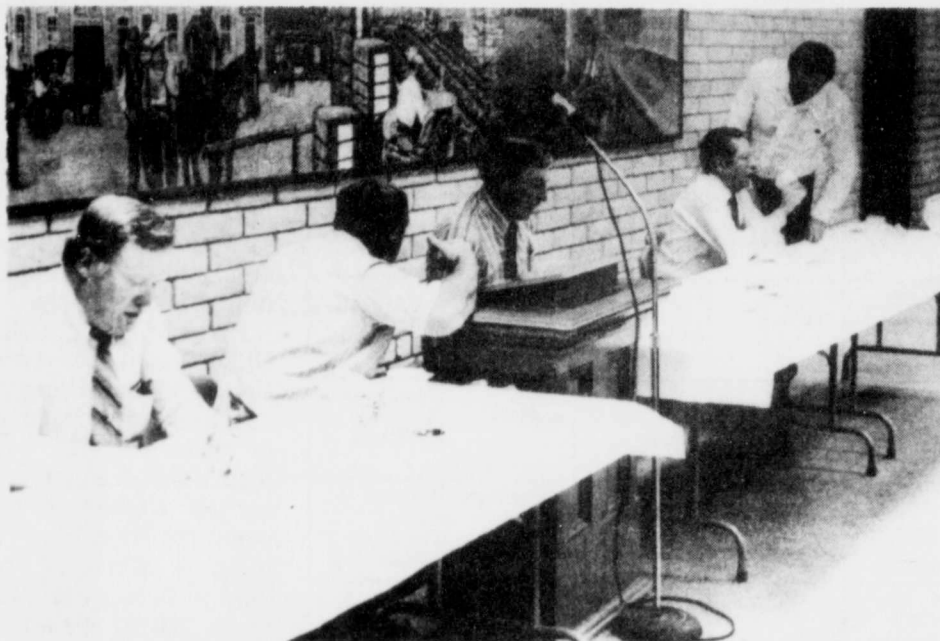

influence of growth regulators on water use in cotton.

In addition to the drought-tolerance, major stops will include weed control, grapes and development of cotton varieties to improve yield and fiber quality.

The field tours will begin at 1 p.m. and continue until 5 p.m., said Dr. Don R. Rummel, TAES associate professor of entomology and field day chairman. Prior to the tours, newly completed research and educational facilities at the center will be dedicated at 10 a.m.

Visitors also will be able to tour the Soil Testing Laboratory of the Texas Agricultural Extension Service, the greenhouses and facilities of the Texas Forest Service, and view displays of agricultural computers and software, and agricultural equipment.

The field day is a cooperative presentation of TAES, Extension, the High Plains Research Foundation, USDA-ARS and the Texas Forest Service.

FARM TOUR PROGRAM—Last Thursday's annual farm tour program held during the bar-b-que lunch at the Civic Center included (left to right) Ken Cook, District 7 Director of the Extension Service, David Stubblefield, Master of Ceremonies, Bob Benson, County Agent, Zerie Carpenter guest speaker and Don Stewart, ASCS director.

Obituaries

Dillard

Milton A. Dillard, 71, of Denton, formerly of Colorado City, died at 8:12 a.m. Friday at Flow Memorial Hospital after a long illness.

Services were 10 a.m. Monday at First Baptist Church.

The Rev. L. L. Armstrong, pastor, officiated. Burial was at Roselawn Memorial Park, directed by Jack Schmitt and Son Funeral Home.

Born June 9, 1910, in Paint Rock, he married Daisy McCoy December 23, 1933 in Sweetwater. He was retired from the engineering department of the City of Denton. He was a member of the Colorado City Masonic Lodge, the Dallas Scot-

tish Rite and the First Baptist Church.

Survivors include his wife; a son, Coy of Tucker, GA; a daughter, Mary Sue Simmons of Denton; a sister, two brothers, A. C. of Colorado City and Denver of Kentucky and five grandchildren.

Pilkington

B. T. (Buck) Pilkington, 77, formerly of Colorado City died Thursday night, September 8 in the Crestview Nursing Home in Belton.

Services were held Saturday, September 10 at the Tife Funeral Home in Junction at 4 p.m. Burial was in the Junction Cemetery.

He was born Septem-

ber 9, 1906 and is survived by two sons, Billy Joe of Eldorado and Sammy of Belton; one daughter, Virgie Mosley of Colorado City; three sisters, Mara O'Rear of Albuquerque, NM, Florine Ward and Mary Bradley both of Colorado City; two brothers Tom of Odessa and Charlie of Hobbs, NM; 10 grandchildren; eight great-grandchildren and several nieces and nephews.

Letters to the Editor

Dear Editor: If you want to do a good deed, please print the following message:

If you are drawing Social Security and were born in 1917, 1918, 1919, 1920, 1921 (called "The notch years"), you are being unjustly penalized by receiving lower benefits than those born prior to and after the above mentioned years. For example, if you worked until you were 65 before starting to draw Social Security, you are receiving about \$100 less in your monthly check than those born before 1917 or after 1921.

A bill in Congress to correct this unfair situation (HR-5469) failed to make the committee and died at the end of the 1982 session.

If you are in this age group, write to your congressman requesting that this bill be reintroduced, or a new bill be introduced to correct this unfair situation.

Thanks
Jack Hollis

The B&PW Club would like to extend thanks to everyone in Mitchell County who called in pledges for the Jerry Lewis Telethon.

A total of \$1,338 was received in Mitchell County. Cash contribution of \$308.44 were also given to help Jerry's kids.

Muncy Dozier Service. Grabbing and racking, terrace rebuilding, stock tanks, new terraces, standard and parallel. Free estimates, phone collect. Jerry Muncy, 915-288-4441 or Billy Muncy, 915-288-4459, Maryneal, TX.

Soil and Water Conservation districts to apply for funds

"With the 68th Legislature recently appropriating \$1,176,000 to the Texas State Soil and Water Conservation Board to assist soil and water conservation districts acquire needed technical personnel, 164 SWCD's have applied for funds to boost their technical assistance program," said Harvey Davis, executive Director, TSSWCB.

"This represents 82 percent of the conservation district in the state who have conscientiously assessed their workload and local requests for individual on-the-ground conservation planning," added Davis.

Historically, the USDA's Soil Conservation Service working through a memorandum of understanding with local soil and water conservation districts, has been the backbone of districts efforts to provide technical assistance to individuals wanting to implement individual conservation planning on land they own or operate.

"Recent reductions in federal conservation programs has resulted in the SCS not being able to provide technical assistance at sufficient levels to meet current and future conservation

needs in Texas. At the present time on a statewide basis, the SCS averages less than one technician per field office and does not employ any full time clerks in the field," said Davis.

The need for local technical assistance to landowners or operators can be illustrated this way. This fiscal year the Soil Conservation Service in Texas alone has received about 175 thousand technical assistance requests. Of that number, about 50 thousand persons were recipients of technical assistance through local conservation districts.

"In light of these figures it is obvious that if the conservation needs of farmers and ranchers in Texas are to be met in a satisfactory manner resources in addition to those provided by the federal government for technical assistance will be needed," said Davis.

"It became apparent to our state lawmakers in the last legislative session that Texas would have to take steps to provide a more stable method of protecting our agriculture lands so that they remain productive and viable. From our vantage point, we are seeing Texas change rapidly due to a

mushrooming population and economic growth. As a result, the state's land resources are being utilized more intensively than ever before," he added.

Conservation Districts in need of additional technical personnel are expected to begin hiring qualified persons after September 1.

"From a local standpoint, in getting conservation practices applied to the land in a voluntary program we need technical assistance available to land owners to assist them in using their own resources for implementing and individual conservation plan," said Jimmy Harrison, chairman, Mitchell Soil and Water Conservation District.

"Simply put, this means that we encourage land owners or operators within our district to take advantage of technical counseling in site selection, engineering and the design of measures or management systems which would solve a conservation problem on a farm or ranch," added Harrison.

In discussing how the technical assistance monies would be apportioned to districts on a statewide basis, Davis

said, "We believe that the simplest and most cost efficient approach is to establish a grant program to be administered by the TSSWCB. This gives each local

SWCD the flexibility to consider local conditions and conservation needs when considering technical assistance requirements.

Our agency will, however, provide SWCDs with guidelines under which state appropriated technical assistance funds may be expended."

"Because of our close working relationship with the SCS here in Mitchell Soil and Water Conservation District, any district hired technical employee will work under the supervision of SCS personnel," said Harrison.

Harrison added that though any new technical personnel will be administratively responsible to the district, the employee will need to meet SCS service standards.

"To insure that SCS standards are met, technical guidance, training, and direction will be provided by SCS personnel here," said Harrison.

Zinc deficiency problem for Americans

Zinc deficiency seems to be the latest nutrition problem for which Americans are being sold dietary supplements.

Some researchers have labeled a shortage of zinc as a cause of immune system difficulties which may contribute to disease among the aged and malnourished.

"But the average person need not be concerned about zinc deficiency or purchasing a zinc supplement to prevent such a deficiency," says Dr. Alice Hunt, a foods and nutrition specialist with Texas A&M's Agricultural Extension Service.

According to Hunt, there are so many nutrients missing in cases of malnutrition that problems with the immune system cannot be blamed on zinc deficiency alone. Malnourished people will be prone to disease for a variety of reasons, with lack of

protein being the major factor, she adds.

The recommended daily allowance for zinc is 15 mg per day, and the average zinc content of

mixed diets consumed by American adults is between 10 and 15 mg per day, reports Hunt.

Meat, eggs, milk and shellfish are all good sources of zinc. So the person who severely restricts his intake of these foods could run the risk of developing a zinc shortage.

"A balanced diet which

includes animal protein however, should be sufficient to insure that a person does not become deficient," states the nutritionist.

There are areas of the country where the soil is deficient in available zinc and spontaneous zinc deficiency in farm animals has required enrichment of feeds.

But zinc deficiency in animals does not mean people from the same area would require zinc supplements, Hunt says.

The specialist cautions that consumers who have purchased zinc pills or liquid should also be aware that too much zinc can become toxic.
