

NEW BOOKS

Library Week Underway

This is National Library Week and the basic aim of the American Library Association, sponsor, is "to stimulate lifetime reading habits and to encourage widespread use of libraries of all kinds."

This year's slogan, "Reading — the fifth freedom, enjoy it." As the New York Herald Tribune suggests "It would be hard to imagine a nobler sort of coast-to-coast festival on behalf of the civilized mind than National Library Week."

Library patrons in Eastland read 5,867 books last year reports the chairman of the Library Committee of the Thursday Afternoon Club.

The library has many best sellers and offers to everyone the privilege of rediscovering the wonders, the delights and the power of the printed word.

Books rent for only 5, 10, and 15 cents per book; still the best investment any-

where.

Our latest additions to the Memorial shelf is "The Old Testament and the Fine Arts" by Cynthia Maus which was given in memory of Allen D. Dabney by Mr. and Mrs. Jos. M. Perkins and "The White House and Its 33 Families" by Jensen given in memory of Frank Day by Mr. and Mrs. Sam Pickard of Houston.

Type III Polio Clinic Due May 18

The Type III Oral Polio immunization program will be conducted in Eastland Saturday, May 18, Mrs. Frank Sayre, president of the Civic League and Garden Club, has announced.

This will be the third polio clinic the club has sponsored. Over 4,000 persons participated for the Type I program and 3,200 for the Type II.

Site for the forthcoming protection clinic will again be in the lobby of the Courthouse between the hours of 10 a. m. and 6 p. m.

The U. S. Surgeon General has reported recently that Type III has been declared safe for administration.

Local Delegates Plan To Attend VFW Convention

Eastland County Veterans of Foreign Wars and Ladies Auxiliary delegates will be among those attending the Spring Convention of District 3, Dept. of Texas to be held this weekend in Snyder.

State Junior Vice Commander Ed J. Krenek of Austin will be principal speaker at the semi-annual meeting which will be held at Scurry County Memorial Post 8231 quarters.

Registration will begin at 12 noon Saturday with a hospitality hour set for 4 p. m. A dance will be held Saturday night.

In attendance will also be delegates from the following counties: Scurry, Mitchell, Fisher, Nolan, Jones, Taylor, Shackelford, Callahan, Stephens, Brown, Comanche, Haskell and Throckmorton.

\$636.63 To State

District Clerk Roy Lane will mail a check for \$636.63 to the State Treasury this week.

The money represents the amount of escheat funds of 1955 held by the District Court. Recent state legislation is taking all such funds which have been held more than seven years, and yearly reports and payments will be made.

FLOWING FOUNTAIN — A permanent, masonry fountain, similar to this, will bubble someday on the courthouse square in Eastland. The Civic League and Garden Club is planning such a fountain, and actual selection of the fountain will be made later. The club will present the fountain to the county, Mrs. Frank Sayre, president, said.

Flowing Fountains Being Planned Here

Eastland is undoubtedly destined to become known as the city of fountains.

Steps were taken this week to re-activate an existing fountain and to erect a brand new one.

The new one will be located on the walk on the north side of County Courthouse and the beloved lion fountain at City Park is due to be re-charged after years of dryness.

And women of Eastland will be responsible, if someday tourists make it a point to "stop in Eastland because of the beautiful fountains."

Mrs. Frank Sayre, president of the Civic League and Garden Club appeared before the County Commissioners Court Monday and requested permission of that body to erect a fountain on the courthouse grounds.

Then Tuesday Mrs. Sayre appeared before a called meeting of the city commission and requested that the city donate the water for such a fountain.

Immediately before Mrs. Sayre made her request, Mrs. Marine Johnson, postmaster, asked that the city cooperate in "sprucing up" the City Park in preparation for the May 14th Flag Day activities, now being planned.

In her request, Mrs. Johnson asked that the Lion fountain be cleaned out and put back into operation. She also asked that the city assist in the planting of blooming plants, and the care of the lawn, including an extensive watering program, to make the park hill a "virtual garden" by Flag Day.

The County Commissioners took Mrs. Sayre's request under advisement and the city agreed to cooperate with both Mrs. Sayre and Mrs. Johnson.

The commission agreed to furnish water for the courthouse fountain in an amount, up to the minimum (presently 3,000 gallons per month.)

There was some discussion among the county commissioners about the weight of such a fountain on the concrete. Mrs. Sayre explained that the fountain will be small and simple in design, in keeping with the present architecture and presence of the courthouse, therefore, there would not be too much weight involved.

Virgil T. Seaberry Jr. made both motions granting assistance for the two projects. Loss of water from evaporation of the courthouse square was estimated at 100 gallons per day at the most.

City Manager Lewis Tiner was instructed to assist Mrs. Johnson with the beautification of the City Park as time permits. He and most city workers are busy with the re-curb of Burkett Street and Tiner said that it will probably be two weeks before that project is finished.

Mrs. Johnson plans to use the park as site for an "old-

time" picnic lunch, the day of the Flag-Day celebration, and visitors from far and near are expected.

Plumbing for the re-circulating downtown fountain would be from underneath, it was pointed out, and maintenance is expected to be slight. Location of the fountain on the north side of the square, will place it where it will be seen by most people, including the tourist who pass through the city on U. S. 80.

The Civic League board of directors was to present their report to the club Wednesday at a regular meeting.

Most people in Eastland and the surrounding area are familiar with the Lion fountain in the city — and most have straddled the life-size beast at least once — but fewer realized that it is a fountain. Those who remembered it flowing, say the water comes out of the lion's mouth.

The Memorial fountain on the southwest corner of the courthouse lawn was erected in 1919 by the Civic League and Garden Club in honor of the 24 county men who lost their lives during the war.

The cold water fountain was built while Mrs. P. S. Wolfe, now of Corpus Christi, was president of the newly organized Civic League.

Cost of the drinking fountain was \$1,800.00 and it was used until three or four years after construction of the new Court House.

Members of the Civic League hold memorial services at the fountain each year at which time they place a wreath in memory of all men who died while fighting for their country.

Homecoming Day Revival Services To Begin Sunday

Rev. Earl L. Williams, pastor of the Calvary Baptist Church, 205 N. Oak, has extended a cordial invitation to the public to attend a Homecoming Day Sunday.

Dinner will be served at the church.

Revival services will also begin Sunday with the Rev. Lloyd Taylor of the South Austin Baptist Church, Austin holding services.

Services will be held nightly with prayer services at 7 p. m., song services at 7:30 p. m. and preaching at 8 p. m.

Man Gets 6 Months

M. C. Brown, Post Negro, was sentenced to six months in the county jail Tuesday after pleading guilty to negligent homicide in 91st District Court.

Brown was indicted by a grand jury as the result of a head-on crash early this year on U. S. 80 west of Cisco in which Brown's cousin, a passenger in the same auto, was killed.

Screwworm Fund Drive Nears End

The campaign to raise funds in Eastland County for the state-wide screwworm eradication program will be brought to an end soon, Eastland Chairman Ed Sargent said this week.

A final tabulation will be made soon and a report made showing the amount of contributions by livestock raisers in this county, he said.

"Participation, particularly in the Eastland area, has been less than had been expected, based on past record of cooperation," Sargent said. Several committees in the county have raised their fair share, he said, but raisers in the Eastland area have been slower to respond to the appeal for help in ridding the Southwest of the costly insect.

Any who may have been planning to donate, but failed to do so thus far, may do so now, before the final report is made, Sargent said. Funds may be turned over to him, or taken to the local bank, where they will be accepted for the county goal.

At the banquet, 112 persons heard Dr. James Whittington of Fort Worth, a former Eastland resident, serve as moderator for campaign speeches. Mike Collins was timekeeper.

Fifty prospective jurors have been called for Monday for the Townzen vs. T&P Railway \$70,000 damage suit in 91st District Court.

Dwaine Dennis Buys Paper At Jefferson In East Texas

Dwaine Dennis, native of Ranger and long-time official of the Times Publishing Company, will become editor and publisher of The Jefferson Jimplecute, one of Texas' oldest newspapers, on May 1, according to an announcement this week.

Sale of the Jimplecute, only newspaper in Marion County in deep East Texas, was announced at Jefferson by Tom Hicks, publisher for the past 11 years and a former resident of Ranger.

Mr. and Mrs. Dennis will begin preparations this weekend to move their household to Jefferson to begin operating their newspaper next week. Their son, Joe Wayne, 6, will accompany them, and their daughter, Pam, 13, will remain in Ranger until school ends May 24.

At the Jimplecute, Mr. Dennis will be the editor and publisher and Mrs. Dennis will serve as society editor and bookkeeper. The Jimplecute employs two printers.

Dwaine Dennis is a native of Ranger and has spent most of his life with The Ranger Times, which his father, Joe Dennis, published until about 15 months ago. Dwaine served in all capacities — from printer's devil to editor-manager — over some 20 years.

DWAINE DENNIS

Mrs. Dennis also is a veteran newspaper office worker, serving the Times as society reporter and bookkeeper for many years. She has been employed by First Federal Saving & Loan Association for the past three years.

The Denneses have been active members of the First Baptist Church for years. Both work in the Sunday School. She is a teacher in the junior department and he has served as associate superintendent of the Intermediate Department and associate Sun- (Please turn to page Four)

NOTICE OF SALE OF STATE PROPERTY

Sealed bids covering the sale of State owned land and improvements thereon located at the intersection of State Highway 6 (Burkett Blvd.) and Daugherty Street in Davenport's Addition in Eastland, Eastland County, Texas, will be received at the office of Mr. E. M. Pritchard, District Engineer, Texas Highway Department, Brownwood, Texas, until 10:00 A. M., May 15, 1963, and then publicly opened and read.

The property consists of all of Lots 9, 10 and 11, and the north 15.9 feet of Lot 12 in Block 1 of Davenport's Addition to the City of Eastland. The State is retaining its title to a strip of land 34.1 feet wide out of the south side of Lot No. 12 for use as right of way for State Highway 6. The improvements consist of two small brick sheds, a wire mesh fence, a large brick and earth loading ramp, four large and three small pecan trees and two large pine trees.

The State will convey its title to the land and improvements thereon by deed without warranty of title. Lots 11 and 12 are subject to certain mineral reservations and certain building restrictions as recorded in Volume 165, Page 573 of the Deed Records of Eastland County. The State will furnish the successful bidder the State's incomplete Abstract of Title to the property which covers only Lots 9 and 10 down to July 11, 1951. In the event Supplemental Abstracts or title insurance are desired, they may be purchased by the successful bidder at his own expense.

Each bid shall be accompanied by a Certified or Cashier's Check on a State or National Bank of the State of Texas in the amount of \$50.00, made payable without recourse to the order of the State Highway Commission of Texas, as a guarantee that the bidder, if successful, will consummate the purchase. Certified or Cashier's Check of the highest bidder may be retained until the purchase is consummated. Checks of all except the highest bidder will be returned within forty-eight hours after opening of bids.

Bids will be received on or before the hour and date set for the opening thereof, and must be in the hands of the official indicated above at that time. The price bid shall be construed to include the State's expenses incurred in the sale of the property as required by law. Bids may be submitted by letter. Bidders or authorized agents are invited to be present at the bid opening.

The State reserves the right to reject any or all bids. When submitted by mail, the bids shall be addressed to Mr. E. M. Pritchard, District Engineer, Texas Highway Department, P. O. Box 631, 500 W. Commerce Street, Brownwood, Texas, and the envelope marked: "BID ON SALE OF STATE PROPERTY", with the date and hour of bid opening shown. Bid forms and additional information may be obtained from R. P. Haun, Jr., Senior Resident Engineer or Harvey L. Lewis, Maintenance Foreman, Texas Highway Department, Eastland, Texas.

"Replacing Dwaine will not be an easy task," said J. W. Sittin, president of Eastland County Newspapers, Inc. His long years of experience as a newspaper man and as a civic leader made him especially well qualified to direct a newspaper. He certainly has ours and, we feel sure, the community's best wishes as he moves into the field of ownership."

County Petitioned By 350 To Retain Public Trapper

The decade-old quarrel over predatory animal trapping took on new steam in Eastland County this week. At odds were the livestock raisers of the county and the sporting hunters, it appeared from incidents of the past two days.

Livestock raisers appeared before the County Commissioners Court Monday and asked that the county trapper be retained. He was to be released at the end of this month according to action at a recent court meeting.

A livestock raiser was under \$500 bond Monday charged in justice court with assault on the county judge in Cisco Sunday evening. The case was expected to be transferred to county court.

The man reportedly attacked County Judge Scott Bailey in a restaurant.

Heated arguments arose between members of the Eastland County Trappers Association and other county livestock raisers at a meeting of the Eastland County Commissioners Monday morning.

Bernard Hanna, newly elected president of the organization and spokesman for the group, petitioned the Court to continue giving a total of \$135 per month to go toward the salary for the County trapper Johnny Benson of Morton Valley. He presented a petition

SET FOR SATURDAY

Members of the First Baptist Church (colored) are sponsoring a barbecue chicken dinner to be held Saturday, April 27, in the annex of the church.

Serving will begin at 11 a. m. Plates will be \$1 each. If one eats at the annex a drink and dessert will be served with the barbecue. Roston King will do the barbecuing.

All proceeds will be contributed to the fund to elect Richard Jones to the Sunday School and Training Union Congress.

Another said he felt that the trapper should benefit the entire county and not just members of the Association.

Several other comments were made as to the pros and cons of the matter.

In other action Mrs. Frank Sayre, representative of the Civic League and Garden Club, met with the Court to seek permission for the club to construct a flowing fountain on the square for its annual project.

She suggested the north side of the courthouse as a suitable location for the fountain and stated that it would be

a joint project of the Civic League, the city and the county.

The proposal was taken under advisement by the Court and no definite action made.

The Eastland Lodge No. 467 A. F. and A. M. will confer two Entered Apprentice degrees Friday night.

Lodge will open at 7:30 p. m. that night.

Behind many "For Sale" signs there is a sad story:

A family borrowed more than they could afford to pay for a home, or payments and interest rates were too high; the home had to be sold, often at a loss. This tragedy could often be avoided if the families would seek help from a home loan specialist, such as our Association.
