SELECTING CRYSTAL

One of the exciting things for a homemaker to remember when she selects her crystal (or adds to it) is that each glass has a dual purpose. Sherbet glasses are also ideal for serving appetizers of seafood cocktail, as well as ice cream, desserts and champagne. The large water goblet is most elegant for cold soups, such as vichyssoise and gazpacho. And predinner drinks look so sophisticated this way. Meantime, the good, old fundamental salad plate stands in for slices of pate de fois gras on a leaf of lettuce, melon and proscuitto or delectable French pastries.

FOR LOVELY SKIN

To keep your skin looking the way you want it to, heat up some of your favorite cleansing cream each night and gently massage it on your face. Always use upward strokes. Leave all the cream on while you bathe and then tissue off the excess, leaving enough to protect your skin from further moisture loss from the surface while you sleep.

GIVE ATTENTION -- Trees damaged by spring or summer storms should get immediate attention. Everett Janne, Extension landscape horticulturist, says damaged limbs and branches should be removed and the wounds painted with an approved tree wound dressing. Insects and diseases can gain entrance into the damaged tree and lead to even more damage or death of the tree.

## Financial Facts

By Willis A. Hawkins, Jr.

Originally money was useful material and many names of units of money reflect this fact. Consider the Greek drachma for example. Drachma meant "handful" and the original drachma had the value of a handful of iron nails.

Another way of naming money was to give it the name of a unit of measurement. An example of this is the English pound.

Useful at first, money later became more ornamental. Many coins can be found today with holes in their centers. The holes made it possible to string the coins together, so that they might be used as bracelets and necklaces.

After progressing from useful to ornamental commodities, money finally came to be considered in terms of debt and debt names such as note and bill were finally applied to it.

## SUNDAY'S SERMON

### KEEP YOUR FAITH

When health fails, the wise man seeks the services of a qualified physician. Very few of us care to tolerate the discomfort of an ailment that can be medically cured.

Why, then, do some of us allow our faith to slip away, without so much as a glance? We become busy with the affairs of life, engrossed in our work and our play. There comes a change in our sense of values.

And, why, too, is it so often true that some sudden sickness or some upsetting of our normal affairs will make us quick to reach out and recapture the faith that has been slipping away?

Check your faith, as you would check your health. Whatever you believe in, hold firmly. Faith is strength. Faith is courage, and it is hope. Yet it needs refurbishing. It needs attention.

Faith should be a matter or practice, not a once-in-a-while recognition of a personal belief, or an individual sense of values.

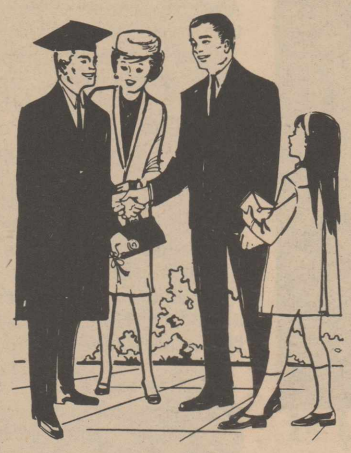

A GREATER FUTURE...

## DAVID MOSES TO ATTEND TECH

Journalism is the field to study chosen by David Moses. He plans to attend Texas Tech University.

David is eighteen and the son of Mrs. Vanda Lackey. He has attended Hart schools six years.

He played football all four years and lettered his senior year.

A member of the Baptist Church, David's hobbies are assembling model airplanes and flying them.

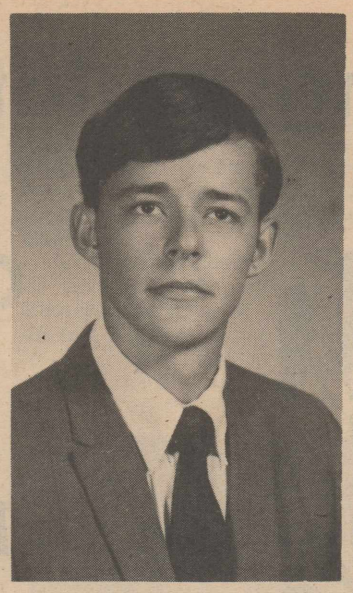

DAVID MOSES

CASUAL WEAR

Clogs have taken to the streets in astounding numbers. Perhaps this is because women like to give their feet a rest with comfortable, backless shoes whenever possible. They're great for casual wear and, if you can, by all means wear them to work. They make walking and standing heaven.

DID YOU KNOW?

A landslip in April, 1958 caused a wave 1,800 feet in height to surge along the shore of Lituya Bay, Alaska.

RODGER KENNEDY

## RODGER KENNEDY CHOOSES LCC

Seventeen-year-old Rodger Kennedy plans to attend Lubbock Christian College this September and then attend electronic school in Dallas in January.

The son of Mr. and Mrs. Ben Kennedy, Rodger attended schools at Hart for twelve years and is a member of the Church of Christ.

He has been a member of the annual staff, serving as artist during his freshman and sophomore year. He was a member of the Hart Chapter of the Future Farmers of America during his freshman and sophomore year.

Rodger was district Interscholastic League winner in speaking his senior year and regional qualifier.

Active in sports, Rodger played football his freshman, basketball his sophomore year and was a member of the track team his freshman and junior year.

His hobbies include art, music, girls and snooker.

## JIM AVERITT PICKS HOWARD PAYNE

# Four Teachers Resign Posts, New Coach-Teacher Hired

Resignations of four teachers were accepted and one new teacher hired at the regular meeting Monday evening of the school board.

Coach and Mrs. Jackie Burns resigned to accept employment in Stanton and Mr. and Mrs. R. E. Everett are retiring from the teaching profession.

Glen Gleghorn, teacher-coach at Nazareth High School the past two years, was hired as assistant football and head boys' basketball coach for 1970-71.

Board members accepted a bid of $518.87 from McDonald Trading Post in Plainview for a forklift.

Approval was given for participation in the PESO Regional Center in Amarillo for the 1970-71 school year.

In other business, the board accepted transfer students from out of the school district for the 1970-71 terms.

The summer driver's education and recreational programs were approved.

Four women were hired for work in the school cafeteria, Birdie Godfrey, Violet Sharp, Thelma Martin and Ora Richburg.

The board also employed the following teachers' aides and secretaries: Jimmie Benton, Kay Berry, Alicia Gregory, Patsy Six, Elodia Rodriquez and Charlene Bennett.

School will be dismissed at 2:30 and buses will run at that time May 18 and 19. Tuesday will be the final day of school for all students.

Wednesday, May 20 will be teacher workday. All school personnel will report that day.

## Marble Rites Held Wednesday

Mr. and Mrs. Max Marble attended funeral services Wednesday in Floydada for his uncle, Horace Marble. Burial was in Floydada Cemetery.

Marble died Monday night after suffering a heart attack.

Survivors include his wife, Lillian; one daughter, Mrs. Marvin Wells of Mineral Wells; three sons, Don, Fred and Keith, all of South Plains; two brothers; three sisters and 10 grandchildren.

## Open Letter To Hart Citizens

(Editor's Note: The following item was written by a Hart Beat reader.)

When the T. V. comes on at 10 p. m. every night and says "Do you know where your kids are?", do you?

Kropp does!

He likes teenagers and most other people.

Why should we find fault in every thing and everybody? Why not look for the good side?

If you wonder what our night watchman is doing, get out of your cozy bed and go see.

You will see a man, driving up and down our streets of Hart, checking our homes and businesses. Or he will be talking to four or five-maybe more-boys, that will go home, without making trouble, because he is a friend to them.

## Homemakers Haven

By Mrs. Max Marble

Budding of trees, greening of grass and the warm breeze reminds us that summer is just around the corner. Homemakers' minds are turning from the kitchen or at least to the oven dishes instead of top unit meals. New and simple recipes are always in need during this season. For some different try these ideas.

SPRING CHICKEN
1 frying chicken, cut in serving size pieces
1 stick butter
1 clove garlic, cut in half
1/2 tsp. salt
1/4 tsp. thyme
1/8 tsp. pepper
1 c. finely crushed potato chips
1 c. finely crushed corn flakes

Remove skin from chicken, wash and dry well. Melt butter with garlic, salt, thyme, and pepper in saucepan. Mix potato chips and corn flakes in pie plate. Dip chicken pieces, one at a time, in melted butter mixture, then in crumbs, coating well. Bake 1 hour at 350 degrees.

GREEN BEANS
1 can French cut green beans
1 T. butter
1/2 tsp. salt
1/2 c. water
1/2 c. slivered almonds

Place in covered container and heat thoroughly in oven.

POTATO CASSEROLE
7 large potatoes
2 tsp. salt
2 cans cream of chicken soup
2/3 c. milk
1 c. sharp cheese, grated
1 med. onion, chopped
Paprika

Peel and thinly slice potatoes, boil for 5 minutes in water with salt. Heat soup with milk, add cheese and onion. Arrange alternate layers of drained potatoes and soup mixture in a greased 2 quart casserole, beginning with potatoes. Top with a ring of potato slices, a little cheese and a sprinkle of paprika. Bake at 350 degrees for 30 to 40 minutes.

CINNAMON COFFEE RING
2 cans refrigerated biscuits
1/3 c. chopped nuts
1/2 stick melted butter
1 tsp. cinnamon
1/2 c. brown sugar

Cut each biscuit in quarters. Arrange half of the biscuit pieces in the bottom of a greased 1 1/2 quart ring mold. Mix together nuts, sugar, butter and cinnamon. Spoon half of the mixture over first layer of biscuits, add remainder of sugar mixture. Bake in 425 degree oven for 18-20 minutes. Turn out on plate immediately.

Note that you have just prepared a complete oven meal.

## Jennifer Davis Is Honored

Little miss Jennifer Davis was honored by her mother, Mrs. Weldon Davis, with a party in observance of her fifth birthday.

Guests played blow-out, paddle ball and "dress up".

Birthday cake and punch were served to Reent Upshaw, Coy Myrick, Dan Jones, Guy Scoggins, Melissa and Gayla Kittrell, Donna Davis, Suzann Lemons, Teresa Mapp, Kayla Gleghorn, Rhonda Brooks and the honoree's sister, Julie. Her grandmothers, Mrs. Clay Anderson and Mrs. Harvey Davis, also attended.

LITTLE TIME TO ESCAPE--Seven-tenths of a second isn't very long but it's all the time a farm tractor operator has to do something when his machine starts to rear backwards under full throttle. Within that time, says Henry O'Neal, Extension agricultural engineer, he can de-throttle the engine to stop the rearing or try to get clear of the upset. An estimated 450 lives could be saved annually in the U. S., he says, if all farm tractors were equipped with roll-over bars.

Building Your Future
Is Like Building A House
Or Anything Else. . . .

You must have a firm foundation. Your early home life and grade schools provide this. . . .

The floor to your future must be firmly cemented on certain ideals, beliefs and integrity. . . .

Your High School days added to the sides of the structure with concrete ideas, hopes and knowledge. . . .

You must stay on the beam to climb past the rafters and put a lasting siding on your future that will not mar, tarnish or deteriorate. . . .

From all this you'll near the top of your goal and the way you'll go from here will be up. . . .

VICKIE NEWSOM

# Recipe Of The Week

A beautiful - and yummy- dessert recipe is shared with Hart Beat cooks this week by Vickie Newsom, daughter of Mr. and Mrs. J. S. Newsom.

Vickie plans to attend South Plains Junior College after she graduates from Hart High School. She will major in secondary education.

Sixteen years old, Vickie's hobbies are basketball, sewing and "boy watching".

RAINBOW SNOWBALL CAKE

1 qt. strawberry ice cream
1 qt. orange sherbert
1 qt. lime sherbert
3 qt. vanilla ice cream
1 pt. heavy cream, whipped
1 tsp. vanilla

Chill 10 in. tube pan with removable bottom. With small scoop shape balls of strawberry ice cream, and the orange and lime sherbert. Place on cooky sheet, chill in freezer till firm.

Soften vanilla ice cream. Whip till like fluffy whipped cream. Drop layer of colored balls into pan. Add whipped ice cream to fill spaces. Repeat till pan is filled. Freeze several hours.

Remove from pan. Frost with whipped cream flavored with vanilla. Makes 16 servings.

TROPICAL SALAD

Roll banana in lemon juice then mayonnaise thinned with cream. Sprinkle with chopped California Walnuts. Garnish bananas with spring spinach and canned grapefruit sections.

Sweet banana, crunchy nuts, and tart grapefruit make this a good dinner salad.

SATURDAY GUESTS

Guests in the Lester Lancaster home Saturday were Mr. and Mrs. Bob Reeves of Midland; Mrs. Barny Locke, Mrs. James Kendle and son of Maple; Mrs. Stephen Handley of Dimmitt; Mr. and Mrs. Curtis Wellborn and Judi of Muleshoe; Mr. and Mrs. Millard Sells, Mr. and Mrs. Tomy Lancaster and Shane, Mrs. Howard Neal and Mrs. Alvin Eldred, all of Plainview.

SNOWBALLS

Modern astronomers often have called comets "Space snowballs" because the bright nucleus is really a mass of frozen water, dust and methane and ammonia gases.

ROADRUNNERS

Roadrunners are members of the cuckoo family averaging about 22 inches in length - half of which is tail - and spend most of their lives on the ground running in search of food, according to Encyclopaedia Britannica.

FIRST MONUMENT

The first monument to the memory of George Washington was erected at Baltimore, Md., in 1829.

# Bridal Shower Compliments Miss Lancaster Saturday

Miss Diane Lancaster, bride-elect of Fred Neal, was honored Saturday afternoon with a pre-nuptial bridal courtesy in the Community Room of Farmers State Bank.

Guests were received and registered by Sandra Bruington.

The party table was laid with an ecru lace cloth over white and centered with an arrangement of white and avocado.

Cake, mints and punch were served.

Hostess gifts included Corning ware and a green with white corsage.

Out of town guests were Mrs. Bob Reeves of Midland; Mrs. Barny Locke and Mrs. James Kendle of Maple; Mrs. Stephen Handley of Dimmitt; Mrs. Curtis Wellborn and Judi of Muleshoe; Mrs. Millard Sells, Mrs. Tomy Lancaster, Mrs. Howard Neal and Mrs. Alvin Eldred, all of Plainview.

# Hart Of Texas TOPS Club Honors Plainview Guests

An array of lovely originals were modeled Monday evening when members of the Hart of Texas TOPS Club entertained members of the Tumbling TOPS of Plainview.

Fashioned and modeled by club members, the style show was narrated by Mrs. L. C. McLain.

Mrs. Don Jameson modeled the salad dress, fashioned with different vegetables. Her accessories were a salad dressing bottle purse and hat designed from a salad greens filled paper plate.

The latest in evening wear, a night gown, was modeled by Mrs. Lloyd Farris.

A creation called the beau dress was styled and shown by Mrs. Calvin Alexander. Numerous bows were attached to her dress of plastic. She carried a plastic bag filled with bows.

Mrs. Robert Brooks designed the zip dress. Adorning her dress were many letters with zip codes. Plenty of zippers speed its wearer on her way.

Whipping cream cartons enhanced the original creation of Mrs. Helen Taack, named the "Whipped Cream" dress.

Chiffon scarves decorated an original design of Mrs. Barbara Davis. Clodell Aven styled and modeled the latest in see-through clothes, wearing a plastic bag dress. A plastic bag purse completed her ensemble.

Special guests were Mmes. Aubrey Slayton, Johnnie Mae Lewis, Juanita Price, Virginia Spain, Ellowee Pannell and Velma Finley.

Helen Taack was named queen of the week.

NEW EYE SHADOW

A leading cosmetic manufacturer has a new eye shadow in cream form that dries quickly to a light matte finish on the lid and upper eye area. This new product concept combines the advantages of a cream form in application and a powder form in effect on lids. The product comes in a jar from which it is stroked onto the lid with a sponge slant-tip applicator.

FINISH LOOK

Today, the eye is surrounded with color - a luminescent highlighter on the brow bone, deep but tender color on the upper lid and a mere wash of color blended on the lower lashes. Lots of long but fringy lashes in soft, natural shades finish the look.

WASHING HINTS

Blankets should be soaked and agitated as little as possible in washing to preserve the desired fluffiness.

# Stepped-Up Demand Boosts Soybean Sales

American soybean producers are selling record quantities of soybeans both at home and abroad this year, according to Jim Elder, Chairman of the Castro County Agricultural Stabilization and Conservation Committee.

It is estimated that soybean utilization will increase from 945 million bushels used in 1969 to 1,136 million bushels for this year. This increase in market demand for soybeans represents the production from about seven million acres.

"In view of the excess production capacity we have in this country, this growth in soybean demand is welcome news to soybean producers and taxpayers," Chairman Elder commented.

During the period 1966 through 1968 and part of 1969, soybean supplies tended to increase as a result of increased competition from lower-priced imports of fish meal, sunflower oil and other competitive protein substitutes.

However, in recent months demand for soybeans has increased substantially as a result of more competitive pricing, a drop-off in supplies of other high-protein materials, and continued growth in world demand for protein feeds.

As a result of the increased demand at higher prices, soybean producers who placed their crop under loan last fall have been redeeming them prior to the loan maturity date and moving them into the open market, the Chairman pointed out.

In past years, with less favorable markets, farmers have tended to leave their beans under loan until the loan maturity date. Reversal of this trend will result in a substantial saving to the Government and therefore to taxpayers.

"Increased exports have been, and will continue to be, the key to large growth markets for soybeans," Elder pointed out.

"Soybeans supply more than four pounds of meal for each pound of oil, while most other vegetable oil products supply about a pound of oil for each pound of meal. The demand for meal is increasing faster than the demand for oil, and this in turn creates a demand for soybeans both in the U. S. and abroad," he explained.

With soybeans prices more competitively with other high-protein products, overall market demand has increased faster than processing facilities could profitable be developed.

However, with a somewhat improved operating margin, more crushing plants are being built or planned. "This will increase the demand for farmers' beans and eventually provide a greater volume of soybean oil and meal at more competitive prices," the Chairman emphasized.

Recent action which resulted in a 50 percent reduction in the soybean levy into Japan, and continued efforts by USDA to discourage an import tax on soybean oil and meal moving into the European economic community, has helped exports.

This action, combined with a continued desire by consumers to upgrade their diets, will assist in developing a market for additional supplies of beans.

You've been spending too much on weeds in cotton!

If you've been just cultivating, or using a chemical weed killer and not getting the control you need — either way you've been spending too much.
There's a better way to get good weed control, and spend less.
It's with Caparol® 80W — your partner, the weed-killer — *band applied, at planting.*
In just one trip across the field, you plant your crop and put Caparol on in a band. This keeps the weeds out of the rows. Then, all you do is cultivate the middles.
Don't spend too much on weeds in cotton again this year. Apply Caparol, in a band, at planting.

SPREAD PRAMITOL

GET BARE GROUND WEED CONTROL

New, improved Pramitol 5PS pellets get rid of weeds where you don't want them. In fences. And around buildings, silos, feedlots, gas tanks, and pumps. They're great for knocking out weeds where you can't mow.

Pramitol pellets and liquid work like a charm. One quick, easy application keeps weeds down all season.

Try new Pramitol 5PS pellets. You'll find all kinds of uses for them.

# OVER THE TOP

Eddie and Jake have been buddies since they could toddle. Together they hiked, fished, argued and leap-frogged the years away. If they weren't at our house, they were at Eddie's. Sundays, Eddie came along to church with us.

They did everything together, dated, played football, went to college. When they joined the Army, they went together.

Jake is coming home next week, but not Eddie. His mother brought his last letter over today. We cried together.

"Dear Mom," Eddie wrote, "Things are pretty bad. I'm glad Jake is here. We talk about home, about God, too. I know you and Dad never cared about church and all, but I think you'll be glad to know I've learned a lot about God from Jake. Whatever happens, I feel close to Him. I'm not scared."

Faith in God is your child's heritage. Take him to church today.
