Hickman Park

Start Slated In March

Officials of the State Parks & Wildlife local assistance department were in Colorado City this past week to make final plans for Hickman Park along Lone Wolf Creek.

The cost for developing the part on the property willed in March to the city by the estate of the late H.S. (Dick) Hickman is not yet known but local officials are getting planning assistance from the state as well as possible matching funds, if available.

Officials of the state parks department, Jim Watt and Richard Frisbie, took pictures and made sketches of the area to be made into a park and talked again with local officials to see what is needed.

Frisbie said his plans for the park should be received by March and construction can start soon there after.

City Manager J.A. Sadler Jr., said funds will be sought from state and federal sources to help develop the park but part of the park probably will be developed as soon as possible out of local funds reserved for development of the park.

Some $50,000 in local funds have been allocated for use in development of the park which will adjoin Ruddick Park.

The city is under limitations by the deed to proceed with developing the park as soon as possible and the proper designation of the park as Hickman Park or else the land reverts to the Hickman Estate.

According to Frisbee, part of the land donated will be used to continue the park as it exists in Ruddick Park while the area along Lone Wolf Creek from Austin Street to Highway 80 will be a kind of Neighborhood Park.

Local officials are hoping a street can be made through the park so everyone can drive

CHAMBER
From Page 1

Outgoing Chamber President Dick Wistrand described 1972 as a very good year and the new chamber president Kenneth Rogers pledged to continue the many activities started by Wistrand as president of the chamber.

Wistrand was presented a plaque to show the chamber's appreciation for his work.

Lee, whose award was witnessed by his daughter, son, daughter-in-law, and grandchildren who came here from Waco for the occasion which was kept a secret from Lee, is owner of Colorado Steam Laundry and has been active in just about every organization in Mitchell County during his many years here.

He has been a member of the Industrial Team since its conception, an active member of the chamber of commerce for 27 years, former president of the Noon Lions Club, member of the Colorado City Museum board, member of the Mitchell County Historical Survey Committee and a steward at First United Church.

"He is always ready to help those of great need," said Rev Davis Edens, who presented the award.

The Dockrey family has 1,037 acres in cultivation and he is a past director of the Mitchell Co. farm Bureau. The Dockreys have three young children, the two oldest being active in 4-H work. The award was presented by last year's winner, Wayne Oliver.

Harris, and his wife, Debbie, last year farmed 455 acres and this year will farm more than 1,500 acres according to Don Stewart who made the award for the Jaycees outstanding young farmer.

Harris, a Mitchell County native, graduated from Texas Tech in 1971 returned home to take over farming operations of his father plus additional farm work.

through and enjoy the beauty of the lush vegetation in that area.

The new addition will enlarge the Lone Wolf Creek park areas to more than 100 acres.

The city manager is hopeful that the park -- one of the largest and most picturesque parks within the entire state for a town under 10,000 population -- will qualify for grant-in-aid that will allow permanent development.

The donated land extends from the south end of Ruddick Park along Lone Wolf Creek to Highway 80.

"The creek and terrain for combined park area is unique for its native beauty," Sadler said. "And its proximity within the city proper provides one of the finest opportunities for maximum park development and use."

Ruddick Park was expanded almost two years ago with the purchase of 15 acres adjoining the original Ruddick Park on the south at East 8th Street. Ruddick Park now covers some 80 acres.

On hand Thursday for a meeting with the state officials were representatives of towns and counties from throughout the West Central Texas Council of Governments region.

Mrs. Ronald Wayne Kimbrell,

. . .former Alanes Jo Miles.

Couple Exchanges Double Ring Vows In Evening Ceremony

Double ring wedding vows were exchanged between Miss Alanes Jo Miles and Ronald Wayne Kimbrell Jan. 6 in the First Baptist Church with Rev. Glenn Roenfeldt officiating.

Parents of the couple are Mr. and Mrs. Allan Miles of 835 Walnut Street and Mr. and Mrs. Houston Kimbrell of Lake Colorado City.

Vows were exchanged beneath an arch of greenery centered with white lace wedding bells tied with red velvet bows. Backing the archway was a brass candelabra holding white gladiolas and red carnations flanked on either side with large white baskets holding floral arrangements.

The altar rail was decorated by arrangements of three votive cups nestled in greenery accented by seven-branch candelabras. Completeing the setting was a prayer bench.

Family pews were marked with red and white bows and each window of the church held a white candle flanked by red candles in brass holders in an arrangement of greenery tied in red and white satin ribbon.

Mrs. Glenn Roenfeldt, soloist, sang "More" and "Whither Thou Goest" accompanied by organist, Glenn Crosthwait.

The bride, given in marriage by her father, wore a formal-length gown fashioned of bridal lace over satin. The gown was designed with a high lace neckline, long pointed sleeves and an A-line skirt.

Her chapel-length train was of alternating panels of satin and lace and her elbow-length veil was attached to a headpiece of seed pearls. She carried a bouquet of two large red orchids surrounded with white mums which cascaded down with the red velvet streamers.

For something old the bride wore a pin belonging to her great-great-grandmother and she borrowed a wedding ring which belonged to her great-great-grandmother. Her veil was the traditional something new and she wore a blue garter.

Maid of honor was Carla Roenfeldt and bridesmaids were Miss Bridget Acuff and Miss Lesa Drake, of Midland, cousin of bride.

Each wore a floor-length gown of red velvet trimmed in white velvet forming a vest effect. The gown was designed with a high waistline and long fitted sleeves.

Their headpieces were red velvet bows and they carried bouquets of white mums trimmed in red and white velvet.

Miss Kaija Parker, niece of groom was flower girl. Her floor-length gown was of white velvet trimmed with red velvet.

Candle lighter was Mark Miles, bride's brother. Ushers were Rex Reynolds and Bruce crockett.

Best man was Don Kimbrell groom's brother, and Randy Wright and Skip Maines were groomsmen.

Reception following the wedding ceremony was held in the church Fellowship Hall.

The bride's table was covered in a white organza cloth accented by a floor-length skirt. The table was centered with a brass candelabra holding a floral arrangement of red carnations and white gladiolas and red candle cups. The four-tiered cake, made by the bride's mother, was decorated in red roses and each tier was separated by four white columns.

A red satin cloth with a floor-length red net skirt covered the groom's table which was centered with a large red candle encircled by an arrangement of red velvet roses and white velvet bows. It held a silver coffee service and chocalate cake squares.

Appointments for both tables were of crystal and silver.

Members of the houseparty were Mrs. Tom Hanna, Mrs. Sonny Vaughn, Mrs. Dan Kimbrell, Mrs. Harvey Winn, Mrs. Freddie Brooks, Miss Melody Edwards and Mrs. Eugene Hall.

For a honeymoon trip to Cloudcroft, New Mexico, the bride chose a navy blue and white pant suit.

The couple will make their home in San Angelo where the bride is a freshman student who was named to the Dean's List.

Out-of-town guests were from Dallas, San Angelo, Midland, Snyder, Houston, Lubbock, Sweetwater, Loraine, Ira, and McCamey.

Mike Everett

Student Profile

By Cornelia Helm

Mike Everett wears lots of red. Bold and striking, it suits him perfectly.

Since he moved here from Irving last fall, Mike has been the topic of moving toungues. Whether discussing his unusual sense of humor or marvelling over the two-family-sized pizzas he ate for lunch, he is a favorite topic of conversation.

Son of Mr. and Mrs . Bill Everett, Mike says he enjoys his new town: "It's so friendly here! The town hasn't changed much since we moved in 1964. I like it!"

A Democrat who strongly approves of President Nixon, Mike comments on the controversial 18-year-old vote : "I approve of it. By the time you're eighteen, you should be able to make your own decisions."

A two-year football letterman, Mike is a dedicated athlete who plans to be a coach. Of his year of playing at CHS, he comments enthusiastically:

"Football is great! You have to like it to play it, but there's nothing like it for a sport." Also: "The coaches here are the best I've ever worked under."

The affectionate nicknames dubbed the coaches are mostly Mike's invention. For instance, Coach Mike Farda is "Father Fardo" to his boys!

On himself, Mike chortles and volunteers: "I love to laugh and to be around crazy people. I love it here, and wish I could be here another year!"

And we do, too!
