EX-STUDENTS ASSOCIATION SAYS "THANKS"

To All Who Helped with the Anniversary Celebration:

Without YOUR help it could not have been a success. It was real community effort made possible by many willing hands. No segment of the community failed to deliver when called upon in whatever capacity needed. Everyone who helped deserves a personal commendation and recognition but there were so many that it would be difficult. We would not want to run the risk of forgetting someone and there were so many who helped. So to ALL who helped: Thank You!!!

If you have any suggestions for improving the next Ex-students meeting or the next anniversary celebration please send a note to Dave Pinson who is now in the responsible position of planning for the future. He will need much help too. We have already begun to get some suggestions that are very good and we hope to use every one of them. To all class chairmen who sent out the letters to the various classes: Please return your corrected mailing list to Hoppy Toler or Vida Adkisson at Struve's Store. Be sure to leave a note attached to the outside of the enclosure containing the mailing list showing any expense that you were out for postage etc. so that the association can refund it to you. Again, thanks very much to all who helped.
