Wasn't it a wonderful Celebration? We have heard more fine comments about last weekend's Fair & Jamboree than any in recent years, Ernest Goule and his crew of Fair Board members are to be congratulated upon a fine job.

We have also heard many good comments about the Barbeque. This year the meat was prepared in a different manner than previously and the Lions crew, under chairmanship of Jerry Dyess, did a good job.

The entire job was supervised by Don Peters of Sunray who took time off from his job of selling Moorman Feed to come up and work with the Lions to get the meat prepared and wrapped, wood placed in the ditch and returned to help cut up the meat and serve it...Don really did a fine job and we all appreciate his help and experience in helping us change this method.

One bad thing did happen, seems that while Don and the rest of the men were cutting up the meat during the barbeque some thoughtless young'un knocked out the window of his pickup with a rock. We really didn't feel this is the type of gratitude that Don deserved after the way he helped us out. But, we understand there is a move underfoot to help him out with this window situation.

Congrats also to our Old Timer Royalty, Bill Lasley and Mary Peach Smith, wonder if Mary Peach ever found her flowers...seems she was having a hard time keeping up with the bouquet on Saturday afternoon.

We could go on and on, for some many folks did a fine job with the various responsibilities which all go together to make a successful Celebration.

We couldn't stop however, without mentioning the fine Youth Arena which we feel will help make future Celebrations more enjoyable. The Playday and Roping activities now have a home and right there at the barns it is a lot nicer to have everything at one place than having to run all over trying to keep up with the activities.

Keith Waters and his crew did a good job with the Tractor Pull and although the entries were down a bit in numbers, the interest was way up!

On the subject of a tractor pull, we must pay tribute to the local implement dealers who underwrite this event with their sponsorship. They make it all work.

On the entire Celebration, our local businesses and many interested individuals go out of their way for all of us to have something to enjoy and all deserve your thanks and support.

XXXX
HOSPITALITY has been defined as the art of making folks feel at home when you wish they really were!

A FRIEND is a person who knows all about you, and likes you just the same!

XXXX
We mentioned the Youth Arena earlier, and would like for folks to know this is another of those community projects which takes all of us to get it done.

This new facility is located just south of the county barn area and is really nice. It got underway by local donations, then the county put up a bunch of Federal Revenue Sharing funds, the school has helped and now the arena is about \$3,000 away from being paid for.

They need your support with this project and if you'd like to help out contact Joe Cluck at the bank.

XXXX
Television has had a lot of politics going lately with the special on Washington, Behind Closed Doors which we didn't get to watch as much as we had intended due to the Jamboree

TIGERS EKE OUT 14 - 13 VICTORY

Elks Outplay Guymon But Miscues Cost Win

Stratford's Elks outplayed Guymon all over the field Friday night but lost in the only place it counted, on the scoreboard, by the score of 14-13 in a non conference tilt.

The Tigers won the game on two conversions following touchdowns, while the Elks missed one of their two conversions which eventually spelled the difference in the game.

Miscues and fumbles plagued the Elks all night long as they were able to move the ball almost at will on the Tigers only to have a fumble or penalty nullify the eventual gain at a vital time.

Ironically, the game ended

with the Elks driving and a fumble which was recovered by the Tigers stopped the last threat and the time ticked away on the Elks.

Stratford took possession after the Tigers fumbled early in the first stanza at the Guymon 22 yard line and with Craig Bell carrying moved to the Tiger 10 where on first down and goal from the Tiger 10, Taylor Johnson handed off to Bell who blasted into the end zone with 4:42 left. The PAT boot by Johnson was good and the Elks led 7-0.

The Tigers knotted the score in the second stanza after taking over on a punt at their own 37. The Tigers drove to the Elk 17 where they had a touchdown called back. On third and 21, Asa Howard hit Keith Hammond deep for a touchdown. The boot was good by Mickey Love and with 2:52 left in the second the game was tied at 7-7.

The Elks took the resulting kickoff on their own 25 yard line with 2:06 left in the first half. Jimmy McClellan picked up 13 yards to move to the Elk 38, Bell picked up six yards then operating from their own 39 Johnson hit Max Plunk for a 14 yard pass to set up shop at the Tiger 47. McClellan got loose

and rambed for 15 yards then Johnson hit Plunk again on a picture pass to set up shop at Tiger 32. Plunk then caught another pass for 12 yards to put the ball at the Tiger 12 yard line. Mark Keener got one yard to the Tiger 11 then Johnson hit Plunk up the middle for a touchdown strike with six seconds left in the half.

Johnson's attempted PAT boot was short and the Elks led 13-7 at the intermission.

Guymon took the second half kickoff and were held on downs, forced to punt and the Elks were then held on downs and a fourth down pass went away giving the Tigers the pigskin at their own 32. The Tigers drove to the Elk 30 before the defense stiffened and Stratford took possession only to fumble the ball right back on the first play.

Guymon took possession at the Elk 30 after the fumble and six plays later Rocky Hunter rambed in from the Elk 5 for the tying touchdown. Love's PAT kick was good and Guymon led 14-13 with 1:52 left in the third.

Stratford took the resulting kickoff and marched from their own 38 to Tiger 9 yard line where an attempted field goal

Guymon kept the ball on the ground and punched it out to their own 47 where they were forced to punt and Stratford took over on their own 38.

With time running out Johnson hit Donovan Ferguson at the Tiger 42 and the last defender between Ferguson and the goal managed to get hold of Ferguson's arm, knocking the ball loose and it was recovered by Guymon as it bounded out of bounds.

Guymon then ran out the clock and took the game 14-13.

We lost a friend this week, Ernest Hubbard. Ernest was another of those folks who didn't make a lot of waves but was a fine fellow.

He donated the first land on which the Coldwater Manor is built and helped in many ways around town with things folks never learned of because that was the way Ernest wanted it.

He was an avid bowler and enjoyed the game a lot. We shall miss jawing with him and feel another friend has gone from our midst.

The Texhoma Red Devils lost their second game, Friday night to Shattuck in a hard-fought game. The score was 7-6. Texhoma made their touchdown in the last minute of play and

failed on the conversion.

Coach Townier reported on the ball games at Balko on last Thursday. His 5th and 6th graders lost 6-0. They got 48 yards with 15 yards penalties for the game. Balko got 93 yards with 55 yards penalties. But our boys played steady, consistent ball.

The 7th and 8th grade team lost 6-28. We got 6 first downs, they had 8. Todd Terbush ran for 109 yards and Mike Boyett for 65 yards. Terry Stump had 5 unassisted tackles. The team looked pretty good in the second half of the game. They played Goodwell, Monday evening.
