Water bond passes

Clarendon water users turned out in force to pass a \$500,000 water improvement bond election by a vote of 198 for the bond and 141 against the bond. A total of 339 votes was cast and the measure passed by a margin of 57 votes.

This was an exceptional number of voters for a city election with the total city

head count at just over 2,200 persons, and is the first step toward an extensive water improvement program for the City of Clarendon.

City Aldermen and Mayor Clifford presented the issue to the voters in an effort to do the will of the majority in this matter.

The city has had supply problems due to the anti-

quated system which has some of the original lines which are about 70 years old. Many residents do not have adequate volume or pressure for the use of appliances, dish washers and evaporative coolers.

Methodist vacation school June 8 - 12

June 8-12 has been designated as the dates for the First United Methodist vacation church school for youths ages 2 through 6th grades.

They will meet each morning at 9 a.m. and dismiss at 12 a.m. Refreshments will be served each day.

Make plans for your youngsters to attend this week of vacation Bible school.

Man Faces Charges

Lewis Drum, whose residence is near Hedley, has been named in a warrant filed in Justice of Peace Ernest Kent's court as allegedly being cruel to animals.

According to information, Humane Society Investigator Danny Alexander said Drum's neighbors had reported maltreatment of seven starving horses kept by Drum.

With a warrant from Sher-

iff Jimmy Thompson's office an onsite investigation found conditions which prompted removal of the animals to Dr. Charles E. Deyhle's veterinary clinic. The animals had been in a pen with no feed and neighbors had been watering the stock.

The case has been filed in Donley County Judge W.R. Christal's office but Drum has not appeared by Tuesday, May 19, and was thought to be out of county.

MODELS FOR THE 4-H DRESS REVUE ARE (l to r) Tammie Deen, Kristi Deen and Denise Richardson.

4-H Clothing Revue & Fashion Show to be 28th

The 4-H Clothing project begun in April is nearing completion and will climax with a Dress Revue and Fashion Show May 28th at the Harned Sister's Fine Arts Auditorium at 7:30 p.m.

Clothing and Fashion Revue projects are designed to provide boys and girls from ages 9 to 19 various learning experience in all areas of clothing and textile subject matter.

The purpose and objectives of the programs are designed to help 4-H youth: develop leadership abilities, build character and assume citizenship responsibilities; build self-confidence and poise; develop grace, good posture and good

grooming habits, learn career opportunities in the fashion industry and much more. The sewing skills taught this year were the application of bias tape as trim and casing, how to sew a flat fold seam and french seam, the importance of pressing as you sew and some hand sewing skills.

The modeling project is new to 4-H and began in hopes of encouraging more girls to enter the clothing project. Sewing is just not for everyone though so a Consumer Buying Fashion Show has been added to the Clothing/Dress Revue program. Girls in this project started meeting in January. Skills in make-up technique have been taught as well as the importance of a daily cleansing/moisturizing routine. Modeling walks, stances and pivots have been taught. Modeling to music and showing a garment to a narrative have also been practiced. The importance of being a smart consumer has also been emphasized.

Mrs. Carrol (Janette) Kennedy is a graduate of the Cos't P 15

4-H Trail Ride Saturday

The 4-H Playday was Sunday May 17, 1981 at the Clarendon Rodeo arena. There were 9 competing in 5 events. Event winners were Russell McAnear-Pole Bending and Golf Ball Race; Traci Burch-Flag Race and Ribbon Race; and Lee Smith-Barrells. The All Around winners were Brett Harbert-First and Russell McAnear-Second.

There will be a Trail Ride Saturday May 23rd for anyone interested. We will meet at the College parking lot at 4:00 p.m. There will be a campfire after with games and hamburgers. If you plan to attend the Trail Ride you must call and get your name on the list so there will be enough food. Please call by Friday night either Trista Moore 2322, Virginia Clifford 2049, or Traci Burch 2523.

ACS inaugurates Memorial Day funds

In response to numerous requests from families and individuals, the American Cancer Society has inaugurated a Memorial fund. Families and friends of cancer victims are invited to contribute to commemorate their loved ones.

"Contributions made in memory of a friend or a member of the family are acknowledged by the American Cancer Society and a Memorial card is sent to the family stating that a Memorial gift has been received and giving the name of the contributor. These contributions may be in any amount," said Genevieve Caldwell, President, of the Donley Unit. "Memorial funds are used to support the Society's three-fold attack on cancer through Research, Education and Service," explained Mrs. Caldwell.

"Although the major source of funds for these programs comes from the Society's annual Spring Crusade, Memorial contributions received throughout the year are becoming increasingly important to the Society as more families and individuals become aware that they can contribute to the ultimate victory over this dread disease."

Mrs. Caldwell also explained that the American Cancer Society is deeply grateful to individuals and families throughout the county who are using this practical means of assisting the Society to carry on the fight against cancer.

Memorial contribution should be sent to the American Cancer Society, Donley Unit, c/o Barbara Cosper, Donley Co. State Bank, Clarendon, Tex. 79226, Box 967.

Hightower & Clifford honor students

Judy Hightower is the valedictorian for the Clarendon Junior High School Eighth Grade Class of 1980-81. Miss Hightower, who is the daughter of Mr. and Mrs. Bobby C. Hightower of Clarendon, maintained an average of 97.4 in addition to participating in music, basketball, track, and U.I.L. spelling and ready writing.

Gayla Clifford is the salutatorian for the class with a 96.8 average. Gayla is the

daughter of Mr. and Mrs. Fred Clifford of Clarendon. In addition to her studies, she has also been active in band, basketball, track, and U.I.L. spelling.

Highest ranking boy for the class was Shawn Studer with a 96.733 average. Shawn has been active in band, football, basketball, track, and U.I.L. number sense. He is the son of Mr. and Mrs. Melton McCowen of Clarendon.

These three students, as

well as other deserving Clarendon Junior High School students, will be honored at the Annual Awards Day Assembly which will be held at the Harned Sister Fine Arts Auditorium at 9:00 a.m. on Friday, May 22. The public is invited to attend.

Honor "C" and Medal Awards Day

High School "C" and medal awards for various departments were given out in a program held May 13, 1981. Those who received the awards were:

MATH DEPT
Alg. I Connie Garmen, Alg. II Kelli Hardin, Plane Geom. Ken Dorris, Con. Math Geom. Lance Thornberry, Trig. Steve Nance, and Top Student, Steve Nance.

SCIENCE DEPT
Physics Dyron Howell, Bio. Ken Dorris, Chem. Kelli Hardin, Top Student, Spencer Hayes.

COMMERCIAL DEPT

WTSU Summer Programs

Announcement has been made by Dr. Roy E. Thoman of the special summer program, which will deal with the free enterprise system, to be offered by the Political Science Department.

The university has received a grant from the Texas Bureau for Economic Understanding which enables the offer of this 6-hour, graduate level program. It is designed mainly for social studies teachers and will be offered during the second summer term.

There are approximately 30 scholarships to be awarded. Persons receiving the scholarships will be able to enroll for six graduate credit hours, with the scholarship providing free tuition, fees, books, and in some cases, free university housing.

Two courses "Political

Systems and Capitalism" and "American Government and the Free Enterprise System" will both be offered in the afternoon. The courses will be offered on an accelerated basis with the entire program lasting only about three and a half weeks.

For more information contact Dr. Roy E. Thoman, Director, TBEU Summer Scholarship Program, c/o Political Science Department, Old Main Building, West Texas State University, Canyon, Texas 79016.

Those awarded 6-hour scholarships will be required to send us a \$25 registration fee, and those awarded 3-hour scholarships will be required to mail us a \$15 registration fee. (Checks are to be made out to: "WTSU-POSC: Free Enterprise".)

CJH awards assebley May 22

Friday, May 22, will be the last day of school for Clarendon Junior High and Elementary School students.

Junior High School students will attend the Annual Awards Day Assembly at 9:00 a.m. in the Harned Sisters Fine Arts Auditorium. At this time students who have earned "Honor C" Awards or Perfect Attendance Awards will be honored. Outstanding eighth grade students in each subject area will be recognized, and the valedictorian and salutatorian will deliver their

addresses. The entire Eighth Grade Class for 1980-81 will also be recognized. The public is invited.

After the program is over, eighth grade students will return to school to pick up report cards and diplomas before being dismissed for their end of school party sponsored by their parents.

All other students will participate in the Annual Play Day activities at 12:00 at the football field. At 2:05 they will return to classes to pick up report cards, and the buses will run at 2:15.

Bike-A-Thon riders amassed \$1800⁰⁰

By SPENCER HAYES

The American Cancer Society held its annual Bike-A-Thon on Saturday, May 2 with excellent results. The 24 riders amassed more than \$1800 in pledges, the best ever by a ACS bike-a-thon in Donley County.

The most money was raised by Karen Hill. Karen raised \$360, over \$200 more than the next money-raiser,

Michael Moore, who raised a whopping \$147. Both Dale Adams and Leland Howell raised \$111.

Leland's was an interesting case. Most kids finished the event in around two hours. For Leland it took over four and a half hours. Why? He rode a unicycle. In the 20 mile ride, Leland showed lots of stamina in insisting on riding every inch of the

course.

The National Honor Society of Clarendon High School also participated as a service project. The NHS collected \$411.15 among its seven riders, which really boosted the totals.

One of the main attractions to the youngsters, in addition to the good feeling of helping to fight cancer, was receiving an autographed certificate from Kenny King. Kenny readily agreed to help in this way.

The great success of this program can be attributed to many things. There is Jeff Walker, the organizer and chairman of the bike-a-thon program. And there are the sponsors who so readily gave to the cause. But most of all it's the kids who rode and struggled for 20 miles on two wheels to raise money to help whip cancer. The participants were: Karen Hill, Jennie Porter, Michael Moore, Brad Braddock, Tina Shields, Clint Hunt, Brad Hargness, Ronald McCullough, Lori

Roberson, Tracy Baker, Dale Adams, Leland Howell, Richard Richardson, Michael Murray, Che Shadle, Kari Shields, David Roy Tolbert, Tully Lefew, Wayne Mays, and Craig Wright.

National Honor Society members were: Dan Hansen, Ken Dorris, Spencer Hayes, Steve Nance, Kelli Hardin, Cara Cornell, Dorothy Braddock.

Compiled by Tammie Saye-Cooperative Observer for National Weather Service, Clarendon.

being brought to the attention
of the management.

Nurses Association

On May 1, 1981 the
Licensed Vocational Nurses
Association, Greenbelt #28
hosted a respiratory seminar
at Farmers State Bank Hospital
Room.

Speakers were Glen Gist of
Ft. Worth, Texas, sales representative for the OECO oxygen
enricher, who demonstrated the use and special
features of this oxygen supplement machine. It eliminates
the need of bulky and dangerous oxygen tanks in the
home by concentrating the oxygen in the air and
delivered through a small flexible tube to your nasal
cannula or face mask.

Also speaking was Mike
Butts R.P.H. of Clarendon

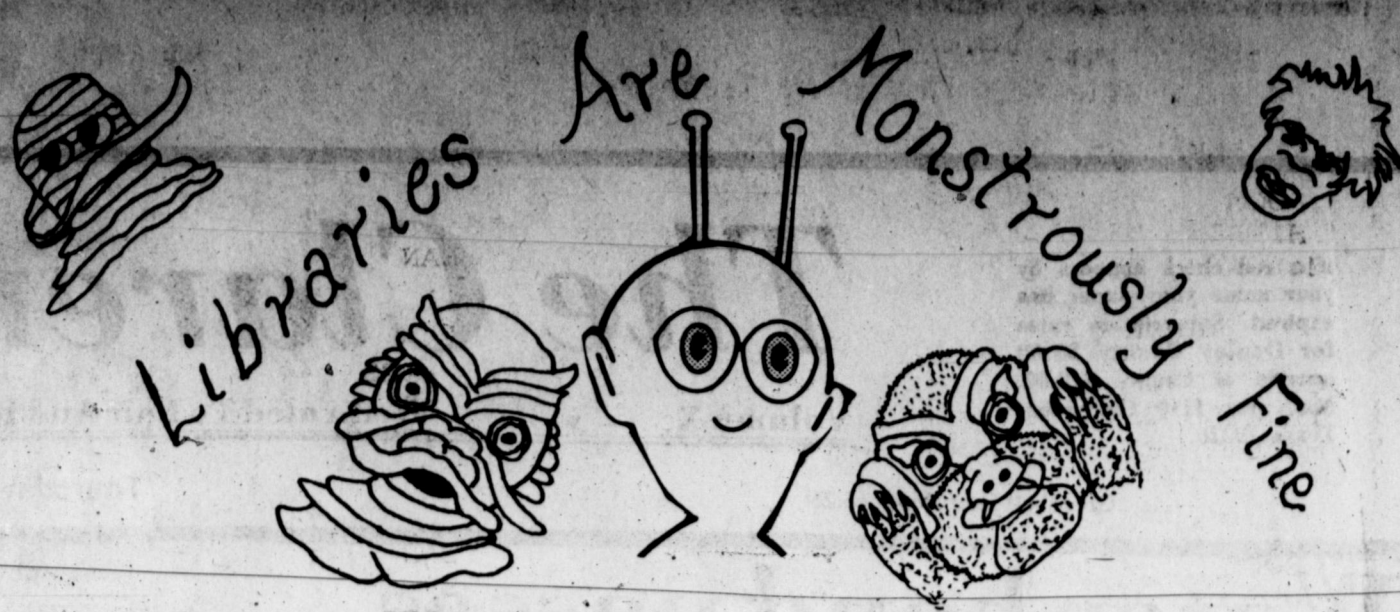

who discussed the different
types of medication available
and the actions and reactions
of these medications.

Joy Betts R.N. and Thelma
Ladd R.N. both employed
by Baylor Leasing Co. of
Vernon, Texas spoke on the
anatomy of the respiratory
system and explained how
different diseases effected
the system. They demonstrated
different equipment available
through their company, with many items listed.

This was a very informative
seminar and many thanks to
Glenda Gourley L.V.N. and Bobbie Louis
L.V.N. for all their work in
organizing it.

deep tan is (a) sunbathe beneath
a shade tree or umbrella; (b) limit exposure to
about 20 minutes the first day,
then gradually increase time in the sun; (c) use a
good suntan lotion.

ANSWERS: 1. (c) Excessive
sun, such as that to which
policemen, sailors and construction
workers are exposed, may cause
wrinkling, leathery texture and
other unpleasant skin conditions. 2. (b) Anyone
with such symptoms should see a
doctor. A prescription drug
available in cream or solution
from Hoffmann-La Roche Inc. is often
prescribed with good results for
people who have solar keratoses. 3. (b).

LIBRARY FM P 1

through high school this
program promises much vacation
enjoyment through the library
program.

This is what is in store for
the participants: Special
Booklets to keep a record of
all the books you read, a
"bookmark contest" that you
will want to enter soon, and a
Special "storytelling" hour

with games for ages 3
through Fifth Grade which
will be available each Tuesday
from 10:00-11:30 a.m.,
beginning June 30.

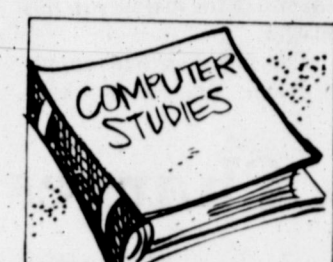

A film will be presented
each Wednesday from
10:00-11:00 a.m. for students
in Grade Six through High
School, beginning June 30.

A costume party at the end

of the summer for all who
have participated in the
Summer Reading Club and a
special certificate presented
to each member by the State
of Texas, acknowledging their
membership in the 1981

Summer Reading Club will
complete the summer library
program.

Make yourself "monstrously"
happy, and join us for
some fun.

By 1985, U.S. elementary
and high schools are expected
to be spending four times more
on computer-based equipment
than today.

Rainbows can be seen at
night. Lunar rainbows were
observed and recorded in
ancient times and are not
uncommon. They are a
phenomenon of the same
principle as the solar rainbow.

IT'S HERE. '82 CHEVY CAVALIER

COMPLETE FROM A TO Z.

- A** AM radio with quartz digital clock and dual front speakers. (May be deleted for credit.)
- B** Bigger than a Chevette, smaller than a Citation.
- C** Complete list of 43 standard features:
1. Front-wheel drive
 2. 1.8 Liter 4-cylinder transverse engine
 3. 4-speed manual overdrive transmission
 4. Power-assisted front disc rear drum brakes
 5. Glass-belted radial tires
 6. Computer Command Control
 7. Rack-and-pinion steering
 8. MacPherson strut front suspension
 9. Push-button AM radio with dual front speakers (may be deleted for credit)
 10. Quartz digital clock (integral with radio)
 11. Front stabilizer bar
 12. Freedom II maintenance-free battery
 13. Large capacity (14-gallon) fuel tank
 14. Day-night inside rearview mirror
 15. Side window defoggers
 16. Electric rear window defogger
 17. Tri-color segmented tail lamps with amber turn signals (except wagon)
 18. Flow-thru power ventilation system
 19. Locking gas filler door with cap holder
 20. Acoustical insulation
 21. Accessible in-dash flip-down fuse panel
 22. Remote trunk/hatchback tailgate release
 23. Body side moldings
 24. Styled steel Rally wheels
 25. Bumper rub strips
 26. Reclining contoured front seats
 27. Assist grip above each passenger door
 28. Console with rear ashtray and coin holder
 29. Plastisol lower body stone-chip protection
 30. Color-keyed seat and shoulder belts
 31. Color-keyed carpeting
 32. Extended front seat track
 33. Column-mounted Smart Switch
 34. Cigarette lighter and ashtray lamp
 35. Glove compartment lock
 36. Styled outside rearview mirror
 37. 31 separate anti-corrosion treatment areas
 38. Resettable trip odometer
 39. Passenger guard door locks
 40. Side-lift latch
 41. Double-panel construction in doors, hood and trunk lid
 42. Strong, lightweight steel bumpers (except hatchback)
 43. Audible disc brake wear sensors
- D** Defoggers, side and rear windows.
- E** Economy 43 EST HIGHWAY. 26 EPA EST MPG 42 EST HWY for wagon.
- F** Front-wheel-drive traction for snow, mud or wet streets.
- G** GM's Computer Command Control.
- H** Head and hip room enough to seat four adults very comfortably.
- I** Interior room of 4-door Sedan is superior to that of a Toyota Corolla or Corona Datsun 210, Honda Accord or VW Rabbit.
- J** J-Car translates into a car with the latest GM technology.
- K** Knee room enough to satisfy a 6'5" American.
- L** Laser beams measure body fit to make sure every single Cavalier passes demanding tolerance tests.
- M** Models include a family sedan, sleek hatchback, classy coupe and spacious wagon.
- N** Newly developed 1.8 Liter 4-cylinder transverse engine.
- O** Overdrive 4-speed manual transmission.
- P** Power front disc brakes, power ventilation system, Plastisol lower body stone-chip protection, and a powerfully appealing Chevy price.
- Q** Quality checks at the factory total more than 1,000.
- R** Reclining front seats. Rally wheels and rack-and-pinion steering.
- S** Smooth ride.
- T** Tested, retested and tested again to become the most thoroughly tested new car in Chevy's history.
- U** Unitized body automatically inspected by robots for weld integrity.
- V** Vital statistics: Cavalier's 101-inch wheelbase helps provide a smooth ride and is longer than that of a Honda Accord. The trunk is superior in size to that of a Datsun 210, Honda Accord or Toyota Corolla Sedan and holds eight pieces of luggage.
- W** Warranties: 12,000-mile (24,000 miles for drive train) limited warranty, plus a 3-year limited warranty against perforation from corrosion. See your dealer for details.
- X** X-rays scan construction to assure alignment of interior parts.
- Y** You're invited to test drive Cavalier at any one of more than 5,600 Chevy dealers. If you'd like, bring in a friend who's an engineer and let him go over it inch by inch. You'll both appreciate Cavalier's quality and engineering.
- Z** Zinc-precoated metals and 30 other anti-corrosion treatments help protect Cavalier from the elements.

Daze of our lives

By JEAN BURCHETT

"You need to get more exercise," Hubby said one morning at breakfast. "When you get out of bed your body sounds like a truckdriver mashing beer cans."

Well, I had been reading about exercise programs and knew if you could hang in there your muscles would build, the vascular system would pump freely and you could get in touch with yourself. My neighbor, Peg, and I threw the idea around as to the most feasible route to take. We thought about jogging, but pitched that idea aside. "We could jump rope," I said. "I've heard that's good."

"If I jumped rope in the house all the stuff would fall off the walls," Peg said. "Let's walk ... start out slow and work up to a brisk two miles a day."

The first morning we hadn't gone two blocks before a kitten mewed itself between my feet. Before I could get disentangled I had banged a hip against a parked Mustang, turned my ankle, the cat was securely clawed into the calf of my leg and Peg was gasping. "Oh, don't hurt HIM!"

"Why," I wailed, "can't I trod the streets with dignity like other exercise buffs? When they've finished their stint they go home aglow and talk to themselves in the mirror. 'I got in touch with you today,' they say. How am I going to look myself in the mirror and tell me, 'Today, a six ounce kitten threw you into a car and

Preliminary Redistricting Proposed

A preliminary staff redistricting proposal will be presented to the Senate Chamber, Senator Jack Ogg, subcommittee chairman announced today.

The preliminary proposal will focus on state senatorial and U.S. congressional redistricting in Texas. The proposals will be laid out for public hearing before the 13 member subcommittee and testimony by the staff, the general public and interested parties will be heard. In addition, questions from the members of the subcommittee will be heard, Ogg said.

In recent weeks, the Senate Redistricting Committee has held a number of outreach hearings throughout the state and in Austin to hear citizen input on the redistricting process and to gain citizens' views with respect to specific redistricting proposals. Prior to these hearings, demographic information gathered by the Census Bureau was compiled and distributed to various groups, individuals and the media throughout the state.

Every ten years the Legislature is charged with redrawing the political boundaries for the Texas House of Representatives, the Texas Senate and the U.S. Congress. Under the provision of the Texas Constitution, the Legislature must complete the redistricting task by the end of the present regular session, midnight, June 1.

bloodied your sock? It's degrading."

"Avoid yourself," she said dryly. "Quit whining and come on. We made a pledge."

If she hadn't challenged me I would have had Hubby hoist me from bed the next morning in a sheet and lay me in front of the TV. As it was, I shuffled around in an inverted "L" until time to hit the road.

"I'm sore," Peg groaned. "Don't be a pansy," I clinched my teeth together to keep from crying out as I bent over to tighten the tape around my ankle and replace the Bandaid over my blistered heel. "We'll whip this thing."

Sure enough, after a couple of weeks we no longer wagged from side to side and could carry on puffs of conversation without stopping. "Of course," we told the friend down the street, "we'd love to have you walk with us. It may take you a while to be able to keep up. We're pretty fast now."

Well! That woman took off like a Ford pickup over a creekbed. Peg was chugging behind her waving hair from her eyes with every step. I got a hitch in my side from trying to walk so fast and keep my balance over the wad of sock that slid under my left arch. If that woman had had the two weeks behind her she could have pulled a covered wagon to California ... with a piano in it!

When we got home Peg collapsed on the porch. "I could have made a better showing," she said, "if I hadn't had a rock in my shoe."

"I could have made a better showing if I'd had a horse under me," I said. "What are we going to do? Cop out?"

"Try harder," Peg said. "Are you a quitter?"

Frankly, I wanted to say yes, but you can't lose face with your friends. That's why we felt so good the next morning when our walking companion was so stiff. "You'll get used to it," we told her. "We'll be patient."

What's a half lie between friends?

Veterans Statistics

More than 209,820 Texas veterans and 92,347 survivors of veterans shared in \$785,100,946 paid during 1980 in the form of Veterans Administration compensation and pension.

VA Regional Office Director Jack Coker said that some 148,070 veterans receive compensation payments for service-connected disabilities, while 61,750 receive agency pension payments for non-service-connected disabilities.

Coker noted that 2,240 are female veterans and 584 were disabled during the Vietnam Era. Over 480 were disabled during World War II.

Noting the obvious important financial impact on Texas residents, Coker said that nationwide, these combined payments constitute nearly one-half of the VA's annual budget of \$24.2 billion.

"A bad neighbor is a misfortune, as much as a good one is a great blessing."

THE NOOK

Closed Memorial Day

people are alive today who did this or saw it in their childhood.

Today it's not safe for a youngster to ride frontwards down any of Texas suburban or rural streets. Due to the great increase in traffic, bicycles have almost become a hazard to themselves. They very qualities that make them ideal for short distance transportation, such as their lightness and maneuverability add to the hazard.

The rider is too vulnerable. Today traffic laws apply to bicycles as well as cars and trucks. This is a fatal fact that is often forgotten by young cyclists. It may behoove parents to set safety standards in their own driving habits, because what adults do really makes a strong impression on a child.

The Texas Department of Public Safety urges both motorists and cyclists to begin this 1981 Spring by driving defensively. That is the only way we can live with the law.

New Law
Older Texans who transfer resources in order to qualify financially for welfare are now being denied eligibility for Medicaid benefits.

Martin Johnston, Commissioner of the Texas Department of Human Resources, warned that such "divestiture of assets" to obtain health care is now against the law, according to a federal statute which took effect March 1.

Johnston stated DHR has documented cases where assets in excess of \$100,000 were transferred or sold at less than market value to establish eligibility for nursing home care under Medicaid. The property usually goes to sons, daughters or other family members.

Prior to March 1, DHR had long sought legal restrictions to prevent divestiture of assets.

Under the new law, a 24 month penalty of suspended eligibility is imposed for anyone giving away or selling property for less than market value to establish eligibility for Medicaid.

Persons who became eligible for Medicaid through divestiture of assets before March 1, will not be affected.

"The successful people are the ones who can think up things for the rest of the world to keep busy at."

Don Marquis

Patricia Spring and Thomas Cutler

To help keep your food budget from going to seed,

more Americans are gardening than ever before. Home-grown vegetables not only help food budgets but, many say, taste better than store-bought produce, too.

To help keep your plants free from weeds, cut plastic squares from a heavy weight trash bag such as "Glad" and lay them around the stems of tomatoes, peppers, etc. Or, open the bag fully and lay it between rows of plants. Anchor with rocks. Do this when soil moisture content is high. Punch holes in strips.

To get the most out of your home-grown corn, harvest when the ears are firm and full to the touch and the kernels are plump. Remember, corn that is not cooked within hours after picking begins to lose its sweetness and food value.

Springs Announces Engagement to Cutler

Mr. and Mrs. Ted Springs of Grannis, Ark. announce the engagement of their daughter, Patricia Springs to Thomas Cutler, son of Mr. and Mrs. John Cutler of Arkadelphia, Ark. Miss Springs is a Junior of Henderson State University and is employed by Lane Poultry. She is the granddaughter of Mrs. Lucy Springs and the late Jerome Springs of Grannis, Ark. and the late Mr. and Mrs. Goble Barker of Clarendon, Texas. Her fiancé will receive a B.S.

degree in Computer Science in May from Henderson State University. He is employed as a computer programmer for Software Systems Inc. of Arkadelphia. His grandparents are Mr. and Mrs. Wesley Barnes of Horatio, Ark., and Denny Cutler of Gurdon, Ark., and Mrs. Maria Sims of Little Rock, Ark. The couple will exchange wedding vows on June 6, 1981 at 7:00 in the evening at the Grannis Baptist Church. All friends and relatives are invited to attend the ceremony.

Chamberlain news

By Mrs. Hawley Harrison

Chamberlain Community Center had a nice meeting last Friday night. Lloyd and Melba Risley and Lacy and Mary Lee Noble were our Hosts and Hostesses. Our next meeting will be June 5th. Come enjoy the fun.

Doug and Martha Lowe and Mrs. Genoa Lowe visited Mr. Earl Burton in the Nursing Home near High Plains Baptist Hospital last Monday.

Johnny Carter of Pampa visited Mrs. Clara Mae Carter Monday evening.

Ann Allen of Albuquerque visited her parents Mark and SSS

Southwestern Oklahoma State University, Weatherford, Okla. at convocation Friday evening, May 15.

Mrs. Wilson, graduating Magna Cum Laude, attended Canyon High School. She received her Pre-Pharmacy at West Texas State University. Her Professional Practicum was done at Swann Rexall Drug, Geary, Okla. and her Clinical Practicum at St. Anthony Hospital in Oklahoma City. She has been employed the past three summers and vacation periods at Veterans Hospital Pharmacy in Amarillo.

Mr. Wilson is a graduate of Borger High School and took his Pre-Pharmacy at Frank Phillips Junior College. He did his Professional Practicum at Boothe Drug Store, Hobart, Okla. and his Clinical Practice at St. Anthony Hospital, Oklahoma City. Mr. and Mrs. Wilson are named on the Dean's Honor Roll and are members of many honoraries.

Mr. and Mrs. Wilson will make their home in Amarillo where they have Pharmaceutical positions.

Attending convocation were Mrs. Wilson's parents, Mr. and Mrs. David Patterson of Canyon; and her grandparents, Mr. and Mrs. G. W. Estlack of Clarendon; her aunt and uncle, Mr. and Mrs. L. T. Whitlock of Amarillo; also Mr. Wilson's parents, Mr. and Mrs. Dee Wilson, and sister, Miss Laurie Wilson of Borger.

Vivian Allen several days, returning home Thursday.

Dennis Harrison attended the Building Committee Meeting at Martin Baptist Church Monday night.

Mrs. Richard Cannon visited Mr. and Mrs. J.T. Easterling of California in the home of Mr. Earl Easterling last week.

Mrs. Bradis Ballew, Mrs. Clara Mae Carter and Mrs. Ethel Dinger attended the Rebeckah Sunday School Class Luncheon last Thursday.

Rudolph, Dovie, and Billy Perdue of Oklahoma City, Ok., Harven Perdue of Canadian and Rich and Neva Perdue of Amarillo were luncheon guests of Mrs. Florence Harp Saturday.

J.D. and Nelda Jones of Dalhart returned home from Dallas last Thursday, where J.D. attended Elkins Institute Incorporated for two weeks to qualify for his Radio License, and he received his First Class Radio License. While J.D. was in class, Nelda visited her cousin Jeanne and Kelly Nelson of Irving, and John and Jody Nelson, Travis and Kyla of Sanger, and Joe Nelson. They visited Bachman Lake in Dallas and other interesting places.

Ernest and Roxie Barbee visited in Quitaque Saturday with their parents Mr. and Mrs. Tom Barbee and Mr. and Mrs. Cecil Price.

Beth Webber and a friend were breakfast guests of Mrs. Clara Mae Carter Thursday morning.

Mrs. Carmen Wright and Mrs. Bessie Broom were in Amarillo on business Thursday.

Mrs. Bradis Ballew, Mrs. Clara Mae Carter and Nell Corbin were in Pampa shopping Tuesday.

Dennis and Loretta Harrison were supper guests of John and Joy Naylor and family Sunday night.

Mrs. Clara Mae Carter had lunch with Rosa and Bill Mears Tuesday.

Mr. and Mrs. Hawley Harrison were in Amarillo Monday to see Dr. B.L. Weinberger.

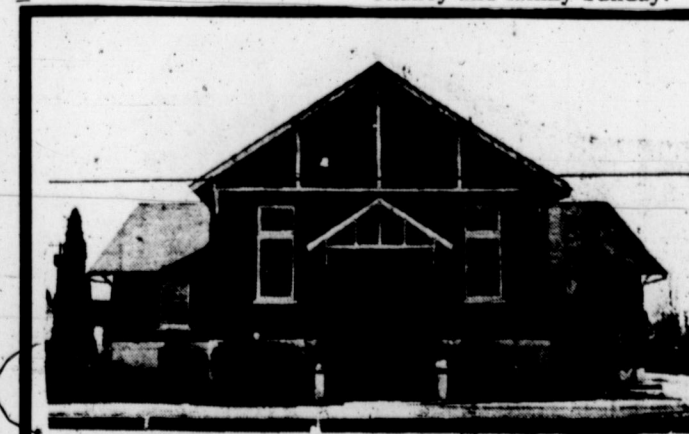

Mrs. Gladys Blackburn and Butch visited Van Kennedy and Warren Hardin in Amarillo Hospital Tuesday.

Bud and Carmen Wright were dinner guests of Mrs. Bessie Broome Sunday.

Mr. and Mrs. Dean Chaney were dinner guests of their son, Mr. and Mrs. Dean Chaney and family Sunday.

The emerald was known in ancient times for its alleged power to heal diseases of the eye.

There is one God, and one mediator between God and men, the man Christ Jesus. 1 Tim. 2:5

Texans Alive

Due to

55 MPH

MARK BERRIER

You are alive today because of the 55 MPH speed limit. Don't laugh it may be true.

According to statistics from the Texas Office of Traffic Safety, you may be one of the estimated 3,500 Texans alive today who would have died on the highway if the old speed limit and fatality rate had remained unchanged.

Many people think that the 55 MPH speed limit is just a move to save gasoline, and they are half right. It was initially established as a response to the problem of energy conservation and it has been effective in that respect. Driving at 55 instead of 70 increases your mileage from 17 to 40 percent that means the average car gets 50 extra miles per tankful.

But fuel economy has only a fraction of the importance of the savings in lives. In 1974 alone, U.S. traffic fatalities dropped 16.8 percent instead of increasing one percent as expected a difference of almost 10,000 lives. In fact, the 55 MPH speed limit is the single most effective means of saving lives ever implemented by the government, including the massive polio immunizations of the sixties.

Despite these statistics, many people still regard the 55 MPH speed limit as a case of unwarranted government interference. But these people don't realize that their lives may have been saved by it. They haven't been touched by the death of a family member.

If you don't support the 55 MPH speed limit, ask the opinion of someone who has lost a brother, a wife, or a child in a highway accident. See what they think about it and take their advice. Save your family and friends from untimely deaths. Drive 55. For you for your family...for Texas.

your filter can get dirty, clogged, waste energy...

but a clean filter
saves energy, money.

The purpose of a filter on your air conditioning or heating air blower is to help catch dust and dirt before it can enter your unit. In time, the filter will accumulate dust and dirt... if it gets clogged, it can't do the cleaning job it's supposed to and uses more electricity. To avoid damage to your unit and to save energy and money, be sure filters are clean. Permanent types can be cleaned according to the manufacturer's instruction. Non-permanent types should be replaced. It is wise to check filters every 30 days.

Miss Teenage Pageant

There were only winners in the Miss National Teen-Ager Pageant presented at Clarendon College Friday and Saturday, May 15 and 16, 1981. The lovely, personable young ladies who were entered were winners from the time they received their letters of invitation to participate in the event.

Clarendon was well represented with #49, Karen Kortara, daughter of Lelia Lake, daughter of Mrs. Mike McCully, and a student of Clarendon High School and #77, Stella Robinson, daughter of Mr. and Mrs. Jim Cox, of Clarendon. Sponsoring Miss Kortara, was the Farmers State Bank and Trust Company, of Clarendon and sponsors of Miss Robinson were Gibson's Discount Center, Chamberlain Motor Company, Wallace Monument and Company and Robertson Funeral Directors all of Clarendon.

Another former Clarendon resident, Tana Gunnels, daughter of Mr. and Mrs. Mark Gunnels, of Stinnett was also a contestant. Opening the pageant Friday evening was a musical dance revue, under the direction of Jeanne Wallin, choreographer. The girls were attired in a delightful variation of skirts, blouses, boots, big hats and sunny smiles, in the Texas flag colors of red, white and blue. Mistress of ceremonies was Kimberly Jensen, Miss National Teen-Ager 1976, who provided several vocal selections during the evening. Karen Helton, Miss Texas National Teen-Ager for 1980 welcomed the contestants to the pageant.

Each of the 95 girls present presented her 100 word essay on "What's Right About America" orally to the audience of parents, sponsors and the two judges. From this group ten girls were chosen as finalists for the Friday evening program. Choosing was difficult for there was much originality, profound thinking and excellence of delivery evidenced in the presentations. On Friday evening, Kimberly Jensen, Mistress of Ceremonies opened the pageant program on a musical note and then introduced the judges. Judging the essays were Katie Dvorak and Jeanice Weatherly, of Clarendon. Judging the parade of even-

ing wear were an impressive panel of persons composed of Kenneth J. Wallace, of Hurst; Otis Sanders, of Goodwell, Oklahoma; Lila G. Vars, of Canyon; Leslie Schnauffer, Clarendon; and Pat Dawson, River.

The parade of evening wear was a veritable rainbow of lovely young ladies in a variety of stunning gowns. While the judges worked to make their decisions the ten finalists were announced for the essay contest.

Giving their essays for the Friday evening spectators were Jill Bradley, #7, of Plainview; Judy Crouch, #16, of Hamblin; Teresa Duvall, #22, of Odell; Dalia Garcia, #30, Lubbock; Teresa Gill, #33, Idalou; Stella Horton, #41, Amarillo; Mary Parker, #67, Littlefield; Debra Perkins, #69, Amarillo; Catherine Pezanosky, #70, Wichita Falls and Geveryl Robinson, #76, Lubbock.

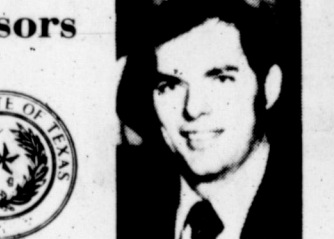

Winners in the "What's Right About America" were Dalia Garcia, Lubbock, first, Catherine Pezanosky, of Wichita Falls, second and Geveryl Robinson, Lubbock third place. Each winner received an eagle trophy and Miss Garcia also received a \$50 savings bond. Other awards were made at this time and were Congeniality, Peggy Winn, #90, of Muenster, daughter of Mr. and Mrs. Alford Allen; Cynthia Stillwell, of Abnerath, #85, daughter of Mr. and Mrs. Harold Stillwell, Citizenship winner of a \$4,000 scholarship award to Eckerd College, St. Petersburg, Fla. and a trophy.

Winner of the Community Service award was Kimberly Muckey, #60, of Wichita Falls, daughter of Mr. and Mrs. Leslie L. Muckey. Most Photogenic was Janet Nix, #64, of Sudan, daughter of Mr. and Mrs. James Mike Nix. Title of Miss Hospitality went to Teresa Reeves, #74, of Higgins, daughter of Mr. and Mrs. Richard Reeves and the recipient of a \$250 cash scholarship and Miss Hospitality Banner. Miss Hospitality and her parents will return to the 1982 Regional Pageant with all expenses paid at the Host Hotel. Best Letter to a Sponsor award was won by Jill Bradley, Plainview, #7, daughter of Mr. and Mrs. Lonnie

Sarpalius Sponsors

3 More Bills

Texas agriculture got a boost Thursday by three bills signed into law by Governor Bill Clements. One deals with grain samplers, one with vocational agriculture teachers and one with sellers of citrus fruit. All three of the bills were sponsored by Senator Bill Sarpalius, a Democrat from Hereford. One of the bills will allow grain samplers to be licensed. Sarpalius said the bill is aimed at correcting controversy about the quality of grain and the accuracy of the grain sampling process. "Many times these disputes arise after the grain is consumed or bound for a foreign port. Having samples taken by a trained, licensed grain sampler should cut down on the problem of trying to determine the quality, and of course the price, of grain," Sarpalius said. Sarpalius said the law will not require any elevator or grain dealer to hire a licensed sampler, but he predicted

that many would choose to do so. The bill will leave the details of the licensing procedure to the state Department of Agriculture. Another of Sarpalius' bills signed Thursday will give vocational agriculture teachers credit for 226 working days a year. Sarpalius, a former vocational agriculture teacher himself, said the teachers already are working at least that much and should get credit for their efforts. Sarpalius added that the bill only applies to teachers employed on a 12-month contract. The third Sarpalius bill, signed by Clements Thursday requires a \$25 fee for door-to-door citrus sellers, rather than the one dollar fee they now pay for licensing. The bill is intended to help cut down on theft of citrus fruit, and will not affect charitable or nonprofit groups that sell fruit door-to-door, Sarpalius said.

DAYLIGHT SAVINGS TIME IS BARBECUE TIME

With man and nature conspiring to provide longer days, fancies likely turn to thoughts of alfresco cooking. May is National Barbecue Month! If you want a ducky dish to inaugurate the season, don't duck ducking. A natural for cooking over a grill, frozen Wisconsin duckling like C&D ducklings, are bred for more breast meat and less fat. Use a covered grill or make a tent over the bird with Reynolds heavy-duty aluminum foil. Punch holes in the tent and extend the

Bradley, who was presented a watch at Sunday breakfast. The 15 finalists in the evening dress parade were: LaDonna Douglas, Lisa Gaskill, Janet Nix, Diane Warden, Kimberly Hudson, Brandy Black, Kimberly Clements and Lana Fuston. Also Tammy Donnell, Debra Perkins, Pamela Neal, Jill Bradley, Charissa Menefee, Sheri Proctor and Teresa Duvall.

Judges again had a difficult time deciding on the winner and runners up but did come up with these results: 4th runner-up Kimberly Hudson, of Canyon, #42, daughter of Mr. and Mrs. Bill F. Hudson; third runner-up, Tammy Donnell, Canyon, #19, daughter of Mr. and Mrs. W.C. Donnell; second runner-up Janet Nix, Sudan, #64, daughter of Mr. and Mrs. James Mike Nix and first runner-up, Lisa Gaskill, #31, daughter of Mr. and Mrs. Harlon E. Gaskill.

Winner of the title "Miss Northern Texas National Teen-Ager" was Diane Warden, Hereford, #89 the daughter of Mr. and Mrs. Guy E. Warden. As the winner, Miss Warden will receive a \$300 cash award and a \$300 Scholarship to Clarendon College. She will also compete in the 10th Annual Miss Texas National Teen-Ager Pageant at Texas Christian University, Fort Worth on June 6, 1981. In addition she will receive an 11 x 14 color portrait, official tiara, banner and gold cup trophy.

The runner-up each received a beautiful trophy. All contestants received certificates of recognition and trophies in addition to making new friends and growing from a new experience for most of the girls.

NOTICE

Notice of the Names of Persons Appearing on the owners of Unclaimed Amounts Held By: The Donley County State Bank, Clarendon, TX 79226.

This notice is given and published pursuant to Section 3, Article 3272b, Revised Civil Statutes of the State of Texas, in an effort to locate persons who are the depositors or owners of amounts in accounts that have remained inactive or dormant according to the provisions of Article 3272b for more than seven (7) years. The unclaimed amounts due the depositors or owners listed herein will be paid upon proof of ownership at the office of the named depository within nine (9) months, and if unclaimed thereafter they may be subject to report to and conservation by the State Treasurer in accordance with said Article 3272b.

Name of Missing Depositor, Richard G. Allen, Box 1111, Clarendon, TX 79226.

CLARENDON COLLEGE would like to thank Clarendon College for the use of their facilities to hold their monthly meetings. 21-1tp

NEWSWORTH TRENDS

If you're light-skinned, a redhead or a blonde, you may get more than a tan from overexposure to the sun.

Over a period of many years, too much exposure to the sun may cause a condition called solar keratoses. Left untreated, it can develop into skin cancer, the most common form of cancer among people.

Although particularly prevalent in the sunbelt states, this condition can develop no matter where you are. It often affects people whose jobs require them to work long hours in the sun—farmers and fishermen, for example.

The symptoms include red, scaly patches, usually on the hands and face. Any one with such symptoms

If you must stay in the sun, protect your skin properly!

should see a doctor. Only a doctor can properly diagnose and treat solar keratoses. Doctors have a prescription drug cream and solution, developed by Hoffmann-La Roche Inc., that is often prescribed with good results for people who have solar keratoses.

If you think you have solar keratoses, or any other skin problem, it's a good idea to see your doctor.

Robert Winford
Sherri and Randy Johnson, of Amarillo announce the arrival of a son, Robert Winford on May 11, 1981 at 1:13 a.m. in Hall County Hospital.

Robert Winford can look forward to company at home from a big brother, 15 month old Warren.

Grandparents are Mr. and Mrs. Don Altman and Marie Johnson, and the late Ruben Johnson, of Hedley. Marie Johnson is now in Amarillo.

Gas Output

Texas oil and gas wells produced 583,259,315 Mcf of gas in January 1981, down 3.96 percent from field runs a year earlier.

Marketed gas production totaled 502,647,367 Mcf and reflected a 3.55 percent decrease from the January 1980 volume. Marketed production is the total gas to transmission lines, carbon black and plant fuel and lease use.

Gas exported from Texas in January totaled 278,561, 666 Mcf. Natural Gas Pipeline Co. of America was the month's largest exporter, moving 74,803,896 Mcf of gas of which 39,199,206 Mcf was Texas-produced gas.

Exports of Texas-produced gas in January totaled 205, 068,679 Mcf, and reflected a 3.82 percent decrease from the year-earlier month.

Texas gas production in January came from 210,742 oil and gas wells.

In December 1980, Texas wells produced 586,792,097 Mcf of gas. Marketed gas production in December totaled 505,328,106 Mcf. December exports of Texas-produced gas totaled 197, 751,998 Mcf.

Affairs of Life

If looked upon with understanding, one can recall the past with gratitude and come to the realization that certain difficulties or shortcomings were a blessing.

In actuality, often future stepping stones and not hindrances as originally appeared.

FOSTER WHALEY

On May 6, the House approved a \$26.55 billion budget after a three-day debate that caused a lot of sparks to fly. A Dallas representative and I teamed up to knock a requested \$2 million off the bill for a solid waste disposal pit for the City of Irving. We suggested the City of Irving do as the other cities of the State have done: pay their own way using the \$3 million they collected in the one cent city sales tax in 1980. When we finished, the Irving Representative pulled his Amendment down. I also discovered the religious colleges of the State had given out (over the last two years) \$1.3 million in grants to out-of-state students. I successfully placed a rider on the bill prohibiting this. I followed with an Amendment to cut their \$36 million budget by 5 percent over the next two years. This failed by an overwhelming vote. I am convinced this matter should be taken to the Courts and totally prohibited. Many of the Representatives of the Independent Colleges and Universities of Texas (ICUT) strongly oppose furnishing text books to parochial schools on the basis of separation of church and state. This program started in 1972 with less than \$1 million of state tax money approved. They requested \$45 million for the next 2 years. The House held it to \$36 million. I will bet my life the Senate version will have \$45 million in it for this. The compromise between the House and Senate version will result in a figure higher than \$36 million. The Chairman of the Senate Finance Committee is from Abilene where several of the religious institutions are located. At least we have stopped them from pumping \$1,300,000 to out-of-state students. \$26 million of our tax dollars went to these religious colleges over the last two years. The sad thing is we sent \$1,300,000 to out-of-state students. This is one of the reasons I am for Initiative and Referendum. This would be thrown out at the ballot box. The heads of ICUT have to sign a statement "We do not adhere to any particular religious belief in our hiring practices."

Wayne Peveto has come out with a 110-page, bandaid bill for his S.B. 621 that was passed in the 1979 session in hopes of patching up this big mistake. We have had a few calls asking us not to support H.B. 602 by Lynn Nabers. This would repeal the Peveto bill that has caused chaos in

capital comments

the local ad valorem taxes of the State. But, right now, our phone is ringing off the hook saying get rid of the Peveto bill. Just about every rural legislator voted against this Peveto bill in 1979. It was the big city legislators with Governor Clements' endorsement who got its narrow approval in 1979. The House approved it by two votes and the Senate by one. Now it is the city legislators (who voted for the bill in 1979) who are shaking in their boots. The people, connected with the taxing entities from the big cities (who lobbied the Peveto bill through in 1979) testified before our Constitutional Amendments Committee on several bills to give relief. All 4 legislators carrying legislation voted for the Peveto bill in 1979. The smaller counties have not had as much trouble as the larger ones. The sad thing is that much of the work that some counties have done with one common appraisal district could have been done before the Peveto bill was passed. The fact is, a number of taxing entities were already in the process of using the data from another entity appraisal. The City of Pampa has provided the basic appraisals for both the county and the Pampa Independent School District for years in a most satisfactory manner. U.S. Congressman and Senators have to stand for their decision with reference to taxing and spending matters. Legislators of Texas also have to stand for their decision in spending and tax matters. But, the supporters of the Peveto bill make no bones about telling you we have insulated the appointed boards that set your taxes on the local level. This is counter to the philosophy of a democracy. I believe it is counter to the philosophy of most of the tax paying citizens in my district. It is also counter to my philosophy.

Gas Discoveries

Texas operators reported 117 gas and 37 oil discoveries in April 1981, the Railroad Commission's Oil and Gas Division announced today. In the year earlier month, 83 gas and 52 oil discoveries were filed with the state's energy regulatory agency. Gas discoveries in the fourth month of the year

included 46 in deep South Texas, 19 in the Refugio area, 15 in West Central Texas, 12 in Southeast Texas, six in East Texas, five in the Midland area, four in the San Antonio area, three each in East Central Texas and the San Angelo area, and two each in North Texas and the Panhandle area.

Oil discoveries included six each in West Central Texas, North Texas, and the Refugio area, five in the SAN Antonio area, four in Southeast Texas, three each in the San Angelo and Lubbock areas, two in the Midland area, and one each in deep South Texas and the Panhandle area.

In April, operators reported 227 exploratory and field tests wound up as dry holes. New applications for permits to drill oil and gas tests totaled 3,359 in April, compared with 2,646 in the same period of 1980.

Applications to drill, deepen, plug back and for service wells in April amounted to 3,585 against 2,922 a year earlier. Operators filed 811 amended applications to drill. A year earlier they submitted 560 amended requests.

Bullock Comptroller

State Comptroller Bob Bullock Thursday said rebates of the one-percent city sales tax for the first five months this year are up more than 40 percent over the same period last year. Bullock said his office is sending Texas cities more than \$96.1 million in sales tax rebates for May. He said 1981 payments now total \$282.3 million, compared to \$201.5 million during the same time last year.

Bullock said he felt an upswing in first quarter sales and the agency's rapid rebate system to the cities accounted for larger than normal checks this month.

Clarendon's net payment this year is \$9,456.97. Net payment same period last year \$4,222.77. Total 1981 payment received to date \$34,752.47. Payment for 1980 same date was \$29,613.93 which makes a 17% increase over last year.

FISH TALES

By KATHY DVORAK

The weather hasn't exactly been cooperative lately with the wind and the cooler weather and even a mist and rain or two, but the fish are in the water begging for lures, bait and fishermen. The water temperature is still a bit chilly to go in swimming if there is any wind or if the weather isn't summer hot, but that'll change soon enough.

The Texas Parks and Wildlife Inland Fisheries have recently stocked the lake with 20,000 smallmouth bass and will be bringing another load later in the season. The Bass Nursery Pond is full of 20,000 large mouth bass again and this means that they will be big enough to dump into the lake around February, if it's warm enough then to turn the little fish into Greenbelt.

Now is the time to consider getting a season permit from the Greenbelt Water Authority to use the lake this summer. You must pay \$1.00 a day per person to use the lake and \$1.00 a day to put a boat on the lake per day as well. If you intend to fish regularly, you should purchase a season pass of \$10.00 a person and \$20.00 per boat and enjoy the lake every day without the daily dollar fee.

This charge from the Water Authority is only for persons 15 years and older, so if you have a young family, why not get a season pass and take the kids out to the sandy beaches to swim and patter in the water each afternoon and wear them out so they'll take a nap and Mom can relax?

The "season" for these passes is from Jan. 1 thru Dec. 31. If you purchase a ticket now, it will expire Dec. 31. But who wants to be on the lake in December or the winter anyway? You can buy a pass from the Greenbelt Water Filter Plant on the highway, or you can get one from The Canteen, Bonnie's Place, Patten's Landing, and Mooring Bait and Tackle.

If you use the lake, you MUST have a lake permit on you to show that you can use the lake. Even if you picnic and don't swim, you need a lake use permit. If you want to use a boat, a canoe, a paddle boat, a raft, an inner tube with a trolling motor, or a styrofoam boat, you still need a boat permit. Don't get caught without one.

The boat ramps are doing great in spite of the lower water. You can get your boat on the lake without worry now. The south ramp, the one closest to the main entrance, has been repaired and the washed out trench has been filled in and the sides are repaired so you can easily back the boat down and not fall off of the ramp. The North Ramp has been dug out again. Silt fills that one in and makes it difficult to use, so several times in the spring a front end loader goes in and digs out the silt that blows in filling in the ramp. Of course, when they do the digging, the equipment pushes some silt back into the lake and the next time it blows good, that silt moves back up toward the ramp. It's an endless cycle. The Water Authority folks are always working to help out and improve the facilities for your enjoyment, however, and all is under control. That North Ramp isn't used much, so why not avoid over crowded conditions at peak time on the South ramp and go up the hill to use the other ramp? That's what it's for, you know.

The water dog situation is as bad as it can be: There are none to be had. If you have a second choice to replace water dogs for a sure bait, you'd better get after it!

The sun, astronomers say, follows a pattern of shrinking and swelling. It's presently in its shrinking stage, losing a few feet every hour.

CJH Presented three One Act Plays

The Clarendon Junior High School 8-A Class presented three one-act plays to entertain the other elementary and junior high students as well as a number of interested parents on May 8.

The first play, "A Case for Two Detectives," featured two solutions to a murder mystery. In the first scene, Mitch Johnson was the impatient and explosive Quentin Van Quentin, the world famous arm-chair detective who carried about by two servants, who were played by Terri Leffew and Paula Noble. Gayla Clifford was the socialite widow of the victim, and Mary Katherine Hayes played the twenty-year old daughter. Debra Blaggs portrayed the complaining

week-end visitor, and Shea Green was the screaming maid whom Quentin Van Quentin finally accused of the crime.

For the second scene the fast-talking, gun-slinger, woman-chaser Rivets O'Neal, played by Shawn Studeer, literally swept Susan (Mary K. Hayes) off her feet as he proceeded to "eliminate" the suspects: Mr. Allen, the rich tycoon who died before the gun went off, played by Ben Clifford; Mr. Allen's loquacious wife played by Judy Hightower; and the sultry secretary, Miss Marlowe, played by Vicky Holman.

Neither solution proved to be correct when Tim Cole, playing the Announcer, re-

vealed that the real murderer was the butler and that he was the butler.

Richard Richardson, as the Narrator, introduced the second play, "The Incredible Cookie Caper," in which Agents 10-Q, 32-L, and 57-V were played by Annette Watson, Jamie Wooldridge, and Tish Robinson. Stan Garland was the Voice from Headquarters.

Kim Formway and Lynn Alderson delighted the audience with their performances as Voracia and Thurston Tempest in "Vagabond Vampires." Using "invisible" antics and "egg music," the couple solved a murder mystery in order to continue living in an old

abandoned house. Wendy McCombs played their mischievous daughter, Thoracia.

Amy Hancock and Rod Keown portrayed the middle aged neighbors, Mr. and Mrs. Grigaby, who were victims of the vampires' weird actions. Kay Bell, Toni Michels, and Jerry Morris played the roles of Sue Lang, Tom Martin, and Jeff Martin, all of whom were suspected of the murder. Rounding out the cast were Christina Jaramillo as Mrs. Marshall, the housekeeper, and Joe Forbes as Officer Grogan.

Todd Roberson and Shane Klennert were the Announcers who introduced each play and the characters in them.

THESE ARE THE RIDERS for the Bike-A-Thon who collected over \$1800.00 in pledges May 1.

4-H Meeting

The Donley County 4-H Monthly Meeting was held Monday May 18, 1981 at 7:30 p.m. The meeting was called to order by Lynn Alderson, President. The 4-H Pledge

and Prayer were led by Brett Harbert. Leland Howell read the minutes from the previous meeting and committee reports were given. Business discussed included the Teen Leader Lab and the Brown-

wood 4-H Camp. New officers for 1981-1982 were elected. They are: President Lynn Alderson; Vice President Lee Smith; Secretary/Reporter Tish Robinson; Treasurer Traci Burch; and Recreation

Chairman Brett Harbert. Council Delegates elected were Virginia Clifford and Richard Richardson. The meeting was then adjourned and the remaining time was spent listening to tapes. There were approximately 25 4-H members present. Others attending were Ronald Gooch, County Extension Agent, and Leaders, Henrietta Richardson, Jan Cole, Glenda Hawkins, Margaret Smith and Gary Harbert.

FFA News

By DYRON HOWELL

The 26th annual FFA Banquet was held May 5 in the high school gym. There were 50 FFA members and about 400 guests present.

The banquet is one way the local chapter can show its appreciation to the community for its support and interest. All members invited their fathers, or other special guests, as well as many business people and other people involved in some phase of agribusiness.

The dinner menu has consisted of barbecued chicken for the past several years. This year the chapter gave gifts to six special men who

helped cook. These gifts were a small token of the chapter's appreciation for their contribution to the success of the banquet. Those helping were Pete Land, Hubert Rhodes, Doyce Graham, Mike Graham, and Curtis Jewett.

James Baxter, state FFA vice-president and freshman student at Clarendon College, was the guest speaker at the banquet.

Milton Mann and Carol Duncan presented awards and certificates to individuals and teams who had participated in various contests.

Recipients of the awards were: Greenhand Chapter Conducting-1st District-Dyron Howell, Richard Gaines, Arlis Thomas, Neal Johnston, Creed Wright, Jack Downer, and Steve Shaller.

Senior Chapter Conducting-1st District-Kelly Hill, Todd Muse, Ken Dorris, Ray Lindley, Bret Bryant, Chuck Brogren, and Eddie Bright.

Radio Contest-4th District-Barry Hastey, Dan Hansen, Eddie Bright.

Public speaking-2nd District-Terry Cole.

Crops Team-1st District, 1st Area and 1st Texas Tech:

Star Greenhand-Dyron Howell, Star Chapter Farmer-Ray Lindley, Horse Production-Shannon Hall, Swine Production-Jeff Helms, Beef Production-Rodney McAnear, Sheep Production-Ted Sawyer, Soil and Water-Barry Hastey, Ag. Mechanics-Keenan Shields, Crops-Steve Schwertner, Electricity-Carl Watson.

The new officers for the 1981-82 year are Shannon Hall-president, Ken Dorris-vice president, Ray Lindley-secretary, Jeff Helms-treasurer, and Rodney McAnear-sentinel.

FACTS for YOU

TEXAS FARM BUREAU
RESEARCH AND EDUCATION
BOX 459 WACO, TEXAS 76708
BILL WEDEMEYER, DIRECTOR

Eliminating Government programs

Human Events, May 9, 1981 reported that the Reagan administration intends to eliminate 175 federal programs. Programs slated for extinction are scattered through 15 U.S. governmental departments. The job will not be easy and will require much encouragement from the voting public if it is to be accomplished during the next five years, as planned.

Liberty Amendment

Indiana has become the ninth state to approve the Liberty Amendment. The Liberty Amendment is designed to take the federal government out of competition with business and eliminate the income tax. When a total of 34 states approve the proposal, the U.S. Congress will be required to submit it for approval to the 50 states, and at least three-fourths, or 38 states, must approve the amendment when submitted by Congress in order to add it to the Constitution.

U.S. Government Liabilities

The U.S. News and World Report, May 4, 1981, reveals that the national debt is only the tip of the iceberg. In ten years, government liabilities have more than tripled from \$1.8 trillion 1970 to \$6.5 trillion 1980. The article outlined the liabilities as follows: direct liabilities, \$1,039.4 billion; contract liabilities, \$472.9 billion; private loan guarantees, \$323.6 billion; insurance commitments, \$2,217.4 billion; actual deficits of retirement and compensation programs, \$2,394.0 billion; other contingent liabilities, \$45.1 billion. The grand total of all of these liabilities in 1980 was \$6,492.5 billion.

Interest Rate Increases

USDA has announced the following Farmers Home Administration interest rate increases:

- (1) Farm home ownership loans from 12.25% to 13.25%.
- (2) Farm operating loans and economic emergency loans from 13% to 14%.
- (3) Interest rates for loans to cover actual losses due to a natural disaster for farmers who can also obtain credit from other sources will increase from 13.375% to 14%.

(4) The interest on farm disaster loans in excess of actual loss will increase from 13% to 14.5%.

(5) Real estate loans will increase from 12.25% to 13.25%.

Interest rates for 1981 crop storage facility and drying loans will increase to 14 1/2% on April 1, 1981. The previous CCC interest rate was 11 1/4% for crop loans, and 12 1/4% for facility and dryer loans.

Beginning in October 1981, the interest rates on the 1981 crop and facility loans made after April 1, 1981 will carry a "floating interest rate" subject to adjustment each October 1 and April 1.

The following additional changes were made in the storage facility and dryer loan program:

- (1) Loan down payment is increased from 15% to 25%.
- (2) Storage needs will be based on one year instead of two years.
- (3) All existing storage space will be considered in determining storage capacity.
- (4) The maximum term of new loans will be five years.
- (5) The maximum amount a farmer may borrow or have outstanding under the program is reduced from \$100,000 to \$50,000.

Land Value

"Average land value advanced in all states during 1980 despite sharp set-backs

in some areas early in the year. However, in many cases, the gain did not equal the rate of inflation."

Fashion Show fm PI

American Beauty Charm School and has enjoyed working with the girls immensely. She has been the instructor at all the modeling meetings. Mrs. Leroy (Allene) Leathers and Mrs. Wayne (Henrietta) Richardson are co-chairman of the Clothing project with Mrs. Eddie (Eva) Bright and Mrs. Charles (Shirley) Slavin as leaders. Mrs. Roy Lee (Barbara) Helms has been on hand at several meetings to help.

4-H members completing these two projects are: Marcy Helms, Kristi Deen, Shanna Cole, Debra Slavin, Stacy McCord, Sharon Bright, Tammi Deen, Susan Mann, Janet Risley, Gina Smith, D'Liss Robinson, Deniece Richardson, Christina Leathers, Gwen Bohannan, Bridgett Spier, and Richard Richardson.

Pre 4-H'ers: Katrina Leathers, Kelly Slavin, and Heather McCord.

Obituaries

ALBERT SPRINKLES

Funeral services for Albert Frank Sprinkles, age 79, were held at 10:30 a.m. on Tuesday, May 19, 1981 in Robertson Chapel of Memories with Rev. T.E. Gibson and Rev. Gary Ferguson, both of Memphis, officiating. Interment was in Citizens Cemetery with the arrangements under the direction of Robertson Funeral Directors.

Mr. Sprinkles died at 7:00 a.m. on Sunday, May 17, 1981 at his residence just north of Clarendon. He was born December 2, 1901 at Fairfield, Texas. He married Laura Ferris on September 9, 1933 at Walters, Oklahoma. He had worked as an electrician and as a farmer prior to his retirement. He had been a resident of Donley County since 1946 moving here from Wichita Falls where he had lived for most of his prior to that time. He was a Baptist.

Survivors include his wife, Mrs. Laura Sprinkles of the Home; one sister, Mrs. Grace Blue of Wichita Falls, Texas; and one brother, Henry Sprinkles of Wichita Falls, Texas.

Casket bearers were Loyd Mays, Marvalee Mays, Dick Shelton, Truett Behrens, Leslie Burleson, and Dale Robinson.

Willie Gardner

Funeral services for Willie Gardner, age 80, were held at 2:00 p.m. on Wednesday, May 13, 1981 in the Church of God in Christ in Clarendon with Rev. B. J. Parker, Pastor and Elder C. H. Duncan of Amarillo officiating. Interment was in Citizens Cemetery with the arrangements under the direction of Robertson Funeral Directors.

Mr. Gardner died at 7:21 p.m. on Friday May 8, 1981 in Southwest Osteopathic Hospital in Amarillo. He was born on November 24, 1901 at Tyler, Texas. He was married to Effie Patterson in February 1925 at Memphis, Texas. He had been a resident of Clarendon for the

past 35 years, moving here from Memphis. He worked for the Ft. Worth & Denver Railroad for 21 years before his retirement. He was a member of the Church of God in Christ in Clarendon.

Survivors include his wife, Mrs. Effie Gardner of Clarendon; six daughters, Mrs. Maudia Jones of Amarillo, Mrs. Lavatrice Lewis of Spencer, Oklahoma, Mrs. Bobbie Reese of Clarendon, Mrs. Carrie Fuller of Fairfield, California, Mrs. Bessie Carter of Lawton, Oklahoma, Mrs. Edna Jean Daniels of Richmond, California; six sons, Prince Gardner of Amarillo, Jesse Gardner of Amarillo, Hershel Gardner of Amarillo, Manzell Gardner of Amarillo, Willie Gardner Jr. of Dallas, Lawrence Gardner of Lubbock; one sister, Mrs. Jewell Moonie of Clarendon; one brother, Jesse C. Gardner of Amarillo; 48 grandchildren; 34 great grandchildren; and 3 great great grandchildren.

Grandsons of Mr. Gardner served as casket bearers.

Lakers Homemakers Met

Lakers Homemakers Club met on Tuesday, May 12, 1981 at 1:30 p.m. in City Hall. Nine members and one guest, Lina Mitchell, were present. Meeting called to order by President, Lois McVicker. Roll call, minutes, and treasurer report read and approved. Lois read invitation to club members to attend 4-H Dress Review on May 28, 1981. She also advised that Council meeting will be May 14, 1981.

Lois also reported on progress of Cook Book Sales. Some of our club members are doing a fine selling job.

A motion was made by Willie and seconded by Ann that we meet during summer months. Motion carried. Aileen Moore to work on programs for these months.

Our hostess, Polly Sarich, didn't feel like coming to our meeting, so she gave Connie money to buy cold drinks for all present. Meeting adjourned.

Board of Aldermen Met

The Board of Aldermen of the City of Clarendon met in regular session on May 7, 1981, in the Board Room, City Hall at 7:30 p.m.

Members present were: Mayor Shirley Clifford, Aldermen Leonard Selvidge, Lloyd McCord, W.W. Lovelady, and Richard Bell.

Member absent was Alderman James Kuhn.

Others present were: City Secretary Bill Weatherly, James Smith, H.H. Thompson, Bob McCombs, Mrs. Bill Weatherly, Dr. Richard Gilkey, and City Engineer Gene Barber.

Minutes of the April 31, 1981, meeting were read, and motion was made by Alderman Leonard Selvidge, seconded by Alderman W.W. Lovelady to approve said minutes. Motion carried.

The Mayor introduced the City Engineer, Mr. Gene Barber, who then explained to the persons present the cost and plans of the water needs to be met by the Bond Election.

Bills incurred by the City in the month of April were presented. Upon a motion by Alderman Lloyd McCord, seconded by Alderman W.W. Lovelady, said bills were ordered paid. Motion carried.

Motion was made by Alderman Leonard Selvidge, seconded by Alderman W.W. Lovelady to table the plan of Resource Conservation and Development in order for the Alderman to read same. Motion carried.

Motion was made by Alderman Leonard Selvidge, seconded by W.W. Lovelady to advertise for bids on the east 40' of Lot 18, Block 1, O.T., City of Clarendon. Motion carried.

Motion was made by Alderman Leonard Selvidge, seconded by Alderman Lloyd McCord, to sign a contract with Donley County to combine the Police and Sheriff's Departments. The City will pay the salaries of two deputies, and pay the expense of the City car, except for out of

City use, until the first day of October, 1982. The County is to take all the responsibility of the Clarendon Police Department. Motion carried.

Motion was made by Alderman Leonard Selvidge, seconded by Alderman Lloyd McCord to purchase a chain saw. Motion carried.

There being no other City business at this time, the meeting was adjourned. Motion carried.

F T A

met

The last meeting of Clarendon F.T.A. was held on May 13, 1981.

The election of officers for 1981-82 was conducted. They are: President-Dianne Havens, V. Pres.-Pat Ritchie, Treas.-Rosie Arias, Sec.-(To be selected later), Sponsor-Miss Betty Veach.

Rick Hayes, president of 1980-81, presented the oath of office to the said officers.

Our president of 1980-81, Rick Hayes, is to be commended for his service and leadership as president for the last 2 years. He has led our club through District and State Conventions. He has served District XVI well as District XVI Parliamentarian for 1980-81. He gave invaluable service to the District XVI delegation at the 1981 State F.T.A. Convention in San Antonio. He was our guiding force of F.T.A. Steve Nance also was a very able leader; he served as our treasurer for the last 2 years. He also kept the interest going in F.T.A.

Our seniors in F.T.A. this year were Rick Hayes, Steve Nance, Dan Hansen, Eddie Bright, Taffie Williams, Kim Gay, Randy White, Penny Swearingen, and Debbie Johnson.

Attending the meeting were Rick Hayes, Steve Nance, Dianne Havens, Pat Ritchie, and Miss Betty Veach, Sponsor.

1980-81 Class History

At times, during the course of our high school years we have enjoyed looking back on the nostalgic past at the various occurrences which have shaped our group and our individual lives.

Of the 36 members of the graduating seniors of 1981, exactly half, or 18 of us, came all the way from first grade. They are: Terry Cole, Renee Casper, Jack Craft, Alton Gaines, Barry Hastey, Rick Hayes, Tony Jaramillo, Carlos Jaramillo, Debbie Johnston, Jamie McAneer, Carrie Moss, Richard Sanchez, Keenan Shields, Stanley McCampbell, Drew Thornberry, Lance Thornberry, Mark White, and James Watts.

Now as far as individual history is concerned, here goes--

Jack Craft-Do you remember the time in second grade when you told Mrs. Brown that Mark Morris was kicking you? Jack, where was Mark kicking you?

Rick Hayes-Remember when you used to be "Batman"?

Kevin Fincher-Do you remember when you had a full head of hair? Neither do we.

Kim Gay-Remember when you posed for the playboy centerfold in San Antonio?

Alton Gaines-Do you recall when you got side tracked at the Shamrock Track meet?

Theresa Shields-Remember when you first came to Clarendon in the 5th grade and challenged Debbie for "Class Bully"?

Richard Sanchez-Do you remember when you were at the lake and the third time WAS a charm?

Mike McCowan-Remember when you worked at the EXXON station and received a check for 50c for 24 hours of work?

Danny Hansen-Do you recall when you were N.H.S. Vice-President, paid \$5.00 for your gold cord and almost didn't get to wear it?

Eddie Bright-Remember Renee's home remedy for the "virus"?

Van Choate-Remember when you and Jackie used to--oops, Is To-To here?

Sonja Curry-Do you remember all of those dirty notes you wrote in Algebra class?

Randy White-Remember when you went to Bob Wills and had to leave early be-

cause your date suddenly came down with something?

Keenan Shields-Do you recall when you used to wear Patrice's hand-me-downs and now you have to wait for Derrick's?

Adenia Mills-Remember when your nickname used to be "weiny"?

Terry Cole-Remember the trailer house you spent so many hours in?

Barry Hastey-Do you recall in the 5th grade when Lori Tucker told you there was really no Santa Claus and you cried?

Carlos Jaramillo-Remember when we played kickball against the brick walls and you were smaller than the kickballs?

Jamie McAneer-Do you remember when you were so much taller than the rest of us that you could see over all the boys' heads?

Mindy Morris-Remember your first love at C.H.S.?

Carrie Moss-We're all still waiting to find something wrong you've done.

Steve Nance-Do you remember Dena in San Antonio? I bet Theresa would like to forget her.

Steve Schwertner-Remember "Peter Wong"?

Stanley McCampbell-Remember when your last name used to be "Smith"?

James Watts-Remember when your nickname was "Skokmo"?

Taffie Williams-Do you remember your Mark Eden courses?

Mark White-Remember when you didn't have to go to the Day Care Center to pick up your dates?

Drew Thornberry-Do you remember playing hide-n-seek at your party on the creek?

Lance Thornberry-Remember back in elementary when you didn't know Cindy?

Debbie Johnston-Do you recall your first football game as cheerleader when you fell and the whole football team trampled on you as they were running onto the field?

Renee Casper-Remember the time in first grade when Oyd made Jack's nose bleed and you decked Oyd?

Penny Swearingen-Do you remember when you first came to Clarendon with your cat-eye glasses?

Tony Jaramillo-Remember when you were 16 and the rest of us were only 16?

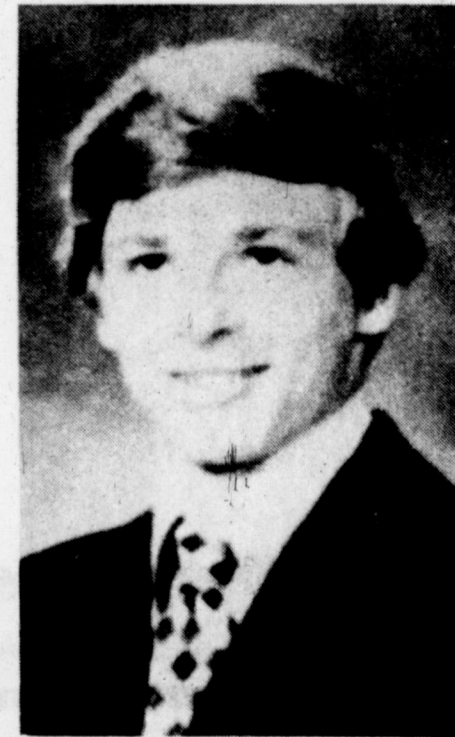

Steve Davis-Remember when you didn't have that nice stereo in your car? Sounds like you got the best end of the deal!

Jackie Leeper-Do you remember when you only had one baby and now you have two?

Starlet Barker-Remember when you were shy, sweet, and innocent? We barely can.

After burning a lot of midnight oil and spending a

lot of time trying to review our past, this is as much nostalgia as we could round up and it sure brings back a lot of precious and exciting memories. Now as we part from each other we take with us these precious memories of our times together and our part of C.H.S. that nothing and no one can tear away from us. Thanks for all of these dear and precious memories and may you always treasure them forever.

AND TRUST CO.**

Prophecy

Throughout the ages people have always been amazed and somewhat curious as to what the future holds in store for them. So, to put an end to such curiosities and perhaps spill some light into that deep dark abyss called the future, we set out on a toilsome journey to find some answers. Through certain contacts, whose names we will not disclose, we were able to find a certain individual who possessed unusual precognitive powers. As a result of this meeting we were able to compile the following bits of information:

In 20 years **Eddie Bright** will sell a new bullet-proof automobile. His secret is to paint it 32 times.

In 4 years **Terry Cole** and **Dan Hansen** will get kicked out of college for installing hidden T.V. cameras in the girl's dorm.

In 6 years we see **Alton Gaines** as a preacher pointing out the dangers of alcohol.

In 10 years, **Rick Hayes** will finally get that big disc-jockey job...in Spencer's radio station!

In the near future we see **Carrie Moss** and **Mindy Morris** on probation at Clarendon College for throwing too many wild parties.

20 years from now **Mike McCowen** is finally retiring from pumping gas at Exon, after receiving the "Mr. Good-Wrench of the Year" award.

15 years from now we see **Jackie Leeper** grounding **Bridgette** for staying out too late.

In 13 years we notice that **Taffie Williams** no longer gets fired-up, she just sizes!

In 7 years we see **Steve Davis** starting his own disco dance club, entitled "The Disco Twinkle Toes".

In one year we notice **Lance Thornberry** hiding on the Texas Tech campus because he knows that **Cindy** has just arrived in town.

In 3 years we picture **Randy White** getting kicked off the football team at L.C.C. for coming to practice under the influence.

6 years from now **Van Choate** will be in a body cast swearing to everyone that he really does know how to ski.

In 9 years **Sonja Curry** will be placed in the Guinness Book of World Records for the greatest number of consecutive drags made through a town in a single night.

In 5 years, we see that **Steve Schwertner** finally got on T.V., bachelor number 3 on the dating game. Don't worry **Steve** she'll pick you next time.

In 4 years **Renee Cosper** will be chasing little **Ricky Gerners** around the house.

In 5 years we find **Jack Craft** as bachelor number 2 also on the Dating Game. Looks like Clarendon boys struck out again.

In 4 years we see **Theresa Shields** still trying to talk **Steve Nance** into throwing away his address book.

In 6 years we see that **Barry Hastey** and **Kim Gay** finally tied the knot, because she believed him when he told her he was an athlete.

In 3 years we see **Jamie McAnear** standing trial for bigamy.

In 15 years **Tony** and **Carlos Jaramillo** will jointly write a best-selling book entitled, "How I Got Rich By Sacking Groceries."

12 years from now **Debbie Johnston** will relive her wino role in the "Bronx Bomber", but without acting.

In 8 years we discover that **Kevin Fincher** will have his

own T.V. show, "Kojack Jr. does the boogie in Alaska."

In 7 years we see **James Watts** and **Starlet Barker** as Hollywood's hottest couple or so we'll read in the National Inquirer.

In the future we discover **Drew Thornberry** installing an alarm in his pickup so he can wake up in time to take **Rhonda** home.

In 2 years we notice that **Adenia Mills** is still waiting for her engagement ring from **Tony**.

In 3 years **Coach Kelm** will be known world-wide as the Quarter-mile Evangelist, because of his success as a track coach and his Monday morning sermons.

In a few months **Mark White** will be racing **Tim Brown** to the Day Care center to pick up **Pam Jack**.

In 8 years it is discovered that **Keenan Shields** and **Richard Sanchez** have fallen into the footsteps of their idol **Alex Perez**, famous wrestler also from **Lelia Lake**, they will be the world tagteam champions...in the midjet division.

In 30 years we see **Penny Swearingen** going back to work at **Allie Mae's** but this time as head waitress.

In 11 years **Stanley McCampbell** will open up his own recreation center so he won't have to spend as much money to show **Carmen** a good time.

On May the 24th we can clearly see **Mrs. Stavenhagen** and **Mrs. Hayes** hosting an enormous party for all of the faculty to celebrate the end of 4 long years of putting up with the class of 1981.

We sincerely hope that this information has given each of you a pleasurable look at what the future may someday bring. These statements are only predictions and are in no way meant to be offensive. In the event that someone should feel insulted by what they have heard, they should direct their anger toward the Freshmen class, because when no one else is to blame then it is bound to be a freshman's fault.

Jamie McAnear and Steve Nance

Last Will and Testament

THE STATE OF TEXAS
COUNTY OF DONLEY

KNOW ALL MEN BY THESE PRESENTS: That we, the Senior Class of 1981, of Clarendon High School, Clarendon, Donley County, Texas, being of sound and disposing minds and memories, (regardless of popular opinions to the contrary), and therefore desiring to provide for the proper disposition of our various items of importance only to us and our respective estates. We do hereby MAKE, PUBLISH, and DECLARE this our joint and singular LAST WILL AND TESTAMENT.

Dan Hansen leaves his record of good behavior to **John Belushi**.

Starlet Barker leaves her height to **Lana Davis**.

Eddie Bright leaves his car muffler to **Billy Perry**.

Van Choate leaves his side burns to **Doug Walker**.

Terry Cole leaves his car to **Gina** for when she's old enough to drive.

Renee Cosper leaves her supreme athletic ability to **Nelda Burrow**.

Jack Craft leaves his excellent manners to **LaDonna Thomas**.

Sonja Curry leaves her knowledge of guys to **Melinda Barker**.

Steve Davis leaves his tennis playing abilities to **Tonya Braddock**.

Alton Gaines leaves his pole vaulting ability to **Fabian Torres**.

Kim Gay leaves her grade point average to **Spencer Hayes**.

Barry Hastey leaves his height to **Doug Walker**.

Rick Hayes wills the "Rick Hayes Show" to **Ronald Burleson**, which will premier next football season.

Carlos Jaramillo leaves his muscles to **Brad McGuire**.

Tony Jaramillo leaves his inside connections at **Gibsons** to **Earline Bourque**, **Tammy Fulgham**, and **Stella**

Robinson.

Debbie Johnston leaves her Jr. High cheerleading suit to **Karen Kotara**.

Jackie Leeper wills her husband back to his mother.

Jamie McAnear leaves her long shapely nose to **Stella Robinson**.

Stanley McCampbell leaves his braids to **Bobbi Hightower**.

Mike McCowen leaves his way with women to **Ken Dorris**.

Mindy Morris leaves her soft voice to **Melody Moreman**.

Carrie Moss leaves her gentle approach to life to **Mrs. Grady**.

Richard Sanchez leaves his tan to **Donna Johnston**.

Steve Schwertner wills his pickup to **Mark McAnear**.

Keenan Shields wills HIS pickup to the bank, who's going to take it anyway.

Theresa Shields leaves her bullwhip to the females of C.H.S. with the note that it has worked wonders for her love life.

Penny Swearingen leaves her outspokenness to **Kristen Walker**.

Drew Thornberry leaves **Rhonda** - Period.

Lance Thornberry wills his rope, hat, boots, and truck to **Bobby Weatherston**.

James Watts wills his haircut to **Michael Phillips**.

Mark White wills his big belly to **Kelly Hill**.

Randy White wills his red hair to **Coach Kelm** so he and **Coach Allen** can look alike.

Taffie Williams leaves her attitude of being so "fired up" to **Dennis Braddock**.

Steve Nance leaves all his, good grades and good looks to **Keith Day**.

Adenia Mills leaves her handwriting to **Anna Harrison**.

The Senior Class wills **Kevin Fincher** back to **Alaska**.

IN TESTIMONY WHEREOF, we have hereby subscribed all of our names to

this, our last will and testament, in the presence of all those here, assembled, who at our request have attended this reading of our wishes and desires. DATED this 14th day of May, 1981.

THE SENIOR CLASS OF 1981
CLARENDON HIGH SCHOOL

Jamie McAnear

Pre-Lab

By KEENAN SHIELDS

This year in Pre-Lab has been rewarding for all Juniors and Seniors who make up the class. Throughout the year we have been active in many projects and activities involving agricultural skills. At the first of the year, in Pre-lab, we started surveying. All the class learned the proper ways of setting up the instrument, and finding the slope of the land. The class was also taught proper methods of arc welding, of oxyacetylene welding and cutting, of glass cutting, and of wood working.

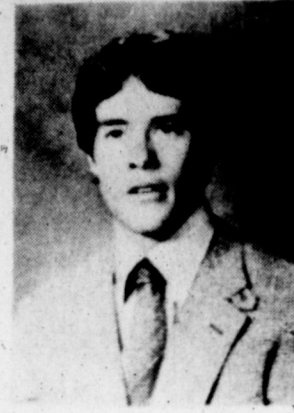

Throughout the year the class had various projects that included small wood cases with glass covers, work on small motors, the painting of several tables, and other projects involving the use of welding skills.

The Senior members of Pre-lab were **Keenan Shields**, **Steve Schwertner**, **Tony Jaramillo**, and **Carlos Jaramillo**.

In conclusion our special thanks go out to **Mr. Eddie Gannon** (former Ag teacher) and **Mr. Carrol Duncan** who have taught us many useful skills.

UIL Literary Contests

By RICK HAYES

As has been the case in previous years, Clarendon fielded a district championship U.I.L. Speech and Literary team in 1980-81.

With the new challenges of Wheeler and Canadian in district 2-AA, the road to victory was a bumpy one. Hard work and perseverance by everyone was the key, and ultimately, four people made it to the state meet.

The Lubbock Cooper Speech meet was the first of the year, as Terry Cole took first place in informative speaking, Mindy Morris was first in persuasive speaking, and Spencer Hayes garnered a third in informative.

The Tulia meet was productive as well, with Terry Cole and Spencer Hayes getting first and third, respectively, and Mindy Morris and Rick Hayes also getting first and third, respectively, in persuasive speaking.

Canadian came next as Clarendon fared rather well. Rick Hayes gained first place in persuasive speaking, Terry Cole and Spencer Hayes got second and third respectively.

At the speech meet at West Texas State University, Rick Hayes and Mindy Morris picked up first and third in persuasive.

The District meet was a masterpiece in teamwork, with Clarendon either winning or placing in most events. While Clarendon's production of "The Bronx Bomber," a one-act play by Mark Felch did not win, Rick Hayes was named best actor, Dan Hansen to the All-Star cast, and Steve Nance was honorable mention on the All-Star cast. The play placed third.

Dyron Howell and Ken Dorris placed second and third in Number Sense behind the state champion in that event from Shamrock. These two were coached by Math teacher, Carrie Howell. Shalane Chamberlain won first place in the Spelling/Plain Writing contest, and she received outstanding tutoring from English teacher, Kay Hayes.

Karen Alderson got third in the typing contest, coached by Business teacher, Miss Betty Veach.

Rick Hayes got first place in both News and Editorial Writing, Spencer Hayes got first in Feature and Headline Writing, and Brad Thompson gained fourth in News. Sala Leffew got second in Feature Writing.

Dianne Havens took fourth place in Ready Writing. The Journalism and Ready Writing contestants were coached by Mrs. Hayes.

On the Speech scene at District, Clarendon dominated, taking first in both Persuasive and Informative (Rick Hayes and Terry Cole), with Mindy Morris getting third in Persuasive Speaking and Spencer Hayes taking second. Tammy White placed third in Freshman Oral

Reading.

Clarendon also did well at Regional, placing second overall. Mindy Morris took second in Persuasive Speaking. Terry Cole and Spencer Hayes advanced with third and second respectively. Rick Hayes got first in News-writing and second in Editorial Writing.

In Austin at the State Literary meet, Rick Hayes

got third in Editorial Writing, sixth in News, and Spencer Hayes got second in Informative Speaking, with Terry Cole fifth.

The literary team owes a great big thanks to Mrs. Stave, Mrs. Hayes, Mrs. Howell, Miss Veach, Mr. Walker, Mr. Howell, and the school and community for all the great work and support.

Theresa Shields and Lance Thornberry

FFA

By TERRY COLE

The FFA started off the year by electing Terry Cole President, Barry Hastey Vice-President, Dan Hansen Secretary, Keenan Shields Treasurer, Shannon Hall Reporter, and Steve Schwertner Sentinel. The year could best be described as a clean up time. The FFA boys painted the classroom, scraped, sanded, and repainted the tables. A lowered ceiling is to be installed this summer. For ex-Ag boys the chocolate brown and light tan color of the classroom would hardly be recognizable as the old dingy colored room. In the shop area new tools and a clean up program have revitalized the industry of the young men. Also an Ag Farm has been purchased and will be put to use in the near future.

Band

By STEVE DAVIS

The 1980-81 Clarendon High School Band, under the direction of Ronald Boley, consisted of Seniors, Juniors, Sophomores, Freshman, and Eighth graders.

There were only two Senior members this year: Steve Davis and Starlet Barker. Steve plays the coronet, and Starlet plays the clarinet. They were voted Band King and Queen by the band members.

This year the Band received a 3rd division at the 1-2A marching contest at the Kimbrough Memorial Stadium in Canyon. The Concert Contest and Sight Reading Contests were held at Pan-

culminated in the 26th annual FFA Banquet which was attended by approximately 400 people. The 1981 Seniors reign ended during the banquet where the 1981-82 officers were presented. The Senior members were: Eddie Bright, Terry Cole, Dan Hansen, Barry Hastey, Carlos Jarmillo, Tony Jarmillo, Steve Schwertner, Keenan Shields, and James Watts.

The FFA teams did well this year. FFA men competed in: Greenhand Chapter Conducting, Senior Chapter Conducting, Radio Quiz, Ex-temporaneous and Crop teams. Then the year's event

Randy White and Renee Cosper

handle and the Band received a 4th division in Concert Contest as well as in Sight Reading.

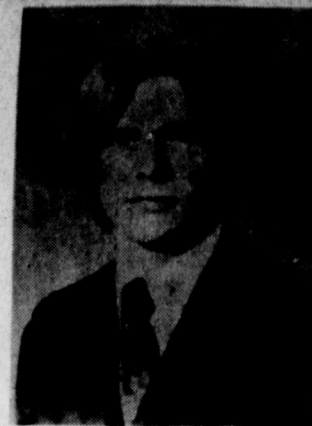

The 1980-81 officers for Band were as follows: President-Steve Davis, Sr., Vice-

By DREW THORNBERRY

The Clarendon Broncos enjoyed a fine season this year by winning five of their seven meets, including the District Championship. Other meets won were Silverton, Memphis, Shamrock, and Clarendon. Five seniors who provided the leadership were Keenan Shields, Randy White, Alton Gaines, Lance Thornberry, and Drew Thornberry. Keenan ran the high hurdles, intermediate hurdles, and the mile relay. Randy ran the sprint relay, quarter and mile relay. Alton participated in the high jump, long jump, and pole vault. Lance ran the high hurdles, intermediate hurdles, high jump, and long jump. Drew ran the high hurdles, intermediate hurdles, and mile relay. Alton broke his own school record numerous times this year in the pole vault, but finally stopped at 13 feet 6 inches. The Broncos competed in the Regional meet at Odessa with several qualifiers: sprint relay-Randy White, Craig Shields, David Weatherston, and Bobby Weatherston; Shaun Heil-Two-mile run; Craig Shields 800 meter run; Lance Thornberry-high jump and high hurdles; Bobby Weatherston-100 meter run and the 200 meter run; Alton Gaines-long jump, high jump, and pole vault; Brad McGuire-shot put. The Clarendon Bronco Track Team would like to express a special thanks to the dedicated coaches who have enabled the Broncos to dominate District 2-AA Track by winning the last four District Championships. These coaches are: Dudley Kelm(Head Track Coach), Ted Allen, Roy Rutledge, Ron Holmes, and Joe Bryant.

Maranatha

By DAN HANSEN

Maranatha is a Christian youth organization located in the high school. Its main objective is serving Christ through community action and advancement of Christianity in the High School. The members are trying to

better themselves in the process of bettering the environment around them. These members include the following seniors: Mindy Morris and Debbie Johnston. Mindy is currently Vice-President of the organi-

The Maranatha organization had various money-making projects throughout the year. These projects included: candy sales, bake sales, and a booth at the Fourth of July. Recently this year Maranatha elected Brother and Sister Maranatha. They were Dennis Knowles and Anna Harrison. The year ended with the annual Maranatha Spring Banquet. This year's Maranatha members are very proud of the organization and the progress which has been made.

Spanish Club

By CARRIE MOSS

The Clarendon Spanish Club raised very little "dinero" this year, but they certainly had a lot of fun. Due to circumstances beyond their control, the Mr. and Miss Ugly Contests were overlooked and their taco sale never quite got off the ground. However, they did manage to find time for two parties and a trip to Amarillo.

The trip to Amarillo took place at the first of the year. Coach Rutledge drove the bus, and was probably wishing by the end of the day that he'd brought some ear-plugs along. The Spanish Club attended a Flamenco Dance at River Road High School. Afterwards they ate at El Chico's and then started home.

The first party was held at Shannon Hall's house and Mexican food was served. A birthday cake was served because the party coincided with the birthday of Coach

the "honorary guest." The cake was baked by Mrs. Hall, Shannon's mother. The Spanish Club would like to thank Mr. and Mrs. Donnie Hall for offering their home for the party.

The second party took place at Mrs. Hayes house. Hamburgers were served in the backyard this time and everyone was urged to bring a guest. It looked as though a few extra ones were sneaked in, but there was plenty of food to go around. Appreciation also goes to Mr. and Mrs. Hayes.

Mrs. Hayes is the sponsor of the Spanish Club, and teaches English and Spanish courses at the high school. Officers of Spanish Club this year were: Spencer Hayes-Reporter, Rick Hayes-Secretary-Treasurer, Sonya Curry-Vice-President, and Carrie Moss-President.

A few last words from the Spanish Club.

Tienen Vds. un verano hermoso!

zation.

Tennis

By DEBBIE JOHNSTON
AND STEVE DAVIS

The 1980-81 Clarendon Broncos Tennis team, under the supervision of Coach Roy Rutledge, consisted of five members: Debbie Johnston, Sr., Steve Davis, Sr., Tonya Braddock, Jr., Kelli Hardin, Jr., and Brett Bryant, Soph.

Debbie and Tonya played doubles at the Canadian District Tennis meet, they lost to two Wellington opponents 6-2, 4-6, 7-6. Debbie and Tonya almost won the tie-breaker, but they let Wellington squeeze by to win the last set 7-6.

Steve Davis played singles at the District meet. After drawing a bye, Steve advanced in competition to the second round, playing a Memphis opponent who won the match with 6-4, 7-5

marks. Kelli Hardin played singles at the District meet, easily putting away her opponents. Kelli advanced to the finals to win against a Memphis opponent 6-4, 6-2 winning the girls 1-2A District Tennis meet. Kelli was unable to participate in the Regional meet at Odessa.

Brett Bryant was our other singles player. He attended the District meet playing very well in the first set, but losing the next two to a Wheeler opponent 2-6, 6-1, 6-2.

The players would like to thank Coach Rutledge for his time and support. The Seniors, Debbie and Steve, would like to wish next years players good luck.

Football

By MIKE McCOWEN

The Clarendon Broncos enjoyed a successful season in 1980 as they compiled a 7-3-1 record, and became District Champions for the first time since 1972. A lot of this success can be attributed to the coaches Ted Allen, Dudley Keim, Joe Bryant, Ron Holmes, and Roy Rutledge who provided us with the guidance and knowledge necessary to become District Champions and good sportsmen. But most of the credit must be attributed to the player because it was their efforts which turned everyone's dreams to reality. Senior members of the team were Terry Cole, Van Choate, Alton Gaines, Rick Hayes, Mike McCowen, Steve Nance, Keenan Shields, Drew Thornberry, Lance Thornberry, Mark

White, and Randy White. Although Terry Cole was not able to play because of a kidney infection, he was considered a member of the team by the players because of his never dying loyalty to the team. The fans provided the Broncos with the support they needed to go out and accomplish those goals they set forth for themselves. The Senior players wish to thank those people who have made playing football at Clarendon High School something special that will live in their memories forever.

The Broncos had several All-District picks. They were: Alton Gaines, Randy White, Mark White, Van Choate, Steve Nance, Rick Hayes, Drew Thornberry, Lance Thornberry, and Mike McCowen. Randy White was also chosen for the Globe News Super Team.

Taffie Williams and Debbie Johnston

Cheerleading

By THERESA SHIELDS

The cheerleaders for 1980-81 were Theresa Shields (Sr.) (Head), Karen Kotara (Jr.), Melody Moreman (Soph.), Kim Wilson (Soph.), Krystal Hayworth (Soph.), Susan Thompson (Soph.), and the Broncos mascots were Jamie McAnear (Sr.), and Lacreia Petty (Jr.). The J.V. cheerleaders were Patrice Shields, Shalane Chamberlain, Charla Crump, and Tambra Phillips.

Cheerleading was very exciting this year. The fun began on April 29, 1980, as soon as tryouts were over. The cheerleaders began selecting their suits and discussing ways of making money for cheerleading camp. They had a car wash, sold an all purpose cleaner, sold spirit jeans, and had a dunking board on the Fourth of July.

They attended cheerleading camp at Wayland Baptist College on August 11, 1980. Their stay lasted five days. They learned new cheers, pompon routines, chants, and were given ideas for pep rallies.

They also made new friends while they were at camp. The Wayland Cheerleaders were very nice to them. They met the cheerleaders from Abernathy, Petersburg, and some Indian girls from Zuni, New Mexico. Then there were some students on campus that they met. Does everyone remember Crater Face?

Jerri Ann Shields and Sue Thompson took the cheerleaders to camp and Sue picked them up. The cheerleaders would like to extend their thanks to these two ladies. They would also like to thank their sponsor, Kay Hayes, for her help and support this year.

Cheerleading was a special event for Jamie McAnear and Theresa Shields. They were the only two Seniors on the squad. They had the privilege to cheer for a District Champion football team and a District Champion girls basketball team. All eight cheerleaders had the privilege but it seems even more special to the seniors.

Homecoming was another special event for the two seniors. It took two days to decorate for the big event. It was a lot of hard work but it was a lot of fun also. The halls were full of spirit all week. The students were cheering for the Broncos but at the same time were trying to achieve the most spirit for their individual class. Then the big day came. It was raining like crazy outside. Time came for the pep rally. The cheerleaders were excited, the fans were excited, and the players were excited. The gym was packed with supporting fans. The pep rally was going great, then came time for the pom pon routine. The cheerleaders were all ready, they turned on the music and nothing happened. No music came from the speakers. In a way it was a big let down but the fans were sympathetic and the pep rally went on. That pep rally will always stand out in the minds of the two seniors for they were also chosen as Homecoming Queen and Attendant. Along with the two seniors, a junior was chosen a attendant. Kelli Hardin was the Junior attendant, Jamie McAnear was the Senior Attendant, and Theresa Shields was the Homecoming Queen.

The 1980-81 cheerleaders would like to extend their thanks to the student body of C.H.S., the faculty, the fans, and the Broncos for the wonderful support throughout the year. It has truly been a most rewarding year.

Boys Basketball

By LANCE THORNBERRY
AND RANDY WHITE

The Clarendon Bronco Basketball team had its ups and downs this year (Probably more downs than ups). The 12-13 record accurately shows this aspect of the Bronco's season. But, while the team did not have a winning season, they had a lot of fun trying. As a matter of fact, if it were not for the incredible ability of the Bronco ball players to see humor in every lost game, then the year would have been very disappointing indeed. First year Clarendon Coach, Ron Holmes, was most helpful in showing that humor can be seen in the toughest of situations. But it should be pointed out that the 12 games that were actually won should be credited to the awesome coaching jobs of Coach Holmes and his assistant coach, Roy Rutledge. The team also owes part of its success to assis-

tant student coaches, Van Choate and Rick Hayes. The team really appreciated all the fine pointers and clean towels that were provided by Van and Rick.

There were five senior Broncs on the team this year. They were Drew Thornberry, Alton Gaines, Stanley McCampbell, Lance Thornberry, and Randy White.

Other team members were Bryan Hill, Brad Thompson, Hosea Hearn, Junior Crump, Bobby Weatheron, and Kelly Hill. There was only one all-district selection on the Broncho squad this year and this honor belongs to a Jr., Brad Thompson.

The team this year was provided with outstanding leadership and the showing of tremendous moral standards. These traits are attributed to Coach's Ron Holmes, Roy Rutledge, and Co-captains White and Thornberry.

Library Club

By JACK CRAFT

The Library Club was formed to promote the library as the center of learning at C.H.S. The club consisted of students who help Mrs. Johnston, the librarian, at different times throughout the day. The helpers were Jack Craft, Taffie Williams, Jamie McAnear, Dennis

Knowles, Penny Swearingn, Jackie Leeper, Steve Davis, and Adenia Mills.

The Library Club officers were Taffie Williams, President; Steve Davis, Vice-President; Adenia Mills, Secretary; Penny Swearingn, Treasurer; Jackie Leeper, Reporter. These students worked very hard to keep the library in top shape.

Student Council

By RICK HAYES

The Student Council has been caught up in a very eventful school year at Clarendon High School.

The council is made up of a boy and girl representative from each class, with Principal Bob Howell as the sponsor.

The council acts mainly as a go-between for the student body in its dealings with the administration and as the coordinator for all assemblies at school.

The Student Council offi-

cers for 1980-81 were: Rick Hayes, Sr.-President; Shannon Hall, Jr.-Vice President; Theresa Shields, Sr.-Secretary-Treasurer; Angela Klinnert, Jr.-Reporter.

Other members included Ray Lindley, Linnie Salmon, Doug Walker, and Kristen Walker.

The council has succeeded both this year and in past years through objectiveness by the members and Mr. Howell, and by the election of top-flight students to the council.

Girls Basketball and Track

By KELLI HARDIN

The 1980-81 Bronchette athletic year will go down in history as one of the most successful ever experienced by girls' athletics in Clarendon. The Clarendon girls captured both the District 2-AA basketball and track crowns in run-aways, and also sported the winner of the district tennis meet, Kelli Hardin.

The Bronchette basketball team went 24-6 (9-1 in district) on their way to the first district championship for Clarendon in well over a decade. The Bronchettes earned the right to represent the district against Sanford-Fritch in the Civic Center and took the Eagles to the wire before losing in a hardfought contest. Clarendon had three all district players and an honorable mention in Kelli Hardin, Vanessa Calloway, Angela Gardner, and Renee Cosper.

The Bronchettes also proved to be the cream of the crop in District 2-AA track as they ran away from the rest of the teams to take the championship. Regional qualifiers included Renee Cosper, Vanessa Calloway,

Kelli Hardin, Angela Gardner, Jackie Gardner, Patricia Shields, Susan Thompson, Dorothy Braddock, Linda Weatheron, and Betty Stewart. Clarendon showed remarkably well in the regional meet, losing the meet by a single point (72-71) to defending champ Hamlin, and qualifying the 880-meter relay and two individuals for the state meet. The 800meter relay included Vanessa Calloway, Angela Gardner, Renee Cosper, and Linda Weatheron who finished second at the State Meet in Austin. Kelli Hardin went as alternate. Betty Stewart also finished second in the Shot Put and Linda Weatheron finished fourth in the 200-meter dash at the State Meet. The team will remain strong and be back next year with the loss of only one senior.

There is no doubt that this year the Clarendon Bronchettes, were winners both on and off the basket ball court and track, and with the help of their coaches and fans have truly made the 1980-81 athletic season one to remember.

Annual Staff

By MINDY MORRIS

This year's Annual had a group of hard workers. These people spent long hours and did a lot of hard work in order to make this year's Annual the best ever. The entire staff did their own pages as well as other pages that just did not seem to get done. The group grew together and weathered a lot of hardships together and, because of this, became closer.

The Annual Staff is a hard working organization. It demands a lot of extra time, hard work, and responsibility. But it was all worth it because when the annual is completed, it sure makes the entire staff feel very proud!

Who can forget: Themes for Beauty and Brawn, When's the dead-line? Today?!? Oh, no! Where's my pictures? Finally sent it off!!! When is it coming back?

National Honor Society

By DAN HANSEN

The National Honor Society is an organization which is sponsored by the National Association of Secondary School Principals. Its members represent the top five percent of the student body not only academically but in leadership and character. The Clarendon Chapter of the National Honor Society has exemplified all these characteristics to the full extent of their implications in 1981.

This year has been a very productive year for N.H.S. Over four hundred dollars was collected for various charitable organizations such as UNICEF and Youth Against Cancer. The N.H.S. members had a booth at the community fun fair for coin tossing. Also during the year a drive for UNICEF was held where members went from house to house collecting money for UNICEF. Recently the N.H.S. members rode twenty miles in the bikathon for Youth Against Cancer. The year was then topped off by a trip to the museum on the W.T. campus.

The Clarendon National Honor Society would like to express gratitude to the sponsor, Carrie Howell, and to the principal, Bob Howell, who have made this year the most productive in many years.

The 1981 N.H.S. senior officers were President, Steve Nance, Vice President, Dan Hansen. Other senior members include Mindy Morris and Drew Thornberry. These members are proud to graduate as members of

N.H.S. and as students of Clarendon High School.

FTA

By STEVE NANCE

The Clarendon chapter of Future Teachers of America is an organization made up of young men and young women who receive a great deal of self-satisfaction from teaching others. If one does not desire to teach professionally then they may possibly choose to teach within their community or family. It is not strictly a club for future teachers because many of its members are in no way thinking of becoming teachers, but become involved for the pure enjoyment of the many activities FTA has to offer.

The main goal in every FTA chapter is to run a candidate for either a district or state office and to raise enough money throughout the year to go to the State FTA convention. The Clarendon FTA chapter has retained a very fine record for having one of its members elected to a district office and sometimes to a state office. For instance, Rick Hayes was district XI's parliamentarian for 1980-81. Raising money to go to the state FTA convention involves a lot of hard work from each and every member. This year FTA members made money by selling candy, having bake sales, and conducting a spirit chain contest, in which the class of 1981 has won 2 years straight. After having reached the required financial goal, Clarendon FTA'ers spent an unforgettable 3 day and nights in beautiful San Antonio, site of the 1981 FTA State Convention.

Seniors of the 1981 Clarendon FTA organization are: Rick Hayes-President, Taffie Williams-Vice-President, Steve Nance-Treasure, Dan Hansen, Randy White, Eddie Bright, Debbie Johnston, Penny Swearingn, and Kim Gay. As a final note, a special thanks is given to Miss Betty Veach, FTA advisor, for her cooperation, support, and patience with this group of people throughout the past four years in FTA.
