"Fiesta Day" Is Set For November 1

"Fiesta Day" is in the making at Lorraine by the St. Joseph's Catholic Church. The tentative date set for the special day is Sunday, November 1.

Three candidates are vying for the queen title for the festival. They are Christina Moreno, Christina Vasquez and Patty Munoz.

All money raised during the "Fiesta Day" will go to help the church. The festival queen will be selected according to the amount of money she raises.

Miss Moreno is the 15-year-old daughter of Mr. and Mrs. Tanis Moreno, Sr., of Lorraine. She is a sophomore of Lorraine High School.

Miss Vasquez is the 15-year-old daughter of Mr. and Mrs. Manuel Vasquez of Lorraine. She is also a sophomore at Lorraine High School.

Miss Munoz is the 17-year-old daughter of Mr. and Mrs. Manuel Munoz. She is a senior at Lorraine High School.

During the festival, games, cake walk, food booths

and game booths will be featured for the enjoyment of those attending.

A program by the students of the Bible classes is

being planned and will feature Mexican dances. Everyone is invited to attend the special "Fiesta Day" festivities.

New State Inheritance Tax Law Will Go Into Effect This Month

State Comptroller Bob Bullock's office reminded Texans that a new state inheritance tax law took effect this month and will apply to estates of those who died on or after September 1, 1981.

The Comptroller's office reported the new law will save Texas taxpayers at least \$20 million in death taxes the first year.

The new law did away with the state's basic inheritance tax schedule and statutes, replacing them with a law that ties Texas inheritance tax collections to a part of the federal estate taxes owed.

For example, under the old state law if the federal tax due was \$5,000, the "federal credit" would be \$500 and the state inheritance \$700, resulting in the Internal Revenue Service collecting \$4,500 and Texas \$700.

Under the new law, Texas would now collect the "federal credit" of \$500 and the IRS would collect \$4,500, using the \$5,000 example.

In effect, the new law allows persons who owe federal estate taxes to deduct from the amount due the federal government any inheritance tax paid to the state. The amount is determined by an IRS formula.

The Comptroller's office said this also means that if federal estate tax rates are cut, Texas inheritance taxes are automatically dropped back.

More than 45 other states have similar laws that piggy-back on the federal law.

Estates of those who died before September 1, 1981 are subject to Texas' old inheritance tax law and tax schedule, Bullock's office noted.

Martin Is Recently Re-Elected To The SWCD Board Of Directors

George Martin of Lorraine, was recently re-elected to the Mitchell County SWCD board of directors Thursday. Martin represents Zone III of the district. The purpose of the Mitchell County SWCD, with headquarters in Colorado City, is to promote sound soil and water conservation programs on farm and ranch lands within the district and to serve as a voice for farmers and ranchers on conservation matters and other issues affecting private property rights of landowners.

The board of directors coordinates the conservation efforts of various local, state and federal agencies and organizations and has authority to enter into cooperative agreements with these agencies and private concerns to carry out its purposes.

As one of five individuals serving on the district board of directors, Martin will be responsible for

district policies and procedure for carrying out the district program within the framework of the Texas Soil and Water Conservation District law.

In other areas of leadership, Martin is active in First United Methodist Church of Lorraine, a former member of the school board. The Martins have received the Mitchell County Farm Family Award.

In Texas, there are 200 soil and water conservation districts. Each is a legal subdivision of state government organized by local agricultural landowners with the assistance of the Texas State Soil and Water Conservation Board. Unlike most other legal subdivisions of state government, SWCD's do not have the powers of taxation or eminent domain. All conservation programs managed by the districts are of a voluntary nature to the landowner or operator.

"Why Do We Stay" Is Presented At Club Meeting

Loraine Baptist Women met in general session at the church at 2:30 p.m., Monday. Mrs. T. L. Holman presided and officers for the new year were elected along

with a program on Israel that was presented. The subject discussed, "Why Do We Stay?" was held by Mmes. Lynne Compton, Clara Butler, Pauline Smiley and Harvey Leach. The talk included how a native, Ahmad, a muslim had accepted the Lord and became a friend of Southern Baptist Representative, Roy Rigger.

For 14 years, they had a close relationship and worked together. After getting permission to show a gospel film, which the Mukhtar himself was impressed with, the village has been opened and the gospel planted. Mrs. Leach read a recent letter she had received from Dr. and Mrs. James Ragland,

missionaries in Beirut Lebanon. The letter told about the fighting there. Almost daily, machine guns were heard from April through July, but this noise had ceased to a great degree, but there is noise of construction going on, according to Mrs. Ragland. In spite of the unrest, highrise apartments were being built

on every block at an average price of \$90,000. Life goes on in spite of the civil unrest. They ask that friends back home pray for their work there and for the people and the schools. In the business session, Mrs. T. L. Holman was elected president. Other officers elected included secretary, Mrs. Clara Butler; trea-

surer, Mrs. Charlie Harris; mission in action chairman, Mrs. Harvey Leach and mission study chairman, Mrs. Clifton Henderson. The next meeting will be at 9:30 a.m., Wednesday, October 21 in the home of Mrs. Frances Porter for a Bible and missions study. Nine members were present.

Malcolm Upton Receives Honor

Jerry Reynolds, principal of Colorado High School, released the name of one senior who is being commended in the twenty-seventh annual (1982) National Merit Scholarship Program. Letters of Commendation will be presented to Malcolm Upton, who placed among the top 51,000 partici-

pants in the current competition.

A spokesman for National Merit Scholarship Corporation (NMSC), which conducts the Merit Program, stated, "to be designated a Commended student is an outstanding attainment, deserving of public recognition. The nation will benefit from the continued educational and personal development of students such as these, for they have shown exceptional promise. We sincerely hope that the able young men and women being honored will receive whatever assistance is necessary for them to achieve the high goals they set for themselves."

Of some 1.2 million students who entered the 1982 Merit Scholarship competition by taking a qualifying test in 1980, about 36,000 are being commended this month, as they begin

Leisure Lodge News

By Marsha McAdams

Open house for grandparents day was a great success. We had a large number of visitors, many who I haven't seen in a long time. Our kitchen's homemade cookies drew many favorable comments and soon disappeared.

David McNary, pastor of the First Baptist Church of Loraine, brought the Sunday service and had many in attendance. Everyone is invited back for a visit

Ex-students To Meet

Graduating seniors of the class of 1972 of Loraine High School are invited to a ten-year class reunion on October 30 and 31.

All members of the class and ex-teachers are invited to attend, according to Geneva (Davila) Jones, chairperson.

Mrs. Jones stated that ex-students living in Mitchell County, consider as soon as possible.

anytime. Don't wait for a special occasion.

Mildred Hackfeld and family had an informal evening visit at her home with Emma Shaddix, Vera Robinson and Alice Tucker.

The big event for the week, of course, the Cotton Festival Parade. With lots of help from the activity department our "float" was decorated and the colorful sun bonnets and straw hats were put on by our riders.

It was a momentous occasion for many who had looked forward to it for several weeks. With all preparation done, and everyone ready, they joined the lineup for the parade.

During the course of the parade, one lady commented the thought she was in heaven, which means she was really having a marvelous time. It made all the preparation worthwhile. Our float pickups were loaned by Rosa Garcia and Olan Mayes. Drivers were Robert

Harmond and Manuel Lopez.

Riders were Ruth Walker, Opal Rakes, Vera Robinson, Alice Tucker, Effie Stevens, Ethel Kinder, Nannie Swafford, Cara Dodd, Abe Licon, Erwin Hale, Jessie Eaton, Dorothy Merket, D.O.N., Mildred Hackfeld, LVN., Rosa Rosas, activity director and Ricki Harmon.

The parade, after its downtown walk, came by the nursing home and everyone who wasn't in the parade was out front to watch it. The Loraine band stopped and entertained us while the twirlers faced our crowd and twirled. All in all it was a marvelous day and one that will be remembered for a long time.

Thanks to Mr. and Mrs. Lloyd Hair for the jelly and Mrs. Ida Baird for the clothes.

Visiting Vera Robinson from Snyder was her brother, Mr. and Mrs. Raymond Robinson and daughter, Karen.

The Mitchell County musicians provide great music and we are proud of them. The musical on Sept. 25 was great as usual.

Officers Elected In Bible Class Meet

The Young Married Couple's Class of the First Baptist Church of Loraine began a new church year October 4.

They elected officers and teachers before the class lesson. Lois Phillips was elected teach-

Mr. and Mrs. T. L. Holman arrived home Saturday after an eight day trip and visit with relatives. They attended

Widows Recognized

A very enjoyable evening was spent by 25 "widows" of Loraine, when the Rev. and Mrs. Fred Witta hosted a supper Tuesday at 6 p.m. The fete honored Syble Walker on her birthday.

Char broiled hamburgers with chips, relishes, pickles, onions, tomatoes and everything that goes with hamburgers, were served buffet and later slices of the

reception for her sister, Mrs. Ollie Hardin in Byers on Sunday when her children honored her on her 80th birthday. The reception was held at the Byers Community Center. From there they went to Honey Grove and Bonham visited their brothers and sisters and families.

Mr. and Mrs. Elmer Rainey had as their guests Friday and Saturday her sister and husband, Mr. and Mrs. J. R. Gourley of Odessa. The Friday night supper honored Mrs. Rainey and J. R. Gourley on their birthdays. Ice cream and birthday cake were served.

Mr. and Mrs. Olan Lee had their grandson,

birthday cake, topped with strawberries and cream, was served after the group had sung the "Happy Birthday" song.

The visiting and fellowship was enjoyed and guests left expressing thanks to the hosts for such a pleasant and delightful evening and to Mrs. Walker, many more happy birthdays.

Those present with the hosts and honoree were Mmes. Bernice Hallmark, Laura Lena Leach, Clara Butler, Annie Price, Beatrice Bruce, Pauline Smiley, Lynne Compton, Mildred Little, Mary Agnes Meadows, Vanda Martin, Ollie Mae Martin, Emma Martin Land, Ruth Blair, Ruth Butler, Fern Coon, Lorene Mills, Irene Stewart, Elva A. Couple Is Honored On Anniversary

Open house was held at the Loraine Lions Club Sunday from 2-4 p.m., for Mr. and Mrs. Grady Sparks in honor of their 50th wedding anniversary.

Friends and neigh-

bors joined with Mrs. William D. Stanley as chairman were hostesses as the couple do not have any children. Mrs. Betty Bailey and Janet Stanley served the yellow and white decorated anniversary cake with punch and coffee.

Mrs. Bea Harlow presided at the gift table to help open the many gifts that the honorees received.

The afternoon was spent taking pictures and listening to how the couple met and married. Mrs. Sparks had written a story telling of their first meeting, their courtship and marriage and where they had lived and happenings since, which was very interesting, according to Mrs. Stanley, who read the article.

Loraine B&PW Club Gather For Meeting

The Loraine B&PW Club met at the Lions Club Monday evening. Billie Ruth Tartt served as hostess.

Lola Fay Bennett, president, introduced Ruth Haggerton of Colorado City, who gave a talk on "What's New In Crafts," or "Creations By You." This was a very interesting program on flowers. She gave a demonstration on making roses, and had each to make a daisy. After all had completed their flower, she made them into a lovely arrangement.

Mrs. Haggerton had many different kinds of flowers and arrangements and gave a talk on how to arrange what flowers to use together, etc.

Mrs. Bennett, president, presided over the business meeting. Ruby Lee Small read minutes of the last meeting and a report was given on how much the club made in their cake walk at the Cotton Festival.

For the new project for the club, each was asked to get four new members for the club in 1982. Doris Henderson was appointed chairman for the B&PW Week of activities beginning on October 19 at which time the members will gather at the Lions Club and go to Snyder for a Mexican dinner. While there, they will plan activities for the week.

Will It Ever Stop Going Up?

Probably not! How can the average person protect himself against runaway gasoline prices?

The answer is to buy a small car that you can operate economically. We'll be economical too, when it comes to the financial.

Reprocessing nuclear fuel saves energy...

let's quit wasting it.

Reprocessing aluminum cans reduces waste problems and also saves energy. So would reprocessing nuclear fuel.

We Americans have a well-earned reputation for finishing what we begin. But today there's unfinished business delaying our progress toward energy independence. We don't yet have a national policy for reprocessing nuclear fuel and storing nuclear waste.

When the used fuel is removed from nuclear power plants, less than three percent of the volume is waste. The remainder makes substantial amounts of fuel available for future use, after the wastes are removed in a reprocessing plant. A large commercial reprocessing plant has been successfully operating in France since 1976. In America this same process can help us extend our supplies and ease the problems of waste disposal by making it possible to store only the wastes.

We know how to reprocess the fuel and how to store wastes safely. When to start reprocessing, and where to store the wastes, are decisions the Federal Government is responsible for. And they still aren't been made.

At your electric company, relieve the decisions should be made. And we believe that the users of the reprocessing and storage facilities should bear their expense. We also believe there's an urgent need to make decisions now—so that we can plan for the future, and you can be assured of a dependable supply of electricity at a reasonable cost.
