ALLOWABLE COTTON ACREAGE IS RAISED

W. C. Lane Is Killed In Auto Accident Saturday

Son And Daughter Seriously Injured As Car Is Wrecked

Johnnie Lane Is Still Confined To Hospital

W. C. Lane, 79, prominent retired rancher of Dawson County, was killed and four members of his family were injured, Saturday morning when the car in which they were riding collided with a truck. The accident happened about ten miles north of Big Spring on Highway 87.

Mr. Lane died a few hours after the mishap in a Big Spring hospital. Also injured were Mrs. Lane, Mrs. Lee Burger, and Johnnie Lane, business manager of the Lamesa Lobos in the West Texas-New Mexico League.

Although the others were not thought seriously injured, Mrs. Burger and Mr. Lane have been confined to the hospital since the accident. It is thought that Johnnie will be able to be out shortly, but Mrs. Burger's condition is more serious and it will be some time before she is recovered, according to latest reports.

The Lane family was enroute from Lamesa to Big Spring, where they were to pick up other members of the family, and all were to attend an anniversary meeting of the Rural Shade Baptist Church at Kerens, Texas.

Johnnie suffered severe and extensive lacerations about the face, Mrs. W. C. Lane, shock and minor bruises on the face and body and possibly a fractured arm, while Mrs. Burger received severe lacerations and body bruises as well as a severe head injury.

William Courtney Lane was born December 20, 1859. He was married to Miss Clara F. Latham, December 1st, 1887.

PARK-IN STORE CELEBRATING ANNIVERSARY

The Park-In Food Store is this week celebrating its first anniversary in business in Lamesa.

A year ago when this store was opened it was the first drive-in grocery in Lamesa. It has enjoyed such popularity that now there are several similar stores scattered over Lamesa.

The store is owned by Charles Staggs and Bob Ryan, with Mr. Ryan managing the store. He has associated with him Martin Staggs and Buck Matthews as market manager.

During the short year that they have been here, they have made many friends and have built a wonderful business.

This week to show their appreciation to the loyal customers who have made their business the success that it is, they are offering some rare values in a large ad in this issue of the Courier.

The store is located two blocks west of the First National Bank on North First. Look up their ad and visit them during this anniversary celebration.

FREE HOSIERY WILL BE GIVEN TO WOMEN HERE

Attention is called this week to the second of a series of ads for Collins Dry Goods Company of this city, in regards to a gigantic Humming Bird Hosiery contest which started last week.

Although the contest was officially opened last week, there is still time for entry and complete rules are given in their ad which will be found on the front page of the second section of this paper.

A total of 20 pairs of Humming Bird Hose will be awarded the winners. It is a fascinating and interesting contest. See their ad.

Mayor's Proclamation

Since the week of April 29, to May 6, 1939, has been designated and set aside as National Boy and Girl Week; and since Sunday, April 30, is a day on which the Ministers of Lamesa have agreed to direct a Church service toward the Youth of the land, I, W. L. Marr, Mayor of the said City of Lamesa, by virtue of the authority vested in me, do hereby proclaim April 30, 1939, as "go-to-church" Sunday for the youth of the City. I earnestly and sincerely suggest that every boy and every girl in Lamesa be found in attendance at church services somewhere on the said day.

Signed: W. L. MARR
Mayor of the City of Lamesa.

Lamesa Merchants Offer Many Special Dollar Day Values For Saturday And First Monday Sale

Collins Will Head Local Rotary Club For Ensuing Year

Arthur Hull Selected Vice-President Of Body

At the regular meeting of the Lamesa Rotary Club last Friday, W. B. Collins was elected president of the club for the ensuing year. Arthur Hull was elected Vice-President, and G. M. Roberts was re-elected secretary.

S. L. Forrest, retiring president turned the office over to Mr. Collins at the conclusion of the election. Under his able leadership the club has set a most enviable record. They have had practically a one hundred percent attendance for several months.

Mr. Collins, the new president, is a charter member of the body, and has been one of the most active members since the organization. He was a representative of the District Governor and one of the most active workers in the recent organization of the Seminole Rotary, which was sponsored by the Lamesa Club. At the Charter night which has been set for Friday, May 5th, a large delegation, headed by Mr. Collins, will attend the meeting.

COX VARIETY CELEBRATING ANNIVERSARY

This week Cox Variety Store of this city are celebrating their first Anniversary in business in Lamesa.

About a year ago Carl M. Cox, owner and manager of the store, leased the Kelly Building on South First, which had been occupied for the past several years by the post office.

Upon securing the lease the building was completely remodeled and refurnished, both inside and out. The most modern variety store fixtures were installed. During that year the business has shown a steady growth and they are offering some outstanding values in this issue of the Courier, to show their appreciation to their customers and friends.

Although the store is only one year old, the owner, Mr. Carl Cox, is by no means a newcomer to this section. He has been a resident of Lamesa since 1915 and has many friends among the old timers as well as those who have come here during later years.

Look up their ad in this issue of the Courier and see the outstanding values they have to offer.

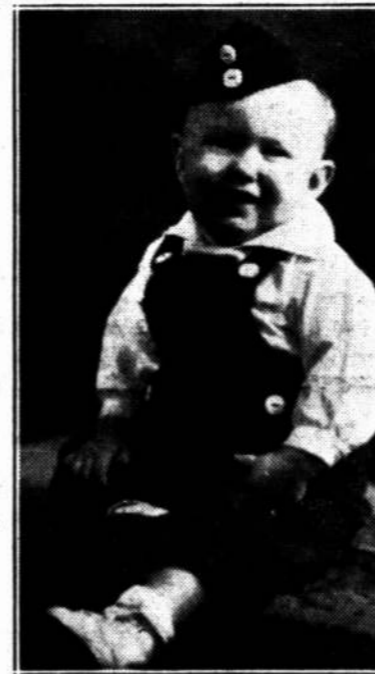

COMPETENT MECHANICS

The Arnett Motor Company, Lamesa dealers for Dodge and Plymouth, maintain a competent staff of mechanics, under the able supervision of W. B. Henry. Mr. Henry has been in Lamesa for many years and for quite some time was in business for himself.

League Opener Taken By Lamesa Lobos In Thrill-Packed Pitchers Battle

Among The Younger Set

PHOTOS BY ASH STUDIO

Selected to reign as King Among the Younger Set for this week is the chubby bit of babyhood above. He is the smiling little son of Mr. and Mrs. Joe B. Whitlow, whose home is at 1002 North 3rd Street, Lamesa. He was born January 28, 1938. He has blue eyes and blond hair. He likes to play ball.

PENS ADDED FOR GROWING AUCTION SALE

Due to the increased volume of business enjoyed by the Dawson County Auction and Commission Company, it has been necessary to add more pens and enlarge their barns.

Workmen are busy this week making the additions and are rushing them through to completion in order to have them ready for next Monday's sale.

Last Monday was their second biggest day since the sales were inaugurated, being exceeded only by the opening day. Something over four hundred head of cattle were run through the ring Monday.

Albert McCarty of Lubbock spent Monday here visiting with friends and relatives.

Attention is called to the many ads in this issue of the Courier, wherein Dollar Day specials are quoted for next Monday, which is the first Monday in May.

An attempt is being made among the stores of the city to hold a cooperative Dollar Day event each First Monday and offer some rare bargains for the people of this trade territory.

Many cities over this section successfully stage these Dollar Day events and it is thought that Lamesa can do likewise with the cooperation of both the business firms of the city and the people of this area.

Several local stores are offering specials for this event and your attention is directed to their ads.

SEMINOLE CLUB CHARTER NIGHT FRIDAY, MAY 5

Charter night for the new Seminole Rotary Club has been set for May 5th, according to a telegram received here this week by W. B. Collins from District Governor Linton H. Estes of Wichita Falls.

This club was organized a few weeks ago under the sponsorship of the Lamesa Rotary Club, and Mr. Collins served as special representative of Governor Estes in the organization. He and several other Rotarians from Lamesa attended the first meeting at which time a temporary club was organized, subject to the final action of the mother body.

A large crowd of Rotarians from Lamesa, O'Donnell, Big Spring, Tahoka, and possibly others are expected to be present Charter night.

ROLLER RINK IS NOW OPEN

The Lamesa Roller Rink opened for business this week, in their large building on South Main street.

They are offering special low summer rates for the opening. Your attention is called to their ad in this issue.

Daw-Tex Well Abandoned When Sulphur Water Is Encountered On Tuesday

Announcement was made this week by G. Lester Guinn, president of the Daw-Tex Oil Company, and drillers of the Daw-Tex test well north of Lamesa that sulphur water was encountered in the hole Tuesday night at about 8 p. m.

The well had reached a total depth of 4,756 feet. The sulphur water contained a small show of oil and gas, but was not of sufficient porosity for production.

The hole will be plugged, according

to Mr. Guinn, and the derrick removed. It is expected to complete this work within a few days.

This well has been closely watched by oil men over the territory and up until the last, the formation looked very promising. A great deal of trouble was experienced during the drilling of the hole, when a casing collapsed. This was straightened out about three weeks ago and the bit went down without serious mishap until the water was reached.

Under an ideal setting, a beautiful day, a large crowd, and one of the most thrilling baseball games possibly imaginable, the West Texas-New Mexico Baseball League got off to an official start here Tuesday afternoon, when the Lamesa Lobos took a hard fought contest from the Abilene Apaches 4 to 3.

The new grandstand was filled to overflowing, with every available inch of space behind the barriers taken. An estimated crowd of fifteen hundred sat spellbound as Lamesa took a 2 to 0 lead in the fourth inning only to have it wrenched from them in a brilliant spurt in the opening half of the ninth, when Abilene staged a rally that netted three runs, and looked like the ball game. But the thrilling game was not over by any manner of means. The Lobos came back strong in their half with a rally that netted the two runs necessary to chalk up a win. One man was out when the game ended.

Mayor W. L. Marr did the honor of throwing the first ball, which, by the way, was high and outside. County Judge W. M. Yates received the throw behind the plate and handled the ball like a veteran. Following this the team managers, Tat Withers of the Apaches and Jodie Tate of the Lobos, were introduced to the crowd. Next Umpires

THREE STRAIGHT

In the first game at Abilene of a two-game series, the Lobos pounced on two pitchers this afternoon for a total of fourteen hits and twelve runs, while the Apaches were able to garner only eight hits and one run off Red Hay who went the route for Lamesa.

Stingy with the hits when they counted, Hay had the situation well in hand all the way through, and with the commanding lead which his teammates gave him, was never in serious trouble.

Park started for Abilene, but gave way in the sixth under a barrage of Lobo hits. He was relieved by Tysko, who finished the game Kohler caught for the Apaches and Bates did the receiving for the Lobos.

R H E
Abilene 03 001 090 -1 8 1
Lamesa 249 004 020 -12 14 2

The results of the above game are given readers of the Courier through the courtesy of Jim Stanfield, who received the game every three innings and who will continue to get the out-of-town games in a like manner. Mr. Stanfield is a real baseball fan and is paying for this service out of his own pocket so that local fans may keep tabs of the Lobos when they are away from home. Results are posted as fast as they are received on a bulletin board in his recreation hall on the northwest corner of the square in the basement.

Cartwright who officiated behind the plate and Etheridge, who acted as field umpire, were introduced. Following this brief ceremony, the ball game was on.

Barnhill, Apache second baseman was the first batter to face Raines and struck out to start the ball game.

Although Abilene scored 10 hits to the Lobos 9, with the exception of the ninth inning, both Bryan, for Abilene, and Raines for Lamesa, so well scattered their hits that there was seldom a time that either was in danger.

The Lobos two first tallies were rung up in the fourth stanza. After Reeves grounded out, short to first, Haney singled down the third base line the ball taking a bad hop, hitting the Apache third baseman, Guinn, and caromed off into the outfield. Haney stole second and moved to third on

(Continued on Back Page)

To Mean \$128,000 More This Year For Dawson Farmers Will Raise Tax-Free Cotton 800 Bales

The 1939 Cotton yield for Dawson County is the highest of any year since the A. A. A. program has been in operation, according to Joe M. Peterson, Chairman of the County Committee. The county average yield this year is 183 pounds per acre as compared to 157 pounds in 1938. This 26 pound increase added to the 4125 acre increase in 1939 over 1938 means a total increase of tax free cotton production for 1939 of approximately four million pounds or 800 bales of lint cotton. Converting pounds to dollars and cents means an increase in cotton and general payment to the farmers of the county of about \$125,000.00. Breaking this amount down to the average quarter section farm the increase amounts to about \$63.00 above the 1938 payments for the same farm.

Lamesans Throng Seminole In Good Will Trip This Week

More Than 25 Cars Make Good-Will Trip

As was announced last week, Lamesa and Seminole joined forces at Seminole Wednesday morning in a joint celebration over the completion of the new road between the two towns.

About thirty carloads of Lamesa boosters left the west side of the court house at about 9 a. m., lead by the Lamesa High School Band, and headed for the Gaines County Metropolis.

Upon arrival a concert was given by the band, followed by the welcoming address by A. L. Duff, with Judge Carl Rountree of Lamesa responding. Short talks by others were also heard.

This was followed by a general good time of visiting with each other. After lunch the party came back to Lamesa, after they had left scores of complimentary tickets for Seminole people to see the Lamesa Lobos play in Lamesa. Several of these ducats were taken up at the Wednesday afternoon game.

The completion of this highway draws these two towns within a few minutes of each other and will enable the people of a vast territory to do most of their trading in Lamesa.

FREE SPOONS WILL BE GIVEN BY QUAKER CO.

Many people of this territory have taken advantage of the special offer of the Quaker Oats Company, to secure one of the beautiful and unique Betty Lou Spoons, which may be secured at the Courier office.

In a series of advertisements which are being released weekly in the Courier, a complete explanation, together with necessary coupons will be found.

These spoons cost you absolutely nothing. All you have to do is to secure one of the Trade Marks from the large size Quaker or Mothers Oat Package, or two Trade Marks from the smaller packages, clip the coupon from the ad and bring them to the Courier office. The spoons are on display here and you will be given a spoon with each coupon and trade-mark. There is no limit as to the number of these spoons you may secure, as long as the requirements are met.

You are advised however, to take advantage of this offer at your earliest convenience, as the offer expires on May 14th.

H. A. Turner and Miss Violet Marie Osborn, April 22.

COUNCIL CALLS MEETING

The District Meeting being on the regular council meeting day, there will be a called meeting of the Dawson County Home Demonstration Council at 2:30 Saturday, May 6, in the Home Demonstration Agent's office.

REPORTERS MEET

Ways to get stories were discussed by the Dawson County Home Demonstration Reporters Association in the H. D. Agent's office at 2:30, Saturday, afternoon, April 22.
 A reporter should attend all club meetings with two or more pencils and paper. The paper should be passed around in order to get all names. A report should contain some information given at the meeting which will be useful to some one who was not there.
 All reporters should attend these reporters meetings which are held each third Saturday at 2:30 p. m.

ACKERLY BAPTIST CHURCH

Beginning next Thursday evening at 8:30 we meet to celebrate our first anniversary. On the first Sunday of April

1938 the pastor preached his first sermon as pastor of the church, and we are to review the work of the year and take a look at the possibilities for the future. We hope every church family will come and bring lunch.

We are to have three visiting preachers; Brother Phillips of Wilson, Brother Curtis of Seminole and Brother G. W. Parks of Roscoe. The program follows:

Thursday Evening
 8:30 p. m. Song Service.
 8:35 p. m. Special Music from Wilson.
 8:40 p. m. Sermon, Rev. Ernest Phillips.

Friday Evening
 8:30 p. m. Song and Prayer.
 8:35 p. m. Special music arranged by Mrs. Opal Phillips.

8:40 p. m. Sermon, Rev. O. C. Curtis.
Saturday Evening
 8:30 p. m. Song and Prayer.
 8:35 p. m. Special Music arranged by Mrs. Opal Phillips.

8:40 p. m. Sermon, Rev. G. W. Parks, subject: "A Personal Experience In Becoming a Christian and Being a Christian."

Sunday
 10:00 a. m. Sunday School.
 10:45 a. m. Announcements.
 10:50 a. m. Song.
 10:55 a. m. Offering.
 11:00 a. m. Special Music.
 11:05 a. m. Sermon, Rev. W. G. Parks, subject: "A Combination of Mission Forces in Action."

12:00 Noon Lunch served at the church.
 2:00 p. m. Song Service.
 2:10 p. m. Special Music.
 2:15 p. m. Church History for the Past Year. (1) Number of members received and how, Mrs. Tommie Belt; (2) Our Sunday School, Brother Miller; (3) The W. M. S., Mrs. Middleton; (4) The B. T. U., Brother Hinkle; (5) Our Finances, Brother Costin; (6) The Outlook for the Future, Brother Jones.

2:45 p. m. Sermon, Rev. W. G. Parks.
 7:45 p. m. B. T. U.
 8:30 p. m. Song.
 8:35 p. m. Special Music.
 8:40 p. m. Sermon, Rev. W. G. Parks, subject: "A Place for Everyone and Everyone in His Place."

R. R. Cumbie, Pastor.

CENTRAL H. D. CLUB REPORT

"The disposition of you and your family are affected by your kitchen," said Miss Phenix, our county home demonstration agent in her demonstration on using the kitchen, Thursday afternoon in the home of Mrs. Justice Walls.

An efficient and attractive kitchen saves much wear on our dispositions as well as give extra time for reading or personal care. Every kitchen should

have a business center. A desk or table on which to keep recipes, files and books, parts, thumb tacks, scissors, calendars, a bottle of hand lotion, and all those little things that cause so much annoyance when one has to stop and hunt them. A vase of flowers will add a lovely and pleasing touch.
 There were thirteen present with one new member.

KLONDIKE 4-H CLUB REPORT

"It's not the number of clothes you have that counts, but how you choose them and keep them up," said Mrs. Thorp, sponsor, to the Klondike 4-H Club at the Home Economics building, at 1:30, Friday, April 21.

Good looks is largely a matter of system simplicity, soap and water. A school girl must look a little carefree, a bit windblown and still well groomed. Planning and economizing is a matter of necessity. Buy rather conservative styles good for two or three years and get variety through accessories. It's better to be too sporty than too dressed up. Five thread hose are better for school than sheer three thread hose. Use cream only before washing on occasion and use cream for softening after washing. Have a weekly manicure.

To keep the hands in good condition have a good lotion. Clothes need lots of care. Choose clothes that do not require a lot of pressing. Hang clothes up immediately after they are taken off and brush them each time they are worn. If you see that everything is in wearable condition the night before, you can sleep blissfully till the last minute and your appearance will never suffer.

The following program committee was appointed: Marie Duff, Mable Thorp and Lou Wanda Edmonson.

There were two new members, Wanda Lee Ashley and Louise Turnbow and sixteen old members present.

CHILDREN'S DAY PROGRAM

The Methodist and Baptist churches of Patricia are sponsoring a children's Day program, Sunday, April 30th, at the Methodist Church. Pack your basket with good things to eat and come be with us.

LAMESA BOY TO TAKE PART IN COLLEGE CLASS PLAY

T. H. Tarbet, Jr., son of Mr. and Mrs. T. H. Tarbet of Lamesa, has been cast for "Dying to Live", the Abilene Christian College senior dramatic production.

This senior student of A. C. C. has been cast for the supporting role of "Savoldi Yutaka" in this three-act farce written by the well-known auth-

or, Wilbur Braun. It will be staged the evening of May 12.

Each year this is one of the main events of the senior class previous to their graduation which will come this year May 29th. Directing the production is John Holton, senior class president from Sherman, Texas.

Throughout the production there is fast-moving comedy brought about by an entanglement of love affairs. About mid-way in the play the action begins a fast ascent and is climaxed with a surprise conclusion as the final curtain descends.

KLONDIKE 4-H CLUB NOTICE

The Klondike 4-H Club will meet at the home economics building, May 3, at 12:30. Miss Mattie Phenix, County Home Demonstration Agent, will give a demonstration on "Cleanliness and Health for the Baby Chicks."

Miss Jean Hendrix spent the week end at Fort Worth with relatives and friends.

Arthur Chase spent the week end at Fort Worth with friends and relatives.

James McBride of A. and M. spent the week end here with relatives and friends.

Mrs. Z. T. Davis left Saturday for Dallas where she spent the week end visiting her daughter, Miss Elizabeth Lee Davis who is attending W. T. S. C.

Vernon Smith and Bill Edwards of Big Spring spent Sunday here visiting Mr. and Mrs. Lynn Edwards.

WHEREVER YOU DRIVE YOU'RE SAFER ON NEW Firestone CHAMPIONS

The Only Tires Made with the NEW SAFETY-LOCK CORD BODY and NEW GEAR-GRIP TREAD

ON any roads, in any car, in any weather, you are safer on Firestone Champion Tires. And here's the reason:

The Firestone Champion Tire is different — entirely new. Designers swept into the discard all conventional tire building patterns. They created a revolutionary new type of cord body — and an amazingly safe, new styled tread design.

Stronger Cord Body. The new Firestone Champion Tire is built by an entirely new method in which each and every component part of the tire is locked and interlocked into a super-safe, inseparable unit of amazing strength. This is accomplished first, by the use of a completely new type of tire cord called "Safety-Lock," in which the cotton fibers are more compactly interwoven to assure cooler running and provide greater strength. Then, the fibers in each individual cord, the cords in each ply and the plies themselves, are all securely locked together by a new and advanced Firestone process of Gum-Dipping which provides amazingly greater strength. And greater strength means greater safety.

More Non-Skid Mileage. The new Safety-Lock cord construction provides the extra strength needed for the use of the new, thicker, tougher, deeper Firestone Gear-Grip tread which delivers remarkably longer non-skid mileage. This sensational new tread is called "Gear-Grip" because of its unique design — it has more than 3,000 sharp-edged angles which grip the road with a sure-footed hold to protect against skidding and assure a safe stop.

Drive in today and let us equip your car with the extra non-skid safety and blowout protection provided in a new set of Firestone Champion Tires—the only tires made that are safety-proved on the speedway for your protection on the highway.

Listen To The Voice of Firestone with Richard Crooks, Margaret Speaks and Alfred Wallenstein, Monday evenings over Nationwide N. B. C. Red Network.

FLOYD ROBERTS 1938 National Race Champion

More champion race drivers select and buy Firestone Tires for their racing cars than all other makes of tires combined. These men, whose lives depend on tire safety, know tire construction and they refuse to risk their lives or chance of victory on any other make.

Firestone LIFE PROTECTOR
 The Tire within a Tire
 This amazing Firestone development makes a blowout as harmless as a slow leak.

Should a blowout occur the exclusive Firestone Safety-Valve holds sufficient air in the inner compartment to support the car until it is brought to a safe stop.

SOCIETY

Junior And Senior Banquet Held Friday Evening

It's vacation time again with graduation just around the corner for about one hundred boys and girls. The outstanding social function of the school year honoring the Seniors was the annual Junior and Senior Banquet given at the First Methodist Church last Friday evening at 7:45.

Tables, beautifully decorated, held place cards for nearly two hundred guests. High school colors, black and gold, were carried out on programs and centerpieces.

No other occasion assembles so many beautifully gowned young ladies and well groomed young men, as do our banquet parades. Every type of evening dress was worn from the simplest cotton frock to the flimsiest lace creations.

Bill Roberts, president of the Junior class was master of ceremonies and gave the welcome address. Responding to the welcome, Bob Smith, ably represented the Seniors in a sincerely appreciative address.

Further entertainment for the evening was furnished by Miss Carol Cole who sang "Heaven Can Wait," accompanied by Mrs. A. G. Barnard, and Jackie Vaughn who sang "When Irish Eyes are Smiling."

Dean Gordon of Texas Technological College, was the guest speaker for the evening.

After a pleasant evening guests went to the Country Club where they were honored with a dance given by Miss Ann Woodward.

Mrs. Tom Woods and Mrs. Mike Garvin spent the week end at Fort Worth visiting with friends and relatives.

Future Homemakers To Attend Rally In Galveston

The State Future Homemaking Rally meets in Galveston, May 3-6. Lamesa Future Homemakers are looking forward with much enthusiasm to this event. The local Homemaking Department has been represented at the State meets for six years. Three of these years the group won different places in the state contests.

Last year the rally was in San Antonio with approximately 2000 girls attending from all over the State of Texas.

The girls who will represent the Lamesa High School this year are Marjorie Rogers, representing the local Chapter of Future Homemakers; Hazel Camp, third year homemaking; Tennie Marie Dyer, second year, and Margaret Davis, first year.

These girls and their sponsors, Miss Florence Griffith and Mrs. R. H. Huddleston will leave May 2.

Marilyn Mitchell Is Honored On Third Birthday

Mrs. Fred Mitchell entertained in her home Tuesday afternoon honoring her little daughter Marilyn, who was three years old.

The children enjoyed games after which Marilyn received many lovely gifts.

Refreshments of angel food cake and punch were served to about twenty children.

Mrs. E. A. Neal Is Honored Friday Afternoon

Mrs. Fred Mitchell and Mrs. Sam James entertained in the home of Mrs. Sam Albertson, Friday afternoon, in honor of Mrs. E. A. Neal. Various games and contests were played.

Mrs. James with her accordion entertained the guests with several beautiful musical numbers.

Mrs. Fred Mitchell presented the gifts in a very clever manner, impersonating a bashful child. She was aided by her little daughter, Marilyn, and little Aubrey Gene Neal.

Refreshments of tongue salad, olives, smacks, and iced tea were served to about twenty guests. Many sent gifts who were unable to attend.

Homemakers Have Good Crowd At Style Show

Approximately three hundred spectators watched the girls of the Homemaking Classes 1b, 2b, and 3b, model

their dresses in the style show presented in Baldwin's store window last Monday night, April 24.

The announcer, Miss Frances Lindsey, voiced the style show in this order: Children's garments, made by Homemaking Class 2b girls, old-fashioned styles up through the modern styles; cook aprons; and school girl costumes selected and made by Homemaking 1b classes; tailored dresses by third year girls.

The Homemaking 3b girls modeled garments from Baldwin's.

Lamesa Music Club To Have Last Meeting of Year, May 11th

Mesdames David Murray and Jeff Dean were hostesses April 20, at the regular meeting of the Lamesa Music Club.

Vice-President Mrs. Noble Price presided during the business meeting. Several visitors were welcomed. Committees were appointed to make preparations for the last meeting of the year which will be held May 11th. The chair announced the election of Mrs. J. D. Burleson to membership in the club.

Mrs. Murray then conducted the following program. Vocal solo, Negro Spiritual, Mrs. Katherine Rose and the Symphonettes; Contemporary Composers, Mrs. Jeff Dean; piano solo, Mrs. Matt McCall; piano solo, "Rhapsody in Blue," Miss Lorraine Wilkowske; paper, "Modern Music," Mrs. A. G. Barnard; vocal solo, "Old Man River," Miss Estelle Billingsley.

Miss Ruth Lambeth Hostess to Members Of Sub-Deb Club

Ruth Lambeth entertained the Sub-Deb Club with a three-course dinner at her home on South Fourth Street, Friday evening.

The dining room was beautifully decorated with vari-colored spring flowers and fern. The centerpiece for the table was a bowl of sweet peas. Those enjoying this affair were Helen Ruth Allen, Jo Erwin Bailey, Sally Brannon, Tennie Marie Dyer, Reath Garrett, Tommie Ruth Morris, Kathryn Norman and the hostess.

Following this, Mrs. Lambeth assisted the girls in organizing a Sub-Deb Club. The following officers were elected: Tommie Ruth Morris, president; Reath Garrett, secretary; and Tennie Marie Dyer, treasurer.

Donna Jo Alexander Honored On Third Birthday

Mrs. Joe Alexander honored her daughter, Donna Jo on her third birthday with a birthday party at the Country Club, Monday afternoon.

Various yard games and kodak posing were enjoyed during the afternoon. Favors were balloons and dolls.

Ice cream and cake were served to Eddie Ragan Surface, Dorothy Jean Beal, Bill Don Creighton, Judie Allen, Sonnie Campbell, Donnie Richardson, Sidney Reynolds, Gloria Esmond, Kay Collins, Betty Ann Surface and the honoree, Donna Jo Alexander.

Gloria Esmond Is Honored On Third Birthday

Saturday afternoon April 22, Mrs. Glenn Esmond observed the third birthday anniversary of her daughter, Gloria.

Yard games, kodak posing, and party favors consisting of sealed nut-cups of candy creams, and refreshments con-

sisting of miniature sandwiches, ice cream cones, and decorated individual cakes were enjoyed by several mothers, and grandmothers of the following children: Donna Jo Alexander, Donnie Richardson, Bobbie Joe Daffern, Pat Beckham, Caroline McMullin, Sarah Hollingshead, Bailey Dune Whitlow, Esmond Cox, Virginia Cox, Roy Leonard, Paul Matejowsky, Robert Matejowsky, Durwin Hart, Jane Houston, Suzanne Houston, Sidney Reynolds, Sonny Nelson, Jean Smith, Avallon Barkhurst, Jane Taylor, Frankie Jones, John V. Price, and the honoree Gloria Esmond.

NOTE OF APPRECIATION

The women of the Missionary Societies of the Methodist Church wish to express their sincere appreciation to all those who helped in any way to make the Junior-Senior Banquet a success.

Miss Mattie Moore and Mr. and Mrs. W. O. Holder visited with friends in Lubbock, Sunday.

Mr. and Mrs. A. G. Waugh and Mr. and Mrs. V. O. Key spent Sunday visiting with friends in Seminole.

S.C.S. NOTES

Run-off water not only is taking a heavy toll in soil losses, but also is robbing the Southern Great Plains of millions of dollars annually in lost crop production, according to F. A. Vestal, Camp Superintendent of the Soil Conservation Service, Lamesa, Texas.

Water can be controlled so soil erosion and flood dangers are reduced while crop yields are being increased, or it can be permitted to run off the land, muddy with topsoil in the form of silt and leaving gullies and reduced soil fertility in its wake.

Texas Panhandle farmers are realizing the value of controlling water and each year more and more farms are being cultivated on the contour, strengthened by terraces where necessary. Many thousand additional acres are being planted on the contour for the first time this year, the Soil Conservation Service reports.

Experience of farmers using soil and water conservation practices shows that rows planted on the contour or around the slope instead of up and down the hill reduces the cutting force of water, prevent gullying, reduce the chances of seed being washed out of the ground, and give a more even distribution of moisture with the result that crop stands are more uniform and yields are greater.

V. G. Callahan, fifteen miles south-terrace two farms two years ago and east of Lamesa, who is a new cooperator with the Lamesa Camp, partially has made comparison between the terraced and straight row method on the two farms. He states that "the yields have been one third greater on the terraced land than on that part of the field that was farmed on a straight row." Mr. Callahan has completely terraced one farm this year and plans to terrace the other farm as soon as the crop is off next winter.

Where fields are farmed continually up and down the slopes, crops often are washed out and most of the production comes from low spots where run-off water has accumulated. This rush of water down the slopes soon takes much of the rich topsoil from the hillsides and reduces the productivity of the land. Furthermore, water allowed to rush off a field speeds on its way downstream, often adding to damage caused by floods.

Recent severe dust storms, coming when the Southern Great Plains as a whole has had heavy rains and snows during the winter with moisture conditions being the best in several years, proves conclusively that moisture alone will not control wind erosion, declares H. H. Fennell, regional director of the Soil Conservation Service.

"High winds normally prevail in this area from January until May, and any land without protective vegetation or crop residues and trash can be expected to suffer damage from soil blowing during this period," Fennell points out. "When such a condition exists, the farmer's only recourse is to list his land to create a rough, cloddy surface which will break the force of the wind and check the movement of soil. If this is done on the contour, the land is placed in condition to catch and hold moisture from spring rains which will aid in growing vegetation for protection during the next year."

The actual acreage subject to severe soil losses from blowing has been reduced from approximately 6,000,000 acres in 1936 to little more than 2,500,000 this year. The increasing use of soil and water conservation practices such as terracing, contour tillage, pasture furrowing, strip cropping and the growing of erosion-resistant crops, with improved moisture conditions, has been largely responsible for this improvement, the conservation director believes.

"The extended drought robbed millions of acres of the organic matter and left the land without protection during the blowing season. Until crops are grown and residues and trash are restored to the soil, land in such condition will remain subject to damage. Moisture is the essential requirement for vegetative growth."

"Regardless of how much rain or snow falls upon the land, it can be of little benefit to crops if allowed to rush down the slopes into roadside ditches, creeks and rivers. Water which runs off a field is lost for crop use on that field," Fennell declares.

Mrs. G. W. Kelly and Mr. and Mrs. J. M. Medlin and children spent the week end at San Angelo visiting with friends and relatives.

Mrs. J. H. Pierce and Miss Elizabeth Duff left Sunday for Dallas where they will spend several days buying merchandise for Pierce's Toggery.

Mrs. A. A. Alsbrook and Mrs. W. E. Cox left Thursday for Corona, Calif., where they will visit Mr. and Mrs. Fred Boyer and Earl Alsbrook.

Jimmie Rose underwent a tonsillectomy at the Price Clinic, Sunday.

Mrs. J. W. Bucklew and Miss Reba Bucklew spent the week end at Wordsville, Oklahoma, visiting with relatives and friends.

Mr. and Mrs. Vernon Bryant and Mr. and Mrs. Frank Stanley returned Sunday after visiting for several days in El Paso.

HIWAY BAPTIST CHURCH
Delegates from the Hiway Baptist Church, consisting of Mr. and Mrs. L. E. Jones, Mr. and Mrs. R. I. Hill, Mr. and Mrs. Howard Moore, together with their pastor, Jno. R. Denning and his wife, attended a joint conference held at the Fundamental Baptist Tabernacle of Big Spring last Wednesday, when other delegates from Crane and Brownfield met with the Big Spring Church and its pastor, Rev. Horace Goodman, for the purpose of discussing plans for a more intense and harmonious effort toward the spread of evangelism and mission work throughout the Plains and Eastern New Mexico.

To this end, a huge Fellowship Meeting was planned to be held at the Hiway Church, with both it and the Big Spring churches acting as hosts to representative groups from every church in West Texas who are affiliated with the World Fundamental Baptist Missionary Fellowship, and to

which all churches and pastors of other denominations are cordially invited. Some of the most able Bible Teachers of the South are to appear on this program which will run for several days, the exact dates of which are to be announced within the next two weeks.

In addition to the above, there will be a joint Radio Gospel Jubilee held over the Big Spring station, KBST, on Sunday, May 7th, from 1:30 to 2:30 o'clock, in which both Rev. Goodman and Denning will take active part, and which their two churches will sponsor. This program will consist of intermittent preaching and testimonies, with Gospel Songs by a choir composed of members of both churches.

Next Sunday night, Rev. Denning resumes his series of prophecy messages, when he will preach from the 9th chapter of Daniel on "Daniel's Seventy Weeks—What Is In Store For The to attend these Sunday night services.

Mary Bowen Society Holds Good Meeting Monday

The Mary Bowen Missionary Society met at the First Methodist Church on April 17, at 3:30 p. m. with Mrs. Russell Reising in charge of the program on the Missionary Bulletin. Those taking part on the program were Mrs. Blaine Wiggins and Mrs. Henry Norris.

We had two new members present with ten old members. We would be glad to have more ladies come and be with us on Monday.

The Mary Bowen Missionary Society is going to help serve the Junior-Senior banquet which is to be held on this coming Friday night at the Methodist church.

Mrs. Tony Goble will be in charge of the next program, April 24.

Mrs. Billingsley Is Hostess To Thursday Forty-two Club

Mrs. Lee Billingsley was hostess to members and guests of the Thursday Forty-two Club at her home on South Fifth street, April 13th.

Games of forty-two were enjoyed during the afternoon.

At the conclusion of the games a delicious salad course and fresh strawberry pie topped with whipped cream were served to Mesdames Ross Gibson, Ross Boardman, Buck Bennett, E. V. Wilkes, Ross Simpson, C. A. Eiland, Walter Jones, Irvin Wright, Dee Hall, C. E. Ault, O. Lambeth, A. H. Smith and the hostess Mrs. Billingsley.

Mrs. Joe Barron Is Hostess To Pioneer Club Tuesday

Mrs. Joe Barron was hostess to members and guests of the Pioneer Club April 18th at her home on North Fifth Street.

Games of eighty-four were enjoyed during the afternoon. At the conclusion of the games a delicious salad course was served to Mesdames W. V. P. Baker, A. M. Bennett, D. S. Day, Dixie Kilgore, N. E. Bartlett, Will Norris, A. H. Smith and the hostess, Mrs. Barron.

ary Union met, Monday, April 17th at the church with the Julia Meadows Circle in charge of the missionary program, the theme being "Southern Baptist Response to the Great Commission in South America." Mrs. M. L. Standefer, chairman of the Circle, presided during the program.

Mesdames A. E. Jacobs, C. Baldwin, O. Lambeth, Mrs. L. F. Kennedy and Mrs. W. J. Beckham appeared on the program.

The meeting was dismissed with a prayer by the president.

B. W. B. C. Holds Business Meeting Tuesday Evening

Members of the B. W. B. C. of the First Baptist church met last Tuesday evening in the home of Mrs. Roy Smith at 312 South Houston.

A short business session was held and plans were made for a bingo party which is to be April 28. Two new officers were elected, first vice-president Miss Myrtle Henderson, and second vice-president Miss Margaret Chumbley.

At the conclusion of the business meeting, chocolate pie topped with whipped cream and coffee were served to Misses Margaret Coumbley, Paye Lynn, Mattine Moore, Maulee Bedwell, Tamzy McCarty and the hostess Mrs. Smith.

Preferential Tea For New Members of Beta Sigma Phi

A twilight tea was given by members of the Gamma Alpha, a chapter of the Beta Sigma Phi sorority at the Country Club last Friday evening from 7:00 to 8:00 honoring the pledges.

Those in the receiving line were Mrs. J. H. Harp, Mrs. Louis B. Reed, who are sponsors of the sorority, Miss Jessie Norris, president of the sorority, and the two pledges, Miss Virginia Sharp and Mrs. Rupert Austin.

Mrs. Ralph Fry and Miss Katie Lee Clements presided at the guest book and Miss Betty Bratcher directed the guests to the dining room where tea was served.

The tea table was laid with a beautiful hand made lace cloth and was centered with a bouquet of tulips. Two tall slender white tapers in crystal holders furnished light for the tea table. Miss Lenora Barron presided at the crystal service. Assisting in the dining room were Misses Myrtle Henderson, Melvin Norris, and Edna Bedwell.

The reception room was beautifully decorated with vari-colored bouquets of Spring flowers.

A program was presented during the evening. Arthur Chase gave a piano arrangement of "Deep Purple". Miss Ernestine Gambill, sang "O Promise Me", accompanied by Mrs. A. G. Barnard. Miss Carol Cole gave "My Own" accompanied by Mrs. Barnard, and Miss Marguerite Flaniken delighted the guests with several readings.

Forty-three guests were registered. Hostesses for the occasion were Mrs. Harp and Mrs. Reed.

SHUMAKE CLUB NOTICE

The Shumake Home Demonstration Club will meet with Mrs. A. S. Riddle, May 9th at 2:30 o'clock. Miss Phenix will meet with us. We invite everyone to come and meet with us.

SHUMAKE H. D. CLUB REPORT

The Shumake Home Demonstration club met Monday, April 23, in the home of Mrs. C. W. Shafer with five members present. We had a lesson on the Women of the Bible which was very interesting.

Thirty-one women were reported to have been helped by club members in the expansion work.

Mrs. G. W. Shafer was elected Kitchen Demonstrator, Mrs. A. S. Riddle was elected Food Demonstrator and Reporter.

Mr. and Mrs. Lynn Edwards, Vernon Smith and Bill Edwards visited with friends in Lubbock, Sunday.

Mrs. Ed Bryan and son Gerry spent several days this past week visiting with relatives and friends in Whitney.

SOCIETY

Miss Bracey and Mr. Clawson Wed April 21

Miss Edith Bracey daughter of Mr. and Mrs. C. A. Bracey and Mr. David Clawson, son of Mrs. W. L. Clawson of Robert Lee, Texas, were united in marriage Friday evening at 8:30 in the home of Rev. E. F. Cole who read the beautiful single ring ceremony.

The bride was beautifully attired in a blue dress with Japonica accessories. Only attendants were sisters of the bride, Misses Floy and Helen Bracey. After a short wedding trip to Carlsbad, N. M., the couple will make their home at 119 Cleveland St. Mr. Clawson is employed with the Vaughn Chevrolet Company here.

Miss Osborn Becomes Bride of Mr. H. A. Turner Saturday

Miss Violet Marie Osborn became the bride of H. A. Turner in a ceremony which took place in the office of the justice of the peace, on April 22.

Mrs. Turner is the daughter of Mrs. Ruby Bowen of this city, and has made her home here for the past six years. A few intimate friends and relatives attended the wedding. The couple will make their home in Bronte, Texas.

Mrs. Ozrine Watson and Mr. Joe Clark Marry April 22

On last Saturday evening, Mrs. Ozrine Watson, daughter of Mr. and Mrs. J. E. Ray of this city, became the bride of Mr. Joe Clark, son of Mr. and Mrs. R. H. Clark of Almagordo, N. M., at Big Spring. The Rev. Garnett performed the beautiful single ring ceremony. The bride was very attractively dressed in a beige dress with Japonica accessories with a shoulder corsage of pink roses. Their only attendants were Miss Loretta Kennedy and W. C. Maxwell of this city.

Mr. Clark is a graduate of A. and M. College, and is employed with the Kraft Cheese Company. Mr. and Mrs. Clark will make their home in Lamesa.

Miss Martha Martin To Be In Pageant At T. C. U.

Miss Martha Martin of Lamesa will be one of the cast for the annual outdoor pageant to be given in the T. C. U. Stadium at Fort Worth, Saturday May 13.

"The Modern Sports Girl" will be the theme of the pageant, written and directed by Mrs. Helen Walker Murphy, director of physical education for girls. More than 250 girls will have a part in the production. Music will be furnished by the Horned Frog Band.

The pageant will depict the growth and progress of girls sports, and will show the athletic girl of 1909, then the

one of 1939, and, finally, the sports girl of 1969.

The pageant, open to the public without charge, is a part of the Mothers' Day program at T. C. U. Mothers of the students will be special guests.

Miss Martin, a freshman, will be a member of the group which will portray "fencing". One member of the cast will be honored that night with the title of "Miss Modern Sports Girl."

Telephone Employees Enjoy Chicken Fry Tuesday

On Tuesday evening employees and guests of the Southwestern Associated Telephone Company were entertained with a picnic at the Caprock.

Various games were enjoyed after a chicken fry.

Those attending were Misses Willie Vaughn, Louise Gill, Artie Moore, Opa! Hunter, Loretta Kennedy, Margaret Chumbley, Mrs. Nell Chumbley, Mr. and Mrs. Ralph Ragan and daughter, Mr. and Mrs. Oje Clark and daughter, Mr. and Mrs. J. M. Adams and children, Britt Poston, Jack McLaughlin, Mr. Stovall, Mutt Mexwell, Sam Cates, and Marie Williams, Betty Longbrake, Maurice Betts and Mr. Field of Brownfield.

Beta Sigma Phi Holds Formal Spring Dance

The members of the Gamma Alpha Chapter of the Beta Sigma Phi Sorority honored their pledges April 15th with their annual Spring Dance, which was held at the American Legion Hall.

The hall was gaily decorated with the sorority colors. A profusion of balloons covered the ceiling while the only other decorations were bouquets of spring flowers. The long tea table was covered with a beautiful white linen cloth and centered with the crystal tea service which was illuminated by eight yellow tapers in crystal candelabra. Bridal wreath and fern entwined covered the tea table.

Mrs. Sidney Randal Hostess To Thursday Bridge Club

Mrs. Sidney Randal was hostess to members and guests of the Thursday Bridge Club, Thursday afternoon at her home on South Sixth.

Games of Bridge were enjoyed during the afternoon with Mrs. Ralph Fry winning high score and Mrs. Elwin Kutch, traveling prize.

At the conclusion of the games, strawberry shortcake and iced tea were served to Mesdames Connelly Baldwin, Ben Allen, Elwin Kutch, Robert Koger, Ralph Fry, C. L. Schmidt, Davie Jones, Maurice Lamphere, Darwin Sprawles, George Mac Yates, Ross Edward Jones, Aubie Burns, Alton Middleton, and Miss Marie McDonald and the hostess, Mrs. Randal.

Offer Instructions Free On Figuring Acreage Allowable

Farmers Of County Are Asked To Use Service

Instructions for determining 1939 normal cotton yield for individual farms has been received in the office of the Dawson County Agricultural Association, according to Joe M. Peterson, Chairman.

The instructions for determining yields for 1939 differs from previous years in that farms will be placed in one of three groups this year. Group One farms are (1) those which have not been subdivided or combined in any one year of the five year period 1934 to 1938, (2) those on which cotton was planted in the five year period, (3) those on which gin receipts of each years production is on file in the office of the association, (4) and was measured each year.

Group Two farms are all farms

HOSPITAL NEWS

Mr. and Mrs. C. D. Applegate are the parents of a baby girl, born April 22. She has been named Connie Sue.

Mr. and Mrs. Charles Wells of O'Donnell are the parents of a baby boy born April 19. He has been named Charles Frank Dell Wells.

Mr. and Mrs. Anson Butler of O'Donnell are the parents of a baby boy born April 23.

Lee Town is receiving medical treatment this week.

Mrs. E. L. Allen, who underwent an appendectomy recently, returned to her home April 26.

Jimmie and Georgia Marie Ardell underwent tonsilectomys April 22.

Mrs. O. J. Winburn is receiving medical treatment this week.

which have not been subdivided or combined with any other farm in any one of the five year period, has had cotton planted in each of the five years, was measured each year, but has not kept the gin records of the production for the five year period.

Group Three farms are all farms not included in Groups One of Two. 1939 yields for Group One farms will be adjusted to their five year average production. Farms in Group Two and Three will be adjusted as near to normal production as the committee can determine, taking into consideration abnormal weather conditions, soil fertility and farming practices for the five year period.

Notice is hereby given by the Committee of the Dawson County Agricultural Association that they will accept, receive and file for record, gin receipts of cotton produced on a farming unit which has not been subdivided or combined with any other farming unit or portion thereof, for any or all of the five year period 1934 to 1938, inclusive, up to and including May 6, 1939. No other record of production will be accepted. No records can be accepted after the above date.

FREE PLAYS TO BE GIVEN NEXT WEEK BY SCHOOL

The English Department of Key High and Elementary Schools, are presenting a series of plays at Key School House on the nights of May 3rd and 4th at 8 p. m.

They are as follows for Wednesday night:

2. Spring's Come - Willie, Drannon Rhodes; Ma, Lunelle Zeck.
3. Poor Rag Doll - Primary Grades.
4. Moonshiners - Homer Tisdale, Ray Orson.
5. Tiger's Clan - A. P. Mullins, Lucille Borden, Denver Truitt, Russell Calhoun, Paula M. Grant, Velma Morris, Vernon Battlett, Melba Cox.
- Thursday night's plays are:
 1. Patchwork Quilt - Fay Borden, Ruth Taylor, Cloyd Goff, Dorothy Mullins.
 - In the Fantasy - Winona Ball, Bernard Truitt, Janet Weals.
 2. The Rutabago Family - Intermediate Grades.
 3. Getting Even - Intermediate Grades.
 4. Why Fred and Betty Stayed at Home - Intermediate Grades.
 5. A Scene from Tom Sawyer - Intermediate Grades.
 6. A Stunt - Intermediate Grades.

7. Just a Love Nest - Albert Morley, Lucille Borden, Carl Fair.

7. Trysting Place - Ferne Strickland, Harry Lee Zecks, Alma Fair, Lunelle Zeck, Billy Roy Truitt, Chester Hadaway, Charles Tapley.

The Seventh Grade Commencement will be held on Friday night. The public is cordially invited to attend these plays as well as the commencement program. There will be no charges.

Demonstration Of Colors Draws Crowd

At the color analysis demonstration held this week at the Forrest Lumber Company, large crowds were in attendance.

The interesting demonstration, by using an uncanny machine, showed the subject exactly what were the best colors suited to his individual personality. It is pointed out that every person has a different color complex, and by the use of this machine, the operator is able to determine what colors are best as well as adverse colors.

New Water System Is Shown By Cicero

This week Cicero Smith of this city received the first shipment of the new and improved Myers Self-Oiling Water Systems.

This system is designed for homes where electricity is available, but not water pressure from city mains. It automatically builds and holds a pressure of forty pounds which is ample for all household and irrigation purposes.

The system is entirely automatic and requires absolutely no attention. See these on display at their yard here.

Misses Bettye Travis and Mary Roach of Crane spent the week end here visiting with friends and relatives.

Misses Lottie Parchman and Ethel Carter attended the Beauty Operators Convention at Lubbock, Monday.

CARD OF THANKS

We wish to take this method of extending our sincere thanks to our good neighbors and friends who so generously aided up in the loss we recently suffered when our barn, brooder house and three head of livestock were destroyed by fire. You will never know how much we appreciate it.

Olin Ham and F. W. Morrow.

Mrs. J. R. Grant and daughters, Jane and Ann of Childress, are here visiting in the home of her parents, Mr. and Mrs. A. H. Merrick.

See the ad of the Quaker Oats Company in this issue of the Courier.

LOBOES TAKE TWO IN ROW OFF ABILENE

Coming from behind, the Loboes made it two in a row from the Abilene Apaches when they took Wednesday's ball game 5 to 4.

Lamesa opened the attack with one run in the first inning, which was good only until the third when the Apache batting barrage broke loose, with a single, a home run and enough other hits to bring a total of four tallies across the plate.

This ended the visitors scoring for the afternoon. The Loboes scored again in the fifth and again in the 7th, one run for each inning to bring the score to 4 to 3 for the visitors at the ninth. Reeves led off for the Loboes in the ninth with a sizzling single to start things going. Haney followed with a perfect sacrifice sending Reeves to second. Guynes and Stone both received free passes to fill the bases. At this point Stromberg relieved Baker on the mound for Abilene. White forced Stone at second scoring Reeves to knot the score. Cheeves singled sharply to left field scoring Guynes, and ending the game.

The Loboes entrained this morning for Abilene where they engage the Apaches for games today and tomorrow returning here Saturday and Sunday for a go with the Midland Cowboys.

LAMESA VISITOR
Paul Mullinix, who for many years was a resident of Dawson County, was a Lamesa visitor this week from Portales, New Mexico, his present home. Mr. Mullinix subscribed for the Courier while in town; so that he might keep track of Lamesa and Dawson County progress. He attended the opening of the West Texas-New Mexico League here Tuesday.

NOTICE

The annual Mother and Daughter Banquet will be held Monday night, May 1, at the Plaza Hotel. It will begin at 7:30.

Please call Mrs. C. E. Cameron for tickets. The sale will close at Monday noon. The plates are 50c each.

AUCTION SALES TOPPED ONLY BY FIRST DAY

The fourth weekly auction sale of cattle was conducted Monday by the Dawson County Auction and Commission Company, at their barns in South Lamesa.

This was the second largest day since the opening, being exceeded only by the first day's sales. Over four hundred head of cattle were sold through the ring and there were scores of buyers and sellers in attendance.

Prices were again exceptionally good as new buyers attend each sale as well as most of the old ones who have been in attendance every sale since the first one.

A noticeable increase in cattle from greater distances is reported as the sales become wider advertised and better known over this section.

Another big sale will be held next Monday and it is expected to be one of the largest yet, as it will be first Monday and several of the Lamesa stores are putting on Dollar Day specials, and it is felt that with the combination of both a larger crowd should be expected.

Jackie Vaughn Wins Regional Golf Crown

At the High School Regional meet at Canyon held last week, Jackie Vaughn of Lamesa won first place, defeating Martin of Lubbock in the finals in an extra hole match.

In the same competition A. G. Barnard Jr., came in 5th.

These two youngsters have established quite a reputation among the junior golfers of this section and it is predicted that when they get a little more seasoning they will make some of the older heads look to their laurels.

SEAL COAT FOR HIGHWAY NO. 87

A contract was let Wednesday of this week by the State Highway Department at Austin for a seal coat on Highway 87 in Dawson County.

The successful bidder was Loyd Earnest at a figure of \$11,620. It is understood that the work will be done immediately. This will improve the riding comfort of the road, however, the primary purpose of the seal coat being to preserve the road.

DECLAMATION CONTEST WON BY LOCAL BOY

Marvin Standefer, 13-year old son of Mr. and Mrs. Arthur Standefer of Lamesa, won the contest in declamation at the Regional Meet held in Canyon last week. Marvin is this spring graduating from the Lamesa Grammar school. He has quite a record not having missed a day from school for the past five years.

AN ERROR

Last week in the rush and confusion of getting out the big Highway opening and baseball edition of the Courier an error was made in the ad of Hodge & Powell, Frigidaire and Zenith Radio dealers of Lamesa. In the firm name it read Hodge & Howell and it should have been Hodge & Powell. We are sorry this error occurred and trust our readers will understand.

BUYS SUSIE-Q CAFE

Announcement is made this week that Homer Robinson, who for some time has been employed with Bill's Cafe, has purchased the Susie Q Cafe on North Dallas. He will remodel and renovate the place and will conduct a formal opening in the near future. "We expect to operate a high class place, which will be run and kept clean," Mr. Robinson said today.

MRS. LANE AND CHILDREN ARE GRATEFUL

We hasten to thank our many friends for such wonderful kindness and sympathy extended to us upon the death of our husband and father and accidental injuries to our loved ones. Mrs. W. C. Lane and children.

STOLEN ARTICLES

We have the following articles which our department has picked up and which the owners may have by identifying: One camera, one set of field glasses, three or four blankets, two fog horns and one pistol.

A. M. Bennett, Sheriff. Itc
Mesdames Ralph Fry, C. E. Cameron, A. M. Bennett, Alpha Dugger and Miss Jeanetta Bennett spent Tuesday afternoon in Big Spring visiting friends.

Mrs. E. L. Schmidt and Miss Jeanetta Bennett spent Saturday in Lubbock visiting with friends.

Mrs. A. G. Waugh and Mrs. O. D. Holloway spent Wednesday in Lubbock visiting with friends.

Miss Quixie Bee King of Dumas spent the week end here visiting with her mother, Mrs. F. R. King.

O. B. Norman spent the week end at Fort Worth attending a State Hospital Convention.

HIGGINBOTHAM

There were 122 at Sunday School and Church services, Sunday. The ones that did not come were missed. We want you to come next Sunday and invite some one else. Services begin at 10:00 a. m.

Rev. C. M. Curry filled his regular appointment at the church both Sunday morning and night.

Visitors in the L. M. Baxter home Sunday were Mrs. Willie Keith, Mr. and Mrs. Lester Lewis, Johnnie Lewis,

Lee Roy Bird, Glenn and Lois Cozart, Willie, Cicero and Aitna Lee Huddleston, Ira Robertson, and Charlene Gary. Afternoon visitors were Mr. and Mrs. D. P. Huddleston and children, Mrs. W. P. Cozart, Mr. and Mrs. E. L. Cozart, Eva Lene House and Emma Lee Archer.

Mr. and Mrs. Charles Ham and little daughter, Charlene, of Lamesa were week end guests of Mr. and Mrs. Eugene Ham.

Mr. and Mrs. Ramsey and daughter were visitors in the Preston home, Sun-

day. These visiting Mr. and Mrs. W. A. Brown Sunday, were Mr. and Mrs. J. W. Pounds and family, Burl Gary, Delph Pounds, and Mrs. C. R. Gary and children.

Mr. and Mrs. Lambert Austin and son Donald Roy of Sparenberg were week end guests of Mr. and Mrs. W. A. Brown.

Frankie Mae Freeman visited Billie Gene Gary, Sunday.

Mr. and Mrs. J. W. Pounds gave an entertainment for the Sunday School classes Saturday night. After many games were enjoyed, bananas, strawberries, and vanilla ice cream and cake were served.

Mr. and Mrs. Charles Ham and daughter of Lamesa, Rev. C. M. Curry and Mrs. Bingham of Patricia, and Mr. and Mrs. T. L. Smith were dinner guests of Mr. and Mrs. E. E. Ham, Sunday.

Mr. and Mrs. O. R. Gary and children, Mr. and Mrs. L. D. Freeman and Mrs. Lizzie Baxter, Mr. and Mrs. Irvin Mrs. Lizzie Baxter, Mr. and Mrs. Ivin Horn and daughter, visited Phillip and Ellenora Knoble, Saturday night.

Emma Lee Archer and Ira Robertson were visitors in the Cozart home, Sunday.

Mrs. Lester Lewis of Hagin visited in the homes of Mr. and Mrs. D. P. Huddleston and Mr. and Mrs. W. A. Lewis last week.

It is reported that Mrs. John Webster is improving. We hope for her a speedy recovery.

Grace Lewis visited Mrs. Palma Baxter, Friday.

Mr. and Mrs. J. E. Debnam visited Mr. and Mrs. M. M. Debnam, Sunday.

Weldon Preston of Lamesa visited his parents, Mr. and Mrs. Luther Preston, Sunday.

Mrs. Roy Henderson and son visited relatives in Wilson and Slaton last week.

Eva Lena House visited Myrtle Frances Huddleston, Sunday.

Mr. and Mrs. E. P. Baxter, Mrs. E. L. Cozart, Mrs. L. M. Baxter and Mrs. W. F. Cozart attended the Workers Conference at Seminole, Thursday.

The Missionary Society will meet Wednesday, May 5. Mrs. J. W. Pounds will give a report of the Northwest Texas Conference at that time.

Clarence Blackstock and Eva Stevenson visited Mr. and Mrs. Alton Stevenson Sunday.

SHUMAKE

Audrey Whitmire

LIBERTY

Liberty community had a "Hobo Stew" Thursday at the school. Almost everyone came dressed as a hobo. Every one reported a nice time. Our school turned out Friday. We are very sorry that Mr. and Mrs. E. P. White are moving to O'Donnell. A crowd of young folks met at Mr. and Mrs. E. P. Davis' Sunday and played tennis. Kenneth Gene Hamilton and Lee Davis visited Leroy Corley, Sunday. Maurice Davis spent Saturday night with Jimmie Faulkenberry of Woody.

Mr. and Mrs. Fred Hubbard spent the week end with Mr. and Mrs. Arthur Sheppard of Loraine. Mrs. Hubbard remaining for a week's visit.

Mr. and Mrs. Watt Hubbard and son are visiting relatives in East Texas. There was a small crowd at the singing at Nolan Chapel, Sunday. We hope we will have a larger crowd next Fourth Sunday.

We are sorry to hear that M. Joe Hubbard lost his feed by fire, Sunday. Mr. and Mrs. D. Verne Wade gave a party Saturday night. Everyone reported a nice time.

Dorothy Davis is sick this week. We hope her a speedy recovery. Mr. and Mrs. Elmo Martin visited Mr. and Mrs. Arnold Bedwell this week end.

Mr. and Mrs. Charlie Burton visited Mr. and Mrs. M. J. Hamilton, Sunday.

FIVE MILE

Amelia Foster

A large crowd attended church services Sunday. Several from here attended the Worker's Conference at Seminole last Thursday.

A large crowd enjoyed the program at the school house Thursday night. Our school closed Friday.

The boys of this community have been working on the church yard. Mr. and Mrs. C. D. Applegate, Jr., are the parents of a baby girl, born April 22.

Miss Helen Bracey of Lamesa spent Saturday night at home. Mr. and Mrs. J. L. Kidd of Ackery visited Mr. and Mrs. George Cornett Saturday night.

Mr. and Mrs. Roland Duke spent Friday night with E. T. Foster and family.

Mr. and Mrs. Albert Ansley and baby of Sweetwater visited her parents, Mr. and Mrs. L. N. Pillion, Sunday.

Herbert Foster of Lamesa spent the week end at home. Mr. and Mrs. William Fry of Wilson visited in our community, Sunday. Mr. and Mrs. Arvil Brown of Woody visited Mr. and Mrs. George Cornett and family, Sunday. Mrs. S. E. Bracey and family visited at Klondike, Sunday.

LOYOLA

Mrs. H. A. Duke

Most of our farmers are busy knifing their land. Some are planting while others are waiting for rain as they think it best not to plant just now.

Walter Brown has just finished putting a new roof on his house.

Mrs. Felix Huse and Mrs. H. A. Duke attended a double shower at Mrs. Alvin Krutzer's Sunday afternoon which she gave honoring two friends.

Mr. and Mrs. Carl Wiggins, Mr. and Mrs. Loyd Wiggins and son, Wayne, Mr. and Mrs. Seldon Medford and daughter, Ann, and others visited in the home of C. L. Wiggins and family Sunday.

Mr. and Mrs. H. A. Duke have moved into their new home which was just recently completed.

Mrs. Price and daughters of Lamesa visited her sister, Mrs. Frank Harris last Sunday.

Mr. and Mrs. Ted Arltz of Higginbotham, Mr. and Mrs. Felix Huse, Mr. and Mrs. H. A. Duke and Tommie Duke went fishing last week and caught lots of fish. A real fish fry was enjoyed at the home of Mr. and Mrs. H. A. Duke Wednesday night.

Mr. and Mrs. Travis Kidd and little son visited in the J. W. Brown home Sunday.

UNION

Edna Pounds

This community was saddened to hear of the car wreck in which W. C. Lane of Lamesa was killed, John Lane and Mrs. Lee Burger were the other two that were seriously hurt. Mrs. W. C. Lane and Marvin Lane were also in the wreck but they got only a few cuts and bruises. This community joins with the many friends and relatives in wishing for those injured a speedy recovery, and extends condolences upon the death of Mr. Lane.

There will be a prayer meeting at the Higginbotham church house Wednesday night. Everybody is invited to come and help make it a success.

Dale Blackstock spent Wednesday night with Ferrell and Elvis Williams of Richardson.

W. A. Lewis had the misfortune of stepping on a nail last week. We wish for him a speedy recovery.

Several from this community attended the funeral of Mr. W. C. Lane Monday afternoon.

Mr. and Mrs. Joe Pounds and Dolph Pounds of Lubbock attended the funeral of Mr. W. C. Lane Monday.

Those visiting Mr. and Mrs. W. A. Brown Sunday were Mr. and Mrs. J. W. Pounds and children, Burl Gary. Afternoon visitors were Mrs. C. Gary and two children, Mr. and Mrs. Lambert Astin, Lou Astin and Mr. and Mrs. Floyd Brown of Slaton.

Several from this community attended the Workers Conference at Seminole last Thursday.

Mr. and Mrs. J. W. Pounds and children entertained the young folks Sunday school class with a party Saturday night. After several games were played ice cream was served to about forty guests. Everybody reported an enjoyable time.

FAIRVIEW H. D. CLUB

"Making Breads" was studied by the Fairview Home Demonstration Club. Whole grain wheat furnishes vitamins and roughage which is essential to good health. Miss Mattie Phenix, County Home Demonstration Agent, told the Fairview club in the home of Mrs. J. R. Tipton at 3:00 o'clock Tuesday, April 18.

The importance of using level measurements and standard equipment was stressed.

Mrs. Dick Kelly was elected president, and Mrs. Steve Whisenant, vice-president. Two visitors, Mrs. L. E. Tipton, Mrs. J. W. Westbrook, and six members were present.

FAIRVIEW H. D. CLUB NOTICE

The Fairview Home Demonstration Club will meet in the home of Mrs. W. T. Stevens, Tuesday, May 2, at 3:00 o'clock. All members are urged to be present. The study will be "Fresh Vegetables in the Diet." All visitors are welcome.

CENTRAL H. D. CLUB NOTICE

The Central Home Demonstration Club will meet in the home of Mrs. Claud Gowen, Wednesday afternoon, May 3, at 2 o'clock.

John T. Sanders visited in Lubbock Monday afternoon.

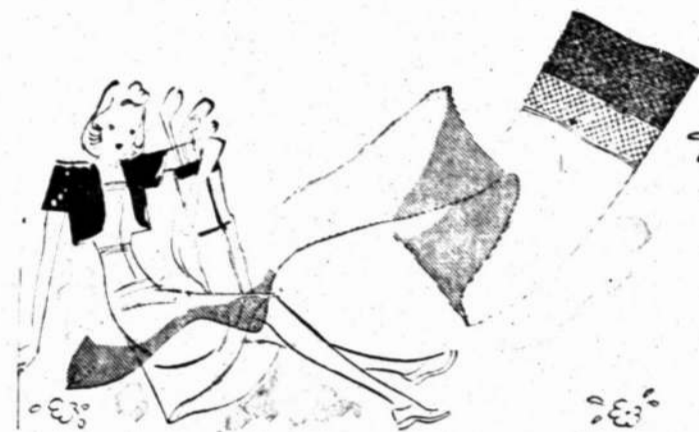

Mrs. J. R. Weaver underwent a tonsillectomy Monday at Abilene.

See it... drive it... today!

Vaughn Chevrolet

ACCIDENT—

(Continued from Front Page)
He came to Dawson County fourteen years ago and for several years was engaged in the operation of a ranch here. Later he farmed and for the past few years he has been retired. He was a member of the Rural Shade Baptist Church at Kerens, Texas, and had been for the past eighteen years.

Funeral services were held in Lamesa Monday afternoon at 2 p. m., from the First Baptist Church with Rev. E. F. Cole officiating. Interment was in the Lamesa cemetery.

Besides his widow, he is survived by four brothers: Rube of Santa Anna, Dick of Abilene; Swan of San Antonio and Van of Hargole; Two sisters, Birdie Holton of Aspermont and Mrs. Bee Smith of Iowa Park; five daughters, Mrs. Annie Pounds of Lamesa, Mrs. Nellie Phillips of Kerens, Mrs. Una Burger of Big Spring, Mrs. Nona Phillips of Big Spring, Mrs. Mary Meisler of Kilgore; two sons, Frank and Johnnie of Lamesa.

Active pallbearers were his grandsons, Horace Lee Burger, Alford Burger, Ware Phillips, Wayne Meisler, Joe Pounds and Lonnie Pounds. Honorary pallbearers were A. E. Jacobs, Glenn Farmerly, Bud Maddocks, J. W. Woods, Clarence Martin, J. T. Davis, E. W. Jacobs, C. E. Jacobs, Elmer Ireton, J. E. Garland, Dr. J. C. Loveless, Dr. Noble H. Price, Juminice Jarrett, Mr. Spencer, Mr. Hollery, H. L. Crouch and Rev. J. P. Aslin.

**TRIBUTE PAID
JOHNNIE LANE**

In the Sportometer, a sport column in the Lubbock Evening Journal, conducted by Collier Parris, Sports editor of that paper, appeared the following: "In the midst of our celebration, however, we pause to pay respects to a good friend, personally and in baseball."

"We mean Johnny Lane, the business manager of the Lamesa Baseball club, a newcomer to the league but a team which is due to uphold Lamesa's standards of growth and conduct."

"First tragedy of the season happens to Lane, a likeable person who cooperated with hundreds of other Lamesa citizens in putting baseball over the top in that city."

But apart from baseball, Lane is a guy to be appreciated, and in this, his hour of turmoil, we wish to extend the kindest of sympathies and the strongest of best wishes.

"Johnny and members of his family were victims of a traffic accident the other day, the accident bringing tragedy to the Lane family, injury to Johnny himself. Our feelings for him are not expressible in type; we would say: 'Hang tight in there, Johnny, and swing when the pitcher throws a fat one.'"

This expresses, not only the sentiments of Mr. Parris in a graphic and sincere manner, but is also the feeling of all the good sports of Lamesa who claim Johnny for their own. He has put forth possibly a great deal more effort as well as money to bring organized baseball to Lamesa, than any man in it, and it certainly touches the hearts of every true sportsman, that tragedy had to cheat him of the thrill of the opening game here. To him and his good family goes the deepest sympathy of this entire community.

**PATTERSON
REMODELING
FOOD STORE**

D. Patterson, owner and manager of Patterson's Food Store this week announces the remodeling of the interior of his store, located at the corner of North Fourth and Bryan Streets.

Some new fixtures have been added and the interior rearranged so that it will afford a great deal more convenience to customers shopping in their store. See their ad in this issue of the Courier.

**ASHLEY WILL
TEACH CLASSES**

Fourteen men of the Automotive and Electrical Trades have enrolled in a course of Electrical Principles offered under the auspices of the local High School and taught by Ira Ashley.

The course aims to give a basic understanding of electricity and the physical laws governing electrical phenomena. It will deal with the principles of motors, generators, transformers, battery chargers, currents, etc. The class meets on Mondays and Thursdays in the High School, Room 307, at 8 p. m. There is room for a few more men in this class. Anyone whose occupation deals considerably with electricity is eligible to enroll in the class. Enrollment may be made by meeting with the class.

MODERN WAY REMODELS

The Modern Way Grocery, owned and operated by B. W. Fields, have this week remodeled the interior of the store and added some new fixtures for the convenience of their customers. With the new arrangement, merchandise is made more easily available. Look up their ad in this issue of the Courier and visit their store, which is the first door east of the Army Store.

**Proclamation by the Mayor
of Lamesa . . .**

Whereas, the President of the United States and the Governor of Texas have proclaimed the first day of May as May Day-Child Health Day, and

Whereas, the provision for the development of our city is no better than the provision we make for the development of our children;

NOW THEREFORE, I, W. L. Marr, Mayor of Lamesa, do hereby proclaim May 1, 1939 as

MAY DAY - CHILD HEALTH DAY

as the first day of the week of public examination of all child health, development, and welfare facilities provided in our community, and urge all agencies concerned with the health, development, and welfare of children to launch on this day a week-long program bringing to public attention the health facilities and needs of our community so that our children may have adequate provision for proper and wholesome development. I further urge that all the citizens of Lamesa cooperate with our health, education, and welfare agencies in the development of their May Day-Child Health Day programs.

Signed: W. L. MARR, Mayor.

BASEBALL—

(Continued from Front Page)

Guynes single. Both runners started a double steal play as Stone went down swinging. Potocar, catcher, threw high to second baseman Barnhill, who whipped the ball back home, without attempting to tag the runner. Haney plowed into the Apache catcher and was spilled, but Potocar dropped the ball and he was safe. Bailey White, Dawson County boy, walked, and Spalding singled to left scoring Guynes. Thornton was out on an easy roller to retire the side.

With these two runs the Loboes held the lead until the opening of the ninth frame, when Jimmy Morris, Apache first baseman clouted one over the right field fence for the only homer of the day. This was followed by Potocar's pop fly to second and then in rapid succession Gann, Evans, and Kohler, singled to fill the bases with only one out.

With excitement in the stands reaching a fever heat, Manager Withers, ordered Benny Franklin, the only real redskin in the Apache outfit, to pinch hit for Bryan. He responded beautifully with a single to right, scoring Gann with the tying run. Spalding, Lobo rightfielder, let the ball get away from him and Evans crossed the plate on the play. The side was retired when Barnhill and Guinn rolled out to the infield.

When the Loboes came to bat in the final stanza, trailing by one score, it looked like the ball game was over. Johnny Stone opened with a grounder to Morris for the first out, but from this stage on, the going got rough for relief hurler Tysco.

Bailey White, of the famous White Brothers playing clan, opened the fireworks with a smashing double to the left field wall. Cheeves batting for Spalding was intentionally passed with four straight balls. Durrett, another pinch hitter, let go with a resounding

double which scored White and sent Cheeves to third. Shortstop Tobeck hit a slow roller down to the Apache short, which he momentarily held before cutting loose. Cheeves raced across the plate for the winning run, and the throw to first was slow, but of course made no particular difference as the winning score had already been made.

For a thrilling climax to a season opening the game Tuesday could not have been planned in advance to give the fans any greater thrill.

**WEBB TO CONDUCT
SALES CLASSES**

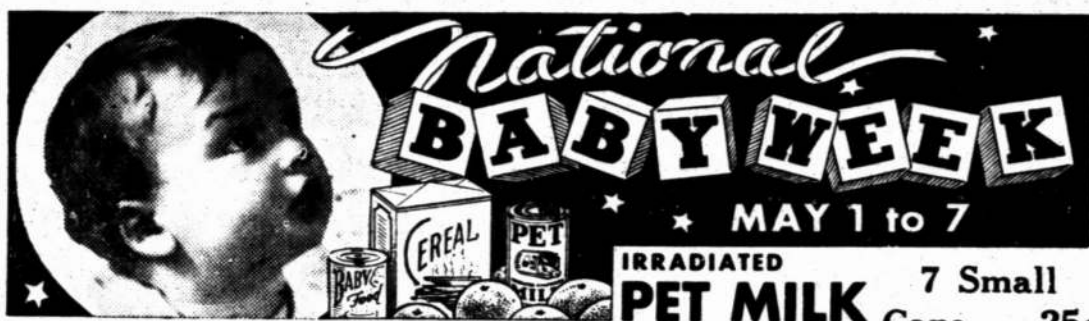

For the last two years W. T. Webb has successfully conducted evening classes in Salesmanship, under the auspices of the local High School. Classes have been conducted by the lecture and demonstration methods. Subjects such as: Personality, Types of Customers, Health of the Salesman, Knowing Your Commodity and Making the Sale have been the basis of the course. The second class is near closing. Three lessons remain to be given. These lessons deal with making the sale. All persons engaged in selling are invited to attend these lessons. The class meets at the High School, Room 110, on Tuesdays and Fridays at 8:00 p. m.

MRS. PIERCE AT MARKET

Mrs. J. H. Pierce, of Pierce's Toggery went to market to replenish the stocks of summer dresses, millinery, shoes, and piece goods. The new merchandise is expected to arrive for this week end.

Lamesa, Dawson County, Texas, Thursday April 27, 1939

Number 15

Highway Fifteen Promises To Be Texas' Busiest Thoroughfare Upon Completion

A. G. Bearden, Manager
Lamesa Chamber of Commerce

In the belief of many of the State Highway Officials, Texas State Highway 15, when completed, will become the State's most traveled thoroughfare. Due to the fact that it will become a portion of a transcontinental route over which tourists from the thickly populated east and north will travel to the noted scenic spots of the

west, and since it will be the shortest east-west route across our great State, it stands to reason that the road will be a popular route. The State Highway Department, realizing the importance of the road to the State Highway system, has made definite plans for its early completion.

Not only will the road be of service to the traveling public, but it will be of inestimable value to local communities through which it passes. It is a known fact that the tourist business represents the third largest industry in the United States. Several million dollars are spent each year by tourists in Texas. Naturally, every town along the route will receive its portion of the tourist money. Every county will have the advantage of better markets. Good roads are always conducive to better local markets and lowers the transportation cost to better outside markets. All properties are substantially enhanced in value by a good system of roads. In fact, in this day, when the rate of communication and transportation is being increased every day, no community can hope to grow and prosper without good highway connections. Since State Highway 15 will become an artery of travel over which a continuous stream of traffic will move, bringing to every county new people, new money, and new business, it behooves every town and county through which this road passes to bend every effort for its earliest completion.

The East-West Highway Association, which was organized in 1927, and which is composed of member towns along the route from Dallas west through Fort Worth, Weatherford, Mineral Wells, Breckenridge, Albany, Anson, Roby, Snyder, Gail, Lamesa, Seminole, Hobbs, N. M., Carlsbad, N. M., and on to El Paso, has been carrying on an active campaign for the completion of the road. Each year the Association holds its annual convention in one of the member cities, and during the year several call meetings of the various committees are held. It is believed that much constructive work has been done by the Association and much credit for the present construction program on the road belongs to the East-West Highway Association. W. J. Ely of Snyder is the present President of the Association, and is one of the outstanding champions of good roads in this section. Sam Richardson of Lamesa is the immediate past President and has been active in the Association for several years. Other leaders in the Association who have worked energetically for the completion of the road are Charles G. Cotten of Fort Worth, Colonel R. A. Thompson of Dallas, Victor L. Minter of Carlsbad, New Mexico, J. E. Barron and Carl Rountree of Lamesa; former County Judge H. J. Brice and Forrest Sears of Snyder, and many others.

Through the efforts of the East-West Highway Association, the entire road from Roby west to the New Mexico state line has been placed on the Federal Aid System. This is one of the biggest accomplishments of the Association and makes possible the completion of the road at the very earliest date. The fact that the road has been placed on the Federal Aid System means that the U. S. Bureau of Public Roads and the Texas State Highway Department go fifty-fifty on the cost of com-

pletion. The State Highway Department and U. S. Bureau of Public Roads have announced the program of construction for the highways years of 1939 and 1940. This program is as follows:

1939 PROGRAM:
GAINES—24 Mile Grading, Drainage, Structures, and surfacing on Highway 15, from Seminole to Dawson County Line. \$154,000.

BORDEN—16.5 Mile Grading and drainage structures on Highway 15, from Dawson County line to Gail. \$165,000.

1940 PROGRAM:
GAINES—25.5 Mile Grading, Drainage structures and surfacing on Highway 15 Seminole to Texas-New Mexico line. No Cost Estimate.

SCURRY—12.7 Mile Grading, Drainage Structures on Highway 15 near junction Highway U. S. 84 to Fisher County line. No Cost Estimate.

SCURRY—14.6 Mile Grading and drainage structures on Highway 15, Snyder to Borden County line. No Cost Estimate.

The present status of the road is as follows: The road is paved through all counties of Texas from the eastern boundary west to the New Mexico line except Fisher, Scurry, Borden, and Gaines. In Fisher County, the road is to be completed from Roby to the Scurry County line—the grading and drainage structures already completed and five miles west of Roby has been given a caliche base. No construction, other than an over-pass, has been made in Scurry County. In Borden County, the survey has been made from the east line to Gail but it has not been officially approved by both the U. S. Bureau of Public Roads and the State Highway Department.

TEST YOUR KNOWLEDGE

You may WIN

HUMMING BIRD Hosiery Contest

1ST PRIZE, FIVE PAIR HUMMING BIRD HOSE
2ND PRIZE, THREE PAIR HUMMING BIRD HOSE
3RD PRIZE, TWO PAIR HUMMING BIRD HOSE
NEXT TEN PRIZES WILL BE ONE PAIR OF HUMMING BIRD HOSE EACH

No Strings—Nothing To Buy!
HERE'S HOW—Five advertisements will appear in this paper, one each week for five consecutive weeks. Each advertisement will contain five true or false statements pertaining to Humming Bird Hosiery to the statements made. (Be careful to number each answer correctly.) Print your name and address plainly and see that your answers are in our possession not later than 6:00 o'clock, Saturday, May 20th. Anyone is eligible except employees of Collins and their families. Answers may be deposited in a box at Collins Hosiery Department, or mailed to our store. Neatness will count in case of a tie winner. Winners will be notified by mail. Judges' decisions are final. Contest will be judged on correctness of answers and neatness. Deposit answers weekly in our Hosiery Department.

Group No. 2

Answer "True" or "False"

- You will not find smoother seams, neater heels, firmer reinforcements at the toes, wider garter welts, or finer weave in DAVENCREPES
- There is a Humming Bird number and thread-weight for every activity
- Humming Bird Hosiery has no stretch durability
- Only the finest silk available is used in DAVENCREPES by HUMMING BIRD
- You get the most for your Hosiery Dollar when you say "HUMMING BIRDS"

Print Name and Address.....

The first group of statements may be secured in our hosiery department. There are three more groups to be published.

There were 156 present for church Sunday. We would like to keep that record up.

Mr. and Mrs. Jake Sealey, Mr. and Mrs. Horace Holt of New Mexico visited Mr. and Mrs. Howell Holt, Sunday.

Mr. and Mrs. M. C. Lindsey, Mr. and Mrs. Bill Robinson, John Robinson, Weldon Stafford and Mary Barron

Everybody Needs This Vital Nerve Food*

5 Health Benefits Found In Delicious Quaker Oats

*Yes, it is now known that all ages should have a new daily supply of a precious food for nerves, called Thiamin (Vitamin B₁). Thiamin nourishes nerves, affecting almost every bodily function—yet when lacking makes perfect health impossible. Oatmeal is the richest thrifty source of Thiamin, which the body cannot store. Thus, for your whole family, Thiamin is thriftily available—found in a delicious Quaker Oats breakfast. Remember, too, that oatmeal is outstanding for other health essentials—high in proteins, food-energy, valuable minerals (iron and phosphorus). Easy to prepare, too, highly digestible. Saves time, money. Start getting the benefits of Quaker Oats now. Order a package today.

QUAKER OATS

AMERICA'S POPULAR YEAR 'ROUND BREAKFAST

Handle is a beautiful image of oats for radio star Betty Lou. Makes a charming, useful gift.

EASY TO GET (picture of Quaker Man) from a package of Quaker Oats, and a dime to BETTY LOU, P. O. BOX R. R. CHICAGO

visited in the Harp home, Sunday.

WATER— FOR FLOODS OR CROPS?

Proper control of water is necessary to prevent soil erosion and to insure successful crops, the Soil Conservation Service says. Straight rows up and down slopes (shown at top) serve as miniature drainage ditches which allow water to flow off land where it falls. This rushing water is taking a heavy load of valuable topsoil and is being lost for use in growing crops, to say nothing of adding to flood danger downstream. Contour rows (shown at bottom), strengthened by terraces where necessary, hold practically all the water on the land. This insures even crop stands, better yields, prevents soil losses and gullying and tends to check flood damage.

BARTLETT
Mrs. Eulus Damron

The Bartlett school will close Friday for this term. There will be dinner on the grounds and a ball game in the afternoon. The community is invited to attend.

Mrs. J. V. Chapman visited Mrs. R.

yet to be topped. This will be done in the early summer. Only 12 miles south of the state line to El Paso on U. S. Highway 62 is unpaved and this is under construction.

It will be noted that two stretches of road — one from Gail east to the Scurry County line and from the Scurry County line east to Roby, are not included in the approved program of construction for 1939 and 1940. This should be one of the major projects for the East-West Highway Association. It is believed that by proper effort and cooperation, these two sections can yet be included in the 1940 program, which will almost insure the completion of the road by July 1, 1940.

G. Patterson, Wednesday. Mrs. Patterson is ill again.

W. P. Dickenson Jr., spent a few days last week with his brother, Wayne Dickenson.

Lois Womack spent Sunday with Eula Faye Miller.

There were several visitors at Bartlett, Friday.

Grace and Jo Caudle and Ernestine Palvado spent Sunday with Anna Lois Thomas.

Mr. and Mrs. Bob Moors visited Mr. and Mrs. Milton Addison, Sunday.

Mrs. Lillard Thomas visited her parents, Wednesday.

Mr. and Mrs. Fred Damron spent Sunday with Mr. and Mrs. Ernest Palvado.

Mr. and Mrs. Norman Wallace visited Mr. and Mrs. W. E. Womack, Sunday.

Mr. and Mrs. John Barron are the proud parents of a baby girl born April 16th.

Mrs. Sam Wheat of Lamesa visited her daughter, Mrs. Carl McClure, Sunday.

Mr. and Mrs. Milton Shelton had the misfortune of getting their brooder house burned.

PATRICIA W. M. S.

The Patricia Missionary Society met Tuesday, April 18th at the Methodist church with ten members and one visitor present. After the regular business session Mrs. B. F. Lankford of Pyote, Texas gave a very interesting talk on Missionary Society work.

"MY SKIN WAS FULL OF PIMPLES AND BLEMISHES FROM CONSTIPATION"
says Verna Schleppe: "Since using Adlerika the pimples are gone. My skin is smooth and glows with health. Adlerika washes BOTH bowels, relieves constipation that so often gravates a bad complexion. Bryant Pharmacy, Taylor-McCall Drug, Morris Pharmacy."

It is no new discovery that no milk is safe and wholesome except that it be Pasteurized. The Dairy Cow had very little recognition in any country until the discovery of Pasteurization.

Many countries excluded the use of cows milk as human food. Japan's laws were so stringent against its use that it meant a death sentence if one was caught using it.

No one know why its evil spirits caused so much disaster until Mr. Pasteur showed them it could be protected against the ever hungry and rapid growing bacteria or germ life.

We are fortunate indeed that we live in the 20th Century and in the good old U. S. A.

OUR MILK IS CLEAN! IT'S PASTEURIZED! IT'S SAFE

HIGHWAY 15—

(Continued from Front Page)

This approval is expected soon.

From Gail west to the Dawson County line the road is now under construction and will be completed in the early summer, and a contract for base and topping is expected soon afterward. The road across Dawson

County is all paved, and the new road from the Dawson County line west to Seminole was opened the 11th of April. This is one of the finest stretches of road in the State. The road from Seminole west to the New Mexico state line is marked on the state highway map as paved. This road, however, is in poor condition, as it was only an experimental job by the State Highway Department and today there are numerous holes through the thin topping. As you will note

by the 1940 program, a contract on this stretch of road will be expected in 1940. It is generally understood that this contract will come up shortly after July 1, 1939, which is the beginning of the 1940 highway year. The road from Hobbs through New Mexico to Carlsbad and on from Carlsbad south to the state line has all been built; however, about 28 miles of road west of Hobbs remains
