Look To The East

By AARON EDGAR

We are a "scanner", also!

A scanner, if you don't know, is one who just scans over a newspaper instead of digesting it thoroughly; thereby, getting the gist of things without persuing the contents thoroughly.

We got to be a scanner quite naturally, we think.

During our young days of plowing and chopping cotton, our Pop would, right after the noon meal, turn a cane-bottomed chair sort of upside down in the floor, with the back forming an elevated bed for head and shoulders. Then spreading a pillow over the slatted back, he'd lie flat on the floor and scan the Dallas Semi-Weekly Farm News. Soon he would be fast asleep!

All too soon, he's awaken and say: "Time to get back to work."

Early in our newspaper career, we took up the habit of scanning the daily papers first thing, so we could learn of anything in them that was of local interest. Then, too, we had to keep up with our favorite comics: "Mutt and Jeff" and "The Katzenjammer Kids".

Before we realized it, we were so "set in our ways" we wouldn't turn a hand toward doing our duty until first scanning those daily papers. In that manner, we wouldn't get too busy to look over the papers!

That is a habit - like smoking - that one doesn't get rid of right easy like. After over 40 years at the smoking habit, we managed to "shuck" it with only one determined effort. We still have the "scanning" habit, however, realizing that it's not quite as detrimental to our health!

There are other scanners, too!

We learned this just a few days ago as we visited with Maxine Eiland Grammer of Lamesa, who was here to visit her mother, "Aunt Elsie" Eiland.

She left a photo of her father, Dolph Eiland, for the photo memorial section of Munday's history book, "My Home Town".

She stated she didn't know too much about the efforts to publish a history of Munday until recently. It seems her brother, G. R., is a subscriber to "this sheet"; so, instead of having two in the family, she would go to her brother's home and get the paper after he had finished with it.

In the conversation, Maxine admitted that she was "a scanner"; and, in many instances, would just scan the headlines to get a gist of the paper's contents. The headlines weren't compelling in most instances and didn't have "the punch" to cause her to read the "meaty" contents after skimming the cream from the top.

Which reminds us of what the late Walter Harris used to say about the Munday Times: "You can pitch the blamed thing in the air and read it before it hits the ground, but if you miss it, it's just like missing your breakfast!"

And if you've been scanning this column, it's possible you've plumb missed the "punch line"!

Host Trojans Friday Night

Moguls Open Season With Victory

Exhibiting their "winning ways" early in the season, the Munday Moguls journeyed to Anson last Friday night and opened their regular season's schedule with a 20 to 12 win over the Tigers.

Munday is in District 7-AA, while Anson is District 8-AA, so this was a non-conference game. District play will not begin for the "local boys" until October 17.

Munday was first to cross the goal stripe, when Kevin Smith, end, got six points with 7:52 left in the first period. Kevin scored on a pass from quarterback Randy Routon. The added point boosted the score to 7.

Early in the second period, Munday added another six points when play started on their own 27 yard line. Munday made four first downs and Craig Paylor, back, went the last 25 yards to pay dirt. The extra point failed.

The Tigers then retaliated with two counters on their own. With four minutes left in the half, Darrel Jackson, back, intercepted a Mogul pass on the 15 yard line and ran in for six points. Then with 2:45 left in the half, back Mark Gee, got a touchdown from 14 yards out.

Neither extra point kick was good, and the half ended with the Moguls on the big end of a 13-12 score.

In the third stanza, Munday's back Robert Murray decided he wanted some of the action, so he romped over from the 14 and made the Moguls' final touchdown. The extra point kicked by Allen Brown was once again good, and Munday was ahead 20 to 12 for the remainder of the game.

Defensive standouts for the Moguls were Allen Brown and Victor Shields, while Mark Gee and Robert Salinas drew defensive honors for Anson.

The Mogul line did an outstanding job of blocking and defense throughout the game. The boys really made a good showing for this their season opener.

The Moguls will host the Windthorst Trojans in a non-district game here on Friday night. The Moguls haven't slowed down with their practice after downing Anson in last week's game.

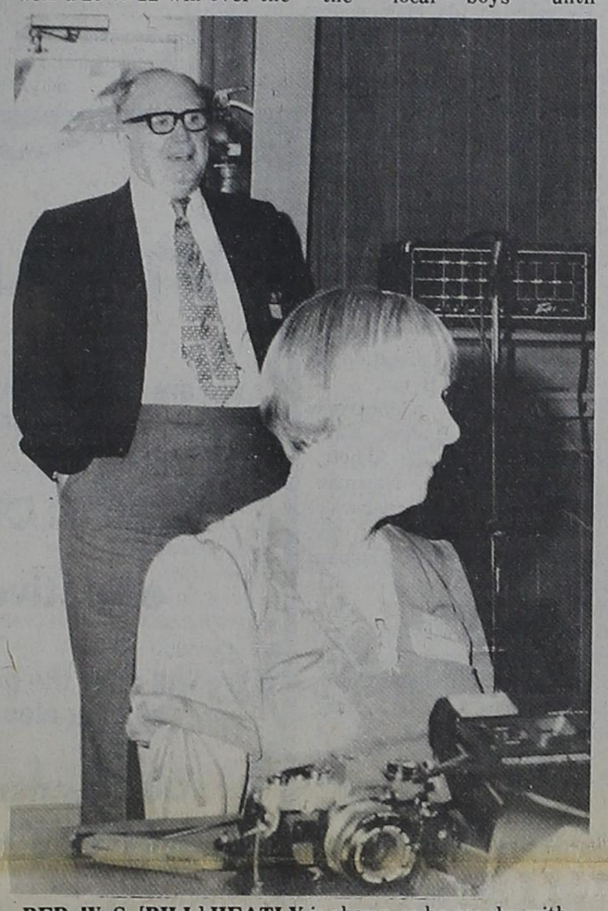

Windthorst has moved up a classification this year, and has always had a winning tradition. Thirteen lettermen, including four offensive and defensive starters, return from last year's 9-3 campaign. Windthorst won over Norte Dame last week, 26-0.

Friday night's game promises to be a real enjoyable one with both teams fielding after wins last week.

Coach Lowrey and his staff invite the local fans to attend the game and support the Moguls. Game time is 8 p.m.

CRAIG PAYLOR, back, is shown here with the ball and a vision of that goal line. Craig completed the last 25 yards, making a touchdown for the mighty Moguls.

REP. W. S. [BILL] HEATLY is shown as he speaks with the group gathered for the grand opening of the Knox County Pilot Aging Services Nutrition Program held at Knox City on Monday, September 8. Mrs. Charlotte Patterson of Knox City, sang a beautiful selection for the audience.

Center For Aging Holds Open House

Well over one hundred people attended open house of the Knox County Pilot Aging Services Nutrition Program, on a cloudy Monday morning. The scheduled program began at 11:00 a.m., September 8, with a welcome from Mrs. Lillian Logan, Knox County program coordinator.

Mrs. Logan summarized for the audience, the work she, her staff, and volunteers had put in to come thus far in this endeavor. She commented that it was a "big job" and many times they had "almost despaired." However, they did not and meals were served from the facility for the first time on Tuesday of last week.

A number of people were recognized as having a "working part" in making this program materialize. Neal Logan was praised as a faithful laborer - one that always was called when they had a problem.

Bill Odin, minister of Knox City Church of Christ, gave the invocation. Speakers for the occasion were Bob T. Gallagher, executive director of West Texas Council of Governments, and Representative Bill Heatly.

Mr. Gallagher complimented the strong leadership that is evident in Knox County. He stated, "Without the cooperation of the entire county, very little can be accomplished. I commend your county judge and commissioners for their interest in instigating such a program in Knox County. I also appreciate Bill Baker, superintendent of schools at Knox City, for his participation. All the leaders in each of the towns in Knox County have all been very cooperative, also.

Mr. Heatly, introduced by Bill Baker, praised people in rural areas such as ours. He expressed his love for "good rural people" and his dislike for metropolitan areas. He stated that of the 16 counties included in his district, he was thankful all were rural counties. Mr. Heatly also noted that senior citizens should be honored by us. They are the people who have gone before us as parents and community workers to make our country what it is today. He said, "The legislature is obligated to try and help the older people who made this great country."

The audience was delighted with Mrs. Charlotte Patterson's singing of "Somewhere Over the Rainbow". Also Stacy Angle sang "One Day At A Time" and "Show A Little Kindness", and was well received by the group.

Other than giving a good hot meal once a day, this program may very well serve as an outlet for some of the senior citizens to dissolve loneliness they may experience from time to time.

This facility is located at 606 East Main on State Highway 222, in Knox City and is designed to benefit all persons in Knox County who are 60 years of age or over, regardless of national origin, sex, or religion.

The project is funded through a grant from the West Texas Council of Governments Area Agency on Aging with Texas Governor's Committee on Aging.

Band Boosters Hold First Meeting

The Mogul Band Boosters held their first meeting of the 1980-81 school year Monday night, September 8, with eighteen parents and Mr. Ben Hoaldridge present.

The meeting will begin at 7 p.m. on the first Monday of each month.

Concession workers for the football games were discussed. Seven calling lists were handed out for the members to be contacted for meetings and other occasions.

Discussion was held on sweaters and jackets which the band booster organization awards eligible students.

It was decided that there will be no band marching clinic held here, this year in October. However, the Region Band Clinic and the Jr. High Band Festival will be held in Munday.

The group voted to have a telephone installed in the band hall and the band boosters will be responsible for the base phone bill. At the present, the band hall phone is an extension from the Jr. High building.

A Thanksgiving bake sale is planned for November 26. Parents of the band students will bake items for the sale. These sales are always successful. The band boosters also voted for the band members to have a candle sale during the year.

TWO FFA OFFICERS CATCH A CALF!

Greg Rawdon, FFA advisor, accompanied Lori Kimmel and Danny Sloan, local FFA Chapter officers, to the calf scramble at West Texas Fair and Rodeo on Monday night.

Both Lori and Danny participated in the calf scramble and both caught a calf! These two students were really excited with their fete.

This accomplishment entitles these young people $100.00 toward the purchase of a show pig. They will buy their pig, feed it out, and show it next year.

New United Fund Officers Named

The official board of Munday United Fund met on Thursday, September 4, in the Chamber of Commerce office for the purpose of electing officers and discuss plans for the drive for 1981 funds.

New officers are: Mrs. Paula Schur, president; Frank Jackson, vice president, and Bob McWhorter, treasurer. Directors who were elected Thursday are Rev. Ivan Allen, Mrs. Jeff Anderson, Clyde Yost and George Cotton.

Mrs. Schur announced that the annual budget hearings for prospective agencies will be held on Wednesday, September 17, at 9 a.m. All agencies asking to be included in the 1981 budget are requested to have representatives present.

M. L. Wiggins has graciously agreed to head the 1981 campaign as drive fund chairman, Mrs. Schur announced. Tentative date for opening the campaign is October 14, 1980.

M. L. WIGGINS

"We are very pleased to have Mr. Wiggins in charge of the 1981 fund drive," Mrs. Schur said. "He has held this position before and did an outstanding job. We urge everyone to give him full support in order to make the 1981 campaign a huge success."

New Owners For Local Business

Mr. and Mrs. Darrell Smith of Haskell, have recently purchased Biard's Cleaners in Munday. They will soon convert the name of the business to Kay's Cleaners. The Smiths also operate Kay's Cleaners in Haskell.

Darrell and Kay Smith are both natives of Haskell. They have recently returned to this area.

The Smiths express their pleasure in operating the Munday business and ask the continued patronage of local people. Mrs. Opal Allred will continue working at the Munday business.

New Business To Open In Munday

As most local people have noticed, a new car wash is under construction in Munday. It is located on the curve of highway 277 toward Goree.

Water, gas, and electricity services have been connected. Minor jobs are being done and the brick is to be laid soon. Depending on the weather, the car wash, to be known as Kwick-Kar Wash, will be open in the very near future.

Owners of this new business in Munday are Bill and Genie Holcomb of Knox City. Construction has begun this week on a new car wash in Rule, also owned by the Holcombs.

Mr. Holcomb expressed his desire to make the car wash and surroundings as attractive as possible since it is at the entrance of the city.

Meeting Set To Discuss County Livestock Building

A meeting is set for 8 p.m. on Monday, September 15, 1980 at the Knox County courthouse in Benjamin, in regards to a Knox County Livestock Building being constructed.

Visions of such a needed facility have been in the minds of a number of people for quite some time. All interested Knox County residents who would like to see such a building become a reality are asked to attend this important meeting. Jim Mazurkiewicz, Knox County extension agent, stated, "Everyone is encouraged to attend at the scheduled time and help make this a county-wide effort. We need citizens from all Knox County towns to participate."

The new facility would be like a dream come true to the people who plan the annual shows. There would be no need to "hop" from one town to the other to hold the shows. One central location for Knox County would be very helpful. Show pens, etc., would not have to be built and then torn down in order to clear the "borrowed areas" as has been done in the past.

The building, not only could be the Knox County Livestock Show Barn, but it could be rented for use of swine, steer and lamb club sales. It could also be rented to organizations, for family celebrations, used for district 4-H events, educational programs, and meetings, "In fact, if the building were here, it would serve a purpose for countless activities," Mazurkiewick said.

Mazurkiewicz commented that several Knox County citizens have expressed an interest in such a facility. They feel that Knox County youth would benefit greatly. However, he stressed again that it must be a "county-wide effort and belong to the people of Knox County."

New Service Announced By Olney Savings

Olney Savings Association announced today the addition of a new service, The Olney Savings/Checking Account.

"The account works just like a bank checking account except that instead of waiting until the end of the month to get checks back, our customers will make a carbon copy of each check - every time they write one," said Don McClatchy, president of Olney Savings.

"Our Checking Account is priced very competitively," he said, "if a $300 minimum balance is maintained, there's no service charge. If a customer's balance happens to drop below the minimum, the account is charged $3.00 monthly. And as an added incentive, anyone opening an account gets the first three months free."

Other bonuses on the account include free bank-by-mail envelopes, free bank wiring services, free microfilm check safekeeping, free direct deposit of government or payroll checks, free traveler's checks, free money orders, free notary service, free automatic transfer of your funds to and from other savings accounts and night depository.

Student's and senior citizens' accounts are free with no monthly service charge ever.

According to President McClatchy, the Association actually began offering the service an as interest bearing checking account on May 15, 1980. But a move by the Federal Home Loan Bank forced Olney Savings and several other Texas savings and loans to stop offering the so-called "NOW" account on June 16. Since that time, they have been offering a non-interest bearing checking account.

"Anyone who opens an account between now and December 31, will automatically begin earning interest on January 1, 1980," he commented.

Olney Savings has offices in Olney, Seymour, Jacksboro, Bridgeport, Nocona, Weatherford, Azle and soon Archer City and Graham. Also Ranger Savings in Ranger, Eastland Savings in Eastland, and Electra Savings in Electra are all divisions of Olney Savings.

Local Couple Urges Help For Cystic Fibrosis

What is it? To the child who has it; it means illness, trips to the hospital, medicines of many kinds, shots, oxygen and breathing apparatus, gasping for breath, coughing day and night, and inability to go to school or do the other things normal children enjoy. It means suffering, pneumonia, loss of weight and strength and probability of living only a few short years.

To the parents of a child who has Cystic Fibrosis it means hopelessness, despair, physical and financial drain, and the heartbreaking knowledge that their beloved child must suffer so greatly and will have to be given up to death before he has begun to live.

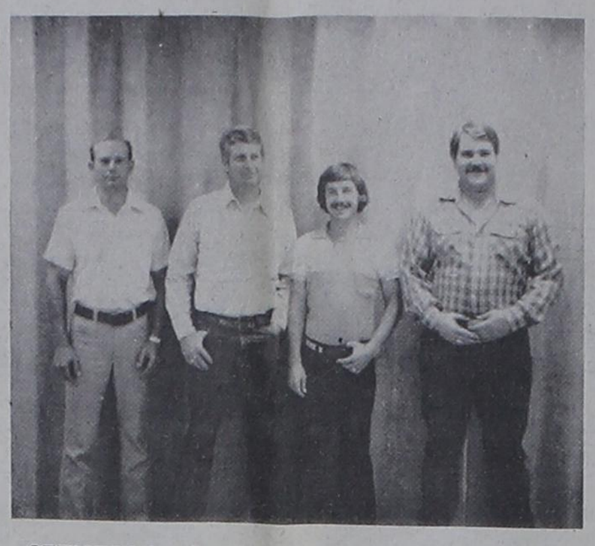

Why is this being written now? Judy Wilde has been named Chairman of this years Cystic Fibrosis drive for funds in Munday. Those who are asked to help in the drive, my wife, Peggy, and I, appeal for you to help. Those who are asked for donations for this drive are asked to give as generously as possible.

Please remember that most persons carry genes that could possibly cause a Cystic child to be born. This could mean your child or grandchild might have Cystic Fibrosis.

Please contribute generously so that research may be continued until a cure can be found for this dreaded killer of children.

Our eldest son was a victim at age 7.

Munday Citizens Responded To Muscular Dystrophy Drive

Monday, September 1, was an official holiday, but a number of Munday High School students and Mr. and Mrs. Lino Perez Jr. did not "take off".

Lino and Janie assisted members of FTA in collecting funds for the Jerry Lewis Telethon for muscular dystrophy.

The Perez couple stayed up throughout the night and called on Monday to give local people an opportunity to make a pledge. The FTA members went from house to house collecting.

At the end of the day, a group of young ladies took the amount of $1358.00 to Abilene and was on the news program of KTAB television. Kendra Cooke was spokesman for the group. Others making the trip were Teresa Cypert, Cathy Cartwright, Melissa Zeissel, Kristi Smith, Kelly Fisher, Terri Adams, Sherri Adams, Tena Josselett, and Karen Caram.

Other pledges were to be mailed in later so the workers felt that Munday responded very well. They expressed their appreciation to all who contributed to the MD fund.

LIMIT CALVING SEASON FOR HEAVIER CALVES

A definite calving season can increase herd average weaning weights and conception rates, resulting in more profits for cattlemen.

Also, a definite or limited calving season enables producers to perform management practices more effectively because the herd is in the same production stage during the year. Castration, weaning, feeding, dehorning, record keeping, pregnancy and fertility examinations, marketing and herd health programs can be coordinated and conducted more efficiently.

Cows calving from late January to April don't really need supplemental feed though their requirements are high because of milk production. Lush spring pastures will generally provide plentiful forage for lactation, rebreeding and calf growth.

Calving out of season or at the wrong time of year can cost producers an extra $50 in feeding bills plus as much as $50 in reduced weaning weights. It can also lower the next year's calf crop by 10 percent.

According to research by the Texas Agricultural Experiment Station, major differences in weaning weights and conception rates exist between calving seasons due to natural forage quantity and quality. In the studies, calves born from February through April averaged 478 pounds while those born from November through January averaged 466 pounds. Calves born from May through July averaged 430, and those born from August through october averaged 415 pounds.

Conception rates were also affected by the time of calving season. The highest conception rates in the study, about 95 percent, were for cows calving from December through May, while conception rates averaged only 83 percent for cows calving from June through November.

The best calving season allows cattle to take advantage of the greatest forage quality and quantity in spring and early summer.

E. A. Barnett Dies Sunday At Knox City

A HAND OFF from Quarterback Randy Routon, 15, to half-back Moses Dena. This was the beginning of a long drive the Moguls had staged in the game with the Anson Tigers last Friday night. The Moguls came out victorious in that game.

Comments From Coach Lowrey

Coach Jerry Lowrey was real impressed with the Moguls' improvement, especially on offense. He stated, "The fact that we took the ball on the first position and went in for a touchdown was a big plus for us.

"We still had several break downs on offense and defense but we are beginning to cut down on our mistakes each week. We felt they were going to throw the ball on us and this they did - a number of times. However, when you look at the statistics, their completion of 9 out of 28 trys didn't really hurt us."

Coach Lowrey said that the Moguls were in good shape as far as injuries except for Lester Adams. Lester had only limited action in the Anson game, after an injury in practice. It is still in question whether he will be able to play against Windthorst on Friday night.

"We had good team effort; a combination of hard running by the backs, good running by the linemen, and some aggressive hard hitting on defense." commented Lowrey. He continued, "In order to compete in our district we must improve and I believe we will and should have a good year."

Coach Lowrey said in regard to the upcoming game with Windthorst that this team is usually strong. They have a good sized team and are aggressive. "They will play hard-nosed football, and certainly looked impressive against Notre Dame last week," he stated.

Last Thursday night, the Munday Jr. Varsity scrimmaged Chillicothe here and defeated their guests 3-0 in the practice session. The coaching staff was very pleased with these young men on the Jr. Varsity team. They will open their season against Knox City on September 18. The game will be at Munday.

Area Grid Results

Football fever reached its highest peak thus far in the season last Friday night, as most teams in the area started their "for keeps" schedules. Most of the District 2AA teams saw action.

K-CITY HUMBLES HAWLEY BEARCATS

Scoring almost at will, the Knox City Greyhounds weren't "pleasant hosts" to the Hawley Bearcats, as they closed the night with a 53 to 12 victory over their visitors.

The Greyhounds rolled up 47 points in the first three quarters before the Bearcats could get on the scoreboard. Ricky Gutierrez led the charge with three touchdowns in the first quarter.

Hawley's first score came on a 13-yard pass from Calvin Cooley to Gregg Riggins in the first quarter. It was the same combination, Cooley to Riggins, that resulted in the second TD. Both tries for extra points failed.

ROCHESTER WHIPS CROWELL WILDCATS

Rochester's Steers believe it's the score that counts, as was evidenced Friday night when they hosted the Crowell Wildcats, winning by a score of 16 to 0.

McAnally racked up the first score for the Steers. Ten more points came in the final period.

CISCO LOBOS WIN OVER HASKELL

Forrest Starr, Quarterback, ran for one TD and passed for another to lead the Lobos to a 12 to 6 victory over the Haskell Indians, this taking place on Indian Field.

Haskell scored first, with 3:59 left in the first quarter, but a stiffened Lobo defense ended their scoring at this point.

MUSTANGS DROP GAME TO WOODSON

The Benjamin Mustangs suffered a humiliating defeat at the hands of Woodson, 60 to 12, in last Friday night's opener at Woodson. Woodson is in District 4, and Benjamin in District 3, in six-man competition.

Woodson's QB Kyle Oliver sparked the 437-yard offense by flinging three touchdowns to Darrell Sullivan. A number of other players also figured in the scoring.

CHILDRESS TOO MUCH FOR QUANAH

The Childress Bobcats and Quanah Indians battled to a 13-13 deadlock before the Bobcats broke the game with two TDs in the third quarter for a 26-13 victory.

Not a punt in the first half, thus demonstrating the superior ball control of both teams.

Quanah had the ball four times, scoring twice, losing on interceptions and on downs. Childress had the ball three series, scoring twice and running out the clock in the first half on their third possession.

Vera Happenings

By MRS. THELMA COULSTON

Mrs. Barbara Hodges and Cecelia of O'Keene, Oklahoma spent the weekend with her mother, Mrs. Carlo Kuchan.

Word has been received of the death of Arlin Timberlake, a former resident of the Vera community. Arlin and his family lived in San Francisco, Calif. His wife, Margaret, and three children survive him. Attending the funeral services were two brothers, Jack Timberlake of Levelland, and Mr. and Mrs. Charley Timberlake of Midland, and a sister, Mrs. Roy Finis McGuire of Levelland.

"TUG" NESBITT VISITS MUNDAY ON BIRTHDAY

There were any number of things Mr. and Mrs. Ernest (Tug) Nesbitt of Graham, could have done on his 72nd birthday. They decided to come to Munday on Tuesday, September 9, spending the day with friends of "earlier days".

Mr. Nesbitt was reared in Munday and lived here for many years. He served as City Marshall here also.

Both he and his wife were in The Courier on Tuesday and reported what a "nice day" they were experiencing, dropping by the home of friends and driving to his birth place and all the things that people "enjoy doing".

FHA HAS A SURPRISE BREAKFAST
By TERRI ADAMS

On Saturday morning approximately thirty-six girls were up and at the high school about 6:00, in their pajamas. What were they doing - sleep walking? Did they miss school that bad, that they had to come to school in their pajamas? Well, the answer is no, they didn't miss school **that** bad!

They were gotten out of bed and brought to the high school, not by their own will, but by a FHA officer. They were only allowed enough time to get a housecoat. But why did they get them out of bed at that time in the morning and bring them to the high school? Well, I'll give you a clue! What do you do when you get up every morning? Eat breakfast of course, and that's why they were up that early on a Saturday morning.

The breakfast consisted of waffles, bacon, strawberries and whip cream, and milk or orange juice. The reason for all this excitement was The Future Homemakers of America State Project on "Better Breakfast". Don't you wish one of the FHA officers had dragged you out of bed!

SLOANS TAKE TRIP

The Sloan family vacationed in two different places this past summer. The first week of their vacation was spent at Houston Astro's Baseball games.

The games were between the Houston Astro's and Atlanta Braves, the Houston Astro's and the Philadelphia Phillies, and the Houston Astro's and the Montreal Expos.

While in Houston, the Sloans also went shopping in the Galleria Shopping Mall, toward the NASA Space Center, went to the beach in Galveston, and ate in several unique restaurants. After one week in Houston they traveled to the town of Branson, Missouri, in the Ozarks. While in Branson, they went to three musical shows, toured Table Rock babe, toured the College of the Ozarks, toured a cheese - making plant, and several tourist attractions such as a waterslide, wax museum, and other amusements.

After two weeks, however, the family was glad to arrive back in Munday.

LOCAL

Visiting in the home of Mr. and Mrs. Lonnie Offutt during the weekend were Mr. and Mrs. Joe Offutt of Arlington, Brad Offutt of Abilene and the Dan Offutt family. Brad's birthday was September 1 and Dent's birthday was September 7, so the families had a combined "thirteenth" birthday party for the two young men.

IN TOUCH

By DAN COX, MINISTER
CHURCH OF CHRIST

What is your conception of God? Do you picture him as some weak-kneed old man with a long, flowing beard? Stop and get a clear mental picture of God. Did you know that some cultures even had thousands of Gods? There are many false ideas about "the gods", that is, our God. Let's look at some of these misconceptions.

Some would say that God is uninterested in us, and we just live from day to day without any of his help. Is this reasonable? Man is God's masterpiece, made in the image of himself and having dominion over every other living thing (Genesis 1:26). The Bible proudly proclaims that God was so interested in us that he sent his Son to die for us that we might be saved (John 3:16). In fact, the Bible itself is a proof of God's love for us and his concern. It gives us evidence to believe (John 20:30, 31). It gives us commands to obey, like "He that believeth and is baptized shall be saved" (Mark 16:16). The Bible provides motivation through its promises. Jesus said, "I go to prepare a place for you." (John 14:1-3). God is interested in our lives, and he wants to make life better for you and me.

There are those who say that God is a god of confusion. It is easy to see why this is true, for in religious organizations one group will say "Baptism is for remission of sins," while others say, "Baptism is to join the church," while others say, "Baptism is non-essential". Confused? So are many others. Yet these varying doctrines are not true only because men in religious places follow them. God's son said, "He that believeth and is baptized shall be saved" (Mark 16:16). we must go to God's word for clarification. There is unity in God's plan: "There is one body, one Spirit, even as you are called in one hope of your calling; one Lord, one faith, one baptism; one God and Father of us all, who is above all, through all and in you all." (Ephesians 4:4-6). Division opposes God's will. It was never in the mind of God that we create hundreds of denominations and religions. If we would closely follow the Bible, putting away the traditions and teachings of men, we would have no need of all the different churches, for we would meet together.

Now what about those who say, "God is too good to condemn". This isn't true, Consider Matthew 7:13, 14: "Enter by the narrow gate; for the gate is wide, and the way is broad that leads to destruction, and many are those who enter by it. For the gate is small, and the way is narrow that leads to life, and few are those who find it." Those "few" who find the way to life will be those who are saved. More will be lost than saved in the final outcome. God has provided the plan of salvation for us through his grace. It is now up to us to acknowledge that plan through faith and obedience to the commands given. Man really condemns himself by disobedience. Read II Thessalonians 1:7-9 to see that man in his unruliness causes God to punish him for God is Justice. Many will be surprised on the day of Judgment to find they are not following God's commands and that punishments await them.

Man says that God thinks "one religion is as good as another, for we are all headed for the same place." Matthew 7:21-23 speaks to those who are "religious", even active in works, and yet are very, very lost. God is not like man. He will not be deceived about the truth, for He is Truth. Only those who closely follow the commands of God given to us through the Bible will be saved.

What is your conception of God? Has this article changed your way of thinking any? God is willing to save us; he proved it by sending his son to die for our sins. God is also just enough to punish us, and he will if we are disobedient. Let's do our best to be found in God's good graces by living for him each day.

Fantastic Changes In Future!

Did you know that in the not too distant future, you may leave home, then remember that you did not turn the cat out, you may dial your home and a computer will turn the cat out, then close the door?

This possibility was voiced at Tuesday's meeting of the Munday Lions Club by Bill Drennan of Brownwood, division manager of General Telephone Co. He made a most interesting talk on the subject: "The winds of change never stopped blowing".

He painted a fantastic picture of changes in the future, with products unheard of being made, such as a computer in every home, systems by which you may shop for various articles without leaving the home, voice storage systems in the telephone, dial answering service, and "screened calls" by which one may set the telephone to accept only designated calls, etc.

With all these services, however, one may expect increased rates and prices which will be more than doubled in the next decade.

Drennan spoke as "one with knowledge and authority", and his talk was enjoyed by all those present.

AUSTIN

On a broad bend of the Colorado River in the beautiful Hill Country, construction began on the new town of Austin in May of 1839. The following year the Capitol was moved from Houston, Austin has served as capitol, both for the Republic and State.

In 1876 the Legislature set aside 3 million acres of the Panhandle to finance construction of a new capitol building. It was completed in 1888. Still in use, it sets on a hill of 46 acres. Austin is home of the University of Texas and the LBJ Presidential Library.

Breves Declaraciones Explicativas De Las

ENMIENDAS CONSTITUCIONALES

PROPUESTAS

ELECCION GENERAL

4 DE NOVIEMBRE DE 1980

PROPOSICION NO. 1 EN LA BOLETA

Resolución Conjunta #35 del Senado *propone una enmienda constitucional que autorice a la Legislatura permitir a los bancos establecer y operar máquinas registradoras automáticas (*teller machines*) dentro del condado o ciudad en donde están los bancos compartiendo el uso de las máquinas registradoras de acuerdo con las leyes antimonopolistas, si acaso esta operación resulta conveniente para el público. La Legislatura ya aprobó la autorización de esta legislación (H.B. 1510) para la proposición de esta enmienda.*

*La enmienda propuesta aparecerá en la boleta como sigue: "La enmienda constitucional permite a la Legislatura autorizar que los bancos usen máquinas registradoras automáticas (*teller machines*) dentro del condado o ciudad de su domicilio en un plan de cooperación para conveniencia pública."*

PROPOSICION NO. 2 EN LA BOLETA

Resolución Conjunta #97 de la Cámara *propone una enmienda constitucional que conceda al Estado y al acusado el derecho de una apelación interlocutoria en los siguientes fallos de la corte en causas criminales: los fallos antes del juicio sobre la constitucionalidad de una ley: sobre la petición para anular, destituir, o desechar una acusación; y sobre una petición para suprimir la evidencia.*

La enmienda propuesta aparecerá en la boleta como sigue: "La enmienda constitucional autoriza la apelación de ciertos fallos antes del juicio de una corte en una causa criminal por el Estado o por el acusado."

PROPOSICION NO. 3 EN LA BOLETA

Resolución Conjunta #98 de la Cámara *propone una enmienda constitucional que requiera una evaluación de todos los bienes sujetos a los impuestos de ad valorem y proveerá unicamente una junta para revisar avalúos dentro de cada condado. El requisito constitucional de que la corte de comisionados del condado sea la junta de avalúos será eliminado, y a los oficiales electos del condado o de la comisión directiva de la unidad fiscal se les prohibirá servir como miembros de la junta de revisión de avalúos.*

La enmienda propuesta aparecerá en la boleta como sigue: "La enmienda constitucional requiere solamente una evaluación y una junta para revisión de avalúos en cada condado para determinar los impuestos de ad valorem."

PROPOSICION NO. 4 EN LA BOLETA

Resolución Conjunta #18 del Senado *propone una enmienda constitucional permitiendo a la Legislatura el autorizar juegos de bingo por grupos con propósitos caritativos solamente sujetos a las limitaciones de que la operación de los juegos tiene que ser aprobada en elecciones de opción local, y que todas las ganancias tengan que ser usadas en Texas.*

La enmienda propuesta aparecerá en la boleta como sigue: "La enmienda constitucional autoriza los juegos de bingo bajo elecciones de opción local si los juegos son dirigidos por, ya sea, una iglesia, una sinagoga, una asociación religiosa, un servicio voluntario de bomberos, una sociedad no lucrativa de veteranos, una organización fraternal, o una sociedad no lucrativa que apoya la investigación médica o programas de tratamiento médico y si las ganancias son usadas en Texas para los propósitos caritativos de las organizaciones."

PROPOSICION NO. 5 EN LA BOLETA

Resolución Conjunta #86 de la Cámara *propone una enmienda constitucional que permite a la Legislatura autorizar al Gobernador para que ejerza control fiscal de los gastos de ciertos fondos financieros previamente asignados, sujeto a las condiciones y limitaciones proveídas por la ley y sujeto a la aprobación de un comité ejecutivo del presupuesto que constará del Gobernador, Gobernador Teniente, Presidente de la Cámara de Representantes, Presidente y Vice-presidente del Comité de Finanzas del Senado, y Presidente y Vice-presidente del Comité de Asignaciones Fiscales de la Cámara de Representantes.*

La enmienda propuesta aparecerá en la boleta como sigue: "La enmienda constitucional concede al Gobernador el poder para ejercer control fiscal de los gastos de los fondos asignados según la ley."

PROPOSICION NO. 6 EN LA BOLETA

Resolución Conjunta #8 del Senado *propone una enmienda constitucional que permita al Gobernador remover a un oficial de su cargo aunque este haya sido previamente nombrado por el Gobernador y confirmado por el Senado. El remover al oficial será unicamente bajo el consentimiento del Senado, y si la Legislatura no está en sesión, se convocará una sesión extraordinaria del Senado, la cual no durará más de dos días, para considerar la eliminación del oficial en caso.*

La enmienda propuesta aparecerá en la boleta como sigue: "La enmienda constitucional autoriza que el Gobernador remueva a los oficiales nombrados bajo consejo y consentimiento del Senado."

PROPOSICION NO. 7 EN LA BOLETA

Resolución Conjunta #121 de la Cámara *propone una enmienda constitucional que autorice a los condados con una población de 5000 o menos, que construyan y mantengan caminos privados cobrando razonablemente por el trabajo. Por ley, la Legislatura puede limitar esta autoridad. Los ingresos recibidos por trabajo en caminos privados se pueden usar solamente para construcción, para adquisición de derecho de paso, o para el mantenimiento de caminos públicos.*

La enmienda propuesta aparecerá en la boleta como sigue: "La enmienda constitucional autoriza que los condados con una población de 5000 o menos trabajen en caminos privados."

PROPOSICION NO. 8 EN LA BOLETA

Resolución Conjunta #36 del Senado *propone una enmienda constitucional que cambie la jurisdicción y autoridad de las cortes de apelación del Estado. La enmienda cambiará el nombre de Cortes de Apelaciones Civiles a, Cortes de Apelación, dando a estas cortes jurisdicción de apelación sobre casos criminales y civiles. La enmienda cambiará el título de los Jueces Asociados de la Corte Suprema a, Jueces, y requerirá que los miembros de la Corte Suprema sean abogados con licencia del estado de Texas mientras permanezcan en el puesto.*

La enmienda propuesta aparecerá en la boleta como sigue: "La enmienda constitucional que cambia el nombre de Cortes de Apelaciones Civiles y el nombre y requisito de los Jueces de la Corte Suprema y dicta la jurisdicción y autoridad de las cortes de apelación."

PROPOSICION NO. 9 EN LA BOLETA

Resolución Conjunta #54 de la Cámara *propone una enmienda constitucional que define la propiedad que posee cualquiera de los cónyuges como separada, incluyendo las dos clases—de bienes raíces y los bienes inmuebles—los tales fueron propiedad de alguno de los cónyuges antes del matrimonio o fueron adquiridos después como un regalo, ya sea un legado de bienes raíces, o de descendencia. Las parejas que están por casarse o los que ya están casados, y sin la intención de defraudar a sus acreedores preexistentes, pueden repartirse de vez en cuando, entre si y por escrito, toda o parte de su propiedad. Pueden también intercambiar un interés común en bienes poseídos o que van a poseer por un interés común en la comunidad de bienes. La enmienda permitirá a los cónyuges convenir por escrito que los ingresos o bienes derivados de cualquier propiedad particular seguirá siendo propiedad particular en lugar de ser comunidad de bienes como sería si no existiera este convenio por escrito. La enmienda propone que el regalo de un cónyuge a otro se supone que incluye todos los ingresos y bienes derivados de tal regalo.*

La enmienda propuesta aparecerá en la boleta como sigue: "La enmienda constitucional permite a los cónyuges el consentir que los ingresos o los bienes que se deriven de los bienes particulares permanecerán como bienes particulares."

PUBLIC NOTICE

BRIEF EXPLANATORY STATEMENTS OF PROPOSED

CONSTITUTIONAL AMENDMENTS

GENERAL ELECTION

NOVEMBER 4, 1980

PROPOSITION NO. 1 ON THE BALLOT

Senate Joint Resolution 35 proposes a constitutional amendment that would authorize the Legislature to permit banks to establish and operate unmanned teller machines within the county or city where the banks are located and to share the use of teller machines on a basis consistent with antitrust laws, if it finds such operation will serve the convenience of the public. The Legislature has already passed enabling legislation (H.B. 1510) for this proposed amendment.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment permitting the legislature to authorize banks to use unmanned teller machines within the county or the city of their domicile on a shared basis to serve the public convenience."

PROPOSITION NO. 2 ON THE BALLOT

House Joint Resolution 97 proposes a constitutional amendment that would grant the State and the accused the right to an interlocutory appeal from the following trial court rulings in criminal cases: pretrial rulings on the constitutionality of a statute; on a motion to quash, dismiss, or set aside an indictment; and on a motion to suppress evidence.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing appeal of certain pretrial rulings of a trial court in a criminal case by either the state or the accused."

PROPOSITION NO. 3 ON THE BALLOT

House Joint Resolution 98 proposes a constitutional amendment that would require a single appraisal of all property subject to ad valorem taxation and would provide for a single board of equalization within each county. The constitutional requirement that the county commissioners court sit as a board of equalization would be eliminated, and elected officials of the county or governing body of the taxing unit would be prohibited from serving as members of the board of equalization.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment requiring a single appraisal and a single board of equalization within each county for ad valorem tax purposes."

PROPOSITION NO. 4 ON THE BALLOT

Senate Joint Resolution 18 proposes a constitutional amendment that would allow the Legislature to authorize the conduct of bingo games by certain specified groups for charitable purposes, subject to the limitations that operation of the games must be approved in local option elections and that all proceeds must be spent in Texas.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to authorize bingo games on a local option election basis if the games are conducted by a church, synagogue, religious society, volunteer fire department, nonprofit veterans organization, fraternal organization, or nonprofit organization supporting medical research or treatment programs and if the proceeds are to be spent in Texas for charitable purposes of the organizations."

PROPOSITION NO. 5 ON THE BALLOT

House Joint Resolution 86 proposes a constitutional amendment that would allow the Legislature to authorize the Governor to exercise fiscal control over the expenditure of certain appropriated funds, subject to any conditions and limitations provided by law and subject to the approval of a budget execution committee that would be composed of the Governor, Lieutenant Governor, Speaker of the House of Representatives, Chairman and Vice-chairman of the Senate Finance Committee, and Chairman and Vice-chairman of the Committee on Appropriations of the House of Representatives.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to grant the governor power to exercise fiscal control over the expenditure of appropriated funds as provided by law."

PROPOSITION NO. 6 ON THE BALLOT

Senate Joint Resolution 8 proposes a constitutional amendment that would allow the Governor who appointed a previously confirmed official to remove that official from office subject to the advice and consent of the Senate; and if the Legislature is not in session, to call a special session of the Senate which may last no longer than 2 days for consideration of the removal.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to authorize the governor to remove appointed officers with the advice and consent of the senate."

PROPOSITION NO. 7 ON THE BALLOT

House Joint Resolution 121 proposes a constitutional amendment that would authorize counties with a population of 5000 or less to construct and maintain private roads if they impose a reasonable charge for the work. The Legislature by general law may limit this authority. Revenue received from private road work may be used only for the construction, including right-of-way acquisition, or maintenance of public roads.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing counties with a population of 5000 or less to perform private road work."

PROPOSITION NO. 8 ON THE BALLOT

Senate Joint Resolution 36 proposes a constitutional amendment that would change the jurisdiction and authority of the State's appellate courts. The amendment would change the name of the Courts of Civil Appeals to Courts of Appeal and provide that these courts have intermediate appellate jurisdiction over both criminal and civil cases. The amendment would change titles for the Associate Justices of the Supreme Court to Justices and would require members of the Supreme Court to be attorneys licensed in this state while holding office.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to change the name of the Courts of Civil Appeals and the names and qualifications of the justices of the Supreme Court and to prescribe the jurisdiction and authority of the appellate courts."

PROPOSITION NO. 9 ON THE BALLOT

House Joint Resolution 54 proposes a constitutional amendment which defines separate property owned by either spouse as all property, both real and personal, of a spouse owned or claimed before marriage, and that acquired afterward by gift, devise or descent. Persons about to marry and spouses, without the intent to defraud pre-existing creditors, may by written instrument from time to time partition between themselves all or part of their property. Spouses may exchange a community interest in property owned or to be acquired for a community interest in other community property. The amendment would allow spouses to agree in writing that income or property arising from any separate property is to be separate property rather than as community property as it would be in the absence of an agreement. The amendment proposes that a gift from one spouse to another is presumed to include all income or property deriving from such gift.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment allowing spouses to agree that income or property arising from separate property is to be separate property."

AARP Meets

The Munday Chapter #1437 of The American Association of Retired Persons held their monthly meeting Sept. 4, 1980 in the Community Center, with the president, E. R. Ponder, presiding.

Opening prayer was voiced by Mr. Ponder followed by the Pledge of Allegiance given in unison.

Minutes of the previous meeting were read and approved as read.

Treasurer's report was given with 24 members present. The report was accepted as given.

The President was reminded it is time for the nominating committee to choose a slate of officers by the October meeting to be presented to the Chapter with other nominations being made from the floor.

Mrs. Euris Reid brought up the subject of the "Hot Meals" and said invitations had been sent to some people in each community in the county to be in Knox City Sept. 8 to hear a report on the meals and learn what each community is to do to get them started. The president will report on this to the Chapter on the 11th at game night.

A report on ill members was given, with four cards signed by all to be sent to them.

A "Thank You" note was read by the secretary from Bobby Blenkenship for the gifts that he received after his house burned.

Grace for the noon meal was voiced by E. R. Ponder. All enjoyed a delicious meal followed by a period of fellowship.

The afternoon program consisted of a film on "Early Texas Missions".

Game nights are September 11th, 25th, and 18th will be for singing.

The meeting adjourned to meet again October 2, 1980 at 10:00 a.m.

NUTRITION AND THE ATHLETE

Athletics usually mean profuse sweating. Watch sodium and potassium when this occurs.

During the hot summer, profuse sweating - particularly in the athlete, can lead to deficits of the principle minerals, sodium and potassium. Amounts of these two minerals in sweat varies from one person to another by the amount of exercise, temperature and humidity. Ranges of concentration may vary widely, in fact.

INCREASE SODIUM INTAKE

An ordinary diet may furnish from six to ten grams of salt (sodium chloride). However, during periods of profuse sweating, an intake of 13-15 grams of salt is recommended daily.

A person may increase the sodium intake by using more salt at the table and by eating foods with a high salt content, such as salted crackers, chips, nuts, pickles, olives, sauerkraut, cheeses and cured meats.

One-half teaspoon of salt contains about one gram of sodium.

ADD WATER, POTASSIUM, TOO

Liberal amounts of water should accompany increased sodium. Increased sodium can lead to potassium depletion, too, so the athlete should select foods to meet energy needs from foods rich in potassium.

These include bananas, melons, prunes, prune juice, orange juice, baked potatoes, lima beans, tomatoes, winter squash, dried peas and beans, beef round, turkey and hamburger meat.

Floyd Stovall Buried At Knox City

Floyd Marceilous Stovall, 64, of Big Spring, a retired state employee, died at 11 p.m. on Monday, September 1, 1980, in the Veterans Administration Hospital in Big Spring following a lengthy illness.

Born on October 19, 1915, in Knox City, he was the son of the late Rev. Claud Stovall. He retired from the Game and Fish Commission of Texas as a game warden in 1965. He was a member of the First Baptist Church in Abernathy. He was a veteran of World War II. Mr. Stovall had lived in Big Spring since 1979 and had previously lived in Lubbock.

Graveside services were held at 10 a.m. on Wednesday in Knox City Cemetery, under the direction of Smith Funeral Home.

Survivors include three sons, Jim Stovall of Gladewater, Mark Stovall of Big Lake, and David Stovall of Lubbock; a brother, Rev. Claud Stovall of Albuquerque, N. M., and five grandchildren.

Funeral For Mrs. Flenniken Held Saturday

Viola Flenniken, 72, died at 6:00 a.m. on Thursday, September 4, 1980, in the Knox County Hospital.

Mrs. Flenniken was born on November 26, 1907, in Johnson County and moved to Knox County in 1952. She married Thomas Elmo Flenniken on February 10, 1932, in Walters, Oklahoma. He preceded her in death in January of 1975. She was a member of Gillespie Baptist Church.

Funeral services were held at 11:00 a.m. on Saturday, in Gillespie Baptist Church. Rev. K. E. Woolley officiated, assisted by Howard Myers. Burial was in Gillespie Cemetery under the direction of McCauley-Smith Funeral Home. Grandsons served as pallbearers.

Survivors include three sons, Noble E. Flenniken of Dallas, T. W. Flenniken of Stephenville, and Elmo Flenniken of Lubbock; two daughters, Mrs. Montie Collins of Brokesville and Mrs. Juanita Bratcher of Dallas; and several grandchildren and great-grandchildren.

Funeral For Mrs. Gollehon Held Saturday

Mrs. Grace Gollehon, 76, longtime resident of Knox County, passed away at 9 p.m. Thursday, September 4, at General Hospital in Wichita Falls, following an extended period of illness.

She was born September 28, 1903, in Jones County, and was a housewife who had resided in Knox County for 50 years.

She married James Curtis Gollehon on March 28, 1923, in Knox City. Her husband preceded her in death in August of 1968. Mrs. Gollehon was a charter member of the Munday chapter, American Association of Retired Persons and a devoted member of the First Baptist Church in Munday.

Funeral services were held at 2 p.m. Saturday from the First Baptist Church in Munday with Rev. Mart Hardin of Chickasha, Okla., a former Munday area resident, officiating.

Burial was in Johnson Memorial Cemetery under direction of McCauley-Smith Funeral Home. Serving as pallbearers were Boyd Meers, Leland Floyd, Edward Smith, Loyd Patterson, James Smith and G. W. Hawkins.

Surviving her are a son, Curtis W. Gollehon of Wichita Falls; three grandchildren; a step-granddaughter, two great-grandchildren; a sister, Mrs. Dovie Burke of Tucson, Ariz.; and a brother, Virgil Snelson of Cleburne.

Activities of Colored People

By ALINE JOHNSON

Sunday School opened usual time. Sis Blue in charge. Suggested order of service called to order singing, prayer, responsive reading.

Supt. Murry taught classes combined.

Let the peace of God rule in your hearts, to the which also ye are called in one body and be thankful. Col. 3:15.

Subj. of the lesson God the Covenant maker. Bible Basis Lesson Scripture: Genesis 9:8, 17. Background scripture Genesis 6-9.

Bible truth: God has promised that he will never again destroy the earth by flood.

Bible verse, And I will remember my covenant, which is between me and you and every living creature of all flesh, Genesis 9:15.

Lesson aim: To help you understand what it means to say that God is a covenant maker, and appreciate the security you can feel because of the everlasting covenant God made with Noah. Don't fail to read the lesson scripture.

I certainly enjoyed my company Sunday evening. Mrs. Marlene and her husband and her beautiful baby came to see me. Best of all I'm the baby's godmother. They came to visit her father, Mr. Alvin Adams, and her brothers and sisters.

It was very pleasant to see my godson Reggie and his best friend, Anthony. Also Kemm Adams and Steve Moore. They are all beautiful. And I claim Jean Darkin as my girl.

It's very nice I know for boys and girls to be a pattern for others. I must give Miss Carlin Collier and Mr. Murry the praise for such a wonderful start to be a lady and gentleman. God bless both of you and everyone just love God and everyone.

News From Leisure Lodge

By MRS. MILDRED HENDRIX

Mr. and Mrs. Curtis Seale visited Mrs. Gunn and Minnie Brooks. Ina Scarbrough also visited them.

Valarie Kennibrugh visited her mother, Henrietta Burgess last week.

Mr. and Mrs. R. O. Bruner of Seymour visited Mrs. Robbie Miller.

The resident and staff express sympathy to the families of Valasta Halaraty and Jim Draper. We miss them, also.

Our newest resident is Mrs. Patton of Goree. We are enjoying her and doing our best to make her feel welcome.

We're glad Demma Clark is feeling at home with us, now. She is beginning to take part in our activities.

Helen Allen read to a large group on Monday afternoon. Those who attend the reading class enjoy it so much, and appreciate Mrs. Allen.

Pam Bowman and Merle Dingus called bingo Tuesday afternoon. We had 12 players, and everyone had such a good time. They also enjoyed that fresh strawberry bread they shared with us.

Jim and Maxine Grammer of Lamesa spent some time with Maxine's mother, Elsie Eiland.

Mr. and Mrs. Larry Parks and daughter, June, of Lubbock visited their grandmother, Erin McGraw.

Pat Owens shared some scripture with us on "faith" Tuesday morning. Everyone was inspired by what she had to say and we always enjoy Danette's visits.

Mr. Bill Goode of Seymour visited his mother, Dicie Goode, this week.

Everyone at Leisure Lodge sure miss Marshall Benner's visits. He has been unable to come since his accident and we hope you are better soon, Marshall.

Mrs. Iva Voss was taken to the Knox County Hospital last Tuesday night.

Mrs. Johnnie Eubanks, Mrs. Maudie Clark of Bronte, Mrs. Rick Smelley and Jennifer of Fort Worth visited Mrs. Demma Clark this week.

Margie Allen visited her mother, Mrs. Nettie Blankenship.

Our birthday party is planned for 2 p.m. on September 17 for all those having birthdays during the month.

Rose Marie Brown and Nell Porter came Thursday afternoon to call bingo. It was an enjoyable afternoon, with prizes for everyone. Everyone also enjoyed watermelon, compliments of C. J. Smajstrala of Seymour.

Elsie Lawson of Knox City visited her mother, Molley Bromley.

Mr. and Mrs. Walter Summerville of Wichita Falls visited her mother, Mrs. Willie Jacobs.

Friday Bible study was well attended, and everyone enjoyed Bro. Woolley's sharing with us. We appreciate Ruby Myers, Dovie Partridge and Jeannie Ward, who came to help with the song service.

After not having the sing-a-long one week, everyone is looking forward to the next one.

Anna Homer recently enjoyed a weekend trip to Nazareth, Texas, to visit her daughter, Sr. Immaculate. While there she attended Sunday mass to witness her daughter's acting as deaconess and extraordinary laywoman. She went on to Lubbock to visit her grandchildren, Donna and Douglas Michalik. She was amazed at the immensity of Lubbock in comparison to her last visit there several years ago. She is glad to be back with us, even though it took her several days to get back off of "Cloud Nine".

Mildred Robertson of Ranger visited her mother, Opha Owens, Saturday afternoon.

Mrs. Lucy Owen of Seymour came to see Mrs. Minnie Brooks and Mildred Warren Saturday.

Lois Livington of Seymour visited Mrs. Omie Watson.

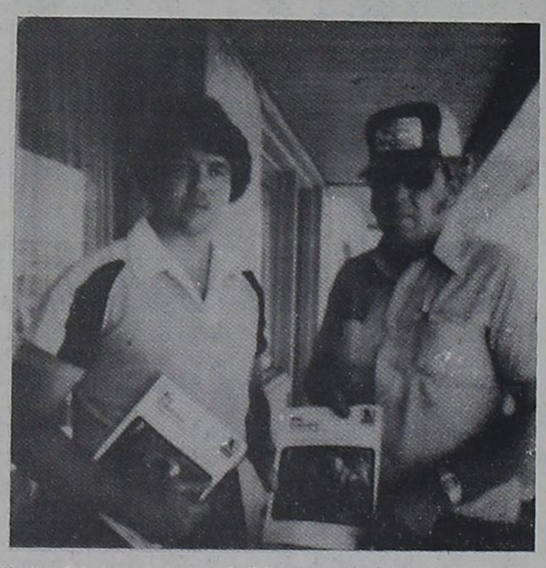

Mrs. Elizabeth Shupee and George and Mildred Shupee of Arlington visited Mrs. Carrie Elliott last Sunday.

St. Joseph Catholic Church had charge of worship services Sunday afternoon. We had a large group in attendance, and the time shared together was a joy to all.

Mrs. Rosemary Haddock and daughter, Julie, of Dallas visited Mary Blake.

Mr. and Mrs. R. E. Humphrey of Wichita Falls visited Mary's mother, Mrs. Maude Baird.

Mr. and Mrs. C. D. Manson of Duncan, Okla., visited their uncle, John Manson.

Chris Christensen of Christensen Aviation, Munday, receives his copy of the new Big Country Telephone Directory from Jim Hilger, area manager of the Big Country Directory, Abilene.

NEW TELEPHONE BOOKS ARE HERE!

The new Big Country Telephone Directory for Knox, Baylor, and Throckmorton counties has now been delivered. This directory includes Seymour, Knox City, Munday, Throckmorton, Benjamin, Elbert, Goree, Lake Kemp, Megargel, Truscott, and Woodson.

The new phone book is published annually by Associated Publishing Company in Abilene and is a handy reference of business buyers and sellers is this area. It is designed to be a complete source of information in both the white and yellow pages.

Geographically designed, one book covers an entire market area and is compact with easy reference. It is the most complete source of information on businesses and residences in this area. It is also available to guests at area motels. Particularly significant are the lower advertising rates, according to Jim Hilger, area manager.

As the Big Country Telephone Directory is put into daily use in the area, the Knox County Community will find it most useful and very convenient. If you have not received your free copy, pick one up at Christensen Aviation, downtown Munday, or at the Chamber of Commerce.
