

Loeffler gets drought aid

Schleicher to follow shortly

Thanks to Congressman Loeffler's efforts and a phone call to the President of the United States Monday night, twenty West Texas counties were allowed a declaration of drought disaster. The Federal Soil Conservation Service has previously approved 29 counties to be fit for disaster aid which involves low rate of interest loans from the Farmers Home Administration and being allowed to take advantage of Section 405 (E) of

the U.S. Tax Code.

Four other counties were obviously within the drought area and as of press time have not received the declaration of disaster area. They are Reeves, Loving, Crockett and Schleicher, but following a discussion with the U.S.D.A.'s Walter Bunch, The Leader was informed that a letter was on the way from the Governor's office requesting a declaration for Dawson, Loving, Reeves and Schleicher. the

U.S.D.A. as well as Mark White's office in Washington, D.C. have no knowledge of the status of Crockett County. The reason given The Leader by the Governor's office for Schleicher County not being involved in the first 20 requests for declaration is that the Governor's office submitted the paperwork late. So therefore, it is reasonable to assume that Schleicher County will be involved in the declaration of a disaster area as soon

as the paper chase reaches its destination.

The Leader is assured from Governor Mark White's representative Tom Walker that more aid from the U.S.D.A. will be pursued by the Governor's office.

Booster club to host BBQ

Several "Eagle-Minded" Eldorado citizens are currently organizing a Booster Club. They had their first meeting last Tuesday night and according to Bill Gentry, president, other officers will be elected in an upcoming meeting.

There will be a "Meet The Eagles" BBQ after the scrimmage with Mason on August 26th. Goat and brisket will be served and with the anticipated crowd of 500 to be on hand, anyone willing to volunteer their assistance in helping serve at the BBQ or contribute monetarily toward the purchase of the meat for the occasion should contact

Bill Gentry at 853-2733; Richard McCarsons 853-2549 or the Leader 853-2547. Tickets for the BBQ with all the trimmings will be \$2.50 and can be purchased from Kent's Automotive, Eldorado Pharmacy and at the High School principal's office.

This will be an opportunity for the citizens and supporters of the Eagles to meet the player. The players and their parents will be introduced to the fans at this time.

There will also be an ice cream supper after Thursday's last practice before the Mason scrimmage for the players. The Booster Club will hold a meeting after the ice cream supper.

Voters say NO to manager

Eldorado citizens said "no" by a small margin to the proposal of hiring a City Manager.

The 29 negative votes carried the election in which only 193 voters turned out. Eighty-nine citizens were in favor of the change in the local city government.

Schleicher County Day best ever

Schleicher County Day was deemed a huge success by the 500 or so folks who attended.

One of the highlights of the day came at noon with the Little Miss and Mister Schleicher County Contest. Ashley Yocham, daughter of Mr. and Mrs. Steve Whitten was named Little Miss and Stoney Harris 5 year old son of Mr. and Mrs. Richard Harris was named Little Mister. Runners up were Marissa Burleson and David Hessel. 3 year old Rissy is the daughter of Mr. and Mrs. Tyke Burleson and David is the son of Mr. and Mrs. Steven Hessel.

Mrs. Evelyn Stigler and the Woman's Club had many fine exhibits of arts and crafts in the Memorial Building. People were seen all day long with their "pretties" they had purchased.

A real crowd pleaser was The Kountry Kousins Square Dancers who performed several times Saturday.

Another group of dancers who produced smiles on many faces was the children of the Grupo Amistad. They did several traditional Mexican folk dances and charmed everyone.

Oohs and ahhs could be heard all around the square when the Karate students and their instructor gave their exhibition. Cole Turner, a local youngster, was one of those dazzling the audience.

When some of the spectators thought they couldn't take another step, they'd sit back in their lawn chairs and listen to some fine vocalists and musicians on the free stage. "Red Bandanas" a country western band from Ozona was able to get even the tiredest to toe-tapping again. Sonja Lopez, a slight little 5th grader from Kermit, made everyone's head turn, such an astounding voice from such a little girl.

The crowd recognized Sherry Belk as soon as she took command of the stage. Everyone knew they were in for a real treat when Sherry steps up to the microphone.

Next year's celebration promises to be even bigger and better. The following is a list of the winners in each of the events held Saturday:

Eldorado Rodeo wild 'n woolly

The 14th Annual Eldorado Rodeo sponsored by the Schleicher County Rodeo Association proved to be one of the best ever this past week-end. With the superb stock provided by Lester Meier of Fredericksburg, there was always plenty of action going on both nights of the performance.

Miss Charlotte Mobley was named Rodeo Queen during Saturday night's performance and the lucky winners of 100 gallons of gasoline raffled off each night were Clyde Thackerson on Friday night and Dorothy Clark on Saturday night.

Cowboys taking home \$600 Sky-line Trophy buckles for their winning efforts in their respective events were: Bareback Bronc riding - Larry Godwin, Austin; Calf Roping - James Doss, Austin; Steer Wrestling - Ray Bates, San Antonio; Team Roping - Lanham Mangold, LaCoste and Billy Dale Haley, San Marcos; Barrel Racing - Charlie Stewar, Uvalde; Bull Riding - Shane Smith, Snyder; and Saddle Bronc Riding - Forrest Henderson, Eldorado.

A special meeting of the Eldorado City Council was held Monday, August 15, 1983, at 6:00 p.m. for the purpose of canvassing the votes from Saturday, August 13th's special election and discussion of the budget for the 1983-84 fiscal year.

Voting lists and tally sheets were reviewed by the councilmen with a motion made by Ronnie Sauer that the election results be declared official with 193 persons voting - 82 for and 111 against the proposal for the City Council to appoint a City Manager and set salary by ordinance. The motion was seconded by Bobbie Sanders and the motion carried. An order declaring results of the election was executed by Mayor Pro Tem McGinnes.

Sheriff's office request more money for protection

Wednesday before last the Eldorado City Council met for a regularly scheduled session in which two visitors appeared before the alderman.

The first being Lana Jones who requested that her water bill be scrutinized by the Council. After some discussion which involved Superintendent Hal Whitten the Council voted to reduce her bill to that which it was in the month of June (\$15.10).

Orval Edmiston, the second visitor to the Council requested that the City Fathers consider the possibility of increasing their pay for law enforcement within the city proper in that the Schleicher Co. Commissioners were considering an expense cut in the law enforcement department. The Council told Sheriff Edmiston that they would consider this during the adoption of their 1983-84 budget.

During the meeting the Council saw a motion cast by Edwin Jackson, Jr. that the City increase its fees for water from \$3.50 flat rate to \$4.50 for the 1st 3,000 gallons of water and that the rate of \$.50 per 1,000 thereafter be raised to \$.75. Due to a lack of a second, the motion died, but was tabled for further discussion on August 15th during the special meeting.

A bill submitted by Derl Griffin for work on Virginia Griffin's home on July 4th was reviewed and also met with no action by the Council.

Amendment to the Community

Development Block Grant relating to Freese & Nichols contract was approved by the City Fathers as was a request from City Superintendent Whitten that water meters be placed on private property in the Edgefield I Addition.

Other action taken by the Council saw the approval that the current Blue Cross and Blue Shield policy be

retained by the City and that McCreary, Huey and Veselka be placed on contract with the City as the community's tax attorney.

City Secretary Carolyn Mayo made a report on the installation of the dumpsters within the city limits and was requested by the Council that she follow up on WTU's proposal to place

various street lighting in the community for the Council to review. Other business transacted by the City Fathers was that the City no longer charge the county for its water use of re-calculating certain streets and alleys within the city's boundaries.

The minutes from the previous meeting was approved as were the bills, with this the meeting adjourned.

Ride 'em cowboy...and he did! This young man put on a good show for the crowd with his ride Saturday night at

the Eldorado Rodeo this past week-end.

The Eldorado Eagles have completed their first week of two-a-days and will continue on Monday morning in pads. On the first day of work outs the Eagles started out with 51 players and at the end of the week they had blossomed to 54. The coaches were pleased and looking forward to this week in pads. The Eagle Varsity football team is 26 players strong and have a knowledgeable coaching staff. With Coach Mitchell at the helm, he has a lot of help.

Defensive coordinator the interior line and coaching receivers, Coach Matthew R. Chalmers plays a big role. He is from Gainesville, Texas and at-

CHALMERS

tended McMurray College in Abilene where he had a four year scholarship to play football. After leaving McMurray Chalmers served at four different high schools before falling in love with the Eagles in 1979. He has been coaching varsity football since first coming to Eldorado and he also has coached varsity basketball for three years. In asking Coach Chalmers about the players he said, "I have a genuine

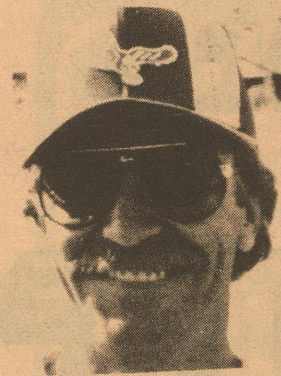

love for the kids. I really enjoy working with them." Coach Chalmers is married to Ruthie and they have two children, Kacey 8 and Stewart 5 years old and they are members of the Presbyterian Church of Eldorado. Chalmers attended Sul Ross this summer and received his Master Degree in Physical Education and plans to attend East Texas State for his Ph.D.

There has been a change in the coaching on the Junior Varsity bench, Coach Singleton who coached Jr. High last year is now coaching the JV. Coach Rickey T. Singleton is from Klondike, Texas and attended A.S.U. He is single and has a Bachelor of Science degree. He came to Eldorado in the fall of 1981. As a coach of the

SINGLETON

8th grade football team in '82 he posted an undefeated season. Coach Singleton feels with the change from Jr. High to JV head coach, there will be a lot of things he will learn about the players and about the game. Singleton feels with hard work, there should be a winning season all around.

BARTON

Coaching the defensive backs the Eagles have Coach Robert S. Barton from Pecos, Texas. After high school Barton walked on as a basketball player at W.T.S. for one year. He went on to Texas Tech for three years. Coach Barton has a Bachelor of Science and Education degree. He's married to Brenda, they have three children, Rusty 12, Cory Jo, 8 and Ashley 1. This is Coach Barton's first year at Eldorado High and will be coaching this year's girls basketball teams. Before coming to Eldorado, Barton served as Athletic Coordinator for four years at Brownfield High School. Looking at the first week of work outs Barton is really impressed with the players and their attitude to work hard.

Helping to beef up the defensive line, the Eagles go to Coach Richters. Don Richters is from Coahoma, Texas and attended Sul Ross State on a four year scholarship to play football. After graduating in

1975, Richters coached at Plain View high school for one year. He also coached Hart high school varsity offensive line and from there he taught at Nixon High where he was head coach and Athletic Director for one year. This is Coach Richters' second year of coaching in Eldorado. He is married to Suzie and they have two children, Jason 4 and Jeannah, she's 16 mos. Coach Richters is really happy with the interest of the people of Eldorado, showing support for the team and pushing them to work harder. Looking at the people at the Eagles' work outs. Coach Richters feels a lot of the credit goes to Coach Mitchell out of the

basketball and track. He's single and really likes it here in Eldorado. Coach Meyer is looking forward to meeting his new team and will try to take them to another undefeated season. Meyer likes working with the younger kids and will try to prepare them for Varsity sports.

WINK

There is another new coach on the scene, Coach Harvey E. Wink from Robert Lee, he attended A.S.U. there he ran track for two years, he also has a Bachelor of Science in Math degree and a minor in Physical Education. After leaving A.S.U. Coach Wink was principal and teacher at Blackwood High School for four years. He is married to Shari, they have three children, Jenny 6, Alisha 4 and Joseph 2. Coach Wink will be doing a lot of scouting for the Eagles this season. Wink feels that the Eagles "have good size and they are a hard working bunch." Stepping off the field into the classroom, Coach Wink will be looking to build up the math program at Eldorado. With three new coaches and three coaches back from last season the Eagles will be putting math equations on the score board as well as in the classroom. The Eagles will travel this Friday to Brady for their first scrimmage.

RICHTERS

respect that he has gained around town. He couldn't be any happier than having the chance to work for Coach Mitchell, he has a great respect for Mitchell and will do whatever is asked of him to help the Eagles to a winning season. With the return of the front line from last year, Richters feels with the size and experience, they should be able to hold their own against anyone.

MEYER

Coaching the Junior High football team will be in the hands of new head coach Philip Meyer. Meyer is from Mason, Texas and after graduating from high school Meyer went to W.T.S. on a football scholarship and transferred to A.S.U. and from A.S.U. Coach Meyer coached at San Saba High for two years and lead them to the region both years he was there. Coach Meyer will also coach Jr. High

Lori Patton interviews the new Little Miss Schleicher County, Ashley Yoachum for the crowd Saturday at Schleicher County Days.

Thank you

The Schleicher County Progress Council wishes to thank all of the clubs, organizations and individuals who had booths - but all the townsfolk who enjoyed the day need to say a big "Thank You and Job Well Done" to some special people who dedicated their day to making your more fun:

Ron Setto not only organized all day, but helped weeks in advance; Jo Helen Kotsch - made the 1st Fun

Run seem like old stuff for us and did a great job of planning. Elaine Tipton - sat in the sun all day and signed up all the participants and ran the Egg Toss; Connie Andrews - watched hoola hoopsers till her eyeballs were meeting while they circled; Sherry Martin and Richard Preston saw to it that the horse-shoes and washers ran like clockwork; Janie Finley was anywhere and everywhere she was needed; special thanks to Glenda Harris, Mary Nolan and Carolyn Gilstrap who pitched in when things became hectic; Lori Patton did a terrific job of interviewing all the Little Miss and Mister Schleicher County contestants; Sammy Whitten for bringing the fire hose to make the tug of war "wet"; Orval Edmiston for lots of help with traffic during the Fun Run; and special, special thanks to the Criner ladies from Mertzon who took a

job that no one in Eldorado would have touched with a 10 ft. pole - these two

ladies were our judges for the Little Miss and Mister Schleicher County.

New Elementary Principal

Mr. Gordon Moore is the new Elementary School Principal. He came here from Baird, Texas where he was principal of K-8th grades. He was Curriculum Coordinator in Baird K- 12,

Since his coming some suggestions as to changes in gifted program have already been approved as well as incorporating the use of computers in the upper Elementary.

The Moores have three children; Jay who is 18 and will be a freshman at A & M this fall, Mike 15 will be a sophomore in High School, and Kathy 8, will be in third

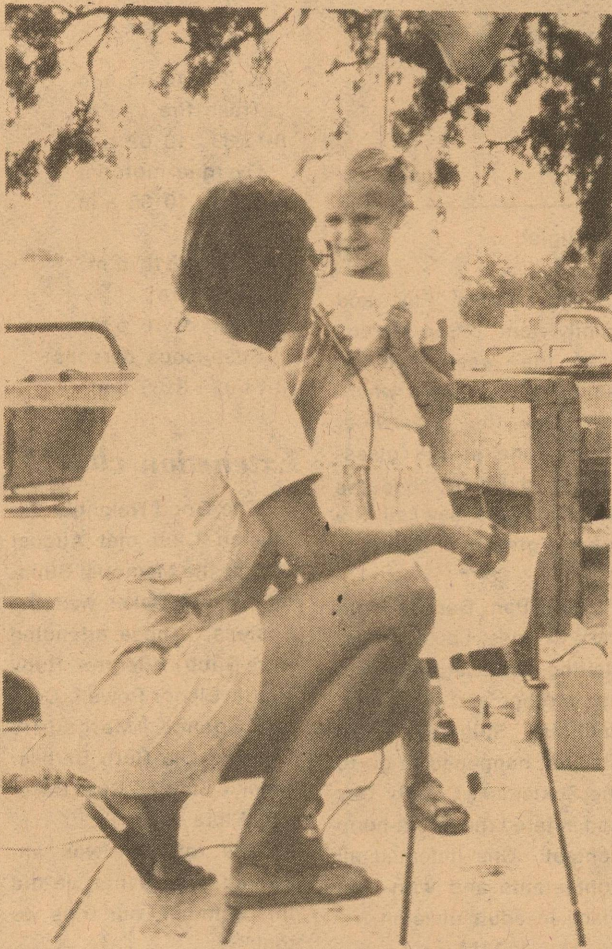

grade. Mrs. Ernestine Moore will be in the Special Education Department here. In Baird, she was a Medical Lab Technician in a hospital.

Mr. Moore has been quite active in community life. He has been a director on the Junior Livestock Show committee. He served as coordinator with local Boy Scout Troops.

He has been Band director of Ballinger High School Band and has directed choirs in churches.

He is currently serving as Regional VII Executive Secretary of which Eldorado is a part.

We are glad to have this family in our community.
