HE'S LEADING CUBA DOWN ROAD TO COMMUNISM

Fidel Admits He's Red

Reaching Up To Help

Glenda Langston had to reach up to help the Salvation Army in its annual effort to assist the less fortunate. Mrs. J. R. Kirby added a few words of encouragement, as she manned the kettle, one of those in the downtown district. Appearance of the holiday kettles was a reminder that many families will enjoy the Christmas season only to the extent that the bell ringers get results. All of the city's service clubs have pledged to help keep the bells ringing throughout the shopping season.

First Outright Baring Of Stripe

HAVANA (AP) — Declaring he is a Marxist-Leninist opposed to the personality cult, Fidel Castro said Saturday "the world is on the road toward communism" and he is taking Cuba down that path.

To that end, the prime minister announced he is forming the "United Party of Cuba's Socialist Revolution." It will be monolithic, like the Soviet Communist party, with restricted membership. Only true revolutionaries will be chosen.

Never before had Castro so frankly placed his island nation in the Communist camp, nor given his own political views so strongly on Marxism.

He had given a hint of what was to come, however, last May Day, when he ruled out elections and called Cuba a socialist state.

"I am a Marxist-Leninist and will be one until the day I die," Castro declared in a nationwide TV speech that began around midnight and ran on for five hours.

Castro chose the fifth anniversary of his landing in Cuba to announce his latest plans for the first Marxist-Leninist state in the Western Hemisphere.

Few of the 80 men who came ashore with him Dec. 2, 1956, to launch the fight against the Batista dictatorship still survive. But they include such key men as brother Raul, armed forces minister, and Ernesto Che Guevara, his powerful minister of industries.

Six months after he seized power from Fulgencio Batista Jan. 6, 1959, Castro declared "Ours is not a Communist revolution."

NOT RED AT BEGINNING

In his latest address, Castro said that during his years as a student at Havana University he was not a Marxist because he was "influenced by imperialist and reactionary propaganda against the Communists."

By 1953, three years before his invasion of Cuba, his political thinking "was more or less like what it is now," he added, but it was only after he came to power that he developed into a Marxist-Leninist.

Castro declared Cuba must learn from the Soviet Union, saying "we must study all the experience in building up the world's first Communist society."

Rejecting neutralism, Castro said "there is no halfway between socialist and imperialism. Anyone maintaining a third (neutralist) position is, in face, helping imperialism."

TAUNTS FORMER FRIENDS

At one point, Castro seemed to be talking to anti-Communists who actively backed his revolution, saying jestingly:

"If there is an anti-Communist listening he does not need to worry because there will be no communism (in Cuba) before 30 years."

Castro said the United Party is being created as an all-powerful political body to lead Cuba through socialism to "a people's democracy, or the dictatorship of the proletariat."

Members will be drawn from workers, students, intellectuals, peasants and even the little bourgeosie, Castro said.

The party program "will be Marxist-Leninist but adapted to conditions existing in our country," the prime minister added.

Castro joined Premier Khrushchev in denouncing the personality cult of Stalinism, declaring "it would be absurd for a single man to make government decisions."

BULLETIN

LITTLEROCK, Ark. (AP) — Sen. J. Strom Thurmond, D-S. C., said Saturday night that he has learned that the Defense Department "has prepared a paper for the turning over of our nuclear weapons to the United Nations."

Foes Charge Dominican Dictatorship

SANTO DOMINGO, Dominican Republic, (AP) —Viriato Fiallo, National Civic Union opposition leader, charged Saturday President Joaquin Balaguer's government is nothing but a military dictatorship and a continuation of the Trujillo regime.

The president of the chief opposition movement made the charge to newsmen at his home as a general strike showed additional signs of weakening after paralyzing the country for four days in an effort to topple Balaguer.

Business in the heart of Santo Domingo and at Santiago, where the opposition is strongest, was still closed down completely.

But vehicular traffic increased and many stores reopened in outlying areas. Business returned to normal Friday at the small town of San Cristobal, the birthplace of the late Generalissimo Rafael Trujillo to the west of the capital.

Armed patrols which have clashed repeatedly with antigovernment demonstrators, continued in evidence.

• • •

SANTO DOMINGO, Dominican Republic (AP)—Six men held in the assassination of dictator Generalissimo Rafael Leonidas Trujillo have themselves been assassinated, the government declared Saturday night.

Friends and relatives of the missing men have charged that the reported ambush was a screen for the slaughter of the six in a parting act of brutality by Trujillos, who have been forced to leave the country.

Mail Talk

There was a lot of talk about mail in Big Spring Friday and Saturday as about 50 registered for the fall district meeting of the National League of Postmasters. Chatting here are Mr. and Mrs. Max Holden, left, (he is postmaster at Nolan, Texas), and Mr. and Mrs. Elmer Boatler, Big Spring. W. B. Weatherred, field services officer, was the speaker Saturday evening at the dinner. One of the points of discussion concerned the movement of Christmas mail, one of the major problems of postmasters.

Local Guardsmen Aren't Being Fussy

Big Spring National Guardsmen stationed at Ft. Polk, La., are embarrassed over recent reports of conditions at the newly opened camp, according to 1st Sgt. Douglas Hedges, who was in Big Spring on a weekend pass.

"Our boys are doing fine," he said, "and morale couldn't be higher."

Sgt. Hedges said the publication of a letter last week signed by men at the camp describing the conditions, came as a surprise to the Big Spring men. He pointed out that the Big Spring Guardsmen do not agree with the letter.

"I invite any and everyone from Big Spring to visit us at Ft. Polk and inspect the conditions for yourselves," he said. "We have plenty of hot water."

The widely publicized letter said, among other things, that there was not adequate hot water.

"Morale of our boys is awful high," Sgt. Hedges explained. They have organized football teams among themselves and use pine cones for a football. "This weekend," he added, "the officers chipped in enough money to buy a real football."

The Big Spring unit at Ft. Polk is Battery A, 3rd Rocket Howitzer Battalion, 132nd Artillery, 49th Armored Division. Capt. Dewie Stevenson was the unit's comander when it left here, but he was moved to another unit since arriving at camp.

1st Lt. Winford H. Hogan, assistant football coach at Clyde before called to active duty, is the new commander. Sgt. Hedges said the local men did not like losing their hometown commander, but they have grown to like the new officer almost as well.

Probably all of the Big Spring guardsmen who want to, will be home during the Christmas holidays. Sgt. Hedges said the holiday period extends from Dec. 21 through Jan. 3. Each unit is required to maintain 25 per cent strength at camp, but by careful arrangement of schedules, the sergeant said probably all of the men would be home for a few days during the holiday period.

"The weather has been rough," Hedges said, "and wet most of the time. This has given some of the men colds. The only really nice days since the unit was activated came around Thanksgiving," he said, "which made it nice for relatives who made visits."

Housing is still critical for dependents, he said. The only available dependent housing is located at Leesville and is costly. Other housing is too far off for convenient commuting.

"The boys are in good shape, are getting good chow, and have few real complaints. They are doing their job and training well," he said. "We don't want the folks at home worrying needlessly about us."

Monday, the unit will be firing howitzers at the range again and Sgt. Hedges said the men are determined to be the best in the division. Each unit is rated on its ability to get the guns ready to fire on target.

"I have served in many units, but these boys are the most competitive I have ever served with," Sgt. Hedges said.

"But be sure to point out that we are doing fine and that conditions are as good as could be expected," the sergeant urged. "Frankly, we are embarrassed by all that publicity that isn't true."

Reviewing The

Big Spring Week

With Joe Pickle

Apparently, the Christmas shopping season is getting off to an early and substantial start. Downtown traffic got heavier, shopper browsing increased, and even the post office was swamped (though perhaps from first - of - the-month bills). A lot of people were spotting the Secret Santas (secretly designated clerks) and earning some extra dollars for the Christmas kitty.

• • •

The current cotton crop ought to be well-matured. Overcast skies, plus a little drizzle and then recurrent early morning fogs, practically halted the harvest. Now producers are beginning to wish for that hard freeze and clear weather.

• • •

Seldom have we known a midwinter Methodist conference to be better attended than the one held here last week when Bishop and Mrs. Paul Galloway were the speakers. An estimated 600 turned out for the session and heard reports of substantial progress.

• • •

The Social Security district office slated for Big Spring is due to begin operations here Wednesday. Heretofore, contacts have had to be made here once a week or by making a trip to Odessa. Temporary quarters will be at 207 W. 10th.

• • •

Seems like we can't get through a week without a traffic fatality in the area. Jerrell Dean Osborn, 38, swerving to miss a dog, killed the dog—and himself—14 miles northeast of Lamesa.

• • •

One of the most costly (and it could have been one of the bloodiest except for quick reactions of

USE CHRISTMAS SEALS AND HELP FIGHT TB!

W. Holcombe, Long-Time San Angelo Leader, Dies

SAN ANGELO (AP)—W.D. Holcombe, 90, former mayor and civic-business leader of San Angelo, died Saturday.

He was affectionately known as "Mr. San Angelo."

Born in a log cabin at Lonoke, Ark., he came to San Angelo in 1906 as a bookkeeper. In 1908 he acquired an interest in the San Angelo Press, and the next year started a job printing business that grew into one of the largest of its kind in West Texas.

He was state campaign manager for O.B. Colquitt in Colquitt's successful bids for governor in 1912 and 1914. He also directed Jake Wolters campaign for the U.S. Senate in 1912.

He was Tom Green County Democratic chairman and city councilman for a number of years. He served as mayor five terms in the 1920s.

He was president of the old Texas League when San Angelo was a member of the circuit.

He held executive positions with Western Reserve Life Insurance Co. and the Spartan Investment Co.

Mild Weather For December

By The Associated Press

The thermometer climbed into the 80s in South Texas Saturday and into the 70s in other sections of the state.

The Weather Bureau forecast that the unseasonably mild weather for December would be even warmer Sunday.

An early morning fog shrouded East and Central Texas Saturday morning, but lifted by midday. Skies were clear in West Texas and cloudy in other sections of the state.

Predawn temperatures Saturday dipped to 34 degrees at Dalhart and 39 at El Paso. They ranged up to 66 at Cotulla.

California Flood Threat Diminishes

LAKEPORT, Calif. (AP)—Some 500 evacuees returned to their homes in the Big Valley Saturday as flood waters dropped rapidly behind a threatened earthen dam.

Water which Friday threatened to wash out an uncompleted flood control dam on Highland Creek had dropped four feet below the top by Saturday morning.

Residents of Finley and the surrounding rural area four miles south of Lakeport were ordered to keep off the side roads as they moved to their homes.

Mahon Plans Full Day In Big Spring Tuesday

Congressman George Mahon comes to Big Spring Tuesday to put in a full day of speaking engagements and of visiting with friends.

The 19th District Representative will be here for the first time, on a formal basis, since the close of the last session of Congress. He has been touring all his 20-county district since he returned home.

Major talk of the day will be before a joint meeting of service clubs at noon Tuesday at the Settles Hotel. Big Spring Rotary is the host club, and is to be joined by the local Lions and Kiwanians, as well as the Coahoma Lions Club, and Kiwanians and Rotarians from Stanton.

Other interested persons are invited to attend, said Rotary President Ralph McLaughlin, by paying the price of the lunch.

Rep. Mahon is expected to make a report on national and world affairs.

He is to make three other formal appearances. At 9 a.m. he will speak to a student assembly at Howard County Junior College, and at 10:45 will talk to High School students gathered in assembly.

At 6:30 Tuesday evening, Mahon will be guest speaker at the annual banquet of the Lone Star District of Boy Scouts, where several hundred Scout leaders and volunteer workers are expected to appear.

GEORGE MAHON

Secret Santas Prove Elusive

Secret Santas in the Big Spring stores have managed to stay ahead of shoppers this week. On none of the three days were all the Santas found by customers.

A Secret Santa was found Friday afternoon at Cizon's Jewelry when Emory Parrish, 1403 Princeton, a downtown postman, quizzed Gordon Cizon on the matter. His investigation earned for him a crisp $10 bill.

Mrs. B. N. Ralph, 706 Main, located one of the elusive Santas at Zack's Friday. She asked Bettye Arnold the question and got the $10 answer.

Highway Death

ABILENE, Tex. (AP) — Herschel Box, 44, of Stamford, died Saturday shortly after he was lifted from his car on a highway near here. Officers said he apparently died from a heart attack.

TOYS!

Cheer Fund Needs Toys, Cash

Needed, right now!
Toys!

City firemen are renewing old toys which will be distributed to needy children on Christmas. They need more. Please look around your place today for playthings no longer used by your children, but which are repairable.

Take them to the nearest fire station, to the nearest Cosden station; or call AM 4-6083 and somebody will come and pick them up.

It's the Christmas Cheer Fund which buys repair parts and needed tools for the firemen to do their work. It also means Christmas goodies for hungry children. And, after Christmas, it is on call for the County Health Nurse to meet emergencies in destitute families.

The Cheer Fund had a lot of help Saturday, but must have a lot more. If you'll join in this goodwill program, please make your check to CHRISTMAS CHEER FUND, and mail it to The Herald.

Thanks to these new helpers:

Seal Sales Lagging

Money is coming in slowly in the annual TB Christmas Seal sales, Mrs. George Peacock, publicity chairman, reported late Saturday.

"Through today we have received only $2,337 of the needed $6,000," she said. "This means that only $148 has come in during the past three days."

The seals were mailed out several days ago by the Association.

"The big problem today," Dr. J. H. Burnett, president of the Howard County Tuberculosis Association, said, "is the program of education and understanding of citizens. The average citizen does not realize that there are 40 million Americans infected with TB. Two million of those are in Texas and 6,000 of them are not hospitalized.

"The nation's Number One killer took 11,000 lives in the nation in 1960," he said. "The money coming in from seal sales is the main means of giving every one an opportunity to help combat the infection and to educate the average person to what can be done to cure the disease."

Portugal Expels U.S. Missionaries

LISBON, Portugal (AP) — Portugal ordered the expulsion of four American Methodist missionaries Saturday on charges they "connived with groups of terrorists" in the strife-torn Portuguese West African territory of Angola.

Marriage To End

HOLLYWOOD (AP) — Dinah Shore and George Montgomery announced Saturday they will be divorced, thus ending one of Hollywood's so-called dream marriages.

Stamps Total $9,028,900

AUSTIN (AP) — Sales of cigarette, liquor and wine stamps in November totaled $9,028,900, State Treasurer Jesse James has reported.

The month's total in state income was $469,160 more than November 1960 but was a drop of more than $600,000 from October.

Cigarette tamp sales totaled $7,976,347, liquor, $1,481,638 and wine, $170,915.

Annual Bargain Offer

The Herald today opens its Annual Holiday Bargain Rate Offer for yearly payments on papers delivered to homes in Big Spring.

From now until January 1—positively for this month only—the yearly subscription may be obtained for $18.45, plus state sales tax of 37 cents—a total of $18.82.

This is more than 10 per cent off from the price you pay weekly; and, very important to you, this one-time payment means that you will not have the worry of weekly collections by your Herald newsboy. Your newsboy receives his full share of profit when you make your annual payment. It is a help to him, too.

You will want to take advantage of this Bargain Offer, for savings and convenience. Remember, this reduced, one-time rate is for the month of December only. The Herald delivered to your door throughout 1962 for $18.45, plus tax of 37 cents—a total of $18.82. Mail your check today.

Pet's Gift Idea Launches Business

By SAM BLACKBURN

Have you bought Fido his Christmas gift?

If not, may it be pointed out that the time is fleeting and it's much later than you think?

Eight or nine favored canines of Big Spring will be proud and happy on Christmas morning. Their owners already have remembered them and their Christmas present.

These wag-tails will be wearing gorgeous red Christmas robes, which feature their names in gaily glittering letters and are festooned with Christmas bells and wreaths.

And thereby hangs a tale.

It has to do with inventive Judy Caddell, aged 12½ years, her Dalmatian pooch, Prince, and Judy's sudden decision to go into business.

Judy is the young daughter of Mrs. Juanita Caddell, 1701 Aylford. She is a student in Goliad Junior High School and has a knack for sewing and such.

She decided that Prince, who is a polka-dot character with a lot of pep, needed a fancy robe for the Yule. So she purchased some warm red material, fitted the material to Prince (who isn't the best possible model, by the way) and produced the garment.

It covers his back, hooks neatly under his tummy and fastens just under his throat. The fore portion is quilted for additional warmth and color.

Judy then used generous helpings of Christmas glitter to trim the robe and letter Prince's name on the sides.

The upshot was that Prince became just about the best dressed pooch you'll find in the Aylford part of town.

Judy had a thought.

"Maybe," she reasoned, "other dogs would like to have gay robes like Prince's."

She dressed Prince up in his robe and, using him as a sort of walking display, canvassed the neighborhood.

She was right.

All of the style-conscious hounds in the neighborhood wanted robes like the one Prince has. As a result of her sales tour, she collected orders to make eight of the robes.

The price for an ordinary sized dog is $1.

"For great big dogs," observed Judy, "I have to charge $2."

She has already completed and delivered a number of robes and is busy each afternoon whipping others in shape.

"Prince likes his robe," she observed, "and I guess the other dogs like theirs, too."

Prince Pleased With Pretty Present

Judy Caddell and her dog display gay Christmas jacket she designed to make canine happy. Now she's busy making jackets for other dogs.

'Secret Army' Finds Opposition

AVIGNON, France (AP) — The mayors of Vaucluse Department decided Saturday to stand fast against threats by the anti-government "secret army" and to fight back violently if necessary.

Ellis Proposed For Lions Post

MIDLAND—The Midland Downtown Lions Club has announced sponsorship of David M. (Doc) Ellis for governor of District 2A-1, Lions International, for 1962-63.

Copies of a resolution adopted by the club and endorsing Ellis' candidacy have been mailed to all clubs in the huge West Texas district, which now is headed by J. T. Jones of Goldthwaite. Delegations from Midland's Downtown Club will visit the district clubs early next year.

Ellis currently is serving as deputy governor at large.

He is a charter member and past president of the Midland Downtown Lions Club. He has served the district as zone chairman, public relations director and as cabinet secretary-treasurer. He has assisted in the organization of more than 30 new Lions Clubs in West Texas during the last several years. He is the holder of the Monarch Key for bringing more than 150 new members into Lionism.

Ellis is also active in membership work of the Midland Chamber of Commerce and in affairs of the Boy Scouts and the First Baptist Church.

A resident of Midland since 1924, Ellis currently is serving as justice of the peace here.

Chinese Film

TAIPEI (AP)—Shooting begins Monday on the first Chinese opera ever to be filmed in Formosa. The color project is titled Liang Hung-Yu for a heroine of the Sung Dynasty.

Hospital Group Re-Elects Smith

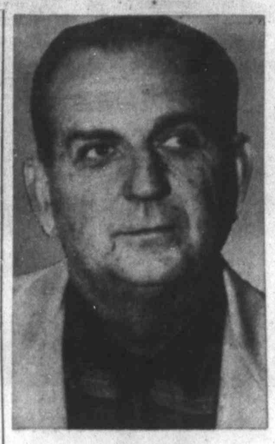

Jack Y. Smith has been re-elected president of the State Mental Hospital Development Association.

Smith has been active in the organization, headquartered at Odessa, for several years. In addition, he served as the initial chairman of the volunteers advisory council to the Big Spring State Hospital.

The SMHDA, as its name implies, is an organization devoted to improvement of programs and facilities in the state's mental hospitals. A prime beneficiary of its interest has been the Big Spring State Hospital.

Director of industrial relations for Cosden Petroleum Corp., Smith is well known for work in various community affairs, including the Lions Club, Boy Scouts, Red Cross and other agencies. He is a former city commissioner. Currently he is vice chairman of the Volunteer Services Council for Texas State Hospitals and Special Schools.

Thomas E. Rodman, Odessa attorney, has been named vice president of the association, succeeding Mrs. Leland R. Croft, Odessa, founder of the SMHDA. Rodman is a member of the Odessa Chamber of Commerce, Odessa Junior Chamber of Commerce and the official board of the First Methodist Church. He has served as director and vice president of the Ector County Bar Association and was the first president of the Friends of the Ector County Library.

JACK Y. SMITH

Mrs. G. H. Doelling Jr., Odessa, is serving another term as secretary - treasurer of the association.

Farm Meeting

WACO (AP)—Close to 500 delegates are expected for the convention of the Texas Farmers Union in Waco on Dec. 8 and 9.

Expert Says Red Missilemen Ahead

RUSTON, La. (AP)—A former German army guided missile expert says the "Russians will be able to intercept and shoot down our satellites within a few years, but we will not be able to shoot down theirs."

Dr. Walter Dornberger, former major general and commissioner for the German reich for all guided missiles, addressed the aerospace education symposium at Louisiana Tech. He said he based his predictions on the Soviet rate of development as opposed to the American rate.

Dornberger, vice president and chief scientist for Bell Aerospace System Co., said the Soviet satellite program is advancing more rapidly than that of the United States.

Explosion Blamed On Open Gas Jet

Nobody was injured but considerable damage was done to a residence at 2201 Nolan Friday afternoon when an open gas jet caused an explosion. Three windows were blown out and a sheetrock wall between the bathroom and bedroom was blown down, Fire Chief H. V. Crocker said.

Crocker said residents of the house believed a small 2-year-old boy turned on the gas which was later ignited. The boy was in the bedroom when the wall was blown over, and Crocker said it fell over him but did not injure him. A hamper of clothes in the bathroom was burned.

The residence, owned by Harold Broughton, was occupied by the Raymond Sims family. The boy's older sister was in the house at the time of the explosion.

Gas, leaking from a rubber hose connection under a bathroom heater, caught fire and burned the house at 500 Owens at 9:40 a.m. Saturday, resulting in firemen being called.

Firemen said there was no other damage to the residence occupied by the L. E. Burks family.

A call at 8:15 p.m. Friday took firemen to 606 E. 15th, the the Bluford Turner residence. A short in a light fixture was the cause, but no damage resulted.

C. E. Cates Dies Thursday

COLORADO CITY, (SC)—Charlie E. Cates Jr., 56, of San Angelo fell dead in a Mitchell County cotton field Thursday about 3 p.m. Justice of the Peace T. E. Arnold ruled that he died of an asthmatic heart stoppage.

Mr. Cates was pulling bolls on a farm 12 miles south of Loraine at the time of his death. Services will be announced from the Johnson Funeral Home in San Angelo. Burial will be in the Lawn Haven Memorial Gardens.

He is survived by one son, Jack Cates, San Angelo; two daughters, Mrs. Doris Moody, San Angelo, and Mrs. Eola Puckett, DeQueen, Ark.; six brothers, Henry Cates, Raymond Cates and Burt Cates, all of San Angelo, Clarence Cates, Odessa, Rufus Cates, Abilene, and Joe Cates, Longview; one sister, Mrs. Maude Bryan, San Angelo; seven grandchildren.

Bird Must Find Another Roost

DETROIT (AP) — An abstract sculpture called "Bird in Flight" has been told to find another place to roost.

The sculpture now perches on the easement between the street and the sidewalk in front of an art gallery. Gallery owners William House and Ernest Aretakis were told it violates an ordinance.

House said he and Aretakis installed the sculpture to "add beauty to the city."

He said 1,000 people in the neighborhood had signed petitions urging the Common Council not to disturb the sculpture.

But the council said it must be moved.

Almost Empty Shelves

Mrs. T. P. Musgrove, left, and Mrs. J. T. Grantham put the first gifts on decorated shelves in preparation for the Christmas Gift Shop which begins Monday at the Veterans' Administration Hospital. An open house Sunday from 2-4 p.m. will give visitors a look at gifts first.

More Presents

As presents are taken by patients, the shelves will need constant replenishing. Those gifts are sent home by patients as Christmas presents for members of the immediate family. Mrs. H. D. Bruton, left, and Mrs. Harry Lees give a hand in the preparation for the open house.

Gift Shop Preview At Open House

By JOE BEYER

Santa has been preparing for Christmas most of the year at the Big Spring Veterans Administration Hospital.

Monday he opens the doors to his Christmas Gift Shop and starts giving away presents to patients at the hospital so they in turn can play Santa for their loved ones.

The public will get a sneak preview of the annual Gift Shop Sunday at an open house between 2-4 p.m. Gifts which members of the American Legion Auxiliary have made, solicited and purchased during the year will be shelved and ready for taking. They will be displayed in the main lobby of the hospital.

PROJECT

The Gift Shop is a project of the local Auxiliary and other American Legion Auxiliaries in the area. They work together to provide the gifts and help dispense the items and mail them.

Enough items are made available for the needs of all patients. Those who can walk or be taken in wheelchairs are brought to the shop to select gifts. Bed patients are given personal service by Auxiliary volunteers.

The idea originated in 1921 at the Kerrville American Legion Hospital. It caught on quickly and since the Veterans Administration took over the hospital, has been instituted in all VA hospitals.

According to Edna Henke, hospital chairman at Kerrville when the program was instituted, a Sunday School Class brought gifts to patients at the hospital. The gifts were to be sent home to parents and members of the immediate family.

800 ITEMS

The requirements of each patient are known in advance. A total of about 800 items will be needed this year to serve 238 patients, according to Mrs. Ara Cunningham, volunteer director. This represents an investment of about $3,000 by the Auxiliaries.

Local Auxiliary volunteers donate postage for the packages as well as furnishing numerous hours of help during the period of the gift shop. The shop is open four days.

Volunteers wrap, address and mail the gifts for patients. Last year there was not one gift returned because of illegible writing or improper addressing, according to Mrs. Cunningham.

Assisting local volunteers in the shop this year will be Auxiliaries from Seminole, Snyder, Stanton, Slaton, Odessa, Roscoe, Sweetwater, Lubbock and Midland. If the weather is unsuitable for travel, some of the out-of-town volunteers may not be able to help, but the shop will go on.

MOST OF WORK

"At times the local Auxiliary had to do most of the work because of bad weather, but this has not stopped a Gift Shop yet," Mrs. Cunningham said.

Another local group assisting Mu Zeta Sorority. The sorority the Auxiliaries this year is the will provide volunteers to dispense gifts and prepare them for mailing.

Donors to the gift shop include the South Plains Navy Mothers Club, Lubbock; Auxiliaries from Stamford and Munday; the Women of Construction, Big Spring; and other occasional donors and individuals.

WAYNE RENSHAW

Renshaw Comes To B'Spring As Bell Engineer

Wayne Renshaw Jr. of Midland has been transferred and appointed exchange engineer for Southwestern Bell Telephone Co. in Big Spring. The announcement was made by District Engineer W. T. Webb of Midland, who said the appointment is effective immediately. Webb said that exchange engineer is a newly created position here.

Renshaw began his telephone career in Fort Worth as a fieldman in 1951. He has been facilities engineer for the company in Fort Worth, Mineral Wells and Midland, which is the position he held in Midland prior to his transfer here.

He attended Texas Christian University. He and his wife have three children. They will move to Big Spring in the near future.

Guard Holiday Dates Are Fixed

FORT POLK, La. (AP)—Christmas holiday dates were fixed at Fort Polk Saturday.

Maj. Gen. Harley B. West, commanding general of the 49th Armored Division, said the leave period would begin at retreat (5:30 p.m., CST) Dec. 20 and end at reveille (5:50 a.m.) Jan. 4.

About 20 per cent of the division's personnel will be required on the post at all times to carry on necessary operations. West added that commanders will alternate personnel so as to give each individual as much holiday as possible.

ONE SPIRIT

By T. H. Tarbet, preacher,
Church of Christ, 2500 West Highway 80
P.O. Box 1283.

"There is . . . one Spirit" (Eph. 4:4). This is the Holy Spirit, the Spirit of God and of Christ (Mat. 28:19; Rom. 8:9). In the King James version we often have "Holy Ghost". "Ghost" is the old English for "spirit".

The Holy Spirit is a person, and is spoken of as "he". ". . . The Holy Ghost, whom the Father will send in my name, he shall teach you . . ." (Jno. 14:26).

The Holy Spirit is linked in a unique way with the Father and the Son, and men are baptized in the name (not names) of the Father, the Son and the Holy Ghost (Mat. 28:19.

Satan had filled the heart of Ananias to lie to the Holy Ghost, and as a result he had "not lied unto men, but unto God" (Acts 5:3, 4).

In spite of these Scriptures, some religious groups have taught that the Holy Spirit is not a person, but lifeless power. One group has put out their own private Bible translation (so called), in which the Holy Spirit begin with small letters. Yet some say that one religion is as good as another!

Plan to be with us Sunday.

—Adv.

Finishing Touches

Christmas shopping can hardly be called that without a Christmas tree. Here volunteers from Odessa assist the local American Legion Auxiliary decorate a tree for the Gift Shop. Left to right are Mrs. Troy Bowers, Mrs. Paul Pennington, Mrs. A. F. Bird and Mrs. Dorothy Johnson.

DeMolays Provide Evening Of Laughs

Twenty-four boys, members of the Leon Moffett Chapter of DeMolay, brought a lot of laughter from the audience during their "Traffic Stopper" style show Friday night at the HCJC student union building.

Modeling girls' and women's clothing was featured, including high - heeled shoes — where the boys could find shoes to fit.

"Some of the boys had to practice quite a while to be able to stand up and model," Curtis Beaird, one of the advisors, said Saturday. "Those high - heeled shoes posed some problems.

Dresses, and other costumes worn by girls and women, were provided by mothers, sisters, aunts, and cousins, Beaird said.

"You should have seen some of the styles, filled out with stuffing in the proper places, hats, sweaters, dresses, pedal pushers, shoes, (and ribbon bows where shoes would not fit) that those 24 boys had rigged up. And they knew just how to walk, stand, turn, and twist," he said. "They rehearsed Thursday night."

About 60 people turned out to see the show in the small assembly room at the student union building. Beaird said the boys cleared over $100 from ticket sales, to be used in their projects for the year, including the March of Dimes contribution.

Punch and cookies were served those present, and two small boys, dressed as French cigarette girls, helped with the serving.

Cox Accuses Democrats Of 'Quit-itis'

MIDLAND (AP)—An epidemic is sweeping the Texas Democratic party, Jack Cox said Saturday night.

Cox, a 1960 candidate for Democratic nomination who is campaigning for the 1962 Republican nomination for governor, spoke to a GOP rally.

The state Democratic party is sick with "quit-itis," Cox said in his prepared remarks.

"Now, there are two types of quit-itis which increasingly plague the Texas Democratic party. First, conservatives . . . the supporters of good government . . . have been quitting the Democratic party in droves. I am proud to be listed among them. I 'quit' the Texas Democratic party to affiliate with the conservative Republican party.

"It is the other type of quit-itis which now demands the attention of the Texas voters," he said. "There seems to be an epidemic of Democratic office holders who want to 'quit' their responsibilities for personal political gain regardless of the welfare of the nation or our state. Price Daniel was the 'carrier' of the political germ which now threatens to become a Texas political epidemic."

Cox said another victim is Navy Secretary John Connally, who reportedly is considering becoming a candidate in the Texas governor's race.

"You've read that Will Wilson has already announced that he is 'quitting' as attorney general to run for governor," Cox said. "He tried to 'quit' earlier when he ran for U.S. senator, a race where he ran fourth against Republican John Tower."

Cox said his platform is to "begin"—"I want to begin to take the vote of every Texan out of Lyndon Johnson's hip-pocket and give it back to you so that you can hold your head high in the knowledge that your voting franchise is once again in your hands."

Col. Wiemer To Head Drive

Col. Robert Wiemer will be chairman of Howard County's Heart Fund drive, Mrs. Imogene Lloyd, county heart association president, announced Saturday.

The annual nationwide fund raising campaign, which supports research, education and community service programs of the American Heart Association, begins with the opening of Heart Month on Feb. 1, 1962. The drive will reach its high point on Heart Sunday, Feb. 25, when scores of local workers will conduct a door-to-door canvas among their neighbors.

Col. Wiemer is losing no time in setting up an organization for the campaign. Monday at 7 p.m. he is to meet committee members at the Officers Club at Webb AFB to talk about plans for the all-out appeal.

"I undertake this assignment with a keen sense of responsibility," said Col. Wiemer, "for the Heart Fund is a partnership between the public and the nation's physicians — a partnership that has given us reason to be hopeful in our efforts to combat heart disease. Through the gifts and the research and other programs they make possible we may someday conquer heart disease."

Announcement of key committee appointments will be made soon, Col. Wiemer indicated.

COL. ROBERT WIEMER

Dial Telephone Service Begins

WESTBROOK (SC) — Dial telephone service came to Westbrook at noon Thursday. Altis Clemmer, mayor of this city of 215 persons, dialed the first number. The Westbrook system has a total of 74 phones. The prefix is GRanite 8.

Southwestern Bell Telephone Co. will conduct an open house in the new telephone building on Wednesday from 2 p.m. until 6 p.m.

Truman Black, area manager, stated the open house is being held to give Westbrook customers a chance to see the new dial system work. Since the building is small, Black said a tent would be erected nearby to serve refreshments. A special invitation will be extended to teachers and pupils of the Westbrook school, as well as to each telephone customer.

Black said a special exhibit, that allows each visitor to hear his own voice as it sounds on the telephone, will also be in the tent for the entertainment of visitors.

Norma presents a 100% Dacron "Meg Marlowe" Christmas Dress. Beautifully tailored in high festive colors, sizes 10 to 18. A dress that is more than ready for those parties ahead.

This Bird Is Bug-Eyed

This PQ-14 drone, recently bought surplus and flown to Big Spring from San Antonio by Lt. Frank Strickler of Webb AFB, is housed at Howard County Airport. Upper photograph shows the high fins and low, sleek lines of the little one-place craft with collapsible landing gear. The small photograph at the left shows the "bug-eyed" appearance of the front where a Franklin 155 engine powers the plane. Lt. Strickler will have the little plane repainted and reupholstered.

WINGS OVER BIG SPRING

Weather Slows Flying, Airman Remodels Drone

By M. A. WEBB

Weather, since Thanksgiving weekend, has been a torment to private flying at Howard County airport.

"There has been some transient flying-through but most local pilots have remained grounded since Sunday," Ted McClung, airport manager, said Thursday. "Some business trips, where necessary, have been made."

* * *

While he was talking a transient craft passed over for a landing, asked wind direction, etc, and came on in. As he approached the hangar the radio blasted, "Just need a little juice and slickum and I'll be on my way."

* * *

A new kind of flying machine has appeared at the airport. Lt. Frank Strickler of Webb AFB went to San Antonio and bought one of the government PQ-14s and had it brought in. The low, wide-winged, single place craft is powered with a Franklin 155 engine, is fully acrobatic and cruises at 180 miles per hour.

The little craft has collapsible landing gear, a high tail, and is sharp enough to fly over a watermelon and slice it with the rear of the fuselage.

It was formerly a drone and was radio controlled. Some 457 pounds of radio and electronic equipment was stripped from the little plane before it headed to Big Spring. There are no landing or other type lights on it. The fuselage, from propeller to tail, measures about 21 feet and the wing spread is 30 feet.

Standing in front, and looking at the power plant housing only, one is reminded of the Jules Verne submarine Nautilus in "Twenty Thousand Leagues Under the Sea."

"It brought quite a few spectators when it flew in," McClung said, "and will probably bring quite a few more. The lieutenant plans to repaint and spruce up the craft."

* * *

Nancy Lee Kasch, 10-year-old daughter of Mr. and Mrs. Paul Kasch, took an airplane trip with her dad in the Comanche down to Brown County last weekend on a deer hunt. Both got their bucks and flew them home Sunday.

"The sheriff down there put us on stands," Paul said. "He was with Nancy. After a time a young buck drifted past and the sheriff gave a shrill whistle. The deer stopped and looked. Nancy aimed and fired. The buck dropped. It was her first."

But Paul said folks should have seen them trying to get the animals out of the airplane. They went in OK but were frozen when the time came to take them out—too stiff for maneuvering.

* * *

"Sunday was such a fine day that I believe everyone who has an airplane was out flying," McClung said. "Several people from town came out to watch and many of those got rides."

* * *

Venturing out during the weather since Sunday on flights were Dr. and Mrs. B. Broadrick, Dr. and Mrs. F. W. Lurting, and Bert Andreas. Some of the Webb Aero Club members were out, and Cosden's planes made several trips.

Navy Recruiter Lists Holiday Policy, Plans

The local Navy Recruiting Station has announced that plans have been made concerning recruiting policies during the Christmas period.

For the benefit of men desiring to leave after Christmas, applications may be submitted any time, with all preliminary tests and physical examination taken before actually leaving. After an applicant becomes qualified, he may then set the date he actually leaves for enlistment.

The procedure is for the enlistee to go to the local Recruiting Station, in the Post Office Basement, take a screening test, and then, he is sent to Abilene for the Armed Forces Qualification Test and physical examination. If qualified, the applicant may then set his date for enlistment.

Recruits from the Big Spring area go to Albuquerque, N. M., to be sworn in, and then are sent to San Diego, Calif. for recruit training. Men re-enlisting in the Navy are sent to Albuquerque for enlistment, and to the Naval Receiving Station, San Diego, for duty assignment. Any further questions may be asked at the recruiting station.

Formosa Starts Nuclear Reactor

TAIPEI, Formosa (AP)—A button pressed at a ceremony in Taipei Saturday started operation of Nationalist China's first atomic reactor, built at Hsinchu, 40 miles away, at a cost of $1.15 million.

238th Meeting

SEOUL (AP) — The U.N. Command announced the 238th meeting of the military armistice commission secretaries will be held at Communist request in the joint security area near Panmunjom Tuesday. No reason was given.

MEN IN SERVICE

William H. Childress, electronics technician second class, USN, son of Mr. and Mrs. T. L. Childress, 1311 Johnson, while serving aboard the guided missile light cruiser USS Topeka, participated in a large-scale Navy and Marine Corps training exercise observed by Admiral George W. Anderson, chief of naval operations, on Nov. 18, off the coast of Southern California.

* * *

Marine Pvt. Kenneth W. Newsom, son of Mr. and Mrs. Robert L. Newsom, 1600 Donley, completed recruit training, Nov. 21, Depot, San Diego, Calif. New marines next go to Camp Pendleton, Calif., for combat infantry training.

* * *

"Butch" McMurray, son of Mr. and Mrs. Ted McMurray, 112 Elm Drive, and Don Drake, son of Mr. and Mrs. Jack R. Drake, 800 Creighton, are now stationed aboard the Navy Guided Missile Destroyer, USS Henry B. Wilson. After a period of shipboard indoctrination, they will be transferred to Electrician's Mate School in San Diego, Calif. They enlisted in the Navy in August, under the High School Graduate Training Program, which assures them specialized schooling.

The period of shipboard indoctrination will include introduction to Navy life aboard ship, several cruises, and general training provided all new Navy men. The ship they are on is stationed at San Diego, and is one of the Navy's newest ships.

Texas Colonel Is Honored As Chaplain Of Year

WASHINGTON (AP)—A colonel reared and educated in Texas was honored Saturday by the Reserve Officers Association as chaplain of the year.

The honor went to Samuel Bays of the Air Force, chaplain of the 26th Air Division, Hancock Field, Syracuse, N.Y.

Col. Bays was born in Dublin, Tex., Aug. 8, 1911.

He graduated from Lingleville (Erath County) High School in 1929 and from 1929-31 attended John Tarleton College, Stephenville, where he studied a pre-med course.

However, in September of 1932 he abandoned pre-med studies and entered Howard Payne College to study for the ministry.

The reserve board, in picking the chaplain, said "He has contributed greatly to the development of the spiritual and moral program of the Air Force chaplaincy. His counsel and cooperation in the area of civilian-military ecclesiastical affairs have constituted a valuable contribution to interfaith relationships. His knowledgeable skill, staff leadership, mature judgment and keen analysis combined with unselfish devotion to duty, have strengthened and enhanced the mission of the Air Force chaplaincy."

Col. Bays received his first parish at Balmorhea, Tex., where he was minister from 1937-1939. He served overseas in World War II and has received numerous decorations.

Chaplain Bays is married to the former Erma Lee Gilbreath of Stephenville. They have one son, Samuel Bays II, 14. His mother, Mrs. Mary Irene Bays, lives in Stephenville.

SCS Testing, Charting Various County Soils

By the end of 1962 the different types of surface soil in Howard County should all be described and charted, according to Ben Day, work unit conservationist with the Soil Conservation Service.

Soil scientists with the SCS have been making a survey of soil throughout the United States, analyzing its contents, describing its characteristics, measuring the depth and erosion and gathering other statistics which can be used by the farmer, rancher or anyone else interested in the land.

Great strides have been made in obtaining facts about the soil in this area. Since the beginning of the Standard Soil Survey in 1958, more than 475,000 acres of land have been tested and described in the area of the Martin-Howard Soil Conservation District.

Most of the land already tested lies in Howard County. A total of 400,334 acres of the 583,700 acres in the county have been completed.

In accomplishing this, Herbert Stoner and W. D. Mitchell, soil scientists with the Soil Conservation Service, have driven over most of the county's 891 square miles taking samples about every tenth of a mile to be able to accurately establish the bounds of surface formations.

To obtain samples of the soil, the scientists use a machine which extracts a 40-inch core from the soil. This soil can be analyzed quickly to determine its characteristics. Each sample adds a bit of information to what will one day be a voluminous file.

The soils are given a local name which is easily recognized in this area as well as a number symbol which is used throughout the United States. Anyone familiar with either symbol can immediately know much about the soil and its potential without seeing it.

Color, texture, structure, consistence, insect activity, acidity, alkalinity, etc. are all determined. When such factors are known a person can determine what is required to make the land productive. Value of land can be determined more easily.

Boundaries of the varying soils are outlined on aerial photographs to give a picture of the changing scene. Each area is designated so one look at a map tells the viewer most of the information he needs to know.

Day urged farmers and ranchers to cooperate with the soil scientists. He said the work appears strange to one who does not know what is being done and the scientists are often questioned about their activities.

An easement is always obtained from the owner of the land before the samples are taken. If you are a property owner you have probably met Stoner and Mitchell already. If you have not, chances are they will be dropping in to see you soon.

Scientific Tests Of Soil

Herbert Stoner, soil scientist with the Soil Conservation Service, is shown running tests on a sample of dirt taken for a survey currently being run in Howard County. He is one of two scientists working in the area. A sample of the surface earth is obtained with a power-operated hydraulic sampler. The machine can take a core up to 40 inches long, saving much time in determining horizons and decription.

Duchess Dies Wednesday

Anna Gould, 86, Duchess of Talleyrand, last surviving member of the Jay Gould family, died Wednesday in Paris.

Her European marriage and subsequent divorce prior to remarriage to the Duke of Talleyrand made headline news prior to World War I.

Her father was the financial genius that forged some of the nation's railroad empires, and as the guiding hand of the Texas & Pacific Railway Company for many years, he occasionally visited in Big Spring.

Another of his daughters, an elder sister to Anna, Helen Gould Sheppard, was largely responsible for the construction and operation of the railroad YMCA here in 1902. Indeed, it was she who furnished it with a library, about the finest in this area at the time.

If Anna ever visited Big Spring, there is no immediate record of it. She was married to the Marquis Boni de Castellane in 1895, and reports at the time said that Gould, who was then the nation's leading railroad magnate, bestowed $15 million dollars upon her to set herself up in style in France.

When they were divorced in 1906, the Marquis allegedly had gone through $3 million dollars of the marriage gift and had debts approximating 4.6 millions. Anna won the custody of their three sons.

She married Prince Herzog de Sagan, heir of the Duke of Talleyrand in London in July of 1908. Upon the death of his father, her husband became Duke of Talleyrand in 1910. He died of a heart attack in Paris Oct. 26, 1937 at age 78.

The duchess leaves one daughter, Countess Helene de Portales, 46, who was born of her marriage to the duke.

Yule Mail Plan Set

WASHINGTON (AP)—The postman may ring only once a day during the Christmas rush, but the Post Office Department says delivery should be at least as fast as in the past and less costly.

The key to the new mail scheme, a department spokesman reported, is using the regular carrier to break up a route, to help assign temporary extra carriers to the fragments and to "case" or sort the mail.

Then, when the temporary extra carriers report, the entire day's accumulation of mail will be ready to be delivered by them along the route sections.

In past Christmas rush periods the Post Office often made two or more deliveries a day to keep up with the mail.

The plan was tried on an experimental basis in some areas last year, the spokesman said, and served about 12 per cent of delivery costs.

Teacher Leaves $6 Million

WASHINGTON, Kan. (AP) — Few persons in this northeast Kansas village realized the retired school teacher in their midst was worth $6 million.

Miss Margaret Baker, who died Nov. 21 at age 79, taught school 34 years before retiring about 25 years ago.

"Most people thought she had a little money from some wise investments, but only a couple of us knew just how wealthy she was," F. R. Lobaugh, attorney for the estate's executor, said.

Miss Baker owned International Business Machine stock worth $5½ million, 12 farms around Washington, and other land in Thomas County, Kan., and Hayes County, Neb.

Lobaugh said Miss Baker inherited a little money from her father, Thomas Baker, a carpenter who patented a device used in scales.

Miss Baker's will lists 166 relatives and 40 farm tenants as heirs.

Punishment

DETROIT (AP)—A man called a Detroit bar and gave Norbert Palin the horses he wanted to bet. Palin wrote it down.

All three horses won and the payoff was worth more than $400.

But the caller still lost, Palin, a policeman, was in the bar to arrest the owner, Damon Fender, 36.

Fender was convicted of engaging in an illegal occupation and released with a suspended sentence. Recorder's Court Judge John Ricca said he figured it would be a fitting punishment for Fender to have to explain to the caller why he won't collect.

DISTRICT SCOUT BANQUET TUESDAY

Repeat Performance For Rep. Mahon

Rep. George Mahon will be doing a repeat performance for the Lone Star Boy Scout District when he addresses its annual banquet Tuesday at 6:30 p.m. in the Cosden Country Club.

He was the speaker several years ago and since that time district officials have wanted him back.

The affair, which honors volunteer leaders serving in the Lone Star District (Howard-Glasscock-Sterling counties), will mark the beginning of a new year's work for area scouting. Officers, headed by R. L. Tollett, district chairman, will be installed.

The annual meeting will find the district with membership on an upward trend. At the end of November there were 622 Cubs as compared with 556 a year ago, 191 Scouts as against 574, and 143 Explorers against 157, or a total of 1,266 as compared to 1,287 the previous year. However, the figures last year included Cubs, Scouts and Explorers registered in Martin County, and this year they are in the Coahuila district which includes eastern Midland and Martin counties. Thus, even with the loss of Martin County, Tollett is confident the district will register a membership gain.

Unit leaders will be recognized at the banquet, and those who have attained their Roundup goals will be given awards. Sam Mellinger will have a special recognition for young men who have become Eagle Scouts during the year.

Ira Schantz will be the vocal soloist for the evening, and demonstrations will be given by various units. Den 5, Pack 14 will put on a Cub skit. Troop No. 9 will demonstrate the meaning of the Boy Scout badge. Post, Air Squadron 236 and Sea Scout Ship 136 will stage an Explorer (senior boy) demonstration.

Douglas Orme will serve as master of ceremonies. The Rev. Dewitt Seago, First Methodist pastor, will word the invocation and Ben Johnson the benediction. P. V. Thorsen, Midland, Buffalo Trails Council executive, will install the officers. Between 200 and 300 adults are expected for the affair. Tickets ($1.50) may be had at the Cosden reception desk, the Herald, or the Chamber of Commerce.

Halfway House Plans Shelved Temporarily

A Halfway House planned for patients of the Big Spring State Hospital has been temporarily shelved, according to Dr. Preston E. Harrison, superintendent.

A house for the project was leased, but the arrangement was discontinued when neighbors in the vicinity complained, Dr. Harrison said.

The program is designed to help those recovering from mental illness to take the step into active participation in society gradually. Patients who are judged to have progressed sufficiently can live off the hospital grounds and work to earn their living. They live as a group and paid staff members live with them during the transitional stage.

Patients are carefully selected. Many are middle-aged patients who are well enough to live outside the hospital, but need a protective environment to develop forgotten social skills and self confidence. No patient with an alcoholic or addiction history is allowed into the program.

"The citizens in Big Spring have always been so receptive to our programs for improving treatment for patients that we did not foresee any objection," Dr. Harrison said. "If we had, the matter could have been delayed until a suitable place was found.

"We hope someone who has a suitable house will offer to lease it for this use," Dr. Harrison said, adding, "We did not anticipate this happening."

SS Office To Remain Open

As a convenience for those who cannot come during the day, the Social Security office at Odessa is to remain open until 8 p.m. on Dec. 7 and Dec. 14, H. P. Thomas, manager, announced Saturday.

Thomas said that recent changes in the Social Security laws had generated a potentiality for such a volume of contacts that the office will be kept open past normal hours once a week.

One of the changes in the law is the possibility of some benefits to the family of persons 65 years and older who prefer to keep working. Instead of a previous maximum earning of $2,080 (or $100 per month in wages), the new ruling is that the worker can earn up to $4,000 per year and still receive some Social Security benefits. A person 72 years or older can receive all benefits regardless of earnings.

Full information is available on this and other changes at the office at 1428 East 8th, Odessa, said Thomas.

M'Ewen Named To Position With Dealer Assn.

R. H. (Bob) McEwen, local Buick-Cadillac dealer, has been appointed an associate director of the Texas Automobile Dealers Association.

Announcement of the appointment was made by TADA President C. C. Gunn of San Antonio.

He said that McEwen will work closely with Horace Holly of Abilene, who is the TADA director for the West Texas area.

Membership of the TADA includes 1,200 factory-authorized new car and truck dealers. "Our purpose," said Gunn, "is to maintain a high plane of commercial integrity for those engaged in the new car and truck business."

Construction May Pass $1 Billion

DALLAS (AP) — Texas construction contract awards again likely will exceed $1 billion this year, the Texas Contractor said Saturday.

The buildings trade magazine said November contracts totaled $69,761,353, pushing the year total to $938,732,370.

Contracts awards in November of last year were a record $98,399,594 and the year total stood at $963,714,832. Thus awards lagged by about $25 million.

Dr. Grollman To Speak Here

Dr. Arthur Grollman, chairman of the department of Experimental Medicine of the Southwestern Medical School in Dallas, will visit the Veterans Administration Hospital Dec. 5-7 to give lectures on a wide range of subjects, according to V. J. Belda, manager.

He will give two lectures each day, at 11 a.m. and 3 p.m. Interested medical personnel in this area are invited to attend, Belda said.

Dr. Grollman is considered an outstanding lecturer and is an authority on many medical subjects. He was one of two American doctors who addressed a medical seminar of NATO country doctors in West Berlin recently.

Bar Discusses Federal Court District Swap

Ten members of the Howard County Bar Association met at the Cosden Country Club at noon Saturday. Senator Dorsey Hardeman of San Angelo spoke to the group and extended an invitation for the consideration of changing Howard County from the Abilene Federal Court district to the San Angelo district.

Senator Hardeman pointed out that cases could be brought to trial sooner if they were heard in the San Angelo court than in Abilene, according to Joe A. Moss, president of the Howard County Bar Association. The Tom Green County Federal District Court does not have quite so crowded a docket as the Taylor County Court, he said.

"Of course we took no action as a group since we want to think it over and discuss it some more between ourselves," Moss said. "It would require Congressional action to switch Howard County to the Tom Green county district, and would take some time. Senator Hardeman simply invited us to consider the change."

No other matter of importance came up, Moss said. It was the regular meeting date of the Bar Association.

HCJC Team Places First

Two freshmen from Howard County Junior College outclassed four college debate teams at San Marcos Friday and Saturday when teams from 40 junior and senior colleges took part. It was an invitational meet held at Southwest Texas State College.

John Cone and Steve Blair, coached by Martin Landers who accompanied them to San Marcos, won over McMurry College, Abilene, Wharton County Junior College, Abilene Christian College, and the University of Houston, to take the meet.

Landers said the boys debated twice on the affirmative and twice on the negative side. He also said he had high hopes now of their winning the state meet next spring.

Prowlers Fill Police Reports

Police were called to investigate prowlers in several areas Friday night. A breaking and entering report came from one of the callers later.

Mrs. J. W. Rawls, 1600 Meadow, told police at midnight that the family had just come in, after leaving the house locked, and found all doors unlocked. The same thing had happened to them before.

Mrs. Lavada Fawbuch, 1104 Barnes, reported a prowler at the Rawls home but investigation did not turn up anything. At 11:27 p.m. Mrs. Goldie Rawls, 1411 W. 1st, reported a prowler. She is the mother of J. W. Rawls.

Mrs. Bob Kelley, 3230 Cornell, reported that someone was trying to get in her kitchen door at 11:34 p.m., and at 12:23 a prowler was reported at a place on Birdwell.

WEATHER

NORTH CENTRAL AND NORTHEAST TEXAS—Cloudy and little change in temperature through Monday. High Sunday 65-75.

NORTHWEST TEXAS—Clear to partly cloudy through Sunday. Not so warm Monday. High Sunday 65-75

SOUTHWEST TEXAS — Partly cloudy and warm through Monday. High Sunday 65-75.

U. N. Rifleman Slain In Congo

The blanket-covered body of a United Nations Indian rifleman is carried by comrades from the brush near the residence of President Moise Tshombe near Elisabethville, Katanga, in The Congo. The Indian rifleman was stabbed to death. His death was another episode of violence by a group of Katanga paratroopers. A spokesman at U.N. headquarters in New York charged that inflammatory statements by Tshombe, who called on his people to stand for war, sparked the violence.

Physical Fitness Test Results In U.S. Appalling

WASHINGTON (AP) — Physical fitness tests in the public schools have shown appalling results, the President's Council on Youth Fitness reported Saturday.

About half the 200,000 youngsters taking part in pilot programs failed the minimum test for fitness, the council said, and only about 10 per cent passed a more strenuous comprehensive test.

However, the report added, it has been found that marked improvement can be obtained by following a simple program that includes at least 15 minutes of vigorous activity every day for all pupils.

The pilot programs are being conducted by local school authorities in Muskogee and Midwest City, Okla.; Belcourt, N.D.; Springfield, Mo.; Savannah, Ga., 38 school districts in Pennsylvania, and in U.S. Army dependents' schools in eight countries.

The minimum test includes three exercises—pull-ups to measure flexibility and abdominal strength, and squat thrusts to measure agility.

In the pull-up for boys, the youngster must chin himself on an overhead bar. Passing marks are one pull-up for boys age 10 to 13, two pull-ups for those 14 and 15, and three pull-ups for those 16 and 17.

In the modified pull-up for girls, the youngster grasps a bar at chest level, slides her legs under the bar so that the body is on a straight line, and pulls her body up with her arms until her chest touches the bar.

Passing performance for all girls aged 10 through 17 is eight such pull-ups.

For the sit-ups, the pupil lies on his back with legs extended, hands grasped behind his neck, while another pupil holds his feet to the floor. The pupil pulls himself to a sitting position. On alternate sit-ups the pupil touches his right elbow to his left knee, and his left elbow to his right knee.

A passing performance for boys ages 10-17 is 14 sit-ups, for girls 10-17 it is 10 situps.

In the squat thrust, the pupil begins by standing erect. He then bends his knees and places his hands on the floor in front of his feet, thrusts his legs back far enough so that the body is perfectly straight from shoulders to feet—as when he does push-ups—returns to the squat position and finally returns to an erect position.

A passing performance for boys ages 10-17 is four squat thrusts in 10 seconds, for girls 10-17 it is three squat thrusts in 10 seconds.

In Muskogee, 6,557 pupils took this minimum test at the start of the school year and 47 per cent failed. In Midwest City, 5,287 took the test and 2,787—almost 53 per cent—failed.

"Even at an Indian reservation school in Belcourt, N.D.," the council said, "more than 30 per cent of the 480 students tested failed the minimum test."

The council said that after six weeks of following the recommended 15-minutes-a-day program, there was a 24 per cent improvement in the test scores at Muskogee, and significant improvement at Midwest City.

Mrs. Cozart Dies Saturday

Mrs. Mamie Cozart, Ackerly, was dead on arrival at a local hospital at 5:10 p.m. Saturday, following a heart attack at her home in Ackerly. She was 65.

Mrs. Cozart was born Aug. 8, 1896 in Oklahoma. She was married June 27, 1914 in Eastland County to R. E. Cozart. They moved to Ackerly in 1942. She was a member of the Methodist Church.

Funeral arrangements are pending at the River Funeral Home.

Survivors include her husband; three sons, R. Z. Cozart, Big Spring, Charnell Cozart, Sunray, Otho Cozart, Dublin; six daughters, Mrs. Viola Burns, Tulia, Mrs. Ruth Owens, Austin, Mrs. Katherine Browning, Jacksonville, Fla., Mrs. Bertha Hustus, Andrews, Mrs. Imogene Johnson, Lamesa, Mrs. Helen Vaughn, Big Spring; 24 grandchildren and three great-grandchildren; one brother, Zed Erwin, Lubbock; four half-brothers, Bruce Erwin, Brownwood, Gerald Erwin, Darrell Erwin, Worthes Erwin, all of Rising Star; one half-sister, Mrs. Mable Ford, Rising Star.

HE RANG UP 'NO SALE'

Jim Stiger, night attendant at the Reed Oil Co. station on South Gregg, told police at 10 p.m. Friday that a car carrying two girls and two boys drove into his station.

He said the girls went into the rest room and came out carrying the towel rack and mirror, and towels. When he approached them about it they threw the rack on the ground and told him they would work him over if he reported to the police.

He did. They didn't.

The car was registered to two Odessa men.

Juveniles Add To Headaches

Juveniles in trouble sent police out on several calls Friday night and Saturday. The calls included assault, theft, breaking windows, and minors in possession of alcohol.

Near midnight Friday police were called to investigate an assault at the 66 Cafe. Fred Gallant, WAFB, told officers a young man got out of the back seat of a car and struck him across the face and mouth with a lug wrench. He told them he would get his wounds treated and file charges.

A boy was arrested at East Twenty-fifth and Lynn Drive and charged with making excessive noise, exceeding safe and prudent speed, and for a minor being in possession of alcohol.

Three boys were arrested in the 2500 block of Lynn Drive for stealing gasoline. They were brought to the police stationn, released to parents, and ordered to appear later at the station.

Other juvenile trouble included breaking windows in a house, reported by the owner at 810 Cherry, where the ease was turned over to the juvenile officer. Boys were also reported shooting air rifles between Northwest Tenth and Northwest Eleventh, and warned against shooting in the city limits.

Adlai May Seek Sen. Dirksen's Seat

WASHINGTON (AP)—Adlai Stevenson disclosed Saturday he is considering a race for the U.S. Senate seat from Illinois now held by Everett M. Dirksen, the Republicans' Senate leader.

Emerging from a White House meeting with President Kennedy, the U.S. Ambassador to the United Nations told newsmen Mayor Richard J. Daley of Chicago had asked him to make the race.

The former Illinois governor and two-time Democratic presidential nominee said he will make his decision known before the end of this month.

Stevenson acknowledged he discussed the matter with the President and indicated Kennedy had advised him what he should do. But Stevenson said he did not think he should say what the chief executive told hin.

Stevenson, who is 61, was governor of Illinois from 1949 to 1953 and unsuccessfully opposed Republican Dwight D. Eisenhower for the presidency in 1952 and 1956. Kennedy named him U.N. ambassador early this year.

Dirksen, 65, has announced his candidacy for a third term in the 1962 elections. He was first elected to the Senate in 1950 and re-elected in 1956. He served 16 years in the House before retiring temporarily in 1949 because of trouble with his eyesight.

Stevenson indicated to newsmen that his White House call Saturday was not primarily concerned with the question of the Senate candidacy, saying this was mentioned only casually.

As U.N. ambassador with Cabinet status, Stevenson customarily reports to the President about once a week. He said the hour-long talk dealt with several U.N. matters, notably the newly opened debate on admission of Red China to the international organization. He said he told the President he feels Red China will not be admitted at this time.

Stevenson said Daley, long a Democratic power in Chicago, phoned him Thursday and "asked me if I am interested in running." In making his decision, Stevenson said, "I want to be guided by the best interests of my party and the administration."

State Rep. Paul Simon is the only Democrat who has announced his candidacy for his party's nomination but several others have been mentioned. Among them are Paul Powell, speaker of the state House of Representatives, and Chicago businessman Arnold Maremont. The latter is a friend of Illinois' present Democratic governor, Otto Kerner.

Stevenson lost Illinois in both his presidential campaigns. In 1952 it was Eisenhower 2,457,327, Stevenson 2,013,920. In 1956, Eisenhower won 2,623,327 to 1,775,682. Last year, Kennedy took a hairline decision from Republican Richard M. Nixon, 2,377,638 to 2,367,837.

When Stevenson was elected governor in 1948, he defeated the Republican incumbent, Dwight Green, by 575,000 votes.

Dirksen ousted incumbent Sen. Scott Lucas by 300,000 votes in 1950 and had a plurality of more than 350,000 when re-elected in 1956.

THE WEEK

(Continued from Page One)

a truck driver) occurred at W. 3rd and Douglas. Damage to a car, truck and trailer was pegged at $13,000. Traffic on that leg of IS 20 was tied up for a couple of hours until the wreckage could be cleared.

* * *

Security State stockholders last week approved an increase in capitalization $12,500 to capital stock (this will be a stock dividend) and $12,500 to surplus. At the same time a 10 per cent cash dividend was voted.

* * *

It has come to our attention that in mentioning the old timers who have slipped away that we overlooked Mrs. Annie Polacek. Indeed she was one of our early residents and lived the major portion of her 96 years among many friends here. Last week, Will Knox Edwards, who came here as a lad of 2 years of age in 1898, died at Kerrville. He had lived here until about a dozen years ago.

* * *

The second quarter report of Cosden Petroleum Corporation showed earnings of $1,048,023, down about $380,000 or 27 per cent. However, a report from one of the majors last week showed earnings off more than 50 per cent, which gives some idea of the tight situation for oil companies.

* * *

A wildcat oil test which will be watched in this area with interest is the B. L. McFarland No. 1-9 Edwards, in the northwest corner of section 9-33-2s, T&P, just northwest of Lees' community. This depth should provide a look at the Spraberry. In Martin County, this formation has been yielding several good producers.

* * *

A report from the state board for special schools and hospitals indicates that right of way demands have been modified to the point that roadway can be secured for US 87 across the state hospital grounds. Perhaps this can be done this week, opening the way for a January or February letting of the 4-lane divided section to Fairview.

* * *

The political kettle was showing signs of simmering last week. David Ratliff, Stamford, let it be known that he would soon announce for re-election as state senator. Truett Lattimer, representative from the Abilene district, sent up a trial balloon for the same post.

* * *

Fans said "thanks" in a tangible way to the coaching staff of Big Spring High School last week. Besides a banquet in honor of the coaches and the squad, there were cash gifts for the staff. No championship was involved (we finished third), but the corner was turned on that six-year drought, and fans were grateful for it. Which proves that considering everything we have a loyal bunch of fans.

* * *

Thanks to volunteers, more than 5,000 Christmas cards have been prepared for mailing on behalf of the 900 patients at Big Spring State Hospital. For most of them, who are able to understand, this is a great morale booster to know that they can share in greetings of the season.

* * *

We can get a man in orbit none too soon to suit us. It's the only way to shut off cracks such as by our Mr. Blackburn's who announced we had a monkey in orbit—he saw it on the (AP) E wire.

Police Check Six Accidents

Big Spring police were called to investigate six accidents from Friday noon until Saturday at midnight. No one was injured.

Places where accidents occcurred and drivers of vehicles involved were: 307 Runnels, Dewey W. Phillips, 3311 Drexel, and Monroe E. Davidson, 701 Nolan; hit and run at 401 N. Gregg, Manuel Hewtty, 614 NE 9th, and Christine Holbirg, 515 N. 10th, Lamesa;

Seventeenth and Douglas, Hays F. Stripling Jr., and James W. Josey, Webb AFB; Northeast Sixth and North Benton, Ernesto Mendoza Saiz, 511 N. Bell, and Fernando Arias Estrada, Lamesa;

Third and Lancaster, Mrs. Judith P. Ferguson, Stanton, and Thomas Douglas Price, 1607 Runnels; Third and Main, Nacho R. Rodriquez, 403 NW 11th, and Reginald Lawrence Vasseur, 1220 W. 3rd.

Funeral Monday For J. A. Cain

Funeral services will be held at 2 p.m. Monday, at the graveside in the Fort Gibson, Okla. cemetery for J. A. Cain, 87, who died at the home of his daughter, Mrs. Donald Brown in Big Spring.

A retired farmer, he had lived with his daughter here for the past year. He was born March 20, 1874 in Lamar, Ark. The body was taken by Nalley-Pickle Funeral coach to the Lescher Funeral Home in Muskogee, Okla. Friday.

Survivors are two daughters, Mrs. Donald Brown, Big Soring, and Mrs. Sylvia Parnell, Greenfield, Calif.; a son, Bethel Cain, Bonnetts Mill, Mo.; a brother. I. Cain, Elgin, Texas; a sister, Mrs. Tempie Gooch, Checotah, Okla.; nine grandchildren and 18 great-grandchildren.

CARD OF THANKS

I wish to express my sincerest thanks to the friends here for the kindnesses shown to me in the recent death of my brother W. L. Buzbee.

Mr. D. R. Buzbee

E. Germany Rejects International Autobahn

BERLIN (AP) — Walter Ulbricht, East German Communist party boss, has rejected as "useless speculation" President Kennedy's suggestion of an international administration for Berlin's 110-mile lifeline highway to the West.

Ulbricht, in a speech to a party meeting published Saturday, assailed U.S. military authorities who have been sending troop units back and forth on the road for rotation training in Berlin and West Germany. If they think such movements prepare the way for internationalizing the highway, he said, they are very much mistaken.

"These are useless speculations. This will never be," he declared.

President Kennedy, in his interview published in the Soviet newspaper Izvestia last week, suggested an international administration of the 110-mile autobahn to guarantee free movement of goods and people.

But Ulbricht said East Germany is a sovereign nation and the autobahn belongs to it. East Germany, he added, is not a colony of the United States.

He declared it was completely unjustified to say that East German officials would control traffic along the highway any differently than do the Russians who now check on Western traffic.

He welcomed Kennedy's proposal to settle the West Berlin problem prior to discussions on the German issue as a whole, but said the only solution was to make West Berlin a free, demilitarized city.

Even before publication of Ulbricht's speech assailing U.S. troop movements on the highway as a provocative demonstration, the East German newspaper Neues Deutschland issued a warning.

Recalling that a correspondent for Tass, official Soviet news agency, had reported that the troop movements might have "dangerous consequences," the paper said "it is our wish that the Americans will understand this warning."

The warning was called forth by a U.S. Army announcement Friday that two entire battle groups totaling about 3,000 men will shuttle down the four-lane express highway this week in a bigger than usual movement.

The Russians halted one U.S. Army convoy of nine vehicles for more than an hour Friday until papers were corrected to show one of the medium vehicles listed was actually lightweight.

Meanwhile, West Berlin Mayor Willy Brandt declared to a Socialist party rally:

"In the long range, we will not be able to tolerate the wall."

The Communist wall across the heart of Berlin, he declared, "must fall," and he added that this must not become just a slogan like German unification. He did not say how it would be made to fall.

Twirlers Take High Divisions

Three bands, from Big Spring High School and the Runnels and Goliad Junior High Schools, took part in the Interscholastic League contests in Odessa Saturday.

Division ratings of twirlers and and majorettes showed six twirlers making first division, three second division, and one in third. The majorette trio also placed in first division.

First division ratings in twirling went to Cynthia Vaughn, Beverly Dobbins, Pat Bishop, Dean Terrazas, Dina Baxter, and Joan Lyster.

Second division ratings were won by Linda Hall, Jean Ann Bogart, and Arnold Gibson. Linda Gibson placed third.

The majorette trio was made up of Cynthia Vaughn, Dean Terrazas, and Beverly Dobbins.

Highway Bids To Be Opened

Three area highway projects are among bids that will be opened at Austin Dec. 19 and 20 for construction estimated at $21.1 million on 379 miles of highways and farm roads.

The biggest project will be construction of the bypass on IS 20 around Colorado City in Mitchell County. This includes 11.6 miles of flexible base and asphaltic concrete pavement beginning three miles west of the city, (at the top of hill) and continuing north of town to intersect with IS 20 again on the east side near the drive-in theater.

In Howard County, bids are to be taken on signing to designate the Interstate artery along a 15.9 mile section, from FM 700 east to the Mitchell County line.

The Howard County bid opening will be Dec. 19 and the Mitchell County bid opening will be Dec. 20.

Faculty Game Set Thursday

A basketball game between the Big Spring Senior High School faculty and the Runnels and Goliad Junior High faculties will be held at the Steer Gymnasium Thursday at 7 p.m. The high school Key Club is sponsoring the contest.

Playing on the Senior High team are Richard Cook, Don Green, Truett Newell, Eric Burns, Bob Kelley, Jerry Kelley, Truett Vines, Jerald Wilson, Bill Cardwell, Pat Lawrence and Bill Bonner.

Junior High team members are West Patton, Marvin Tatum, Jack Adams and Morris Maupus of Goliad, and Davis Smith, Bob Staton, Richard Gonzales and George Dyer of Runnels.

Coaches are Harold Bentley for the senior high squad and Royce Mullins of Goliad for the junior high team.

Dinner Held For Retiring Conoco Employes

FORSAN (SC) — A barbecue dinner was held Wednesday at Continental Oil Company to honor the retiring C. J. Lamb.

An employe of the company for 25 years, Lamb took early retirement because of ill health.

Following the dinner, Burton Hall, Midland, presented Lamb with a 25-year service pin, and N. A. Rickman, area foreman, gave him a watch, a gift from Continental employes. Bob Travis and Joe Preist of Texas Electric showed a film later in the program.

Four other retired former employes of Continental were among the 40 attendants. They were B. D. Caldwell, San Angelo, Jim Nieller and F. J. Klan, both of Forsan, and G. F. Painter, Big Spring.

Farmers Await Break In Weather

COLLEGE STATION (AP) — Texas farmers and ranchmen waited for a break in the weather so they could get on with harvesting and other jobs. Damp, cool and cloudy weather has kept outside activities generally at a standstill, said Director John Hutchison of the Texas Agricultural Extension Service this week.

Moisture is plentiful except in parts of South and far West Texas. Wet fields are curtailing the grazing of small grains and other winter cover crops Hutchison said.

MOISTURE NEEDED

Moisture was needed in the southwest counties of far South Texas to start winter weeds. Ranchmen started burning prickly pear for cattle feed. Oat pastures in the northern counties furnished grazing.

Moisture is adequate in South Central Texas except in the southwest corner counties. Flax and oat planting was resumed where fields were dry enough. Livestock and pasture conditions were good except in the dry area.

Farmers and ranchmen are busy in the upper Gulf Coast area repairing fences, equipment and buildings while waiting for a break in the weather. Fields are too wet to plant or plow. Ranges, pastures and livestock are generally in good condition. Some grazing of rice stubble was reported. A limited amount of second crop rice remains to be harvested. Some may be abandoned.

Moisture is adequate in East Texas and livestock and pastures are in good condition. The weathe. has slowed farm and ranch activities. Harvesting has been completed.

Heavy rains last week left a surplus of moisture in several northeast Texas counties. Moisture was adequate in all other counties; most crops were harvested; oats were making excellent growth and most fields were being grazed. Pastures were average.

Heavy rains in North Central Texas forced removal of livestock from grain fields. The general condition of crops, ranges, pastures and livestock is good.

Bristow Regales Club With Grid, Kidnap Stories

Obie Bristow, former member of the Texas Legislature from this district, appeared as the principal speaker before members of the American Business Club at the Settles Hotel at noon here Friday.

Bristow, who was a high school football coach at one time, responded to a request made by a members of the club by starting his talk with a couple of football stories.

Later, he recalled his adventure in Mexico when he was successful in dealing with kidnappers of his father, an incident that occurred in the late 1920's.

Bristow said he had his problems dealing with a U. S. consul before he was authorized to deal directly with the kidnappers. He added that the reluctance of the man and his office to co-operate speedily at the time angered him but, reflecting on the incident, added that nothing looked as good to him as U. S. soil and the U. S. flag upon his return from Mexico.

He urged his listeners never to forget that "the United States is the greatest country in the world" and finished his talk by reciting exerpts from a poem paying tribute to the U. S. flag.

Wilson Offers Program To Push Texas Tourism

AUSTIN (AP)—Atty. Gen. Will Wilson described the proposed state tourist advertising program Saturday as "in need of good planning," and offered his own program to lure tourists to Texas.

Wilson, an announced candidate for governor, said attracting tourists to Texas "primarily is the first responsibility for individual communities—and the so-called tourist industries."

He said the state's first effort should be to "provide and promote interesting attractions which will draw tourists to Texas."

He said his plan includes establishment of new state park attractions at Galveston, Goliad and Brownsville, and a new museum adjacent to the Alamo in San Antonio, which he said should be "a walk-through panorama of the dramatic, exciting story of the Texas Revolution."

Wilson proposed that these new tourist attractions be built under a revenue bond program by the state, paid off through admission charges.

Wilson said he does not imply that the state should not spend any money promoting these attractions, but that "the emphasis on tourism and the advertising dollar must still initiate from the local level."

Wilson said the $300,000 a year proposed by Gov. Price Daniel as an advertising budget is a "mere drop in the bucket when buying network TV time or space in national periodicals, some of which charge $50.120 for one page in a single issue."

Wilson said individuals cities sponsoring a joint advertising effort with neighboring areas could produce more money and better results.

Improvements Are For Sale

Improvements, located on land acquired for right-of-way in the widening of US 87 North, from the Big Spring city limits to Fairview, will be sold on bids to be opened in the office of the State Board of Control, Austin, Dec. 13.

The board will receive sealed bids until 11 a.m. on the closing date at the State Office Building.

These improvements may be inspected by contacting J. E. Pierce, Old Anson Road and US 83, Abilene.

Properties to be sold will include fences, barns, houses, and other improvements, on land acquired by the State Highway Department, through purchase or condemnation, for use in widening US 87 from the city limits north to Fairview.

Man Arrested For Car Theft

A 48-year-old man, who gave his address as Waco, was arrested by Police Patroiman D. W. Day about 5 p.m. Friday as he was leaving a burglarized car across the street east of the city hall. He will be charged with car burlgary.

The burglary was witnessed by a woman who called police. The car and stolen items belonged to Colley Smith, 312 Willa.

Santa Claus Will Visit Big Spring On Pre-Christmas Trip Thursday

A Christmasgram has arrived from Santa Claus announcing that he will be able to make it to Big Spring again this year on his pre-Christmas trip.

He will be arriving Thursday at 2 p.m. for a brief stopover to pass out candy and take orders from shopping youngsters.

Unfortunately, Santa will not be able to bring along his reindeer for this trip. Atmospheric conditions indicate the weather will be a bit warmer than the deer are accustomed to, Santa said.

Arrangements have been made to bring him in on the Texas and Pacific Railroad.

A delegation from the Chamber of Commerce will meet Santa and provide him with a genuine West Texas style sleigh and reindeer during the visit — a bright red wagon pulled by four Shetland ponies. He will ride to the memorial on the east side of the Courthouse where he will remain until he has treated all the kids in Big Spring.

Santa will be assisted by helpers from Webb Air Force Base, the police department and the American Business Club.

Parents are urged to bring out their pre-school children early to avoid the onslaught of school children which is expected to begin shortly after 3:30 p.m. An early start will eliminate a long wait in line, Carroll Davidson, manager of the Chamber of Commerce, said.

Profs Warned

AUSTIN (AP) —The University of Texas Board of Regents said Saturday any law professor who helps three Negro students in their suit to desegregate the school's dormitories will be fired or otherwise disciplined.

Business Up

AUSTIN (AP)—Texas business activity took an upturn during October, the Bureau of Business Research at the University of Texas reported Saturday.

Permits Pushing Toward $5 Million

Eight hundred and fifty building permits have been issued for the calendar year 1961, through November, totaling $4,839,163, according to figures from the office of Big Spring Building Inspector Tom Newton.

"It looks like we'll top the $5 million mark for the year," Newton said. "We have already gone $1,711,422 over the total for 1960 which was $3,127,741. We are under the $5 million by only $160,837."

The November figures for all types of construction ran to $350,881, with new residences accounting for $313,000 of the amount. Business construction ran only to $11,005, and the balance of the figure was accounted for in remodeling, additions, reroofings, moving, and demolishing.

Several State Agencies Lend Support To CRMWD Appeal For Pollution Control

Several state agencies will join with the Colorado River Municipal Water District when it applies to the Texas Railroad Commission to halt salt water pollution in the Sharon Ridge oil fields, E. V. Spence, CRMWD general manager, said Saturday.

Back from Austin where he made contacts regarding the district's planned appeal to the commission to halt improper disposal of salt water or plugging of oil wells in southwest Scurry and northwest Mitchell counties, he said three state regulatory bodies were also interested.

The State Board of Water Engineers, the State Health Department and the Texas Game and Fish Commission all indicated they would file letters of support when the district files an application.

Meanwhile, Spence expressed interest in recent developments which suggest that at least two pipeline concerns may develop operations which will greatly relieve the salt water situation. He hoped that one or more may materialize prior to the time the district goes to the commission.

CRMWD directors last week approved a recommendation for action to clear up the pollution since the permit to impound another lake on the Colorado River is conditioned on demonstrating to the State Board of Water Engineers that the pollution has been brought under control.

Author Dies

VIENNA, Va. (AP)—Mrs. Dora Neill Raymond, an author and college history professor and a native of El Paso, Tex., died Friday at a nursing home following a heart attack. She was 72.

Students Work For A Holiday

MARIETTA, Ohio (AP)—Marietta College students braved freezing weather to carry 120,000 books and magazines from their old library to the new one and had a big time doing it.

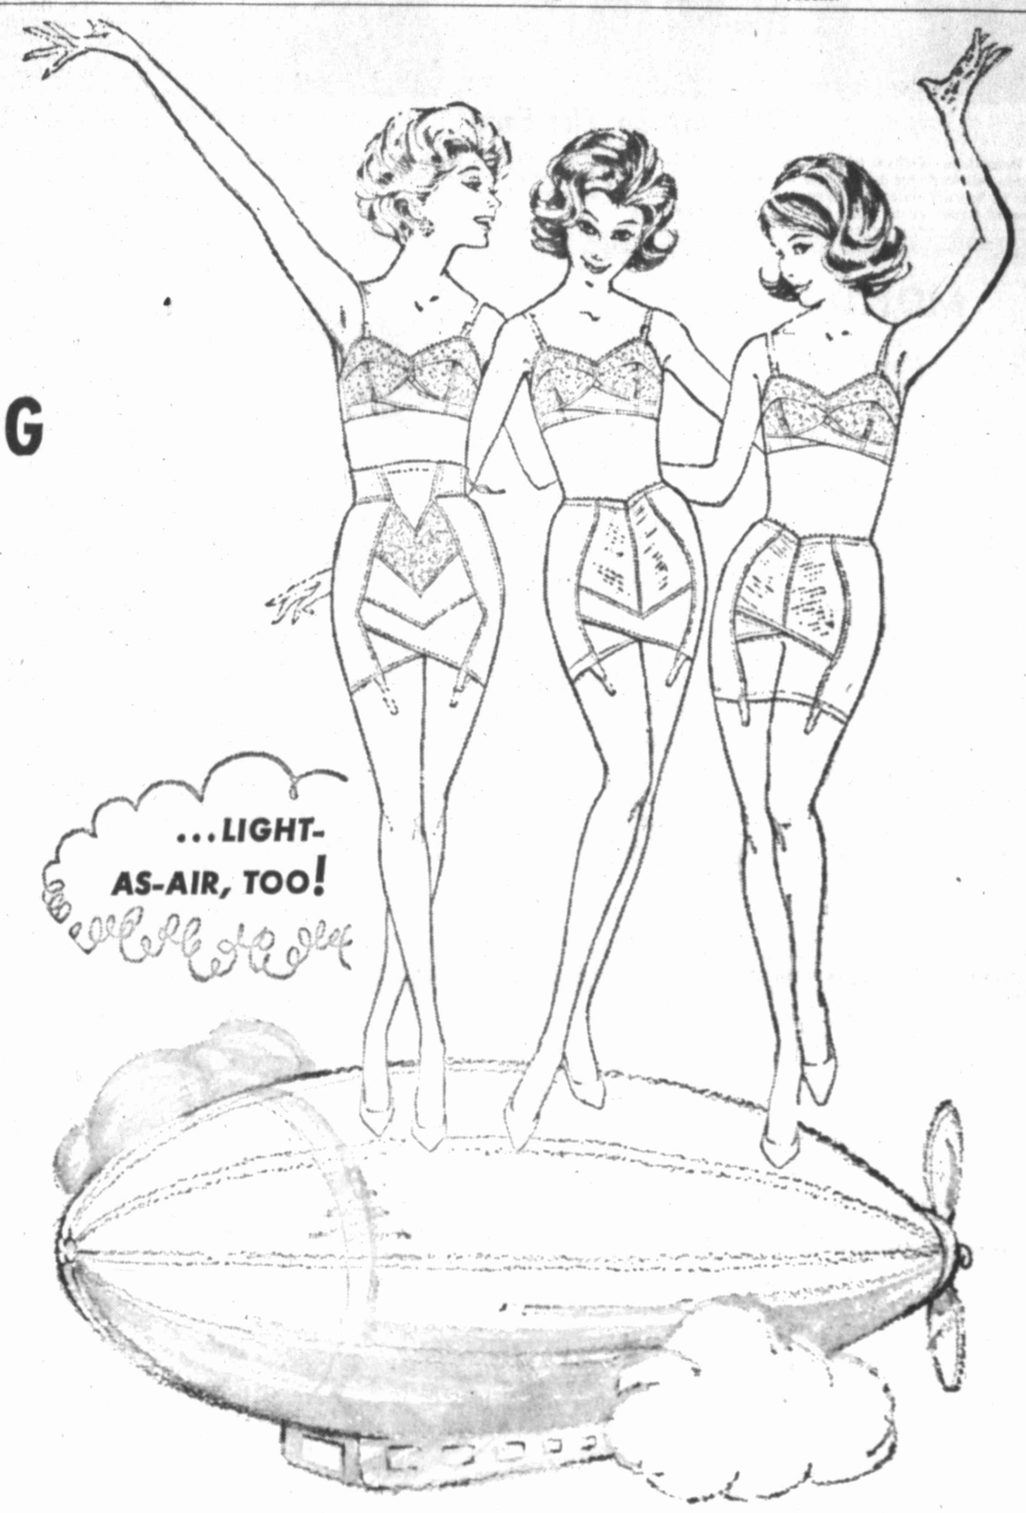

Rousted out at 7:30 a.m. by the continuous ringing of the bell in Erwin Tower, nearly 1,200 of the school's 1,350 students formed into two lines for "Operation Book Brigade."

The job wasn't without its jokes.

"Boy, what a guy won't do for a day off from school," one wag moaned.

Ten hours and 12 trips per person later and after a free lunch the student brigade was given the afternoon off to study—their books.

NOW! GIRDLES THAT LAST AND CONTROL 3 TIMES AS LONG

At last, here are girdles that give you 3 times the wear-life . . . 3 times the lasting control . . . 3 times longer lasting comfort . . . and are lighter, cooler, too! Here's why. Only Sarong Perfection Control girdles are made with Stretch-Ever, the no-rubber Spandex elastic. World's simplest washing instructions . . . machine-wash — even with detergents and bleach without discoloration.

Only Sarong's exclusive criss-cross construction wins the battle of the bulges . . . with no-girdled feeling.

- Low cut sides slim and smooth—stop thigh bulge.
- Criss-cross front panels lift and flatten—stop tummy bulge.
- Criss-cross front panel in panty adjusts to your individual waist to crotch. length. Crotch won't ride up . . . no binding ever.
- Be in fashion . . . be in fashion longer.

(Above left to right) all in white only.

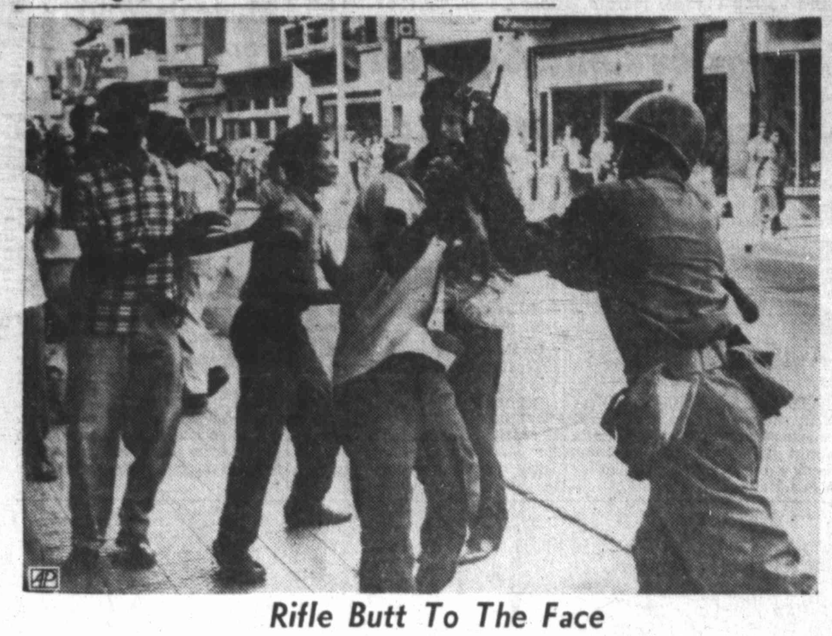

No. 100 Perfection® Control zippered girdle. Sizes 25-34/36. (Also in shorter length) **$13.95**

No. 121 Perfection® Control waistline pull-on girdle. P, S, M, L, XL. **$8.95**

No. 123 Perfection® Control waistline pull-on panty girdle. P, S, M, L, XL. **$9.95**

Hemphill-Wells

Rifle Butt To The Face

A Dominican civilian tries to cover up but is struck full force by a rifle butt wielded by a soldier in Santo Domingo. A second Dominican was likewise struck in the same incident as police and troops attempted to break up demonstrations staged in protest to the regime of President Joaquin Balaguer.

McComb Plans Court Battle Against CORE

McCOMB, Miss. (AP)—City officials planned Saturday to seek a federal court injunction to prevent the arrival of more "Freedom Riders" after groups of white men attacked visiting newsmen.

Mayor C. H. Douglas announced the city's intention to enjoin the Congress of Racial Equality after six Freedom Riders successfully desegregated the Greyhound Bus Terminal Friday under heavy police protection.

In New Orleans, CORE said more trips were planned. No dates were given.

In Washington Atty. Gen. Robert F. Kennedy congratulated Douglas and other city officials for maintaining law and order in this southwestern Mississippi city.

Douglas had promised to enforce the Interstate Commerce Commission's ruling, which bans segregated facilities in terminals used for interstate commerce and to keep order after an incident earlier in the week when a group of white persons beat five Negro Freedom Riders at the terminal.

Despite the increased police measures, an Associated Press photographer, two Life Magazine men and a Time Magazine man were attacked on McComb streets Friday.

A half-dozen youths surrounded AP photographer Ferd Kaufman after he had taken pictures of Negro Freedom Riders and asked him if he was "a nigger lover."

When Kaufman replied that he was "just trying to do a job," one of the youths grabbed and punched him. As Kaufman tried to break away, the man punched him on the head and behind the right ear, but Kaufman escaped to the office of the McComb Enterprise Journal.

Earlier four white men attacked Don Uhrbrock and Don Underwood of Life Magazine and Simmons Fentress of Time. Uhrbrock suffered a swollen lip when the men shoved him through a plate glass window.

When the Freedom Riders arrived, they found the terminal's restaurant closed but other sections of the one-story building open. After a few minutes in the terminal they left McComb.

Attorney General Kennedy, in his statement issued by the Justice Department, noted that department representatives "have reported that Mayor C. H. Douglas, Police Chief George Guy, and the officers and men of the McComb Police Department have maintained law and order under tense and difficult circumstances."

Sentenced To Hang

RUSSELL, Kan. (AP) — Two young AWOL soldiers, convicted of first degree murder in the slaying of a Kansas railroad man, Saturday were formally sentenced to hang Jan. 30.

District Judge Benedict Cruise formally pronounced the sentence after over-ruling defense motions for retrial of the defendants, James Douglas Latham, 19, Mauriceville, Tex., and George R. York, 18, Jacksonville, Fla.

The two, also accused of six other murders in Florida, Tennessee, Illinois and Colorado, were convicted last Nov. 7 for the slaying of Otto E. Ziegler, 62, Oakley, Kan., June 9.

A district court jury in returning the guilty verdict and recommending the death sentence rejected defense contentions the two escapees from the Ft. Hood, Tex., stockade, were insane and too young to be executed.

The execution was set for 12:01 a.m., Jan. 30, at the Kansas State Prison in Lansing.

BIG SPRING DAILY HERALD

SECTION B — BIG SPRING, TEXAS, SUNDAY, DECEMBER 3, 1961 — SECTION B

Ole Miss Takes Cotton Bowl Bid

STARKVILLE, Miss. (AP) — Mississippi struck in every period Saturday to smash arch-rival Mississippi State 37-7 and accepted an invitation to play Texas in the Cotton Bowl.

The Rebels, No. 5 college team in the nation, showed all their offensive and defensive brilliance before a crowd of 34,500, including Texas Coach Darrell Royal and his staff.

Fullback Bill Ray Adams and quarterback Doug Elmore showed almost equal brilliance as they spearheaded two early thrusts that broke State's backs and put the Rebels in permanent command.

The rugged Rebel line outcharged and outplayed State and choked off every State thrust but one.

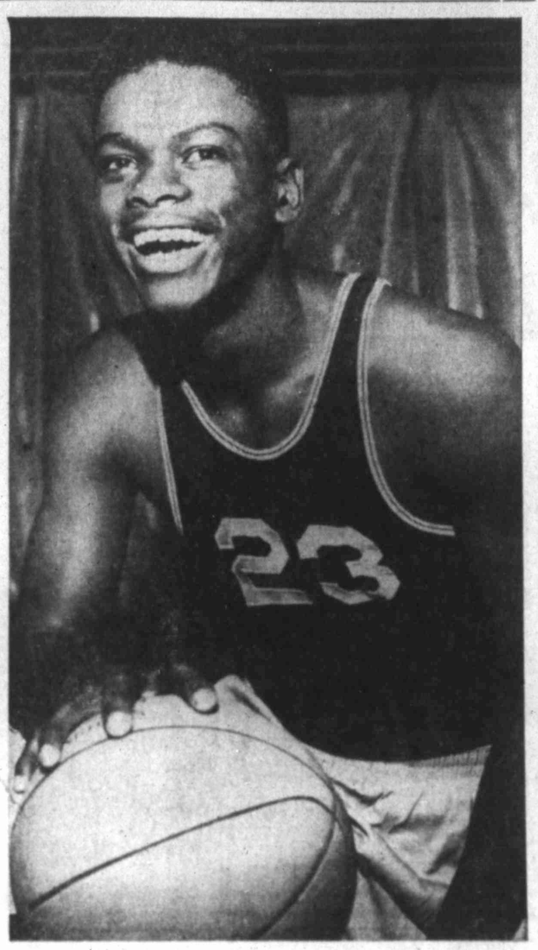

Athletic Director C. M. (Tad) Smith of Ole Miss announced in the press box as the game ended, "It is with a great deal of pleasure that I accept the Cotton Bowl invitation on behalf of the university, the committee on athletics and the Ole Miss football team. We consider it a great honor and privilege."

Adams and Elmore spearheaded a 35-yard march for the first touchdown, gobbling small bites on every play. Adams smashed over from the one to begin the rout that preserved the Mississippi string of no defeats by State since 1946.

In the second quarter, Elmore capped a 73-yard march with a 12-yard touchdown pass to halfback Art Doty, and end Wes Sullivan kicked the first of four conversions.

A 36-yard pass from quarterback Glynn Griffing to fullback Buck Randall was the big play of the march.

State got its only touchdown midway in the second quarter on a 73-yard drive featuring the running and passing of quarterback Billy Hill. The touchdown came on a 9-yard sweep by Hill, and fullback Sammy Dantone added the conversion.

Ace Rebounder For Steers

Eddy Nelson (above) is new to the Big Spring High School basketball team but he's already proved himself to be a top rebounder and defensive player. He's a 6-1 junior.

Lamesa Trounces Steers For Title

SAN ANGELO — Lamesa defeated Big Spring, 47-36, in the finals of the Lake View Invitational Basketball tournament here Saturday night.

Wallace Franklin poured 14 points through the hoop for the Tornadoes while Dick Ebling had 14 and Albert Fierro 12 for Big Spring.

The Steers had reached the finals with an impressive 49-33 victory over Monahans while Lamesa was taking out Fort Stockton, one of the favorites.

Fort Stockton defeated Monahans for third place.

The Tornadoes built up a 24-19 lead at half time over Big Spring, which now has a 4-1 won-lost record. The Steers return to play at 8 p.m. Friday, at which time they oppose Brownfield.

In the Monahans game, Ebling tossed in 17 points for Big Spring while DeeRoby Gartman had 12.

Eddy Nelson did an excellent job of rebounding for Big Spring throughout the tournament. The Steers edged by Lake View Friday, 49-46.

Ebling and Fierro of the Big Spring team were named to the all-tournament team. Lamesa's Franklin was also a member of the squad while the Tornadoes' Gene Westmoreland was voted the outstanding player of the tournament.

In other games Friday, Fort Stockton walloped Wall, 60-44; Lamesa swarmed all over Eden, 71-27; and Monahans romped by Ballinger, 47-33.

BIG SPRING (49) — Ebling 9-4-23; Bethell 1-0-2; Nelson 1-2-4; Mitchell 2-1-5; Fierro 4-3-11; Gartman 2-1-5. Totals 19-11-49.

SA LAKE VIEW (46) — Probst 5-2-12; Meek 4-2-10; Tomlinson 4-2-10; Brasher 3-2-8; Sanders 1-0-2; Schkade 2-0-4. Totals 19-8-46.

Walgreen Winner Of Midway Meet

MIDWAY — Walgreen Drug of Stanton won the annual Midway Independent Basketball tournament here Saturday night, turning back Phillips Tire of Big Spring in the finals, 40-38.

Hester's of Big Spring earned consolation laurels by decisioning Raoul Humble of Big Spring, 44-38.

Breithaupt of Phillips scored 17 points in the championship game. Avery led Walgreen with 12.

Dudley Chambers of Hester's, who tallied 24 points against Raoul Humble, was named the tournament's outstanding player.

The sportsmanship award went to Jerry Richardson of Speck's.

Members of the all-tournament squad were Breithaupt, Phillips; Walsh, Phillips; Crooks, Humble; Vaughn, Humble; Miller, Speck's; Wright, Hester's; Petrie, Walgreen, Airhart, Walgreen; Thomas, Cosden; and Willie, Cosden.

Dumas Batters Breck, 34-8

CHILDRESS, Tex. (AP) — All-state quarterback Mike Boxwell scored three touchdowns and passed for another to lead the Dumas Demons to a 34-8 victory over the Breckenridge Buckaroos in Class AAA schoolboy quarterfinal play Saturday.

All-state end Kelly Baker, a 6-5, 205-pound senior, scored another touchdown on a pass interception.

In the first quarter, Boxwell ran 24 yards around right end to score. Dale Vick attempted to go over right tackle, but was stopped on the conversion try.

In the second quarter, Boxwell passed to John Whiteside on a 67-yard pass-run play, for the second score. Vick went over from 1½ yards out for the two points.

In the third period Boxwell ran a quarterback sneak one yard to score with the conversion attempt by Boxwell on a pass to Baker incomplete.

Betty Jones And O. Bristow Chosen

Most improved golfer of the year certificates were presented Saturday to Betty Jones and Obie Bristow of the Big Spring Country Club. The pair was chosen by Golf Digest, who, yearly, select a man and woman from each area to receive the honor.

Betty's score dropped from the middle 90s to middle 80s. Bristow, who carries a two-stroke handicap, previously shot around 75. His totals are now in the area of 68 and 69.

Bill Meek Loses Job As Mentor

DALLAS (AP)—Bill Meek, who had only one winning season in five years at Southern Methodist and that was only 6-4, was removed as head football coach Saturday.

He was told by the executive committee of the board of trustees that it would not renew the option on his contract which has five years to run but that he would have another position at the university.

Meek finished the five "active" years of his contract Saturday when his team played Texas Christian a 28-28 tie in the season closing game at Fort Worth. It gave him a season of two victories, seven losses and one tie. Last year SMU didn't win a game but had one tie.

His contract specified that in the second five years he could be replaced as coach but would have another job at the university. He received $17,500 a year.

The board said that it announced "today the decision not to renew its option for the services of Bill Meek as head football coach. Mr. Meek will remain on the staff of the university in a position assigned by Southern Methodist University president, Willis M. Tate. The nature of this position has not been determined."

Stanton, Grady Win In Meet

GREENWOOD—Stanton emerged as champion in the boys' division of the Greenwood Basketball tournament by defeating Union, 26-23. Dink Polson scored 14 points for Stanton.

Center Point copped consolation laurels with a 41-22 success over Courtney. Mark Kilgore had 14 for Center Point.

Grady won the boys' sportsmanship award while Courtney was its counterpart in girls' play.

Grady decisioned Greenwood in the girls' finals, 39-16. Linda Franklin tossed in 25 points for Grady and Mary Stuart ten for Greenwood.

Courtney won consolation laurels with a 31-12 victory over Stanton.

The boys' all-tournament team consisted of Erhart, Center Point; Hesterm, Greenwood; Polson, Stanton; Smith, Grady; and Hogg, Union.

The girls' all-tournament squad was composed of Linda Franklin, Grady; Cathy Howle, Grady; Mary Stuart, Greenwood; Glaze, Grady; Ryan, Center Point; and Beth Biggs, Courtney.

Hawks Rip S. Plains, 56-47, At Odessa

ODESSA — The Howard County Junior College Jayhawks took first place in the Odessa College Juco Basketball tournament Saturday night by dumping South Plains of Levelland, 56-47.

Noel Carter put the Texans in the lead, 2-0, with a pair of foul shots opening the game. Larry McElyea hit from 20 feet out and Walt Carter slipped in a lay-up to put the Jayhawks in front to stay. The locals held their lead throughout the game, with a 16-13 score midway in the first half as the closest margin from that point. With two minutes remaining in the game, the Texans worked up to a 52-47 score, but were held scoreless from then on as the Jayhawks made two more buckets behind a possession-type offense.

The Jayhawks sprinted to a 30-17 halftime lead, and managed to keep at least nine points away from their opponents during most of the second half. South Plains worked a slow determined offense, trying to keep the game at an even pace. But the eager Jayhawks were constantly harassing the Texan guards, stealing the ball several times and creating numerous wild passes.

Walt Carter, who played almost the entire game, coming out only once for a brief rest, led the Jayhawks with 17 points. Lou Balenton came into the game after six minutes had passed, and promptly pumped in three field goals and a pair from the free-throw line. Balenton's total output came to 14 points, as he hit on six of seven from the field and got two in three tries from the foul line. Larry McElyea was the only other Jayhawk with double figures, hitting 11, mostly on jump shots from beyond the foul circle.

Noel Carter hit 11 and James Collins 10 to pace the Texans, who gained entrance to the final round via a 60-58 upset over San Angelo.

In the prelim, a third-place battle between Odessa and San Angelo, Bill Ramsey hit on a 30-foot set shot in the final two seconds to give the San Angelo Rams the third slot.

Three members of the HCJC team were named to the all-tournament squad. One of those, Walter Carter, tied with three others for the most valuable player designation. Other Hawks honored were Larry McElyea and Earnest Turner.

Kirby Pugh, San Angelo; James Collins, South Plains; and Bill Ramsey, San Angelo, were the players who tied with Carter for MVP.

Also on the elite group were Tracy Cox, Frank Phillips; Chris Reddinton, NMMI; L. H. Williams, Odessa; Noel Carter, South Plains.

In a battle for third place, San Angelo eked out a 69-68 victory over Odessa College.

Howard County Junior College rapped Odessa, 81-57, in the semi-finals Friday night.

San Angelo College, the only competitor given the best chance to be a stumbling block for the locals, was bounced out by South Plains in a 60-58 upset Friday.

After a tight first half, the Jayhawks held a continuous third period lead and then opened a final-frame barage to pull away to stay and win with a 24-point cushion.

The first half looked like a different game, even though Odessa led only once, and then by just a one-point edge. As pressure mounted, Odessa began to foul and HCJC, taking advantage of that fact, pulled to an eight-point lead at the mid-way point.

Carter scored 28 points to lead the winning effort, and teammate McElyea contributed 14. Nick Berzac was high for Odessa with 14.

Daniels Kicks Tech To A Win Over Bisons

LUBBOCK, Tex. (AP) — Sophomore Fullback H. L. Daniels kicked three field goals Saturday as Texas Tech's Red Raiders rallied for a 16 - 14 victory over the West Texas State Buffaloes.

Daniels' third and decisive placement was a 19 - yarder six minutes deep in the final quarter. Earlier, he had kicked two from 35 yards.

Pistol Pete Pedro, the Buffs' fleet halfback, was held scoreless for the afternoon although he netted 118 yards on 20 carries. Pedro went into the game needing one touchdown to tie James (Preacher) Pilot of New Mexico State for the NCAA individual season scoring crown. Pilot finished the season last week with a total of 138 points.

A sun - drenched crowd saw West Texas State grab a 14 - 3 lead in the first quarter, then spend the rest of the game staving off Tech drives.

Tech scored in the first three minutes following fullback Coolidge Hunt's recovery of a Buff fumble at the West Texas 15. After three plays lost a yard, Daniels posted the first of his field goals.

Five minutes later, the Buffaloes forged ahead after end Charlie Williams pounced on a Raider fumble at the Tech 14. Pedro swept right end for ten yards, then quarterback Jim Dawson spun over right tackle for a touchdown. Williams converted.

Two plays later, another Tech fumble was recovered by Buff guard Jim Denny at the Raider 30. A penalty cost West Texas five yards, but halfback Jerry Logan picked up 13 around right end. Halfback Jerry Richardson added seven at right tackle, then Pedro skirted right end for eight. From there, 205-pound fullback Ollie Ross twisted over left tackle for the touchdown. Williams again kicked point.

By TOMMY HART

SAN ANGELO — Wichita Falls ran amuck here this bright and beautiful Saturday afternoon, burying the proud San Angelo Bobcats under the almost unbelievable score of 42-8.

The Bobcats had been heralded as one of the greatest District 2-AAAA teams to burst into the playoffs but they left the field a badly beaten, bewildered and battered team.

Joe Golden's club, rarely willing to gamble with a pass, ran up 302 yards rushing the ball while the Coyote line charged with such violence that the Bobcats wound up with a minus seven yards in scrimmage plays.

Nothing seemed to work for Emory Bellard's team, outside of an early pass that set up the lone San Angelo TD. The Tabbies tried to run up the middle and rarely got to the line. They resorted to pitchouts, double reverses and off tackle slants and detonated a land mine in almost every instance.

San Angelo scored first and held an 8-0 lead at the end of the first period. The Cats should have quit then. By half time, it was 21-8 and the Coyotes counted twice more in the third period and once in the fourth.

A freak play set the drive in motion that resulted in San Angelo's only tally. The Cats kicked off and fully intended to get the ball far down field but it sailed low and struck center Jim Estrada of the Coyotes at a time Jim was looking back down field.

The ball bounded away and Frank Schiller of San Angelo raced in to make the recovery on the Coyote 46. It was one of the few times all afternoon San Angelo was in Wichita territory.

A pass from Mullins to end Bill Sinches moved the ball 37 yards down to the one, from where Mullins lunged over on a second down play. An aerial from Mullins to Dennis Gray added the two points.

In the first minute of the second quarter, Wichita falls finally broke through. Fullback Larry Shields, one of the finest backs in the history of the Texas Interscholastic League, proved a 'take-charge' guy in the drive and got the score from the one at the end of a 44-yard march.

San Angelo had been forced to punt to midfield and the charge downfield to arrest the Wichita Falls receiver almost struck the Bobcats a death blow. Quarterback Larry Mullins made the tackle, all-right, but was racked up by the Coyotes' Donnie Fowler at that point and was never quite the same again.

Wichita Falls failed on the extra point try but it didn't matter.

With 7:34 showing on the clock, the Coyotes collected another TD at the end of a 41-yard drive when quarterback Mike Kelly swung right and jitter-bugged his way 41 yards to the payoff window. That particular offensive covered 50 yards. Kelly also boomed across for the two extra points and Wichita Falls led, 14-8.

The invaders padded their lead with 2:19 remaining in the half when Shields barreled over from the one. The drive experienced its birth pangs when guard Jay Lavender devoured a fumble by Mike Tabor at the Bobcat 23. The drive required seven plays. This time Ronnie Shields booted the PAT and the Coyotes led, 21-8.

End Don Denham got into the scoring act for Wichita Falls in the third when he gathered in a pass from Kelly and ran the tight-rope down the sidelines. The play covered 22 yards. There was 8:13 left when Denham went over at the end of a 50-yard drive. Again Ronnie Shields booted the PAT and the Coyote lead mounted to 28-8.

Hershell Coleman, ordinarily a blocking back, counted the next WF TD after moving to fullback, going over from three yards away. In that march, the Coyotes ate up 65 yards in four plays. Larry Shields picked up most of the yardage with an amazing run from his own 35 to the enemy's 17. He was hit half a dozen times but wouldn't go down. Ronnie Shields booted the point and the score mounted to 35-8.

The Coyotes settled for a lone tally in the fourth, that one coming on a 15-yard surge at the end of a 64-yard drive. Kelly started the march by picking off Mullins' pass at the Coyote 36. Again Ronnie Shields kicked the PAT to run the tally to 42-8. The play came relatively early in Round Four.

San Angelo moved as far as Wichita Falls' 18 late in the game but Mullins lost yardage by the acre trying to pass and the ball went over at the 34.

Score by quarters:

Wichita Falls	0	21	14	7	—42
San Angelo	8	0	0	0	— 8

Tide Completes Unbeaten Year

BIRMINGHAM, Ala. (AP)—Alabama, the nation's No. 1 college football team, completed an unbeaten and untied season Saturday by walloping Auburn 34-0, and then accepted a Sugar Bowl bid.

The Crimson Tide will meet Arkansas in the Jan. 1 game at New Orleans. It will be Alabama's third appearance in the Sugar Bowl and 15th showing in a post-season game.

The Sugar Bowl announcement was made moments after Alabama gave Auburn its worst beating in this cross-state rivalry since 1950, when Alabama won by an identical 34-0 score.

The passing and running of quarterback Pat Trammell, the running of fullbacks Mike Fracchia and Dink Wall, and the mastery of Alabama's awesome defense combined for a display of raw power that ever gave Auburn a chance.

Trammell and Fracchia led a first-half rampage that put Alabama out front 24-0 at the intermission. The Crimson Tide's defense never let Auburn get past the 26.

Alabama's rugged defense, which went into the game the best in the nation statistically, allowed Auburn only 59 yards in the first half, despite Auburn's unexpected use of a short punt, or shotgun, formation for passing.

After the half, all was frosting on the cake for an Alabama team wrapping up its first unbeaten and untied season in 16 years.

Auburn, in closing with a 6-4 record, was the sixth team in a row Alabama has denied a touchdown.

Alabama started the rout quickly, kicking off to Auburn, recovering a fumble and driving to a touchdown in the first five minutes.

Linebacker Darwin Holt pounced on John McGeever's fumble on the Auburn 36. Five plays later Billy Richardson raced 11 yards over right tackle for the touchdown.

Wildcats Claw 'Roos, 34-12

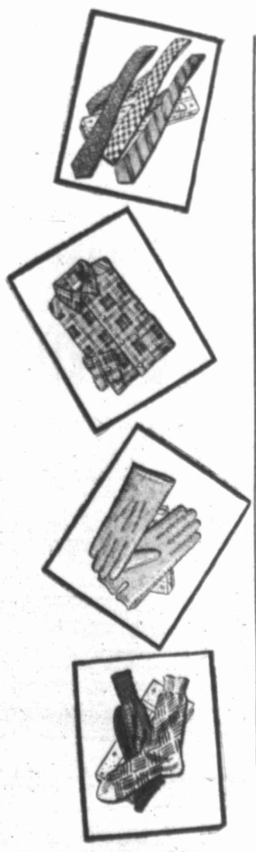

PLAINVIEW, Tex. (AP) — The Kress Kangaroos matched Wink two touchdowns each in the first half only to see the powerful Wildcats race to three second half touchdowns and a 34-12 state class A quarter-final victory Saturday night.

Kress took the opening kickoff and marched 80 yards for the initial score with Hershel Callendar plunging over from four yards out. The try for points failed on a passing attempt.

Wink made its first tally late in the second quarter with fullback Jimmy Morgan going over from two yards out. A pass attempt for extra points failed.

Less than two minutes later, Wink scored its second touchdown when Curtis Robinson intercepted a Chuck Saul pass on the Kress 45 and returned to the two yard line before being knocked out of bounds. Two plays later Robinson scored and then kicked the extra point to give Wink a 13-6 lead.

LOOKING 'EM OVER

With TOMMY HART

Spring football drills will probably take place here in May again . . . Coach Emmett McKenzie wants most other sports to be out of the way before the boys turn their attentions to football again . . . The Paris Junior College Dragons, who host HCJC in basketball the night of Dec. 16, have four regulars back from last year's team . . . They are Mike Long (6-2½), Gene Weaver (6-2), Harold Goodgion (6-4) and Travis Arterbury (6-3½) . . . Long led the team in scoring in 1960-61 and Weaver was second . . . A player coach Boyd Converse of Paris is counting on heavily this year is 6-feet-4 Jimmy Williams, who Converse redshirted last season . . . At 6-feet-6, Gary Turner of Ft. Worth is the tallest of the Dragons . . . Nick Berzac, the Odessa College phenom from Indiana, hopes to attend Florida Southern University after leaving West Texas . . . Lamesa's Tornadoes lost one of their top pivot prospects recently when Bubba Robinson, 6-2½ soph, broke his collar bone while playing touch football . . . He was a standout cager for Lamesa Junior High last year . . . When San Angelo College beat Schreiner Institute's cagers the other night, 97-65, five Ram players scored in the double figures . . . Stanton was picked no higher than fourth in a recent District 3-AA basketball poll . . . Denver City was the choice to lead the ticket . . . Only Post was picked behind the Buffaloes . . . Stanton will probably surprise a few foes, however . . . Joe Golden, the Wichita Falls coach, is in his 15th year as head man of the Coyote football team . . . Up until Saturday, his teams had won 156 games while losing only 25 . . . His clubs have been crowned state champions on three occasions — in 1949, 1950 and 1958 . . . Southern California figures to be the toughest college football team on the west coast next fall, what with 14 juniors and 18 sophs returning off this year's squad . . . Stanford should be much improved, too . . . Jack Curtice, the former Texas Western mentor, suited up 31 sophomores for Stanford's recent game with California . . . No fewer than 13 states, including Texas, are represented on the Stanford squad, outside of California.

Georgia Tech Could Get Eagle Star

Larry Rogers, the former Lubbock Christian College cage star, is now a regular on the ACC team . . . Most college scouts consider Abilene's Jack Middlebrooks the top football prospect in District 2-AAAA, despite the fact that Jack has poor vision (which is the reason he does not play defense) . . . They say he could be the 'wild-card' player, performing only on offense . . .Georgia Tech may get Middlebrooks, because his brother played football there . . . Jack probably will give up track in college, because he's getting a little heavy through the chest to continue as a top sprinter . . . The past season's football team at Midland Lee High had more seniors on it than the casual observer probably thinks — 13, in all . . . The 1962 Rebel club will have about a dozen lettermen back, however, whereas coach Duane Gressett had to build this year's team around four numeral winners . . . Gressett started eight seniors on offense and five on defense this year. . . . Bill Childers, one of Lee's top prospects, is a transfer from Lamesa, by the way. . . . The local Band Boosters' decision to sell concessions on that recent football special train to Abilene paid dividends . . . The boosters netted $312, or enough to pay for five band uniforms . . . Truman Nix's football teams at Wink High School have won 44 and lost 16 since he started coaching there in 1957 . . . The basketball players taking part in the Odessa JC Tournament this weekend ranged in height from the seven-foot John Larson to Ken Martindale of Clarendon and Cherry Eldridge of Lubbock Christian, who stand only 5-7 . . . Sports writers covering the beat in the Southeastern Conference reason that Mississippi State will repeat as the league's basketball king, beating out Kentucky for the honor . . . Georgia was picked to finish last . . . Big Spring placed no boys on the all-opponent football team chosen recently by Odessa Permian, which is not surprising in view of the fact that the Longhorns didn't look as good against the Panthers as they did their other nine opponents.

• • • •

Coyote Game Confirmed By Contract

Big Spring's 1962 football booking with Wichita Falls High School, down for the night of Oct. 5 in Wichita Falls, has been confirmed with a contract returned here by Coyote officials . . . Incidentally, Wichita Falls will be the 56th different school booked by Big Spring in football during the past 30 years . . . During that span, the Steers have enjoyed football relationships with Sweetwater, Snyder, Plainview, Pampa, Amarillo High, Odessa High, Abilene High, Abilene Cooper, Odessa Permian, San Angelo, Midland High, Midland Lee, Ysleta High, El Paso Bowie, El Paso High, El Paso Austin, Roby, Stanton, McCamey, Colorado City, Lamesa, San Antonio Edison, Andrews, Tom S. Lubbock, Lubbock Monterey, Amarillo Palo Duro, Vernon, Childress, Quanah, Stamford, Breckenridge, Fort Worth Poly, Cisco, Ranger, Tahoka, Stephenville, Gainesville, Port Neches, Brownwood, Victoria, Roscoe, Granbury, Fort Worth Riverside, Haskell, Denison, Fort Worth North Side, Mineral Wells, Wink, Hobbs, N. M., Eastland, Comanche, Pecos and Slaton . . . The Longhorns have yet to play any team from Dallas and the Waco or Houston areas (outside of Port Neches) . . . The local high school coaching staff was in the stands Saturday when San Angelo played Wichita Falls, but no one took detailed notes on the Coyotes . . . They reason that graduation will take its toll among the Wichita Falls and, in addition, the Coyotes will have to divide material with a third high school in that city next fall . . . One-time Stephen F. Austin college coach Harold Fischer, now manager of the Bowl-A-Rama here, taking note of the fact that Red Conkright quit recently as coach of the Nacogdoches school, said that "faculty jealousies" cause a lot of the Austin woes . . . Too, he reasons that the school's problems emanate, in part, from the fact that the athletic department doesn't set a training table for its boys . . . It's generally agreed that athletes need a special diet . . . Incidentally, when Fischer was a coaching aide at SF Austin, before stepping up to the head position, one of his linemen was Bum Phillips, now the head mentor at Amarillo High . . . Phillips is one of two men Bear Bryant reportedly recommended personally for the head job at Texas A&M before leaving for Alabama. The other one: J. T. King, now of Texas Tech.

Tech Socks Georgia 22-7 On The Ground

ATLANTA (AP)—Georgia Tech shrugged off a useless air arm and whipped ancient football rival Georgia 22-7 on the ground Saturday before accepting a bid to the Gator Bowl.

Tech's passing game was never more futile, but the Yellow Jackets, showed plenty of running and plunging power in driving to a 16-0 lead before Georgia found the scoring range on a 30-yard pass from quarterback Jake Saye to halfback Billy Knowles in the third period.

The convincing victory permitted Tech to carry a 7-3 record into the Gator Bowl at Jacksonville Dec. 30 against Penn State. The defeat was Georgia's seventh in 10 games.

Tech drove 56 yards for a touchdown the first time it got the ball with quarterback Stan Gann running the last eight. Gann threw two passes during the march but both were far wide of the mark.

Georgia fumbled twice on its next series of plays, the second on a fourth down punting situation, and Tech got the ball at the Georgia 16. After three rushes, quarterback Billy Lothridge kicked a 26-yard field goal.

Tech raced 81 yards in eight plays early in the second quarter for its second touchdown. On the scoring play from the Georgia 30, Lothridge faked neatly as he ran 15 yards before lateraling to halfback Billy Williamson who sprinted the remaining 15 yards.

The brilliant Williamson, fully recovered from a mid-season ankle injury, raced 6 yards in the fourth quarter to cap an 80-yard drive, again an exclusive ground march.

Georgia outmanned fore and aft by the swift, hard-hitting Yellow Jackets, managed only one first down before mounting a 66-yard touchdown drive after intermission. A pass interference call gave the Bulldogs the ball at the Tech 32 on fourth down.

Fullback Bill Godfrey bulled for 2 yards, then Saye found Knowles in the clear at the 10 and hit him with the payoff pass.

A record crowd of 47,098 fans overflowed Grant Field as Tech broke a victory drought against Georgia that had extended four seasons. Williamson led all the ball carriers with 115 yards in 19 carries in his final Atlanta appearance. Tech never completed a pass throughout the game.

Stanton Wins Triple Victory

SANDS — Stanton posted three basketball victories over Sands Friday night by winning the boys' game, 50-45; the girls' A game, 53-51; and the girls' B game, 34-30.

Stanton's Buddy Gilespie led the games' scoring with 18, and got help from Bob Stevenson with 13, and Ron McReynolds, 10. Dan Shortes was best for Sands with 15.

The girls' A game was a close-fought battle, with outstanding scores turned in by a girl on each squad. Stanton's Frances Graves tossed in 30 points, 12 of which were from the foul line, and Martha Burrow of Sands ripped the cords for 26 tallies. Sands' Linda Bristal was a defensive stand-out.

The girls B game went into overtime before Stanton could pull out the win. Carol Pinger led the winners with 17 while Robbie Brown tossed in 16 in the losing cause.

STANTON BOYS (50) — Herb Sorley, 1-3-5; Bob Stevenson, 5-3-13; Buddy Gilespie, 6-6-18; Ron McReynolds, 4-2-10; Mike Sorley, 1-2-4. Totals: 17-16-50

SANDS BOYS (45)—Ike Wasson, 2-2-6; Eugene Coleman, 4-3-11; Larry Hall, 1-4-6; Dan Shortes, 5-5-15; Billy Rasberry, 1-1-3; Eddie Hern, 1-0-2; Bob Green, 0-2-2. Totals: 14-17-45.

Score by quarters:				
Stanton Boys	13	27	38	50
Sands Boys	8	20	23	45

STANTON GIRLS A (53) — Francis Graves, 9-12-30; Linda Pierce, 6-1-13; Marilyn Sale, 4-2-10. Totals: 19-15-53

SANDS GIRLS A (51)—Marilin Burrow, 11-4-26; Virginia Rieter, 0-2-2; Zelda Bodine, 4-5-13; Day Dier, 5-0-10. Totals: 20-11-51.

Score by quarters:				
Stanton Girls A	14	22	40	53
Sands Girls A	9	19	38	51

A Serving Of Silver

Emmett McKenzie, head coach of the Big Spring Steers, stands immediately behind a bag of silver dollars presented him by the Big Spring Quarterback Club at a Thursday night banquet honoring football players of the local school and their coaches. The bag contained $500, donated to McKenzie by grateful fans. Other varsity coaches, six in number, were given $75 gift certificates. Pictured left to right, are coaches Leon Fuller, Joe Sibley, Roy Baird, McKenzie, Don Robbins and R. C. Moore. Another coach, Delnor Poss, was busy with the basketball team and wasn't able to be in attendance.

AFL Picks 200 Then Closes Draft

DALLAS, TEX. (AP) — The American Football League selected 200 collegians for service next season and shut off its annual draft at 25 rounds Saturday.

Buffalo picked the prize of the lot, Ernie Davis, the Heisman Trophy winner from Syracuse, and got into a hot argument with New York over it.

New York claimed it had taken halfback Davis in the late "secret draft" that had caused so much trouble, winding up with Commissioner Joe Foss, declaring it null and void and running into a feud with Harry Wismer, New York owner, as a result.

Wismer said he would not abide by the Foss decision and his general manager, Steve Sebo, protested Buffalo getting Davis. Wismer telephoned that he would pay $100,000 for three years and a $25,000 bonus to get Davis but apparently he is out of luck unless he can swing a deal with Buffalo.

Foss said the secret draft was null and void and made them get on with things after it was held up for 45 minutes.

More tackles than any other position were taken by the eight clubs. They picked 47 tackles, 44 ends, 23 guards, 14 centers, 16 quarterbacks, 14 fullbacks, 42 halfbacks and 21 redshirts.

The Redshirts (players who have another year of eligibility although their class has graduated) totaled only one more than the clubs took last year in 25 rounds.

San Diego, only unbeaten team in the league, came off with flying colors in the draft through a plethora of deals it made beforehand, and the chargers also took more redshirts than anybody else —eight. This indicated they felt they could afford to wait a year for their material.

Rice Raps Out Ticket To Bluebonnet Bowl, 26-14

HOUSTON (AP) — Butch Blume won the Southwest scoring title Saturday by running and kicking for 20 points as his Rice University Owls moved into the Bluebonnet Bowl by defeating the Baylor Bears, 26-14.

Rice accepted an invitation to meet Kansas in the Dec. 16 postseason classic in the 70,000 - seat Rice Stadium immediately after concluding its regular season with a 7-3 record. Kansas, with a 6-3-1 record, had accepted earlier in the week.

Baylor earlier had accepted a bid to the Dec. 9 Gotham Bowl in New York City and Utah State had scouts on hand as the Bears completed their 5-5 season.

Rice was in front all the way as Blume kicked field goals of 27 and 33 yards, scored touchdown on runs of 50 and 4 yards, and made good on two of three conversion attempts. Roland Jackson scored the final Rice touchdown from the one to end a 63 - yard fourth period drive.

Ted Plumb scored both Baylor touchdowns, taking a 28-yard pass from Don Trull in the second period and a 25-yard pass from Bobby Ply in the third.

Blume's 17 points gave him a season total of 74 and moved him ahead of two Texas stars, Jerry Cook and James Saxton, who had held the lead with 56 points.

Blume kicked his 27 - yard field goal late in the first period and boosted Rice to a 10 - 0 lead by breaking loose on his 50 - yard run on the first play of the second period. Tommy Minter almost overtook the 169 Rice senior from LaGrange at the 30 but Blume cut charply to his right and pulled away from the Bear defender.

Baylor moved 75-yards to cut the Rice lead to 10-7 with the Trull - Plumb pass but Blume made it 16-7 by climaxing a 38-yard third period drive with his four-yard run.

Holy Cross Takes Easy 38-26 Victory

WORCESTER, Mass. (AP)—The passing of quarterback Pat McCarthy and the all-around play of halfback Al Snyder Saturday led Holy Cross to an easy 38-26 victory over Boston College in the 58th renewal of the bitter area rivalry.

After Snyder got the Crusaders off to a 6-0 lead with a brilliant 42-yard punt runback in the first quarter, McCarthy took over with his aerial show.

And Snyder, who was awarded the O'Melia Trophy as the game's outstanding player, was the man who made the passing attack work. His improvised pass patterns, sharp faking and glue-fingered catches kept the Crusaders moving just when it appeared BC had the drives stopped.

Snyder also sparkled on defense, catching runners from behind, knocking down passes and covering would-be receivers like a glove.

The final score wasn't indicative of the progress of the game. Holy Cross raced out to a 24-0 lead and held a three-touchdown margin at the half.

The first Eagles' score came at the end of the second quarter as quarterback George Van Cott finally started hitting his receivers in a 55-yard drive that went all the way in the air. In fact, the only plays to make a gain in the drive were Van Cott passes—to Lou Kirouac, Carl Fleigner and Mike Tomeo.

That was the only time Van Cott or second-line quarterback Jack Concannon were consistently effective with their passes.

Ponies Slip Halter To Tie TCU, 28-28

FORT WORTH (AP)—Southern Methodist quarterback Jerry Rhome connected on a 16-yard scoring pass to Buddy Nichols with 38 seconds left and the Mustangs hit for a two-point conversion to tie Texas Christian 28-28 in a thrilling Southwest Conference football game Saturday.

The tying points came on another pass, quarterback Roger Brauch to John Richey, on a smoothly executed conversion, and the two teams wrapped up a SWC campaign in typical fashion.

TCU spotted the Mustangs a 20-point lead in the first half and then battled back in the second stanza to gain what appeared to be victory.

The fourth Frog touchdown came with less than two minutes left and vaulted the unpredictable Christians into a 28-20 lead.

But with the clock ticking away, the Mustangs marched 66 yards in four plays. Rhome got five on a sweeper, TCU drew a 16-yard pass interference penalty, Harold Morgan tossed a 29-yard pass to Gannon and Rhome then tossed the 16-yard clincher.

SMU wound up the year with a 2-1-7 record and one conference victory while the Frogs finished 3-2-5 with two league wins.

Sonny Gibbs, the towering TCU quarterback, proved the necessary sparkplug for the faltering Frogs as he directed all four touchdown marches.

Tommy Crutcher scored the first from a yard out to cap an 86-yard march and Gibbs plowed over from the one to wrap up a similar 86-yard drive.

Sophomore halfback Marvin Chipman tallied the final TCU markers on runs of six and 13 yards and Jimmy McAteer converted after all four.

SMU, capitalizing on three Frog miscues, scored its first TD less than five minutes after the kickoff when Bobby Hunt intercepted a Gibbs pass at the 35 and the Mustangs plowed to the six where Rhome passed to Tommy Brennan for the score.

A fumbled punt set up the second touchdown and this time Billy Gannon whipped the final two yards to push SMU's lead to 13-0. The third touchdown, following a TCU fumble at the 28, came on a 11-yard scraper by John Clarke.

Richey kicked two extra points for the ponies.

Wizard Blinds Army With Footwork, 13-7

PHILADELPHIA (AP) — Greg Mather, Navy's near-sighted kicking wizard, booted field goals of 32 and 36 yards Saturday and dealt Army its third straight defeat, 13-7, in the colorful service football game witnessed by President Kennedy and a crowd of 101,000.

The two errorless goals by Mather, a 212-pound Los Angeles end who can't see the playing field without contact lenses, provided the decisive margin in the fierce, defensive battle which saw the two teams trade touchdowns in the third period.

Both touchdowns were set up by long passes. Al Rushatz, piledriving fullback, scored from the 1-yard line for Army while sophomore Bill Ulrich raced 13 yards for the Navy's score.

The field goals—in the second and fourth periods—were the 10th and 11th for Mather, who set an all-time record for points scored through kicking by a college player.

Mather, who has 20-300 vision, kicked 11 field goals and 22 extra points in 23 attempts this year, giving him 55 points and beating the record of 54, set by Ed Dyas of Auburn last year.

This was the sixth game won by Navy on a field goal in the series, dating back to 1890, and it was the first to swing on a kick since 1934 when a field goal by Slade Cutter gave the Middies a 3-0 victory.

President Kennedy, a wartime PT-boat commander, sat on the Army side of the field with members of his official government family in the first half of the game and moved to the Navy side during the final half.

Hatless and without a topcoat, the Chief Executive came to his feet several times to applaud outstanding plays in the bitter battle.

The setback was particularly galling for Army which now has won only one game in the last six. The last Army victory was in 1958, when the Cadets won 22-6. Navy won 43-12 in 1959 and 17-12 last year.

Center Point And Elbow Split Two

ELBOW—Basketball teams representing Center Point and Elbow split a doubleheader here Thursday night.

Elbow won the girls' game, 29-17, with Jody Dodds' 21 points playing a major role. June Wyley led Center Point with 13.

Center Point's boys finished in front, 37-11. Don Loyd bucketed 12 points and Gary Earhart 11 for Center Point while Douglas Franklin had seven for Elbow.

SUNLAND P'K RACE RESULTS

FRIDAY

FIRST RACE (5½ furlongs, 3 and up)—Toprepon, leased by Frieda Allison, 4.60, 3, 2.60; Okla Dream, 4.20, 3.40; Rowdy Exit, 6. Time—1:06.

SECOND RACE (6 furlongs, 3 and up)—Sure Nice, owned by H. F. Bonnell, 8.40, 3.80, 3; Spy Fleet, 3.20, 2.80; Tackajax, 3.50. Time—1:11.3.

DAILY DOUBLE—15.60

THIRD RACE (400 yards, 2-year-olds)—Maroonite, owned by Mr. and Mrs. R. C. Jones, 6, 3.60, 2.80; Pacifier, 4.80, 3.60; Gibber Dandy, 3. Time—21.

FOURTH RACE (400 yards, 3 and up)—Van Play, owned by Phillips Stable, 28.20, 15, 6.40; Dunny String, 10.40, 4.80; Big Bar, 3.40. Time—22.6. Quinella—124.60.

FIFTH RACE (6 furlongs, 2-year-olds)—Shady Lagoon, owned by Mrs. Petite Luellwitz, 6, 3.40, 3; Moji, 4.60, 3.60; Battle Lina, 3.40. Time—1:12.

SIXTH RACE (5½ furlongs, 3 and up)—Buzzsaw, owned by W. J. Lewis Jr., estate, 7.20, 4.40, 3; Reprowder, 9.40, 5; Saccharine, 4. Time—1:05.3

SEVENTH RACE (6 furlongs, 3 and up)—Jonesjax, owned by Mr. and Mrs. Henry Grandi, 21, 6, 4.60; Leavermore, 3.40, 3; Racine, 6. Time—1.10

EIGHTH RACE (5½ furlongs, 2-year-olds)—Bolight, owned by E. Toler and P. Small, 25.60, 7.40, 2.80; Frosty King, 3.60, 2.80; Sunsan, 3.60. Time—1:04.1.

NINTH RACE (5½ furlongs, 3 and up)—Judillo, owned by J. L. Norris, 4.40, 3.60, 2.60; Scare Me, 5.20, 3.40; One Peso, 3.80. Time—1:03.2.

TENTH RACE (One and 1-16 mile, 3 and up)—Lucky Pierre, owned by Mr. and Mrs. W. J. Wineberg, 8.40, 4.60, 3.80; Armless, 3.80, 3.40; Mister D. G., 3.60. Time—1:45.2. Quinella—25.60.

TRACK HANDLE—150,350. Attendance—2,409.

Jack Irons Is Lone Steer On All-2-4A

Jack Irons, senior linebacker, was the lone Big Spring player named to the 1961 All-District 2-AAAA football platoons, selected by writers and coaches within the conference and assembled by Bob Milburn of the San Angelo Standard-Times.

Other Big Spring players who garnered votes in the poll included quarterback Jerry Tucker, three votes; end Willie Mendoza, one vote and guard Bobby Pryor, one vote, all on offense; and Dexter Pate, middle guard, three votes, on defense

One of the oddities of the team was the fact that no quarterback was chosen on the offensive unit. The four boys picked were Jack Middlebrooks, Abilene, and Richard Keller, Permian, halfbacks; and Mike Tabor San Angelo; and Mike Love, Permian, fullbacks.

Six San Angelo players were named to the 12-man offensive platoon—three ends were selected. On defense, the champion Bobcats also supplied six players.

Players who repeated as all-district performers this year were Mike Payte of Odessa Permian, a double duty performer just as he was last year; and San Angelo's Mike Sheehan, a guard, who also rated both the offensive and defensive platoons in 1960.

Dennis Gray and Bubba Wood of San Angelo were named to the defensive unit again this year.

Failing to repeat as all-district players were Richard Putnam of Abilene High and Odessa High's Larry Jernigan, a quarterback who was injured much of the season.

Only two juniors were named to this year's team—Love on offense and Jimmy Routh of Permian on defense. Routh was placed at a linebacker's spot.

Roger Rankin of Permian, who graduated last year, was nominated by one observer against this year. He played guard in 1960.

Abilene's Middlebrooks received one vote as a safety on defense, although he did not play on defense.

Sheehan collected five votes as a defensive tackle, one at middle guard and two as a linebacker. Carl Schreiner, Midland Lee's great defensive specialist, received 11 votes — one at middle guard and the others at the linebacker spot.

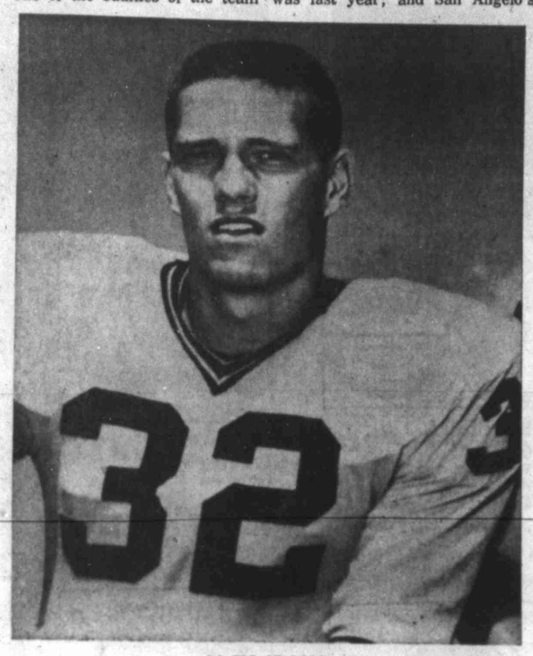

Only unanimous selection was Middlebrooks on offense. Tabor and Schreiner came within one vote of being named unanimously on defense.

The offensive line averaged out to 192 pounds per man this year, the backfield 188 pounds and the overall average was 190. The overall defensive unit came to 179 pounds per man.

Five players — Payte, Gray, Sheehan, Wood and Tabor—made the team both ways. Last year, Payte, Knox Nunnally of Midland, Sheehan, Melvin Simmons of Odessa, David Winkles of Abilene and Gary Crain of Permian made it both ways.

Although San Angelo dominated the teams, only eight Bobcats were named for the 22 positions because of the dual playing arrangement.

Only the top three clubs—San Angelo, Permian and Abilene — placed boys on the offensive unit. Midland Lee (with two boys) and Big Spring broke the domination of the leaders on the defensive club.

Sam Jones Added To Tiger Staff

MIAMI BEACH, Fla. (AP) — Detroit has bolstered its fine pitching staff by adding the veteran Sam Jones from Houston in return for Bob Bruce and Manuel Pete Montejo, a pair of young right-handed pitchers.

"I expect to use Jones both as a starter and on relief," said Manager Bob Scheffing of the Tigers. "I was a coach with the Chicago Cubs when Jones pitched a no-hitter for them and I know all about him."

With Jones to back up Frank Lary, Jim Bunning, Don Mossi, Paul Foytack and Ron Kline either as a starter or in the bullpen, Scheffing appears well equipped to give the New York Yankees another stiff battle for the American League pennant.

The Tiger-Colt swap was the most important of three baseball deals completed Friday.

In a trade between Baltimore and the St. Louis Cardinals, two men who played on the same club at Rochester last summer traded uniforms. Johnny Kucks, 28, right-handed pitcher formerly with the New York Yankees and Kansas City, moved to St. Louis after a 10-13 season at Rochester. Short-stop Ron Kabbes, a .264 hitter at Rochester, moved from the Cardinal organization to the Orioles.

Cleveland acquired infielder Mel Roach for its Jacksonville farm of the International League in a swap that sent two young catchers, Ely Churchich and Lou Holdener to the Chicago Cubs' organization.

Local Squads Trip Forsan

FORSAN—Jimmy Marcus' Big Spring B team took a 48-38 victory over Forsan Friday night to give the Dogies a 2-1 record.

Don White led the locals with 13 points, and Charlie West and Ricky Peters each chipped in eight. Ken Soles and David O'Brian each tossed in nine to lead Forsan's effort.

White and Eric Nichols did good rebounding jobs for the Dogies, who led at halftime by 22-17.

Big Spring's C team romped Forsan, 37-16, in the prelim. The win was their second. Monty Clendenen's 12-point output was best for the winners, and E. J. Self did a good job on the backboards.

BIG SPRING B (48)—Charlie West 4-0-8; Ricky Peters, 3-2-8; Eric Nichols, 3-0-6; Don White, 6-1-13; Ronnie Banks, 1-3-4; E. J. Self, 2-2-6; Jerry Wrightsel, 1-1-3. Totals: 20-8-48.

FORSAN B (38)—Ken Soles, 3-3-9; Tom Evans, 1-0-2; Danny Gooch, 3-1-7; David O'Brian, 3-3-7; Hubert Bardwell, 3-1-7; Roger Parks, 2-0-4. Totals: 15-8-38.

BIG SPRING C (37)—Robert Goodlet, 3-0-6; Norman Patterson, 2-1-5; Jerry Wrightsel, 2-0-4, Larry Seals, 2-2-6, E. J. Self, 2-2-6; Monty Clendinen, 6-0-12; Davie Wood, 0-0-0; Jodie Thompson, 0-0-0; George Archer, 0-0-0. Totals: 15-7-37.

FORSAN C (16)—Flynt, 0-1-1; Danny Wash, 1-0-2; Woodard, 1-0-2; Robertson, 3-0-6; Jim Anderson, 0-1-1; Myers, 1-0-2; Sneed, 1-0-2. Totals: 7-2-16.

28 Cougars Get Letters

ABILENE — Football letters have been awarded to 28 members of the 1961 Abilene Cooper Cougar football squad.

Halfback Danny Chapman and guards Buzz Carroll and Bob Wigner were the only seniors of the group.

The 17 juniors getting letters were: Ends, Roy McCharen, Vike Frush and Owen Smith; tackles, Eddie Lett, Gerry Cockrell and Bill Tiffany; guards, Mike Robertson, Don Bowen and Joe Kemp; centers, Joe Benson, Teddy Myrich and Carey Jackson; quarterback Freddie Waggoner; halfbacks, Bill Boyd and Jack Ridley and fullbacks Drew Tucker and George Partin.

Eight sophomores were end Charlie Jowers, tackles Richard Madison and Barry Phillips, center Russell Daffren, quarterbacks Don Herttenberger and Bobby McCraw and halfbacks Bill McKinnon and Steve Steed.

The four managers were Evan Anderson, Johnny King, Buddy Myers and Tommy Thomas.

Blacker the Fish — Better the Day for Fishing

Albany, Galena Park Notch Playoff Wins

By The Associated Press

Galena Park knocked undefeated, untied Milby out of the Class AAAA playoffs with a 27-12 upset Friday night while Paschal rolled over Denison 36-12.

Galena Park's Geren Graham provided the scoring punch that kicked over Milby as he racked up two touchdowns while all-state candidate Phil Bechtel raced for an astonishing 245 yards and scored twice in Paschal's triumph over Denison.

Gainesville shocked Corsicana 38-19 while Nederland smashed Angleton 35-0 Friday night to cause some wonder over whether the favorites had been picked wrong.

Mac White's runs featured Gainesville's victory over Corsicana but it was a 30-yard pass reception by Gil Mote that put the Leopards ahead to stay. This was with only a few seconds left in the half.

Jim Pennington was the mighty man for Nederland. He bulled for three touchdowns.

Quanah downed Dalhart 15-6, Jacksboro jarred Hooks 21-6 and Brady skimmed by Dayton 22-16 Friday in Class AA.

Danny Scarborough led Quanah to its slim victory by romping for both touchdowns and running over a two - point conversion. It kept Quanah undefeated and untied.

Dave Wheelis scored two of the three Jacksboro touchdowns while Charley Reynolds helped spark Brady, a former champion, to its decision over Dayton. Reynolds scored a touchdown and ran for two two-point conversions.

The major interest in Class A rests on mighty Albany, the defending state champion, and what it did Friday night. The Lions demolished hitherto undefeated, untied Forney 46-14 and the Kress-Wink winner won't have much to look forward to in the semi-finals.

Roy Hogan passed for three touchdowns and kicked an extra point as Albany ran over Forney.

Hull-Daisetta, the unbeaten, untied southern power, romped to a 32-8 triumph over Three Rivers. Quarterback Gene Walker made four touchdowns, one on a spectacular 86-yard run with an intercepted pass.

Groveton reached the Class A semi-finals with an upset victory on first downs in a 6-6 tie with Waco Connally.

BY GRID COACHES

Two Sands Players Named All-Stars

Two Sands players have been named to the District 4-B all-star defensive platoon.

They are end Eugene Coleman, who came on fast after an early season injury; and linebacker Dan Shortes. Both boys are seniors.

E. COLEMAN

Twelve boys among five schools comprising the conference made up the offensive unit and Wilson had five of those.

Lorenzo and New Home each placed three and New Deal one. The 13-man offensive squad (six backs were picked) is made up of nine seniors and four juniors.

The 13-man defensive unit consists of ten seniors and three juniors. Lorenzo put four on the defensive platoon while Wilson had three and New Deal, Sands and Cooper two each.

The elite group was selected by the coaches in a meeting held the past week.

OFFENSIVE PLATOON

Ends—Charles Walton, Wilson, junior; and Jerry Jenkins, Lorenzo, senior.

Tackles—Bill Kapocky, New Home, senior; and Clarence Nieman, New Home, senior.

Center—Bobby Stone, Wilson, junior.

Quarterbacks — Marlow Rudd, New Home, senior; and Surpy Benavides, Wilson, junior.

Backs—LeRoy Schneider, Wilson, senior; Johnny Kubacak, Cooper, senior; Roy Sweatman, Lorenzo, junior; and David Attebery, New Deal, senior.

DEFENSIVE PLATOON

Ends—Ed Bradshaw, Lorenzo, senior; and Eugene Coleman, Sands, senior.

Tackles—Amada Salinas, Cooper, junior; and Glenn Coker, New Deal, junior.

Middle guard—Bobby Hurst, Lorenzo, senior.

Corner linebackers—LeRoy Schneider, Wilson, senior; Tommy Hlavity, Cooper, senior.

Inside linebackers—Dan Shortes, Sands, senior; Gary Setliff, Lorenzo, senior; and Eddie Williams, Wilson, senior.

Halfbacks — Surpy Benadives, Wilson, junior; Max Joiner, Lorenzo, senior; and Glenn Price, New Deal, senior.

HONORABLE MENTION

Ends—Ike Wasson, Sands, senior; tackle—Doyle Lewis, Sands, senior; center—Lonnie Taylor, Sands, senior; quarterback—Larry Hall, Sands, senior; and back—Dan Shortes, Sands, senior, all on offense

Tackles—Bob Smith, Sands, sehior; Ronnie Gaskin, Sands, junior; and Dean Newsom, Sands, senior; middle guard—Max Harding, Sands, junior; and Billy Rasberry, Sands, senior; linebacker—Lonnie Taylor, Sands, senior; and halfback—Larry Hall, Sands, junior, all on defense.

Deer Hunt House Is Dedicated

DETROIT (AP)—Terry Kinney, 20, shot a deer and then hitchhiked home with it—nearly 350 miles.

"I went up with some friends but they had to leave earlier than I wanted to, so I stayed on," Kinney said.

He borrowed a rifle and hunted near Sault Ste. Marie in Michigan's Upper Peninsula. He shot a 150-pound buck Tuesday and started home to Detroit Friday.

"There I was and there was the deer and I wanted to get it home and the only way was to hitchhike, so I did," he said.

He got a ride the biggest part of the way with a southbound deer hunter who had his own buck on a trailer.

Mason Loses

ELDORADO — Eldorado beat Mason, 44-25 Friday night, with Jim Runge leading the way with 13 points, Terry McMillan was high man for the losers with 10.

Abilene Splits With Dallas

ABILENE—In the opening round of a Dallas-Abilene twin bill at the Abilene High Gym Friday night, the Abilene Eagles nudged Samuel, 51-48, and Hillcrest's Panthers blasted the Cooper Cougars 66-48 in the prelim.

A 7-7 tie in the first quarter was the closest Samuel came to the lead. Abilene pulled ahead after that, and held a comfortable edge until the final few seconds when a Panther rally carried them within one point of Abilene.

Virgil Pate, high Abilene scorer with 15, put in successive jump shots to hold off the threat. Paul Oliver was number one man for Samuel with 13, while David Wray and Ralph Westbrook each got 12 and O. W. Statler added 11.

Hillcrest got off to a cold start in the initial tilt, but pulled away to stay in the second period. Jeff Forester led with 18 for the winners, with Marshall Hall close behind with 17. For the Cougars, Steve Forester and Roy McCharen got 17 and 12, respectively.

Double All-Star Game Will End

MIAMI BEACH, Fla. — The double All-Star game program, unwanted by the baseball club owners ever since its inception three years ago, will terminate with the 1962 season.

This was made evident Friday when the American League halfheartedly endorsed a second midsummer spectacular next year but warned in no uncertain tones that it would be the last.

A league announcement, conveyed by public relations director Joe McKenney, read tersely:

"The American League voted to participate in the second All-Star game in 1962 but it will not entertain any request for a second All-Star game again. A committee will be appointed to consider an alternate program which will benefit the major league players and benefit baseball."

Mertzon Bangs Sterling City

STERLING CITY—David Wilson scored 20 points to lead Mertzon to a 49-40 win over Sterling City Friday night. Mertzon also won the girls' game, 39-35, with Brenda Childress leading the way with 26 tallies.

High scorers for Sterling City were Leroy Churchill with 12 points for the boys, and Mitzi Davis with 17 for the girls.

Officers Are Named By OWC

Members of the OWC Bowling League held a banquet at the Webb AFB Officers Club Wednesday to elect league officials for the coming season and present trophies to the current season winners.

Incoming officers are: Mrs. Richard H. Miller, president; Mrs. Charles Skelton, vice president; Mrs. William W. Pattison, secretary; Mrs. Robert C. Hess, treasurer; Mrs. Max Zweibel, sergeant at arms; and Mrs. Richard H. McManigell, reporter.

Trophies were presented to: first-place team, consisting of Mrs. J. A. Nickols, Mrs. Jack Wickard, Mrs. F. G. Routen and Mrs. R. Council; second-place team, Mrs. Guy N. Bumgarner, Mrs. John F. Seaton, Mrs. R. K. Stien and Mrs. Wilson A. Nixon; third-place team, Mrs. W. J. Ludwig, Mrs. Frederick R. Romaniello, Mrs. D. L. Fredericks and Mrs. J. A. Garriott.

Also receiving trophies for their individual season performances were: Mrs. R. H. Miller, high average of 158; Mrs. Charles Skelton, high series, 518; Mrs. Jack Wickard, high game, 197; Mrs. R. Council, most improved bowler; and Mrs. B. U. Pearson and Mrs. J. L. Welch, most split conversions. Mrs. Skelton and Mrs. Miller received 500 series pins.

In charge of the banquet were Mrs. Romaniello, Mrs. Nichols, and Mrs. Joseph A. Riley. Mrs. Seaton and Mrs. Wickard were the trophy committee.

Anyone interested in bowling in the OWC league starting Jan. 10 can call Mrs. Pattison at AM 3-4093.

Bobcats Edged In First Round

In the first round of the Seminole Invitational Basketball Tournament the hosts tripped San Angelo, 68-55, Friday night.

Bob Measles led the winners and also gained high scoring honors for the game with his 26-point output. For San Angelo, high scorers were Alex Decuir with 18, Charles Spieker, 16, and Minton White, 15.

Other action that night saw Midland edge Lubbock, 39-38, in a defensive duel.

Jan. 3 Date For Legislature On Escheat Bill

AUSTIN (AP)—Gov. Price Daniel will set out Jan. 3 to make good his word to get an escheat bill passed which includes banks.

Daniel, in the middle of the battle over passing an escheat bill during the special session of the legislature in August, told the the bankers at a legislative hearing that he would call a legislative or congressional investigation if bankers did not work with him on some sort of abandoned property seizure bill.

A House special committee is probing into both state and national banks to find out how much money is in dormant accounts and how much banks are charging to keep it.

Texas has had an escheat law on the books for a number of years. Daniel is seeking a reporting procedure, the first step to getting the money for the state.

The Legislature on Aug. 8 passed an escheat enforcement bill that includes pipelines, utilities, insurance companies and all other persons and corporations, but excludes banks. The law requires abandoned property to be reported and gives the attorney general procedures to file suit and obtain it for the state.

Daniel, in calling the Jan. 3 session, said he will accept an extension of the provisions of this law to include banks and banking institutions, or separate legislation which includes these three provisions:

1. No bank deposits of lost owners or missing heirs shall be transferred to the profits or capital of any bank or otherwise reduced by charges or assessments while in a dormant condition.
2. After depositors have been lost or unknown for more than seven years, reasonable diligence should be made to locate them, including the advertising of their names at least once in a local newspaper.
3. Any remaining deposits on which owners cannot be located for more than seven years shall be reported to the state and kept by the state, still subject to delivery to owners or missing heirs who may be located at any time thereafter.

Lt. Hugo Selected Pilot Of The Month

Lt. William L. Hugo Jr. received a loud round of good-natured cheers Friday when he was named instructor pilot of the month, during the monthly dinner for officers of Pilot Training Group at Webb AFB.

It was obvious that his fellow instructor jet pilots were pleased with the choice, as Wing Commander Col. Wilson H. Banks congratulated the jet pilot and handed him the award.

The monthly dinner featured Dr. Tomas R. Armstrong, Cuban refugee who is currently on the staff of the Veterans Administration Hospital. He described his native country and gave an interpretation of recent events.

Cvilians attending the dinner were Chief of Police Jay Banks, Harold Talbot and Otis Grafa.

Two members of Pilot Training Group received their "doctor's degrees," which is awarded instructor pilots who have 2,000 hours jet flying experience and 1,000 hours of jet instructing experience, all accident free.

They were Capt. Alain G. Boughton and Lt. Charles O. Coogan.

Master's degrees, for instructors with 800 flying hours of accident free jet instruction, went to Maj. Harris B. Wilhoite, Capt. Bobby G. Gilbert, Capt. Charles W. Semler, Capt. Mario J. Stefanelli, Capt. James C. Tally, Lt. John E. Greaud Jr., Lt. James W. Harper Jr., Lt. Robert L. Hoover, Lt. Lawrence L. Patton and Lt. Herschel O. Wells.

Receiving pilot training certificates for the T-37 were Lt. Linwood L. Arthur, Lt. Daniel W. Hardage, Lt. Kenneth H. Koskela Sr., Lt. Warren L. Meerdink, Lt. Roger D. Shields, Lt. Charles D. Porter, 2nd Lt. Edward L. Nock and 2nd Lt. John P. Tillander.

New personnel of the group, introduced during the dinner, included (3560th Squadron) Capt. James A. Brazeel, Capt. Charles W. Jensen, Capt. Eric E. Miller, 2nd Lt. Eugene Vieh, and 2nd Lt. Roger W. Wright; (3561st Squadron) Capt. Keith H. Hill, Lt. Lellon M. Rousey, Lt. David T. Burton, 2nd Lt. Walter E. Kowalik, 2nd Lt. William F. Wesson; (Student Squadron) Capt. Scott G. Smith.

Honored Pilot

Lt. William L. Hugo Jr. (right) receives a congratulatory handshake Friday from Col. Wilson H. Banks, Webb AFB commander, after he was named instructor pilot of the month. Lt. Col. Henry G. Victor, pilot training group commander, looks on.

Deer Hunters Help Each Other

AUSTIN (AP)—The Sportmen's Clubs of Texas (SCOT) announced dedication Saturday of a new building at Mason to house participants in the operation orphans deer hunt.

Cecil Reid, executive secretary of SCOT, said the building was put up with volunteer labor and contributed materials.

The deer hunt, held last year for the first time, brings boys from various Texas orphan homes to the Central Texas hill country for instruction in handling fire arms and a deer hunt. Last year's hunt harvested many surplus doe deer in Mason County. Ranchers provided the boys a place to hunt.

Reid said two other SCOT deer hunting projects are in full swing. He said 30 disabled veterans from San Antonio will inaugurate the season in McCulloch County, where some ranchers have opened their gates for harvesting of surplus antlerless deer.

The other project, Reid said, is the day hunt operation in Webb County, where deer are being transported to Dolores Ranch to increase the hunters' opportunity for a trophy.

CRITIQUE

By Glenn Cootes

The cast has been selected and at least a week of rehearsals has been planned for the "Rainmaker," Big Spring Civic Theatre production that will be staged toward the end of January.

Bob Lewis, director for this play with a theme of hope, heard readings Thursday and named his cast at week's end.

Mrs. Jim Wade was named to the female role, the characertization that holds the play together and clearly defines the theme. She has carried lead chores for the BSCT in two previous productions.

The six male parts went to Chuck Worley, Athol Atkins, Art Clonts, all with experience in BSCT plays, and Dave Guy, David Brinkley and Joe Davenport, new to the BSCT but bringing experience from other groups.

"I am very pleased with the cast," Lewis said following release of the names. "I think we can do a good job with this play. We will have no stars, just all of us working together to insure the ticket-buyer a good evening of entertainement."

"Rainmaker" is the first of five productions planned for 1962 by the BSCT board. The setting of the play could be West Texas, in that it is a semi-arid area suffering from a long drought.

The obvious story-line concerns the willingness of the residents to buy hope, even from an obvious crank, in the form of a rainmaker promising it will rain again if his instructions are followed.

The stronger side of the playwright's theme is developed through the interplay of human emotion, as this same family seks hope for a female-member in her search for a husband.

Sprinkled lightly with comedy, it is a well-chosen production for little theatre.

To kick off this ambitious 1962 program, the board selected Lewis to direct the first play. He is a graduate of Baylor University, where he was active in the drama and English departments. He also studied play-writing.

BOB LEWIS

One of Lewis' experiences at Baylor, under the celebrated Paul Baker, was playing Horatio in the same production that had Charles Laughton co-producing and Burgess Meredith as Hamlet. He worked in other plays, including "Member of the Wedding," "Crucible," "Between The Gates," to name a few.

He directed numerous one-act plays in his 2½ years experience with Baker. Since coming to Big Spring, he has acted as judge in the one-act play contest at the high school. The current play will be his first for the BSCT.

Lewis brought an air of enthusiasm to all who read for parts Thursday, which aptly matches the current spirit of revitalization among the organization's members.

The director will set rehearsal dates within a few days. Mrs. Arthur T. Clonts, board member, will be the producer and she will name the production crews within a few weeks.

Other stage play activity coming up includes a high school production, planned for January or early February. Bedford Forrest, high school drama instructor, will take on "The Diary of Anne Frank." This ambitious selection is in keeping with his success of other difficult works, such as "Teahouse of the August Moon" last year.

Forrest will hear readings Wednesday evening at 7 p.m. in the high school auditorium.

Tech To Honor Two Friends

LUBBOCK (AP)—Two men who did much to mold Texas Tech into a major educational institution will be honored Sunday.

They are the late John W. Carpenter of Dallas, utilities, insurance and steel man, and Spencer Ashton Wells of Lubbock, pioneer Texas retailer.

Tech will formally name two of its new dormitories after them in public ceremonies at 2 p.m.

Each of the new residence halls houses 359 men.

Gov. Pat Neff named Carpenter to Tech's first board of directors in 1923.

Carpenter is credited with having much to do with the original construction on campus and with formation of the first curriculum.

His interest and support of Tech continued until his death in 1959.

Wells has had an influential interest in Tech since its founding. Tech's first football team was outfitted in bright red blankets by his store.

Hundreds of Tech students have been able to finance their educations through jobs in Wells' stores.

Wells holds a special citation from the Tech board commending him for his efforts on behalf of Tech legislative requests during the depression years of the '30's.

Later he was a member of the Tech board serving as chairman and vice-chairman.

Forsan Calls Rev. Carl Lee

FORSAN (SC) — The Forsan Baptist Church will have its own pastor again, beginning Sunday, when the Rev. Carl G. Lee begins his ministry there.

The church has been without a pastor since Rev. Darrell Robinson resigned to accept a call to the newly organized church at Midway.

Rev. Lee was called from the church at Girard, where he had worked 1½ years. He has been in the ministry eight years and is now attending the Baptist Seminary at Fort Worth. He and his wife and two youngsters have moved into the parsonage.

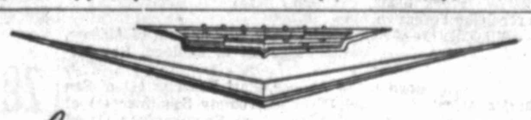

Rev. Lee is the son of Mr. and Mrs. J. L. Lee, Eunice, N. M. He is a graduate of the high school at Hobbs, N. M. and Hardin-Simmons University, Abilene.

Superb craftsmanship

From the standpoint of fine craftsmanship, Cadillac enjoys a position unique in the industry. First of all, Cadillacs are built in one plant by craftsmen who share their skills with no other car . . . who know only Cadillac's high standard of quality. Secondly, the average Cadillac craftsman has been working to these high standards for more than a decade. And finally, all these skills are checked by more than 1400 separate inspections. A revelation drive at your authorized dealer will give you the story of Cadillac craftsmanship first hand.

Pendleton Leaves For Tunisian Post

Joe Pendleton, accountant for that past 11 years for the John Turner and C. D. Turner interests, is leaving Monday morning for Tunisia to be accountant for an overseas drilling venture.

hs He has joined Drilling and Exploration Company, Dallas, as contract accountant fir the firm's contract to drill exploratory tests about 100 miles inland from Sfax, Tunisia. He will be there for at least a year. and after six months Mrs. Pendleton and their daughters may join him.

In this new experience, Pendleton will be directly responsible to the chief administrator of the D&E operations in Tunisia and will direct the accounting operations for the project. Initially, there will be about 60 people involved in this, the first oil drilling operation in that country.

Sfax is about 200 miles from Tunis, capital city, and was chosen as the base of operations because it is the port nearest to the drilling site. Equipment for the undertaking is now being moved by a fleet of trucks from the Lybian desert. Pendleton's assistants will include native workers who will keep necessary accounting records in French and Arabic.

Pendleton was reared in San Angelo and following his graduation from high school in 1943, he enlisted in the Army and saw service in Europe. Upon separation, he entered Baylor University and was graduated with a BBA degree in 1948. After working a year with a firm of CPA's at San Angelo, he came to Big Spring. In June of 1950 he became associated with the Turners, among the most active operators in this area.

JOE PENDLETON

In June of 1947 Pendleton was wed to Miss Charby Beck, and they have two daughters, Nancy and Becky. Pendleton is a member of Masonic Lodge No. 598, a past advisor for the DeMolay chapter, and immediate past commander of the American Legion post. He and Mrs. Pendleton are members of the First Baptist Church.

Plant Waits On Demands

The Sid Richardson Carbon Plant is still shut down after about a month of inactivity, according to John Hogg, plant manager. He said it should go back on stream in about two weeks.

Carbon black was produced to provide adequate stocks for the shutdown, he said. In the meantime, shipments have been made and maintenance has been done.

The current delay in resuming production is attributed to a wait until demand warrants production. Hogg said when the plant is fired up again it will produce continuously at a level designed to prevent overproduction which might cause another shutdown.

"When you close down the operation of the plant, it is hard on the machinery as well as making workers unhappy with the layoff," Hogg said. "We want to get going at a regular pace to prevent this."

He noted that maintenance now being done is routine and the plant could fire up immediately if necessary.

Completions Are Lagging Way Back

AUSTIN (AP)—The State Railroad Commission reported 187 oil well completions the past week to make a total of 8,774 for the year, compared to 9,052 in 1960.

There were 80 gas well completions and 75 dry holes.

The 10 oil wildcats included five in Dist. 3, three in Dist. 4, and one each in Dists. 2 and 8.

The 49 gas discoveries included 20 in Dist. 4, 13 in Dist. 3, six in Dist. 2, two each in Dists. 7-B, 7-C, 8 and 10, and one each in Dists. 5 and 9.

There were 120 wells plugged including seven gas and 38 oil.

The average calendar day allowable was 2,845,717 barrels compared to 2,756,414 for Nov. 25.

What are the

OSSICULA AUDITA?

The Ossicula Audita are a group of small bones in the inner ear.

The study of human anatomy, as a branch of medicine, is essential to the progress of medical science and to the betterment of our country. Unfortunately many potential doctors may never study medicine because they may never go to college. Already many of our colleges are overcrowded and in 10 years applications will double. We will need more and better college laboratories and thousands more of the highest quality professors.

ACKERLY FIELD

Continental Sponsors Short Course On Testing

A four - day "Test Engineers Short Course" sponsored by the Continental Oil Company was completed Thursday in Big Spring.

It was held at the Desert Sands Motel and field study was conducted in the Ackerly (Dean) field and the Howard-Glasscock field.

Instruction was offered on the proper use of testing equipment and information which can be obtained from a producing well. Accurate information about a formation is necessary for most efficient extraction of the oil. The men were familiarized with tests which could be made to acquire such information.

Convinced that economical field operation results only after study has uncovered enough facts about the field to make decisions rather than guesses on production methods the Continental Oil Company sponsored the course to acquaint its testing engineers with methods which are available.

Instructors for the course were Joe Chastain, Johnson-Fagg, Inc., Leo Fagg, Johnson-Fagg, Inc., Tulsa, Okla.; Bill Graham, The Servco Co., Odessa; O. Ed Haley and Nolan Emert, Assoc. Engineering and Equipment Co., Houston; E. V. Boynton, division engineer, Midland; J. A. Queen, division engineer, Roswell, N. M., and H. W. Swaim, senior staff engineer, Fort Worth.

Attending the course were J. W. Allen, Pecos District; L. D. Alston, Panhandle District; L. W. Bingham, New Mexico Division, K. J. Campbell, Odessa District; F. W. Collard, West Texas Division; L. D. Duncan, Artesia District; C. E. Evans, Sweetwater District; T. E. Fay, Eunice District; and C. D. Fleming, Wichita Falls District.

Others were W. D. Howard, Hobbs District; C. C. McDonald, Denver City District; L. S. Puckett, Crockett District; H. R. Armstrong, Artesia, N. M.; H. H. Ray, Sweetwater, W. C. Vandeventer, Borger, M. W. Woodard, Artesia; Tom Quinn and Fred Koons, Ponca City, Okla.; Ralph Arnett, Midland, and D. E. Jacobs and J. P. Haney, Big Spring.

ON OIL IMPORTS

Administration Charged With Lack Of Planning

WASHINGTON (AP) — The Kennedy administration has no "coordination in its thinking and planning" on oil import controls, the Democratic chairman of a House Investigating Committee charged Friday.

Rep. Tom Steed of Oklahoma, chairman of a Small Business subcommittee studying proposals for changing the limits on imports of foreign crude oil and products, spoke out during hearings in criticism both of the administration and of what he called the general Eastern Seaboard attitude.

The subcommittee heard appeals for tighter controls from Gov. Price Daniel of Texas, chairman of the Interstate Oil Compact Commission, and Richard Byrd, chairman of the Kansas Corporation Commission.

Byrd called for "a limitation . . . on the volume of Canadian crude that can be imported into the United States." Canadian crude oil now enters this country by pipeline without being subject to limits set on general imports.

The Interior Department has submitted to President Kennedy proposals for changes in the executive proclamation fixing oil import limits. Witnesses have refused to talk about the specific recommendations, but it is understood Interior recommended a tightening and other government departments are in disagreement.

NO BIG NAMES

Steed remarked his subcommittee is "not a bit upset by the fact that the administration hasn't graced us with any of its big names. We have learned some things from the third-rank people we couldn't learn otherwise.

"There isn't any coordination in its thinking and planning in this administration. No real policy on this issue has evolved . . . No wonder they didn't want to tell us what their positions were."

Steed said too many Eastern interests are concerned only with profits from the use of low-cost foreign crude, but "somewhere somebody in the administration and in the East is going to have to wake up and face the facts of life or one day we will no longer be able to cope with the minimum needs of the nation."

Daniel sent a written statement to the subcommittee. Byrd testified in person. Both emphasized that what they termed excessive imports were undermining state oil conservation programs and discouraging the search for new oil reserves in this country.

Daniel called for a new approach or overhaul of the mandatory import control program, saying it is now full of loopholes, exemptions and special privileges, and, therefore, ineffective.

"The effectiveness of state conservation programs is being destroyed by excessive imports," Daniel said. He contended also that the influx of cheap foreign crude was causing physical waste by making it economically impractical to use more expensive methods for extracting all the oil from U. S. fields.

Active Rig Total Slides

Lea County, N. M., with 36 rotaries making hole, paced Permian Basin Empire drilling activity during the week ended Dec. 1, according to Friday's Reed Roller Bit Co. survey.

Two hundred and twenty-eight units were in operation in West Texas and Southeast New Mexico, down from the previous week's 230 and this time last year's 241.

The county-by-county count, with previous week's totals in parentheses, includes:

Andrews 13 (15), BORDEN 5 (3), Cochran 1 (0), Coke 2 (3), Chaves 1 (1), Concho 2 (1), Crane 21 (19), Crockett 7 (8), Crosby 1 (1), DAWSON 9 (6);

Dickens 1 (3), Donna Anna 1 (1), Ector 8 (8), Eddy 12 (12), Fisher 2 (4), Gaines 2 (7), GARZA 2 (3), GLASSCOCK 0 (1); Hockley 5 (5), HOWARD 3 (3), Kent 2 (2);

Lea 36 (39), Loving 2 (2), MARTIN 10 (10), Midland 5 (3), Nolan 2 (3), Pecor 14 (14), Reeves 7 (7), Roosevelt 7 (4), Runnels 3 (2), Scurry 3 (3), Schleicher 5 (3);

STERLING 1 (1), Stonewall 3 (0), Sutton 0 (2), Terrell 2 (2), Tom Green 1 (1), Upton 5 (6), Val Verde 1 (1), Ward 5 (5), Winkler 10 (10), Yoakum 6 (6), TOTALS 228 (230).

Texas' Deepest Producer

Gulf Oil Corp. completed the No. 2 R. Cleveland in Reeves County as the state's deepest producing well. It potentialed a calculated open flow of 37 million cubic feet of gas per day from perforations bottomed at 17,200 feet. Shown examining the well are, left to right, T. E. Mouch, Parker Drilling Co. superintendent; A. L. Owens, tool pusher, and V. G. Davis, Gulf area production manager.

Camera Helps Industry Develop Drilling Bits

NEW YORK (AP) — A camera taking 360 degree photos every 8 feet down a 500-foot hole in the ground helps the Hughes Tool Co. design new drilling bits for oil prospectors.

By measuring electronically the color of molten steel in a furnace on a color photograph Bethlehem Steel can make sure its product is at the required temperature.

Shell Oil geologists study aerial photographs to judge prospects of oil, and often save themselves a trip that way.

Monsanto Chemical says photography has cut drafting time in its plant maintenance program by 30 per cent.

All of this is why more and more industrial and business firms are setting up their own photographic departments.

At least 9,600 companies employ one or more photographers, double the number 10 years ago, according to Fred Quellmalz Jr., executive manager of the Professional Photographers of America, with headquarters in Milwaukee. And a huge, if uncounted, number of outside photographers are used by these and other corporations on an ever growing variety of assignments.

Many of the research operations, Quellmalz said in an interview, couldn't function without photography.

He explained: "Cameras can stretch or condense time, can be sent where men cannot go, can relieve the tedium and expense of recording data by human observation, can be teamed with other instruments such as microscope and spectroscope, can see forms of light and other radiation man's eyes cannot."

The public is most familiar with industrial photography as it shows up in ads or commercials.

But a big part of the job of corporate photography departments is for use within the companies themselves. This runs from controlling production to plant payouts, product development, inventory control, engineering, material handling, traffic, inspection, employe training, reproducing and duplicating.

Touchy Subject Has Early Spot On Commission Agenda

DENVER (AP) — The 33-state Interstate Oil Compact Commission opens its annual meeting Monday with a touchy subject holding an early spot on the agenda.

A study of equitable sharing of the domestic crude market has prompted one of the sharpest controversies in the 27-year history of the commission, an advisory body on oil and gas conservation.

Proposed procedural changes by a subcommittee on equality of opportunity to produce have eased the tension considerably, however, since Gov. Jack Gage threatened Oct. 11 to take Wyoming out of the compact.

The subcommittee is to report Monday. The final report goes before the closing general session Wednesday. The commission is expected to scuttle the entire project or authorize an expanded program that would eliminate objections.

Governors of nine states will attend the meeting. President Kennedy will be represented by Asst. Interior Secretary John Kelly, director of the New Mexico Conservation Commission.

The equality of opportunity study was sanctioned a year ago after Texas and other states contended they were losing crude markets to other states.

The dispute basically places states which adjust production with the rise and fall of the market demand against states which have no proration statutes.

On Sept. 29 the subcommittee said individual states, in times of serious oversupply, assume a sense of responsibility for helping maintain proportionate reserve productive capacity. It refused to broaden its study beyond crude production and reserves.

Gage charged that some states were trying to use the commission to create an impression Wyoming, with no proration, is producing too much oil. He said the executive committee headed by Gov. Price Daniel of Texas, the compact chairman, had blocked a proposal to expand the study to include natural gas.

On Nov. 6 the subcommittee, faced with Wyoming and Utah requests to reconsider, broadened the study to include both natural gas and liquefied petroleum gases.

The group headed by Harvey Houston, director of the Colorado Oil Inspection Department, also backtracked on an earlier decision that the subcommittee seek information from industry sources. The group decided all the data required would be available from the regulatory agencies of the 13 states which produce more oil than they consume.

COSDEN 15
meet the 'SENIORS' of the Cosden family...

RALPH E. STARK

This is the 8th in a series of special Cosden presentations recognizing the long and valued services of these employes who have been associated with the Company 15 years or longer. Cosden is proud of its scores of workers who have contributed their efforts through so many years toward the success of the company.

15

Uncle Sam introduced many out-of-staters to West Texas in World War II days. So it was with Ralph Earl Stark of New Salisbury, Ohio, who was assigned by the USAF to Big Spring Bombardier School. Upon returning from overseas duty, he ended his three-year service and resumed his job as production clerk for a steel mill in Midland, Pennsylvania.

His frienship for a Big Spring girl blossomed into courtship; he and Betty Leysath were married March 31, 1946. The couple moved back to Big Spring the following July and, on August 1, Stark became a Cosden employee. Initially he was an IBM operator. For fourteen years he has been crude oil accountant, which has been a good observation post from which to watch the company's growth.

The Stark family at 604 Dallas includes Marsha Lane, 14, a ninth grader at Goliad; Ralph Richter, 9, who is in Park Hill's fourth grade; and John Richard, a five-year-old kindergarten pupil. For recreation Stark chooses fishing and his new sport, golfing. The family church is the First Baptist, where he works with young people as their associate Sunday School superintendent and training union director.

Stark is a member of the Masonic Lodge and the Downtown Lions Club, of which he is a past director. He is also active in the Big Spring Investment Club.

How We Look To The Martians

This is a view of the west coast of the United States as the capsule carrying Enos, the orbiting chimpanzee, passed over the Guaymas, Mexico, tracking station on his first orbit. Dark areas right and left in the lower part of the photograph are protruding structure of the capsule. Black at top is outer space. The photograph was made at 11:28 a.m., E.S.T., Nov. 29. National Aeronautics and Space Administration officials were unable to give a more precise identification of the area shown because the capsule was turning while the automatic cameras were running.

'I'm Enos From Outer Space'

Here's Enos, the chimpanzee that was blasted off into space and orbited the earth two times, after he was taken to Kindley Air Force Base in Bermuda for physical checkup following his flight. Photo by AP staff photographer John Rooney.

Rhubarb At Fort Polk Continues

FORT POLK, La. (AP)—The furor over dissatisfaction of soldiers at this World War II camp continued Saturday with some difference of opinion on just who was dissatisfied.

The President of the United States, the Texas adjutant general, the 49th Division commanding general, the National Guard Association, and the GI's themselves took note of the fuss.

Some National Guard sources have said that most of the gripe at the fort here where the 49th Armored Division is mobilized comes from members of the Army Reserve, not the National Guardsmen.

But some talk differently.

Meanwhile, Rep. Joe Kilgore, D-Tex., from McAllen, said in Washington that he and other congressmen probably will visit Polk in about two weeks.

"They are contributing a great deal more to their country than they realize," Kilgore said.

Maj. Gen. James E. Taylor, Texas adjutant general, said in Austin that men at the fort are "in a lot better shape than the Texas units that mobilized in November 1940 at Camp Bowie in Brownwood."

The National Guard Association also spoke up.

Maj. Gen. William H. Harrison, association president, said in a statement:

"The griping of a few individuals involved in the recent military callup is casting a shadow upon the patriotism and spirited response of the more than 150,000 National Guardsmen and reservists now on active duty."

The association president said there are shortages of weapons and equipment but commanders are making the best of what is on hand.

Rayburn Group To Keep Library In Private Hands

BONHAM (AP)—An official of the Rayburn Foundation this weekend reaffirmed the group's intention to support the Rayburn Memorial Library through private contributions rather than to let the federal government operate it.

"We may not be able to accomplish everything that Mr. Rayburn planned for the library but we will continue its operation and expand its services through private contributions," Buster Cole, secretary-treasurer of the foundation, said.

"The foundation was created as a private charitable trust with local people as trustees. So far as I know, I never heard Mr. Rayburn say there was anything in his mind that would ever make the library a burden on the federal government.

"The Rayburn Memorial Library will always be a privately operated institution."

Earlier this week Rep. Albert Thomas, D-Tex., proposed in a Washington speech that the General Services Administration take over the operation of the library.

Contributions to the current fund drive for the foundation have reached about $12,700. Cole said he had been informed that several thousand dollars more have been contributed in Washington but have not yet been forwarded to the foundation officers here.

To date, all contributions have been strictly voluntary with no organized campaign being conducted. Gifts, ranging from small donations by school children upwards to $1,000 have been received by the foundation since the House speaker died Nov. 16 at 79.

One of the latest contributors is former Secretary of the Treasury Robert Anderson, who spoke at the dedication of the library in 1957 and who has made large contributions to the foundation in the past.

"There could not be a more fitting tribute to the speaker than the library....and I hope that many others will join in helping to assure its perpetual operation," he said in part in a letter to Rhea Howard, publisher of the Wichita Falls Record-News and Times.

The foundation will be one of the chief beneficiaries of Rayburn's estate, under his will which was filed for probate here.

Spinx Caught In Spy Case --- By Talking

CAIRO (AP) —Egypt's famed sphinx, silent and aloof for 4,500 years, has been caught up in a spy case—by talking.

Cairo newspapers say an Egyptian official arrested with 12 others in an alleged French spy ring took a $14,000 bribe to help a French firm get the contract to rig the ancient monument and the pyramids for sound.

Since April Egypt's biggest tourist attractions in the desert outside Cairo have been relating their centuries of history with recorded voices to a musical accompaniment and shifting colored lights.

The sphinx speaks in English, French, German and Arabic, and the tourists flock to hear.

The Egyptian ministry of culture put out about $3 million to fit out the shrines for what the French call "son et lumiere" (sound and light).

Local newspapers reported that Jean Bellivier, one of four members of a French government mission in Cairo arrested last week on spy charges, told investigators that Mohammed Soad Abdel Maguid, director of foreign relations for the ministry of culture, was paid 5,000 pounds ($14,000) to steer the contract for the "son et lumiere" wiring to a French firm, La Societe Philips Eclairage et Radio of Paris.

The newspapers said the government is setting up a commission to investigate the contract.

Maguid was one of nine persons arrested on charges of being members of the "espionage network working to overthrow the Nasser regime." French officials in Paris called the charges absurd.

Al Ahram reported Friday that the arrested members of the French mission would go on trial this week.

Dr. Seale Regains License, Faces 5-Year Probation

FORT WORTH (AP) — The Board of Medical Examiners meeting here last week restored the license of Dr. Francis E. Seale, 45, and placed him on probation for five years.

Dr. Seale, who practiced in Lamesa, has been living in Uvalde since the board canceled his license June 18, 1960.

Examiner Dr. M. H. Crabb said Seale had been placed on probation in 1959 for "intemperate use of alcohol." The board canceled his license a year later when it found he violated the terms of the probation.

The 12-man board, in setting the five-year probationary period last week, listed the following stipulations:

1. That Dr. Seale work the first year in a state hospital.
2. That he report to the board semi-annually during the probation period.
3. That he not apply for a narcotics permit without the board's permission.
4. That he not be found guilty of a felony or misdemeanor involving moral turpitude.
5. That he not violate any of the laws of Section 4505 of the Medical Practice Act, 1925, as amended.

Hermit Defends Himself At Bar

MINNEAPOLIS (AP) — A hermit summoned from his cardboard and tree-branch hideout to answer a charge of vagrancy came prepared to tussle with the law.

Walter M. Harvey, 52, a bearded recluse, argued his own case in Municipal Court. He explained to Judge Donald T. Barbeau he had been studying the vagrancy laws because he figured he'd be picked up.

Barbeau freed Harvey and complimented him on his presentation, which he said was better than some lawyers argue a case.

Wanted Youth Gives Self Up

RALEIGH, N. C. (AP) — Police said a youth who gave himself up on a stolen car charge Friday is wanted by New Mexico authorities for a triple slaying.

FBI agents began questioning John Randall Wooldridge, 17, soon after he surrendered.

Wooldridge was sought in connection with the rifle slaying of his grandmother, an aunt and a cousin last Monday.

Det. Lt. R. A. Liles said the youth "just straggled in and gave himself up," telling officers he was wanted by the FBI for interstate transportation of a stolen vehicle.

The detective said Wooldridge claimed to know nothing of the murders.

Wooldridge came to Raleigh on a bus Thursday night. He told police his wallet was stolen from him.

WE MUST NEVER STOP LEARNING

Each year more than 300 new medicines are made available for physician prescribing. As quickly as each one is released for safe use we stock it in our prescription laboratory.

Then, we study to learn their dosage, storage problems, incompatabilities when combined with other drugs and therepeutic uses. For . . . we often can save a busy physician's time by answering questions about new products.

YOUR DOCTOR CAN PHONE US when you need a medicine. Pick up your prescription if shopping nearby, or we will deliver promptly without extra charge. A great many people entrust us with their prescriptions. May we compound yours?

U.S. Communist Party Chiefs

A former U.S. Communist Party official identifies the party's three officers as Elizabeth Gurley Flynn, chairman; Gus Hall, general secretary, and Benjamin Davis, national secretary, left to right, after the party declined to identify its officers. Party leaders have refused to register as arms of the Soviet Union.

New Faces, Old Issues---This Is Story Of Special Legislative Session Jan. 3

AUSTIN (AP)—New faces and old issues—that will be the story of the special legislative session beginning Jan. 3.

Gov. Price Daniel wants some more planks of his legislative program nailed down before his current term ends in 1963. He is expected to lay out a number of issues the lawmakers looked over earlier this year but did not place in the statute books.

Each house will have slight changes in its roster—one in the 31-member Senate and five in the House, which has 150 members. These are results of two deaths and four resignations, all of which will be filled by special elections by the time the session begins.

The top priority item will be legislation giving the state procedures to take abandoned funds left in banks—money to which the state already has a legal right.

Another item, if the comptroller says the state can spare the cash, is advertising to lure tourists to "Texans for Tourists" conference Tuesday he will ask for $300,000 a year for this purpose, as he did without success last January.

Daniel told the Texas Farm Bureau in Galveston last month he will seek an appropriation to maintain farm-to-market roads. In August he vetoed a $15 million farm-to-market road appropriation for one year on grounds the state should not keep building more of these roads without providing funds to maintain them.

Flier Stays With Jet, Avoids Crowded Area

NIAGARA FALLS, N. Y. (AP) — "The situation called for an ejection, but I just couldn't justify it with myself. I had no idea where the craft would fall, so I stayed with it."

And so Lt. Edward M. Method, his F100 Super Saber Jet aflame, steered the craft away from this heavily populated area and into the wall of the 150-foot-deep Niagara River Gorge Friday. Method ejected himself from the plane seconds before it crashed and exploded. He came away virtually unharmed.

Just before thundering into the gorge, the plane passed between the framework of the new International Bridge and a vertical frame that is to support the roadway.

It narrowly missed 15 workmen standing on the framework.

"My primary thought was to get away from the homes, schools and other buildings," he said.

Eye Injury

DALLAS (AP) — James Allred, 31, of Wichita Falls, son of the late federal judge and former governor, is in Baylor Hospital with a serious eye injury.

Getting The Spirit

Eager anticipation prevails with the approach of Christmas. Making the acquaintance of Santa Claus — an awesome experience, posting holiday greetings, selecting gifts for loved ones, and wrapping them with gentle care—make this a glorious time of the year. Happy faces mirrored in shop windows reflect gladness of the approaching Yuletide.

WOMEN'S NEWS

Big Spring Daily Herald

SECTION C

BIG SPRING, TEXAS, SUNDAY, DECEMBER 3, 1961

A WALKIN' INJUN or Chief Step-In - The - Mud (top left photo), amused Scotty Roberts, who was in town to meet Santa Claus and give him a little confidential information. Held securely by his mother, Mrs. Thomas E. Roberts, Andrews Highway, Scotty is just a little apprehensive of the Chief.

★

FOR MOM ON CHRISTMAS a beautiful crackle glass vase, maybe a china ornament or perhaps a lovely silver serving dish; Glyn Everts (left), and Jamie Crittenden talk the situation over while visiting a local gift department.

★

HOLIDAY GREETINGS are of good cheer, peace on earth and good will toward man. The Yuletide and New Year's tidings are chosen (lower left), then posted to friends and loved ones far and near. Mrs. Charles K. Chandler, 87 - A Ent (left), and Mrs. L. B. Baird, 702 W. 18th, make a careful inspection of cards at the stationer's before selecting the seasonal cards.

LOVELY LITTLE TRIFLES which seem to intrigue Mrs. Ed Holcomb are not masculine fancies at all. Men don't know about such things, judging by the expression on the face of Lt. Holcomb. The Holcombs, residents of 1414 Stadium Drive, were among the downtown Christmas shoppers this week. (Photos by Keith McMillin)

★

GLITTERING SNOWFLAKES, colorful bells with toy soldier, St. Nick, and an elfin reindeer (lower right), are the most unusual and fascinating things ever noticed before by young Dale Kerwin Brown, who is nestled in the arms of his mother, Mrs. Roger Dale Brown, 424 Hillside. A fella never knows who he will meet up with these days, but wonder why the fat little man has his face wrapped up?

Luncheon Hostesses

Hostesses for the luncheon given Friday for members and guests of the Ladies Golf Association at Big Spring Country Club look over the flower arrangement which centered the speakers table. From left to right are Mrs. Marvin Wright, Mrs. Zollie Boykin and Mrs. Johnny Griffin. At the conclusion of the luncheon the arrangement of gilded spruce, tiny gold balls and poinsettias was presented to Mrs. Charles Tompkins.

OFFICERS ELECTED

Mrs. Irons Heads Golf Association

Mrs. Jack Irons was elected president of the Ladies Golf Association, Big Spring Country Club, at the luncheon Friday.

Chosen vice president was Mrs. Elmo Wasson; secretary, Mrs. Wesley Deats; treasurer, Mrs. Hayes Stripling.

A social hour preceded the luncheon, which was followed by games of duplicate and contract bridge. Guests were seated at tables laid in green linen and centered with runners of cedar in which red tapers were based. On the speakers table, an arrangement of tiny gold balls and gilded spruce was flanked by red tapers in triple-branched holders. This was awarded to Mrs. Charles Tompkins.

New members introduced included Mrs. W. B. Hardy and Mrs. Jimmy Ray Smith; 15 guests joined the group.

Mrs. Obie Bristow, head of the landscape committee, reported on plans for planting with the use of mimosa, evergreen honeysuckle, cherry laurel, ground covers and shrubs. Miniature Japanese gardens are planned for offsets in the building, Mrs. Bristow stated.

Mrs. Guil Jones reported on the recent ringer tournament and displayed a plaque for listing the club champions in golf and duplicate bridge.

Announced as an audit committee were Mrs. R. W. Parks and Mrs. G. H. Wood; Mrs. Odell Womack is head of the Christmas decoration committee with Mrs. Marvin Saunders to assist her. Volunteers for the work were asked to call Mrs. Womack, AM 4-5126.

Hostesses for the affair were Mrs. Johnny Griffin, Mrs. Zollie Boykin and Mrs. Marvin Wright.

Miss Campbell Bride Of Wayland R. Reeves

LAMESA (SC) — The First Baptist Church was the scene Saturday of an exchange of wedding vows by Karen Ladelle Campbell and Wayland Ray Reeves.

The bride is the daughter of Mr. and Mrs. Harley Campbell, and the bridegroom the son of Mr. and Mrs. Thad Reeves, all of Lamesa.

The Rev. Milo B. Arbuckle read the double ring ceremony before an altar decorated with baskets of white mums and greenery with cathedral tapers in pedestaled candelabra flanking the archway.

Mrs. Jimmy Freeman of Big Spring, sister of the bride, was matron of honor; Mrs. Troy Howard, Alma Agee and Romelle Addison, all of Lamesa, were bridesmaids.

Ronnie Reeves, Abilene, the bridegroom's brother, was best man. Groomsmen were Bob Brown and Sherrod Dunn, both of Eunice, N. M., and Jimmy Taylor of Lubbock.

The bride was given in marriage by her father and entered the church wearing a formal wedding gown made of lustrous white satin. The fitted bodice featured a V neckline and long sleeves tapered to petal points over the hands. The neckline and sleeve points were outlined in seed pearls with the waistline accented in back by large satin cabbage roses. The bouffant skirt formed a chapel train.

Her veil of imported French silk illusion was attached to a tiara of rhinestones and pearls and she carried a bouquet of white gardenias on a white Bible.

Bridal attendants wore identical dresses of red lustrous satin with red satin pillbox hats and circular veils; they carried white fur muffs with sprigs of holly attached.

A reception in the church parlor followed the ceremony.

For a wedding trip to Colorado, Nevada and Arizona, the bride chose a black and white checked walking suit with black accessories. Following the trip the couple will settle in Lamesa.

The bride attended Hardin-Simmons University and Texas Tech College and has been employed by Massachusetts Mutual Life Ins. Co. in Lubbock.

Reeves attended Tarlton State College, Abilene Christian College and is presently engaged in farming.

MRS. WAYLAND RAY REEVES

Little Girl Fashion Combines Charm, Old-Time Beauty

Be it old-fashioned or new-fashioned, little girls love Christmas in any fashion.

Some adults cling to the field-grown yule tree decorated with kitchen-conceived goodies, but they still can't resist the practicality of modern small fry clothes.

Although some avantgarde individuals hail the wonders of a chemically produced forever green - or - silver - or - pink - or-blue holiday tree, they nevertheless admit that little girl styles are best with old-fashion flavor.

Consequently, today's children's wear designers are combining classic little girl fashions with modern, practical, big girl fabrics.

These festive clothes for feminine cherubs are made with plenty of underarm ease in order to avoid disaster when lively indefatiguable tykes drop their angelic poses.

Today the styles are cut from bright hued velveteens and lush silky looking fabrics. Yokes are embroidered, collars and sleeves long and cuffed. And jumpers and pinafores of yesterday are still good fashion today.

Indeed, nothing is really new in little girl wear this year, except that it has never before been more luxuriously old-fashioned and so modernly practical.

Crisp Cornsticks

Some cooks like to have cornstick pans very hot before they put a cornmeal batter into them. Greasing the pans lavishly helps make the cornsticks crisp.

Slip Covers

Be economical and make your very own slip covers. No. 1600 gives you the instructions on how to go about it. Illustrated diagrams tell you how to measure, cut and sew.

Send 25 cents in coins for this pattern to MARTHA MADISON, Big Spring Herald, Box 1490, New York 1, N.Y. Add 10 cents for each pattern for first class mailing.

New Products Solve Problems Of Yule Shopper

With more and more new products arriving on the market every day, it's practically impossible to find a man or woman who "has everything."

That makes Christmas shopping less of a problem for everyone. Gifts can be found easily that will please even the most particular person.

Many of these new gift ideas can be found among electric housewares.

New items include electric sheets, automatic can openers, electric knife sharpeners, walk-around hair dryers, coffee brewers, corn poppers, and hair cutting instruments with special attachments that help make nearly anyone a master barber.

Among the electric housewares that have been redesigned and improved to the point where they are virtually new items are blankets with one or two automatic heat controls, coffeemakers, shavers, broilers and rotisseries, hot trays, skillets, and other cooking utensils.

Yuletide Kitchen

Spruce up your kitchen for the holidays. It's easy with cotton terry cloth towels, printed with a special Christmas design. There's also a matching terry cloth apron. Use the towels for drying dishes, or hang them on clip hooks for a gay window treatment.

Interfacing Tips

Select interfacings with as much care as the garment material itself. It must be as washable as the garment itself, the suitable in weight to the amount of stiffness or softness that you want.

Rooms seem bigger with space-making Ethan Allen EARLY AMERICAN FURNITURE by Baumritter

Bring us your room dimensions, and we'll show you how to escape a "cramped" feeling yet have just the storage space you need. MRS. DICK CHARLES NICHOLS

Friday Evening Rites Unite Jeanette Ray, Dick Nichols

In the Prairie View Baptist Church Friday evening, double ring wedding vows were read for Cecilia Jeanette Ray and Dick Charles Nichols.

The Rev. Dave Craddock performed the ceremony as the bridal party stood before an arch of greenery with stands of white chrysanthemums and white tapers in candelabra on each side.

Parents of the couple are Mr. and Mrs. D. M. Ray, Rt. 1, and Mr. and Mrs. Oliver Nichols, Rt. 2, all of Big Spring.

Nuptial selections were played by Judy Roman, pianist, who also accompanied Mrs. Darrell Jackson of Andrews, sister of the bridegroom, as she sang "Always" and "Whither Thou Goest."

Escorted to the altar and given in marriage by her father, the bride was attired in a gown of white satin with scalloped neckline outlined with seed pearls. The fitted bodice came to points, front and back, along princess lines, and the back was accented with satin roses.

For something old, the bride chose a necklace; something new was her dress and borrowed was the veil of Mrs. Dean Blake. She wore a blue garter from Mrs. Melvin Fryar.

Bridal flowers were feathered red carnations and white mums with a corsage in the center.

Brenda Woods of Knott, maid of honor, chose a sheath of red knit wool with black accessories; she carried spiced carnations.

J. T. Boney served as best man and ushers were Dois Ray, brother of the bride, and Weldon Martin of Knott; they also lighted the tapers.

The couple, along with their parents, received guests during a reception held in the assembly room of the church.

White lace covered a red underlay, and the centerpiece was made of a tiny bride on a white styrofoam base blanked by red tapers. The three-tiered cake was frosted in white with red decorations and a miniature bridal couple on the top.

Neva Jackson presided at the bride's book; serving was done by Mrs. Blake and Dona Ray, sister of the bride.

A wedding trip will take the couple to El Paso and Mexico; for traveling the bride wore a magenta dress of silk and cotton with matching costume jewelry; her accessories were black.

The couple will make a home at 1502B, Lincoln when they return from the trip; the bride is a graduate of Sands High School. A Knott High School graduate, the bridegroom is employed by Cooperative Gins and Supply Co.

Westbrookers Report Visitors

WESTBROOK (SC) — Holiday guests in the home of Mrs. C. J. Miller were Mr. and Mrs. Dick Miller and children of near Midland; Mr. and Mrs. Elton Donaldson and children of Eldorado; Don Baxter and daughter Joyce and Mrs. Ellis Donaldson of Snyder; and children of Westbrook.

College students home for the holidays were Linda Salley of Hardin-Simmons, Abilene, "Dink" Rees of Sam Houston State College in Huntsville; Howard Hendrix, Howard County Junior College; Martha Bacon, Draughons in Abilene.

The Rev. and Mrs. Kenneth Andress and children spent Thanksgiving in Haskell.

Guests of the Altis Clemmers last week were Mr. and Mrs. E. G. Johnson, Linda and Terry of Scranton and Mrs. J. B. Wilkinson of Sweetwater.

Mr. and Mrs. W. A. Bell and children visited her parents, Mr. and Mrs. A. K. McCarley of Rt. 1, Colorado City, Monday night. McCarley had just returned from a Lubbock hospital where had been a patient for several days.

Time Saver

Stringing measuring spoons on a key chain saves time and temper because they are easier to manipulate than while spliced together.

Hannah Class Does Work On Quilts

At an allday meeting Friday, members of the First Baptist Hannah Class cut and sewed quilt blocks in preparation for making a quilt to be presented to a needy family.

The group met in the home of Mrs. B. H. Tingle, where a covered dish luncheon was served at noon. Twelve members and two guests, Mrs. R. F. Polk and Mrs. F. W. Bettle, were present; Mrs. Polk offered the invocation before the meal.

The next meeting will be at the church, Jan. 5, 1962, at 10 a.m., when the class will continue the work on quilts.

Yule Designs

Decorate your window with Santa and his reindeer. The sleigh is about 12 inches long and the reindeer about 6 by 7 inches. No. 851 contains complete instructions.

Send 25 cents in coins for this pattern to MARTHA MADISON, Big Spring Herald, Box 1490, New York 1, N. Y. Add 10 cents for each pattern for first class mailing.

Westside Baptist WMS Observes Week Of Prayer

About 45 attended the daily sessions of Westside Baptist WMS when the group observed the Week of Prayer based on the theme, "Good Tidings to All People."

Mrs. Jake Trantham read the prayer calendar each day and directed programs.

On Monday, Mrs. J. O. Murphy discussed the topic, "Tidings of Great Joy"; Tuesday's speakers were Mrs. Leroy Minchew, who had the subject, "Tidings of Peace", and Mrs. Gene Holeman, with the topic, "Peace of Heartache."

Wednesday's program was based on "Tidings to All People," and was presented by Mrs. C. C. Easter, Mrs. Cecil Rhodes, Mrs. Harvey Coffman and Mrs. Trantham.

"Tidings of Redemption" was discussed Thursday by Mrs. J. L. Unger and Mrs. David Coffman, and the week was concluded with a presentation by Mrs. Easter, Mrs. Minchew and Mrs. Murphy on "They That Publish Tidings."

Murphy-McKee Vows Said At Salem Church

MRS. JOHN WAYNE MURPHY

Photo by Barr

In a service performed Saturday evening at Salem Baptist Church, Karen Anne McKee and John Wayne Murphy were united in marriage. The Rev. Leslie Kelley, pastor, officiated, reading the double ring service.

Red tapers lighted the altar scene which included baskets of red carnations and palms entwined with white satin roping.

The bride is the daughter of Mr. and Mrs. Lewis McKee, Big Spring, and the bridegroom's parents are Mr. and Mrs. C. A. West, Odessa.

Mrs. Gorman Rainey, cousin of the bride, sang "Because," "I Love You Truly," and "Whither Thou Goest." She was accompanied by the bride's sister, Mrs. L. B. Thomas, pianist. Mrs. Thomas also played the traditional marches and other nuptial music.

Accompanied by her brother, Raymond, who gave her in marriage, the bride entered the church wearing a gown of white Chantilly lace over white satin. The neckline of the fitted bodice was scalloped and the long sleeves tapered to points over her wrists. The full, lace skirt was floor-length, and her tiered veil of illusion was secured to a tiara of pearls.

Her mother's gold wedding band was worn as "something old", having been worn also by her grandmother; her wedding gown, "something new"; her veil, borrowed from Mrs. Raygand Adams, Albuquerque, N. M.: something blue, a garter given to her by Mrs. Boyce Sneed of Seminole. She wore birthdate pennies in her shoe.

The bridal bouquet, formed of white feathered carnations, was carried with a white Bible, belonging to Connie Shaffer, neice of the bride.

Virginia McKee who served as maid of honor to her sister, wore a red velveteen sheath with matching overskirt of silk organza. She carried a bouquet of white carnations with red streamers. Her headdress, a small hat of velveteen with short veil, was in the same hue as the dress.

Best man was Joe Hamilton, while those who served as ushers were Rodney Brooks of Coahoma, cousin of the bride, and Raymond West of Odessa.

Tapers were lighted by Delores McKee, sister of the bride, whose dress was like that worn by the maid of honor.

RECEPTION

A reception was held afterward in Fellowship Hall of the church. Guests were received by the honored couple, their parents and their attendants.

Red and white carnations, flanked by lighted red tapers, centered the bride's table, which was spread with white net and appointed with crystal.

Mrs. Donald Richardson, niece of the bride, was in charge of the register. Others in the house party were Judy Brooks, cousin of the bride, Jean Williams, Connie Shaffer, and Kathryn Eggleston, nieces of the bride, Mrs. Jesse Brooks, aunt of the bride, Mrs. Wess Henderson and Mrs. Alva Porch.

Out-of-town guests were Mrs. Tony Charves of San Diego, Calif.; Mr. and Mrs. Carroll Walker of Lamesa; Mr. and Mrs. Noble Walker, Colorado City; Mr. and Mrs. Boyce Sneed of Seminole; Mr. and Mrs. George Rogers and Mr. and Mrs. Loren Henson of San Angelo.

Also, Mr. and Mrs. W. P. Shannon, Plainview; Mr. and Mrs. John Hestand, Levelland; Mr. and Mrs. Henry Singleterry, Andrews; Mr. and Mrs. Ralph West and Mr. and Mrs. C. O. Fredregill, Odessa.

WEDDING TRIP

The couple left on a wedding trip to points in South Texas. For travel the bride chose a red wool suit and black and white accessories. The corsage from the wedding flowers was pinned to her jacket.

A graduate of Big Spring High School, the bride is employed by Cosden Petroleum Corporation. Murphy, who graduated from Cobre High School, Baird, N. M., is employed with GAC Finance.

The couple will reside at 2303 Thorp in Big Spring.

REHEARSAL DINNER

The couple's rehearsal dinner was held Friday in the home of Mr. and Mrs. Roy Shaffer, sister of the bride.

Twenty guests were present, and attendants received gifts. The centerpiece was of red and white carnations.

Son Is Born To Doyle Grahams

Mr. and Mrs. Doyle Graham, 801 E. 14th, are parents of a son, David Craig, born Nov. 25, in Sweetwater. The baby has two brothers, Curtis Doyle, 4, and Ricki Lee, one year old.

Grandparents are Lee Burrows the Fourteenth Street address, Mr. and Mrs. Willie Landfried of Roscoe and Mr. and Mrs. W. M. Graham of Sweetwater.

Series Of Recitals To Start

The Big Spring Piano Teachers Forum will begin its series of student recitals with a program this afternoon at 2:30 p.m. in the auditorium of Howard County Junior College.

The forum will present one recital each month through the month of May. The public is invited.

Appearing on today's program are the following students: Carol Ann Moore, David McElrath, Connie Dunagan, Skipper Huskey, Mark Cates, Ann Budke.

Also, Dickie Hull, Debbie Haller, Billy Bob Wilson, Janie Erwin, John O'Brien, Reagan Perry, Robert Cates, Cynthia Chapman, Mary Beth Prather.

Others are Pamela Nance, Linda Dorough, Judy Cross, Bruce Wells, Jo Beth Pettus, Lynn Christensen, Martha Robinson, Sue Cook, Ann Dibbs, Merry Lee Dibrell and Brenda Reid.

WEBB WINDSOCK

By WILMA BUTERA

New officers of the OWC Bowling League were elected at the dinner given at the Officers' Club Wednesday night. The occasion was the end of winter league.

The following were named to office: president, Mrs. R. H. Miller; vice president, Mrs. C. Skelton; secretary, Mrs. W. W. Pattison; treasurer, Mrs. R. C. Hess; sergeant at arms, Mrs. Max Zwiebel, and reporter, Mrs. R. H. McManigell.

Anyone interested in bowling in the OWC league starting in Jan. 10, may call Mrs. W. W. Pattison, AM 3-4093.

* * *

Mrs. C. W. Head will be hostess at a farewell luncheon bridge on Dec. 6 in her home. The honorees will be Mrs. Gregg Smith and Mrs. Roger Anderson, who will soon leave Webb for new assignments which at this time are unknown.

* * *

P.T. Headquarters wives were the guests at a coffee given in the home of Mrs. J. H. Crawford Friday morning.

* * *

The OWC Garden Club held a meeting last week at the pavilion. They made dried flower arrangements using material from the surrounding countryside. Mrs. Obie Bristow from the Big Spring Garden Club was there to lend a helping hand when needed. The next meeting will be Dec. 13 at the pavilion at 9:30 for the purpose of making miniature Christmas trees and Christmas arrangements.

* * *

This is the last reminder about the December luncheon to be held Thursday at the Officers' Club. You must make your reservation or cancellation by noon, Tuesday. If no cancellation is made, the luncheon will still be charged to your club bill, it was announced.

Garden Club Change

The Big Spring Garden Club will meet Wednesday morning in the home of Mrs. J. E. Brown, 1606 Wood, instead of the location originally announced in the yearbook. Mrs. Garner McAdams will be cohostess.

Winners Named In Games Of Duplicate Bridge

Mrs. D. A. Brazel and Mrs. Ray McMahen were first place winners, north-south in the duplicate bridge games played Friday afternoon at the Big Spring Country Club following the luncheon of the Ladies Golf Association.

In second place were Mrs. Travis Reed and Mrs. Hayden Griffith; Mrs. B. B. Badger and Mrs. Don Penn were third; Mrs. Jack Irons and Mrs. Charles Tompkins, fourth.

Playing in east-west position winners were Mrs. J. H. Holloway and Mrs. George McGann; first; Mrs. Arlis Ratliff and Mrs. Glenn Riley, both of Garden City, second, Mrs. Fred Kasch and Mrs. Pete Harmonson, third; Mrs. J. H. Fish and Mrs. A Swan, fourth.

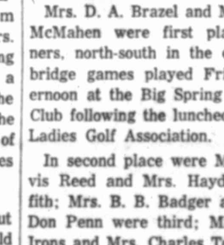

Announcement was made of the change of location for the Sunday game played at Cosden Country Club; for this day only, the group will meet at Big Spring Country Club at 1:30 p.m.

18 CARE FREE DAYS until Christmas...for The MAN with a PLAN

From Midland, The McElreaths Are Much At Home In Big Spring

Living in Big Spring is almost like being at home, according to Charles McElreath and his wife, Iris, who with their sons, Calvin and Neil, arrived here from Midland, the early part of October. They, with their Siamese cat, Chico, reside at 1605 East 5th.

Mrs. McElreath is the former Iris Knox and is the daughter of Mr. and Mrs. I. D. Knox of Midland. Until a transfer comes through, she is commuting each day between Big Spring and Midland to work at the telephone company there. Calvin and Neil accompany her and visit their grandmother while their mother is at work.

In the finance field since 1954, McElreath has been in offices in Midland, Denver and in Dallas. Presently he is manager of the United Finance Corp., in the Big Spring office.

A graduate of Chickasha, Okla. schools, McElreath completed his education at the University of Oklahoma. He is a golfer, shooting in the mid 70s, although he hasn't played any of the local courses as yet. Also he occasionally finds time for hunting, but hasn't taken a trip so far this season. On the wall in the McElreath home are antlers of a young buck which he brought in from a hunting trip last year, and venison is still in the deep freeze.

Having six years seniority with the telephone company, Mrs. McElreath works regularly, so finds little time for recreation or hobbies. She likes to cook and read, and sometimes she and her husband bowl. When she can persuade him, they go dancing. Both are members of the Lutheran church.

Decisions, Decisions

Neil McElreath, 2, and his brother, Calvin, 3, with mom and dad, the Charles McElreaths, have a look in the toy catalogue before putting in their order to Santa. It's those decisions that make it rough for a feller, so Calvin speaks for Neil in the matter.

Holiday Luncheon For Wesley Class

Members of the First Methodist Susanne Wesley Class gathered Friday at the church for their holiday luncheon, with the group of Mrs. S. P. Jones and Mrs. W. A. Underwood as hostesses.

Tables, bearing pyracantha and mistletoe, had been decorated by Mrs. G. E. Fleeman. Thirty-eight were present for the affair.

The invocation was offered by Mrs. Dewitt Seago, and the Rev. Seago brought a devotion; his subject was the Christmas Story and what it means to each person.

Other guests were the Rev. and Mrs. Joe Leatherwood; the Rev. Leatherwood dismissed the group with a prayer.

Music Alums Make Plans For Memorial

Former pupils of Dr. Walter Gilewicez, Mary Hardin Baylor College, who would like to take part in the Gilewicez Memorial Day program, are asked to contact Mrs. H. E. Heaton at Kate Morrison School, this week.

During his lifetime Dr. Gilewicez headed the music department at the college. The program is planned in connection with the Mary Hardin Baylor Charter Day, Feb. 1, at Belton.

To Be February Bride

Mr. and Mrs. J. N. Lane, 409 Benton, are announcing the engagement and approaching marriage of their daughter, Jo Ann, to Norman Eugene Miller, son of Mr. and Mrs. W. L. Miller of Florida. Wedding vows will be taken Feb. 10, 1962, in the Birdwell Lane Baptist Church.

Baptist Temple To Have Final Lottie Moon Study

Lottie Moon Week of Prayer is to be concluded this evening at Baptist Temple, where a church-wide presentation of a film is to be at 6:15.

The week-long program began with the Monday session which had as its theme, "Tiding of Great Joy." Twenty were present and participants in the program were Mrs. H. M. Jarratt, pianist, who played for the opening meditation, "Silent Night," Mrs. R. E. Collier of Evans Home Circle, prayer chairman in charge. Mrs. P. W. Shepherd was soloist.

Also Mrs. A. W. Page, Mrs. Max Legg, Mrs. Neil Bryant, Mrs. D. C. Boren, and Mrs. Otto Couch.

Missionaries in Rhodesia were discussed and the closing hymn was "O, Little Town of Bethlehem."

Continuing on Tuesday, 24 members of the Fisher Circle were in charge. The theme was "Tidings of Great Peace," and the general study on Spain.

Those who took part were Mrs. Dalton Johnson, who presided, Mrs. Alvis Harry, pianist, Mrs. V. Phillips, Mrs. B. F. Mabe, Mrs. M. S. Warren, Mrs. Dalton Johnson, Mrs. F. O. Sorrells and Mrs. R. N. Adams.

Douglas Circle had the Wednesday program on Africa, the Orient and Latin America. Mrs. Ernest Barbee, chairman, read the Scripture and the group sang "Hark the Herald Angels Sing." Each was dressed in costume of the country she represented.

Those taking part on the program were Mrs. James Renfro, Mrs. Sam Arrington, Mrs. Charles Harven, Mrs. Charles Modisette, Mrs. Ray Crooks, and Mrs. Tom Buckner.

Thursday, "Tidings For Redemption" was the theme for a program presented by the Business Women's Circle, led by Mrs. Modehn Wyatt, who read the poem, "O, God We Pray For All Mankind."

Work in Japan was stressed, with Mrs. H. C. Petty, Mrs. Gladys Hopewell, Mrs. A. R. Posey, and Mrs. Wyatt taking part. Seventeen members were present.

Publications and literature of Baptist work was discussed for the Friday program. "They that Publish the Tidings" was theme for the day, with Mrs. Alvis Harry, program chairman, reading the poem, "Lovest Thou Me."

Mrs. Bob Fitzgibbons, Mrs. H. N. Jarratt, Mrs. Bob Jenkins, Mrs. Joe Barbee, and Mrs. Dick Stricker participated in the program. Mrs. Stricker gave the closing appeal for the Lottie Moon Christmas offering, after which members gave testimonials.

Betrothal Revealed

Mr. and Mrs. A. G. Mitchell, 1310 Wood, are announcing the engagement and approaching marriage of their daughter, Judy Love, to William Bolling Edwards. He is the son of Mr. and Mrs. W. B. Edwards Jr. of Joshua. The wedding will take place Jan. 27 in the First Christian Church.

Don't Chew The Pearls

AP Newsfeatures Writer

Ladies should not bite their pearls. It's no way to tell whether they are real or simulated.

Because jewelers touch pearls to their teeth, women have been damaging theirs at a record rate by chewing on them, claim alarmed members of the Cultured Pearl Association.

Actually the slightest contact with the teeth is enough to determine whether a gem is smooth and therefore simulated, or grainy and consequently cultured, they say.

Simulated pearls are usually made of glass bead or plastic centers covered with layers of lustrous substance of fish scales.

Cultured pearls are developed by inserting a tiny irritant into the fleshy interior of an oyster. The oyster builds a coat around it. Natural pearls are built by the oyster around a speck of sand or som eother natural intruder.

The naked eye cannot tell the difference between the two kinds of cultured pearls. Experts rely on X-ray reports.

Daughter Is Born To Mac Robinsons

FORSAN (SC) — Mr. and Mrs. Mac Robinson are parents of a daughter, Pamela Joyce, born Thursday in Malone-Hogan Foundation Hospital.

Grandparents are Mr. and Mrs. Jesse Overton of Forsan and Mrs. Woner Robinson of Coahoma. The father is a student in Baylor University, Waco, where the family now lives.

Austine La Mar's Glamour Sheath

No. R-145
Sizes 12-18

No wardrobe is complete without a glamour sheath for the important occasions.

For a dinner date or theatre party, we recommend this handsome portrait neckline sheath that boasts pointed bodice and skirt yoke, from which emerge soft, unpressed pleats.

A stand-away collar falls gracefully over bare shoulders.

It's a dress that is equally elegant in prints or solids. Try it in silk crepe, shantung, peau de soie, silk faille in any of the fashionalbe high shades.

Price $1. No. R-145 is available in sizes 12, 14, 16, 18. Size 14 takes 3¾ yards of 39-inch fabric. Standard body measurements for size 14 are: Bust 34, Waist 26, Hips 36.

To order send one dollar in cash or check. No stamps. Add 10 cents if you wish first class mailing. Send to AUSTINE LA MAR Fashion Pattern, Big Spring Herald, Box 1615, G.P.O., New York 1, N.Y. Print your full name, address, pattern number and size.

This Is Christmas In Home Of Col. And Mrs. B. Pearson

By KATHLEEN DOZIER

A little Christmas tree slowly turns and at the same time is heard "O, Come Little Children," "O, Tannen Baum," "Stille Nacht," and "O, Most Holy One," played in the tinkling tones of an old-fashioned music box. This is Christmas in the home of Lt. Col. and Mrs. Beverly Pearson, 58 Chanute.

Boughs of the tree are trimmed with many remembrances of Christmastime in Germany, where the Pearsons and their children, Thomas, Nancy, Beverly and Charles, once lived and on Christmas mornings, gathered happily about the little tree.

On the tree are mushrooms, the sign of fertility, acorns, teapots, bells with clappers, transparent bubbles with small chapels inside, and other glittering baubles. Too, there are handcarved wooden figures which were made in Oberammergau, Germany.

Other remembrances, such as the manger scene and wood figure of St. Niccolas, are also noted in the holiday surroundings. Pine incense is burned inside of the little bearded man, effecting frosty breath on a cold morning. He carries a sack across his shoulder and in his hand, a big stick which, in German tradition, is used when a child has been naughty.

These Christmas symbols have been brought forth on Dec. 1, for almost 10 years. Each year, children of the neighborhood are invited to visit the Pearson home to see the festive decorations.

Also during the holidays, Mrs. Pearson prepares Rouladen with other typically German dishes, for a feast in the custom of that country. It is proclaimed a magnificent treat to those fortunate ones who have been guests for the occasion.

This year, Thomas, a junior at the University of New Hampshire, cannot be here, but Nancy, now the wife of Airman David Farmer, and her young daughter, Kim, will be part of the family Christmas. Beverly, the younger daughter, and Charles, the younger son, are at home with their parents.

Christmas Treasure

Beverly and Charles Pearson put the finishing touches to the already elegant Christmas tree in their home on Chanute. When completely trimmed, the lights are turned on, the tree slowly turns and a music box begins to play. The tree is treasured by the Pearsons because it is a reminder of their Christmas in Germany.

Designer's 'Rags' May Replace Kookie Styles

By JEAN SPRAIN WILSON
AP Newsfeatures

Kookie fashions of the black-stockinged, pony-tailed beatnik type may be replaced by "individuality for the masses," if a Miami designer's steadily growing popularity continues.

Bru Sobel is a handsome, tanned 43-year-old bachelor who has literally made riches from what he calls rags that provide style-conscious young matrons with a new kind of uniqueness.

When Sobel was simply a dress shop retailer two years ago it annoyed him not to be able to stock his racks with something besides the mass approved styles. That's when he made up some designs, bought some fabric and hired a seamstress to execute "clothes with taste and a sense of humor."

To add a little prestige, he invented the Stracci label which is a shortened Italian word meaning rag.

Within months Sobel had a drawer full of orders, a squat little factory in the Miami garment district, and more sewing machines and seamstresses. He also added a junior line tagged Ricchezze, an appropriate Italian word meaning riches.

Not every dress is belted, or unbelted, or ruffled, or pleated or with a swinging skirt, or a straight skirt. There is a strange mixture of everything. "The Stracci look isn't the same thing throughout the line because we don't have the mechanical and sales problems that force the big manufacturers to do this," he says.

But at the rate he's growing isn't Sobel likely to reach the same proportions, and therefore inherit the same snags that limit individuality?

Heaven Scent Fragrance For Special Ones

Tangy winds and sparkling snow, carol singing and tinseled trees, these are all part of our very merry Christmas tradition. And the very merry air of Christmas is filled with the very merry air of fragrance. Fragrance in every form from a sophisticated new Paris perfume to heavenly scented dusting powders, colognes and bubble bath is all dressed up and ready to give in shining pre - wrapped, beautifully designed packages.

There's no need to scurry around searching for just the right gift, the big gift, the small gift. In the array you will find that special something for everyone on your list—something to fill every stocking, trim every tree and warm every heart. You may choose from this impressive Christmas assortment.

Perfume with true Parisienne chic, has a lightness and vivacity demanded by the active American woman. Specifically blended to suit her contemporary, fast paced life, this love-at-first-scent fragrance envelopes her in glamour from early morning engagements through cherished evenings.

Worthan-Pate Vows Exchanged Friday

The Rev. M. B. Smith, pastor of the College Baptist Church, read the double ring wedding vows Friday evening to unite in marriage Judy Pate and Don Worthan. The wedding took place at the church.

Mrs. Worthan is the daughter of Mr. and Mrs. Wayne Pate, 1213 Lloyd Ave.; the bridegroom's parents are Mr. and Mrs. E. O. Worthan, 1212 Mulberry.

White gladioli and fern banked the altar, and nuptial selections were played by Jan Curry, pianist; she played the traditional marches and accompanied Jan Worthan, cousin of the bridegroom, as she sang "Because".

Given in marriage by her father, the bride was attired in a white brocade sheath with a jacket, fur-trimmed. Her accessories were white, and she carried a white orchid nested in white feathered carnations on a white Bible.

Diane Womack, maid of honor, was dressed in a sheath of pastel wool and carried a nosegay of white blossoms.

Delton Garnet of Lubbock served as best man; guests were seated by Joey Pate and James Worthan, brothers of the couple.

During the reception, given in the church parlor, the couple was assisted by their parents in receiving guests.

Mrs. B. J. Johnston was at the register, and serving was done by Shirley Worthan, cousin of the bridegroom, and Beverly Casey.

A three-tiered cake was served from a table laid with white linen and centered with a blue and silver arrangement. Crystal and silver appointments completed the decor.

An orchid wool suit was chosen by the bride for a trip to an undisclosed destination.

Upon their return, the couple

MRS. DON WORTHAN

will live in Big Spring, where the new Mrs. Worthan attends Senior High School, and her husband is employed by River Funeral Home; he is a graduate of BSHS and Howard County Junior College.

REHEARSAL DINNER

Mr. and Mrs. Worthan were hosts for a rehearsal dinner Thursday evening in their home; gifts were presented to their attendants by the couple and a silver and blue theme was used in decorations.

Team Carrots With Other Vegetables

Carrots take on new flavor when they are teamed with two other vegetables.

SPECIAL CARROTS

3 cups thinly sliced carrots
1½ cups thinly sliced celery
½ cup onion strips
½ cup boiling water
¼ tsp. salt
2 tbsps. butter or margarine

Cut carrots slightly on the diagonal so they are oval shaped; cut celery crosswise into crescents the same way.

Cook carrots, celery, and onion quickly with boiling water and salt in a covered saucepan—about 10 minutes. Add more water if necessary.

Drain vegetables if necessary. Mix in butter. Makes 4 servings.

Forsan Residents On Their Trips

FORSAN (SC)—Mr. and Mrs. Elmer Patton Jr. and children were recent guests of his parents in Tye.

Mr. and Mrs. Hugh Tuck are at home after visiting in Electra with his mother, Mrs. Geneva Tuck, who has been ill.

Recent visitors in Midland were the Joe Hoards.

San Angelo visitors were Mr. and Mrs. D. L. Knight, who were guests of her parents, Mr. and Mrs. H. O. Greer; also in San Angelo were the J. M. Craigs.

Mrs. Price Stroud and Mrs. D. M. Bardwell have returned from Ardmore, Okla., where they visited their mother, Mrs. B. W. Wiggins, who has recovered from an illness.

The E. M. Stricklands recently entertained their daughter, Mrs. Ouin Morgan and children of Andrews.

In Lubbock Sunday were the W. E. Heidemans and the Jack Lambs to attend funeral services for Mrs. J. W. Davis, mother of Mrs. Lamb. Interment was in Fort Worth on Monday.

New Compact Is Welcome Gift

The new "illumination compact" is the perfect answer to any shopper's dilemma. This little golden metal compact (approximately two by three inches) will be a most welcome gift for anyone, from the woman who has everything to budding teen-agers. Lavishly embossed in a scroll pattern which defies scratch marks, it is a modern interpretation of a priceless antique that looks much more than its modest price.

And here are happy tidings for shoppers who aren't certain which shade of powder the lady wears. Pressed into the compact is a new neutral shade of English silk face powder.

It can be worn over any foundation or on any skin tone to give a lovely matte finish without altering make-up color. Sheer and translucent, it is perfect for quick touch-ups and won't streak or turn orange. Seven other shades of English silk powder are also available in the compact.

Bazaar Preparations

Members of the CYF have done their share of work for the bazaar to be held Wednesday afternoon at the Immaculate Heart of Mary Catholic Church. Here a group starts to work on picking out pecans for the candy-making and the baked items which will make up part of the articles available at the bazaar. From left to right, workers are Pat Bishop, Rose Marie Reid, Betty Jordan, Clif Talbot, Ralph Victor and Sally Wade.

Altar Society Sets Bazaar Wednesday

Wednesday is the day set for Christmas bazaar to be given by members of the altar society, Immaculate Heart of Mary Catholic Church.

Hours for the occasion, to be held in the church school, are from 4 p.m. to 8 p.m.

Food and gift items will be on sale and a chili supper will be served for 75 cents per person.

In charge of the chili are Mrs. Martin Dehlinger and Mrs. C. W. Deats; tickets are the responsibility of Mrs. L. D. Jenkins. Mrs. Herman Bauer is head of the pie committee.

Heading the committee for cakes and candy is Mrs. V. O. Wade; Mrs. Harold Herriott is chairman of the sewing committee, and tables will be arranged by Mrs. Harry Jordan and Mrs. Thurman Gentry.

Decorations will be under the direction of Mrs. Walter Ross, Mrs. James Cape and Mrs. Y. C. Gray. Mrs. Harold Talbot is general chairman of the project.

Members of the CYF have assisted the group in various ways in preparing for the bazaar.

Glenda Wagner Plans December Wedding

GLENDA WAGNER

Mr. and Mrs. John Wagner of Garden City announce the engagement and approaching marriage of their daughter, Glenda, to Frank L. Murphy, son of Mr. and Mrs. B. L. Murphy, also of Garden City.

Members of the families are to attend the wedding service, which is planned for the morning of Dec. 21, at 11 o'clock, in the Garden City Baptist Church.

The bride-elect is a student at Garden City High School and Murphy is a student at Howard County Junior College.

Surprise Is In Tuna Sandwiches

These tuna sandwiches hold a pleasant surprise: butter-browned nuts.

TUNA-WALNUT SANDWICHES

1 tbsp. butter or margarine
1-3 cup coarsely broken walnuts
1 can (7 oz.) tuna
½ cup finely diced celery
¼ cup (about) mayonnaise
1 tbsp. cider vinegar
Salt and pepper to taste

Melt the butter in a small skillet over low heat; add walnuts and toast, stirring — be careful not to scorch butter. Turn tuna (including oil in can) into a bowl; add the walnuts (including the browned butter), celery, mayonnaise, vinegar, salt and pepper; mix well. Makes about 2 cups filling for sandwiches; use at once so walnuts will be crisp.

LAMESA COUPLE ANNOUNCES PLANS FOR JANUARY NUPTIALS

LAMESA (SC) — Mr. and Mrs. H. M. Scott Jr. are announcing the engagement and approaching marriage of their daughter, Eleanor Kay, to Billy Bruce Griffin, son of Mrs. W. T. Griffin.

The wedding is planned for 7 p.m. on Jan. 26, 1962, in the Bryan Street Baptist Church here with the Rev. Donald Pruitt, pastor, officiating.

The bride-elect attended Texas Tech and Howard County Junior College and is presently employed by the Lamesa Daily Reporter. The prospective bridegroom is employed by Central Drilling Co.

Knott Folks Have Visitors, Trips

KNOTT (SC)—Recent guests of the Dick Clays have been her brothers, J. A. Williams, Mr. and Mrs. Lester Williams and Eudean of Kosse, and her sisters, Mrs. W. J. Miller and Mr. and Mrs. Eudene Miller of Odessa.

Mr. and Mrs. J. L. Metcalf and sons have returned from Anson where they visited the P. P. Cokers and J. S. Clay.

Mr. and Mrs. W. M. Nichols and daughter, Mrs. O. R. Landon were guests of Mr. and Mrs. Jack Nichols of Seagraves recently.

Murphys To Live In Louisiana Town

FORSAN (SC) — Sgt. Don Murphy was at home for the Thanksgiving holidays, and his family returned to Louisiana with him; he is stationed in Ft. Polk. Mrs. Murphy plans to remain during December.

The Elbert Stricklands and the Eugene Stricklands were in Burket with Mr. and Mrs. E. E. Blankinship and Raymond recently.

Mrs. Roy Klahr is at home after an illness in Medical Arts Hospital.

The C. N. Longs and the A. D. Bartons have returned from Lubbock where they visited William Conger, a student in Texas Tech.

Attending the state meeting of the P-TA in Houston this week are Mrs. Sammy Porter and Mrs. Frank Thieme.

• • •

"Good Tidings to All People" was the topic of the Week of Prayer program presented Tuesday evening for the Baptist WMS at the church.

Participating on the program were Mrs. Henry Park, Mrs. Pat Brunton, Mrs. Bob Cowley and Mrs. J. W. Overton. A salad supper was served during the evening to eight.

Hurts Return Home

Mr. and Mrs. Harry Hurt, 1511 Runnels, returned Friday from Dallas where he has been in Baylor Hospital for several weeks. Under doctors' orders, he is to have no company for at least two weeks.

Deer Hunts Attract Several Employes

The hunting season has sent several employes off in quest of deer. Jake Johnson, Horace Wallin and Jack V. Smith flew to the Glass Mountain area this weekend to bag their limit. Don Lester has been on a hunt.

Karen McKee and John Murphy exchanged wedding vows Saturday evening in the Salem Baptist Church.

Mr. and Mrs. Jimmy Taylor are on vacation in El Paso.

The Tommy Weavers are in Clifton for the weekend visiting her uncle, H. L. Tienarend.

Rene Brown returned Saturday from a week in New York City.

Frosty Robison was in Lamesa Friday to address the Rotary Club.

Jack Y. Smith spoke to the Coahoma Lions Club, Thursday, on volunteer services of the State Mental Hospital Association.

Carlos Arencibia, 14, arrived Wednesday from Havana, Cuba, to reside with his uncle, Tito Arencibia, and family.

Bert Andries and Bill Gibson were in Memphis, Tenn., last week.

Mike Phelan has returned home after a lengthy stay in St. Mary's Hospital at Galveston.

Mrs. Frances Bratcher is the new receptionist for Cosden on the fourth floor of the Permian Building. She succeeds Mrs. Penny McKinley, who will devote full time to homemaking.

Funeral services for Will Knox Edwards, father of Bill Edwards and Mrs. Winston Harper, were held Saturday morning in Kerrville, with interment in Menard. Mr. Edwards died Friday morning in Kerrville.

Holiday Luncheon Date Set By Club

WESTBROOK (SC) —The Carr Home Demonstration Club has set Dec. 15 for its annual Christmas luncheon to be held at Civic House in Colorado City. The date was announced by Mrs. J. L. Rees, council delegate for Mitchell County Clubs at a recent meeting of the club.

Mrs. Rees stated tickets for the luncheon will sell for $1.50. The club is taking orders for Christmas tree stands which sell for $3.00 each. The stands may be ordered through the county agent, Jack Burkhalter of Colorado City. A program committee, appointed for the Christmas dinner, is made up of Mrs. Ruth Airhart, Mrs. Don Henderson and Mrs. Emory Sweatt.

The food committee is Mrs. T. L. McKenney, Mrs. Gerald Rollins and Mrs. Rees.

Mrs. Airhart gave a demonstration on Christmas decorations for nine members.

CAFETERIA MENUS

COAHOMA SCHOOL

MONDAY: Fried chicken, corn pudding, greens tossed with carrots, brownies.

TUESDAY: Veal cutlets, green beans, orange squash, hot biscuits, apricot rice pudding.

WEDNESDAY: Turkey pie, French fries, fruit cup, gingerbread with lemon sauce.

THURSDAY: Braised beef, lima beans, creamed potatoes, pineapple upside-down cake.

FRIDAY: Creamed tuna on toast, asparagus, whole potato, spiced pears.

Milk, bread and butter will be served every day.

ELBOW SCHOOL

MONDAY: Red beans, tossed salad, onions, pickles, new potatoes, cornbread, milk, cake.

TUESDAY: Steak and gravy, green limas, spinach, milk, sliced peaches.

WEDNESDAY: Barbecued turkey, green beans, mixed salad, bread, milk, cobbler.

THURSDAY: Black-eyed peas, buttered potatoes, cornbread, milk, banana pudding.

FRIDAY: Chicken and dumplings, turnips and greens, corn, bread, milk, jello.

BIG SPRING SCHOOLS

MONDAY: Hot dogs, pork and beans, cole slaw, peach halves, milk.

TUESDAY: Meat loaf, green beans, corn O'Brien, hot rolls, apple Betty, milk.

WEDNESDAY: Ground beef and spaghetti, orange glazed carrots, celery sticks, hot rolls, cherry cobbler, milk.

THURSDAY: Salmon croquettes, mashed potatoes, mixed greens, whole wheat bread, fruit upside-down cake, milk.

FRIDAY: Fried chicken, buttered potatoes, English peas — elementary, asparagus — high schools; hot rolls, raspberry snow, milk.

Baptists End Week Of Prayer

The Lottie Moon Week of Prayer for the First Baptist Church WMS was concluded Friday with the presentation of a program on the subject, "They That Publish the Tidings."

Members of the Mollie Harlan Circle were in charge of the program, in which Mrs. D. D. Dyer, Mrs. B. T. Faulkner, Mrs. T. B. Atkins, Mrs. F. W. Bettle, Mrs. Jake Douglass, Mrs. P. D. O'Brien and Mrs. Charles Sweeney participated.

Thursday morning the theme of the program was "Tidings of Redemption" and was under the direction of the Helen Jean Parks Circle.

Mrs. D. A. Miller was leader, and participants were Mrs. Robert Heinze, Mrs. G. A. Dardin, Mrs. Welby Jackson and Mrs. Robert Polk.

BIG SPRING DAILY HERALD

SEC. D BIG SPRING, TEXAS, SUNDAY, DECEMBER 3, 1961 SEC. D

Cotton Allotment Chopped For 1962

Howard County has been allotted three per cent less cotton acreage for 1962 than it enjoyed in 1961. The seven counties in the Big Spring area will have 567,209 acres allocated to cotton in 1962 compared with 585,363 this year.

Howard County's allocation, as announced by the Agricultural Stabilization Committee office is 78,797, which is about 3,000 less than this year's 81,340 acres.

Acreage in 1961 in the seven counties adjacent to Howard County was at the highest peak of any year since the celebrated "free" year of 1953.

The 1962 acreage, even though about three per cent less than that in 1961, is second largest since 1953 — exceeded only by the 1961 figures.

Farmers expected the cut which was announced this past week. The cut in this part of the nation is greater than the 1.9 per cent chop made across the board in the nation. This, too, had been anticipated by students of the cotton picture based on the review made of the planting "history" acreages.

County allotments are computed on the basis of the five-year history of the acreages planted to cotton through the season preceding the year the allotment is announced. Allotments for county levels were computed on the basis of history of planting in 1956, 1957, 1958, 1959 and 1960.

Comparative acreages allotted to counties in this area follow:

County	1962	1961
Howard	78,797	81,340
Martin	96,451	99,475
Glasscock	10,822	11,001
Dawson	214,399	221,638
Borden	19,925	20,562
Mitchell	74,203	76,277
Scurry	72,612	74,800
Total	567,109	585,363

Glasscock Cotton Crop Ends Ahead Of Estimates

Glasscock County's 1961 cotton crop, to all practical purposes, is now harvested and the Texas Employment Commission office here has ceased compiling ginning reports for that county.

Glasscock has already ginned close to 12,000 bales which had been the estimate for the county. However, TEC officials believe that clean-up operations in the county will show that estimate to be several hundred bales low.

Howard County farmers, handicapped by the persistent cool, damp weather of the past week have not made much progress toward completing the harvest. So far, the gins have handled 28,679 bales—57 per cent of the crop. The TEC believes that about 98 per cent of the cotton is ready for the gins, however, and as soon as dry weather — and a hard frost—comes, the finishing licks can be pushed through at good speed. The 50,000 bale estimate has not been revised and there is no good reason now to believe that it will not be reached.

Martin County has 65,088 bales out of the fields and less than 20,000 still to gin, according to reports. In this county the same story that applies in Howard County is found — needed for dry weather and a chance to hit the fields at top speed. Only scattered days permitted any picking last week. Strippers are to be put on the job in most of the counties to finish the picking and these cannot do their best work until the fields are dry and until a hard frost pops open the belated bolls.

In Dawson County, where 178,221 bales have already been ginned, there is every reason, TEC officials believe, to anticipate the 190,000 bale estimate is 10,000 bales short. It is believed by most observers that Dawson County farms will turn in 200,000 bales when the crop is all in. The ginnings are 25,000 ahead of the same date last year. The farmers are waiting for the freeze to clear the way for the last grand push.

Sweetwater TEC office said the four counties it checks are still having their troubles as they have had all fall. Nolan County, for example, ginned only 184 bales this past week and has only 20 per cent of its crop picked. Total ginnings Friday afternoon stood at 3,889.

Scurry County farmers ginned only 466 bales for the week for a total so far of 16,502 bales. Ninety-five per cent of the crop is open and ready for picking.

Mitchell County ginned 1,675 bales to bring the total for the season to 14,670—about 38 per cent of the crop. Only 75 per cent of the cotton is open.

Fisher County has 90 per cent of the cotton open and has ginned 44 per cent of the crop or 17,621 bales. The week's ginnings were 2,454 bales.

Woman Joins Friends In Jail

Earlee King, the only one of seven Negroes arrested in Lamesa last week and returned here to face theft charges who had been able to post bond, rejoined her six companions in the county jail Friday.

She showed up before Judge Ed Carpenter on Friday and voiced a wish to plead guilty. The court accepted her plea and gave her a sentence of 60 days in the county jail. The sentence was the same assessed against five of her companions.

One of the six was fined $50 and costs and the seventh, Geraldine Bush, pleaded guilty earlier to a felony thef: charge against her in 118th District Court. She is waiting removal to the state penitentiary to serve a three-year sentence.

Held For Contempt

Harley James Hunt, brought before Judge Ralph Caton Friday to explain how it happened he was about $1,100 in arrears in child support payments to his divorced wife, Billy Jo, was unable to convince the judge that he was not in contempt of court.

Judge Caton ordered the sheriff to place the man in jail until he purges himself of contempt—which is to say, until he pays up the back payments he owes for child support.

Hereford Sale Offers 68 Head

Eighteenth Annual Howard County-South Plains Hereford Association sale, an event of major interest to ranchers of West Texas each year, is tagged for Saturday, Dec. 9, at the Howard County fairgrounds.

Sixty - eight head of selected Herefords have been consigned for sale. These include five cows, 45 single bulls and six pens of three bulls each.

They have been consiged from the top Hereford herds in the area and sponsors of the show anticipate the greatest sale in the 18 years the event has been held here.

Charlie Creighton is president of the Howard County-South Plains Hereford Association. R. H. Odom Jr., is first vice president and F. A. Youngblood is second vice president. J. P. Taylor is secretary and Loy Acuff, treasurer.

Starting at 0 a.m .the animals on hand at the fair barns will be judged and trophies will be awarded to the champions. Frank Jordan—widely known Mason rancher, is the judge.

Trophies are being donated to the show by firms and individuals in the area. Texas Electric Service Co. is providing the trophy for the champion bull. State National Bank provides the award for the reserve champion bull. The champion female trophy is being posted by Elmo Wasson's Men's Store. Dr. H. F. Schwarzenbach has offered the trophy for the reserve champion female.

Kimbell Grain company is offering the trophy for the grand champion pen of three bulls and the John Davis Feed Store the trophy for the reserve champion pen of three.

The are two revolving trophies awarded at the annual sale. First National Bank provides the revolving bull trophy, and the Big Spring Chamber of Commerce the revolving trophy for the best cow.

Judging starts at 9 a.m. on Saturday.

At 1 p.m., the sale begins with Walter Britten as the auctioneer.

Fancy prices are anticipated in view of the high quality of the animals being sold.

The show and auction will be in the fair building and the general public is invited to attend both events.

Bulls and cows to be sold at the sale are being offered by Buchanan Herefords, Big Spring; Hugh Campbell & Son, Ballinger; James Coates, Big Spring; Sam Cox, Tarzan; Charlie Creighton, Big Spring; Montgomery Bros., Jayton; Dr. G. T. Hall; Big Spring; W. L. Harkrider, Big Spring; George W. (Tee) Knox, Tarzan; McBride Bros., Blanket; R. E. Martin, Big Spring; Montgomery & Scrivener, Jayton; J. Paul Turner, Sweetwater; Price Turner & Sons, Best; Libb Wallace & Son, Sonora; Leland Wallace, Big Spring; F. A. Youngblood & Son, Lamesa.

Students Donate To Bear Fund

AUSTIN (AP) — Baylor Dean W. C. Perry has accepted a $142 donation from University of Texas students for the upkeep of its bear mascots.

The money was raised by The Daily Texan, the student newspaper, after nine university students killed one of Baylor's mascots after a kidnap attempt before the Baylor-Texas football game.

A Devotional for Today

Call upon me in the day of trouble: I will deliver thee, and thou shalt glorify me. (Psalms 50:15.)

PRAYER: O Lord, Thou hast said: "Whatsoever ye shall ask in my name, that will I do." Help us, then, to pray with faith that Thy help is given according to Thy will and in the right time. In Thy name. Amen.

(From The 'Upper Room')

Wanted: Understanding

Hardly had the ink dried on a story about plans to establish a Halfway House, thought to be the first in the Southwest, than objections of some residents in the vicinity of the proposed home resulted in cancelling plans.

This doesn't mean that the idea is dead, but it is delayed.

Perhaps this is indicative of our failure to provide a basis of understanding not only for the proposed project but for one of the biggest problems in the recovery from mental illness.

A Halfway House, as it operates so successfully and so humanly in many parts of the nation, is a home where virtually recovered mental patients can live while they regain that measure of confidence that will restore them entirely to a normal life.

Many of us still cling to the notions and prejudices that the mentally ill are crazy people and thus either inherently dangerous or worthy of some sort of stigma. Some few types of mental patients may be dangerous to themselves or to others, but these are always kept under maximum protective custody. The vast majority of the patients are simply mentally or emotionally sick, and when they can be helped over being sick, they are entitled to resume a normal place in society just as much as the person who recovers from the mumps, the flu, or the smallpox.

If one can generalize about mental illness, it is that the mentally ill have withdrawn from reality. When they are encouraged and even loved back to reality, they almost invariably face an overpowering sense of insecurity. They are apt to cling to institutional walls with a sense of dependence. A place on the outside, however, offers these convalescents the chance to get the feel of being back and of being on their own.

We hope, therefore, that a place can be found for a Halfway House and that it can be given a chance to become one of the most important stepping stones back to everyday, normal living.

The Joy Of Re-Discovery

Scrooge's nephew defended Christmas to his uncle as the one time in the long calendar of the year when men are moved to their noblest impulses and thus open their hearts. In time, Scrooge found it to be so, and it came to be known that if anyone knew how to keep Christmas, he did.

Perhaps this is a discovery that each of us must make personally, and one of the greatest satisfactions that can come to us is to rediscover it each Yuletide.

There are abundant opportunities, for "the poor ye have with you alway."

May we suggest the Christmas Cheer Fund as one way to help spread Christmas happiness. Or you may want to contribute to the Salvation Army's Christmas effort, which is entirely dependent upon the seasonal gifts, or to your church's charities. Just make an investment in some of these and see what dividends it pays in personal joy.

Who Takes Care Of Americans?

RIVERSIDE, Conn.—On the night of October 10, 1961, Mrs. Drexel Gibson took a sizable sleeping pill and went to bed. Mary Gibson had need of a deep, restful, restorative sleep. She was there at home with her children, one of whom recently had been through a major operation. Since mid-April she had known that her husband, Drexel Gibson, who owned and ran the Berlitz language school in Havana, had been a prisoner of Castro. He had been held prisoner for five months without formal charges being brought against him.

SOME CUBAN friends had tried to send Mary word of Drexel. One message had him safe and well, although in a prison of indescribable filth and indecent conditions. But another message had him convicted of schemes against the Cuban State with penalties that ran from 14 years imprisonment to death. Another message to reach the wife was that her husband, a sedentary scholar of 49, with an ulcer condition that required regular medication, had been intensively interrogated with electric shock treatments—and had lost his mind.

AT 1:30 A.M. of this night, Mary Gibson was wrenched from her sedated sleep by a ringing telephone. The Western Union operator said there was a meesage for Mrs. Gibson. From where? From the State Department, Washington, D. C. Oh, yes, the message was collect. Would she accept the charges?

With little choice, under the circumstances, Mrs. Gibson, who had been without her husband's earnings, and who knew that they had lost their life investment of $25,000 in the Havana school, plus their home and personal belongings, agreed to pay the tolls. This was the message given her from the tax-supported State Department, which is a multi-billion dollar spender in Foreign Aid, U. S. Information (to foreigners) Agency and dozens of formal banquets for foreign potentates:

"FOLLOWING From Embassy Bern Quote: Gibson Not Repatriated As All Flights Halted By New Exit Regulations. Swiss Report No Cause For Alarm Unquote (Signed) Allyn C. Donaldson, Drector, Special Consular Services, Department of State."

Two months before, on August 13, 1961, Mary Gibson had written a personal letter to Dean Rusk, Secretary of State, whose job is to represent the U. S. A. and its citizens in foreign affairs and who has thousands of subordinates to do such work which he himself cannot get around to. Yet this letter, at this writing, has never been answered by Secretary Rusk or any State Department official. It is a bit long for full citation, but reads in the main part:

"DEAR MR. SECRETARY: I am very pleased the State Department has been able to arrange the release of the EAL (Eastern Airlines) electra plane in three weeks.

"My husband, Drexel W. Gibson, director of the Berlitz School of Languages in Havana, has been in Cabana prison since April 19th. Mr. Gibson was born in Corning, Iowa, October 26, 1913. He was employed by the Panama Canal Company from 1939 to 1948. He was a member of the Displaced Persons Commission from 1949 to 1952.

"AFTER NEARLY four months of investigation and interrogations, the Cuban government has been unable to find any evidence of counter-revolutionary activities. My husband's only crimes seem to be he is a native born U. S. citizen and has been employed by the U. S. Government in the past.

"If the State Department can get an airplane out of Cuba, I feel they should be able to do more than inquire about the state of Mr. Gibson's health through the Swiss Embassy. . . . Sincerely yours, Mrs. Drexel W. Gibson."

ON SEPTEMBER 5, 1961, partly (I hope) because of intercession and agitation by this reporter, Senator Tom Dodd (D., Conn.) and others, Mr. Gibson was released from prison and made his way to the Swiss Embassy, Havana, where ill-fed, ill-clothed, ill-washed, ill-tended, he claimed sanctuary as a refugee American. On September 7th two days after her husband's release, Mary Gibson came home from shopping and was hailed by a neighbor:

"Have you heard the good news on the radio? Drexel has been released."

Mrs. Gibson later verified this through the State Department, which was two days behind the news.

THIS COLUMN is the first of a series based on interviews at the home of Drexel and Mary Gibson, whom I never met before. Many other points and facts need to be brought forth, but I believe that Americans who read this piece will want to ask why the American government is so negligent of Americans. Where was President Kennedy, for whom Drexel Gibson voted last year, at this hour of need? Where was Secretary Rusk? Where were the two former Connecticul Governors, HEW Secretary Abe Ribicoff and Under Secretary of State Chester Bowles? Senator Dodd was active, but why not Senator Bush? Senator Capehart (R., Indiana) heard about Mrs. Gibson's plight and put her plea on a radio broadcast. But why not the senior Senator of Drexel Gibson's native State, Bourke Hickenlooper, a powerful member of the Senate Foreign Pelations Committee?

Surely ours is a government of and by the people—but since when has it ceased to be a government for the American people?

Kindergarten By Mail

VICTORIA, B. C. (CP)—A correspondence course now is available for kindergarten.

It's a kit, including four activity books, instructions to parents for handwork projects, coloring and preliminary exercises to prepare for learning to read and a calendar on which youngsters can chart the weather.

Art Plows, director of the elementary correspondence school of the British Columbia education department, said, "We are not in the business and we have not publicized the service, but between 80 and 100 kits were issued to people who inquired last year.

The kit originally was designed for children in remote areas whose older brothers and sisters were going to school by taking correspondence courses.

NOT-SO-BASIC TRAINING

J. A. Livingston

Adzhubei Interview Reflects Interest In Trade

The United States and its western allies have been fooled so often by pocketbook-on-a-string offerings of the Soviet Union, that it's hard to accept, unskeptically, the implications of President Kennedy's interview with Alexei I. Adzhubei, editor of Izvestia and son - in - law of Premier Khrushchev.

As President Kennedy so wisely said in his interview, actions, not "paper and words on paper," dispel tensions.

Yet, coming so soon after the de-Stalinization of communism at the Party Congress in Moscow, it could mean that Khrushchev is genuinely after "peaceful coexistence."

Publication of the interview indicates that:

1. Khruschev feels secure enough in his leadership of the Communist Party to admit to Russian minds the U. S. point of view, brilliantly expounded by President Kennedy. Except for the side observations of Adzhubei, Izvestia readers were given an uncolored orientation in American policy.

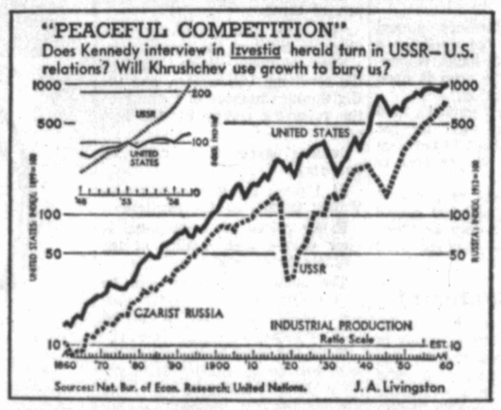

2. Khrushchev is reiterating to the Russian people the doctrine adopted by the 22nd Communist Congress — that peace is possible; the United States is not exclusively and incorrigibly committed to war. And he permits Kennedy, through Adzhubei, to say so to a large sector of literate Russians.

THE AFFLUENT SOVIETS

At the Congress, this revolutionary (for communism) slogan was agreed to: "We are able to build communism in one country and to achieve world communism, not by war but through competition."

To underline these words, Molotov was read out of the party and Stalin removed from his honored place as gravemate of Lenin. In short, communism can be nationalistic; it can flourish country by country. It doesn't have to be an international movement leading to war with capitalist nations. This is the doctrine that separates Khruschev from Mao Tse-tung.

Previously, Khrushchev had expressed this philosophy in these words, "We will bury you," meaning that the Soviet social order is superior to that of the United States. Captialism won't be able to match the affluent Soviet and so will lose followers. Communism will prevail by economic results, not by military warfare. Other nations will copy, reasons Khruschev.

However, Khrushchev would welcome U. S. help. Note this question put by Adzhubei to the President: "As you know, trade relations between our two countries are in a very lamentable condition. Before I left for the United States, I had a conversation with my friends from the Ministry of Foreign Trade, and they asked me to inquire from you whether there was any prospect of improving trade relations between our countries. After all, there is a very old truth: together with goods, together with the exchange of goods, there also come better relations among people."

REPEATED PLEA

The President commented that, as one of his first official acts, he eased American restrictions on Soviet crabmeat, "not a matter of great dollar importance," but symbolic because Khrushchev had mentioned it many times. The President added:

"I would hope that trade could be expanded, and in my judgment it would expand immediately if we can bring about a peaceful and satisfactory solution to the interest of all in Germany and Berlin."

This, too, is not new. In April 1958, Ambassador Menshikov urged long-term U. S. trade credits as an aid to world peace. In January 1959, Deputy Premier Mikoyan was angered when his plea for long-term credits was rejected.

Why this emphasis on trade? Because Khrushchev has promised to overtake the U. S. economically by 1960 or 1975.

"CONCERN FOR PEOPLE"

Soviet data show recent production increases of about 14 per cent a year as against U. S. gains, on a different basis, of about 3 per cent (inset chart). To achieve such rapid growth, the Soviet Union has scanted consumers and plowed into expansion a high percentage of output.

A soon-to-be published National Bureau of Economic Research study by Simon S. Kuznets, one of the nation's foremost economic statisticians, indicates that the U. S. has been doing the opposite—stunting growth by undersaving. It's entitled "Capital in the American Economy—Its Formation and Financing."

Over the long run, Russian expansion has roughly paralleled that of the U. S. (main chart), Soviet planners are well aware that the forced postwar pace, at the expense of consumers, will be hard to maintain. Increased foreign trade—the import of foreign equipment—would help Khruschev to fulfil his consumer-good promises.

Perhaps . . . perhaps. That's why the Adzhubei interview is significant. Its implications—political and economic—should be examined critically, and not thoughtlessly dismissed.

To Your Good Health

Much Can Be Done To Prevent Heart Disease

By JOSEPH G. MOLNER, M. D.

There's been a lot of progress in treating damaged hearts—but what about preventing heart disease? Particularly coronary heart disease or "heart attacks."

Progress in this direction isn't so dramatic but it is real, all the same, and important. I think it is fair to say that anybody anywhere, has the opportunity to help himself substantially.

Perhaps the greatest barrier to preventing heart attacks is the fact that the most useful measures AREN'T dramatic. And they aren't costly, either!

A "heart attack," basically, is a simple, albeit a dangerous thing. The muscle which makes the heart beat is, like any other muscle of the body, fed by arteries. If, somewhere in this system of arteries, the flow of blood is shut off, the muscle is starved for nourishment, and a portion of it is "infarcted", meaning that a portion of it dies. Depending on the location of this blockage, the damage will range from small to large.

Now what causes these attacks? A variety of factors, interacting. Heredity is important—but we can't do anything about that. Being a male, the same. Men, before age 65, have one chance in five of developing such trouble. Women have a far lower risk until after menopause.

On top of these inherited factors, these are the ones which are important: Obesity; excessive hardening of the arteries; unduly high cholesterol in the blood. A "heart disease control program" in Chicago brings from Dr. Jermiah Stamler these warnings: Being too fat doubles the risk of coronary heart disease; high blood pressure, five times the risk; high cholesterol, about four times.

In addition, diabetes, hypothyroid trouble, too much sedentary life, and too much unrelieved tension all can contribute. There's increasing evidence that heavy smoking does, too.

Doesn't it become clear, then, that controlling these things will reduce the risk of a heart attack, and thereby lengthen lives and improve health? Of course.

Reducing weight, getting moderate exercise, making a point of taking occasional vacations to relieve the stress of modern life—these things people can do for themselves to their own betterment.

Diet and—or medication can reduce high cholesterol in many instances. In more cases than not, high blood pressure can be corrected to a useful degree. Diabetes and thyroid diseases can be treated effectively and at modest cost as a rule, so people with these ailments should not let them go.

Yes, we CAN do a great deal to prevent heart disease. The simplicity of some of these preventive measures by no means detracts from their extreme usefulness. Sometimes the most prosaic and most obvious things may be the best of all.

* * *

"Dear Dr. Molner: I read your column about the woman who was troubled with bunions. Wearing pumps that probably does it. There is nothing to hold the foot back in the shoe. It slides forward. And a 'walking heel' to a woman is NOT a flat heel, it is fairly high, although thick. There's no mystery to me why women have bunions.—Mrs. C. E."

There's none to me, either. But despite three university degrees, I'm still just a man, and I don't think I can do one solitary thing about changing female fashions. Faulty footwear and defective arches usually cause bunions.

* * *

"Don't Quit Because of Arthritis" is the title of my leaflet designed to help all who suffer the aches and pains of arthritis. For a copy write to Dr. Molner in care of the Big Spring Herald, enclosing a long, self - addressed, stamped envelope and 5 cents in coin to cover cost of handling.

* * *

Dr. Molner is always happy to hear from his readers, but he regrets that he cannot answer individual letters due to the great number received daily. Whenever possible he uses readers' questions in his column.

Around The Rim

Texas — The Worst And The Best

Have had a few rough notes stashed away for some time now, to provide me with comment on a new opus about Texas and Texans.

John Bainbridge is the author, and last spring his observations on the Lone Star State were published in a series of articles in the New Yorker magazine. This is where I first made the notes, but other matters intervened, and I nearly forgot Mr. Bainbridge.

NOW, HOWEVER, his articles have been put together in a book just released, called, I believe, "The Super Americans." Since it obviously is going to sell well, it is time we took some note of same.

It has long been an established publishing fact that when a magazine's circulation was slipping, one way to beef it up was to send a writer down to Texas for a couple of days and let him whip up a real thriller-diller of an expose on Texas.

NOW YOU might not believe this, but Texans, for all their braggadocio, their egotism, and their insufferable big talk, are at heart real sensitive folks. So that when one of these big city magazine pieces came out, it either made us feel awfully hurt or mighty mad. Mostly the latter. This made us buy more of the copies of the magazine so we could cuss it all the more.

But, the wonder of it is that this fellow Bainbridge has done a rather decent thing by Texas this time. Oh, he pokes at some soft spots, and unlocks a few skeletons which we would rather have kept in the closet, but mostly you can't argue with him.

WHAT US local yokels have to rise up in arms about is one comment that the route from Dallas to El Paso—and this includes Big Spring, mind you—is "sensationally dull." Well, I suppose nobody ever gave us an award for scenic beauty.

And this writer has a great deal to say about the depletion allowance, which is granted on taxes for oil as well as other minerals. This is the typical attitude of a furriner who doesn't have the slightest inkling of the risks of the oil business, or of the need to continue exploration. All he can see is that it makes money flow more freely in Texas.

MR. BAINBRIDGE, and quite accurately, points out that Texas is no piker in crime, or in highway traffic fatalities, and may be the worst place in the country, on a per capita basis, for these things. And he finds our liquor laws a parcel of hypocrisy, and finds that Texans shun horse racing while in some of its clubs there are gin rummy games going at $50,000 per game.

Personally, I felt that this writer put too much emphasis on the oil-rich of Texas, although one must admit that these make the best copy. There are several million of us who look with awe on those wheeler-dealers, too, but there wouldn't be much point in writing about us. Wouldn't sell a copy of the book.

HE SINGLES out the noted (or notorious) characters in Texas who have made their fortunes flamboyantly, and spend them in the same manner. You would want to read the book to get the names.

The point Mr. Bainbridge really drives home is that Texas and Texans are the acme of things American. If Europe has found America overly conscious of the dollar and lacking in culture, the rest of the United States has found Texas even more so. If America is a big, free-hearted, open - face place, Texas is even more so.

IN OTHER WORDS, the frailties and foibles of Americans are all the more exaggerated in Texas, and the better qualities of the country are more prominent here. Hence, Texans as the "Super Americans."

I suppose you can't quibble with this. I just wish somebody, sometime, would write a piece on Texas and bring in a chapter on the common working classes.

—BOB WHIPKEY

Neutrality In The North

WASHINGTON—Nearly a year ago the Soviet Union sent up the first alarm signals that finally culminated in the latest threat to the independence of Finland. As so often in the past, it was hard to tell what the immediate motivation was.

The alarm began with reports privately circulated by Soviet diplomats to the effect that the United States proposed to establish a fleet in the Baltic. The intimation was that Polaris submarines would be a part of this fleet and Russia was plainly menaced.

THEN AS VARIOUS moves were initiated to strengthen the northern flank of NATO with the development of a Danish-German joint command and the purchase by Norway of 14 submarines in Germany to rehabilitate the Norwegian fleet, the rumblings out of Moscow grew louder. The climax came with an abrupt demand on President Urho K. Kekkonen to come for talks that seemed likely to end in a demand for bases on Finnish soil and military collaboration putting Finland in the role of a satellite.

Once again the Finns have shown that they have strong nerves. They have shown, too, the deep underlying unity that puts aside partisanship for national survival.

THE RECOVERY of Finland from the devastation of the war and the heavy reparations imposed by the Soviet Union is a story of sacrifice and resolution by a people who have again and again stood up to the peril of their position on the doorstep of the great Russian land mass.

Now that Finland has gained a reprieve, with a delay at least in the Soviet demand for military consultation, it would be useful to examine the question of Northern neutrality and Soviet motives. The tendency is always to assume that Moscow acts out of a bold, calculated plan. Yet those with a long knowledge of Soviet conduct and Russian behavior before Lenin and Marx believes that genuine fear of German intentions in the North may be part of the motivation.

IN THE CURRENT eruption Soviet suspicion has spilled over onto Sweden, the other northern neutral. One reason apparently is that Sweden is selling munitions to Germany as part of the effort to sustain a munitions industry supplying Sweden's own well-equipped and well-trained armed forces.

The question of the neutrality of both Sweden and Finland must be considered in relation to the pressures of the developing European Common Market and whether joining up is to become the price of economic survival.

SWEDEN'S NEIGHBORS have resented her good fortune in escaping World War II and the high prosperity prevailing in the postwar years. Despite great pressure applied in 1949 Sweden chose to stay out of NATO and the Swedes took no American aid other than a loan currently being repaid.

With the growing power and cohesion of the Common Market it is being said by some that the neutrals—Sweden, Austria and Switzerland—should not be permitted mere association. They must be made to join up as full members politically and economically. With time that may come. But great harm can be done if it is forced.

Interview Damaged U. S. Position

WASHINGTON — There are gains and there are losses for the United States in the forum of world opinion as a result of the published interview between President Kennedy and Khrushchev's son-in-law, who is the editor of one of Moscow's newspapers. On balance, it was a grave error for the President to have granted the interview, and, in the long run, it can do more harm than good to the cause of freedom in the world.

ASIDE FROM the fact that the Soviet editor inserted a significant sentence that wasn't in the original interview as it actually took place—and thus deprived President Kennedy of the chance to rebut the insult to the United States and his predecessor in the White House—the exchange of views revealed a retreat in diplomacy and in the negotiating position of the American government as it struggles for the support of world opinion. This goes to the heart of a vital issue—the right of peoples to determine their own destiny. Unfortunately, Mr. Kennedy conceded that, as long as the Soviet government wants to prevent the reunification of Germany, the United States will accept that situation.

THIS UNNECESSARY concession will dash the hopes of the German people and indicate to the world that the United States accepts indefinitely Communist domination not only of East Germany, but of Hungary, Rumania, Poland, Bulgaria, Czechoslovakia, and of the other captive nations of Europe and Asia. Mr. Kennedy's view on this all-important issue was expressed in these words:

"Now we recognize that today the Soviet Union does not intend to permit reunification, and that as long as the Soviet Union has that policy Germany will not be reunified."

BUT WHY SHOULD the United States recognize this "status quo" and announce publicly its willingness to accept Soviet domination of peoples who should be free? To do so is to weaken the moral force behind the principle of free choice—something which the free peoples of the world struggled to establish by their sacrifices in two world wars.

It will be argued that the big advantage of the interview with the Russian editor was that it got America's foot in the door and that some things were said that clarify America's position to influential sections of the Russian population. But the interview was planned for five months by the Moscow government while it argued over the exact arrangements for the meeting. It finally sent here not a news editor to report what the President said, but a propagandist to make a lengthy counterargument which will be surely given weight by the Russian people so as to tend to offset the points made by the President.

IN THE VERSION made available to most Russians in their newspapers and over their radio, President Kennedy's statements were deliberately distorted and some were omitted entirely in summaries that were used primarily to attack the policies of the United States.

Likewise, the incident can be played up in the Soviet Union to show that what's at issue is just a simple matter of ideology. Mr. Kennedy spoke, for instance, of the right of each country to its own system, and decried Russia's attempt to "communize, in a sense, the entire world." The Russian editor chimed in with the argument that it was just a matter of differing systems.

BUT IS IT? Not a word was spoken by the President about the sending of Russian arms and equipment to Cuba, the stationing of Russian agents in every Latin-American country to stir up revolutions there, and the use of subversive tactics by the Communists in Africa as well as in Southeast Asia.

Mr. Kennedy was polite, restrained and dignified. But the words of the Russian editor, who accused the United United States of interfering in Cuba and in the affairs of "many countries in the world," were not forcefully refuted, and they now will be listened to and accepted as gospel inside the Soviet Union. They will be reiterated day after day.

IT WOULD be much better if America no longer minced words and, by her own radio broadcasts into Russia, told the people there every day the facts about the Soviet Government's crookedness, its subversive operations, and its repressive measures in Eastern Europe, as well as its violation of postwar pledges—all of which have resulted in a Communist menace to the peace of the world.

DEAR ABBY

Too Much Child Talk

DEAR ABBY: I am positively going out of my mind over a situation that has developed at my place of work. A woman who works with me constantly brags about her children. Abby, no matter what the topic of conversation is, she turns it back to her children. Their honors, their brilliance, their popularity, their superiority! ! ! !

FED UP TO HERE

DEAR FED UP: You can (1) avoid her as much as possible. (2) Level with her in a "friendly" way by telling her that she is overdoing the "commercials" on her children and, unless she wants to be entirely without friends, she should cut it out.

* * *

DEAR ABBY: I gave my boy friend a big colored picture of myself for Christmas last year. Now we have broken up and I would like to have my picture back. Would it be all right for me to write to him and ask him to send it back? He has no use for it. He lives 150 miles away.

JUDI

DEAR JUDI: It was more than a "picture"—it was a Christmas present. Let him keep it.

* * *

DEAR ABBY: We live in a small town and my problem is becoming so serious I think I will not have any peace of mind unless we move. We have four children (I will not mention their ages, but they are now all in school). There are four other children in the same school who look so much like my children that the teachers and students are forever getting them mixed up. Two of these children (not mine) were "adopted" and the other two are children of two families with whom my husband and I have had friendships of long standing.

People laugh and joke and gossip about this "coincidence." My husband laughs, too. But to tell you the truth, Miss Van Buren, I can't hold up my head any more.

IN DOUBT

DEAR IN DOUBT: I don't know what your husband does for a living, but whatever he does, he can do it in another town. Ask him to quit laughing and start thinking about relocating.

* * *

Everybody's got a problem. What's yours? For a personal reply, send a self - addressed, stamped envelope to Abby, in care of the Big Spring Herald.

* * *

For Abby's booklet, "How to Have a Lovely Wedding," send 50 cents to Abby, Box 3365, Beverly Hills, Calif.

Special Venire For 3 Cases

A murder case, a case alleging statutory rape, and a case involving incest have been docketed for trial in 118th District Court starting on Monday, Dec. 11, it has been announced by Gil Jones, district attorney.

Judge Ralph Caton will order a special venire drawn to serve in the trial of the three cases. No other matters have been set down for trial in the court on that week.

The cases docketed for trial include a charge of murder with malice, against Lewis Davis, who is charged with having caused the death of Roy V. Brown on Oct. 23. Brown was allegedly beaten to death. Davis is being held in the county jail having failed to post $7,500 bond set in his case.

The statutory rape case names Henry M. Alvarez as defendant. It dates back to July 23, 1960 and alleges that Alvarez criminally assaulted a 12-year old girl. Alvarez is at liberty on bond.

The incest charge is against Charles Glenn Connolly. He is accused of an offense against his daughter on July 4, 1961. He is being held in jail having been unable to post the $5,000 bond set in his case.

All of these offenses are capital cases which require special venires.

Kiwanis Club Sets Date For Annual Pancake Supper

It's still a long way off but nevertheless, the date has been officially set for the famous annual Kiwanis Club pancake supper.

Ernest Welch, president of the club, announced today that the club will serve its big pancake supper on the evening of Feb. 23 this coming year. The place will be the Student Union Building at the Howard County Junior College.

He said that soon after the first of the year, tickets will be distributed and the campaign to prepare for this big yearly event, at which the club serves big pancake suppers to hundreds of residents, will be launched.

Davis To Retire From Lubbock Chamber Post

LUBBOCK — A. B. Davis, 71, 71, manager of the chamber of commerce at Lubbock since 1924 and the Board of City Development there since 1925, has announced his plans to retire.

The board accepted his resignation effective March 10, 1962, the 38th anniversary of his having assumed his duties in Lubbock. He will continue as a consultant for a period of four years.

Davis, a native of Bonham, came here from Durant, Okla., where he had left a newspaper post in 1915 to become chamber of commerce manager. Prior to that he had been in the grocery business. He has had a hand in most of the community development in Lubbock over the years, and the chamber which he found with a $4,000 debt and a $7,000 budget now operates on a $198,000 budget.

Work On Presents

Cub Scout Den 4 of Pack 138 met in the home of the den mother, Mrs. C. O. Trantham, Thursday. The flag ceremony was led by Tommy Fletcher. The boys worked on Christmas presents for their parents. Closing ceremony was led by Mike Cunningham.

Wash Racks, Stalls Fixed

Howard County road and bridge crew workers and the Howard County Farm Agent's office, working in cooperation with the Howard County Commissioners Court, has provided the Howard County Fair building annex with badly needed additional stalls and wash racks.

The building was put in readiness at this time for the Dec. 9 annual Hereford sale but the facilities will also be of much value for the stock shows next year.

Ed Carpenter, county judge, said that the cooperative effort saved the county considerable money. The road and bridge crew members worked on the project of building the stalls and preparing the floors on days when road work could not be carried on because of bad weather.

Herb Helbig, county farm agent, and Lovell Kuykendall, assistant agent, put in many hours of individual work on the job. Helbig and Kuykendall shopped for second-hand pipe and fittings and were able to overhaul the wash rack facilities complete at little cost.

Police Recover Most Of Stolen Loot Here

Big Spring police recovered something over 86 per cent of locally stolen property reported to them in October. This runs around 20 per cent above the average for the state of Texas.

The total value of reported stolen property of all kinds in October was $10,707.39. Value of that recovered was $9,293.28.

The systematic approach to investigations by Big Spring police and detectives, Chief Jay Banks said, has led to a better percentage of recovery than average.

"We often solve burglaries and thefts when we pick up a suspect on other charges. Our record system in the identification bureau helps us to establish a method of operation of known criminals which also helps us to watch suspects when we are confronted with certain types of burglaries, thefts, or break-ins.

"A lot of property is also recovered one, two, or three months after it is reported stolen through the constant watch we keep on sources of disposal as well as through questioning," he continued.

"A good example happened last week when we picked up three youngsters for one thing and they confessed to a series of burglaries," he said. "There is some luck to solving burglaries of long standing, but much of this luck is brought about through our records file."

The complete list of items stolen and recovered during the month of October runs like this, with the value of property stolen and the value of recovered property in parentheses: Currency, notes, etc., $886.18 ($116.79); jewelry and precious metals, $300 (0); clothing, $589.50 ($344.50); automobiles (stolen locally) $5,185 ($5,185); miscellaneous items $3,746.71 ($3,656.99).

Banks also said that cooperation with other law enforcement agencies in the area was a big help.

"Our radio frequency is such that we can talk to all other police, sheriff and highway patrol cars, and stations, in West Texas, which helps to give and receive information on suspects in a few minutes," he said. "If it were necessary to channel our radio traffic through different frequencies it would often slow down law enforcement."

Nuclear Buoy To Be Tested

WASHINGTON (AP) — A new type buoy, using nuclear material to generate electricity for light, will be tested Dec. 14 in Baltimore Harbor.

Later, it will undergo further testing by the Coast Guard in a Chesapeake Bay area near the mouth of the Potomac River.

Coast Guard officials, explaining the project at a meeting last week, said the buoys are expected to operate without maintenance for about 10 years compared to the one or two years for present battery types.

Christmas Gift Electrifies Public

KENYON, Minn. (AP) — One monthly bill has taken on the look of Christmas cheer for folks in this southern Minnesota town.

It's the one for electricity, which the Municipal Utilities Commission stamped "paid" for November. An official explained the early Christmas present comes as a result of lower expenses during the current year. The commission is passing along more than $10,000 of the savings.

LIVELINESS AND LUXURY AT A LOW, LOW PRICE

NEW CHEVY II

Never before such a team of totally new cars! Sedans, hardtop, station wagons, even a convertible . . . you name it, Chevy II has it. Nine models in all now in production. What are they like? Well, imagine all the solid virtues you've always counted on from Chevrolet . . . the steadfast dependability, the tried and true economy, the dyed-in-the-wool comfort . . . all dressed up in a new just-right size and built a modern new way. That's Chevy II . . . but that's only the beginning. It's easy on the eyes, easy on the road and easy on your pocketbook. It's built to be ultra-easy to service and maintain. Front fenders, for instance, bolt on and off for easy repairs. Two brand-new spunky engines, a four and a six (your choice in most models), purr along merrily on regular gas—and darn little of it, too. Thanks to new Mono-Plate rear springs, the ride's so smooth it reminds you of the big Chevrolet—and you know how smooth that is. The space inside for people and things puts you in mind of big cars, too. So does the cushy comfort. But Chevy II parts company from anything else around when it comes to offering all these fine features—at a sensible low price. Fact is, liveliness, luxury and low price have never been blended so beautifully. Check your Chevrolet dealer and see for yourself.

CHEVROLET

CHEVY II 300 4-DOOR 3-SEAT STATION WAGON. Packs a whopping 76.2 cu. ft. of cargo. Power rear window is standard.

CHEVY II NOVA 400 CONVERTIBLE. It's Chevrolet's lowest priced convertible . . . and it's now in production.

CHEVY II 300 4-DOOR SEDAN. All of the Chevy II savings ways wrapped up in a practical 6-passenger family model.

Now . . . look 'em over and try one out!

CHEVY II NOVA 400 SPORT COUPE. Handsome hardtop with top-of-the-line go and glamor—at a pleasin' kind of price.

A NEW WORLD OF WORTH—CHEVROLET • CHEVY II • CORVAIR • CORVETTE at your local authorized Chevrolet dealer's

HCJC Hawks Win First Game Of Current Season

By LYN CLAWSON

Basketball season is under way at HCJC. The Hawks got off to a good start by winning their first game of the season. They beat Clarendon in a game in the Odessa Junior College Tournament. Keep up the good work, Hawks!

The team journeys to San Antonio to participate in the San Antonio Junior College tournament next weekend. Bring home a trophy, boys. Their first home game is Monday, Dec. 11, against Arizona. The next night they play Sayre, Okla., here also.

The Lasso Club met Friday and made further plans on their Bridge Luncheon to be held Dec. 16 in the SUB. The girls are to meet and exchange gifts, have a salad luncheon, and play bridge in the afternoon. The female faculty members and wives of the male faculty members are to be guests. The club picture is to be made next Wednesday during the activity period.

Doug Davis, president of Phi Theta Kappa, has announced that the date of the Christmas Formal has been changed from Dec. 11 to Dec. 16. HCJC plays a home basketball game that night so the date had to be changed. The club will meet Wednesday during the activity period to plan decorations.

Sigma Delta Phi will meet in room S-8 Monday to elect a sweetheart.

Tomorrow afternoon at 4 the Rodeo Club will meet at the Rodeo Grounds to have their pictures taken. At the club barbecue Tuesday night, Pat Saunders was named Rodeo Club Sweetheart.

Wesley Fellowship will meet in the SUB Parlor Wednesday, Dec. 13. This is an important meeting and all members are urged to be present.

Steve Blair, Johnny Cone, and Martin Landers, sponsor, left Friday to go to San Marcos for a debate tournament.

The BSU has put up an impressive Christmas scene in the SUB. Tommy Gilmore, president of the organization, has asked that all members be present at the regular monthly meeting in the parlor of the SUB at 6:30 p.m. Tuesday night.

PAT SAUNDERS
Rodeo Sweetheart

WRAs are sponsoring a high school girls' "A" team tournament this week. Beginning Thursday and lasting through Saturday Garden City, Coahoma, Stanton, Post, Westbrook, and Forsan will compete against each other.

Dec. 5 at 9 a.m. HCJC students will hear the honorable George Mahon, a Congressman from Texas speak.

The Jayhawker, HCJC yearbook, received a third place rating at Texas A&M College recently. At the same time Gary Pickle of HCJC was unanimously elected parliamentarian of Texas Junior College Press Association.

The College Y will meet Wednesday at noon.

Tomorrow night piano students will participate in a Studio Recital at Jack Hendrix's home.

Runnels FHA

These girls, all members of the Runnels Junior High Future Homemakers of America, mail Christmas cards to McKnight Hospital at Sanitorium, Tex. This is just one of the many projects that the FHA sponsors. Left to right: Beverly Womack, Dana Rosene and Peggy Spier.

Local FHA Chapters Sponsor Various Projects

By LYN CLAWSON

Some of the busiest organizations in the Big Spring Schools are the Future Homemakers of American organizations in Goliad, Runnels, and Big Spring High School.

The girls are busy now collecting Christmas Cards to send to the state hospitals in Texas. FHA Chapters all over Texas are contributing new, stamped cards to the various state hospitals around the state for the patients to mail to their friends and families.

The Runnels Junior High School chapter is sending their cards to McKnight Hospital at Sanitorium. The BSHS chapters are giving their cards to the local mental hospital.

The Goliad Club is making curtains for several wards and dormitories at the state hospital.

The high school organizations are also making clothes for the dolls collected by the firemen. They clean and repair these dolls in addition to clothing them. They have done this for several years.

The Goliad group is beginning a World Clothing Drive at that school.

The clubs sponsor various projects throughout the year, not just at Christmas. The Runnels chapter collected food for the needy at Thanksgiving. This organization also plans to take cookies to the Big Spring rest homes and is to bake cookies and give toys to the Crippled Children's Home in Jan. of next year.

The groups from Goliad and Runnels annually sponsor a party for the local Special Education School.

Hats off to these busy, busy girls!

Sands Elects Class Favorites

By GLYNDA FLEMING

SANDS — Class favorites have been elected for this year. They are: seniors, Delia Barraza and Dean Newsom; juniors, Joyce Merrick and Jimmy Schulke; sophomores, Joyce Graham and Johnny Merrick; freshmen, Connie Bowlin and Bob Green. Pictures of these and the class officers were taken Saturday.

The seniors are selling subscriptions for the annuals now. The deposit is $2 or for all of it, $4.50.

The student council has planned to show six movies throughout the year. The first one, "High Noon," is to be shown next Wednesday, Dec. 6. Others are "The Colditz Story," Jan. 3; "Sergeant York," Jan. 17; "Macbeth," Feb. 7; "The Thing," Feb. 28; "From Here to Eternity," March 21. The admission is to be 25 cents for children and 35 cents for high school age or older. Everyone is invited to come.

Runnels Sponsored Annual Harvest Carnival Friday

By CANDY BACUS

The Harvest Carnival was the center of attraction last week. It started at 6:30, the dance, at 8 p.m. There was an air of excitement in the halls as classes threw open the doors of the various booths.

The highlight of the ninth grade booth was a side show which featured acts that were in the Talent Show earlier in the day. They also had the Cakewalk and Dart Board.

Eighth graders had the Doll Walk, Night Club, and Bottle Booth. The seventh graders sponsored the Marriage Booth, the Baseball Booth, and the Fortune Telling Booth.

Earlier in the week the talent shows were held. The seventh grade had their show on Wednesday. Many good acts were contributed.

Thursday was the day set for the eighth grade talent show. Danny Lane, featured drummer from the eighth grade, played his drums at the end of the show for any contribution (for their queen) that they could get.

Last, but not least, was the freshman talent show. The theme of their show was "Route 66." Gene Tolle played the part of Todd and Teddy Graham was Buzz. The show followed the theme, visiting different night clubs throughout the country.

Admission for all the talent shows was 15 cents.

Elaine Carlile was selected queen of the Harvest Carnival. She was presented with a bouquet of yellow mums. The other nominees received white carnations. The coronation of the queen was held during the dance.

The seventh grade Yearlings beat Goliad in their basketball game last week. San Angelo Edison boys went home defeated by the eighth grade Yearlings. However, our ninth graders unfortunately lost to Edison.

Our boys will be playing the same teams again Dec. 4, here.

School directors have not arrived yet but they should be here Dec. 5.

Everyone seemed to miss Mr. Roscoe Newell, principal, last week. He went to Commerce, Texas, where his mother was ill. He will be back at school Monday.

On top of this busy week, the band journeyed to Odessa Saturday to compete in a marching contest.

See you next week!

Receive Honors

These people have recently received honors at Runnels Junior High. Back row, left to right: Dennis Collins, Best All Around; Sara King, El Palomar Queen; Gene Tolle, Choir Dreamboat. Front row: Judi Forshee, Best All Around and Football Queen; Linda Robertson, Choir Sweetheart; Lynn Christensen, Band Sweetheart.

AT GOLIAD

National Junior Honor Society Elects Officers

By ROXANNE BOLTE

After struggle and strife, votes and revotes, the Goliad Chapter of the National Junior Honor Society has finally elected its officers: president, Larry Leonard; vice president, Nancy Thomas; secretary, Sarah McWhorter; treasurer, Dub McMeans. The next meeting of the society will be December 12, 1961.

The student council is planning on taking a trip to the District West Texas Forum of Student Councils Meet to be held in Midland, Texas, Dec. 9, 1961. The meet, to take place at Stephen F. Austin Junior High, will be attended by several West Texas schools.

The student council is also sponsoring a canned food drive to start Dec. 11, 1961. The cans are to go to the Salvation Army, who will distribute it to the needy at Christmas time. The food will be much appreciated, so please turn it in to a student council member.

There was a lot to do at Goliad the cold, windy noon hours of the past week. Monday there was a seventh grade pep rally; Wednesday a sock hop; Thursday, another pep rally. Plenty to keep the students contented and occupied, so there was actually no excuse for students turning up fourth period looking like so many ice cubes.

The band attended the Interscholastic League Marching Contest in Odessa Saturday, Dec. 2, to compete with our other home town junior high, Runnels Junior High, and several other West Texas schools. The twirlers did a solo and trio routine, making it their first time to compete this year.

December 4 - 8 is World Clothing Week, sponsored at Goliad by the FHA girls. If you have any clothes your family has outgrown, or you don't wish to keep, you may turn them in to an FHA member. The clothes will be distributed to those who need them.

The student driver classes have been doing pretty well, as a whole, says their instructor, Mr. C. W. Tanner. Seventy-four students have, or will have completed their driving by this week. The number of students taking the course this year totals 197 in all. Some of the classes, formerly held before school, have been changed to after school hours in order to get the boys in athletics. Mr. Tanner will also be helping Runnels out the rest of the school year.

The basketball season is getting into full swing here at Goliad with six games in one week. In Goliads' first game of the season, Monday, the freshman played San Angelo Lee, being defeated with the score 43-33. Eighth Grade, also playing Lee, lost 29-26. Seventh Grade played Runnels and lost 30-19. In our second game, played against Lamesa Thursday, in Lamesa, ninth grade lost 33-29; eighth grade lost 36-23; seventh grade lost 28-15.

The freshmen played Big Spring Senior High School sophomores in a practice game Tuesday. They were defeated 46-23, but just wait until next year!

CHS Annual Pictures Made

By LINDA THOMAS

COAHOMA — Basketball season really got into full swing this week. Tuesday night the "A" and "B" girls' basketball teams and the "A" and "B" boys' basketball teams traveled to Sands where they competed with the Sands teams.

Thursday afternoon after fifth period, the girls' basketball squad went to Garden City to scrimmage the team there.

Friday night the boys' and girls' "A" teams traveled to Westbrook where they competed against the Westbrook varsity teams.

Many students had a sad look on their faces Friday as a result of six weeks report cards being handed out Thursday. Better luck next time!

Pictures of the Bark Staff, National Honor Society, Class Favorites, Football, Band and FFA Sweethearts, Football Hero, FHA Beau, and the basketball teams were taken for the yearbook on Wednesday morning.

There will be an FFA meeting Monday night at the regular time.

Capitol Releases New Records

HOLLYWOOD—New four-track stereotapes by two of Capitol's top artists have been added to the label's growing tape catalog.

Included in the release is "Make Way" with The Kingston Trio and "The Touch of Your Lips" by Nat King Cole.

TRIO: TAPE TOPS

"Make Way" (ZT-1474) presents the Kingston Trio in a tape version of one of their most popular albums. Released in disk form last January, the album has been high on the best-seller charts for more than eight months. The album contains 12 selections treated to the life-giving process by which the Trio transforms folk songs into popular hits. Among the songs are "En El Agua," "Bonny Hielan' Laddie," and "The Rive Is Wide." The Trio is currently touring the eastern section of the United States.

COLE: TENDER POPS

In "The Touch of Your Lips" (ZW-1574) Nat King Cole soothingly vocalizes a program of tender, melodic ballads. With the cascading strings of the Ralph Carmichael orchestra, Cole's romantic mood embraces "Funny," "Poinciana," "Only Forever," and "Illusion."

Faculty Basketball Game Scheduled For BSHSers

By MARILYN GUM

BSHS settled down to a regular week of routing school work after a wonderful Thanksgiving holiday.

The Big Spring Chapter of the Future Farmers of America held a meeting Tuesday in the library. Twenty-seven "greenhands" were initiated. The highest calendar salesman was Jimmy Welch.

Petitions for Best All Round and Class Favorites will be circulated this week. Election of these honors will take place on Wednesday, Dec. 13. If a run-off election is necessary, it will take place on Friday.

The male faculty of BSHS will play against the male faculty of Runnels and Goliad in a basketball game, sponsored by the BSHS Key Club on Dec. 7. Admission to this entertaining program will be 10 cents. This type of basketball game should prove to be quite a show of "talent" demonstrated by the teachers.

The senior class candy sale is still going on. Money from this project will aid in the purchasing of the senior gift. The candy, Judson's assorted chocolates, is priced at $1.02 a box. The high salesman of the sale will receive $15. The runner up will be awarded $7. All seniors are urged to get busy and sell their seven boxes of candy!

I feel sure that everyone wants to offer his warmest congratulations to the mighty Steer basketball team. The team has sacked up two victories from their first two games of the season. Everyone is urged to attend the next game with Brownfield, which will be Tuesday night in BSHS gym. Whistle time will be 6:15 for the B team and 8:00 for the A squad. Thanks again for the good work, Steers!

The National Honor Society of BSHS is in charge of the concession stands at all of the home basketball games. Money from this going to the society will go into the NHS fund for the scholarship that is given to a senior member of the society.

James A. Johnson, a 1960 graduate of Big Spring High School, was among three Air Force ROTC cadets who receive Chicago Tribune Awards for outstanding achievement in both military and academic life at Grinnell College recently. Cadet A.2.C. Johnson was presented his award, a silver medal, at a formal "dining in" ceremony attended by cadets and staff officers of the Grinnell AFROTC unit.

Miss Cynthia Cochran, English teacher at high school, was married during the Thanksgiving holidays. She will return to school tomorrow.

One room of the library is receiving a "face lifting" job for the purpose of using the room for a visual aids storage room.

Fred Lowery, a famous whistling artist, appeared at BSHS for the second in a series of Southern Assemblies. The title of the program was "Whistling Can Be Fun." The noted artist presented such selections as "Yellow Bird," "Indian Love Call," and the well-loved "Tammy." The assembly was thoroughly enjoyed by all who attended, it seems.

The BSHS band journeyed to Odessa for a Twirling and Marching contest. Eleven twirling numbers and a band show was featured. Judge for the twirling contest was Mrs. Pat Hooker. Judging the band show were Mr. George Cavender, Mr. W. A. Anderson, and Mr. Fred Stockdale. The band put forth a great deal of effort and hard work in preparing for this event.

Forsan FHA Holds Tea

By BONNIE SIMPSON

FORSAN — A special meeting of student council members was called Wednesday morning. Each person's calender sales were settled and the order is to be sent off for two-hundred calenders. A new trophy case is to be built in the gym hall between the two old cases. This is really needed because we can not seem to find room for the trophys we have. Judy Hughes and Leroy Obrian were appointed to work in the concession stand Friday night.

Friday night the boys' basketball teams played Big Spring's "B" team in the Forsan Gym.

Tuesday night the basketball teams traveled to Gail for their third game of the season. We won the boys' B game, the girls' game, and the boys' game, making it an over-all victory. All of these games were hard fought battles right up to the last quarter.

A new scoreboard is being installed in the school gym. This was a much needed object and I'm sure the fans as well as the players will appreciate it very much.

Next Thursday the girls' basketball team plays Garden City at 11 a.m. in the HCJC's tournament for high school girls. Their coach, Miss Sue Garrett, has been working the team hard in order to get them in shape for this next week. Last year the team took third place and each member of the team is determined to do even better this year. Good Luck Girls!

The FHA is holding a Christmas Tea, for FHA members and guests, in the cafeteria at 4:30 p.m., Monday.

SOPHIE PEREZ, PATSY GOOCH WIN RECORDS

Sophie Perez, a freshman at Flower Grove, is this week's winner of the free record to be given away by the Record Shop through the Megaphone. Patsy Gooch, an eighth grader at Forsan, wins this month's bonus record. The winners may pick up certificates at the Herald and take them to the Record Shop to receive their records.

In addition to a free 45-rpm to be given away each week, Oscar Glickman, owner of the Record Shop, will offer a long-playing record as a bonus once a month.

More New LP's

Forty uninterrupted songs for the dancing pleasure of multitudinous Guy Lombardo fans are offered in the four-track stereo tape "Your Guy Lombardo Medley: Vol. 3" (ZT-1598). The tape is divided into three medleys. The first consists of 20 fox trot favorites with the next two giving equal time to the fox trot fanciers and the sizeable contingent of waltz fans in the Lombardo camp.

LINKLETTER, PEOPLE FUNNY

"Let's Play Games with Art Linkletter" (S-T-1644). Incorporating some of the most exciting features of his successful long-running network shows, "People Are Funny," and "House Party," Linkletter organizes and directs a series of party games which require the participation of attending party-goers.

SHS Basketball Teams Win Games

By MARSHA BRISTOW

STANTON — Well, back to school after the holidays! It was a little hard to get up early Monday morning after enjoying sleeping late Thursday, Friday, Saturday, and Sunday.

The band has been busy getting ready for Interscholastic League Marching contest. The contest was Saturday in Odessa. Besides the band participation, there were also twirlers entered in competition. Those entering the high school division were Wilma Doshier, Nina Yater, Judy Doshier, and Marsha Bristow. The girls who entered the junior high competition were Cindy Pickett, Charlene Bevers, Suzanna Poe, Jerre Webb, and Sandra Wilkes. A high school trio composed of Wilma Doshier, Nina Yater, and Marsha Bristow also entered. This has been quite a week for the twirlers! Wilma and Marsha twirled for the Lion's Club at their regular meeting Tuesday and also twirled for the Band Parent's Club Tuesday night.

The Buff Basketball teams have really been on the ball! The boys played Roscoe Saturday night and won, and then Tuesday night the girls and boys played the McCamey teams at McCamey and came home victorious. We are really proud of our teams, and we want to wish them continued luck and success!

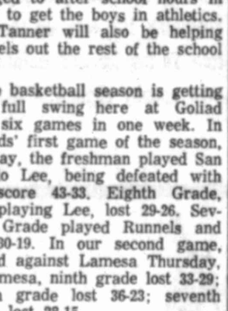

The FHA Chapter had its regular meeting Tuesday morning during the activity period. The chapter decided to go ahead and make early plans for our annual banquet so that we could get our date on the school calendar. Also a discussion was held on the Christmas Card Tea which was held Thursday. The admission was three new, stamped, unaddressed Christmas Cards, and all the cards we collected we will send to the rest home at Kerrville for the patients to send to their friends this Christmas. The Chapter also elected its chapter mothers at the Tuesday meeting. The chapter mothers for this year are Mrs. J. M. Yater and Mrs. J. C. Epley. Also we decided to make all district, area, state, and national officers automatic members of the executive council, and that a mother could serve as chapter mother only one year.

Student Council met Wednesday morning. A discussion was held on the upcoming Christmas assembly and party. We plan to sponsor a door decoration contest, and to decorate a tree in the office. Also if the school approves, the council decided that this Christmas instead of exchanging gifts among ourselves, each student would bring a toy, book, or game to be sent to an orphanage. A discussion was also held on the upcoming West Texas Forum which will be held in Midland Dec. 9. Glenda Payne, our council president, will give the response to the welcome.

Monday morning the National Honor Society met, and discussed Christmas plans. It was decided that the council would visit the hospital and rest home and take Christmas refreshments to the patients. Also, we are going to sponsor Christmas boxes of toys and clothing for needy children. We are planning to play Christmas Carols over the P.A. system during activity period and lunch the week and a half before Christmas vacation.

We would like to invite you Big Spring people to come over and see the progress being made on our auditorium. We are so proud of it, and each day it seems that it looks prettier! Come Over!!

Poll Tax Substations Are Opened Again

Mrs. Zirah LeFevre, county tax assessor, has announced she is establishing five substations at which applications for poll tax receipts can be filed. This service was offered for the first time last January by Mrs. LeFevre and proved so popular that she will renew it this fall.

Poll tax payments can be made at this time. During October and November, nearly 900 citizens paid their poll tax and were issued receipts.

The substations which are now prepared to process poll tax receipt applications are:

Holley Drug, Coahoma; Bowen Jewelry, Eleventh Place Shopping center; Gound Pharmacy, 900 Main; Reeder-Huff-Estes Agency, 506 E. 4th; and Cecil Thixton Motorcycle Shop, 903 W. 3rd.

FEE

A citizen who wants to obtain his poll tax receipt and thereby qualify himself to vote in elections held in 1962 can go to any of these establishments and fill out an application form. The fee is $1.75. The substation will transmit the application to the tax office and the poll tax receipt will be mailed to the applicant.

Any person who is a qualified elector under Texas law can vote if he has a poll tax receipt. He must be a citizen of the United States of the age of 21 or older; he must have lived in Texas for one year and in the county for six months to be eligible to apply for a poll tax receipt.

Deadline for paying poll tax expires on Jan. 31.

Because 1962 is rated as an important election year, it is anticipated there will be a brisk demand for poll tax receipts. The year just ending was an "off year" politically and although there were numerous elections, the interest was not as high as is expected in 1962. The total poll tax receipts at close of business on Feb. 1, 1961 was 6,641 and the total exemption certificates issued was 1,529. Combined total was 8,170.

Older citizens of the state do not have to pay a poll tax to vote but if they are residents of an incorporated town of 10,000 population or over, they must obtain an exemption certificate from the tax collector's office. There is no fee for these certificates.

RURAL

Rural precincts do not require the older citizen to present an exemption certificate in order to vote. It is only in Big Spring, in this county, where such certificates are required.

To be eligible for an exemption certificate, the applicant must have been 60 years of age before Jan. 1, 1961. Mrs. LeFevre pointed to the date and emphasized that the 60th birthday must have been attained before Jan. 1 of the current year and not that date in 1962.

This year, it is required that the applicant for an exemption certificate must provide the clerk with his or her birthdate. This has not been required in the past.

The fee for the poll tax receipt which is collected from all electors who are under the age of 60 and eligible to vote is $1.75. Of this fee, $1 is transmitted to the state educational agency for financing the public schools; 50 cents goes to the state general revenue fund and the 25 cents remaining goes to the county general fund.

One provision of the law, which deals with men and women in the regular armed services is a source of considerable confusion and misunderstanding locally.

The law states that any member of the regular armed services is required to vote in the county from which he was inducted "so long as he is a member of the armed services."

The misunderstanding over this law arises here from the large number of men who are in the Air Force and who have been in this county for a number of years. Some of these have bought homes here. They are Howard County citizens, they feel.

VOTE AT HOME

Under the law, these persons are not permitted to vote in elections in this county unless they were originally inducted into the regular armed services here. Since the majority were inducted into the service elsewhere, such persons are forced to ballot absentee in that county and cannot vote locally.

Mrs. LeFevre said there is nothing she can do to help these people.

"Very often," she said, "they tell me they have lived here long enough that they have lost contact with the county where they were inducted and have no interest in the elections in that county. 'We own our homes here,' they say, 'and we are interested in who is elected to office in Howard County.' Unfortunately, there is nothing I can do to help them. The law ties my hands."

Nuclear Ship Now Due Tests

WASHINGTON (AP) — The nuclear ship Savannah has a full load of atomic fuel aboard but months will elapse before the enriched uranium is used to propel the vessel.

The Atomic Energy Commission announced completion of loading 17,000 pounds of enriched uranium oxide fuel into the Savannah's reactor. The work had started Monday at the New York Shipbuilding Corp. docks at Camden, N.J. Another month of testing lies ahead before a chain reaction is started in the ship's reactor, and still another month or so will be devoted to low-power tests at Camden limited to 10 per cent of capacity.

Screwworm Fund Drive Is Extended

Although the official deadline for subscribing to the war chest to battle the screw worm menace expired last Friday, the campaign has not been closed, Herb Helbig, county farm agent, said Saturday.

He said that weather has not been right for the county-wide canvass planned by advocates of the program and that as a result only 20 per cent of the estimated total that ranch-owners were expected to pay into the fund has been collected.

Because of the wather and because the campaign is so important, Helbig said that the effort would not be closed. A meeting is to be called sometime this week for the leaders in the movement and new plans drawn to push ahead with collection of the money.

The plan calls for the contribution of 50 cents per head for all adult ranch cattle, dairy cattle and horses and 10 cents a head for all sheep, goats and swine.

The funds are to be used to set up a safety barrier extending entirely across the southern boundary of Texas. In this area, the plan is to release large numbers of impotent male screw worm flies. The northbound females coming into the state from Old Mexico will pass across the zone. They breed only one time. Because the males will be impotent, the eggs will not hatch and the new crop of screw worms will be vastly reduced.

The plan has worked in Florida with amazing effectiveness. The cattle breeders of Texas lose millions of dollars annually due to the ravages of the screw worm.

The plan adopted on a statewide basis to raise funds to finance the warfare against the menace should produce around $3,000,000.

Helbig said he would announce the date of the meeting at which future plans for the local campaign will be drafted as soon as he has had time to talk to the cattlemen who are spearheading the effort.

And Forgive Us Our CHRISTMASES

A mother was putting her little girl to bed. It was time to say her prayers. Childlike, the girl lisped the first four petitions of the Lord's Prayer. She was not quite sure of the fifth, and so in her innocence she prayed, "and forgive us our Christmases."

Millions of Americans will need to pray that prayer on December 26. If ever there is a season being desecrated by great masses of our population, it is the season which the Christian Church has set aside to celebrate the birth of Jesus Christ, the Son of God.

Will yours be a Christmas with Christ in it? Throughout the length and breadth of our country the invitation is being sounded, "Come hither, ye faithful, triumphantly sing!" . . . "O come, let us adore Him!"

Will this Christmas find you kneeling in humble faith at the manger of Christ? Or will you be one of those who will have to pray ". . . and forgive us our Christmases?"

If you have no church affiliation or would like to know more about the teachings of the Christian Religion or if you are in need of spiritual counsel, please contact us. AM 4-7163.

Ritz Fare

Elvis Presley serenades an admirer in the scene above from "Blue Hawaii," beginning Wednesday at the Ritz Theatre. In the photo at right, are Troy Donahue and Connie Stevens, stars of "Susan Slade," now at the Ritz.

From Dancing To Soldiering

Dolores Michaels, who stars in "Battle at Bloody Beach," originally started her show business career as a dancer. At the age of five, Dolores was invited to join the national road company of the Lerner and Lowe musical "Brigadoon." She pursued dancing most of her young life and hoped to become another Ginger Rogers until the dramatic world beckoned her. Now Dolores can be seen as a guerrilla fighter, which is quite a switch from being a terpsichorean.

Elvis Is Lover In Ritz Offering

Beautiful, blue-eyed, black-haired Joan Blackman, who came to Hollywood seeking a career as a singer and dancer, finally gets to display these talents in her fifth motion picture, Hal Wallis' new Elvis Presley attraction, "Blue Hawaii," which opens Wednesday at the Ritz Theatre.

A native of San Francisco, Miss Blackman was discovered by Producer Wallis in the Paramount studio commissary, where she was lunching with friends. After a successful screen test, Wallis signed her to a contract, and she subsequently played leading straight acting roles in such films as "Career," "Visit to a Small Planet" and "The Great Impostor."

"Blue Hawaii" is an especially suitable vehicle for Miss Blackman's singing and dancing debut, for it features more musical numbers than any previous Elvis Presley picture. Among the 15 songs are "Blue Hawaii," "Almost Always True," "Slicin' Sand, "Island of Love," "Rockahula Baby" and "You're Stepping Out of Line."

Elvis portrays a free-singing, ukelele-strumming tourist guide assigned to a group of impressionable teen-age girls making a tour of the 50th state. Miss Blackman, as his Hawaiian-French girlfriend, competes with the girls and their pretty chaperone, Nancy Walters, for Elvis' affections.

Photographed in Panavision and Technicolor, the Paramount attraction was filmed on location in the 50th state, under the direction of Norman Taurog. Hal Kanter wrote the screenplay.

KBYG ANNOUNCES NEW MANAGER

G. PRICE

Gayle Price, manager at KBYG radio station for more than two years, will be leaving Jan. 7.

It is not another competitor, however, who is acquiring the services of Price. Instead, it is the United States Air Force.

Price has decided to enlist. He will be stationed at Lackland Air Force Base. Although he is going in as an enlisted man, Price intends to apply for Officer Candidate School in hopes of spending his tour as an officer.

"The Draft Board is breathing down my neck," Price said. "I believe I can get more out of my service time and enjoy it more by enlisting in the Air Force."

Before coming to Big Spring 2½ years ago Price worked at Station KZIP in Amarillo. He attended school in Childress and began his radio career at Childress.

The plans of Mrs. Price, or Gay Nell, as she is known by many Big Springers, are not known at this time. Mr. and Mrs. Price now reside at 107 W. 6th.

D. CRAIG

The replacement for Price will be Don Craig, who recently came to Big Spring from Lubbock. There he was associated with the McAlister Broadcasting Corporation for three years.

Prior to that time, Craig was manager of radio stations at Littlefield and at Post. He has already assumed his duties with KBYG radio station.

The Craigs live at 2903 Lawrence. They have two girls, Tammy, three, and Tori, two. Mrs. Craig is known as Betty.

The people of Big Spring have impressed the Craigs, as they do most persons.

"We have not lived here long, but have already met many fine people. We look forward to meeting as many of the others as possible," Craig said. —Adv.

Met Auditions In San Antonio

SAN ANTONIO (AP) — Southwest regional auditions for the Metropolitan Opera will be held here Feb. 2-3.

Mrs. Edgar Tobin, a member of the National Council of the Metropolitan, is regional chairman for the area, which includes Texas and New Mexico.

Applicants must obtain application blanks from the Junior League of San Antonio, the sponsor, and return them to the organization by Jan. 6.

Lovers Of War Drama Note: Audie's Back

For lovers of the blood - and-guts action - style war drama, 20th Century-Fox has prepared "Battle at Bloody Beach," fast-moving CinemaScope release set against the background of guerrilla days in the Philippines, starring Audie Murphy, Gary Crosby, Dolores Michaels and opening Thursday at the State Theatre.

The story carries Craig Benson, (Audie Murphy), searching in the battle - torn islands besieged by Japanese for the bride from whom he was separated during the fighting. When he finds her, Ruth (Dolores Michaels) is a different sort of woman from the one he married in San Francisco. She has believed him dead, she has become a fierce partisan of the guerrillas, and she is romantically attached to Julio Fontana (Alejandro Rey), a fanatical leader of the beleaguered islanders.

Amid the thunder of battle and the hazards of fleeing from one makeshift shelter to another, Craig and the hysterical band of Americans who collect around him suffer one assault after another. Some die, some survive, and each man and woman responds to danger and crisis with a personal brand of cowardice or courage. A small boy named Jeff (Barry Atwater), whose mother is killed by Japanese gunfire, is one of the bravest of the band, the pet of those who must protect him while their own lives are threatened, the mascot of the entire little company.

How this inspired small group outwit the Japanese and effect their own escape from the island, how Craig wins Ruth away from her guerrilla sweetheart and succeeds in making her want again the life they once had together, is the theme of the story.

Murphy is the boyish-looking rugged leader of the American refugees and the betrayed husband who must subordinate his personal conflicts to the needs and demands of the party he has elected to rescue. His role is one which fits him in terms of the real-life exploits in battle of this most-decorated soldier of World War II.

Miss Michaels, playing Audie's desperate wife, is torn between her original devotion to her own man and her new-found ideology as the partner-in-war of a guerrilla leader.

Crosby is the happy-go-lucky American radio operator who becomes tough and inspired under the fire of battle.

The picture was produced by Richard Naibaum and directed by Herbert Coleman.

Hattie's Back

Hilo Hattie, a popular performer on variety shows in the early days of television, returns from retirement for a featured role in "Blue Hawaii." The comedy-with-music was filmed on location in the 50th state, where Miss Hattie has been spending her retirement years.

On The Beach

Dolores Michaels and Audie Murphy find themselves surrounded by Japs on a Pacific beach in "The Battle at Bloody Beach," beginning Thursday at the State Theatre. A third member of the inevitable triangle is a World War II Philippine guerrilla leader.

Double Bill

"Brainwashed" and "Wichita" make up the double fare now showing at the State Theatre. In the top photo are Joel McCrea (second from left) and Lloyd Bridges (right), co-stars of "Wichita." At right is Curt Jurgens, star of "Brainwashed." His co-star is Claire Bloom.

The Old Girl Just Wanted To Expire

Audie Murphy's newest war film, "Battle at Bloody Beach," was made entirely on location at Catalina, an island in the Pacific Ocean, just 20 miles off the California coast.

The most important set in the entire picture was the beached hull of an old submarine chaser which was purchased by the U. S. Navy and towed to the point where it was needed. While the production staff was searching the island for the most rugged beach sites to film the battle scenes, the old sub-chaser sank to the bottom of the Pacific Ocean. Production was halted while salvage operations lifted the hull back to its original position.

As if that wasn't enough, after the salvage crew had raised the sub-chaser back into its proper position, the next scene called for the boat to be completely demolished under shattering Japanese attack on Bloody Beach.

Murphy Well Experienced In War Roles

Audie Murphy, the most decorated soldier of World War II, is completely at ease in pictures of the blood-and-guts school.

Audie has won powerful roles throughout his motion picture career. He was first spotted by director John Huston, who cast him in the "Red Badge of Courage." He handles complex and difficult assignments with self assurance and an ease born of his own exploits on the battlefields. His fellow officers have tagged him "the soldier's-soldier."

The U. S. government awarded Audie the highest military citation, the Congressional Medal of Honor, plus 25 other decorations, and three Purple Hearts. He tried first to enlist with the Marines, then with the paratroops. Both services turned him down because he was underweight. By the time the war was over in Europe, Audie had participated in seven major infantry battle campaigns. A battlefield commission had promoted him to first lieutenant before the war was over. He was still not old enough to vote when he returned to the U. S., completely unaware that he was the "Most Decorated Combat Soldier" of World War II.

Born in Kingston, Texas, Murphy's experience ranges from share-cropper orphan to top Hollywood star. His full length oil portrait hangs beside Sam Houston's in the Capitol Building at Austin. He is perhaps the only actor ever to receive a standing ovation from both the U. S. Senate and the House of Representatives.

Hawaiian Tour

"Blue Hawaii," offers moviegoers a tour of the islands, including glimpses of Waikiki Beach, Mount Tantalus, Diamond Head, Punchbowl, Coco Palms and other top tourist attractions.

Stamps In The News

By SYD KRONISH
AP Newsfeatures

The Israel Philharmonic Orchestray, often called that country's "most cherished cultural possession," is honored on its 25th anniversary by the issuance of a new postage stamp. The 50 agorot multi-colored adhesive features a montage of four instruments — violin, harp, tympany and horn — reports the Israel Philatelic Agency in America.

The Philharmonic Orchestra was founded by the eminent violinist Bronislaw Huberman in Dec. 1936 with the main aim of salvaging musicians who had been forced through Nazi oppression to flee their posts. The inaugural concert in Tel Aviv was conducted by Arturo Toscanini.

Also issued by Israel are two new stamps highlighting the work of afforestation. The multi-colored stamps depict symbolic designs based on forestry projects.

* * *

British Guiana commemorates its fourth annual History and Culture Week by issuing three new stamps. The design, common to all three values, includes a portrait of Queen Elizabeth II and features the hands of six different races clasped together symbolizing the people's desire to weld themselves into one nation. The 5 cents is brown and red, 6 cents

brown and green, 30 cents brown and orange. Beneath the illustration on each stamp are the words: "One People — One Nation — One Destiny."

* * *

An unused set of Canada's 1897 Jubilee stamps in blocks of four sold recently for $2,440 (catalog $1,603.80) in New York City. In the same sale a record price of $1,000 was obtained for Newfoundland's rare lp reddish brown of 1862. Catalog price on this was $1,250.

Gold Star Banquet Set

Annual banquet to honor the Gold Star boys and girls from each of the 22 counties in the district will be in Lubbock at the First Methodist Church on Monday night, Lovell Kuykendall, assistant county farm agent, said Saturday.

He said that E. K. Elrod and Martha Robinson, Howard County's Gold Star winners for the current year, accompanied by Mr. and Mrs. Hamlin Elrod, Mr. and Mrs. T. M. Robinson, Mr. and Mrs. Kuykendall, Mr. and Mrs. Herb Helbig and Mr. and Mrs. Delaine Crawford, will leave Monday to attend the banquet.

The Gold Star is the highest award a boy or girl in 4-H Club activity can receive from his county. Each December, after all of the Gold Star boys and girls have been selected, the district banquet is held in their honor in Lubbock.

Kiwanians Slate Annual West Side Party Dec. 21

Boys and girls who live in the vicinity of the West Side Park are to be guests of the Big Spring Kiwanis Club on Dec. 21 at a big Christmas party.

There will be gifts for each boy and girl. Santa Claus, in full regalia, will be on hand. There will be sandwiches and cold drinks for the young guests and for the Kiwanians.

The Christmas party at the West Side Park is a tradition with the Kiwanis Club. Each year, the Kiwanians are assigned the names, ages and descriptions of youngsters in the area. Each club member buys gifts for the boys and girls whose names he holds.

"This year," Ernest Welch, club president said, "we are urging that the gifts bought be toys or items in the true Christmas category.

"While it is quite possible the youngsters have a real need for clothing and other practical presents, we have found from past experience that what they really want at these annual Christmas parties are playthings.

"Many boys and girls have been obviously disappointed in the past when their parcels disclosed practical items. This year we are stressing the other type of gifts."

Kiwanians will gather at the building at noon to greet their young guests and Santa will arrive shortly afterward. Luncheon will follow. The gift distribution will highlight the meeting.

Left-Right Debate Set

COLLEGE STATION (AP) — The annual Conference on National Affairs will be held at Texas A&M Dec. 6-7.

The theme will be "Trends in Government: The Liberal and Conservative."

Sen. Hubert Humphrey, D-Minn. will argue the liberal trend in government, while Sen. Roman Hruska, Rep.-Neb., will give the conservative viewpoint.

Bids On Addition At Sands To Be Opened Dec. 19

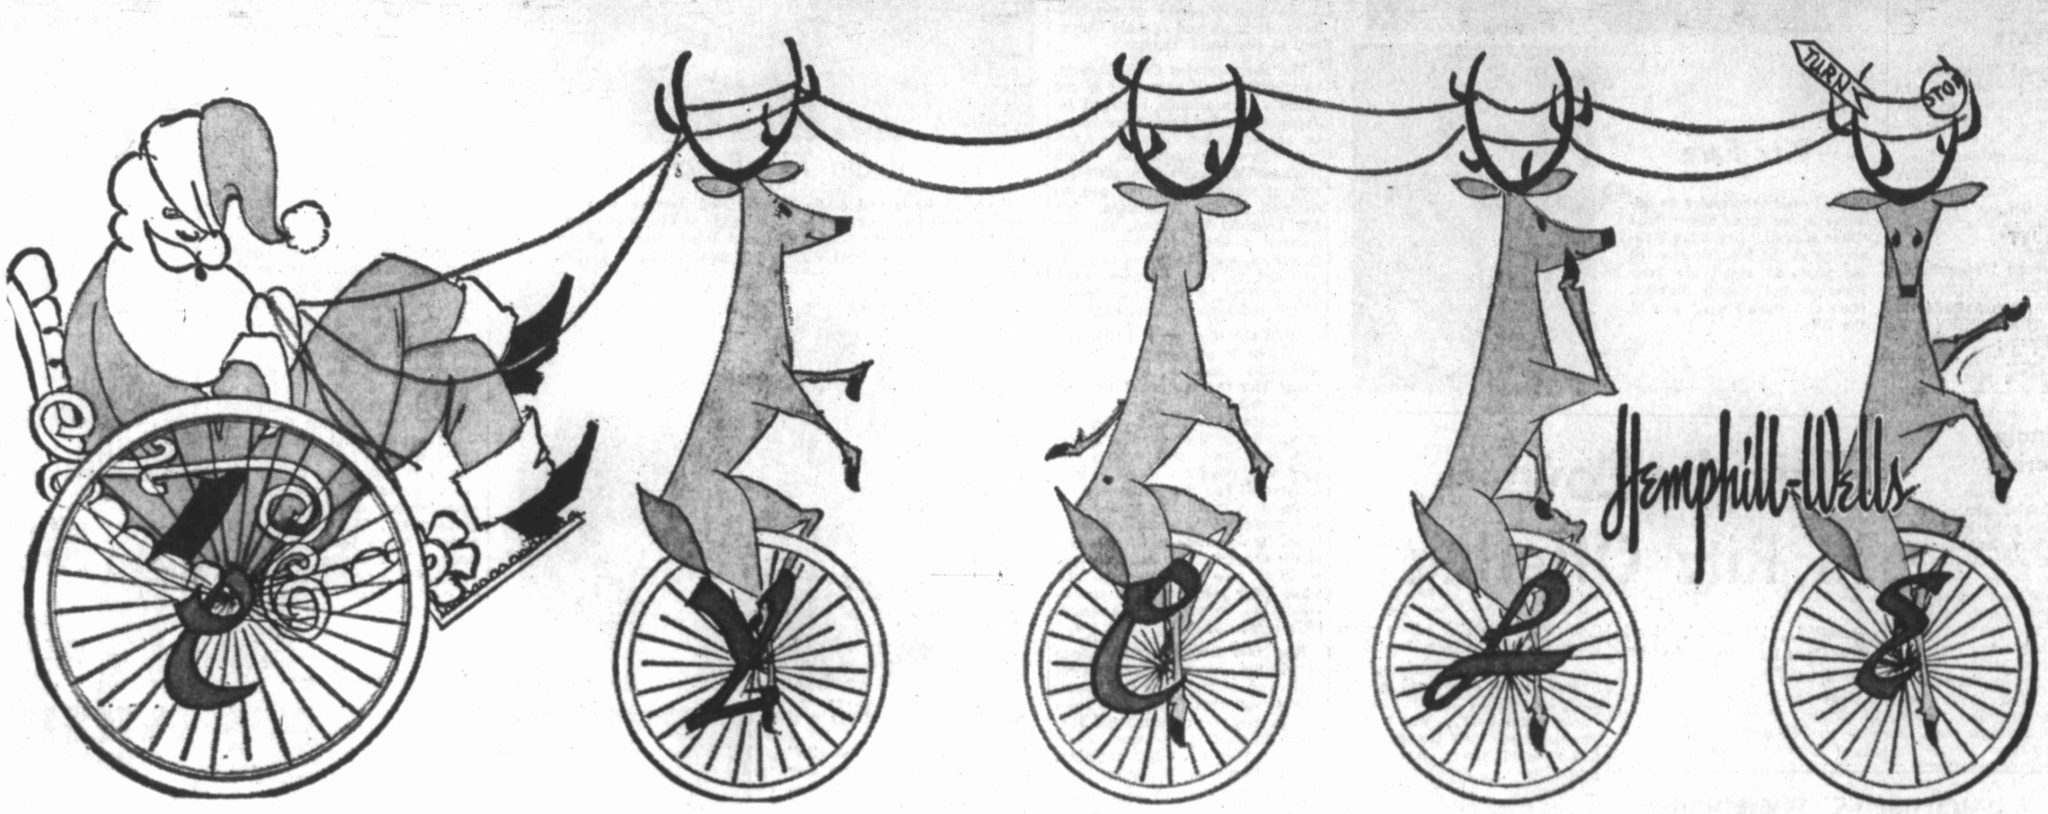

Twelve general contractors have already indicated they intend to bid on the new $200,000 Sands High School annex, according to reports from Gary and Hohertz, architects.

W. C. Fryar, chairman of the Sands school board; has announced that bids will be received until 4 p.m. Dec. 19. At that hour, in the high school library at Ackerly, the board will open the bids submitted.

Gary and Hohertz, who prepared plans and specifications for the building, said it would include some 20,000 square feet of floor space under one roof. The masony structure will house a gymnasium, a cafeteria, home economics laboratory, and science laboratory.

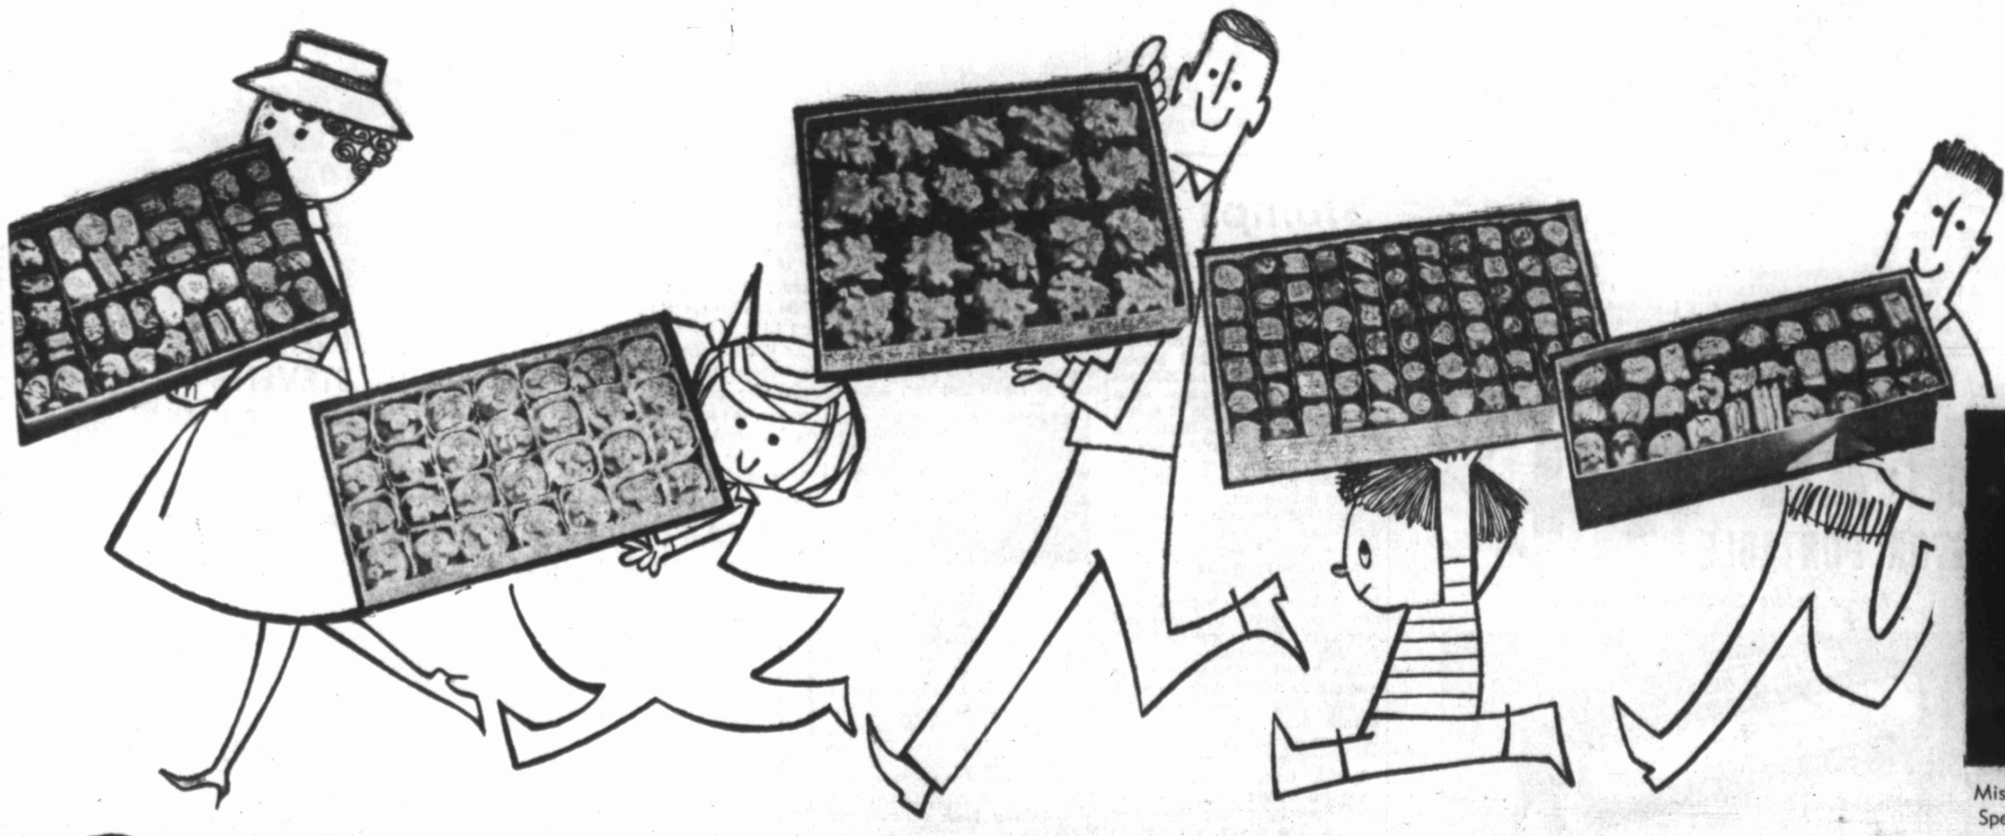

LBJ To Preside

HOUSTON (AP) — Vice President Lyndon Johnson will administer the oath Dec. 15 when James Noel Jr., 51, becomes a federal judge for South Texas. He is a Houston lawyer.
