

PURELY
PERSONAL
by John

Spring is just around the proverbial corner and the construction and paving boom will soon be upon the land. At the rate the Farwell curbing and guttering project is progressing, we will be left at the starting gate.

According to our information, there is very little interest shown in the program. This is a shame, as the community needs these additions and improvements very badly. Also, this sort of an opportunity will not come along for property owners again for many a year.

This city is offering to pave in front of the property without charge if the owner will pay for the curb and gutter. The cost of the curb and gutter will run about \$2.00 a foot. It may be a little more and it could be a little less than this figure, depending on the amount of business a contractor can come into town for. The property owners who have paved over the years paid considerably more than \$2.00 per foot for the improvements to their property.

It looks as if someone living in a block without adequate paving might have to go out and talk the situation over with the other block property owners. Waiting for everyone to act at once will not get the desired response if the present situation is indicative of the voluntary public attitude.

Hold on there, Brother Armes. You may be setting a precedent that could backfire in your episcopal face. Brother Armes is a minister in Fairfax, Virginia, who has announced that he will withhold 60 percent of his income tax because he does not like the way the government spends it on bombs and other weapons of destruction.

Of course this is sheer balderdash, but Bro. Armes is supported by his Superintendent who is reported to say that he doesn't know what supporting Reverend Armes would mean but that he would support him anyway. This action merely compounds the poppycock.

But wait, this isn't the end of the nonsense. The Bishop in the area says that he has been considering such action as a form of protest. Gad, it's fatuousness piled upon fatuousness.

In a legal sense, we believe this road has been well-traveled by other people in the past who have disagreed with the government's use of their money, but who eventually lost their cause to the tax taker. We suspect that this petty rebellion will end up as all the

Texico High School Slates Homecoming

Texico High School students will host ex-students and townspeople tonight (Friday) at their annual Homecoming festivities. Homecoming plans include recognizing the earliest graduating class and Texico graduate who has traveled the farthest and crowning Homecoming royalty.

The earliest graduating class present and the Texico graduate traveling the farthest will be recognized during the varsity basketball game between Texico Wolverines and Floyd. They will be honored between the third and fourth quarters.

Highlight of the Texico Homecoming festivities will be the crowning of Homecoming King and Queen. Three boys and three girls were chosen Monday by the student body from the sophomore, junior and senior classes. The coronation will take place between the Junior Varsity and Wolverine games. The first game begins at 7:30 p.m.

Homecoming candidates are Jo Pearce, Linda Wilson and Kim Pearce, seniors; and Kent Armstrong, Curtis Lindley and Dusty Leatherwood, juniors.

Prior to the games tonight, Texico High School senior class sponsors will provide a barbecue meal in the school cafeteria. The meal includes barbecue, potato salad, beans, relish, and tea or coffee.

The price is \$1.50 for adults and \$1.00 for children, sixth grade or under. Drinks are included in the price of the meal.

Class sponsors are Messrs. and Mmes. Loren Wilson, Bob

Servatius, Howard Whitener and Buck Yell. Parents of senior class members will also be helping.

Thursday night, Texico High School cheerleaders were to lead a car caravan through the streets of Texico beginning at 6:30 p.m. At 7 o'clock, the caravan was to gather at Texico High School for a bonfire north of the football field.

Water District Releases Official Election Results

Official results of the High Plains Underground Water Conservation District No. 1 election were released recently after the District's Board of Directors met.

At their meeting Jan. 16, the Board canvassed the votes and named two Directors and 21 County Committeemen to new terms.

A. W. Gober of Farwell was elected as District Director from Precinct 3. Gober polled 51 of the 126 votes cast in the District Director's race.

Wade Mills of Nazareth received 26 votes and John Gunter of Muleshoe gathered up 44 votes.

Gober, representing Bailey, Castro and Parmer Counties, was serving Parmer County as a County Committeeman at the time of his election.

Parmer County men chosen to serve as committeemen are Troy Christian of Farwell, Joe Moore of Lazbuddie and Dalton Caffey of Friona.

Varsity cheerleaders are Carla Richardson, Regina Kelley, Linda Wilson, Kim Pearce, Diane Riley and Cindy Eshleman.

Girl Exhibits Champion Steer

Although final results of the El Paso Southwestern International Livestock Show are not known since exhibitors are still showing some animals, it was learned Tuesday that Carrie Haseloff exhibited the Champion Steer in the Crossbred class.

Miss Haseloff's Crossbred Charolais was named Champion of its breed Monday in judging. Miss Haseloff is one of several Farwell youths exhibiting stock in the show.

Tags On Sale

The 1973 Texas license plates went on sale Thursday, Feb. 1, in the office of Hugh Moseley, Parmer County Tax Assessor-Collector, at Parmer County Courthouse. Moseley says tags will be on sale until April 1.

Moseley reported that 250 sets of tags had already been sold by the first of the week. He said tags could be obtained by bringing the renewal cards sent out by the Texas Highway Department to his office.

He said personalized checks or cash must be used in paying for the tags. If a person has obtained a new automobile in the past few months and has not received a renewal card on his new car, he must bring his car title, Moseley added.

Farwell Jr. Stock Show Slated Monday At 2 P.M.

Farwell Future Farmers of America Chapter members and 4-H members attending Farwell Schools will be competing Monday, Feb. 12, in Farwell Junior Livestock Show at Farwell school farm west of Nickels Gin.

The annual event, which will include showing of steers, barrows and gilts, will begin at

2 p.m., instead of the 1 p.m. starting time given last week.

Barrows and gilts must be in place by 6 p.m. Sunday, Feb. 11. Steers must be in place by 9 a.m. Monday morning. Judging will start in the afternoon beginning with barrows, then gilts and steers.

Champion Gilt, Grand and Reserve Champion Barrow and

Grand and Reserve Champion Steer trophies will be awarded. Eighty head of stock are entered in the show.

The show will last until the final animal is exhibited, according to Parmer County Extension Agent Mack Heald. Heald and Farwell vocational agricultural teachers, Jerry

Mathis and Danny Ivy, will be on hand to help out.

Don Geries is general superintendent of the show. Jimmy Walker, Oldham County Extension Agent from Vega, will judge the show. Trophies will be provided by Worley Mills.

Farwell Future Homemakers of America will be in charge of a concession stand.

County Jr. Show Is Feb. 15-17

Parmer County Junior Livestock Show has been scheduled for Feb. 15, 16 and 17 in Friona at the Bus Barn. The 17th annual show is co-sponsored by Parmer County Junior Livestock Show Association and Friona Young Farmers.

be in their places on Feb. 15 for showing and judging on Feb. 16. Steers must be in place on Feb. 17 and will be judged the same day.

Jim McManigal of West Texas State University will judge barrows and lambs, Herman Boone, Vocational Agriculture teacher from Spearman, will judge steers.

A premium sale will begin at approximately 1 p.m. Feb. 17. Sixty-five steers, 60 lambs and 125 barrows are expected to be exhibited and sold during the show.

Day, Richardson Winners Of School Board Election

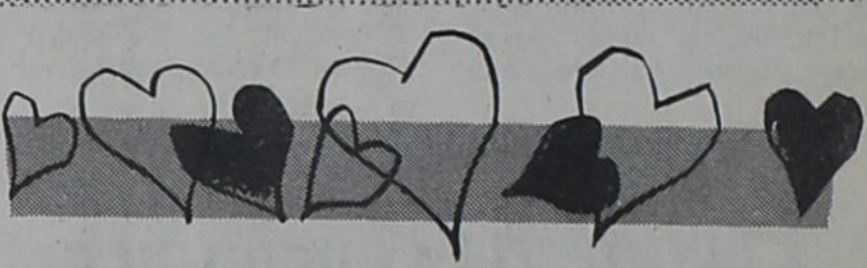

D. Smith Day and Roy Richardson were named to Texico School Board Tuesday after Texico and other New Mexico residents voted in a statewide school board election.

good turnout, saying it was probably a little above average.

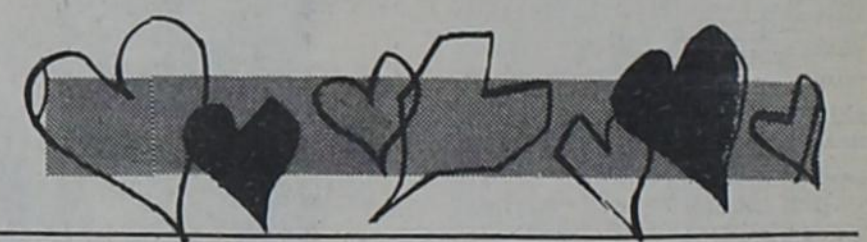

Little Dribblers To Organize Saturday

Little Dribblers teams and farm teams will be organized Saturday morning at Farwell High School gym with uniforms being issued, coaches assigned and schedules passed out, said Vernon Scott.

Scott said all members of farm teams should report Saturday morning from 10-11 o'clock with Little Dribblers team members reporting from 11-12 o'clock.

OH, GRANDMA, I LOVE YOU! says five-year-old James to his grandmother, Mrs. Anna Hill of Farwell. James is the son of Mr. and Mrs. Floyd Trantham, Jr., of Farwell. What better opportunity to say "I love you" to the ones you cherish than on Valentine's Day Wednesday, Feb. 14. Whether you say it with candy, like James, or flowers, perfume, clothing, cards or words, it still leaves a warm glow in the heart of your loved one.

FORWARD, TO THE PLAYOFFS - Farwell High School Steerettes won the second half of district play Tuesday night by dropping the Vega girls, 53-44. They will advance to the district playoffs Saturday night in Hereford at the high school gym at 7:30. Team members are, left to right, front row: Lori

Norton, Sharon Booth, LaShawn Sheets, Tami Haseloff; second row: Joyce White, Marilyn Winegeart, Jamye Craig; back row: Beverly Roberts, Susan Symcox, manager; Sandra Watkins, Karen Foster, Coach Gayle Nicholas and Barbara Goettsch.

TO STATE TOURNAMENT - Texico High School varsity girls topped the field in the District Tournament last week at Dora and won the right to participate in the first State Girls Tournament at Portales Feb. 15 and 16. Team members are, left to right, first row: Arlene Servatius, Kim Pearce, Carla

Richardson; second row: Libby Cavallero, Judy Yell, Jo Pearce, Marilyn Walters, Diane Luce; back row: Elaine Kelley, Beverly Duncan, Linda Autrey, Carol Eshleman, Coach Charles Stockton, Elizabeth Pierce and Charlotte Smith.

Second-class postage paid at Farwell, Texas 79325. Published every Friday.

SUBSCRIPTION RATES -- Farmer and adjoining counties, \$4.50 per year; elsewhere, \$6.00 per year. Payable in advance.

To Play Tonight - -

Texico Wolverines Downed
By Melrose, Tatum Teams

Texico Wolverines were stopped by Tatum Saturday night, Feb. 3, in a district clash 59-52, but, according to Coach Darryl Haley, the Wolverines played one of their best games of the season.

"The team played one of the best games they've played all year. We had some good rebounding by Gerald Whitener, Curtis Lindley and Kent Armstrong," Haley said.

Lindley and Armstrong led in scoring with 12 points each. Whitener scored 11 points.

Saturday night Texico Junior Varsity team held a 22-point lead with seven minutes to go in the game, but lost to Tatum by one point in overtime play.

The fired-up Junior Varsity was playing to win with

everything looking up in the fourth quarter, when all of a sudden they found themselves tied 62-62 at the end of regulation play. Tatum ended up with the victory 65-64.

Jimmy Ortiz scored 16 points and Craig Chumley scored 15.

Friday night, Feb. 2, Texico Wolverines were defeated by Melrose 78-54. Lindley was high with 10 points.

Texico Junior Varsity sneaked past Melrose 41-35. Chumley was high with 14 points.

Texico Wolverines have a 0-5 district record and 4-13 season record. The Junior Varsity is 5-8 for the season. Haley and Coach Buck Walters are coaching the Wolverines and Junior Varsity teams.

Tonight (Friday) Texico Wolverines and Junior Varsity teams will host Floyd with games beginning at 7:30 p.m. Texico High School will have Homecoming festivities tonight.

The teams will travel to Elida Saturday night for games beginning at 7:30.

* School Lunch
* Schedule

* Texico

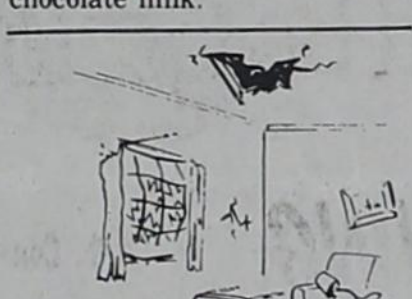

MONDAY -- Hot dogs, onions, pickles, green peas and new potatoes, Lincoln logs, milk.

TUESDAY -- Meat loaf, buttered potatoes, tossed salad, hot rolls, fruit gelatin, milk.

WEDNESDAY -- Pinto beans, steamed wieners, cornbread, red gelatin, coconut cake, milk.

THURSDAY -- Chicken tacos, green beans, celery stick, hot rolls, peanut butter and syrup, milk.

FRIDAY -- Burritos, chili, shredded cheese, buttered corn, lettuce, peach cobbler, chocolate milk.

"Dear, I know how you hate to have me call during office hours-but-t."

district title. Texico bumped off their last opponent 47-27.

Carla Richardson was high with 13 points. Kim Pearce scored 12 points. Wallis made 13 points for Tatum.

Coach Charles Stockton expressed pride in his team saying they played good basketball against Tatum. He commented that the girls had a 7-1 district record and 9-2 season record.

"We played like we were supposed to against Tatum. It was a good ball game," he said.

"The first two games we were kind of down. It just took a while for the girls to start feeling better," he added. Stockton was referring to an outbreak of flu that hit his team last week prior to the tournament.

"Floyd didn't give us any trouble and Dora, if they'd played a lick, could have beat us, because we just weren't playing like we could those first two games," he said.

Wednesday night Texico eliminated Dora 28-21. Jo Pearce was high with 10 points. Kim Pearce scored nine points. Dora's Luscombe scored 11 points.

The Texico girls will play at 2 p.m. MST Thursday, Feb. 15, in the State Tournament. They will probably play Belen, winner of the Albuquerque district, said Coach Stockton. The tournament will be played at the ENMU Physical Education Complex.

Golfers
Compete
In Pro-Am

Farwell Country Club was well represented Monday at the Pro-Am Golf Tournament at Clovis Municipal Golf Course, according to Martin Reeves, Farwell golf pro.

"We had four wins out of a possible five," Reeves said. The only event the club didn't place in was low amateur gross.

Sharon Hughes topped the amateur sweepstakes with a net 67, and was also on the third place team. Reeves won low pro honors with a 30-38=68 and teamed with Billy Burt, golf pro at Muleshoe, to win the pro-pro with a 65.

Other Farwell Country Club members participating were Charles Oakley, Jack Kirkland and Buster and Doris Herington.

Vega Stumps Steers In Bid For District Playoff

Farwell Steers were dealt a crushing blow Tuesday night when they were defeated by their last district opponent, the Vega Longhorns, by the score of 41-38. The loss kept Farwell from competing with Vega in a district playoff.

For the first time in five years, Farwell won't be representing District 3-A in bi-district playoffs. Last year, the Steers beat Vega in a best two-out-of-three district playoff games.

Kevin Hardage and Kevin Hargrove each made eight points for Farwell. Doug Johnston and David Dannheim scored six points each. Hargrove made 13 rebounds.

"We know how the other teams have felt. It's not a good feeling to lose. The team and I took this loss very hard," said Coach Vernon Scott.

"We played the game hard, but we did a poor job passing and shooting. We shot only 28 percent from the field. But I would like to give Vega credit for causing these errors," he said.

"It was a difficult and long season. I would like to praise the team for their outstanding attitude and poise during this final month. They were playing under extreme pressure and everyone was out to beat the Champs," he added.

Scott said the Steerettes played a great game against Vega. "We want to wish them good luck with their playoff," he stated.

Farwell B boys won the district championship by beating Vega, 44-43. Gene Christian was high with 14 points.

Coach Don Alana said the team was behind nearly all the way, but pulled ahead in the last minute. He said the game involved good team effort. They finished with a 7-2 district record and 12-8 season record.

Scott praised the B team for their victory over the district and commented on Alana for his fine work with the team.

Alana said he felt that Christian, Gary Green and Brad Jones, all starters, were outstanding this year. He also commented on the playing of George Garza and Juan Jaime, both starters, during the year. The coach said Christian amassed 375 points for the team throughout the year. He also mentioned that Jaime had come in as a starter after district play began.

He stated the B team had really improved during the year and he expected that next year's varsity would have some really good prospects coming from this team.

Friday night, Feb. 2, Farwell Steers signed Sudan 75-49. Hargrove was high with 20 points and Dannheim scored 18 points. Johnston was top rebounder with 10.

Hargrove shot 50 percent of his field goals, completing nine out of 18. Dannheim shot 34 percent of his field goals, completing eight out of 23.

As a team, the Steers shot 32 out of 74 field goals for 43 percent and 11 out of 16 free throws for 69 percent. Farwell B boys won over Sudan 55-51. Christian was high with 22 points. Jan. 30, the B boys beat Kress 65-49.

Friday night, Farwell Steerettes sacked Sudan 62-49. Sheets was high with 32 points. Winegeart and Booth each scored 11 points. Farwell B girls beat Sudan 35-26. Lee Ann Williams was high with 17 points. Bonnie Foster scored 10 and Sheryl Woods scored eight.

Farwell B girls will probably be co-champions in district, with Vega according to Coach Nicholas. The girls are unbeaten in district, winning the last 12 straight games for 17-5 season record. The girls didn't play Vega Tuesday night.

The Interstate Highway System, when completed, will represent less than two percent of the nation's highway mileage, but will carry 20 per cent of the nation's traffic.

Farwell Junior High eighth grade girls won the 3-A District championship for the second year in a row and grabbed first place in the District Tournament in Springlake-Earth Saturday night in the finals. Team members are, left to right, first row: Debbie Milstead, Deanna Williams, Kathy Booth, Kristi Magness, Mary Lou Roberts; second row: Cary Marsh, Robbie Rundell, Beth Black, Judy Hardage, Brenda Winegeart; back row: Cheryl Goldsmith, Missy Taylor, Coach Gayle Nicholas, Natalie Dollar, Carol Vinton and Leigh Ann Kirkland. Trophies won this year include, pictured left to right, District Tournament, 3-A District Championship and Muleshoe Tournament trophies.

DISTRICT CHAMPS - Farwell Junior High eighth grade girls won the 3-A District championship for the second year in a row and grabbed first place in the District Tournament in Springlake-Earth Saturday night in the finals. Team members are, left to right, first row: Debbie Milstead, Deanna Williams, Kathy Booth, Kristi Magness, Mary Lou Roberts; second row: Cary Marsh, Robbie Rundell, Beth Black, Judy Hardage, Brenda Winegeart; back row: Cheryl Goldsmith, Missy Taylor, Coach Gayle Nicholas, Natalie Dollar, Carol Vinton and Leigh Ann Kirkland. Trophies won this year include, pictured left to right, District Tournament, 3-A District Championship and Muleshoe Tournament trophies.

Farwell 8th Grade Girls Tagged District Champs

Farwell Junior High eighth grade girls captured the District 3-A championship and brought home the first place trophy from the District Tournament last week at Springlake-Earth.

The eighth grade girls finished their season with an 11-2 record. They were 7-0 in district play, counting tournament games.

The team clinched the District Tournament victory Saturday in the finals, clobbering Springlake-Earth 26-20. Kathy Booth scored 16 points. Cheryl Goldsmith scored six points and Missy Taylor scored four.

Thursday, Feb. 8, in their first tournament game, the eighth grade girls conquered Vega 37-31. Booth was high with 27 points. This is the second year in a row the eighth grade girls have won district honors.

Gayle Nicholas coaches both Junior High girls teams.

Thursday, Farwell seventh grade girls lost to Vega 20-10. Penny Hughes scored eight points. The loss eliminated the girls from the tournament. The seventh grade girls finished with a 3-3 district record and identical 3-3 season record.

Thursday, Farwell eighth grade boys socked Hart 33-26. Mike Goettsch scored 15 points. In the finals Saturday, the boys were defeated by Springlake-Earth 46-35. Ruben Castillo scored 16 points.

Coach Toby Booth said he felt the team played good basketball in the tournament. He stated that they had improved during the season and praised their efforts.

The eighth grade boys finished with a 7-3 season record. They placed third in

Headed For Dist. Playoffs - -

Steerettes Stave Off Final Dist. Foe

Farwell Steerettes smashed their last district foe Tuesday night at Farwell by crushing Vega, 53-44, but they will meet Vega again Saturday night at 7:30 p.m. in Hereford High School gym for a district playoff.

Because Vega varsity girls won the first half of district play and Farwell won the second half, the two teams are required to compete in a playoff for the district title.

For the first time since 1951, Farwell varsity girls find themselves high on the totem pole of success. In 1951, under Coach Jack Williams, the girls won the County title.

They played Dimmitt in bi-district and lost only by a few points. Dimmitt went on to win the State title that year.

A jubilant group of girls swept off the court after the victory march past Vega's varsity girls that began at the first of the game.

At the end of the first quarter, Farwell led 10-9. By the end of the half, things were better with a 29-19 point lead. At the end of the third quarter, the crowd in the stands was howling when Farwell led 41-25.

LaShawn Sheets was high for Farwell with 29 points. Sharon Booth scored 18 and Marilyn Winegeart scored six for the triumphant Steerettes.

Coach Gayle Nicholas said the defense was great. "Team effort was the key. It was the girls' best game." And what more could she say? "I don't think Vega quite expected us to jump on them like we did. It will be quite a game Saturday," she said.

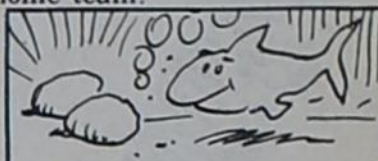

"We really did appreciate the crowd. There were so many people in the stands. I hope we get the same support for the game Saturday," she added.

Steerettes who put it to-

gether to win the last six games in a row and win the second half of district play are LaShawn Sheets, Sharon Booth, Marilyn Winegeart, Lori Norton, Tami Haseloff, Barbara Goettsch, Joyce White, Jamey Craig, Beverly Roberts, Sandra Watkins and Karen Foster.

The team finished with 10-2 district record and 18-12 season record.

Tickets for the game Saturday night will cost \$1.50 for adults and 75 cents for children. Farwell will sit on the north side of the gym with Vega taking the side of the home team.

A large cod produces about 8 million eggs a year; if only 2 reach maturity the survival of the race is assured.

GOLF -- YOU HAVE TO BE KIDDING

HAVE you ever had the urge to join your friends in a round of golf?

YOU know, the silly little game where you chase that little white ball, catch it, hit it again and again and finally end up trying to get the thing in a 4 1/2 in. cup that seemingly has a cover over it.

WELL, if you haven't, you should, and the place to do it is the **FARWELL COUNTRY CLUB**. Right now they just happen to have in progress a deal that can make it happen for you.

FOR JUST \$10 down on an initiation fee and assume monthly dues of \$15 you can become a member.

WE have beautiful blue grass fairways and bent grass greens, and a lovely swimming pool, and lots of other activities, and last, but not least, the friendliest group of men and women that you'll ever want to meet.

FOR further information just contact any member or call **MARTIN REEVES, PROFESSIONAL AT THE FARWELL COUNTRY CLUB 481-9110**.

Don't believe everything you hear about gas.

For some reason there's a few old wives' tales kicking around about gas. With about the same validity as the one about the moon being made of green cheese.

One we'd like to squash right here and now is that the vent on a gas clothes dryer is to carry away some kind of "evil" fumes.

Baloney.

A vent on a gas dryer is there for the same reason it's there on an electric dryer. To carry away hot air and the humidity that comes from the clothes as they're dried.

An electric dryer needs a vent just as much

as a gas dryer does. To keep your laundry room from becoming a steaming jungle.

What you can believe is that gas dries your clothes faster (fast enough to keep up with your washer) and cheaper (costs about a fourth as much to use).

Now. Can you think of one good reason to dry your clothes any other way?

See your appliance dealer or Southern Union Gas Company

If you want the job done right, do it with gas.

Two Students Receive Degrees

Two Farwell students attending Texas Tech University received Bachelor degrees at the conclusion of the fall semester. They were David Lee Meeks, son of Mr. and Mrs. Lee Meeks of Farwell, and Carolyn Marcille Langford, daughter of Mr. and Mrs. Elmer Langford of Rt. 2, Farwell.

Meeks got his degree from the College of Agricultural Sciences with a major in entomology. Miss Langford graduated from the College of Home Economics with a major in home economics education.

A total of 986 students in the six colleges and the Graduate School at Texas Tech University completed work for

degrees at the conclusion of the fall semester.

Of that total, 174 were graduate students, 25 qualifying for doctorates and 149 for masters degrees.

Because no formal graduation exercises are conducted at the conclusion of the fall semester, students who qualified for their degrees are invited to participate in the spring commencement.

Degree requirements were completed by 812 students at the undergraduate level. The College of Business Administration graduated 225 students; Arts Sciences, 190; Education, 151; Agricultural Sciences, 94; Engineering, 79; and Home Economics, 73.

At Home In Parmer County

By Jana Pronger
County HD Agent

If predictions of some food scientists are correct, consumers may really get to eat what they pay for, according to foods and nutrition specialist.

Edible containers such as ice cream cones, pie crusts and gelatin capsules may have encouraged food scientists to look for more.

Recent tests have shown that coatings which act as a release agent in the frying pan, such as Myvacet, have been used on fresh poultry before freezing to reduce moisture losses by 85 percent.

Some coatings also add a nutritious substance to the product.

Water soluble films are already available for packaging instant tea, dehydrated soup and powdered drinks.

Can you imagine dropping an envelope of soup into boiling water and stirring a minute

while the soup powder, as well as the envelope, dissolve?

Some possible stumbling blocks to the development are sanitation and strength problems.

Edible containers must be protected from dust and bacterial contamination, which will add to packing costs and increase cost to the consumer. These edible containers also must be strong enough to withstand touching and handling as well as strong enough to hold the product.

So far, no coating has been found suitable for all products. Except for beeswax and cheese rind, there are very few examples in nature to exploit industrially.

So, while edible containers are a possibility, there are many problems to solve before we can expect to eat all that we pay for when we buy food.

Lutheran Pastor Attends Pan-Lutheran Conference

Rev. Martin Platzer, pastor of St. John's Lutheran Church, Lariat, attended a "Pan-Lutheran" Conference in Dallas Feb. 1-3. Pastors from the three largest Lutheran Synods, The American Lutheran Church, The Lutheran Church in America and The Lutheran Church-Missouri Synod, were in attendance.

Dr. William Hulme was guest speaker. Dr. Hulme is currently professor at Luther Theological Seminary in St. Paul, Minn. He is well-known in Lutheran circles for his expertise in counseling. Dr. Hulme has written volumes entitled, "Building a Christian Marriage", "God, Sex, and Youth", and "Pastoral Care Coming of Age", among others. He also serves as director of the "Twin City Ministry in Social Change Program", a graduate program of the Action Training Coalition.

"The Pastor as Person and Counselor" was the topic of the Conference. The subject matter was broken down into four distinct areas: "The Pastor as a Man needing Intimacy", "The Pastor as a Man with Feelings that Need Expression", "The Pastor as Priest

and Prophet Together"; and "A Theological Model for the Pastoral Ministry".

After each section was treated by Dr. Hulme, the conference broke into small groups for further discussion and sharing. Pastor Platzer reports, "The conference was a very worthwhile experience."

ONLY THE NEWSPAPER serves so many needs—even after it has informed, educated, enlightened, entertained, amused, instructed, enriched, enlivened, stimulated, convinced, activated, involved, saddened or gladdened.

Portraying Area Homemakers

by Janie Crane

The Jim Walker family in Farwell is very active in working with young people at First Baptist Church in Texico, and Jim is president of Texico-Farwell Lions Club this year.

Jim and Jo are members of the church which they serve by taking charge of a junior high training group and participating in Lay Witness missions. Jim also teaches RAs.

Jo is the one who keeps things together at home so they have time to give to their church and the communities in which they live. Since August, she has been able to stay at home with her three-year old son, Marty, which she enjoys very much.

Prior to August, Jo worked for four years in the Tax Assessor-Collector's office in Parmer County Courthouse. Jim is assistant cashier for Citizens Bank of Clovis, Texico Branch. He has been employed there six years. Before that he worked one year at Monsanto after the couple came here.

Jo was born and raised in Muleshoe, where she graduated from High School in 1964. She and Jim were married right after she graduated on

June 5. Jim had graduated from Farwell High School in 1962 and had been working.

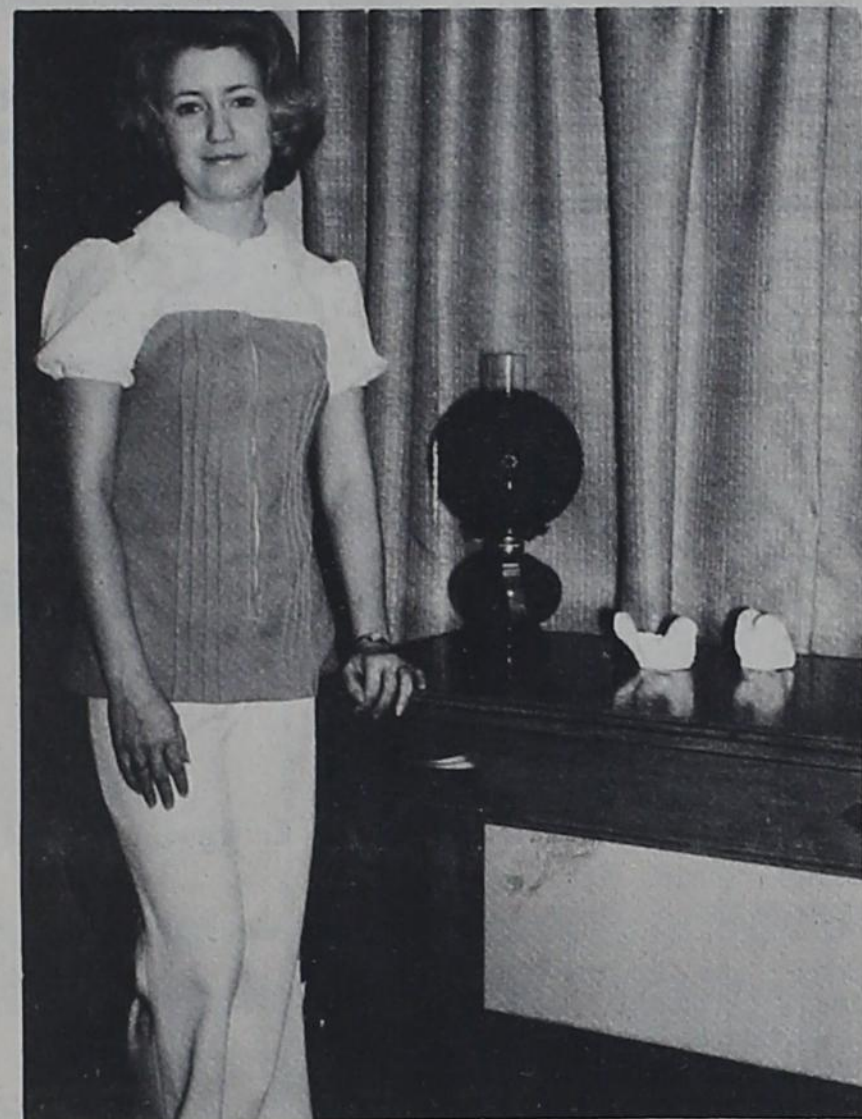

The couple went to Levelland where Jim went to South Plains Junior College and Jo worked. The second year, when Jim was finishing, Jo went to school.

Jim was born in Wyoming, but he has lived in Farwell most of his life. His father came here after he got out of the Air Force. His parents, Mr. and Mrs. E. A. Walker, are still Farwell residents. Jo's parents are Mr. and Mrs. B. C. Locke of Muleshoe.

Since they have been living in Farwell, the Walkers have attended night classes at Clovis Community College, but neither are involved in college work right now.

After Jo quit working at the Courthouse, she found more time to spend on her hobbies, which are sewing, knitting and, more recently, decoupage. Most of the items she has made in the past few months were given as Christmas presents.

Jo makes most of her own clothes and she has made many of Marty's. She says

ANTIQUED DESK -- The first time Mrs. Jim (Jo) Walker of Farwell tried antiques, she refinished this desk. Since then she has antiques a baby bed, old lamp table, coffee table and an old milking stool. The pair of ceramic doves on the desk was part of Jo's pre-Christmas project of making gifts. She finished the doves and did some decoupage.

S.S. Class Meets In Dorris Home

Golden Circle Sunday School class of First Baptist Church, Texico, met Tuesday in the home of Mrs. Mary Dorris. The meeting was called to order by Mrs. Frances Boling. Prayer was given by Mrs.

Velma Kelley. Mrs. Mary Dell Brown gave a devotional on "Love" taken from Proverbs 25:11, Proverbs 3:27 and John 13:34-35.

The class discussed the church's senior banquet, and the piggy bank report was given and approved.

Attending the meeting were Mesdames Mary Dell Brown, Frances Boling, Bernice Thigpen, Iona Chappell, Velma Kelley, Nora Day and the hostess.

Money Savers

The State of Pennsylvania is reducing welfare costs by distributing benefit checks through banks and by computerized auditing.

since he's growing up so fast she hasn't attempted sewing for him.

Antiquing furniture also holds a fascination for Jo. She has antiques a coffee table, baby bed, old lamp table, a desk and an old milking stool. The coffee table is especially dear to Jo because it was given to her by the late Lanelda McDaniel.

The Walker family loves fishing trips. "We take all the trips we can get," Jo says. The family usually goes to Ute Lake or Conchas and they have been to Alamogordo Lake quite a bit.

Jo offered to let us share these three favorite recipes with our readers. She and her family find they can eat a hearty meal from the meat dish, salad and cake.

STEAK AND POTATO SUPPER

1½ lbs. round steak, cut into serving pieces, floured
2 T. cooking oil
3 med. potatoes, cut into small pieces
1 small onion, chopped
2 T. chopped parsley
½ t. salt
Pepper
½ c. water
2 (8 oz.) cans tomato sauce

Dredge steak with flour. Brown well on both sides in cooking oil. Add remaining ingredients. Cover; simmer 1½ hours or until done. Makes 4 servings.

24-HOUR SALAD

3 beaten egg yolks
2 T. sugar
2 T. vinegar
2 T. pineapple syrup
1 T. butter or margarine
Dash salt
2 c. drained white canned pitted cherries
2 c. drained canned pineapple tidbits
2 pared oranges, cut in pieces, drained
2 c. tiny marshmallows or 16 large marshmallows, cut in eighths
1 c. heavy whipped cream

Combine egg yolks, sugar, vinegar, pineapple syrup, butter and salt in top of double boiler. Cook over hot, not boiling water, till thick, stirring constantly. Cool.

Stir in cherries, pineapple tidbits, orange pieces and marshmallows. Fold in whipped cream. Spoon gently into serving bowl. Chill 24 hours in refrigerator, so flavors blend to mellow fruity perfection.

PLUM CAKE

Mix:
2 c. sugar
1 c. oil
3 eggs
2 small jars plum baby food
1 T. red food color (can be omitted)
1 c. nuts
Sift:
2 c. all-purpose flour
½ t. soda
½ t. salt
1 t. cloves
1 t. cinnamon

Combine ingredients and bake in greased and floured Bundt pan at 350 degrees for one hour.

Mrs. Gene Beavers Speaks To LWML

Mrs. Gene Beavers brought the topic Thursday, Feb. 1, when St. John Lutheran Women's Missionary League met at Parish Hall in Lariat.

Mrs. Beavers spoke on "Birth Control, The Pill and Abortion."

At a business meeting, donations were sent to Good Samaritan Home in Houston and Braille Workers. Used Sunday School literature was

also sent for missionaries overseas. According to a report, 500 Braille books have now been completed and sent to Korea.

A spaghetti supper is planned for Sunday night, Feb. 18, at 6 o'clock at the church in Lariat. Friends of St. John's Lutheran Church congregation are invited.

Attending the meeting Thursday were Mesdames Gilbert Kaltwasser, Clarence Kube, Charles Turner, Ernest Ramm, Otto Lingnau, Delbert Lingnau, Wilbert Kalbas, Ed Ramm, K. L. Birkelbach, G. P. Meissner, Hubert Gohlke, Gene Beavers and Walter Kaltwasser.

Refreshments were served after the business meeting was concluded.

Johnsons Are Parents Of Girl

Mr. and Mrs. Errol Johnson of Farwell are parents of a daughter, Lorre Deann, born Tuesday, Jan. 30, in Parmer County Community Hospital in Friona.

Lorre Deann weighed 6 lbs., 15 ozs., and was 19½ inches long. She has one brother, Brad Scott, three years old.

Maternal grandparents are Rev. and Mrs. J. L. Bass of Odessa, former Farwell residents. Paternal grandparents are Mr. and Mrs. Clarence Johnson of Farwell.

Paternal great-grandparents are Mrs. Clara Smalts of Farwell and Mr. and Mrs. S. L. Johnson of Quinton, Okla. Mrs. Lela Shults of Brownfield is maternal great-grandmother.

To Be Married

Grace Parsons of Texico and Weldon Dane of Pleasant Hill will exchange wedding vows Sunday afternoon at 3 o'clock CST in First Baptist Church, Texico.

The couple invites their friends and relatives to attend the wedding and reception to follow.

Fire Calls

Farwell Fire Department answered three fire calls during the past week. Thursday, Feb. 1, around noon, the Department was called to extinguish a fire which started at the burr pile at Nickels Gin.

Friday afternoon, Feb. 2, Farwell firemen were called to St. John's Lutheran Church to extinguish a fire which had started in the heating unit. Pastor Martin Platzer said considerable smoke damage was done to the church and there was slight water damage to the heating unit.

Monday, the Department was called to extinguish a grass fire six miles east of town on Highway 84.

Texico Fire Department didn't receive any fire calls or emergency vehicle calls during the past week.

STOCK SHOW TROPHIES for Farwell Junior Livestock Show are provided by Worley Mills. Bill Thigpen, manager, back row, gives several members of Farwell Future Farmers of America Chapter a preview of what is in store for them if they win at the stock show Monday, Feb. 12, at the Farwell school farm. The trophies are topped with statues of animals representing each winner in the show. FFA members displaying the trophies are, left to right, David Harding, Dwight Green, Weldon Kube and Charles Christian.

At Texico - -

Planning Council Hosts Visitors From Agencies

Texico Planning Council met Monday night at Citizens Bank of Clovis, Texico Branch. Several representatives from various New Mexico governmental and community improvement agencies were present.

Visitors attending the Council meeting were Mr. and Mrs. Troy Ramsey, representing Eastern Plains Planning Council; L. C. Lancaster and Larry Caroland of New Mexico Environmental Improvement Agency; E. G. Minton and C. T. Pinson of Minton Engineering; and Marvin Blackburn, Curry County Commissioner.

At the meeting, the zoning committee gave a report on its findings. Blackburn talked to the Council about paving and road improvements. Minton is doing a feasibility study on water lines, but the study isn't complete yet, he reported.

Lancaster discussed extra-territorial zoning which needs to be done. Louise Engram, representing Texico Woman's Club, listed improvements which need to be made to the Texico community building.

All of the visitors present discussed issues with the Council which have been given priority in the long range planning which Texico is

involved in.

The issues include updating and extending water and sewage facilities and garbage disposal, paving improvements, installing gutters and sidewalks, and zoning.

Another issue which is

important to the Council is setting up railroad barriers on U.S. 60-84 to help prevent accidents. A committee is working on a study of how many accidents have occurred at the railroad crossing and the expense incurred.

To Fertilizing Crops - -

Manure Situation May Provide Future Answer

We hear all the time that we are in the middle of a growing cattle industry. Parmer, Deaf Smith and Castro Counties have a capacity to feed 600,000 head of cattle at one time. This is the highest concentration of cattle in the world, according to Herb Evans, SCS, Friona.

With this number of cattle in feed lots, manure presents a problem at present but an opportunity for the future.

Six hundred thousand head of cattle will produce 1,250,000 tons of manure annually. In the three-county area, 450,000 acres of grain sorghum is grown annually. When these figures are put together you will find that there is only enough manure to cover the

grain sorghum land once every fourth year at the rate of 10 tons per acre, Evans says.

At the USDA Southwest Great Plains Research Center at Bushland recently, researchers brought out the fact that 10 tons of manure annually is a very satisfactory application rate, he adds.

So you see, rather than being a problem, says Evans, the manure situation is a good prospect for the near future.

When condensed milk was first patented, the Patent Office doubted its commercial value.

For 1973 - -

Reports Changes In Grain Program

Prentice Mills, County Executive Director for Farmer County Agricultural Stabilization and Conservation Service, reports that several changes have been made in the 1973 feed grain program.

First, he notes, there are still two options, but they are different than previous options. Option A (or #1) calls for the set-aside of an acreage equal to 25 percent of the feed grain base for the farm. When this set-aside requirement has been met, there is no limit to the acreage that may be planted to feed grain on the farm.

Under Option A (or #1), payments will be made at the rate of 32 cents per bushel for corn, 30 cents for grain sorghum and 26 cents for barley.

To compute the payment for a farm, multiply the farm yield by the applicable crop payment rate (32, 30 or 26 cents) and then multiply this times 50 percent of the base acreage for each base crop.

Under Option A farmers are permitted to graze (or make hay from) the set-aside acres for a fee. This fee is computed as follows: Divide the total payment by the number of acres to be set-aside and then multiply the result by 30 percent.

In Option B (or #2), there is NO set-aside acreage required. But, the feed grain acreage on

the farm in 1973 must not exceed the acreage planted (and harvested) on the farm in 1972.

Payments under this second option are computed on payment rates (per bushel) of 15 cents for corn, 14 cents for grain sorghum and 12 cents for barley.

The sign-up period for the 1973 feed grain program is now open, says Mills, and it will close on March 16. Mills urges that farmers come in to the ASCS office in Farwell to get signed-up and let him answer any program questions they may have.

Taylor Funeral Services

Held Jan. 25 In Muleshoe

Mr. and Mrs. Robert Servatius of Arlene of Pleasant Hill attended the funeral of Mrs. Servatius' brother-in-law, Mr. L. D. (Buck) Taylor, 65, of Muleshoe Thursday, Jan. 25.

Rev. Doug DuBose of First Baptist Church in Muleshoe and Rev. Hugh Frazier, Baptist minister from Portales, officiated at the services in the Muleshoe church. Burial was in Bailey County Memorial Park.

Mr. Taylor died about 4 p.m. Tuesday afternoon, Jan. 23, in West Plains Memorial Hospital in Muleshoe.

He was born June 15, 1907, in Coleman County, Tex. He came to Muleshoe in 1936, moving from Lazbuddie. Mr. Taylor lived in the Pleasant Hill community for eight years coming from Muleshoe in 1955. He returned to Muleshoe in 1962.

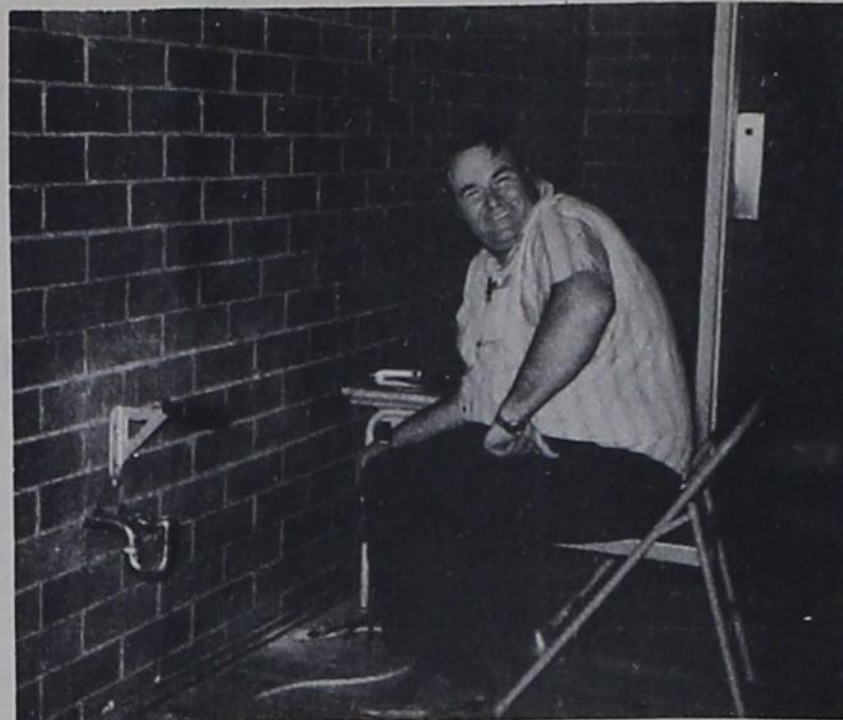

While in Pleasant Hill, Mr. Taylor served as a deacon in the Pleasant Hill Baptist Church. At the time of his death he was a member of First Baptist Church in Muleshoe.

Mr. Taylor farmed when he was in the Pleasant Hill community and was still farming at the time of his death.

Many of Mr. Taylor's friends and neighbors in the Pleasant Hill community and from Texico attended the funeral, reported Mrs. Servatius.

Survivors include his wife, Corda; one daughter, Mrs. Joyce Osborn of Milpilas, Calif.; four sisters, Mrs. Earl Hardy of Gordan, Tex., Mrs.

The iron battleship Monitor of Civil War fame was called "Cheesebox on a raft."

TEACHER, ADMINISTRATOR OR JANITOR? - One never knows, says James Craig, Farwell Junior High principal and school teacher. Monday afternoon Craig was busy doing custodial work. He was installing a water fountain on the north wall of Farwell High School gym. Craig managed to install the fountain sitting down, though. That's what you call sitting down on the job!

Nutrition Notes

The mineral IRON is an essential nutrient in a person's diet. The iron requirement for females is greater than that for males. In general, meat sources or iron are superior to vegetable sources. Liver is by far the best food source for this mineral; although other red meats are also excellent sources.

JOHNNY

WATFORD

The small boy on the bus had been sniffing loudly for some time. After glances, the prim lady sitting next to him inquired, "Little boy, do you have a handkerchief?" "Yes, ma'am," answered Johnny, "but my mother doesn't like me to lend it to strangers."

Sgt. Crooks Leaves For Germany

72-Car Train Heads For Gulf With Wheat

Approximately 185,000 bushels of Parmer County wheat was loaded onto a 72-car unit train and was shipped Wednesday, Feb. 7, to Beaumont, according to Harry Johnson, manager of Sherley Grain Co. in Bovina.

Johnson said the wheat had been sold by Sherley area elevators and had come from the Sherley-Anderson-Pitman elevators in Texico-Farwell, Sherley-Anderson elevator in Lariat and Sherley Grain Co. in Bovina.

Johnson said the reason for shipping such a large amount of grain at one time was due to a car shortage at Santa Fe railway. He said the unit train idea was an emergency measure initiated by the railroad.

The grain was shipped in open gondola cars, which is an unusual procedure. Johnson noted that many shippers would not allow this because of the weather factor.

He said that since the unit train would go direct from the shipper to the consignee, inclement weather would not be as important as it is in many cases when products, such as grain, are shipped in open hoppers.

Since the car shortage has been slowing down shipment for about two months, Santa Fe railway started allowing shipment by unit trains which go directly from the shipper to the consignee, said Ed Farmer, station agent for Santa Fe in Texico.

Farmer said Santa Fe wasn't the only railway with the car shortage problem. He said that shipping all over the country has been hampered by the car shortage.

Farmer says the unit train has to include in the vicinity of 70 cars before a product can be shipped. Johnson said he expected possibly two to three more unit trains would be used in transporting the grain to Gulf ports.

Johnson added that he hoped the cars would return to Parmer County the middle of the week so another shipment could be made. The first shipment went to Continental Grain Co. in Beaumont.

Twenty-seven cars from Bovina, 27 cars from Lariat and 18 cars from Farwell were linked together to form the 72-car open gondola unit train.

Johnson said the grain shipped was to honor old contracts. He said some of the grain had been sold as far back as August. "Everybody is behind in shipping because of the car shortage," he added.

The unit train, bearing grain from Sherley area elevators, is most likely the only country

elevator load to be transported by this method, said Johnson. He said the big terminals, such as Enid, Okla., or possibly Plainview, Amarillo and Lubbock, are sending unit trains. He added that Houston would probably be the next destination of the train.

Johnson attributed the car

shortage to the Russian wheat sales, explaining that the U. S. Department of Agriculture was sending wheat to the ports as fast as possible. He said that a shortage usually occurs during this time of the year anyway and that the large amount of shipping done by the Agriculture Department added to it.

Sgt. Joel Keith Crooks recently visited in the home of his parents, Mr. and Mrs. R. E. Crooks of Texico, before leaving for Mainz, Germany, where he will serve with the 509th Airborne Infantry Battalion.

Sgt. Crooks is a 1967 graduate of Texico High School and he attended Eastern New Mexico University for three years prior to enlisting in the U. S. Army.

Sgt. Crooks arrived in Texico New Year's Eve and left Thursday, Jan. 25. He left New Jersey Saturday, Jan. 27, for Germany.

He is a graduate of the Advanced Infantry School at Ft. Ord, Calif.; the U. S. Army

Airborne School at Ft. Benning, Ga.; the 82nd Airborne Division Airborne Recon School at Ft. Bragg, N. C.; and the U. S. Army Jungle Operation School at Ft. Sherman, Panama Canal Zone.

Sgt. Crooks enlisted in February, 1971, and served with the 82nd Airborne Division at Ft. Bragg for 18 months prior to his present assignment.

During his tour with the 82nd, Sgt. Crooks participated in Operation Deep Furrow, a combined Airborne operation with a unit of Greek paratroopers on the border of Rumania and northern Greece.

SGT. JOEL KEITH CROOKS

FIRST UNIT TRAIN -- The first unit train to leave Parmer County for Gulf ports loaded down with wheat from Sherley area elevators chugged down the tracks Wednesday, Feb. 7. The 72-car unit train, filled with 185,000 bushels of wheat in open gondola cars, is checked by R. G. Watkins, train conductor from Amarillo, and Harry Johnson, manager of Sherley Grain Co. in Bovina. The train was made up of 27 cars from Bovina, 27 cars from Lariat and 18 cars from Farwell.

SWCD Board Approves Five Conservation Plans

Parmer County Soil and Water Conservation District Board (SWCD) met in regular session Tuesday, Feb. 6. Leon Grissom, chairman, was in charge. The board approved five conservation plans. Herb Evans of the Soil Conservation Service (SCS) presented his accomplishment report.

Applications for the Great Plains Conservation Program were reviewed on Joe Tarter and J. A. Rushing. Final approval was given on the District's entry in the Texas Conservation Awards Program. Max Self's entry as Parmer County's Outstanding Conservation Farmer was approved.

The directors were brought up to date on the progress being made on the Bovina site of the Running Water Draw Watershed. The board was

informed that they had received a record number of entries in their essay contest. The essays are being judged at the present time.

The business session closed with a review of the district's entry in the Goodyear Awards Program.

"Alright, I'll go—but next time I'll complain directly to your programmer!"

On The Farm In Parker County

By R. MACK HEALD
County Agent

The leading Duroc hog sale of the nation is slated in Plainview Feb. 23-24, according to Area Swine Specialist, Dr. Gilbert Hollis of Texas Agricultural Extension Service at Lubbock.

The 17th annual National and Southwestern Duroc Winter Type Congress is expected to draw more than 100 consignors and breeders from 20 states with a slate of 30 bred gilts, 150 open gilts and 150 boars on tap for sale.

The two-day meeting, scheduled at Hale County Agricultural Center, ranks among the nation's leading sales of Duroc swine.

All the breeders participating will bring the best of their herds to the winter-type Congress and sale, but even the hogs in lower brackets are still top hogs for producers to consider for purchase. Consignors will have top competition because some of the nation's leading breeders have been consigned.

Auctioneering the event will be Howard Parrish of Edon, Ohio, and Butch Young of Stillwater, Okla. R. N. Perry, noted swine judge from Bethel, Mo., will serve as judge.

Entries will be accepted on Feb. 22, with judging of barrows and gilts getting under way at 8 a.m. the next day. Junior open gilts, senior open gilts, junior boars and senior boars will be judged in order. Over \$6,000 in premiums will be awarded. Trophies will be donated by Plainview Chamber of Commerce.

A banquet and business meeting will be at 7 p.m., Feb. 23, at the Holiday Inn.

The sale of open gilts and boars will start the next day's activities at 9 a.m.

In judging, this year's program will feature performance evaluation of all junior boars and gilts by International Livestock Improvement Service Corp. of Ames, Iowa. Special pen cards will carry the ILIS performance data, including days of age adjusted to 220 pounds, adjusted backfat, adjusted loin eye area, and produced ham-loin percent. All boars and gilts will be weighed and adjusted to days of age to 220 pounds, and will have their average daily gain painted on the rump.

Lanny Tucker of Hart, Tex., is president of the South-

western Duroc Breeders Association, which sponsors the annual event. Joe Tarter of Lazbuddie is vice-president, and Waylon R. Carroll, Lubbock, is secretary-treasurer.

The use of animal feed containing DES (diethylstilbestrol) after January 1, 1973, constitutes a criminal act with the user liable to punishment as viewed by the Food and Drug Administration (FDA).

Farmers, ranchers, feedlot operators and those involved in the manufacture, sale or distribution of animal feed are cautioned to dispose of feeds containing DES. Either burial or use as a fertilizer are the suggested means of disposal. Use as a fertilizer should involve shallow incorporation into the soil. The Food and Drug Administration will request pre-mix manufacturers to recall all outstanding stocks of their products from the market place for supervised disposal.

TWO MINUTES WITH THE BIBLE

BY CORNELIUS R. STAM, PRES.
BEREAN BIBLE SOCIETY
CHICAGO, ILLINOIS 60633

THE "RIGHTNESS" OF GOD

St. Paul's great Epistle to the Ro-
mans has much to say about "the
righteousness of God"; in fact this is
the theme of the Book of Romans.
Sad to say, however, the Bible is so
little read and studied of late that
many people do not even know
what the word "righteousness"
means.

Actually, every man, woman and
child should know about the right-
eousness of God—or, to simplify the
word—the RIGHTNESS of God. It
is most important to understand
that God does *always* and *only* that
which is *right*. He can do nothing
and will do nothing that is not
right.

Thus God cannot and does not
merely forgive sinners and smuggle
them into heaven; for this would
not be *right*. As Job 8:20 rightly
says: "Behold, God will not cast
away a perfect man; neither will He
help evil doers." for neither would
be *right*.

It was Bildad who said this to
Job, and Job replied, almost exas-

perated: "I know it is so of a truth,
but how shall a man be just with
God?" In other words, how can a
holy God look upon a sinner and
pronounce him righteous?

With this background let's con-
sider Paul's great declaration in Ro-
mans 1:16,17:

"I am not ashamed of the Gospel
of Christ, for it is the power of God
unto salvation to everyone that be-
lieveth. . . . FOR THEREIN IS
THE RIGHTNESS (i.e., the
RIGHTNESS) OF GOD RE-
VEALED. . . ."

True the love of God is revealed
in the gospel, but what made Paul
so proud to proclaim the gospel is
the fact that it tells how God dealt
"righteously," or rightly with sin-
ners, paying its just penalty Himself at
Calvary so that He might offer salu-
vation to all by free grace.

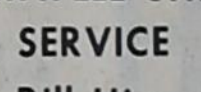

Thus the Apostle declares in Ro-
mans 6:23: "The wages of sin is
death (this is its just penalty) but
the free gift of God is eternal life
through Jesus Christ, our Lord."

Lazbuddie Splits Happy Games, Teams Lose To Cotton Center

Lazbuddie Longhorns and varsity girls lost to Cotton Center Friday night, Feb. 2, in district contests. The Longhorns were defeated 50-38. Ronnie Bullock scored 12 points for Lazbuddie.

Lazbuddie varsity girls fell to Cotton Center 61-51. Debbie Engelking was high with 28 points.

Lazbuddie B girls won over Cotton Center 30-17. Jan Matthews scored 16 points. Lazbuddie B boys didn't play Friday night.

Tuesday night, Jan. 30, Lazbuddie Longhorns were tripped up by Happy 45-29 in a district clash. Bullock was high with eight points.

Lazbuddie B boys lost to Happy 42-37. Russell Treider and Jimmy Robinson each scored nine points. Lazbuddie B girls didn't play.

Lazbuddie varsity girls smashed Happy 88-51. Engelking was high with 37 points.

Lazbuddie Longhorns played Nazareth Tuesday night in a make-up game. They will compete in the Boys District Tournament at Happy Feb. 15, 16 and 17. The team is 2-7 in district play and 3-18 for the season.

Lazbuddie varsity girls were second in the first half of district play and second in the second half. Coach Bob Evans said he wasn't sure how all the other teams in the district came out, but he thought Lazbuddie would probably be second in district.

The varsity girls had a 5-4 district record and a 12-12 season record. They missed one game with Nazareth, but the game will not be made up. Monday, Feb. 5, Lazbuddie

Evans coaches the varsity teams and Allen Harman coaches the B boys and girls. Jim Counce is coach for the junior high teams. Friday, Jan. 26, Lazbuddie Longhorns were downed by Spade 68-34 in a district clash. Rickey Seaton scored 13 points. Lazbuddie varsity girls pounded Spade 54-49. Engelking scored 39 points.

Tuesday, Jan. 23, the Longhorns routed Amherst 42-38 in a district contest. David Everett was high with 13 points. Varsity girls swept past Amherst 47-42. Jeane McGehee was high with 18 points. Lazbuddie B boys lost to Amherst and Lazbuddie B girls beat Amherst, but no scores were available.

Monday, Jan. 29, Lazbuddie junior high boys crushed Nazareth 52-17. Daniel Buentele scored 18 points. Lazbuddie junior high girls bowed to Nazareth 27-18. Karen Scott and Bush each scored six points.

Canyon C Of C - -

TV Sportscaster To Speak At Banquet

A well-known television sportscaster, Keith Jackson, who is most seen at this time of year broadcasting basketball games from the NCAA and NBA, will be guest speaker at the annual Canyon Chamber of Commerce banquet Feb. 15.

Jackson's speech is expected to cover a wide range of sport topics, including misconceptions about sports from the playground to the Olympics, validity of and personal observations from 22 years of watching and reporting sports.

The banquet is scheduled to begin at 7 p.m. Feb. 15 at West Texas State University cafeteria. More than 400 persons from throughout Canyon and the area are expected to attend.

Jackson, a native of Georgia, has covered "virtually every sport known to man and some not known previously" throughout the world. He has commented on sports and the sport scene through the ABC Wide World of Sports programs.

During the fall of the year, Jackson appears on the television screen with commentary and action coverage of NFL Monday night football. During the winter, he broadcasts

college and professional basketball. And, during the summer, he televises the major league baseball game of the week.

Jackson has been with ABC Sports since 1963. He is a veteran of the Marine Corps and was an honor graduate at Washington State University. Jackson and his wife, Turi Ann, have three children.

Tickets for the annual banquet are available from directors of the Chamber of Commerce, from the First National Bank and West Texas State Bank in Canyon, and from the Canyon Chamber of Commerce office.

Tickets are \$6.50 per person. Reservations should be made by Feb. 10.

Sweets At Valentine Season

Valentine's Day is meant for sweethearts. And men of all ages like chocolate and attention. This single layer cake is designed for the young and the young in heart to make and share with someone very special. It's scaled to one layer making it easy to box and wrap in love and lace.

Or for that special day if your young people are celebrating at a party, make the Chocolate Drop Cookies; and for those who may not be eating chocolate, bake a batch of Spice Crisps. All recipes are given here.

small hearts. Frost small hearts and position on top of cake. Decorate cake with Decorator's Frosting, as desired.

VALENTINE CAKE

- 1 1/4 c. sifted cake flour
- 3/4 c. sugar
- 2 tsp. baking powder
- 3/4 tsp. salt
- 1/4 c. corn oil
- 1/2 c. water
- 2 egg yolks
- 1 tsp. vanilla
- 2 egg whites
- 1/8 tsp. cream of tartar

Sift flour, sugar, baking powder and salt together into mixing bowl. Make well in center and add corn oil, water, egg yolks and vanilla in order given. Beat with spoon until smooth. Beat egg whites and cream of tartar until mixture forms very stiff peaks when beater is raised. Gently fold first mixture into egg whites, blending well. (Fold, do not stir.) Pour batter into ungreased 9 x 1 1/2-inch layer cake pan. Bake in 350° F. (moderate) oven 25 to 30 minutes or until cake springs back when touched lightly with finger. Let stand on rack until cold. Loosen edge of cake with spatula and remove from pan.

VALENTINE CAKE

- 1 Valentine Cake
- 1 recipe Rich Chocolate Frosting
- 1 recipe Pink Decorator's Frosting

To assemble cake: Fold an 8 x 8 1/2-inch sheet of paper in half crosswise; cut out heart shape. Place heart pattern on top of cake layer and carefully cut out heart shape with a serrated knife. Cut two small hearts from remaining cake pieces. Frost sides of cake with Rich Chocolate Frosting and then swirl frosting on top, reserving about 1/2 cup for

FASHION A VALENTINE CAKE by folding an 8 x 8 1/2-inch sheet of paper in half crosswise; cut out heart shape. Place heart pattern on top of cake layer and carefully cut out heart shape with a serrated knife. Cut two small hearts from remaining cake pieces. Frost sides and top of cake with favorite frosting. Frost small hearts and position on top of cake.

Makes 1 (9-inch) layer.

Decorator's Frosting: Mix 1/4 cup margarine and 1 cup confectioners sugar beating until smooth. Tint with food coloring. Makes about 1/2 cup or enough to decorate Valentine cake pictured.

RICH CHOCOLATE FROSTING

- 1/4 c. margarine
- 3 T. dark or light corn syrup
- 1/8 tsp. salt
- 1/4 tsp. vanilla
- 1/2 c. cocoa
- 2 T. milk (about)
- 2 c. sifted confectioners sugar

With a spoon, blend margarine, corn syrup, salt and vanilla. Stir in cocoa. Alternately add milk and confectioners sugar, beating until smooth and creamy after each addition. (Add enough milk to make good spreading consistency.) Makes enough to frost 1 layer or about 1 1/4 cups.

CHOCOLATE DROP COOKIES

- 1 1/4 c. sifted flour
- 1 tsp. baking powder
- 1/4 tsp. salt
- 2/3 c. margarine
- 1/4 c. sugar
- 3 (1-ounce) squares semi-sweet chocolate, melted
- 1/2 c. light or dark corn syrup
- 1 egg, slightly beaten
- 1 tsp. vanilla
- 1/2 c. chopped walnuts

Sift together flour, baking powder and salt. Mix margarine and sugar in large mixing bowl and blend in melted chocolate. Stir in corn syrup, then egg and vanilla. Stir in flour mixture until smooth. Add nuts. Drop by teaspoonfuls onto well-greased baking sheet 2 to 3 inches apart. Bake in 375° F. (moderate) oven 8 to 10 minutes or until cookie springs back when touched. Store in loosely covered container. Makes about 3 dozen.

CUT OUT CRISPS

- 1 c. margarine
- 1/4 c. sugar
- 1/2 c. light corn syrup
- 2 1/2 tsp. baking soda
- 1 tsp. cold water
- 2/3 c. slivered almonds
- 1/2 c. grated orange rind (medium fine)
- 2 T. cinnamon
- 1 tsp. nutmeg
- 1/2 tsp. clove
- 4 c. sifted flour

Mix together margarine, sugar and corn syrup in heavy saucepan. Bring to boil, stirring constantly. Cool. Mix baking soda and water. Stir into cooled syrup mixture. Mix in almonds, orange rind, cinnamon, nutmeg and clove. Add flour in thirds, mixing well after each addition. Chill dough until firm enough to roll out, about 2 hours. Roll small portions at a time to 1/8 inch thickness on floured board or cloth. (Keep remainder chilled until ready to use.) Cut with 4-inch heart shaped or round cutter. Place on greased cookie sheet. Bake in 350° F. (moderate) oven until edges are lightly browned, 8 to 10 minutes. Makes 2 dozen.

Nutrition Notes

One of man's best friends is the lowly peanut. It is called many things such as a "monkey nut," a "groundnut," or a "goober" (probably from the African word nguba). The name "peanut" probably came from its appearance (it grows in the ground in pods like peas) and its texture (each pod holds two or three nut-like kernels). The peanut, of course, was made famous by George Washington Carver who discovered over 300 synthetic products that could be made from the peanut. But our interest is mainly to eat it! And it makes a most nourishing bite. It is an excellent source of vegetable protein, so is a great snack food, nutritionally speaking.

"Fleas can be taught nearly anything that a Congressman can." (Mark Twain)

Smith-Douglass Pelleform makes the growing greater!

To give milo a fast start for a vigorous, thick stand, use Pelleform Fertilizer from Smith-Douglass.

It's homogenous, which means all the plant food you pay for is in each clean, green pellet. Trel® [trace elements] included.

Smith-Douglass Pelleform® fertilizer has quick-acting, leach-resistant nitrogen plus highly water-soluble phosphorus to feed a crop evenly and completely. Trel®, Smith-Douglass' copy-righted formula of trace elements, is chemically combined into every pellet.

Call your Smith-Douglass man now. He's the crop expert with a Total Crop Program designed to help you from the beginning with a soil test, right through to harvest. Rely on Smith-Douglass for fertilizer, farm chemicals, and Gro-Green nitrogen. You and Smith-Douglass can make the growing greater!

Ph. 481-3222

Evans Assures Assistance Is Available

With the REAP program terminated, some farmers in Parmer County don't realize that engineering design assistance is still available, according to Herb Evans, of the Soil Conservation Service, Friona.

Properly designed irrigation pipeline is essential to practical and efficient operation. If a pipeline is installed undersize or without proper air and pressure relief valves, to save a few pennies, it causes

problems from now on. The SCS engineering and technical assistance is available and free to all district cooperators in Parmer County. "I suggest you contact the SCS in Friona," says Herb Evans, D.C. "We would like to help you design your pipeline or check an existing design. You will find this is time well spent," he added.

In Parmer And Curry Counties - -

Texas, N.M. Cooperating To Stop Herbicide Problem

Texas and New Mexico Departments of Agriculture are cooperating in efforts to eliminate a problem with the

use of hormone herbicides along the state line in and near Parmer County, Tex., Texas Agriculture Commissioner John C. White has announced. Drift of herbicides used to control weeds has damaged crops in Curry County, N. M., and Parmer County, Tex.

Personnel of the two departments, at a recent meeting in Las Cruces, agree that each state will take the steps necessary to correct the situation but still remain within the laws of the states.

Commissioner White said that no herbicide permits will be issued in Parmer County during the growing season of susceptible crops until the area has been inspected and approved by a Texas Department of Agriculture inspector who will be on duty in the county. A committee headed by Jack

Bowmer, herbicide specialist with the Texas Department, and Dr. Gerald Nielsen, entomologist with the New Mexico Department, will be working to assure cooperation of herbicide applicators in their safe use and also on alternate methods of weed control.

The agencies agree that more problems of this type could result in more drastic controls and limitations on the use of herbicides.

Hormone-type herbicides are helpful to farmers and ranchers when used properly, White said.

FFA'ER OF THE MONTH - Sammy West, son of Eddie West of Texico, has been chosen as Texico Future Farmers of America Chapter member for the month of January. West recently finished a two-horse trailer which he uses to transport his two horses to check 118 head of feeder steers he owns. This is West's second year as an active member of Texico FFA Chapter.

Man Nominated As Water, Inc. Director

Eight area business, civic and agricultural leaders have been nominated for election as directors-at-large for Water, Inc., at the organization's Sixth Annual Membership Meeting slated Feb. 17 at Amarillo. Announcement of the nomination committee's action was made in Berger recently by Fritz Thompson, committee chairman.

Receiving nomination were A. L. Black, Friona; D. G.

"Bill" Nelson, Jerome Johnson, Edward G. Weber and K. B. "Tex" Watson, all of Amarillo; John J. Kendrick, Brownfield; Jim Ed Waller, Lubbock; and Bill Clayton, Springlake. Watson and Kendrick are both former presidents of Water, Inc. Waller is currently serving the organization as treasurer and Clayton, a state representative, recently resigned as Water, Inc., executive director.
