Star Lites

By Bill Ellis

IF YOU MISSED the final game of the season between the Friona Chieftains and the Littlefield Wildcats at Chieftain Field last Friday, then you missed one of Friona's finest hours on the gridiron.

Littlefield may go on to win the state championship; in fact, we wish them the best of luck in this regard. But as Shayne Woodard told this writer in the dressing room after the game: "If Littlefield is number 1, then we're number 1A."

We've covered some of this in our game writeup elsewhere in this issue, but could not keep from emphasizing the team's performance a little more. It's not often that your team takes on the state's top-ranked team in any sport, and turns them every way but loose.

(We'd hate to be in Dalhart's shoes Friday, because we'd bet that the Wolves feel the full brunt of Littlefield's wrath this week.)

Consider these points: Littlefield came into the game averaging 250 yards rushing per game--Friona's defense held them to only 136. The Wildcats were averaging 352 total yards per outing, and were held to 133 yards less than that for the night.

Littlefield's Ferrante Lewis was averaging 23 yards per return on punt returns. The hard-hitting Chieftains caused Lewis to fumble the ball three times and Friona recovered two of them. Friona capitalized on four Littlefield turnovers, and committed none themselves. We doubt that Littlefield had felt the kind of hits the Chieftain defense was delivering in the game.

Coming into the game, Littlefield had outscored four district opponents, 159-0. That's an average of 39.8-0. Friona not only was the only district team to score on the Wildcats, but they almost carried it a step further.

Two teams the Chieftains beat during the course of the season, Dalhart and Farwell, are in the playoffs. If there was justice to this year's season, the Chieftains would be there, too.

Anyway, congratulations to the Chiefs. You came close to accomplishing against Littlefield what no other team has done or may do: beating the Wildcats.

Directors Named For Chamber

Five new directors, elected in recent mail balloting by the Friona Chamber of Commerce, have been announced.

Those elected were Harry Hutchinson, Excel Corporation; Dee Willard and Bob Welch, farmers; Bill Loafman, Parmer County Implement Co., and Pat Fleming, housewife/school board member.

Retiring directors are Bob Hurst, D.L. Harguess, Bob Beville, John Blackwell and Janet Buske.

Vote Turnout 12 Per Cent

Only 512 Parmer County residents bothered to go to the polls Tuesday in the Constitutional amendment election.

Although statewide, all amendments carried except numbers eight and ten, Parmer voters were a little more strict, giving approval to only four of the 11 proposals.

Vote totals were as follows: Number 1 (JP districts) 347-138; number 2 (urban homesteads) 232-241; number 3 (ag promotion) 256-229; number 4 (office succession) 248-233; number 5 (school bonds) 330-158; number 6 (child support) 409-87; number 7 (veteran's land) 309-178; number 8 (veterans' exemptions) 162-326; number 9 (probate court change) 231-232; number 10 (sewer funds) 186-285; number 11 (parole changes) 298-185.

Friona Bucks Offer Free Airline Trip

The Friona Chamber of Commerce announced this week its plan to issue "Friona Christmas Bucks" to its member merchants, as an incentive for residents to shop Friona stores for their Christmas needs.

The resident collecting the most Christmas Bucks through the deadline of December 31 will win a round-trip airline fare for two plus two nights lodging to any city which Southwest Air Lines serves, including San Francisco, Los Angeles, Denver, New Orleans and Las Vegas.

In addition to the grand prize, it is planned to conduct a drawing among shopping participants, with the winner to receive a $100 gift certificate.

It will be necessary for shoppers to save their sales slips or invoices to help prove their sales totals, says Bunny Murphree, Friona Chamber Manager.

Friona Christmas Bucks will be given to shoppers as soon as they are received from the printer. The promotion is designed to promote the sale of goods by Chamber of Commerce members.

Women's Div. Of Chamber Is Organized

The organizational meeting of the Women's Division of the Friona Chamber of Commerce and Agriculture was held November 3. The officers and directors elected are as follows: Roxanne Hurst, president and director; Jeannie Tucker, vice president and director; Claudia Hanes, secretary and director; Maxine Loafman, treasurer and director; Virginia Jennings, director and Gaye Tannahill, director.

Formation of several committees was instituted as follows: membership, Christmas, publicity, blood drive, banquet and quarterly meetings, beauty spot of the month, beautification, Miss Friona Maize and welcome wagon.

Pat Fleming, chairman of the membership committee, announced that a membership drive would kick off during the Christmas In November Bazaar held November 18 and 19 at the Community Center. A Women's Division Booth will be held. Dues have been set at $10.00 per person.

Kathy Beard, chairman of the Christmas committee, announced a meeting to be held by this committee on Thursday, November 10 at 5 p.m. at the Chamber Office to begin plans for the 1983 season.

Those attending the meeting in addition to the officers and directors were Jo Lewellen, Nita Clark, Bonnie Wilhelm, Pat Fleming, Bunny Murphree, Kathy Beard and Johnny Mars, acting as representative of the Chamber of Commerce Board of Directors.

EARN BADGES....Four of the five Friona Boy Scouts who have earned their atomic energy merit badges are shown with leader Dale Cunningham. The Scouts are Corey Cunningham, Louis Dunnam, Kevin Zachary and Daylen Gallman. Not present was Stuart Walker.

DRIVE UNDERWAY....Friona United Way executives Lois Norwood and Larry Knowles stand in front of the UW sign, located in front of Friona State Bank. At the time the picture was made, the drive had reached its half-way mark.

KICKOFF SPEAKER....Dr. Winfred Moore, center, was the speaker at the kickoff luncheon for Friona's United Way campaign. Flanking Dr. Moore are local drive chairmen Archie Echols, left, and Kathryn Goddard.

Joe Jackson Is Contest Winner

Joe Jackson was the winner of the tenth week of the Friona Star's football contest. Jackson was the only contestant entering the week's event to correctly pick 17 games. He was presented first place check for $10.00.

Only two other contestants had scores of 16, and they nailed down second and third place for the week.

Tom Johnson, former Friona coach, now principal at Three Way High School, took second place on the basis of his tie-breaker score. He missed the Friona-Littlefield score by 19 points, picking the Wildcats, 28-3.

Ironically, third place went to another former Chieftain coach, Jim Pope, now of Quanah. Pope thought the Wildcats would blank Friona, 35-0, and this cost him a spot.

Nine contestants correctly picked 15 games. They included David Gowens, Eddie Mann, Ron Cain, Eugene Ellis, Alex Guerra, Wayne Amstutz, Bobby Drake, Eddie Gauna and Durrell Hicks.

Once again, a tie game crept onto the schedule, when Texas Tech and TCU played to a 10-10 deadlock. This gave all contestants an automatic "miss."

Jackson's other misses were Dimmitt-Abernathy, Notre Dame-Pittsburgh, Arkansas-Baylor and Arizona State-California.

Johnson missed Bovina-Olton, Notre Dame-Pittsburgh, Arkansas-Baylor, Arizona St.-Cal and SF-Miami. Pope missed Bovina-Olton, Notre Dame-Pittsburgh, Arkansas-Baylor, Arizona St.-Cal and Jets-Baltimore.

Patches Fleming continued to hang onto the contest lead, hiking his lead by a point. After the tenth week, Fleming had a score of 138 to 136 for Bobby Davis.

Tom Johnson moved into third place standings with his good weekly score, at 135. Ron Smiley, Don Spring, Steve Williams and Eddie Mann are tied for fourth place at 134.

With 66 points yet to be earned and tallied, it's still anyone's ball game, and contestants are urged not to despair nor drop out of the race. Also, be alert to the fact that counting the current week's event, there are three weekends of competition remaining in the contest.

Chamber Hosts State Official

A community development meeting will be held on Wednesday, November 16 at 4 p.m. in the Friona Chamber of Commerce conference room.

Chloe Johnson of the TEDC, Austin, will be present, to tell local residents what are available in the way of prospective developments.

WORKERS LISTED

UW Campaign Underway Here

Friona's 1983 United Way campaign was officially launched this week at a kickoff luncheon Monday, November 7 at the Girl Scout House.

Dr. Winfred Moore, longtime civic leader in Amarillo, was the speaker for the kickoff event.

"It is important that you contact everybody in the community, because this is one of the few things that everyone can participate in. This builds community spirit. At least make sure that everyone is contacted," Dr. Moore said.

Dr. Moore praised this section of the country, saying it was great "Because the pioneer spirit of helping other folks has existed here all along."

By Thursday of this week, the drive was at the 50 per cent mark. Workers were encouraged to make their contacts, and report back for a "victory coffee" Saturday morning at 11 a.m. at the Scout House.

Also, anyone with pre-school children who would like to have their children's pictures made, should bring them to the High School at 9 a.m.

The picture package costs $5.50 and consists of one 5x7, two 3⅓x5, two wallet and 16 sub-wallet pictures.

Tullis Attends Seminar At San Antonio

Richard Tullis, Friona High School physics and chemistry teacher, attended the CAST '83 (Conference for the Advancement of Science Teaching) October 27-29 on the campus of Trinity University in San Antonio.

CAST is sponsored by the Science Teachers Association of Texas and is attended by science teachers across the state.

Tullis attended many seminars on physics and chemistry and attended general sessions which included special speakers.

Tullis says he feels he must continually update his knowledge in his field so as to be able to present the best program for his students at Friona High School. He plans to further his education beginning this coming summer, as he plans to enter the PhD program at Texas Tech.

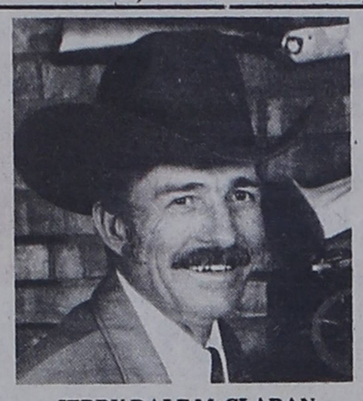

CONTEST WINNER....Joe Jackson, right, was the weekly winner in the Friona Star's football contest, correctly picking 17 of the contest games. Jackson is shown receiving his check from David Walker of Walker Fruit Market, one of the contest sponsors.

8th Graders Undefeated For Year

Friona's eighth grade Braves completed an undefeated season last Thursday by downing Littlefield, 6-0 in a hard-fought game.

Friona scored early in the game and then had to hang on for the narrow win.

The Braves took the opening kickoff, and on the third play from scrimmage, Michael Valero ran 53 yards for the game's only touchdown. Kevin Frye carried on the conversion try, but was stopped short of the goal-line.

Later in the opening quarter, Friona got the ball on an interception by Frye. Friona picked up two first downs and moved the ball downfield but Littlefield took over on downs to end the threat.

Then, in the third quarter, Friona again took over after Daniel Echols intercepted. Paced by the running of Kevin Frye, the Braves moved upfield. The drive was aided by a penalty against Littlefield. However, the drive stalled as time ran out.

UNBEATEN TEAM....Friona's eighth grade Braves compiled an 8-0 season, climaxed by a 6-0 win over Littlefield. ALFREDO GAINS....Friona running back Alfredo Mata (40) is shown making a gain around the left end against Littlefield last Friday. Shown throwing a block in the center of the photo is Bob Behrendsen (75). The Wildcats held onto their undefeated record.

Chieftains Scare Top-Ranked Wildcats Before Bowing By 13-7

Maybe the Friona Chieftains didn't beat the state-ranked Littlefield Wildcats in their season finale last Friday, but the team won a lot of self-respect, as well as the respect of their fans, in the 13-7 loss.

And, although the team had to settle for an "almost upset" of top-rated Littlefield, here a few things it did accomplish:

(1) Held Littlefield to its lowest score, and closest game of the season.

(2) Outgained the potent Wildcat offense, by a whopping 158 yards to 60, during the second and third quarters, when the Chieftains completely dominated the game.

(3) Led the Wildcats in first downs, 11 to nine.

(4) Held Littlefield to only 219 net yards. This was less net yardage than the team had been averaging yielding for the season.

(5) Caused the Wildcats four turnovers, recovering three fumbles and intercepting one pass, while not committing a turnover themselves.

(6) With 1:06 remaining in the game, owned the ball at the Wildcat 30 yard line, still having very much of a chance of winning the game.

(7) Became the only district team to score on the touted Wildcat defense.

* * * *

Almost a thousand wildcat rooters were on hand to watch their team close out the regular season. They had begun to line up for the game beginning at about 6 p.m. However, after the first 14 minutes of the game, the crowd of Wildcat supporters had very little to cheer about.

Friona received the opening kickoff, but had to punt the ball after gaining eight yards in three plays.

The Wildcats mounted a drive, which reached the Chieftain eight where they had a first and goal. However,at this point, the Friona defense dug in, and even the top-ranked Wildcats couldn't budge the stout Chieftains.

Quarterback Chris Ayala was caught for a yard loss on first down. Then two passes fell incomplete. Raymond Sierra was called on to kick a 22-yard field goal, giving the 'Cats a 3-0 lead with 3:25 left in the opening quarter.

Although the Chieftain defense played a super game, it did let up on one play late in the opening quarter, when receiver Ferrante Lewis got behind the defenders and hauled in a pass good for a 52-yard gain.

This set the Wildcats up at the Friona 18 yard line, and led to Littlefield's lone touchdown. Quarterback Ayala passed to Mike Pierce for three yards and the touchdown, after the Wildcats had converted a fourth down play to keep possession at the Friona three.

The TD and point kick gave Littlefield a 10-0 lead, and most teams would have called it quits about this point. After all, this was the state's top team. At this rate, the Wildcats could have won the game 40-0.

But the Chieftains weren't bowing out this easily. They moved from their own 24 to Littlefield's 39, before having to punt. Ricky Barnett punted the 'Cats into a hole with a seeing-eye punt that rolled out at the Littlefield five.

Seven plays later, Eloy Caballero darted in front of an Ayala pass at his own 35, and returned the ball to midfield.

Quarterback Charlie Veazey lobbed a pass to Caballero, who was wide open at the Littlefield 14. The play was good for 33 yards.

On the next play, Charlie Morgan took the pitchout and headed around right end. He raced into the end zone ahead of the Wildcat defenders for the touchdown. Doug Carthel's kick was good, and Friona not only had become the first district team to score on the Wildcats, but had cut the lead to 10-7.

And, when runningback Larry Cantu's fumble was gobbled up by Friona a few minutes later at the Littlefield 45, things definitely had an "upset" flavor.

Veazey ran 12 yards, and then passed to Alfredo Mata for 22 yards, as the clock ticked its final seconds of the half. As time was out, Carthel's field goal attempt from the 24 was wide, but a yellow flag was dropped against Littlefield for roughing the kicker.

Friona got the ball just inside the ten with a first down, but only had one play, since the clock had expired. The team elected to try again for the field goal, which would have tied the score. But a low snap foiled things, and Veazey's desperate pass was knocked away in the end zone.

Still, the Chieftains had had a great second quarter. They led the Wildcats in yardage for the quarter, 113-44, and in first downs, 7-3. They entered the halftime with great momentum, and trailing by just three points, 10-7.

And the Chieftains picked up right where they left off in the third quarter. Littlefield had not had to unveil its punter in the first half, but they did on the first series after the kickoff. Friona took over after the kick at their own 18.

Three plays gained nine yards, and Friona had to punt. The Wildcats, still trying to figure out who this fired-up team was they were playing, fumbled the punt, and Friona recovered at the Littlefield 45.

A Veazey to Reese Fleming pass gave Friona a first down at the Wildcat 35, and then Fleming's run made it first and ten at the 25. But after gaining to the 18, things fell apart for the Chiefs.

Morgan was stopped behind the line on third down, and on fourth down Veazey was flushed out of the pocket on a pass try, and stopped at the 20 yard line, where Littlefield took over.

Littlefield put together its only drive of the second half early in the final period, going from its own 48 to the Chieftain 14. Again, the stout Friona defense rose up, and on fourth down, the Wildcats had to call on Sierra to kick a field goal. His 31-yard boot hiked the visitors' lead to 13-7 with 6:41 left in the game.

The Chiefs gained five yards and again punted. Lewis, having felt the wrath of Friona's defense all night, took his eye off the ball for a split second, (he probably heard footsteps) but that was too much. The ball bounced off his hands, and Lewis paid the price, being creamed full force by the charging John Aguirre. Again, Friona recovered the loose football.

Littlefield had suffered the indignity of its fourth turnover of the game.

The running of Morgan and Fleming moved the ball to the Littlefield 25, but a holding penalty--only the second flag against Friona all game--moved the team backwards.

This changed the attack, and Littlefield was able to rush Veazey for a 20-yard loss, seemingly ending Friona's threat to score. However, on fourth down (Friona needed 40 yards to convert), a Wildcat defender pulled a boo-boo, and interfered with a Chieftain receiver. Friona was awarded a first down at the Littlefield 30.

The clock became a factor at this point, as just 1:24 remained in the game. Veazey was unable to connect with his receivers on three tries, and on fourth down was again taken down for a loss.

The valiant upset bid was destined to fall short. But the stunned Littlefield crowd quietly filed out of the stadium. They appeared to be happy to escape with their 13-7 win.

Scouts Earn Atom Badges

Five members of the Friona Boy Scouts have received their Atomic Energy Merit badges, after completion of a program which consisted of several weekends.

Those receiving their badges were Corey Cunningham, Louis Dunnam, Daylen Gallman, Kevin Zachary and Stuart Walker.

The group went to Amarillo four Saturdays for seminars, and completed their requirements November 4-5 during a trip to Los Alamos and Albuquerque, N.M.

The boys learned the history of atomic energy and about the scientists who discovered it. They learned the basics of atomic physics, built their own scientific radiation detection instruments, and learned to use a geiger counter.

The Scouts studied the effects of radiation on plant life, and about the hazards of radiation in order to protect themselves. Other projects included growing radiated and irradiated beans, making atom models, cloud chambers and Polaroid radiographs.

While in Albuquerque, the group spent the night at Kirkland Air Force Base.

The group visited the Sandia laboratories, the Davies wind generator, atomic museum, solar collectors, saw Albuquerque's old town, and several things, including the science museum at Los Alamos.

READING PROBLEMS

The child who dislikes or has difficulty reading may be having BINOCULAR VISION PROBLEMS--where the two eyes are not working together as a team. This condition is more difficult to detect and correct than nearsightedness, farsightedness or astigmatism.

What symptons should a parent or teacher look for?

1. Head movements instead of eye movements while reading.
2. Tilting of the head to one side.
3. Closing one eye part of the time or even covering it with a hand.
4. Pointing to the words with a finger or pencil while reading.
5. Reading only a few minutes and losing interest.
6. Reversal of words like "was" for "saw" etc.
7. Omitting or skipping over words while reading.
8. Losing one's place or getting on the wrong line while reading.

How are these binocular vision problems discovered?

Binocular vision problems can be detected by your Optometrist with a thorough eye examination. Along with traditional eye tests, your Optometrist will include some for: eye movements, focusing ability, convergence, ability to change eye direction, and tests to make sure the eyes are working together as a team.

This message is brought to you in the interest of better vision by Drs. Armistead & Smith, Optometrists, Littlefield, Texas.

I like this. Hope you enjoy it, too.

It is easy enough to pick the flaws
In the work that others have done,
To sneer at the little they have achieved
When your task YOU haven't begun.

It is easy enough to fuss and find fault
When others are doing their best;
To point out errors others have made
When YOU have done nothing but rest.

It is easy enough to cavil and carp,
To criticize, scoff and deride,
For few of us have ever done perfect work
No matter how hard we tried.

It is easy enough not to think of the best,
And to dwell all the time on the worst;
And perhaps it is proper sometimes to find fault,
But...be sure YOU have done something first.

Richard and Suzanne Tullis were in the city of San Antonio weekend before last. Tullis was attending the 'CAST 83' for science teachers. While Richard was in seminars, Suzanne took off for a tour of downtown. Market Place and the Alamo were the highlights of her venture.

On their drive home they stopped in Fredricksburg for a tour of a very old German town. Since the Tullis daughters were with Grandma and Grandpa Tullis in Espanola, New Mexico, it was like a second honeymoon for Richard and Suzanne.
