

Business to Soar in Early '68

The coming year threatens to be one of varied and recurring crises. Virtually no area of human activity will be spared...social, economic, political, or international. After years of progress and prosperity, the American people will be faced in 1968 with many decisions that will prove difficult to make and even tougher to carry out.

Don't expect the final solution to 1968's many problems to be worked out during the year ahead. But the manner in which our nation tackles its predicament will determine whether the U. S. will be able to strengthen its position as world leader...or be toppled during succeeding years and reduced to an inferior standing.

To be without hope is to sin. And we do have hope that our citizens and their government will rise to defeat the many antagonists -- inflation, social corruption, greed, crime, fear, and despair -- that are pressing upon us as the new year begins. It is said that the Oriental concept of crisis is opportunity. In that sense, we predict without reservation that 1968 will hold opportunities unlimited for our country.

1. Now that the pound has been devalued, perhaps our greatest opportunity for the year ahead is to prepare a strong defense for the dollar. We forecast that after some early fumbling both the Congress and the Federal Reserve will move with determination to protect our dollar.
2. The effects of the battle to save the dollar promise to be unpleasant. After an early-year surge to new highs for dollar values and production, business will find the going rougher as the months unfold. Scarcer and more costly money will take its toll of growth.
3. Major stimulation to the economy in the early part of 1968 will come from a scramble by auto and allied lines to make up for production lost in 1967, combined with a stockpiling of steel and aluminum in anticipation of strikes later next year in these activities.
4. Some additional escalation of the Viet war will occur next

year. But we have already experienced the major impact on business of the massive buildup in arms outlays; whatever additional procurement comes will not be a determining factor on the course of 1968's business.

5. President Johnson is torn between a desire to "pour it on" in Vietnam and bring home victory before voting time next autumn and his sincere wish to go down in history as a peacemaker. If recent and prospective tightening of the military vise on North Vietnam fails to bring results by late spring...look for spectacular moves toward negotiations. Under these circumstances we feel the chances are 60-40 that 1968 will mark the phase-out of our military operations in Vietnam.

6. But the most decisive conflict next year will not be fought on the battlefields of Southeast Asia. It will be here at home against the one enemy that has the power to destroy the U. S. . . . INFLATION.

7. Contrary to the old adage that Congressmen won't commit political suicide by voting a tax hike in an election year, we do expect a revenue act in 1968. It may include excise imposts as well as income levies.

8. The Administration will be forced to reduce total expenditures for the coming year by \$6-to-\$10 billion. While the war continues, most of this will have to be lopped off non-defense areas.

9. Congress will remove the 25% gold backing for Federal Reserve notes early in the year.

10. The amount of goods tourists will be permitted to bring into the country duty-free will be reduced to zero in 1968.

11. Further restrictions will be put on foreign investments by U. S. corporations in the coming year; our government will encourage American companies to increase dividend payments by foreign subsidiaries.

12. Rationing of credit by the Administration and the Federal Reserve is a distinct possibility in the months ahead.

13. U. S. outlays for foreign aid will be slashed in 1968.

14. Our money managers will slow down the current high rate of money-supply increase as soon as Congress takes action to curb inflation.

15. But the tremendous outpouring of money during the whole of 1967 will continue, for some months, to exert upward pressures on interest rates and the general price level. It will also have an energizing effect on business. Hence, as money flow is cut back next year, there will be a delayed depressing effect on interest rates, prices, and business... probably after midyear.

16. There will be repeated raids on the dollar; but it will not be devalued in 1968.

17. There will, however, be many discussions between financial experts here and abroad to develop a long-range plan for revaluing in terms of gold--on a more realistic basis--the currencies of all of the Free World.

18. The early-1968 uptick in business volume will give a lift to corporate profits; the fanning out of wage boosts, however, along with rising costs and taxes will later have a squeezing effect on profits.

19. Short-term interest rates will rise faster than long-term in the months ahead.

20. This will have a restrictive impact on the availability and cost of mortgage funds.

21. In turn, the recovery now under way in home building will be restrained and perhaps reversed as 1968 moves along...but apartment construction should remain in an uptrend.

22. Inventories will rise -- perhaps sharply -- in the first half of 1968...taper off later.

23. Business capital expenditures should start the year on a strong note; but as the year advances, prospects for further gains will become dimmer.

24. With wage guidelines now definitely junked, there will be a stampede by labor generally to bring contract gains in line with the huge advances made by the United Auto Workers; the annual salary concept for production workers will gain further acceptance in 1968 by a number of American industries.

25. A labor feature for the coming year will be widespread stoppages by state, city, and local public employees; the battle on this front will surely be long and bitter.

26. With elections coming in the autumn, Congress will not vote any restrictive labor legislation in 1968. Although we anticipate that credit controls may possibly be invoked in the Administration's struggle with inflation, there is no chance that any serious attempts will be made to impose wage controls.

27. Upward pressures on the cost of living will be intensified during the first half of the new year, with advances tapering as autumn approaches. Over-all, we look for another increase in living expenses of over 3%...and it would not surprise us if the toll should rise to the 4% level. The "bad boys" will continue to be soaring service costs -- especially medical--and upsurges in transportation and finished-goods tags. Food may inch up a little more as processing costs mount further; but prospective plentiful supplies will act as a controlling factor.

28. Total cash receipts from farm marketings should advance moderately over figures for 1967; however, the relentless up-push of costs will take its toll, and farmers' net income will do well to improve even slightly...notwithstanding some relief from higher government payouts. Large marketings promise to restrain cattle quotes and hold this source of farm income in its recent low profitability groove. Meat prices, however, propped by bulging expenses, will be well maintained to firmer for the year. The consumer with storage facilities may benefit from time to time by watching carefully for sales and taking advantage of any buying opportunities provided by occasional runs of cattle feed to extra-heavy weights. Apparent determination by growers to cut back on poultry output

Tigers Return To Action, Play Here Saturday

Slaton High students are still enjoying the Christmas holidays, but the basketball teams return to action tonight at Spur. The Tigerettes take on the Spur girls in the first game tonight at 6:30, then the boys' varsity teams clash in the non-district tilts. The Slaton teams return home Saturday night to play Olton in the final game of 1967. First game is at 7 p.m., Saturday in the Slaton gym. The Tigers open District 4-AA play Jan. 2 at Denver City, while the Tigerettes play Coahoma here in a non-district contest. The Tigerettes don't start district play until Jan. 12 at Slaton.

As the teams take the floor at Spur tonight, both sport impressive won-lost records. The Tigers have won 14 and lost 2, while the Tigerettes carry a 13-1 mark into the contest.

The Tigers have been scoring at a 65.4 clip in 16 games, with Richard Washington sparking the attack and averaging about 25 points a game. Tiger foes have averaged 52.1 points a game.

The Tigerettes are hitting at a 52.9 clip per game while yielding 39.3 points a game to their opponents. Marilyn Davis and Jackie Clark are the scoring leaders for the girls.

Brief Snowfall Covers Slaton

A blowing snowfall swept over Slaton Wednesday morning, following on the heels of a bright, sunny Christmas.

Temperatures were in the 60's on Christmas Eve, but a cool front dipped the reading to a high of 46 degrees on Christmas day. The mercury dipped to 19 Tuesday and a low of 21 was recorded Wednesday morning.

Following the brief snowfall Wednesday, the sun popped through cloudy skies and threatened to do away with all signs of the blanket of white. A high of 30 was estimated Wednesday, however.

Firms Welcome 'First' Baby

The "first-baby Derby" race is scheduled in Slaton, with several merchants and firms ready to welcome the city's first baby of 1968 with appropriate gifts.

A special ad inside today's Slatonite lists the participating firms and the gifts to be presented to the New Year baby. The Slatonite also presents a glossy photo of the mother with her baby.

Participating firms in the first-baby "contest" are: Anthony's, Champion Jewelry, Slaton Pharmacy, Citizens State Bank, Piggly Wiggly, Eblen Pharmacy, United Supermarket, and Slaton Savings & Loan.

MRS. REYES MAGALLANES WINS BY PENNY

Sleigh-O-Gifts Winner Named

By the margin of one penny, Mrs. Reyes Magallanes of Slaton won a "Sleigh-O-Gifts" Saturday for her family in a Christmas contest sponsored by 24 local merchants and firms.

"I just couldn't believe it," exclaimed Mrs. Magallanes when she was contacted on the job at the Carnation House and told that she was the winner of the gifts -- valued at a total of \$454.20.

Idea of the contest was to

guess the total value of the 24 gifts -- all but one of which could be determined by going to each participating firm. A bowl of coins donated by Citizens State Bank was the real "unknown" factor.

Mrs. Magallanes missed the total by only seven cents with a guess of \$454.13. A. C. Burk was off only eight cents, and another 10 entrants were within 30 cents of the total. There were 667 entries in the contest.

The winner said she and her

daughter, Juanita, 19, a junior student at Wayland Baptist College, went to each participating store to find out the amount of the gifts, then made a guess at the jar of coins.

Mrs. Magallanes is employed at Wiley's Shamrock Station. Other happy members of the family are Bertha, 17, a senior at Slaton High, and Richard, 12, a 7th grader at junior high. The family moved here 1 1/2 years ago from Del Rio, Texas are members of the Baptist Mission here.

The "sleigh" of gifts included: a ladies watch from Eblen Pharmacy; a jigsaw from Forrest Lumber; a Samsonte bag from O. Z. Ball & Co.; bedspread from Bland's; drum set and doll from TG&Y; a pendant watch from Slaton Pharmacy; insulated coveralls from Anthony's; nylon robe from the Gift Gallery;

Electric wall clock from Guest Drug; hair dryer from Lasater - Hoffman; a camera from Teague Drug; door decoration from Pauline's Flowers; electric blanket from McWilliams; jacket from Fondy's; groceries from United; clock-radio from Wendel TV;

Groceries from Piggly Wiggly; coat sweater and costume jewelry from Rona's; attache case and pen set from The Slatonite; jacket from The Famous Dept. Store; electric can opener from Kuss Electric; towels from Webb's; man's watch from White's Auto; coins from Citizens State Bank

Citizens Give Yuletide Joy

About 50 of Slaton's less fortunate families had a merrier Christmas this week, thanks to "Operation Yuletide" and the generosity of city organizations, firms and individuals.

"Operation Yuletide", headed by the Slaton Lions Club, provided Christmas baskets of food and toys for 34 families. The Slaton VFW post distributed baskets to 11 other families, and several more clubs or groups were reported to have prepared several baskets.

The Lions prepared baskets on Friday evening, and City of Slaton employees delivered the Yuletide gifts Saturday. Slaton Ministerial Alliance helped compile the list of needy families, and the Chamber of Commerce office served as a "clearing house" for the names.

Besides the cash contributions, a large quantity of canned goods were donated to the project. The Federated Church Women gathered many cans of food, and Slaton High students added to the stock. The student council asked students to bring a can of food for admission to the school's Christmas assembly program.

About \$400 in cash was contributed to the Operation Yuletide campaign through appeals in The Slatonite and a special fund-raising program on Radio KCAS.

Other cash contributors not listed in last week's article:

Club Activity Forms Needed for Award

Clubs who want to be considered as "Club of the Year" should have their entries at the Chamber of Commerce office, located in the Municipal Building, by Jan. 17. Or entries may be mailed to the chamber at Box 782, Slaton.

The presentation will be made at the Chamber of Commerce banquet January 25th. The Slaton Lions Club was recipient of the award last year.

Police Offer New Year's Ride

Slaton police had a relatively quiet Christmas week, according to a check of the docket Wednesday.

Police Chief Walter Head this week appealed to persons not to drive while drinking. He pointed out that some people celebrate New Year's by going to parties where alcoholic beverages are served.

"If you celebrate in this manner, call the police station and we'll drive you home," said Head. "We don't want to embarrass anyone, we just want to prevent accidents... this is our way of wishing you a Happy New Year," he added.

An attempted break-in was reported at Montgomery - Schnell Implement last week, but the would-be burglar was apparently scared away before gaining entry.

An expanded patrol of city firms during the night hours has apparently discouraged thieves. Patrolmen also discovered several doors were left open and called store owners to lock them in the past two weeks.

One traffic accident was reported. Cars driven by Christina Jaramillio and Richard C. Diaz were involved in a collision at Geneva and 8th street last Thursday. No one was injured and only minor damage reported.

LUCKY SHOPPER — Mrs. Reyes Magallanes was the lucky winner of a Sleigh-o-Gifts contest sponsored by Slaton merchants and the Chamber of Commerce. The gifts were presented Saturday. Mrs. Magallanes receives a bowl of coins and 23 other gifts from Chamber manager Wayne Cooper. (Slatonite Photo)

MRS. DON WANJURA
(Sue Oats)

Wanjura-Oats Vows Exchanged Friday

Miss Martha Sue Oats became the bride of Donald Frank Wanjura in a double ring ceremony at 4 p.m. Friday in St. Elizabeth's Catholic Church, Lubbock. The Rev. Thomas McGovern, minister of Christ the King Catholic Church in Lubbock, officiated.

The bride is the daughter of Mr. and Mrs. Jay Oats and the bridegroom is the son of Mr. and Mrs. Victor Hugo Wanjura of Weimar.

Given in marriage by her father, the bride wore an empire gown of antique ivory peau de soie and re-embroidered Alencon lace. The yoke was of lace and the neckline was scalloped. Tiers of lace formed the elbow-length sleeves and bordered her skirt. Her chapel-length train was attached at the yoke. Her veil of illusion was attached to a cluster of lace medallions, drop crystals and pearls; and she carried a cascade of white butterfly roses.

Miss Winifred Burkhead, Roswell, N. M., was maid of honor and Mrs. Charles LeBleu of Houston was bridesmatron and Miss Judy Lain was bridesmaid.

Attendants wore formal-length empire gowns of flamingo red peau de soie and lace with scoop necklines, bell sleeves and A-line skirts. Their headpieces were Dior bows and they carried white net balls with holly.

Best man was David Miksch of Austin and groomsmen were David Wanjura and Victor Hugo Wanjura Jr., both of Weimar. Guests were seated by Bill Barden, Commie Oats of Slaton, Dick Terrell of Ralls and Harmon Meixner.

Tom Mastrotto was organist and Mrs. Jim Sudduth was

solist. A reception was given in the In-Town Inn and the couple left for a wedding trip to New Mexico. They will reside at 5511-A W. 34th St., Lubbock.

The bride is a graduate of McMurtry College in Abilene and is a teacher in the Lubbock Public Schools. Her husband is a graduate of Texas A&M University and Clemson University, Clemson, S. C. He is employed by the South Plains Research and Extension Center.

A rehearsal dinner was given Thursday evening at The Johnson House in Lubbock. The bridegroom was host for the occasion.

Attending were the bride's parents, groom's parents, attendants and other guests.

'HAPPY BIRTHDAY'—Lesa Hoover of San Angelo, a niece of Mrs. J. M. Breland, is presenting Mrs. Etta Smyth with a cake on her 86th birthday last Friday. Mrs. Smyth has been a resident of the Slaton Rest Home for the past three years. Lesa was visiting here during the holidays.

Mrs. Etta Smyth Is Honored On 86th Birthday

Mrs. Etta Smyth was honored on her 86th birthday last Friday when members of the Slaton Home Demonstration Club gathered at the Slaton Rest Home to present her with a birthday cake, a gift and greeting cards.

Mrs. Smyth, who formerly lived in Big Spring and Floydada, moved to Slaton in 1952 following the death of her husband. She lived here several years before moving away, but returned to Slaton three years ago and has been a resident in the rest home since that time.

Her children include G. E. Smyth of Slaton; L. L. Smyth of Bayfield, Colo.; Earl Smyth of Miami, Tex.; and Jimmy Smyth of Arlington. She also has nine grandchildren and 10 great-grandchildren.

Present for the occasion and

representing the home demonstration club were Meses. Alton Meeks, J. M. Breland, Blanche Griffith, Jack Griffith and Milt Ardrey. The cakes were baked by Mrs. Meeks.

Catlett-Hall Vows Repeated At Cooper

Miss Sheryl Gwen Hall became the bride of James Don Catlett at 6 p.m. Saturday in Cooper Methodist Church. The Rev. Arch Gibson of Plainview, grandfather of the bride, officiated the double ring ceremony. He was assisted by the Rev. Johnnie Williams, minister of the church.

The bride is the daughter of Mr. and Mrs. Marvin Hall of Wilson. She is a 1967 graduate of Cooper Rural School and is a science major at Wayland Baptist College in Plainview. The

bridegroom, son of Paul Catlett of Plainview, is a student at Wayland with a business administration major. He served four years with the U. S. Air Force.

Mrs. Jack Easterwood of Lubbock, aunt of the bride, was matron of honor. Miss Judy Catlett and Miss Janice Catlett of Plainview were bridesmaids.

Richard Cross of Amarillo, nephew of the bridegroom, was best man. Ushers were Mike Hall of Wilson, Ronnie Marr of Lockney, Jerry Cross of Amarillo and Bill Gibson of Lubbock. Monte Hall and Murry Hall lighted candles. Mrs. Harold Flournoy of Lubbock, organist, and Marlin Keeton of Lubbock, pianist, accompanied the Rev. Mr. and Mrs. Gibson for the wedding music.

Given in marriage by her father, the bride wore a gown of white crepe and venise lace with empire bodice, fitted sleeves and portrait neckline outlined in lace. Lace medallions were applied over the slim skirt and the flared train swept to chapel length. Her bouffant veil of silk illusion fell in tiers from a calotte of matching lace and fabric petals and she carried a bouquet of white butterfly roses and feathered mums.

A reception in the Fellowship Hall followed the ceremony, after which the couple left for a wedding trip to Arkansas. They will reside at 1406 Portland in Plainview.

Mr. and Mrs. Joe Schnell and Mr. and Mrs. Ross Montgomery spent the Christmas holidays in Dallas visiting with Mr. and Mrs. Don Tankersley and family.

Max D. King of Sweetwater. Bridesmaids were Miss Elaine Cannon of Idalou and Miss Nancie Walton of Slaton.

Attendants wore floor-length empire line dresses of electric blue with matching white gloves. Their headpieces were blue and white petals with blue illusion veils. They carried long-stemmed white roses.

Best man was Felix Hettler, brother of the groom. Candle lighters, ushers and groomsmen were Lester Ahler of Idalou and Allen Underwood, brother of the bride.

Lesla Hoover, San Angelo, was flower girl. She wore a street-length dress of electric blue. Organist was Miss Karlene Eastman.

Following the ceremony a reception was held in Fellowship Hall of the church.

For her wedding trip the bride chose an orange and brown wool suit with brown accessories.

Following a three-day honeymoon to San Antonio the couple are at home near Idalou.

The bride, a 1966 graduate of Slaton High School, is presently attending Texas Tech in Lubbock. She plans to major in elementary education.

The groom is a graduate of Idalou High School and has recently been discharged from the U. S. Army after two years service in Germany. He is engaged in farming.

It's a woman's WHIRL

BY LAVON NIEMAN

Speaking of leap year and telling Bernardine, who occupies the next desk to me, that 1968 will be HER year since she is a Miss....she was quick to tell me she "never Mrs. anything".

WW
Spending Christmas with us at Speedy's folks in Tres Ritos, N.M. were the Harry Bruners of Lamesa. They have spent every Christmas with us but one during our 16 years of marriage which has always been our pleasure.

Some of you probably know Mrs. Bruner. She is the former Jewell Johnson of Slaton. While reminiscing, she recalled some of her school mates, such as Mrs. Ethyl Young, Doc Castleberry, Clark Self, and Mrs. Harvey Tunnell.

WW
Jewell told us if we could come to Lamesa for New Years she would cook some "Hoppin' John" for us. She says it's an easy recipe that makes plenty for several neighbors and friends to enjoy lunch with you on the holiday.

Thought you might enjoy her recipe...

HOPPIN' JOHN
2 cups dried black-eyed peas (soak overnight in 4 cups water)
1 medium size ham hock
1 cup diced onion
1 cup sliced celery
1 bay leaf
1 can (1 lb.) tomatoes
4 teaspoons salt
1/4 teaspoon pepper
1 cup uncooked rice.
Combine all the above ingredients and cook until done.

WW
Another crack from Bernardine....She told Cecil Scott at the post office since stamps are going up next month, she'd like to stock up.

WW
As our friendly radio station manager would say, "Here's wishing you a cool Yule, Happy New Year, and all that kind of jazz."

MRS. KENNETH L. FORESTER
(Brenda Jo Dabbs)

Forester-Dabbs Vows Pledged

Double ring wedding vows were read for Miss Brenda Jo Dabbs and Kenneth L. Forester at 5 p.m. Tuesday in the Slaton Church of Christ. Cline Drake, minister at Cotton Center Church of Christ, officiated.

Parents of the bride are Mr. and Mrs. Herman Dabbs of Southland, and the bridegroom is the son of the late Mr. and Mrs. Lewis Forester of Nacoma.

Given in marriage by her father, the bride wore a formal length gown of white peau-de-soie, fashioned with a jewel neckline and long petal point sleeves. Motifs of re-

embroidered Alencon lace and pearls accented the empire bodice and onto the A-line skirt. Tiny covered buttons were featured down the back of the cape that swept into a chapel-length train. A petal caplet of peau with lace appliques holds a veil of imported silk illusion. She carried a bouquet of stephanotis and white orchid.

Miss Shirley Lee of Lubbock was maid of honor, and other attendants were Miss Susan Jones of Odessa and Miss Sharla Taylor of El Paso.

They wore red peau-de-soie dresses with an empire bodice, accented with a bow in the back. The street-length dresses had long sleeves. The attendants carried white velvet muffs accented with red poin-

settias. Harold Denhart of Irving served as best man, and groomsmen were Harvey Denhart, Irving; David Dabbs, Southland, and Dr. E. Gerald Dabbs, Lexington, Ky., both brothers of the bride.

Suzanne Martin of Hart Camp and Tyra Martin of Slaton were candle lighters.

Wedding music was furnished by The Bowman Brothers Quartet.

The couple greeted guests at a reception held at the home of the bride before traveling to Houston on a wedding trip. They will reside at 5120 Panola Apartment 26, Fort Worth.

Assisting in the houseparty were Mmes. Harley Martin, F. W. Callaway, Weldon McGeehee, H. D. Hallman, C. C. Lee and Aubrey McNeely.

A graduate of Southland High School and Texas Tech, the bride is employed by Irving Independent Schools. Forester was graduated from Nacoma High School and attended Gainesville Junior College. He is presently employed by Good Luck Oil Co., Dallas.

Forehand-Mosely Vows Exchanged

MRS. HUGH L. FOREHAND
(Miss Janis Mosely)

In a candle light ceremony, Miss Janis Lee Mosely became the bride of Hugh Leighton Forehand at 7 p.m. Tuesday in the Slaton Church of Christ. William L. Robinson, minister, officiated the double ring ceremony.

The bride is the daughter of Mrs. Bill Greer and the late Malcolm Mosely of Slaton. The bridegroom is the son of Mr. and Mrs. Artie Forehand of Port Lavaca.

Given in marriage by her brother, Mack Mosely, the bride wore a formal length gown of white satin. It was designed with a A-line skirt and bateau neckline with long petal point sleeves. A chapel length train fastened at the shoulders with large bows was bordered in white fur. Her shoulder length veil of illusion was held with a small crown of a matching white furpiece. She carried a cascade of white feathered mums and stephanotis nestled among loveknots with a white orchid atop a white Bible.

Miss Linda Floyd of Hart was maid of honor. Other attendants were Miss Lynda Melugin of Wilson and Miss Treva Montgomery of Slaton, cousin of the bride. They wore floor length A-line design aqua satin gowns with bateau necklines and short sleeves accented with large bows at the shoulders. Their headpieces were crowns of matching aqua satin and held short illusion aqua veils. They carried white bouquets of snowball pompons centered with white mums.

Roy Alexander of Levelland served as best man. Groomsmen were Leland Martin and Douglas Keese of Slaton and Artie Forehand, brother of the groom. Ushers were Steve Forehand, brother of the groom, and Welton Cox of Lamesa, nephew of the groom.

Miss Tyra Biggs, cousin of the bride, and Artie Forehand were candle lighters. Francelle Greer, the bride's sister, was flower girl and Stacy Hurst of Levelland, cousin of the bride, and Todd Cox of Lamesa, nephew of the groom, were ring-bearers. Miss Rhonda Biggs was the Rice girl after the wedding.

A chorus from the Slaton Church of Christ offered traditional wedding music for the ceremony. Soloists were Mickey Mason and Donald Sikes.

Civic Club Has Christmas Party

Members of the Civic and Culture Club met last Wednesday in the home of Mrs. J. A. Elliott for the annual Christmas party and luncheon. Mrs. A. L. Saage served as co-hostess.

Mrs. M. L. German, president, conducted a short business session. A letter of greeting was read from a former member, Mrs. T. A. Turner of Waco.

Mrs. Elliott carried out the club's theme of the year, "Today's World", giving excerpts from clippings about "Christmas in Our World Today." She gave quotations from some of the soldiers in Vietnam as to what Christmas means to them.

Mrs. R. L. Smith read the poem, "The Priceless Gift of Christmas," by Helen Steiner Rice.

Participating in the gift exchange were Mmes. Bruce Pember, R. H. Todd, R. C. Hall Sr., E. R. Legg, R. E. Switzer, Kenneth Davies, Fred Schmidt, C. L. Heaton, H. T. Scurlock, R. H. Crandall, L. R. Hagerman, J. D. Barry, Elliott, Saage, German, Smith, and guests, Fannie Patterson and J. C. Barry of Redlands, Calif.

Davis Resigns As Coach

THANK YOU
Response was good by Wilson residents and area neighbors in helping the Juan Bustamente family who lost their home by fire. The Bustamente family wants to thank all who gave so generously and report they have all that is essentially needed, which proves there are some wonderful warm-hearted folk in this community.

CHRISTMAS PARTY
Last Thursday night, Christmas Carols rang out in Wilson as the high school students enjoyed going caroling about town. Later they exchanged gifts at a Christmas party in the school gym.

COACH DAVIS TO LEAVE
WHS head coach, Bobby Davis announced last week that he and his family would be moving to Lubbock at mid-term, where he will be employed in a sporting goods store. Davis is a graduate of WTSU and has been head coach at Wilson for the past four years, he teaches history and math.

CHRISTMAS VISITORS
Mr. and Mrs. Ted Melugin, Troy, Lynda Melugin, and Jackie Horton were dinner guests Monday in the home of Mrs. Elton Hacker of Slaton. Also present were Mr. and Mrs. Cecil Penny, Michael of Lubbock and Terry and Marilyn Melugin of Canyon. Mrs. Hacker's son, Harold Hacker telephoned her from Missouri, to wish her a Merry Christmas.

The Ted Melugin family visited with Mrs. Mae Melugin in the afternoon. Also visiting were Mr. and Mrs. Neal Bradshaw and Pvt. Lloyd Bradshaw of Lubbock. Mr. and Mrs. Juel Bradshaw, and Mr. and Mrs. Coy Rinne and Darrin BASKETBALL.

Friday night at 7 p.m. Wilson hosts Shallowater in a game here.

Mr. and Mrs. Elbert Gumm, John, Bessie Martin, Karen, and LaNell enjoyed Christmas dinner with Mr. Gumm's sister and family, Mr. and Mrs. Haden Baker in Meadow. They visited later with Clinton Martin, who is a patient in West Texas Hospital, he had surgery on his knee last Thursday and is expected to be dismissed this week.

Christmas Eve, dinner was enjoyed in the home of Mr. and Mrs. Elbert Gumm and John. Present were their daughter and family of Lubbock, Mr. and Mrs. Gilbert Kaatz and Sue, Mr. and Mrs. Dick Rice of Lubbock, Stanley Baker of Lubbock, Mr. and Mrs. Jimmie Howell of Slaton, Mr. and Mrs. Edwin Martin, LaNell and Karen, Carol and Sandra Bretna of Burk Burnett. Big Savings During Our RED TAG Sale!
STARTS DEC. 29th

SS---- (Continued from Page 1)

deprive the housewife of one of her most prolific reasonably priced meat. There will be a many-sided market in 1968. Prices of family homes will continue to advance as conditions to satisfy rising demands and as all building activity... particularly during the first half. Demand in the middle and lower brackets will gain steadily; ability to satisfy these needs will be severely curtailed by even more costly and scarcer mortgage money. Purchases and the salability of vacant property--that in less desirable areas--will suffer from the lack of funds to carry such parcels. Broadly, the better set in during the final six months of 1967 will be maintained long in 1968. Pay scales, the effect of recent increase in total wages, bigger social security outlays, and further disposable income promise to give very strong retail trade during the early months of 1968 some time beyond. Only minor shadow is the evident reluctance of consumers to go as heavily into an optimistic consumer attitudes will be necessary to ring up record sales--maybe 8% to 10%--at least during the first year. Efforts of the Administration and of the money market to cool the inflation through taxes and cutbacks in spending may slow the rate of retail upturn. Trend in recent years has been toward a dwindling U. S. exports over imports. This has come at a price for our chronic condition of imbalance in our international payments position. Devaluation of the pound and other currencies has hurt our ability to expand exports at a moment for our balance of payments. Greatest

hope for us in 1968 is that European nations that have been in a business slump will enjoy recovery... making a better market for our products there. We forecast that our government will discuss, and perhaps implement, export subsidies during the year ahead. 32. Current talk of the possibility of an even "hotter" summer ahead in our racially imbalanced big cities should be discounted. Preparations already made and in the making should reduce the danger of the firestorms suffered in 1967. We feel that real advances have been made through the ballot box in major mayoralty elections. Another hopeful sign is the rising trend toward responsibility for bettering conditions on the part of businessmen and the private sector. We are willing to stick our necks out and predict that the summer of 1968 will not be as "hot" as was 1967's. 33. However, we are not optimistic on the course crime in pursuing. Recent reports indicate that Americans will be in even greater danger of being murdered, maimed, or robbed in 1968 than in 1967 (a frightening one out of 44). 34. Money pressures--from lessened availability and higher cost--point to lowered liquidity next year... with an attendant increase in bankruptcies, more difficult collections, and rising foreclosures. 35. We anticipate a year of rapidly shifting attitudes toward the stock market and toward groups of stocks and individual issues. Early year upswing in business and selectively higher profits--combined with a liberal supply of money following the Fed's huge outpourings in 1967--should pave the way for further progress by the popular stock averages. Later, as the battle against inflation intensifies, the stock market may become subject to a painful reassessment. 36. A year ago we predicted that in 1967 the "old aristocracy of the blue chips based on past performance" would "be replaced by a new aristocracy of super-able management based upon hopes of good future performance." Now it looks as if many of the issues representing concerns with super-able forward-looking managements have just plain become overvalued in the market place. We believe it will be unwise in 1968 to chase after such. 37. As a consequence of the developing money squeeze, high-quality (only) bonds of long maturity--both taxable and non-taxable--should provide excellent long-range investment opportunities for those seeking income during the first half-year. 38. If we are correct in the above assumption... we cannot be far wrong in predicting that the better electric-utility common stocks may also prove to be outstanding purchases for long-term growth. 39. Among the "old aristocracy of the blue chips" there are a number of industrial areas that have been pounded down in price to a point where real solid substance is clearly visible. One such group is the chemicals. The old-line major companies here--ones that enjoyed a great bull market in the 1950's--may be in a buying range during 1968. 40. Still not among today's much-sought-after "performance" stocks... the big multiple-risk insurance concerns represent another type of equity investment that could well afford high opportunity over an extended period of time to those who have the courage and foresight to pick them up when they have few friends. And they may have more "glamor" than many think... as they are showing a developing trend toward "conglomerating." 41. Another group that could reach long-term buying levels next year is banks. Although their profits are up now, they have not been popular. The reason: Every period of money squeeze raises doubts as to the degree of "wringing out" that bond portfolios and loans will have to take when money passes its crisis. That time may come during 1968. 42. High money rates have raised havoc with the prices of many of the large finance company stocks listed on the N.Y. Stock Exchange. Some of these have broad holdings in other lines; yet they are selling close to their "cellar" lows. When money rates froth up and crest over next year--as we predict--a good investment opportunity will be presented in this group. 43. It seems almost a foregone certainty that auto production will soar... when the strike-struck plants finally get back to work. For a while then there might develop a speculative wave in these issues. But we predict it would be unwise to chase after auto stocks on any great early-year strength. They are cyclical in nature, and may experience some rough going during the upcoming battle against inflation. We think there are better opportunities in strongly situated aggressive merchandising outlets. 44. Despite pressures to cut back on spending next year, there will be a renewed flare-up of the anti-ballistic-missile scare. Look for additional appropriations to build a thicker shield than the thin one proposed by Mr. McNamara. This flap will be accompanied by a renewed buying wave in stocks associated with the program. 45. When discussions of inflation get into high gear in 1968, attention will again be focused on ways to "protect" against it. You will be told to buy stocks as a hedge. But remember then that stocks go up because their earnings climb, not because they are a "hedge against inflation." We predict that many will find to their sorrow that stocks hastily bought as inflation "protection" had no such mystical value. 46. There will also be a great buzzing in the coming months about gold stocks as a way to make money out of a dollar jump in the price of the precious metal. The devaluation of the pound caused a big rush into gold stocks. Since the dollar will not be devalued in 1968, we warn recent purchasers of such issues that they may have losses for a long time; although they may be right on some distant day, not next year. 47. We predict that a number of huge international concerns with shares traded in the U. S. and not subject to the interest-equalization tax--particularly those that do a big business with the "hard money" nations of the European Common Market--may do better than gold stocks during the year now opening. 48. War issues--so-called defense stocks--may not do so well in 1968 as equities of those concerns that will benefit from an end to the war buildup. Do not get "locked into" war stocks... simply because they boast high current profits and order backlogs. 49. Building issues are excellent examples of peace stocks. They look a little high now following 1967's recovery in home building; however, we predict that when the money pressure gets intolerable sometime next year, there may develop another opportunity to get into building equities with an eye to future substantial gain after the Viet phaseout. 50. In conclusion, under the stimulus of the Fed's 1967 "money bath" -- spurred by heavy strike-catchup output and strong activity to hedge against coming labor stoppages--business could soar during some of the early months next

ALL-NUMBER CALLING GOES INTO EFFECT HERE IN '68

Telephone number prefixes in Slaton will change to all numerals in July, 1968, according to Bob Davis, local manager for Southwestern Bell Telephone Company. The current prefix of Valley 8 will change to 828. The all - number prefix will be in the same location on the telephone dial as the current combination letter - number prefix.

Davis emphasized that only customers with VA 8-4xxx numbers will have dial pull changes when the conversion is made.

Telephone directories listing all the new numbers in Slaton will be distributed at the time of the changeover.

"Persons or firms who use printed material showing their telephone number should keep the number change in mind," Davis pointed out. "They may want to order only enough to last until July, 1968."

Davis said the change to the new prefix numbering system, known as All Number Calling (ANC), is necessary because of the tremendous growth in the number of telephones.

"Telephone companies eventually would run out of suitable numbers if they did not convert to ANC," he added. About 75 per cent of the telephones in the U. S. already have been converted to ANC.

Bowman Speaker at Lions Club

Dee Bowman, KCAS Radio manager, was guest speaker for the regular weekly luncheon meeting of the Slaton Lions Club Tuesday at Bruce's Restaurant.

Bowman discussed the radio business in the United States, including statistics on advertising revenues and number of radios sold, and briefly outlined the operation of a station. He also answered questions posed by members of the club.

Arvin Stafford was program chairman of the week. President Speedy Nieman announced that a charter night banquet was set Jan. 11 in Jayton for a new club co-sponsored by the Slaton Lions.

ALL NUMBER CALLING coming here

7-Numerical Numbers Due in Slaton Next July

EFFECTIVE with the issuance of a new telephone directory in July, 1968, all Slaton telephone numbers will be changed from two letters and five numerals to seven numerals.

Slaton thus will join many other Southwestern Bell exchanges which have this new numbering system, known as All Number Calling. ANC is already in use in many other parts of the nation.

The present prefix, "VA 8," will be changed to "828" -- actually the same in dialing.

Some Numbers Change

In most cases, the last four digits of each telephone number will remain unchanged. For example, VA 8-3601 will become 828-3601.

However, numbers between VA 8-4000 and VA 8-4999 will be changed to the corresponding number in the 828-6000 series.

For example, VA 8-4591 will become 828-6591.

This change of numbers in the VA 8-4000 series is necessary, for technical reasons, to pave the way for future telephone improvements for Slaton.

All the new seven-numeral numbers will be included in the next telephone directory.

Why the change to All Number Calling? The reason we're eliminating central

office names is simple. On a nationwide basis, we're running out of suitable, easy-to-pronounce-and-understand names. All Number Calling gives us about 50 percent more usable telephone numbers. We need these new numbers to keep up with the demand for service.

Faster, Easier Dialing

There are several things you'll like about All Number Calling. Confusion between letters and figures (such as I and one, O and zero) and between central office names (such as Hubbard and Hobart) will be eliminated. This means fewer wrong numbers.

Also your dialing of local calls will be faster and easier, with only numbers to look for on the dial.

Since "VA 8" and "828" are the same on the dial, most customers who use printed material bearing their telephone numbers will be able to continue to use such material after the change. However, all customers will want to be sure to remember to use their new seven-numeral numbers in ordering material to be used beginning with next July.

WE believe that you will find this new up-to-date numbering system simple and more trouble-free to use. And Slaton, as in the past, will continue to be in the forefront of telephone progress.

Services Read Saturday For Mrs. Schnell

Mrs. Annie M. Schnell, 66, died at 2 p.m. last Thursday in Mercy Hospital following a short illness.

Rosary was held at 8 p.m. Friday in Englund's chapel, and a Requiem Mass was read at 2:30 p.m. Saturday in St. Joseph's Catholic Church with Msgr. Peter F. Morschoff officiating.

Burial was in Englewood Cemetery under direction of Englund's Funeral Home.

Mrs. Schnell, a longtime Slaton resident, was born in Shiner. Survivors include a son, Frank, of Colorado Springs; four brothers, Rudy Maeker of Wilson, Frank Maeker and Ed Maeker, both of Slaton, and Hugo Maeker of South Gate, Calif.; and three sisters, Mrs. William Behlen and Mrs. Olga Bryant, both of Slaton, and Mrs. Ebert Marrs of Goodyear, Ariz.

Talk To Sister In Germany

Mrs. Elizabeth Philipp and her brother, John Denzer, both of Slaton, had an added Christmas present this year when they talked by long distance telephone to their sister, Miss Maria Denzer in Winterberg, Germany. After two weeks of advance preparation, the call was completed at 2:30 p.m. Christmas Eve... the time in Germany was 9:30 p.m. the same day.

Mrs. Philipp said it had been 40 years since she had seen or talked to her sister. Miss Denzer is 78 years old and resides in a rest home there. Mrs. Philipp and her late husband first came to the United States in 1927. They returned to Germany in 1938, coming back to the U. S. in 1950. However, during the years between '38-50, she did not see her sister.

Mrs. Philipp said that their telephone connection was exceptionally clear and it was a "real thrill to hear her sister's voice once again."

The bore really means: "I know all of you have heard this, but don't stop me - I want to hear me tell it again".

Never Alone
"Have I not commanded you? Be strong and of good courage; be not frightened, neither be dismayed; for the Lord your God is with you wherever you go."
— Joshua 1:9

This is the time of year when many of us make promises. We examine our faults and failings and we decide that we shall do better in the days of the New Year. But we often forget to make God a part of our plans for a better tomorrow. We forget that God is with us wherever we go. We look to God only when we are in trouble or in need of help and guidance. We ask for a ray of light when our pathway is dark.

This New Year, go forth with the knowledge that God is always with you and try to make an awareness of God's presence a factor in your everyday living.

POLICE BEAT
BY WALTER HEAD
Researchers generally agree that the rate of alcohol involvement in fatal crashes reaches -- or surpasses -- 50 per cent. Also, the traffic death rate is more than 50 per cent higher at night than during the day. It is traditional for some people to celebrate New Year's by going to parties where alcoholic beverages are served. If you celebrate New Year's in this manner, we are asking you not to drive your automobile after the party. Instead, give us a call and we will drive you home. It is not our intention to embarrass anyone, but we do want to prevent accidents and possibly a fatality in our city. This is our way of wishing you a Happy New Year and we feel, a start toward a traffic fatality-free Slaton in 1968.

CARDS OF THANKS

We want to express our sincere
thanks to neighbors and friends
for the many acts of kindness
shown during the illness and
death of our brother, Foster
Singleton. Especially do we
thank the personnel of Mercy
Hospital and Dr. Glen Payne
for their wonderful care.
MR. & MRS. O. A. OATS

I would like to take this op-
portunity to thank the Slaton
Chamber of Commerce for
sponsoring the Sleigh-Full-O-
Gifts and thank all their mer-
chants who filled the sleigh.
Winning all these wonderful
gifts made our Christmas a
much happier one. Thank you
so much.
Mrs. Lydia Magallanes

We would like to express our
heartfelt thanks to our thought-
ful neighbors and friends for
their many expressions of sym-
pathy. The beautiful floral of-
ferings, the cards and prayers
will always be remembered.
May God bless each of you in
our prayer.
THE FAMILY OF
MRS. ANNIE SCHNELL

We would like to extend a big
"Thank you" to our many friends
who called and came by during
the busy time of the year and
especially for the prayers that
were said in behalf of our son
who was injured in Vietnam. We
appreciate Rev. Parks for his
comforting words and our son's
pastor, Rev. Richardson, for
his words and prayers. We
would like to solicit your pray-
ers for all the boys in Vietnam.
Mr. and Mrs. Dan Siewert
