Hansford County Commissioner's Court awards bid for fire truck

by Angela Jones
Editor

The Hansford County Commissioner's Court opened the bids for the cab and chassis for the Spearman Fire Department at the meeting held Monday, Oct. 12.

Summit WhiteGMC of Dallas was awarded the bid for \$19,809.35 on a 1993 GMC truck for the Spearman Fire Department, said County Clerk Amelia C. Johnson.

According to Johnson, this was the lowest of the five bids received. However, she stated, that price was

not the only aspect considered on the bids. "They (the commissioners also) check into where warrant work could be done." On the bid they awarded the work can be done in Amarillo.

The commissioner's court is trading in a 1980 dump truck owned by commissioner's precinct #3. B.J. Renner is the head of this precinct.

Other business at the meeting was discussion of insurance investments. The commissioners passed a resolution to join Texpool. According to Johnson, they pay a

higher rate of interest. She added, "They (the commissioners) try to keep their business as much in the county as possible."

Norma Jean Mackie was also present at the meeting. She gave the Treasurer's Quarterly report. The commission accepted it as it was presented.

Regular business conducted at the meeting was the payment of claims, reading and approval of the minutes from the last meeting, and receiving and approving the Treasurer's report and investments.

Pringle-Morse honors Columbus, S.I.S.D. announces essay awards

by Angela Jones
Editor

On Monday, Oct. 12, many businesses and people observed Columbus Day, but Pringle-Morse C.I.S.D. had some special visitors show up at their Christopher Columbus celebration held at the school auditorium.

All of the students, faculty and some parents were gathered in the auditorium for an assemble honoring Columbus, when at approximately 10 a.m. Betsy Ross (Heather Knox) appeared. She told of how she made the American flag.

Shortly after that the kindergarten class recited the Pledge of Allegiance and then the junior high gave and explanation on the Pledge of Allegiance.

Well, someone must have know that they were doing all of this for him, because Christopher Columbus himself (Dustin Parks) made an appearance at the celebration. The elementary music class sang "Sail on Columbus" in his honor.

Then the first and second grade classes gave a presentation on a book entitled Christopher Columbus. Immediately following that the

third grade presented an original poem: "Christopher Columbus." Next "Friends in Faraway Places" was sang by the fourth grade class.

Now it was time to award the winning essays. Mrs. Jennie Blankenship of the Hansford County Historical Commission was present to present the awards. First place went to Mark Papay, second was Markus Schick, and third was Shelly Torres. These three presented their essays at the assemble.

The event was concluded with the elementary music class singing "Columbus" and then the intermediate band played "March for America."

According to Superintendent Beryl Sears this was the first year they had an assemble celebrating Columbus Day. He said he thought that they had an excellent turnout. The entire school participated in the celebration, according to Sears, but just the fifth through the eighth grade entered in the Hansford County Historical Commission Essay contest.

Spearman also participated in the essay contest. The Gus Birdwell Elementary had an assemble on

Tuesday, Oct. 13, to recognize the winners. Ruby Wilbanks of the Hansford County Historical Commission presented the awards. First place went to Kathryn Murphy, second place was Brooke Lesly, and third place was Camille Smith.

According to Historical Commissioner Sylvia Robertson, the entire fifth grade class taught by Verlan Winegarner participated in the essay contest. She also stated that Linda Roland helped.

Robertson also added that over 60 entries were received from the two schools. These essays were judged on the content of the story. "They were all so good, we had a tough job choosing."

It was stressed that all of the schools in Hansford County were asked to participate. Robertson said, "Gruver did not participate. This enabled the Historical Commission to award third prize to Spearman and Pringle-Morse participants."

Robertson stated that they will not be able to give cash prizes because of UIL rules, but some kind of a prize will be given to the essay winners at a later date.

This year the Spearman Homecoming Queen and King were announced at the pep rally Friday afternoon. The 1992 queen is Mary Cook. The Football King is Landon Swan.

The queen and her attendants were introduced to the homecoming game crowd on Friday night, Oct. 9. In the top picture are (l-r) Kara Townsen, freshman attendant; Kimbre Townsen, senior attendant and queen candidate; Mary Cook, Homecoming Queen; Jill Lusby, queen candidate; Mika Ripkin, sophomore attendant; and Trilix Pearson, junior attendant.

Lynx win county bragging rights... stay in hunt for playoff spot

With a 13-10 homecoming victory of the Gruver Greyhounds the Lynx claim bragging rights in the county and hold on to the hope of a post district playoff spot.

The Lynx playoff future is not totally in their own hands. In order to get into the state tournament the Lynx will have to win the rest of their district games, and Stratford will have to win the rest of their games, according to Ric Smith, Lynx coach.

The Lynx next victory will have to be at Sunray this Friday night, Oct. 16. "It will be another tough game, they (Sunray) have a good quarterback and a good defense," said Smith. Smith indicated that the Lynx will have to hang onto the ball and not make mistakes and avoid injuries to key players in order to win at Sunray.

Smith admitted he was a little worried during the Gruver game last Friday, Oct. 9 when Roman Arnold and Brandon Vanderburg suffered minor injuries. He said both will be ready to play for the Sunray game.

The Lynx won their homecoming game against Gruver with a combination of good defense and a steady running offense.

On defense, with the exception of two big plays, the Lynx shut down the Gruver running game. Gruver's field goal and touchdown were setup by big pass plays.

Gruver was the first team to score. They were forced to kick a 7-yard field goal when they were unable to score a touchdown from the Lynx 5-yard line. In three running plays the Hounds lost yardage on two and gained 1 yard in one play.

Making tackles for the Lynx in that series were Dustin Loomis, solo tackle on first down and goal. On second down and 7 yards to the goal line Cory Lesly, Jason Varnon and Lonny Gallegos gang tackled a

Gruver running back for another two-yard loss.

Gruver kicked the field goal to take the lead at the beginning of the second quarter. It is in this quarter that the Lynx began to

take control of the game.

On their first position the Lynx move the ball from their own 16-yard line to the Gruver 22-yard line. All of yardage was gained by

Rebate checks up

The City of Gruver received a check for \$3,777.27 and the City of Spearman received \$11,655.27 in the September disbursement of city sales tax rebates from the State Comptroller's office.

The Gruver sales tax rebate reflects an increase of 16.97 percent from the \$3,229.27 which was received in September, 1991.

Total payments received this year for Gruver are up 7.57 percent from last year, according to the figures from the Comptroller's office. For the September 1992 Gruver has received a total of \$35,816.70 in tax rebates, as compared to the \$33,294.99 received in 1991.

The Spearman sales tax rebate also reflects an increase. It is an increase of 0.39 percent from the \$11,610.09 received in September 1991.

Total payments received this year for Spearman are up 4.94 percent from last year. For September 1992 Spearman has received a total of \$125,573.63 in tax rebates. This compares to the \$119,658.73 received in 1991.

The total tax rebate checks received in Hansford County for September 1992 is up four percent from 1991. The county has received \$15,432.54 in tax rebates in 1992, as compared to the \$14,839.36 received in 1991.

For the 1992 year to date, Hansford County has received a total of \$161,390.33, as compared

to \$152,953.72 in rebates received in 1991. This is a 5.52 percent increase from 1991 to 1992.

State Comptroller John Sharp said, "This month's sales tax payments include taxes collected on July sales and reported to the Comptroller in August by businesses filing monthly returns."

Spearman study club to hold Arts & Crafts show

Spearman Study Club will be having their 12th Annual Arts & Crafts Show, Saturday, Oct. 17, 1992, at the Spearman High School cafeteria from 10 a.m. to 5 p.m.

The Study Club is a non-profit organization and the profit make from this craft show goes back into a community or local project. The 1991 show had a wide variety of merchandise.

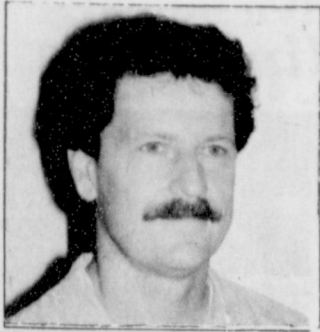

The club will have the food concession on the premises and the First United Methodist Church Chancel Choir will have the dessert concessions.

Come and enjoy the Arts & Crafts Show and have lunch with your friends, urges Study Club members.

PASSING THE TEST Matthew 7:15-23

In graduate school I had a recurring dream at semester test time. In the dream I would recall an extremely difficult course I had signed up for and failed to attend. I faced a final exam that would be my total grade for a subject I knew nothing about.

It was too late to drop the class, and graduate students must make C's or above or lose their stipend and position. I was glad to wake up in the morning to reality. I never forgot a class I signed up for. I never even made a C. But that dream causes me to wonder...

How many people have made a profession of faith in Christ Jesus as Lord and Savior, yet never "attend class?" They're not studied up, and the final exam is very soon — Judgment Day. Certainly salvation from sin and death is by grace alone, through faith alone. But the Bible also says that "faith without works (evidence of a new life) is dead." When exam time comes before God's throne, He won't just ask the question, "Do you believe?" He will also say, "Show Me your faith by your works."

Only the blood of Jesus goes before us into God's presence, recommending us to Him as acceptable. But the Bible says trailing behind us will be good deeds, the fruit of a new life.

The exam, Judgment Day, is coming. It's too late to drop the course. There's no way to pass without studying (believing, repenting, doing good works). There will be no waking up to reality. Reality is that God will judge us all by our behavior in this life.

Jesus came that we may pass the test. Those who are truly in Him have already received an A+ in life. Those outside Him are failing. Are you ready for His final?

Butler to attend conference

Spearman Superintendent Larry Butler of S.I.S.D. will represent Conference 2A, Region I at the University Interscholastic League Legislative Council meeting, October 18-20 at the Omni Hotel in Austin.

The legislative Council meets annually to review UIL rules and regulations and to hear testimony from interested parties, including representatives for school administrators, athletic coaches, classroom teachers, boards of education, parent-teacher organizations, sports medicine groups and school music directors.

Among the items on the October agenda are a proposal to add girls' softball as a championship sport to the menu of UIL activities. Butler, who is the state chairman this year, said, "I don't think there is that much interest in this region, but there is in the urban areas." He added that they'll look at the number of schools interested. It'll probably be set up on a pilot basis and see how people respond to the opportunity, he concluded.

A motion was also proposed without any recommendation to place the issue of a central site for state championship football games on the legislative agenda. According to Butler, this item deals with having all the state championships in one spot. The legislative body will look to see if it is feasible, and the costs, etc.

The Athletic Committee has also forwarded a proposal with a favorable recommendation to allow girls to play high school football. Butler stated, that football is a "very physical" game. He also expects that there will be a "rather interesting debate on whether it should or should not be allowed."

In academic-related issues, school superintendents have been surveyed to see if they favor changing the authoritative source (from Webster's New Third International Dictionary, Unabridged, 1986, to a desk dictionary like is done at the elementary and junior high level) in the high school spelling and vocabulary contest.

The 24-member Legislative Council is composed of one member elected for a four-year term from each of the four UIL basketball regions within each of the five conferences, and four members, one at-large from each of the four UIL regions. The four at-large members are appointed to Council by the Chairman of the Legislative Council. Butler is in his second term and was elected by other superintendents in the region. He is also serving as the state chairman this year.

The Council's duties include:

- Proposing and passing amendments to the UIL Constitution and Contest Rules.

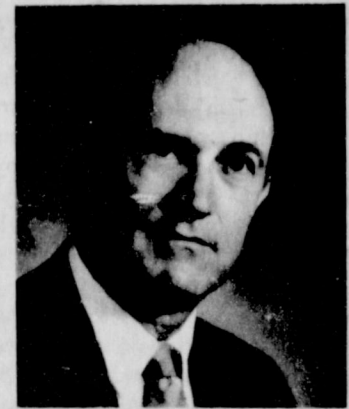

- Amending or adopting contest rules.

- Appointing standing and special committees.

- And fixing membership and participant school fees.

All UIL rule changes must be ratified by the State Board of Education before going into effect.

Butler also serves on the Council's Standing Committee on Finance.

Church hosts choir

On Tuesday, October 20, a big golden bus with "Apostolic Faith Bible College" emblazoned on the side will pull into town.

Spearman is a scheduled stop on the annual southwest tour of the choir, which is based in Baxter Springs, Kansas.

The Apostolic Faith Bible College, the home of the choir, is a small college in extreme southeastern Kansas. Students from all over the United States have attended there since 1945, when the school was permanently located in Baxter Springs. Prior to that, the school

has been located in different places in the Midwest since the early 1900's, when it was founded by Charles Parham.

The Bible College since its inception has been operated on a free-will basis due to the support of people across the U.S. The college offers courses in Old and New Testament history, church history, Sunday School training, sermon preparation, music training and various other ministry and church-related subjects. Students from many backgrounds and denominations have benefited from the practical training received at the college.

The choir will perform twice on October 20 here in Spearman. At 2 p.m., they will be singing at the Hansford Manor and later that evening at 7:30 p.m. there will be a concert at the Spearman Apostolic Faith Church at 9th and Dressen. Everyone is invited to share in a night of enjoyable gospel music. If you would like to know more about the college, please contact James Brown at 659-2870 or the college Superintendent, Savory Grimmer at (316) 856-3283.

Last Monday, October 11, we commemorated the 500th anniversary of an event that forever changed the course of human history. A brave and courageous Spanish crew, led by an Italian sailor, had set off to try a yet-untested theory, that by sailing to the west across uncharted seas, they could reach the fabled land of India. On October 11, 1492, Christopher Columbus espied land and made his first landfall, as most historians hold, on the island which he named San Salvador, one of the Bahama Islands. Although it seems certain that others from the West had landed on the American continents previously, it was the encounter that Columbus made with the Americas that had a lasting effect. His was the first of many journeys that brought soldiers, colonists, missionaries, ne'er-do-wells, and many others from Europe to these newly encountered lands. It became apparent that this land was not India, but an unsuspected land mass, a New World, the existence of which the scholars of Europe knew nothing.

Tradition has it, and there is no reason to doubt it, that when Columbus landed he fell on his knees and prayed to God for bringing him to land. He then planted a cross and claimed the land for Jesus Christ and the King of Spain. In his footsteps many others came, some seeking fortune, others fame, but very many seeking the freedom to practice their faith without the barriers that surrounded them in their former homes. In the vast new lands homes could be found where God could be worshipped in the way they judged best, and where they could seek new adherents to their practices as they judged opportune. Missionaries from many Christian churches brought Christ to the new land, and fearlessly proclaimed their faith and their willingness to share it with others.

Some say today that this encounter with the Americans was a most unfortunate day, for it led to

Spiritually Speaking

the decimation and near-extinction of the people already dwelling in these lands, the Native Americans (who had arrived here some centuries before). In their greater sophistication it was perhaps inevitable that the newcomers would overwhelm the natives of simple ways. It is so much the history of humankind that "might makes right." It was from the tyranny of might that Jesus came to set us free. Yet so ingrained within us is the power of "might" that those who came, even if professing the name of Christian, failed to treat with proper respect the rights of those who were here before.

However, after these 500 years, we cannot re-shape what has happened. We do well to admit that the zeal of some of those who dealt with the Native Americans was excessive, and having admitted that, then go on to explore ways in which we can learn from them, as we can learn from all people, a deeper understanding of the wisdom of God, who speaks to us in various ways by various people.

We can resolve to be humble enough to realize that all cultures and all people have a place in this world, that each nation, and indeed each person, has a contribution to make to the whole mosaic of creation. Only Jesus has it all.

One thing we may learn from the Native Americans is their love of Mother Earth. From the earth we have been abundantly provided with food and wealth. Our Panhandle economy exists by what we take from the earth's surface and from its depths. We are the beneficiaries of God's command to the earth, for at his word (Genesis 1,12), "The earth brought forth vegetation, plants yielding seed according to their own kind, and trees

bearing fruit in which is their seed, each according to its kind. And God saw that it was good." We must always be grateful to God for giving us the earth and its riches, and respect it and treat it well.

When mankind first appeared, "God Blessed them, and God said to them, 'Be fruitful and multiply, and fill the earth and subdue it'" (Genesis 1, 28). In crossing the Atlantic Christopher Columbus was engaged in the task of filling and subduing the earth, just as our astronauts were doing as they ex-

plored beyond the bounds of earth. We honor our Creator when in our own lives we explore the meaning of the life he has given us, when we plumb the height and depth of his call to us to come to him and know him better. Our prayer should be a voyage of discovery as much as was the voyage of Columbus. It is a voyage from a God we do not know to a God we will know well. Thus too our life. It is a voyage where we can say: "Now I know in part, then I shall understand fully, even as I have been fully understood" (1 Cor. 13, 12).

Chamber Chatter

by Cindy Blackman
Chamber Manager

As the director of the Chamber of Commerce and as a retail merchant, I think it is so sad to see another business in Spearman closing.

What's going to happen to Spearman? At the P.A.C.E. (Panhandle Area Chamber Executives) meeting in Amarillo last Friday. The Borger Chamber director really hit the nail on the head. Borger has a new United grocery store beside their Walmart store and he wanted to "thank" the Spearman people who are supporting their store! When he said this I just looked at him, not knowing what to say.

Do you see what we are doing? We have to stop and look at our town. Shopping a store one time a year during a close-out sale is not supporting our local businesses. Please support our merchants.

The chamber wants to welcome

new member George Finley. George is the postmaster and will be an asset to our chamber and community.

Once again, D&L Map Company is not being endorsed by the Chamber or the City.

At the movies . . .

Beginning Friday, Oct. 16 and running through Tuesday, Oct. 20, at the Lyric Theatre in Spearman is "Honeymoon in Vegas" on screen 1 at 8 p.m. and "Single White Female" on screen 2 at 7:45.

"Honeymoon in Vegas" stars Nicholas Cage and Sarah Jessica Parker. It is directed by Andrew Bergman.

"Honeymoon in Vegas" is a sweet and zany new comedy about a guy, a girl, a gangster and a plane load of skydiving Elvis impersonators. Cage plays an "mama's boy" and Parker is his sexy schoolteacher girlfriend. After much arm twisting, the two arrive in Vegas where Cage has agreed to tie the knot. It is in Vegas where they are spotted by the gangster, played by James Caan. He is a professional gangster who thinks Parker is the spitting image of his dead wife.

So Caan gets Cage to join in a poker game. The only thing is the

game is rigged. Cage is out \$60,000. Here comes the deal-Caan says to forget the money and give me your fiancée for the weekend. It's agreed.

Caan takes Parker on a dream date to Hawaii. See this delightful comedy for the rest. It is a zany comedy everyone will enjoy.

"Honeymoon in Vegas" is rated PG-13.

"Single White Female" stars Bridget Fonda and Jennifer Jason Leigh and is directed by Barbet Schroeder.

"Single White Female" is the latest lurid thriller about a live-in psychopath. It is about a young woman who is plunged into a personal nightmare when a domineering, obsessive new roommate moves in and proceeds to take over her life.

While watching this film about a young Manhattan woman and the clinging, psycho roommate who turns her life into a nightmare, you're never in doubt that each twist is going to lock into place.

Hedy (Leigh), the roommate, is an earnest, bedraffled loner with the tentative smile of a depressed high school sophomore. But she is convinced that she has found a spiritual sister in Allie (Fonda). Allie is a no-nonsense software designer who agrees to let her share her oversize flat on the Upper West Side.

After just braking up with her finance, Allie feels isolated and wants a friendly presence around.

But, Hedy likes her too much, idolizing her and wishing she could be her.

This is a thriller that will keep you at the edge of your seat.

A leading review magazine says this, "If the movie had shown us more of Allie responding to Hedy's hostile feminism, the relationship might have had greater resonance. As it is, there's just enough going on between the two women to give the movie a *Fatal Attraction* - style antifeminist subtext: Allie, having taken back her fiancé, must now escape the clutches of Hedy, the symbolic separatist."

"Single White Female" is rated R.

Martin and Reid... united in marriage

Jody Lynn Martin and Warren Reid, both of Amarillo, were united in holy matrimony Saturday, Sept. 26, 1992 at 4 p.m. at the home of the grooms parents in Amarillo. Officiating minister was Rev. Dick Marcear of the Central Church of Christ in Amarillo.

The bride is the daughter of Mr. William and Lynn Martin of Gruver, and the groom's parents are Mr. Jim and Shiela

Reid of Amarillo.

During the garden wedding the couple exchanged vows near the cascading waterfall above the rock pond. The grounds were decorated with perennial garden flowers and rose bushes.

Music was played by the Vienna Conspiracy (members of the Amarillo Symphony). The string quartet consisted of two violinists, a violist and a cellist. Vocalist Jim Batton of Mobeetie sang "You'll Always be a child in My Eyes."

The maid of honor was Jackie Sparks and the best man was Mike Kral of Amarillo.

Bridesmaids were Lori Reid, sister of the groom, and Tracy Logsdon. The groomsmen were Steve McCarty and Kevin Potts.

During the ceremony the couple chose to plant an oak tree as a sign of their unity and the beginning of their new life together.

The bride wore a full length satin gown with fitted Bodis Radsequins and seed pearls. The head piece was a shoulder length 3 tier veil of Bridal illusion. She carried a cascade bouquet of pink and white roses with white callallies, baby breath and stephanotis.

The bride's attendants wore black and pink floral, off the shoulder, two piece tea length outfits. The Maid of honor carried two long stem roses with babies breath and black and pink streamers while the bridesmaids carried one long stem rose, with babies breath and pink and black streamers.

The groomsmen wore white double breasted tuxedo jackets with black trousers. Their boutonnieres were a single white rose.

Mother of the bride wore a two piece pink silk shantung dress. The grooms mother wore a jade green coat dress. Both flowers were white roses and carnations with babies breath.

Following the wedding a reception was held.

The Vienna Conspiracy, string quartet play in the Gazebo during the reception.

The bride's table was covered with formal floor length cloth. On the table was a three tier cake, pink and white roses, babies breath, and a greenery arrangement at the top. Between the tiers there were arrangements of pink and white roses. There were two silver punch bowls with pink punch served by Ronay Bryan of Happy, Melissa Randall and Lori McCrite, both of Amarillo.

The grooms table held silver coffee service and a pink and white floral arrangement. The chocolate cake was decorated with trees and garden tools. It was served by Lisa Fry, and Lannie Jarnagin, both of Amarillo, cousins of the groom.

There was also a refreshment table with a punch fountain. Crackers and aged cheddar cheese from N.Y. state were served by Donna Ross and Pat Minter of Gruver.

Melissa Randall of Amarillo was in charge of the guest register.

To leave for their honeymoon at Montego Bay Jamaica, the bride wore a two piece pink linen suit. Upon their return the couple plans to make their home in Amarillo.

The bride graduated from Gruver High School and attended Texas Tech University. She works at Nunn Elect. Supply Corp. of Amarillo as a secretary.

The groom graduated from Canyon High School and attended West Texas State University. He is a member of the fraternity Alpha Tau Omega. He is the manager of a family owned business, Coutler Garden of Amarillo.

Out-of-Town guests were Jayne and Irwin Speiser of Fresno Calif., Lois, Ray and Bradley Robinson of Higginsville, Mo., Gean Smith of Dallas and Sue Durham of Marlin Texas.

For the rehearsal dinner the grooms parents held a cook-out in their yard, for the wedding party and special guests on the eve after the wedding rehearsal.

by Helen Fisher

Alice Lackey enjoyed her guests from Derby, Kansas from last Sunday through Wednesday. Her niece and husband, Mr. and Mrs. V.L. Cannon, may have felt with last Wednesday's weather, it was a good time to leave. Donna Sheets joined them during their stay.

Henry and Mary Cornelius flew to Knoxville, Tennessee week before last to meet an old school friend from Pittsburg. She joined them for a tour of the Smoky Mountains. They spent several days at an interesting little place called Townsend, and then wandered through several other scenic towns, one called Pigeon Forge near Gatlinburg. They went on to North Carolina and toured the Indian Museum at Cherokee, remembered for the association with the "Trail of Tears."

The foliage had not quite begun to turn during the week they were there.

Old friends and relatives of the former Paula Jackson were saddened by the news of the death of her grandson in a traffic accident on Saturday, October 10 near Oklahoma City.

Paula and her husband, Robert J. Nelson, now live in Harrah, Oklahoma. Little Bobby Littleton, seven years old, was with other family members when their car was struck by another vehicle. Others in their car were not seriously injured.

Bobby was the son of Paula's daughter, Suzanne and Chuck Littleton. The funeral was held Tuesday at Tuttle. It was attended by Barbara Rosser, Paula's sister and brother Bill Jackson, and another brother, A.L. Jackson of Guymon.

Heartfelt sympathy is extended to Paula and all her family in this tragic loss.

Gloria Knox returned Tuesday from Mobile, Alabama where she was for a week. Her sister, Joy Kiser, underwent surgery, and was recuperating by the time Gloria left for the return trip. Joy will resume chemotherapy soon.

Maxine Banister flew to Arlington, Texas and spent a long weekend with Chad Baxford.

Eva and R.E. Lee of Hobbs were here week before last with her mother, Mrs. Eva Adkison. Next came her daughter-in-law Vickie Wilde Adkison to spend last week. They were joined by her son Charles for the weekend. They are also from Hobbs.

Marti and Mike Garnett spent four days last week in Riverside, California. Their son, Jon, and Kelly and two sons and daughter live there as he is in property management and real estate. Marti's parents and brother and family also live in Riverside.

Fred J. and Sharlie Hoskins of Hurricane, West Virginia spent several days here last week with his mother, Sada Hoskins, and his sisters. During their stay, Sada Ruth and Howard Long of Bartlesville joined them, as did Winifred and

J.D. Hester of Texline.

The Hoskins were enroute to Temple, Texas where their daughter is a nurse at Scott and White Hospital.

Louise Vanderburg, in fleeing a swarm of yellow jackets one day last week, fell as she rushed in the door. She struck the cement driveway and was unable to move. Everett called the ambulance and she was brought to the hospital. She was taken home on Sunday but still is bedfast with back injury.

Everett is providing the TLC, but somehow his farming experience didn't exactly qualify him as a nurse. He can compare himself to a pin—always pointing in one direction and heading in the opposite.

Louise is advised to get all the mileage possible from the situation.

Dorcus Collard returned Sunday from a week in San Antonio where she visited her uncle and two aunts. Dorcus grew up in San Antonio, but was amazed at how much the city has expanded.

Randy and Vickie Collard and children came over from Baton Rouge for a few days with her.

Betty and Roy Lee Uptergrove spent last weekend at Coppell near Dallas. Their son Allen and Donna live there and the occasion was to mark the very first birthday of their daughter, Kaley.

Walter and Ruth Coates, former Spearman residents left Sunday after spending a week here in the home of their daughter, Carolyn and Jimmy McLeod. The Coates live at Tyler since his retirement - there are many lakes in the area and he can get in a lot of fishing. Their son, Billy, and daughter, Barbara, both formerly of Spearman, now live at Tyler.

On Saturday, the Coates and McLeods attended a family reunion at Borger consisting of the family of Mrs. Coates.

Bill Goodrich was working on the roof of his home Thursday when the ladder fell, throwing him to the ground. He was taken to Hansford Hospital, then to Pampa. He learned that he had crushed his right wrist and a number of pins were implanted. With a heavy cast he has difficulty with even the least household chore, and is hopeful he can soon return to his duties at Transpecto Company in some capacity to ease his "cabin fever."

45 weary travelers reached Spearman late Sunday evening after five fun-filled and packed days and nights at Branson, Missouri. The tour was organized by Wheatheart Travel and included passengers from Booker, Perryton, Gruver, Spearman, Stratford and Guymon. The Spearman folk were delighted that Kent Friemel was the driver of the tour bus.

Their main activity was attending two shows a day in the area which is noted for the outstanding entertainment. Enroute back, the group took time to stop near Spring-

Elder, Hunter wed

Marci Elder and Pat Hunter were united in marriage on Saturday, Oct. 17, at 7:30 p.m. at the Paramount Terrace Christian Church in Amarillo. The Rev. Roy Wheeler officiated.

The bride is the daughter of Mr. Jim and Karen Elder of Amarillo. Parents of the groom are Cheryl Hunter of Amarillo.

Maid of honor was Karen Wiek Bartley of Canyon. Bridal attendants were Angie Vigil of Amarillo and Shelli Beerwinkle of Earth.

Best man was Cal Holwick of McLain. Groomsmen were Dan Dockery of Eden and Lee Bartley of Sudan.

Ushers were Mark Elder of Amarillo, brother of the bride, and Jeryme Hunter of Spearman, brother of the groom. They were also the candlelighters.

Flower girl was Lauren Miller of Fort Worth, cousin of the bride. Ring bearer was Orie Cooksey of Spearman, cousin of the groom.

The bride attended Expositos School of Hair Design and is now working at Salon Rouge.

The groom attended West Texas State University and Tarleton State University. He is now employed by B.P. in tannery maintenance.

Blackburn, Robison... exchange wedding vows

Adrian Elizabeth Blackburn and Curtis Lynn Robison exchanged wedding vows at 7:30 p.m. on September 19, 1992, at the home of Zetha Blackburn in Dimmitt. Rev. Paul Kinley officiated the ceremony.

The bride is the daughter of J.E. Blackburn of Spearman and Zetha Blackburn of Dimmitt.

The groom is the son of Lynn and Nora Robison of Perryton.

Matron-of-honor was Shelia Murray of Dimmitt. Bride's maids were Regina Abston and Tracy Tigrett of Spearman.

Best man was Ron Snyder of Perryton. Groomsmen were Brad Irwin of Spearman and Billy Robison of Perryton.

Candle lighters were Cindy Robison of Perryton and Tony Brady of Perryton.

Music was provided by Denise Bridges, sister of the bride.

The couple currently resides in Clarendon, Texas.

Hornsby and Pipkin... commended students in the 1993 merit program

Bill Ingram, principal of Spearman High School, announced this week that Chris Hornsby and Cody Pipkin have been named Commended Students in the 1993 National Merit Scholarship Program. A Letter of Commendation from National Merit Scholarship Corporation (NMSC) which conducts the program, will be presented by the school to these outstanding seniors.

About 35,000 Commended Students throughout the nation are being honored for their outstanding performance on the 1991 Preliminary Scholastic Aptitude/National Merit Scholarship Qualifying Test, which was the route of entry to the 1993 Program. Commended Students have shown ex-

ceptional academic promise by placing among the top five percent of more than one million program entrants, although they will not continue in the 1993 competition for Merit Scholarships.

An NMSC official stated, "The high performance of Commended Students in the extremely competitive Merit Program and the school's important contribution to the development of these scholastically talented youth deserve public recognition. We hope the honor these students earned will encourage them to take advantage of their opportunities for higher education and will serve as an example for other aspiring young men and women. Our nation will benefit from the fullest development of this intellectual resource."

Dahlia flower club meets

The Dahlia Flower Club met October 5 in the home of Marjorie Curtis. Wanda Smith, the president, called the meeting to order. Karen Babitzke led in the pledge to the flag, and Cleo Denman led in the club collect.

The minutes were read and approved and the treasurer's report was given. Ethel Ellsworth made a motion that \$50. be given to Hospice. Motion seconded and carried. Karen Babitzke announced the Rotary Clothing Drive and that mammograms will be given November 13 in Gruver. Roll call was "Do You Recycle Clothing and How?"

Karen demonstrated some interesting things that could be done with sweatshirts and t-shirts. A lovely installation service was given by Cleo Denman.

Refreshments were served to three guests, Mrs. Jimmie Hester, Holly Bollinger and Charlotte Bollinger and members, Karen Babitzke, Cleo Denman, Sara Dossett, Ethel Ellsworth, Sada Hoskins, Wanda Smith, Jewel Turner, Ruth Mary Whitson and Frances Williams by the hostess, Marjorie Curtis.

The next meeting will be December 8 in the home of Karen Babitzke.

Lynx from page 1

Lynx running backs Vanderburg and Gallegos.

The drive stalled and the Lynx turned the ball over to Gruver when they failed to make a first down. For Gruver it was four plays and punt.

On this possession the Lynx moved the ball from their 36-yard line all the way to the Gruver end zone. The drive took eight plays. The longest play was a quarter-back bootleg run by Varnon that covered 25 yards. Vanderburg ran over two tacklers on the right end of the line and ran untouched the last 14 yards for the Lynx's first score of the game.

With Toby Thompson holding, Dee Mayfield kicked the PAT to make the score 7-3 in favor of the Lynx. That is how the score stood when the quarter ended.

In the second half the Lynx would score the second time they had the ball. It started when Varnon went 64 yards for a touchdown. Unfortunately an official detected a Lynx holding on the Gruver 33 yard. The touchdown was called back to that point and a 10 yard penalty was tacked on.

As a result of the holding penalty the Lynx had first and ten on the Gruver 43-yard line. From there it was a 21-yard run for Vanderburg with 15 yards added on thanks to a

penalty. Then Gallegos ran the last 6 yards for the touchdown. The PAT kick was missed to leave the score 13-3 in favor of the Lynx.

Gruver would score their touchdown in the third quarter as well. It came as a result of a Lynx fumble on their 43-yard line. Gruver would take the ball and gain a little on the ground but it was a 28-yard pass play on third and 11 that would give them the touchdown.

In the fourth quarter Gruver would threaten to score one more time. Again thanks to one long pass play Gruver found themselves on the Lynx 17-yard line with a first down. They were unable to make a first down from there in four tries.

From their own 13-yard line were they took over the ball, the Lynx ran out the clock with a 17-play drive that was on the Gruver 8-yard line when the game clock ran out.

During the 1992 tournament season, Jay entered four tournaments sponsored by Southwest Outdoors and won three times! His most recent victory was at Lake Baylor where he caught, weighed, and released the biggest bass of the tournament, a 5.97 lb. largemouth bass. Second place went to **NICKIE GAGE** of Vernon for catching a nice 4.22 lb. bass. Third place went to Nickie's fishing partner **RUDY KOCH**, also of Vernon. Lynx break hounds heart

by Bob Bort
"It was a tough loss," said Gruver Greyhounds Head Coach Doug Frick. "But I have faith in the kids - they'll bounce back," he added.
Frick was talking about the 13-10 loss at Spearman to the Lynx this past Friday, Oct. 9, in a game where the Hounds had a chance to win it with about 6 minutes left in the game. But the Hounds were stopped on a fourth and one at the Lynx 10-yard line.
Coach Frick said there were a couple of other plays he could have called, and he also considered kicking a game-tying field goal, but felt the Hounds needed to take the lead at that point in the game.
It was Homecoming for the Lynx, and Queen Mary Catherine Cook brought the Lynx luck. They dominated the game on the offensive end, rolling up more than double the Hounds yardage on the ground.

Brandon Vanderburg rushed 20 times for 142 yards, Lonny Gallegos had 18 carries for 58 yards, and quarterback Jason Varnon, though he didn't complete a pass, added 60 yards rushing on 13 carries. The Lynx out rushed the Hounds 272-109. For the Hounds, Victor Lopez had 60 yards on 16 carries, and Brady Pool had 41 yards on 12 carries.
The game was hardly all classic football, as it was pretty ragged at times, but it was a classic drive by the Lynx which ran out the clock after Gruver was stopped on the fourth down play, that won the ball game for the Spearman team. They took up the entire remaining 6 minutes and drove from the Lynx 11-yard line to the Hounds 10-yard line. Gruver could not stop the Lynx rushing attack, and Coach Frick credited the Lynx offensive line.
It was the first meeting for the

Hounds and the Lynx, county rivals, since 1987, and it had it's moments.
•Two fumble recoveries by the Hounds, each of them leading to a Hounds score - one by Kevin Spivey, one by Aaron Frick.
•A tremendous effort by Kenton Odom on a 31-yard pass play from Jace Dawson. Odom broke 2 or 3 tackles for extra yardage giving the Hounds field position for a field goal.
•Frick's 26-yard field goal, perfect, to give the Hounds a 3-0 lead at the start of the second quarter.
•The Hounds defense stopping Gallegos for a 4-yard loss on a fourth and one at the Hounds 24 later in the second quarter.
•An interception by Jeffrey Price, stopping another Lynx drive, with the Lynx leading 7-3.
•Varnon's 64-yard touchdown run, called back by a penalty, but the Lynx scored anyway on that drive, taking a 13-3 lead.
•A beautiful halfback pass from Vic Lopez to Spivey for a 27-yard touchdown in the third quarter, to make it 13-10.
•A 76-yard drive by the Hounds in the fourth quarter, falling 10 yards short of victory. There was a beautiful 29-yard pass play on a reverse in the backfield, with Spivey passing to Fabian Royval.
•The game ending with an 80-yard drive for the Lynx.
Coach Frick gives this scouting report on Stratford, the Hounds opponent this week at Greyhound Stadium. "They have a power foot-

A Gruver defensive player scoops up the football after a Spearman running back let it slip out of his hands.

ball team - they'll run right at you. They have a quick defense along with some size. On offense they'll run the Wishbone and sometimes the I Pro. Sometimes they will run the Broken Bone. What they run most are the leads, they option a little, with a lot of counters. The quarterback is the coach's son, Donnie Gray, and they have good running backs in Clint Vincent, Michael Brooks and Toby Diamond. They have an outstanding line-backer in Alberto Aguilera." All

those comments about Stratford are from Coach Frick's scouting report - the Elks have lost only one game all year, to Dalhart, and they are the favorite to win district 1-AA. Gruver is now 4-2, 1-2 in district competition.

All time since 1953, the Hounds are 15-20-1 vs. the Elks, and the last time they played was last year in Gruver with the Elks winning 35-7. The last Gruver victory was in 1988, 28-14.

Gruver hounds, Spearman lynx split pair

by Bob Bort
This past Thursday, Oct. 8, the Gruver Greyhounds and the Spearman Lynx got together for a pair of ballgames at Greyhound Stadium, and the two teams each won one game. The Junior High Hounds defeated the Lynx 8th grade 14-0, while the Lynx JV defeated the Hounds JV 28-0.

In the Junior High game, highlights from the first half included a nice 21-yard pass from Brant Armes to James Sursa. In the second half Jarrod Hoel, who rushed 12 times for 88 yards during the game, scored on a 65-yard run in the third quarter to give the Hounds a 6-0 lead. The Hounds made it 14-0 in the fourth quarter, as Armes intercepted an errant Lynx pass at the 35-yard line, and returned it 34 yards to the 1-yard line. Josh Mayhew bulled over for the touchdown, and a pass from Mayhew to Juan Bravo completed the scoring.

In the JV game, the Hounds simply met a better team, as the Lynx scored in every quarter. With all due respect to the Lynx, and in fairness to the Hounds, Gruver's ranks had dwindled in one week from 22 healthy bodies to only 14 for this ballgame, and they were overmatched. Four of their key starters, included the top three running backs, were out for this ballgame. Ryon Atwood (injury), Max Frick (moved up), Rosalia Arreola (injury), and Fabian Salazar (injury) were all on the sidelines.

Spearman had two 100-yard rushers, and they were too much for the Hounds to handle. Phillip Sanders rushed 14 times for 109 yards, and Shawn Moore did him better, rushing 10 times for 162 yards.

The Gruver teams will be playing the Stratford teams at Stratford this coming Thursday, Oct. 15.

A difference of taste in jokes is a great strain on the affections.

Hansford County High School rodeo contestants competed at the Canadian Tri-State High School Rodeo held Saturday, Oct. 10.

Gruver's Brady Pool won the ribbon roping event. He had a time of 7.062 seconds. This time was 2.358 seconds faster than the second place finisher Brandon Brown of Dumas. Brown completed the event in a time of 9.420.

Pool also placed in the bareback riding. He tied for fourth place with Brent Gibbs on Randall. They both scored 53 points on their rides. Jimmie Henderson of Hereford won the event with a score of 63 points.

Spearman's Matt Eakin also competed at Canadian. He placed sixth in the steer wrestling, throwing his steer in a time of 37.386 seconds. Joshua Purcell of Wheeler won the event with a time of 14.247.

Lady Hounds C.C. competes at Lubbock

by Bob Bort

The Gruver Lady Hounds cross country team competed at the varsity level at Lubbock this past Saturday, Oct. 10., and coach Steve Myatt is very pleased with the results. According to Coach Myatt, he is very encouraged now that the Lady Hounds may be able to make a repeat trip to state at Georgetown, and he says the girls are gaining more confidence each Saturday. Here are the results from Lubbock.

TEAM STANDINGS - 1. Canyon-28; 2. Perryton-99; 3. Stratford-132; 4. Sundown-188; 5. Gruver-206. There were 36 teams competing.

INDIVIDUAL RESULTS - 13. Cora Meyer-12:52; 32. Tisha Ralston-13:31; 37. Myrium Alvarez-13:37; 40. Julie Meyer-13:39; 84. Holly Venneman-14:22; 85. Wendy Rodriguez-14:22; 88. Joni Hart-14:24. Also running as individuals were Kasey Davis (14:45) and Monica Ward (15:32).

The cross country teams from Gruver will be competing at Stratford this Saturday, Oct. 17.

A heat pump gives you a cool way to save year-round

You can get up to a \$275 rebate when you choose a central heat pump to keep you cool in the summer and provide cozy warmth in the winter. Texas-New Mexico Power Company is offering rebates starting at \$200 for new heat pumps with a Seasonal Energy Efficiency Ratio (SEER) of 10.5 or higher. TNP will give you a rebate of \$275 for buying a heat pump with a SEER greater than 12.0.

Since a central heat pump is efficient at both heating and cooling your home, you'll also enjoy year-round comfort and year-round energy savings.

For more information, call or visit your local Texas-New Mexico Power Company office.

PUBLIC NOTICE

NOTICE OF ESTATE SALE

The First National Bank of Perryton, Texas, as Trustee of the Julia Manning Trust, is offering for sale approximately 480 acres of land in Ochiltree County, Texas. The land is described as the north Half and Southwest Quarter of Section 44, in Block 4, GH&H Ry. Co. Survey. There is approximately 262 acres of irrigated farm land, 80 acres dry farm land and 138 acres of grass. The successful bidder will be entitled to possession of the grass, and farm land not planted to wheat, immediately upon closing. Possession of the land planted to wheat will be granted upon harvest in 1993 (or sooner if arrangements are made with the existing tenant). Sealed bids will be opened on October 27, 1992 at 10:00 a.m. in the offices of the Trust Department of the First National Bank at 210 S. Main in Perryton. At that time, all eligible bidders will have an opportunity to raise their bids.

The successful bidder on the land will enter into a contract of sale, and deposit five percent (5%) of the purchase price as earnest money. The Trust will provide a title insurance policy and a general warranty deed upon closing. All oil, gas and other minerals owned by the estate shall pass to the buyer. For written instructions, bid forms and further information, contact Bruce Julian, P.O. Box 929, Perryton, Texas 79070, telephone number 806-435-3676. Announcement on the sale date will supersede any prior advertisements. The Trustee reserves the right to reject any and all bids.

field, Missouri to visit the Precious Moments Chapel. It was most impressive and the environs have to be seen to get any idea of them.

Those making the tour from Spearman were Gertrude Archer, Mary Fern Terry, Pat Dear, Beuna Lyon, Catherine Lusby (Canadian), Mary Dixon, Peggy Archer, Altha Fisher, Linda Latta and her mother Alice Harrison, (Oklahoma). Gruver residents were Carla Gumbo, Anna Beth Wood, June Barkley, Mavis Hart, Angie Remmel, Bertie and H.M. Frazier. Last minute arrival was Maxine Vernon from Springville, California.

Well, not much time left before the elections are finally over. The following predictions have been recently and randomly gathered from newspapers and publications (none from commentators) as to what can be expected after the elections.

Might be interesting to clip and see which if any come true.

If Clinton is elected—
The White American male will be forced further into obscurity.

Saddam Hussain, who is quietly on the sidelines now, will initiate more aggression, knowing that talk will be the only weapon used against him.

That the Biblical proverb "He who provides not for his own is worse than an infidel" will be as passe' as prayers in schools.

Interest rates and inflation will return to those in the Carter administration—such as 22% interest, etc.

The liberal labor unions will again control business and industry and send many into bankruptcy.

National decisions will be controlled by the Hollywood AIDS activists who have largely financed his campaign.

With his anti-business attitude, many companies will move to foreign countries - thereby costing many American jobs.

The list could be added to but space will not permit.

For the other side - if President Bush is reelected—

The predictions were mostly general and few specifics could be gathered. They seemed to focus on the economy and included—

The recession will continue, causing the salaries of ball players to plummet from the present five million per year to possibly one million a year. The same for rock stars.

The money paid into lotteries nationwide will drop from hundreds of millions a year to just tens of millions.

Attendance at professional sports events will drop from 40 to 50 thousand per game to a mere 20 thousand.

There would be tremendous drops in sales of alcoholic beverages - could even force some of the population to go back to bootlegging.

The third candidate apparently is not taken seriously. Well, we shall

see what we shall see.

Patty and Walter Spoonmore are relishing the memories of their recent trip from which they returned on Thursday.

They left September 30 for Mansfield, Texas to get acquainted with their brand new grandson.

Kevin Allen, the son of Kurt and Dana Spoonmore, was born on September 19. He weighed a whopping 9 lbs. 14 ozs. His other grandparents are June and Don Greer of Ft. Worth, and his great grandmother is Nina Spoonmore of Pampa.

While the Spoonmores were in Mansfield, their other son, Tim, who was on vacation from American Airlines, joined them. He flew with them to Seattle. From there they went to Vancouver, British Columbia where they met friends who took them over the area. One of the more interesting side trips was taking the ferry to Victoria and touring the island. They found the noted Butchart Gardens especially interesting. They flew back by way of Dallas.

FFA Member of Week

by Santos Rivera, Jr.
Sharlet Slough has been selected as this weeks "Gruver FFA Student of the Week."

Sharlet is the daughter of Kenneth and Alice Slough. Kenneth and Alice own and run the Gruver Agri-Industries, Inc.

In Sharlet's four years as a FFA member, she has participated in many FFA activities. She has been in the State Livestock Judging, and Jr. and Sr. Parliamentary Procedure. Sharlet has also showed hogs and sheep in stock shows.

Degrees and positions held in FFA are District Star Greenhand, Area Chapter Farmer and District Lone Star Farmer. She is currently the Gruver Chapter vice-president.

Sharlet's plans and goals for the future are attending Texas A&M

Sharlet Slough

University. She plans to major in animal science. She is hoping to receive scholarships in Agriculture. She also wants to get married and become successful in career and life.

All progress is based upon a universal innate desire on the part of every organism to live beyond its income.

What's In A Name?

People ask for brand name products because they have become known for dependability and service throughout the years. These names assure us of quality.

We, too, are known by our names. Mention of John Smith immediately inspires a positive or negative reaction, depending upon the man's reputation. A good name is indeed our most priceless, yet most perishable, possession.

Day in and day out, our thoughts, words and actions must be on the side of goodness, for it is today which determines tomorrow's past—for good or for bad.

If we could only perform each act and utter each word as if they were our last, those by which we would be remembered, then how great would be the significance of our names!

In this confused era, where better can we turn for guidance and help than to our church or synagogue? Here you will discover God and His Word—the most hallowed name of all. Seek Him in His house this week.
