Farmers Ready To Plant Cotton

Rain Puts Planting Moisture In Fields

The slow rains which fell in most parts of the county Friday night should aid farmers in getting their cotton planting started during the next week, says county extension agent Bob Benson.

Benson said that Friday night's rain, coupled with the showers which fell last week, with another slow rain in the next few days, would make ideal planting conditions for the county's cotton farmers.

"Some of the farmers start getting ready to plant after the 10th of May," Benson said, "and this almost general half-inch should get them in the fields Monday and they'll start getting their seed in the ground."

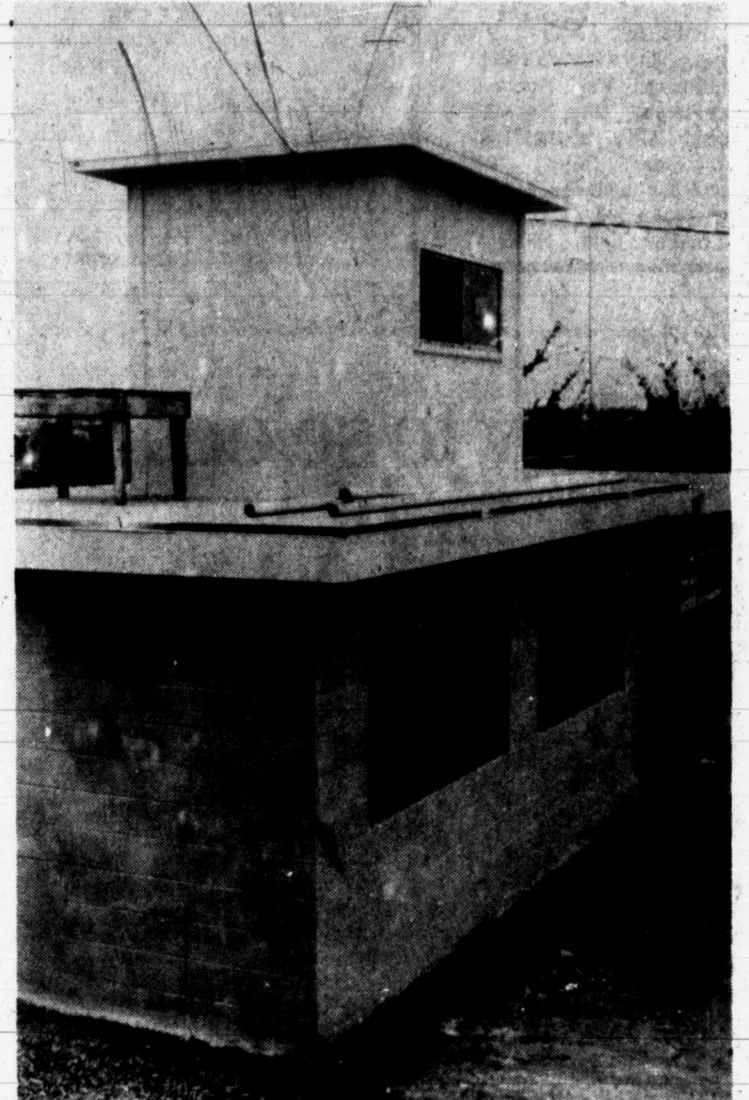

"Some places are still needing a rain before planting and we could use another half to an inch, slow, for good planting moisture," he added.

The heavy rains which fell in the San Angelo area would not help much more than a good slow half inch for planting, because the San Angelo rains fell too quickly to be absorbed.

Most of the county reported about a half-inch of rain, the area south of Loraine not getting any Friday night but had gotten from one-half to one inch last week. The Cuthbert area is still dry and badly needs planting moisture.

Town Talk

By MAC McKINNON

Last week, I mentioned that Highway Patrolmen have been directed to take CB radios out of their cars, much to the dismay of many people as those with CB's use the radios to notify the Highway Patrol of dangerous situations.

Since then, I have been given two addresses which those interested and concerned can write to protest this action. Those addresses are: Col. Wilson E. Speir, Director, Texas Department of Public Safety, Box 4087, N. Austin Station, Austin, Tex. 78767, and Capt. Homer Bailey, Texas Department of Public Safety, Box 3085, Abilene, Tex. 79605.

The Texas House of Representatives has done at least one constructive item of business during this session. They've passed a resolution calling on Congress to impose a six-month ban on all beef imports.

"Today's cattlemen are finding themselves caught in a serious cost-price squeeze, while Texas housewives are paying increasingly higher prices for foreign beef that is not subject to the same standards as domestic beef," said Rep. Fred Head of Athens.

"When imported beef and beef by-products compete with our superior quality American beef, then prices become artificially low and ranchers can't get a fair return on their investment," Head noted, adding that "feedlot operators are 'hurlin' for certain' because they are selling their cattle to meat packing companies and other wholesalers and retailers at a lower price than they paid for them."

Cattle prices seem to be edging up slightly but they've got a long way to go before cattlemen can get a fair price for their products.

A ban on imported cattle and the resignation of Agriculture Secretary Earl Butz would certainly go a long way towards helping the cattlemen as well as farmers.

Butz stuck his knife in the back of American agriculture just recently when he advised the President to veto the Emergency Farm Bill, a bill that would have greatly helped farmers throughout the county see the light at the end of the tunnel.

Critics of the bill said it would encourage the planting of too many acres of crops and it would hurt our competition on the world agriculture market.

Since we produce the bulk of the world's agriculture products it doesn't seem like anything would hurt our position to any great extent on the world market.

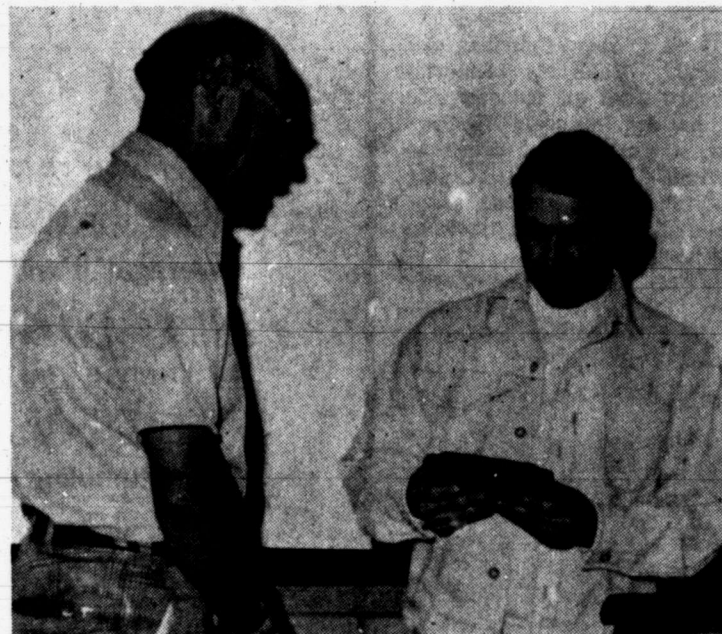

If farmers can't make a decent living, there soon won't be enough farmers to produce our own country's needs much less feed and clothe the world.

It seems to me there it is better to have too much than not enough.

I hope Congress feels the same way and will override the presidential veto.

City Council To Meet Tuesday

The regularly scheduled monthly business meeting of the City Council in Colorado City will be held at 7 p.m. Tuesday at City Hall.

Conservation Awards

George Martin, director of Mitchell Soil and Water Conservation District, presented Anastacio Alvarez, left, with a plaque honoring his contribution as 1974 Conservation Farmer of Mitchell County (top photo). D. M. Smith, also a director of MSWCD, presented a similar plaque to Troy Powell for his contribution to conservation work as an absentee landowner. Powell is a native of Mitchell County.

VFW Convention Here May 17-18

Members of the Eighth District Veterans of Foreign Wars and VFW Auxiliary will hold their convention in Colorado City May 17 and 18.

Hosting the convention will be members of Wilson Wyatt Post 9178 in Colorado City. Jesse Bunch commander and Edna Simmons, Auxiliary president.

A full round of events is planned for Saturday and next Sunday, says Bunch, starting with registration by both men's and women's groups from 12 to 5

p.m. in the VFW post home. A social hour and dance will follow.

Sunday's events include coffee time and business sessions with a special Memorial Service to be presented by the Auxiliary during a joint session of the two groups. A luncheon will follow.

VFW officers here are expecting from 300 to 400 people to be here for the convention from towns in the Eighth District.

Lions Observe Soil Stewardship

Special awards were presented during the Noon Lions meeting Friday as Lions joined with the Soil Conservation Service and Mitchell Soil and Water Conservation District in observing Soil Stewardship Week.

Van Mills, district conservationist with the SCS, introduced MSWCD directors Travis Turner, George Martin and D. M. Smith, who in turn, presented awards for outstanding conservation work for the year.

Martin presented Anastacio Alvarez with the 1974 Conservationist of the Year award. Alvarez lives and farms north of Loraine in the Lone Wolf Mountain area.

Smith presented Troy Powell of Abilene, former Mitchell County resident, with the 1974 award to a non-resident conservationist. Powell also won the Region II award for best contribution made by an absentee landlord and he lauded the efforts of William and Travis Conaway, who farm the land owned by Powell and his brother, Doyce, south of Westbrook.

Turner presented an award to the Colorado City Record for its contribution to conservation work, mentioning the co-operation between the SCS and MSWCD with the Record for getting news coverage for conservation efforts.

The Soil Stewardship Week observance ended with a showing by Mills and Nolan Bird, SCS technician, of slides displaying conservation scenes from each of the 50 states, Puerto Rico and the Virgin Islands.

The Soil Stewardship part of the program was preceded by a program presented by Nina Bodine and Dawn Lemons, Lone Wolf 4-H club members who won first place with their demonstration in an area-wide competition held in Lubbock last week.

Businesses Open, Locations Change

Open House reception for Matlock Farm Supply and Putane Service new business location on Interstate 20 has been set for all day Wednesday.

People are invited to attend any time during the day and inspect the new buildings and grounds.

A set of steel belted radial tires will be given away during a drawing.

The business is owned by V. W. Matlock and operated by him and his family. The new building has been open for business since before Christmas last year but no grand opening was held then. The Matlocks invite all their friends and business acquaintances to attend the reception Wednesday and register for the set of tires.

A number of business changes have occurred in Colorado City since the first of the year, including a change in the ownership of J&J Gulf on I-20. Jimmy Williams recently sold his half of the business to Jesse Wiggins and Wiggins said the station would go by the same name because everyone knows that name. Wiggins is now sole owner of the station.

E&W Communications is a new business recently opened at Conard's Texaco Truck Stop on I-20. Owned by Lesley Eason and Steve Winborn, the grand opening was held yesterday, offering as grand opening specials a discount of citizen's band ra-

dio equipment and free installation, plus a free Mexican food dinner at Cattleman's Restaurant next door.

Business locations for both Sears and Montgomery Wards catalog stores changed recently, Sears moving into the building formerly occupied by Village Shoes in downtown Colorado City and Wards moving into the shopping center on Hickory, plus changing ownership from Betty Williams to Billie Apperson.

Another new business in the same shopping center is Jennie and Dennis Wright's Security Corner, handling residential and commercial security systems and handmade articles, plus arts and crafts supplies.

A new business currently under construction in the county is Bob and John Tammen's Bojo's, a concession facility at the entrance to Lake Colorado City State Park. A complete offering of services there will include: trailer spaces with electrical, water and sewer hook-ups; sports supplies, including fishing lures and bait; groceries, gasoline, washateria, beauty shop, snack bar, ice, cold drinks and rental sheds for storing boats and fishing equipment near the lake.

An additional change in the business scene in downtown Colorado City is the almost completed addition to City National Bank. Open House is set for

the afternoon of May 18, when the public is invited to attend the reception and look through the addition of three office spaces, library and large community room with kitchen facilities and stage area.

Firemen Hold Fish Fry

About 80 people attended a fish fry held by Colorado City Volunteer Firemen at Lone Wolf Electric Medallion Room Friday night, according to Fire Chief Kent Gentry.

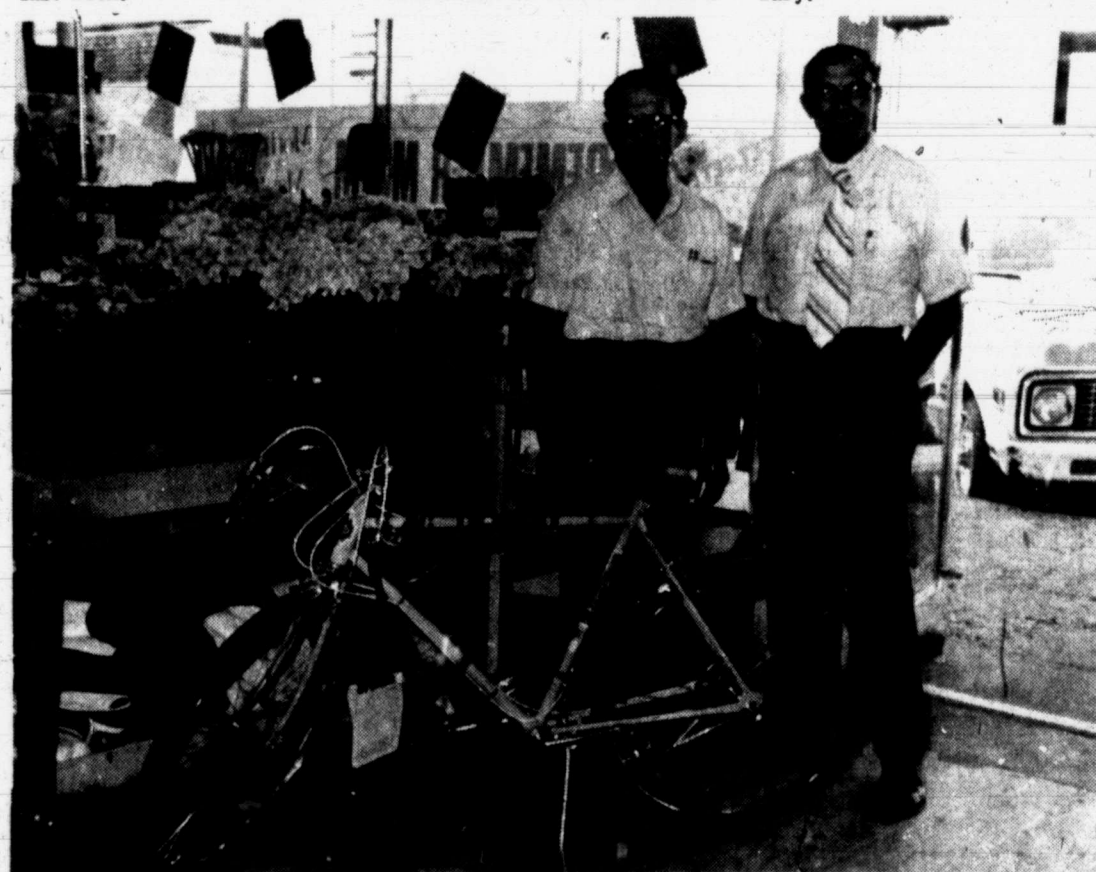

Honorary firemen, retired firemen and members of the commissioners court and city council were guests of the firemen.

Defeated In Quarter Finals

The Colorado High School doubles tennis team of Craig Carter and Chop Love won district, regional and went to the quarter finals in state competition before losing out in the third and final set to a San Saba team.

Tennis coach Ken Burnham said that play was great at the state tennis tournament in Austin Friday and Saturday.

Carter and Love beat a Gladewater doubles team Friday morning, qualifying for the quarter final match with San Saba Friday afternoon.

Challenges Adults

Paul Hunter, right, has issued a challenge to all adults in Mitchell County to enter the Heart Association sponsored Cyclethon starting at 9 a.m. Saturday from the G-Kell Building. Hunter's challenge is to all adults and especially to Lloyd McKee, Dr. Elton Berkmen and Bob Reilly, representing respectively the schools, city council and hospital district, stating "I don't think they can get any sponsors and even if they could, I don't think they can ride a bicycle." Hunter is county commissioner for Precinct 3 and the owner of Better Cleaners. Entry forms are available from Better Cl-

eaners or from Mrs. Fern Brown, 716 Vine Street, president of Mitchell County unit of the American Heart Association. Hunter and Zeno Smith are showing one of the choices for first prize in the Cyclethon, to be presented to the person raising the most money through pledges for each mile ridden in the bike ride. Smith is owner of Ben Franklin Store in Colorado City and donated outright the 10-speed bicycle shown. Other prizes include an eight-track stereo tape player, AM-FM digital clock radio, pocket calculator, all obtained from White's Auto Store and drawings for smaller prizes.

Loraine Church Will Celebrate 75th Year

The Loraine United Methodist Church will observe its 75th anniversary with a day-long celebration Sunday, June 22 at the church building in Loraine.

Dr. Duane Bruce of Oklahoma City, Okla. and Rev. Cletus Beights of Richardson will be featured speakers for the morning worship service. Both men, prominent in the Methodist ministry, grew up in the Loraine Methodist Church.

Rev. Beights is serving as Minister of Outreach for Spring Valley Methodist Church in Richardson, while Dr. Bruce is Executive Director of the Council of Ministries of the South Central Jurisdiction, Oklahoma.

Honored guests for the various activities will be former pastors and families and district superintendents who have served the church through the years. Several former ministers have already accepted invitations to attend the anniversary.

Activities for the day include the 10:30 a.m. worship service, a luncheon at the Loraine Lion's Club and an afternoon program at the church at 2 p.m.

The afternoon program will be highlighted by an old-fashioned gospel sing-song, reminiscences by former pastors and a display of memorabilia collected through the 75 years of the church's existence.

The Loraine United Methodist Church was organized in 1900 with twelve members. In 1905, a Sunday School was started and for several years shared a building with the Baptist Church on the Sabbath and the Loraine Independent School District used it for school during the week days.

CISD Board To Hire Teacher

The regular monthly session of Colorado ISD trustees will begin at 8:30 p.m. Monday, rather than the usual 7 p.m. starting time, announced Superintendent Lloyd McKee.

The meeting is not expected to be lengthy, McKee said, as there are only a few items on May's agenda.

Subject to board approval, Peggy Welch, a 1971 honor graduate of Crowell High School and 1975 graduate of Tarleton State University, will be hired as Journalism teacher at Colorado High School.

Miss Welch has among her credits a B.A. degree in English and Spanish and experience as TSU annual editor, 1973-74. She also received an award from the Texas Intercollegiate Press Association for her work as annual editor and was a member of the college newspaper staff, as well as working for correspondent to the Vernon Daily Record for three years.

A building report, financial report and paying of monthly bills are the only other items on the agenda, McKee said.

How to select the right nursing home.

We Americans are not just living longer, we're living more useful, productive lives.

But an increasing number of the chronically ill, the old, the convalescent, need some place other than the hospital and their home where they can receive personal health care, round-the-clock attention and the opportunity to continue to live their lives with meaning.

As your community extended health care facility we want to help you make the right decision. Here are some guidelines: see your family physician to determine the kind of care needed; feel free to visit our facility; ask us for our costs in writing and financial advice about Medicare and Medicaid; examine all of our facilities; check our food quality; verify our safety features; and finally, observe how our residents spend their time.

There's a lot more to selecting the right nursing home. We want to help. If you have any questions, please call or visit us.

The Bible Speaks About The Home

Glenn Roenfeldt

Pastor

First Baptist Church

Colorado City

From beginning to end the worship service has been "alive." Worshipers who often gazed idly or dozed intermittently were alert and attentive this particular Sunday. As the service neared a responsive conclusion, a girl ten years of age came to speak to the pastor. As she pulled his ear to the level of her mouth she whispered urgently in his ear, "We need a Christian home." The statement was more than an assessment, it was a desperate plea from one tender in years, but from one wise in tragic experience. Happily, the girl's prayer was answered as two parents began that very day to build their home on Biblical principles. Seven years later that girl said to the same pastor, "My home is a little bit of heaven. I wish every young person had the kind of home I have."

That family turned itself from disaster to delight by finding out what God has to say about the home. It would be most profitable for every family to examine what the Bible has to say concerning the home. The counsel is not

only comprehensive, but also tried and proven.

The Bible gives instruction for parents. They are responsible to God for their conduct toward each other and for the manner in which they teach and train the children that come into their home (Deuteronomy 6:4-9). Parents are responsible for bringing up their children in the nurture and admonition of the Lord (Ephesians 6:4).

There is Biblical principle for the wife (Ephesians 5:22-34). The Christian wife will want to properly adapt herself to her husband as being head of her household. She is to recognize him as president of her corporation. This does not mean that he is to assume a lordly attitude and boss her around in an unkind manner. It does imply that every organization must have a head and that God holds the husband responsible for being that head.

In Ephesians 5:25-28 the instruction for the husband includes the fact that husband is to relate himself to his wife in terms of Christian love. He is to love his wife as Christ loved the church to the extent that He

gave Himself for it completely. He died for His church. The devoted husband will be so devoted to his wife. He will consider the well-being of his wife as being a part of his own well-being. Christian marriage involves the vital, indissoluble union of a man and woman in a wedding of their two lives together.

Children are not forgotten in the Bible. They are urged to relate themselves to their parents in terms of honor and respect and obedience. They are to recognize that God has given to their parents a degree of authority over them. They are to recognize and respond to this authority of the parents. To reject this authority and to mistreat their parents is to break the holy law of God.

A Christian home is a home where Christ is loved and trusted and obeyed sincerely and continually. Are you making progress toward the ideal of a Christian home? Each individual in a home has a contribution to make. You can be certain of the fact that the God of love will work with you to help you achieve His ideal for your home.

Look Who's New Infantry Division To Hold Reunion

Mark Anthony, son of Mr. and Mrs. Sammy C. Martinez of Colorado City was born in Root Memorial Hospital May 5 weighing 6 lbs. 13 ozs.

The 30th Infantry Division Association will hold its 29th annual reunion at the Hilton Inn in Dallas July 1-3.

Activated in July 1917, the division was nicknamed "Old Hickory" in honor of General Andrew Jackson. After a distinguished record including breaking the Hindenburg Line in World War I, the division was a National Guard unit until reactivation in September 1940.

During World War II, the division gained other nicknames like "Workhorse of the Western Front," and "Roosevelt's SS Troops." At the end of World War II, General S.L.A. Marshall, noted author and historian for the European Theater of Operations, rated the 30th the number one Infantry Division of the 69 division that fought in Europe and said, "They were the Best."

Many Texans fought with the 30th Division during both World Wars.

For additional information, contact Sammie Yarbber, P.O. Drawer A, Alvarado, Texas 76009.

4-H Contestants

Nina Bodine, left and Dawn Lemons entered in the Junior Division of Foods and Nutrition entitled "Let's Speak Out" competition and placed first. This competition was the District 2 4-H Elimination Contest which was held Saturday on the Texas Tech campus in Lubbock. These girls were incorrectly identified in Thursday's Record as to winning fourth place instead of winning first as they worked hard.

The tables were decorated with foreign items, some being made by the students. Each student reported on a country and Mr. and Mrs. Bob Ratliff showed slides of their trip to Jamaica.

The pupils then presented their teacher, Mrs. Ratliff, with a plaque with each of their names engraved on it.

Tours For Seniors At Westbrook

Highlights of the trip were a two day tour of the Alamo in San Antonio and other missions, a tour of the Astrodome in Houston, a three day tour in Galveston and its beach and on returning, a tour of the state capital in Austin.

Seniors making the trip are Kathy Parsons, Eva Duran, Brenda Matlock, Gayle Rollins, Antonio Alaniz, Rodney Moore, Bobby Allison, Roger Crawford and Mike Roby.

Sponsors are Supt. and Mrs. L. M. Dawson and Mr. and Mrs. Ather Ellis.

The trip was made by school bus and will be returning Thursday.

Nearly fifteen million people live on the island of Taiwan and an estimated four per cent are Christians.

Today, seven missionary couples are working with the Taiwanese speaking people.

leaving 95 per cent without the gospel message.

Seven attended the meeting.

Mrs. H. M. Rice gave the call to prayer and Mrs. Gerald Rollins voiced the closing prayer.
