Group Working Overtime On GI Housing Program

What to do? That was the question fronting various groups interested in obtaining surplus war buildings for veterans' housing, public use, and other functions in Eastland as another group went Thursday afternoon to Camp Bowie, Brownwood, to get more data.

H. J. Tanner, secretary of the Eastland Chamber of Commerce, went to the War Assets Administration and Federal Public Housing Agency offices in Grand Prairie Wednesday and got a lot of information.

Among other things, he said on his return, he was told:

1. That the city, American Legion, or other agency cannot legally obtain war surplus buildings under any discount plan and resell them to veterans for home purposes, despite the fact that a number of towns have done just that.

2. That the city could obtain buildings for public purposes at discounts ranging from 80 to 95 percent of true value.

3. That veterans here might have a chance of getting some pre-fabricated two and three-bedroom homes at Camp Hooks, near Texarkana, for removal, at \$1150 each. Tanner estimated the erected cost in Eastland at about \$2000.

4. That veterans have no authority to apply toward getting camp buildings for use in making personal housing.

Mayor C. T. Lucas, and L. E. McGraw, of the Chamber of Commerce, Henry H. H. of the American Legion, and Patrolman Oscar Avery, others left Thursday afternoon for Camp Bowie to check the situation there.

He thought was expressed that city might obtain some buildings cheaply for use as a public canteen, a youth center, house civic organizations, or other public purposes.

Tanner was told, he said, that the camp buildings in this probably will be disposed of in the next 60 to 90 days.

About 50 Eastland veterans told him, Tanner said, that they are extremely interested in getting the project, can get \$5000 for investment in a house project, if a suitable project be worked out.

around Eastland, including Cisco, Mineral Wells, Albany, Breckenridge, have worked pressing deals wherein surplus camp buildings obtained with city priorities, and then let over to the veterans for public purposes, members of the city committee in Eastland been told.

question was whether the housing agency obtained ability to take such buildings, and whether the question of ownership would come up later to the veteran owning the

Side Issues

By HENRY G. VERMILLION

BOB ENGLISH, who had a brief span of glory as partner and co-publisher of The Record, has stepped down to the menial position of sports editor of the Wichita Falls Record-News, a morning daily newspaper.

I feel sorry for Bob, because in Wichita Falls he will have to work 44 hours a week, and will have to undergo the humiliation of accepting a paid vacation every year.

He will start work Monday, and the staff of The Record wishes him every good thing.

Incidentally, Bob has bought a new home in Wichita Falls, and was moving Thursday.

IF you read envy on my part in the above, forget it, because I left a good daily newspaper job to get into the weekly business, and I wouldn't swap back, or at least not without some very good inducements.

The man working on the daily paper traditionally has a dream, though, of getting into the weekly field in some smaller town and settling down to an easy life where the pace is slower and the big job just comes around one day a week.

And quite a number have tried it and been properly disillusioned. All a weekly publisher usually has to do is get the news, sell ads, solicit subscriptions, sell office supplies, attend public functions, handle correspondence, sell job printing, try to keep everyone in town happy, and keep the printing production going, often by doing some or most of the work himself.

HOWEVER, I must admit that most of this publisher's time the last couple of weeks has been spent in getting work done on the home I have bought.

Any of you who have built or remodeled in the past three or four years know what I'm talking about. Seeing to the details is a full time job, without having to try to make a living at the same time. So far, however, with an able and understanding staff, I've managed to get both jobs done, more or less.

I WANT to commend L. E. McGraw on the first-class job he is doing as president of the Eastland Chamber of Commerce.

McGraw is a tall, lean Alabamian who draws when he talks and whose placid exterior covers a lot of hidden energy. He has really worked as C. of C. president, and I think will go down in history as one of the better men who have held the post.

INCOME tax experts and consultants are getting a little rest this week, after last week's deadline for farmers and many others to file returns.

The next deadline will be March 15, when the mass of wage-earners and others must have their returns in.

Uncle Sam, you know, must have that 40 billion dollars plus in taxes this year.

THE movement to obtain veterans' housing for Eastland has had a lot of guys running around in circles for the past week or two, and still no concrete results.

Which is the usual procedure when you begin dealing with a government agency. You first have to learn how to talk and interpret their language, and then find the loopholes or angles in the rules they lay down.

Eastland started in the veterans' housing game pretty late—in fact, the last whistle may be blown in three or four months, when the Army camps and air fields in this section will be all gone.

So speed has been essential—and the speed limit laid down by the government hampers getting places very fast.

RECEPTION GIVEN FOR YOUTH LEADER

Young people of the First Baptist Church gave a reception for Charles McIlveene, new youth leader of the church, after the evening services Sunday.

About 100 persons attended the affair in the church basement.

C Of C Planning Entertainment For Lone Star Opening

Members of the board of directors of the Eastland Chamber of Commerce Tuesday night voted to hold a luncheon, dinner, or other form of entertainment for officials of the Lone Star Gas company when the company's new district production offices are completed in Eastland.

The affair will be contingent upon a satisfactory time and place for such an occasion being worked out with the Lone Star people.

The directors also voted to inquire into issuing a pamphlet describing Eastland, for use in sending to persons and firms interested in the city.

After H. J. Tanner, secretary, described the success of the recent rat drive here, it was voted to sponsor another, at such time as it is thought best, probably in three or four months.

A lengthy discussion of the veterans' housing program was held, without definite conclusions.

Mercury Dips To Seasonal Low Mark

Eastland's weather, after blowing hot and cold all week, was blowing cold again Thursday as Old Man Winter proved that he was not through following the setting of a seasonal low temperature mark Sunday.

Sunday's low of 9 degrees was as low as any in Texas, and sent householders here scurrying to telephones to call plumbers to fix broken water lines.

The low temperature was the coldest since last year's record-breaking cold spell.

Eastland County was fortunate, however, in missing most of the snow that fell to the east and west. Eastland Weatherman J. A. Beard reported that the fall was so light here that it registered only a trace of precipitation on the rain gauge.

Son Of Ex-Eastland Woman Shot, Dies

Funeral services were held at the Meyer and Meyer Funeral Home in Norman, Okla., Sunday afternoon for Edward Clark Rainbolt, 2-year-old son of Mr. and Mrs. E. M. Rainbolt of Sanderson.

Mrs. Rainbolt is the former Miss Clara June Kimball of Eastland.

The child accidentally shot himself at his home in Sanderson Saturday morning while playing with his father's gun.

He is survived by his parents and two brothers, Richard E. 3, and 1 respectively. He is also and one respectively. He is also survived by his grandparents, Mr. and Mrs. June Kimball of Fort Worth, and his paternal grandparents, Mr. and Mrs. Rainbolt of Norman.

EASTERN STAR TO HAVE INITIATION

Members of the Eastland Chapter of the Order of Eastern Star will have initiation at their meeting Tuesday, Jan. 27 in Masonic Hall, Mrs. Cyrus Miller, worthy matron, announced.

Young Team To Hold Youth Services At Baptist Church Here

Three ministerial students of Hardin-Simmons University, Abilene, who have organized as "The Soul Harvesters" will conduct a three-day week-end youth revival at the First Baptist Church beginning Friday.

Rev. Grady Allison of Eastland, a 19-year-old foreign mission volunteer, will do the preaching, Harry Grantz of Cisco, a 20-year-old Navy veteran and foreign mission volunteer, will lead the singing, and Joe Haynes, 18, of Dallas, will play the piano. Allison and Grantz are juniors at the university, and Haynes is a freshman.

Charles McIlveene, youth leader of the church, will preside at the meetings.

First service will be at 7:30 p. m. Friday, and the services will be concluded at the evening service Sunday.

Mavericks Meet Hico In Basketball Contest Tonight

Eastland's basketball - playing Mavericks, unexpectedly successful in the Ranger tournament last week end where they wound up as runner-up, will take on Hico in a district game at 7:30 p. m. Friday in the local gym.

Tuesday night, the Mavericks will play their last home district game of the year when they take on Gorman here. Gorman's team is one of the district favorites.

Friday's game will be the final high school contest for Johnny Hicks, who has won a raft of athletic letters, including five for football during his momentous stay on The Hill.

In the Ranger tournament, Eastland started out strong by thumping Strawn, and then eliminated Woodson, 35 to 17, a surprising result in view of the fact that Woodson was considered one of the stronger teams in the meet and had beaten Cisco.

In the finals, Stephenville coasted past the Mavericks, 38 to 16.

Lewis Crossley, Eastland guard, was named on the all-tournament team.

Boxing Contests Well Received

First of the night nights in Eastland and Cisco, jointly sponsored by the Eastland Quarterback Club and Cisco Jaycees, was well attended Saturday night, considering that there was a basketball tournament in Ranger in which Eastland was playing for the championship, and a donkey basketball game in Cisco.

About 400 persons were on hand for the fights. After the bouts, which were well matched and mostly productive of bruising battles, Producer Neil Day of Eastland said, however, that he was through with Saturday night matches.

The reason was that fighters from Stephenville and Abilene who promised to be on hand failed to appear.

The bouts produced no knock-outs, although several appeared on the way to doing so.

Two very youthful Eastland boxers, Tommy Craven and David Massengale, lost decisions, as did Margil Wadley, high school student from Eastland who was decided by Stub Rust of Breckenridge, and almost knocked out. Only will power kept Wadley going the last two rounds.

Gene Gaeta, classy 133-pound Eastland boxer, easily decided Gene Ott of Breckenridge, although Gaeta seemed a little out of time on his punching.

Golden Gloves elimination bouts were to be held in Cisco Thursday evening.

W. W. Linkenhog and daughter Linda were confined at home by illness Thursday.

'Johnny Appleseed' Traveling Texas, Sowing Seeds For DP Colonists

Another "Johnny Appleseed," as he phrased it, who is touring Texas and America looking for spots in which to lodge displaced Balts now living in misery in European camps, was in Eastland Saturday.

He is Rev. Oswald A. Blumit of Braintree, Mass. director of the Baltic Evangelical Mission there.

His displaced persons are Latvians and Estonians who have chosen to remain in displaced persons camps in Germany rather than return to their native lands, now under Russian rule.

Mr. Blumit was en route from Brownwood, where he had been bird hunting, to Ranger, where he was going to talk to Banker

Hall Walker, and on to Dallas, where his Texas headquarters are at 4630 Maple Ave.

His mission is to find people or communities who will offer to sponsor the settling of some of the displaced Balts. E. T. Fairman, Goldthwaite banker, for example has agreed to sponsor the bringing of 10 Baltic families to Goldthwaite, the men of the families to be carpenters, masons and other builders, who will prepare the way for still more DP families to farm tracts of land.

The idea is not to shove some American out of a job, Mr. Blumit said, but to add to the productive wealth of America and at the same time alleviate the suffering of some people now living in the DP camps.

Ashleys To Observe 25 At Meeting Of Welfare Workers

Mr. and Mrs. J. W. Ashley, 605 South Lamar Street, will celebrate their golden wedding anniversary next Sunday at their home here with their children as guests.

Mr. and Mrs. Ashley came to Eastland three years ago, when Mr. Ashley retired from the banking business. He had been a banker for the past 40 years in Grayson and Collin Counties.

Mr. and Mrs. Ashley were married 50 years ago last Tuesday at Whitewright, Texas, where they were both living at that time. Mrs. Ashley is the former Miss Stella Jordan of Whitewright.

Mr. and Mrs. Ashley are the parents of five children, all of whom they hope will be able to be here Sunday. They are Harold Ashley of Graham, J. R. Ashley of Kermit, Mrs. Corrine Key of Detroit, Mich., Mrs. Homer C. Roane of Valley View, and Gene Ashley of Big Spring. They have six grandchildren and one great-grandchild.

Richard Jones returned to his home here Tuesday evening following a stay of several days in a Ranger hospital. Jones is reported to be doing fine, and expects to be back at work soon.

About 25 workers in the State Department of Public Welfare representing two areas comprising seven counties met in Eastland Wednesday and Thursday for talks and discussions on mutual problems.

Chief speaker Wednesday afternoon was John H. Winters of Austin, executive director of the department, who attended with his assistant, James A. Lands.

An informal banquet was held Wednesday evening. All the sessions and the banquet were in the Roof Garden of the Connellie Hotel.

Numerous officials and workers were on the program, including Rayford Young, area supervisor from Stephenville, W. E. Moore, area supervisor from Eastland, Miss Ruth Perrine, regional child welfare supervisor of Eastland and D. E. Frazer, regional field representative with headquarters in Eastland.

Two Seniors Chosen For EHS King, Queen

Shirley Frazer, petite blonde, was announced as 1948 queen of Eastland High School, and Jimmie Mathews, slightly built football star, as king at the annual Junior Class carnival in the school gymnasium Friday night of last week.

The king and queen will be crowned at the annual coronation ceremony in February.

The members of royalty were chosen by popular vote of the student body. Both are Seniors.

RUMMAGE SALE SET FOR SATURDAY

The Visual Aid Committee of the First Methodist Church will sponsor a rummage sale Saturday in the lobby of the Eastland National Bank. Mrs. Milton Day, chairman, and members of the committee will be in the lobby from 9 a. m. to 5 p. m. Saturday.

Guests at a banquet of the Taylor County Bar Association in Abilene Saturday night included Associate Justices Milburn Long and Courtney Gray of the Eleventh Court of Civil Appeals, of Eastland.

'18-Month Road Building Program To Begin Soon

Travel from Eastland to Abilene, now undertaken at the driver's risk because of the narrow, winding and rough highway, should proceed a good deal more smoothly some 18 months from now, Resident Highway Engineer E. M. Pritchard said this week.

Bids were let last week for construction of new highway on about 15 miles of the route, in Eastland and Callahan Counties. The Eastland project will begin at Cisco and continue west to the county line, 7.2 miles. Low bidder was T. C. Cagle of San Antonio at \$276,444.

Another contract was let for construction east of Baird.

Pritchard said that right-of-way troubles held up the letting of contract on the stretch of the new highway in Callahan County that will join the Eastland County section, but that the low bidder is expected to be announced next month. The two sections should be completed about the same time, he said.

This will be necessary because the two sections will join at a point where there is no highway now. The new section west from Cisco will not follow the present highway, but will take a course some distance south.

Right-of-way for the Eastland County portion of the highway was obtained by County Commissioner Arch Bintl of Cisco with precinct funds, leaving undecided what will be done when the time comes to rebuild U. S. 80 through the rest of the county, a distance of about 30 miles and all in Precinct 1.

Use of precinct funds will be out of the question, since it has been estimated that right-of-way costs will total from \$150,000 to \$200,000. The state demands that County funds be used for obtaining right-of-way.

Three EHS Athletes To Leave For College

Three of last fall's "gold star" football players for Eastland High School will leave next week to attend colleges of their choice.

Johnny Hicks, who starred and lettered in football for five years, will attend West Texas State College at Canyon.

Wayne Lambert, in many ways one of the greatest guards ever produced here, will attend Hardin-Simmons at Abilene, and Bill Hardeman, who shone in the play-off games with Stamford and Coleman, will attend North Texas Agricultural College at Arlington.

Dwain Lusk, another of the group, has not decided where he will go to college next fall, and Jack Chamberlain has applied for enlistment in the Navy.

Bobby Blair and Jimmie Matthews will stay on at Eastland High and graduate in the 1948 class.

Carbon Youths Talk To Eastland Lions

Two prize-winning Carbon 4-H Club boys, Charles McDaniel and Junior Rice, who represented the Eastland County 4-H Clubs at last year's 4-H Club Roundup at Texas A. & M. College, Tuesday gave accounts of their trip to the Eastland Lions Club.

The Lions had financed the boys' trip to College Station.

The boys spoke well and easily, and drew frequent laughs with the stories they told on each other.

Members of the club voted approval of efforts to obtain a golf course for Eastland, after having been informed that Rotarians had voted in similar fashion Monday.

The club also agreed to send as large a delegation as possible to a Lions Club district meeting in Stephenville Feb. 2.

Mr. and Mrs. Jim Watson and Mr. and Mrs. E. C. Watson and daughters of Gorman were Sunday guests in the home of Mr. and Mrs. Milton Day.

For Lone Star Customers This Winter**

One of the most important activities in 1947 on the Lone Star Gas System was the addition of new natural gas reserves to meet a rapidly growing demand for natural gas. Three major gas fields were tapped by new lines during this first year of a five-year expansion program.

Fish Creek Field gathering line adds enough delivery capacity to Lone Star System to supply natural gas to a city the size of Waco. This line is but one of more than 75

lines from different fields feeding gas to more than 1,500 wells to the Lone Star System.

Coupled with the addition of new reserves is the construction of new compressor stations, new distribution lines, new customers and many other projects. The completion of this program \$40,000,000 will have been invested in new facilities.

This \$40,000,000 program is Lone Star's biggest undertaking since the building of the System. It's a program planned to maintain Lone Star as the finest of Natural Gas Services.

Meet Walter Roberge—"buyer" with 25 years' service in purchasing department at Lone Star. He has this to say about Lone Star's expansion program:

"One can measure the growth of Lone Star Natural Gas Service by the amount of pipe we buy. For example, we're planning to buy 360 miles of four-inch and smaller pipe for construction of new town distribution plants alone this year. This is but a small fraction of planned pipe purchases in 1948, which I believe, will be a year of record growth."

for farm and ranch buildings that give
lifetime service at low annual cost

RANCHERS, grain growers, rice farmers, citrus growers—all can make their operations more profitable by using firesafe, long-lasting, economical concrete masonry for all buildings.

Concrete can't burn. Concrete can't decay. Rats can't gnaw through it. Termites can't eat it. Concrete masonry farm structures are dry, comfortable, attractive. First cost is moderate,

and annual upkeep expense is amazingly low.

Talk to your local concrete products manufacturer the next time you come to town. He can give you helpful information on the advantages of concrete masonry construction.

Always insist on concrete masonry units which meet the specifications of the American Society for Testing Materials (ASTM).

I have a friend whose nickname
is "the terrible-tempered Mr.
Bang," from the character in the
comic feature. One day his car
was almost side-swipped by an-
other machine so he whirled around
and gave chase. He got up to 80
miles an hour but overtook the
other car and signaled to the
driver to stop.

My friend sprang out and began
cussing out the other fellow. The
driver had a high-pitched voice
and he said, "I'm sorry, very sorry;
I didn't mean to do it." But
"Mr. Bang" was still sore and
continued to "raise sand." The
other man, still saying he was
sorry, got out of the car and then
my friend (who is average size)
found himself facing a man who
stood six feet, three or there-
abouts. The thought flashed
through my friend's mind, "Ain't
this a thunder of a note? I've
chased a man five miles in order
to get myself licked."

But he yelled, "You say you're
sorry; I'm going to let you off this
time but be more careful in the
future"—and "Mr. Bang" jumped
behind the steering wheel, whip-
man's fist—and two front teeth

HEALTH HINTS

THE instinctive desire for health and for the betterment of condition affecting its physical welfare explains largely the progress of the human race. Every individual has this inherent consciousness, and even a tiny, new-born baby voices its displeasure when physical discomfort is experienced.

The mind of a man is complex and its many intricacies defy explanation, but we do know that the brain is the great power center of the body, and that it sends forth the vital forces so essential to man's physical well-being. These forces must reach the various organs of the body in order to enable them to perform their proper function.

CONCRETE MASONRY

for farm and ranch buildings that give lifetime service at low annual cost

RANCHERS, grain growers, rice farmers, citrus growers—all can make their operations more profitable by using firesafe, long-lasting, economical concrete masonry for all buildings.

Concrete can't burn. Concrete can't decay. Rats can't gnaw through it. Termites can't eat it. Concrete masonry farm structures are dry, comfortable, attractive. First cost is moderate,

and annual upkeep expense is amazingly low.

Talk to your local concrete products manufacturer the next time you come to town. He can give you helpful information on the advantages of concrete masonry construction.

Always insist on concrete masonry units which meet the specifications of the American Society for Testing Materials (ASTM).

Thursday Study Club Hears Numerous Brief Book Reviews

The Thursday Afternoon Study Club studied "Books" at their meeting at the Woman's Club Thursday afternoon of last week.

Mrs. Fred Davenport was leader and presented Mrs. Dixie Williamson, who reviewed "Rise to Follow," by Albert Spaulding, and Mrs. Frank Lovett, who reviewed "Gentleman's Agreement," by Laura Hobson, in 10-minute reviews. Mrs. Jack Frost read a paper prepared by Mrs. Milburn S. Long on "Nothing So Strange," by James Hilton.

Other 10-minute reviews were given by Mrs. Dan Childress, who reviewed "Transfer Point," by Catherine Forbes, Mrs. W. W. Linkenhog, who reviewed Claud Garner's "The Wetback," Mrs. R. E. Sikes, who reviewed "Peace of Mind," by Dr. J. N. Needham, and Mrs. Cyrus B. Frost, who reviewed "Red Plush," written by Guy McCrone.

Mrs. Ben Hamner, president, presided at a short business session preceding the book reviews, in which the group elected Mrs. Sam Gamble to membership in the club.

Members attending were Mesdames Frank Castleberry, Childress, J. W. Courtney, Earl Conner, Frank Crowell, Jack Frost, Davenport, Hamner, D. L. Houle, Hubert Jones, W. P. Leslie, Linkenhog, Frank Lovett, W. H. Maddrey, Jack Muirhead, Arthur Murrell, W. D. R. Owen, Joseph M. Perkins, Grady Pipkin, W. B. Pickens, R. E. Sikes, E. Roy Townsend, Dixie Williamson, Cyrus Frost and W. C. Robinson.

The group will observe Guest Day at the Woman's Club at their next meeting Feb. 5.

The guest speaker will be Professor S. P. Zeigler of the Fine Arts Department, Texas Christian University at Fort Worth.

Mr. Zeigler will also exhibit a group of paintings.

Mrs. Arthur Murrell will be the program leader and the hostess group includes Mesdames Jack Ammer, W. B. Pickens, Frank Castleberry, and W. W. Linkenhog.

Mrs. Walter Durham returned to her home in Comanche Saturday after several days visit with her parents, Mr. and Mrs. P. L. Parker.

D. J. Jobe of Brownwood visited relatives and friends in Eastland Wednesday.

Miss Wanda June Miller Weds Thomas H. Dendy

In a twilight ceremony at the First Methodist Church Saturday evening, Miss Wanda June Miller, daughter of Mrs. Florence Miller, became the bride of Thomas H. Dendy, son of Mrs. Thomas H. Dendy, 407 East Sadosa Street.

Rev. E. R. Gordon, pastor, read the double ring ceremony before an altar of greenery with baskets of white gladioli and tall candelabra holding white tapers.

The bride, given in marriage by her brother, Glen Miller, wore a gown of white satin brocade, made with fitted bodice, high neck with a round net yoke edged with a fold of the satin. The full gathered skirt formed a small train.

Her fingertip veil of illusion net was held in place with a band of orange blossoms. She carried a colonial bouquet of white carnations with a satin shower.

Her only jewelry was a necklace of pearls.

Miss Martha June Morehart played the traditional wedding music and accompanied Miss Glynn Castleberry, who sang "Because" and "Always."

Miss Vera McClellan of Coleman was maid of honor and wore a green taffeta gown fashioned much like that of the bride. Her bouquet was of pink carnations. Little Miss Beverly Howell was flower girl and dropped flower petals in the path of the bride. She wore a fairy dress of white

organdy. Her flowers were of pink and blue.

Mr. Woodie Howell of Eastland was best man and Edward A. Jaska of Eastland and Lee O. Puckett of Abilene were ushers.

Following the wedding a reception was held in the home of the groom's brother, Mr. G. E. Dendy and Mrs. Dendy, 409 East Sadosa Street.

The bride's table was laid with a white linen cutwork cloth and was centered with the bride's bouquet placed just in front of the beautiful three tiered wedding cake, which was topped with a miniature bride and groom. Mrs. Victor Cornelius and Mrs. Geraldine Pettit presided at a silver service placed at either end of the table. They were assisted in serving the coffee and wedding cake by Mesdames Woodie Howell and Velma Dalton.

After a short wedding trip, the couple will return to make their home in Eastland, where Mr. Dendy is employed at Cecil Hollifield's Firestone Store.

Attending the wedding from out of town were Mrs. Margie McKee of Fort Worth, Mr. and Mrs. R. L. Miller of Coleman, Mr. and Mrs. Lee Puckett, Mr. and Mrs. M. T. Cornelius of Abilene, Mr. and Mrs. Lee Dendy and Miss Billy Jean Dendy of De Leon, and Mr. and Mrs. Lee Bryant of Fort Worth.

Musical Topic Given For Las Leales Club

Members of Las Leales Club heard a program titled Musical Merry-Go-Round at their meeting at the Woman's Club Tuesday evening.

Mrs. Harold Durham, president, presided and acted as hostess in the absence of Mrs. Eaton.

Mrs. Johnnie Kilgore gave "Menagerie In F Sharp," by H. W. Heinsheimer, and Mrs. Prentiss Jones gave the story of Stephen F. Foster and played a number of his most loved melodies.

Members present were Mesdames Hollis Bennett, W. E. Brashier, Wayne Caton, P. J. Cullen, Durham, J. O. Earnest, B. F. Hanna, H. L. Hassell, Janes, Kilgore, Fred Maxey, W. Q. Verner, J. C. Whatley and Misses Verna Johnson and Louise Karkalits.

Mrs. Tom Lovelace Entertains Circle

The Business Women's Circle of the First Baptist Church met Monday evening in the home of Mrs. Tom Lovelace, 207 East Commerce Street. Miss Christine Garrard presided over a short business session.

Mrs. Pat Crawford was program leader and gave the Bible study.

Following the program, the group enjoyed a social hour in which refreshments of sandwiches, pickles, cookies and coffee were served to Misses Garrard, Verne Allison, Alene Williams, Florence Barber, and Mesdames Crawford, J. H. Saffley, Wynelle Durden, Katrina Wood of Ranger, and the hostess, Mrs. Lovelace.

Mrs. L. E. McGraw, who has been quite ill at her home in Hillcrest Addition, was much improved Thursday.

MISS POUNDS WED TO R. N. CROUCH IN JAN. 17 RITUAL

Miss Marjorie Pounds, daughter of Mr. and Mrs. H. C. Pounds of Morton Valley, and Robert Neil Crouch, son of Mr. and Mrs. W. F. Crouch of Ranger, formerly of Morton Valley, exchanged wedding vows Saturday, Jan. 17.

Rev. W. C. Ham was the officiant for the double ring ceremony at the First Baptist Church in Ranger.

The bride wore a blue suit with brown accessories. Her shoulder corsage was of white carnations tied with gold ribbons.

Miss Joan Brockman was the bride's only attendant. She wore a gray suit with black accessories and a corsage of baby chrysanthemums tinted blue.

Johnnie Gilbert of Ranger was best man.

Attending the wedding were the families of the couple, Mr. and Mrs. Pounds and Betty, Mr. and Mrs. Crouch and Marilyn and Bill, and an aunt of Abilene.

Mr. and Mrs. Crouch will be at home at 207 South Walnut Street in Eastland upon their return from a wedding trip.

Mr. and Mrs. Crouch are graduates of Morton Valley High School and Mrs. Crouch is a graduate of Ranger Junior College, where she was elected Queen last spring. She is now employed at Texas Electric Service Company.

Mr. Crouch attended John Tarleton College at Stephenville until he enlisted in the Navy. He has spent most of the past year stationed on Guam. He recently received his discharge and with his father is operating the Sinclair service station in Eastland.

Methodist Pastor Gives Sermon Series

Rev. E. R. Gordon, pastor of the First Methodist Church, will preach Sunday evening on the second of the Ten Commandments, "Thou shalt not make unto thee any graven image, of any likeness of anything that is in heaven above or that is on earth beneath or that is in the water under the earth."

The sermon is one of a series on the Ten Commandments. In his morning sermons, Mr. Gordon is delivering a series on the topic "Impressions of Christ," telling how he believes Christ would impress us if He lived in the flesh next door to us.

Mrs. Alma Green is returning to her home Sunday after having visited here with her son, Eugene Green, and Mrs. Green, 811 West Plummer Street, for the past two weeks.

ALL HAIL OUR KING AND QUEEN

Stand up, ye subjects of EHS! Here comes our King and Queen, Jimmie Mathews and Shirley Frazer. And guess what! They are Seniors. I believe that they are really deserving too.

Shirley is 5 feet tall and tops the scales at 123 pounds. She has brown hair and brown eyes.

She was cheer leader in '45, '46, and head leader in '47. Her favorite song is "Near You," and she just loves our EHS Band. Green is tops on her color card. Yum! "black bottom pie is by far the best food. She just loves dancing and to mess around with the gang. English is tops and she likes all her teachers. "Her Man" is Bill Hardeman. He is a Gold Star boy and will graduate at mid-term.

Shirley is a Sub-Deb, a Harmony Girl, and lettered one year in basketball.

Jimmie is 5 feet 6 inches tall, and weighs 145 pounds. He has blond hair and dark brown eyes.

He is one of the stars in the backfield of our mighty regional champs football team. He is a four year letterman in football, basketball, track and baseball. I'm sure that everyone remembers number 17. You can't miss him.

His favorite color is blue and steak is his favorite food. Football is his best loved sport, and his best, Jimmie is really an all-around guy.

He has been a duke his sophomore and junior year, and is really a top man for king. "His girl" is Nancy Harkrider, that cute junior cheer leader.

We wish the best of everything to Shirley and Jimmie, because they are really tops. Good luck to King and Queen of Eastland High School.

YEA SENIORS.

CO-ED DANCE

The Co-Ed Club is going to have an informal dance Jan. 23 at the Legion Hall. It will be right after the Hico basketball game, and

it is to be in honor of the Gold Star boys. Everyone be sure to come, because a good time is to be had by all. YEA CO-EDS!

JUNIOR SPOTLIGHT

This week the spotlight is shining on one of our very favorite juniors. She has blue eyes and beautiful blond hair. Hubba! Hubba!

Among her favorites is the color red, and boy does she look pretty in it. Her favorite subject is history, but she likes all the teachers just the same. She liked the show "Deep Valley" very much. She could watch Roy Calkoun in a show all day. Her favorite actress is Susan Hayward. She loves to pass the time by sleeping. She likes to see the mighty Maverick team play and also hear the mighty Maverick Band.

She loves to hear her favorite song, "Golden Earrings." She loves to hear Bing Crosby sing.

Her ambition is to go to Texas Tech and be a stenographer. Here's luck to a wonderful person. If you haven't guessed by now, it is Barbara Martin. YEA JUNIORS!

SOPHOMORE SPOTLIGHT

Look this way! We have a cute girl for our spotlight this week. She has brown hair and eyes, and is five feet two inches tall. She is Christina Arther.

Crickie has many favorites. Her favorite color is green, and green looks pretty with her brown hair.

She is a very good student and Latin is her favorite subject, with Mr. Atwood heading her list for teachers.

She likes to go to the show as well as anyone and the recent picture "Good News" is her pick. Peter Lawford is her one and only actor and Ingrid Bergman is her favorite actress.

Now we come to the music. "So Far" is her favorite song and Bing is her favorite crooner. She thinks Woody Herman's band is super and would like to hear it more often.

Skating to her is really fun and few don't like it. Her favorite pastimes are watching football games and dancing.

Here's wishing all the luck to a mighty member of a great class. YEA SOPHOMORES!

FRESHMAN SPOTLIGHT

The gaze of the freshman spotlight turns this week to a brown-haired, brown-eyed girl, Mary Monette Scott. She is only five feet tall.

Monette's favorites include dancing, going to the movies, Mr. Seibert and "Teacher" Morehart, English, steaks, Italian spaghetti, and of course our band and football team. In colors, it's red, and the football game she liked most was the Eastland vs. Stamford game. Her pet peeve is for people to watch her eat.

The songs of her choice are "You Do" and "There'll Be Some Changes Made." "The Jolson Story" is her favorite movie and her dream man is Jolson himself, Larry Parks. Topping her list of actresses is Jennifer Jones.

Monette says she has no favorite boy, but she sure has eyes for a certain junior.

Come on, gang, let's wish a swell gal the best of luck and success always. YEA FRESHMEN!

SUB DEB CLUB MEETS

The Sub Deb Club met at the home of Patsy Safley Wednesday, Jan. 14. The meeting was called to order by the president, Merrie Dawn Warren, and the secretary read the minutes of the last meeting. Plans were discussed to have a party Saturday, Jan. 24, at the home of Betty Anne Harkrider. They also discussed having a dance but nothing definite was decided. Jack Ernst was a guest of the club.

Refreshments of enchilada pie, baked beans, pickles, and candy were served to Merrie Dawn, Joyce Armstrong, La Verne Cornelius, Shirley Frazer, Marilyn Wittup, Jan Spalding, Mary Halkias, Betty Pickens, Mary Witt, Betty Harkrider, Naomi Wood, Jack, and the hostess Patsy Safley.

YEA SENIORS!

DOUBE SEVEN CLUB MEETS

The Double Seven Club met at the home of Margie June Poe, Jan. 6. New and old business was discussed. Refreshments of candy, sandwiches, cokes, olives and potato chips were served to Mrs. Little, Wanda Richardson, Shirley Hightower, Monette Scott, Betty Grimes, Billie Farr, Patsy Brown, Barbara Branton, Guyrene Robinson, Mollie Pullman, Charlotte Van Hoy, Neta Fay Massengale, and hostess, Margie June. The next meeting will be with Wanda Richardson.

HOMEMAKING NEWS

Last week the homemaking girls made three egg cakes. They really turned out to be delicious. Those made by Betty Reynolds and Guyrene Robinson were the best. This was a repeat laboratory, as the one the day before did not turn out so well. Two egg cakes were made, but it seemed as

though they did not taste as good as they should, so we did them over.

We are finishing up the first semester, and also the last of our cooking. Next we will study sewing, and we hope we will enjoy this course as much as we did cooking. We are sure to, with Miss Morris as our teacher.

REMEMBER WHEN —

Mr. Harvey was principal? Wayne Lambert and Johnnie Hicks had permanents? Maxine and Kenneth went steady?

Bobby Blair was king? They had the Junior-Senior fight? Chili was here? We were free; last summer I mean?

We didn't have a band? Betty Pickens was "Football Sweetheart"?

Patsy Green and Gordon Wayne Cooper were queen and king? You had your first date? Latin II did not have a club?

We didn't win regional, a long time ago? Bill Arther was football mgr.? Miss Carter was principal?

We were to young to go to school; those were the days?

ORCHIDS AND ONIONS

Orchids to Ferne and Lewis.

Onions to Larry Fall's New Year's resolution—you are going to disappoint someone, Larry.

Orchids to the speech play. Onions to exams.

Orchids to "steadies." Onions to cold weather.

Orchids to sweet teachers. We have plenty.

Onions to people who think they are cute.

Orchids to the new students. Onions to "the mouthpiece."

Orchids to the canteen. (Especially the dancing.)

Onions to all the silly people. Orchids to people who have sweet dispositions.

Onions to Shoulders. Orchids to the carnival, and our King and Queen.

Onions to Zelda (the name, that is).

Orchids to the coronation. Onions to all the lessons.

Orchids to Seibert. He is really a swell guy.

Onions to the mid-term exams.

THINGS WE NOTICE

The basketball scores last Friday night.

Naomi and Pete. Boys taking girls home after girls' basketball practice.

Janeil's new name, Zelda Day (the second).

Where was Bill Monday night? Larry Falls off women? We wonder.

People studying. Who are they? Paula and Bill.

Leonard and Nancy. The big crowd at the Canteen Saturday.

The Carnival and Coronation. The handsomest boy and the prettiest girl.

Leonard's mighty car.
