FORTY-FIRST WEEK

Band Uniform Fund Nears \$600 With Dance Proceeds, Contributions

The Band Parents Club has raised a total of \$592.00 in their drive for funds to purchase new band uniforms for the Sonora Bronco Band. The sum has been raised by private contributions and from proceeds from two dances held at the 4-H Club Center on Friday and Saturday nights, July 8 and 9.

Next on the organization's schedule of fund-raising events will be operation of the concession stand at the Caverns of Sonora from the opening date, July 16, through Sunday, July 24. During the first seven days, hamburgers, hot dogs, soft drinks and snow-cones will be offered at the stand. Saturday, July 23, a barbecue dinner will be served at \$1.00 per plate.

Dances are also scheduled for Friday and Saturday nights, July 22 and 23, at the 4-H Center. Tickets may be purchased from any band member.

Parents will be in charge of the concession stand each day with the couple to act as chairman and other parents to assist. Chairmen for the first week are as follows:

Saturday, July 16, Mr. and Mrs. W. J. Thompson; Sunday, July 17, Mr. and Mrs. Melvin Glasscock; Monday, July 18, Mr. and Mrs. R. L. Hardgrave; Tuesday, July 19, Mr. and Mrs. A. E. Prugel; Wednesday, July 20, Mr. and Mrs. Leroy Whitworth; Thursday, July 21, Mr. and Mrs.

Ernest McClelland; Friday, July 22, Mrs. Ray Baker; Saturday, July 23, Mr. and Mrs. Gay Cope-land; Sunday, July 24, Mr. and Mrs. John McClelland.

Assistants are requested to be duty at eight o'clock on the mornings of July 16 and 17 and July 23 and 24. Other days, the stand will open about nine o'clock.

Donations of potato salad and kids for barbecuing are being asked for the July 23 barbecue. Salads may be left at Evans Foodway and kids at Sonora Food Locker.

Mrs. Katherine Linthicum, drive chairman, expressed the organization's appreciation of the cooperation being extended by individuals and business firms.

Annual Vacation Bible School To Begin July 25

The annual community-wide Vacation Bible School will be held from Monday, July 25, through Sunday, July 31, this year.

Classes will be held from 8:30 until eleven o'clock each morning at the First Methodist Church.

All children aged four through 12 years are invited to attend.

Caverns Of Sonora Opens 8:00 Saturday Morning

ATTEND SERVICES FOR UNCLE IN COMANCHE

Mrs. R. C. Vicars and her sister, Mrs. Mans Hoggett of Mertzon, attended funeral services for their uncle, Ed Lowrey, in Comanche Thursday afternoon.

Mr. Lowrey, brother of John D. Lowrey of Sonora, died in a Comanche hospital Wednesday after an extended illness. He was 85 years of age.

Sluggers Lose Two More Games

The Sonora Sluggers dropped another two games during the last week of play. The Sluggers lost to the Ozona Pony Leaguers eight to two under the lights at Ozona last Friday night.

The Ozona Latin-American team downed the Sluggers 22 to 10 after a close six innings when the score was tied 9 to 9. Sonora put in a relief pitcher and Ozona walked off with the game.

Several hundred persons are expected to be in attendance Saturday when the Caverns of Sonora are officially opened to the public. Tours will begin at eight o'clock and will start every half-hour until six o'clock in the afternoon.

Conducting the 90-minute tours will be developers Jim Papadakis and Jack Burch. They will be assisted by Mills Tandy and Louis Papadakis.

Scouts from Explorer Post 19 will also assist as follow-ups on each tour. Five members of the post will be on the job each day during the opening weekend and the dedication weekend. Other Explorers will direct parking on dedication day.

A concession stand will be operated by the Band Parents Club and snacks, lunches and soft drinks may be purchased. Picnic grounds are located near the cavern entrance for the convenience of those who plan to eat lunch.

Visitors will be taken on a 3,500-foot tour which will show them the formidable "Pit" from the vantage point of a broad walk with strong steel handrails. Crystal-clear pools of water are to be seen with formations growing in profusion.

Indirect lighting points up the smooth, clean trails and accents such formations as stalagmites, stalactites, helictites, coralloids, pillars, war clubs, "popcorn".

Everyone is requested to refrain from touching the formations which are still growing. Papadakis and Burch also ask that no refuse be left in the cavern and nothing be taken from it.

The temperature is a cool 70 degrees at all times so that no special clothing is needed. There are no bats, animals or insects in the cavern.

Photography fans are encouraged to bring their cameras for taking pictures of the cavern's beauties.

Official dedication of the cavern by state dignitaries is scheduled for Saturday, July 23.

This small, inconspicuous entrance, which lay in a thicket of shin oak brush on the Mayfield Ranch, held the secret of The Caverns of Sonora for millions of years. For five years the iron cover pictured in the background was kept padlocked to prevent injury to amateur cavers and protect the Cavern from vandalism.

Beginning Saturday visitors will see the fabulous beauty of this cavern now open to the public. Unlike the spelunker here, they will enter the cave through a spacious opening and enjoy a comfortable 90-minute tour.

Junior Rodeo Scheduled Here August 19-20

Boys and girls from all over West Texas are expected to participate in the Sonora Junior Rodeo to be held here Friday and Saturday, August 19 and 20 under the sponsorship of the Sonora Park and Horse Show Association.

The rodeo, approved by the American Junior Rodeo Association, will feature events for boys and girls in three age groups.

Boys aged 16 to 19 will compete in tie-down calf roping, ribbon roping and steer riding. Boys aged 13 to 16 will participate in these events also. For boys 12 years of age and under there will be barrel racing, pole bending and goat sacking.

Girls in the same three age groups will participate in barrel racing and pole bending.

Applications are being accepted at the Sonora Chamber of Commerce office until Friday, August 12.

Louis Powers is chairman of the rodeo and Howard Westfall will be head judge.

McCARVER RECEIVES WATER CERTIFICATE

R. M. McCarver, manager of city utilities, has been awarded a Grade C certificate of competency in skill and knowledge of water plant operation. The certificate was awarded under Texas' general sanitation law that water plants supplying the public must be under supervision of an operator who has proved his talent for the job in a written examination and has been certified by the Texas State Department of Health.

The certificate will be valid for three years.

The last structure planned to tame floods on Dry Devil's River and Lowrey Dray will be well on the way toward construction when Judge J. W. Elliott opens bids on August 8, 1960.

Site 3, located on the Ben Mittel ranch, has a watershed of 23.58 sections of land. At emergency spillway elevation the dam will contain 5,307 acre feet of floodwater.

The dam will be 40 feet high,

AT TWIRLING SCHOOL

and contain some 177,000 cubic yards of earth and rock fill. A five by five and one half foot box culvert through the dam will automatically drain floodwater following severe storms. A 51 acre sediment pool can hold 200 acre feet of permanent water if the soil will hold.

Six of the 13 planned structures for Dry Devil's River and Lowrey Dray have been completed. Work is in various stages of completion on six more structures, and Site 3 will complete the job.

The only dam completed on Dry Devil's River is on the G. H. Davis ranch. Construction is far enough along however, on dams on the Ben Meckel, Pearl Martin, and Homer Byrd ranches to help in stemming a flood on Dry Devil's River. "With six dams under construction, every day assures more protection for Sonora" said E. B. Keng, SCS technician.

Services For Mrs. Mary Shroyer Pending Here

Funeral services are pending at Ratliff-Kerbow Funeral Home for Mrs. Mary Shroyer, long time Sonora and Sutton County resident.

Mrs. Shroyer died at her home here Wednesday night, July 13, after a long illness.

Services will be held at Cedar Hill but date and time had not been set at press time.

A full obituary will be carried in next week's issue.

Rains Up To 2.00 Inches Cover Part Of County Wed.

Scattered showers fell in the Sonora area on Wednesday and Thursday of this week, with heaviest rainfall reports coming from the south and southeast portions of the county. Lightning accompanying the showers caused several small range fires which were soon brought under control.

Rainfall reports available at press time included: Alice Jones Six-Mile, 1.20; Edwin Sawyer, 1.50; Collier Shurley, 1.20; Edgar Shurley, 1.30; H. T. Espy 1.50; Experiment Station, 1.50; Mrs. C. M. Epps, 2.00; W. R. Cusenbary, .90; Alfred Schwiening .50; Harold Friess, Shower. A heavy cloud cover Thursday afternoon was encouraging to ranchmen whose ranges are in sore need of moisture with most stock tanks either low or dry and a heavy cover of grass presenting a fire hazard.

Sonora Scouts To Leave Monday For Colorado Springs Scout Jamboree

Scoutmaster Herbert Fields and 9 boys from Boy Scout Troop 19 will leave Monday afternoon for a 12-day trip to the Scout Jamboree at Colorado Springs, Colorado.

Making the trip will be Bobby Kelley, Jerry Shurley, Jr., Joe Moore, Teddy Wheelis, Bill Elliott, Gil Allison, John David Fields, Herbert Fields, Jr., and Dick Hardgrave.

The Troop will spend Monday night, July 18, in San Angelo and will leave from there by chartered bus on the following morning. The itinerary of the trip calls for the boys to spend

Tuesday night at the Air Force Base at Amarillo, arriving at Colorado Springs on Wednesday.

The Jamboree, which 48,000 boys from all 50 states and several foreign countries are expected to attend, will be held at the Air Force Academy and will last eight days.

Mrs. F. L. McKinney and Bonnie and Mickey Hardgree spent Tuesday until Thursday in Kerrville where they attended closing exercises at Camp Mystic. Ann McKinney, who had been attending the camp for a month, returned home with them.

Drowning Ranked As No. 2 Killer In Fatal Accidents

Drownings have always been an accident problem. But with the demise of fireworks as a death-dealer, drownings have clearly emerged as No. 2 killer (No. 1: traffic accidents) over the Fourth of July holiday. Education of the public is one

of the main reasons for the decline in numbers of fireworks deaths.

We need to do the very same job of educating the public about drownings so everyone will learn to swim.

Texans loaded down with leisure time, head for the water for virtually every major adult sport—swimming, boating, water skiing, fishing, skin diving, surf boarding.

The Texas Safety Association, which is a nongovernmental agency concerned with preventing all kinds of accidents, cites these facts on drownings:

1. June and July are the leading months for drownings. August is close behind.
 2. Drowning victims usually are nonswimmers or poor swimmers—and usually alone.
 3. Most victims of drownings aren't even swimming or playing in the water.
 4. 231 Texans were drowned in 1959.
- TSA gave these tips on how to prevent drownings:
1. Learn to swim, and make sure you're in proper physical condition to swim.
 2. Never swim alone. Don't swim at night or in unfamiliar waters.
 3. Remember, it's not only swimmers who drown. Be cautious any time you're around water.
 4. Keep an eye on youngsters near water.
 5. Don't swim when overly heated or tired, or right after eating.

I Give You Texas

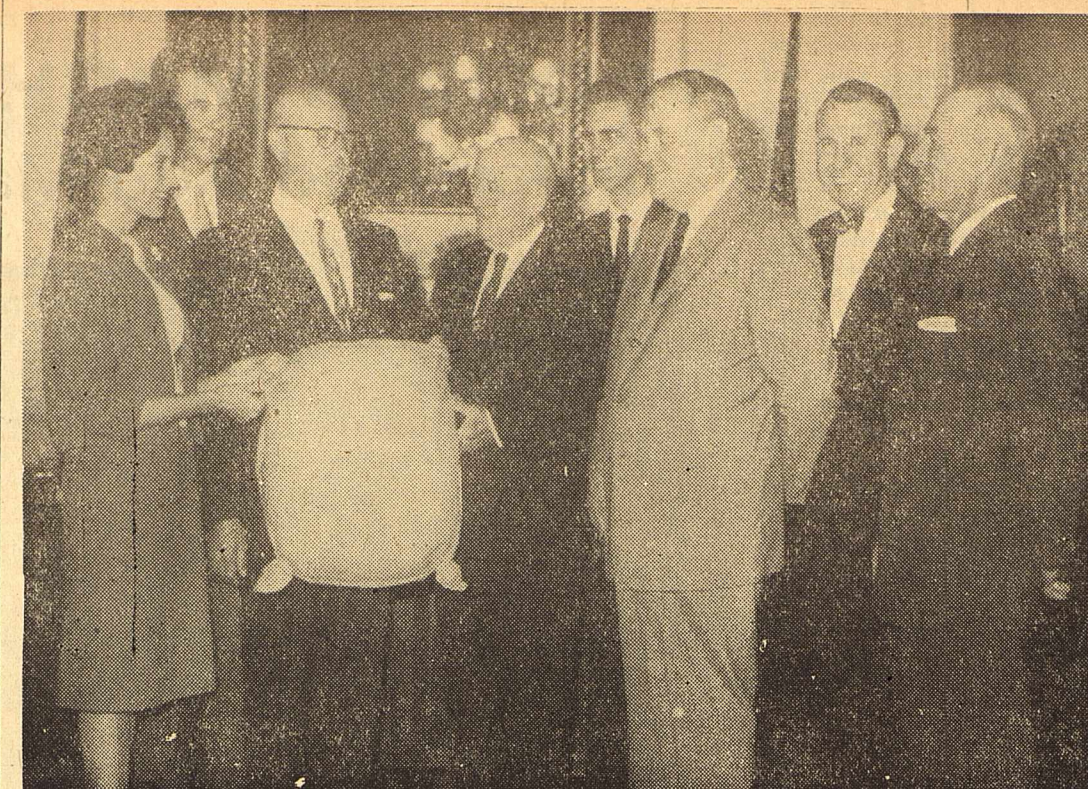

By Boyce House

Roaming through Arkansas: In Hot Springs, there is a small cafe which offers a steak dinner for only 50 cents! It's a lamb steak . . . A clever name for a motor court: King Arthur's Court . . . Talking about playing a sure thing, in a window are two signs, "Blank Cemetery Association" and "Income Tax Service."

Evidently, here is a believer in the old saying, "Only two things are certain-death and taxes." Odd name: A lawyer in Arkadelphia is G. W. Lookadoo.

In Prescott, one hotel has two names. A sign in front says, "Lawson Hotel"; a big sign on the roof says, "Lee Hotel." In Benton, a sign reads, "The Friendly Butchers."

If you have a copy of "Tall Talk from Texas", you may, eventually, own a "collector's item." After 16 years, the book is out-of-print. What with loss through fire, flood and friends who borrow, but never return books, "Tall Talk" should ultimately be in short supply. This probably will take some time, as close to 100,000 copies were published.

SAYING IT WITH WOOL—Speaker of the House, Sam Rayburn, receives this wool bag cushion, symbolizing the economic importance of the wool industry to Texas, from Miss Wool of Texas, Miss Day Padgett of San

Antonio, and Lucius M. Stephens of Lometa, President of Texas Sheep and Goat Raisers Association. Witnesses for the occasion, held in the Speakers Rooms, U.S. Capitol Building, Washington, D. C., include left to right, Miss Padgett; Honorable George H.

Mahon of Lubbock; Stephens; Speaker Rayburn; Tom Wallace, Executive Secretary-TS&GRA; Honorable Paul J. Kilday of San Antonio; Honorable O. C. Fisher and R. O. Sheffield, both of San Angelo.

Devil's River Philosopher Says He Knows Why Harry Truman Won't Go To Los Angeles Convention

Editor's Note. The Devil's River Philosopher on his bitterweed ranch on Devil's River is getting set for the summer National Political Conventions, his letter this week indicates.

Dear editor:

A neighbor of mine who has been working sixteen hours a day so he can rest and take it easy possibly the last ten or twelve months of his life, had a flat on his car near my house yesterday morning and was working fast to get the spare on so he could rush on into town to get a part for his sprayer so he could get back to work and I was standing there helping him, somewhat, at least I offered to help but he figured I'd be in the way, so he said "No thanks, you probably want to get back in your field and get on with your work. Here, take this newspaper. I understand you like to read

em. I never have time to read one myself."

I didn't say anything, but I took the paper and went back home, not to my sprayer, I don't need outside advice on how to run this ranch, and sat down on the porch and read where Harry Truman isn't going to the Democratic Convention in Los Angeles.

This news, the article said, stunned a lot of people, as Mr. Truman always has attended Democratic National Conventions. All the experts seemed baffled.

Regardless of what reason Mr. Truman gives for not going, I already know.

Him and me have discovered the best way to attend a political convention, prize fight, baseball game, summit conference, or any other sporting event is to lean back in an easy chair, prop your feet up, and watch it on television. Dodging traffic, fight-

ing your way into a convention hall or baseball stadium, and trying to see around the man in front of you while somebody behind you is yelling in your ears. . . all that belongs to a bygone era and me and Mr. Truman are living in the 20th century. The only hitch in the set-up is that some day the delegates themselves may catch on, like baseball players already have, and refuse to go without a good salary, sick benefits, and retirement pay. Some people say some of the delegates in fact have already seen to these details, but I don't know anything about that.

Meanwhile, though, when the Democratic convention starts in Los Angeles, and the Republican convention starts in Chicago, I'll be on hand, sitting comfortably at home on my bitterweed ranch out here, waiting to see which party really gets smart and writes a government-financed picture-tube replacement plank into its platform. That's one phase of the farm problem everybody seems to have overlooked.

Yours faithfully,
J. A.

Junction Doe Sale

Stated July 20

One of the largest sales of registered and purebred does in many years will be held in the Rancher's Commission Co. Barn in Junction, Wednesday, July 20, starting at 1 p.m. when 500 registered and 2,000 purebreds will be offered.

Gift Tea Saturday Honors Former Sue Ann Stokes

Mrs. Alfred C. Thompson of Fort Worth, the former Miss Sue Ann Stokes, was honored with a gift tea in the Lea Allison home Saturday afternoon, July 9.

Co-hostesses with Mrs. Allison were Mmes. Vestel Askew, Lee B. Fawcett, Bryan Hunt, R. A. Halbert, George H. Neill, W. J. Fields, Jr., W. B. McMillan and George E. Allison.

Guests were received by the honoree and her mother, Mrs. H. V. Stokes, and Mmes. Neill and G. E. Allison.

The tea table was covered with a white cloth of Brussels lace and centered with an epergne of white and green carnations. At the serving table were Mrs. Er-

HOSPITAL AUXILIARY HAS MEETING MONDAY

Mrs. O. G. Babcock, president, presided over the Monday, July 11, meeting of the Hudspeth Hospital Auxiliary at the First Methodist Church. Mrs. J. E. Eldridge gave the opening prayer.

The finance committee reported a balance of \$65.57 in the general fund and \$382.50 in the memorial fund. Appreciation was expressed to Dr. and Mrs. J. F. Howell for the picture and light given the hospital.

Mrs. Dock Rape, sewing chairman, reported a total of ten dozen cancer dressings made by her committee since the last meeting. Mrs. Alvis Johnson, children's chairman, expressed appreciation to Susan Prugel for children's books given the hospital. Reports were heard from the flower and magazine committees.

A committee was appointed to plan an entertainment for the new hospital administrator and his family later in the summer. Named to the committee were Mmes. C. M. Epps, R. A. Halbert, J. M. VanderStucken, Frank P. Bond, Bryan Hunt, W. L. Davis, Ed Mayfield and Alice S. Jones.

Range Fires Dot Neighboring Areas; Lightning Cited As Causitive Factor

Sonora Firemen were kept busy Tuesday and Wednesday as a rash of grass fires broke out in neighboring areas.

About 10 to 12 acres of grassland on the Alice Jones Six-Mile Ranch burned Tuesday afternoon in a fire of undetermined origin.

Wednesday shortly after noon, firemen were called to Eldorado to join other fire departments in the area in fighting a blaze on the Preston Ranch where approximately eight sections of pasture were destroyed.

Later in the afternoon, fire fighting equipment and men were called to the Albert Schultz Ranch, about 26 miles east of Sonora, where another grass fire was burning. Damage there was not extensive.

Lightning accompanying scattered showers was blamed for

starting the blazes. Utility poles on the Wheat Ranch south of town were struck by lightning, burning two poles and crossarms and causing disruption of service for several hours.

Mr. and Mrs. Alfred Cooper attended a reunion of the Five-ash family at Ballinger Sunday. Over 80 members of the family were present.

Mrs. Ruth Newton has returned to her home in Midland after a trip through Western Canada. She was a member of a tour sponsored by the Wesleyan Service Guild of the Methodist Church.

He's planning a CBS special for early September, to be written by Nat Hiken, in which he'd play a straight dramatic role . . . Mr. Garland, a new adventure series, may take over CBS's Friday nights at 9:30 spot next season . . . Abby (Hennessey) Dalton and Ross (Mr. Lucky) Martin co-star in a feature picture, "Crisis in Corinto," shooting this summer in France . . . Riverboat is now safely in the renewal column on NBC for next season.

Arthur Godfrey
... special

ANN SHERIDAN AND JEAN PIERRE AUMONT star on The U.S. Steel Hour's July 15 episode, "The Impostor." On August 10 Red Buttons stars on the Steel show, playing a British detective in "The Case of the Missing Wife," and on Sept. 7 Arlene Francis stars in the same series in "When in Rome" . . . Ed Sullivan will stick closer to home next season. Instead of traveling abroad, Ed plans to salute a different city in this country each month, originating his show from points of interest in that city . . . NBC revising its World Wide 60 concept next season, will devote every third Saturday to a half-hour program so that local stations can use the remaining half hour for their own public-affairs shows . . . Arthur Godfrey, who canceled plans to do a special from Ireland this past spring, now hopes to tape a show there next fall.
