Board Ends Meeting

Farm Credit Board of Houston and presidents of their three banks in Texas Saturday noon concluded a two-day meeting here at Baker Hotel.

Saturday evening the board members, bank presidents, their wives and guests were entertained at a Lake Colorado City fish fry.

Hosts for the fish fry were C. C. Thompson, chairman of the Farm Credit Board, and Mrs. Thompson and officials of local businesses associated with the Farm Credit Board's banking program in Texas—Newby Pratt, R. B. Baker, Ross Hargrove and Thurston Smith.

The visiting delegation were honored guests Friday at a combined Civic House luncheon of Lions and Jaycees.

Thompson, principal speaker, for the luncheon emphasized that the economy of the U. S. and the world is operated largely on a credit basis.

He traced the progress in all fields of credit through history and especially in the last 50 years within the U. S.

He described the Farm Credit Board and its three banks—Federal Land Bank of Houston, Houston Bank of Cooperatives and Federal Intermediate Credit Bank of Houston—as a specialized loan for agriculture.

"These banks do not loan money from government funds," he emphasized. "They go into the money markets of the world for funds by selling bonds and debentures to the public at a margin of profit."

FFA Awards to Cooper and Hull

Three guys and a gal were the toast of Colorado High Future Farmers' parent-son banquet Tuesday night in Primary School cafeteria.

Miss Janice Adams was formally introduced as FFA Chapter Sweetheart for 1958-59.

Mickey Cooper and Richard Moseley walked off with their arms filled with awards for their outstanding work as Future Farmers.

And James Hull, Lone Wolf Electric Cooperative Inc. executive, received an award of appreciation for his support of the FFA program.

Approximately 100 persons attended the banquet, a signal start for the chapter's fall program under the supervision of James Trammell, Colorado High vocational agriculture instructor.

Future Farmer Charles Wiggins presented a necklace to the beautiful sweetheart, Miss Adams, in behalf of his chapter.

It was Wiggins also who presented special awards to Cooper and Hull.

The chapter award of appreciation to Hull, the young Lone Wolf staff member, was for Hull's promotion of the chapter's light bulb sale, his service to the chapter during the absence of their instructor and his assistance for team projects of the chapter.

Cooper received the award of outstanding senior member of the FFA chapter.

Maurice Kingsbury of Ralston-Purina Company called Cooper back to the head table moments later to hand him a huge trophy for exhibiting

BEST AMONG 194 CHURCHES

Loraine Baptist Church Wins District Achievement Program

The First Baptist Church of Loraine Saturday was named winner of the District 8 Church Achievement program sponsored by the Baptist General Convention of Texas.

District missions secretary J. William Arnett of Big Spring said the church conducted a vigorous church improvement program and showed an increased concern for community and world missions to win the coveted award.

District 8 includes five Baptist associations, 194 churches, 13 missions and 54,461 members. The district's 12-county area extends from Yoakum County on the north to Midland County on the south and from Mitchell County on the east to the western borders of the state.

It is one of 17 geographical areas in which the BGCT promotes the achievement program each year. The winning pastor in each district receives a parchment scroll, the church a metal plaque.

One church and pastor will be recognized as statewide winners during Texas Baptists' annual convention Nov. 3-5 in San Antonio.

Pastor Bobby Rine said the church increased Sunday school attendance by five per cent during the year and added several equipment items to improve the church plant.

Most of the Sunday school classrooms were repainted, a church recreation area was installed and grounds of a Spanish mission sponsored by the church were landscaped.

Mission gifts to district and associational programs were increased by 10 per cent over the previous year. And the church paid half of the salary for a pastor of the Spanish mission.

Leads Division

Benny Franks, Sun Oil Company employee, will chairmen the special gifts division for Mitchell County United Fund's 1959 roundup this fall.

FOR UNITED FUND

Franks Heads Special Gifts

Second group of workers to move into action this fall in Mitchell County United Fund's 1959 campaign will be the special gifts division.

And their job will be to raise between \$3,500 and \$4,000—the third largest task of the entire campaign moneywise.

Heading the special division will be Benny Franks, Sun Oil Company employee.

He will confer Monday with United Fund officials for final planning toward his division's assignment early in October.

Only the advanced gifts division will move into action ahead of Franks' group.

Franks and his volunteer workers in the special gifts division will contact approximately 200 prospective United Fund donors.

These prospects are the middle bracket, so to speak, of United Fund support and participation. They include both firms and individuals who will provide approximately 15 per cent of the entire \$27,855 needed for the nine participating United Fund agencies all next year.

Scores of volunteer workers will be given assignments in Franks' division. They actually begin their contacts

about one week before the general solicitation.

Agencies who will receive finances from the United Campaign are Salvation Army, Boy Scouts, Girl Scouts, American Red Cross, Mitchell County 4H & FFA Livestock Show, American Heart Association, Texas United Defense Fund and Gonzales Foundation.

The special gifts division is one of six divisions with assignments in this fall's United Fund drive—a campaign that wraps drives for nine agencies into one quick effort.

The association, at the same time, upped the age limit for animals entered in the sale and show.

Previously, the age limit was 20 months. For the 1959 sale, however, the limit has been extended to 24 months because of the good demand now for cattle in that age span.

Nineteen members of the association attended the barbecue prepared by Precinct 1 Commissioner Sam Thompson.

The Hereford breeders set Nov. 14 as deadline for stockmen to enter their names as consigners for the 1959 sale.

They also appointed a committee of Roy Henderson, County Agent Jack Burkhalter and O. A. Ruffin to screen all animals consigned for the sale and show.

"We are encouraging all consigners to enter their animals as early as possible," Burkhalter said.

"And just as soon as the consigners know what animals they intend to enter," the county agent continued, "they should notify the screening committee so that a date can be set for pre-sale screening of the animals."

Eligible to enter animals in the annual Hereford sale are all breeders in Mitchell County and adjoining counties, provided they enter their animals before the Nov. 15 deadline.

Last winter there were 34 animals consigned in the association's ninth annual sale. Those Herefords sold for a total of \$6,515.50 with bulls averaging \$163.19.

Roy Henderson consigned the champion bull and Dub Harkrider consigned the champion heifer.

AGE LIMIT CHANGED

Annual Hereford Sale Set Jan. 17

Mitchell County Hereford Breeders Association's 10th annual sale is scheduled here next Jan. 17.

Date and plans for the sale were made Monday night at a barbecue meeting of the association at the Thompson cabin on Lake Colorado City.

The association, at the same time, upped the age limit for animals entered in the sale and show.

New Look For Chamber Office

Striking decor and furnishings highlight the newly remodeled office suite of Colorado City Chamber of Commerce in Civic House. Here is a view as a person enters the reception area from the Elm Street entrance.

At left is the secretary's desk. Doors to conference room and the manager's office are shown at center and right.

FOR PUBLIC OCT. 14

Chamber Open House to Show Remodeled Office

A public open house Oct. 14 will show to the public the newly remodeled and refurbished office of Colorado City Chamber of Commerce.

Chamber president Jeff Taylor announced the date Saturday as only a few minor furniture details remained for completion.

The \$5,500 project has made the office suite one of the most striking and adequately equipped chamber offices for comparable size towns in West Texas.

Hosts for the open house Oct. 14, from 9 a. m. to 12 noon, will be the chamber directorate and staff—Manager Ernie Larmer and Mrs. Mary Ann Holman, secretary.

Coffee and doughnuts will be served to the visitors during the special event.

Remodeling work in the chamber office suite has been completed and most new furniture was moved into the suite this week. New furnishings include a steel executive's desk and chair, plus three reception chairs in the manager's office; two-unit steel secretarial desk and chair; filing cabinet and four reception chairs in the reception room; a full-size oak conference table in the conference meeting room.

The reception area, partitioned from the manager's office by glass panels, has gray walls, with desk and filing cabinets in desert sand with contrasting desk top and chair upholstery. Flooring is black and white vinyl tile, reception

chairs are in solid colors turquoise and persimmon, and three doors opening into the area are in solid colors of persimmon, blue and yellow.

The huge oak table for the remodeled conference room is a gift to the chamber from Rockwell Bros., the firm for which Chamber President Jeff Taylor is Colorado City manager.

Old office furniture and the chamber's office equipment has been moved into the new work room—fourth unit in the enlarged and remodeled suite—adjacent to the conference room.

The work room, in addition to providing an efficient work unit, also is being utilized as a record room.

AT WALLACE SCHOOL

Food Nutrients Class Project

The sophomore homemaking class of the Wallace School has a special project—food nutrients.

This special project is aimed to promote better nutrition for students of all grade levels.

The class has made a study of the food habits in the school. After observing these students the class concluded students were eating too much carbohydrates and fats and not enough vitamin and mineral foods.

The class will endeavor to educate the students of the school to eat and learn to like foods that contain vitamins and minerals. Encourage the students to eat more green, yellow and red vegetables. And also to encourage them to eat more fruit.

The class has secured oranges to sell at cost which will be available for all students at the school.

The class plans to enroll students in an experimental group which will follow a perfect diet and keep records of this group. This experiment will afford the homemaking class an opportunity to see if a perfect diet will correct adolescent skin irritations, and increase "vim, vigor and vitality."

Mrs. W. D. Harris is the homemaking teacher at Wallace School.

Pilot committee for the sophomore class project is composed of Willie Ruth Biggers, Janie Eva Bydia, Joyce Elaine Farmer, Lorene Johnson, Bessie Walthall, Betty Joyce Shoals and Hazel Smith.

FAITHFUL MOMENT IN A CHILD'S DAY

You remember being in this picture yourself, years ago—don't you?

More than once, you stood with your friends... you prayed together for a classmate, for the boys in service, for our country's welfare.

Perhaps not more than two or three of you belonged to the same church, congregation, or synagogue. But you had this in common. You all knew how to pray to God.

That habit of prayer wasn't taught in school or practiced only in your home. You were taken to church or synagogue every week. Your parents knew their duty to help you find a Faith to live by.

And now it's your turn—to fulfill the same obligation to your children. Start this week, worshipping together.

SAFETY IN FIRST QUARTER

Monahans & Mud Lick Wolves By 2-0 Margin

A holding penalty, a bad snap from center and a slippery ball resulted in a 2-0 defeat for Colorado City against Monahans here Friday night.

That chain of events in the first quarter gave the Lobos the narrow margin of victory on a sloppy, rain-swept field at Wolf Stadium.

It was reverse of last years C-City Monahans game when the Wolves won by the margin of a safety, 85.

Monahans dominated the game with the Wolves able to cross the midfield stripe

Five Games on Tap For Local Gridders

Colorado High's A & B teams and the three Junior High teams face a busy week.

The B-team goes to Bronte Thursday night to battle the Bronte varsity at 7:30 p. m.

The seventh, eighth and ninth grade junior-high teams all go to Winters for a triple-header Thursday evening.

only once during the game. That was in the fourth quarter with 4:57 left in the game when the Wolves made their only threat of the night in a drive that carried to the Monahans' 36.

The rain that began shortly before the game and ended shortly after played havoc with the ball carriers. The Lobos lost the ball four times on fumbles and the Wolves twice.

It was game of punting with a total of 20 kicks. Monahans kicked several times on first down in an effort to force C-City to fumble.

Wolves kicked 11 times for a respectable 35.3 average while Monahans booted 9 times for a 36.3 average.

C-City's average was hurt with the last punt of the game, a 14-yarder off Dickie Richardson's toe.

Monahans dominated the statistics with 10 first downs to the Wolves' 3. In yards

rushing, Lobos got 152 to the Wolves' 61.

Each team tried one pass with the Wolves' toss going incomplete while Monahans completed theirs with the help of an interference penalty against C-City.

Andrew Killian, 143-pound halfback, was the work horse for Monahans, carrying the ball 24 times for a total of 124 yards or a 5-yard average. All the other Lobo backs combined carried only 15 times.

Freddie Womack, Wolves' 140-pound halfback, was the whole show for the C-City backfield, gaining 60 of the Wolves' 61 net yards rushing. Womack ended up with a 5-yard average on 12 carries.

Merket carried 11 times and wound up with a 4-yards lost. Richardson lugged the ball six times for 10 yards.

Monahans got their two points early in the game after Killian had boomed a 58-yard punt from his 25 to the Wolves' 10.

Womack, Merket and Richardson carried to the 19, just a few feet shy of a first down but the Wolves were caught holding and the penalty moved the ball back to the five-yard line.

On the fourth down punt attempt, the snap from center was bad and Richardson was unable to get the ball away and was tackled behind the Wolf double stripe for the Lobo safety.

Wolves spent the rest of the night punting and fighting back the Monahans goal line threats.

Later in the first quarter, the Lobos drove to the Wolf eight yard line for a first down but tackle Raymond Weaver pounced on a Lobo fumble to stop the drive.

The second quarter action was mainly punting with eight boots, mainly in the Wolves' end of the field with neither team threatening.

Monahans made a goalward drive early in the third period when they took the kickoff on their 35 and marched to the Wolves' 23, but they fumbled and the Wolves recovered.

Again, the teams kicked back and forth, waiting for the other to make a mistake.

Early in the fourth period, a clipping penalty on the Wolves moved the ball back to the Wolf 10. Another penalty shoved the Wolves back to the one-yard line with Richardson kicking out to the 34.

Wolf Linemen

Alex Campbell, top left, Douglas Hodges, top right, Mike Schoolcraft, bottom, participated in the Wolves' 2-0 loss to Monahans Friday night. Campbell is a sophomore end and defensive starter while Hodges is a 120-pound defensive guard. Schoolcraft is a starter both on offense and defense at end.

ardson kicking out to the 34. With Killian carrying on every play, the Lobos moved to the 12 yard line where the Wolves rose up to hold the Lobos on fourth down, lacking one foot for a first down.

About four minutes later, C-City recovered a Monahans fumble on their 34 and began their only drive of the night.

A penalty against the Lobos and a 12-yard run by Womack carried the pigskin to the mid-field stripe for a first down with 4:57 left in the tilt.

Womack gained two and Merket ripped off a 12-yard run to the Lobo 36.

Then three straight attempts at end runs were foiled by the Lobos and the Wolves lost their goalward punch.

Bobby Caffey, James Shoemaker, Weaver and Ken Simmons shined in the Wolves' line while big Paul Pierce and 300-pound Dan Webster stood out on the Lobos' defense.

Several hundred fans watched the game from cars inside the stadium while several hundred more braved the steady downpour from the stands.

Lamesa Nips Ninth Grade In 12-0 Tilt

Lamesa's undefeated ninth grade football team whipped the Colorado City squad, 12-0, Thursday night in Lamesa.

Fullback Carrol Lisenbee scored Lamesa's first touchdown late in the second quarter on a five-yard plunge through the line. The attempt for extra point failed.

Lamesa tallied again in the third period on a long pass play to complete the scoring for the contest.

Colorado City's biggest punch was the arm of Terry Davis passing to Steve Hillhouse and Jim Womack. Davis completed nine of fourteen throwing attempts with Hillhouse hauling in two tosses for 38 yards.

Despite the fact that they were outweighed 25 pounds per man, the C-City defense led by Kenneth Northcutt, Darrell Davis, Mike Robinson, and Bobby Wilson proved hard to penetrate.

Outstanding punting by Terry Davis and Kenneth Northcutt proved profitable as it kept Lamesa away from C-City territory.

John Porter, 170, Earl Hatcher, 153, Don Patterson, 144, and Skipper Beall, 135, led a tough Lamesa defense that held the local squad scoreless.
