A group of Lions and Kiwanians grabbed their "weapons" and faced each other in a practice preview of their street sweeping contest—a highlight of Colorado City's Clean Up, Paint Up, Fix Up Week. In the Kiwanis line-up, left to the wheeled cart, are Supt. Frank Wilson, John T. Merritt, City Councilman Sie Hamm, Bud Everett and Alton Myers. Lions brigade, right from the cart, are J. Ralph Lee (at the cart),, Morris Kirschbaum, Ross Daniels, R. H. (Harry) Ratliff, Jeff Taylor and District Attorney Eldon Mahon.

Jaycees In Monday Work Day

Citizens at home took advantage of the pre-4th of July weekend to increase Colorado City's Clean Up, Paint Up, Fix Up Week.

And city crews will pick-up the stacks of grass, weeds and trash on their regular collection schedule this week.

Final and event of the Clean Up, Paint Up, Fix Up will come at 6:30 p. m. Thursday with Lions and Kiwanians engaged in a sweeping contest on downtown sidewalks.

* * *

Sie Hamm will captain the Kiwanis sweepers and Benny Franks will captain the Lions broom experts. And to the winners will go an appropriate trophy, compliments of the Chamber of Commerce.

Letters to all Lions and Kiwanians will be mailed early in the week and the captains are urging that their sweepers meet before 6:30 p. m. at the corner of E. Second and Elm.

Scheduled for a clean sweep in the contest are the 100 blocks of E. Second and West Second, plus the 100 and 200 blocks of Walnut.

* * *

The Clean Up, Paint Up, Fix Up Week started Friday under the joint sponsorship of the Chamber of Commerce civic development committee and Jaycees.

And Jaycess, themselves, will provide impetus for the campaign Monday afternoon when they report at 5:30 p.m. to Civic House for a special work.

To provide a new look for Civic House, Jaycees will replace dirt between the curb and sidewalk with new top soil, repaint Civic House woodwork, install new screens at the main entrance, replace damaged ceiling tiles and make other repair.

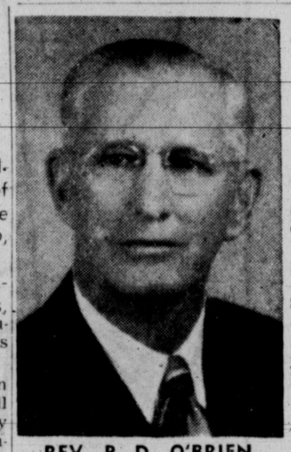

Colorado City Garden Club will lend a hand, too, by planting grass and shrubs in the areas between sidewalk and curb.

* * *

Five work crews in the Civic House project Monday will be directed by Jaycee President Bob Williams, Bob Reily, Ernest Larmer, Lewis Williams and Charles Ezell.

Williams' crew will do the clean up work and will include Dr. H. Jene Steakley, Chamber of Commerce chairman for the entire clean up week;

WHEN YOU'RE SHOPPING

Kiss It Bye or Put it in Bank?

"Every purchase you make in a Colorado City store is just like putting money in the bank!

". . . a bank that you can draw on for a job, friends in time of trouble, schools for your children, churches for spiritual help and the enjoyment of living a good life in a good community where everybody is somebody."

That's pretty well the buy-at-home story in a nutshell as told in the feature sponsored on page two of this issue by local merchants.

Buying at home is an investment you can draw on every day of your life in Colorado City . . . an investment that pays big dividends in happiness and prosperity as it strengthens and builds the vitality of the community.

Contrast this with what the community-building and supporting part of your dollar does for you when you spend it away from Colorado City, send it to some mail order house or surrender it to some migratory peddler.

It's gone . . . to build wealth you can never draw on, to weaken your business, your schools, your churches, to eliminate your job and devaluate your property.

IN AREA COMMUNITIES

'Minute Man' to Speak for Co-op

A "Minute Man" committee has been organized among Lone Wolf Electric Cooperative members to "tell the story" of their cooperative.

Twelve couples — selected from nine separate communities in Lone Wolf's six-county area — have been appointed to the educational committee.

They were appointed by the cooperative's management and board of directors on basis of their community leadership and interest in the cooperative's program.

In their organizational supper meeting at Lone Wolf Building, the Minute Man committee members elected Willie Taylor of Loraine as chairman.

Named vice chairman was Orville Hess of Hermleigh. Mrs. Bruce Byrne of Landers was elected secretary.

Complete membership of the committee includes Mr. and Mrs. Jackson Ellis of Dunn, Mr. and Mrs. Bill Wilson of Luther, Mr. and Mrs. Daymon Cotten of Hermleigh, Mr. and Mrs. Doyle Hester of Loraine, Mr. and Mrs. Willie Taylor of Loraine.

Mr. and Mrs. Morgan Wright of Roscoe, Mr. and Mrs. Willie Brooks of Westbrook, Mr. and Mrs. Bruce Byrne of Landers, Mr. and Mrs. R. A. Carey of Colorado City, Mr. and Mrs. Odell Fuller of Payne, Mr. and Mrs. Orville Hess of Hermleigh and Mr. and Mrs. A. J. Robinson of Roscoe.

The committee is one of approximately 10,000 Minute Man groups already organized across the nation with cooperatives, according to James Hull of Lone Wolf staff.

Here in Colorado City the committee will meet approximately four times each year — or when needed — to take back data in the "cooperative story" to their community friends and neighbors.

Approximately 50 persons were on hand at Lone Wolf when the committee was organized at a supper meeting. And they heard five speakers outline various phases of the cooperatives in Texas.

Mayor Johnny Ammons of Roby, manager of Midwest Electric Cooperative of Roby, discussed the legislative needs. Organization and purpose of the Minute Man committee was reported by Lee Vinson of Abilene, chairman of the Taylor Electric Cooperative Minute Man group.

Local data was provided by Raymond Perdue, Lone Wolf manager, who pointed out the tax paying responsibilities of cooperatives; Gwan Strange, Lone Wolf board member, who told of the cooperative's new building being erected for special gatherings and programs; and Hull, who told why and how Minute Man members were selected.

About 10,000 persons attend the convention annually. It meets this year Nov. 3-6 in San Antonio.

Yanks Tie Redmen For Second Place

The up-and-coming Yankees downed the Giants, 11-5, Friday night to tie for second place in the Little League with the Indians.

The Indians lost 6-3 to the Pirates to drop into the tie with the Yanks.

Yankees scored heavy in the first part of the game against the Giants, marking up four runs in the first frame, two in the second and three in the third.

Yanks took advantage of Skipper Warren's pitching wildness in the first for their four runs.

Larry Hamner, who relieved Warren on the Giant mound, also had trouble finding the strike zone in the second, issuing five walks to the Yanks.

A triple by Joe Anderson paved the way to the Yank runs in the third inning.

Giants scored their first run in the second frame on Hamner's home run off Anderson. They touched Anderson for four more runs in the third with doubles by Warren, Howard Belvin and David McKay providing the power.

Anderson was winning pitcher while Warren took the loss. Anderson also led his team at bat with two for three while Geiger had the same percentage at bat for the Giants.

Pirates used four runs in the second inning and two in the sixth to whip the Indians, 6-3.

Wayland Moore and Pete Garrett doubled for the Pirates in the second while Indian hurler Johnny Castillo issued walks to Danny Kennemur, Leon Sweat, Roy Sprott and David Salter.

Kennemur accounted for the other two Pirate runs in the sixth when he homered with Frank Biggers on base.

Bill McGuire and Larry Currie scored the Redmen runs in the fourth while Castillo crossed the plate in the sixth with help of McGuire's double.

Hillhouse Has No-Hitter in 15-2 Victory

Steve Hillhouse pitched another no-hit game Thursday night as his White Sox team whipped the Braves, 15-2.

Coach Win Talley's Sox now have won 12 straight games without defeat.

Hillhouse walked a couple of Braves and the Sox fielders committed errors to allow the two Brave runs.

It marked Hillhouse's third no-hitter of the year.

Cardinals upset the Athletics, 10-9, in the other game Thursday. Athletics led 9-5 going into the final inning, but the Cards rallied for five runs to win the tilt.

Master Sergeant Retires Monday

The end of a 20-year acquaintance with the Armed Forces comes to an end Monday for a Goodfellow master sergeant when Col. A. G. Evanoff, wing commander, presented the sergeant with retirement papers.

Master Sergeant Guy C. Burson, a Texan, formerly Non Commissioned Officer in Charge of the Petroleum Section at Goodfellw Air Force Base, will make his home in Colorado City, where he expects to begin a new career in the oil industry.

The sergeant enlisted in the Army July 21, 1936 at Fort Sam Houston, and was assigned to the 9th Infantry Regiment. Exchanging the role of "doughboy" for a look at the Army Air Corps in 1941, he was assigned to Kelley at San Antonio and took on the duties of a crew chief.

Later, being afforded the opportunity to take on another career, Sgt. Burson learned the job of optical instrument repair and followed that career until 1953.

He then changed jobs again, this time to a Petroleum specialist — the job he has carried out until his retirement.

Overseas stations include Guam, Germany, and Greenland, Other bases in the U.S. at which he worked include Wright Patterson in Ohio, Maxwell in Alabama, Edwards in California, and Hondo and Hensley Field in Texas.

During his carreer, he has completed various technical schools and one course of study from the United States Air Force Institute. He graduated from high school at Crockett.

Parham Hurls No-Hit Game For Windham

Gene Parham, Windham Pipe Line softball pitcher, hurled a no-hit, no-run perfect game Friday night against Flintkote in the Sweetwater League as the Pipeliners won, 13-0.

Parham, the fire-ball right-hander, faced only 15 men in five innings of play. One Flintkote player reached first base on an error, but was thrown out at second base.

Due to league rules, the game went only five innings since Windham's were ahead by over 10 runs at the end of five frames.

The Windham team was strong at the bat with Billy Williams getting three hits in four trips to the plate; Don Robinson and George Herring two for two and Parham, two for three.

Pipeliners scored two runs in the first inning on Williams' and Robinson's singles.

In the second inning, they amassed six runs on seven hits.

The fourth inning saw five Pipeliners cross home plate. Robinson started it off with a walk, Herring doubled, Parham tripled with Williams and Tommy Teakell following with singles.

The Windham team is now in second place in the league with four wins and two losses. The next game is Tuesday against U. S. Gypsum. Other remaining games are July 10 against the Sweetwater Air Base and July 17 against the league leading Roscoe State Bank team.
