Federal Aid For Farmers Ready Soon

COMPLETE RED CROSS AID PLAN

National Headquarters Woman Here Local Chapter of Red Cross Now Giving Aid

Mrs. Myrtle Ellis of the National Red Cross headquarters visited Tahoka Wednesday morning and at a meeting of local Red Cross committees and other workers held in the county court room she gave instructions as to the taking and passing upon applications for aid and the disbursement of funds to the needy in this county.

She made it clear that while the local committees are expected to be very conservative and very careful in making recommendations for aid, yet it is the purpose of the national Red Cross to help alleviate the suffering of all the needy who can present really meritorious claims for help. At the conclusion of her talk many questions were asked by workers present and much detailed information was given them.

Representatives were present from O'Donnell, Wilson, Magnolia, Grassland and other communities. They report that many applications for help are being made and Mrs. W. D. Nevels estimates that there are at least 200 families in the county who must have help.

Local committees must approve applications and send same in to Mrs. Nevels or the county committee consisting of W. S. Anglin, Rev. O. J. Hull, and Rev. J. W. Shepherd. The central committee will pass upon these applications with all due diligence and send same to St. Louis, from which place aid will be granted. Local officials and committees are using all proper means to expedite the filing of applications and the granting of the aid. It is believed that the funds will be forthcoming from Saint Louis within a very few days.

An incomplete list of local committees has been furnished us as follows:

Wilson: Mrs. L. Lumsden, Mrs. A. L. Paulson R. E. Finley.
O'Donnell: Charley Doak, J. L. Shumaker, Rev. Parr.
Magnolia: A. H. Hoed, W. J. Fairies.
Morgan: T. E. McGehee, C. S. Oats, B. F. Brieger.
Gordon: T. J. Hennington, J. O. Reed, Mr. Young.
Draw: Walter Florence and others.
New Home: Mrs. Henry Heck, Mrs. Ann Bailey.
Edith: A. R. McGonagill, Mrs. C. J. Campbell.

'Alfalfa Bill' Has Close Friend Here

Will Montgomery was demonstrating the fact Wednesday that he neglected to attend a big reunion of the old Springtown friends of Governor W. H. (Alfalfa Bill) Murray held at Oklahoma City a couple of days prior to the new Governor's inauguration. He had just had a letter from a friend stating that 265 former residents of Springtown and schoolmates of the Governor were present. Mr. Montgomery was himself a schoolmate of Alfalfa Bill's away back in ancient times at College Hill Institute, Springtown, Texas. He says that he could beat the Governor at anything except making a public speech. The Governor could outshine him a bit on the platform.

MERLE SMITH IS NAMED AS "PRACTICE" TEACHER

DENTON, Jan. 21—Miss Anna Merle Smith of Tahoka will be one of the sixty senior students at the Texas State College for Women (C. I. W.) who will teach in the public schools during the spring semester. Miss Smith will teach mathematics. Students doing this type of work in order to secure their permanent certification to teach in the public schools of Texas are under the direction of faculty supervisors who advise and guide them in their work. Miss Smith is the daughter of Dr. and Mrs. R. B. Smith.

Wakefields Trade For Abilene Cafe

C. H. Wakefield and sons closed a deal the latter part of last week whereby he traded his dairy farm southeast of town for a large cafe in Abilene. We did not learn the name of the gentleman with whom he traded but have been informed that he is a Greek.

Mr. Wakefield moved to Abilene immediately to take charge of the cafe, which is said to be an unusually nice one. Mr. Wakefield has had much experience in the cafe business before and will doubtless make a success of the enterprise.

WTCC ASKS FOR TAHOKA FUND

C. C. Williams Attends District C. Of C. Meeting At Lubbock Last Tuesday

C. C. Williams attended a district meeting of the West Texas Chamber of Commerce held in Lubbock last Thursday. Most of the towns on the South Plains were represented, there being about twenty-five representatives present. All of the towns represented accepted their quotas for the current year except Tahoka. Mr. Williams stated. He was not authorized to act in this matter for Tahoka and did not do so. Maury Hopkins of Plainview, assistant manager of the West Texas Chamber of Commerce, presided at the meeting. D. A. Bandeen, the manager, was present. Mr. Bandeen was very anxious that Tahoka should come on in and accept its quota. Mr. Williams stated. There is no doubt but that the West Texas Chamber of Commerce is today the most efficient and serviceable organization it has ever been. All the old-time ballyhoo is gone and Bandeen is strictly business. When Tahoka gets on its feet again it should come on back into the organization.

Lubbock Publisher Dies Of Exposure

Genuine sorrow was felt here and throughout west Texas Tuesday night and Wednesday morning when the news spread that Herbert Quinn, publisher of the Lubbock Avalanche-Journal, had perished from exposure and fatigue while lost among the barren sand hills of northern Yoakum county. Much gratification was felt, however, over the news that Charles Guy, editor of the two publications, and his wife had been found after they too had been stranded on the barren waste for nearly two days.

Mr. and Mrs. Guy and Mr. Quinn had left Lubbock soon after noon Sunday. Late in the afternoon their car became "stuck" in a sand bed and they were unable to extricate it. Going in search of help, Quinn became lost after night came on and never returned to the car. Mr. and Mrs. Guy made an unsuccessful attempt Sunday night to find him. They remained at their car throughout Monday and Monday night, and undertook to make their way to some house or highway on foot Tuesday morning, when they were met six miles from their car by a ranchwoman residing in the vicinity.

Hundreds of searchers and a dozen airplanes had been searching for the missing trio. Mr. and Mrs. Guy were found just before 11 o'clock Tuesday morning but the dead body of Quinn was not found till 5:15 in the afternoon. He had finally become exhausted no doubt and had possibly suffered a heart attack since searchers found no evidence that he had even moved after having fallen.

Hereford is proud of the completion of seventy-five blocks of paving.

Texas has the largest spinach-shipping town in the United States—Crystal City which last season shipped 3,729 carloads and which expects this season to ship around 5,000 carloads.

Gov. Ross Sterling And Ex-Gov. Dan Moody

Above is Ross Sterling, who was inaugurated governor of Texas in the presence of a throng of 10,000 of his fellow citizens, in front of the Capitol building in Austin Tuesday. His rise from farm boy to capitalist and from obscurity to the governorship furnishes a most interesting chapter in Texas history. To the left is Dan Moody, who relinquished the office of governor Tuesday after four years of service. He has been in the public eye almost continually since gaining an enviable reputation as a prosecutor while district attorney in 1923-'24. He was attorney general in 1925-'26, and defeated Mrs. Miriam A. Ferguson after a hectic campaign for governor during the latter year.

Kiwanians Told Of Court System

At the Kiwanis luncheon Wednesday, Judge C. H. Cain was in charge of the program. County Attorney G. H. Nelson was the speaker of the occasion and he discussed the court system of Texas, giving much information to the lay members of the organization. The jurisdiction of the various courts from the justice court to the supreme court was given and much illuminating information given as to the manner in which the various courts function. It was a really worth-while program.

Men Plea Guilty To Theft Of Coal

Monday was another busy day for Uncle Ben, Justice of the Peace. Two men entered pleas of guilty to the charge of stealing coal from the New Home school. They were assessed a fine of \$1.00 each. A citizen of New Moore entered a plea of guilty to a complaint charging an affray, and he was likewise fined \$1.00.

Three civil cases were also disposed of. One judgment was rendered on a note, foreclosing a lien on a car. Another judgment was rendered foreclosing a lien on a Kelvinator. In a third case, the plaintiff took a non-suit and paid the costs.

Texas Is Becoming Great Industrial State, Congressman Jones Declares

(By Congressman Marvin Jones) I am glad to note the activity of the "Buy It Made In Texas" movement.

No finer program for the development of the Southwest could be conceived. If every citizen of Texas could catch the spirit and follow it with action, it would mean more to our State than any other development plan that has been suggested.

If our merchants would feature Texas-made products in their show windows, it would stimulate interest. If Texas buyers would ask for Texas-made articles and buy them in all cases where quality is equal the movement would become irresistible.

Most of all, our industries should undertake to make a superior product. Quality is a prime essential. The program calls for team work. But how it would pay in dividends,

W. M. Lee Returns Nevels' Charges

Now comes W. M. Lee and says that the charges made against him last week by Bill Nevels concerning that pair of pants is all bunk. Lee says that the trousers he donated to the Red Cross and which Nevels now claims were property stolen from him were trousers that he bought and paid for, and that they were far better pants than Bill ever owned. Furthermore, he says that he can prove by A. L. Lockwood and others that as long as the Red Cross old-clothes barrel sat on the corner at the First National, Bill Nevels hung around all the time and that Lockwood will testify that he saw Bill wearing at least three different suits on the same day. He insinuates that the three suits came from that old-clothes barrel. This controversy between these two gentlemen is growing so hot that we fear it may grow into a regular Kentucky feud. We are watching the situation however, and if it becomes too threatening we believe that Ross Sterling will send us a bunch of rangers to keep the peace and investigate the charges that these gentlemen are hurling at each other.

Joe McCarty of Roscoe was here Monday on business. He was accompanied by his sister, Mrs. Willie Scott of Lubbock. They are longtime friends of the editor.

J. H. Holcomb, 36, Is Buried Tuesday

J. H. Holcomb, 36, died at the residence of his brother, J. E. Holcomb, who resides four miles north of Tahoka, Monday afternoon, and the remains were interred in the City Cemetery here Tuesday afternoon. Funeral services were conducted at the cemetery by Rev. D. D. Johnson. Mr. Holcomb had not been a resident of this county but a few weeks we understand, but had been afflicted for a long time. The relatives have the sympathy of our people.

BOARD NAMED FOR AID WORK

Committees To Accept Applications For Federal Aid In County Are Made Public

A. L. Lockwood, chairman of the drouth relief committee for Lynn county, has announced the following local committees to act for their respective communities in the matter of receiving applications for loans from the Federal Drouth Relief Fund.

Wilson: J. R. Houston, C. A. Coleman, L. Lumsden.

Lynn: W. H. May, C. P. Church, Boyd Miller.

Gordon and Magnolia: J. E. Morgan, W. M. Bruster, G. Voigt.

Grassland: M. L. Thomas, Sybil Thomas.

Redwine and Draw: Price Thomas, Walter Caswell, J. E. Sherrill.

Midway: R. R. Reagan, I. M. Draper.

O'Donnell: J. L. Shumaker, Sid Cathey, C. B. Morrison.

Dixie: A. F. Pitts, Lee Holley.

New Home and Lakeview: J. H. Armontrout, S. L. Williams, Joe Poindexter, and L. H. Moore.

The county committee is composed of A. L. Lockwood, J. K. Applewhite, and Judge J. W. Elliott.

Mr. Lockwood calls attention to the fact that committees have not been selected for some communities of the county. Persons residing in these communities who desire to make applications for loans may apply to the nearest committee or to the general committee at Tahoka.

Justice Court Has Busy Day Tuesday

Judge B. F. (Uncle Ben) Rogers seemed to be in a receptive mood again Tuesday. Three pleas of guilty were entered in his court and small fines assessed for minor offenses.

There was one plea of guilty for fighting and one for abusive language coming from the South Ward community. A Brownfield man entered a plea of guilty for fighting, the offense having occurred at a public dance here one night a few weeks ago.

County Attorney G. H. Nelson has also been filing some "cold checking" charges this week. The courts seem to be about the busiest places in town recently.

Deo Issues S. O. S. For Colored Folk

There are hundreds of little jobs that can be done now, the paying for which would not impoverish the owner. In Lynn county there are some few Negroes and Mexicans that are struggling for an existence as hundreds of white men are. We are all willing to work, to do what there is to be done without blue print. One dollar bill will accomplish more in labor now than after awhile, and will also give more happiness to a distressed soul than when times are not as they are now. This is a county-wide call. If you need farm laborers, share farmers, land to be cleared, houses or yards to be cleaned, or what not, notify Chas. Deo, President Western Benevolent Assn., Tahoka, Texas.

San Benito has furnished an acceptable site for a new \$100,000 Federal building.

Mr. and Mrs. Ralph T. Bucy and children of Midland visited his brother, Fred Bucy, and family, and his uncle, Dr. C. B. Townes, and family Monday and Tuesday. Mr. Bucy is county surveyor at Midland.

LOANS WILL BE MADE FARMERS

Money Can Be Used Only For Seed, Feed For Livestock, And Fuel For Power Machinery

The machinery for procuring loans from the drouth relief fund recently provided by the Federal government has been set up and the prospects are that these loans will be made with all due dispatch, according to A. L. Lockwood, who is chairman of the county committee in this county.

Mr. Lockwood, J. K. Applewhite, and Judge J. W. Elliott, who constitute the county committee, Walter B. Slaton, a state committeeman, county agent Ray Shaver and home demonstration agent Miss Thelma Greenwade attended a district meeting held in Post Wednesday, which was addressed by O. B. Martin, director of the A & M. Extension Service, who gave much information and detailed instructions as to the methods to be pursued in procuring loans.

Blank forms on which to make applications for loans are expected to arrive any day now. The county committee will supply all the blanks in the county with these forms, and persons desiring to make applications for loans should go to their respective banks and make their desires known. The bankers will assist them in filling out the applications. These applications must be approved first by the local committee. Then they will be turned in to the county committee, and if approved by the county committee, they will be forwarded to St. Louis for approval by the regional headquarters. If approved there, the check will be mailed out from St. Louis and sent back to the applicant or his bank in this county.

The following valuable information is given out by Mr. Lockwood and the county committee for the benefit of those who desire to make application for loans.

1. None but residents of Lynn county can procure loans through the Lynn county committee. Persons residing in other counties near the Lynn county line need not make applications in Lynn county.

2. A person intending to make an application for a loan should first procure a correct and accurate description of his land, if he is the owner, or of the land which he has rented if he is a renter giving the name and residence of his landlord, so that same may be incorporated in his application.

3. All applicants for loans will be required to procure waivers of

(Continued on last page)

Register Your Car In Home County

Aubra M. Cade, the new tax collector, reports that up till Monday afternoon only 725 car licenses had been issued in this county. There are a total of more than 3,000 cars in the county and he says the law requires all cars to be registered in the county of the owner's residence. Furthermore, he calls attention to the fact that in Lynn county, the entire license fee goes into the county highway fund. None of it goes to the state. When a Lynn county man procures his license plates in some other county, therefore, he not only violates the law but causes his county to lose just that much out of its highway fund.

Mr. Cade also calls attention to the fact that all cars must be registered before the first of February. Persons driving cars after that date without the 1931 license plates on them are liable to be caught by the state highway officers and fined. Besides, a penalty of 20 per cent goes on February 1.

Mr. and Mrs. Ralph T. Bucy and children of Midland visited his brother, Fred Bucy, and family, and his uncle, Dr. C. B. Townes, and family Monday and Tuesday. Mr. Bucy is county surveyor at Midland.

attention.

SHALL COURTS MUZZLE THE PRESS?

Judge Fritz R. Smith sent George
Parks, a newspaper reporter, to jail
down at Sweetwater one day last
week for alleged contempt of court
but later relented and turned the
young man out.

Judge Smith is judge of the district
court there, and a grand jury
of that county had returned an
indictment against a former county
commissioner for forgery. The defendant
had not been arrested but the
story of his indictment had leaked
out.

Parks is a reporter for the Sweetwater
Daily Reporter, and knowing a
good news story when he sees
one, he was preparing to write up
the story for his paper, when Judge
Smith learned of his intention and
warned him not to have the story
published until after the accused
man should have been arrested.
Parks informed the Judge, according
to press reports, that he had not
procured his information from any
member of the grand jury but had
procured it from a reliable source,
and he felt that he was authorized
to publish the story. The Judge then
warned him that if he did so, the
Court would send him to jail.

Parks wrote and published the
story and the Court committed him
to jail.

This incident again raises the
question as to how much power a
court has in suppressing news; and
how far may a newspaper go in pub-

lishing news in violation of the order
of a judge. These matters have
heretofore been the occasion of
many a conflict between judges and
newspapers.

In the Sweetwater case, we believe
the newspaper reporter was clearly
within his rights and the Court
was in the wrong.

If some grand juror violated his
obligation to keep the proceedings
of the grand jury secret, then he
was the proper subject of punishment
by the court. If some court official
violated his duty in this respect,
then it might have been proper
for the Court to have punished or
reprimanded him.

But we know of no law inhibiting
newspapers from publishing any
news that is not libelous nor obscene.
The constitution guarantees the
right of free speech and a free press
in this country, subject to such
reasonable restrictions as may be
imposed by law. We believe that courts
are bound to respect the rights of
individuals to the same extent that
individuals are bound to respect the
authority of the courts. We think
that Judge Smith exceeded his authority
and did a grave injustice to a
perfectly lawful and legitimate pursuit.

We try not to harbor exaggerated
notions about the value of a local
newspaper, but we could relate incidents
frequently showing its value. Just
this week we had an order from
The Agricultural & Scientific
Bureau of New York City for six
copies of our issue of December 4
carrying the story about the deal for
the potash deposits in Double Lakes
northwest of town. Of course, we
have no idea as to the significance
of this request, but we do know that
somebody in New York City has become
interested in our potash deposit
and desires to learn more about
them through the columns of
this paper. There are a few people
who will contribute liberally to the
work of a chamber of commerce, as
they should do, and yet will spend
nothing with the local paper, which
is worth much more to a town than
any chamber of commerce ever was.

We believe Congressman Marvin
Jones is right in his position that
farm products shipped to foreign
countries should be given the same
advantages in freight rates that are
given farm machinery shipped to

foreign countries. Or, conversely,
there should be no special favors
shown to shippers of farm machinery
to foreign countries in the matter
of freight rates. Machinery shipped
from one point to another in
this country for "home consumption"
should get the same benefits in
freight rates as machinery shipped
to our ports for export to foreign
lands. There should be no discrimination
in favor of the foreign producer
against our own producers. Congress
should do something about this
situation.

"Buttermilk" Jim Lowry, one of
the ablest and best known country
newspaper men in Texas, was a
most pleasant caller at the News
office Saturday. For a number of
years Mr. Lowry has been a feature
writer for a magazine section used
by many country newspapers. The
News used this service for several
years, and beginning with the second
week in February this magazine will
appear again in our paper one issue
in each month. We are sure that our
readers will find the magazine section
to be both interesting and instructive.

Ross Sterling became governor of
Texas Tuesday, the first governor
who has come from the city of Houston
since Sam Houston himself held
the office. Sterling is not a product
of the colleges. He does not even
possess a high school education.
But he is a typical and successful
business man. We believe that he
has a great fund of common sense.
We believe he is honest and patriotic.
We believe he will make Texas
an excellent governor. Here is hoping
that it may be so and that Texas
will prosper greatly under his administration.

Clara Bow appeared in court recently
in the role of a prosecuting
witness. Her former secretary was
on trial for theft, Clara being the
victim. As quoted by newspaper
reporters, she indulged in a lot of
disgusting slang that revealed her true
character. Her disrespectful allusions
to the court in which she appeared
as a witness had something about
them that was suggestive of the
underworld. Public opinion ought to
drive such characters as Clara Bow
from the screen.

Dan Moody left the governor's office
Tuesday after four years of
service. Though he has made mistakes,
yet he has rendered Texas a
great and patriotic service. Not the
slightest taint of dishonesty has
attached to any official act of his. He
has had high ideals and has been
progressive and forward-looking in
administering the affairs of state.
"Well done, thou good and faithful
servant", is the commendation to
which he is justly entitled. May the
future years be kind to Dan Moody.

Senator Morris Sheppard rings the
bell every time he discusses prohibition.
The fact is that he simply
tells the truth in a clear and forceful
manner, and his deliverances are
unanswerable. He is a tower of
strength for prohibition and a thorn
in the flesh of those who would
repeal the Eighteenth Amendment or
nullify the Volstead Act. Morris
Sheppard is an honor to Texas and
to the nation.

Coleman has ordered paving of
several blocks of streets.

PROHIBITION LAW TO LAST ALWAYS, SAYS SHEPPARD

Washington, Jan. 16.—Marking the
eleventh anniversary of national
prohibition one of the authors of the
Eighteenth Amendment told the
Senate Friday the dry clause would
stay in the Constitution forever.

He was Senator Sheppard, Democrat,
Texas, making the first Senate
speech on the liquor question this
session, with a fighting defense of
prohibition.

Denying it had caused an increase
in crime or of drinking among young
people, Sheppard told his colleagues
that repeal of the Eighteenth Amendment
would "let loose upon our country
evils which will mean the arrest of
its progress, the wreck of its glory,
the pollution of its name and fame."

"Those who clamor for the restoration
of legalized liquor have short
memories or no knowledge of the
lawlessness and corruption for which
legalized liquor stood," Sheppard
stated.

"The fight against beverage alcohol
reached an intensive status," he
said, "when increased population
increased chances for gain made
possible by the machine age united
to bring about the manufacture
of intoxicants to an extent that
threatened the permanent corruption
and control of Government, the general
impairment of health and morals
and efficiency."

Pointing to what he called hopeless
division among the wets, Sheppard
said "some of them advocate the
complete entry of the Federal
Government into the liquor business,
others suggest each State be authorized
to engage in the liquor business
if it so desire and still others would
leave the situation as it was before
the Eighteenth Amendment was adopted."

Government control has demonstrated
elsewhere, he said, that it
increases the consumption of liquor
and results in "unspeakable political
corruption and degradation of the
government."

"The principal foundation on which
prohibition rests today," Sheppard
continued, "is the voluntary obedience
of the great mass of the American
people."

"The comparative handful of prohibition
enforcement officials, about
1,700, scattered among 123,000,000
American people would be overwhelmed
but for the fact that they must cope
with but a comparatively small and
lawless minority."

"To call this enforcement group an
army threatening home, menacing
privacy and imperiling the liberty
of the American people is another
wringing wet absurdity."

Senators opposed to prohibition
made no reply to Sheppard.

Senator Heflin, Democrat, Alabama,
characterized it as "the greatest
prohibition speech I have ever
listened to."

"No man in public life has done
as much for prohibition as Senator
Sheppard," Heflin said.

Morgan

We are still having Sunday School
every Sunday at 10:30. Everyone is
invited to attend.

There are several new people
moving into our community. You
have a special invitation to attend
Sunday School and church.

Rev. James Rayborne of Slaton
will preach for us next Sunday at
3:00 P. M.

The boys' and girls' basketball
teams went to McClung Friday afternoon
but met with defeat. They
will play Lynn next Friday, Jan. 16,
at Lynn.

Mr. Perkins has returned from
Wichita Falls, where he has been
visiting for several months.

Mr. McAnnelly has relatives from
Hico visiting him.

Misses Hull and Killian spent
Saturday night in the home of Mr. and
Mrs. Cranfill.

Lehrue Cade of Tahoka visited
Ruth Ward Saturday night.

There was a Red Cross meeting
at the school house Friday night. It
was well attended by the farmers of
Morgan, Hackberry, and Gordon.

Nonie McAnnelly made a flying
trip to Ropesville, Lubbock, and
Slaton Saturday.

Nadine and Ethel Reed of Gordon
visited Catherine McAnnelly Monday.

Freeman Rackler and wife visited
his mother at Hackberry.

Mrs. Shelton, who has been down
with "flu" for four weeks, is able
to sit up some.

Mr. and Mrs. Herb Cade entertained
the young people Saturday
night with a party. Many interesting
games were played.—Reporter.

Texas is the third largest producer
of Fuller's earth in the United
States with several known deposits
not in production.

Aspir-Mint

Suffering? There's a new, pleasant,
mint-flavored, tablet that
relieves ordinary headache and neuralgia, muscular
pains and functional pains. It's excellent for Coryza
—cold in the head—and for the sore throat that
often accompanies it.

Physicians have been, writing prescriptions for a
similar combination for years.

The Dr. Miles Medical Company has standardized
this well balanced formula and is glad to offer it in
the form of a stable, palatable, mint-flavored tablet
for home use. Pocket Size 15c, Regular Package 25c

YOU'LL GET RELIEF OR YOUR MONEY BACK

Uncle Frank Stuart was walking on air Wednesday morning. He had just gotten a telegram, advising of the arrival of a little grand-son. Mr. and Mrs. T. D. Stuart of Fort Worth are the happy parents of a fine little fellow who was born Monday.

Locals

A. M. Fredway brought us a clipping from a paper published at Hohenwald, Tennessee, near where he was reared and where he still has relatives, residing, on Tuesday, giving an account of a daring hold-up and robbery that had been committed in a peaceful community near that town. Good roads and fast automobiles have made it possible for robbers to operate successfully in every nook and corner of our country. These particular highwaymen had been caught and lodged in jail, however.

Ed Cook, the sage of Wells, was in Tahoka Monday on business. He stated that all his land had been put up and is ready now for the planter. He is going light on cotton this year—will plant a lot of feed. Mr. Cook is successful both as a business man and as a farmer. He has just completed a splendid seven-room brick veneer home out at Wells and will move into it next week. There doesn't seem to be any wolf howling around his back door, nor anywhere near it.

L. P. Jeffreys, who lives in Tahoka but operates a gin out at New Moore, states that there is still some cotton in that part of the county to be ginned, and it will be necessary for him to run his gin one day each week for several weeks yet. A few farmers have as many as eight or ten bales yet to gather.

Rev. and Mrs. O. J. Hull and Mrs. H. P. Caveness attended a Workers' Conference of the Lubbock County Association in Lubbock Tuesday, the minister being on the program in the afternoon.

Charles Deo, teacher of the negro pupils in the Tahoka public school system, reports an enrollment of 28, a larger number than were ever enrolled here before. Charles Deo is an outstanding member of his race and yields a good influence over the colored population of Tahoka. If all his pupils will but follow his precept and example, they will become good citizens and will never give occasion for conflict between the colored and white races.

Burl Hughes and Miss Maysie Dockery, two popular young people of the Petty community, were married Friday. They procured their license right here in Tahoka and got married here in Lynn county. Rev. D. D. Johnson officiating at the happy affair. We think that is much finer in every way, than running off to New Mexico to get yoked up in double harness, as so many good people do.

Chas. Deo, colored, was in the News office Wednesday afternoon and reported that there are two negro men with families in Tahoka who are out of work and who want to work but are unable to find jobs. They and their families are in hard circumstances. He requests that any person who can supply them with work of any kind shall report to him, and he will notify the unemployed men.

Rev. B. N. Shepherd of Clarendon spent Monday night here with his brother, Rev. J. W. Shepherd, and the two left Tuesday for Clifton, Bosque county, to visit their mother and other relatives. Brother Shepherd, who is now pastor of the First Baptist Church at Clarendon, was pastor here for four years and was greeted by many friends while here.

Some one has written in from Grassland that Mrs. A. L. Shepherd, Misses Mildred Edwards, Laura Edwards, Millie Ole Langford, Virginia Inklebarger, Stella Mae Yarry, and Messrs. Smith Lawson, R. M. Thomas, and Forrest Chapman attended an Epworth League Rally at Lamesa Saturday night and Sunday, reporting a very fine meeting.

J. J. Massengale received a communication Wednesday morning to the effect that his wife, who is in the King's Daughters Hospital at Temple, is not doing so well. He was unable to go to her bedside at once, however, on account of his daughter, Faye, being sick. He expects to go down this week end.

T. S. Williams and family of Hobbs have been here several days visiting relatives. Mrs. Williams and children have been here since returning last week from a visit with relatives in Sulphur Springs. Mr. Williams reports the oil business a bit dull over at Hobbs now.

Albert Curry, linotype operator on the Abilene Morning News, visited his sister, Mrs. Borden Davis, and friends here Sunday. Albert is well known in Tahoka, having lived here several years and operated the machine in the Lynn County News plant.

A. R. McGonagill reports that some very fine work has been done for him this week by Prof. Taylor White, who has been going out to his farm in the afternoons and assisting him in terracing and contouring his land.

Uncle Frank Stuart reports that his grand-daughter, Miss Christine Wilbourne of Dallas, who visited here last summer, was recently married to J. J. Hill at Durant, Oklahoma. The couple are making their home in Dallas.

The little daughter of H. Richardson, about seven years of age, residing a few miles south of Tahoka, has been critically ill of diphtheria but is said to be much improved.

B. P. Barrington and family are all reported to be in bed sick of the "flu". Some members of the family are improving while the others have just recently taken the disease.

Mr. and Mrs. J. O. Hall left Wednesday for Leon county, where they will reside. That was their former home. We regret that these good people are leaving Tahoka.

Miss Jane Barrington, who is attending a beauty school in Lubbock, spent the week end here with her parents, Mr. and Mrs. B. P. Barrington.

Mrs. Barney Greenhouse of Midland spent Monday and Tuesday here with her parents, Judge and Mrs. B. P. Maddox.

Jim Wetzel and Dexter Armstrong left Tuesday for California, where they hoped to be able to find a permanent location.

M. L. Haynes, who resides seven miles south of Tahoka, is reported to be critically ill. He seems to be afflicted with gall stones or similar trouble.

The little six-year-old son of T. B. Cowan of the Midway community has been seriously ill of diphtheria. He is now reported to be much improved.

Mr. and Mrs. A. A. Mourfield and Walter Nolan are spending two or three days this week over at Esplanada, New Mexico, on business.

Laurence Sanford of Tahoka and Miss Wilma Ward of Wilson are assisting Aubra M. Cade, tax collector, with the duties of his office.

Messrs. E. H. Boullion and B. R. Tate left Sunday on a business mission to Denver. They are expected to return today.

Charles Shook and family spent Thursday night here. They were on their way to Albuquerque, where they will reside.

Sam Ellis, who has been seriously ill so long, was taken to the Temple Sanitarium Saturday for treatment.

I. M. Draper says that much good work is being done on the county roads in the Midway community.

Tax Collector Aubra M. Cade says taxes are being paid fairly well, better than was expected.

L. F. Craft spent Tuesday and Wednesday at Lovington, New Mexico, looking after business.

Miss Lois Holmes of Pampa spent the week end here with her friend, Miss Jewell Hicks.

Mrs. S. A. Shook of Waco is here visiting her daughter, Mrs. Sid Sanders.

Mr. and Mrs. Bill Burleson have been in Dallas on business this week.

Deen Nowlin is a business visitor in Abilene today.

Chvrolet Finds That Newspaper Ads Are The Best

Another aggressive advertising campaign, with newspaper display columns carrying the brunt of the attack, is promised for this year by R. K. White, advertising manager of the Chevrolet Motor Company.

Long one of the nation's leading advertisers, the Chevrolet organization lent its endorsement to the pulling power of the newspaper by using 6,700 dailies and weeklies to announce its 1931 car in November, the largest newspaper schedule ever used by Chevrolet in one campaign since the inception of the company. This move was made despite subnormal business conditions and the generally slackened promotional activities of manufacturers in and out of the automobile industry.

"We made this move," Mr. White explained, "because we are in direct accord with the frequently expressed view that the only way to make bad business good and good business better is to put abnormal effort into your activities when you face subnormal conditions."

"We are continuing to use the radio and the screen to supplement and buttress our newspaper campaigns just as we have always used national magazine, outdoor boards, direct mail and other media for the same purpose."

"The newspaper, however, continues to form the backbone of our campaigns, and for the present will continue to do so. It, in the parlance of the gridiron, carries the ball and the rest run interference."

RIGHT FROM WASHINGTON, The Pathfinder, coming into your home every week from the Nation's Capital, will keep you informed on world affairs. It will brighten you up and keep you bright in offering you The Pathfinder in combination with The Lynn County News both a whole year for only \$2.00. We are offering you the most popular of all the greatest national weeklies. The price is a mere song compared to the satisfaction your whole family will derive from these two dandy papers. Leave your order at our office (where samples of The Pathfinder can be seen) or send it by mail or phone. Don't let this chance slip, as you have some other "good things".

BUTTER WRAPPERS, good grade vegetable parchment, 30c per 100 at The News office.

mimeograph paper at 25c per hundred, or \$1.20 for 500.—The News

New Lynn

We have several folks on the sick list this week on account of a "cold" epidemic in the community.

We have several new pupils in school now. If they keep coming, every room will have attained its capacity soon.

Several New Lynn young people attended the singing at Edith Sunday afternoon and others went to Gordon Sunday night. Next Sunday afternoon is our singing afternoon. Everyone come and bring a friend.

Miss Moreen Banner entertained the young people at her home last Friday night.

Harold Wade of Big Spring visited in the community last week end.

Mrs. J. A. Jaynes is visiting in Merkel since last week.

Mr. Williams of Wise county visited his sister, Mrs. Will Smith, last week.

The Robert Bullion family left for South Texas last Saturday morning.

The New Lynn Senior Boys defeated Post last Wednesday night, January 14, at Post. The score was 18 to 14. The opposing team was not their regular team, however. We had only one substitute. The boys played a good game. The boys and girls will play Morgan on the home court Friday, January 24.

Otis Spears and several other boys are on the sick list and out of school

this week but we hope they will be back for the game Friday.

Miss Greenwade filled her appointment with the girls club here Tuesday morning.

Mr. and Mrs. Fletcher Keeton visited Mrs. Keeton's relatives at Post the first of this week.

Hewlett Johnson, preacher: "It is vain to dream of noble cities until we provide clean ones."

Business Is Good!

The reason for this is, you see, I promised CRAFT I would do a good job advertising HAT CLEANING and BLOCKING.

This is a big field. Every body wears 'em—men, women and the children. They all get dirty and out of shape. My job is to see that you have them cleaned. That's all.

Yours truly,

Ben J. J.

P. S.—Our phone number is on the back page of the directory.

MR. AND MRS. J. B. PACE HONORED WITH PARTY

Mr. and Mrs. M. J. Weaver honored Mr. and Mrs. J. B. Pace, who were married during the Christmas holidays, with a lovely "forty-two" party in the formers' home last Friday evening.

A color scheme of orchid was carried out in table accessories, tally cards, table linens, and refreshments. A tiny bride and groom adorned the dining table which was further decorated with orchid streamers.

The hostess served delicious refreshments to a guest list which was composed of: Messrs. and Mesdames J. B. Pace, W. O. Thomas, W. B. Slaton, E. E. Callaway, I. A. Stevens, L. E. Turrentine and Frank Hill; Miss Shepherd; Messrs. Truett Smith and J. S. Weatherford.

SIDE AND BACK

Lady Had Suffered So Much Pain Was Almost Desperate. Says Cardui Helped Her.

Denton, Texas.—"Before I took Cardui, it seemed like I had tried everything, for my health was wretched," writes Mrs. Nannie Davis, of 418 W. Woodward Street, this city. "I was in bed most of the time," explains Mrs. Davis, "suffering so much with pain in my side and back, and weakness. I was so discouraged, I was almost desperate. I knew there ought to be something to reach my case. I only weighed about 110 pounds. My eyes were hollow and I looked awfully bad."

"A good friend told me about Cardui. After taking my first bottle, I felt better, but I kept it up until I had taken four bottles, and now I am well, have no pain in my side or back, and feel like a new woman. I can work most of the time, and feel fine."

"For three years, I have been free from pain. That is why I recommend Cardui."

If you are run-down, nervous, or suffer every month, take Cardui, a medicine used by women for over fifty years. As your health improves, you will share the enthusiasm of thousands of others who have praised Cardui for the benefits they have felt after taking it.

PHEBE K. WARNER CLUB ELECTS NEW OFFICERS

The Phebe K. Warner Club met at the American Legion hall January 9 in regular session. The following officers were elected for two years, beginning Sept. 1, 1931: President, Mrs. E. E. Callaway; Vice President, Mrs. J. W. Elliott; Secretary-Treasurer, Mrs. I. A. Stevens; Corresponding Secretary, Mrs. W. D. Nevils.

The program for the day was as follows:

1. Roll Call: Some "Federated News" Items.
2. Trace the Development in Both the Individual Clubs and the State Organization From a Cultural into a Combination of Cultural and Sociological Life—Mrs. R. W. Fenton.
3. The Evolution of Women's Position—Mrs. M. J. Weaver.
4. Special Feature—Mrs. W. O. Henderson.

HOME ECONOMICS CLUB MEETS EVERY WEDNESDAY

The Home Economics Club met on January 14 and 21. The members have decided to meet every week on Wednesday at noon and eat lunch in picnic style.

On January 14, which was the first meeting since the Christmas holidays, the program was based on the study of foods. Customs and table manners about three or four hundred years ago were discussed by one of the members. The comparison of Mexican children and American children was made according to their manners and food habits. There were other interesting reports on health habits given also by the members.

The meeting on January 21 proved to be very interesting and beneficial. The program was given by members of the club as usual. The subject for discussion was "Insignia of a Lady". The meaning of the term was explained, and the subject was taken up in three different parts: first, courtesy; second, conversation; and third, appearance. Then the club adjourned until the next meeting.—Reporter.

DEACONS ARE GUESTS OF HULLS AT DINNER THURS.

Rev. and Mrs. O. J. Hull entertained the deacons of the Baptist Church last Thursday evening with a dinner, Mrs. Hull being assisted by Miss Doris Lynn and Mrs. Bryan Hull.

There were fifteen of the seventeen members of the board of deacons present, possibly the largest number that have been together in a long time. The pastor seems to have solved the problem as to how to procure a good attendance at deacons' meetings.

Following the most bountiful repast, the pastor and nearly every deacon present had something to say concerning the work of the church for the current year. A note of optimism prevailed in all the talks in spite of the depressed business conditions that now exist. It was plainly apparent that the deacons had not forgotten nor abandoned their purpose to complete the house of worship of this church just as soon as practicable.

One interesting fact brought to light at this gathering was that, of the fifteen deacons present, twelve of them were born in Texas. Still another one of them was brought to Texas in infancy and has spent more years in this state than any of the native-born members present.

The unanimous verdict was that Mrs. Hull is a cuisine artist.

GRASSLAND H. D. CLUB PLANS A PIE SUPPER

The Grassland H. D. Club met at the teacherage Friday afternoon with eighteen members present. Mrs. J. O. Thrallkill, the president, appointed committees as follows:

Membership: Mrs. C. E. Short and Mrs. W. R. Greer.

Program: Mrs. A. A. Lawson and Mrs. A. L. Shepard.

The ladies of the club are sponsoring a pie supper at Grassland school building on Friday night, Jan. 23. They invite all to come, bring pies, and also be prepared to buy a pie. The price of each pie will not exceed 25 cents. The proceeds will be divided between the school and the club. Also, on the same date, at the same time, they will present a quilt to some person. See Mrs. C. M. Greer for the plan. All ladies of the community are urged to join them in this work and make it mean something to our community.

Miss Greenwade was present last Friday and discussed ways of preventing germs from getting into the milk at milking time, also the method of scoring butter.

All are urged to meet with Mrs. C. M. Greer on February 6. Making rugs will be the work for this date.—Reporter.

MR. AND MRS. GAIGNAT ENTERTAIN WITH BRIDGE

Mr. and Mrs. D. W. Gagnat were host and hostess in their home Tuesday evening when they entertained with a lovely ten table bridge party.

The color scheme of green and gold was carried out in the table appointments, tally cards, refreshment plates, and table covers. Also, little gold baskets holding green mints adorned the tables.

Lovely refreshments were served to the following guests: Messrs. and Mesdames W. R. Fenton Jr., Harley Henderson, Truman Walker, Frank Larkin, A. P. Edwards, A. D. Sanders Jr., Summer Knight, E. E. Callaway, Leroy Knight, Louie Weathers, W. S. Taylor, Carl Griffing, C. B. Townes, I. A. Stevens, L. C. Haney, and Frank Hill; Mesdames L. E. Turrentine, E. H. Boullion, Oscar Roberts, and George Hogan; Miss Frankie Wells; Messrs. Tom Leonard, Truett Smith, and Vernon Davis.

NEW HOME H. D. CLUB HAS FIRST MEETING OF YEAR

The New Home Home Demonstration Club met Thursday, Jan. 9th, for the first program of the new year at the local school building.

The subject studied was "Safe Milk and How to Get It". Cheese and butter made by club members using club methods were scored; both products scoring high.

Several members are preparing cheese for family use while dairy products are selling at the present low prices, thereby utilizing more home products and also providing a better filled pantry.

Miss Greenwade, seven members, and one visitor were present. The next meeting date is Jan. 23rd.—Reporter.

CARD OF THANKS

We wish to thank the neighbors and friends for their kindness and assistance rendered during the illness and upon the death of our loved one, J. H. Holcomb.

J. E. Holcomb and family.

GRASSLAND 4-H CLUB ORGANIZED LAST WEEK

The Grassland 4-H Club was organized Tuesday, January 14. Officers were selected as follows: President, Bethel Greer; Vice-President, Zelma Thrallkill; Secretary, Velma Huddleson; Reporter, Erlene Bosworth; Recreational Leader, Rose Belle Thomason; Sponsor, Mrs. J. O. Thrallkill.

On Friday, January 18, the Club met again with eighteen members present and none absent. Miss Greenwade started us off with our work, after which we adjourned.—Reporter.

NEW LYNN H. D. CLUB RENDERS A PROGRAM

The New Lynn H. D. Club met with Mrs. H. A. Winkler on Tuesday, January 20, with seven members and one visitor present. The program was rendered by Mrs. Winkler, Mrs. Wooley, and Mrs. Yandell. The club will meet with Mrs. H. Higginbotham on February 3.—Reporter.

HAZEL CONNOLLY MAKES BAYLOR U. HONOR ROLL

WACO, Jan. 21.—Among the honor students for the fall term at Baylor University was Hazel Connolly of Tahoka. A total of 239 students made the honor roll, according to a report from Dean W. S. Allen.

The number of fall term honor students for 1930 is greater than that of any previous fall quarter, the dean's report states, the percentage being 17.5 of the total enrollment.

In order to qualify for this distinction, it is necessary to make a grade of B-plus or better in each subject.

Edith

A few of the farmers are beginning to plow and we are enjoying these last few pretty days.

There was a good crowd at Sunday School and church Sunday. Our Sunday School is still growing. There were several new members Sunday. Brother Dyke of Tahoka delivered a fine sermon Sunday.

Grandma Sanders is visiting her son, Sid Sanders, of Tahoka.

Mr. and Mrs. Leslie Hammond of Horse Springs, New Mexico, are visiting in the homes of his brother, T. I. Hammonds, and his sister, Mrs. C. M. Finch.

Mr. and Mrs. C. C. Stevens and family of Panhandle and Mr. and Mrs. D. C. Stevens and Mrs. W. A. Tredway visited Mr. and Mrs. D. A. Stevens Thursday.

Mr. and Mrs. Marvin Payne and family of O'Donnell visited his brother and family, E. D. Payne.

Mr. Charley Campbell and family visited his parents, Mr. and Mrs. J. C. Campbell.

Mr. and Mrs. H. O. Hargett and children visited Mr. Hargett's uncle, Mr. Cullie Pickard of New Lynn Sunday.

Mr. and Mrs. Lloyd Nowlin of O'Donnell visited Mr. and Mrs. J. K. Nowlin and family Sunday.

There was a good crowd at the singing Sunday afternoon and evening.

Miss Myra Harter, who has been staying with her uncle and family, Mr. Clyde Harter of Morgan, visited Miss Arliss Lindley Sunday.

Mr. T. I. Tippit has returned from Gatesville.—Reporter.

CAR STRIKES TRUCK ON HIGHWAY NEAR TAHOKA

A Buick car driven by two Sweetwater men struck the trailer attached to the car of W. A. Tankersley on the highway near the Crossroads Filling Station Wednesday night while the Tankersley car was parked on the highway for a tire to be changed. Considerable damage was done to the Buick and some damage to the trailer and a piano which it contained.

No tail light was affixed to the trailer but it is claimed that the accident was due to the fact that the occupants of the Buick were under the influence of liquor. Following the accident they made an assault on Tankersley and were fined in the Justice Court here this morning for fighting.

BALED HEGARI and MAIZE 45c per bale. See Howard Tunnell or Roy Appling on my place 9 miles S. E. of Tahoka. H. M. Anthony. 22-3tp.

Texas has the deepest producing oil wells in the world—in the Big Lake district of Reagan County. No. 3-C produced oil at 8,800 feet and gas at 8,892 feet, while No. 4-C at 8,697 feet is the largest producer. Initial production being 2,738 barrels of oil and 56,268,000 cubic feet of gas.—Authority: Texas University Bureau of Economic Geology.

Texas uses more than half the cans in home demonstration canning in the United States.

THE RURAL POSTMAN

In the cold and blustery weather, When the frost is on the rail, Would you love to face a blizzard With a half a ton of mail?

In the biting blizzard weather When the snow comes to your knees, Would you love to fish for pennies While your feet and fingers freeze?

When the gleaming snow is drifted Underneath a foot of sleet, Would you love to have the chilblains In your elbows and your feet?

When outdoors the wind is whistling, And the air is full of snow, Would you love to have a jitney

And the blamed thing wouldn't go?

Yes, I'd love the good old fireside, Sipping coffee from a pail, But I have to buck the snowdrift 'Cause the farmers want their mail.

I don't mind the frozen snowdrifts When my knees are stiff with cramps. If you keep the bloomin' pennies Buy a quarter's worth of stamps

I get snow mixed in my whiskers And I get it in my socks, But it never hurts my feelin' Like loose pennies in the box. —Selected.

Texas is second among the states in consumption of gas oil and fuel oil.

CITATION BY PUBLICATION

THE STATE OF TEXAS,
To the Sheriff or any Constable of Lynn county, Greeting:

You are hereby commanded to summon Vernon Turner by making publication of this citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your county, if there be a newspaper published therein, but if not, then in the nearest county where a newspaper is published, to appear at the next regular term of the District Court of Lynn county, to be holden at the court house thereof, in Tahoka, Texas, on the 3rd Monday in February, A. D. 1931, the same being the 16th day of February A. D. 1931, then and there to answer a petition filed in said Court on the 13th day of January, A. D. 1931, in a suit, numbered on the docket of said Court as No. 848, wherein Mrs. Nola Turner is plaintiff, and Vernon Turner is defendant, and said petition alleging that the plaintiff is a bonafide resident of Lynn county, Texas, and has been such for six months next preceding the filing of this suit and has been such resident of the State of Texas for more than one year; that plaintiff and defendant were married on December 24th, 1929, and separated on October 1st, 1929. Plaintiff alleges that during the marital relation she was kind and affectionate to defendant but that defendant prior to the separation was cruel, unkind and used harsh treatment toward plaintiff. That he defendant often kept company, and had affairs, with other women, often staying out with them until late at night and at one time while this plaintiff was away the defendant and another woman stayed with him at this plaintiff's house. That the defendant was bad about drinking intoxicating liquor. That one child, a girl, Lana Turner, aged six years, was born and plaintiff is the proper person to have the custody and control of her. Plaintiff prays for judgment dissolving the marriage relation and custody of the child.

Herein fail not, and have you before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Given under my hand and the seal of said Court, at office in Tahoka, Texas, this 13th day of January, A. D. 1931. (SEAL)

W. S. TAYLOR, Clerk,
District Court, Lynn County.
21-4tc.

Plans are to be drawn for a \$1,500,000 charity hospital at Houston.

Young county is to have a new \$200,000 court house at Graham.

BAYER ASPIRIN
is always **SAFE**
BEWARE OF IMITATIONS

UNLESS you see the name Bayer and the word genuine on the package as pictured above you can never be sure that you are taking the genuine Bayer Aspirin that thousands of physicians prescribe in their daily practice.

The name Bayer means genuine Aspirin. It is your guarantee of purity—your protection against the imitations. Millions of users have proved that it is safe.

Genuine Bayer Aspirin promptly relieves:

Headaches Neuritis
Colds Neuralgia
Sore Throat Lumbago
Rheumatism Toothache

No harmful after-effects follow its use. It does not depress the heart.

BY AN ORDER OF THE COMMISSIONERS' COURT, OF LYNN COUNTY, TEXAS.

At a regular term of the commissioners court held at Tahoka, Texas, the same being the second Monday in November, A. D. 1930, with the County Judge G. C. Grider presiding and all members of said court present the following order was passed.

On the date and term aforesaid the court aforesaid passed an order demanding all land owners that had prairie dogs thereon to be killed before the first of March, A. D. 1931.

This county has ordered a large quantity of poison to be made and the same may be obtained at the actual cost.

If any land owner fails to comply with this order it shall be the duty of the sheriff to immediately destroy said prairie dogs by the use of practical and economical methods in general use, he shall report his acts with an itemized bill of cost to the commissioners court and the same shall be entered as a lien against said land. Said court may pay the sheriff not exceeding \$5.00 per day for each day he has performed actual service in supervising the destruction of said prairie dogs.

If the owner of any land against which cost and expenses have been assessed by the commissioners court shall fail to pay the same within thirty days of such assessment, the county attorney of such county shall bring suit to enforce payment thereof. The county attorney shall in each suit, brought by him for said purpose, be allowed a reasonable fee to be fixed by the court trying the same to be taxed as cost in the cause and upon rendition of any judgment for such an expense, execution and order of sale shall issue and be executed as in other cases.

In compliance with Article 191 of the Revised Civil Statutes of Texas. Issued the 12th day of January, A. D. 1931, and signed officially by the County Judge of Lynn county, Texas.

G. C. GRIDER.

CITATION BY PUBLICATION

THE STATE OF TEXAS,
To the Sheriff or any Constable of Lynn county, Greeting:

You are hereby commanded to summon W. M. Harris by making publication of this Citation once each week for four successive weeks previous to the return day hereof, in some newspaper published in your county, if there be a newspaper published therein, but if not, then in the nearest county where a newspaper is published, to appear at the next regular term of the District Court of Lynn county, to be holden at the court house thereof, in Tahoka, Texas, on the third Monday in February, A. D. 1931, the same being the 16th day of February, A. D. 1931, then and there to answer a petition filed in said court on the 12th day of November, A. D. 1930, in a suit numbered on the docket of said court as No. 841, wherein Ruby Harris is Plaintiff, and W. M. Harris is Defendant, and said petition alleging that on or about the 15th day of March, 1927, plaintiff and defendant were lawfully married in Dallas county, Texas, and continued to live together as husband and wife until on or about the 13th day of December, 1929, when, by reason of the cruel and harsh treatment and improper conduct of defendant toward plaintiff, she was forced and compelled to abandon defendant, since which time they have not lived together as husband and wife; that the maiden name of plaintiff was Ruby Reed; plaintiff alleges that she was in no way the cause of the separation; that about the 13th day of December, 1929, plaintiff caught defendant living in adultery with one Agnes Hutchinson, and had previous to this date found defendant in the said Agnes Hutchinson's room under circumstances which led her to believe they were having sexual intercourse; that defendant's actions toward plaintiff generally are of such a nature as to render their further living together as husband and wife insupportable; wherefore plaintiff prays that defendant be cited to appear and answer herein, for judgment dissolving said marital relations, for restoration of her maiden name and for all costs of suit.

Herein fail not, and have you before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Given under my hand and the seal of said Court, at office in Tahoka, Texas, this 13th day of January, A. D. 1931. (SEAL)

W. S. TAYLOR, Clerk,
District Court, Lynn County.
21-4tc.

El Paso is to be the site of the new \$100,000 manufacturing plant handling welding supplies, oxygen, acetylene and carbide.

T-Bar

We had fifty-seven at Sunday School Sunday with Mr. and Mrs. Dorman as our visitors. We wish they could be with us every Sunday. We are glad to report that Mrs. Waldrep is better this week.

Carl Richter, who is attending school at Tech, spent the week-end with his parents, Mr. and Mrs. R. E. Townzen.

Mrs. Whipp and Mrs. Townzen went to Lubbock Monday.

Mrs. Carl Alexander has been sick the past few days. The H. D. Club had an interesting meeting last Thursday at the school house. Seven members were present. The scoring of butter and cheese was the subject of the meeting. Our Home Demonstration Agent, Miss Greenwade, met with us. She will demonstrate the making of braided and hooked rugs at the next meeting which will be held at the home of Mrs. Less Crews on February 12. All members are urged to be present.

Our senior boys went to Wells last Friday and played their first scheduled game, winning the game by a large majority. The senior boys also played the O'Donnell boys at Tahoka Saturday night, winning the battle by a score of 32 to 13.

Mr. Ingle and family moved to Redwine this week.—Reporter.

Concreting of Highway 15 is expected to be completed early this year through Van Zandt county. Concrete work from the Kaufman county line to Willis Point is done. Kerr county expects to spend \$1,500,000 on road work as a result of voting \$450,000 bonds.

TO THE STOCKHOLDERS OF THE PECOS AND NORTHERN TEXAS RAILWAY COMPANY:

You are hereby notified that the Board of Directors have called a meeting of the stockholders to be held in the City of Amarillo, County of Potter, State of Texas, at the principal office of the Company on the 10th day of February, 1931, between the hours of 10 o'clock A. M. and 4 o'clock P. M., to consider and act upon a proposition to authorize the execution by the Company of a mortgage or deed of trust to be called "general mortgage" or by such other name as may be determined, on all of its railroad properties now owned or hereafter acquired, to secure bonds to be hereafter issued in series, so much of such bonds as may be necessary to be used from time to time in paying or exchange for the bonds and other indebtedness of the Company, other bonds to be issued to be used for the acquisition, construction or extension of railroads, additions and betterments to such railroads and properties now or hereafter owned and for other lawful corporate purposes, each series of bonds to be issued to mature at such time and provide for the payment of such lawful rate of interest, to be tax free or not tax free, to be convertible or not convertible into shares of capital stock as may be determined by the Board of Directors, and to contain such other terms and conditions as may be determined or prescribed by said Board, and such mortgage to contain such terms and conditions as may be prescribed or authorized by the stockholders at said meeting.

14-9tc J. N. FREEMAN, Sec'y.

Do Motor Trucks promote Safety?

In numerous ways.

1. By reducing the number of private carriers who are poorly equipped and irresponsible in many cases, thereby freeing the highways of surplus traffic and placing the hauling of freight in the hands of men trained for the work and provided with first-class, safe equipment.

2. By exercising great caution in driving, both in town and out. Certain regulations of the Railroad Commission, which regulates motor trucks, pertaining to safety must be obeyed if the companies are to retain their permit; and many companies have additional and more stringent rules for their drivers to promote safety in every way possible.

Wilson

Organize Red Cross

About 35 people met at the school building Friday afternoon and organized a local chapter of the Red Cross. The following officers were elected for the ensuing year: Rev. Partin, president; A. L. Faubion, vice president; Rev. H. L. Thurston, secretary-treasurer. The president, Rev. Partin, was given the authority to appoint the following committee to investigate those in need: Mrs. L. Tumsden, chairman, Mrs. A. L. Faubion and Mr. R. E. Finley.

This committee is working on the job. They have been going every day since, even Sunday. How thankful we should be that we have an organized group of people that can and will take care of suffering people in a time like this.

Wilson Conquers Ralls, 34-15
The Wilson Mustangs encountered the Ralls Jackrabbits Thursday night and defeated them in their own gym. The victory was the first for Wilson in eight games with Ralls and the Mustangs were very proud of the outcome of the game. Every substitute showed great promise of making a good player. Traweck starred for Wilson with 20 points, while Elam starred for Ralls with 8 points.

Wilson Defeats Brownfield
Saturday night Wilson went to Brownfield and handed them a 32 to 20 defeat. The game was fast all the way and very interesting. Our boys had a better eye for the basket than the Brownfield boys, and all played well. Leroy Crews was high point man with 16 points, closely followed by Traweck with 14.

This coming Friday night the Wilson boys play Meadow on the Tahoka gym. Meadow holds one victory over Wilson this year, so we are out for revenge. Saturday night Wilson returns the game at Meadow.

District League Meet at Lamesa
Seven of the Wilson Leaguers attended the Lubbock District League Rally at Lamesa Saturday and Sunday. They report having had a wonderful time. Saturday night they attended a banquet with 225 Leaguers present.

Sunday was filled with a program that furnished inspiration to all. Those attending from Wilson were: Chloe Huffaker, Pearl Vardeman, Florine Server, Mattie Pearl Jones, Evva Fay Huffaker, Calaway Huffaker and Jim Traweck.

Social Given Hi-League
The Wilson Hi-League enjoyed a delightful social at the Methodist Church Friday night. After several hours spent in playing games, planned and directed by Miss Evva Fay Huffaker and Mrs. Melvin Todd, those present assembled in a business meeting with the president, Mr. Burk Styles, presiding. The meeting consisted of an inspiring devotional by Rev. Thurston and reports from the officers. There were 32 present.

Locals

Mrs. Fannie Dawson and son, Albert, spent last week end with Mr. and Mrs. Fred Dawson, Terry county, near Brownfield, and also attended the ball game at Brownfield Saturday night.

Mrs. R. E. Finley and son, Billie, Mrs. H. R. Huston and Miss Mavis Carnie were Lubbock visitors Saturday.

Mrs. Jess Joplin and family of Slaton moved back to their farm near Wilson last week. We welcome this good family back to our community.

Misses Alla Mae and Salla Mae Stein of Brownfield visited in the Dawson home last week. Misses Alla Mae and Salla Mae spent their first school years in the Wilson school, moving from here to Brownfield six years ago.

Mr. and Mrs. Brady Nix visited Mr. Nix's uncle and aunt, Mr. and Mrs. Ledbetter, in Tahoka Sunday. Mrs. Fred Dawson of Terry county visited Mrs. Fannie Dawson last week.

Miss Bertha McAllister visited Mr. and Mrs. Taylor of New Hope this week end. Mrs. Taylor is a sister of Miss McAllister.

Noel Calloway was home this week end from Lubbock, where he has been for some time taking a business course at Draughan's business school.

Mrs. J. R. Vick from Comanche came in Tuesday to be with her daughter, Mrs. Pat Swann, who has been quite ill for some time but who is much improved at this writing.

R. C. Forrester left Monday for Austin to be away for some time.

Gene Richardson, a wife awake young business man of Wilson, took over the produce business of Mr. Metcalfe, who has had to retire on account of ill health.

Miss Veda West, who is teaching in the Robes school, was home last week end.

The singing at the Baptist Church Sunday afternoon was a success, there being a big crowd from each

of the following places: Woodrow, Dixie and Lynn. This is a community singing. Everybody is invited and urged to be present every third Sunday.

Truett Smith, our County Clerk, talked to our boys and girls in chapel Monday morning. This talk was as fine a talk as has been our privilege to hear given to girls and boys. It was an inspiration to all who heard it. Miss O'Bera Forrester gave a reading to the big boys and girls and one to the little folks, which were enjoyed by all.

TEXAS IS BECOMING A GREAT INDUSTRIAL STATE

(Continued from first page)

in America.

Texas has a varied climate and a soil fertility that is unrivaled.

Properly utilized, her gas, coal and oil would mean a great advantage over New England in the form of cheap power to translate her raw products into the finished article.

This would be a boon to every Texan.

Texas factories now make boots, shoes, shirts, hosiery, cloth—in fact all kinds of clothing and cloth materials.

Texas factories now make a great variety of food products, as well as many other essentials of life.

I have just received through the A. and M. College a number of cans of meat and other food products prepared by the Fyrd County Club women. No better can be found anywhere.

Texas people can meet the standards anywhere. And they must. Competition in the future will be sharp and keen. People will not continue to buy an inferior product.

Texas is on the way. Our industries have increased threefold in the last decade, according to the Department of Commerce.

The eyes of the nation are upon Texas.

With incomparable resources, a varied soil, an unmatched climate and rich mineral wealth, if her citizenship will pull together, the future of our State is triumphantly secure.

FEDERAL FARM AID WILL BE READY SOON

(Continued from first page)

any outstanding mortgages on their crops and also of the landlord's lien where the applicant is a renter; all landlord's liens and mortgages of every kind being made subordinate and secondary to the lien taken by the Federal government on the crop of the applicant to secure the loan.

4. Loans will probably be made in three installments, one installment being advanced to the applicant immediately upon the approval of his application and the execution by him of all notes and mortgages required, and the other installments being paid later. These loans will all become due on November 1, 1931, and will bear interest from their date at the rate of 5 per cent per annum.

5. Loans will be made only for the purpose of enabling the applicant to purchase feed for their work stock, seed for planting, and fuel for tractors used on the farm.

6. No specified amount of the Federal fund of \$45,000,000 has been allotted to any particular county. The counties first making applications will be first served. It behooves the people of Lynn county, therefore, who desire loans to make their applications promptly, after the necessary forms shall have arrived.

The county committee will announce through the papers of the county and by such other means as
