Lone Star, TML Near Negotiated Settlement

Railroad Commission Hearings Examiner Michael George has granted a joint motion by Lone Star Gas Company and the Texas Municipal League for a two week continuance in the commission hearing to consider Lone Star's request for natural gas rates charged to municipal distribution systems.

Wellington is one of the more than 400 Texas cities and outlying areas affected by the proposed increase.

Attorneys for Lone Star and TML said Wednesday they were close to reaching a settlement agreement on the proposed rates and the recess would allow them

time to finalize details and have them approved by affected city governments.

Any agreement reached between the parties must still be approved by the Railroad Commission.

The hearings will reopen Sept. 29 at 2 p.m. at the Railroad Commission headquarters building in Austin.

A story carried in the

Dallas Morning News Sept. 16, stated that Lone Star Gas Company's unexpected agreement to reduce its rate increase request from \$90 million to \$42.9 million would cut in half the hike that residential consumers would have to pay.

City Manager Glen Taylor said he was notified of the gas company's offer in a

Sept. 15 letter from Austin attorney Don Butler who represents the Texas Municipal League cities.

Lone Star was granted a revision of the purchase gas adjustment clause to allow the company 100 percent pass through.

Taylor said TML is recommending to the 100 cities it represents that they

accept the offer.

The Lone Star proposal, if accepted, would mean about a 9 percent increase in customer bills, Butler said. The agreement "was about as good as we could do," he added. To residential users, this would mean an increase of about \$24 per year instead of the \$48 originally

Mrs. Lloyd Bentsen Here Saturday

B.A. Bentsen, the wife of Senator Lloyd Bentsen, will bring her husband's re-election campaign to Wellington Saturday, Sept. 25.

She will be honored at a coffee from 10:30 to 11:30 a.m. in the Heritage Room of Wellington State Bank, and the people of Collings-

worth County are invited to meet her, said Doug Seal, Democratic county chairman.

Charles Darter, county campaign co-ordinator, is directing plans for the coffee and he will be assisted by Mrs. Doug Seal, Miss Rita Lowrie and Mrs. John Duncan.

They will also head the welcoming delegation which meets Mrs. Bentsen at Marian Airport when she flies into Wellington a few minutes before the reception time.

Mrs. Bentsen is expected to discuss her husband's stand on major issues facing the nation and that she will answer questions from the group meeting with her.

Bentsen is co-chairman of the Senate Export Caucus

and a member of the Senate Trade Sub-committee, which has advocated strict enforcement of existing trade agreements.

He has supported farmers against illegal trade practices and European and Japanese trade barriers, Seal reminded.

Bentsen was one of only four senators who crossed party lines and opposed President Carter and President Reagan by voting to end the recent grain embargo against Russia.

He has been a leading advocate of the economic policy that emphasizes cuts in taxes, government spending and government regulations.

The Senator is the senior member of the powerful

Hedley ISD Drops Tax Rate 9 Percent

by Glyndol Holland

Hedley CISD Board of Trustees met in regular session to set the 1982 tax rate. The Board decided to set a 64 cent per 100 dollar tax rate for the 1982 tax year.

This rate would levy a total of \$22,473 for the sinking fund at a 13 cents per \$100 evaluation. The operating levy would be \$88,164 at 51 cents per \$100 evaluation.

The district total tax levy would be \$110,637.00 on a taxable base of \$17,287,139.

This represents a decrease of about \$10,000 in the total tax levy as compared with 1981 figures. The 1981 levy was \$120,544.00.

The 1982 tax rate also represents a decrease from the 1981 tax rate. In 1981 the rate was 70 cents per \$100 evaluation. The 1982 rate is six cents per \$100 evaluation below the 1981 amount. The 1981 taxable base was \$17,221,971.00. The 1981 tax base represents an increase in value of about \$65,000.00.

Skyrockets and Nocona To Meet at Vernon Friday

Present and former Wellington coaches bring their football teams to Vernon High School stadium as the Skyrockets meet Nocona Friday, Sept. 24. Game time is 8 p.m.

The Nocona Head Coach is Phil Bailey, who was first assistant to Wellington Head Coach James Williams for 6 years.

Bailey's first assistant is Jim Yarnell, who coached under Williams in Wellington one year and was Williams' quarterback in High School. Most of the Rocket seniors played football under Yarnell as 7th graders.

Wellington assistant Allen Sanders played Skyrocket football during Bailey's tenure here.

Not in a good many years have coaches with such an interrelationship met on a football field for a single

evening.

Bailey and Yarnell are trying to build a football program for Nocona, which has been without a winning team since 1973.

This year's team is large, averaging about 6-1, 200 pounds on the offensive line. Backs weigh from 170 to 180.

"I don't want them to learn on us," said Coach Williams dryly.

The Vernon Police Department gave the following directions to the stadium for Wellington fans coming in on Hwy. 287 South: After the Pease River Bridge, take the first exit; the access road Y's--at the Y bear right onto Hillcrest/Sand Road. Proceed south on Hillcrest past a 4-way stop and continue 1 mile south past a traffic light. Take a right (west) turn at the second intersection past the traffic light on Yamparika. Yamparika runs to the stadium.

But with all the factors involved, and the growing enthusiasm that fills Nocona High School this week, Friday night's game could

turn into a war instead of a football game.

"I hope our kids feel the same way," said Williams. "They're going to have a chance to play in a good size stadium this time."

Size is Nocona's strong point, plus an outstanding quarterback who is probably one of the better quarterbacks in AA football in the state. Bailey and Yarnell also have full back B.J. Hancock, a fine power

runner who carries the football most of the time.

Nocona is rated in the middle of the 9-team District 11-AA, and the only team in that district which the Harris Poll rates as "much stronger" this year.

Other schools in District 11-AA are Holiday, Olney, Boyd, Jacksboro, Henrietta, Petrolia, Archer City and Chico.

Nocona's 1981 record was

Margie Uselton Honored

Lone Star Gas Company hosted a coffee Tuesday morning, Sept. 21, to honor its office employee, Margie Uselton, for 30 years service to the company.

After the celebration, Mrs. Uselton left on her vacation, a fishing trip with her husband, Billy Uselton. It is a hobby they enjoy together.

Billy Jackson, local manager and Mrs. Jackson, were hosts at the Heritage Room. Kenneth Shelley, Childress District Manager of which Wellington is a part, presented Mrs. Uselton with a ring, set with a diamond and bearing the Lone Star Gas Company emblem.

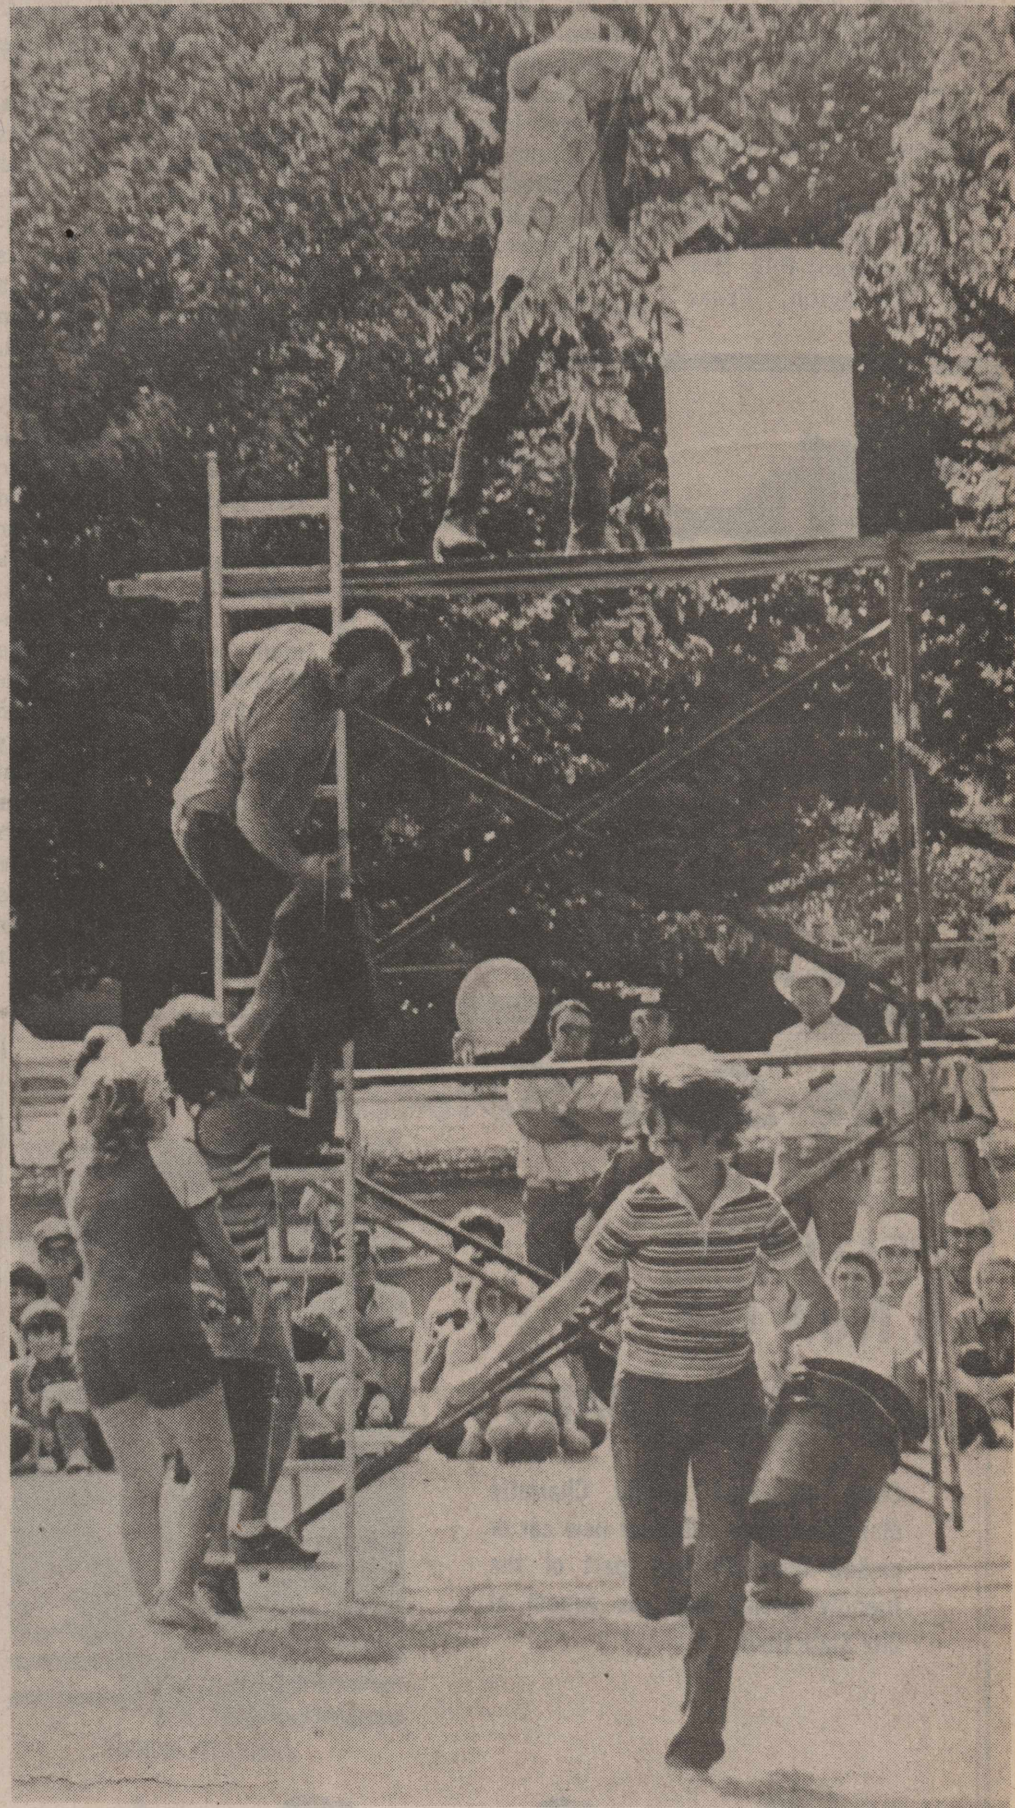

Both he and Jackson paid tribute to her loyalty as an employee and the efficiency of her service to the people of Wellington.

Those associated with the company who came from other offices were Mrs. Shelley, Jo Dean Smith, Jo Ann Shelton, Buford McKeever and Gene Swearingen, all of Childress; Sue Hutcherson and Mike Naylor of Memphis; and Linda Welch of Clarendon.

The coffee table held an arrangement of lavender chrysanthemums and the celebratory cake was decorated

BUCKET BRIGADE PARTICIPANTS

Participating in the Hospital Auxiliaries Bucket Brigade at the Collingsworth County Fun Fair Saturday, Sept. 11, were a team called Den 6, at top they are, Darwin Nix pouring in a bucket of water; Eddie Davis on the ladder; John and Becky O'Rear and Susanne Campbell.

C-C Sets Member Drive, Christmas Promotion

Wellington Chamber of Commerce directors reviewed results of the Collingsworth County Fair, then turned to preliminary plans for Christmas promotion and announcement of a membership drive.

President Tommy Hudson read a letter of protest from two veterans organizations and the National Guard concerning the placing of their color guards in the opening parade, which caused the color guards to drop out of the parade.

The letter was signed by the commanders of the American Legion and Veterans of Foreign Wars. James Sullivan and Ike Paschall, and Sgt. Vernon Day, of the National Guard.

"The Parade as it was done was proper, but when a color guard is involved they must, according to Flag etiquette, lead the activity," the letter said.

Discussion by directors indicated this would not happen again.

More vandalism was brought to light. The president reported either 16 or 17 "Welcome to Wellington" bunting were stolen from off business houses during the Rodeo week end and the Fair weekend, and he urged parents to check their children's bedrooms, cars

and other areas where they keep belongings, and see if any of these can be found. The buntings may have been taken as a prank, it was indicated.

The \$100 reward for information leading to the arrest and conviction of persons responsible for vandalism is offered.

Margaret Vines, secretary, said that the last time

proposed. Lone Star vice president Douglas Williams said of the proposal, "It is a good deal for the cities and their constituencies. It's a responsible agreement."

Although \$42.9 million is just 48 percent of the \$90 million Lone Star sought, it is still higher than the \$28.6 million that the league's consultants, Touche Ross and Co. of Dallas had recommended.

Several attorneys for the cities said Lone Star's Williams, who told reporters earlier this week that Lone Star had "a solid case" for a \$90 million hike, balked at the reduced amount out of fear that the company's "credibility" would be harmed by the appearance that it had inflated its original request.

"We obviously don't want our public to think we operate our rate cases like that, Williams was quoted in The Dallas News story.

In addition to halving the company's bottom line request the proposal would give Lone Star stockholders a 15.5 percent return on their investment—as the TML recommended—rather than the 18.5 percent that Lone Star requested.

The two sides compromised on the proposed formula for allocating costs between residential and business ratepayers and large industries that negotiate separately with Lone Star.

The league wanted a formula tilted to residents and businesses, while the company's allocation favored their industrial customers. The compromise is a middle-ground formula that the railroad commission has adopted in the past, attorneys said.

In granting the continuance, the hearing examiner directed the parties to file documents associated with the settlement not later than Sept. 27, two days before the hearing reopens.

Lone Star filed a statement of intent with the Railroad Commission June 25 asking for an increase in its city gate rate. The city gate is the delivery point at which a city distribution system receives gas from its supplier. Whatever increase the gas utility may receive affects more than 1.1 million bill-paying customers in Texas.

The Chamber bought bunting, about two years ago, the cost was \$27.50 each, and the cost could be expected to be higher now. Even at the older price, the loss amounted to \$467.50.

Jerry Duncan and Bill Hatch, both directors, were named to a membership and will assist in drawing up the list of potential members.

Dues are \$100 for businesses, payable annually, semi-annually or quarterly and individual dues are \$25 per year.

A different type Christmas promotional drawing was discussed and Hatch volunteered to contact merchants for their reaction.

Chamber directors voted to sponsor the Salesperson of the Month, to be selected by a secret committee appointed by the President.

Present were Hudson, Hatch, Duncan, Jean Reynolds, Dorothy McGill, Virginia Robey, Tommy Thomas, Yates Parker, Billy Jackson, Walter Hudson and Mrs. Vines.

Oct. 1 Last Day To Register to Vote in Election

Friday, October 1 is the last day to register to vote in the November 2 election if you have turned 18 since the last election or if you have moved to Collingsworth County and have not yet registered to vote.

Everyone who has previously registered at any time is eligible to vote, and they do not need to re-register, Ann Wauer, Tax Assessor-Collector, said this week.

If you have moved from one Collingsworth County address to another since the last election, you may call the Tax Collector's office and have a new voter registration card issued with the correct voting box listed on it. However, a card with an old address inside Collingsworth County will not prevent you from voting in the general election, Mrs. Wauer said.

Mrs. Wauer also reminded taxpayers that the Central Appraisal District office has been moved from the second floor of the courthouse to the first floor Tax Collector's office. All questions about appraisals should be taken to this

4-6, but this year there are 18 returning lettermen, 8 defensive and 7 offensive starters. The Harris pollsters believe Bailey and Yarnell could produce a winner this year.

Nocona's record at this point is 0-3. The team lost its opener to Muenster-St. Joe, 27-10. Next week were defeated by Holiday 32-0. Holiday is rated in the top 10-AA team in the state.

Last week, Nocona played Archer City, who won 16-6. Wellington's injuries were believed healed, as of Wednesday afternoon.

At Vernon, Wellington will be the visiting team and probably sit in the east stands. Nocona, the home team, will be on the west side.

Because of the reappraisal of property and the granting of several exemptions as mandated by the legislature, the effective tax rate for Hedley CISD was calculated at approximately 62.5 cents per \$100 of evaluation.

Therefore, in using the formula provided by the state, the 64 cent per \$100 of evaluation tax rate set by the Board reflects an increase in the effective rate of slightly less than three percent.

The Board decided that considering current economic conditions and the reduction in personnel that had already taken place, the school should be able to operate at the reduced level without hampering programs for the current school year.

In her 30 years at Lone Star, she has worked with 8 local managers, and it is said around the district, more seriously than in jest, that she trained all 8 of them.

These 8 are McKinney, who retired in 1973 at Waxahachie; O.C. McMinn, who also retired in 1973 at Abilene; T.E. Holly, present address unknown; B.J. Thogmorton, local manager at Denton; H.W. Bike-a-thon Race Saturday Help's Children's Research

As many as 50 boys and girls may be riding in the Wheels of Life Bike-a-Thon for St. Jude Hospital Saturday, Sept. 25, Walter Clements, chairman, has announced.

They should be at the corner of 15th and Haskell Streets at 8 a.m. for registration. Racers should bring all the information and sponsor forms with them. These are still available at the office of Bob Allen, junior high principal, and

riders are encouraged to find sponsors and enter the race.

Adults assisting Clements are Carolyn Moseley, Mr. and Mrs. Donnie Gray, Mr. and Mrs. Ray Cozad. Others who want to help will be welcome.

The half-mile route will be from 15th and Haskell Street south along Highway FM 1035, with designated check points where cards will be checked and marked.

Each youngster will ride

at his or her own pace, for this race is for endurance rather than speed. Cut-off time will be when the last rider says he is through or at 12 noon, whichever comes first.

Officers from the Sheriff's Department will be on hand to help with safety precautions.

The first 45 riders registering will receive a green hospital bracelet which identifies that youngster as a rider in a

bike-a-thon.

Anyone who raises \$25 in pledges will receive a t-shirt; those who raise \$75 or more will get a tote bag, said Clements.

All money raised will go to St. Jude's Children's Hospital, to help fund its programs in children's cancer research, treatment and rehabilitation.

Rev. Pizalla At Fellowship Here

The Rev. Darrel J. Pizalla who comes here from Broken Arrow, Ok., is the new pastor of Abundant Life Fellowship, having begun this work Sunday, Sept. 5.

It is his first pastorate after completing two years of study at Rhema Bible Training Center in Tulsa.

His wife, Dianne M. Pizalla, was employed at Oral Roberts University.

The couple was raised at Garden, Michigan, on the Upper Peninsula.

An iron worker, Rev. Pizalla had his own business before coming to Broken Arrow, where he also worked as a welder.

The couple has three children, all married, a son, Lew Pizalla, pastor of a church at Pasadena, and daughters, Carey Perillo of Watford City, N.D. and Lori Parkinson, who has just moved from Florida to Ohio. There are two grandchild-

ren. The couple is enthusiastic about the progress of the Wellington Church and the friendliness of Wellington people. Their only visit here had been when he preached before the congregation 6 weeks ago.

Mary Ann Clark, Jimmy Fickling Wed in Church Ceremony

First United Methodist Church was the setting for the wedding of Mary Ann Clark and Jimmy Harold Fickling on Friday, September 10, at seven in the evening.

The Reverend Tom Thomson, pastor, officiated.

The bride is the daughter of Mr. and Mrs. Loyd Clark, 704 Graham Street, while the bridegroom's parents are Joe Fickling of Carnegie, Oklahoma and Alberta Fickling of Woodward, Oklahoma.

An arch covered with foliage and accented with yellow and white flowers decorated the altar area. Mrs. Lynn Emmert was the organist and Mrs. Larry Waters, cousin of the bride, sang.

The bride was given in marriage by her parents.

Her wedding gown of white sheer material was designed with a rounded neckline, edged in lace ruffles, and lace also accented the long sleeves.

Her full skirt swept to a chapel train, and the lace veil was attached to a coronet headpiece.

She carried a bouquet of yellow and white carnations.

Julie Thomas of Pampa was the matron of honor and Sandy Fickling of Woodward, Oklahoma, sister of the bridegroom, was the bridesmaid.

The attendants wore yellow and white dresses, fashioned with low necklines, short sleeves and floor length gathered skirts. They carried long-stemmed roses.

Eldred Ware of Elk City,

Since returning from their wedding trip to Amarillo, the couple is at home at 1400 Dalhart Street.

Oops, More Bunting Disappears

The Chamber of Commerce lost during Fair Week several of the colorful "Welcome to Wellington" buntings that the Boy Scouts hang up for the Chamber during festive occasions here.

This didn't come as a big shocker to anyone, since the Chamber regularly loses a few each time they are put out. But it is a problem. And the problem, of course, is money. The buntings cost \$28 each and local businessmen are asked to come up with the money for the buntings that hang in front of their businesses.

This season, even before the losses at the Fair, the Chamber did not have enough to go around to everyone who had paid for them because of previous losses. Now they'll be even shorter.

Everyone realizes that the buntings probably make fine souvenirs and wall decorations, and everyone realizes that the people who take the buntings probably consider themselves more pranksters than thieves.

But if the Chamber is to continue to put out the decorations which add to the fun of various occasions, they need the missing buntings.

Wellington businessmen are hard-pressed for contributions to various school and civic activities at this time of year, and the Chamber hesitates to ask them for additional funds at this time.

The Chamber would be glad to sell a bunting to anyone who wants one as a decoration, or they will be even happier to have them back, no questions asked, and a big "Thank You" to boot.

If you have a bunting, bring it by the Chamber of office...you'll be helping to add to a fun activity the next time the bunting goes up.

Rockets, Bobcats Fight to 7-7 Tie

The Wellington Skyrockets and Childress Bobcats battled to a 7-7 tie at Powell Field Friday, Sept. 17 to leave the Rockets with a 1-1-1 season scorecard.

The wind was a factor later in the game, but Shane Cobb's first punt without much wind behind it sailed 65 yards to the Childress 1 yard line.

On Childress second possession, the Skyrockets recovered a Childress fumble on the Childress 38 yard line. Dwayne Curry picked up 3 for the Rockets and then Dwayne Culpepper gathered in 10 yards.

From the 26 Wade Williams faked right, kept left and faked out 2 would-be tacklers to slip into the end zone untouched. Mark Hunnicutt's extra-kick made it 7-0 with 38 seconds to play in the first quarter.

Childress' only score came in the second quarter after they faced a fourth and 4 situation on the Rocket 29 yard line. They made the first and ground down to the 3. From the 3 Bobcat fullback DeWayne Burt scored and Darwin Lankford's extra-point kick tied the score at 7-7 with 2:57 to play in the half.

Late in the third quarter,

Firecrackers Win Before Home Crowd

A safety by Kenny Peeks in the second quarter gave Wellington 8th grade Firecrackers a start on their 14-8 victory over Shamrock before a Powell Field crowd Thursday evening, Sept. 16.

Also in the second quarter, Kelly Goforth went around left end for 25 yards and a touchdown. Try for the extra point failed.

The Firecrackers next touchdown came in the third period, when Mauro Villanueva went over left tackle and scored on a 30-yard run. Again, the extra point try failed.

Shamrock's only touchdown came in the fourth period, when Marty Beck took a faked punt at mid-field and ran around right end to score.

"We didn't play as well here as we did at Clarendon, although our defense was pretty good," said Coach Gano Wilson.

The Firecrackers will meet Memphis 8th grade Thursday, Sept. 23, in a game that will also be played here.

"They're going to be a lot tougher to beat and we've got to play better ball than we did Thursday night or we won't win," Wilson added.

TRAP

Skyrockets block out a trap play against Childress Friday. Blocking from left are Otis Lewis, 23, Matthew Hanna, 72 and Michael Breedlove, 50. Shane Cobb, 40 carries the ball.

a couple of outstanding defensive plays Ricky Martinez and Dru Lacy combined with a short Childress punt to turn the ball over to the Rockets on their 35 yard line.

7th Grade Wins Over Shamrock

Wellington 7th Grade had its first touchdown ever when Alex Johnson scored before a home crowd Thursday, Sept. 16.

The game gave Wellington a 12-6 victory over Shamrock 7th grade. The first half was scoreless, then in the third period, Johnson scored on a sweep around left end good for about 30 yards, behind good blocking.

Early in the fourth, Tommy Joe Chambers scored the Rockets other touchdown on a pass from Johnson.

Shaun Cobb and Danny Davis turned in good defensive action through the evening, Coach Tom Johnson said.

"They looked quite a bit better than last week, especially the offense," he said.

Just about everybody on the team got to play, the coach added.

The 7th Grade will meet a fast Memphis 7th next week in another game to be played here.

The Rockets brought the ball to the Childress 11 in a 17-play 5-first down drive.

Facing a fourth down and goal from the 11 yard line, Rocket Mark Hunnicutt faked a field goal, Wade Williams grabbed the ball and dashed for the goal. But a Childress defender stopped Williams at a point about as close as you can get to the goal line and still not score. The Rockets turned the ball over at the 1 foot line.

Childress worked the ball out to the 5 and Kevin Moore got off a 61 yard punt with the wind at his back. But there was still some excitement left to come in the game.

Roy Mote recovered a Childress fumble for Wellington with 1:06 to play. The Rockets couldn't make a first this time, and punted away with 28 seconds to play.

Childress got off two plays, and then with 2 seconds to play Childress

quarterback Kevin Moore hurled a pass that Wade Williams intercepted as the clock ran down to zero. Williams intercepted at his own 45 yard line, and it appeared for a moment as if he'd score, carrying the ball in inside the Childress 15 before a Bobcat defender made the tackle.

JV Downs Irish Team 27-0 Here

Skyrocket Junior Varsity took their second consecutive victory this season downing Shamrock JV 27-0.

With this, they rolled up a total of 65 points in the two outings, holding their opponents to 6 points.

Their first victory was a 38-6 win over Clarendon.

Rocket JV kept the action in the Irish end of the field in the game played on Powell Field Thursday night.

The Irish JV crossed the 50 yard line into Rocket territory only once.

The Rockets, on the other hand, never had to punt, and the only time they turned the ball over was on fourth downs.

Coach Allen Sanders called it "an outstanding game defensively (for the Rockets)".

Joe Bill Munn accounted

for the first touchdown scoring in the first period on a quarterback keep. The try for extra point failed. Late in the first, Eugene Mote recovered a fumble, but the Rockets were unable to advance this into a score.

It was Munn in the second, as he kept the ball on a quarterback option to score from 40 yards out, and kept the ball again on the two-point conversion to make the score 14-0.

Greg Bowen blocked a punt in the second period, but a few minutes later the Rocket JV fumbled the ball back to Shamrock.

Half time score remained 14-0.

Munn accounted for the third touchdown also after a 20 yard run, then kicked the extra point.

The remainder of the third period saw some good

Rocket action, but no scores. A 50-yard pass from Munn to Jamie McKay set the Rockets up on the 7 yard line, then they stalled.

Just before the quarter ended, Johnny Nash recovered another Irish fumble.

The score at the end of the period was 21-0.

It was Munn again in the fourth as he went 26 yards for the final touchdown, and a 27-0 score.

Key play for the remainder of the game was the 30 yard pass from McKay to Neal Duncan.

Sanders praised the fine defensive play turned in,

citing Eugene Mote and linebackers Chuck Brown, Rodney Saldana and Michael McKay. "Everybody was real solid," he said.
