

MAYOR ELMER MARTIN signs a proclamation declaring Nov. 5-11 as Buddy Poppy Week in Colorado City. Looking on are Jack Merritt, left, commander of the VFW Post, and Dorothy Clark, president of the VFW Ladies Auxiliary.

Letter to the editor

Dear Editor,

At a Republican reception, in the C. C. Thompson Room, for Steve Stephens, someone explained about Mr. Thompson, "He was Mr. Colorado for many, many years."

Among the 20 who attended were Mike and Erna Lou Burt, Flo and Horace Caldwell, Hallie Gee, Dr. Walter Bingham, George Womack, Hank Hardwick, Mark Raschke, Max Shaw, Bobby Lemons and Mr. and Mrs. Raymond Fuller.

Some visitors apologized to Stephens for the "small turnout." One man broke in: "It

doesn't matter how many were here." "The people who were here are the king makers here in Colorado. The town is divided in two, and the others do what the king makers say," he said.

The above was in an article in the San Angelo Standard Times.

Which of you Republicans has appointed himself "King of Colorado"? Why is it a secret? Surely we (of the serf or peon class) should know to whom we should curtsy? Where is the dividing line? Some may want to move.

Survey shows more Reagan support here

A survey of Colorado City citizens conducted by Colorado High School seniors in Rick Robinson's government classes shows that 72 percent of the 649 surveyed favor the Reagan-Bush ticket for the presidential election.

The survey shows that 453 persons polled are for Reagan-Bush while 174, or 28 percent, back the Democratic ticket of Mondale-Ferraro.

Students polled 330 women and 319 men in the survey. By race, those surveyed represented 434 white, 144 Spanish and 67 black. There were 467 Protes-

tants, 17 Catholics and four Jews represented in the survey.

A breakdown of the age groups revealed 176 in the 18-25 age bracket, 224 in the 25-40 bracket, 189 in the 40-65 bracket and 51 were 65 or older.

Of those surveyed, 227 said they are independent, 187 said they are Republican and 230 termed themselves as Democrats.

One hundred and fifty-nine of those surveyed said they make under \$10,000 annually, while 177 said they make between \$10,000-\$20,000, 258 said they make from \$20,000-\$50,000 and 41 said they make over \$50,000 annually.

28 participate in Walk-a-Thon

Twenty-eight persons participated in the St. Jude Walk-a-Thon on Oct. 13 and a total of \$975 is expected when all the pledges have been turned in.

The participants walked from the First State Bank in Loraine to Gas and Grub in Colorado City. Johnna Kelly collected the most money. Those with \$25 or more collected received a St. Jude T-shirt and those who raised \$75 will receive a T-shirt and a tote bag.

Students in the Walk-a-Thon included Elizabeth Guerrero, Jo Ann Barrera, Adelina Vasquez, Lolinda Troutt, Pat and Cheryl Alvarez, Teresa and Alice Lopez, Eloisa De Loera, Eva and Nancy Esquivel, Lee Ann Hill, Rai Lynn Rundell, Johnna Kel-

ly, Kristi Moreno, Terry Munoz, Janie Castro and Tommy Munoz.

Adults participating were Donna Mize, Penny Mitchell, Connie Rdriguez, Diana Gustin, Erlinda Pantoja.

Walkers from Colorado City were Bill Ramirez, Lucy Garcia, Amy Garcia and Frances Castro. People that also helped collect donations were John McAdams, Jane Madrid, Mary De Loera, Fielda Blair, Sandra Phillips and Manuela Pantoja.

Colorado City native named aviation head

C. A. (Clay) Wilkins, executive director of the Texas Aeronautics Commission (TAC), was elected president of the National Association of State Aviation Officials (NASAO) at the organization's recent annual meeting.

The Colorado City native has served as the TAC's executive director since 1980. NASAO's first vice-president for the past year, Wilkins takes the reins as the organization's president in January 1985.

NASAO was established in 1931 to encourage cooperation among the states and the federal government in the development of a dynamic national air transportation system. Wilkins will head the organization which is comprised of 48 state aviation agencies, as well as Puerto Rico's and Guam's aviation departments.

Before his appointment to the TAC, Wilkins served five years in the Texas Comptroller's Office and three years in the Texas Governor's Office. While at the Comptroller's Office, Wilkins was executive assistant to the comptroller, chief pilot, and director of special operations.

Wilkins' 22-year career as an Air Force fighter pilot generated 11 air medals and the Distinguished Flying Cross.

Licensed as a commercial pilot, Wilkins has accumulated more than 7,000 hours of flying time. Civilian aviation accounts for more than 2,000 hours of this time.

Wilkins is currently a member of the Advisory Committee for the Center for Aeronautical Research, at the University of Texas and is a member of the aviation Advisory Council, Texas Transportation Institute at Texas A&M University. Wilkins also serves on the National Task Force on Aerospace Education in Washington, D.C.

SOCIAL SECURITY

Cares about older Texans

Lloyd Doggett fought to preserve the fiscal integrity of all Texas retirement systems and believes that Social Security "is a sacred contract we cannot turn our backs on."

Doesn't care about the elderly

Gramm led the fight to cut Social Security benefits out from under the most vulnerable people in our society. In fact, he has voted against Social Security on at least eight occasions. He even stated, when referring to 80 year old people whose minimum payment was being cut, "...it's hard for me to feel sorry for them."

RURAL ELECTRIFICATION

Wants to improve rural life.

Absent from important votes

NATIONAL BUDGET DEFICIT

Has never voted for a budget deficit

A staunch believer in the Texas pay-as-you-go system, Lloyd has always fought deficit financing schemes as a Texas Senator, and he will continue to do so as a United States Senator. He knows we can't borrow our way to greatness, and is ready to close down wasteful bureaucracies in Washington and get the government off the backs of the people.

Has voted for billions in red ink

Gramm is the author of the largest budget deficit in American history. His budget deficits are greater than all previous deficits since World War II combined. He has mortgaged you and your children's future for the benefit of the selfish few.

AGRICULTURE & RURAL ECONOMY

Puts Agriculture First

Lloyd Doggett knows that when our agricultural producers are paid a fair price for their products, it brings prosperity not only to our small town merchants but to our entire state and the U.S. economy in general.

Votes to gut agriculture

Phil Gramm and two big-city Republicans were the only Texas Congressmen this year to support the Dan-nemeyer amendment designed to gut agriculture.

Lloyd will fight for a 1985 Farm Bill that will get a handle on overproduction and assure our family farmers of at least recovering their production costs and give them a chance to make a fair profit.

Gramm and a Dallas Republican were the only two members of the Texas delegation to oppose, on March 15 of this year, the Small Business Authorization bill which gave the S.B.A. the authority to make disaster loans to Texas farmers and ranchers being wiped out by the disastrous ongoing drought.

WHO'S BETTER OFF?

Under President Reagan

THESE ARE THE FACTS

Agriculture- Bank failures are twice as high this year as they were last year--and higher than in any year since the Great Depression. Small business failures this year, in 1984, are at an all-time high. Farm and home foreclosures are higher than at any time since the 1930's.

Social Security-the Elderly- Social Security and other benefits for the elderly represent a bond of faith between older Americans and their government. The Reagan administration has sought and achieved major cuts in: *The social security minimum benefits; eligibility for disability benefits; and benefits to be paid to future social security participants.*

Economy-(Under Biggest Deficits Ever)- The truth is that four years of Ronald Reagan's policies have added more to the National Debt than all of the years of Democratic Presidential Administrations combined. Under President Reagan's tax cut only those who made more than 100,000 a year benefited. Are you better off than 4 years ago?

Duke, Norton united in Rotan ceremony

Virginia Jorene Duke and Jon Dwayne Norton were united in marriage Saturday, Sept. 29 in the First United Methodist Church of Rotan. The Rev. Johnny Robertson of Wesley United Methodist Church, Big Spring, officiated.

The bride was given in marriage by her mother and her brothers, James and William Duke. She is the daughter of Mr. and Mrs. A. L. House of Rotan, and the late L. M. Duke. The bridegroom is the son of Mr. and Mrs. Jim Buhrkuhl of Big Spring.

The bride wore an original gown by Michelle for Alfred Angelo in organza and lace over candlelight satin. The fitted bodice with a sheer yolk was enhanced with chantilly lace bertha. Appliques of lace, traced with tiny seed pearls and sequins, enhanced the bodice and encircled the waist. The sheer sleeves were long and fitted and the lace was repeated on the edge. Her full skirt with a lace ruffle that was asymmetry down the front continued around the hemline. The skirt fell into a Cathedral train.

To complete her ensemble, the bride wore a matching hat from

Alfred Angelo of sheer and lace in Victorian style. The sheer veil of imported illusion flowed down the back. She carried a cascade of Ecu gladiolas, roses and brown Eucalyptus with candlelight lace placed on an off-white Bible.

Charre Smith of San Angelo and Rotan was maid of honor. She wore a dress from the house of Bianchi of moire taffeta in copper. The fitted bodice with a square neckline had mini puffed sleeves edged with a self ruffle. The princess line skirt, with unpressed pleats, was floor length. She carried a nosegay bouquet of Ecu roses, topaz lilies and Eucalyptus embedded in candlelight lace.

Bridesmaids were Mrs. Randy Moore of Waco, sister of the groom, True Evans of San Angelo and Mrs. Charles Williams of Big Lake. They wore identical dresses to the one worn by the maid of honor. They carried long stem, topaz lilies and Eucalyptus adorned with candlelight lace.

The candlelighters were Mrs. Dan Hostick of Abilene and Kathy Stamm of Rotan. They wore identical dresses from the house of Bianchi of moire faille

in topaz. They had fitted bodices with sweetheart necklines and brief sleeves and flat self bows across the shoulders. Their A-line skirts were floor length. They wore corsages of copper lilies with candlelight lace.

Flower girls were Deon Duke of Rotan, niece of the bride and Allison Welch of Whitesboro, cousin of the groom. They wore identical dresses to the bridesmaids. They carried lace-edged baskets of flower petals and candlelight lace adorned their hair.

The best man was Virgil Welch of Dexter, grandfather of the groom. Groomsmen were Dee Welch of Whitesboro, Randy Moore of Waco and Bob Yeaman of Sacramento, California.

Ushers were Rusty Henderson of Big Spring, Troy Headrick of Georgetown and Scott Lynn of San Angelo.

Guy Duke of Rotan, nephew of the bride, was the ring bearer.

The groom was attired in a candlelight tuxedo with a double topaz rose in his lapel. The groomsmen, ushers and ring bearer wore brown tuxedos with a single candlelight rose in their lapels.

Mrs. Tom Collins of Rotan, on the piano and James Duke of Lubbock, on the guitar, presented pre-nuptial music. They accompanied Mrs. Paul Hokett of Snyder as she sang "You Needed Me" and "The Lord's Prayer."

The bride, escorted by her brother, William Duke, entered to the bridal chorus from Lohengrin, played by her brother, James Duke, on the guitar.

The altar was decorated with brass candelabra with candlelight tapers and the large wooden cross on the wall was accented with special lighting. Arrangements of Ecu gladiolas, copper and topaz mums with baby's breath in brass containers were placed on the communion rails.

Connie Posey of Snyder registered guests.

The reception was hosted by the bride's parents in the church fellowship hall. The bride's table was covered with a copper tablecloth with candlelight overlay. The five tier wedding cake was decorated with candlelight icing, topaz and copper silk flowers, topped with a gold Christogram cross. The table

was complimented with silver and crystal appointments. The bride's bouquet and Bible, with candles in the background, centered the table. Mrs. James Duke and Mrs. William Duke served cake and punch.

Candlelight and lace cloths covered the round table for the groom, with the groomsmen and ushers boutonnières around candles as the centerpiece. The table was complimented with copper and brass appointments. Coffee, nuts and mints were served by Cindy Joy of Roscoe.

Parents of the groom hosted the rehearsal dinner at the Shack in Snyder.

The bride is a graduate of Rotan High School and Angelo State University with a B.S. degree in physical education and is employed by the San Angelo Public School system.

The bridegroom graduated from Forsan High School, received a B.S. degree from Angelo State University and is employed in San Angelo while working toward an M.S. degree in biology.

Following a trip to New Mexico, the couple will live in San Angelo at 2601 Colorado Street.

The bride is the granddaughter of Mrs. C. M. Duke and Mrs. J. W. West of Loraine.

Let's Look At Alternatives

Several Texas Legislators, including my opponent, have publicly said the State will have to increase taxes next year to meet its needs for funding. And, they may be correct.

But, why is it I hear only about a tax increase and not about other alternatives?

That's why I am in this race. My years as a businessman have taught me that when more money is going out than coming in, you have to take steps to equalize the situation or you are not in business long. Some businessmen, and legislators, take the attitude that the first step is to raise prices, or in this case, taxes. I can't buy that.

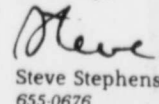

I think the first step is to look into the organization and make sure every dollar is working efficiently to produce the service or the product. If that dollar can be moved from one area into another where it will do more

good in maintaining the quality of the service or the product, then it should be moved.

It's the same with State government. Before everyone jumps on the tax increase bandwagon, let's look closely at all areas where greater effectiveness and efficiency might be achieved with the dollars we now have. If we can make some of that money work harder in some other areas and still keep our quality of service, then we might be able to look at less of a tax increase -- or possibly no tax increase at all.

That's what I believe. Let me know what you think. I'm ready to get down to business.

Sincerely,

Steve Stephens

Pumpkin is bountiful during fall

A prominent item seen now in the produce section of supermarkets is the pumpkin. Traditionally a rather seasonal food, pumpkin is rich with legend and lore. The Halloween practice of carving Jack 'O-Lanterns for example, is actually an old English custom. It was said that the eerie light cast off by these hallowed, lighted pumpkins would warn off evil spirits. The Jack 'O-Lantern's name was derived from "Jack with a

Lantern," the nickname for an imaginary light that hovered over swamps misleading unwary travelers.

Baking with pumpkin during the holiday season evolved because it closely followed the harvest time when pumpkin was in greatest supply. And so it became a popular tradition for the holiday table set for family and friends. Over 52 million homes now serve pumpkin between Halloween and New Year's, making it by far the most popular pie of the holiday season.

Pumpkin is an excellent source of many nutrients. It is rich in Vitamin A, contains iron, potassium, Vitamin C plus many other necessary nutrients. At the same time, it's low in calories, sodium and fat.

Although a traditionally seasonal food, pumpkin is a fine way to add nutrition and variety to your diet year round.

Here's a good quick bread recipe to try:

PUMPKIN NUT BREAD
2 cups sifted flour
2 teaspoons baking powder
1/2 teaspoon soda
1 teaspoon salt
1 teaspoon ground cinnamon
1/2 teaspoon ground nutmeg
1 cup canned solid pack pumpkin
1 cup sugar
1/2 cup milk
2 eggs
1/4 cup butter or margarine, softened
1 cup chopped walnuts or pecans

Preheat oven to 350 degrees. Sift together first six ingredients. Combine pumpkin, sugar, milk and eggs in mixing bowl. Add dry ingredients and butter; mixing only until flour is moistened. Stir in nuts. Spread in well-greased 9x5x3" loaf pan. Bake 65 minutes or until toothpick inserted in center comes out clean. Yields one loaf. Pumpkin bread may be frozen after baking and cooling. Wrap well.

Your Stars Above

BY EVE EWING

ARIES (3-21/4-19) The pioneering spirit is upon you once again so why not give in to it this time? The stars are right for some daring adventure and you should fare well.

TAURUS (4-20/5-20) Patience and perseverance are about to pay off in the form of a dazzling new job where you will meet someone who will be the perfect mate. The long wait was worth it.

GEMINI (5-21/6-20) The jet plane and the telephone are your symbols so you'd better not get involved with someone who chooses Robinson Crusoe as a role model.

CANCER (6-21/7-22) You believe marriage is forever, but you are attracted to a butterfly who flits from flower to flower. Since people seldom change, you'd best say goodbye and seek elsewhere.

LEO (7-23/8-22) You want a lot from life and will probably get it, but guard against too much pride. It could lead some one of your impulsive nature into a lot of trouble.

VIRGO (8-23/9-22) In order to overcome a tendency to hypochondria, spend a good long vacation with a relative who suffers from the same trait. If that won't cure you, nothing will!

LIBRA (9-23/10-22) You commit your emotions far too easily, and then complain when you can't get out of your commitments. Discretion comes hard, but you had better try it more often.

SCORPIO (10-23/11-21) Your enormous energy and drive could take you anywhere you want to go, so don't waste these same qualities seeking revenge for slights, real or imagined.

SAGITTARIUS (11-22/12-21) A career in communications would be right up your alley, given your outgoing nature and love of change. You will never be successful or happy in a hum-drum job.

CAPRICORN (12-22/1-19) No relationship can withstand your continual testing of its loyalty. If you aren't sure by now, then get out of it. Your mistrust is damaging to the other person.

AQUARIUS (1-20/2-18) Your longing to do something important and meaningful wars with your tendency to let others do the nitty-gritty. The idea may be yours, but you must work to make it real.

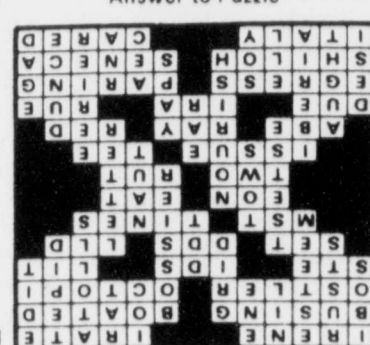

PISCES (2-19/3-20) Your own unquestioning nature attracts many to your orbit, including some who are not worthy of your trust. Being too uncritical is as bad as being overly critical.

Word Cage

BY TRACY ST. JOHN

RULES — There are three parts to THE WORD CAGE: (1) clues and (2) quiz, which lead to (3) the final answer, the MYSTERY WORD. The clues and quiz are hidden in the grid — up, down, across, backward or diagonally. First circle the clue words (we've found the first word for you). You may find the same letter in more than one word, so circle each letter clearly. Next, circle the quiz words; the first letter and number of letters are given for each. When you have circled all the clue and quiz words, the remaining uncircled letters will spell out the answer to this week's WORD CAGE.

How's your sex drive? If it's not up to par, you might be interested in a drug heralded in folk medicine as a love potion. The drug, yohimbine, has been used in experiments to strongly increase the sex drive in male rats, said researchers at Stanford University Medical School. The question is, will it have the same effect on humans? Yohimbine has long been considered an aphrodisiac in folk medicine, along with bees' wings, camel's hump fat and rhinoceros horn. To name just a few easily obtained items.

Engine, engine 45: An 11-year-old Maitland, Fla., fire truck — Engine No. 45 — was given a \$14,000 reconditioning new engine, transmission and brakes. The town's chief mechanic, Orville Clark, drove it to a boat ramp on Lake Maitland to test its capacity for taking water. He parked the truck and was chatting with firefighter Dennis Pippin. "Dennis said, 'Whoa, whoa, and I turned around, and the truck was in the lake,'" said Clark. It took two wreckers and a crane five hours to hoist the fire truck out of the lake. Then it was back to the repair shop. Old No. 45 took on too much water.

Educational refund: Brown Mackie College in Salina, Kan., was the first school in the nation to offer a money-back guarantee, promising graduates a job offer within 120 days of graduation or their tuition would be returned. Earl Edwards, dean of instruction, says that a student who completed an 18-month computer-programming course has asked Brown Mackie to return her \$7,495 tuition. The student claimed she made more than 15 attempts at finding a job. One of the terms of the guarantee is that a student must actively seek employment. "We went into this with our eyes open," said Edwards. Now, maybe it's time to open the wallet.

Bobby Lee & Nancy Robertson

Engagment announced

Mr. and Mrs. Jeffie D. Robertson of Colorado City announce the engagement of their daughter, Nancy Lynn, to Bobby Lee of Hamlin, son of Mrs. Ruby Lee of Colorado City.

The couple will be married in Oak Street Baptist Church in Colorado City on Feb. 8.

The bride-elect is a 1982 graduate of Colorado High School. She received an Associate of Applied Science degree in general business from Western Texas College in Snyder and is employed at the Colorado City Police Department.

A graduate of Monterrey High School in Lubbock, the future

groom attended Texas Tech University and is presently attending TSTI in Sweetwater going through the paramedic program. He is employed at Hamlin Memorial Hospital in the respiratory therapy and ambulance departments.

Halloween is an evening of safe neighborhood fun when parents get together to let their little ghosts and goblins flit about.

Young tricksters still enjoy their trick-or-treat payoffs. Best are the homemade ones that can be eaten along with the apples and fresh cider that are so much a part of Allhallow's Eve.

RAISIN CRUNCH BALLS

1/4 cup butter or margarine
1/2 pound regular marshmallows (about 20)
1/2 teaspoon vanilla
1 cup California raisins
1 cup peanuts
2 cups crisp rice cereal or alphabet cereal

Melt butter in heavy saucepan. Add marshmallows. Cook over very low heat, stirring, until marshmallows are melted.

Pour immediately over mixed raisins, peanuts and cereal. Mix thoroughly. Form into 12 balls about 3 inches in diameter. Place on tray. Refrigerate 10 minutes. Reshape if necessary.

Store in refrigerator until serving time. This kitchen-tested recipe makes 1 dozen crunch balls.

Cook's Corner

Dennis enjoys collecting and trying recipes

Having a husband that is a better cook than his wife, is a hard adjustment for anyone. But when Beth Dennis got married, she said her husband was a better cook than she was. "When I got married, I just knew the basics. Gary had been on his own a couple of years, so

he knew how to cook." Mrs. Dennis' mother taught her the basics of cooking, but she would also bake cakes or cookies. When she did fix a meal, her mother had written the menu out and she just prepared the meal from the menu.

After she got married, she would try out new recipes and learned to cook from her recipes. She collects recipes now and experiments with them. Mrs. Dennis will also try a new recipe out on company. She says "I've never really had a disaster with the recipes and everything is usually eaten."

Her favorite things to fix are homemade bread and desserts. Mrs. Dennis likes to cook from scratch, but she also keeps convenience food, because of how her family has to eat sometimes.

"With two boys in athletics, they're on different schedules and they're in and out at different times. I like to have something where I can whip it up in a few minutes."

She likes to prepare balanced meals, and her family will usually eat anything.

"We try to have a Saturday evening meal and sometimes Gary will cook outside. We really enjoy that."

In the winter, she likes to have homemade chili, stew and soup on hand.

If you don't know too much about cooking, you would think that something strange, weird or disastrous would happen when learning to cook, but Mrs. Dennis doesn't remember anything like that happening to her.

She does remember and says, "I'll never make a jelly roll again. I tried to make one and when I started rolling it up, it fell apart."

Mrs. Dennis is married to Gary Dennis and they have three sons, Scott, a sophomore, Chris who is in the eighth grade and Jeremy, a second grader.

Today, Mrs. Dennis is sharing four of her recipes with RECORD readers.

FIESTA

4 pounds ground meat

- 3 onions, chopped
- 1 pound can tomatoes
- 1 large can tomato sauce
- 2 small cans tomato paste
- 4 tablespoons chili powder
- 3 tablespoons garlic salt
- 1 large can Ranch Style Beans

Cook above ingredients for meat sauce. Serve with the following buffet style in this order placing number 1 on bottom and layering remaining ingredients. The assortment is designed so the dish can be suited to your taste.

- 1. Two bags crushed Fritos
- 2. 14 oz. box instant rice, cooked
- 3. Meat sauce
- 4. One pound cheddar cheese, grated
- 5. One head lettuce, torn in pieces
- 6. Chopped tomatoes, 3 medium
- 7. Sliced stuffed olives, 1/2 cup
- 8. Chopped pecans, 1 cup
- 9. Coconut, 1 cup
- 10. Picante sauce

YEAST BREAD

Dissolve in 1/4 cup warm water: 1 tablespoon dry yeast and 1 tablespoon sugar

Beat together:
1/2 cup margarine, softened
One-third cup sugar
Add 1 egg
Yeast mixture
1 cup warm water
1 teaspoon salt
4 cups flour (1 cup at a time)
Cover and refrigerate until ready to use. Makes two loaves or about 27 rolls. Let rise and bake at 350 degrees.

KENTUCKY DERBY PIE

2 eggs, slightly beaten
1 cup sugar
1/2 cup all-purpose flour
1/2 cup butter, melted and cooled
1 cup chopped pecans
1-6 oz. package semi-sweet chocolate morsels
1 teaspoon vanilla extract
1 unbaked 9-inch pastry shell
1 cup whipping cream
1/4 cup sifted powdered sugar
Combine first four ingredients in a medium mixing bowl; beat

with an electric mixer just until blended. Stir in pecans, chocolate morsels, and vanilla. Pour filling into pastry shell, and bake at 350 degrees for 45 to 50 minutes.

Beat whipping cream and add powdered sugar, beating until soft peaks form. Serve pie slices topped with whipped cream.

ALMOND TEA

Boil for five minutes:

- 1 quart water
- 1 cup sugar
- Steep five minutes:
- 3 individual tea bags
- 2 cups boiling water

Remove tea bags and add juice of two lemons. Combine two mixtures and add two cups cool water, one teaspoon vanilla, and one teaspoon almond extract. Serve hot. Serves 15.

Playoff match in Clyde Tuesday

District volleyball title thrown into tie by CHS

By TONY FRANCO
 "They played like their capable of playing, we're really pleased with them," said Colorado High School volleyball coach Mark Merrell about his squad after the Wolves defeated the Crane Golden Cranes here last Tuesday night to tie their district 7AAA records at 1-1.
 The 15-13, 16-14 victory, which forced a third and district championship deciding match to be played at Crane Tuesday, was played before a packed Wolf gym and was as close and exciting as the score indicates.
 The Pack put out a fine effort and hustle for the home stand fans—already fired up by the junior varsity's comeback victory.
 Junior spiker Denise Jackson

got things started for the varsity squad by using hard serving to give the Wolves a 5-2 lead after having trailed 2-0. Jackson included an ace in the five point stretch and got help from a spike set up by senior Traci Blackwell.
 Crane came back to tie the game at 5-5, then the Wolves again edged ahead 8-5 with service points from Rebecca Erwin, Jackson and Jody Mann. Junior Fite spiked for the seventh point and a save by Blackwell helped collect the eighth.
 Two Colorado City errors and a block of a Fite spike by Crane's Tammy Joseph again tied things up at 8-8. From there the lead changed hands several times until the Wolves took it for good after 13-13.
 Jackson blocked a spike by Crane's Jo Mitchell with Erwin serving for a 9-8 lead. Blackwell served to increase the score to 10-8 then Crane ran off five straight for a 13-10 lead. Crane's Dara Scott served for the five points and was helped by spikes from Kathy Gutierrez, Terri Grooms and Mitchell. Delia Ramirez also dinked for the Cranes.
 After a spike by Sherri Morris

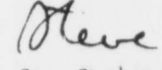

and a setup by Blackwell ended Crane's rally. "Spud" Jackson served for four points and a 14-13 lead.
 Both teams had trouble serving at that point as the excitement peaked until Fite came up and served for the game winner. It came on a spike by Crane's Jan Johnson that sailed long.
 The first game hustle carried over into the second game for a quick 6-0 Colorado City lead.
 Morris spiked with Blackwell serving for the first point then Jackson recorded another five point serving stretch. She included an ace and got help from a Fite spike set up by Morris.
 Crane's Ramirez served to cut the Wolves lead to 6-2. Then Colorado City pulled ahead 8-2 with two service points from Mann—one a spike by Fite.
 Crane made it 8-5 with Wolf errors then junior Yvonne Lujan served twice for a 10-5 lead. A spike by Fite set up by Blackwell scored the tenth point. A spike by Mann with Erwin serving gave the Wolves an 11-8 lead then Crane's Rosemary Sandoval blocked Fite to make it 11-9.
 Colorado City then pulled within one point of the match with three service points by Jackson—one on an ace and the other two on a Blackwell dink

and a Fite spike.
 Jackie Draones spiked twice to help Crane fight back to a 14-14 tie but then with Colorado City's Lujan serving, Draones twice missed on spikes and the Wolves won the match.
 "They played the best game all year," said Merrell. "I've never seen six girls play harder. They played like it was a life and death situation. The crowd, city and school support really helped."
 "We didn't beat ourselves whereas in the past we tend to be our own worst enemies. The seniors showed a lot of leadership."
 The Wolves biggest challenge is still ahead though as they now have to travel to Crane for a second time to decide just who will wear the district crown.
 "We're going to have to get ourselves up. We're capable of beating them there," said Merrell to his squad during a Wednesday workout. "The mark of a good team is being able to travel and win under adverse conditions."
 "We need every person in Mitchell County to attend our next ballgame," said Merrell.
 The championship match at Crane Tuesday begins at 8 p.m.

It's Time For A Water Plan

We've seen the same scene all year, residents of our District and West Texas in general, watching the skies for some signs of rain clouds. Brown yards and burned gardens are enough, but our problems really surface when the lakes, the stock tanks and the water tables run low. Without water, we have nothing.
 Lack of water is not a new problem to our area, but our continued growth makes it a much bigger problem than ever before. And, with all the money in the world, it can't be remedied tomorrow. It will take decades even if we start today.
 I, for one, am ready to fight for a water plan. I am tired of hearing from larger metropolitan areas downstream that their recreation areas will suffer if we don't turn loose our drinking water. We never hear how much of that water goes right on into the Gulf.

There has to be a solution which is best for all, and I think it's time to look for it.
 No matter what kind of resistance we find in other parts of the State, I am ready to get down to business and fight back with facts, figures and a strong argument on behalf of our area.
 With more than 15 years of testifying before National and State legislative bodies, I am well aware of the type of presentations which get results. And, I think as far as water for our area is concerned, it's time to see some results.
 Let me know what you think.

Sincerely,

 Steve Stephens

Wolves

From Page 1

the PAT attempt left the Wolves trailing 14-6.

Ballinger took the kickoff and slowly grounded out 38 yards to move to the Wolves 29. From there poor Wolves tackling allowed Brevard to bounce off the

line and run 29 yards for the Bearcats third score. It came with 49 seconds left in the third

quarter and Flanagan again kicked to make it 21-6.

Two possessions later—and just two minutes into the final period—Chitsey suffered his third interception, this time to Kirk Francis.

Ballinger's running backs then helped the Bearcats use up all but 22 seconds of the 9:51 seconds remaining in the game.

The time consuming drive ended with a three yard scoring pitch from quarterback Aaron Lugo to Strambler.

Ballinger held the ball for 18:44 of the first half compared to Colorado City's 5:16.

In the second half Brevard, Galvan and Strambler, finished with 87, 60 and 58 yards rushing

respectively, helping Ballinger keep the ball almost 19 minutes to Colorado City's four minutes.

Buffaloes steam past Bulldogs

FORSAN - The Forsan Buffaloes kept their winning streak alive here Friday night as they swept past the Loraine Bulldogs, 34-0 in District 7-A action.

The Bulldogs, coming off a 28-13 loss to the highly ranked Roscoe Plowboys last week,

couldn't get their offensive game going as the Bulldog defense allowed the Buffaloes 251 yards rushing and 56 yards passing for the evening.

On the other hand, the Bulldogs were held to 102 yards rushing and 48 yards passing with the three of five completions coming in the last quarter.

Forsan got on the scoreboard with just under three minutes left in the first quarter when senior halfback Mitch Hays scored from 35 yards out. Quarterback Todd East's kick was no good, and the Buffaloes led 6-0.

Forsan didn't score again until less than five minutes remaining in the second quarter when Hays scored from two yards out, capping a 70-yard drive. This time, East connected to senior Bobby Headrick for the two extra points and the Buffaloes led, 14-0.

With less than a minute remaining in the second quarter, Forsan scored again after a pass completion brought them to the Bulldog's four-yard line. East made the touchdown with Hays kicking the extra point. Forsan took a comfortable 21-0 lead into

halftime. Early in the third quarter, Hays made his third touchdown of the night after a 47-yard romp. East kicked the extra point, and Forsan's lead grew to 28-0.

Forsan's final score came at the top of the fourth quarter after Loraine fumbled at its one-yard line and Wayne Wright went over for the touchdown. This time, East's kick was no good, but the Buffaloes led 34-0.

A Forsan touchdown in the third quarter by Hays was called back after a holding penalty was called on the Bulldogs.

Loraine had three penalties for the night, two of them for being offside and the one holding penalty.

Forsan had two penalties totaling 25 yards.

A light mist hampered the ball carriers in the game with Loraine losing two fumbles and Forsan one.

Loraine had to punt four times for the evening and Forsan punted the ball away once.

This Friday, Loraine will travel to Garden City in another district contest.

"As Jesus was walking beside the sea of Galilee, he saw two brothers, Simon called Peter and his brother Andrew. They were casting a net into the lake, for they were fishermen. 'Come, follow me,' Jesus said, 'and I will make you fishers of men.' At once they left their nets and followed him."

That's the account in Matthew 4: 18-20, NIV. You've heard it before. Maybe you've read it a dozen times during your study of the Bible.

Yet, it is surprising how many christians are standing on the shore, watching other fish.

Some of us think we don't have good enough equipment to go our fishing for men. Have we forgotten WHO issues the equipment? Or maybe we think the fish just won't be interested. Yet God promises that His Word will not return void (Isaiah 55:10-11). But Jesus did not call you and me to dream up excuses why we can't be fishers of men. He called us to fish!

If you take a moment to think it, you'll realize that there are people in your world-faces you see every day—who will never see Jesus in anyone but you. That's why it's important that you take time to care...to let Christ's love flow through you...to take a genuine interest in them.

Let's go fishing!

Pesticide regulations are termed unworkable

WACO-The president of the state's largest farm organization Friday called proposed state pesticide regulations "unnecessary, unreasonable, and unworkable."

S. M. True, a Plainview cotton and grain farmer, said existing state and federal regulations on pesticides give adequate protection.

Farm Bureau policy on the subject reads in part, "Regulations governing application of agricultural chemicals must be workable and effective, and should always be accompanied by an economic impact statement proving that they will solve more problems than they create."

True said that the proposals announced Oct. 19 by the Texas Department of Agriculture are "ambiguous" and contain "a number of traps for the unwary farmer or rancher."

"They (the proposals) appear to have been drafted by individuals without a working knowledge of agriculture, or by someone intent on multiplying the problems of farmers and ranchers," True said. "Some one wishing to harass a farmer will find happy hunting in the requirements of these regulations."

True discounted the claim by the TDA that farmers had input in the regulations which the Department has been developing for the past year.

True said that the Texas Farm Bureau, representing 313,000 member families, found out about the proposals "by accident" in August.

On Sept. 20 TFB met with leaders of 20 agricultural groups to discuss the proposals.

"Only three of these organizations knew that TDA was developing these regulations," True said.

"Careful use of pesticides keeps the consumer's food supply safe from rot, worms and rodents," True said. "Consumers demand high quality produce and farmers must have a means of protecting crops from devastation by insects and disease."

True said farmers do not use pesticides carelessly or unnecessarily.

"No farmer or rancher wishes to cause damage to the environment, nor do we want to hurt our employees or the public," True said.

"By complying with existing state and federal regulations, we feel that there are adequate protections in place. As a matter of fact, the Texas Department of Agriculture has yet to present a convincing case for the need for these extremely stringent regulations," he said.

Suburbia

"If it's easier said than done, let's just say it."

McCarley elected to board

Two incumbent directors were re-elected to their positions during the 50th Annual Stockholders meeting of the Sweetwater Production Credit Association held Friday, Oct. 15, at the Scurry County Coliseum in Snyder. Elected for three-year terms were A. K. McCarley Jr., of Colorado City and Sanford J. Boardman of Lamesa.

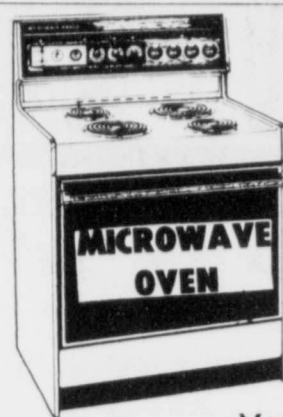

Approximately 277 members and guests attended the meeting from the thirteen county area.

W. J. Harvey Jr., chairman, called the meeting to order: A. K. McCarley Jr., gave the report from the Board and President Jim Hulse presented the financial report. Floyd Ricker, Wichita, Kan., was the guest speaker.

Members elected to serve on the 1985 nominating committee were: Ben Neeper from the Roby office, James Beaver from the Snyder office, H. W. Hancock Jr. from the Lamesa office, Dean Oliver from the Colorado City office, Eddie Odum from the Stanton office and Gary

Pieper from the Sweetwater office. Newly elected chairman of the

board for 1985 is A. K. McCarley Jr. and vice chairman Othell O'Kelly.
