

Bobcats Take Season Opener From Floydada

Dimmitt Bobcats and Bobbies played their first home game Friday night against the Floydada Whirlwinds.

The Bobcats stunned the Whirlwinds in a fast and furious offensive attack to win the game 74-41.

Both teams used man for man defense. The Whirlwinds could not stop the speedy Bobcats as they hit the basket for 19 points during the first quarter. Floydada made 5 points during the first period as Dimmitt defense bottled up the Whirlwinds. Second quarter scoring found Dimmitt with 35 points and Floydada with 15 points. Ending the third quarter, Dimmitt had 51 points tabulated and Floydada totaled only 28. Final play resulted in a 74-41 victory for the 'Cats.

Dimmitt was charged with 14 fouls while Floydada made 16 fouls. Floydada made generous use of jump shots in obtaining their final 41 score. Dimmitt relied on close-in shooting to make several of their points.

Dimmitt defense showed a lot of spring as they totaled 20 rebounds for the game. Offense took 5 rebounds.

Lots of mistakes were made by both teams as this was the first game of the year according to Coach Cleveland.

Dimmitt made 27 out of 48 field goals. This gave the Bobcats a 56 percent average in shooting field goals. Coach Cleveland emphasizes, "This is quite amazing for this time of the season". The 'Cats made 20 out of 36 free throws to average 55 per cent.

High point men for the Bobcats were Jacky Nichols making 19 points, Jim Ratcliff making 15 points, James Cowell making 12 points, and Michael Calvert making 12 points.

"Dirt Banker" to Address Farmers Union Convention

James Welch, president of Castro County Farmers Union says, "Three delegates will be elected this Wednesday night to attend the Farmers Union Convention". Welch will be leaving Monday for the convention where he will serve on the Resolution Committee.

Farmers from every area of Texas will congregate at San Antonio at the Granada Hotel on December 7th and 8th for the 59th Annual Convention of the Texas Farmers Union.

Highlighting the convention program will be the appearance of a Hartington, Nebraska banker, Vincent Emmett Rossiter, who has gained nationwide recognition for his speech made before the Land and People Conference held recently in Denver, Colorado.

In the Denver speech, Rossiter told the conference on Land and People "We must restore the profit level in our basic industry of agriculture and thus the total economy, or we will be unable as a nation to sustain the more than one trillion dollars of public and private debt that presently exists at all levels of the financial system of this country."

Rossiter went on to ask the questions "When all of the farmers and rural townspeople have moved to the city and the last dollar of credit is spent duplicating facilities that are left to rot and decay in the rural areas, what then?"

"What will sustain the economy when the last resource has been shifted and the last dollar of credit used up?"

He went on to answer his own questions, "Then the law of the jungle will really prevail and our theorists will find that all the money that they have accumulated with their efficiency and the shifting of resources isn't very palatable, and they will wonder what happened to the food and fiber that used to be so abundant".

Dimmitt Lions Sponsor Clothing Drive

Citizens, dig out those clothes at 2 p.m. and will last until 5 p.m. clothes on the porch, then the Scout Boy Scouts will pick up the old would not have to bother them at around the middle for Dimmitt clothes at the door." Other members of the Clothing Drive Committee are Jack Rogers, chairman of the Clothing Drive Committee, says, "It would be nice if the citizens would have the and Judge Raymond Wilson.

According to Webb, the clothes will be distributed to the needy at the County Judge's office. Webb commented, "We prefer children's clothes, but we will take anything".

Also, the Lions are asking citizens for old spectacles which will go to underprivileged countries. These spectacles will be picked up with the clothes.

County Suffers Rash of Car Wrecks During Week

'63 PONTIAC, here, belongs to Robinson Motor Company. John Woodson Jones was transporting the car from Tulsa to Sudan for the dealer at Sudan when the accident occurred at the Highway intersection in Nazareth. Woodson suffered a slight injury. See story for details.

Castro County and Dimmitt has been suffering from a large number of automobile accidents during the past week. Approximately 10 wreck wrecks were recorded by officers.

A three-car collision took place at Nazareth, Friday evening about 3:30. A '63 Pontiac driven by John Woodson Jones was headed west on State Highway 86 when George Hoelting driving a '61 Chevrolet pulled out in front of Jones. Hoelting had stopped at a stop sign on Farm Road 168 and was headed west when the accident happened. Hoelting did not see the approaching Pontiac. Jones hit the Chevrolet on the right rear end and spun Hoelting around to hit a '58 Chevrolet which was stopped at the sign headed south. After the Pontiac hit the '61 Chevrolet, Jones lost control and skidded under a semi-trailer truck. Approximate damages to the Pontiac and Chevrolet were \$2500.

The agent trained in Farmer County for three months before taking office, here. She came to Dimmitt during the month of October. Miss Patton received a Bachelor of Science degree this year from University of Texas where she majored in Home Economics and Teacher Education.

She is a member of American County Home Demonstration Association of Texas.

Mrs. Rex Wooten says, "All Home Demonstration ladies and 4-H boys and girls are urged to come and meet Miss Celia Patton".

A car-bus accident happened early Monday morning about 7:50 on Highway 385 seven miles south of Dimmitt. The wreck involved a '59 Chevrolet school bus driven by Claude Barlow and a '54 Mercury driven by Mike Goodwin. Barlow was starting to make a right turn onto a county road when Goodwin failed to see the bus and hit it on the left rear corner with the right side of his car. Visibility was poor due to a fog. There were four children on the bus. Only injury sustained was Mike Goodwin who had a gash under his eye. The car was totally damaged and the bus had approximately \$200 damage.

A '57 Chevrolet pick-up driven by Gordon Lewis Click was side-swiped at 4:15, last Wednesday evening when Jose Flores driving a '54 Ford attempted to pass. The accident happened about four tenths of a mile north of Hart on Farm Road 168. Damages to the pick-up were \$25 and Flores' car had \$200 damages.

Another Wednesday evening accident occurred at 5:25, two miles west of Nazareth on State Highway 86. Pedro Tenorio of Hart was driving a '58 Ford which hit a cow. The cow had to be shot. About \$200 damages were recorded for the car.

Freddie James Lilley was driving a '63 Ford pickup, west on a dirt county road 14 and four tenths miles southeast of Dimmitt when he also collided with a cow. This accident occurred at 6:40 p.m., Monday evening. Damages were \$200.

(Continued on page 12)

Get Acquainted Tea Is Planned For Miss Patton

Miss Celia Patton, Home Demonstration Agent will be honored Wednesday afternoon, December 5 from 3 to 5 in the Community Room of the First State Bank with a Get-Acquainted tea.

The agent trained in Farmer County for three months before taking office, here. She came to Dimmitt during the month of October. Miss Patton received a Bachelor of Science degree this year from University of Texas where she majored in Home Economics and Teacher Education.

She is a member of American County Home Demonstration Association of Texas.

Mrs. Rex Wooten says, "All Home Demonstration ladies and 4-H boys and girls are urged to come and meet Miss Celia Patton".

Operation Christmas Greetings

"Join Operation Christmas Greeting this year and send a more permanent greeting than a tinsel card," urges Jack Summers, president of the Dimmitt Cemetery Association.

This year the Dimmitt Cemetery Association is sponsoring a drive for Castro County Memorial Gardens. Instead of sending Christmas cards, a large number of people deposit money they would have spent on cards in the First State Bank of Dimmitt. The names of these contributors are printed in the Castro County News underneath a Christmas greeting worded to all the people of Castro County. Deadline for making the contributions will be Tuesday noon, December 18.

With the money received from "Operations Christmas Greeting", the Cemetery Association plans to repair fences, use it on general upkeep and make other improvements.

Firemen Called For Two Fires

Dimmitt firemen stayed busy during the first part of the week as they answered two alarms.

A farm hand home located six miles east and onemile south of Dimmitt was the scene of a Sunday afternoon fire. The house belonged to W. C. Dobmeier of Nazareth. It caught fire about 2:30 p.m. and was a complete loss.

A garage caught fire early Monday morning on 104 NW 4th. Firemen believed the flames were caused by electrical equipment which was set off by a hot water tank. Damages were not extensive.

Infant Son Passes Away

Graveside services were conducted, Thanksgiving Day for the infant son of Mr. and Mrs. Ted Strange. The baby boy passed away at birth in the Tulsa Hospital.

Marion B. McKinney, minister of Bedford Street Church of Christ, officiated at the services which were in Silverton at 10 a.m.

The Stranges have two other children, Debbie and David. Ted Strange is employed at the Hunter Glen.

Hart Lions Club Awards Pyeatt "Man of the Year"

Roy Pyeatt was named "Man of the Year" at the Ladies Night of the Hart Lions Club, Monday night by Rev. Dintel Leonard, Lion Chaplain.

Pyeatt received an award for his outstanding civic service. He has worked with the Boy Scouts for 19 years. In May of 1955, he received the Silver Beaver Award. He is a member of South Plains Council Board of Boy Scouts, District Board, District committee, and the neighborhood commission, all concerning Boy Scouts.

Pyeatt has served as president, first vice-president, second vice-president and Board member of the Lion's Club. He is now serving on the Membership committee.

He is a member of the Church of Christ where he has served as trustee and treasurer. Pyeatt was married to Eula B. Oliver in Chillicothe in 1932. Mrs. Pyeatt teaches school in Tulsa. They have one daughter Royce Lynn. She is now Mrs. Melvin McMennary of Plainview and has two daughters. The Pyeatts have lived on their farm 3 miles north of Hart since moving to Castro County in 1939.

PUBLIC NOTICE

Rebekah Sunday School class of the First Baptist Church will have their Christmas party, Monday night, December 3 at 7:30 in the home of Mrs. Roy Cluck.

Two Suspects Are Arrested For Robberies

A juvenile arrested in Dimmitt by officers and another boy who is still at large have been charged with two theatre robberies and a stolen car.

The boys stole a '58 Chevrolet from Dub's car lot in Dimmitt on Friday night according to W. W. Jones.

Hereford reported the break-in of a theatre also on Friday night. The same two boys were involved. They climbed on the roof of the theatre where they gained entrance through an air-conditioner.

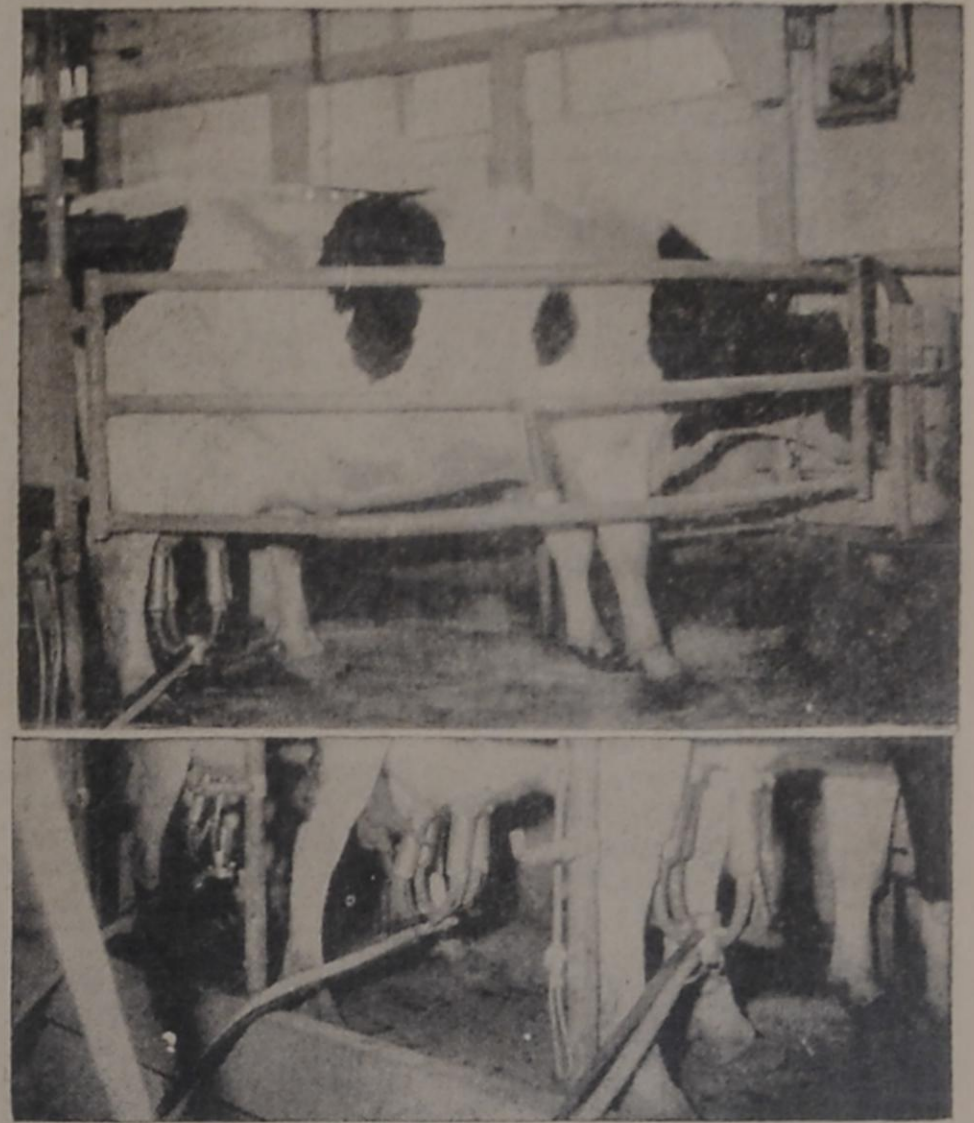

Following the robbery the two boys went to El Paso and crossed over into Old Mexico. They returned to Dimmitt where late Saturday night, they broke into the Dimmitt theatre.

Carlie, owner of the show, reported the loss on Sunday morning. The boys had broken the lock on the back door to gain entrance. Inside, they jimmied the office door and broke open cabinet doors searching for money. They attempted to open the Niggerhead safe but were unsuccessful.

Total damage to both theatres was \$204.35 plus 12 cigarette cartons. The juvenile has been turned over to the juvenile authorities. Other boy's identity is known according to officer Jones.

Presbyterian Women Open Bazaar, Dec. 1

A bazaar will be conducted by the Presbyterian women in the Community Room of the First State Bank, Saturday, December 1. The bazaar will open at 9 a.m. and close at 5 p.m. Features to be sold will be Christmas decorations, handmade gifts, toys, pictures, and homebaked food.

GIVING FORTH RICH MILK are these purebreds Holsteins who belong to the Simpson brothers. They milk about 65 cows, three times a day. These electric milkers save time for four cows may be milked at once. Milk is transported directly from the cow into a pipeline where it flows into a cold 500 gallon bulk milk tank. The milk is not touched by human hands. Also, a part of the Herring Bone Milking Parlor is shown here. See story for details. —Staff Photo

Grade A Milk Requires Plenty of Hard Work at Simpson Dairy

by Nelda Thomas
"Here son, take this money and run down to the store and get me a 1/2 gallon of fresh Grade A, homogenized milk," spoke the mother.

Easy enough, a short trip to the store and the son obtained a fresh wholesome drink for the entire family. This purchase was made without a thought to the work which was required to produce such milk.

The Simpson brothers who live about 8 miles north of Dimmitt on Highway 385 can give a behind-the-scenes story of the Grade A milk carton on the market. These brothers, Bob and M. L. are owners of a Grade A dairy. They have been operating this business for 10 years.

The brothers have a total of 75 purebred Holstein dairy cows from which is taken rich creamy milk. They are milking about 65 cows at the present time. Their calf herd runs approximately 30 to 35. These calves are used for replacing cattle which are sold or culled out. Low production and old age are the main factors considered in culling the cattle.

A purebred Holstein bull completes the dairy cattle owned by the brothers. A two-year old full sister of the bull produced a state record in 1961. She produced 23,000 pounds of milk in '61.

Milk production at the Simpson brothers this year runs 2500 to 2600 pounds per day. One year ago, they had a cow which produced 93 pounds of milk per day for one month. This averages 11

gallons a day. They have several cows which give 9 to 10 gallons per day when first fresh. Average cow produces for about 10 months. All milk in this area is produced for Grade A consumption according to Bob Simpson.

At this time of the year, the brothers are milking three times a day. September through December is base period. During this fall season, the milk produced determines the price paid in the spring. More milk is produced in the spring. So the brothers are increasing fall milk production by milking three times a day in order to increase the price of milk in the spring.

Funeral Services Conducted For Mrs. L. Blodgett

Mrs. L. Blodgett, 80, passed away Thursday night at 8:30 in Wellington Hospital in Kansas. She is the mother of Mrs. Ross Summers, 606 W. Grant.

Funeral services were conducted, Saturday morning at 10 in the Livingston Mortuary in Wellington, Cemetery at Kingman, Kansas.

Mrs. Blodgett was born February 1, 1879 in Highland, Kentucky. She is survived by a daughter, Mrs. Ross Summers of Dimmitt and a son, R. E. Blodgett of Wellington, Kansas.

"NOUN, PRONOUN, OR ADVERB," asks Mrs. Margaret Lacy, language arts teacher in Hart Junior High School. She is a native of Fort Sumner, New Mexico. Mrs. Lacy is a graduate of Clovis High School and West Texas State College where she received her B.A. degree. She attended McMurry College her freshman year. The teacher majored in English and took her minor in Spanish. She taught three years in High School at El Paso. Her husband, Bob is a farmer in the Hart area. They have Debbie who is four and Robert, Jr. who is two. Mrs. Lacy names her special interests as bowling and coin collecting. She chose teaching because "I thought it would be interesting and I like to work with kids." She teaches two sections of the 6th grade, reading and spelling. She teaches 7th and 8th grade language arts. The teacher is a member of TSTA. —Staff Photo

'63 Feed Grain Program Discussed

(Delayed from last week)

The program follows the general outline of those for 1961 and 1962, but details differ considerably. It like the others, offers price supports and payments to farmers who retire at least 20 per cent of their feed grain acreage.

The purpose of the programs is to help reduce feed grain surpluses.

Under the 1961 and 1962 program price supports were offered as loans or purchase agreements on grain withheld from the market or use. But in 1963, the price support will be a combination of storage loans or purchase agreements and payments.

The full amount of the 1963 price support is the same for corn and barley as this year—\$1.27 and 95 cents a bushel. But the sorghum grain support was set at \$1.88 a hundredweight, down 2 cents from this year.

But under the new program, 18 cents of the corn support, 14 cents of the barley and 29 cents of the sorghum grain support will be made in direct payments to participating farmers. The support payment will be made on the normal production of the acres kept in production even though the farmer does not take advantage of the storage loan.

Some farmers feed their grain to livestock and some sell it to

other feeders or the grain market. Others store grain under the loans.

These payments are not to be confused with those made on grain land diverted from production. As was the case this year, farmers must idle at least 20 per cent of their feed grain acreage. The maximum they may divert is 50 per cent of their feed grain acreage or 25 acres, whichever is the larger.

But the acreage diversion payments differ from this year. Under the 1963 program, payments on the first 20 per cent of the feed grain acreage diverted will be made on the normal production of the idled acres at 20 per cent of the county price support rate on the particular grain land affected.

But this year, the payment on the first 20 per cent of the land diverted was figured at 50 per cent of the county support rate.

Under the 1963 program, the diversion payment on land diverted in excess of 20 per cent of the feed grain acreage will be 50 per cent of the price support rate compared with 60 per cent under this year's program.

This year's program limited price support storage loans to the normal production on the land kept in production. Next year all grain actually produced will be eligible for support storage loans.

In another change, next year a farmer must divert the total acreage he signs up to divert or lose all payments and supports. This year, he had a right to change his mind and divert less than he originally agreed. He got payments and supports on his final plantings.

Ivey Appointed To Local Draft Board for County

Eugene L. Ivey of Dimmitt has been informed that he has been appointed a member of local draft board No. 18 at Hereford to represent Castro County.

Mr. Ivey was appointed by President Kennedy after being recommended by Governor Price Daniel. He was advised of his appointment by Colonel Morris S. Schwartz, state director of Selective Service. "I am sure your membership on this board will reflect great credit to your self and the Selective Service System of Texas," Colonel Schwartz wrote Mr. Ivey.

Local Board No. 18 has jurisdiction over Castro, Deaf Smith, Parker, and Randall counties.

Ladies' Auxiliary Have Regular Monthly Meeting

(Delayed from last week)

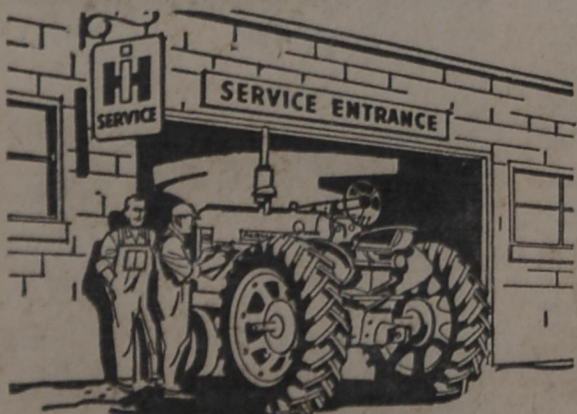

Dimmitt V. F. W. Post 8056 Ladies' Auxiliary met in their regular monthly meeting, November 13th with ten members present. Two new members were installed.

The motion was made that the group meet at 7 p.m. instead of 8 p.m.

The Auxiliary decided to have a bake sale on the second Saturday of each month.

The date was decided for the Christmas party to be connected with the Post and Secret Pal Club. The party will be in the home of Mr. and Mrs. J. B. Farris, December 11 at 8 p.m.

Larry Don Phelan is a member of the FFA Junior Chapter Conducting Team that won firstplace in the Muleshoe Leadership Contest last Saturday.

Mr. and Mrs. John Bridges and boys of Earth visited Friday afternoon with Mr. and Mrs. Howard Bridges.

Mr. and Mrs. Raymond Haydon of Weatherford visited Friday and Saturday with Mr. and Mrs. Eddie Haydon and family, Mr. and Mrs. Milburn Haydon, Mr. and Mrs. Buford Haydon, and Mrs. and Mrs. Howard Bridges. They were supper guests of the Bridges Friday night.

Mr. and Mrs. Weldon Bradley and Molly visited in Muleshoe Saturday afternoon with Mr. and Mrs. Raymond Green.

Mr. and Mrs. R. Sanders and family of Levelland visited with Mr. and Mrs. Duard Harris and family and Mr. and Mrs. B. M. Fincher and family Saturday night.

Mr. and Mrs. Tom Messer and Bart of Lubbock spent Saturday night and Sunday with Mr. and Mrs. Alton Louder and Doug. Mr. Lowell Westmoreland and girls visited with them Thursday afternoon.

Rev. and Mrs. M. D. Durham and Marvalynne visited in Dimmitt Saturday night with Mr. and Mrs. Ernest Sandel.

Rev. Roy Ferguson of Twin Falls Idaho arrived Saturday afternoon for the School of Missions. He will be a houseguest of Rev. and Mrs. M. D. Durham. He was the guest speaker for the Sunday morning worship service. Mr. Roy Phelan took him to Frio to speak in their church Sunday night. Rev. Boyd Robertson on furlough from Argentina spoke in the evening service. Mr. Gene Ivey of Dimmitt brought him out to the services.

Mr. and Mrs. C. H. Morrow of Dove Creek, Colorado visited Sunday with Mr. and Mrs. John Spencer.

Mr. and Mrs. Calvin Lippard and Dana spent the week-end in Amarillo with his brother and family. Mr. and Mrs. Cecil Curtis, Don and Debbie visited in Slaton Sunday with Mr. and Mrs. Bill Baker and son.

The father-in-law of Mike McGill was badly burned in an accident at an Olton Gin Sunday afternoon. He was admitted to a Plainview Hospital but no details are known at this time.

68 attended Sunday School with 38 in Training Union Sunday.

From ½ inch of rain in the south to about 1 inch in the north part of the community was received Sunday night. Some cotton stripping was carried out this week but not a full scale and most of it was still too green for a good turnout.

HOLIDAYS VISITORS

Visitors in the George Blanton home on Thanksgiving day were: Mrs. Morris Kimbell, of Carthage Mo.; Mr. and Mrs. Boyd Kimbell of Portales N.M.; Mr. and Mrs. Gene Kimbell and Merlin of Plainview; Mrs. Ola Lankford of San Antonio; Mr. and Mrs. J. A. Savage of Plainview; Mr. and Mrs. Virgil Bills and Richard of Amarillo who are brothers and sisters of Mrs. Blanton. Other visitors were: Mr. and Mrs. James Savage, of Plainview; Mr. Elbert Savage, Kress; Lanette Blanton of W.T.S.C. Canyon. Mr. and Mrs. G. L. Blanton Sr. Dimmitt. Mrs. Hattie Simpson of Fort Worth and Dr. and Mrs. Mayes Miller of Dimmitt.

WEEKEND VISITORS

Mr. and Mrs. Jack Hodges and children of Amarillo and Kent Hance of Texas Tech, Lubbock spent last weekend with their parents, Mr. and Mrs. Raymond Hance. Kent had as a guest Friday, Bob Rippey of Dallas and Sunday a friend from Dalhart, Ed Craighead.

WEST TEXAS STATE CONCERT CHORALE

WT Concert Choral Will Perform, Here

Dimmitt High School students will hear a concert Monday (Dec. 3) at 1:30 p.m. by the Concert Choral of West Texas State College, a group which annually tours Panhandle area schools presenting pre-Christmas programs.

The Choral, made up of 44 singers selected by audition, and the

Grand Choir, a 90-voice groups, are directed by Dr. Houston Bright. The large chorus will open its concert season Sunday at St. Paul's Methodist Church in Amarillo, and will appear in three programs in Canyon prior to Christmas.

The group will also appear in Hereford Monday, and will appear in Lubbock and Plainview, Tuesday, Wednesday in Dumas and Dalhart, Thursday in Gruver and Perryton, and Friday in Canadian, Phillips, and Pampa.

Repertoire for the Christmas season concerts will include liturgical music, contemporary choruses, Christmas music, and novelties and popular music.

The versatile choral group is conducted by a versatile Dr. Bright who has been at WT since 1940. After receiving his Ph.D. degree at the University of Southern California, Dr. Bright returned to W.T. where he organized the A Cappella Choir and other choral groups. Dr. Bright is a member of the American Society of Composers, Authors, and Publishers, for which he was sponsored by Fred Waring.

Recently he was a guest conductor at one of the Fred Waring Workshops in Delaware Water Gap Pa.

A prolific composer of choral, piano, band, and instrumental music, Dr. Bright will conduct a number of his own selections for the concert tour. Among these will be his liturgy, "De Profundis (Psalm CXXX)" and "Sailor's Alleluia."

DUBLIN TRIP
Miss Molly Grisham and Miss Bernice Littlepage spent the holidays in Dublin.

The American Flag

Last Monday, a seemingly unforgivable blunder was made by our self-appointed flag-raisers. The flag came to a final rest atop the pole upside-down. The blunder was assumed to be an intentional mistake upon their part as they were asked if they knew it was upside-down.

The intended blunder was by no means a practical joke. The accused had adequate excuses for the mistake.

Just how many of you look at the American Flag each morning to see if it is still flying? One morning you may look at a much different flag flying if there is a flagpole from which to fly it.

Communism is patiently waiting for the generation that takes their freedom too much for granted and also when an individual thinks that his freedom is the least of his worries. Keeping your freedom does not take what it took to get it years ago. Pride in and loyalty to America will keep freedom alive; not the exaggerated want for power by the individual. Each individual has the right to make what he wants of himself, so long that he stays within the interpretation of that right.

The American Flag will probably never be flown upside down again at Dimmitt High, but it was a much better sight than Communism flags or no flags at all, wasn't it.

The Naked Communists

"The conflict between Communism and Freedom is the problem of our time. It overshadows all other problems. This conflict mirrors our age, its tensions, its troubles, and its tasks. On the outcome of this conflict depends the future of all mankind." George Meany.

The Naked Communist was written by Skousen. He was one of the main speakers when the television networks presented program about Communism.

This book is the best in the library.

Around The Campus

The Thanksgiving holidays were enjoyed by everyone, I am sure, but for different people there are different reasons. Let's find out. Why did you enjoy Thanksgiving? Glenda Minchew - I got to run Pat Odom - Sleeping late and not going to school.

Kaye Williams - I enjoyed them but they were too short.
 Pam Dollar - Because I went to two slumber parties.
 Sharon Odom - I got to see Lynn Kitty Robinson - Because Susan was here and Aaron came home.
 Tom Bob Moss - I didn't I don't like turkey and dressing.
 Miss Littlepage - I slept late every morning and drank coffee with my home town friends. Also I didn't have to worry about the annual. Cheryl Walker - No lessons.
 James Rials - Going Goose hunting.
 Jerry Morris - The night life.

Bobcats Battled The Whirlwinds With A 74 To 41 Victory

The Dimmitt Bobcats started their basketball season off with a bang Friday night when they defeated the Floydada Whirlwinds 74 to 41.

Jacky Nichols was high point man for the Bobcats with 19 points. Cosely trailing, Jim Ratcliff scored 15 points and Michael Calvert with 12 points. The Whirlwinds high scoring men were J. Gilliland scoring 10 points, and Moore, scoring 7 points.

The Bobcats also scored a 57 percent average to the Whirlwinds 47 percent.

The Bobcats "B" team came out victorious when they scored 41 points to Floydada's 39. Landol Frazier was the Bobcats high point man with 10 points. Next came Dickie Dyer with 9 points. The two high scoring Whirlwinds were Ronnie Tucker and David Lutrick both with 14 points. The Bobcats had shot average of 62 per cent to the Whirlwinds 75 per cent.

The Bobcats will play Borger Tuesday night in the Bulldog gymnasium.

Teacher of the Week

There are many great orators in the world. One of the greatest, Daniel Webster, was born in the United States. The following is from one of his greatest commemorative speeches. The selection is, "The Landing at Plymouth."

Sir, I must say a word in connection with that event which we have assembled to commemorate. It has seemed fit to dwellers in New York, New Englanders by birth or descent, to form this society. They have formed it for the relief of the poor and distress, and for the purpose of commemorating annually the great event of the settlement of the country from which they spring.

In the Dimmitt High School, there is a teacher who is also an orator. He is James William Bates. He is a teacher of speech in high school and speech therapy in the North Grade School.

Mr. Bates was born in Childress, Texas. He married Miss Lavene Hutchison on December 22, 1949, at Canyon, Texas. Mr. Bates attended college at West Texas and holds the B. S. and M. E. degrees. He moved to Dimmitt in 1950.

There is one thing that Mr. Bates does not like, students who do not apply themselves according to their abilities; therefore, becoming an insult to their intelligence.

In these troubled times of the Twentieth Century, the people of the world have to be on the lookout for wrong doings. Likewise, the citizens of the United States have to watch for people who plan to harm our liberty and way of life.

Americans take heed to this saying of Daniel Webster. "God grants liberty only to those who love it and are always ready to guard and defend it."

Student Senate To Run For State Parliamentarian

The Student Senate of Dimmitt High School has decided to run for parliamentarian of the Texas Association of Student Councils. The cost for the campaign is approximately two hundred dollars.

Holding this office, along with being a great honor, would bring a great deal of recognition to Dimmitt High School and to Dimmitt.

"Senior of the Week"

On May 24, 1944, Janet Hathaway was born to Mr. and Mrs. Edd Hathaway in Clarksville, Texas.

In the movie world Janet chooses Troy Donahue and Doris Day as her favorite actor and actress. In movies she enjoys "Gone With the Wind".

In the line of music she likes Ricky Nelson's songs, and says "I Could Have Danced All Night" is her favorite song.

Janet preference in cars is a Chevrolet. In colors she likes metallic blue. But when it comes to eating, she enjoys barbecued chicken.

Janet is active in high school by participating in F.H.A. and Pep Club.

Janet plans to get married after she graduates.

CAMPUS CHAT

Bounce, bounce, bounce goes ball. Up and back down again, right through the goal to give good ole D. H. S. two more points. It was sure exciting to go to our first home basketball game of the season. Those seen clapping and giving Bobcats were: Lynda Dodd and Jimmy Campbell, Mary Graham and Kent Gabel, Susan Youts and Michael Calvert, Kaye Williams, and Mack Thompson, Carlanne Calvert and Gary Morrison, Sherry Robinson and Aaron Hutto, Penny Pennington and Jerry Morris, Beverly Jones and George Wall, Judy Ranson and Robert McLean.

Saturday was her before I knew it and I could hardly believe my eyes when I looked to see who sitting beside me at the show. It was none other than the gang, Kristie Webb and Gerald Summers. Judy Ranson and Craig Fuller, Georgene Blanton and Glen Booser, Mary Graham and Kent Gabel, Lynda Dodd and Jimmy Campbell, Sharon Odom and Lynn Cox, Sherry Lilley and Mike Goodwin, Nancy Crol Hays and Kent Hance, Arlene Reid and Gene Bradley, Eva Giles and Larry Scoggin, Deann Wilson and David Shannon.

Sunday was a very peaceful day. Everyone was trying to recuperate from the long week-end so they would be rested before going back to school. Even though they were tired it didn't keep Glenda Minchew and Lynn Campbell, Sandra Schreck and Jim Cowser, Linda Schreck and Mike George, Kristie Webb and Gerald Summers, Evelyn Waggoner and Tommy Nichols, Nancy Carol Hays and Pasco, Lynda Dodd and Jimmy Campbell, Sherry Lilley and Mike Goodwin, Linda McCollum and Jimmy Killingsworth, Arlene Reid and Steve Wesson, Eva Giles and Larry Scoggin, Judy Mooney and David Shannon—from paintin the town RED!!

All the kids of Little "D" were very happy to have Connie Goodwin, who is now from El Paso, Susan Youts, who is now from Waco, and Robert McLean, who is going to military school in San Antonio, visiting over the holidays. We surely did enjoy their short stay.

Bobbies Defeated In A Thrilling Two Minute Overtime

The Dimmitt Bobbies came up against the Floydada Whirlwinds here Friday for the second game of the season for them.

The Bobbies fought hard. When the final buzzer sounded the score was 59 to 59. A two minute overtime was played, at the end of the overtime the score was 63 to 61 in Floydada's favor.

High pointer of the game were: LaDawn Kemp with 36, Ina Messenger with 25 and Linda McCollum with 10 for the Bobbies.

High pointer for Floydada Jane Alexander with 33 points to lead them to their victory.

For the Bobbies opening game of the season they traveled to Abilene. The B team defeated the Abilene B team by 34 to 34. The varsity held Abilene's varsity for a slim 55 to 54 victory. Both teams had a victorious opening night. High pointer for the Abilene team was La Dawn Kemp with 32 and Ina Messenger with 16.

The Bobbies next game will be with Claude in the W. T. tournament Friday night at 9:15.

Student Senate News

The Student Senate met November 21, with Mike Burkett presiding.

Mike discussed the running for a state office. It will cost approximately \$200. The state association pays all additional fees for those who are elected. If Dimmitt is elected, the Student Senate will be able to send a delegate to the National Convention. They will also be required to send a representative to the summer workshop.

To begin the campaign early, the Student Senate plans to write letters to the schools in the Texas Association to inform them of Dimmitt's aim, and solicit their votes. There are 550 members.

An evaluation of the S.P.A.S.C. convention at Seminole was given. It was as follows:

1. The entertainment provided was good.
2. There is a need for new discussion of group topics.
3. A genuine effort should be made to obtain a good speaker.
4. The meeting should begin by something other than singing.
5. The letters announcing he date of next year's convention should encourage the schools to run for an office and send more delegates.

Georgene Blanton then read a letter from Hereford commending the Dimmitt Student Senate for their appreciation letter.

Personality of the Week

On March 5, 1946, in Amherst, Texas, Mr. O. A. Oldham was passing out expensive imported cigars.

Many of his friends ask him why he was passing out such expensive cigars. Mr. Oldham replied that he had a special brown haired, green eyed boy whom they had named Eugene.

The Oldhams were very proud of the birth of their son but now they are even prouder since Eugene has grown up to be a junior in high school and is a member of F.F.A. and the football team. Eugene enjoys reading books. If you are stuck up you are a pet peeve of Eugene.

His favorites are: color - blue car - Chevy

Food - Mexican food movie - "Comancheros" actress - Doris Day actor - John Wayne singer - Ricky Nelson song - "Shelia"

After Eugene graduates next year, he plans to attend college and become a rancher.

If You Are Not A Communist Attention !!!

One of the first things stated in the Constitution's Bill of Rights is the right of assembly. As the students of Dimmitt High School used that right last Wednesday they began to realize what was about to happen.

Olvis Spencer presided over the assembly and the assembly began by the pledge of allegiance to the Flag. Then Kathy Gollehon led the student body in two songs—"America the Beautiful" and "Come Ye Thankful People, Come." Once Again Olvis Spencer took over and introduced to the student body the speaker for the assembly Mr. Owens, pastor of the Lee Street Baptist Church.

Mr. Owens gave the students really something to think about. He brought up the points that we should not use Thanksgiving holidays for "just getting out of school" but that we should pause and really thank God for home and family, clothing, food, our country, and the church of our choice.

He also brought out the point that to fight Communism we must first train your hearts and then train your minds.

Bro. Owens believes America is God's last hope, and that it is up to America and its people to fight and overcome Communism with Christianity. He based this point on a quotation—"America is the last, best hope of earth."

New Faces

Dimmitt High has two new teachers. What are they doing here? Practicing.

Teaching. Well, well, whatayayaknow! Who are they?

They are Mrs. Joan Scott and Mr. Gary Wyatt.

Mrs. Scott is helping Mrs. Shackelford teach typing, bookkeeping, and shorthand. She will be here nine weeks. She arrived Monday, November 19, 1962.

She has a degree in secretarial administration from Eastern New Mexico University. She is going to West Texas State College to get her teacher's certificate for Texas.

Mrs. Scott lives in Hereford and has a little girl, five years old.

Mr. Wyatt is also attending West Texas. He will be here nine weeks helping Mr. Bates teach speech.

His major in college is drama. He is a member of several organizations. He was president of Alpha Psi Omega, a national honorary dramatics fraternity, on the student staff in the speech department, teaching make-up and stagecraft, directed four three-act plays in the past three years. These plays were major productions.

Mr. Wyatt is a graduate of Dimmitt High School.

Mrs. Scott and Mr. Wyatt, we hope your stay in Dimmitt will be pleasant and profitable.

North Grade News

The eighth grade girls had their first basketball game, November 26, with Muleshoe. The game is here at six o'clock.

The Y. A. C. went to the bank last Tuesday, November 20. They were taken on a tour through the bank.

The Science Club had a meeting Tuesday, November 20. One of the students gave an experiment in which he made hydrogen.

The North Grade had an Open House, November 20.

The Student Senate members served coffee and cookies to the visitors. The fifth, sixth, seventh, and eighth grade girls P. E. classes put on a tumbling show.

Good citizens for last week were: 5th - Becky Sanders and Perry Graham

6th - Judy Arnold and Don Ott

7th - Mary Lynn Hays

8th - Charles Summers

South Grade News

Thanksgiving has come and gone, but it will stay in the hearts of the young. At least it will in Mrs. Reisdorph's third grade room. The two of her students for Thanksgiving:

Dear Mrs. Reisdorph:
 I am glad and thankful that we had no war. In a war thousands of people would be killed. I thank my God for giving the Pilgrim's a brave body. President Kennedy didn't want war. I give thanks to God for Thanksgiving. I am thankful for my home, my father, and mother. I am thankful for America and thankful for Columbus. And thankful that the Russians didn't bomb us.

Pat

Dear Mrs. Reisdorph:
 I am thankful for that we didn't have a war. That Russia didn't bomb us. We should be thankful that the Pilgrims came to America and that they made friends with the Indians.

Were You Thankful?

Three hundred and forty two years ago our forefathers landed at Plymouth Rock. Because they were Separatists who wanted to set up a church whose beliefs were contrary to those of the Church of England, they were persecuted, imprisoned, and finally driven out of England. A small group of these people fled to Holland where they free to worship as they wished. Others followed, and finally a small group broke away and sailed for America.

After landing at Plymouth Rock, they set up their colony and began raising their crops. Because their crops were abundant, they held a harvest festival thanking God for His blessings and goodness. A day was set aside annually for this purpose, and this is the reason is celebrated in the fall.

Today, we are living in a world of governmental and political unrest. We should be extra thankful that no harm has come to our country, and for all the blessings it enables us to have. The world situation is in the hands of our maker, not Kennedy or Khrushchev.

This is why we should be thankful each day of the year, not just at Thanksgiving. We have so many things to be thankful for that each night of the year a new one could be found.

District F.F.A. Banquet

On November 19, 1962, the annual F.F.A. banquet was conducted in the Floydada cafeteria. The Dimmitt chapter attended the banquet with their sweetheart, Miss Carlanne Calvert. Carlanne was entered in the contest for district sweetheart. She was in the top five out of fifteen girls in the area.

Bobcat Band Makes A-I

The Dimmitt Bobcat Band home a first division rating from the Region I marching contest at Lubbock Tuesday, November 20.

The comments given by the three judges were: "Good looking band that marches with lots of spirit. Band has a tendency to let down on ends of phrases. Cornets force at times. Watch posture and carriage for better alignment. Band gets a big full sound. Not many 'loafers' in this group. Very good band that shows excellent training". M. B. Montgomery.

"I expected to see and hear a good performance from this band and I was not at all disappointed. Congratulations" James Jacobson.

"Good sound-neg to release accents notes together. Drums tend to be a little loud at times. Nice job on pin wheels. Good sharp pivots. Band is well drilled. God with this fine sound I'd suggest a little more use of dynamic contrast in playing. A real fine band. It was a pleasure to see and hear you perform. Congratulations." Ted Grager.

After the contest was over, the band parents treated the members of the marching band to supper at Furr's Cafeteria.

Many of the members of the Dimmitt chapter attended the banquet. The ones attending were: Glen Booser, Mike and Dubby George, Wayne and Rusty McClenney, Kerry Stuve, and Tommy Gross.

Glenn Booser and Wayne McClenney were selected to represent the chapter on the voting committee.

Champlin L.P.G ENGINE OIL

THE BEST LUBRICATION FOR ALL L-P-G ENGINES!

The rapidly growing use of L-P-G engines calls for a lubricating oil with special qualities. Champlin L-P-G Engine Oil is especially designed to meet these exact needs.

Champlin L-P-G Engine Oil has a special detergent factor that keeps L-P-G engines clean under all operating conditions, removing and preventing engine deposits. It gives extra protection against oil thickening. Special oxidation inhibitors insure free-flowing lubrication. It provides a tough oil film between all moving parts under all pressures and all temperatures. Choose Champlin L-P-G Engine Oil for safer, more economical operation.

MRS. T. S. BUCKMASTER picked the lucky number when she chose 13 at the Piggly Wiggly Instant Buck contest. She returned to the store with the winning combination of three pigs on her Instant Buck Ticket. She was allowed to pick which coin she wanted in the jackpot. She counted to number 13 and when the coin was taken off the cardboard, Mrs. Buckmaster possessed \$1000. She is the first \$1000 winner in the area. This surprise came Saturday morning. Manager Butch Finley is presenting the \$1000 to the lucky winner.

Staff Photo

County Records 18 Accidents For October

The Highway Patrol investigated 18 rural accidents in Castro County during the month of October according to Sergeant W. E. Wells Patrol Supervisor of this area.

These wrecks accounted for five persons injured and an estimated property damage of \$10,705.

The rural accident summary for Castro County from January through October of 1962 shows a total of 69 crashes. As a result of these crashes there were 5 persons killed and 34 persons injured. Estimated property damage amounted to \$46,583.00.

Citizens are on the threshold of December which signals the start of Holiday season and the cold grim "Traffic Facts." During the last five years there has been a total of 11,902 traffic fatalities in Texas. Of this total 2,354 or 20 per cent were killed during the month of November and December. For the year thus far there has been 1,841 traffic fatalities as compared to 1,766 for the same period of 1961, an increase of 75 or 4 per cent with deadly December yet to come.

"These cold grim traffic facts alone are a challenge for every responsible citizen throughout this state to join in an all out effort to stop this needless tragedy this Holiday Season. This can be done by obeying all traffic laws and being a defensive driver; that is, be prepared for the unpredictable actions of the other driver," stated the veteran Patrol Supervisor.

ROBERTSON CIRCLE MEETS

The Robertson circle of the First Baptist Church met Nov. 20th, for Circle meeting, with Mrs. Cecil Curry.

Mrs. Leland Smith, Circle chairman presided over the meeting.

The minutes were read and approved.

A financial report was given.

A report on the program for the week of prayer was given.

A report on the program for the week of prayer was given by Mrs. James Autry, prayer chairman.

The prayer Calendar was read community missions report was given and visitation and enlistment was encouraged by our W.M.S. president Mrs. E. C. Hopson.

The program entitled "World Awareness" was presented by Mrs. Curry program chairman.

Assisting with the program were Mrs. James Autry, Mrs. Troy Kirby, Mrs. Turner, Mrs. Johnson, Mrs. Tate, Mrs. Smith and Mrs. Broadstreet.

Forty-four members attended.

The meeting was dismissed with prayer.

Mr. and Mrs. Raymond Hance spent Thanksgiving in the home of their niece, and family, Mr. and Mrs. Leon Williams at Lorenzo.

James F. Sullivan, Assistant to the Administrator, R.E.A., USDA, will appear on the convention program during the Friday morning session.

All Star Ravens Meet Olton, Here

(Delayed from last week)

All Star Ravens of Dimmitt begin their second year of playing as they meet Olton, November 24th, here. They will be playing in the High School gym at 8 p.m.

The team organized last year with ten players. They played Hereford with 52-50 as the final score in favor of the Ravens. Littlefield beat them 24-22 last year. The Ravens played Hereford again to win 66-32. When the Ravens met Littlefield for the second time, they were prepared and won 20-10. Last game of the season was against Hereford where the Ravens won 25-24. At the end of the season, the Raven's standing was 5 wins and 1 loss.

Abram Lee Chavers, 25, former player will be coaching the Ravens this year. Managers are Bobby Joe Frison, 14, and Ray Walker, 15.

Players for this year are: Jimmy (Jim Tucker) Chavers, capt. weighing 179 lbs. and playing forward; Garrison (Happy) Sanders, 18, weighing 150 lbs. and playing left guard; Lee Edwards Chavers, 22, weighing 170 lbs. and playing post; Homer Williams, 19, weighing 150 lbs. and playing forward; Cager (Postman) Ward, Jr., 15, weighing 122 lbs. and playing forward; Curtis (Castro) Ward, 18, weighing 172 lbs. and playing guard; Robert Walker, 18, weighing 120 lbs. and playing guard; J. D. Jacob, 19, weighing 171 lbs. and playing left guard; Charles Lee (Charlie Brown) Ward, 20, weighing 132 lbs. and playing right guard; and Jimmy Earl Walker, 17, weighing 121 lbs. and playing right guard.

Schedule for this year include Olton, November 24, here at the High School gym, Littlefield, Hereford, Hale Center, Plainview, and Hart.

Raven's colors are blue and gold.

BIRTHDAY PARTY

Mrs. Dan Heard entertained her son, Leslie, on his second birthday with a party at their home 717 W. Grand, Saturday, November 24. Guests were served birthday cake, ice cream and punch. Each guest was given a toy filled with suckers and balloons. Guests were Luanne Autry, Jim Birdwell, Susan and Linda Wise, Martha Dowdy, Terry Crum, Rhonda Vick, Kristi and Brent Heard, Paul Parsons, and Pam and Leslie Heard. Also Joyce Autry, Idella Crum, Betty Parsons, Bonnie Heard Ethel Dowdy, and Lellie's grandparents, Mr. and Mrs. C. F. McCormick of Lubbock.

Sheryl Wallis of Lubbock spent last week with her grandparents, Mr. and Mrs. L. C. Dennis, while her parents, Mr. and Mrs. E. Joe Wallis were in Washington, D. C. where Mr. Wallis attended a student forum. They returned to Dimmitt and spent the week-end here with Mr. and Mrs. Dennis then returned to their home in Lubbock.

**Sportsmen Asked
To Donate Hides
For Collection**

Deer hunters were reminded today an audience of 26,000 persons in state operated hospitals and schools for mentally retarded wish them luck with their buck.

Nor is it a strictly unselfish wish, since the patients and students stand to gain hours of enjoyable employment—if the hunters send the deer hides to the annual buckskin collection.

Haskell Fine of Kerrville, chairman of the Volunteer Services Council which sponsors the collection has sent out thousands of shipping tags giving specific directions for donating the hides. They are available from most Chambers of Commerce in the hunting country and other spots where hunters gather.

If the sportsman skins out his own kill, he is asked to throw a handful of table salt on the raw side of the hide, allow it to drain, roll and tie or package it and affix a tag addressed to: Austin Taxidermist Studio, 2708 South Lamar Austin, Texas.

If the tag is marked "charity", most motor freight lines will haul without charge, Fine said. If the deer is left at a processing station, the hunter is asked to direct that the hide be sent in.

The Volunteer Council arranges tanning and delivery of the finished leather to all the hospitals and special schools where it is used in occupational therapy, he explained.

"So little effort on the part of the hunter can mean so much to so many," the chairman said, "we feel sure we will again be able to show these patients that people do care about them, even in the excitement of a deer blind with antlers square in the telescopic sight."

**Cotton Research
Aims at Creases**

Discovery of a chemical finish that will allow creases to be put in or removed from easy care cotton garments is the aim of a research project announced today by the Cotton Producers Institute.

The research will be conducted under a \$35,000 grant to Stanford Research Institute, South Pasadena, Calif., according to Roy Forkner of Lubbock and LeRoy Durham of Plainview, Institute trustees in West Texas. They said Russell Griffen, Trustee Chairman from Fresno, Calif., had announced the grant.

In the work, researchers will use an approach known as "the reversible cross-link" method. Cross-links are the molecular bonds within the cotton fiber which have been responsible for cotton's success in wrinkle-resistant, wash-wear textile uses.

Various chemicals will be studied in an effort to find a system of producing cross-links which, when desired, can be broken thru a reverse chemical action and then reset.

The aim is to develop a chemical treatment for apparel and household fabrics so they will maintain good unwrinkled appearance in use, require no ironing after washing can be given durable creases where desired, and can be altered to fit individual customers.

Success in the project would help remove key blocks to potential markets of 1.3 million bales of cotton. The project is part of a stepped-up research and promotion program launched by cotton producers through the INSTITUTE. An arrangement with the Board of Directors of the National Cotton Council enables the institute to use Council facilities and staff without charge for developing and supervising projects.

DINNER GUESTS

Thanksgiving Day guests in the home of Mr. and Mrs. J. A. Ramsey were Mr. and Mrs. John Cranford and daughter of Albuquerque, N.M., Mrs. Billy Joe Claborn and son of Amarillo; Mr. and Mrs. C. A. Hance, Mr. and Mrs. T. D. Claborn, Mr. and Mrs. Joe Burt Andrews, Mr. and Mrs. James Wilde and little son, Jeffrey.

**MATERNITY PLANT**—this is what the greenery here is called. The plant belongs to Mrs. R. E. Baylets (left), 201 NW 2nd. The maternity plant's name derives from its rapidity in reproduction. Little buds develop on the points of each leaf from which comes the reproduction process. The average full-grown leaf has 68 points. Therefore, one leaf will produce 68 plants when the buds drop into the soil. Presently, the plant is seven feet tall. It grew four feet during this summer. Mrs. Baylets obtained the plant from her sister-in-law, Mrs. Clarence Wood. The plant was given to Mrs. Baylets in the spring of 1959. Only requirement for fast growth and production is water.

—Staff Photo

**Housing Act Adds
Provisions For
Senior Citizens**

L. J. Cappleman, State Director, Farmers Home Administration, advised the local County Supervisor, Ralph W. Dent, that recent legislation amends Title V. of the Housing Act of 1949 by adding new provisions which authorize loans and grants for moderate cost housing and related facilities for elderly persons and families in rural areas. It liberalizes some regulations on rural housing loans now being made by Farmers Home Administration and sets up new direct and insured loan programs.

This new legislation will be administered in Hale and Castro counties by USDA Farmers Home Administration. Rural housing loans are made by this agency to farmers and other families living in rural areas who need improved housing and cannot qualify for credit from other sources.

One new provision will give those people, who are 62 years of age or over, special advantages not available under the earlier loan program. First, they can buy previously occupied existing housing as well as improve their homes. Second, they can finance the cost of the building site as well as the dwelling with the loan proceeds; other families must own the land on which to build the homes before they can apply for a loan. Third, cosigners may be used by elderly applicants who are deficient in repayment ability. Like rural housing loans now being made by Farmers Home Administration, these direct loans will bear interest at the rate of 4 percent and may be repaid over a period not exceeding 33 years.

For detailed information concerning rural housing loans for the senior citizen, Ralph Dent, local County Supervisor, Farmers Home Administration, may be contacted.

Farm Bureau Has Convention In San Antonio

(Delayed from last week)
Farm Bureau conducted their annual convention at San Antonio this year.

The Bureau registers 84,812 members. There were 1,382 members attending the convention. They represented 151 counties.

Attending from Castro County were Luke McGuire, Theo Campbell, Mr. and Mrs. Guy Walser, Mr. and Mrs. Noble Howard, Mr. and Mrs. Allen Webb, Mr. and Mrs. Buck Crum, Mr. and Mrs. B. L. Moore, Mr. and Mrs. Wes Anthony, and Eugene Hochstein.

J. H. West, president, presided at all sessions of the convention.

Governor-elect John Connally gave an address concerning Texas and the future.

Paul Harvey, news commentator, was principal speaker at a banquet attended by approximately 1,600 people.

Dewey Compton of Houston was master of ceremonies at the crowning of the Queen, Miss Val-dine Garner of Brownfield was crowned Farm Bureau Queen of Texas for 1963. She will enter the national contest to be conducted in Atlanta, Georgia during the early part of December.

In the business sessions, there were approximately 25 or 30 pages of resolutions considered.

Among the above resolutions were: resolved that we should send the Peace Corps to only friendly nations; resolved that the U. S. should withdraw from the U. N.; resolved that the Farm Bureau should work for a program that would make fair equitable and stable prices for all natural gas used for irrigation purposes.

These resolutions were confirmed. The convention members also approved the right-to-work law.

Luke McGuire was elected president of Castro County Farm Bureau. Herb King received the office, Director of District II, C. H. Devaney was elected president of the state.

Porcupine Brings Excitement to a Group of Boys

Excitement ran high for a group of boys, Wednesday night as they chased a porcupine up a tree on the corner of Bedford and 9th streets.

Alex Catoe, Mike Hutton, and Harold Morgan were the boys involved in the chase and capture of the elusive porcupine.

Harold commented, "I chased the porcupine up the tree and then went over to Alex's house to get a B-B gun". According to the boys, they came back and threw coke bottles at the animal. After not having any success, Marshal W. W. Jones was called to the scene. Alex climbed the tree to shake the animal down but the stubborn porcupine would not submit to a shakedown. So Jones shot the porcupine twice with a shotgun.

VFW and Ladies Auxiliary Conducted Buddy Poppies Sale
A poppy sale was conducted, Saturday, November 10 in Dimmitt.

Veterans of Foreign War Post and Ladies Auxiliary of Dimmitt sold Buddy Poppies for the Veterans' Relief Fund.

Wheat Rust Reduces Value Of Crop Grazing

(Delayed from last week)

Leaf and stem rusts are showing up in northwestern Texas wheat fields. "The rusts," says Dr. Maurice Futrell, USDA plant pathologist, "are causing more damage than is casually seen by growers. The rusts cause the leaves of the infected wheat plants to die, and hence, a loss in forage production. Three years of research on rust resistant small grain varieties by Texas A&M College shows that resistant varieties will produce from 2,000 to 4,000 pounds of high quality forage per acre, says Futrell, as contrasted with a forage yield of 1,000 to 1,500 pounds an acre for susceptible varieties.

The plant pathologist points out that leaf rust spores on wheat will live through the winter in most areas of Texas. However, in the northern part of the state rusts will be drastically reduced by cold weather. The quantity of rust which over winters in South Texas is one of the factors that determines how much rust will develop on the wheat crop the following year. Rust spores produced in this area during the spring months is blown northward into the main wheat belt, explains Futrell. However, rust epidemics develop only when weather conditions become favorable for disease development.

Leaf and stem rusts weaken the wheat plants and cause heavy forage losses as well as causing the plant to lose water. "Thus, the plant makes poor use of soil moisture," adds Futrell. Root growth of the diseased plants is reduced and this, combined with the water losses, makes the plants more susceptible to winterkilling and cold weather.

Livestock grazing rusted wheat will suffer no ill effect since the forage is good feed. "The only effective control of rust is through the growing of resistant varieties," stated Charles Hottel, County Agent.

Canyon to Host Veteran's Meeting

Post No. 5681, Canyon Texas will host the Dec. 1-2 meeting of District 13, Veterans of Foreign Wars and the Ladies Auxiliary. The meeting has been called by District 13 Commander Cecil Joslyn of Plainview.

H. R. King, Commander of the Canyon Post announced that all Post Commanders and Auxiliary Presidents of District 13 will be

honored as guests of the host Post.

Registration will begin at 4 p.m. on Dec. 1. A social function will be the major activity on Saturday night.

Coffee and doughnuts will be served in the Post Home beginning at 8:30 Sunday morning as registration continues.

The Veterans will hold their business meeting in the Post Home at 10 o'clock on Dec. 2. On hand to talk to the members will be Victor L. Afflerbach of Lubbock. Mr. Afflerbach is a Past Department Commander of the organization.

The Ladies Auxiliary will meet in the American Legion Hall at

10 o'clock Sunday morning. District 13 President Dorthie Hunnicutt of Canyon will preside over the meeting. Mrs. Ann Marschall, San Angelo, state Auxiliary President, will address the Auxiliary.

A joint meeting and banquet will be held at 12:30 p.m. Sunday in the American Legion Hall. On hand to welcome the visitors will be

Roland Black of the Canyon Chamber of Commerce.

Posts in the district are located in Canyon, Tulla, Plainview, Lockney, Floydada, Matador, Paducah, Silverton, Littlefield, Hereford, Childress, Wellington, and Dimmitt. All members of the organization are urged to attend this important meeting.

HIT THE BASKET, says these strained players attitudes. Jimmy Killingsworth (extreme right) guard comes in to get the rebound in case the ball misses. Guard Clint Summers, 20, is also prepared to take the rebound. Post Michael Calvert (center) watches the ball's approach to the basket. Floydada players No. 35, No. 15, and No. 13 are poised for the rebound. Dimmitt won the game 74-41.

A DESPERATE TRY FOR THE BASKET is made by James Cowell (Background) in the Friday night game. Floydada Whirlwinds try to stop the throw. Jackie Nickols (32) watches the action under the basket.

Heritage Program Considers Supreme Court Decisions

Significant Supreme Court decisions will be the topic at the meeting of the Plains American Heritage Program at 6:30 p.m., Monday, Dec. 3, in the Aloove Restaurant in Plainview. Attending the monthly meeting will be social science teachers from Dimmitt and

Hart and nine other area cities participating in the program coordinated by Wayland Baptist College.

Commenting on these decisions will be Dr. Eugene Jones, chairman of the Division of Social Sciences at Wayland, and Lyle Brown, assistant professor of history and political science who directs the program. A film on the subject will be shown.

Selective Service Gives Information About the Draft

Since President Kennedy's proclamation of arms quarantine around Cuba, some men who have no legal obligation for draft registration or military service have been asking Texas draft boards about their "obligation."

If you were born on or before August 30, 1922, you are not registered with a draft board and you have no legal obligation to register. Furthermore, you have no responsibility to keep a draft board advised of your current address.

If you were born after August 30, 1922, you are legally required to be registered, unless you are not yet 18 years old.

If you are registered and have reached the age of 35, you are no longer liable for military service under present law; but you are still obligated to keep your local board advised of your current address.

Some men are no longer liable at ages 26 and 28. At these three ages, where a man is no longer liable for service, he is classified V-A, and the little classification notice he is required to carry in his pocket is so marked.

An increasing number of people are asking draft boards for the meaning of the Selective Service classifications. These follow:

I-A: Available for military service.

I-A-O: Member of the armed forces, Coast and Geodetic Survey, or Public Health Service.

I-D: Qualified member of the armed forces reserve, or student taking military training, including ROTC and accepted aviation cadet applicants.

I-O: Conscientious objector available for civilian work contributing to maintenance of the national health, safety, or interest.

I-S: Student deferred by law until graduation from high school or attainment of age 20, or until the end of his academic year at a college or university.

I-W: Conscientious objector performing civilian work in the national interest, or who has completed such work.

I-Y: A man qualified for military service only in time of war or emergency.

II-A: Occupational deferment, other than agricultural and student.

II-C: Agricultural deferment.

II-S: Student deferment.

III-A: Extreme hardship deferment, or a man with child or children. Any man who prior to August 25, 1953, had a child or children and lived with them in his home, and so advised his board, is eligible for Class III-A. Any man who acquired a child or children on or since August 25, 1953, is not eligible for Class III-A because of them unless military service would result in extreme hardship to them, or certain other dependents.

IV-A: A man with sufficient prior active service, or who is a sole surviving son of a family of which one or more sons or daughters already have died in line of duty in the armed forces.

IV-B: Certain public officials deferred by law.

IV-C: Deferment of certain aliens.

IV-D: Physically or mentally unfit or morally unacceptable.

V-A: Over the age of liability for military service. If a man receives certain deferments resulting in classification in Classes I-D, I-S, I-Y, II-A, II-C, II-S, III-A, IV-B, and IV-F before he is 26 years old, his liability for military service will be extended from age 26 to ages 28 or 35 depending upon the deferment received.

Fertilizer School Attracts Over Hundred in Area

(Delayed from last week)

Over one hundred fertilizer dealers, farmers and county agents heard Dr. Bill Bennett, Soil Chemist for the International Mineral and Chemical Corporation, Skokie, Illinois, talk about phosphate and the manufacture of phosphate at the second Fertilizer meeting in the High School Auditorium on November 14th.

The last meeting of the three series meeting will be held November 28 in the Grady School cafeteria beginning at 6:30 p.m. Those on the program will be Dr. R. L. Beacher, Agronomist for the National Plant Food Institute, Atlanta, Georgia, who will talk on Soil Testing, How Recommendations are made and Dealers Sampling Program. Dr. W. O. Trogon, Head, Soils and Crop Science Dept. A & M College, will talk on "Fertilizer Use in a Sound Soil Management program".

Sherman Clark, Sec.-Treas. for the Texas Plant Food Educational Society, Houston, will be on hand for the presentation of certificates for these completing the course.

VISITS PARENTS

Mr. and Mrs. Roger Buckmaster of Oklahoma City, were here last weekend for a visit with his parents, Mr. and Mrs. T. S. Buckmaster and family.

High School Plans To Crown Annual Queen, Thursday

For the first time in history, Dimmitt High School will crown an Annual Queen. This event will be in the High School auditorium, Thursday night at 7:30 p.m. Gary Morrison, editor of the annual, will crown the lucky girl.

The girls will be presented as Charlotte Lowe plays strains of their favorite songs. Queen candidates elected from each class are Seniors, Cecelia McSpadden and Drisilla Dehtan; Juniors, Nancy Carol Hays and Carlanne Calvert; Sophomores, Jane Cleavinger and Suzanne Dickey; Freshman, Eva Giles and Ginger Kemp. The Journalism class will sponsor Cheryl Walker.

The nine young ladies will appear in street clothes and a formal. They will be judged on beauty, poise, personality, and reasoning ability.

James Bates, master of ceremonies, will interview the girls and ask them questions prepared by the judges.

Other highlights of the evening are the stage band, choir, Senior girls' trio, and a duet by Janice Mooney and Garland Jarvis.

Admission is free for children under six. Adults will be admitted for \$7.50 and students \$5.00.

The annual staff hope to make this Annual Queen a yearly event.

Lee St. Baptist Furnishes Free Transportation

Lee Street Baptist Church will furnish free transportation, Sunday to anyone who needs a way to the Sabin Oral Vaccine Clinic.

This transportation is furnished by the Lee Street Baptist Brotherhood. They urge all citizens who need this service to call 647-3958 after 1 p.m. or the Spudnut Shop. According to the pastor, the Brotherhood feel all should avail themselves of this service.

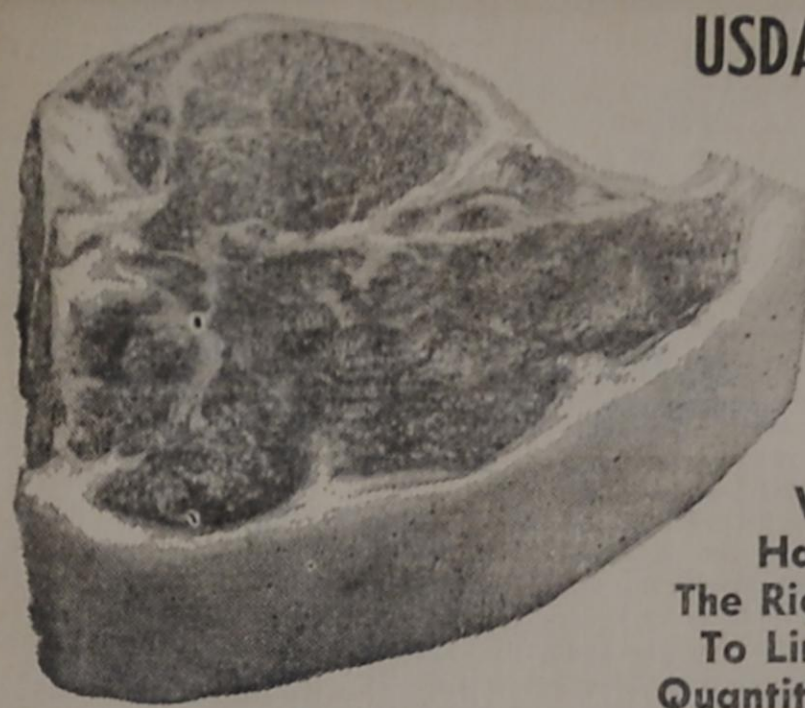

The pastor says, "The Lee St. Baptist Brotherhood invites all who do not attend church to worship with the Lee Street Baptist each week."

Services include Sunday School at 9:45 a.m., Sunday morning at 11 a.m. Training Union at 6 p.m. and Evening Worship at 7 p.m. Rev. Allen Owens is pastor.

KITCHENS VISIT

Mr. and Mrs. Bill Kitchens and Billie spent the holidays in Lubbock and Slaton where they visited his mother, Mrs. W.N. Kitchens and his brothers, Paul, Floyd and I. D. Kitchens and families. They also visited their former pastors, Miss Elliott and Miss Stout who now live in Slaton.

Virginia Norris-Charles Adams Wed in Dennis Memorial Chapel

Miss Virginia Carole Norris and Charles Edward Adams were united in a double-ring ceremony at the Dennis Memorial Chapel, Friday 6 p.m. Their parents are Mr. and Mrs. Ewell Norris and Mr. and Mrs. G. C. Adams of Plainview.

Rev. Clarence Coffman of Littlefield performed the wedding ceremony following music selections by the soloist, Kathy Gollehon. Accompanied with organ music by Deelmae Dennis, the soloist sang "O Promise Me", "Wedding Prayer," and "Walk Hand In Hand".

Given in marriage by her father, the bride wore a gown of Chantilly lace over taffeta, fashioned with fitted bodice, Sabrina neckline, trimmed with pearls and iridescent sequins, and a full skirt extending into a chapel train. Her tiara of sequins and pearls fell

P-TA SPOTLIGHT

Dimmitt P.T.A. met at North Grade School, November 20th for a tumbling demonstration by the girls of Mrs. Francis Covington's Physical Education classes. Open House was also held at this time. The Student Senate served refreshments and guided guests around the building. Class rooms were decorated skillfully and interestingly.

The Swisher-Castro Bi-County Council met November 27th in South Grade Cafeteria for their regular meeting. Mrs. Maurine Allison, president presided. Mrs. Melvin Anderson, past president of District 8 from Amarillo attended and gave a brief talk on council work. Delegates from other local units were Mr. and Mrs. Andy Schumacher; William C. Hockstein from Nazareth; Mrs. Helene McFarland, Mrs. Irene Hardaway, Mrs. Maurine Allison, all of Happy; Mrs. Mattie Evans, Mrs. Paul D. Miller both of Tulsa. Representatives from Dimmitt were Mrs. Melvin Richardson, Mrs. James Proffitt, Bill Reisdorph, Mrs. Woodrow Killingsworth and Mrs. Kenneth Shropshire. The next meeting will be in Happy, January 22nd.

KITCHEN SHOWER FOR RECENT BRIDE

Mary Graham was hostess at a kitchen shower in her home Friday for Mrs. Donna Beyer Meacham, a recent bride. The Thanksgiving theme was used in the decorations and refreshments which consisted of sandwiches, cookies, and spiced tea.

Guests were Jan Brown, Driscilla Dehtan, Deborah Buckmaster, Connie Goodwin, Carolyn Godfrey, Georgene Blanton, Kathy Gollehon.

VISITS IN SWEETWATER

Mrs. Jim Cleavinger and sons are visiting her mother at Sweetwater this week.

from a fingertip veil of silk illusion. She carried a white Bible topped with a white orchid and poms with satin ribbon streamers. For something old, the bride wore her mother's wedding band and for something new, she wore the bridal gown. Borrowed were her pearls and blue was her garter to complete the traditional event.

Mrs. Tommy Brockman of Nazareth and Misses Sandra Norris of Plainview and Kathy Norris of Plainview, sisters of the bride, served as honor attendants. The maid of honor wore olive green delustered satin fashioned with a round neckline, bell skirt, and long tapering sleeves. Her pillbox hat and satin slippers were of matching colors. Miss Sandra Norris wore orange and Miss Kathy Norris, brown, in identical style. They wore matching pill box hats and carried nosegays of poms sprayed to match their dresses.

John Stone of Plainview was best man. Groomsman and ushers were Bill Wayne Petty of Plainview, Ben Ferguson of Plainview and Gerald Holsapple of Plainview.

Sharon Corica and Laurel Ivey lighted the candles and Becky Jones was flower girl.

A reception followed the ceremony in the Community Room of the First State Bank. Miss Marjette Oclum and Miss Linda Pearson of Dimmitt served at the bride table. Mrs. James Hale of Floydada presided at the guest register. The bride's table was centered with the attendants' and bridal bouquets. Refreshments consisted of cake and punch.

After a trip to New Mexico, the couple will be at home in Plainview where they are employed.

The bride is a 1962 graduate of Dimmitt High School and is presently employed with the Southwestern Bell Telephone Company in Plainview.

A 1962 graduate of Plainview High School, the groom is presently working for Plains Office Machines of Plainview.

Nazareth Teams Lose to Silverton

The Swifts met Silverton in opening season play, there. Both boys and girls played in the opening games.

Nazareth girls were defeated in a 42-22 ballgame. Mary Lou Hoeltling was high point girl with 15 points. Silverton's high point girl was Reynolds who made 20 points.

In the first quarter of play, the score was Nazareth 6 and Silverton 10. Second quarter score was Nazareth 11 and Silverton 27. For third quarter play, the score was Nazareth 14 and Silverton 34. Final quarter and score was Nazareth 22 and Silverton 42.

Two Nazareth starters were not able to make the game. They were Edna Rae Hoeltling and Irene Venhaus.

Girls playing on the varsity team this year are Mary Lou Hoeltling post forward; Irene Venhaus, guard; Edna Rae Hoeltling, post; Birkenfeld, Imogene Huseman, forward; Carol Schulte, Alvena, Francis Irlbeck, Sandra Huseman, all forwards; Judy Schulte, Janice Dobmeyer, Delores Birkenfeld, Linda Pohlmeier, Beverly Gerber, and Mary Lou Steffens, all guards.

Nazareth boys were defeated by Silverton, Monday night with a 47-34 season opener ballgame.

Julius Birkenfeld and Raymond Schmucker were high point men with each scoring 9 points.

Stanford of Silverton was high point man with 19 points.

The scoring by quarters was FIRST QUARTER Nazareth 10 and Silverton 7; second quarter, Nazareth 18 and Silverton 15; third quarter, Nazareth 25 and Silverton 39; and fourth quarter, Nazareth 34 and Silverton 47. The Swifts were ahead at halftime but were unable to keep the lead.

Varsity team for this year include Ray Schmucker, forward; At Brockman, forward; Jimmy Hoeltling, forward; Marvin Hoeltling, forward; Tommy Wethington, forward; Julius Birkenfeld, center; Bernie Braddock, center; Donald Braddock, center; Francis Backus, Richard Gerber guard, Denis Gerber, guard; and Lester Schulte, Schulte, guard.

Coach Aldridge commented, "We expect a real good chance in district for the boys, and the girls will be improved."

Swifts' Basketball Roster Announced

Nazareth citizens and others are urged by Coach Aldridge to attend the games and give their team loyal support. The following schedule gives the Nazareth Swifts lineup for the basketball season.

The Swifts will meet Anton, here at 6:30 p.m., Tuesday night, November 27.

November 19, 30, and December 1, the Swifts will attend the Kress Tournament. The girls will meet the Kress "B" team at 3:30 p.m. on Thursday. Nazareth boys will play Kress "B" at 3:30 p.m. on Friday of the tournament.

The teams will play December 4 at 7 p.m. in Spade.

December 6, 7, and 8 is the Happy Tournament. This will be the boys and girls participating. The girls will meet Vega at 9 a.m., Thursday. The boys play Farwell at 10:20 Thursday.

Tuesday, December 11 at 6:30 p.m., the Swifts meet Spade, here.

On December 13, 14, and 15, the Swifts will play in the Silverton Tournament both boys and girls. The girls play Kress at 2:10 p.m., Thursday. The boys meet Kress at 3:30 p.m., Thursday.

Tuesday, December 18 at 6:30 p.m., the Swifts will play Anton, here.

Thursday, December 20, the Swifts will meet Silverton here at 7 p.m.

Sunday, January 6 at 2 p.m., the Swifts will compete with Price College and St. Mary's.

District play for the Swifts begins Friday, January 11 at 6:30 p.m. in Lazbuddie.

Tuesday, January 15 is the second game of district play where the Swifts meet Happy, here at 6:30 p.m.

Friday, January 18 at 6:30 p.m., the Swifts play Hart, here.

Tuesday, January 22, the schedule is Bovina, here at 6:30 p.m.

Friday, January 25, Lazbuddie will meet the Swifts, here at 6:30 p.m.

Tuesday, January 29, the Swifts go to Happy for a 6:30 p.m. game.

Friday, February 1, the Swifts play Hart, here at 6:30 p.m.

Sunday, February 3 at 2 p.m., the Swifts will compete with Price College and St. Mary's here.

Tuesday, February 5 is the last scheduled game. The Swifts will play Bovina, here at 6:30 p.m.

Coach Aldridge pleads, "Come on Nazareth fans support the Swifts in this basketball season. Let's fill the stands with enthusiastic Nazareth supporters."

Hart HS Juniors Choose Class Drama

Hart Junior class ordered their playbooks last week for the Junior Play which will be February 22. The class will present "Rest-Assured", a play which needs 13 people for the character parts. The junior class has 17 members, so almost the entire class will be in the play.

Mr. Cummins is class sponsor.

Thanksgiving Supper Has Large Attendance

Senior of Hart sponsored a Thanksgiving supper, Friday night, November 16, after the Vega ballgame.

The menu consisted of turkey and dressing, ham, and all the trimmings. There were assorted pies for dessert.

Approximately 200 citizens attended the supper.

The senior class wishes to express their appreciation for the senior mothers who helped with the Thanksgiving dinner.

Citizens Protest Location of Sanitary Plant

A slight delay has slowed plans for Hart's sewer and sanitary system according to the mayor.

The city commissioners must appear before the State Water Pollution Board at Austin, December 13 at 1:30 p.m.

This appearance is due to the protesting of some citizens against the plant running waste water into Running Water Draw.

A petition was signed by Percy Hart and others who are trying to get a restraining order on the building of the plant at the present location.

When the above issue is settled, the city plans to go ahead with the system.

HOME FOR HOLIDAYS

Home for the holidays in the H. C. Nelson home were their son, Norman Nelson and wife of Portales, New Mexico Miss Janis Nelson, student at Plains Junior College, Levelland; and Stanley Nelson from Texas Western, El Paso. Mr. and Mrs. Norman Nelson also visited her parents, Mr. and Mrs. W. E. Thompson.

VISITS FROM COLO

Mr. and Mrs. Raymond Mobley and family of Cortez, Colo. were here for a holiday visit with relatives and friends.

Hart Longhorns Announce '62-'63 Basketball Roster

Hart Longhorns, boys and girls, basketball teams met the Olton Mustangs in a season opener, Tuesday night.

The girls lost to the Olton team in a 75-39 ballgame.

The Longhorns gored the Olton Mustangs for a 30-27 victory. Olton led Hart at halftime, 15-9. The Longhorns dashed ahead with a lot of hustle in the last two quarters of play according to the coach.

Billy Farris was high point man with 16 pts.

Varsity team for this year are Billy Farris, guard; Johnny Kittel, center; Kenneth Fincher, guard; Dennis McLain, guard; Joe Stanton, center; Joe Rubalcaba, guard; Carl Ward, center; Gary Heller, guard; David Gardner, guard; Flex Rodriguez, guard; and Guy Scoggins, guard.

Hart met Amherst, here, Tuesday night both boys' and girls' teams.

Kress Tournament will be played November 29-30, and December 1 at Kress with both boys and girls participating. The girls will meet Quitaque at 6 p.m., Thursday. The boys' team will play Quitaque. According to Coach N. Thursday at 4:40 p.m. against cholson, Quitaque will be a tough opponent. They won state last year.

Smith Attends Church Convention

(Delayed from last week)

Minister Bedford W. Smith of the First Christian Church was in Albuquerque, Monday and Tuesday of last week attending a Church Convention. He conducted a meeting of the West Texas - New Mexico Evangelistic Assn. of which he is the 1962 President. Reports show the Association aided four churches during this current year. In 1960 and 1961 the Association helped in the Minister's salary, here until the First Christian Church of Dimmitt became entirely self-supporting.

HOLIS VISIT

Mr. and Mrs. C. W. Boothe, Mr. and Mrs. Truit Boothe and family, Mr. and Mrs. Dent Bradley and family, Mr. and Mrs. Lon Boothe and family; and Mrs. Don Mobley and Craig ate Thanksgiving dinner with the Dan Bootes in Hills, Oklahoma.

HART NEWS

(Delayed from last week)

The Hart F.F.A. chapter representatives placed in five of six events to dominate the district leadership contest held in Plainview Saturday.

The Hart FFA members placed first in three contest and third in

CPI Desires More Muscle In Cotton Market

A family in Asia moves to town and adjusts to city ways, and in the United States a child born in the postwar baby boom nears adulthood.

Both events may seem far removed from the interests of cotton farmers and cotton communities. However, a report by a special cotton producer committee points out such developments have a very real meaning.

As standards of living rise in developing countries, people clothe themselves better and use more textile products in their homes. Postwar babies soon will reach the age when they marry—and become the biggest users of textile products.

These factors, combined with other powerful forces, add up to one central fact—the total market for fibers is going through a terrific expansion.

World fiber consumption now stands at around 77 million bale equivalents. It is tending to rise at the spectacular rate of three million bales a year.

"If we simply maintain our present 21 per cent share of the world market," the committee states, "projected expansions in total consumption would permit us to have a 20-million-bale market within the next seven or eight years."

The producer committee warns, however, that a growing total market does not necessarily mean an expanding market for cotton. Artificial fibers, and other substitutes are making a strong bid for it.

Producers of synthetics, for example, are spending \$80 million a year in research. Cotton, from all public and private sources, is spending only \$19 million.

Hart Longhorns Win Season Opener

Hart High School announces the following schedule gives the games to be played at home, first and then those played away will follow.

Home games are Amherst, November 27 in the High School gym; Kress, November 29 in the Junior High gym; Bovina, December 20 in the Junior High gym; Lazbuddie, January 7 in the Junior High gym; Happy, January 8 in the High School gym; Springlake, January 11 in the High School gym; Nazareth, January 18 in the High School gym; Olton, January 25 in the High School gym; Bovina, January 29 in the High School gym; and Lazbuddie, February 5 in the High School gym.

Games away from home include Kress Tournament, November 29-December 1; Springlake, December 4; Happy Tournament, November 6-8; Vega, December 11; Amherst, December 18; Hale Center Tournament, January 3-5; Bovina, January 15; Lazbuddie, January 22; Nazareth, February 1; and Happy, February 8.

P-TA SPOTLIGHT

(Delayed from last week)

by Nell Proffitt

Everyone seem to enjoy the good tumbling show in the gym, Tuesday night. The fifth grade PE girls performed from 7: to 7:30 p.m. sixth grade girls from 7:30 to 8 p.m.; seventh grade girls from 8 to 8:30 p.m.; and eighth grade girls from 8:30 to 9 p.m. Mrs. Frances

Covington, PE teacher, directed the students.

Open house for North Grade School was during this time. All the rooms looked real nice.

Paul Hilburn, due to illness, was unable to attend the PTA Convention last week. There was not a PTA business meeting this month.

The Student Senate supplied all the refreshments and arranged for the hosts and hostesses for open house. They did a very fine job.

OKLAHOMA TRIP

Mr. and Mrs. W. E. Reisdorph visited her parents, Mr. and Mrs. P. E. McElhiney at Rosston, Oklahoma over the holidays.

Ford ideas so contagious they started a new trend in cars!

If you think today's cars have a lot in common, credit the Ford sketches above. For these ideas sparked a revolution in car design that's reflected wherever you look on the American road.

Ford ideas have a habit of being exciting—practical, too. Consider the innovations found only in our '63s. There is Ford Galaxie's smooth new velvet ride. It cost Ford \$10 million to bring it to you, but costs you not a penny extra to enjoy. There is

Ford's full twice-a-year or 6,000-mile maintenance* schedule that cuts service worry and expense to a minimum. There's a new manual transmission that lets you shift down from second to first without coming to a stop. And for '63, there's the biggest choice of models ever offered—44 in all!

Only Ford offers all these advantages now. Other cars will eventually catch up—but if you can't wait, here's a tip. See your Ford Dealer today!

Hear's America's most contagious profile as seen on the 1963 Ford Galaxie 500/XL.

America's liveliest, most care-free cars!

TELEPHONE BIG TALK FOR SMALL FRY

Teaching children good telephone manners plays an important part in their becoming good neighbors. It also means better telephone service for everyone. The gratitude of all telephone users, as well as your telephone company, goes to parents who teach their young children the correct way to use the telephone.

West Texas Telephone Company

Accident Rash . . .

(Continued from page 1)

Thanksgiving Day at 11 a.m. about three miles southeast of Hart on State Highway 194, Nancy L. Fitzgerald was driving a '62 Chevrolet pickup and pulling another car when she had a flat on the right rear tire. She hit her brakes and lost control of the pickup which flipped on its side. The other car came unhitched and turned over several times.

On Front Street Friday at 12:50p. a '61 Chevrolet driven by Mary Lilley was headed north when a '61 Chevrolet pickup operated by James Palmer backed out of a private drive and struck the cars right front fender. Total damages were \$165.

Another Friday wreck occurred at the on Highway 385. A '55 Plymouth Station Wagon headed north by Bryan Jennings in the lane next to the island was hit by Dorothy Wilke driving a '62 Chevrolet. The Wilke's car was parked on a private lot and Mrs. Wilke pulled out of the driveway heading north to crowd the Jennings' car onto the island. She was going to make a left turn at the next island crossing. Damage to the Plymouth was \$75.

William Robert May driving a Mack truck east on Highway 86 Tuesday evening failed to stop at the red light and struck a '62 Chevrolet driven by Donna Carmichael traveling south on Highway 385. Miss Carmichael had the right-of-way with a green light. The accident occurred about 8. Miss Carmichael suffered cuts and bruises. Damage to the car was \$1500 and truck damages were \$975.

NAOMI CIRCLE

The Naomi circle met in the church Monday with Mrs. Clarence Bearden in charge of the business session. Mrs. Jack Cowsett gave the devotional. Mrs. S. R. Hutto gave the lesson on "The Bible's Support of Missions". Nine members were present. They were Mesdames Clarence Bearden, Jack Cowsett, P. L. Cunningham, Raymond Wilson, Edna Leonard, Clea George, E. Lee Stanford, S. R. Hutto, Leona Rothwell.

VISITORS IN HAYS HOME

Thanksgiving guests in the home of Mr. and Mrs. Jim Hays were Mr. and Mrs. Walter Easter, Mr. and Mrs. J. W. Witherspoon and children, Mr. and Mrs. John Hammett, Mr. A. C. Hays, all of Hereford and Mr. and Mrs. Ronald Sherman and children of Lubbock.

ATTEND FUNERAL

Mrs. Ross Summers, Mr. and Mrs. Melvin Summers and son, Bill Summers attended the funeral of their mother and grandmother, Mrs. L. Blodgett, Saturday in Kingman, Kansas.

ROGERS RETURNS

Mrs. R. D. Rogers has returned to Dimmitt after spending 10 days in Cheyenne with her daughter Juanell and grandson, Mark. Mrs. Rogers went to Cheyenne by train and her husband drove up last weekend for the return trip.

Bobcats . . .

(Continued from page 1)

Bobcat varsity players are Mike Calvert, post; Jim Ratcliff, guard; Jim Killingsworth, guard; Jacky Nichols, post; Roy Battles, guard; Steve Hutton, guard; James Cowell, post; Clint Summers, guard; Tommy Nichols, guard; and Dickie Dyer, guard.

The Bobbies lost to Floydada by two points a thrilling overtime period. Bobbies played fast, hard ball to end the game with a 59-59 tie. End of the overtime period, Floydada had 63 points and Dimmitt had 61.

Bobbies started with a 7 point lead early in the game as they led the Whirlwinds 16-9 in the first quarter. Floydada jumped ahead in the second quarter with a one-point lead. Halftime score was Bobbies 33 and Floydada 34. Third period found the Bobbies obtaining a 4-point lead score was 49-45. Final period of play resulted in both teams scoring 59 points each.

The tie was played off in a final tally was 63-61.

La Dawn Kemp was high point girl for the Bobbies with 36 points. She suffered an eye injury during the final quarter. Ina Messenber was high point girl with 25 points and Linda McCollum made 10 point.

Jan Alexander was high point girl for Floydada with 33 points. Dimmitt made 19 field goals while the Whirlwinds made 23. Bobbies scored 23 free throws out of 38 tries. Floydada tallied 25 free throws. Bobbies had 29 fouls called and Floydada had 27 fouls.

Dimmitt Bobcats "B" team beat Floydada "B" in a 41-39 ballgame. High point players were Landol Frazier with 10 Dicki Dyer with 9, and Chuck McKinney with 7.

Dimmitt goes to Lockney, Friday. This will be a double header with Dimmitt vs Lockney and Tulsa vs Plainview.

Junior Auxiliary Conducts Meeting

Dimmitt Junior Auxiliary met Saturday to enjoy a weiner roast. Afterwards a business meeting was conducted in which officers or the coming year were elected.

Members attending were Janice and Sharon Baldrige, Jeanie Dameron, Elaine Davis, Carolyn Dunn, Karen and Sharon Flynn, Mary Lynn Hays, Shirley Leinen, Sandy Morris, Cecelia Vandiver, Debra Summers, and Elaine Webb.

Visitors were Diane Dyer, Jerry Baldrige, and Jane Utes.

Mothers present were Mesdames E. L. Davis, William Baldrige, es E. L. Davis, William Baldrige. Mothers present were Mesdames and Jack Flynn.

The auxiliary will meet again, Thursday, November 29. Mrs. Jack Flynn encourages all girls interested to attend or call her.

MRS. JONES VISITS

Mrs. Mary Jones of Hale Center is here for a visit with her sons, Bobby and Billy Jones and families this week.

Grade A Milk . . .

(Continued From Page 1)

Their feeding program contains roughage and commercial grain mixture. Farm equipment includes two silos for roughage. One silo will hold 900 tons of corn silage and the other one will contain a total of 500 tons of alfalfa silage. Presently the brothers have 450 tons of corn silage and 250 tons of low moisture alfalfa silage. The cattle are fed on a dry lot feeding program and are presently on corn silage. The herd grazes only a small amount during the fall. Approximately 100 cattle are being fed in the dry lot program. This program is good, for when a cow is required to graze all day to get enough grass to fill her stomach, most of the feed nutrients the cow gets from the grass are used to furnish energy to walk around tograze and little is left for milk production. Also, these silages produce milk making elements which add to milk production.

Feed grain mixture served the cows in the barn at milking time provide a necessary balanced feeding program. This feed is composed of milo, cottonseed meal, wheat bran, salt, and mineral. The feedingsystem is semi-automatic. There is a bulk feed tank located on the outside of the barn and a system of four augers bring the feed into the feeding troughs. A simple pull of the string and feed comes pouring into the troughs. The brothers are feeding a little more than 1,000 pounds of mixed grain per day. Average milk producing cow receives about 17 or 18 pounds. The brothers try to feed the heavier producers more feed. The cattle are fed loose salt as one of the mineral requirements.

Design of the barn is a Herring Bone Milking Parlor. In this parlor, the cows are angle-parked. In conventional barns, the cows are straight. Reasons for this angle are: cows are only three feet apart and to walk so far; and it takes less this cuts down dairymen having space for the milking parlor. This parlor is approximately 22 x 24 feet. It will hold eight cows at once. The brothers have four electric milkers. Four cows are milked while the other four cows are prepared for the process. A tame iodine solution is used for washing and preparing the cattle for milking. It takes about five minutes to milk one cow. The entire milking procedure takes about one hour and 35 minutes.

Milk from the Simpson farm is not touched by human hands. The brothers have installed a pipeline milking system. Milk is transported through a plastic line into a glass 500 gallon bulk milk tank. The Grade A milk is kept ice-cold in this tank until picked up by the north Texas milk producers association every two days. Most of the milk is taken to the Borden's Company in Amarillo.

ATTENDS HORSE SHOW

Sam Kirk spent last week in Lexington, Kentucky for the Quarter Horse Show. He reported the state was beautiful.

Dirt Banker . . .

(Continued from page 1)

"dirt banker" as a counterpart the "dirt farmer" and his varied and colorful career from farm hand to bank president might well be an Horatio Alger success story.

After graduating from high school at Hartington, Rossiter attended and graduated from St. Thomas Military Academy, St. Paul, Min. in 1932. During the lean years of the 1930s, he worked as a laborer, farm hand and a salesman; and in 1935 he went to work for the Bank of Hartington as a bookkeeper. He was promoted through the various departments of the bank until he became president in 1951.

He is now President of the Bank of Hartington, Hartington, Nebraska. Treasurer and Director of the Hartington Telephone Company, Hartington, Nebraska. Past Chairman, and now a member of the Independent Bankers Association Committee on Agriculture (an association of 6,000 plus predominantly rural bankers.) Member, representing business interests, of the Nebraska Agricultural Products Research Fund Committee, (administering a million dollar State program intended to find new and industrial uses for farm products.) Member of Secretary of Agriculture Freeman's Advisory Committee on Agricultural Public Relations, and is chairman of the Advisory Committee to the State Director of the FHA, State of Nebraska.

Rossiter will appear on the convention program at 10:00 a.m. Saturday morning.

Also appearing at the Texas Farmers Union convention will be National Farmers Union President G. James Patton who will address the banquet on Friday night, December 7th.

WCS GENERAL MEETING

All women of the church are invited to the General Meeting of the Woman's Society of Christian Service scheduled for Wednesday, December 5, at the Methodist Church.

Members of the Betty Campbell Circle will be hostesses for the coffee, which will be held in Fellowship Hall at 9:30.

The business meeting will begin at 10:00 a.m., to be followed by the Christmas program, "Hear the Angels Sing". Mrs. E. B. Wright will be in charge of the program and will be assisted by Mrs. Charles Wales, who will present the Meditation.
