

Go CHS! Scalp the Indians

Go Loraine! Rope the Steers

Briefly

Oldtimers

The date for the annual Mitchell County Old Timer's Reunion has been set for Saturday, September 29, 1984. It will be held in the Colorado City Civic Center, located at 157 West 2nd Street. Registration will begin at 8:30 a.m.

Loraine 4-H

The Loraine 4-H Club will meet Monday, Sept. 10 at 7 p.m. at the Lone Wolf Medallion Room. There will also be a meeting of parents and leaders during recreation at this club meeting as well as at the meeting of the Lone Wolf 4-H Club Monday, Sept. 17, also at the Medallion Room.

Lone Wolf 4-H

The Lone Wolf 4-H Club will kick off its new year with the first meeting on Monday, Sept. 17 at 7 p.m. at the Lone Wolf Medallion Room.

Reporter Shelia Benson reports there are many activities and projects planned for the year and that 4-H is open to anyone regardless of sex, race and religion.

Reunion set

The Colorado High School graduating class of 1975 is planning a reunion during homecoming this year.

Addresses for a number of classmates are needed. Anyone knowing the address of the following should call 728-3239 after 4 p.m.

Valentina Contreras, Eddie Guerrero, Hector Hernandez, Danny Martinez, Sharon Matthews, Terri Mills, Gay Hull, Brenda Shifflett, Doris Johnson, Randy Sanders, Ed Warren, Donald Boger, Danny Molina, Evelyn Pineda, Danny Rivera, Jesse Rivera, Tony Rivera and Pete Selvera.

Meetings set

The Wilson Wyatt VFW Post 9178 and its Ladies Auxiliary will hold their regular meetings Thursday starting at 8 p.m.

Reception

All Saints Episcopal Church will be hosting a reception for the Rev. Monte Jones and his wife Virginia Sunday, Sept. 23 from 3-5 p.m. at Parrish Hall at the Church on Locust St. Everyone is invited to come to the farewell reception as the Jones family has accepted a call to Sonora beginning Oct. 1.

Boosters

The Wolves Booster Club will meet Tuesday nights at 7 p.m. at the Villa Inn through the sports season and invites all local sports enthusiasts and Wolves supporters to join them for review of game films, scouting reports and coaches' comments each week.

Answerline

(Q) When will the Kiwanis Kids Day parade be held this year?

(A) The Annual Kids Day parade will be held Saturday, Oct. 6, starting at 1 p.m. in downtown Colorado City.

Board to study possible infractions

The Mitchell County Hospital District board of directors Tuesday voted 4-1 to meet with the medical staff of Root Memorial Hospital concerning possible infractions of hospital rules by Drs. William Jones and George Lindsey.

The action came after interim hospital administrator Ray Mason told board members of two possible infractions of hospital rules concerning two separate emergency room cases involving the two physicians.

Mason said that one of the infractions was listed by the latest medical survey as a deficiency.

At the Sept. 17 meeting, the board will meet with the medical staff and then convene into regular session to determine if any action is to be taken. The board has the option of suspension, probation, letter of reprimand or to take no action at all.

Board member Bob Reilly voted against the motion after his motion to only meet with the medical staff failed for lack of a second.

In other action Tuesday night, the board amended its by-laws defining physician availability for the emergency room.

The amended paragraph See HOSPITAL, Page 2

Restraining order upheld

32nd District Court Judge Weldon Kirk Tuesday upheld a temporary restraining order reinstating Dr. Thomas Noonan with full staff privileges at Root Memorial Hospital but modified the injunction to allow the Mitchell County Hospital District to continue with administrative proceedings against Noonan.

Kirk met with attorneys for Noonan and the hospital

district for about six hours in his chambers Tuesday after the hospital district requested a hearing to dissolve the temporary restraining order handed down by Kirk last Friday.

Noonan's administrative hearing with the hospital board of directors was to be held Wednesday beginning at 2 p.m. at the hospital board room in open session. A hearing is still scheduled

Friday at 10 a.m. in Judge Kirk's court on application for a preliminary injunction requested by Noonan against the hospital district.

Board members voted to suspend Noonan at an Aug. 20 meeting for infraction of hospital rules.

Noonan said Tuesday that he received a copy of the infractions Monday.

Forbes takes office

Billie Forbes was sworn in as justice of the peace for precinct three at Monday's Mitchell County Commissioners' Court meeting.

Mrs. Forbes, 50, is filling the position formerly held by the late Mary Lee Moore.

Judge Bill Carter administered the oath of office to Mrs. Forbes who will serve as an appointed official until the Nov. 6 general election at which time she will seek election to the office.

Mrs. Forbes, who has spent all of her life in Mitchell County except for five years in Scurry County, was previously employed at Root Memorial Hospital for 10 years in various capacities including being a licensed EMT.

She is married to Don Forbes and they have two children, Darlene of Brady and Cathey of Colorado City, and five grandchildren.

"I will enjoy the job, but I have lots to learn," said Mrs. Forbes Tuesday as she organized her office on the second floor of the courthouse.

In other business Monday, the court adopted a resolution seeking drought relief for Mitchell County farmers and ranchers.

The resolution reads: "Whereas, drought conditions exist in portions of Texas; and "Whereas, Mitchell County lies in the drought area and has received only minimal inches of rainfall in the past three years, and

"Whereas, ranchers and farmers

Pct. 3 Justice Billie Forbes

have been forced to feed livestock long past the normal feeding period causing adverse economic conditions, and

"Whereas, extreme damage to the land has occurred and long-term environmental damage will result causing the family ranch or family farm to be endangered, and

"Whereas, the economic impact extends to other areas of the State of Texas, and

"Now, therefore, be it resolved, that the Commissioners' Court of Mitchell County does request the Honorable Mark White, Governor of the State of Texas, to declare Mitchell County a disaster area because of the drought, for the year 1984 and

"Be it further resolved that the Commissioners' Court of Mitchell County does request U.S. Secretary of Agriculture John Block to initiate a drought feed program, emergency credit program, and implement any

other measure at his disposal to assist farmers and ranchers whose livelihood has been threatened by the drought."

Commissioners also amended the budget to allow for purchase of a \$3,550 trailer to be used by the Kiwanis Club in the distribution of commodities for Mitchell County. Kiwanis Club members had agreed to transport the commodities to Mitchell County but the trailer they were using was not large enough for the job.

Commissioners also approved the transfer of \$1,000 to the law library fund in order to pay current outstanding bills.

Joe Morren, certified public accountant, presented the 1983 audit which commissioners approved unanimously.

"The county is in very good financial condition," Morren told the court.

The court authorized Pct. 1 Justice of the Peace Charles See COUNTY, Page 2

City council accepts bids

By TOM JAY GOSS II

Part of the Community Development Grant, earmarked for the "Sands," in the northwest part of town is money that is actually intended to repair and improve some of the houses in that area.

\$5,500 is budgeted for each house, of which \$400 is set aside to hook up the unit to the newly laid sewer line.

The City Council accepted bids on six of the houses, Tuesday night. All bids are under the \$5,100. Houses to be repaired under this plan were for Mae Bell Smith, William Perry, Moises Garcia, Mamie Campbell, Marcelo Alvarez, and Manuel Moreno. Other houses will be approved for the grant, later.

The city received a grant of \$850,000 to spend in the "Sands" area and sewers are being laid,

water lines installed and streets are being paved.

The council voted to put four way stop signs at Chestnut and Third Streets and Chestnut and Sixth Streets, only three blocks apart. The stop signs will slow traffic on Sixth Street and on Chestnut Street and will throw traffic to other streets.

The council gave Chellye Beavers of 165 Waco Street a sixty day permit to keep goats. The council felt that this would give her enough time to get the goats moved from this address.

In the case of a house belonging to Robert Rocha which protrudes into Oak Street, north of 17th, the city and the Calvary Baptist Mission will trade small pieces of property in order that the Mission will have space to place a 90 x 47 foot church, on its

See CITY, Page 2

Loraine hires teacher

The Loraine Independent School District board of trustees Monday night employed Brenda McRae as a Plan A teacher for the current school year.

In other business, Supt. Glenn Sanders discussed with the board members the annual Fall Festival sponsored by the school.

In view of the current economic conditions, Sanders asked the board if it wanted to hold the festival this year. The board left the decision up to Sanders who will make an announcement later or whether or not the festival will be held this year.

The board also finalized plans for the TASA-TASB Convention to be held in San Antonio Sept. 28-Oct. 1. All seven members of the board have tentatively agreed to attend the conference.

The board also adopted a policy concerning the 10-day rule concerning the number of days a student may miss because of extra-curricular activities. New regulations state that students may only miss 10 days a year and the Loraine board voted to make the 10-day rule applicable for the calendar year instead of five days per semester.

Band invited to Austria

By RAY MAYO

The Colorado High School band is one of six 3-A bands in the United States to be invited to participate in the 15th International Youth and Music Festival in Vienna, Austria in 1985. CISD board members were told Monday night.

Band director Bill Shipp revealed that the Wolf band has been selected by a nationwide screening process to receive the invitation which is extended only to a select number of musical groups that have attained a reputation for excellence.

Because of the present economic climate, the board decided not to accept the invitation which would have carried a price tag of about \$175,000.

Board president S. L. Morris and other members of the board and administrative staff acknowledged that the invitation,

which came from the Association for International Cultural Exchange, is an honor but because of the economy is not feasible at this time.

"You're certainly to be congratulated for receiving this honor," Morris told Shipp.

In other action Monday, the board amended two school board policies.

The first policy concerns the amount paid for substitutes for teacher aides. The policy was amended to change the substitute pay for a teacher aide to \$30 per day. A beginning teacher aide hired on a regular basis salary is \$35 a day, explained Supt. Charlie Useton, and the previous policy had the substitute making \$40 a day.

The other amended board policy is to change the designated employee from Jerry Reynolds to Dr. Walter Bingham to coordinate efforts to comply with the grievance process.

The board also agreed to initiate a voluntary tutoring program for students who are failing one of the four basic subject areas at the end of the first six weeks. The program would involve attending a special 45-minute class twice a week either before or after school for each subject the student is failing.

Transportation would not be provided, Useton explained. Useton said there will be a mandatory summer school program for students who fail courses during the regular school year and if students do not successfully complete the summer school program, they will be retained for another year.

The board agreed to review the voluntary tutoring program at its December meeting.

See CISD, Page 2

Crimestoppers offers reward

Crimestoppers of Mitchell County is offering up to \$1,000 for information leading to the arrest and indictment of anyone connected to a mobile home fire on Aug. 31.

The double wide mobile home was almost completely destroyed by fire on Colorado City's south side on Aug. 31. Police and fire department arrived on the scene at 1:33 a.m. to find smoke billowing from both ends of the mobile home. The fire completely gutted the interior of the home before firemen could extinguish the flames. Witnesses said they saw a small, dark, compact type car leave the scene a few minutes before smoke was noticed. The fire was apparently started by a petroleum product.

Crimestoppers will pay up to \$1,000 reward for information leading to the arrest and indictment of anyone connected with this or any other felony crime.

If you saw or have heard of anything that will help the police solve this case, call (915) 728-TIPS. You will not be asked to give your name. You will be immediately assigned a number and told how to collect your reward if you want one, and no one will ever know who called. Out-of-town callers may call collect.

Sun can help reduce energy costs

By JIM MATTOX
Attorney General

You may be among the many Texans who would like to take advantage of the sun to reduce your energy costs. If so, solar water heating units may be a good addition to your home.

There are many fine solar energy devices on the market these days and many fine distributors. However, as in any industry, there are also companies which will take advantage of your inexperience and confusion about the wide range of products available.

Before you buy any major home improvement, make sure you shop around. Find out what is available and how much it costs. Don't let anyone talk you into buying something they say is a "once in a lifetime" deal. My Consumer Protection Division has found that such deals are rarely as good as they sound.

My Consumer Protection lawyers advise that you check out books from your local library to find out what can and what cannot be done with solar power

at this time. That way you will have a working knowledge of the technology before you begin to shop.

You'll hear many sorts of misrepresentations in the marketplace. Here are some of the very common ones:

They say a particular device provides a greater percentage of the consumer's hot water needs than it will.

They make exaggerated claims about the investment value of the solar devices.

They falsely claim that their units have been tested or certified by persons or agencies.

When you hear a claim that a solar hot water heater can also heat or cool your home, be very suspicious.

They misrepresent the solar hot water heater's ability to aid

in space heating or air conditioning at some unspecified future time. This is the kind of claim that should make you extremely suspicious of the seller. You should also be suspicious of a salesperson who disparages another seller's product.

If you feel that a product has been misrepresented and you cannot get satisfaction from the seller, you may contact your local Better Business Bureau or the Attorney General's Consumer Protection Division. If you need more help or information on consumer problems, contact your nearest Attorney General Consumer Protection Office (in Austin, Dallas, El Paso, Houston, Lubbock, McAllen, and San Antonio). The Attorney General's Office is the people's law firm. We're here to help you.

"Big Red Feed" set for Sept. 15

The Red Raider Club, Texas Tech University's athletic booster organization will sponsor a "Big Red Feed" preceding the Texas Tech vs. University of Texas at Arlington football game in Jones Stadium in Lubbock on September 15.

The "Big Red Feed" is designed to provide quality entertainment and food for the entire family while raising money for the Tech athletic scholarship fund. The pre-game festivities will be held in the Lubbock Municipal Coliseum adjacent to Jones Stadium from 4:30-6:30 p.m.

The internationally famous Odessa Chuck Wagon Gang will provide the "feed" portion of the day's program—a complete barbecue meal, prepared as only the Chuck Wagon Gang can.

The Pepper Martin Band from Odessa will provide musical entertainment at the Coliseum from 4-5 and 5:30-6:30 p.m. In

between, the Lubbock Square Dance Association will provide dancing and musical entertainment from 5-5:30 p.m.

The Tech-UT Arlington game will kick off at 7 p.m.

Tickets for the "Big Red Feed" are priced at \$8 per meal and may be obtained from the Red Raider Club office in Lubbock or the Texas Tech Athletic Ticket Office. They will also be available at the Coliseum door on September 15th.

To order tickets from the Red Raider Club through the mail, send a check to: The Red Raider Club, P.O. Box 456, Lubbock, Texas 79408.

To obtain tickets from the Texas Tech Athletic Ticket Office by mail, send a check to: Athletic Ticket Office, P.O. Box 4199, Texas Tech University, Lubbock, Texas 79409, or stop by the office in the north end of Jones Stadium southwest of the intersection of 4th Street and University Avenue in Lubbock.

City

From Page 1

two lots. Kenneth Walraven will request permission at the next meeting of the council to place a mobile home on Houston Street north of the swimming pool. He was present but not on the agenda for this meeting.

The Rhode Pipe Company of Silverton was awarded the bid for 700 feet of 10 inch pipe and 400 feet of eight inch pipe and the bid for installation of a pump to be used at the North Water Works, both bids were low.

The Council voted to allow the city to take bids on 1975 and 1977 pickups and a one horse air compressor. All are surplus to the needs of the city.

The council will also receive bids on a 1984 or 1985 pickup for the water department.

The city will attempt to pave two blocks of Sheppard Street, between 6th and 8th streets, before it is too late in the year.

The two blocks will be paved with an inverted crown for water drainage.

The council voted to renew the contract of Joe Morren as City Auditor. The new contract will be for three years and will pay Morren \$30 per hour and his staff \$15 per hour. The city will pick up the cost of postage and supplies.

A new tax rate of 58 cents per hundred dollars of valuation was set for 1984. This compares with 61 cents for last year.

City Manager Brenda Tarter gave the council a report on a new law for the benefit of the handicapped. It will require that handicapped persons be able to enter and leave public places. It will require thought she said it implementing the protection in City Hall. New restrooms may be required and some means found to go from the first to the second floor—for handicapped.

Hospital

From Page 1

reads: "The Medical staff shall assign members in rotation for emergency call, and those members, as assigned to emergency call are required to remain on call at all times during the period designated. The physicians on call will physically be in the hospital within 15 minutes after documented notification by hospital staff. The list of physicians on call will provide for continuous 24-hour service without elapse of time. Members assigned by the medical staff, who refuse to serve or fail to come within the 15 minutes after notification, without ac-

ceptable reason, said reason to be determined by the administrator at his sole discretion, will automatically be suspended from medical practice privileges in Root Memorial Hospital and Root Valley Fair Lodge until the Board of Governors shall review the same, which review shall occur within a reasonable time after said dismissal by said administrator."

The board also accepted more names to a petition backing the board's action in suspending Dr. Thomas Noonan for infraction of hospital rules. There are now a total of 602 signatures on the petition.

CISD

From Page 1

The board discussed, but took no action, on a discipline management program as an alternative to suspension. High school principal Jerry Reynolds explained that when students are suspended for infraction of rules, it is counted as unexcused absences of which they are only allowed six.

In other business, the board amended the school calendar for Sept. 14, Sept. 21 and Nov. 2 so that the band students may leave in time to attend out-of-town football games on those three Fridays. The schools will have shorter classes on those three Friday afternoons so the band may leave at 3 p.m. for games in Seminole, Denver City and Sonora.

Board members also approved hardship transfers for Don West, Clint Longley, Sherrinia

Longley, Carrmon Longley, Julie Waid, John Longley and Darrin Waid, all from the Westbrook school district.

In other business the board: —Agreed to advertise for bids for either lease or purchase of two automobiles and one, pickup.

—Heard a report on the Permian Basin School Board Association Meeting to be held in Odessa on Monday. —Reviewed a report from Oliver Energy Master on savings for June and July at the high school and middle school.

—Reviewed a survey of delinquent property taxes sent to the State Property Tax Board and:

—Was given a student enrollment report showing that CISD had a total enrollment of 1,432 students on Aug. 31.

County

From Page 1

Rav Watlington to attend the West Texas Justice of the Peace and Constables Association convention in San Angelo Oct. 11-13.

Watlington also asked the court to reconsider its decision to alleviate the secretarial position in his office. The court explained to Watlington that the budget for next year doesn't have money

budgeted for his office and that none of the other JP's have secretaries.

In other business, the court: —Approved an affirmative action plan for the county.

—Reappointed Mrs. Joy Piland and Roy N. Byrd to the library board.

—Approved a request by Mike Burt for extra help in the tax office from Oct. 1 through February, 1985.

—Approved a right-of-way easement for Chevron USA, Inc.

—Approved a right-of-way easement for Barron Kidd.

—Agreed to seek bids for a typewriter for the county auditor's office.

—Approved a State of Assurance for the Revenue Sharing Fund and:

—Heard a presentation from John Edwards concerning his proposal to reroute part of the Cuthbert road.

Obituary

Cox

E. J. (Cotton) Cox, 59, of Odessa, formerly of Colorado City, died at 11 p.m. Saturday at Medical Center Hospital in Odessa. Services were at 10 a.m. Wednesday in Hubbard-Kelly Chapel in Odessa.

The Rev. Leon Snelson officiated. Burial was at 1 p.m. at Colorado City Cemetery.

Born September 18, 1924, in Snyder, he married Ira Thigpen October 25, 1949, in Hobbs, N.M. He was a Baptist.

Survivors include his wife; three daughters, Louise Cox of Odessa, Linda Shaffer of Big Spring and Erla Ann Swain of Muskogee, Oklahoma; two sons, Danny and Dean, both of Odessa; six sisters, Izora Pride and Irene Hamilton, both of Andrews, Nollis Huddlestone of Clyde, Arlene Fowler of Big Spring, Glenda Gill of Garden City and Lorene Hollman of Tucumcari, N.M.; a brother, Cliff of Colorado City; 13 grandchildren and two great-grandchildren.

Monahans man takes trophy in local bass tournament

PICTURED ABOVE are the top three fishermen from this past Sunday's Colorado City Bass Club open tournament. From left to right, are third place Ken Gard of Snyder, who hauled in 7 lbs. 8 oz., Mike Hart, Colorado City resident, who caught 8 lbs. 6 ozs. for second place and champion Ken Gard, from Monahans, who bettered a field of 88.

For 88 avid anglers, Sunday's Colorado City Bass Club's bass fishing tournament was pretty tough going. For Larry Stevenson, however, it was just about a perfect outing. Stevenson, who hails from Monahans, outdistanced the rest of the field by catching three fish which tipped the scales at 15 lbs. 4 ozs. The icing on the cake for Larry was that he could have almost won the tournament with just one fish. Second place finisher, Mike Hart of Colorado City, weighed in two bass for an 8 lbs. 6 oz. total while Larry's lone lunger went 8-3!!!

Larry reportedly cast his lure near a steel pipe which was sticking out of the water on a point on the south shore of Lake

Champion about 7:15 Sunday morning when he hung the huge hawg. Knowing he had a good fish, but only guessing it to "go around seven pounds," little did Larry realize that his catch would outweigh the next largest bass of the day by almost four pounds and make up one tenth of the total poundage for the entire tournament!

Those weighing in fish and receiving prizes were: 1. Larry Stevenson, Monahans, 13-4; 2. Mike Hart, Colorado City, 8-6; 3. Ken Gard, Snyder, 7-8; 4. Bo Merket, Colorado City, 4-14; 5. Maxey Ware, Westbrook, 4-3; 6. L. H. Lance, Proctor, 4-0; 7. Bill Doggett, Sweetwater, 3-12; 8. Tommy Hood, Snyder, 3-11; 9. Don Stanly, Odessa, 3-5; 10.

Mike Walla, Colorado City, 3-5; 11. Gene Jackson, Odessa, 3-4; 12. Junior Taylor, Blackwell, 3-1; 13. Gary Gail, Colorado City, 2-10; 14. Dale Blythe, Sweetwater, 2-6; 15. Blake Hammond, Colorado City, 2-6; 16. Jerry Avery, Big Spring, 1-12½; 17. R. O. Pomroy, Monahans, 1-12; 18. Lee Roy Nieman, Odessa, 1-12; 19. Steve Walker, Colorado City, 1-11; 20. Quinten Banister, San Angelo, 1-9; 21. Roy Reed, Andrews, 1-5.

The Colorado City Bass Club gratefully acknowledges the encouragement, support and assistance of the Colorado City Chamber of Commerce, Eddie's Pharmacy, E-Z Way, Gas and Grub, Fuller Foods, White's Auto and the personnel of the State Park.

LARRY STEVENSON, from Monahans, poses with the 8 lb. 3 oz. bass he caught at Colorado City's Lake Champion to win the Colorado City Bass Club's open bass tournament held last Sunday.

Tax seminar

set Sept. 18

at courthouse

State Comptroller Bob Bullock said Mitchell County residents with questions about changes in state tax laws can get answers during a special seminar to be held at 10 a.m. Sept. 18 in the county courtroom, Mitchell County Courthouse, Colorado City.

"The state sales tax rate is going up and a number of new items and services will be taxable for the first time beginning Oct. 2," Bullock said. "We are holding seminars across Texas so that these changes won't come as a surprise to anybody."

Comptroller representatives will explain the changes and answer questions during the seminar. The meeting is open to the public.

Mitchell County residents who cannot attend the seminar should contact the Comptroller's Field Service Office in Abilene at 915-698-1011 or call the Comptroller's toll-free tax hotline at 1-800-252-5555 for answers to their tax questions.

Births

Peggy and Joe Gonzales of Colorado City announce the birth of twin sons, born Sept. 8 at Root Memorial Hospital.

David Andres was born at 4:13 a.m. and weighed 5 pounds, 6 ounces. James Randle was born at 4:37 a.m. and weighed 6 pounds, 10 ounces.

Frank and Rosa Martinez of Snyder, formerly of Colorado City, are proud to announce the birth of their daughter, Crystal Marie, born August 25th at 6:13 p.m., weighing 8 lbs. ½ oz. She was born at Malone-Hogan Hospital in Big Spring.

She is welcomed home by her three year old brother, Frank, Jr.

Maternal grandparents are Mr. and Mrs. Gabriel Badillo of Colorado City. Paternal grandparents are Mr. and Mrs. Albert Martinez, also of Colorado City.

CHS class poll shows issues in presidential race

According to a poll conducted by Colorado High School seniors, the top issues in the current presidential race are crime and defense spending.

Rick Robinson's government class was in charge of the survey which involved each se-

nior polling five people each on what they think the major issues are.

Twenty-nine persons polled said crime was the most important issue while another 29 chose defense spending.

Education was a close third with 28 choosing that category while the national debt was fourth with 27 votes.

Twenty-four picked farm policy while another 20 said foreign policy toward Russia was the top issue. The nuclear freeze and taxes each gathered 21 votes while human rights was ninth with 16 votes. Inflation was 10th with 16 votes.

Other issues included Central America, child care, environment, foreign trade, health care, hunger, immigration, middle East, pay equity, racial equality, Social Security, unemployment, abortion, gay rights, social programs and prayer in school.

The class will be conducting two more polls this school year.

PUBLIC NOTICE

BRIEF EXPLANATORY STATEMENTS
OF PROPOSED

CONSTITUTIONAL AMENDMENTS

GENERAL ELECTION

NOVEMBER 6, 1984

PROPOSITION NO. 1 ON THE BALLOT

House Joint Resolution 29 proposes a constitutional amendment that provides to state-chartered banks the same rights and privileges that are or may be granted to national banks of the United States domiciled in this state. For example, if national banks become authorized to maintain branch offices, this amendment would extend the same privilege to state banks.

The proposed constitutional amendment will appear on the ballot as follows: "The constitutional amendment to provide state banks the same rights and privileges as national banks."

PROPOSITION NO. 2 ON THE BALLOT

House Joint Resolution 19 proposes a constitutional amendment that restructures the Permanent University Fund to provide: (1) for the expansion of the institutions eligible to participate in the bonding capacity of the fund to include the components of The University of Texas and Texas A&M University systems that have been added to those two systems of higher education since the Permanent University Fund was last restructured by constitutional amendment; (2) for the expansion of the purposes for which bond proceeds can be expended from new construction to include major repair and rehabilitation projects and the acquisition of major capital equipment (e.g., computers and laboratory equipment) and library books and materials; (3) for an increase in the bonding capacity from 20% (2% for The University of Texas System and 1% for the Texas A&M University System) to 30% (20% for The University of Texas System and 10% for Texas A&M University System) of the value of the assets (exclusive of real estate) in the Permanent University Fund in order to provide sufficient bond proceeds to care for the addition of 10 new institutions to those authorized to participate in the Permanent University Fund bonding program and to care for the expanded purposes for which the bond proceeds can be spent; and (4) for the dedication of the dividends, interest, and other income from the Permanent University Fund remaining after payment of principal and interest due on bonds and notes issued, to the provision of support and maintenance (over and above normal legislative appropriations) for Texas A&M University in Brazos County, Prairie View A&M University, and The University of Texas at Austin.

House Joint Resolution 19 also annually appropriates \$100 million in each fiscal year, beginning September 1, 1985 (from the first money coming into the state treasury that is not otherwise appropriated by the constitution) for the use of those

education which are not included in The University of Texas or Texas A&M University Systems and, therefore, not eligible to participate in the Permanent University Fund bonding program. The amount of this appropriation could be adjusted every five years by a 2% vote of the Legislature, but could not be adjusted in such a way as to affect outstanding bonding indebtedness. Each institution of higher education that is eligible to participate in the Permanent University Fund (i.e., those institutions of higher education outside The University of Texas and Texas A&M University Systems) would be authorized to expend directly its share (such share to be determined pursuant to an equitable formula) of the \$100 million appropriation for the purposes of acquiring land, constructing and equipping buildings or other permanent improvements, major repair and rehabilitation of other permanent buildings or improvements, and acquisition of major capital equipment (e.g., computers and laboratory equipment) and library books and materials. Additionally, each institution would be authorized to issue bonds backed by a pledge of up to 50% of its share of the \$100 million annual appropriation for the purpose of land acquisition, new construction, and major repair and rehabilitation projects.

Except in the case of fire or natural disaster and in other extraordinary cases, verified by a two-thirds vote of each house of the legislature, all institutions of higher education would be precluded from receiving appropriations of general revenue funds for the purposes of land acquisition, new construction, and major repair and rehabilitation projects.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to create from general revenue a special higher education assistance fund for construction and related activities, to restructure the Permanent University Fund, and to increase the number of institutions eligible to benefit from the Permanent University Fund."

PROPOSITION NO. 3 ON THE BALLOT

House Joint Resolution 65 proposes a constitutional amendment which authorizes the legislature to provide for the payment of assistance to the surviving dependent parents, brothers, and sisters of officers, employees and agents of the state or its political subdivisions, including members of organized volunteer fire departments and members of organized police reserve or auxiliary units authorized to make arrests, who die in the course of performing hazardous official duties. Payments to surviving spouses and dependent children of agencies and institutions of higher

such officers, employees, and agents are already authorized by the Constitution.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the legislature to provide for payment of assistance to the surviving dependent parents, brothers, and sisters of certain public servants killed while on duty."

PROPOSITION NO. 4 ON THE BALLOT

Senate Joint Resolution 20 proposes a constitutional amendment which abolishes the office of county treasurer in Bexar and Collin counties if a majority of the voters in each of those counties vote in favor of abolishing the office of county treasurer in a local election to be held on the issue. All the powers, duties, and functions of the office of county treasurer in each of these counties would be transferred to the county clerk.

The proposed constitutional amendment will appear on the ballot as follows: "The constitutional amendment to abolish the office of county treasurer in Bexar and Collin counties."

PROPOSITION NO. 5 ON THE BALLOT

Senate Joint Resolution 22 proposes a constitutional amendment which provides a new method of filling a vacancy in the office of Lieutenant Governor. The amendment requires the President pro tempore of the Senate to call together the committee of the whole Senate within 30 days after a vacancy occurs in the office of Lieutenant Governor. The committee would be required to elect one of its members to perform the duties of the Lieutenant Governor until the next general election. This individual would continue his duties as Senator at the same time that he performs the Lieutenant Governor's duties. If the Senator who is elected ceases to be a Senator before the next general election, another Senator must be elected according to the above procedure to perform the Lieutenant Governor's duties. The President pro tempore would be required to perform the Lieutenant Governor's duties pending the election of one of its members by the committee of the whole Senate.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the state senate to fill a vacancy in the office of lieutenant governor."

PROPOSITION NO. 6 ON THE BALLOT

House Joint Resolution 73 proposes a constitutional amendment that permits the use of public funds and credit for payment of premiums on non-assessable life, health, or accident insurance policies and annuity contracts issued by a mutual insurance company authorized to do business in this state. The constitutional prohibition against a grant of public money to an individual, association, or corporation or against becoming a stockholder in a corporation, association, or company has limited life and health group policies of political subdivisions to non-mutual insurance companies. The amendment would permit mutual insurance companies to bid for those policies.

Choosing the right exercise class not an easy choice

By DEBBIE CHRISTIAN

So you've decided to sign up for an exercise class, and the question is, which one to take?

Selecting among exercise classes is sometimes just a matter of picking the one that meets closest to your home or at a convenient time. However, there are other important points to consider as well.

For example, you can't always judge the quality of an exercise program by the size of the fee charged.

In fact, some of the best exercise programs may be available to you through public agencies and service organizations at very low cost.

The key rule for selecting an exercise program is finding one that actually leads to increased fitness through appropriate aerobic exercise.

So before signing up for any exercise class, ask the following questions. The more "yes" answers you can give, the more likely that the program will help you become more fit.

Are personal health history forms or medical release forms required?

Will you get an individual fitness assessment and evaluation?

Do the warm-up and cool-down phases include slow stretching (not bouncing)?

Does the class emphasize cardio-respiratory endurance (aerobics) rather than dance technique?

Are five to 15 minutes allowed for warm-up; 20-30 minutes for aerobic conditioning; and five to 15 minutes for cool-down?

Does the instructor explain and follow the aerobic training principles for frequency, intensity, time or duration and type of exercise?

Will your individual target heart rate zone be explained, established and frequently monitored?

Do instructors watch students close enough to guard against overworking?

If the class meets less than three times per week, are other aerobic activities suggested?

Are other aspects of fitness,

such as body composition, diet and weight control discussed factually?

If you aren't physically capable of doing the more demanding exercises, will you be given alternatives?

Does the instructor have a background in physical education, anatomy, physiology, fitness, injury prevention and exercise technique?

Matejowsky speaks to group on Europe trip

Mrs. Clarence Matejowsky told of her trip to Europe this summer when the North Lorraine Extension Homemakers met in the home of Mrs. Roy Wells at 2:30 p.m. September 5th for a regular meeting. Seven were present.

The meeting opened with prayer led by Mrs. Hubert Meadows. Roll call was answered with "Something I remember about my first year in school."

Mrs. Wells conducted a quiz game for the recreation.

During the business session, plans were finalized for the club's food and work schedule in the kitchen during the Mitchell County Fair.

In her talk, Mrs. Matejowsky said the group traveled in London, France, Germany, Austria

and Belgium. Of the many areas she visited, the following is a list of a few of the places:

Changing of the Guard in London, plus other sights in that area, crossing of the Channel to France, viewing many ancient castles, taking a boat ride visiting the oldest University in Europe, the marvelous display of Christmas decorations at Rotterdam, a view of some of the World War II sites.

One of the most interesting events was seeing the "Great Passion Play." She enumerated many other interesting places and things. Changing of their money from country to country was sometimes confusing, but she stated this trip was a lifetime dream fulfilled.

Lorraine Personals

by Ida Baird

Mrs. Ruth Blair returned home Friday after almost two weeks in the state of Colorado. She accompanied a sister and husband, Rev. and Mrs. W. E. Dugger, Jr. of Brenham, Texas.

They visited another sister and husband, Mr. and Mrs. R. E. Nichols and Stacey in Colorado Springs. They were highly entertained while there, doing a lot of sightseeing, shopping, visiting, enjoying back yard cookouts

and picnics in the mountains, also fishing. The temperature at night was

40 degrees with some snow at night.

xxx

Mrs. Ruby Epperson had as her guests last Monday through Wednesday, a cousin, Mrs. Ophelia Crver from El Paso and her sister, Mrs. Lota Freeman from Odessa. On Monday they visited her son, Roy Epperson in Robert Lee and drove to Sterling City and back through the Spade Ranch. Though nearby, they had never been to the ranch and were glad to see the setting of the ranch house they had always heard about.

"Ready" Class met Monday

The "Ready" class of First Baptist Church Loraine, met in the home of Mr. and Mrs. E. J. Schroeder Monday night for their September meeting. Co-hostesses were Mmes. Herbert Mearse and J. C. Wells.

Mrs. Bertha Fay Snyder brought the devotional entitled "We have a chance to witness for our Lord every day."

Mrs. Dorothy Johnson, who has recently returned after a trip to Germany, France, Switzerland, Leichenstein, Austria, etc., showed slides of the Passion Play she attended in Ober-

ramergau on August 5. She gave a history of the play and the characters who do not wear makeup.

They begin while young to prepare for parts in this world known play. The six hour play is shown every ten years, this year being an exception as it marked the 350th anniversary.

The production lasts from May through the middle of September. The 700 member cast wear weatherproof costumes, as part of the play is in the open. The front stage has no top, only the back stage is

covered. To attend the world's Passion Play is not possible for all, but seeing the slides and hearing Mrs. Johnson's beautiful description was a treat for those attending the meeting.

Refreshments were served to the one visitor, Mrs. Johnson and members: Estelle Merritt, Juanice Butler, Lorene McNeill, Ruby Lee Small, Rosie Hamrick, Dominga Galvan, Iva Armstrong, Margaret Brame, Estelle Lee, Bertha Fay Snyder, Billie Ruth Tarrt, Allie Ruth Wiggins, Alta Miles, Geraldine Parnell and the hostesses.

Christian presents program on importance of calcium

The Baumann Extension Homemakers met with Mrs. Clara Butler at 2:30 p.m. Tuesday, with Miss Debbie Christian, County Agent, bringing the program on the subject of "Calcium."

Mrs. Bernice Hallmark presided. Vada Preston brought the recreation and roll call was answered with "What I remember from my first year in school."

In her talk, Miss Christian stated many persons have a lack of calcium in their diet. Since most Americans do not use milk and milk food products which

are primary sources of calcium therefore their diets are lacking in calcium. Calcium is the most abundant mineral in the body. It helps clot the blood, regulates the heart beat and regulates the nervous and muscular system. Abundant amounts of calcium in the diet are necessary for good development of the bones, and in teeth, calcium and phosphorus forms crystals similar to those in bones to give them strength.

Foods high in calcium are milk, milk group foods such as cheese, cottage cheese, custard. Two or more servings of milk and milk group foods provide 75

percent of the calcium needed. Other good sources of calcium are dried fruits, leafy green vegetables, molasses and dried beans.

She stated a diet low in calcium may result in an abnormal heart beat, which may effect the nervous system, poorly developed teeth, bone disorder, etc.

The club discussed the Mitchell County Fair and will be taking part in food for the kitchen.

Eleven members and two visitors, Miss Christian and Mrs. Doris Dockrey.

UMW hears program given by Bryant

The United Methodist Women of Loraine met for their regular business and devotional time at 9:30 a.m. Sept. 5 at the church.

Mrs. Elsie Bryant brought the devotional on "Witnessing." She emphasized that being "doers of the word" indicated true witnessing.

During the business, the upcoming annual meeting of North West Texas Conference of United Methodist Women was discussed. Big Spring First Church will host the meeting in October. All Methodist women in the Conference are invited to participate. The Loraine women have been working on their assignments.

Compton gives devotional at meeting

Members of the "Friendship" Sunday School Class of First Baptist Church Loraine, held their September meeting in the home of Mrs. Sally Compton Monday night, enjoying a salad supper. Election of new officers was held.

Mrs. Compton gave the devotional on the subject "The last will and testament of Jesus Christ." The group sang the class song, "Fill My Cup Lord." Shirley Clifton presided over the business session and the following officers for the new year were elected: President, Marilyn Tarrt; Vice-President, Christine Britton; Secretary, Dorothy Finley and Treasurer, Doris Graham. Elected as group leaders were Nine Meadows, Elnora Mitchell and Willadean Forbus. Teachers are Doris Mae Henderson and assistant, Christine Hall.

Present was one visitor, Jennifer Clifton. Members present were: Mary Helen Graham, Doris Mae Henderson, Marilyn Tarrt, Doris Graham, Shirley Clifton, Christine Britton, Lou Terry, Jennine Rundell, Willadean Forbus, Dorothy Finley and the hostess.

Martins enjoy guests

Guests in the home of Mrs. Harold Martin Sunday were her children, most of her grandchildren and great grandchildren.

They were Mr. and Mrs. Merrill Martin, Mr. and Mrs. Barry Martin, Mr. and Mrs. Don Martin and their granddaughter, Bethany, Mr. and Mrs. Scott Martin, all of Abilene. Mr. and Mrs. Don Opheim, Mr. and Mrs. Richard Adams and Erica, Mr. and Mrs. Stanley Martin, Dana, Daniel and Darin, all of Lubbock; Mr. and Mrs. Terry Martin, Brandon and Hope, Mr. and Mrs. Lane Martin of Snyder and Landon Opheim of Midland.

They all attended the 11 o'clock service at the First United Methodist Church in Loraine and several of the family presented a musical special.

Mrs. Martin presented to the church a picture "Offer Them Christ" by Kenneth Wyatt. He produced the painting especially for the churches in recognition of the Bicentennial of Methodists in America. Mrs. Martin gave it in memory of her late husband, Harold Martin.

Others who joined the group for lunch were Mr. and Mrs. George Mahon of Colorado City, Mr. Elmer Mahon and Douglas of Roscoe, Mrs. S. E. Meadows and Mr. and Mrs. Royce Mahon of Loraine.

Taylors enjoy trip to Hawaii Islands

Mr. and Mrs. Willie Taylor returned home on Tuesday, September 4th from a trip to the Hawaiian Islands where they spent eight days at the Outrigger Prince Kuhio Hotel in Honolulu.

Following a champagne breakfast the first morning, they toured a garment factory where beautiful costumes are fashioned. Also the Dole pineapple canning plant was visited. The second day they toured the city of Honolulu and Pearl Harbor. The highlight of the day was visiting the Arizona Memorial which is constructed above the sunken battleship Arizona.

Friday evening they attended a Polynesian dinner show at the beautiful Hilton Hawaiian Village. The next day they flew to the island of Hawaii which is the largest of the chain. The day was spent in seeing the volcano mountains and looking into dormant craters, one of which erupted last in 1978.

On this tour they picked Macadamia nuts and ripe coffee beans from the trees and saw many beautiful beaches including the Black Sand Beach. The next day was spent on Waikiki Beach and in the evening they

attended a Hawaiian Beach Luau at Paradise Cove eating roast pork and all the trimmings.

A Polynesian Hula show followed the meal, ending with a display of fire works. Monday was spent visiting the Curio and gift shops along Waikiki Beach and seeing the beautiful Hawaiian sunset. The next day was spent on the Polynesian Cultural Central tour, visiting the Dole pineapple and sugar plantations. They also spent five hours at the Aloha Festival.

The last day they attended the Kodak Hula show and spent the rest of the day on the beach.

They departed Honolulu at 10:20 p.m. arriving at Houston at 8:30 p.m. after a visit with their daughter, Gaylene Taylor in Houston. They traveled north arriving in Loraine after a wonderful trip.

Work-saving tip: If you live in the Eastern time zone, you can always call the West Coast office at 3 p.m. and be sure to miss everyone who has just dashed out to lunch.

Lone Wolf tournament set Saturday

By TONY FRANCO

A tremendous match ending in a kill by junior spiker Denise "Spud" Jackson put the finishing touch on a fine team effort displayed by the Colorado High School volleyball team in an exciting 15-9, 18-16 victory over Irion County last Monday night.

"That last spike by Jackson was the hardest I've seen in high school volleyball," said head girls coach Mark Merrell, whose Wolves host the annual Lone Wolf Tournament this coming Saturday.

Those who witnessed the game here at Wolf gym certainly got their money's worth as the Wolves "showed a lot of teamwork, team spirit and were really excited," said assistant coach Linda Mathis.

The Wolves started off a little shaky—missed hitting the ball early in the first game to give Merkel a 1-0 lead. From there though Colorado City rode the serving of Jody Huff and a spike by Jackson to take the lead back at 4-1.

Following a Hornet score, Yvonne Lujan served to make it 5-2

in favor of the Wolves then Irion County ran off seven straight points to take a 9-5 lead.

That turned out to be all the scoring the Hornets would do in the first game though as the Wolves took the next 10 points and the game 15-9.

With Jackson serving, Colorado City made a strong team rally mixed with a dink or two by Diane Gregory to pull away at 12-5.

After Merkel finally managed to end Jackson's streak, the Wolves then got one service point from Janie DeLoera and two from Traci Blackwell to end the game.

In the second game the Hornets from Mertzon proved an even tougher opponent pushing the Wolves to an extra points 18-16 decision.

Irion County again scored first but Blackwell served to give the lead right back to Colorado City at 2-1. An ace by Jody Mann made it 3-1 then the Hornets tied it up at 3-3.

Behind three different servers, Colorado City then used spiking by Sherry Fite and

setting by Lujan to take a 7-4 lead. Serving in the stretch were Jackson, Gregory and DeLoera.

With Fite serving a spike by Sherri Morris then gave the Wolves an 8-4 lead. Irion County then scored nine straight points to take a 14-5 lead seemed bent on forcing a third and deciding game.

But then enter Rebecca Erwin.

Behind aces by Erwin and spikes by Huff the Wolves again made an impressive team rally to take the lead back at 15-14.

The Hornets edged ahead 16-15 before Morris and Jackson combined for the next three points and the match.

Following a spike by Jackson that made it 16-16, Morris then served an ace to make it 17-16. The Wolves then won the game and match 18-16 when Jackson took a Blackwell set-up and connected on her powerful match-winning kill.

All the good serving and spiking overshadowed fine defensive play by other Wolf team members.

Julie Waid and Diane Gre-

gory played good coming off the bench and Yvonne Lujan had another good game," said Merrell.

"It was a good game. They played together as a team better than in the past," said Merrell. "Our bench did a real good job."

The Wolves were good on 43 of 48 serves with Jackson and Erwin tying for high point honors with seven each. A missed serve by Fite was her first after 33 good ones prior to the game.

Lujan and Blackwell led in the setting category with 27 and 20 set-ups respectively. Fite collected 16 and Jackson 13 of the team's 40 spikes and the Wolves committed 23 errors.

Colorado City can expect a fight if it hopes to defend the Lone Wolf tournament championship it took last year as teams from Miles, Clyde, Merkel, Water Valley and Irion County will be on hand along with two junior varsity squads from Colorado City.

Colorado City JV No. 1 and Merkel kickoff the Lone Wolf Tournament Saturday at 8 a.m. with the Wolves varsity opening play at 9 a.m. against Miles. Colorado City JV No. 2 plays Water Valley at 10 a.m.

DIANE GREGORY (5) returns the ball during the Wolves volleyball victory over Irion County last Monday night. The Pack won 15-9, 18-16 to move to 2-2 on the year and host the Lone Wolf tournament this coming Saturday. Also pictured are Denise Jackson (12), and Janie DeLoera.

Wolves travel to Seminole - ready to take on Indians

By TONY FRANCO

The Colorado City Wolves wrote history last Friday night by becoming the first CHS squad to deal Slaton back-to-back defeats and now prepare to take on a strong Indian team at Seminole tomorrow night.

After taking a good look at the Wolves vs. Tigers film, coach Tom Ramsey said, "We got excellent play from our two guards and center. Steve Rosas, all 143 pounds of him, right guard Freddie Pineda and center Johnny Rivera played excellent. Ninety-seven percent of our yardage came from our inside running game behind them."

Colorado City milked its running game for a 10-0 victory over the Tigers while its passing game was somewhere in hibernation.

Tomorrow night the Wolves rumble with the Indians at Seminole and all gears will have to be working if the Pack hopes to jump to a 2-0 record.

Last year the Indians shut down Colorado City's running game—forcing the Wolves to rely on a stingy, turnover causing defense and the passing quarter-

back Doug Chitsey for a 35-14 victory.

Colorado City led only 7-6 going into the fourth quarter before interceptions by Dennis Rivera and receptions by Rivera and Don Randle paved the way for four fourth quarter touchdowns.

"I hope we don't have to wait until the fourth quarter again," said Ramsey. "It makes for an exciting game but it's hard on coaches. I like games with control."

Seminole has a larger club and is better than last year. We're going into hostile territory but we will be ready. They do have quickness and move really well when the ball is snapped."

"We expect a tough battle," said Seminole coach Bill Burling. "Colorado City is picked first in their district and we're picked last in ours."

On last year's Wolves-Indians game, Burling said, "I felt if we had maintained our intensity and eliminated errors we could have stayed in the game."

The Indians return six offensive and seven defensive start-

ers from last year's team with 15 total returning lettermen. Seminole opened the season last Friday by defeating Coahoma 27-0 and used two different quarterbacks for aerial strikes.

In the game Burling "saw tremendous improvement from last year's squad," and gives his rushing game a slight edge over the Indians passing.

"Last year Robinson missed out on quarterback because of a broken collarbone. Rios saw a lot of playing time and it's been a heated battle between the two. We feel we have to be ready for Chitsey."

"Both teams are unscored on so it could turn into a defensive struggle," said Wolves head coach Ramsey. "We have a few surprises that Seminole will get to look at."

On offense, the Indians use a multiple T formation with a wing and a slot. On defense, Seminole has an even front 4-3 alignment.

Despite defeating Slaton, the Wolves fell from 30 to 32 in the Harris rating system and are one point favorites to defeat the 49th ranked Indians.

Kickoff is at 8 p.m.

Bulldogs looking for first win

The Loraine Bulldogs, who opened the 1984 football season with a close 14-8 loss at Irion County last Friday night, look for their first win of the young season when they host the Robert Lee Steers tomorrow at Bulldog Stadium.

In the loss to the Hornets from Mertzon, the Bulldogs had running back Tony Morris and Aundra Rose both rush for over 100 yards.

Morris took a pass from quarterback Joe Espinoza at midfield then ran in for Loraine's only score.

Following the game, Loraine head coach Sandy McSpadden felt that mistakes and a few breaks spelled the difference in the game's outcome. "But they have a right to be proud for the way they represented themselves."

Against Robert Lee tomorrow night, the Bulldogs will be facing a team also still looking for win number one.

Last Friday, the Steers gave up 311 rushing yards to Reagan County enroute to a 20-7 loss.

The Steers scored first when Greg Grim returned the opening kickoff for a touchdown and a short lived 7-0 lead.

Grim repeated the feat in the third quarter but was called back on a penalty. Reagan County completely dominated the game, totalling 20 first downs to Robert Lee's seven and held the Steers to 61 total yards.

Last year against Robert Lee interceptions allowed the Steers to take a 20-7 victory. Robert Lee led 20-0 at the half before the Bulldogs played them even in the second half.

Loraine's sole score came on a six yard touchdown run by quarterback James Griffin that was set up by a 60 yard pass from Griffin to Joe Espinoza - this year's quarterback.

In addition the Bulldogs were whistled for 95 yards.

The Bulldogs and Steers kick-off at 8 p.m.

Saturday, September 15
COLORADO CITY
Lone Wolf Volleyball Tournament, 8 a.m.

Have you ever bought insurance through the mail, over the phone or from a door-to-door salesman and then had a question or a problem?

If you have, then you probably also have experienced the difficulty in getting answers or solutions.

Quite often, after the sale, the agent is impossible to find and locating the home office is time-consuming, frustrating and sometimes expensive.

To avoid these problems, buy your insurance—life, health, home or auto—from a local agent, someone who has an office in your town, someone who may be your neighbor.

Not only is he easier to find when you need to find him, but he is also more concerned about seeing that you are satisfied with your purchase than is the agent you have never seen before and will probably never see again.

A public service message from the Mitchell County Farm Bureau.

Jerry Wilbourn

In Your Hometown Merchants
Football Guessing Contest

Rules For The Game
Mitchell County merchants are once again sponsoring a Football Guessing Contest with a cash prize of \$25 for the top guesser each week.

All you need do is check each merchant's listing on this page for one of the contest games and its number. Print your choice of the winner of each game in the blank next to the corresponding number of each game on the official entry below. Be sure you select a winner for each game.

On the OFFICIAL ENTRY BLANK print your guess for the exact score of the Tie-Breaker Game (to be used in case of ties). Be sure to print your full name and address. Persons under six years of age are not eligible to enter. Each Entry Must Be Delivered To The Colorado City Record Or Postmarked, If Mailed, Before 5 P.M. Each Friday.

Clip and mail blank to:
Colorado City Record
P.O. Box 92/Colorado City, Texas 79512

3 local men named Roundup chairmen

Bill Ellis, Tom Neff, and Waddell Strain of Colorado City have been appointed area chairmen for the Cattlemen's Round-Up for Crippled Children, according to Jim Alexander of Abilene, general Round-Up chairman.

They are among nearly 200 chairmen statewide helping in this 25th year for the Cattlemen's Round-Up to benefit the West Texas Rehabilitation Center in Abilene and San Angelo, said Shelley V. Smith, president-executive director of WTRC.

Aubrey Stokes of San Angelo is CRCC co-chairman in the Southwest region.

"Cattlemen have always believed in the philosophy of neighbor helping neighbor, and the Cattlemen's Round-Up for Crippled Children is a beautiful

example of that help," said Alexander.

"Livestock donated by ranchmen are collected at a designated point in each community and transported free to the auction site," he said. "The area chairman's role is to make a personal pledge, then ask friends and neighbors to join them in the annual Cattlemen's Round-Up drive."

Sales of livestock are converted to dollars and the amount provides care for about 11,000 handicapped persons throughout the Southwest at Rehab campuses.

Scheduled sales include: Cattle Sale - Sept. 24, Abilene Auction; Horse Sale - Oct. 6, Abilene Auction; Junction Sheep and Goat sale - Oct. 8; Coleman sale - Oct. 10; Stephenville sale - Oct. 10; and Brownwood sale - Nov. 7.

Since 1960 when the late Fort Chadbourne rancher Conda Wyllie first approached Smith with the idea, the Round-Up has been a major fundraiser for WTRC.

"It will take about \$4.5 million for us to treat the approximately 11,000 handicapped we'll serve in 1984," said Smith. "About 75 percent of that \$4.5 million must come from donations. The balance comes from contract and insurance payments. No federal funds are used in treatment."

At the West Texas Rehabilitation Center campuses in Abilene and San Angelo trained personnel provide top quality care in physical, occupational and speech therapy, audiology, orthotics, psychology, education and social services, all without charge to patients.

Golden Agers enjoy recent get-together

The Westbrook Golden Age Club met Tuesday night, Sept. 4 for a sandwich supper and musical. Hosts and hostesses were members with birthdays in September.

Members and guests were welcomed by Mrs. Minnie Anderson, president. New business brought before the club was the need for an electric range for the club kitchen. Offers or suggestions will be welcomed, she said.

Some 43 members and guests attended, including Perry Echols, Bessie Shaw, Ethel Dunn, Edgar and Bertha Andrews, Wayne Newton, Nina and Robert Garner, Doug and Ann Barber, Herman Miner, Velma Hester, Muriel Thurman, and Rita Richards.

Also, Gip and Neva Harmon, Willie Brooks, Irene Jackson, Lester Horn, Kay and Clyde Gregory, J. D. and Mary Iglehart, N. W. Stokes, Rae and Lovd Fortenberry, Oren and Louise Moore, Frances Proctor, Inez Oliver, Fannie Morris, Sophia Oliver, Ruth Buchanan, Alvin and Lela Byrd, Maggie Hamrick, Jack Kitchens, Ruby Jackson, Della Self, Cody Hayes, Hoyt Roberts, Betty Bays and Ralph Hines.

Games of "42" and dominoes were played, and music and songs were enjoyed by the group.

The next regular meeting of the Golden Age Club will be Oct. 2 with members with birthdays in October serving as hosts and hostesses.

Scott attends recent convention in Utah

Wanda Scott of Colorado City attended the American Legion Auxiliary's sixty-fourth Annual Convention in Salt Lake City, Utah. She served as the Texas Delegation Page at the convention which was attended by women from every state as well as the Philippines, Panama Canal, and Puerto Rico. Joni Porter was a delegate.

Of the nearly one million women of the American Legion Auxiliary, 110,640 are Junior members (under 18 years of age). The Juniors held their first National Meeting in Salt Lake City this year, electing their first Junior Officers. Shirley Ott served on the National Junior Activities Committee.

Convention reports revealed local Units volunteered over one million hours and spent

\$4,711,510 on Children and Youth programs; over 2,500 young people received scholarships totaling \$708,603; members gave 495,089 hours of Community Service spending \$763,439; and volunteers gave 3,166,713 hours of service to our nation's veterans and spent over four million dollars to take care of their needs this year.

A highlight of the convention was the address of President Reagan on September 4 to the joint session of The American Legion and American Legion Auxiliary.

Thirteen hundred guests were entertained at the Annual States Dinner by comedian, Bob Hope.

The ladies are all members of Woods W. Lynch Unit No. 19 of the American Legion Auxiliary, Department of Texas.

Scurry Co. Museum to feature photographs

SNYDER - The Scurry County Museum at Western Texas College will feature photographs by Camilla Blain in an exhibit opening Sept. 16 and continuing through Oct. 16.

The exhibit is titled "West Texas Wildlife" and the photographs included illustrate the wide variety of wildlife indigenous to West Texas.

Two bronze sculptures by Dr. Robert Taylor, Snyder artist, will also be on exhibit.

Mrs. Blain, an Odessa resident, grew up on a ranch in Central Texas. She learned to hunt, fish and ride horseback at an early age and her love of wildlife is apparent in her photographs. Her works are currently

exhibited in numerous galleries in the United States including Kellve Gallery in Abilene and the Centerpiece Gallery in Big Spring.

The Scurry County Museum is open from 1-4 p.m. on Sundays and from 10 a.m. to 4 p.m. Monday through Friday. There is no charge for admission. Information about museum exhibits and special tours may be obtained by calling the museum at 915-573-6107.

The Diamond M Museum of Fine Art, located at 909 25th Street, is open from 1-4 p.m. on Saturdays and Sundays and from 10 a.m. to 4 p.m. Tuesday through Friday. There is no charge for admission.

NO ONE WAS INJURED Monday morning in a minor traffic accident. The minor accident occurred at the intersection of 2nd and Oak Street.

Research Center is important to parents of small children

By LLOYD BENTSEN
United States Senator

Millions of tax dollars are spent each year on medical care for children in our own nation who suffer from malnutrition.

Hospital care for malnourished infants in Houston, for example, costs some \$12,000 a child. In all, more than \$500,000 a year is spent in that city alone to treat children who don't get enough nourishment.

In most cases, though, the parents are unaware that their baby is receiving anything less than a healthy, nourishing diet. When the baby becomes ill, they are astounded to learn the problem is malnutrition.

The Children's Nutrition Research Center at Baylor College of Medicine in Houston decided to solve this medical mystery.

Its 20 scientists investigated and found that, among other things, some babies simply cannot digest the sugars used in commercial infant formulas, and therefore gain little nourishment from them.

The Center is now developing new formulas and dietary supplements that will help ensure adequate nourishment for these infants.

This is just one accomplishment of the Children's Nutrition Center, which is our nation's only research program dealing with the nutritional needs of infants and their mothers. There are other results.

The Center has found that babies can digest and use cereals as early as one month of age, far sooner than previously thought. It is continuing studies on other foods to find the best time for introducing them into an infant's diet to provide the best health and growth potential.

Scientists at the Center are

also working to develop infant formulas that are more easily digested, that are better utilized by the infant and that may help ward off infection.

I spent two years working to establish the Children's Nutrition Center, and was proud to take part in its opening ceremonies in 1978.

But the Center has a problem. It's losing its lease. In the not-too-distant future, the Center must move out of its rented offices.

It would be a shame to lose this Center or see its effectiveness diminished by a forced move far away from the Texas Children's Hospital on the Baylor College of Medicine campus in Houston.

I wrote to the Senate Appropriations Committee chairman and requested that money to construct a building for the Children's Nutrition Center be included in a funding bill under consideration. The money has now been approved.

The Center is a sound investment for American taxpayers. Its research is helping to assure that the \$10 billion the U.S. government spent on food programs last year is truly meeting

the needs for which they were developed.

By finding ways to better meet the dietary needs of children, and their mothers, the Center also can help reduce the high cost of health care.

In helping the Center remain open and working effectively, our tax dollars will accrue substantial immediate benefits, not to mention rich dividends for future generations of Americans.

Historical Commission to meet

The Mitchell County Historical Commission will meet on Wednesday, Sept. 19, at 3 p.m. in the Hesperian Room of the Public Library.

Guest speaker will be retired postmaster Arlene Morris. He will give a history of rural mail carriers, post offices and postmasters with special emphasis on the Herbert and Spade community post offices.

Refreshments will be served after the meeting.

Westbrook Wanderings

By RUBY CLAXTON
Mr. and Mrs. W. A. Bell were in Odessa last weekend visiting with Mr. and Mrs. Larry Bell, Brad and Corey.

xxx
Mrs. Nellie Pelton of Hanford, Ca., has spent the last two weeks visiting her sister, Mr. and Mrs. A. G. Anderson. Herby Pelton spent last weekend with the Andersons and took his mother home.

xxx
Mr. Anderson's sister, Mrs. Elvie Blalock of Ennis Creek, near Snyder, visited with Mr. and Mrs. A. G. Anderson over the weekend.

xxx
Mr. and Mrs. Wayne Pierce

went to Temple on Sunday where Mr. Pierce was to undergo tests on Monday at Scott and White Hospital.

xxx
Gayle Rollins had surgery in Scott and White last Friday. The report is that she will be home in a few days.

xxx
Mr. Jerry Webb is in Hendrick Memorial Hospital where he will have surgery for varicose veins on Monday.

xxx
Mrs. Terry Webb was honored with a wedding shower Saturday afternoon at 3 p.m. in the fellowship hall of the First Baptist Church.

Guests were served from a table where peach and ivory color scheme was carried out.

Stephanie Pierce presided at the registry.

Hostesses were Sue and Stephanie Pierce, Marcell Moody, Wilma Jean McKenney, Frances Ranne, Christine Ware, Peggy Ratliff, Cloia Whitesides, Becky Manning, Winnie Putman, Lucille Stone, Marlena Rice and Georgia Lankford.

The couple is making their home in Big Lake.

xxx
Visiting with Mr. and Mrs. Clyde Gregory over the weekend was their daughter, Mr. and Mrs. Henry Bagwell of Amarillo.
