City's 2.3 Million Freeway Scheduled for '59-'60

State Highway Department has allocated $2,345,000 for Highway 80 (Interstate 20) freeway construction at Colorado City.

The 7.2 mile link — closing the last gap in Highway 80 freeway within Mitchell County — is scheduled in the department's 1959-60 interstate construction program.

Preliminary drawings for the multi-million dollar project, which will skirt Colorado City just north of the city's present boundary, already have been completed.

Final drawings and planning now will be pushed ahead, J. C. (Jake) Roberts, State Highway Department district engineer in Abilene, told the Record by phone.

Actual contract for the construction is expected to be let in the 1960 phase of the interstate program, according to Joe Smoot, resident engineer here for State Highway Department.

The freeway project here at Colorado City is one of two Highway 80 bypass construction jobs with financing in the 1959-60 program.

Big Spring is the site for the other project, a 7.3 mile link with an appropriation of $4, 857,000.

Nearing the contract stage and previously tabbed with multi - million-dollar allocations are Highway 80 freeway bypasses at Sweetwater and Abilene.

All total, the Texas Highway Department has ticketed 226 million dollars for interstate construction during the 1959-60 period.

The appropriation for Mitchell County's Colorado City interstate route includes funds for right of way purchases. In freeway construction across Mitchell County east and west of Colorado City, right of way was purchased by the county thru a $200,000 bond election. That was before a new provision in the interstate program for right of way funds to be furnished by government funds.

Smoot said the Colorado City freeway route will tie in with Highway 80 freeway west of the city at a point almost where the new construction now ends three miles west of here.

The new segment will curve north as it extends east from the western connecting point.

Most northern point of the route will be where the interstate freeway crosses State Highway 208 (to Snyder), just north of the present city limits between Derrick Cafe and Texas Drive-In Theater.

Connection point east of the city will be 500 or 600 feet north of Colorado Country Club Road, curving into the present freeway two miles east of the city.

Grade separations—interchange points with other traffic routes — are listed for at least six places in preliminary plans.

These are at the east and west (1 and 2) tie-in points with present freeway, (3) at Rogers Road, west of the city near the Sands area; (4) intersection with State Highway 208 north of the city, (5) intersection with Old Buford Road, and (6) intersection with Country Club Road.

Smoot, however, emphasized that the routing and grade separation are not final.

"These are preliminary planning only," he said, "and must be approved by U. S. Bureau of Roads."

There may be changes before the plans are given final approval."

TITLE BIDS IN SNYDER

Pony, Little League Stars To Open Area Play Monday

Colorado City's Pony League and Little League All-Stars make bids for Area Championships Monday night in Snyder.

Several hundred local fans are expected to back the two teams in the playoff tilts.

Game times have been changed in order that fans can see majority of both games. Both were originally set for 7:30 p. m., but game officials have rescheduled the Little League game at 7:15 p. m. and the Pony League game at 8:30.

Both fields are located in Snyder's Towle Park, southwest of the High School Building.

The C-City Little Leaguers will play the Snyder American League All-Stars in the Monday game. If they win that one, they play the Snyder National League All-Stars on Tuesday night for the Area 2 Crown.

The winner of the Area 2 crown will meet the winner of the Area 1 title in Snyder at 5 p. m. Thursday.

The Pony League All-Star game is a two-out-of-three-game affair. If the Colorado City team wins Monday and Tuesday night games in Snyder, they will advance to the district playoffs. If a third game is necessary, it will be played in Snyder Thursday, probably at 7:30 p. m.

The 15-man Pony League squad is composed of Curtiss Scott, Archie Biggers, Harold Hendley, Terry Davis, Charles Houston, Martin Christian, Bobby Stewart, Louis Franco, Willie Joe Smith and Daniel Garcia.

Team manager is Win Talley with Ron Gurley as coach.

Christian, who was scheduled to catch for the Pony All-Stars, has been hurt and will probably not see duty Monday night. Scott is a likely starter at that position.

Talley will either call on Garcia or Hillhouse for pitching duties in the first game.

Other likely starters are Smith at first; Davis at second, Stewart at third, Barnett or Houston at short, Franco in left field, Vest in center and Currie or Stewart in right.

Biggers will probably see relief pitching duty or start Tuesday's game.

On the Little League All-Star team are Frank Biggers, Pete Garrett, Danney Kennemur, Leon Sweatt, Dale Walker, Larry Hamner, David McKay, Denzil Pendergrass, Roger Proctor, Joe Anderson, Freddie Fox, Ronnie Hillhouse, Bill McGuire and Joe Wallace.

Roy Sweatt is All-Star manager with Charles Pruden as coach.

Sweatt's line-up was not available Saturday but he will probably call on ace hurler Walker to work in the first contest.

ONE LOCAL DOLLAR MULTIPLIES TO SIX

Just a single dollar . . . spent at home instead of being used to "pick up" something in the city . . . may account for five or six or more additional home-trade dollars as it goes 'round and 'round among us.

That's this week's advice in the buy-at-home-page feature sponsored on page two of this issue by local business men.

Each such dollar put on the home-trade merry-go-round in an investment that comes around and back into our own hands again from time to time.

And every added dollar or trade volume in Colorado City means a little better jobs for us . . . increased business profits, better property values . . . a little better support for our churches, schools and other civic facilities . . . a little better stores and service to meet our daily and emergency needs.

EFFECTIVE JULY 31

Bynum Quits as Lake Patrolman

Howard Bynum, patrolman at Lake Colorado City for several years, has resigned his lake job.

City Manager Rollin K. Snethen told City Council this week the patrolman's resignation will be effective July 31.

Snethen said Bynum was quitting because of outside pressures and criticisms that have developed since the patrolman opened a privat business last spring at the lake.

Bynum is an operator of Lakeside Lodge & Cafe, a fishing and eating place with pier, boats and cottages on the west side of the lake.

His resignation as patrolman will be effective July 31, according to Snethen.

"His quitting," the city manager told councilmen, "is the result of criticism and insinuations about operating his business and lake patrol at the same time.

"It is criticism," Snethen continued, "which I think pretty much unfair for he put in a lot of time out there.

"But the pressure has been too much, so he has resigned."

"It is one of those things . . . when statements finally become fact in some minds."

No replacement has been named yet for the patrolman's post.

Remodeling to Start At Chamber Office

Remodeling will begin this week at Chamber of Commerce office in Civic House.

Contract for the work was awarded to Allied Contractors Inc. on a low bid of $4,500.

An additional $1,000 will be spent for new furnishings for the office, according to Jeff Taylor, chamber president. Financing for the project will be through a loan secured by Jaycees. Directors approved the project recently.

City to Buy Loader, Police Car

A dirt loader, costing $6,990, will be purchased by the city from Plains Machinery of Lubbock.

Council approved by unanimous vote the purchase of the Allis Chalmers equipment as the low of two submitted bids. The other was a Hough loader, bid at $7130 by an Abilene firm.

By split vote the council okayed purchase of a new police car from Jay Adams Chevrolet on a bid of $1,079.28, plus trdae-in.

Three other bids wede submitted — $940.35 by Wallace Motor Company, $1,179by Craddock-Witten, and $1,309.80 by Frank Motor Company, all plus trade-in.

The bid of Wallace allowed for transfer of a special generator from the trade-in car to the new vehicle. Other bids included cost of new generator.

Voting for the Chevrolet purchase were Councilmen R. B. Baker, Garlan Green, L. J. Taylor and Mayor Trevor Crawford. Opposing were Councilmen Lawrence Ruddick and Sle Hamm.

"I have nothing against either bidder," Hamm said, "but I vote for the low bid.

SAVES HIS LIFE

Boy, 14, Grabs Train - - and Life

Fourteen - year - old Jim Wayne Cline took a train ride from Sweetwater to Colorado City.

And he can thank his life he did. For if he hadn't, chances are he would have been killed.

Cline, who lives in Sweetwater, was walking near the underpass south of the Sweetwater business district Monday when he decided on a short cut.

The short cut was across railroad tracks and a line of freight cars blocked his path. So, the boy crawled beneath the coupling between two of the cars.

Just as he was under the coupling, the freight cars — all connected as a westbound train — began to move.

Cline was jarred by the starting jolt, but grabbel hold of the coupling and pulled himself up and out from under the car.

The youth clung to the freight car as it sped its westward way. And not until its arrival in Colorado City did the train slow enough for Cline to make a safe departure from his unexpected ride.

Cline reported to the police station as soon as he arrived in Colorado City. Still shaken by his experience, he told police and T&P officials of how he was surprised by the train's start and how he pulled himself out of the way of the freight wheels.

Then he received a doctor's examination and a free bus ticket for a ride back to Sweetwater and home before supper.

Demo Convention Sites Announced

Official notice for Mitchell County's Democratic Party precinct conventions has been given by R. H. (Harry) Ratliff, county Demo chairman.

Conventions for Precinct 1, 2, 3 and 4 are scheduled for 2 p. m., Saturday, July 26. That's the date of the Democratic Primary election.

Colorado City's Precinct 1 will convene in Civic House.

Precinct 2 will meet in Westbrook School.

Residence of T. C. Moore at Spade will be the convention site for Precinct 3.

And Precinct 4 Democrats will meet in the offices of Loraine's Mitchell County News.

Officials notices for the precinct conventions went out during the last week from Ratliff's office. And the county chairman is urging that citizens participate in the meetings.

Infact, political groups within the Democratic Party are placing renewed emphasis on this year's party conventions. Control of the state's Democratic Party machinery through the next two years begin at the precinct level, they pointed out.

Policies and delegates decided at the grassroots level of precinct conventions set the pattern for the later Mitchell County Democratic convention.

And the county conventions map the strategy and policy, name the delegates and instructions for the state convention.

Phone Keeps Busy After Truck Mishap

Police and a Highway 80 service station attendant were the "middle men" Monday night when two trucks bumped each other.

Driver of one truck phoned police for assistance claiming the other truck backed into his vehicle and damaged it while in the state drive.

Because the station was outside city limits, police notified State Highway Patrolman Al Chambers. And Chambers informed the trucker the state had no jurisdiction in the mishap because the accident happened upon private property.

Soon another phone call came to police from the same driver, this time complaining that the other driver was wanting to fight because the

Mr. Blakley should be the last person to say anything about hands in the jam pot. He has been raiding the jam pot in the way of Govt. subsidies for years on end. Not withstanding the fact, he has more money than Mr. Goldfine and Mr. Goldfine has more gold than Ft. Knox. Ralph Yarborough is a poorboy candidate. Vote for him. Yup! Ralph has got it made! And Blakley thinks he's got it bought!

. . . and he saved up all year for this

They were going to build the biggest sand castles ever! With towers . . . and tunnels . . . and arches . . .

But now she's just a statistic . . . her dream and her life ended by death on the highway!

No one wanted to kill her. But someone *did!* Just as surely as someone killed the 40,000 men, women and children who died on our roads last year.

That someone could be anyone . . . it could even be *you*. So when you drive this summer, take extra care. No one wants to be a killer . . . or a corpse.

Here's how you can help stop traffic tragedies:

1. Drive safely and courteously yourself. Observe speed limits and warning signs.
Where traffic laws are obeyed, deaths go DOWN!

2. Insist on strict enforcement of all traffic laws. Traffic regulations work for you, not against you.
Where traffic laws are strictly enforced, deaths go DOWN!

Braves Upset White Sox, 8-6 As Pony League Season Ends

The Braves — Winners of only one game prior to Friday night — rose to new heighths with a surprising 8-6 victory over the champion White Sox in Pony League action.

It was a fitting climax for the final game of the regular season.

Braves end the season with a 2-15 record while the Sox end with the same record in reverse — 15-2.

It was Kenneth Stinson that went the route for Manager Currie's Braves, allowing the Sox only five hits while Thomas Vest and Moises Garcia Jr. gave up seven to the fired-up Braves.

Sox took a 1-0 lead in the first frame on Garcia's run. Garcia singled and was moved around the bases with Vest's triple.

Braves leaped ahead 3-1 in the second on runs by Alton Currie, Stinson and Maxie Connell.

One run by the Sox in the second cut the lead to 3-2, but the Braves came back strong in the third for two runs to crowd ahead 5-2.

Soxs scored one in the third for a 5-3 count. Then in the fifth, the Braves added three insurance runs as Currie, Stinson and Connell singled for a 8-3 lead.

The White Sox staged a rally in the sixth after two outs were on the books. Steve Hillhouse doubled, Davis walked, Barney Barnett used an error to reach first and Garcia socked a solid triple.

But the damage had been done and the happy Braves walked off the field with a sweet victory.

Athletics outslugged the Cardinals, 18-12, in the other game Friday night.

Archie Joe Biggers won the pitching victory for the Athletics, giving up 10 hits.

Daniel Garcia started on the Card mound but gave away to Clifton Lee in relief. Both hurlers gave up a combined 15 hits.

Cards started off big with five runs, featuring Willie Joe Smith's home run.

But the Athletics pushed 10 runs across the plate in the first and second frames to take the lead which they held the remainder of the game.

Cardinals other big inning came in the seventh when they scored six runs on a series of singles.

Curtis Scott was the big gun at the plate for the Athletics with three doubles and a single in four official trips.

A run in the seventh inning gave the Roscoe State Bank softball team a 3-2 victory over Windham Pipe Line team Thursday night in Sweetwater.

Windham's took a 1-0 lead in the third frame on Moon McMullin's run, but the Roscoe crew tied it up 1-1 in bottom of the third when their shortstop Shuler crossed the plate.

Roscoe went ahead 2-1 in the fifth but the Windham team came in the sixth to tie the count at 2-2 when a home run from the bat of Yank Robinson.

Then in the seventh, Hammack, the Roscoe pitcher, doubled. Pitts, the right fielder, slashed a sharp single to score Hammack for the winning run.

Jimmy Cawthron hurled the first three innings for the Windham team with Gene Parham taking over in the fourth. They gave only three hits combined.

Hammack allowed Windham's only tow hits.

Yanks, Indians Play To 12-12 Deadlock

Little League Campion Pirates closed the season Thursday night with a resounding 18-3 victory over the Indians as the Yankees and Giants played to a 12-12 tie.

Pirate hurlers Frank Biggers and Dale Walker limited the Indians to four hits as their teammates pick up 14 hits off Indian pitchers, Bill McGuire, Joe Wallace and Tom Mann.

The Pirates scored two runs — with Walker and Biggers doing the scoring — off a series of four hits in the initial inning.

And then in the second, the Pirates had only one hit but parlayed a series of Indian errors and a double by Walker into five runs.

Double by Leon Sweatt, plus singles by Pete Garrett and Gary Jones, provided four runs in the third inning.

Walker's 11th homer of the season gave the Pirates another tally in the fourth. Double by Danney Kennemur, single by Garrett and double by Walker in the fifth handed the Pirates a 16-2 lead.

Indians used two walks in the fifth to score Larry Currie.

Walker with four hits in four trips to the plate was tops for the Pirates. Milton Kidd with two for three was top Indian hitter.

Both teams scored heavy in the third inning with the Giants scoring six runs, plus one scored in the first frame, for a 7-0 lead.

But in the bottom of the third, the Yanks scored five to make the count 7-5.

Giants stayed ahead in the fourth and fifth innings by matching the Yanks in runs.

But then in the sixth, the Yankees rallied for three runs in the bottom of the inning to pull even, 12-12. Hillhouse, Reggie Noble and Joe Anderson scored the runs that provided the Yanks with a tie.

McKay, with three singles in four times at bat, was the leading Giant batsman.

Alton Sparks Studies on Fellowship

Alton Sparks of Colorado City is now teaching and studying for his master of science degree at Iowa State College.

Sparks, son of Mr. and Mrs. M. K. Sparks, Rt. 2, graduated from Texas Tech College in Feb., 1958, receiving his bachelor of science degree in agriculture education.

Following graduation, he was awarded a graduate fellowship to the Iowa school.

W. L. Stangel, dean of agriculture at Texas Tech, said because of his excellent scholarship, it was felt that Alton should continue his education. When he expressed a desire to study entomology, he was awarded the fellowship.

Sparks had a brilliant record at Tech, according to Stangel. He enrolled as a freshman engineering major in summer, 1955. He transferred to agriculture in the second term of summer school and continued his studies until graduation.

His name appeared on the college honor roll four times and on the Dean's roll four times during his college career. Each year, he was recognized as an outstanding leader and scholar in school ceremonies. In May this year he was awarded a gold key for his outstanding scholastic work.

Sparks served four years in the U. S. Navy following his graduation from high school here.

He is married to the former Dannie Mac Hart of Colorado City.
