Major Phillips Tells Plans For Local In- stallation

For its Safety and National Defense program theme, members of the Ozona Woman's Forum Thursday heard Major John Phillips, commandant of the Air Defense Command's radar installation at Stewart field of plans for the station now under construction five miles east of Ozona.

Major Phillips told the group around 200 men will be stationed at the Ozona installation, 20 percent of that number be married men with their families, and that each family average one school age child in the lower grades.

The annual payroll of the radar installation here will be in the neighborhood of \$250,000 per year, Major Phillips estimated, and added that past experience indicates that the Air Force men spend approximately 60 percent of that amount in the local community.

Major Phillips was accompanied by Sergeant Dual, also stationed at the Stewart unit, and answered questions from club members after the major's talk.

Final plans were made for the show set for Feb. 23. It was announced that Miss Erline Witt, Austin, Miss Wool of 1957, has been invited to model her coronation gown in the style show. Three models each from the Music Club, Woman's Club, Garden Club, Golf Assn., and ESA Sorority also have been invited as models.

The Forum recently wrote Senator Dorsey Hardeman and Representative Joe Burkett endorsing a portion of a part of the cigarette tax to support of state hospitals.

Hostesses for the day were Mrs. Dempster Jones and Mrs. Marshall Montgomery. Others present were two guests, Mrs. L. B. Davidson, Bud Cox, Brock Jones, Pete Jacoby, Boyd Baker, Martin Millsap, Charlie Black, Marley, Nip Blackstone, C. Walker, Fred Hagelstein, Hugh Aldress, Jr., Joe Williams, Ele Aldress, B. B. Ingham, Jr., P. Childress, Jim Ad Harvick, Jack Williams, John Coates, P. C. Per and T. J. Bailey.

Crockett County Voting Strength 1957 To Be 886

Nearly 200 Last-Minute Payers Swarm Tax Office

Nearly 200 poll tax receipts and exemptions were issued in the tax collector's office on the final day of the poll tax paying period here Thursday.

The deadline day rush at the collector's office sent the county's voting strength in this "off" poll year to 886, of which 672 are voting poll taxes and 14 are exemptions. Four non-voting alien taxes were issued.

For the 500 or more otherwise eligible voters who neglected to pay their poll taxes in this off year, the coming election April 2 a United States Senator to serve out the term of Governor Daniel will be "off limits."

Lions Trim Junction By One Point To Finish Half Season In Lead

By Ernie Boyd

Bobby Sutton hit a jump shot with 12 seconds remaining last Friday night to give the Ozona Lions a narrow 44 to 43 win over the Junction Eagles in Junction.

Despite the late lead the Lions still had to have Junction miss one of two free throws to avoid going into an overtime for the second time in one week.

The Lions jumped into an early lead and despite some erratic shooting managed to remain from three to five points ahead throughout most of the first half only to see Junction jump into a two point lead at the half.

The Lions were able to overcome some of the effects of their poor shooting by grabbing off 24 rebounds in the first half to help offset the 17 percent shooting from the floor.

Following the intermission, the Lions regained the lead and with Jerry Jacobs and Bobby Sutton leading the way, managed to hang on until late in the fourth quarter when Junction became red hot and tied up the score with only 20 seconds to go. However, Sutton came through with his shot and Junction failed to tie it up on two free throws and the buzzer ended the contest before another shot could be fired.

The win for the Lions ended the first half of the race and left Ozona with a four won and none lost mark, one game ahead of Sonora.

Moose Brown of Junction led the scoring in the game with 17 points while Jerry Jacobs had 14 for Ozona and Stanley Williams had 12.

Menard Laces On First Lion Defeat In 9 Cage Seasons

Poor Shooting And Rebounding Spells 1st District Loss

By Ernie Boyd

The Ozona Lions suffered their worst district loss in ten years Tuesday night in Menard as the red hot Yellowjackets tagged the Lions with a 56 to 27 loss.

The loss was the first one for Coach Pelt's charges in district play and marked the first loss by a Pelt coached team to Menard in the nine years the Ozona Coach has been here.

The Lions were out-rebounded, out-shot and out-hustled all the way Tuesday night and were never really in the ball game.

Poor shooting continued to be the real problem, however, as the Lions connected on only 17 percent of their first half shots and did but slightly better in hitting on 20 percent in the final half.

To add to the shooting woes, the Lions collected only 11 rebounds in the first half and did only slightly better in the second half to compare with 31 rebounds the Jackets took in the contest.

Bobby Sutton led the weak Lion attack with 11 points and played one of his better games of the season but received little help from any of his teammates, most of whom gave their poorest performance since before the tournament.

Church Of Christ To Dedicate New Building March 10

Eight Former Ministers To Preach In Week-Long Series

Members of Ozona Church of Christ will hold formal opening and dedication of their handsome new \$175,000 church, just completed, with a week-long series of services beginning Sunday, March 10, it was announced by church leaders here this week.

Horace W. Busby, Fort Worth evangelist, who has "citizenship rights" in Ozona by virtue of a tenure covering nearly thirty years when he was at least an annual visitor here to conduct a series of gospel meetings for the local congregation, will open the dedication series with Sunday services on March 10.

Following during the next seven days will be seven former ministers of the church, each of whom will preach at twice daily services. The former ministers, not necessarily in the order in which they will come, are J. E. L. Harrison of Sonora, Ed M. Steph of Abilene, L. N. Moody of Del Rio, Clem Hoover of Boerne, Bill Brown of Plainview, Dave Black of Evans and Ruben Stanley of San Angelo.

First services were held last Sunday in the new church, the minister, James Ferguson, doing the preaching. Next Sunday, Feb. 10, will be the "Second Sunday Dinner Day" to be held in the newly enlarged Granny Miller hall which was moved next to the new church and enlarged.

"We will be happy for all of our friends in town to come and enjoy this fellowship with us as our guests," said a spokesman for the congregation.

Big Lake Owls Still Nemeses Of Lions; Win Here Saturday 60-43

By Ernie Boyd

The Big Lake Owls experienced little difficulty in downing the Ozona Lions in a non-district game in Ozona Saturday night 60 to 43.

Bill Loftin led the Owl attack with 22 points but it was the shooting of guards Stout and Johnson that actually was the difference.

Rod Franklin, Jake Young, and Jerry Jacobs rebounded well against their bigger opponents and outscored the Owls across the front line but never managed to get closer than eight points after the first quarter of play.

Jerry Jacobs had 12 points, Rod Franklin 11 and Bobby Sutton 10 to pace the Lions attack but it was not enough.

The Lions pulled down a respectable 19 rebounds in the first half and ended up with 42 for the night but the Lions managed to hit a meager 23 percent of their shots compared with 44 percent for the Owls to account for the loss.

In the B game, Ozona's freshman and sophomore laden five-belted the Owls 50 to 34 with Ronnie Paulk getting 19 points to lead the Cub attack.

Every one of the B teamers broke into the scoring column and the well rounded attack never gave the visitors a chance despite Jerald Weatherby's 20 point production.

Midland Operator To Drill Crockett Test

W. L. Meadows, Jr. of Midland will drill a 2,400-foot wildcat in Crockett County, 3 1/2 miles northwest of Iraan. It will be the No. 1 Bouscaren.

Cable tool drilling will begin immediately.

I.G. Rape Former Ozona Druggist, Dies Of Heart Attack In Fort Worth

I. G. Rape, 70, former Ozona druggist who operated the Ozona Drug Store here for approximately 16 years, died suddenly at his home in Fort Worth, 2908 Mt. Vernon St., from a heart attack Saturday evening. Mr. Rape was apparently in good health and was playing with a granddaughter, visiting from Houston, when he was struck by the sudden fatal attack, friends here learned.

Funeral services were held at 11 o'clock Monday morning from the Polytechnic Methodist Church in Fort Worth.

After selling out his business in Ozona in January, 1944, Mr. Rape moved with his family to San Angelo where he worked for a time as a pharmacist at San Angelo drug stores before buying the Angelus Pharmacy, which he operated for a time before moving to Fort Worth.

Surviving are the widow and two sons, Dr. Marvin Rape of Houston, and Dr. Joe Glen Rape of Arlington, one brother, Dr. J. Marvin Rape of San Angelo, and one sister, Mrs. Maggie Miller of Fort Worth.

ESA Counts MOD Fund Receipts, Name Models For Forum Style Show

The Ozona chapter of ESA International had a called meeting at 10 a. m. Saturday, for the purpose of counting the money taken in the "iron lungs" placed in the business houses for the March of Dimes drive. The total taken in this way was \$127.61.

Three members were elected to model clothes in the annual style show sponsored by the Woman's Forum. Juanita Mills, Lola Cleere, and La Rue Schneemann were elected.

Nan West and Margie Coates were appointed on the nominating committee to pick a "Real ESA-er" for the year. She will be presented at the sweetheart dinner in the later part of February.

Present at the meeting were Sara Boyd, Lola Cleere, Margie Coates, Mary Deaton, Mary Dunlap, Billy Jo Hays, Marjo Pelt, Mike Ratliff, Elaine Rollins, Le Rue Schneemann, Betty Tubbs, Jane Womack, and Mary Jo Montgomery.

District Exposition At Crane To Celebrate Nat'l. Boy Scout Week

February 6-12, 1957 is Boy Scout Week. On February 8 the Boy Scouts of America celebrate their 47th year. This year also commemorates the 50th year of the founding of the Scouting Movement by Lord Baden-Powell in England.

A highlight activity for the Units of the Permian Basin District composed of Crane, Crockett, Irwin, Upton, Pecos, Reagan, and Terrell counties, of the Concho Valley Council will be a District Exposition at the new Crane Coliseum on February 9. A variety of Cub Activities and Scout and Explorer skills will be demonstrated in this booth or County fair type show in which all Units of the District have been invited to participate.

District Vice-Chairman Ted Hogan of Crane is Exposition Chairman.

February 10 is Scout Sunday. All Cubs, Scouts, and Explorers are encouraged to attend the Church of their choice in uniform on Scout Sunday.

Many units are celebrating locally by holding "open house", and Court of Honor, or Father and Son Banquets.

Second Producer In Shannon Strawn Field By Standard Of Texas

Second producer and a 3/4-mile east-southeast extension to the Shannon (Strawn) field of Crockett County has been indicated with the surfacing of gas and the recovery of shows of oil on a drill stem test at Standard Oil Co. of Texas No. 2-1 Shannon, 21-BB-EL&RR, 17 miles southwest of Big Lake.

On the two-hour test between 8,032-113 feet, gas surfaced in 64 minutes, rated at 510,000 cubic feet daily. Recovery was 615 feet of very heavily oil and gas-cut mud, 30 feet of very heavily oil and gas-cut mud and water-cut mud and 65 feet of very heavily oil-cut and mud-cut water.

A two-hour test between 8,113-138 feet recovered 535 feet of mud, no shows.

Contract depth is 8,800 feet. T. W. Gaddy of Odessa has filed application to drill the No. 1 J. M. Shannon Estate 1/4-mile northeast of gas production and 3/4-mile east of oil production in the Todd, Northwest (San Andres) field of Crockett County, 20 miles northwest of Ozona.

It will be drilled to 2,000 feet with cable tools.

Location, on a 100-acre lease, is 1,650 feet from the south and 990 feet from the west lines of 12-9-DA&SE.

Kincaid Attends Meet To Discuss New Bracero Housing Requirements

Three representatives of the Texas Sheep & Goat Raisers Assn., T. A. Kincaid, Jr., of Ozona, president, Ernest Williams of San Angelo, secretary, and O. D. (Buster) Dooley of Bracketville, chairman of the TS&GRA labor committee, attended a meeting of bracero users in Abilene Wednesday.

Purpose of the meeting was to discuss the new housing requirements imposed by the U. S. Department of Labor on users of Mexican nationals as laborers. Implementation of the new requirements and a 10-day compliance order will work a hardship on many ranch and farm users of bracero help who had planned the year's operations on the basis of present outlays for facilities.

March Of Dimes Campaign Yields Over \$1600 Here

Voluntary Contributions Swell Anti-Polio Funds

Ozona's contribution to the 1957 March of Dimes campaign will top \$1,600 as the result of a spirited campaign led by the Epsilon Sigma Alpha sorority with the cooperation of all organized groups in the city and efforts of individual workers.

The total contribution listed early this week had reached \$1,584.56. A benefit dance set for Saturday night of this week at El Sombrero Cafe, with owner Tony Garza as host and with proceeds to go to the March of Dimes, is expected to send the total to above the \$1,600 mark.

The campaign had no set quota, all donations on a strictly voluntary basis. Last year's campaign reached a total of \$1,820.96.

The Mothers' March on Polio, staged last Saturday night by members of the Parent-Teachers Association, netted \$583.51. The school children of the city donated \$155.30 in solicitations conducted at the schools. The city's cafes and drug stores set aside specified days as March of Dimes Coffee Days, and these brought in a total of \$225.91. A canvass of the business houses, conducted by members of the Woman's Forum, the Ozona Woman's Club and the Garden Club, netted a total of \$393.81. The iron lung coin boxes placed around the city collected \$127.61. The Lions Club coin collection at a recent basketball game in the local gym brought another \$63.42 and \$35 in individual donations not otherwise counted made the total.

Lions Trim Junction By One Point To Finish Half Season In Lead

By Ernie Boyd

Bobby Sutton hit a jump shot with 12 seconds remaining last Friday night to give the Ozona Lions a narrow 44 to 43 win over the Junction Eagles in Junction.

Despite the late lead the Lions still had to have Junction miss one of two free throws to avoid going into an overtime for the second time in one week.

The Lions jumped into an early lead and despite some erratic shooting managed to remain from three to five points ahead throughout most of the first half only to see Junction jump into a two point lead at the half.

The Lions were able to overcome some of the effects of their poor shooting by grabbing off 24 rebounds in the first half to help offset the 17 percent shooting from the floor.

However, Sutton came through with his shot and Junction failed to tie it up on two free throws and the buzzer ended the contest before another shot could be fired.

The win for the Lions ended the first half of the race and left Ozona with a four won and none lost mark, one game ahead of Sonora.

Moose Brown of Junction led the scoring in the game with 17 points while Jerry Jacobs had 14 for Ozona and Stanley Williams had 12.

Menard Laces On First Lion Defeat In 9 Cage Seasons

The Ozona Lions suffered their worst district loss in ten years Tuesday night in Menard as the red hot Yellowjackets tagged the Lions with a 56 to 27 loss.

The loss was the first one for Coach Pelt's charges in district play and marked the first loss by a Pelt Coached team to Menard in the nine years the Ozona Coach has been here.

The Lions were out-rebounded, out-shot and out-hustled all the way Tuesday night and were never really in the ball game.

Poor shooting continued to be the real problem, however, as the Lions connected on only 17 percent of their first half shots and did but slightly better in hitting on 20 percent in the final half.

To add to the shooting woes, the Lions collected only 11 rebounds in the first half and did only slightly better in the second half to compare with 51 rebounds the Jackets took in the contest.

Bobby Sutton led the weak Lion attack with 11 points and played one of his better games of the season but received little help from any of his teammates, most of whom gave their poorest performance since before the tournament.

Rod Franklin and Jake Young both spent much of the second half on the bench with excessive fouls but this was not a factor in the Lions loss.

Perkins-Prothro Co. No. 1 Laura Hoover Estate, in 1-MM-T&StL, wildcat located five miles northeast of Clearfork discovery, has been plugged and abandoned at 3,000 feet.

Second Producer In Shannon Strawn Field By Standard Of Texas

Second producer and a 3/4-mile east-southeast extension to the Shannon (Strawn) field of Crockett County has been indicated with the surfacing of gas and the recovery of shows of oil on a drill-test at Standard Oil Co. of Texas No. 2-1 Shannon, 21-BB-EL&RR, 17 miles southwest of Big Lake.

On the two-hour test between 8,032-113 feet, gas surfaced in 64 minutes, rated at 510,000 cubic feet daily. Recovery was 615 feet of very heavily oil and gas-cut mud, 30 feet of very heavily oil and gas-cut mud and water-cut mud and 65 feet of very heavily oil-cut and mud-cut water.

A two-hour test between 8,113-138 feet recovered 535 feet of mud, no shows.

Contract depth is 8,800 feet.

T. W. Gaddy of Odessa has filed application to drill the No. 1 J. M. Shannon Estate 1/4-mile northeast of gas production and 3/4-mile east of oil production in the Todd, Northwest (San Andres) field of Crockett County, 20 miles northwest of Ozona.

It will be drilled to 2,000 feet with cable tools.

Location, on a 100-acre lease, is 1,650 feet from the south and 990 feet from the west lines of 12-9-D&SE.

Kincaid Attends Meet To Discuss New Bracero Housing Requirements

Three representatives of the Texas Sheep & Goat Raisers Assn., T. A. Kincaid, Jr., of Ozona, president, Ernest Williams of San Angelo, secretary, and O. D. (Buster) Dooley of Bracketville, chairman of the TS&GRA labor committee, attended a meeting of bracero users in Abilene Wednesday.

Purpose of the meeting was to discuss the new housing requirements imposed by the U. S. Department of Labor on users of Mexican nationals as laborers. Imposition of the new requirements and a 10-day compliance order will work a hardship on many ranch and farm users of bracero help who had planned the year's operations on the basis of present outlays for facilities.

March Of Dimes Campaign Yields Over \$1600 Here

Voluntary Contributions Swell Anti- Polio Funds

Ozona's contribution to the 1957 March of Dimes campaign will top \$1,600 as the result of a spirited campaign led by the Epsilon Sigma Alpha sorority with the cooperation of all organized groups in the city and efforts of individual workers.

The total contribution listed early this week had reached \$1,584.56. A benefit dance set for Saturday night of this week at El Sombrero Cafe, with owner Tony Garza as host and with proceeds to go to the March of Dimes, is expected to send the total to above the \$1,600 mark.

The campaign had no set quota, all donations on a strictly voluntary basis. Last year's campaign reached a total of \$1,820.96.

The Mothers' March on Polio, staged last Saturday night by members of the Parent-Teachers Association, netted \$583.51. The school children of the city donated \$155.30 in solicitations conducted at the schools. The city's cafes and drug stores set aside specified days as March of Dimes Coffee Days, and these brought in a total of \$225.91. A canvass of the business houses, conducted by members of the Woman's Forum, the Ozona Woman's Club and the Garden Club, netted a total of \$393.81. The iron lung coin boxes placed around the city collected \$127.61. The Lions Club coin collection at a recent basketball game in the local gym brought another \$63.42 and \$35 in individual donations not otherwise counted made the total.

Standard Of Texas To Drill Ellenburger Wildcat In Crockett

Standard Oil Co. of Texas will drill a 8,800-foot wildcat in Crockett County, 2 1/2 miles southeast of production in the World, West (Strawn) field, 17 miles southwest of Big Lake. It will be the No. 2-2 Shannon.

It will be drilled with combination tools.

Location, on a 1,280-acre lease, is 660 feet from the north and west lines of 23-BB-EL&RR.

Crockett 4-H Club Animals Near Top In El Paso Show

Crockett County 4-H club members showed two fourth and two fifth place fat lambs, one second place Hereford calf and one fourth place Hereford calf at the El Paso Livestock Exposition this week.

The judging took place Wednesday. Penn Baggett showed his heavyweight finewool lamb to fourth place in that division and his brother, Mark, had the fifth place lamb in the division.

In the lightweight crossbred lamb division, George Bunker, Jr., of Ozona had fourth place lamb and Erby Chandler showed his heavyweight crossbred lamb to fifth place in that class.

In the heavyweight calf show, Billy Troy Williams showed his Hereford to second place in his class and Jacquelyn Williams, his sister, had fourth place calf in the same class.

The local 4-H members were accompanied by their sponsor and coach, County Agent Pete Jacoby. Mr. Jacoby returned to Ozona last night and left today for San Antonio where a number of his 4-H members are exhibiting animals in the San Antonio Livestock Show and Rodeo which begins there Friday.

WASHINGTON'S WARNING

The amazing increase of \$3-billion in federal spending which is called for in President Eisenhower's budget is causing consternation and keen disappointment among all Americans who have looked forward to a reduction, at long last, in the unbridled spending of the too-well-remembered past.

In addition, there is the discouraging fact that the Government is spending more and more on its domestic programs, where economy should be achieved.

The big increases in federal spending since 1955 are not in military spending, as many people believe. The President's proposed domestic spending for 1958 is some \$6-billion greater than in 1955, with the military spending only \$2.7-billion greater.

With the tense world situation, our country must be both militarily and economically strong. But if we are not domestically strong, how can we discharge the responsibilities of the international leadership when we have assumed?

On his birthday, the national capital named in his honor should resound with George Washington's warning that "as a very important source of strength and security" public credit should be cherished, and that "one method of preserving it is to use it as sparingly as possible!"

ULTIMATE QUESTION

There are great differences of opinion as to the wisdom of the many welfare activities that government has undertaken in comparatively recent times. But there can be no difference as to one matter — the cost is tremendous, and it becomes ever heavier.

According to Insurance Economics Surveys, the national income increased by 79 per cent between 1945 and 1955. But in that same period social welfare expenditures by all levels of government rose 400 per cent — from \$4-1/2 billion to some \$21-1/2 billion.

So it could seem that the ultimate question we must answer will be this: How much of such paternalism can we afford — entirely aside from the merits or demerits of any particular welfare activity?

HOSPITALITY UNLIMITED?

California's Republican Representative Gordon L. McDonough continues to add Congressional signatures to his petition to head off an official visit from Yugoslavia's Tito — in spite of the President's defense of such visits, and the report that Tito is now too hurt to accept the State Department's invitation.

"You don't promote the cause of peace by talking only to people with whom you agree," President Eisenhower chided gently at his press conference. But we are inclined to agree with Rep. McDonough that: "Sometimes these discussions are better held on neutral ground." Who's for greeting Zhekov or Krush or Bulg — or even Kadar?

DON'T IMITATE FAILURE!

Writing from London, labor columnist Victor Riesel says: "Socialism has failed here. They nationalized the steel industry, coal mines, railroads and the health service. All these lost money. Wages didn't go up. Profits went down. There were strikes. And the Socialist managers were as tough as any old-fashioned capitalist manufacturers' group — more so, believe me."

There is a moral in this for all Americans — and especially for American labor, unionized or non-unionized. Everyone gets hurt by socialism — and the masses of working people get hurt most of all. We should have the intelligence not to imitate failure!

Perhaps it's only natural for a President to feel expansive on his Inaugural — especially the second. But Ike's invitation to the world to "come and get it" seems out of key with his post-Inaugural anxiety over inflation and his repeated warning to labor and business to keep wages and prices down. Conflicting, that is, unless you believe that Government spending doesn't count.

LETTERS:

Dear Editor:

Fines do not seem to stop traffic violators, perhaps better results could be obtained by impounding the car from one to thirty days.

If these violators had to walk to work for a few days each time they might wise up.

TWO YEARS OF CABLE TV IN OZONA

Saturday, Feb. 9 will mark the second anniversary of the inauguration of television reception over the community antenna system in Ozona.

On this second anniversary of operation of the system, we would like to express our appreciation to you, our subscribers, for your faith and cooperation which has made it possible for us to bring television to Ozona. At a considerable capital risk, we employed the best electronic engineering skill available and used only the finest equipment on the market to bring to Ozona the best television reception possible at this distance from broadcasting stations. The long tests proved TV could be good in Ozona and we had faith that the people of Ozona wanted good TV and would go along with us if we provided it.

That you have done to the extent that we now feel confident that our investment will in time be returned and that we can continue to make extensions and improvements to the system which will insure your long continued enjoyment of the wonders of modern television.

We are grateful to you who pioneered with us and who have borne with us in the tedious process of ironing out the "bugs" that invariably appear in such an installation.

We believe that most of our subscribers realize the advantage we here in Ozona have, although outside the regular field of area television transmitters, in being able to enjoy the variety of programs from three different stations, both CBS and NBC network programs.

Your community television system operators hope in time to be able to expand your TV enjoyment even beyond its present limits — by adding other stations should they become available and can be received in this area.

Such an expansion, however, even if there were stations within range of our antennas, will entail a sizable additional investment in equipment and extensive changes in the present system. We feel that use of our facilities will continue to expand and by the time additional stations become available, we will be in position to bring you such an expansion of service without additional charge.

It is our intention to keep the system in tip-top shape at all times. If you experience trouble and suspect it is in the system, won't you please call No. 2 and a check will be made to determine the cause of trouble. We need this cooperation from you in finding trouble in our lines.

Cadillac

His Golden Anniversary at the Wheel!

In Texas, there is a gentleman who is currently driving out his fiftieth year at the wheel of a Cadillac car.

In New Jersey, there is another gentleman who has purchased every yearly model that Cadillac has produced over the past fifty-three years.

These are simply dramatic examples of one of the most remarkable truths in all motordom: that once a man takes the wheel of a Cadillac, he usually remains at the wheel of a Cadillac!

To be sure, a motor car would have to offer many unique virtues in order to win so generous a place for itself in the affections of so many.

And, in the case of Cadillac, we think these virtues are self-evident.

There is, first of all, quality. No effort of styling or design or craftsmanship is ever spared

to make Cadillac the finest possible motor car.

There is beauty and luxury and performance. The car's magnificent styling and interior coachwork have, over the years, brought Cadillac an inbred majesty and elegance that are entirely its own . . . and Cadillac engineering has been the industry's constant inspiration.

Finally, there is reputation. Never in automotive history has another motor car sustained such an abiding public conviction in its own goodness.

And, certainly, these basic Cadillac ingredients have this year reaped their richest harvest.

So whether you've been at the wheel of a Cadillac for half a century . . . or have yet to spend your first hour in the "car of cars" . . . you should see and drive this newest of Cadillacs.

Need we say more?

EDITORIAL

By Genelle Childress

Recently, I talked with some students from some of the near-by towns in our district. At first I was startled by what they told me was most impressive about our school. They admired our buildings and grounds and all the things we naturally take pride in. But the one thing that they noticed more than anything else is something we just take for granted — Our school spirit!

Perhaps you too, have noticed as they had, that we are noted not only for our vim and vitality but also for that unheard, unseen, intangible quality known as love and loyalty.

Whether it's girls boys competing with these other schools in volleyball, football, basketball, track or any other competitive activity the opposing team can always count on us, Ozona, to put up a tremendous fight. Even if we lose it's never been said, that we give up before the end!

These impressions that we give to other schools help to make O. H. S. the dynamic school it is. May these impressions last forever!

ASSEMBLY

By Becky Davidson

Listen! Do you hear music? We all heard music Wednesday when the swing band played for us. It was "real cool, cats!"

In the band, Don Lott, Mark White, and Ronnie Beall play trombone; Joe McMullan plays drums; Jimmy Carroll, Scotty Moore, and Tommy Stokes play alto saxophone and clarinet; Durwood Wylie and Liz Pearson on tenor sax; Gwynel Walker and Joe Friend on trumpet; Jonathan Burton on baritone sax; and Beverly Killingsworth

plays piano.

The program consisted of various types of music, including "Tenderly," "Rock and Roll," "Just Walking in the Rain," "True Love," "Love Me Tender," and "Bopette."

Liz Pearson did the vocal on "Tenderly," "Just Walking in the Rain," and "Love Me Tender."

On "Love Me Tender" she impressed her somewhat hysterical audience with a take-off on Elvis Presley.

"Bopette" a favorite number was written by our own Corbett Smith.

Good job — and thanks for a very entertaining half hour — to the band and Mr. Smith.

ANNUAL STAFF NEWS

By Alma Ingham

Annual staff members have been busy working on lay-outs for the new 1936 and '37 Ayer. Lay-outs for the Junior High and High School classes have been completed this week.

It won't be long now until the annual staff members will be knocking on your door with a check book in their hand, trying their best to sell you a beautiful annual. In case you're interested the colors for the annual are purple and white. Each year the annual is improved in many ways, so have your money ready when the newest and best annuals come out for sale.

BAND BANQUET

By Mary Lou Johnigan

If, on Feb. 4, you happened to pass by the school cafeteria, about 7:30, you would see a room of girls in full flowing dresses, or sleek, slim, sheaths, boys in suits and ties.

Hanging from the lights, you would see purple and gold musical notes. On the front table was a bandstand with all the members made from pipe cleaners with little wooden, painted heads. Each had a different instrument. A little man was placed at each position on the tables.

Since this was for all the band fathers, we had a pleasant crowd. A dinner of fried chicken, beans, creamed potatoes, and crabapples. Dessert was vanilla ice cream coated with coconut.

Immediately after the meal, the band sweetheart was crowned. The five nominees and their escorts

which included: Beverly Killingsworth — Jerry Jacobs, Mary Lou Johnigan — Johnny Cooper, Liz Pearson — Buddy Dale, Carolyn Mayfield — Don Lott, Gwynelle Walker — Mark White, came forward where Sandra Whitaker gave each of the girls a corsage of poppermint carnations. The crowd carrier was Jimmy Freeman. The lucky boy who got to kiss the queen was Mark White who crowned his escort, Gwynelle Walker.

Our friend, Gwen, made a beautiful queen. Miss Walker, a junior and a hard working cheerleader took the honor all in her stride. There never was a more deserving queen.

After the crowning of the sweetheart a very interesting speech was made by Mr. Joe Bellemah.

TID-BITS OF GOSSIP

Lately Molly Sue and Mark have been seen together quite a bit! What's up kids?

Linda and Nonie were seen Friday night with Johnny C. and Joe McMullan. Then later we saw Tommy S. and Bill P. with them. Better watch these Freshmen girls boys!

Don L. and Yvonne K. seem to be getting to know one another quite well, lately. You'd better watch him though Yvonne, he seems to be pretty shift these days!

Just one more last thing! Coach Hickman was wondering along with the rest of us what Wanda's going while George is away? We also wonder what George is doing, don't you, Wanda?

JOKES

School Social — One day Joe came home from school and said to his dad, "There's a special P. T. A. meeting tonight — just you, my teacher, and the principal!"

Out on a limb — Carolyn: You know that big shot Mr. Green? Wanda: Yes, what about him? Carolyn: He had his family tree traced all the way back to when his family lived in it!

Going Backward? Doctor: And what is your age, Madam?

Patient: I never tell my age, but as a matter of fact I just reached twenty-eight.

Doctor: Really? What detained you?

IMPORTANT!

Attention all speech students! Mr. Leath has announced that the time for the inter-scholastic league contest is getting nearer! If you are interested in participating in any of the competitive events please see him this week!

Texas — Even in a two-day legislative session, the legislature has managed to pass some conservation bills.

It came when the House Education committee passed a \$100,000,000 Texas Education Fund measure.

Study, Senate Ways and Means committee has given it unanimous approval in less than a week.

Mayor Saul of El Paso was sharply criticized for his opposition to the bill. He said it could be a disaster.

A. R. Schwartz of El Paso, director of the delaying tactic, thought a \$100,000,000 bill required some safeguards.

Now proposed, the device could later be increased to \$1,000,000 by a two-thirds vote of the Legislature.

Another \$100,000 bond proposal to buy storage in federal reservoirs likewise is doubted. It means a total of \$400,000,000 under plans.

Designed by its sponsors, development fund would be financing, even show a loss-profit. They anticipate the bonds it buys from cities has to pay on the bonds.

Some legislators have pointed out that if a deficit should occur, it would drain money from the General Fund, straining the state's tax sources.

Revenue Bills — Despite the legislature's early "wait and see" attitude on new taxes, several new revenues have been passed.

Jerry Sadler of Pecos introduced a "manufacturing tax" estimated yield of \$100,000 per year. It would levy one-eighth per cent on gross receipts from manufacturing over \$10,000, including goods brought in.

Oil Hearing Set — Independent oil operators who want pipeline connections to their wells, will air their grievances at an April 1 hearing.

Texas Railroad Commission called the hearing on petition of five producer groups.

Issue of Texas oil production has drawn national and international attention with pressures for larger allowances to meet West European shortages caused by the Arab blockade.

Major oil companies have favored increases. Independents have not. They contend majors have an "unfair advantage" in being able to market oil by pipeline, rather than truck.

They hope the current demand can be used to force majors to furnish pipelines to some 3,000 unaccounted wells owned by independents.

State MOD Chairman Urges All Texans To Get Salk Polio Shots

"The 1935 March of Dimes Campaign is over but the dreaded polio season is just starting," State MOD Chairman K. L. Berry declared today as he urged all Texans to take advantage of the Salk Polio Vaccine.

General Berry, who is also Adjutant General of Texas, said that only ten per cent of the Texas population over 20 years of age had taken the full course of three Salk shots.

"Furthermore," General Berry said, "29 per cent of all polio cases in 1934 occurred among persons over 15 years of age." He also pointed out that polio among adults was usually more fatal or crippling than among children.

"Of the 732 cases of polio in its paralytic form registered with the State Health Department in 1934, only 48 persons were reported as having received at least one Salk polio shot. Only two of the 732 cases had received all three shots," the State Chairman added.

General Berry said that the National Foundation for Infantile Paralysis had spent untold millions and years of time in developing a vaccine that would prevent polio.

"Salk Polio Vaccine on the shelves of the doctor's office is not helping to prevent polio. I sincerely urge every man, woman and child in Texas to immediately start taking the polio shots. The Salk vaccine has proven to be more than 90 per cent effective and it is the only known vaccine that can prevent polio," General Berry concluded.

Raul Machado of Ozona, who recently received his Bachelor of Music degree from Sul Ross State College at Alpine, has accepted a teaching position in the department of music of the Eagle Pass Public schools. Machado was a member of the Sul Ross band and orchestra.
