Housewife Nabbed While Shoplifting

A 42-year-old housewife was caught Saturday night shoplifting in a local store.

Police arrested her at 8 p. m. after Charles E. Freeman, owner of the Ben Franklin Store, became suspicious of the woman's actions in his downtown store.

Patrolmen Leonard Henderson and Jim Latham reported the woman, who lives on Colorado City Route 1, had taken 8 articles of apparel.

The suspect posted \$30 bond at City Hall on a charge of shoplifting.

The woman, police reported, was using an old shoplifting technique of carrying 2 sacks as she "shopped" in the store. One sack was from J. C. Penney store where the woman had earlier made a purchase. Then in the Franklin store,

MENTOR NAMED FOR 7TH GRADE

A Texas A&M graduate, Howell Vineyard, will join Colorado City public schools athletic department as seventh grade coach.

The 29-year-old former Comanche High athlete taught at Iradale last year and was a roommate of Coach Sam Christy for 6 weeks this summer while both attended a National Science Foundation scholarship course at Texas Christian University.

Vineyard, who was not an athlete in college, was graduated at A&M in 1954 with a degree in agriculture. He was employed by Welex for 5 years before joining a knee, then began teaching. He impressed Christy this summer with his knowledge of football and expressed a desire to coach.

The Aggie completes Christy's coaching staff that includes Ken Kearns, first assistant, and Jeff Walker in high school; Winn Talley, 9th grade; Bill Everett, 8th grade; Caddo Matthews, basketball and high school B-team football.

The entire coaching staff, except for Matthews, will be in Dallas next week for the Texas High School Coaches Association annual coaching school.

Matthews, still teaching in summer school, will attend the Oklahoma school later in August.

It was believed to have been caused by faulty electrical wiring, according to Cushing.

JIM JONES INJURED

Freak Accidents Send 3 Persons to Hospital

Freak accidents this week sent 3 persons to Root Memorial Hospital.

Jim (Jinks) Jones, farmer in the Cuthbert Community, was seriously injured Wednesday when a shed at the C. E. Kitchens home toppled over on him.

Kitchens and Rev. Bill Worrell, pastor of the Fairview Baptist Church, were picking up metal at the back of the shed and Jones was standing inside the shed when the accident happened.

The structure was made of 2 inch pipe, tank metal and oil field timber with chicken wire screening each end. The center beam of the structure narrowly missed Jones' head but after the structure had fallen, the beam held the weight of the structure off of the injured man.

He was taken to Root Hospital by Kitchens and Worrell. Jones' condition was reported satisfactory Thursday morning.

He received injuries to his ribs, back bone and knee in the mishap.

ANNELLE HOLMAN'S

Personally Yours

Colorado City High School can be credited for having outstanding twirlers.

From 240 girls at McMurtry Band and Twirling School last week, Miss Janet Stone and Miss Ann Sellier were chosen one of the two winning twirling duets.

The other winning duet was from Childress.

Janet and Ann performed for the entire group and guests Friday night and I'm sure that we would have all been proud of them!

Janet's summer fun did not end with the conclusion of the two week school. After arriving home late Friday night, she left Saturday for a visit to Ruidoso and Santa Fe, N. M.

She accompanied Mrs. Mayme Dozier and her two granddaughters, Carol and Mary Louise Cox.

The group will return this weekend.

Friends of Mrs. Ralph Lee received word this week that she and Mrs. O. L. Simpson were in "Gay Paree" last weekend.

In Paris the pair saw the Folies and in Ulm, Germany, they attended the Austrian Passion Play.

Mrs. Lee and Mrs. Simpson are to attend the World Convention of Christian Churches in Edinburgh, Scotland, and are now touring countries of Europe.

Since the pair of Colorado Citians have been in Europe, they have visited with Rev. John Hughes, former pastor of the First Christian Church, also attending convention; former resident Jerome Burkemper and his wife, and Miss Martha Post, daughter of Mr. and Mrs. R. E. (Bob) Post, both of whom live in Europe.

Future plans for Mrs. Lee and Mrs. Simpson include attending the convention in Edinburgh and visiting in Brussels, Belgium; Amsterdam, Holland and London.

Take a picnic lunch to enjoy at a scenic spot or roadside park. Before you leave, fill up with Cosden Premium Ethyl or Higher Octane Regular gasoline. Summer play? Well, a lot of Colorado City youth — and adults, too — believe in it.

Latest count by the City Parks and Recreation board showed 5,302 participated in city's summer recreation program. And the play won't end until next month.

Something good to think about, too, is the fact that the city program includes recreation and crafts for all age groups.

TOURNEY ENDS SEASON

Lovington, Pecos Drop Stars in District Play

Two straight defeats on successive nights, Monday and Tuesday, dropped Colorado City All-Stars from the District 6 competition in Abilene.

Golden Age Meets in Lions Building

LORAIN — The Golden Age Jubilee Club met Monday night July 25 at the Lions Building for their monthly social.

Mrs. L.C. Wilson, secretary, was in charge in the absence of president, J. W. King and vice-president Wade Preston. Mrs. Wilson directed the club prayer and Don Butler club chaplain, said the prayer. During a short business session, three new members, Mr. and Mrs. W. C. Rogers and Mrs. A. B. Irvin, were welcomed.

Secretary and chairman reports were given. L. J. Riden, accompanied by Mrs. Riden, presented special music.

Games of 42 was played followed by a sing-song. Hostesses, Mrs. Dan Butler, Mrs. M. A. Gann and Mrs. Henry Neill, served cookies and soda pops to 35 members present.

The Area 4 champions fell 15 to 1 before Lovington, N. M., in the tourney's opening round Monday night.

Instead of recovering and regaining the victory habit which carried them quickly through Area 4 competition, the C-City Stars lost again Tuesday night—11 to 6 at the hands of Pecos.

One major consolation for the C-City players was in the fact that Lovington moved into the finals of District 4 awaiting for an opponent which will come from Thursday night's winner between Abilene Key City and Abilene. Lovington sped into the finals, which is scheduled Friday night in Abilene, with a victory streak which began Monday night against Colorado City.

A potent duo — Catcher James Scheschuck and Pitcher Steve Bridgeforth — set the victory pace for Lovington as the New Mexico crew scuttled C-City.

Bridgeforth fanned 10 C-City Stars, allowed only 2 hits and smashed a 2-run homer and a double. The other member of the Lovington battery, Scheschuck, slammed a homer, double and 2 singles. Only locals able to touch

Bridgeforth for hits were Bill McGuire and Frank Biggers, C-City's catching and pitching battery.

However, Biggers was just 1 of 4 pitchers Manager Toby Dearen used in an attempt to halt Lovington's 11-hit attack. Dale Walker started on the mound, was followed by Biggers, Larry Damborski and David Bearden.

Neither team was able to score in the first inning, then Lovington grabbed a 4 to 1 lead in the second, stretched it to 6-1 in the third. Then, the scoring parade continued with 3 more tallies in the fourth, 1 in the fifth, 4 in the sixth and 1 in the seventh.

Helping with the defeat were 7 costly Colorado City errors.

The same opening night Abilene scored a thrilling 4 to 2 victory over Pecos as each club managed to hit for 5 safeties.

And then, fighting to stay in the tourney play, Pecos bounced back Tuesday night for the 11 to 6 decision over C-City, defeat which automatically dropped the local Stars from the tourney.

It was a hard one to lose for C-City. For the Stars had moved into a 5 to 2 lead through the first 4 innings.

However, home runs knocked 'em apart in the sixth and Pecos coasted on to victory.

Although Pecos scored 2 runs in the first inning and held that lead through the first 3 innings, Colorado City cashed in with a big 5-run uprising in the bottom half of the fourth.

Retaliating in the top of the fifth, Pecos scored 5 runs of their own to regain the lead 7 to 5. The winners added 4 more in the sixth.

Big bats for Pecos in the decisive fifth inning scoring were catcher Raymond Kelly, who smashed a 3-run homer, and shortstop Dwight Hooker, who slammed a 2-run homer.

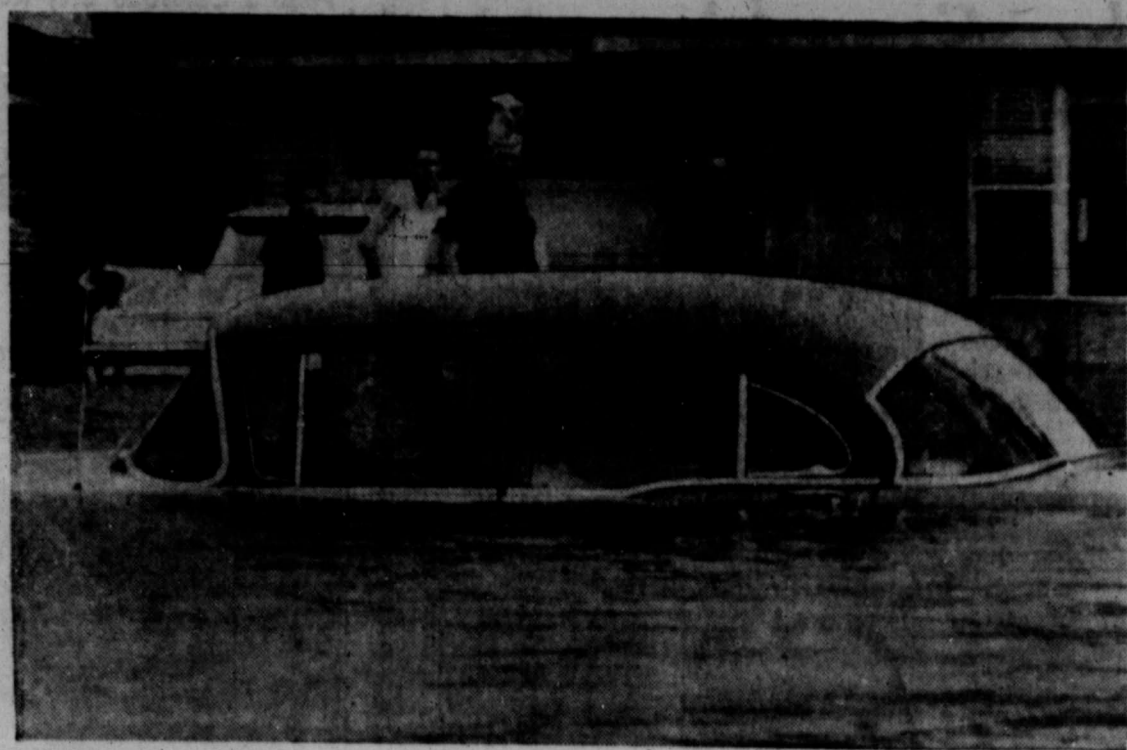

David McKay, C-City right fielder, connected for 2 singles and a double. Right along with him with the same hefty batting was Truman Turk, Pecos first baseman.

Abilene beat Key City (Abilene, too) Tuesday 5 to 2.

Then Lovington wallowed Abilene, 13 to 5, Wednesday night as Key City was eliminating Pecos, 9 to 2.

BEGINNING SUNDAY

"Bells Are Ringing" To Show at Palace

"Bells Are Ringing," a laugh-a-minute musical hit, is showing Sunday, Monday and Tuesday at the Palace Theatre.

The Metro-Goldwyn-Mayer production stars Judy Holliday and Dean Martin, with Miss Holliday recreating the role of the humorous and loveable telephone answering service operator which she created in the original musical play.

Filmed in CinemaScope and color, the picture was produced by Arthur Freed and directed by Vincente Minnelli, the team who has given the screen two Academy Award Winners, "Gigi" and "An American in Paris," among many other hits.

Fred Clark, one of Hollywood's top comedians, co-stars in the role of an edgy Broadway producer, with supporting cast headed by Eddie Foy Jr., and including such members of the original Broadway cast as Jean Stapleton, Ruth Storey, Doris Clark, Ralph Roberts and Bernie West.

"Bells Are Ringing" is highlighted by fourteen musical numbers ranging from love songs, topical ditties, humorous ballads, bongos and a cha cha routine to a honky-tonk chorus girl number.

Ella Patterson (Judy Holliday) works for Susanswerphone and has a deplorable tendency to get involved in

the lives of the customers as she takes and delivers their messages.

Ella has fallen in love, sight unseen, with the party answering to PLO-4433, the telephone number of playboy playwright Jeff Moss (Dean Martin). What happens when circumstances bring Ella and Jeff together changes the course of both their lives. Their romance takes place amid a series of hilarious complications. The indomitable Ella takes all these obstacles in stride and comes out the winner in every department, including that of LOVE.

This comedy — "Bells Are Ringing" — shows Sunday, Monday and Tuesday at the Palace Theatre.

Quotation by Andrew Jackson (1767-1845)

"NEVER TAKE COUNSEL OF YOUR FEARS"

Fear is a bad adviser, particularly when your health is concerned. Some people are afraid to consult a physician when sick. They fear they may have a serious trouble and are afraid to find out the truth.

A physician can soon relieve fear, by accurately diagnosing the cause of the sickness, which then probably can be soon cured. Even if the sickness were one of the few incurables, an early diagnosis and proper treatment would make it easier to live an almost normal life. Depend on your physician and the medicine he will prescribe.

YOUR DOCTOR CAN PHONE US when you need a medicine. Pick up your prescription if shopping nearby or we will deliver it promptly without extra charge. A great many people entrust us with their prescriptions. May we compound yours?
