## HE SHOULD HAVE GIVEN THE LADY GRAVY WITH HER STEAK, IT SEEMS

DETROIT, May 12 (AP)—Miss Hazel Chapman admitted she is quite a tolerant young lady, except in the matter of steak without gravy. And Michael Sarkeriosan's black eye is fine testimony of Miss Chapman's strong feelings in the matter.

Miss Chapman came to Michael's restaurant at 2 a. m., demanding steak and gravy. Michael brought forth a fine steak.

"Where," said Miss Chapman, with lifted eye-brows, "is the gravy?"

Michael was apologetic. The gravy department, he explained, closed at midnight. There could be no gravy.

Whereupon Miss Chapman hurled the steak full into Michael's face, following with a few castic rights and lefts. Chairs were overturned, Michael yelled, and a policeman came. Miss Chapman went to jail.

"Nothing makes me madder," Miss Chapman told the judge as she paid a \$25 fine, "than to order steak and gravy and get nothing but steak."

Meanwhile Michael wears a beefsteak poultice on his damaged eye.

## MARTIAL LAW IS REIGNING IN SHERMAN

### "BEST PEOPLE" OF CITY TO TESTIFY IN HEARING

(By Associated Press)  
SHERMAN, May 12.—Presided over by Col. L. S. Davidson, the first session of a military court of inquiry into mob activities here last week was held today.

Col. Davidson explained that the workings of the court were similar to those of a grand jury. He said names of persons summoned before the court would not be made public because to do so would defeat its purpose.

"Best People" Called  
"The best people of Sherman" will be called to identify members of the mob, the officer said.

With the arrest today of four additional alleged members of the mob which burned the courthouse in its efforts to lynch George Hughes, negro, charged with criminal attack, the court had 20 riot suspects ready for investigation. Nineteen of them were in jail and the twentieth was released subject to call.

A coroner officially declared to have been suffocated in a records vault in the courthouse. His body later was dragged through the streets and burned in the negro district.

To Make Thorough Probe  
Col. McGee announced his intention of leaving nothing undone to "get at the bottom" of these occurrences.

Guardmen today were stationed at the corners of the courthouse square with machine guns and were patrolling the streets. A heavy guard also was maintained about the jail where the 16 men arrested after the riots were held for hearing.

Quiet prevailed in the city all day Sunday, the troops' greatest difficulty being in directing the traffic of swarming thousands of motorists drawn by curiosity.

Order Given  
A military order prohibiting the congregating of more than three persons on the streets tended to

(By Associated Press)  
SAN JOSE, Costa Rica, May 12.—The bodies of two Mexican airmen, who survived bullets but died in an electrical storm, lay today in a morgue at the Atlantic coast town, Porto Limon, after a gallant, but futile attempt to break the world's long distance flight record.

Colonel Pablo Sider, ace of the Mexican Aviation Corps, and his co-pilot and mechanic, Captain Carlos Reviroza, fell into the sea about three miles south of Porto Limon about 5 p. m. yesterday while flying to escape an electrical and hail storm.

With their crash, far off the planned course down the American Pacific coast to Chile and across the Argentine a distance of 6,000 miles, they had traveled about 1,000 miles. They left Cerro Loco near San Geronimo, Oaxaca, Mexico, at 5:21 a. m., almost twelve hours before the disaster.

## COUNTY JUDGE BEAN DECLARES CHEST CHARITY BUDGET GREATLY INADEQUATE

In face of increasing financial burden upon the county Judge H. H. Bean said today that the charitable budgets of the Lubbock Community Chest is greatly inadequate to meet the growing number of indigent cases which are arising daily.

## MISSION CLOSURES AT CHURCH HERE

The week's mission in St. Joseph's Church, that began May 4, came to a close last evening and the largest gathering of the week attended the services. Father John Forest McGee of Wichita, Kansas, the Franciscan missionary who conducted the mission preached a sermon on the question asked him during the mission: "Why are you a Catholic?"

He spoke for more than an hour. He said that he was a Catholic because the Church is an old institution dating back in unbroken splendor to the Apostles and to Christ Jesus; because its ministrations accompany him through life from the cradle to the grave and beyond in grace-giving benedictions; because on the hand of authentic history it led him back down the ages to the founder of the Church, Jesus Christ; because existing before the Bible it gave this Bible to the world, the unadulterated word of God. He said that he was the better American because of his faith since his church taught loyalty to the flag and obedience to lawful authority.

The renewal of the baptismal vows, pronounced by the whole congregation, followed. Then he imparted to all who had made the mission the Pope's official blessing, chanting the prayers, Benediction of the Most Blessed Sacrament, and the singing of the hymn of Thanksgiving. "Holy God, we praise Thy name," concluded the services.

## SOUTHWEST MEET TO BE RUN TODAY

COLLEGE STATION, May 12 (AP)—Track and field were ready today at the scene of the year's major contest between rival teams of colleges entered in the southwest conference meet.

Due to Saturday's rains, James Sullivan, business manager of athletics at the Agricultural and Mechanical college, predicted the track would be fast.

The 100 and 220-yard dashes featuring Cy Leland of Texas Christian University and Claude Bracey of Rice Institute held the spotlight of interest, with the prospect that the present record of 2.8 seconds would be bettered in the 100 yard dash because of the intense rivalry between Leland and Bracey.

Taylor is a Central Texas boy and graduated from Gatesville high with four year of football. He played fullback on the Baylor squad.

Acceptance of the offer to teach and coach has been received by the board from Taylor. He succeeds Troy H. Jones who goes to the Andrews ward building as principal.

O. K. Davis, school principal, will assist in the coaching work.

## Flyweight Bout Is Highlight Of Week

NEW YORK, May 12 (AP)—A flyweight title bout at New York is the only bright spot in an otherwise drab boxing picture this week.

Midwest Welterweight of Philadelphia, flyweight titleholder in the eyes of the New York State athletic commission, defends his crown in a 15-round battle with Willie Lamorte of Newark, N. J., at the Garden Friday night.

Elsewhere the faded schedule offers little of general interest. Mickey Walker, middleweight champion, again invades the heavyweight division for a ten-round bout with Al Friedman of Boston at Louisville on Friday night. On the same night at Seattle, Wash., Leo Lomski, veteran light heavyweight, comes back to the wars to meet Wesley Ketchell of Salt Lake City in a six rounder.

Tonight Jimmy Maloney, retuned Boston heavyweight, is matched against Armand Emanuel, San Francisco brawler, in a ten rounder at Los Angeles.

## SIXTY-FOUR WILL BEGIN IN MATCH ROUNDS

### SUNDAY HAS ADDITIONS TO LIST; BUSSEY IS MEDALIST

Addition of 26 more entries in the Lubbock Country Club open golf tournament in the final day of qualifying play Sunday brings the total of contestants in the event to 64, necessitating four flights of match play instead of three, as had originally been planned.

Sunday's large turnout was accompanied by perfect golf weather. The club links north of the city were flooded throughout the day and a number of exceptionally low scores were turned in.

**Play Starts Tuesday**  
The first round of match play in all four flights is scheduled to start tomorrow. Pairings were made this morning with 16 men in each flight. Golfers who made the 18-holes in less than 87 are in the first flight. Finals will likely be played next Sunday.

Pairings for the four flights follow:  
First flight—Clinton Bussey and J. O. Smith; D. Mitchell and L. Price; J. Edmonson and V. O. Jennings; R. McWhorter and R. Lindner; L. H. Bradshaw and B. F. Cook; B. Yager and O. Pelly; J. D. Slaughter and L. H. McLarty; E. Doherty and T. Duggan, Jr.

Second flight—M. Dow and H. Arnett; L. Mast and J. B. Garrett; L. H. Quinn and S. L. Fiske; C. C. Crenshaw and B. C. Barnes; B. Roberts and L. Doherty; W. D. Kelly and W. McMillan; P. Magee and W. L. Peters; W. Hulston and M. Mitchell.

Third flight—W. A. Perry and P. W. Batcheider; J. B. Crigler and H. Roberts; G. Soan and C. E. Maedgen; R. Chatham and Dr. P. Standefer; N. R. Carter and R. J. Murray; W. D. Girard and O. Lybick; D. A. Dowell and J. Lightfoot; C. M. Hughtel and H. Bradford.

Fourth flight—H. W. Carpenter and J. B. Arton; W. B. Powell and R. C. Keith; M. Ballenger and J. C. Kayser; E. Dye and O. J. Peterson; W. D. Girard, Jr. and W. Jackson; J. A. and H. J. Parsons; P. Bradford and V. Ellis; C. H. Blakley and Cantelco.

## TAHOKA DEFEATS LUBBOCK PLAYERS

Tahoka's fast allstars defeated the Lubbock Advertisers here Sunday afternoon by the score of 23 to 4 in a hectic affair. Although equaled in pitching, "Lefty" Squibbs pitched for Tahoka, tightened up in pinches and kept the score of the Lubbock delegation down. His team mates received too many hits to count from the three pitchers put on the mound by Lubbock.

The Tahoka team has lost only one game so far this season and at least three have been won by scores of more than 15 runs on the part of the locals. They are looking for games with any semi-pro organization in a radius of 150 miles according to Jack Wells, manager of the club.

# Gallant Fox Has Edge on Favorites of Derby

## TEXAS HORSES ARE CONCEDED PLACES AMONG LEADERS

LOUISVILLE, Ky., May 12 (AP)—No single mount has been made the unanimous choice as the winner of the Kentucky Derby, May 17, but horsemen more and more are leaning to Gallant Fox.

The information that Earl Sande has been named to mount the nimble William Woodward colt, and the nice form the speedster has shown recently, have tended to drive the odds down on the mount.

A price of four to one was quoted on the horse recently. Track followers predict that the colt will be driven down to 3 to 1 before post time.

Gallant Fox, son of the great sire Galahad III, recently ran a mile in 1:40. His triumph in the Junior Champion Stakes at Aqueduct and his third in the Belmont Futurity give substance to his pretensions.

Other horses, however, are finding favor in the books and with the general public.  
Col. E. R. Bradley is on hand with Buckeye Poet, and Breeding Thru. He has with him, May Spence, veteran Audley Farm trainer, to condition the colts. Buckeye Poet was sired by Black Toney, while the sire of Breeding Thru was North Star III.

The Southwest has three eligibles in Kilkerry, Line Rider and Broadway Limited. All of the horses are from the Texas stable of the Three D's, and W. T. Waggoner, Fort Worth millionaire, Broadway Limited, by Man o' War, has still to win a race, yet workout reports have been highly favorable, and have caused observers to declare the colt the best of the fast trio.

Sarazen II and Desert Light, outstanding pair owned by Mrs. Graham Fair Vanderbilt of New York, have shown in early efforts that they must be counted well up among the favorites.

Sarazen II won his first out after he left here for the east, capturing the Paumonok handicap practically in a canter.

Desert Light, which will run coupled with his stablemate, finished second to the good overnight handicapper, Sandy Ford, in a condition handicap at Jamaica, but was giving the winner 30 pounds.  
High Post, golden chestnut colt owned by the Nash brothers of Chicago and J. B. Partridge, has been given serious thought by book makers. The sturdy racer, by Prince Pal, stands about 16 hands and weighs close to 1,000 pounds. Early wagering on the horse was as low as 6 to 1.

Flying Heels, owned by Giffard A. Cochran, could not be left out of any selections. This son of Flying Ebony, former Derby winner, has won seven out of ten starts as a two-year-old and was the leading money winner among the youngsters last year. He is a brown colt, rather on the small side, but game to the core and gifted with plenty of speed.

# INDIANS DOWN ATHLETICS, 25 TO 7; CARDS TAKE TWIN BILL FROM BRAVES; GIANTS HOLD LEAD BESTING CUBS; BABE GETS 5TH HOMER; FREY WINS 4TH

## BY HUGH S. FULLERTON, JR. Associated Press Sports Writer

When a team that has been having a hard time holding a place among the league leaders although it holds the club batting lead and one which has stretched a winning streak about as far as possible, get together something is bound to happen. It did yesterday when the Cleveland Indians entertained the Philadelphia Athletics and an overflow crowd of Cleveland fans.

The Athletics have shown plenty of hitting power all season while the Indians had a bad feeling coming to them after winning nine out of ten games. The beating was inflicted to the tune of 25 to 7, by far the biggest score of the major league season. Cleveland started by clubbing Ed Bonnell from the mound with five hits and three runs in the first inning. And they kept improving this pace, scoring in every inning up to the seventh, and collecting 25 hits. Nine of the blows were doubles and some might have gone for more bases except for the ground rules.

**Ferrell Is Stingy**  
Wesley Ferrell held the world's champions to four hits in his six innings on the mound. He allowed five runs but his mates beat that in two different innings, getting seven in the fourth and six in the sixth.

Cleveland's batting feat stood out on a day of rather light hitting. The only game that approached it was Brooklyn's 10 to 2 triumph over the Pittsburgh Pirates. The Browns made 18 hits for their third successive victory in the series, while Dazzy Vance held Pittsburgh to four.

**Cards Win Two**  
The St. Louis Cardinals made 25 hits but they had to win both of the twin bills. The scores were 9 to 3 and 7 to 6, carrying the Cardinals to six successive victories and Boston to as many defeats.

The New York Giants made their bid on the league's first place safe for the current series with the second place Chicago Cubs by winning their third encounter, 9 to 7. The game, played after a shower had made the field slippery, saw an pitcher yield 29 base, 17 of them going to the Giants.

**Frey Wins Fourth**  
Benny Frey, who has taken part in nine of Cincinnati's 22 games, hurled his fourth complete game and won his fourth victory by limiting Philadelphia to seven hits while the Reds pulled out a 5 to 4 win.

Ed Morris produced the day's best pitching feat as he held the St. Louis Browns to two hits for the second day in succession. The Boston Red Sox won the game, 2 to 1, on Regan's home run.

An ex-Bostonian, Charley Ruffing, made his debut in a New York Yankees uniform and helped the Yankees beat Detroit, 7 to 5. Given a good start by Babe Ruth's fifth home run of the season in the first inning, Ruffing barely lasted through the game.

Ted Lyons of Chicago hurled ten innings to defeat Washington, 3 to 2, in a fine duel with Bump Hadley. Three successive hits in the tenth, one a triple by Watwood, gave Chicago the deciding runs.

**RODEO IS PLANNED**  
LAMESA, May 12 (Special)—A two-day rodeo will be held at Andrews, capital of Andrews county and located sixty miles southwest of here, according to reports reaching Lamesa. The western show will be held May 14 and 15.

## LAMESA YOUTH IS KEPT BUSY WITH SCHOOL WORK, DELIVERING PAPERS AND CARRYING MAIL; RECORD GOOD

(By Staff Correspondent)

LAMESA, May 12—Going through high school by doing four year's work in three is a task all its own; but to do not only one job, but two on the side, is quite another matter.

This is the record which Leonard Scott, 18, agent of the Avalanche-Journal here, is attempting to maintain and the fact that he only lacks two credits of having completed four years of high school work in three, while carrying mail for Uncle Sam and also the daily newspaper, is proof of his ability to work hard.

**To Graduate**  
Leonard had hoped to finish high school this year. He had nine credits when the first of the 1929-30 term began and expects to make five more before school closes the latter part of the month. That will give him 14 credits and he needs but 16 to graduate.

"I want to take up engineering and I think I will go to Texas Tech when I graduate from Lamesa," Leonard said.

**Works For U. S.**  
Leonard began working for Uncle Sam, delivering special delivery letters and carrying mail to and from the postoffice to the bus depot, when he was 12 years old. He has held the job ever since.

About two years ago, when the Avalanche-Journal began its delivery service Leonard took the job as agent. He held it for some time then gave it up. Later he was persuaded to take the job again and after several months found the work a bit too hard in addition to his other jobs and quit.

**In Charge of Boys**  
February 1 last he was persuaded to assume the job again and is now in charge of four carriers and three sales boys on the streets.

Leonard owns his own car, a Ford sport roadster, with a "mother-in-law" seat, which he has paid for out of his earnings as carrier and newspaper agent.

An agent he is responsible for some 250 Journals delivered to customers on week days and about 60 street sales. He also handles about 100 hundred copies of the Avalanche in the morning and nearly 500 of the Sunday papers.

There never has been a complaint about his delivery methods since he took over the job, according to those in a position to know the case.

## STEERS WIN OVER SHIPPER CREW HANDILY

### INDIANS WIN EVEN AS BUFFS DOWN CATS, 3 TO 1

(By Associated Press)  
The league-leading Wichita Falls Spudders enjoyed themselves to the fullest extent Sunday afternoon at Katy Park by trouncing the Waco Cubs in both ends of a doubleheader, 13 to 9 and 10 to 2.

The twin killing strengthened the North Texans' hold on first place in the circuit.

Down at Beaumont the 5-0 shut-out handed the Exporters by the Dallas Steers proved to the railbirds that pitching still counts in this day of fence busting. Grady Adkins, Jake Atz's ace right-hander, hurled in big style to confine the slugger Shippers to two scattered hits. Rain prevented the teams from playing the second game of a scheduled doubleheader.

The San Antonio Indians took their first game since May 2, defeating the Sports 8 to 2 in the second game of a doubleheader, although the Shreveporters took the first number 4 to 0.

The Houston Buffs poured it out on the Cats 3 to 1, to capture the series. Five double plays, most of them sensational, kept 5,000 fans in the arena.

Think of us on Thursday, May 15 as having a good time. All we ask is that you get that bundle of Laundry in a little earlier this week for we are going to celebrate our Fifth Anniversary and the 1930 census report.

—“Any successful business today must necessarily have the co-operation of every member of the firm. Without this element of harmony and common purpose, achievement in any line of business is practically impossible. I wish to express my appreciation to every member of this firm who each day does his duties as they should be done, and who co-operates in making a unified laundry service, a service that may be recognized as supreme.”

O. W. McLEOD

## FOR LUBBOCK PEOPLE -- FIVE

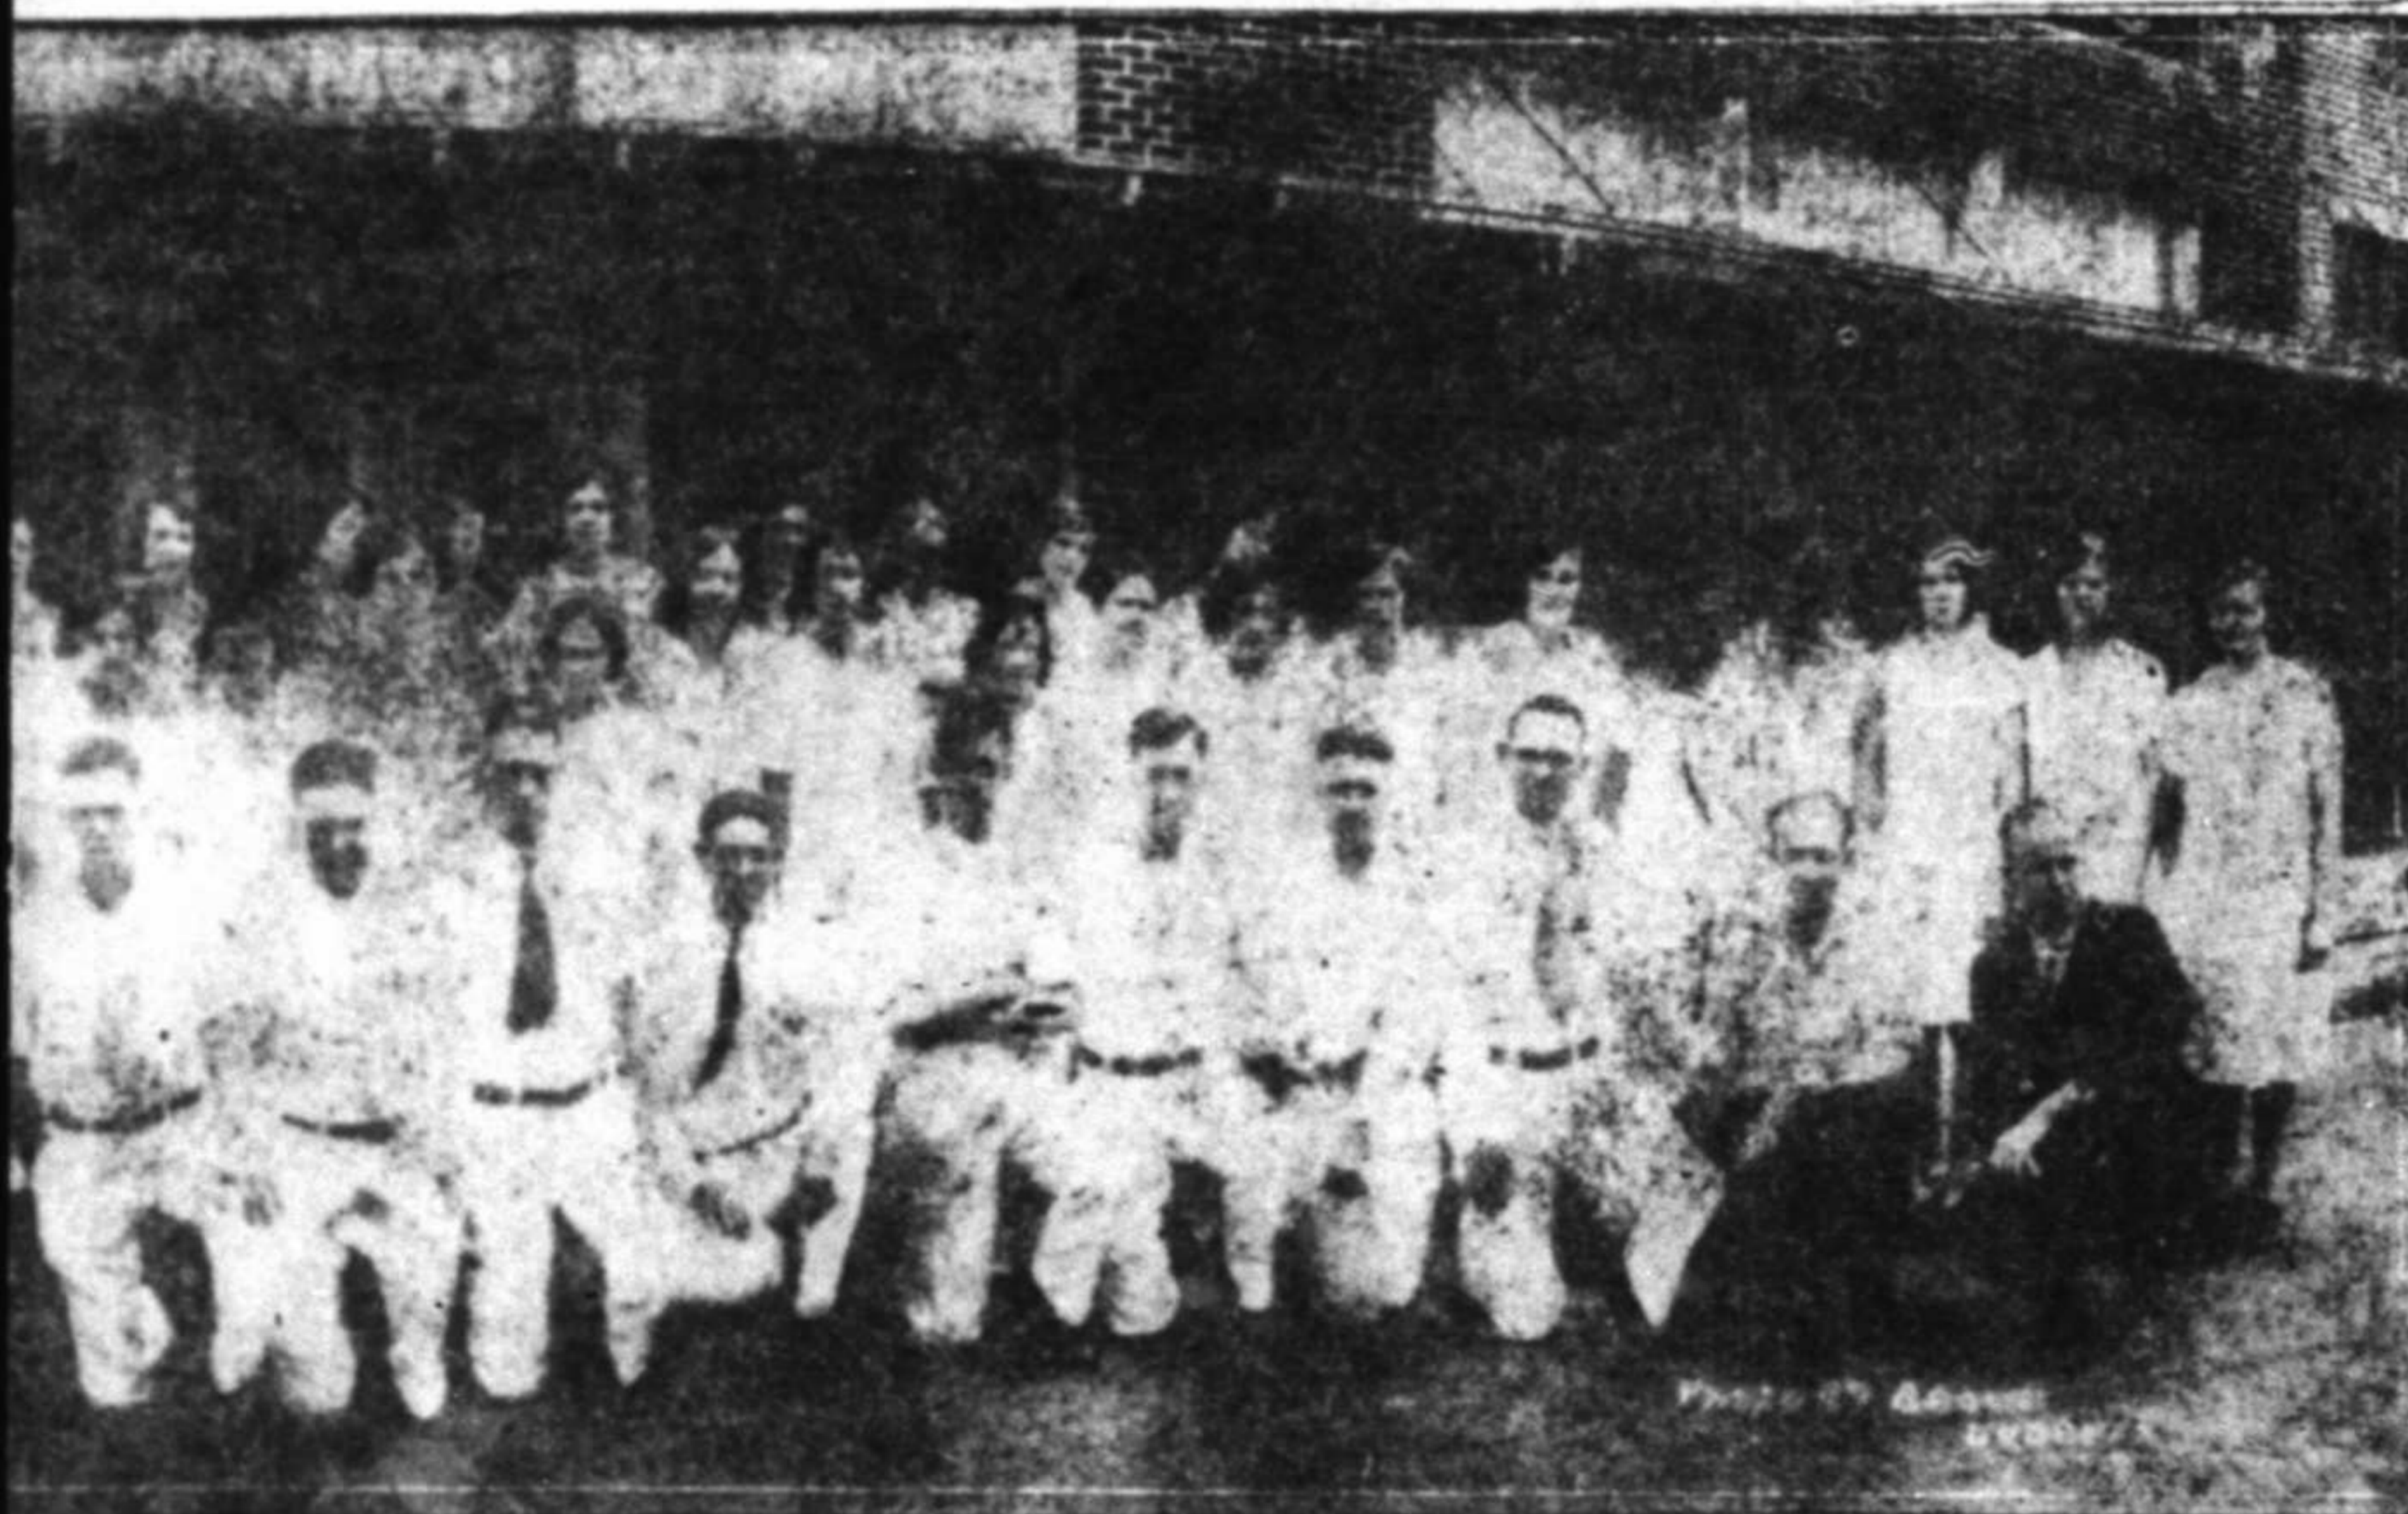

Every member of this firm extends greetings and thanks to you who have made us possible

In celebrating our fifth anniversary in Lubbock, the management and every member of this firm wants to express his appreciation for us to live and progress with Lubbock. We endeavor every day to perform our task so well that our particular niche in life may be definitely set as a part of the business life and of importance to those who depend upon us for service.

### OUR GOAL

Is A Standard Of Service That Will Stand The Test Of Time

It has been the policy of these laundries since their inception to give a service that will stand unquestioned, a service that will please. Consequently, we have invested our money in plants, machinery and equipment to handle the work in the most efficient possible way. Each laundry is in competition with the other, and the managers are held responsible for production. It is not difficult to keep these plants busy if the service rendered by them is so good it becomes a necessity. We strive for a service at all times, that will stand the test of time.

### TO SEND BAND

J. P. Shelton, Brownfield Chamber of Commerce secretary, says there is a movement on foot among business men of the Terry county capital, to raise a fund to send the Brownfield band to Abilene for the West Texas Chamber of Commerce convention May 29 to 31. "Don't know that we will but we would like to," he said. "We have a pretty good town band and we may enter them in the contest except they are planning to send theirs."

### A PUBLICITY BOUND

Vic Lamb, publicity man for the Lamesa Chamber of Commerce, keeps a scrap book with a list of the Brownfield band to Abilene for the West Texas Chamber of Commerce convention May 29 to 31. "Don't know that we will but we would like to," he said. "We have a pretty good town band and we may enter them in the contest except they are planning to send theirs."

### SAW THE MAN

A traveling man who is temporarily making Lubbock his headquarters says he saw the man wanted at Lamesa for a murder at Abilene, the day after the slaying. "I was driving in a low car and Snyder," he said, "I passed a car parked alongside the road. Noticed it because I went by fast that both sides of the windshield were broken. The man was dressed in a suit and was sitting in a wheel and I got out of the car. There was a kind of red headed woman and a little girl about seven or ten years old in the car. When I got to Lubbock the next Sunday and read a description of the car I remembered. A funny thing was I was carrying considerable money with me and only had an empty revolver. A short distance on the road I had seen a rattlesnake and used up all my bullets in killing it. If that bird had told me up, he might have found over \$300. The man said he reported the affair to Lubbock police. "I am sure I saw the man," he added.

### JUST LIKE WOMEN

A score or more of women went up to Littlefield the other night on a special coach to attend a lodge meeting. The driver was to call for them at 10:30 to return to Lubbock. He was there on time, but half of his customers were not. Those that got tired of waiting, and repaired to the lodge hall. It was midnight before the crowd was rounded up.

## PATIENCE, KINDLINESS AND UNDERSTANDING IN WORKING WITH BROKEN BODIES IS AIM OF PROFESSION OF NURSING

"I WILL walk in upright faithfulfulness and obedience to those under whose guidance I am to work and I pray for patience, kindness and understanding in the holy ministry to broken bodies."

The humanitarian aim of the sincere nurse is expressed in those words, which are adopted by many hospitals.

Perhaps no profession offers more absorbing interest than that which Florence Nightingale, English, philanthropist, elevated to a high standard, interviews among Lubbock nurses indicate.

### Strange Fascination

"There is a strange fascination about nursing which is difficult to explain," said Miss Grace Draper, of Tahoka, who was graduated Friday night from the Lubbock Sanitarium training school. "When work is exacting, requiring precision and diligence, one is conscious of her responsibility."

Miss Olivia Cathey, of Hermleigh, and Miss Marie Gwynn, of Muleshoe, who were also graduated at Friday's services, nodded agreement when Miss Draper said that contacts formed through helping suffering humanity form genuine friendships. There is immeasurable pleasure in receiving letters and cards from former patients, they said.

### Still Single

Miss Gynndolen Beebe, 1902 14th street, who will be graduated the latter part of this month at the West Texas Hospital, holds a unique position of singularity. Among a group of nine who started nursing training three years ago she remains the only one who is not married, and for her perseverance in the work she has received a new automobile, a gift from her father, D. C. Beebe. She plans to enter government service, Naval department.

Miss Bennie Bond Sanford, 1511 7th street, and Miss Beebe, are also expressing the pleasure of their work.

In primal days of the hospital the average person thought such an institution was unsympathetic and wholly scientific. The modern hospital pays every attention to the sympathetic treatment of the patient, nurses assure one. Everything is arranged for the patient's comfort.

The patient comes in more frequent contact with the nurse than with any other member of the hospital personnel. One of the important things, therefore, upon which the nurse is graded is "attitude toward the patient."

Maude, sentimentally, should never be countenanced by the nurse, the six interviewed agree. The nurse who is swayed by sentiment or emotion gives in to a patient's whims and hinders speedy recovery.

Here are a few interesting points gleaned from the Nightingale followers.

A grouchy patient may become the best friend and the most appreciative after recovery.

Male patients require less attention; women must have their comforts, and are often requesting little favors.

The average nurse prefers to administer to one who is so ill that he requires considerable attention, rather than to be idle in a room with one who needs very little tending.

All but one of the six nurses prefer to be in the surgery room where work must be done with precision. Miss Sanford, at the West Texas Hospital, finds the greatest pleasure in floor supervision.

### DON'T MIND "JINX"

Art Bollock, Rais Chamber of Commerce secretary, says the "Gin" of Rais is not afraid of the "jinx" that befell them at Temple during the Rotary convention. The quartet are planning to go to Abilene to the West Texas Chamber of Commerce meeting the last of the month. "Rais is getting a lot of good publicity out of the girls and they are popular every place they go," he said.

## FARM BOARD WILL AID GIN

### A CUFF TO GET PLANT THROUGH AID OF BOARD'S FUNDS

Construction of the first gin to the South to be financed by aid of the Federal Farm Board plus one fourth subscription of the community, as outlined under a new plan has been started at Aruff, 14 miles southeast of Lubbock. It was announced here Saturday.

Ground for the new \$40,000 gin was broken Friday by Douglas Pounds of Aruff, and M. Mitchell of Ballinger, field representative of the Texas Farm Bureau Cotton Association.

### Interest Stimulated

Interest in the new gin was stimulated at a community program held Friday night, when E. R. Davis, Aruff, director of the Texas Farm Bureau Cotton association, and Lynn Stokes, of Ballinger, president and general manager of Texas Farm Bureau Gin corporation and president of the Texas Farm Bureau Cotton association, were the principal speakers.

Under the new plan \$10,000 of preferred stock has been subscribed by farmers of the Aruff community, while \$30,000 has been appropriated by the Farm Board. Management of the gin will be under direction of the Texas Cotton Cooperative Gin association.

NEW YORK—Leo Diegel is convinced that a sixth sense must guide that fellow Hagen. Day after day they were making a golf movie. One morning the Haig remarked he was tired of wearing brown and would don black and white. Leo told him he would spoil the picture. The Haig insisted on the change. Leo expected that the director would order the Haig back to brown, but when they reached the location it rained and there was no work that day.

## THE TINYMITES

STORY BY HAL COCHRAN—PICTURES BY KING

(READ THE STORY, THEN COLOR THE PICTURE)

When with their race the girls were done, we Scouty said, "Let's have some fun. We'll be real kind to all the girls 'cause they've been kind to us. With clever thoughts I think I'm blessed. Now listen to what I'll suggest, and please do not get cross at me and try to start a fuss.

"Let's jump right on the track right now and run a race. I'll show you how. The girls can climb up in the stand and have a wonderful treat." And so the girls sat down nearby. The bunch then heard one of them cry, "Get set and go!" And then there was a scampering of wee feet.

The Times raced around the track. It seemed that they would never get back. Of course it was, to little boys, a mighty long, long run. But, finally, they came around, all tramping on the hard, hard ground. The girls all clapped and cried, "That was a heap of real good fun." The balloon which brought them to the track was then all set to

## Suit Is Expected Against R. C. A.

WASHINGTON, May 12 (AP)—Assurance that the justice department would institute suit against the Radio Corporation of America "within the next several days" was voiced last night by Senator Coughens, republican, Michigan, chairman of the senate interstate commerce committee.

The committee was informed in a letter from John Lord O'Brian, special assistant to the attorney general, of the status of department investigation, contemplating action against the corporation.

Senator Coughens said he was not informed whether suit would involve the corporation's pending application of its radio holdings with those of Westinghouse and General Electric, or whether it would involve action against R. C. A. in connection with its own radio patent holdings.

### They're Glad To Give A Statement

"Just A Few Bottles Of Argotane Has Restored My Wife To Health," Says Lubbock Man

"After I spent a lot of money for medicines and treatments for my wife without it doing her any good, it sure does seem wonderful to me that just two bottles of Argotane has restored her to health again," is a remarkable statement made a few days ago by W. E. Foster of rural route 8, Lubbock, Texas. Mr. Foster is very well known here in this section and is employed at the Junction Service Station.

"Several years ago," he continued, "my wife's health failed, she lost her appetite, and before I realized it, she has gotten so bad she was in danger of complete breakdown. What little she forced herself to eat disagreed with her and she suffered agonies from the gas that rose from the undigested food in her stomach. She was badly constipated and suffered from such terrible headaches that her nervous system went all to pieces and she couldn't sleep hardly at all at night. She worried over her condition and actually grew despondent. Her liver and kidneys bothered her an awful lot, and she would have severe pains in her side and back, and was very bilious and dizzy at times she could hardly stand up without falling.

"Nothing we did for her seemed to help her at all, but she just got worse instead of better. A friend recommended Argotane to her and persuaded her to try it. Soon after she took the first bottle I noticed that she was picking up and getting to be more talkative, and she has continued to improve ever since. She eats anything she wants now and it agrees with her. She is always in a good humor now. She sleeps fine every night and in fact, all of her troubles have been completely relieved. She is entirely like a different person. We are glad to do what we can for Argotane, for both of us are thankful for her health."

Genuine Argotane may be purchased in Lubbock at the Brown Drug Store.
