Thursday, February 4, 1965

NUMBER 13

Telephone Service To Be Improved

The construction program for Abernathy exchange during 1965 calls for gross expenditures of \$56,000 according to Sherron T. Lee, District Manager for General Telephone Company.

Highlights of the program include pressurizing the lead cable presently in use, adding new cable for expansion and to relieve congested areas, placing buried cable from the Abernathy General Office building to the extended area boundary for extended area calls between Abernathy and County Line and a rural construction program.

At the present time, the lead cable is being placed under pressure to help eliminate outages due to moisture entering the cable constant air pressure of approximately 8 pounds will be on the cable supplied by a dry air machine when the project is completed. This air pressure will keep small cable openings closed and prevent moisture from entering the cable, thus helping to eliminate telephone outages.

Some new cable has been erected to provide for expansion and to relieve congested area. The remainder of the cable will be placed in service as soon as it is received from the supplier.

During the year, the present open wire facilities between Abernathy and County Line exchanges will be replaced by buried underground cable. This will improve service between the exchanges and provide additional facilities when needed.

Sometime during the fourth quarter, a rural zoning construction project will be completed. This calls for erecting facilities to all of the rural homes in the Abernathy exchange area without a construction charge provided the house is located not more than 500 feet from the County road, a private property construction charge will apply.

General Telephone Company now serves over 1137 telephones in the Abernathy exchange of a total of about 8,330 in the Ralls District.

YH-YF Banquet Set Feb. 13

The Abernathy Young Home-maker Chapter members and the Abernathy Young Farmer Chapter members are to attend a banquet Saturday, Feb. 13, at 7:00 p. m. in the Abernathy School cafeteria.

County Line Baptist Meet Is Scheduled

A revival is scheduled at County Line Baptist Church, starting April 25, and continuing through May 2. The evangelist will be the Rev. Wayne Williams, who resides in New Mexico.

Billy F. Skipper, music director of Abernathy First Baptist Church, is to direct song services at the County Line revival.

The Rev. R. C. Hester is pastor of the County Line Baptist Church.

MOTHER OF MRS. ROYCE HENSON DIES IN KANSAS

The mother of Mrs. Royce Henson of Abernathy, Mrs. Margaret Kolb, 64, of Cherryvale, Kansas, died Jan. 27, in Mercy Hospital at Independence, Kansas. The Henson family attended funeral rites for Mrs. Kolb in Cherryvale Jan. 30. Burial was in the Cherryvale Cemetery.

BREAKS LEG WHILE SKIING

Mike, 18-year-old son of Mr. and Mrs. J. L. Irish, broke his right leg in a skiing accident at Ruidoso, N. M. He is a freshman at Tech. Mr. and Mrs. Irish and their family were hosts to a group of Tech students at their Ruidoso home between semesters last month.

THANK YOU

For the flowers, letters, gifts, cards and visits which I received while I was in the hospital.

I shall ever be grateful. May God's richest blessings come to each of you.

Love,
Jewel Richter.

Funeral Held For A. L. Stone, Sr.

Services for A. L. Stone, Sr., 75, were held Jan. 27, in the Abernathy First Methodist Church with the Rev. U. S. Sherrill, retired minister, officiating.

Assisting was the Rev. Carlton Thomson, pastor. Burial was in Abernathy Cemetery under direction of Chambers Funeral Home.

Pallbearers were Adrian Johnson, Billy Houston, Lee Roy Waters, J. Morris Thomas, R. V. Totty and Herbert Hardin.

Stone died at 12:15 p. m. Jan. 26, at his home following a five-year illness.

Born in Mason County, he moved to Abernathy in 1928 from Knox County and farmed northwest of town.

Survivors include his wife; two sons, Delton and A. L. Stone Jr., both of Abernathy; two daughters, Mrs. Judy Stracener and Mrs. Larry Grimsley, both of Abernathy; a brother, D. D. of Graham; two sisters, Mrs. E. E. Brownlee, Keller, and Mrs. A. R. Brownlee, Wichita Falls; and 10 grandchildren.

Antelope Teams Divide District Cage Victories

(By Mike Skipper)

The Abernathy Antelopes were virtually eliminated from district competition at Friona Tuesday, January 26, as they went down in defeat to the Chiefs. The same night, the Antelope feds lost a close contest with the Squaws to make their district record 2-4.

The Antelope quintet never could get settled down at Friona as they were overcome 53-42. The win gave Friona a 6-0 district record, which they advanced to 7-0 against Floydada Friday night. Lane Wade was high point for the game with 18 points. Two Friona boys had 14 points each.

Boys coach Wayne Preston stated that he could not have asked for more effort from the boys in the game. He said the 'Lopes had a little difficulty with their shooting which may have come from hurrying their shots or trying too hard. The Antelope squad was averaging 72 points per game, so the 42-point output was far below normal.

Donna Webb led the Antelope feds in scoring with 29 points in the girls contest, but this was not enough to put them past the Squaws. The final score of that contest was 55-53. All-State forward Tete Jennings was high for the Squaws with 21 points. The win gave the Squaws a 6-0 record, but they were defeated by Floydada Friday night to go into a tie with Dimmitt for the district lead.

Cagers Swamp Olton

Abernathy traveled to Olton Friday night to meet the Mustangs and Fillies and came back winners in both contests. The wins gave the 'Lopes Cagers 4-3 and 3-4 district records, respectively.

The local feds won the girls contest by the margin of 62-53 as Donna Webb once again led them in scoring with 25 points. High point honors for the game went to Sherry Caddell of Olton who had 26. The 'Lopes have been playing without the services of ace guard Cindy Shadden, who has leg injuries. The 'Lopes gained their fourth win in district play with a 63-point output that smothered Olton's 38 points. Junior guard Lane Wade led the 'Lopes in scoring with 19 points.

End Season Feb. 9

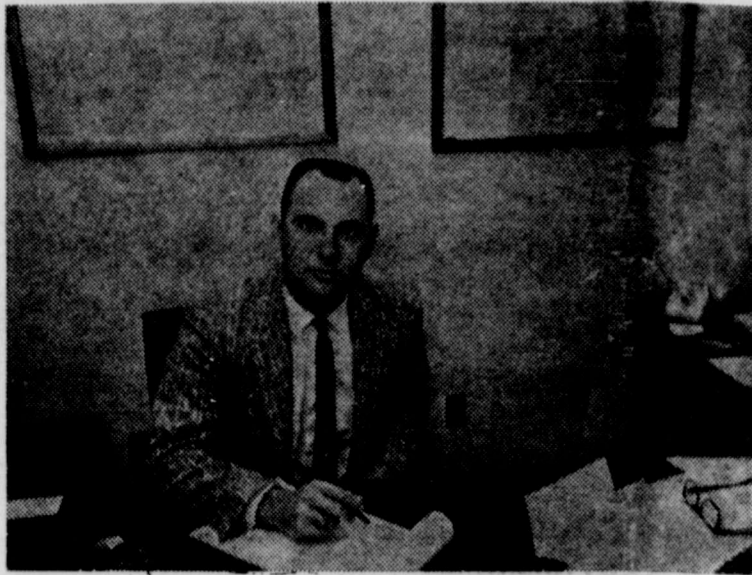

The Antelope cagers have only two more teams to meet on their 1965 schedule as they close out the season at home February 9 against Floydada. The 'Lopes play Lockney in Lockney this Friday night.

Even though the 'Lopes are out of the district race, support your team and be there.

MILT CROW IN HOSPITAL

A former Abernathy man, Milt Crow, is in the hospital at Friona, it reported, and is doing fine. He is a brother of Mrs. C. E. Williams of Abernathy.

Grady Peel, about 65, of Dallas recently suffered a stroke and is under treatment at Methodist Hospital in Dallas. He is a brother of Mrs. H. H. Selke and an uncle of Hemon Peel, both of Abernathy.

CITY MANAGER CHARLES NORWOOD

... Resigns Here For Oklahoma Post

City Manager Charles Norwood last week resigned his position here at a called meeting of Abernathy City Council. He has accepted the position of city manager of Broken Arrow, Okla., a suburb of Tulsa. He will begin his duties there Feb. 22. Broken Arrow has a population of about 9,000 persons.

Norwood came here in 1962, from Georgetown, Texas, where he was assistant city manager. He began his duties as Abernathy city manager in August of that year.

Mr. and Mrs. Norwood have two sons, Randy, 5, and Steve, 10 months old.

Mayor Roy Jones Monday said there had been no applications received to that time for the post being vacated by Norwood.

AHS Juniors To Present Play February 26

The senior class of 1966 of Abernathy High School will present the annual Junior Play on Friday, February 26, in the school auditorium. The play, "The Mouse That Roared," was adapted by Christopher Sergel from the book of the same title written by Leonard Wibberley. Sergel wrote the play in two acts with four main settings. It calls for 28 actors and actresses, which were picked by Director Cliff Martin in special tryouts held Monday, January 25.

The play will begin at 7:30 on the night of the 26th and tickets will soon go on sale for the production. Proceeds from the play will go to finance the Junior-Senior Banquet which is paid for by the Juniors each year.

The cast of characters which was chosen by Mr. Martin for the play is as follows: Gloriana XII, Duchess of Grand Fenwick, Treva Totty; Tully Bascom, Chief Forest Ranger, Larry Crowder; Count Mountjoy, leader of Anti-Dilutionists, Jim Barton; David Benter, leader of Dilutionists, Mike Johnson;

Mr. Beston, Secretary of State of U. S., Jimmy Don Franklin; Professor Kokintz, creator of Q-bomb, Mike Skipper; President of U. S., Terry Barton; General Snippet, Security Head, Pat Hale; Tourists Jane, Mary, Fran, and Pam, Barbara Patterson; Mary Goble, Peggy Carter and Cindy Shadden; Ann, Donna Skeen; Norma and Helen, ladies-in-waiting, Shanna Crenshaw and Jo Ann Lovelace; Page, Janice Phillips; Miss Johnson Beverly Spruiell;

Miss Wilkins, Marilyn Teaff; Mrs. Reiner, Jane Thomson; WACS Jill and Debbie, Carolyn McNeill and Jan Wilson; Mrs. Bascom, Margaret Toler; Tom Mulligan, Lawrence Allenberg; and four soldiers, Rex Hester, Lane Wade, Harry Overstreet, and Mike Pettit.

BROTHER DIES

Voda McKee, 48, brother of Mrs. Carl Rose of Abernathy, was killed in a car wreck at 4:30 p. m. Sunday, Jan. 24 at Groom, Texas.

Funeral services were held at Groom on Wednesday, and burial was at Memphis, Texas.

Mrs. Clarence Lyles of Cotton Center was taken to Plainview Hospital about 10 p. m. Sunday by Chambers ambulance. She was visiting here in the home of her sisters, Mrs. Earline Harp, Forest Sager and Bertie Stambaugh, 804 First Street, when she became ill.

Hernon Peel's Weld-Rite Welding & Machine Shop is advertising row markers with power-lift, trailer hitches and head-ache racks for all makes of pickups. Peel also is buying all kinds of junk metal. See his ad in this paper for details.

IOOF Lodge Hosts Circle Here Tonight

Abernathy Lodge No. 809, IOOF, is scheduled to be host Thursday night, Feb. 4, at 7:30 to a meeting of the Caprock IOOF Circle. Virgil Brantley, Noble Grand of the local Lodge, urges all members of the Lodge here to be present, and he extends a welcome to visiting IOOF members.

The Caprock Circle is composed of IOOF Lodges at Plainview, Floydada, Petersburg, Matador and Lockney, and the Abernathy Lodge. Members of these Lodges are expected to attend the meeting here Thursday night.

Students Tour Tuco Power Plant

A total of 80 students from Petersburg Junior High School were guests last Wednesday at Tuco Power Plant, announced plant manager Willie Florence.

The group, composed of 7th grade students and a special education class, were accompanied by three teachers, Mr. and Mrs. Gene Knutson and Dwain Williams. Mr. Knutson is Elementary and Junior High principal at Petersburg and Mrs. Knutson is the special education instructor. Mr. Williams is seventh and eighth grade science teacher.

A thorough tour of the electrical generating facilities at the plant was made by the group.

New Deal YF Meets Feb. 11

The New Deal Young Farmer Chapter will meet Thursday, Feb. 11, at 7:30 p. m. at the New Deal school.

Guest speaker will be Elmer B. Hudspeth, Jr., Agriculture Engineer with USDA, Texas Agriculture Experiment Station, Lubbock, will be guest speaker at the meeting. He is to discuss the use of herbicides.

All farmers in this area are invited to attend.

FORMER ABERNATHY MAN DIES IN WACO JAN. 27

Clifford Williams, brother of Emitt Williams (deceased), and former Abernathy community resident, died Wednesday, January 27, in the Veterans Hospital at Waco, Texas. He had been in ill health for several years.

Mr. Williams farmed Mrs. Hollands farm for two years in the early twenties. He then moved to Plainview where he worked as a painter and also sold washing machines. From Plainview he moved to Arizona and later moved to Holiday, Texas.

Burial was in Holiday, January 29. Mr. Williams was approximately 75 years of age. He is survived by his wife, two daughters and one son. The son is in Germany at present.

Mr. Williams was a member of and attended regularly the Church of Christ.

THIRD GRADE TO PRESENT PROGRAM

The Abernathy Third Grade pupils will present an assembly program Tuesday, February 9, at 9:15 a. m. in the school auditorium. The theme of the program is patriotic. "Our Changing Flag" is the title. Third grade teachers are Louise Samsel, LaRita Galloway, Alma Ruth Patterson and Beverly Moorhead.

The teachers and pupils invite all who are interested to attend.

BROTHER DIES

A brother of Mrs. W. I. Adkisson of Abernathy, R. A. Barber, 94, of Beeville, died there Jan. 26. Mrs. Adkisson's son-in-law and daughter, Mr. and Mrs. Horace Davis of Abernathy, attended funeral rites for Mr. Barber in Beeville Jan. 28. Burial was in the Beeville Cemetery.

Walter Parsons was a patient in a Plainview hospital.

Weekend visitors in the home of Mr. and Mrs. T. A. Brewster were his sister, Mr. and Mrs. Herman Adams of Winters and Mr. and Mrs. Jack Moore and family of Abilene. Mrs. Moore is a niece of Mr. Brewster.

Mr. and Mrs. Ed Lambert of Lubbock visited in the M. M. Bell home last week.

The parking area in front of Newton Radio & TV, 1312 Ave. D. Abernathy, has been paved.

Graveside Rites Held For Infant

John Michael Thompson, aged 18 hours, died at 10:00 P. M. Friday, Jan. 29, in West Texas Hospital, Lubbock.

Graveside services were held at 11:00 A. M. Saturday in the Abernathy Cemetery, with the Rev. Boyce Evans, Abernathy First Baptist Church pastor, officiating. The parents, Mr. and Mrs. Harold Gene Thompson, have one child, Kelly Lynn.

Paternal grandparents are Mr. and Mrs. Joe Thompson, Abernathy. Maternal grandparents, Mr. and Mrs. Charles Brooks of Wichita Falls.

C of C WORKING TO BRING INDUSTRY TO ABERNATHY

(By O. F. Rea)

At the regular meeting of the Chamber of Commerce held Feb. 1, at City Hall, which was called to order at 8:00 o'clock by president Ed Graham, the minutes of the last meeting were read and the financial report was given by treasurer John Hale. Your Chamber of Commerce is very solvent, as the report showed.

There are reports that the Hancock Manufacturing Co. is looking for a location in this area. This is not idle talk as the Chamber of Commerce has been aware of this and is working hard to bring this industry to or as near as possible to Abernathy. There have been some very encouraging moves made pointing to this possibility but at this time it is still in the "possible" stage.

A nominating committee was appointed to name five members who will in turn select the 1965 officers of the chamber. The committee named consisted of John Hale, A. J. Higgins, Melvin Rape, Golden Furguson and Rudolph Struve.

Robert Barnes was named to work on a planning committee in cooperation with other chambers of this area who will work with the West Texas Chamber of Commerce in planning the future development in the general areas of West Texas.

The chamber is working on the naming of someone as "man of the year" in this area. Pete Thompson who is working on the committee reported that there were seven names which have appeared as being perhaps leading the list of those eligible for this honor.

A Chamber of Commerce banquet is coming up April 13, to be held in the school cafeteria for which tickets will be on sale presently at a tentative price of \$2.00 per plate. A well known and very entertaining speaker is to be the chief entertainer if he can be obtained. It is hoped to have the house full.

As some of you wonder how many are members of the Chamber of Commerce now, it was stated that the present membership stands at 101. There is a plan on foot to enlarge the membership and also hold the dropouts to a minimum in the future which may prove to be very effective.

Twenty-three members were present: Ed Graham, Robert Barnes, Joe Thompson, James A. Bruce, Charles Norwood, Rudolph Struve, A. L. Higgins, John Hale, Ted Hill, Andy Reld, A. D. Helms, Jim Bob Smith, David Pinson, Orville (Hoppy) Toler, Herman Lambert, Eddie Guerant, E. L. Kelly, John Duty, Lewis Lutrick, Don Paxton, W. A. Scott, Pete Thompson and Bobby McAllister.

RIDING CLUB TO MEET SATURDAY

The Abernathy Riding Club will meet Saturday, Feb. 6, at 7 p. m. in Graham's party room for a regular meeting.

The club invites anyone interested in becoming a member of the Riding club to attend the meeting.

Mrs. H. H. Oliver was a patient in Hi-Plains Hospital, Hale Center.

Mr. and Mrs. T. A. Brewster visited a niece of Mr. Brewster's in Amarillo Sunday Jan. 24th. They reported that they encountered considerable snow in that area.

Wright Named County Heart Gift Chairman

Norman Wright of Plainview has been named Memorial Gifts Chairman of the Texas Heart Association's Hale County drive.

The appointment was announced by Dr. Robert Mitchell of Plainview, President of the Texas Heart Association.

Contributions to the heart fund may be mailed directly to Wright at P. O. Box 671, Plainview, and receipts and acknowledgements will be issued by return mail.

Wright says that more deaths result from heart diseases in Texas than from all other causes combined. February is "Heart Month" throughout the nation.

The Heart Fund, a large part of which is the income from memorial gifts, is now in its 16th year. More than \$100,000,000 has been provided by the Heart Association for diseases of the heart and blood vessels.

School Schedule

Feb. 4: Freshman boys and girls basketball teams meet Tulla here beginning at 5:30 p. m.

"B" team boys basketball team plays Ralls "B" there.

Feb. 5: Varsity boys and girls basketball teams to meet Lockney varsity cagers in district play beginning at 7:00 p. m.

Feb. 8: Future Teachers of America club meets with sponsors Curtis Davenport and Howard Humphrey in Room 117 at 8:15 a. m.

The Parent-Teachers Association will hold its regular monthly meeting in the cafeteria at 7:30 p. m. The nomination of officers for the new year is the main item on the agenda.

Regular monthly meeting of the National Honor Society to be held in Room 117 beginning at 7:30 p. m.

Feb. 9: Varsity boys and girls basketball teams meet Floydada at home in the last game of the 1964-1965 season. The game will begin at 7:00.

Feb. 11-12: Physical fitness tests will be given to band and P. E. classes of AHS.

Feb. 15: The Science Club will meet with sponsors Dodie Stokes and Mrs. Betty Martin in the morning at 8:15.

All Freshmen will pre-register for the 1965-1966 school year in their English classes.

The Spanish Club will hold its monthly meeting at 7:30 in Room 117 with Mr. Bobby Hudson, sponsor.

Feb. 16: Sophomores pre-register for 65-66 school year in English classes.

Feb. 17: Juniors pre-register for new school year.

Feb. 19: The Juniors will order the Senior rings in Room 117 of the high school.

The FHA will sponsor a TWI-RP party in the old gym. The Woman is Required to Pay.

Feb. 20: The AHS Concert Band will participate in the Hale Center Band Festival to be held at Hale Center.

Feb. 22: The 1965 Annual Staff will meet with Mrs. Harry Nofsker at the school at 7:30 p. m.

The Library Club will hold its regular meeting in the library beginning at 7:30 p. m.

Feb. 26: The 1965 Junior class will present the annual Junior Play beginning at 7:30 in the school auditorium. The play, "The Mouse That Roared," will be directed by Mr. Cliff Martin.

Feb. 27: Members of the AHS Band will participate in the Solo and Ensemble Contest for Region I.

March 5, Teacher's Meeting, Lubbock.

April 15, (2:30 p. m. Dismissal) Easter.

April 20, School Resumes, May 16, Baccalaureate.

May 20, (Thursday) High School Commencement.

May 21, (Friday) Junior High Commencement.

Jimmy Glenn Stillwell is to undergo an Armed Forces physical examination Feb. 8, it was reported by Texas Local Draft Board 45 in Plainview.

Mr. and Mrs. Ray Willis visited in Quannah and Wichita Falls last weekend.

Mrs. J. W. McReynolds was a patient in West Texas Hospital, Lubbock.

Mr. and Mrs. T. A. Brewster left Tuesday for Dallas where they attended the funeral of her uncle, J. C. Sanders, on Wednesday. Before returning home Mr. and Mrs. Brewster visited in Abilene with his sister, Mrs. R. G. Balch, and his brother G. W. Brewster.

Dwayne Shippers moved to 106 South Ave. D.

Mrs. E. M. Jones moved to 1216 15th St.

Marvin Teaff moved to 509 Ave. G.

Bible Study Set At Baptist Church

(By Mike Skipper)

The First Baptist Church of Abernathy will hold a special Bible study on the book of Deuteronomy beginning on Friday, February 5 and running through Monday, February 8. The study will be divided into 7 sessions and will be conducted by Dr. John P. Newport, a noted Baptist theologian currently teaching at Southwestern Baptist Theological Seminary in Fort Worth.

Dr. Newport holds the Bachelor of Arts degree from William Jewell College, Missouri, the Master of Theology and the Doctor of Theology degrees from Southern Baptist Theological Seminary, Louisville, Kentucky; and the Doctor of Philosophy degree from the University of Edinburgh, Scotland. He has also studied at the Universities of Basel and Zurich in Switzerland, Tulane University, Union Theological Seminary, New York City; Columbia University, the University of Tulsa and Texas Christian University.

At present, Dr. Newport is the Professor of Philosophy of Religion at the Southwestern Baptist Theological Seminary in Fort Worth. Prior to this position, Dr. Newport has been Professor and Director of Graduate Studies in Religion at Baylor University and Associate Professor of New Testament and Philosophy of Religion at New Orleans Baptist Theological Seminary.

Dr. Newport is the father of three children, Martha, Frank

DR. JOHN P. NEWPORT
... To Lead Bible Study

and John Paul Jr.

Dr. Newport has been pastor of churches in Kentucky, Mississippi, and Oklahoma. He has also been interim pastor of eighteen churches in Mississippi, Oklahoma, Louisiana, and Texas and has conducted evangelistic campaigns in most of the Southern and Southwestern states.

As shown by his achievements, Dr. Newport is fully capable of teaching the Bible and will be a great inspiration to anyone who hears him. The Bible study is open to everyone and members of First Northside Baptist churches are especially urged to attend.

The schedule and subjects for the Bible study are as follows:

Harral memorial auditorium

WAYLAND COLLEGE GETS \$500,000 GIFT—Mrs. J. L. Harral, Abernathy, received a standing ovation from those in attendance at the 44th Annual Pastors and Laymen's Conference on campus when President Roy C. McClung on Jan. 25 announced her gift of \$500,000 to erect Harral Memorial auditorium. Mrs. Harral has chosen this method of memorializing her husband, John Lewis Harral, and their son, Jack, both of whom attended Wayland. The Harrals met in historic Gates Hall on her first day as a freshman during his senior year. Construction will start during the summer of 1965, with a completion target date set for fall of 1966. This auditorium will seat at maximum 1750 and will provide an 80-foot stage with an orchestra pit that raises and lowers, giving flexibility for programs with one speaker to major productions and spectators.

Seating will be in Continental style, no center aisle, on 1st floor. Special provision is made for the many art exhibitions. Wayland annually sponsors and for large receptions involving both college and community. Mrs. Harral's gift is the largest ever received for construction of a building by this pioneer college on the Plains of Texas. Mrs. A. Van Howeling, Plainview, gave \$250,000 in 1957 for erection of Van Howeling Memorial Library, a major breakthrough in modern construction at Wayland which has included Flores Bible Building, the gift of

- 3rd session: Sunday, Feb. 7, 9:30 Sunday School hour. "The Nature of Covenant Faith."
- 4th session: Sunday Morning Worship Hour, 10:30. "The Law."
- 5th session: Training Union Hour 5:30 p. m.
- 6th session: Evening Worship Hour, 6:30 p. m.
- 7th session: Monday, February 8, 7:00-8:30 p. m. "Covenant Renewal and Final Words and Events."

Shurbet Speaks At 1935 Study

(By Mrs. Delwin Webb, reporter)

Marvin Shurbet, a member of the Texas State Water Development Board, addressed members of the 1935 Study Club Thursday, Jan. 28, in the home of Mrs. Dan Ward.

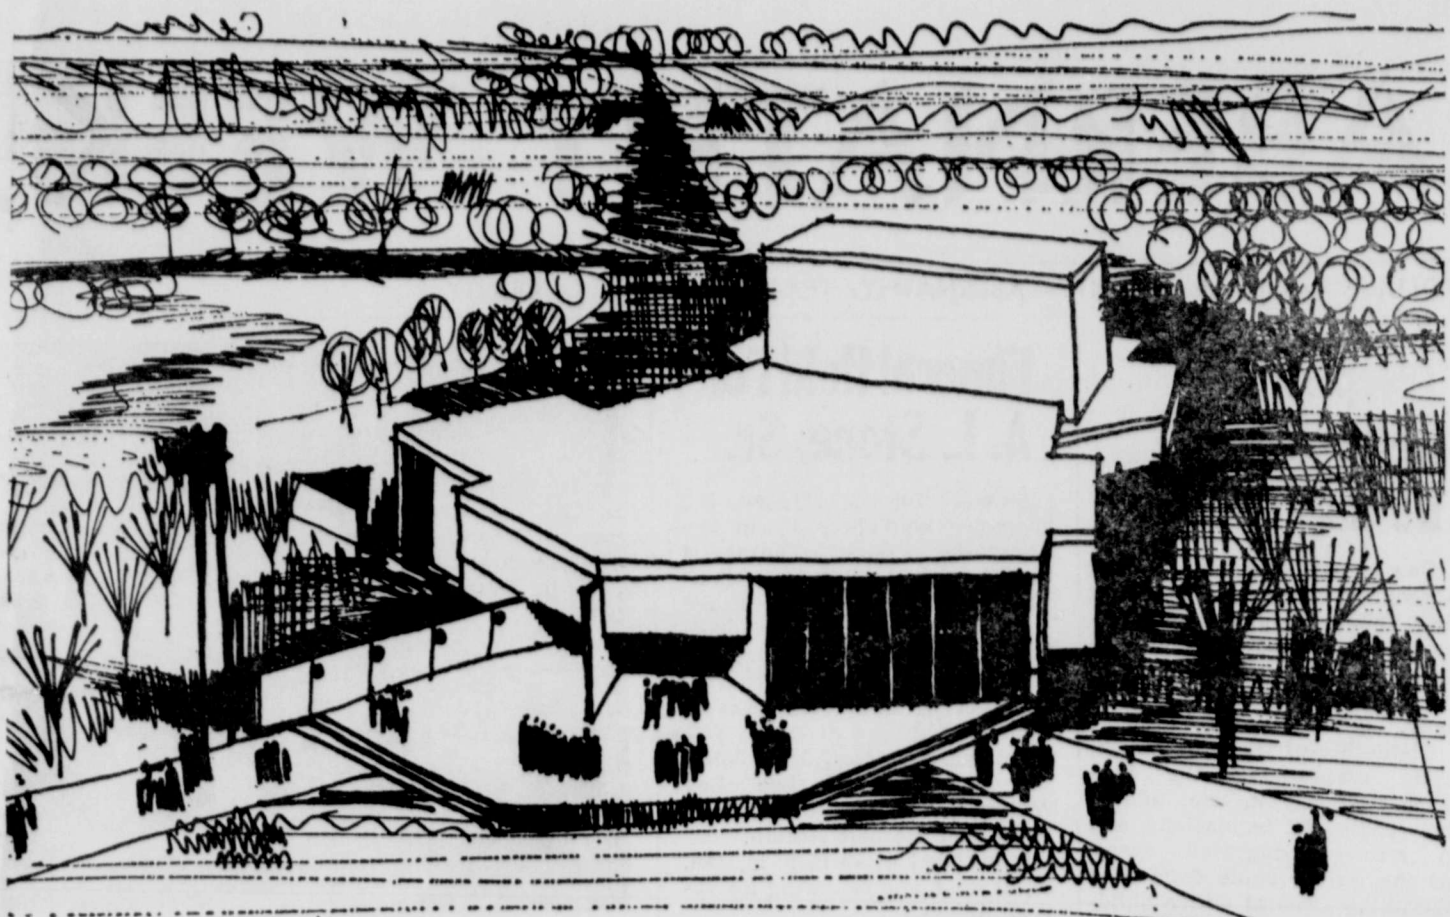

Shurbet outlined the functions and purposes of the Board, and discussed current efforts to assist the farmer in his water problems. A suit to secure water depletion allowances has been before the courts for some time, he revealed. This has the full support of the Board. A bill authorizing the state to control all underground water not included in water districts could come before the legislature in the near future Shurbet said, and added that he hoped it could be kept off the agenda.

Certain statewide water development projects described by the speaker would alleviate the water shortage on a temporary basis, but he declined to express optimism for the Abernathy area. This city, Shurbet stated, will be forced to go outside the immediate area, buy water rights, and have the water piped in for domestic use. Aside from the expense and effort involved, neighboring landowners will likely resent such procedures.

One possible solution to the widespread water shortage in NOWAPA, a private project at present in the planning stage. This plan, The North American Water and Power Alliance, provides for the harnessing of the floodwaters of the rivers of Alaska, Canada and other large bodies of water. This vast project could conceivably provide sufficient water for the entire North American continent, its originators contend.

Present at the meeting, in addition to the hostess, were Mmes. Robert Carter, Waldo Cox, John Hale, John L. Harral, Wesley Harris, E. A. Houston, Thomas Johnston, Frank Lovelace, J. C. Mills, Doyle Oswalt, Ray Pinson, Arno Struve, R. R. Struve and Delwin Webb.

April 25-May 2: Revival at County Line Baptist Church. The Rev. Wayne Williams New Mexico resident, evangelist; Billy F. Skipper, Abernathy, in charge of song services, Rev. R. C. Hester, pastor.

Mr. and Mrs. S. F. Flores, Tulsa; Building, classroom building for residence is expected to be for a gymnasium which will be Owen Hall, residence for 100 home and family life education, ready for fall occupancy and on construction when funds are women, and Home Life Building, tion. First unit of a 3-unit men's the drawing boards are plans available.

THIS PIPELINE WAS BUILT BY THE ROMANS AND SERVED FOR 2,000 YEARS

This photo, from the Smithsonian Institute in Washington D. C., shows a section of the original aqueduct that served the water needs of the conquered city of Cologne, Germany. It was constructed in 80 A.D. by the engineers of Fabius Sabinus Titus, Emperor of Rome. The aqueduct extended 56 miles underground between Cologne, and Eiffel and served as the main artery for the Cologne water supply until the late 1920's.

THIS PIPELINE IS EVEN MORE DEPENDABLE !!

LOCK-SEAL

Because of modern materials and manufacturing techniques, Gifford-Hill-Western's LOCK-SEAL provides an even more dependable underground pipeline. The close tolerance design makes the pipe more suitable, and joint flexibility eliminates the effects of expansion and contraction due to soil conditions and temperatures. By combining a superior product with modern day design and installation know-how, you have an underground irrigation system that serves dependably year after year . . . generation after generation. LOCK-SEAL is the product, Gifford-Hill-Western is the Company . . .

GIFFORD-HILL-WESTERN

Miss Busby And Mr. Barnwell Marry Jan. 28

Homer Cliff Barnwell III, of Abernathy and Judy Roberta Busby of Petersburg were united in marriage in the home of the bridegroom's parents in El Paso Thursday night, Jan. 28, by Earl Davis, Elder of the East Side Church of Christ, Petersburg.

The bride's parents, Mr. and Mrs. J. D. Busby, accompanied the Davises on the trip to El Paso and return.

The newly weds will live in Abernathy where Barnwell works for Bill Wolf & Sons. They

W. S. C. S. NEWS

(From Last Week)

The Methodist Woman's Society of Christian Service met Monday, January 25, at 2:00 p. m. in the church to continue the study of Spanish Americans led by Mrs. Horace Davis. Mrs. Mills opened the meeting with a prayer. Group singing was led by Mrs. Thomson. Mrs. Ragland accompanied at the piano. Mrs. Suttle, Mrs. Ragland and Mrs.

will reside on 14th St. in a house belonging to Marvin Struve.

While in El Paso the Davises took a guided trip into Juarez, visiting among other things the new glass factory which proved very interesting.

Davis gave an interesting and informative program. Mrs. McClure dismissed with prayer.

Members present for this meeting were Mmes: J. B. McClure, F. A. Goebel, M. M. Bell, W. M. Medlin, George Ragland, J. W. Davis, L. S. Wilson, J. C. Mills, Ray Pinson, C. H. Thomson, L. A. Suttle and Horace Davis.

The next meeting of the Society will be held at the church at 2:00 p. m. February 8.

Feb. 11: Abernathy Young Homemaker Chapter to meet in AHS homemaking department at 7:00 p. m. Mrs. Johnny Skipper, president; Mrs. W. H. Almond, advisor.

Linda Shipman Writes Article For Magazine

PLAINVIEW, Special: — Miss Linda Shipman, 712 1st St., Abernathy, is a contributor to the fall issue of Wayland Literary Magazine, recently released.

Her essay is titled "Creativity" and was selected for inclusion by Jerry Williamson, Silverton, editor, and Dr. Sherman B. Neff, faculty advisor.

Miss Shipman, daughter of Mr. and Mrs. Furman Shipman, was graduated from Abernathy High School in 1960 and is a senior at Wayland. She is an

English major and a psychology minor. She plans to teach after graduation.

The Wayland Literary Magazine is published twice each session and uses short stories, essays, and poems submitted by the students and also drawings and illustrations from students of art.

Staff members this year also include: assistant editor, Ora Marriott, Iowa Park; art editors, Tom Brian, Plainview, and Vernon Tulanonda, Bangkok, Thailand.

May 2-9: The First Baptist Church will hold its annual spring revival in connection with the West Texas Baptist Crusade which is headed by the Rev. Boyce Evans, pastor of the church.

OES Chapter Meets Feb. 4

Regular meeting of Abernathy Chapter No. 877, Order of Eastern Star will be Thursday, Feb. 4 at 7:30 p. m. for Lillian Barnard night.

Members of the program for that night will be Mrs. Beulah Speer, Mrs. Marietta Bartlett, Vernon Bartlett, Mrs. Irma Ward, Mrs. Manna Struve and Mrs. Jewel Richter.

The social committee for the night will be Mrs. Delphia Wales, Mrs. Maxelle Pettit, Mrs. Karen Bradley, Mrs. Evaughn Hackler and Mrs. Geneva Higgins.

WE EMPLOY 50 MILLION WORKERS!

The money spent by South Plains Electric Cooperative members for electric appliances and equipment travels great distances and ends up in many paychecks. It starts with the hometown merchant who makes the sale and includes the freight carrier, packager and the legion of workers in every field who helped manufacture these items.

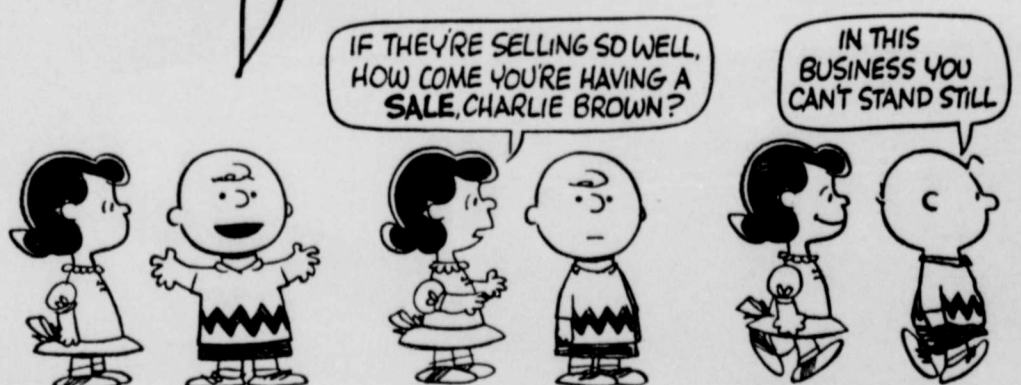

This year members of the South Plains Electric Cooperative will spend \$2,000,000 for appliances. And every penny will be spent to use the electricity the member-owners provided for themselves. The dependable, efficient electric system offered by the rural electric cooperatives is helping Texas and the nation grow through rural electrification.

Bible Study Set At Baptist Church

(By Mike Skipper)

The First Baptist Church of Abernathy will hold a special Bible study on the book of Deuteronomy beginning on Friday, February 5 and running through Monday, February 8. The study will be divided into 7 sessions and will be conducted by Dr. John P. Newport, a noted Baptist theologian currently teaching at Southwestern Baptist Theological Seminary in Fort Worth.

Dr. Newport holds the Bachelor of Arts degree from William Jewell College, Missouri, the Master of Theology and the Doctor of Theology degrees from Southern Baptist Theological Seminary, Louisville, Kentucky; and the Doctor of Philosophy degree from the University of Edinburgh, Scotland. He has also studied at the Universities of Basel and Zurich in Switzerland, Tulane University, Union Theological Seminary, New York City; Columbia University, the University of Tulsa and Texas Christian University.

At present, Dr. Newport is the Professor of Philosophy of Religion at the Southwestern Baptist Theological Seminary in Fort Worth. Prior to this position, Dr. Newport has been Professor and Director of Graduate Studies in Religion at Baylor University and Associate Professor of New Testament and Philosophy of Religion at New Orleans Baptist Theological Seminary.

Dr. Newport is the father of three children, Martha, Frank

DR. JOHN P. NEWPORT
... To Lead Bible Study

and John Paul Jr.

Dr. Newport has been pastor of churches in Kentucky, Mississippi, and Oklahoma. He has also been interim pastor of eighteen churches in Mississippi, Oklahoma, Louisiana, and Texas and has conducted evangelistic campaigns in most of the Southern and Southwestern states.

As shown by his achievements, Dr. Newport is fully capable of teaching the Bible and will be a great inspiration to anyone who hears him. The Bible study is open to everyone and members of First Northside Baptist churches are especially urged to attend.

The schedule and subjects for the Bible study are as follows:

Harral memorial auditorium

WAYLAND COLLEGE GETS \$500,000 GIFT—Mrs. J. L. Harral, Abernathy, received a standing ovation from those in attendance at the 44th Annual Pastors and Laymen's Conference on campus when President Roy C. McClung on Jan. 25 announced her gift of \$500,000 to erect Harral Memorial auditorium. Mrs. Harral has chosen this method of memorializing her husband, John Lewis Harral, and their son, Jack, both of whom attended Wayland. The Harrals met in historic Gates Hall on her first day as a freshman during his senior year. Construction will start during the summer of 1965, with a completion target date set for fall of 1966. This auditorium will seat at maximum 1750 and will provide an 80-foot stage with an orchestra pit that raises and lowers, giving flexibility for programs with one speaker to major productions and spectators. Seating will be in Continental style, no center aisle, on 1st floor. Special provision is made for the many art exhibitions. Wayland annually sponsors and for large receptions involving both college and community. Mrs. Harral's gift is the largest ever received for construction of a building by this pioneer college on the Plains of Texas. Mrs. A. Van Howeling, Plainview, gave \$250,000 in 1957 for erection of Van Howeling Memorial Library, a major breakthrough in modern construction at Wayland which has included Flores Bible Building, the gift of

lows:

1st session: Friday, Feb. 5, 7:00-8:30 p. m. "Why Study Deuteronomy?"

2nd session: Saturday, Feb. 6, 7:00-8:30 p. m. "Learning from History."

3rd session: Sunday, Feb. 7, 9:30 Sunday School hour. "The Nature of Covenant Faith."

4th session: Sunday Morning Worship Hour, 10:30. "The Law."

5th session: Training Union Hour 5:30 p. m.

6th session: Evening Worship Hour, 6:30 p. m.

7th session: Monday, February 8, 7:00-8:30 p. m. "Covenant Renewal and Final Words and Events."

Shurbet Speaks At 1935 Study

(By Mrs. Delwin Webb, reporter)

Marvin Shurbet, a member of the Texas State Water Development Board, addressed members of the 1935 Study Club Thursday, Jan. 28, in the home of Mrs. Dan Ward.

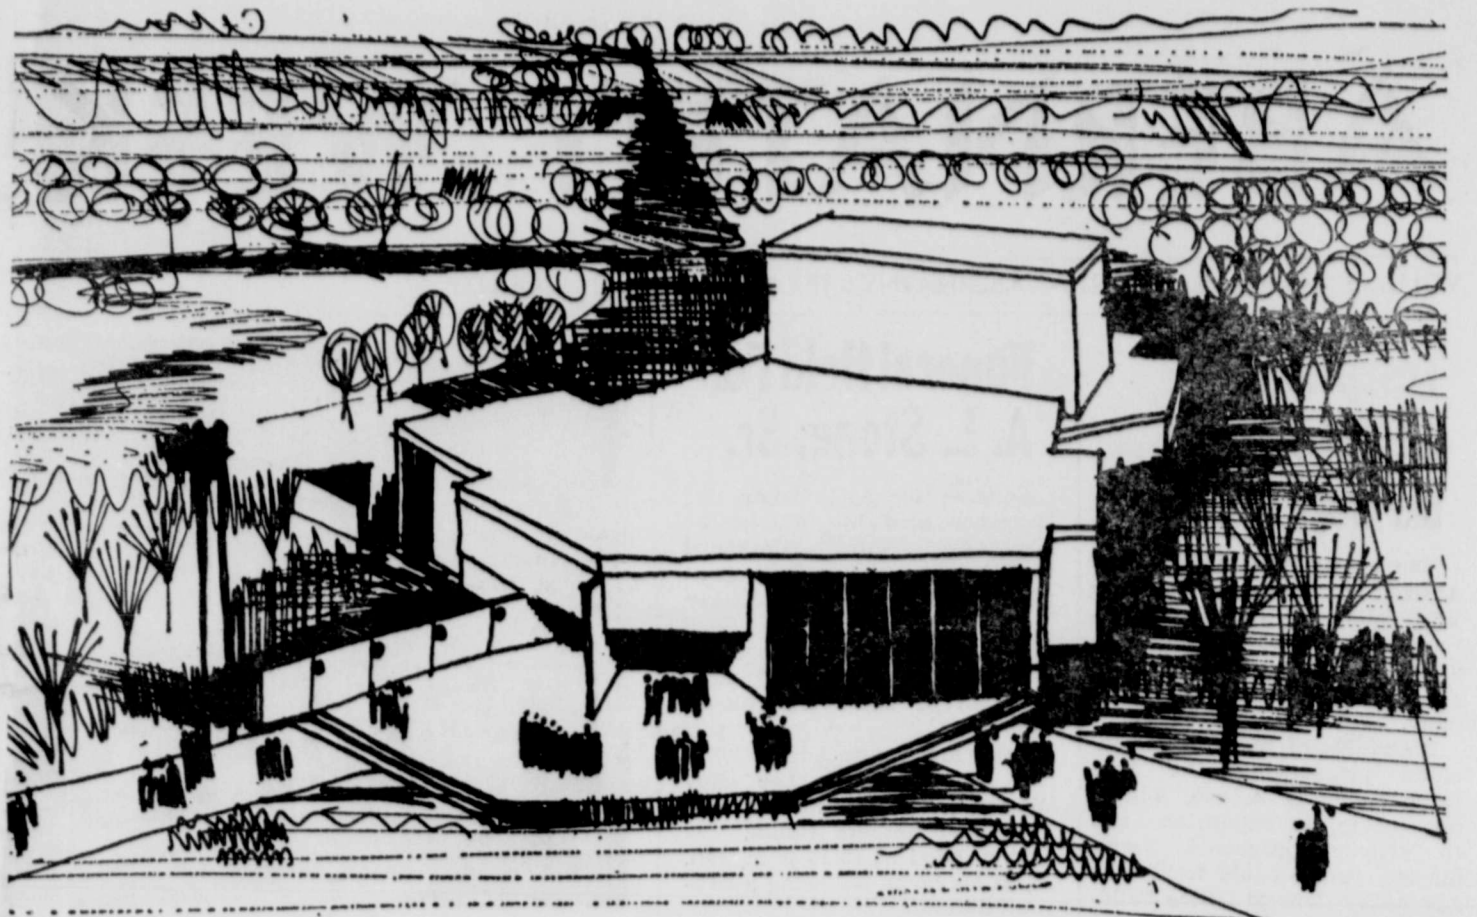

Shurbet outlined the functions and purposes of the Board, and discussed current efforts to assist the farmer in his water problems. A suit to secure water depletion allowances has been before the courts for some time, he revealed. This has the full support of the Board. A bill authorizing the state to control all underground water not included in water districts could come before the legislature in the near future Shurbet said, and added that he hoped it could be kept off the agenda.

Certain statewide water development projects described by the speaker would alleviate the water shortage on a temporary basis, but he declined to express optimism for the Abernathy area. This city, Shurbet stated, will be forced to go outside the immediate area, buy water rights, and have the water piped in for domestic use. Aside from the expense and effort involved, neighboring landowners will likely resent such procedures.

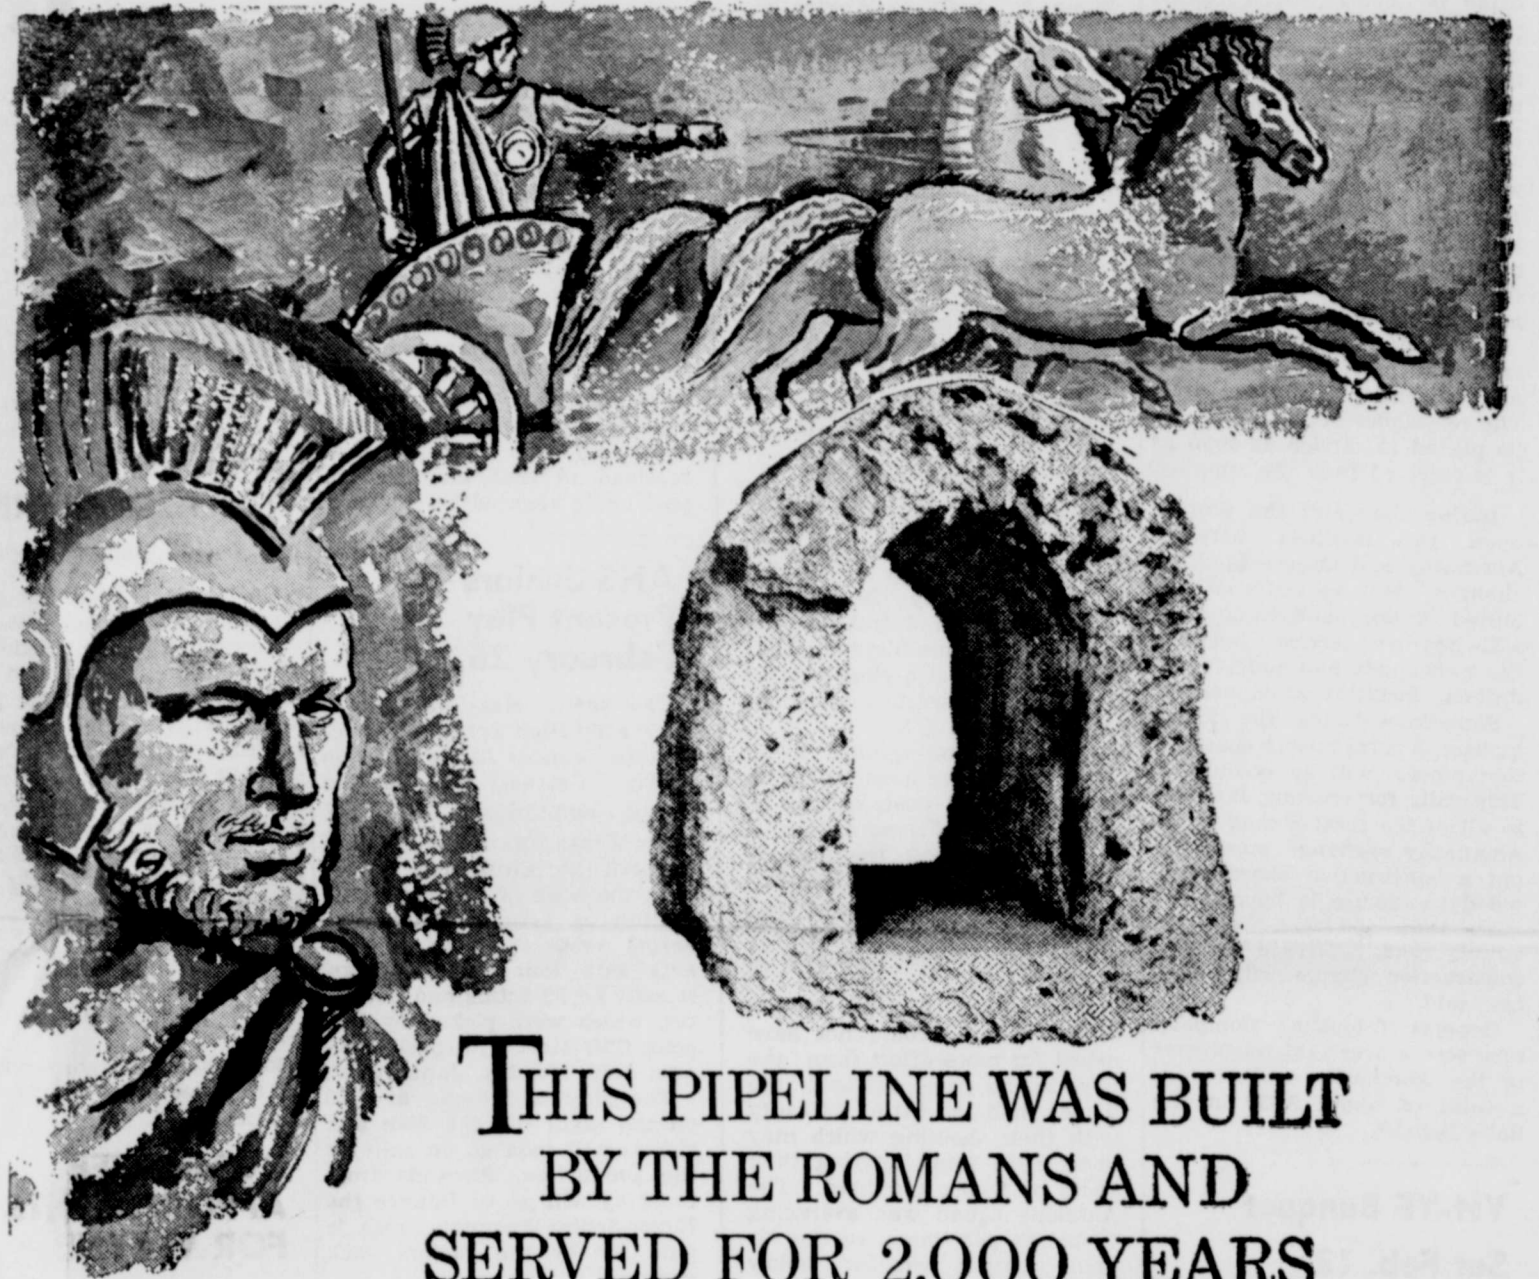

One possible solution to the widespread water shortage in NOWAPA, a private project at present in the planning stage. This plan, The North American Water and Power Alliance, provides for the harnessing of the floodwaters of the rivers of Alaska, Canada and other large bodies of water. This vast project could conceivably provide sufficient water for the entire North American continent, its originators contend.

Present at the meeting, in addition to the hostess, were Meses. Robert Carter, Waldo Cox, John Hale, John L. Harral, Wesley Harris, E. A. Houston, Thomas Johnston, Frank Lovelace, J. C. Mills, Doyle Oswalt, Ray Pinson, Arno Struve, R. R. Struve and Delwin Webb.

April 25-May 2: Revival at County Line Baptist Church. The Rev. Wayne Williams New Mexico resident, evangelist; Billy F. Skipper, Abernathy, in charge of song services, Rev. R. C. Hester, pastor.

Mr. and Mrs. S. F. Flores, Tullia; Building, classroom building for residence is expected to be for a gymnasium which will be Owen Hall, residence for 100 home and family life education. First unit of a 3-unit men's the drawing boards are plans available.

THIS PIPELINE WAS BUILT BY THE ROMANS AND SERVED FOR 2,000 YEARS

This photo, from the Smithsonian Institute in Washington D. C., shows a section of the original aqueduct that served the water needs of the conquered city of Cologne, Germany. It was constructed in 80 A.D. by the engineers of Fabius Sabinus Titus, Emperor of Rome. The aqueduct extended 56 miles underground between Cologne, and Eiffel and served as the main artery for the Cologne water supply until the late 1920's.

THIS PIPELINE IS EVEN MORE DEPENDABLE !!

Because of modern materials and manufacturing techniques, Gifford-Hill-Western's LOCK-SEAL provides an even more dependable underground pipeline. The close tolerance design makes the pipe more suitable, and joint flexibility eliminates the effects of expansion and contraction due to soil conditions and temperatures. By combining a superior product with modern day design and installation know-how, you have an underground irrigation system that serves dependably year after year . . . generation after generation. LOCK-SEAL is the product, Gifford-Hill-Western is the Company . . . GIFFORD-HILL-WESTERN depend on them!

Observe 25th Anniversary

Mr. and Mrs. J. C. Haggard of New Deal were honored with a reception on their silver wedding anniversary Sunday, Jan. 24 at the New Deal club house. One hundred guests were registered and served from a table set in blue and silver.

Mr. and Mrs. Haggard were married January 24, 1940 in Sherman, Texas and moved to Lubbock in 1942. They moved to New Deal in 1945 and he has been engaged in farming in that community since that time.

Hosts for the occasion were their five sons, Thurmon and Kenneth of Lubbock, and Ronnie, Dennis and Tommy of New Deal. Hostesses were Mrs. Thurmon Haggard, Mrs. Kenneth Haggard and Mrs. J. B. Marion all of Lubbock, Mrs. Tony Rieken, Mrs. Jessie Freeman and Mrs. Elmer Cox all of New Deal.

Tree Seedlings Are Available

The Texas Forest Service is again making seedling trees available for windbreak plantings, according to Ollie Liner, County Agent.

A number of different species may be ordered through the Texas Forest Service. They are black locust, black walnut, catalpa, Chinese elm, cottonwood, loblolly pine, mulberry, osage orange, redbarked, rose multiflora, shortleaf pine, slash pine, euonymus and buffaloberry.

For orders to be valid, orders must be for 100 or more trees, orders must be received on or before February 12 and payment of \$1.50 per hundred must be remitted with order.

Application blanks and information sheet may be secured through the County Agent's office, Liner stated.

1954 Women's Club Meeting

The 1954 Women's Club met in the city clubroom Jan. 20.

The program was by Mrs. J. C. Bearden, head of the speech department of Lubbock Christian College, who gave "The Rainmaker".

Hostesses for the meeting were Mrs. M. F. Priddy and Mrs. Jerry Shadden. The table was decorated with a blue arrangement. Following the refreshments, a short business meeting was held. The club decided to collect for the Heart Fund. There will be a program on the Heart Fund February 17.

This was also guest day and guests present were Mrs. Bearden, Mrs. Clyde Tatum, Mrs. Harold Gene Thompson, Mrs. Don McKenzie, Mrs. Ray Stephens and Mrs. Clarence Nelson.

Members present were Mmes. Jerry Shadden, M. F. Priddy, E. L. McGaugh, Aubrey Franklin, Joe Oswald, Jerry Oswald, Elza Lambert, Don Gartin, J. H. Myatt, Billy Shipman, Delton Stone, Ted Wayne Watts, Ralph Wolf and Richard DuBose.

The next meeting will be Men's night, Feb. 5, at Graham's.

City Garden Club Meeting

The City Garden Club met Thursday, Jan. 28, with Mrs. G. B. Adkisson and Mrs. T. A. Brewster as hostesses.

Guest speaker was Jerry Adams, vocational agriculture teacher in Abernathy schools, who made an interesting talk on landscaping and fertilizing lawns.

Members present were Mmes. Dewey Price, J. C. Veach, Robert Lee, Ed Heath, Morris Gist, Ira Lee Haral, T. O. Brown, N. A. Oliver, J. M. Garner, Virgil Halford and Harlow Neis.

The next meeting will be Feb. 11 with Mrs. M. M. Bell and Mrs. T. O. Brown as hostesses.

Baptist West Texas Crusade Set For Spring

(By Mike Skipper)

Members of the Southern Baptist Convention throughout West Texas have designated the weeks between January 24 and May 15 as a special crusade for the Lord. Special clinics, prayer meetings and revivals will be held through this period. The local First Baptist Church will hold its meeting the week of May 2-9 with Dr. C. Wade Freeman bringing the messages each night. Mr. Leon Hokett, former music director at the church, will be in charge of the music during the revival.

The calendar for the Crusade is as follows:

Feb. 22: Area Evangelism Conference to be held at the First Baptist Church in Lubbock.

April 2: Area Wide Youth Rally at the Southeast Baptist Church located at 50th and P in Lubbock.

March 22: Evangelism in Depth Clinic at the First Baptist Church in Lubbock.

April 4-9: Personal Evangelism Week by zones.

April 19: Men's and Ladies' Rallies at the First Baptist Church in Lubbock.

April 20-23: Crusade Prayer Meeting by zones and in homes.

April 25-May 2 and or May 2-9: Local Revivals in Churches.

May 2-9: Local Revival for First Baptist Church, Abernathy.

May 9-15: United West Texas Crusade in Lubbock Coliseum.

The West Texas Crusade, which is headed by the Rev. Evans, is an area-wide thrust for the Lord which will climax with a United West Texas Crusade to be held in the Lubbock revival is the highlight of the Crusade.

This Crusade has been in planning for many months and since the beginning has been under the leadership of the Rev. Evans. It is not for the glory of the Southern Baptist denomination, but is being carried out for the purpose of saving lost souls.

New Books At Library Here

The Abernathy Public Library is continually adding new books for Abernathy area residents to read. The library is open each Monday, Wednesday and Saturday from 1 to 5 p. m. and you are invited to take advantage of the opportunity to read the books of your choice.

Junior biographies recently added to the library are Booker T. Washington, Stan Musial, Robert Fulton, Roger Williams, Eli Whitney, Champlain, LaSalle and Jane Addams.

Other books of interest to the Junior high students are Texas Rangers—The Journey, Hurlbut's Bible Stories, Joel Potter's Son, The Keys and the Candle, The First Woman Doctor, Apprentice to Liberty, Story of Submarines and Tales of Ancient Egypt.

Among Children's books on the library shelves are: I Can Talk With God, Who Has Seen the Wind?, Why Cowboys Sing In Texas, Once Upon A Holiday, Mr. Trotter's Big Gold Watch, A Birthday Present, Winds A'Blowing, Once Upon A Season, and Smart Mr. Tim.

Library books of interest to both the senior and junior high student are: Border Patrol, The Cuban Republic, Story of Secret Service, America and Its Presidents, America is Born, America Moves Forward, Astronomy, The Story of Atomic Energy, All About Undersea Exploration, and Rocket Pioneers.

Read a good book this week from The Abernathy Public Library.

MONDAY DEADLINE

Deadline for news and ads is 5:30 p. m. Mondays. Exception are reports on Monday meetings, and news of death and disaster.

Please start turning in news over weekend, Thursday, Friday and Saturday for the following week's paper. If you have news, report it to the Review immediately. Don't wait until Monday to turn it in. Call us, 298-2033, or mail the news to Drawer D.

Your cooperation will be appreciated.

NEW DOG CATCHER

The City Council has employed Pete Ybarra as full time dog catcher. A city ordinance requires that dogs be kept in a pen or in a fenced yard, or on a leash at all times.

March 5: Abernathy and New Deal teachers to attend area meeting of Texas State Teachers Association in Lubbock. School holiday for students.

May 6-7-8: AHS Antelope Band, under direction of Mr. Everett Maxwell, to enter the Six Flags Over Texas Band Festival at Arlington.

History Of County Line Firm

TERRELL'S STORE

(By O. F. REA)

Some time in 1924 a Mr. Dyas moved a building to County Line and located it on the west and north side of the cross roads where a cafe now stands, also the County Line Gin office. Here he established a general merchandise business. Later the business was moved across the street to the east where it now stands.

Some time in the mid-twenties Jason and Wheeler Turner bought out Dyas and operated the business as Turner Bros. The Turners sold out to a Mr. Pelton, who ran the business a short while and sold to a Mr. Sullivan. Sullivan operated the business for a time and sold to C. A. Rice in the early 30s. Sullivan moved to Wolfthorpe, where he operated a grocery business.

In the mean time, J. C. Turner and son had established a grocery business just north of present store location. In 1929 the J. C. Terrells bought out the J. C. Turners. Later, in 1934, the Terrells bought the C. A. Rice business. J. C. Terrell retired from the business and it was operated by the Terrell Bros., until 1959 when Sam Terrell took over and built the present building. As of now the business has been in continuous operation for 41 years.

Sam Terrell says the volume of business is just about the same as it was 30 years ago but it has changed from the farmer to the farm hand. Then there was a farmer on nearly every quarter section. A ½ section farmer was a big farmer, and the six horse ever and two row lister were tops. There was lots of pasture land and considerable wheat grazing by sheep. According to Terrell most all of draw land was pasture.

As Mr. Terrell said "in those days we bought eggs by the thousands and cream by the ton and now we buy eggs in town and sell them to the customers out here and the same for cream."

The original store had a Magnolia gas pump which they kept until 1939 when the Terrells saw fit to change to Texaco which gas they still sell.

While still a country store operation has changed with the times and the old one counter and shelving on the wall has changed to a combination of shelving and tables and the customer takes the "buggy" and selects their own goods and goes by the checking counter and is checked out.

County judges and commissioners from at least 100 Texas counties are expected to attend the seventh annual conference for this group at Texas A&M University, February 14-16. Total attendance is expected to total 300. The conference is sponsored by the County Judges and Commissioners Association of Texas Agricultural Extension Service.

Less than one-tenth of the sunlight falling on the moon is reflected. Nine-tenths goes to heat its surface.

WINTERIZE YOUR DRIVING

One of the most dangerous acts by drivers during winter months is failure to completely clear ALL windows and windshields before driving.

It is essential that drivers remain alert and able to see what is around them clearly. The only way this can be done is by cleaning all windows and windshields before starting to drive. And, while you are at it, only takes a few seconds to clean off the headlights, turn signals, and tail lights as well.

When temperatures drop below the freezing point, drivers must guard against curtailed visibility caused by frosted windows and windshields.

To prevent frosted windshields and windows, idle your car long enough for it to warm up and for the defroster to become effective before starting to drive. If you must begin driving immediately before the car warms up, open a window so that moist air escapes.

DUMP GROUND COMPLAINTS

Mr. Charles Norwood, Abernathy City Manager, makes a special plea to the citizens of Abernathy to cooperate with the city in matters concerning their use of the city's dump grounds east of town. Mr. Norwood stated that there have been some citizens who have not been cooperating with Mr. Doroteo Rojas, who is in charge of the grounds. Mr. Rojas is stationed there to show people wishing to use the grounds where they should put their trash. If trash is put in the wrong place and piles up there, it is hard for other people to use the dump grounds.

Please heed the directions of Mr. Rojas and live up to your responsibilities to yourself and your community. Your cooperation will be greatly appreciated.

First transatlantic cable of 1858 used iron wire to conduct the electrical impulses across the ocean.

McClung Is New Associate Agent

Roy L. McClung, Jr., assumed duties as associate county agricultural agent in Hale County on January 18.

He was approved recently by the commissioners court as a replacement for Dave Weaver, former associate county agent who has moved to the Rio Grande Valley.

McClung is the son of Roy L. McClung, county agricultural agent in Baylor County. He graduated from Texas A&M University on January 16 where he majored in agronomy.

While at A&M the 25-year-old student was an outstanding scholar. He served on the school's agriculture council and was president of the Texas A&M Agronomy Society.

He is a member of the agricultural fraternity Alpha Beta and was co-captain of the A&M pistol team.

McClung was also a halfback on the Aggie football team in 1958 and 1959.

A graduate of Seymour, Texas High School, he was in the Army for three years.

McClung was recommended to the commissioners court by Bill Gunter, District Agricultural Extension Service Agent from Lubbock, and Hale County Agent, Ollie Liner.

NEW DEAL 1964-65

BB SCHEDULE

February

- *5 — Wilson Here
- 9 — Frenship There, 6:30
- 11-13—District Tournament at Roosevelt

CARD OF THANKS

We are so grateful to the many good friends who did so much for us during our recent sorrow, for the food, the beautiful flowers, the cards and the many comforting words and expressions of sympathy. We are so thankful.

The family of A. L. Stone, Sr.

Nazarenes Slate District Church School Workshop

Nazarene Sunday school leaders and pastors in this area will take part in a district Church Schools convention to be held at the First Church of the Nazarene in Lubbock on Thursday and Friday, February 18-19.

The Rev. James H. Robertson, pastor of Abernathy First Church of the Nazarene, and several members of the church here plan to attend.

The convention will unite workers from about 45 Nazarene churches on the Abilene district.

Dr. Kenneth S. Rice, secretary of the church schools department, and a traveling faculty of ten leaders in church school work from the denominational headquarters at Kansas City will take part.

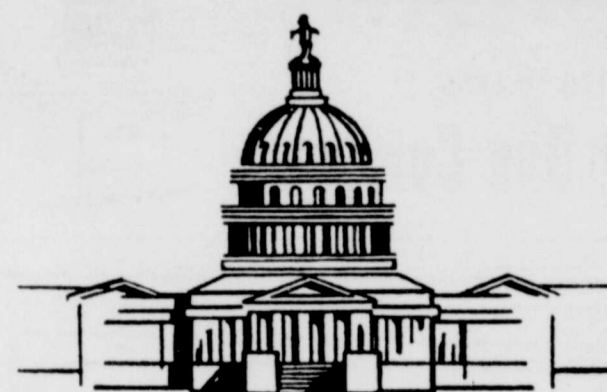

Workshops for various age-group interests will be conducted on Thursday at 3 and 7:30 p. m., and Friday at 10 a. m. and at 3 and 7:30.

Rev. Raymond W. Hurn, Lubbock, district superintendent, will give the opening greeting.

The two-day program is part of an outreach effort of the church. It is aimed to increase the denomination's Sunday school enrollment from 825,000 to 1,000,000.

Ferdinand Hassler, a Swiss engineer, made the first coast and harbor survey for the U. S. in 1816.

PROGRESSIVE BUSINESS AND CIVIC - MINDED PEOPLE OF PLAINVIEW AND VICINITY

This department has been worked up largely as a reflection of public opinion. No person has written of themselves or their business. All articles have been compiled by a representative of The Abernathy Weekly Review as he saw conditions. These people are all leaders in their various lines of endeavor and the co-operation of those citizens in Plainview who helped make this department possible is sincerely appreciated.

THOMAS M. AND ARTHUR D. JULIAN

In editing this review of progressive Plainview business men, we have endeavored to select those citizens who, by the manner in which they have conducted themselves and their businesses, have earned for their positions of leadership in their various fields of activities. Two such men are Thomas M. and Arthur D. Julian of Julian's Disc Rolling Service, who are well known, and have a great many friends and business associates throughout Hale County.

Their main interests have not been solely confined to their own business and private affairs, but have also included their contributions in one form or another, to those projects of a civic nature which come within the scope of their activities.

Arthur and Thomas Julian are men of wide experience whose exploits in the business and rural life of this region merits more than a passing attention, and the writer is privileged to pay this brief tribute to two men who will deserve more credit than is accorded them here.

MRS. L. O. MONTGOMERY

Successful business and professional men and women as a rule, show their appreciation for their success by their often repeated demonstrations of civic pride. This is a fortunate fact. Otherwise a city would be lacking in that progressive element that advocates and develops various projects of a civic nature which are indicative to a progressive community.

Mrs. L. O. Montgomery, representing World Book Encyclopedia in this region, is a woman who has never failed to lend a hand when it comes her turn to help on some worthy project promoted for the general betterment of Plainview and the adjacent territory.

Mrs. Montgomery takes a genuine pleasure in this method of showing her appreciation for her success, and in so doing, recognizes her civic responsibilities to the community.

It is such citizens as Mrs. Montgomery who become acknowledged leaders in both business and community enterprise, and we compliment her on having attained that position in her city.

Lloyd D. And Charles M. Brown

We wish in this edition to pay tribute to Lloyd D. and Charles M. Brown of Brown's Seven To Eleven, for their many services to the city of Plainview, and their splendid records of achievements in the business life of the city.

The Brown Brothers probably have as wide a circle of friends as any two other men we could name, because they are just naturally the kind of individuals who make friends with almost everyone, and always conduct themselves in such a manner as to deserve the respect and good will of all who know them.

Plainview is fortunate in being able to number among its more progressive business men, citizens of this type. They are always ready and willing to lend their support to the promotion of any project which promises to benefit this entire district.

They may be depended upon, and their services to the people are too many in number to be described here. It may be sufficient to say that we consider Charles and Lloyd Brown as assets to their community, and dependable business men of whom their city may be proud.

Curtis O. And Sweetie Nicholson

Two restaurant operators of Plainview who have based their success upon the belief that the public will appreciate good food, well prepared, and appetizingly served, are Curtis O. and Sweetie Nicholson of the Congress Inn Restaurant, whose many friends and customers by their daily patronage of this popular eating place, attest to the soundness of their policy.

It is not only because of the successful operation and management of the Congress Inn Restaurant that Mr. and Mrs. Nicholson have come to be recognized as assets to the community; but it is also because of their policy of "looking ahead" and endeavoring to sponsor or take part in those community activities which will in some manner, benefit the

city of Plainview and the people as a whole. They are two citizens who have shown their appreciation for their success by a willingness to contribute of their time and efforts to the promotion of community projects.

It is such people as Sweetie and Curtis Nicholson whom we are privileged to include in this review and to publicly give them due credit for their success in business and civic affairs.

Juan A. Contreras

In paying tribute to some of the more progressive business men of Plainview, we would be remiss in our duty should we fail to include Juan A. Contreras of the Kar Clinic, whose business ability is no greater than the "know-how", and mechanical skill which has contributed to his well-earned success in the automotive repair and maintenance business.

He has also contributed generously to the welfare of the city, and the community for many miles around. And his civic spirit is evidenced by the many services which he has performed, and will continue to perform in the interest of the people as a whole.

Mr. Contreras is a man of wide acquaintance, whose many friends admire and respect in him those virtues which inspire confidence and promote good feeling. And his upright business methods are a credit to his inherent sense of fair play.

We congratulate Juan Contreras on his splendid record of service, and trust he shall continue to assist us for many years to come.

KENNETH WHITE

In bestowing credit upon some of the more progressive business men of Plainview, who in one way or another, have contributed their bit to improve both business and civic conditions, we wish to publish a few words about Kenneth White of Neal's Sinclair Service.

Mr. White has set a standard for himself, and the operation of his business that under present existing conditions, has been extremely difficult to maintain. However, that he has done so is proved by the large volume of business which his Sinclair station continues to handle, much of which is due to his unceasing attention to detail, and his ability to cope with new and unexpected problems.

Kenneth White is also civic-minded and has, when asked, cheerfully cooperated on those civic activities to which he has been able to lend assistance. He more than deserves the respect and good will which he has earned, and his many friends and satisfied customers are confident that he will continue to maintain his usual integrity and high standards.

DON GONZALES

We desire in this Plainview review to call the attention of our readers to the well-earned position which Don Gonzales has reached in the business life of this section. During the comparatively short time he has been operating Don's Humble Service Station, located at 615 Columbia, he has made many personal friends, as well as having earned the good will of his associates for the straight-forward manner in which he has conducted his business affairs.

Mr. Gonzales is working hard to deserve the confidence which the people of this community have in him, and he continues to work hard to maintain in every way, that high standard which he has set, not only for himself, but for the operation and management of his Humble Service Station as well.

He has also shown a willingness to assist in every manner at his disposal in the growth and development of Plainview, and is always ready to lend his support to civic projects. Don Gonzales deserves our heartfelt congratulations on the splendid record he has already established, and we sincerely hope for his continued success.

Austin T. Mallow

Since this is a period of growth and expansion for Plainview, those conscientious business men who had the foresight and ability to lay their plans so as to be able to take advantage of those conditions, are entitled to more than ordinary acclaim. We are therefore, glad to pay tribute to Austin T. Mallow of the Mallow Implement Company, for he has become a well-known figure in the business life

of this section of Texas.

Mr. Mallow's persistent optimism, and steadfast belief in the continued future prosperity of the people of Plainview and vicinity, are characteristics which are deserving of our highest praise.

Austin Mallow has also always shown a willingness to do his part in civic advancement, and has contributed his bit, in one form or another, to projects promoted for the welfare of his city. We believe that a business man of this kind is entitled to our sincere praise, both because he has achieved success in his private affairs, and because he is willing to contribute to the public good.

JIMMIE JOHNSON

Jimmie Johnson of the J & J Motor Company, located at 1200 East 5th Street, is one of those dependable used car dealers of Plainview who has consistently forged ahead in his business. He has also put his shoulder to the wheels of civic progress whenever concerted help was needed in furthering enterprises promoted for the general welfare of the community.

Mr. Johnson was never a man given to wishful thinking. Because his methods are those of direct action, and whether the problem at hand is one concerning his own business or that of a civic nature, he attacks it with optimism and vigorous enthusiasm. Add to this his acknowledged business ability, and his keen sense of values, and it is easily understood why he is almost invariably successful in business or other matters.

We feel that it is our duty to call the attention of our readers to these worth-while characteristics of Jimmie Johnson, and to pay him a well-deserved tribute for his straight-forward business methods, and for the unselfish interest he has shown in public welfare.

JOHN SANDERS

John Sanders, manager of The Singer Company, has won the universal respect and good will of the people of Plainview, and the surrounding country, for the progressive manner in which he has kept this popular and reliable firm in the forefront of the business life of this entire district. Also for the efficient and friendly willingness he has displayed in accepting his share of responsibility in aiding civic projects.

Mr. Sanders is not the kind of man who makes himself conspicuous by the manner in which he conducts himself, either in business or other matters. Yet, his quiet reserve and air of confidence mark him as a man of sound judgment, whose opinions and advice are sought after and listened to with respect.

We compliment John Sanders for the successful management of The Singer Company, and also for his constructive advice and help on those community affairs in which he has found time to interest himself. He is a man whom a great many people of this area are proud to call friend.

Mrs. Gene Anderson

It is appropriate that we include in this review of progressive Plainview business people, Mrs. Gene Anderson of Gene's Fruit Market, who has a great many friends and completely satisfied customers throughout this entire region. Moreover, she is a woman who not only has the reputation of being dependable, but also the added one of being a willing supporter of many community affairs.

Aside from her business activities, Mrs. Anderson has always shown an interest in the civic betterment and progress of the city, and has backed up her interest by her contributions to many projects which have benefited plainview and the surrounding trade area. She is a good and loyal citizen, and the full measure of her loyalty is most apparent because of her eagerness to aid community activities.

Her help along these lines has made Mrs. Anderson an example of the type of person we all appreciate. We congratulate, and extend to her on behalf of all citizens interested in better business and civic progress, sincere appreciation for her contributions to the general welfare of Plainview and vicinity.

OWEN E. JONES

In critical times such as these, it takes business men of more than average ability to carry on their operations successfully. In

making this statement, the one we have in mind is a dependable typewriter and office machine dealer, Owen E. Jones of Plains Office Machines, authorized Royal Typewriters, sales, service and rentals, who has a wide circle of personal friends and customers scattered throughout this entire region—many of whom reside in our own community.

His contagious optimism, and freely expressed belief in the assured future prosperity of the people of Plainview, and its metropolitan trading area, are characteristics which are to be appreciated in a progressive business man. He has always taken an interest in community affairs, and has shown a willingness to shoulder his share of the civic load.

It is such men as Owen Jones who, because of the successful conduct of their business and private affairs, and their eagerness to contribute to the public good, who are wholly deserving of a few words of commendation. It is a pleasure to pay him this brief tribute.

J. N. KELLY

In singling out some of the more conscientious business men of Plainview, we would be remiss should we fail to include J. N. Kelly of the Plains Plastic Pipe Company. He is a man who has never spared himself in his participation in both the business and farming activities of this region.

Mr. Kelly has always been conscious of his civic responsibilities, and is ever ready and willing to meet in every detail, those opportunities which come to his attention to further civic enterprise. He may well be proud of his achievements along these lines.

J. N. Kelly deserves a great deal of credit for the honest and successful manner in which he has conducted his business affairs. He is a great deal of credit for the honest and successful manner in which he has conducted his business affairs. He is a friendly and likeable personality, whose sincere desire to be of service has gained for him a host of friends and acquaintances in and around Plainview who would, if given the opportunity, join us in wishing him many more years of continued success.

O. W. BARRY

It is a privilege in this Plainview review of progress of men and firms that have been such a great aid to the growth and development of this section of West Texas to place such a man as O. W. Barry, manager of South Plains Commodities Incorporated, on an equal plane with all others in this rank. In the past, few men have exceeded him in contributing of their time and energy to the onward progress of Plainview and the surrounding country.

Mr. Barry is generally recognized as one of the more progressive business men in this district, and he retains that distinction in the admiration and respect of his wide circle of friends. Also his interest in, and the very valuable assistance he has rendered to the many projects of a civic nature, reflect the principles which he has always so successfully applied to his business affairs.

We congratulate O. W. Barry on his record and sincerely hope that his career will be as useful, and completely successful in the years ahead as it has been in the past.

DON VALVERDE

Every progressive and successful business man in Plainview contributes in some manner to the growth and progress of the city. And one who is always willing to do his part in both civic and business activities is Don Valverde, manager of The Best Fertilizer Company of Texas, who is well known and has many friends and business associates throughout this entire district.

The prominent part that The Best Fertilizer Company of Texas is playing in the business and commercial life of Plainview and vicinity, mirrors the dependability of such men as he. Furthermore, Mr. Valverde has also at all times been steadfast in his devotion to the city, and the surrounding country, and on many occasions has lent his support to the successful promotion of meritorious civic projects.

Plainview and this district are fortunate to have such a man as Don Valverde in a position of responsibility and service, and this newspaper feels that it merely reflects public opinion

in paying this brief tribute to one of the city's more progressive business men.

T. V. McCLURE

T. V. McClure is one of the more successful restaurant operators of Plainview who, by maintaining a constant standard of service, and high quality foods, has made the Pioneer Steak House one of the more popular eating places in the community. We are glad to give him credit for his well-earned success in a field which is so highly competitive.

It is also a pleasure to give him credit for taking part in community affairs, and lending his assistance to various activities and public projects. When to take part in such matters, he always does so without ostentation, but in a quiet manner which lends dignity to his cheerful acceptance of his share of the civic load. It is a pleasure to be associated in the promotion of worth-while community activities with such an individual as Mr. McClure.

This review of public-spirited men of Plainview would not be complete were we to fail to include T. V. McClure. His is the kind of success which most certainly deserves recognition, and we wish him many more years of the same.

Gerald B. Rascoe

It is because of the unflinching optimism and faith which he so consistently displays toward the future of Plainview and vicinity, that we are prompted to call the attention of our readers to the fine service which Gerald B. Rascoe, manager of Bruce & Son Van & Storage Company, performs in the successful conduct of the business.

Mr. Rascoe is an intelligent and resourceful personality, whose progressive policies have earned for him a widespread reputation as a business man of more than average ability and his apparent willingness to devote some of that ability to the promotion of civic activities, further enhance his value to the city.

The safety and efficiency of the operations of Bruce & Son Van & Storage Company, reflecting as it does the executive ability of this man, has earned for the company a well-deserved popularity among the people they serve. We are glad to give Gerald Rascoe the credit he so well deserves for his achievements, and to wish for him a continued successful career as one of Plainview's more progressive business men.

J. D. DUNLAP & CHARLES NABORS

J. D. Dunlap and Charles Nabours of Dunlap-Nabors Garage, are two of those conscientious automobile mechanics who have always done their bit to maintain the prestige of the city of Plainview as the leading trading center for this section of the state. They have always worked for the development of the city, and their many services are worthy of sincere appreciation.

Their well-earned success as business men is easily understood, knowing as the people do, their widespread reputation for the honesty which characterizes all of their business dealings.

And it is a combination of technical knowledge, mechanical skill, and business ability, which have elevated Mr. Dunlap and Mr. Nabours to positions of leadership in the automotive repair and maintenance business.

They are completely aware of their civic responsibilities, and are always ready and willing to lend their support to any project which promises to benefit the community as a whole.

We compliment Charles Nabours and J. D. Dunlap on their accomplishments, and wish for them continued success.

LEO S. HILINSKI

It is desirable in this review of progressive Plainview business men that we acquaint our readers with the man to be credited with having maintained the Techno Corporation in the unenviable position it holds in the business and industrial life of this area. That personality is Leo S. Hilinski, plant manager, whose genius for organization, and for converting new ideas into actual deeds, has played a vital part in the distinctive reputation which the corporation now enjoys throughout this entire district.

Mr. Hilinski has found time, in addition to his business interests, to give thought and energy to community projects. He is a citizen whose talents have been steadfastly devoted to the best interests of the city. He has been successful in his own business, and in the promotion of the general welfare of the community.

We are glad to pay this brief tribute to him, and to say that this region owes much to the many benefits which Leo Hilinski and the Techno Corporation

have rendered to this section of the state.

C. M. ADAMS

The progress of any community hinges to a great extent upon the activities of the more progressive men in the world of business.

This is as true in this locality as in any other sector, and local leaders are to be congratulated for their part in the general advancement of this section of the state.

One of the more conscientious lumbermen of Plainview who should thus be congratulated is C. M. Adams, district manager of the Foxworth-Galbraith Lumber Company, who is widely known, and universally liked.

Few men have such a thorough knowledge of every phase of the lumber game, and to say that Mr. Adams knows the business from A to Z, is no way an overstatement. The honesty which has always characterized his every transaction has gained for him the respect and confidence of the many men and firms with whom he does business.

The successful career of C. M. Adams illustrates the merits of integrity, ability grounded in experience, and coupled with the added asset of a pleasing and sincere personality. We wish him many more years of continued success.

A. W. FISH

Recognized as an authority on all water well drilling contracting problems, A. W. Fish of A. W. Fish Rotary Drilling, has turned his knowledge to the advantage of the people of Plainview and vicinity. More than that, Mr. Fish has always been vitally interested in the civic betterment and progress of the city, and has backed up his interest by lending assistance, in many different forms, to the successful promotion of many things which have benefited the community as a whole. Plainview owes much to such men for their part in making the city the business center of this area.

He has always been alert to the many opportunities for service, and more than ready to recognize and accept his share of civic responsibilities.

Because of these things, A. W. Fish has become accepted as a dependable business man who is an asset to both the business and commercial life of the city, and we trust he will continue to serve the people of Plainview and the surrounding area in his present capacity for many years.

B. B. HOWLE

One of the better informed mortgage loan, insurance and real estate executives of the city is B. B. Howle of the B. B. Howle Agency.

He has been operating a complete service for his large clientele over a period of years, and during that time he has made a great many friends both for himself, and for the companies his agency represents.

Mr. Howle has also contributed considerable of his time and energy to the growth and progress of Plainview and this district, and has been content to take his reward in the quiet knowledge of a work well done, and the respect and admiration of his many friends. The value of such a man to his city, and the surrounding territory cannot be overestimated when considering the many personal sacrifices he has made in order to contribute to the general welfare of the community as a whole.

We congratulate B. B. Howle on his splendid reputation, and wish for him a continued successful career as a leader in the real estate, insurance and mortgage loan field throughout this area.

WARREN MATHIS

One of the more progressive business men of Plainview, and one who deserves the respect and good will of a great many residents of the city is capable, friendly, Warren Mathis of the Mathis Irrigation Engines Service, whose wide knowledge and long experience in the irrigation engine repair and maintenance business has raised him to a position of prominence in his particular vocation.

It is because of this that the Mathis Irrigation Engine Service has earned a reputation for reliability—second to none.

Mr. Mathis is also civic-minded, and has always been ready to contribute his time and energy to any plan which promises to benefit this entire district. And the people of Plainview may regard with complete satisfaction the many services which he has performed in the interest of progress and civic betterment.

We urge our readers to look to Warren Mathis as a dependable business man of whom we may well be proud. His devotion to his city has been constant, and his achievements well merited.

We wish for him further success.

W. H. "Bill" Freeman Jr., & James R. Odom

Due to the efforts of a group of conscientious business men, the city of Plainview has attained a dominant position in the business and commercial life of this section of West Texas. And two of those who have justly earned credit for being progressive members of that group are W. H. "Bill" Freeman Jr., and James R. Odom of Freedom Dodge.

It is because of the successful operations of such a business as their that the city of Plainview has earned the reputation of being one of the more progressive cities in this area.

Mr. Freeman and Mr. Odom have been conspicuously successful in spite of the fact that they have repeatedly neglected their own private affairs to devote a part of their time and efforts to the successful promotion of civic projects.

It is considered a privilege to include James Odom and "Bill" Freeman Jr., in this Plainview review, and to publicly give them credit for their success in the automobile sales and service business, and for their many contributions to the general welfare of the city.

J. D. WOOD

To serve the public honestly, efficiently, and cheerfully, is the basic foundation many progressive business men of Plainview have found to be the shortest route to success. In making this statement, the one we have in mind is J. D. Wood of the Poly Clean Center. The popularity enjoyed by his many services accentuates the ideals of courtesy and efficiency which he has consistently applied in the management of the business, and in the servicing of its patrons.

The conduct of such businesses, and the men who operate them, have done much to make Plainview the business center for many miles around, and it is fitting that we give credit where credit is due to such individuals as Mr. Wood for his part in the onward progress of the city. In so doing, we are merely putting into words the opinions of those who know him.

J. D. Wood has earned his success by the method in which he has served the public, and accepted all business and civic responsibilities, and we wish him every success in the future.

WILLIAM E. PERRY

William E. Perry has proved his progressiveness by constantly adding to, and increasing the service which Perry's Gulf Service Station has extended to the people. The large volume of business handled by his Gulf station proves that "service", to him, is not "just a word", but something to be rendered to the motoring public to the fullest extent of his ability.

In addition to his close attention to his business affairs, Mr. Perry was never a man to dodge his civic responsibilities, and help in those matters has always been cheerfully given.

He fully appreciates the value of good will, and has more than his share of that intangible commodity because of the manner in which he meets both business and civic obligations. He is a credit to his community, and is thoroughly established in the business life of the city.

William Perry has a great many friends around this region, and it is a pleasure to bring him before our readers in this review of progressive Plainview business men.

DOROTHY PHILLIPS

A city grows and prospers by reason of the public-spirited men and women who take an active interest in its development. Plainview has its share of these progressive and civic-minded people, and one who is deserving of recognition is friendly, likeable, Dorothy Phillips of Dorothy's Ladies Apparel.

Her business ability, coupled with a sense of obligation to her many satisfied customers, have been major factors in maintaining Dorothy's Ladies Apparel in a position of leadership throughout this area. She not only in her business activities, but also in her attention to civic duty, assumed an active part in community affairs.

Mrs. Phillips has always been ready and willing to contribute her time and energy to the promotion of any project promising to benefit the community as a whole. She has often sacrificed personal interests to be of assistance to the city, and her efforts are deserving of commendation and support.

We congratulate Dorothy Phillips on her past achievements which, in our opinion, indicate a similar successful career in the years ahead.

COMING EVENTS

Feb. 4: Stated meeting of Abernathy Chapter No. 877, Order of the Eastern Star, 7:30 p. m. Mrs. Cecil McCurdy, Worthing Matron.

JOANNE KLAFKA

... Wins Local Contest

Miss Joanne Klafka, a senior at Abernathy High School, was named as the winner of the Betty Crocker Homemaker of Tomorrow Examination at AHS. Miss Klafka is the 17-year-old daughter of Mr. and Mrs. A. H. Klafka. She took the test with other senior girls December 1, and scored higher than any of the other entries to be named a Betty Crocker Homemaker of Tomorrow.

The test was a 50-minute examination of homemaking knowledge and attitude. Her test is now being compared with the winners of other schools in Texas and the winner of that competition will become the State Homemaker of Tomorrow and will receive \$1500 scholarship.

The State Homemaker will join other state winners in a weeklong tour of Eastern United States later in the spring. At the conclusion of the tour the All-American Homemaker of Tomorrow will be named.

FHA Gives Style Show

The Abernathy High School Chapter of the Future Homemakers of America presented a Comedy show for the student body of Abernathy High in the school auditorium, Jan. 29.

The Freshman members modeled comical garments which they had made.

Suzie Lee modeled a red box jacket, which was a large cardboard box. Black buttons were painted down the front of the box. With it Suzie wore black slacks.

Shirley Knight modeled a pin stripe shift. The stripes were made with large safety pins.

Hilda Garza modeled a spring suit. Door springs dangled from the bright turquoise suit.

Martha Samsel modeled a tissue formal made of lilac colored tissue. With it she carried a matching muff, a roll of tissue paper.

Judy Martin modeled a turquoise tea dress trimmed with tea bags. Pam Kitchens modeled a pink candy stripe dress trimmed with peppermint candy.

Thelma Peters modeled a print dress cleverly made with newspapers.

Sheila Trivitt's evening gown, which was a granny night gown, was brightly accented with a glowing candle and bicycle tire.

Debbie McPherson modeled a red and white checked dinner dress made with a table cloth. Cindy Garvin modeled a balloon dress made with colored balloons accenting the pink basic dress.

The other FHA members modeled garments which they had made either in homemaking

classes or at home.

Peggy Klafka modeled a green wool suit. The suit was made by Joanne Klafka who wore it to the Abernathy homecoming football game. Peggy also modeled a long blue brocade formal which was also made by Joanne.

Dianna Moore modeled a gingham plaid shirtwaist dress

which is trimmed with gold buttons.

Jane Thomson modeled the blue wool suit which she entered in the County Make-It-Yourself with Wool Contest in Plainview in December.

Betty Tow modeled a green and rust plaid flannel shirtwaist dress. With it she modeled

Mr. and Mrs. R. A. DuBose attended funeral rites for his aunt in Gulfport, Miss. Saturday.

discover the difference in the '65 Chevrolets

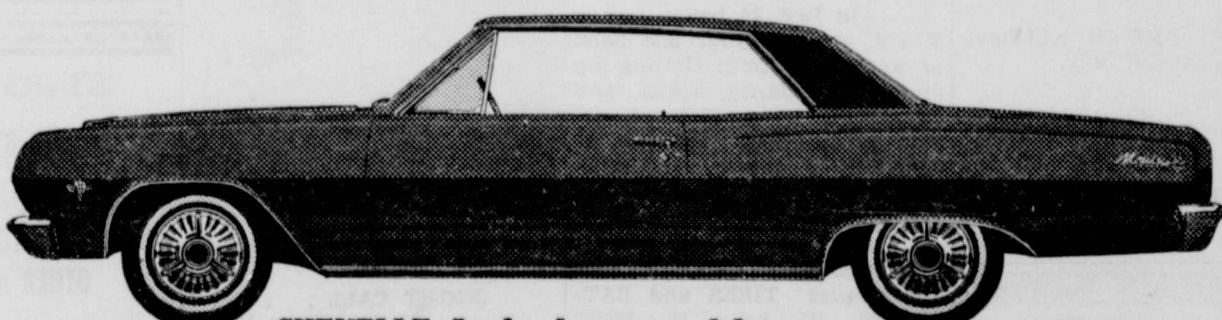

Impala Super Sport Coupe

CHEVROLET Redecorate your driveway

Park out front, at least for a while, and let the neighbors enjoy that sleek Impala Super Sport styling. After all, you have everything else to yourself: the luxurious Super Sport interior with its cushy bucket

seats, center console and carpeting; the smooth and easy Chevrolet ride; and Chevrolet power, starting with our famous 140-hp Turbo-Thrift 230 Six. This '65 Chevrolet's a home improvement if you ever saw one.

CHEVELLE Looks, luxury and lots more

Malibu Super Sport Coupe

The looks you can see. The luxury that's a Malibu Super Sport you can imagine: bucket seats, full

carpeting, patterned vinyls and eight interior color schemes. The rest you'd better sample for yourself.

Monza Sport Coupe

CORVAIR Everything's new but the idea

The idea still is, make Corvair the sportiest low-priced car this side of the Atlantic. So look: suave new continental styling, even better handling, same rear-engined traction. Driving's fun. Try it.

TAX MAN SAM SEZ:

Getting help on your tax return can be a problem. The Internal Revenue service is available to answer your questions by telephone or in person in all the offices throughout the country. The smaller offices are usually only open for taxpayer assistance on Monday morning. Of course, if you live near Dallas or Fort Worth, or any of the big city offices, they have people there all the time—and they prefer that you call on the telephone rather than come in. They can help more people with less trouble to the taxpayers by telephone.

SICKNESS AND DISABILITY BENEFITS

Some payments received by a taxpayer on account of illness or personal injury are not taxable income for Federal tax purposes, John J. Sloan Administrative Officer or Internal Revenue for the Lubbock office said today.

The law allows (subject to certain limitations) a taxpayer to exclude from income amounts received under a wage continuation plan financed by his employer, when he is absent from his job due to injury or sickness. In this case the taxpayer must attach a statement to his return showing computation of the amount excluded, the dates of absence, and whether or not he was hospitalized.

Other types of payments that are not taxable are those made:

1. For damages under a suit or in settlement of a claim under Workman's Compensation Acts, and under an accident or health insurance policy on which the taxpayer pays the premiums.
2. On account of a taxpayer's contribution to an accident or health plan jointly financed by him and his employer.
3. Under an employer-financed plan covering sickness or injury to the taxpayer or his dependents, if received as reimbursement for medical care, or as compensation for the permanent loss or loss of use of a member or function of the body, or for permanent disfigurement.
4. As pension, annuities, or similar allowance to an individual for injury or sickness resulting from active service in the armed forces of any country, or in the United States Coast and Geodetic Survey, or in the U. S. Public Health Service, or to his beneficiaries by reason of his death.

Document 5016, which furnishes more detailed information on this subject, is available upon request from the Internal Revenue Service.

NOV. CASH RECEIPTS FROM FARM MARKETING IN TEXAS DOWN

Texas farmers and ranchers received \$254.7 million during last November from the sale of all crops, livestock and poultry products, according to the Texas Crop and Livestock Reporting Service.

Cash receipts for all marketing were down 18 percent from Nov. 1963. The total cash receipts came from crop sales of \$166.1 million and livestock and livestock products sales of \$88.6 million.

NUMBER OF FARMS IN US DECLINE BUT SIZE INCREASES

Number of farms operated in 1964 in the U. S. decreased 3% from the previous year to 3,349,000. Average farm operator in 1965 will run a unit averaging about 341 acres—nearly a fifth larger than 6 years ago.

WHEAT SITUATION IMPROVES

The third decline in as many years was registered in the wheat carryover on July 1, 1964. This decline, explains John G. McHaney, Extension economist of Texas A&M University, is the result of the special acreage diversion programs and the high levels of exports during recent years. However, he adds, the expected carryover on July 1, 1965 should amount to about 901 million bushels, about equal the 1964 carryover on the same date.

Must Have Part-Time Jobs To Stay In School

Mr. Dean Miller, Abernathy High School Counselor, has issued a plea for help for some of the students of Abernathy High School. These students are young men who must find a part-time job in order to remain in school.

The need for a job is spurred by financial problems in the home and these young men must work to help their families. Mr. Miller is having trouble finding jobs for them and is asking that anyone who has a position open call him at the high school, phone 298-2567.

Mr. Miller stated that all these young men are old enough to leave school if they have to, but that they are capable students and want to stay in. They will do any kind of work that will allow them to keep up with their school work.

These young men are just on the verge of an adult life. Give them a chance for success by helping them stay in school. Please contact Mr. Miller at 298-2567 if you know of any type of part-time work that is open.

School Clubs' Schedule Given

Following is a list of all meeting times of all the school-sponsored clubs of Abernathy High School. The enrollment in these clubs has taken a sharp increase over the enrollment last year. The schedule was taken from the October 16 issue of the school paper, The Antelope Outlook.

1. Night Meetings:

FFA—FHA—1st Monday each month

NHS — 2nd Monday each month

SPANISH—3rd Monday each month

ANNUAL—4th Monday each month

LIBRARY—4th Monday each month

1. Morning Meetings (8:15-8:45):

A. V.—1st Monday each month

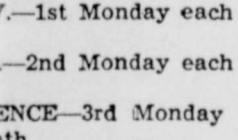

FTA—2nd Monday each month

SCIENCE—3rd Monday each month

STUDENT COUNCIL will have called meetings only.

AHEAD of its time

that's the NEW AERMOTOR SUBMERSIBLE PUMP

- Stronger Than Ever
- Quieter Than Ever
- More Gallons Per Dollar Than Ever

It's as up-to-date as tomorrow's newspaper. Aermotor's new Model "S" Submersible handles deep wells down to 600 feet. Its maximum capacity now ranges to 1900 gallons of water per hour. With new pump parts molded from the miracle plastics of DuPont and Borg-Warner, these 18 models are now running ahead of comparable brass pumps when it comes to lighter weight, quieter operation and economical performance. Fully automatic operation. You sit back and relax. Pump never loses prime, never freezes, never needs oiling. Easy to install on 4-inch diameter and larger wells. Come in and ask us about the new Aermotor sub today . . .
