The Rockport Pilot

A Paid Circulation Newspaper Serving Aransas County Over 100 Years

Vol. 104 | (Twenty Pages in Two Sections) | ROCKPORT, ARANSAS COUNTY, TEXAS 78382 | THURSDAY, MAY 24, 1973 | 15 CENTS PER COPY | No. 10

Public Hearing for Hwy. 35 Relocation

The Texas Highway Department will conduct a public hearing on Thursday, June 28 in the VFW Hall for the purpose of discussing the improvement of State Highway 35 from Gregory to the Copano Bay Causeway. The proposed highway project will bypass the cities of Aransas Pass, Rockport and the town of Fulton.

The first 3/4 mile of the improvement which begins between SH 361 and US 181 will be constructed as a freeway, which will complete the proposed freeway facility from Portland through Gregory. The remainder of the proposed route improvement will be a 4 lane divided highway to the Copano Bay Causeway with grade separations at the major intersections.

As a result of comments received at the Route Public Hearing which was held on March 14, 1972, the proposed route alignment to be shown at this Public Hearing differs in two locations from the alignment shown at the Route Public Hearing.

One area of revised alignment is from approximately three miles West of Aransas Pass where the new location of SH 35 leaves existing SH 35, to a point on Avenue A.

The other area of revised alignment is to the West and North of the Aransas County Airport. The width of additional right-of-way required for construction varies from 80 feet, where the proposed improvement parallels existing SH 35, to a maximum of 400 feet where the route is on new location. A few relocations of residences and businesses will be necessary.

Maps and other drawings showing the proposed geometric design will be displayed at the public hearing. These maps, environmental studies and any other available information about the proposed project are on file and available for inspection and copying at the Resident Engineer's Office at Padre Island Drive and Greenwood, Corpus Christi. Also, the drawings showing the proposed geometric design have been placed on file with the County Judges of San Patricio and Aransas Counties and at the City Halls of Gregory, Aransas Pass, and Rockport.

The State's Relocation Assistance Program, the benefits and services for displacees and information concerning the relocation assistance office will be discussed.

Tentative schedules for right-of-way acquisition and construction will be discussed.

All interested citizens are invited to attend this public hearing. Written statements and other exhibits may be submitted to the Resident Engineer's Office, but must be received not later than 10 days after the public hearing.

Deputy Shot By Burglar

Deputy Sheriff Joe Williams was creased by gunshot Tuesday night while making a routine residence check in Lamar. Deputy Williams had stopped to check a vacant summer residence, and as he stepped out of his car a person who had evidently been in the rear of the house in the process of burglarizing it, opened fire on the Deputy.

At this time Deputy Williams crouched behind his door and returned the fire. After the exchange of gunshots the person ran into the brush, along with another person. Another shot was fired at the person by Deputy Williams. It is unknown if any of Deputy Williams shots hit either of the persons.

The third and last shot fired at Deputy Williams creased his left leg. Two large caliber bullet holes were found in the door that Deputy Williams was crouched behind during the gun battle.

Deputy Williams then radioed his headquarters at Aransas County Sheriff's Office. A total of twelve police and Sheriff's units converged on the scene. A roadblock was set up on park road 13 entering the area. All cars entering and leaving the area were checked.

A search of the entire area failed to turn anything, but was hindered due to darkness and thickness of brush area the subjects fled into.

A screen was found to have been removed and the subjects were almost inside of the residence when Deputy Williams encountered them.

The search, led by Sheriff Robert Hewes, included Chief of Police James Cragmile, Chief Deputy Stautzenberger, Deputies Williams, Daniel Vargas, Jim Russell, Mike Swearingen, and City Patrolmen Joe Hinojosa, Donald Beard and Danny Oliver. Also assisting were Constables Buddy McLester and Jake Stockbridge and Johnny Ray.

POPPY DAY ON SATURDAY

On Saturday May 26th you will again be approached to buy a BUDDY POPPY. The Buddy Poppies are sold each year and all receipts from the sale will stay in the relief funds of the local V. F. W. Post and Auxiliary. This money is used all year to help not only the needy veterans and their dependents but anyone who is in need.

Navigation District Runs Into Problem

The Navigation District Commissioners met May 21 to discuss and take corrective action pertaining to a violation of the Texas Penal Code which occurred in filling the position of office manager vacated by the resignation of Mrs. Volney Cavitt.

Legal counsel had at previous meetings advised no conflict in the code but later found out that such advice was erroneous.

Accordingly, the Navigation District Commissioners voted to give notice to the newly selected office manager and assist her in every way possible in finding a new position.

The position of office manager would be filled by June 1 or as soon as the vacancy could be advertised and applications reviewed.

New Radio Tower for Police Communication

Construction is scheduled to begin this week on a new radio tower that is part of the new UHF communications system being utilized by local law enforcement agencies.

The tower, which is to be 198 feet tall and free standing, will be erected directly behind the sheriff's office on Concho Street. This will be the final step in the new system which has been installed through the Council of Governments.

Most all of the Coastal Bend is using the new system, but each department is assigned a different set of four frequencies. The new system is equipped with channel guard system which blocks any outside receivers which have become a popular item among various criminal elements.

County Seeks Septic Inspector

Aransas County will employ an inspector to check on septic tank facilities throughout the county. His job will be to see to it that septic tanks meet the requirements of a new ordinance the county will adopt setting forth State Health Department regulations.

Applications for the inspector job are to be given to Mrs. Thelma Barber, secretary to County Judge John D. Wendell. Applications must be presented by May 31.

Oil Output 3,973 Barrels Per Day In 1973

DALLAS -- In the face of unprecedented demand, Texas oil fields last year produced almost 1.3-billion barrels of crude oil, an all-time record for the state. This figure was tops among the nation's oil-producing states and represented some 38-percent of total U.S. production, according to statistics compiled by the Texas Mid-Continent Oil & Gas Association.

These figures show an increase of more than 67.8-million barrels over production in 1971. They reflect that during the last nine months of the year, The Texas Railroad Commission maintained a maximum efficient production rate for Texas fields. This marked the first time Texas wells had produced all-out since 1948.

Last year's crude oil production, recorded in 203 of the state's 254 counties, was valued at some $4.5 billion.

In 83 years of recorded production, Texas has produced nearly 37-billion barrels of oil, about 36-percent of total U.S. production.

Aransas County, which has had recorded production since 1936, last year produced 1,454,024 barrels of oil at the rate of 3,973 barrels a day. Production in 1972 boosted Aransas County's production total through the end of the year to 64,535,463.

Some 32 counties last year produced more than 10-million barrels of crude oil. The top half-dozen, all with production in excess of 50-million barrels, include: Scurry - 85.4-million, Ector - 71.4 million, Andrews - 65.2 million, Yoakum - 55.2 million, Gregg - 53.4 million, and Gaines - 52.5 million.

Gregg County, the only Texas county to produce more than two-billion barrels of oil in the history of recorded production, remains the all-time leader with a cumulative production total of over 2.3-billion barrels. Others with over one-billion barrels of production include: Ector - 1.8 billion, Andrews - 1.6 billion, Rusk - 1.5 billion, Harris - 1.0 billion, Crane - 1.0 billion and Scurry - 1.0 billion.

Two Accidents Are Reported

State Highway Patrolman Bill Hill reported the following accidents:

On May 18, cars driven by Mrs. Audrey Gum of Rockport and Howard Boykin of Port Lavaca collided on Highway 35, 1.4 miles north of the city limits. Mrs. Gum sustained minor injuries and was treated in a doctor's office and released.

On May 19, a motor scooter operated by David Washko of Rockport and a car driven by Mrs. Elizabeth Bardwell of Fulton collided at Palmetto and Fourth in Fulton. Washko sustained minor lacerations and abrasions and was treated at Lyman - Roberts Hospital and released.

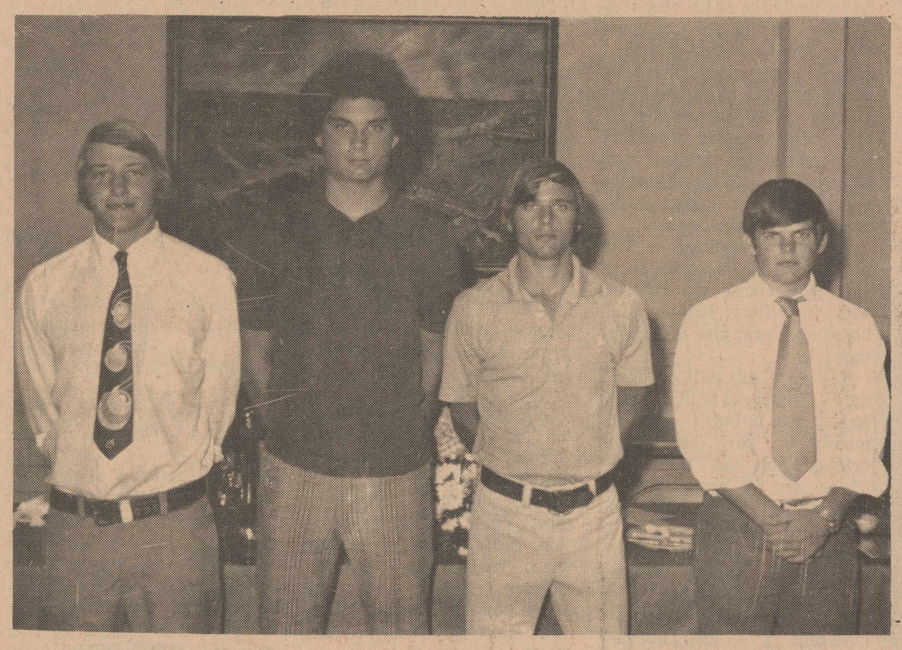
Memorial Day Closings Given

In observance of Memorial Day, the following places will be closed on Monday, May 28: First National Bank, U. S. Post Office, Aransas County Courthouse, United Savings Association and City Hall. There will be no garbage collection on Monday but city crews will make the pickups on Tuesday.

Roe's Food Store and some business establishments will be closed on Monday.

Memorial Day Services May 27

Memorial services will be held at 4 p.m. Sunday, May 27 at the memorial section of the Rockport Cemetery. Royce Reed from Odem, Texas will give the flag service assisted by the local V. F. W. and Auxiliary. This is the one time of the year that we can show our appreciation to the men and women who have fought for our freedom.



OUTSTANDING ATHLETES — Named top performers in their respective sports were (left to right) Paul Kuehn, football; Steve Mayes, basketball; Mike McCaskey, golf; and Ricky McLester, track. Not pictured were Brad Little, tennis, and Sammy Martinez, baseball.

Seventeen High School Seniors Named as Scholarship Winners

Seventeen seniors in the 1972-73 graduating class of 1973 were recognized as receiving scholarships and money for scholarships to further their education in a Senior Awards Day Program that was held in the auditorium of Rockport - Fulton High School on Friday, May 18.

The scholarships and money for scholarships were furnished by schools and organizations or groups of people who are interested in youth.

As valedictorian, John Howard Ledbetter received a $100 check presented by the Rockport Rotary Club. John also receives a tuition scholarship to any state supported college in the State of Texas for the school year of 1973-74 for being named the highest ranked student in the class. He also has the choice of a scholarship to attend a church related school through the Texas Council of Church related colleges.

As salutatorian, William Christy Hunter received a $75 check presented by the Rockport Rotary Club. Chris also has a choice of a scholarship to attend a church related school through the Texas Council of Church related colleges.

DeLois Claire Young received a choice of a scholarship to attend a church related school through the Texas Council of Church related colleges for being named as the highest ranked girl in the senior class of 1973. DeLois also received one of the $200 Scholarship awards given by the Aransas County Local Unit of the Texas State Teacher's Association annual Miss Katie Lee Clark award to encourage young people who are interested in a teaching career.

Michael Donald McCaskey has received an offer of a full athletic scholarship award from Laredo Junior College to cover tuition, room, board, books, and for supplies.

Joe Gilbert Pina received a $200 scholarship award to continue his education in college. This award was presented by the Rockport Lions Club.

Jackie Sue Smith received the $500 scholarship award from the Rockport Business and Professional Woman's Club to help her to pursue a business or professional career.

Kathy Lynn Langham received the other Miss Katie Lee Clark Scholarship award from the Local Unit of the Texas

(Continued on Page Two)

Harbor Oaks Unit 2 Now Under Way

Development of the second unit of Harbor Oaks, residential waterfront development on the northern edge of Rockport, is underway, according to James McCord, president of Canoe Lake Corporation, owner of Harbor Oaks.

The new section, which lies along the north bank of Long Reach channel, will include 18 waterfront and 18 waterview lots. It is located in a wooded area and every effort will be made to disturb as few of the existing trees as possible, according to McCord.

For example, reinforced concrete bulkheading along Long Reach channel will be installed from floating equipment to avoid

(Continued on Page Two)

Calvary Baptist Plans Kindergarten

The Calvary Baptist Church announces plans to sponsor a kindergarten for 4 and 5 year olds beginning with the regular fall school term. The school will be operated as community service on a non-profit basis, and will observe the same school days and holidays as the public school system.

The school is now accepting applications for the fall term, and a limited number of children will be accepted. All children must be enrolled by August 15.

Anyone desiring to enroll a child or seeking further information should call the Calvary Baptist Church, 729-5924.

G.I. Forum Seeks Help for Sick Boy

The Rockport American G.I. Forum appeals to local people and organizations to help a little boy who desperately needs assistance either in blood donations or cash contributions.

The boy is six-year-old Jorge Sanchez of Mathis who is critically ill in a Corpus Christi hospital suffering from leukemia and requires eight units of blood transfusions every day. His mother is ill with a kidney disease and the father is a diabetic, and they are without funds.

Anyone willing to give blood is asked to call 729-6690. Those wishing to give money should make out checks payable to Jorge Sanchez and mail them to Rockport American G.I. Forum, 1004 Main Street, Rockport, Texas 78382.

Baccalaureate Service May 27

Baccalaureate services for graduating seniors will be held at Rockport-Fulton High School Auditorium at 8 p.m. Sunday, May 27.

The program will be as follows:

Processional, with Michael G. Morgan at the piano.

Invocation by the Rt. Rev. Msgr. Harold F. Palmer of Sacred Heart Catholic Church.

Hymn, "Holy, Holy, Holy."

Prayer for the graduates by the Rev. Paul Bohot of Peace Lutheran Church.

Special music by the High School Choir directed by Peter Cheaney.

Sermon by the Rev. Charles F. Fake of First Baptist Church.

Hymn, "Onward Christian Soldiers."

Benediction by the Rev. John R. Bradshaw of First Presbyterian Church.

Emergency Plans Will Be Reviewed

A review of plans and procedures for emergency operations in the event of a hurricane will be the subject of a workshop here May 30.

Six South Texas counties, including Aransas, Bee, Calhoun, Goliad, Refugio and San Patricio, will participate in the Hurricane Preparedness Workshop 2-4 p.m. in the district courtroom at Aransas County courthouse.

Rupe Gamble of the Department of Public Safety's district disaster committee in Corpus Christi, and Glenn H. Trapp, meteorologist in charge at the Corpus Christi weather station, will be in charge of the program.

Sheriff's Dept. Solves Burglary

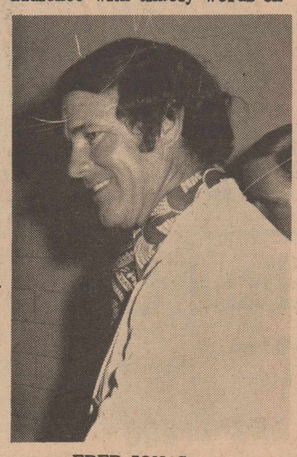
Deputy Sheriff Daniel Vargas investigated and cleared a burglary last Sunday after the offense had been reported to the Sheriff's office by Gary's Texaco station in Rockport.

According to reports, items taken in the case consisted of several automobile engine parts. No formal charges have been filed in that case as of this date.

Later in the week, two new automobile tires were stolen from the high school parking lot. Sheriff Bob Hewes and Chief Deputy E. A. Stautzenberger began an investigation that led to the recovery of the tires, and involved several young persons.

Athletes Honored at Awards Banquet Held at High School

The annual Athletic Awards Banquet was held last Saturday night in the High School Cafeteria. Coach Fred Jonas from Texas A&I University was the featured speaker of the night. Jonas, who serves as the defensive co-ordinator for the Fighting Javelinas, inspired the audience with timely words on



FRED JONAS

"Giving Your All".

Six athletes were especially honored during the program by being named as the outstanding individuals in their sports. These were Paul Kuehn - football; Steve Mayes - basketball; Rickey McLester - track; Mike McCaskey - golf; Brad Little - tennis; and Sammy Martinez - baseball.

Following is a listing of those receiving awards at the banquet:

In Golf -- Bill Beasley, Jeff Little, Mike McCaskey, Scott McCaskey, Ricky Roe, John Stroot and Tommy Stroot.

In Tennis -- Varsity - Jay Bauman, Gerry Kleypas, Keith Liggett, Brad Little, Mike Morgan, and Warren Gerdine; JV - Ralph Pyle and Chris Wideman.

In Baseball -- Gene Carter, Danny Flores, Joe Garza, Sammy Martinez, David Mundine, Roy Nava, Johnny Rios, Kenny Smith, Glafiro Soliz, Gaspar Garcia, Scott Gillis, Felipe Guerra, Jerry Hudson, and Bobby Mundine.

In Track -- Alonzo Arispe, Denzel Bardwell, Bill Beasley, Juan Benavidez, Nasario Benavidez, Johnny Cantera, Charles Dupnik, Bob Gillis, Ruben Guerrero, Robert Hernandez, Florencio Lara, Estevan Lara, John Ledbetter, Rickey McLester, Bill Mercer, Duane Parr, Alan Passmore, Joe Pina, Peden Rogers, Charlie Torres, Jesse Valdez, Kevin Vannatter, and Ralph Weekly; JV -- Willie Flores, Scott Gillis, Edward Gonzalez, George Lewis, Johnny Rios, Homer Saucedo, Bill Smith, Jody Solis, Keith Williams, Richard Lee, and George Hernandez, plus managers, Ralph Aleman, Jesse

(Continued on Page Two)

Library Summer Reading Program

Registration for the summer reading program at the Aransas County Public Library will begin at the Library, Friday June 1, from 9 to 11 a.m. The theme of this year's program is "A Trail Ride Through South Texas."

Readers will receive bright green and brown cowboy, cactus and windmill stickers to place on their map of South Texas for each approved book read. Ten such books entitles the reader to a "certificate" at the end of the program, August 17th. Lists of the approved books will be posted at the Library.

While it is hoped that a number of children will complete the tour, emphasis will be placed on reading levels and book content rather than the number of books read.

L. D. Nuckles of the Texas Parks and Wildlife Department will narrate a film, "Biologist and the Boy," at the library summer reading program registration Friday, June 1 at 11 a.m.

Children unable to register on the above date, Friday, June 1 may do so at a later date.

Four Injured In Two Accidents

Four persons were injured in two auto accidents in this area last week.

State Highway Patrolman Rick Brush said Cynthia Agler Lee was injured in a two-car collision May 15 on Highway 35 just south of the city limits.

Brush said a car driven by Everett Shetters of Aransas Pass struck the rear of the other car when Mrs. Lee attempted to make a left turn at Cove Harbor. Both cars were going south.

Mrs. Lee was taken to Taft Hospital and Shetters was charged with driving while intoxicated, according to Brush.

The second accident occurred May 14 about 4.6 miles north of here at the intersection of Highway 35 and FM 1791 and involved cars driven by William Jewell and Jean Conroy, both of Portland.

Sustaining lacerations and abrasions were Harry Lincoln and Ann Brooks of Rockport and Jewell. They were taken to Lyman-Roberts Hospital in Aransas Pass for treatment. Lincoln was hospitalized and the others were treated and released.

Investigating the accident were State Highway Patrolmen Brush and Bill Hill, Deputy Sheriff Dan Vargas, Chief of Police James Craigmile, City Patrolman Dan Oliver and Constable John Ray, Jr.

Twirling Camp Set for June 4-7

A "twirling camp" will be held June 4 - 7 from 8 to 11:30 a.m. in the Rockport-Fulton Junior High School cafeteria. All interested youths are invited to participate.

Classes will be offered from the beginning to the advanced level. There will be instruction in fundamentals, solo twirling, strut, dance twirl, fanfares and twirl on the march.

Mrs. Frances Malek of Robstown will be head instructor. She has operated the camp the last four years and is a U.S.T.A. certified teacher and judge.

She has 10 state championships, Miss Corpus Christi, and over 800 awards to her name. She also has produced numerous state and national champions and has just returned from Rome, Italy where she taught on the staff of the International I.T.T.I. Clinic.

Interested boys and girls are urged to apply in the principals' offices at the elementary schools or at the band hall at the High School. Fees will be $15 for beginners and intermediates, and $20 for advanced students.

NOTICE

Holiday Beach Library will be open Monday through Friday from 3 to 5 p.m.

High School Exam Schedule

The second semester examination schedule at Rockport-Fulton High School has been announced by principal C. R. Barre as follows:

Tuesday, May 29: (Regular schedule will be followed through fourth period.) 1:30 - 3:30 -- Fifth Period Classes.

Wednesday, May 30: 8:15 - 10:15 -- First Period Classes; 10:15 - 12:15 -- Third Period Classes; 1:30 - 3:30 -- Sixth Period Classes.

Thursday, May 31: 9:30 - 11:30 -- Second Period Classes; 12:25 - 2:25 -- Fourth Period Classes.

(School to be dismissed at 2:25 p.m.)

SENIORS who have an average of ninety or above in a subject may not be required to take the second semester exam in that subject. Add the six six-weeks grades on each subject plus the first semester examination, and then divide the sum by seven. If this average is 90 or above 90, a senior may not be required to take the second semester examination on each subject in which he has such an average. (Courses of one semester duration would be figured on 4th, 5th, and 6th six weeks average).

Example:

1st six weeks	91
2nd six weeks	88
3rd six weeks	93
First semester test	90
4th six weeks	88
5th six weeks	95
6th six weeks	92
	7) 637
Average	91

The second semester exam grade will count one-fourth on the semester grade.

Example:

4th six weeks	84
5th six weeks	80
6th six weeks	90
Exam grade	70
	4) 324
Semester grade	81

State Teachers Association in the amount of $200 to further her teaching career.

Paul Patrick Kuehn was selected as the athlete to receive the scholarship award of $300 that was provided by the merchants of Aransas County through their ads supporting the Pirates in the ROCKPORT PILOT this past year.

John Cheek Vick has been notified that he will receive a full athletic scholarship from Laredo Junior College to cover tuition, room, board, books, and for supplies.

Marla Kay Kleine has been selected by the Rockport Chapter of the American G.I. Forum to receive their $100 scholarship award to further her college education.

Donald Jerome Setterbo has been notified that he will receive a full athletic scholarship from Laredo Junior College to cover tuition, room, board, books and supplies.

Stephan Alan Mayes has accepted a four - year athletic scholarship with Lamar University that will cover his tuition, room, board, books, and supplies.

Deborah Lynn Brasher receives one of the $300 Scholarship awards presented by The Key Allegro Woman's Club to attend a technical-vocational school.

Tomas Garcia receives the other $300 Scholarship awards presented by The Key Allegro Woman's Club to attend a technical-vocational school.

Maria Eloisa Pena received one of the tuition - free courses of training at Stevenson's Corpus Christi Beauty College.

Richard Charles Garcia was named to receive the L.U.L.A.C.S. scholarship award of $300 from the Local Council #625 of Rockport to further his education.

Debra Lee Chupe received one of the tuition-free courses of training at Stevenson's Corpus Christi Beauty College.

Harbor Oaks—
(Continued from Page One)

distrubing trees on the lots, he explained.

Bulldozing and grading for streets already is in progress, and completion of the new section is scheduled for late summer. Streets will be of asphalt with concrete curbs, gutters and storm sewers. All utilities, including water, gas and electricity, will be under ground as they are in the original unit of Harbor Oaks. Sanitary sewers will be a part of the Rockport municipal system.

Minimum elevation of lots in Unit 2 will be seven and a half feet above water level, with first-floor level of all houses at least nine feet above water level.

The new unit will cover 17 acres, compared with 51 acres and 63 lots in Unit 1. Approximately 65 per cent of the original unit has been sold. There are 16 homes in this unit, almost all of them occupied full time.

Lots in the new section will have 80 to 110-foot frontage on Long Reach channel or on one of the two new streets--Crescent Drive and Lakeview Drive. Six lots in the new section already have been sold, according to Louise Itschner, sales manager. The Global Land Corporation is in charge of promotion and sales for Harbor Oaks.

Heldenfels Brothers of Corpus Christi has the contract for all construction work in Unit 2.

Marcelino Ramirez Receives Honor

Marcelino Ramirez has been appointed to be a member of one of the Texas Constitutional Revision Commission's local citizen advisory committees.

Following is the letter Ramirez received from Robert W. Calvert, chairman of the Texas Constitutional Revision Commission:

"I want to invite you to serve as a member of one of the Texas Constitutional Revision Commission's local citizen advisory committees. If you are able to accept membership on the advisory committee for your area, I would appreciate it if you would inform me by return mail.

"Members of the local citizen advisory committees will be asked to: Assist the Revision Commission, as necessary, in organizing public hearings in local area; Assist the Commission staff in identifying local citizens who wish to give testimony at public hearings; Help Commission members and staff become aware of local opinion on the strengths and weaknesses of the Texas Constitution; Meet with the Commission as it conducts hearings in the local area; Aid in the dissemination of the findings and recommendations of the Commission.

"The public hearing for your area will be held in the South Concourse of the Memorial Coliseum, 402 South Shoreline, Corpus Christi, from 10 a.m. to 6 p.m., Wednesday, June 6, 1973. I hope you will plan to meet with the Commission on that date. In the interim, any efforts you can make to identify persons who would provide useful information at the hearing would be appreciated.

"A preliminary meeting for the exclusive benefit of the citizen advisors will be held Friday, June 1, at 8 p.m. in the Central Jury Room of the Nueces County Courthouse, Corpus Christi. This will provide you with an opportunity to meet with members of the Commission and its staff prior to the public hearing. At that time your suggestions for the public hearing will be welcomed."

Local Men Honored By Highway Dept.

On May 23, fifty-seven men from throughout the ten counties of District 16 of the Texas Highway Department received awards for accident free driving records ranging from 5 years to 28 years.

District Engineer, Travis A. Long, presented the awards at a ceremony held at the American Legion Hall, Post 364, Corpus Christi, and afterwards these men were guests at a turkey dinner.

The rules governing these awards are quite rigid, as a driver must operate his vehicle with no accident involving injury to driver or passengers, damage to the vehicle or cargo, or damage to other vehicles, property or cargo.

Two men receiving these awards work in the local Rockport Maintenance Section under the supervision of Maintenance Construction Foreman Coy Truelove. The local men receiving these awards and their individual driving records are Mervin J. Bright, 9 years; and Valdemar Torres, 14 years.

State Highway Patrolmen Reminders

State Highway Patrolman Bill Hill asked the Pilot to publish two reminders.

First, motorists who have Blue 5 stickers on their windshields have until the end of this month to have their cars inspected to receive new safety stickers.

Second, Hill says many youngsters have been seen operating their motor scooters on grassy surfaces, or in ditches, adjacent to local highways.

Hill points out that this is against the law and that the law with regard to not operating motor scooters on highways includes the highways and the adjacent roadsides and other surfaces from property line to property line.

Motor scooters, he says, can be operated on private property or in an open field.

von Pein Named Lions Dist. Governor

J. Henry von Pein, a past-president of the Fulton Lions Club, was elected Lt. Governor of District 2A3, Texas, Lions International during the annual convention of the clubs in the district at the Fort Brown Motel in Brownsville May 18, 19 and 20, according to Dan Shelton, out-going president of the Fulton Lions Club.

Col. von Pein will assume his new office on July 1, 1973, together with Alfred W. Rogers of McAllen, who was elected District Governor to replace the out-going Governor, Roy N. Davis of Weslaco.

Fulton is the northern-most club in District 2A3, Mr. Shelton pointed out, adding that the convention which elected Col. von Pein had the largest attendance in the history of the district.

In addition to Col. and Virginia von Pein and Dan and Bea Shelton, members of the Fulton Lions Club who were in attendance at the convention were Hal and Mary McKnight, William Mercer and Dave and Loyce Ogle.

Ogle will be installed as president of the Fulton Lions Club at an installation ceremony and dinner in the Sandollar Motel tonight. With Charles Spencer of Sinton, Deputy District Governor of Lions International, serving as installing officer, others to be installed with Ogle are George E. Smith, Jim C. Harrison and Ken L. Thomas as first, second and third vice presidents, respectively, Cecil Phelps as Secretary - Treasurer, Pete Appleton as "Tail Twister" and William Mercer as "Lion Tamer."

The festivities in the Sandollar tonight will begin with a "Happy Hour" at 6:30 p.m.

RECEIVES DEGREE

The Rev. Gerald Nutt received his bachelor of arts degree May 10 at Southwestern Assemblies of God College in Waxahachie. He also received an associate of arts degree. He will become pastor of First Assembly of God Church in Martin, Tenn. Mr. and Mrs. Maurice Nutt of Fulton attended the baccalaureate and commencement programs at Waxahachie.

Local Youths A&I Graduates

Students from 96 Texas towns, 8 states and 11 nations are among the spring graduates at Texas A&I University.

Chancellor James C. Jernigan Saturday conferred degrees upon 1,086 students counting 452 who completed degree requirements in December. Among the 634 spring graduates were 548 bachelor's and 86 master's degrees.

Those from Rockport were Richard Garland McMakin, BBA; Heather Lea Miller and Jerry Steven Shaver, BS.

Toboggan sleds were invented by American Indians.

Clarks Return From Expense-Paid Trip

Mr. and Mrs. Glen L. "Bo" Clark and son have recently returned from a one-week all expense paid trip to the New England states. Clark, who is sales manager at Marineland of Rockport, won the trip in competition with other Boston Whaler dealers in Texas. Competition items included product knowledge, salesmanship and sales volume.

While in the New England states, the Clarks visited the Boston Whaler manufacturing facility in Rockland, Mass. There they observed the manufacturing techniques that produce one of the finest boats made in the world.

They also toured the scenic areas of Maine, New Hampshire, Vermont, and Cape Cod.

Boy Scout Barbecue Set for May 26

"It won't be long now," says Jim Cruser, assistant Scoutmaster and one of the chief cooks and planners for the Annual Boy Scout Barbecue.

He suggests that you get in line real soon for a ticket, which are in the hands of the Scouts in the three troups, #280, #281 and #49. Help your favorite Scout and troop by buying in advance from them.

Scouters have been assigned to all the posts, both in procuring food, cooking food and the final serving.

Rockport answers the call each year and that's what makes it a success. The real test of its success is the fact that you get a $2.00 ticket--a donation for a good cause--and for a worthwhile good finger licking barbecue chicken dinner at the Lions Club Pit on the bayfront across from the Woman's Club Building. Time is 11 a.m. til it's all gone. See you there Saturday, May 26.

LOCAL MAN IN NATIONAL AD — This photo of Reagan Lee of Rockport, taken at Padre Island. appears in a double-page ad in the June issue of Playboy Magazine advertising Lone Star Beer.

The photographer, J. W. Zintgraff of San Antonio, called a friend in the Rockport area and said, "I want a real cowboy, who looks like a cowboy, to pose for a picture for the Lone Star advertising campaign on 'The Big Country' theme. Zintgraff's friend recommended Lee and as soon as the photographer saw Lee he said, "You're the right man."

Lee is shown on his horse, Nugget. The three horses behind Lee include Lady, the first horse, her colt, Sugar, both owned by D. M. Meador, and Bucky, owned by Melvin Moore, Jr. Lady formerly was owned by Roy V. Rogero, Jr.

Youth Employment Services Finds Jobs

The Youth Employment Service (Y.E.S.) announces that at the close of the first two weeks of service to the community, 15 young people have found temporary and permanent employment with residents and business concerns.

Y. E. S. continues to solicit "help wanted" calls from residents who have jobs to be done, and businesses wishing to employ summer help during our area's busy tourist season.

In addition to finding jobs for high school students registered with Y.E.S., college students here for summer vacation are now seeking employment with Y. E. S.

Some of the temporary jobs filled by Y. E. S. so far are: pet care while owners are away (two girls living on nearby farms have even built pens for this purpose, though some teenagers go to the owner's home to feed and play with the pet.), assistance with loading furniture for a move; lawn care and weeding; cleaning and maid service, and restaurant help.

The most unusual job offer to date has been for "two strong boys to dig a snake pit." The Concerned Women of Aransas County, who offer the Y.E.S. Service, are at this time searching the files for teenagers who can fill this job description. Y.E.S. calls are answered at 729-2672 from 10 a.m. to 2 p.m. Monday thru Friday.

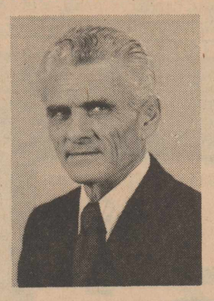
OUTDOORS 'n things

by L. D. NUCKLES



On a summer day it's fun to sit by a cool pool of water or by a little stream and watch the dragonflies flitting around. It's hard to think of anything less harmful, anything more peaceful, than these dragonflies but to mosquitoes and other flying insects he is a tiger with wings who will eat them by the hundreds.

During the juvenile stage of the dragonfly he lives in the water and is called a naiad. He is quite a killer then too, he lives on other insects, tadpoles, and small salamanders. Many species live in this stage for as long as two or three years.

When the time comes for him to mature into an adult his wings begin to develop and can be seen through his skin. Finally the day will arrive when he will crawl up the stem of a plant that extends above the water. When he is several inches above the surface of the water he will stop and await developments. As his skindries it begins to split. It starts at his head and as the split works further down, the adult dragonfly begins to emerge. For several minutes he is completely vulnerable to attack. As he climbs out of his old skin he gradually extracts his three pairs of legs then falls backward now only by the tip of his long, thin abdomen. Hanging there, head down, the insect is completely helpless because his external skeleton is still soft and his muscles have no firm attachment. After a little while, however, when the outer skin, which is actually his skeleton, has hardened, he can reach up and grasp the stem of the plant and pull the long abdomen free. Still, they must wait a while to begin their short adult life. Their wings are still too soft to carry them. Hollow tubes, functioning as wing struts, will be pumped full of blood. This stiffens the wings enough so that they will swing foward into the final horizontal position in which they will remain for the rest of the insects life.

As adults they can often be seen dipping down to the surface of the water to lay their eggs. Sometimes they are just laid in the water but at other times the slits in the stems of submerged vegetation are utilized.

When I was a kid (Lo! these many moons ago) and fished along the Sabinal River, we called a dragonfly a Snake Doctor. I have never found any reason for a name like this but it is easy to see why some people call him a Mosquito Hawk---he does kill and eat those buzzing little pests by the hundreds.

Mr. and Mrs. Rex Littleton returned Monday from Houston after "inspecting" their new granddaughter, Christine Michelle Zelenka.

Mr. and Mrs. Leon Barber and sons Mike and Robert of La Porte, Texas are spending two weeks with his parents, Mr. and Mrs. Jim Barber.

MEMORIAL DAY

Memorial Day began—as a national observance—during the Civil War, first in Mississippi (Columbus and Vicksburg), Virginia (Winchester) and other states, and by 1865 was observed nationally. That year the Adjutant General of the U.S. Army suggested graves be decorated throughout the country.

Although the war in Vietnam has at last ended for American forces, the military establishment is still abused by many; yet, it is nevertheless true that defense will again be necessary to preserve liberty.

Christianity, idealistic and moral principles and philosophies notwithstanding—unless a free nation contains men willing to fight and die, if necessary, for country and freedom, liberty cannot long survive.

These are the thoughts which should engage us on Memorial Day, 1973. And to all who responded to their duty when their country called, and who gave their lives, the nation is indebted. It is too much to expect each individual soldier, sailor or airman to pass individually on the rightness or wrongness of the foreign policy of his government and act accordingly. This would produce only chaos. Rather, a nation must necessarily depend on brave men who believe, as Robert E. Lee did, that duty is the sublimest word in the English language.

Local Student Is A&I Honor Graduate

Honor graduate designation has been given to 82 Texas A&I University students completing degree requirements this spring.

Dr. Mario A. Benitez, executive vice president and dean, announced 26 graduating summa cum laud, with highest honors; 16 magna cum laud, with high honor; and 40 cum laud, with honor.

Respective standards are grade averages (4.0 scale) of 3.65, 3.5 and 3.35.

Also recognized at Saturday's ceremonies were 39 announced earlier among those completing degree work in December.

Among cum laud spring graduates was Elida Morales Tamex Flores of Rockport.

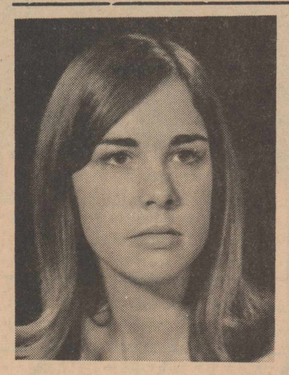
Rotary Club Sees Film on Cancer

A motion picture on the detection and treatment of cancer was shown at a luncheon meeting of Rotary Club May 16 at Corky's restaurant.

The film stressed the importance of early detection of cancer if a cure is to be achieved. It was pointed out that obvious symptoms of cancer usually appear so late that chances for a cure are slim. In the case of cancer of the colon the cure rate is approximately 70 per cent if discovered early. This drops to about 35 per cent later, according to the film.

Regular examinations were urged as the most effective way to discover and combat cancer.

Subscribe to the Pilot.



GETS DEGREE -- Bonnie J. Hunter, daughter of Mrs. Janet Hunter and the late Colonel William L. Hunter of Rockport graduated with honors on May 18 from Northwestern State University in Natchitoches, Louisiana. She received a Bachelor of Science Degree in Commercial Art and Advertising Design.

TWO LOCAL STUDENTS RECEIVE A & M DEGREES

COLLEGE STATION -- Two students from Rockport received degrees at Texas A&M University's spring commencement exercises.

A total of 1,750 degrees were awarded, including 1,425 undergraduates, 248 master's and 77 doctorates.

Rockport students receiving undergraduate degrees were Jerry Lee Fischer, wildlife science, son of Mr. and Mrs. Elroy Peters, 625 King Street.

Michael Holmes Gray received a Master's degree in business computing science. He is the son of Mr. and Mrs. J. D. Gray, Box 907.

We Now Have Milorganite

Since opening our garden center we have been trying to get Milorganite to answer the countless problems of fertilizing lawns, shrubs, trees and vegetable gardens in this area. Milorganite is a fine 100% organic fertilizer produced by the city of Milwaukee containing rich waste from the breweries of that city. It is in short supply due to demand across the nation, but particularly the demand in Florida where sandy soils are as difficult to fertilize as the sandy soils in our area.

Milorganite contains nitrogen, phosphorous, potassium, iron, sulphur, magnesium, copper, maganese, zinc and boron. Milorganite is longer lasting than chemical fertilizers, 37½ lbs. of every 50 lb. bag is rich vital humus...the true natural organic fertilizer, It is safe to use BECAUSE IT DOES NOT BURN, and it is easy to apply because it is a granule and dust-free. Milorganite fed grass, shrubs, and vegetable plants require less water because of a low salt index. BE SMART AND START BUILDING UP YOUR SANDY SOIL thru regular application of this rich 100% organic fertilizer. Three applications per year are recommended. It will cost slightly more than chemical fertilizer simply because it's worth more!

Come in and talk with us about this 100% organic product. You will be glad you did.

The National Weather Service is responsible for issuing warning of hurricanes which approach the U. S. mainland. During the summer and fall, when most hurricanes occur, forecast offices maintain a careful watch for development of tropical storms and hurricanes.

As soon as there is a definite indication that a hurricane is forming, even though it is a thousand miles or more from the mainland, the storm is given a name, and the Weather Service begins issuing advisories. The advisories are issued frequently through the day and night and tell where the storm is, its intensity and the speed and direction of movement.

If the hurricane moves toward the mainland, hurricane watch notices are included in the advisories and gale and hurricane warnings are issued. In addition, bulletins for news media are issued at frequent intervals to keep the public informed of the storm's progress.

By using the Weather Service advisories and bulletins disseminated by the news media, the location and movement of the hurricane can be plotted on this chart.

Nobody knows when the first tropical storm of 1973 will begin to blow. But it and others will be forming soon as the new hurricane season begins June 1. It will last until Dec. 1.

Residents may want to keep this chart handy to plot the sometimes erratic movements of naughty ladies of the tropics. The rings on the maps indicate the mileage from Corpus Christi. (Map Courtesy of Nixon Blueprint Co.)

H.E.B. Receives Advertising Award

The H.E.B. Grocery Company's Advertising Department was awarded first place in the 1973 Super Market Institute/Woman's Day National Advertising Competition. The award was for the best entry in the New Store Opening Category; H.E.B.'s entry included print and broadcast media for the grand openings of two H.E.B. Futuremarkets in San Antonio and one in Austin. Over 100 supermarket chains competed with entries being judged in New York City by advertising and supermarket experts from across the nation. H.E.B. also received a Certificate of Merit in radio advertising for its Golden Service radio spots. The H.E.B. Advertising Department is headquartered in Corpus Christi with a staff of fourteen. Bill Ault serves as Director of Advertising and Sales, Don Birchum as Advertising Manager and Phil Cunningham as Production Manager. Anderson and Lewis Advertising Inc. of San Antonio serves as the company's agency.

Annual Youth Rodeo June 2-3

The Aransas County Riding Association will hold its annual Youth Rodeo June 2 and 3. On June 2 at 10 a.m. the annual Youth Rodeo parade will kick-off the two-day rodeo.

Events include jr. and sr. poles, barrels, ribbon roping, tie down calf roping, breakaway, showmanship and the highlight of the rodeo, bull and bronc riding.

This year's high point winner receives a saddle with belt buckles going to all first place winners, and 2 through 6 places receiving rosettes.

Rodeo begins at 2 p.m. Saturday afternoon, June 2, at the arena at Fulton, off Highway 35 north of Rockport. Bring the family and enjoy the parade and ride on out and watch the rodeo - it's an annual event, and something special to see - talent, skill, determination and good sportsmanship and all displayed by young people.

Coming Events

May 25: Birthdays: Frank H. Smith, Roy Pina.

May 26: Why not go fishing or play golf or tennis?

May 27: Birthday: Jesse Dominguez.

May 31: Meetings: Commissioners Court, Rebekah Lodge No. 88. Birthday: Scott Meyer.

CADET RANDY JONES GRADUATES FROM SCHOOL

LEBANON, TENN. -- Cadet Randy Allen Jones of Tia Juana, Venezuela will graduate May 27 from Castle Heights of Lebanon, Tennessee.

Dr. Benjamin E. Bird, Jr., Nashville, Tn., physician and former office of the American Cancer Society, will deliver the principal address.

The commencement weekend will begin April 25 with the last formal dance of the year. Award ceremonies and the final military parade will be features of Saturday.

Castle Heights, a private school for boys of both elementary and secondary levels, is concluding its 71st year. The summer session begins June 11.

Cadet Jones is a son of Mr. and Mrs. James A. Jones with the Creole Petroleum Corporation in Tia Juana, Venezuela. Randy is a Company Sergeant, a member of the Heights Christian Fellowship, the football team and plays soccer. He is also the grandson of Mrs. Ruth Hayden of Rockport.

W.M.S. Meets

The Women's Missionary Society of First Baptist Church met May 15 in the home of Mrs. Truett Roach in Fulton. Mrs. Larry Stewart was in charge of the meeting.

Mrs. Eddie Bradley gave the Bible lesson on "Your Attitudes Are Showing." The lesson was taken from the tenth chapter of Mark.

It was reported the "True Life Singers," consisting of young people from the church, presented a program titled "Love" at First Baptist Church in Giddings, and nine boys made a profession of faith.

Mrs. Oscar Brown closed the meeting with prayer. Fifteen members enjoyed cake, coffee and Coke.

--Tiney Gayle, Reporter

Fire Extinguisher Important Equipment

AUSTIN -- Man's best friend may be his dog on land, but on the water his best friend could be a fire extinguisher.

Officials for the Texas Parks and Wildlife Department remind boaters that fire extinguishers are required by law on many outboard motor boats and all inboards.

Your boat is required to have a fire extinguisher on board if it has:

— Closed compartments under the thwarts and seats wherein portable fuel tanks may be stored.

-- Double bottoms not sealed to the hull or which are not completely filled with flotation material.

-- Closed living spaces.

-- Closed storage compartments in which combustible or flammable materials are stored.

-- Permanently installed fuel tanks.

Some boat owners consider the extinguisher a superflouous piece of equipment until their boat, worth several thousand dollars, catches fire.

Fires on boats are expecially terrifying since there is usually no place to run. You can either fight the fire, or swim for your life. If you have no fire extinguisher on board, your alternatives are cut in half, say department officials.

Splashing water on boat fires won't help since they usually involve spilled gasoline. Water merely spreads the flames.

Four types of extinguishers are available for the boater -- foam, carbon dioxide (CO_2), freon and dry chemical.

Boat owners should make sure the fire extinguisher they purchase has the B-I or B-II classification required by the coast guard. This classification will be stamped on the fire extinguisher.

Boat owners should make frequent checks to be sure their extinguishers are in their proper storage brackets and undamaged. Cracked or broken hose should be replaced, and nozzles should be kept free of obstructions.

Locking pins and sealing wires should be checked to assure that the extinguisher has not been used since last recharged.

Extinguishers should never be tried merely to see if they are in proper operating condition because in many cases the valves will not properly reset, resulting in a gradual discharge.

LOUISA'S LETTER

Dear Louisa,

When I have a date I go to extra pains to look my best and I think that is the right thing to do because I want the boy I am with to be proud of his companion. Now my mother and my sisters laugh at me about this and say I am trying to be someone I am not because I don't look like this all of the time.

What do you think about this? Do you think I should go out looking just like I do when I am working about the house?

B.G.--Va.

Answer:

I am a great believer in making the best of what we have. Now a person who is working about a house should look as good as possible, even then, but it stands to reason that after such work is done one has to arrange the hair, take a bath and change clothes.

This doesn't mean that one has to look like a refugee when she is doing household work. A neat dress or house coat with a clean face and brushed hair is appropriate and looks good at such a time. But I agree with you that you owe your companion to look as good as possible when you have a date. This doesn't mean heavy make-up but it does mean good grooming and becoming clothes. Just don't spend too much time before your mirror as too much artificial make-up may give you a cheap appearence.

Louisa.

Address your letter to Louisa, P.O. Box 532 Orangeburg, S.C.29115

Pharmacy Topics

By SHELLEY ROATEN

Whether or not you get "dishpan hands" from detergents depends on your own susceptibility -- your skin type and possible allergies.

*

Over 225,000 injuries are caused by bicycle spokes each year. Some experts believe many of these could be prevented by shielding the upper half of the rear wheel.

*

A number of fungicidal drugs are being developed in the search for a more effective remedy for athlete's foot.

*

A person who eats a great deal isn't necessarily getting all the nutrients he needs. Many snack foods contain "empty calories" that supply energy, but little nutritive value.

*

Hives are generally a local allergic reaction. It is usually impossible to pinpoint their cause.

*

When your doctor prescribes the best, we do the rest, at

Roaten's
the pharmacy with the "bedside manner."
c10

The Electric Diet.

WASTE-WATCHER
It's a waste-watching diet allowing you *all* the conveniences of electric living while you save money. And it's up to you how much you save.

KEEP THE SPIRIT OF '76°
Set your air conditioning thermostat at the highest comfortable setting, which is about 76 degrees for most people. Every degree below that increases air conditioning costs about 10%.

SAVING WAYS
Operate washers, dryers and dishwashers with full loads but never overload. Don't waste heat by putting a small pan on a large surface unit of an electric range. Match pans to unit size.

EPP THE EQUALIZER
If your summer bills far outweigh winter bills, you can make budgeting easier by paying the same amount each month, year around! Ask your CPL office about the Equal Payment Plan to see if it would help you.

cpl Our generation is for you.

Do You Remember?

From The Pilot Files — 10 Years Ago

HIGH SCHOOL COMMENCEMENT

Commencement ceremonies at the High School will be held at Pirate Stadium instead of indoors as is usually the case.

The school band under direction of Joe Randow will play the processional; Raymond Ingersoll will deliver the invocation; and Peggy Chambers will make the introductions.

Carol St. John will deliver an address on "Time for Beginning" followed by an address by DeRema LeFevre on "Dare to be a Leader." The song "You'll Never Walk Alone" will be sung by a group consisting of Miss LeFevre, Caroline Clark, Gayle Copeland, Myrna McDonough, Paul Ramsey, Terry Falk, Raymond Ingersoll and George Corbett.

Mary Kathryn Gray will speak on "These Things We Have Learned," Terry Falk will talk on "We Look to the Future," and Sue Johnson will speak on "What Greater Gift."

The presentation of special awards will be made by A. B. LeFevre; the presentation of the class will be by Supt. J. D. Gray; Dr. H. F. Elliot, president of the School Board, will present the diplomas; and the benediction will be given by Paul Ramsey.

Honor graduates of the senior class, with an average of 90 or over, are Sue Johnson, Carol St. John, Mary Kathryn Gray, Paul Ramsey, Myrna McDonough, DeRema LeFevre and Peggy Chambers.

Class officers are Raymond Ingersoll, president; Milton Court, vice president; Patricia Elder, secretary; Sue Johnson, treasurer; Carol St. John, reporter; and Robert Wright, business manager.

Valedictorian is Sue Johnson and salutatorian is Carol St. John.

*

FIREMEN HONORED

Volunteer firemen of the Rockport Fire Department were presented service pins.

Those receiving five-year pins were J. C. Gurley, C. C. Truelove, Joe Earl Hunt, Gene Carter, Jimmy Ankele, Austin Smith, Charles Smith, T. E. Minyard and Gary Smith.

Fifteen-year pins were awarded to Julius Malchar, Gilbert Hill, Sr., Cecil Cole, C. M. Deason and Charles Ankele.

Twenty-five-year pins were presented to Dick Fox, Bill Gray and Edric Deason.

A 40-year pin was presented to Oscar V. Dye.

EASTERN STAR ELECTS OFFICERS

The Eastern Star Lodge elected the following officers:

Mary Cooke, worthy matron; Jack Davis, worthy patron; Edna Taylor, associate matron; Jess Eitel, associate patron; Gertrude Allemang, secretary; Mary Juergens, treasurer; Nancy Scott, conductress; and Ethel Scott, associate conductress.

*

FULTON LIONS ELECT OFFICERS

The Fulton Lions Club elected the following officers:

H. E. Dean, president; E. W. Jones, first vice president; W. T. Sivells, second vice president; Zeph Rouquette, third vice president; M. M. Owens, secretary; M. W. Scott, treasurer; Simon Lee Sorenson, lion tamer; and Arthur Bracht, tail twister.

*

SACRED HEART STUDENTS

Sixth graders at Sacred Heart School are to be given certificates of promotion.

Father O'Doherty, pastor of Sacred Heart Catholic Church, and Sister Ranado, principal of the school, will honor the first class to finish the curriculum in the convent school since it was re-opened in 1950.

The students are Charles LeBlanc, Paul Cochran, James Richard Fox, Maurice Hernandez, Robert Arley Shivers, Christin Lassiter and Heather Wren.

*

GIRL SCOUT CAMP

Plans for the Aransas County Girl Scout day camp have been completed.

The Girl Scout leaders who will be unit leaders at camp are Mrs. T. A. Van Ness, Mrs. Herb Mills, Mrs. J. W. Ingersoll, Mrs. W. B. McElwee, Mrs. Clarence Rivers and Mrs. Walter Stryker.

Those who have volunteered to help are Mrs. Ed Barnard, Mrs. C. L. Grant, Miss Pattie Ballou, Mrs. J. P. Hanway and Mrs. H. F. Elliot.

Mrs. Ingersoll's Intermediate Troop will act as junior unit assistants. Mrs. Emory M. Spencer will be business manager and Mrs. Jack Cantrell director.

Discover... ROCKPORT-FULTON

ROCKPORT-FULTON

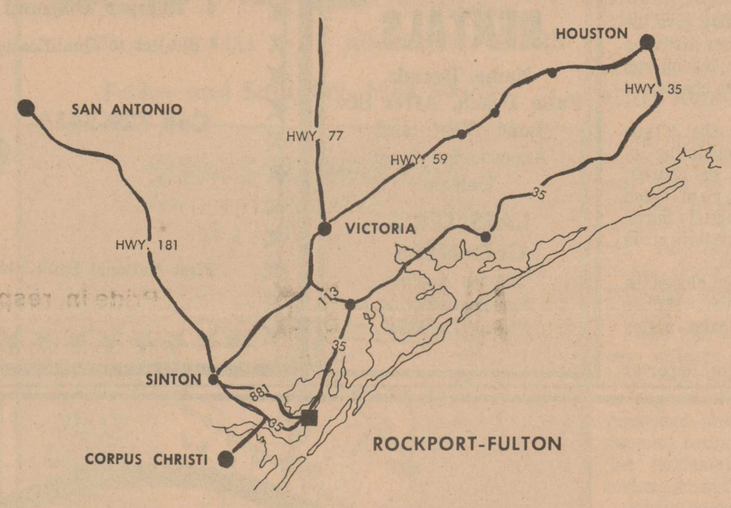
THE IDEAL PLACE FOR . . .
VACATIONS OR PERMANENT LIVING

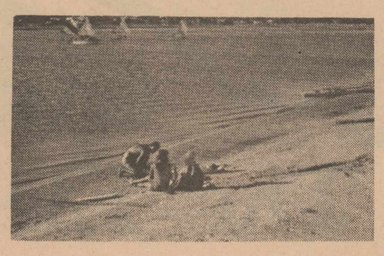
Beautiful Texas Tropical Coast

Write ...

CHAMBER OF COMMERCE
P. O. BOX 1055
ROCKPORT, TEXAS 78382

ROCKPORT-FULTON TOURIST ASSOCIATION
P. O. BOX 1482
ROCKPORT, TEXAS 78382





Just 30 miles up the coast from Corpus Christi, nestled amid a myriad of live oak trees and facing bays just off the Gulf of Mexico, is the Rockport-Fulton area.

This is truly an ideal place for vacations or for permanent living. Blessed with mild climate and an abundance of sunshine, the average temperature on a year-round basis is 71.2 degrees.

And as for recreation and fun, the activities cover a wide spectrum to appeal to men, women and children of all ages. Among the activities are fishing, sightseeing, swimming, beachcombing, boating, golf, tennis, birdwatching, art (visiting galleries or painting your own pictures), or just plain taking it easy.

There are other reasons why we think you would enjoy vacationing in this beautiful, restful area. There are plenty of motels and travel trailer courts to provide comfortable accommodations. And we have many fine restaurants where you can enjoy your favorite foods, particularly the seafood dishes for which this area is famous.

For golfing enthusiasts, Live Oak County Country Club offers a nine-hole course open to visitors at reasonable fees. Electric carts are available for rent. While husbands golf, vacationing wives can enjoy weekly bridge and canasta parties sponsored by the Woman's Club of Aransas County. The Rockport-Fulton Tourist Assn. also holds weekly parties for winter visitors.

Rockport-Fulton is recognized as one of the best fishing areas in the country. Large catches of redfish, trout and flounder are reported almost every day. Each winter, the Chamber of Commerce sponsors a fishing tournament exclusively for visitors, awarding weekly, monthly and grand prizes.

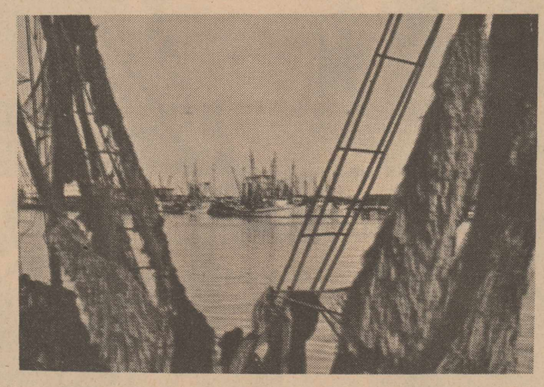
Colorful Brochure Publicizes Area

Shown above are the photographs and written material that make up the contents of an attractive brochure which the Rockport-Fulton Tourist Association and the Chamber of Commerce distribute by the thousands to picture and describe the many advantages our area offers for vacationers and prospective full - time residents.

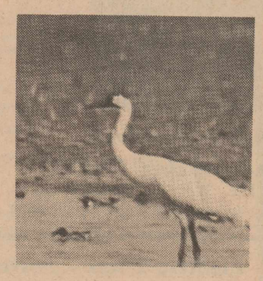
The photographs were furnished by the Corpus Christi Area Tourist Bureau and the written material was prepared by John R. Kinsey, public relations director of the Chamber of Commerce. Cost of the brochure was shared by the C of C and the local Tourist Association.

Copies are sent to all people who write for information about this area, and in addition, many copies are distributed by the State of Texas at all points of entry to our state. Also, hundreds of copies are distributed at boat shows and similar events throughout the state.

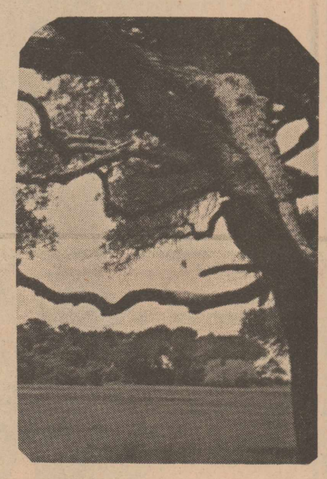
During the past half century, commercial shrimping has grown into one of the most important factors in the economy of the Rockport-Fulton area. Millions of pounds of shrimp and fish are unloaded at local seafood plants, processed and shipped to all parts of the nation.



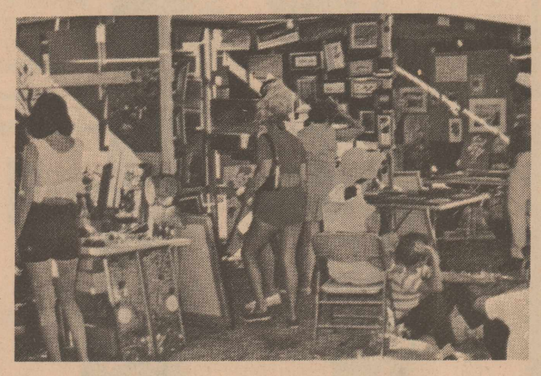
Aransas National Wildlife Refuge, just 30 miles north of here, has become world famous as the winter home of the nearly extinct whooping cranes. In addition, the Refuge abounds in such wildlife as deer, wild turkeys, javelinas and many of the 500 species of waterfowl and songbirds which keep birdwatchers busy identifying the various species. During the winter months the Whooping Crane Motor Vessel carries up to 249 passengers several times each week to the winter nesting ground of the whooping cranes.



The seventeen churches of the Rockport area, representing all the major Christian denominations, serve permanent residents and visitors alike with varied programs involving people of all age groups. You will find a warm welcome awaiting you in the Rockport churches.



The beauty of this undisturbed part of the country is punctuated by numerous leaning live oak trees such as the one shown here which are characteristic of this area. Actually, the largest giant oak tree in Texas — known as the Big Tree — is located in Goose Island State Park. Its circumference is 32 feet eight inches, with an average crown spread of 89 feet.



Known as the artists' capital of the Gulf Coast, Rockport-Fulton attracts artists from all parts of the country, both amateurs and professionals.

In the first place, there is so much beauty and so many picturesque things to paint. Subject matter includes seascapes, fleets of shrimp boats (since shrimping is an important industry), leaning live oak trees and historic homes.

There are several fine art galleries here which are worth visiting. And if you happen to be here around the Fourth of July, you will enjoy the annual Art Festival sponsored each year by the Rockport Art Association which draws hundreds of artists to display their works.

The Kinsey Report

Webster's Dictionary defines crummy as "miserable, filthy, cheap, worthless."

So crummy is the right word to describe the person or persons who last week dug up and stole seven plants which the Rockport Home and Garden Club had planted in the Ski Basin area as part of its project to beautify the Rockport area.

The ladies of the Home and Garden Club had done much planning and work to add to the beauty of our community, and now their efforts have suffered a serious setback.

It is difficult of imagine the type of person who would do such a thing, but obviously there are such people. It is hoped that any person who has any knowledge of the plant thefts will notify the Rockport Police Department.

Let's try to find out who did this so that the person or persons responsible can be prosecuted -- and hopefully, the plants can be found or the thieves can be made to replace them.

Mr. and Mrs. Gene Smith and two daughters, LeaAnn and Andrea of Houston, were recent visitors in the home of his parents, Mr. and Mrs. Austin Smith.

VFW and Auxiliary Installs Officers

Stewart-Wendell Post #3904 and the Ladies Auxiliary held a joint installation of officers May 21st. Charlie Garrett was the installing officer and Mayor Falk was acting installation Chaplain.

Officers installed were commander, J.W. Hunt; sr. vice commander, Billy Agee, Jr.; vice commander, Alvin Elliott; chaplain, Green McGehee; quartermaster, H. C. Mullinax; surgeon, J. E. Bowles; judge advocate, C.V. Gray; secretary, Bob Hewes; bingo chairmen, Herman Johnson and Richard Weekly; Poppy chairman, Charlie Garrett.

The ladies auxiliary installed the following officers with past president Nine Garrett as installing officer and Rose Lee Mullinax as installing conductress. Those installed were president, Mrs. Genevieve Hunt; sr. vice president, Diane Elliott; jr. vice president, Kaye Snapp; secretary, Lorrayne Kulp; treasurer, Cleo Smith; chaplain, Elsie Wilder; conductress, Nina Garrett; guard, Lorene King; patriotic instructor, Esse Demory; trustees, 1 yr., Veda Tennent; 2 years, Wanda Sparks, and 3 years, Lucy Davis.

Getting Stronger

"I must be getting stronger."

"How can you tell?"

"Well, a few years ago I couldn't carry $10 worth of groceries and now it's easy."

Sgt. Jose Torres Honored at Bergstrom

AUSTIN, TEXAS -- U. S. Air Force Staff Sergeant Jose Torres, son of Mr. and Mrs. Pedro Torres Sr., 400 N. Ann Street, Rockport, has been named Outstanding Safety Maintenance Man in his unit at Bergstrom AFB, Texas.

Sergeant Torres, an airborn communications specialist, was selected for his outstanding duty performance, leadership and exemplary conduct. He is assigned to a unit of the Tactical Air Command which provides air support for U.S. ground forces.

The sergeant has completed a tour of duty at Da Nag AB, Vietnam.

A 1966 graduate of Rockport-Fulton High School, he received his A.A.S. degree in industrial electronics in 1968 from Del Mar Technical Institutes in Corpus Christi, Texas.

Sergeant Torres' wife, Herminia, is the daughter of Mrs. Mary Rios, Fulton, Texas.

How to Estimate Social Security Benefits

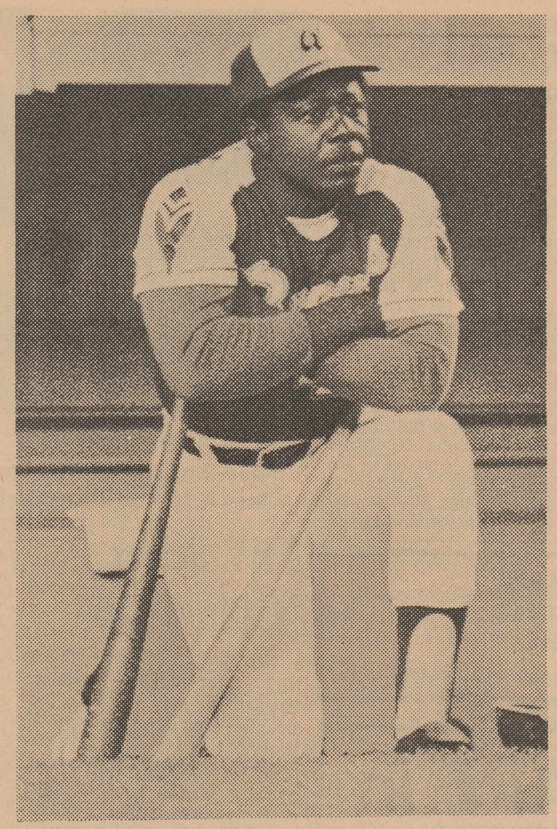
A leaflet explaining how to estimate social security retirement benefits is available at your social security office, according to H. M. Cleveland, social security district manager in Corpus Christi.

The leaflet, "Estimating Your Social Security Retirement Check," designed to help people in their retirement planning, includes a chart showing the number of quarters required to qualify for benefits and a worksheet to help in estimating the amount of benefits.

"The leaflet can be used to compute a rough estimate of your retirement benefits," Cleveland said, "but an exact figure cannot be determined until you apply for benefits. The exact amount of a worker's social security benefits is based on his average earnings under the law over a period of years that may include his most recent work."

Single copies of the leaflet are free on request at the social security office.

The Corpus Christi social security office is at 1802 South Staples Street. The telephone number is 883-5511.



HENRY AARON awaits another turn at bat, another chance to whittle away at Babe Ruth's career home run record.

Fancy From a Can

AUSTIN -- The great variety of condensed canned soups on the market has been a boon to housewives who like to fix elegant meals with a minimum of trouble.

Cindy Gray, the Texas Parks and Wildlife Department's seafood home economist, says these canned soups add to the versatility of fish.

One recipe she especially likes takes advantage of a relatively new product, cream of shrimp soup.

Combine the soup with mushrooms and a bit of wine and you have a sauce to go with flounder which would be a gourmet's delight.

Miss Gray says flounder is an excellent fish to use in gourmet recipes because of its mild flavor and very white flesh. It can be baked or broiled whole, or filleted and prepared in a variety of ways.

"Baked Flounder with Shrimp Sauce" is an easy-to-do recipe for busy homemakers. Other equally good and equally easy recipes are available by sending a postcard to "Seafood," Texas Parks and Wildlife Department, John H. Reagan Building, Austin, Texas 78701.

BAKED FLOUNDER
WITH SHRIMP SAUCE

2 lbs. flounder or other thick fish fillets
1/4 cup margarine or cooking oil
1 teaspoon salt
1 cup sliced fresh mushrooms*
1 can (10 1/2 oz.) condensed cream of shrimp soup
1/4 cup half and half or milk
2 tablespoons dry sherry (optional)
1/4 teaspoon rosemary
1/4 teaspoon paprika
Chopped parsley (optional)

Place fish in shallow two-quart baking dish. Drizzle two tablespoons melted margarine or cooking oil over fish and sprinkle with salt. Bake in moderate oven, 350 degrees, for 25 to 30 minutes or until fish flakes easily when tested with a fork. Baste with pan juices several times during baking. While fish is baking cook mushrooms until tender in remaining two tablespoons melted margarine or cooking oil. Add soup, half-and-half or milk, sherry, rosemary, and paprika; stir and heat thoroughly. Spoon sauce over fish and sprinkle with parsley. Makes six servings.

*If desired, two 4-oz. cans sliced mushrooms may be drained and substituted.

Irma Guerrero Celebrates Birthday

Irma Guerrero, daughter of Mr. and Mrs. Martin Guerrero, celebrated her 13th birthday May 14 at her parents' residence.

A wiener roast was given in her honor. Cake, cookies, punch, candy and Coke were also served.

Friends attending were Lisa Lopez, Connie, Marilyn & sister, Ruben, Rey, Tim, Delia, Sylvia, Elma, Roy, Roland, Roel, and Rene Guerrero. Yolanda Guerrero, James Swank, Tony Moreno and sisters, Angie Mendiola, Randy & Alfred Rodgriguez, Mr. and Mrs. Timoteo Guerrero, Rolando & Nora Hinojosa, Mr. and Mrs. Alfonso Garcia and family, and Mr. and Mrs. Willie Trevino and family. Out of town guests were Mrs. Lucy Rodriguez and son.

Mr. and Mrs. A.C. Glass, Miss Dula Jamison and Mr. and Mrs. I.D. Lewis of Fredericksburg have returned from a trip to the Grand Canyon and various interesting places in Arizona.

Spanish II classes at Rockport-Fulton High School presented two one-act plays May 16. The plays were produced and directed by Mrs. Hale and dedicated to Mr. Brooks.

Taking part in the play titled En El Mercado were Barbara Green, Elva Nava, Cathy Kleine, Joy Bright, Delia Valdez, Maggie Moreno, Sylvia Guerra, Lisa Hill, Pam Rowan, Romanda Perez, Veronica Estrada, Carla Krueger, Penny Jonas, DeLois Young, Lucy Rivera, Gracie Benavidez, Mike Morgan, Gerry Kleypas, Ricky Little, Dennis Miley and Bill Seele.

Taking part in the play called Fiesta were Virginia Gerdine, Carolyn Hawes, Georgia Miller, Ruben Guerrero, John Ledbetter, Lisa Conchola, Bob Gillis, Bobby Mundine, Chip Hale, Nasario Benavidez, Jean Heffel, Zulema Pena, Jeri Smith, Jean Picarrazi, Bill Mercer, Yolando Corpus, Rosanna Benavidez, Lucy Pena, Mary Cuellar, Patsy Wright and Wade Armstrong.

Plastic Start

The search for a better billiard ball by John Hyatt in 1868 led to the discovery of a thermoplastic substance that also marked the beginning of the plastic industry.

NAMED HOMEMAKER "LITTLE SISTER" — Becky Livingston, FHA president, presents Little Sister Award to Mary Cuellar.

YHT Selects 'Little Sister'

The main highlight of the YHT - FHA Mother - Daughter Banquet on May 15, was the announcement of YHT's "Little Sister."

As an affiliated chapter, the Aransas County Young Homemakers, were eligible to select one outstanding Future Homemaker of America from the local chapter for special recognition of her excellent work in homemaking.

She is known as YHT's "Little Sister." No student ever attains eminent success by simply doing what is required of her -- it is the amount and excellence of what is over and above the required that determines the greatness of ultimate distinction.

After careful study, YHT members believe they have chosen such a girl. Sylvia is a freshman in High School and an active member of FHA. She proudly represented her FHA Chapter this year at the State Convention in San Antonio in May. Sylvia will work with YHT throughout the year.

Lamar Woman's Club Meets

The monthly luncheon meeting of the Lamar Woman's Club was held on May 16 in the Emerald Room of the Sea Gun Restaurant, with Helen Owens and Pat Heldenfels as hostesses. Polly Moss, president, presided over the business meeting.

Since this was the month for new officers to be installed, Mrs. Moss was presented with an engraved key ring, and she presented bird houses to the outgoing secretary - treasurer, Pat Heldenfels, and the historian, Russell Cabaniss.

Jennie Heldenfels planned and presented a beautiful installation service in which each member was an important part of a whole group.

The following officers were installed: Russell Cabaniss, president; Elizabeth McKinsey, vice - president; Clara Belle Garner, secretary - treasurer; Jessie James, historian.

Chairmen of the following committees are: Mary Layshock, program committee; Marguerite House, art and gardening committee; Fannie Boyd, courtesy committee; Verna Cook, telephone committee; Jennie Heldenfels, project committee; Polly Moss, by-laws committee.

Nan Pugh will be parliamentarian and Ima Batsell will be in charge of the hostesses for each meeting and for the invocation.

There were 22 ladies present.

Calvary Baptist WMU Meets

The Calvary Baptist Church Women's Missionary Union met May 15 at the church. Hazel Molmen directed the Bible study and also brought the prayer calendar. Kay DeGraaf came as a visitor but became a member of the WMU.

The ladies attending the meeting were Mary Jane Cady, secretary - treasurer; Kay DeGraaf, Opal Green, Bertha Hinson, Ann Jones, Lucille Langston, president; Hazel Molmen, hostess; Anna Parr, program chairman; Bertha Sanders and Wanda Whitley.

The hostess and director, Hazel Molmen, served the group coffee and a delicious strawberry cake. Wanda Whitley will direct the next Calvary WMU meeting which will be held May 29 at 2 p.m. at the Calvary Baptist Church.

LUNCHROOM MENUS

The following lunchroom menu selections will be offered in the schools next week:

Monday, May 28: Meat Balls with Spaghetti, Buttered English Peas, Head Lettuce Salad, Bread-Butter, Chocolate Cake, Milk.

Tuesday, May 29: Swiss Steaks, gravy, Steamed Rice, Cole Slaw, Hot Rolls-Butter, Fruit Cup, Milk.

Wednesday, May 30: Pizza, Seasoned Green Beans, Tossed Vegetable Salad, Bread-Butter, Orange Slush, Milk.

Thursday, May 31: Sandwiches, Buttered Green Vegetable, Raw Vegetable Relishes, Jello Squares, Cookies, Milk.

NOTE: These menus are subject to change without notice, depending upon availability and delivery of food.

Beedys Attend Class Reunion

Mrs. and Mrs. T. L. Beedy of Fulton attended the 1916 graduating class reunion of A.C. Jones High School in Beeville, recently. It was their 57th anniversary.

There were 28 who graduated and 19 of those attended the reunion. Members and their wives and husbands met at the Country Club for luncheon and later at the home of Dr. and Mrs. L. N. Connally for a reception.

C of C Happenings

The Chamber of Commerce welcomes as new members Helga's owned by Mr. and Mrs. Bob Price and ADDCO Glass and Mirror Co. owned by Mike Richardson.

*

Refreshments for the C of C hospitality program were supplied in May by Irwin Real Estate, Key Allegro Motel, United Savings, Sipe Real Estate and Aransas Natural Gas Company.

Shower Honors Miss Fabian Cooling

Miss Fabin Raye Cooling, bride-elect of Alan Bracht, was honored with a miscellaneous bridal shower May 17 at Kline's cafe. Hostesses were Mrs. H.R. Kline, Mrs. Russell Kline, Mrs. Jerry McLead and Mrs. Sue Krogsgaard.

The serving table was laid with a white linen cloth and held a bouquet of white and yellow daisies. Serving were Mrs. H.R. Kline, Mrs. Russell Kline and Mrs. Jerry McLead. Mrs. Sue Krogsgaard was in charge of the guest register and Miss Karen Bracht assisted with opening of the gifts. There were 100 invited guests.

Money should not be the end sought in life.

Kelley-Roaten Wed

Miss Gail Ann Kelley, daughter of Mr. and Mrs. B. J. Kelley of Dallas, became the bride of David John Roaten, son of Mrs. and Mrs. Shelley P. Roaten Sr. of Rockport, Saturday afternoon at St. Luke's-on-the-Lake-Episcopal Church in Austin. A reception was held in the parish hall.

The bride is a senior at the University of Texas where she is a member of Alpha Delta Pi. The groom, a UT graduate, is a graduate student in forestry at Austin State University. After a wedding trip to Mexico City, the couple will reside in Nacogdoches.

Miss Susan Kelley of Dallas, the bride's sister, was maid of honor. Bridesmaids were Miss Lynn Brown and Miss Julie Holloman. Best man was the groom's brother, Shelley Roaten Jr. of San Antonio. Groomsmen were Frank Bailey of Corpus Christi and Bob Christian of Rockport.

Ushers were Jerry Eppner of Austin and Jay Cheek of San Antonio.

An empire cotton voil gown designed with a stand-up collar and sheared sleeves was chosen by the bride. It was fashioned with a cluny lace yoke and a chapel train. A headpiece of fresh flowers held her illusion veil, and she carried a bouquet of glamelias, stephanotis and baby's breath. Her attendants wore printed rosebud gowns and carried bouquets of roses, baby's breath and greenery.

"So you deceived your husband," said the judge, gravely.

"On the contrary, your honor, he deceived me. He said he was going out of town, and he didn't go."

B.J. Crowley's HOROSCOPE

Week of May 27

GEMINI -- Those born under this sign love everyone. They are usually very well liked by their peers, although conformity is not an important word in their vocabulary. Lucky day for Gemini is Friday, lucky number is 2 and best color is blue.

GEMINI -- May 21 to June 20 -- Do an about face by becoming practical and thrifty. Check ads before making purchases so you can get the most for your money.

CANCER--June 21 to July 22 -- Goodwill can grow if you continue to have a cheerful attitude. If others have wronged you, forgive them. Only then can you be happy with yourself.

LEO--July 23 to Aug. 22--Fairness and justice have never been more important than now. Curb the tendency to be too outspoken. Guard health.

VIRGO -- Aug. 23 to Sept. 22--If your faith has become latent, revive it. Attend services this week. Dining out should be pleasurable.

LIBRA -- Sept. 23 to Oct. 22 -- This week should provide a series of satisfactory events. Love and tenderness can win a great deal for you.

SCORPIO--Oct. 23 to Nov. 22 -- Smile and the world smiles with you. Cry and you cry alone. Back up your smile with sincerity.

SAGITTARIUS -- Nov. 23 to Dec. 21 -- Rid yourself of the tendency to be selfish. Financial worries should now become lessened. Happiness for you will come through sharing.

CAPRICORN--Dec. 22 to Jan. 19--Balance the budget even if you have to cut out a favorite activity or indulgence. Even though family members may disagree on your practical approach, they will thank you later.

AQUARIUS -- Jan. 20 to Feb. 18--New ways to solve old problems come to light. Communication is good. You can sway someone to your way of thinking.

PISCES--Feb. 19 to March 20 -- Work before you play. Then take the time to enjoy one you love. A small gift as a token of your love will be appreciated.

ARIES--March 21 to April 20 -- Call a family conference. Let each one express his opinion. Even though there will not be complete agreement, the air will be cleared.

TAURUS--April 21 to May 20 -- Try a new system for keeping your home and surroundings in order. By so doing you can overcome most obstacles and much dissatisfaction.

Economical

A Scotsman upon entering a saddler's asked for a single spur.

"What use is one spur?" asked the man.

"Well," replied Sandy, "if I can get one side of the horse to go, the other will have to come wi'it."

Thursday Bridge

Mrs. Tom Rogers was hostess to the Thursday Bridge Club at her home last week. Members playing were Mrs. James Bracht, Mrs. Russell Itschner, Mrs. T. J. Johnson, Mrs. Bob Mosier, Mrs. Harold Picton, Mrs. Jerry Wendell and Mrs. Lynn Wendell. High score was won by Mrs. Picton and second high was won by Mrs. Johnson.

Double Four Bridge

The Double Four Bridge Club met May 16 at the home of Mrs. W. M. Denny. Those playing were Mrs. A. L. Bachman, Mrs. Phyllis McBride, Mrs. J. V. Ferguson, Mrs. Eva Lutz, Mrs. Art Cox and two guests, Mrs. Harry Mills and Mrs. R.L. Gum. Mrs. Cox won high score and Mrs. McBride, second high.

As the days continue to get warmer, we can expect more electrical clouds and storms. Do you remember the lightning count? Does it really tell you how far away the lightning bolt was?

When you see a bolt of lightning and do not hear thunder, begin a second-count and note the number of seconds until you hear the thunder. Divide this number by five and you have the distance of the lightning.

This is an infallible rule and is based on the knowledge that sound travels only a fifth of a mile per second. Therefore it takes five seconds for the sound to travel a mile, even though you immediately see the flash, even at some distance.

Lightning seen in the west is most dangerous (in the north temperate zone) for it is probably heading toward you.

Tax Payers Ask IRS

Q -- I'm selling some real estate in a few months, probably at a big profit. I want to spread the payments I will receive over several years to avoid one big tax bill. What should I do?

A -- You may use the installment method of reporting income to relieve you of paying tax on income that you have not collected. Under this method, you include in your gross income only the portion of each collection that constitutes profit. If a sale results in a loss, you may not use the installment method.

In general, you may use the installment method for the sale of real estate if: 1) the buyer agrees to make two or more payments in two or more of your tax years and 2) the collections, if you receive any, in the year of the sale do not exceed 30 percent of the selling price. You should make the election to use the installment method in your tax return for the year of the sale.

For more details, see IRS Publication 537, "Installment and Deferred Payment Sales." It's available free by contacting your local IRS office.

Q -- Last year I filed a withholding exemption certificate so I wouldn't have tax withheld from my pay. Do I have to file a new one to be exempt from withholding this year?

A -- Yes. Withholding Exemption Certificates (Form W-4E) must be filed annually. So if you did not owe any tax last year, expect to owe none in 1973, and file a new Form W-4E with your employer, you will be exempt from income tax withholding throughout 1973.

Remember, if tax has already been withheld from your 1973 pay, you must file a tax return next year to have it refunded.

Q -- When will I receive my refund check?

A -- If you have not received your refund or a letter explaining the reason for the delay within 10 weeks after mailing your return, contact your local IRS office or write the IRS office where you filed your return. Give all details including your Social Security number, current address, and the approximate date the return was filed.

Q -- Does the Internal Revenue Service pay interest to the taxpayer when it is late in issuing a refund?

A -- Yes. However, the IRS has 45 days from the due date of the return or the date of filing, whichever is later, to issue a refund without payment of interest. If it takes longer than that, interest at an annual rate of 6 percent from the due date or the date of filing, whichever is later, is added to the refund.

Library News

Members of the Library Staff are attending a workshop on programs and services for children conducted by Mrs. Celia Carroll, coordinator of children's services, Austin Public Library. The workshop is being held at the Corpus Christi Museum May 23 through 25.

"Laughing All The Way" by Barbara Howar has been donated to the library by Mrs. Alice Moore. Other donations to the library have been made by Mrs. Hutchings, Mr. and Mrs. Leland Fisher and Irving McMahan. These donations are gratefully appreciated.

Library Hours -- Monday through Friday -- 12 noon - 6 p.m.; Saturday -- 9 a.m. - 12 noon.

Male hop flowers are banned in most European countries because they pollinate the female flowers to produce seeds that add an unpleasant taste to beer.

Rebekah Lodge

The Rebekah Lodge met May 17, with Dean Mackey as noble grand and Mary Lou Ashley as vice grand. Twelve members attended.

The rummage sale was a success. This Thursday, May 24, lodge members will join Aransas Pass Truth Lodge to honor the president of the Rebekah Assembly who is visiting this district.

Christin Wyatt is home and doing fine. Ora May is ill and at home. The lodge expresses sympathy to Lillian Smith in the death of her husband. The next meeting night will be May 31.

LULAC NEWS

Attending the LULAC convention at Houston were local delegates Marcelino Ramirez, Frank Covarrubias, Mr. and Mrs. Nasario Pena. Other members of local lodge No. 625 were Rosalie Tijerina, Fernando Ramirez, Mary Covarrubias, and Mrs. Marcelino Ramirez.

Local president Marcelino Ramirez was appointed to the state credentials committee. One of the 1973 projects was a scholarship.

4-H Bridge

Mrs. L. G. Wood was hostess to the 4H Bridge Club at her home May 18. Those playing were Mrs. W. E. Blackshare, Mrs. William Denny, Miss Lillian Fahr, Mrs. Ed Hall, Mrs. R. E. House, Mrs. Fred Hunt and Mrs. M. H. McKinsey. Mrs. House won high score, Miss Fahr second high and Mrs. Hall third.

Hi-Lo Bridge

Mrs. Marie Woods was hostess to the Hi-Lo Bridge Club at her home May 16. Members playing were Mrs. Charles Cleveland, Mrs. H. F. Elliot, Mrs. J. H. Mills, Mrs. Harry McDow and two guests, Mrs. R. L. Eckman and Mrs. C. L. Thomas. Mrs. Eckman won high score and Mrs. McDow was low.

GEOMETRIC DESIGN HEARING
ST. HWY 35
FROM GREGORY TO COPANO BAY CAUSEWAY

NOTICE OF PUBLIC HEARING
GEOMETRIC DESIGN

The Texas Highway Department will conduct a public hearing on Thursday, June 28, 1973 at 10:00 a.m. in the VFW Hall, 401 East Market Street, Rockport, Texas, for the purpose of discussing the improvement of State Highway 35 from Gregory to the Copano Bay Causeway, in San Patricio and Aransas Counties, Texas. The proposed highway project will bypass the cities of Aransas Pass, Rockport and the town of Fulton.

The first 3/4 mile of the improvement which begins between SH 361 and US 181 will be constructed as a freeway, which will complete the proposed freeway facility from Portland through Gregory. The remainder of the proposed route improvement will be a 4 lane divided highway to the Copano Bay Causeway with grade separations at the major intersections. As a result of comments received at the Route Public Hearing which was held on March 14, 1972, the proposed route alignment to be shown at this Public Hearing differs in two locations from the alignment shown at the Route Public Hearing. One area of revised alignment is from approximately three miles West of Aransas Pass where the new location of SH 35 leaves existing SH 35, to a point on Avenue A. The other area of revised alignment is to the West and North of the Aransas County Airport. The width of additional right-of-way required for construction varies from 80 feet, where the proposed improvement parallels existing SH 35, to a maximum of 400 feet where the route is on new location. A few relocations of residences and businesses will be necessary.

Maps and other drawings showing the proposed geometric design will be displayed at the public hearing. These maps, environmental studies and any other available information about the proposed project are on file and available for inspection and copying at the Resident Engineer's Office at Padre Island Drive and Greenwood, Corpus Christi, Texas. Also, the drawings showing the proposed geometric design have been placed on file with the County Judges of San Patricio and Aransas Counties and at the City Halls of Gregory, Aransas Pass, and Rockport.

The State's Relocation Assistance Program, the benefits and services for displacees and information concerning the relocation assistance office will be discussed.

Tentative schedules for right-of-way acquisition and construction will be discussed.

All interested citizens are invited to attend this public hearing. Written statements and other exhibits may be submitted to the Resident Engineer's Office, but must be received not later thant 10 days after the public hearing. c10 & c14

ORDINANCE NO.334

AN ORDINANCE PROVIDING FOR THE EXTENSION OF CERTAIN BOUNDARY LIMITS OF THE CITY OF ROCKPORT, TEXAS, AND THE ANNEXATION OF CERTAIN TERRITORY WHICH LIES ADJACENT TO AND ADJOINS THE PRESENT BOUNDARY LIMITS OF THE CITY OF ROCKPORT, TEXAS.

WHEREAS, a public hearing before the City Council of the City of Rockport, Texas, where all interested persons were provided with an opportunity to be heard on the proposed annexation of the hereinafter described territory, was held at Rockport, Texas on the 9th day of April, 1973, which date is not more than twenty nor less than ten days prior to the institution of annexation proceedings; and

WHEREAS, notice of such public hearing was published in a newspaper having general circulation in the City of Rockport, Texas, of the described territory, on the 29th day of March, 1973, which date is not more than twenty nor less than ten days prior to the date of such public hearing; and

WHEREAS, the described territory is owned by the City of Rockport, Texas and the Texas State Highway Department; and

WHEREAS, the territory is used for the public purpose of a waste treatment plant, municipal park and public road; and

WHEREAS, the territory lies adjacent to and adjoins the City of Rockport, Texas;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKPORT, TEXAS:

Section 1. The following described land and territory lying adjacent to and adjoining the City of Rockport, Texas, is hereby added and annexed to the City of Rockport, Texas, and said territory hereinafter described shall hereafter be included within the boundary limits of the City of Rockport, Texas, and the present boundary limits of such city, at the various points contiguous to the area hereinafter described, are altered and amended so as to include said area within the corporate limits of the City of Rockport, Texas, as set forth in the following field notes and shaded in red on plat which are part of this ordinance, to-wit:

Section 2. The above described territory and the area so annexed shall be a part of the City of Rockport, Texas, and the property so added hereby shall bear its pro rata of the taxes levied by the City of Rockport, Texas, and the inhabitants thereof shall be entitled to all of the rights and privileges of all the citizens and shall be bound by the acts, ordinances, resolutions and regulations of the City of Rockport, Texas.

PASSED AND APPROVED this the 14th day of May, A.D., 1973.

S/Walter S. Falk, Jr. Mayor
ATTEST:
Herman C. Johnson,
City Secretary c10

Deaths and Funerals

Military Funeral For Col. Whittle

Military funeral services were conducted for Lt. Col. Fredrick J. Whittle May 18 at the Rockport Cemetery. A firing squad from the Navy Air Station at Corpus Christi participated. Colonel Whittle, age 58, died suddenly May 16.

Born and reared on a farm in Grant County, Kansas, Colonel Whittle worked his way through the University of

Kansas and enlisted in the Army Air Corps in 1939. He was commissioned a second lieutenant in 1945 after completing Officer Candidate School.

After several stateside assignments, he was transferred to the Air Transport Command in Paris, France. Later he served in Weisbaden, Frankfurt and Heidelberg, Germany. Returning to the United States, he was stationed at Mitchell Air Force base on Long Island and Brooks Field in San Antonio before being sent to Korea. He served two years in Tokyo under General McArthur and was then transferred to the Philippines.

Upon his return to the United States, Colonel Whittle completed the Field Officers Course at Montgomery, Ala., and was assigned to the Pentagon in Washington. Next came an assignment to the Wright-Patterson Air Force Base in Dayton, Ohio. His final assignment was with the Alaska Air Command before being retired at Ellington Air Force Base, Houston in 1966 after 25 years of service.

During his military career, Colonel Whittle received many decorations, including the Bronze Star with two clusters.

He was married in 1947 to Gunilla Conradi, daughter of a Swedish diplomat stationed in Paris. The ceremony was performed in the American cathedral in Paris.

In addition to Mrs. Whittle, survivors include a son, Nils, two daughters, Joan and Mrs. Jenney Jones, all of New Castle, Calif., and a sister, Mrs. Janice Seikel of Harrah, Okla.

Since Colonel and Mrs. Whittle moved to Rockport two and a half years ago, both have been active in the life of the community. Mrs. Whittle is a widely known local artist and an active member of the Rockport Air Association.

An avid tennis player all his life, Colonel Whittle played almost every day and devoted much time and effort to training Rockport-Fulton High school students in the sport. He was a charter member of the Key Allegro Tennis Club and for several months served as the unofficial and unpaid tennis professional at the Rockport Racquet and Yacht Club. Associates credit much of the growing interest in tennis in this area to Colonel Whittle's interest and enthusiasm.

At the time of his death, Colonel Whittle was president of the Rockport Art Association and was actively preparing for the association's annual outdoor show scheduled for June 30 and July 1. In 1971 and 1972 Colonel Whittle, almost single-handed, built booths for the association's outdoor shows.

MRS. PAT MIXON DIES

Mrs. Pat Mixon, 70, died May 17 in a Corpus Christi hospital after a short illness.

She had resided in Rockport for many years. She was a retired teacher. She previously served as a librarian at Ingleside High School and also taught at Runge. Her given name was Ruby Mae.

Graveside services were held May 18 in the Runge Cemetery. Marshall Funeral Home of Aransas Pass was in charge of arrangements.

Survivors include her husband; two sons, Joel Mixon of Rockport and Ed Mixon of Cuero; one daughter, Mrs. Justyne Cox of Rockport; one sister, Mrs. William Cavitt of Sinton; and 11 grandchildren.

HENRY SMITH DIES

Henry H. Smith, 72, died at his residence May 14. He was born in Maryville, Iowa. He worked for the Ford Motor Company for 21 years. He lived in Colorado for 5 years and had been living in Rockport the past 2 years. He was a member of the First Baptist Church, and the VFW in Des Moines, Iowa. He was a veteran of World Wars I and II.

He is survived by his wife, Lillian Mae Smith of Rockport; two brothers, Cecil and Harry Smith; and one sister, Mrs. Lena Madole. He also raised 5 foster children.

Funeral services were held May 17 at Marshall Funeral Home, with burial in Rockport Cemetery.

TOM HERRERA DIES

Tom Herrera, 60, died Friday at his home after a sudden illness. Herrera had lived here most of his life and was a commercial fisherman.

The Rosary was recited Sunday in the family residence. Funeral Mass was celebrated Monday in Sacred Heart Catholic Church. Burial was in the Rockport Cemetery under the direction of Marshall Funeral Home of Rockport.

Survivors include his mother, Annie; four sons, Gregoria and Vidal Herrera, both in Alabama, Raymond Herrera of Port Lavaca and Tom Herrera Jr. of Rockport; five daughters, Mrs. Emilia Diaz and Miss Josie Herrera, both of Aransas Pass, Miss Mary Herrera of Abilene, Mrs. Lucy Calzada of Port Lavaca and Mrs. Janice Delgada of Loveland; three brothers, Jessie and Jim Herrera, both of Rockport and Chicha Herrera of Dallas; and a half-brother, Agapita Carrera of Rockport.

Also among survivors are four sisters, Mrs. Annie Valdez of Seguin, Mrs. Francis Alamon of Aransas Pass, Mrs. Amelia Lerma of Houston and Mrs. Felipa Galvan of Texas City; and 50 grandchildren.

Tired business men might try resting.

NOTICE TO BIDDERS

Sealed Bids for one High Velocity Sewer Cleaner, Myers Model PC20-3TA or Equal, addressed to the Mayor, City of Rockport, P. O. Box 1058, Rockport, Texas, 78382 will be received at the City Hall, Rockport, Texas, until 8:00 p.m., June 11, 1973, and will be opened at the Regular Meeting that same date at 8:00 p.m. Specifications may be obtained at the City Hall.

The City reserves the right to reject any or all bids and to waive all formalities.

The Rockport Pilot

A Paid Circulation Newspaper Serving Aransas County Over 100 Years

Vol. 104 | (Twenty Pages in Two Sections) | ROCKPORT, ARANSAS COUNTY, TEXAS 78382 | THURSDAY, MAY 24, 1973 | 15 CENTS PER COPY | No. 10

Public Hearing for Hwy. 35 Relocation

The Texas Highway Department will conduct a public hearing on Thursday, June 28 in the VFW Hall for the purpose of discussing the improvement of State Highway 35 from Gregory to the Copano Bay Causeway. The proposed highway project will bypass the cities of Aransas Pass, Rockport and the town of Fulton.

The first 3/4 mile of the improvement which begins between SH 361 and US 181 will be constructed as a freeway, which will complete the proposed freeway facility from Portland through Gregory. The remainder of the proposed route improvement will be a 4 lane divided highway to the Copano Bay Causeway with grade separations at the major intersections.

As a result of comments received at the Route Public Hearing which was held on March 14, 1972, the proposed route alignment to be shown at this Public Hearing differs in two locations from the alignment shown at the Route Public Hearing.

One area of revised alignment is from approximately three miles West of Aransas Pass where the new location of SH 35 leaves existing SH 35, to a point on Avenue A.

The other area of revised alignment is to the West and North of the Aransas County Airport. The width of additional right-of-way required for construction varies from 80 feet, where the proposed improvement parallels existing SH 35, to a maximum of 400 feet where the route is on new location. A few relocations of residences and businesses will be necessary.

Maps and other drawings showing the proposed geometric design will be displayed at the public hearing. These maps, environmental studies and any other available information about the proposed project are on file and available for inspection and copying at the Resident Engineer's Office at Padre Island Drive and Greenwood, Corpus Christi. Also, the drawings showing the proposed geometric design have been placed on file with the County Judges of San Patricio and Aransas Counties and at the City Halls of Gregory, Aransas Pass, and Rockport.

The State's Relocation Assistance Program, the benefits and services for displacees and information concerning the relocation assistance office will be discussed.

Tentative schedules for right-of-way acquisition and construction will be discussed.

All interested citizens are invited to attend this public hearing. Written statements and other exhibits may be submitted to the Resident Engineer's Office, but must be received not later than 10 days after the public hearing.

Deputy Shot By Burglar

Deputy Sheriff Joe Williams was creased by gunshot Tuesday night while making a routine residence check in Lamar. Deputy Williams had stopped to check a vacant summer residence, and as he stepped out of his car a person who had evidently been in the rear of the house in the process of burglarizing it, opened fire on the Deputy.

At this time Deputy Williams crouched behind his door and returned the fire. After the exchange of gunshots the person ran into the brush, along with another person. Another shot was fired at the person by Deputy Williams. It is unknown if any of Deputy Williams shots hit either of the persons.

The third and last shot fired at Deputy Williams creased his left leg. Two large caliber bullet holes were found in the door that Deputy Williams was crouched behind during the gun battle.

Deputy Williams then radioed his headquarters at Aransas County Sheriff's Office. A total of twelve police and Sheriff's units converged on the scene. A roadblock was set up on park road 13 entering the area. All cars entering and leaving the area were checked.

A search of the entire area failed to turn anything, but was hindered due to darkness and thickness of brush area the subjects fled into.

A screen was found to have been removed and the subjects were almost inside of the residence when Deputy Williams encountered them.

The search, led by Sheriff Robert Hewes, included Chief of Police James Cragmile, Chief Deputy Stautzenberger, Deputies Williams, Daniel Vargas, Jim Russell, Mike Swearingen, and City Patrolmen Joe Hinojosa, Donald Beard and Danny Oliver. Also assisting were Constables Buddy McLester and Jake Stockbridge and Johnny Ray.

POPPY DAY ON SATURDAY

On Saturday May 26th you will again be approached to buy a BUDDY POPPY. The Buddy Poppies are sold each year and all receipts from the sale will stay in the relief funds of the local V. F. W. Post and Auxiliary. This money is used all year to help not only the needy veterans and their dependents but anyone who is in need.

Navigation District Runs Into Problem

The Navigation District Commissioners met May 21 to discuss and take corrective action pertaining to a violation of the Texas Penal Code which occurred in filling the position of office manager vacated by the resignation of Mrs. Volney Cavitt.

Legal counsel had at previous meetings advised no conflict in the code but later found out that such advice was erroneous.

Accordingly, the Navigation District Commissioners voted to give notice to the newly selected office manager and assist her in every way possible in finding a new position.

The position of office manager would be filled by June 1 or as soon as the vacancy could be advertised and applications reviewed.

New Radio Tower for Police Communication

Construction is scheduled to begin this week on a new radio tower that is part of the new UHF communications system being utilized by local law enforcement agencies.

The tower, which is to be 198 feet tall and free standing, will be erected directly behind the sheriff's office on Concho Street. This will be the final step in the new system which has been installed through the Council of Governments.

Most all of the Coastal Bend is using the new system, but each department is assigned a different set of four frequencies. The new system is equipped with channel guard system which blocks any outside receivers which have become a popular item among various criminal elements.

County Seeks Septic Inspector

Aransas County will employ an inspector to check on septic tank facilities throughout the county. His job will be to see to it that septic tanks meet the requirements of a new ordinance the county will adopt setting forth State Health Department regulations.

Applications for the inspector job are to be given to Mrs. Thelma Barber, secretary to County Judge John D. Wendell. Applications must be presented by May 31.

Oil Output 3,973 Barrels Per Day In 1973

DALLAS -- In the face of unprecedented demand, Texas oil fields last year produced almost 1.3-billion barrels of crude oil, an all-time record for the state. This figure was tops among the nation's oil-producing states and represented some 38-percent of total U.S. production, according to statistics compiled by the Texas Mid-Continent Oil & Gas Association.

These figures show an increase of more than 67.8-million barrels over production in 1971. They reflect that during the last nine months of the year, The Texas Railroad Commission maintained a maximum efficient production rate for Texas fields. This marked the first time Texas wells had produced all-out since 1948.

Last year's crude oil production, recorded in 203 of the state's 254 counties, was valued at some $4.5 billion.

In 83 years of recorded production, Texas has produced nearly 37-billion barrels of oil, about 36-percent of total U.S. production.

Aransas County, which has had recorded production since 1936, last year produced 1,454,024 barrels of oil at the rate of 3,973 barrels a day. Production in 1972 boosted Aransas County's production total through the end of the year to 64,535,463.

Some 32 counties last year produced more than 10-million barrels of crude oil. The top half-dozen, all with production in excess of 50-million barrels, include: Scurry - 85.4-million, Ector - 71.4 million, Andrews - 65.2 million, Yoakum - 55.2 million, Gregg - 53.4 million, and Gaines - 52.5 million.

Gregg County, the only Texas county to produce more than two-billion barrels of oil in the history of recorded production, remains the all-time leader with a cumulative production total of over 2.3-billion barrels. Others with over one-billion barrels of production include: Ector - 1.8 billion, Andrews - 1.6 billion, Rusk - 1.5 billion, Harris - 1.0 billion, Crane - 1.0 billion and Scurry - 1.0 billion.

Two Accidents Are Reported

State Highway Patrolman Bill Hill reported the following accidents:

On May 18, cars driven by Mrs. Audrey Gum of Rockport and Howard Boykin of Port Lavaca collided on Highway 35, 1.4 miles north of the city limits. Mrs. Gum sustained minor injuries and was treated in a doctor's office and released.

On May 19, a motor scooter operated by David Washko of Rockport and a car driven by Mrs. Elizabeth Bardwell of Fulton collided at Palmetto and Fourth in Fulton. Washko sustained minor lacerations and abrasions and was treated at Lyman - Roberts Hospital and released.

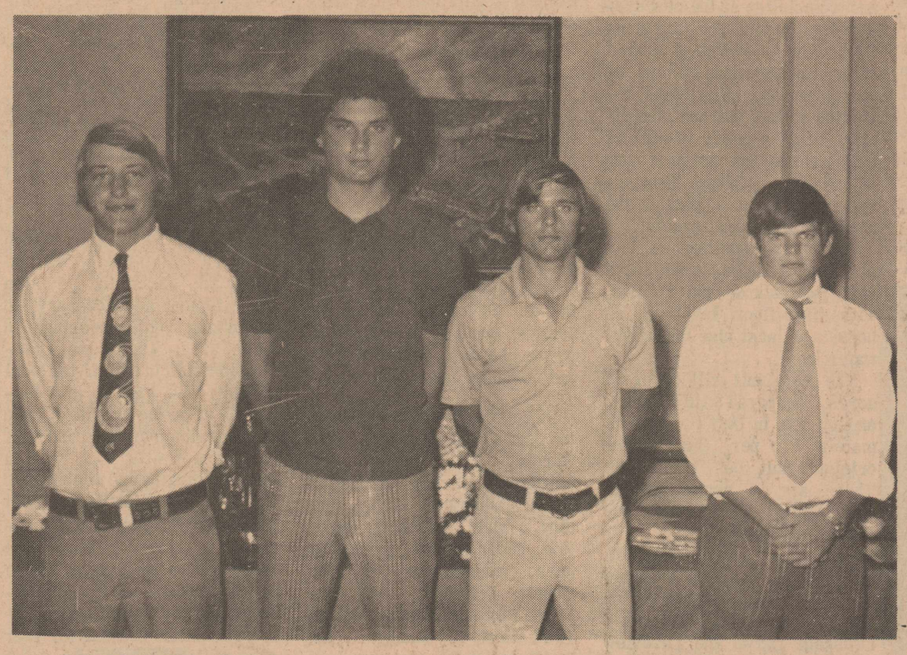
Memorial Day Closings Given

In observance of Memorial Day, the following places will be closed on Monday, May 28: First National Bank, U. S. Post Office, Aransas County Courthouse, United Savings Association and City Hall. There will be no garbage collection on Monday but city crews will make the pickups on Tuesday.

Roe's Food Store and some business establishments will be closed on Monday.

Memorial Day Services May 27

Memorial services will be held at 4 p.m. Sunday, May 27 at the memorial section of the Rockport Cemetery. Royce Reed from Odem, Texas will give the flag service assisted by the local V. F. W. and Auxiliary. This is the one time of the year that we can show our appreciation to the men and women who have fought for our freedom.



OUTSTANDING ATHLETES — Named top performers in their respective sports were (left to right) Paul Kuehn, football; Steve Mayes, basketball; Mike McCaskey, golf; and Ricky McLester, track. Not pictured were Brad Little, tennis, and Sammy Martinez, baseball.

Seventeen High School Seniors Named as Scholarship Winners

Seventeen seniors in the 1972-73 graduating class of 1973 were recognized as receiving scholarships and money for scholarships to further their education in a Senior Awards Day Program that was held in the auditorium of Rockport - Fulton High School on Friday, May 18.

The scholarships and money for scholarships were furnished by schools and organizations or groups of people who are interested in youth.

As valedictorian, John Howard Ledbetter received a $100 check presented by the Rockport Rotary Club. John also receives a tuition scholarship to any state supported college in the State of Texas for the school year of 1973-74 for being named the highest ranked student in the class. He also has the choice of a scholarship to attend a church related school through the Texas Council of Church related colleges.

As salutatorian, William Christy Hunter received a $75 check presented by the Rockport Rotary Club. Chris also has a choice of a scholarship to attend a church related school through the Texas Council of Church related colleges.

DeLois Claire Young received a choice of a scholarship to attend a church related school through the Texas Council of Church related colleges for being named as the highest ranked girl in the senior class of 1973. DeLois also received one of the $200 Scholarship awards given by the Aransas County Local Unit of the Texas State Teacher's Association annual Miss Katie Lee Clark award to encourage young people who are interested in a teaching career.

Michael Donald McCaskey has received an offer of a full athletic scholarship award from Laredo Junior College to cover tuition, room, board, books, and for supplies.

Joe Gilbert Pina received a $200 scholarship award to continue his education in college. This award was presented by the Rockport Lions Club.

Jackie Sue Smith received the $500 scholarship award from the Rockport Business and Professional Woman's Club to help her to pursue a business or professional career.

Kathy Lynn Langham received the other Miss Katie Lee Clark Scholarship award from the Local Unit of the Texas

(Continued on Page Two)

Harbor Oaks Unit 2 Now Under Way

Development of the second unit of Harbor Oaks, residential waterfront development on the northern edge of Rockport, is underway, according to James McCord, president of Canoe Lake Corporation, owner of Harbor Oaks.

The new section, which lies along the north bank of Long Reach channel, will include 18 waterfront and 18 waterview lots. It is located in a wooded area and every effort will be made to disturb as few of the existing trees as possible, according to McCord.

For example, reinforced concrete bulkheading along Long Reach channel will be installed from floating equipment to avoid

(Continued on Page Two)

Calvary Baptist Plans Kindergarten

The Calvary Baptist Church announces plans to sponsor a kindergarten for 4 and 5 year olds beginning with the regular fall school term. The school will be operated as community service on a non-profit basis, and will observe the same school days and holidays as the public school system.

The school is now accepting applications for the fall term, and a limited number of children will be accepted. All children must be enrolled by August 15.

Anyone desiring to enroll a child or seeking further information should call the Calvary Baptist Church, 729-5924.

G.I. Forum Seeks Help for Sick Boy

The Rockport American G.I. Forum appeals to local people and organizations to help a little boy who desperately needs assistance either in blood donations or cash contributions.

The boy is six-year-old Jorge Sanchez of Mathis who is critically ill in a Corpus Christi hospital suffering from leukemia and requires eight units of blood transfusions every day. His mother is ill with a kidney disease and the father is a diabetic, and they are without funds.

Anyone willing to give blood is asked to call 729-6690. Those wishing to give money should make out checks payable to Jorge Sanchez and mail them to Rockport American G.I. Forum, 1004 Main Street, Rockport, Texas 78382.

Baccalaureate Service May 27

Baccalaureate services for graduating seniors will be held at Rockport-Fulton High School Auditorium at 8 p.m. Sunday, May 27.

The program will be as follows:

Processional, with Michael G. Morgan at the piano.

Invocation by the Rt. Rev. Msgr. Harold F. Palmer of Sacred Heart Catholic Church.

Hymn, "Holy, Holy, Holy."

Prayer for the graduates by the Rev. Paul Bohot of Peace Lutheran Church.

Special music by the High School Choir directed by Peter Cheaney.

Sermon by the Rev. Charles F. Fake of First Baptist Church.

Hymn, "Onward Christian Soldiers."

Benediction by the Rev. John R. Bradshaw of First Presbyterian Church.

Emergency Plans Will Be Reviewed

A review of plans and procedures for emergency operations in the event of a hurricane will be the subject of a workshop here May 30.

Six South Texas counties, including Aransas, Bee, Calhoun, Goliad, Refugio and San Patricio, will participate in the Hurricane Preparedness Workshop 2-4 p.m. in the district courtroom at Aransas County courthouse.

Rupe Gamble of the Department of Public Safety's district disaster committee in Corpus Christi, and Glenn H. Trapp, meteorologist in charge at the Corpus Christi weather station, will be in charge of the program.

Sheriff's Dept. Solves Burglary

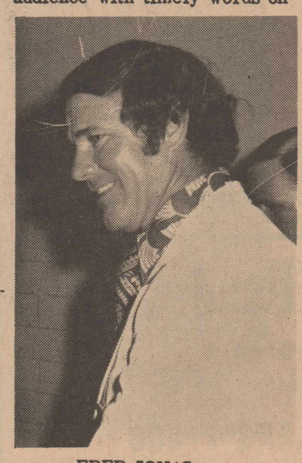
Deputy Sheriff Daniel Vargas investigated and cleared a burglary last Sunday after the offense had been reported to the Sheriff's office by Gary's Texaco station in Rockport.

According to reports, items taken in the case consisted of several automobile engine parts. No formal charges have been filed in that case as of this date.

Later in the week, two new automobile tires were stolen from the high school parking lot. Sheriff Bob Hewes and Chief Deputy E. A. Stautzenberger began an investigation that led to the recovery of the tires, and involved several young persons.

Athletes Honored at Awards Banquet Held at High School

The annual Athletic Awards Banquet was held last Saturday night in the High School Cafeteria. Coach Fred Jonas from Texas A&I University was the featured speaker of the night. Jonas, who serves as the defensive co-ordinator for the Fighting Javelinas, inspired the audience with timely words on



FRED JONAS

"Giving Your All".

Six athletes were especially honored during the program by being named as the outstanding individuals in their sports. These were Paul Kuehn - football; Steve Mayes - basketball; Rickey McLester - track; Mike McCaskey - golf; Brad Little - tennis; and Sammy Martinez - baseball.

Following is a listing of those receiving awards at the banquet:

In Golf -- Bill Beasley, Jeff Little, Mike McCaskey, Scott McCaskey, Ricky Roe, John Stroot and Tommy Stroot.

In Tennis -- Varsity - Jay Bauman, Gerry Kleypas, Keith Liggett, Brad Little, Mike Morgan, and Warren Gerdine; JV - Ralph Pyle and Chris Wideman.

In Baseball -- Gene Carter, Danny Flores, Joe Garza, Sammy Martinez, David Mundine, Roy Nava, Johnny Rios, Kenny Smith, Glafiro Soliz, Gaspar Garcia, Scott Gillis, Felipe Guerra, Jerry Hudson, and Bobby Mundine.

In Track -- Alonzo Arispe, Denzel Bardwell, Bill Beasley, Juan Benavidez, Nasario Benavidez, Johnny Cantera, Charles Dupnik, Bob Gillis, Ruben Guerrero, Robert Hernandez, Florencio Lara, Estevan Lara, John Ledbetter, Rickey McLester, Bill Mercer, Duane Parr, Alan Passmore, Joe Pina, Peden Rogers, Charlie Torres, Jesse Valdez, Kevin Vannatter, and Ralph Weekly; JV -- Willie Flores, Scott Gillis, Edward Gonzalez, George Lewis, Johnny Rios, Homer Saucedo, Bill Smith, Jody Solis, Keith Williams, Richard Lee, and George Hernandez, plus managers, Ralph Aleman, Jesse

(Continued on Page Two)

Library Summer Reading Program

Registration for the summer reading program at the Aransas County Public Library will begin at the Library, Friday June 1, from 9 to 11 a.m. The theme of this year's program is "A Trail Ride Through South Texas."

Readers will receive bright green and brown cowboy, cactus and windmill stickers to place on their map of South Texas for each approved book read. Ten such books entitles the reader to a "certificate" at the end of the program, August 17th. Lists of the approved books will be posted at the Library.

While it is hoped that a number of children will complete the tour, emphasis will be placed on reading levels and book content rather than the number of books read.

L. D. Nuckles of the Texas Parks and Wildlife Department will narrate a film, "Biologist and the Boy," at the library summer reading program registration Friday, June 1 at 11 a.m.

Children unable to register on the above date, Friday, June 1 may do so at a later date.

Four Injured In Two Accidents

Four persons were injured in two auto accidents in this area last week.

State Highway Patrolman Rick Brush said Cynthia Agler Lee was injured in a two-car collision May 15 on Highway 35 just south of the city limits.

Brush said a car driven by Everett Shetters of Aransas Pass struck the rear of the other car when Mrs. Lee attempted to make a left turn at Cove Harbor. Both cars were going south.

Mrs. Lee was taken to Taft Hospital and Shetters was charged with driving while intoxicated, according to Brush.

The second accident occurred May 14 about 4.6 miles north of here at the intersection of Highway 35 and FM 1791 and involved cars driven by William Jewell and Jean Conroy, both of Portland.

Sustaining lacerations and abrasions were Harry Lincoln and Ann Brooks of Rockport and Jewell. They were taken to Lyman-Roberts Hospital in Aransas Pass for treatment. Lincoln was hospitalized and the others were treated and released.

Investigating the accident were State Highway Patrolmen Brush and Bill Hill, Deputy Sheriff Dan Vargas, Chief of Police James Craigmile, City Patrolman Dan Oliver and Constable John Ray, Jr.

NOTICE

Holiday Beach Library will be open Monday through Friday from 3 to 5 p.m.

High School Exam Schedule

The second semester examination schedule at Rockport-Fulton High School has been announced by principal C. R. Barre as follows:

Tuesday, May 29: (Regular schedule will be followed through fourth period.) 1:30 - 3:30 -- Fifth Period Classes.

Wednesday, May 30: 8:15 - 10:15 -- First Period Classes; 10:15 - 12:15 -- Third Period Classes; 1:30 - 3:30 -- Sixth Period Classes.

Thursday, May 31: 9:30 - 11:30 -- Second Period Classes; 12:25 - 2:25 -- Fourth Period Classes.

(School to be dismissed at 2:25 p.m.)

SENIORS who have an average of ninety or above in a subject may not be required to take the second semester exam in that subject. Add the six six-weeks grades on each subject plus the first semester examination, and then divide the sum by seven. If this average is 90 or above 90, a senior may not be required to take the second semester examination on each subject in which he has such an average. (Courses of one semester duration would be figured on 4th, 5th, and 6th six weeks average).

Example:

1st six weeks	91
2nd six weeks	88
3rd six weeks	93
First semester test	90
4th six weeks	88
5th six weeks	95
6th six weeks	92
	7) 637
Average -	91

The second semester exam grade will count one-fourth on the semester grade.

Example:

4th six weeks	84
5th six weeks	80
6th six weeks	90
Exam grade	70
	4) 324
Semester grade -	81

Twirling Camp Set for June 4-7

A "twirling camp" will be held June 4 - 7 from 8 to 11:30 a.m. in the Rockport-Fulton Junior High School cafeteria. All interested youths are invited to participate.

Classes will be offered from the beginning to the advanced level. There will be instruction in fundamentals, solo twirling, strut, dance twirl, fanfares and twirl on the march.

Mrs. Frances Malek of Robstown will be head instructor. She has operated the camp the last four years and is a U.S.T.A. certified teacher and judge.

She has 10 state championships, Miss Corpus Christi, and over 800 awards to her name. She also has produced numerous state and national champions and has just returned from Rome, Italy where she taught on the staff of the International I.T.T.I. Clinic.

Interested boys and girls are urged to apply in the principals' offices at the elementary schools or at the band hall at the High School. Fees will be $15 for beginners and intermediates, and $20 for advanced students.

Harbor Oaks—
(Continued from Page One)

distrubing trees on the lots, he explained.

Bulldozing and grading for streets already is in progress, and completion of the new section is scheduled for late summer. Streets will be of asphalt with concrete curbs, gutters and storm sewers. All utilities, including water, gas and electricity, will be under ground as they are in the original unit of Harbor Oaks. Sanitary sewers will be a part of the Rockport municipal system.

Minimum elevation of lots in Unit 2 will be seven and a half feet above water level, with first-floor level of all houses at least nine feet above water level.

The new unit will cover 17 acres, compared with 51 acres and 63 lots in Unit 1. Approximately 65 per cent of the original unit has been sold. There are 16 homes in this unit, almost all of them occupied full time.

Lots in the new section will have 80 to 110-foot frontage on Long Reach channel or on one of the two new streets--Crescent Drive and Lakeview Drive. Six lots in the new section already have been sold, according to Louise Itschner, sales manager. The Global Land Corporation is in charge of promotion and sales for Harbor Oaks.

Heldenfels Brothers of Corpus Christi has the contract for all construction work in Unit 2.

State Highway Patrolmen Reminders

State Highway Patrolman Bill Hill asked the Pilot to publish two reminders.

First, motorists who have Blue 5 stickers on their windshields have until the end of this month to have their cars inspected to receive new safety stickers.

Second, Hill says many youngsters have been seen operating their motor scooters on grassy surfaces, or in ditches, adjacent to local highways.

Hill points out that this is against the law and that the law with regard to not operating motor scooters on highways includes the highways and the adjacent roadsides and other surfaces from property line to property line.

Motor scooters, he says, can be operated on private property or in an open field.

von Pein Named Lions Dist. Governor

J. Henry von Pein, a past-president of the Fulton Lions Club, was elected Lt. Governor of District 2A3, Texas, Lions International during the annual convention of the clubs in the district at the Fort Brown Motel in Brownsville May 18, 19 and 20, according to Dan Shelton, out-going president of the Fulton Lions Club.

Col. von Pein will assume his new office on July 1, 1973, together with Alfred W. Rogers of McAllen, who was elected District Governor to replace the out-going Governor, Roy N. Davis of Weslaco.

Fulton is the northern-most club in District 2A3, Mr. Shelton pointed out, adding that the convention which elected Col. von Pein had the largest attendance in the history of the district.

In addition to Col. and Virginia von Pein and Dan and Bea Shelton, members of the Fulton Lions Club who were in attendance at the convention were Hal and Mary McKnight, William Mercer and Dave and Loyce Ogle.

Ogle will be installed as president of the Fulton Lions Club at an installation ceremony and dinner in the Sandollar Motel tonight. With Charles Spencer of Sinton, Deputy District Governor of Lions International, serving as installing officer, others to be installed with Ogle are George E. Smith, Jim C. Harrison and Ken L. Thomas as first, second and third vice presidents, respectively, Cecil Phelps as Secretary - Treasurer, Pete Appleton as "Tail Twister" and William Mercer as "Lion Tamer."

The festivities in the Sandollar tonight will begin with a "Happy Hour" at 6:30 p.m.

RECEIVES DEGREE

The Rev. Gerald Nutt received his bachelor of arts degree May 10 at Southwestern Assemblies of God College in Waxahachie. He also received an associate of arts degree. He will become pastor of First Assembly of God Church in Martin, Tenn. Mr. and Mrs. Maurice Nutt of Fulton attended the baccalaureate and commencement programs at Waxahachie.

Marcelino Ramirez Receives Honor

Marcelino Ramirez has been appointed to be a member of one of the Texas Constitutional Revision Commission's local citizen advisory committees.

Following is the letter Ramirez received from Robert W. Calvert, chairman of the Texas Constitutional Revision Commission:

"I want to invite you to serve as a member of one of the Texas Constitutional Revision Commission's local citizen advisory committees. If you are able to accept membership on the advisory committee for your area, I would appreciate it if you would inform me by return mail.

"Members of the local citizen advisory committees will be asked to: Assist the Revision Commission, as necessary, in organizing public hearings in local area; Assist the Commission staff in identifying local citizens who wish to give testimony at public hearings; Help Commission members and staff become aware of local opinion on the strengths and weaknesses of the Texas Constitution; Meet with the Commission as it conducts hearings in the local area; Aid in the dissemination of the findings and recommendations of the Commission.

"The public hearing for your area will be held in the South Concourse of the Memorial Coliseum, 402 South Shoreline, Corpus Christi, from 10 a.m. to 6 p.m., Wednesday, June 6, 1973. I hope you will plan to meet with the Commission on that date. In the interim, any efforts you can make to identify persons who would provide useful information at the hearing would be appreciated.

"A preliminary meeting for the exclusive benefit of the citizen advisors will be held Friday, June 1, at 8 p.m. in the Central Jury Room of the Nueces County Courthouse, Corpus Christi. This will provide you with an opportunity to meet with members of the Commission and its staff prior to the public hearing. At that time your suggestions for the public hearing will be welcomed."

Local Men Honored By Highway Dept.

On May 23, fifty-seven men from throughout the ten counties of District 16 of the Texas Highway Department received awards for accident free driving records ranging from 5 years to 28 years.

District Engineer, Travis A. Long, presented the awards at a ceremony held at the American Legion Hall, Post 364, Corpus Christi, and afterwards these men were guests at a turkey dinner.

The rules governing these awards are quite rigid, as a driver must operate his vehicle with no accident involving injury to driver or passengers, damage to the vehicle or cargo, or damage to other vehicles, property or cargo.

Two men receiving these awards work in the local Rockport Maintenance Section under the supervision of Maintenance Construction Foreman Coy Truelove. The local men receiving these awards and their individual driving records are Mervin J. Bright, 9 years; and Valdemar Torres, 14 years.

Local Youths A&I Graduates

Students from 96 Texas towns, 8 states and 11 nations are among the spring graduates at Texas A&I University.

Chancellor James C. Jernigan Saturday conferred degrees upon 1,086 students counting 452 who completed degree requirements in December. Among the 634 spring graduates were 548 bachelor's and 86 master's degrees.

Those from Rockport were Richard Garland McMakin, BBA; Heather Lea Miller and Jerry Steven Shaver, BS.

Toboggan sleds were invented by American Indians.

Clarks Return From Expense-Paid Trip

Mr. and Mrs. Glen L. "Bo" Clark and son have recently returned from a one-week all expense paid trip to the New England states. Clark, who is sales manager at Marineland of Rockport, won the trip in competition with other Boston Whaler dealers in Texas. Competition items included product knowledge, salesmanship and sales volume.

While in the New England states, the Clarks visited the Boston Whaler manufacturing facility in Rockland, Mass. There they observed the manufacturing techniques that produce one of the finest boats made in the world.

They also toured the scenic areas of Maine, New Hampshire, Vermont, and Cape Cod.

Boy Scout Barbecue Set for May 26

"It won't be long now," says Jim Cruser, assistant Scoutmaster and one of the chief cooks and planners for the Annual Boy Scout Barbecue.

He suggests that you get in line real soon for a ticket, which are in the hands of the Scouts in the three troups, #280, #281 and #49. Help your favorite Scout and troop by buying in advance from them.

Scouters have been assigned to all the posts, both in procuring food, cooking food and the final serving.

Rockport answers the call each year and that's what makes it a success. The real test of its success is the fact that you get a $2.00 ticket--a donation for a good cause--and for a worthwhile good finger licking barbecue chicken dinner at the Lions Club Pit on the bayfront across from the Woman's Club Building. Time is 11 a.m. til it's all gone. See you there Saturday, May 26.

LOCAL MAN IN NATIONAL AD — This photo of Reagan Lee of Rockport, taken at Padre Island. appears in a double-page ad in the June issue of Playboy Magazine advertising Lone Star Beer.

The photographer, J. W. Zintgraff of San Antonio, called a friend in the Rockport area and said, "I want a real cowboy, who looks like a cowboy, to pose for a picture for the Lone Star advertising campaign on 'The Big Country' theme. Zintgraff's friend recommended Lee and as soon as the photographer saw Lee he said, "You're the right man."

Lee is shown on his horse, Nugget. The three horses behind Lee include Lady, the first horse, her colt, Sugar, both owned by D. M. Meador, and Bucky, owned by Melvin Moore, Jr. Lady formerly was owned by Roy V. Rogero, Jr.

Youth Employment Services Finds Jobs

The Youth Employment Service (Y.E.S.) announces that at the close of the first two weeks of service to the community, 15 young people have found temporary and permanent employment with residents and business concerns.

Y. E. S. continues to solicit "help wanted" calls from residents who have jobs to be done, and businesses wishing to employ summer help during our area's busy tourist season.

In addition to finding jobs for high school students registered with Y.E.S., college students here for summer vacation are now seeking employment with Y. E. S.

Some of the temporary jobs filled by Y. E. S. so far are: pet care while owners are away (two girls living on nearby farms have even built pens for this purpose, though some teenagers go to the owner's home to feed and play with the pet.), assistance with loading furniture for a move; lawn care and weeding; cleaning and maid service, and restaurant help.

The most unusual job offer to date has been for "two strong boys to dig a snake pit." The Concerned Women of Aransas County, who offer the Y.E.S. Service, are at this time searching the files for teenagers who can fill this job description. Y.E.S. calls are answered at 729-2672 from 10 a.m. to 2 p.m. Monday thru Friday.

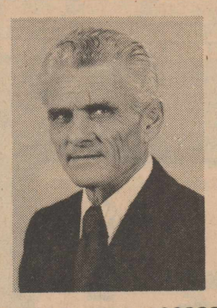
OUTDOORS 'n things

by L. D. NUCKLES



On a summer day it's fun to sit by a cool pool of water or by a little stream and watch the dragonflies flitting around. It's hard to think of anything less harmful, anything more peaceful, than these dragonflies but to mosquitoes and other flying insects he is a tiger with wings who will eat them by the hundreds.

During the juvenile stage of the dragonfly he lives in the water and is called a naiad. He is quite a killer then too, he lives on other insects, tadpoles, and small salamanders. Many species live in this stage for as long as two or three years.

When the time comes for him to mature into an adult his wings begin to develop and can be seen through his skin. Finally the day will arrive when he will crawl up the stem of a plant that extends above the water. When he is several inches above the surface of the water he will stop and await developments. As his skin dries it begins to split. It starts at his head and as the split works further down, the adult dragonfly begins to emerge. For several minutes he is completely vulnerable to attack. As he climbs out of his old skin he gradually extracts his three pairs of legs then falls backward now only by the tip of his long, thin abdomen. Hanging there, head down, the insect is completely helpless because his external skeleton is still soft and his muscles have no firm attachment. After a little while, however, when the outer skin, which is actually his skeleton, has hardened, he can reach up and grasp the stem of the plant and pull the long abdomen free. Still, they must wait a while to begin their short adult life. Their wings are still too soft to carry them. Hollow tubes, functioning as wing struts, will be pumped full of blood. This stiffens the wings enough so that they will swing foward into the final horizontal position in which they will remain for the rest of the insects life.

As adults they can often be seen dipping down to the surface of the water to lay their eggs. Sometimes they are just laid in the water but at other times the slits in the stems of submerged vegetation are utilized.

When I was a kid (Lo! these many moons ago) and fished along the Sabinal River, we called a dragonfly a Snake Doctor. I have never found any reason for a name like this but it is easy to see why some people call him a Mosquito Hawk---he does kill and eat those buzzing little pests by the hundreds.

Mr. and Mrs. Rex Littleton returned Monday from Houston after "inspecting" their new granddaughter, Christine Michelle Zelenka.

Mr. and Mrs. Leon Barber and sons Mike and Robert of LaPorte, Texas are spending two weeks with his parents, Mr. and Mrs. Jim Barber.

MEMORIAL DAY

Memorial Day began—as a national observance—during the Civil War, first in Mississippi (Columbus and Vicksburg), Virginia (Winchester) and other states, and by 1865 was observed nationally. That year the Adjutant General of the U.S. Army suggested graves be decorated throughout the country.

Although the war in Vietnam has at last ended for American forces, the military establishment is still abused by many; yet, it is nevertheless true that defense will again be necessary to preserve liberty.

Christianity, idealistic and moral principles and philosophies notwithstanding—unless a free nation contains men willing to fight and die, if necessary, for country and freedom, liberty cannot long survive.

These are the thoughts which should engage us on Memorial Day, 1973. And to all who responded to their duty when their country called, and who gave their lives, the nation is indebted. It is too much to expect each individual soldier, sailor or airman to pass individually on the rightness or wrongness of the foreign policy of his government and act accordingly. This would produce only chaos. Rather, a nation must necessarily depend on brave men who believe, as Robert E. Lee did, that duty is the sublimest word in the English language.

Local Student Is A&I Honor Graduate

Honor graduate designation has been given to 82 Texas A&I University students completing degree requirements this spring.

Dr. Mario A. Benitez, executive vice president and dean, announced 26 graduating summa cum laud, with highest honors; 16 magna cum laud, with high honor; and 40 cum laud, with honor.

Respective standards are grade averages (4.0 scale) of 3.65, 3.5 and 3.35.

Also recognized at Saturday's ceremonies were 39 announced earlier among those completing degree work in December.

Among cum laud spring graduates was Elida Morales Tamex Flores of Rockport.

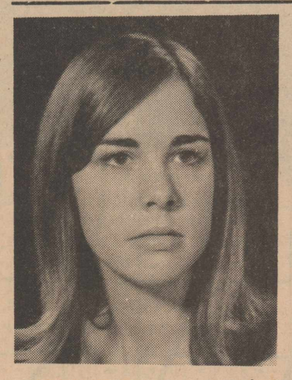
Rotary Club Sees Film on Cancer

A motion picture on the detection and treatment of cancer was shown at a luncheon meeting of Rotary Club May 16 at Corky's restaurant.

The film stressed the importance of early detection of cancer if a cure is to be achieved. It was pointed out that obvious symptoms of cancer usually appear so late that chances for a cure are slim. In the case of cancer of the colon the cure rate is approximately 70 per cent if discovered early. This drops to about 35 per cent later, according to the film.

Regular examinations were urged as the most effective way to discover and combat cancer.

Subscribe to the Pilot.



GETS DEGREE -- Bonnie J. Hunter, daughter of Mrs. Janet Hunter and the late Colonel William L. Hunter of Rockport graduated with honors on May 18 from Northwestern State University in Natchitoches, Louisiana. She received a Bachelor of Science Degree in Commercial Art and Advertising Design.

TWO LOCAL STUDENTS RECEIVE A & M DEGREES

COLLEGE STATION -- Two students from Rockport received degrees at Texas A&M University's spring commencement exercises.

A total of 1,750 degrees were awarded, including 1,425 undergraduates, 248 master's and 77 doctorates.

Rockport students receiving undergraduate degrees were Jerry Lee Fischer, wildlife science, son of Mr. and Mrs. Elroy Peters, 625 King Street.

Michael Holmes Gray received a Master's degree in business computing science. He is the son of Mr. and Mrs. J. D. Gray, Box 907.

- Home and Garden Supplies

We Now Have Milorganite

Since opening our garden center we have been trying to get Milorganite to answer the countless problems of fertilizing lawns, shrubs, trees and vegetable gardens in this area. Milorganite is a fine 100% organic fertilizer produced by the city of Milwaukee containing rich waste from the breweries of that city. It is in short supply due to demand across the nation, but particularly the demand in Florida where sandy soils are as difficult to fertilize as the sandy soils in our area.

Milorganite contains nitrogen, phosphorous, potassium, iron, sulphur, magnesium, copper, maganese, zinc and boron. Milorganite is longer lasting than chemical fertilizers, 37½ lbs. of every 50 lb. bag is rich vital humus...the true natural organic fertilizer, It is safe to use BECAUSE IT DOES NOT BURN, and it is easy to apply because it is a granule and dust-free. Milorganite fed grass, shrubs, and vegetable plants require less water because of a low salt index. BE SMART AND START BUILDING UP YOUR SANDY SOIL thru regular application of this rich 100% organic fertilizer. Three applications per year are recommended. It will cost slightly more than chemical fertilizer simply because it's worth more!

Come in and talk with us about this 100% organic product. You will be glad you did.

Want Ads Work Wonders!

The National Weather Service is responsible for issuing warning of hurricanes which approach the U. S. mainland. During the summer and fall, when most hurricanes occur, forecast offices maintain a careful watch for development of tropical storms and hurricanes.

As soon as there is a definite indication that a hurricane is forming, even though it is a thousand miles or more from the mainland, the storm is given a name, and the Weather Service begins issuing advisories. The advisories are issued frequently through the day and night and tell where the storm is, its intensity and the speed and direction of movement.

If the hurricane moves toward the mainland, hurricane watch notices are included in the advisories and gale and hurricane warnings are issued. In addition, bulletins for news media are issued at frequent intervals to keep the public informed of the storm's progress.

By using the Weather Service advisories and bulletins disseminated by the news media, the location and movement of the hurricane can be plotted on this chart.

Nobody knows when the first tropical storm of 1973 will begin to blow. But it and others will be forming soon as the new hurricane season begins June 1. It will last until Dec. 1.

Residents may want to keep this chart handy to plot the sometimes erratic movements of naughty ladies of the tropics. The rings on the maps indicate the mileage from Corpus Christi. (Map Courtesy of Nixon Blueprint Co.)

H.E.B. Receives Advertising Award

The H.E.B. Grocery Company's Advertising Department was awarded first place in the 1973 Super Market Institute/ Woman's Day National Advertising Competition. The award was for the best entry in the New Store Opening Category; H.E.B.'s entry included print and broadcast media for the grand openings of two H.E.B. Futuremarkets in San Antonio and one in Austin. Over 100 supermarket chains competed with entries being judged in New York City by advertising and supermarket experts from across the nation. H.E.B. also received a Certificate of Merit in radio advertising for its Golden Service radio spots. The H.E.B. Advertising Department is headquartered in Corpus Christi with a staff of fourteen. Bill Ault serves as Director of Advertising and Sales, Don Birchum as Advertising Manager and Phil Cunningham as Production Manager. Anderson and Lewis Advertising Inc. of San Antonio serves as the company's agency.

Annual Youth Rodeo June 2-3

The Aransas County Riding Association will hold its annual Youth Rodeo June 2 and 3. On June 2 at 10 a.m. the annual Youth Rodeo parade will kick-off the two-day rodeo.

Events include jr. and sr. poles, barrels, ribbon roping, tie down calf roping, breakaway, showmanship and the highlight of the rodeo, bull and bronc riding.

This year's high point winner receives a saddle with belt buckles going to all first place winners, and 2 through 6 places receiving rosettes.

Rodeo begins at 2 p.m. Saturday afternoon, June 2, at the arena at Fulton, off Highway 35 north of Rockport. Bring the family and enjoy the parade and ride on out and watch the rodeo - it's an annual event, and something special to see - talent, skill, determination and good sportsmanship and all displayed by young people.

Coming Events

May 25: Birthdays: Frank H. Smith, Roy Pina.

May 26: Why not go fishing or play golf or tennis?

May 27: Birthday: Jesse Dominguez.

May 28: Meetings: B&PW, City Council, Masonic Lodge 323. Birthday: Maria Hernandez.

May 29: Birthday: Debra Wendell.

May 30: Meeting: Rotary Club. Birthdays: Jill Wendell, Rusty Morrison, Junie Scheumack, Michael Myers.

May 31: Meetings: Commissioners Court, Rebekah Lodge No. 88. Birthday: Scott Meyer.

CADET RANDY JONES GRADUATES FROM SCHOOL

LEBANON, TENN. -- Cadet Randy Allen Jones of Tia Juana, Venezuela will graduate May 27 from Castle Heights of Lebanon, Tennessee.

Dr. Benjamin E. Bird, Jr., Nashville, Tn., physician and former office of the American Cancer Society, will deliver the principal address.

The commencement weekend will begin April 25 with the last formal dance of the year. Award ceremonies and the final military parade will be features of Saturday.

Castle Heights, a private school for boys of both elementary and secondary levels, is concluding its 71st year. The summer session begins June 11.

Cadet Jones is a son of Mr. and Mrs. James A. Jones with the Creole Petroleum Corporation in Tia Juana, Venezuela. Randy is a Company Sergeant, a member of the Heights Christian Fellowship, the football team and plays soccer. He is also the grandson of Mrs. Ruth Hayden of Rockport.

W.M.S. Meets

The Women's Missionary Society of First Baptist Church met May 15 in the home of Mrs. Truett Roach in Fulton. Mrs. Larry Stewart was in charge of the meeting.

Mrs. Eddie Bradley gave the Bible lesson on "Your Attitudes Are Showing." The lesson was taken from the tenth chapter of Mark.

It was reported the "True Life Singers," consisting of young people from the church, presented a program titled "Love" at First Baptist Church in Giddings, and nine boys made a profession of faith.

Mrs. Oscar Brown closed the meeting with prayer. Fifteen members enjoyed cake, coffee and Coke.

--Tiney Gayle, Reporter

Fire Extinguisher Important Equipment

AUSTIN -- Man's best friend may be his dog on land, but on the water his best friend could be a fire extinguisher.

Officials for the Texas Parks and Wildlife Department remind boaters that fire extinguishers are required by law on many outboard motor boats and all inboards.

Your boat is required to have a fire extinguisher on board if it has:

— Closed compartments under the thwarts and seats wherein portable fuel tanks may be stored.

-- Double bottoms not sealed to the hull or which are not completely filled with flotation material.

-- Closed living spaces.

-- Closed storage compartments in which combustible or flammable materials are stored.

-- Permanently installed fuel tanks.

Some boat owners consider the extinguisher a superflouous piece of equipment until their boat, worth several thousand dollars, catches fire.

Fires on boats are expecially terrifying since there is usually no place to run. You can either fight the fire, or swim for your life. If you have no fire extinguisher on board, your alternatives are cut in half, say department officials.

Splashing water on boat fires won't help since they usually involve spilled gasoline. Water merely spreads the flames.

Four types of extinguishers are available for the boater -- foam, carbon dioxide (CO_2), freon and dry chemical.

Boat owners should make sure the fire extinguisher they purchase has the B-I or B-II classification required by the coast guard. This classification will be stamped on the fire extinguisher.

Boat owners should make frequent checks to be sure their extinguishers are in their proper storage brackets and undamaged. Cracked or broken hose should be replaced, and nozzles should be kept free of obstructions.

Locking pins and sealing wires should be checked to assure that the extinguisher has not been used since last recharged.

Extinguishers should never be tried merely to see if they are in proper operating condition because in many cases the valves will not properly reset, resulting in a gradual discharge.

LOUISA'S LETTER

Dear Louisa,

When I have a date I go to extra pains to look my best and I think that is the right thing to do because I want the boy I am with to be proud of his companion. Now my mother and my sisters laugh at me about this and say I am trying to be someone I am not because I don't look like this all of the time.

What do you think about this? Do you think I should go out looking just like I do when I am working about the house?

B.G.--Va.

Answer:

I am a great believer in making the best of what we have. Now a person who is working about a house should look as good as possible, even then, but it stands to reason that after such work is done one has to arrange the hair, take a bath and change clothes.

This doesn't mean that one has to look like a refugee when she is doing household work. A neat dress or house coat with a clean face and brushed hair is appropriate and looks good at such a time. But I agree with you that you owe your companion to look as good as possible when you have a date. This doesn't mean heavy make-up but it does mean good grooming and becoming clothes. Just don't spend too much time before your mirror as too much artificial make-up may give you a cheap appearence.

Louisa.

Address your letter to Louisa, P.O. Box 532 Orangeburg, S.C.29115

Pharmacy Topics

By SHELLEY ROATEN

Whether or not you get "dishpan hands" from detergents depends on your own susceptibility -- your skin type and possible allergies.

*

Over 225,000 injuries are caused by bicycle spokes each year. Some experts believe many of these could be prevented by shielding the upper half of the rear wheel.

*

A number of fungicidal drugs are being developed in the search for a more effective remedy for athlete's foot.

*

A person who eats a great deal isn't necessarily getting all the nutrients he needs. Many snack foods contain "empty calories" that supply energy, but little nutritive value.

*

Hives are generally a local allergic reaction. It is usually impossible to pinpoint their cause.

The Electric Diet.

WASTE-WATCHER
It's a waste-watching diet allowing you *all* the conveniences of electric living while you save money. And it's up to you how much you save.

KEEP THE SPIRIT OF '76°
KEEP THE SPIRIT OF '76°
Set your air conditioning thermostat at the highest comfortable setting, which is about 76 degrees for most people. Every degree below that increases air conditioning costs about 10%.

SAVING WAYS
Operate washers, dryers and dishwashers with full loads but never overload. Don't waste heat by putting a small pan on a large surface unit of an electric range. Match pans to unit size.

EPP THE EQUALIZER
If your summer bills far outweigh winter bills, you can make budgeting easier by paying the same amount each month, year around! Ask your CPL office about the Equal Payment Plan to see if it would help you.

cpl Our generation is for you.

Do You Remember?

From The Pilot Files — 10 Years Ago

HIGH SCHOOL COMMENCEMENT

Commencement ceremonies at the High School will be held at Pirate Stadium instead of indoors as is usually the case.

The school band under direction of Joe Randow will play the processional; Raymond Ingersoll will deliver the invocation; and Peggy Chambers will make the introductions.

Carol St. John will deliver an address on "Time for Beginning" followed by an address by DeRema LeFevre on "Dare to be a Leader." The song "You'll Never Walk Alone" will be sung by a group consisting of Miss LeFevre, Caroline Clark, Gayle Copeland, Myrna McDonough, Paul Ramsey, Terry Falk, Raymond Ingersoll and George Corbett.

Mary Kathryn Gray will speak on "These Things We Have Learned," Terry Falk will talk on "We Look to the Future," and Sue Johnson will speak on "What Greater Gift."

The presentation of special awards will be made by A. B. LeFevre; the presentation of the class will be by Supt. J. D. Gray; Dr. H. F. Elliot, president of the School Board, will present the diplomas; and the benediction will be given by Paul Ramsey.

Honor graduates of the senior class, with an average of 90 or over, are Sue Johnson, Carol St. John, Mary Kathryn Gray, Paul Ramsey, Myrna McDonough, DeRema LeFevre and Peggy Chambers.

Class officers are Raymond Ingersoll, president; Milton Court, vice president; Patricia Elder, secretary; Sue Johnson, treasurer; Carol St. John, reporter; and Robert Wright, business manager.

Valedictorian is Sue Johnson and salutatorian is Carol St. John.

*

FIREMEN HONORED

Volunteer firemen of the Rockport Fire Department were presented service pins.

Those receiving five-year pins were J. C. Gurley, C. C. Truelove, Joe Earl Hunt, Gene Carter, Jimmy Ankele, Austin Smith, Charles Smith, T. E. Minyard and Gary Smith.

Fifteen-year pins were awarded to Julius Malchar, Gilbert Hill, Sr., Cecil Cole, C. M. Deason and Charles Ankele.

Twenty-five-year pins were presented to Dick Fox, Bill Gray and Edric Deason.

A 40-year pin was presented to Oscar V. Dye.

*

PERSONALS:

Mrs. Henry T. Bailey's nephew, William Gayle, with his daughter, Sarah Lee, and mother, Mrs. Lillian Gayle, along with Mrs. Bailey's niece, Mrs. Maud Howard, of Beeville, were visitors at Mrs. Bailey's home.

*

Homer Faber discussed the boating industry in a talk before the Rotary Club.

*

Father Paschal Bergin, formerly of St. Paul's Catholic Church at Mission, has been appointed assistant pastor of Sacred Heart Catholic Church here to assist the Rt. Rev. J. William Hennel.

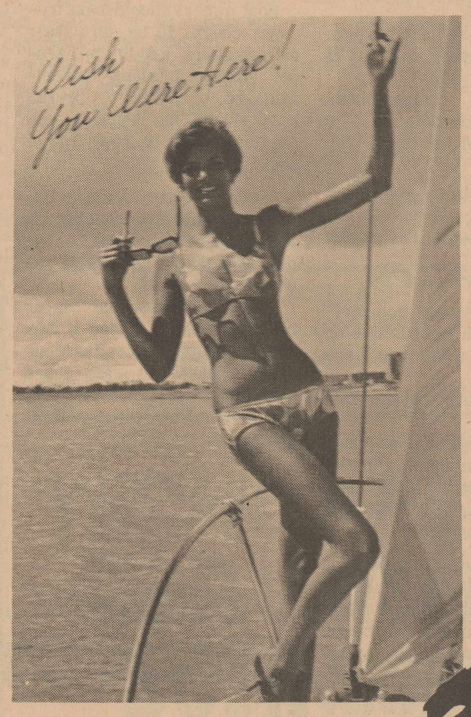
Discover... ROCKPORT-FULTON

ROCKPORT-FULTON



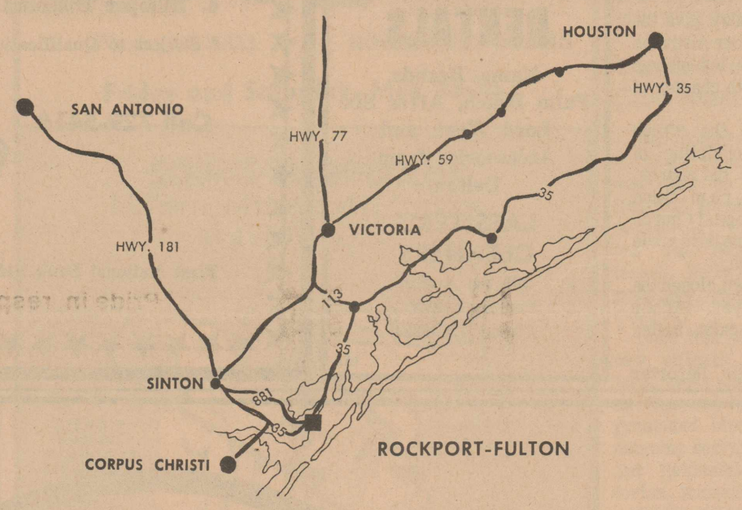
THE IDEAL PLACE FOR . . .
VACATIONS OR PERMANENT LIVING

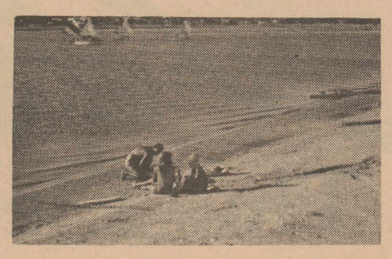
Beautiful Texas Tropical Coast

Write

CHAMBER OF COMMERCE
P. O. BOX 1055
ROCKPORT, TEXAS 78382

ROCKPORT-FULTON TOURIST ASSOCIATION
P. O. BOX 1482
ROCKPORT, TEXAS 78382





Just 30 miles up the coast from Corpus Christi, nestled amid a myriad of live oak trees and facing bays just off the Gulf of Mexico, is the Rockport-Fulton area.

This is truly an ideal place for vacations or for permanent living. Blessed with mild climate and an abundance of sunshine, the average temperature on a year-round basis is 71.2 degrees.

And as for recreation and fun, the activities cover a wide spectrum to appeal to men, women and children of all ages. Among the activities are fishing, sightseeing, swimming, beachcombing, boating, golf, tennis, birdwatching, art (visiting galleries or painting your own pictures), or just plain taking it easy.

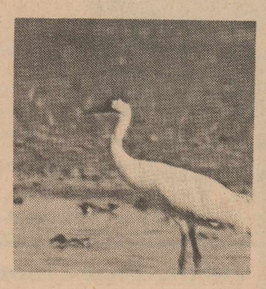
There are other reasons why we think you would enjoy vacationing in this beautiful, restful area. There are plenty of motels and travel trailer courts to provide comfortable accommodations. And we have many fine restaurants where you can enjoy your favorite foods, particularly the seafood dishes for which this area is famous.

For golfing enthusiasts, Live Oak County Country Club offers a nine-hole course open to visitors at reasonable fees. Electric carts are available for rent. While husbands golf, vacationing wives can enjoy weekly bridge and canasta parties sponsored by the Woman's Club of Aransas County. The Rockport-Fulton Tourist Assn. also holds weekly parties for winter visitors.

Rockport-Fulton is recognized as one of the best fishing areas in the country. Large catches of redfish, trout and flounder are reported almost every day. Each winter, the Chamber of Commerce sponsors a fishing tournament exclusively for visitors, awarding weekly, monthly and grand prizes.

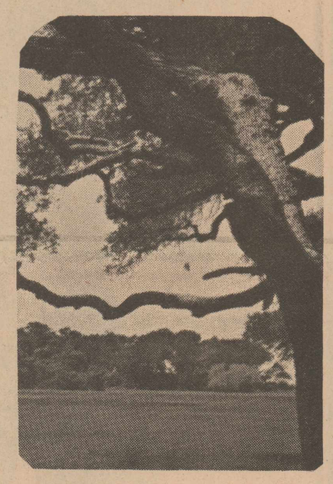
During the past half century, commercial shrimping has grown into one of the most important factors in the economy of the Rockport-Fulton area. Millions of pounds of shrimp and fish are unloaded at local seafood plants, processed and shipped to all parts of the nation.

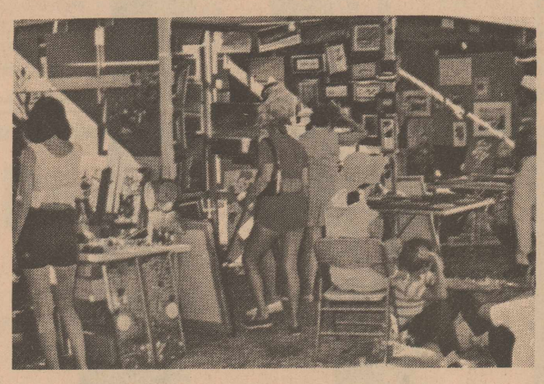
Aransas National Wildlife Refuge, just 30 miles north of here, has become world famous as the winter home of the nearly extinct whooping cranes. In addition, the Refuge abounds in such wildlife as deer, wild turkeys, javelinas and many of the 500 species of waterfowl and songbirds which keep birdwatchers busy identifying the various species. During the winter months the Whooping Crane Motor Vessel carries up to 249 passengers several times each week to the winter nesting ground of the whooping cranes.



The seventeen churches of the Rockport area, representing all the major Christian denominations, serve permanent residents and visitors alike with varied programs involving people of all age groups. You will find a warm welcome awaiting you in the Rockport churches.

The beauty of this undisturbed part of the country is punctuated by numerous leaning live oak trees such as the one shown here which are characteristic of this area. Actually, the largest giant oak tree in Texas — known as the Big Tree — is located in Goose Island State Park. Its circumference is 32 feet eight inches, with an average crown spread of 89 feet.





Known as the artists' capital of the Gulf Coast, Rockport-Fulton attracts artists from all parts of the country, both amateurs and professionals.

In the first place, there is so much beauty and so many picturesque things to paint. Subject matter includes seascapes, fleets of shrimp boats (since shrimping is an important industry), leaning live oak trees and historic homes.

There are several fine art galleries here which are worth visiting. And if you happen to be here around the Fourth of July, you will enjoy the annual Art Festival sponsored each year by the Rockport Art Association which draws hundreds of artists to display their works.

Colorful Brochure Publicizes Area

Shown above are the photographs and written material that make up the contents of an attractive brochure which the Rockport-Fulton Tourist Association and the Chamber of Commerce distribute by the thousands to picture and describe the many advantages our area offers for vacationers and prospective full - time residents.

The photographs were furnished by the Corpus Christi Area Tourist Bureau and the written material was prepared by John R. Kinsey, public relations director of the Chamber of Commerce. Cost of the brochure was shared by the C of C and the local Tourist Association.

Copies are sent to all people who write for information about this area, and in addition, many copies are distributed by the State of Texas at all points of entry to our state. Also, hundreds of copies are distributed at boat shows and similar events throughout the state.

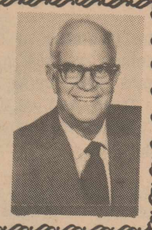
The Kinsey Report



Webster's Dictionary defines crummy as "miserable, filthy, cheap, worthless."

So crummy is the right word to describe the person or persons who last week dug up and stole seven plants which the Rockport Home and Garden Club had planted in the Ski Basin area as part of its project to beautify the Rockport area.

The ladies of the Home and Garden Club had done much planning and work to add to the beauty of our community, and now their efforts have suffered a serious setback.

It is difficult of imagine the type of person who would do such a thing, but obviously there are such people. It is hoped that any person who has any knowledge of the plant thefts will notify the Rockport Police Department.

Let's try to find out who did this so that the person or persons responsible can be prosecuted -- and hopefully, the plants can be found or the thieves can be made to replace them.

Mr. and Mrs. Gene Smith and two daughters, Lea Ann and Andrea of Houston, were recent visitors in the home of his parents, Mr. and Mrs. Austin Smith.

VFW and Auxiliary Installs Officers

Stewart-Wendell Post #3904 and the Ladies Auxiliary held a joint installation of officers May 21st. Charlie Garrett was the installing officer and Mayor Falk was acting installation Chaplain.

Officers installed were commander, J.W. Hunt; sr. vice commander, Billy Agee, Jr.; vice commander, Alvin Elliott; chaplain, Green McGehee; quartermaster, H. C. Mullinax; surgeon, J. E. Bowles; judge advocate, C.V. Gray; secretary, Bob Hewes; bingo chairmen, Herman Johnson and Richard Weekly; Poppy chairman, Charlie Garrett.

The ladies auxiliary installed the following officers with past president Nine Garrett as installing officer and Rose Lee Mullinax as installing conductress. Those installed were president, Mrs. Genevieve Hunt; sr. vice president, Diane Elliott; jr. vice president, Kaye Snapp; secretary, Lorrayne Kulp; treasurer, Cleo Smith; chaplain, Elsie Wilder; conductress, Nina Garrett; guard, Lorene King; patriotic instructor, Esse Demory; trustees, 1 yr., Veda Tennent; 2 years, Wanda Sparks, and 3 years, Lucy Davis.

Getting Stronger

"I must be getting stronger."

"How can you tell?"

"Well, a few years ago I couldn't carry $10 worth of groceries and now it's easy."

Sgt. Jose Torres Honored at Bergstrom

AUSTIN, TEXAS -- U. S. Air Force Staff Sergeant Jose Torres, son of Mr. and Mrs. Pedro Torres Sr., 400 N. Ann Street, Rockport, has been named Outstanding Safety Maintenance Man in his unit at Bergstrom AFB, Texas.

Sergeant Torres, an airborn communications specialist, was selected for his outstanding duty performance, leadership and exemplary conduct. He is assigned to a unit of the Tactical Air Command which provides air support for U.S. ground forces.

The sergeant has completed a tour of duty at Da Nag AB, Vietnam.

A 1966 graduate of Rockport-Fulton High School, he received his A.A.S. degree in industrial electronics in 1968 from Del Mar Technical Institutes in Corpus Christi, Texas.

Sergeant Torres' wife, Herminia, is the daughter of Mrs. Mary Rios, Fulton, Texas.

How to Estimate Social Security Benefits

A leaflet explaining how to estimate social security retirement benefits is available at your social security office, according to H. M. Cleveland, social security district manager in Corpus Christi.

The leaflet, "Estimating Your Social Security Retirement Check," designed to help people in their retirement planning, includes a chart showing the number of quarters required to qualify for benefits and a worksheet to help in estimating the amount of benefits.

"The leaflet can be used to compute a rough estimate of your retirement benefits," Cleveland said, "but an exact figure cannot be determined until you apply for benefits. The exact amount of a worker's social security benefits is based on his average earnings under the law over a period of years that may include his most recent work."

Single copies of the leaflet are free on request at the social security office.

The Corpus Christi social security office is at 1802 South Staples Street. The telephone number is 883-5511.

HENRY AARON awaits another turn at bat, another chance to whittle away at Babe Ruth's career home run record.

Irma Guerrero Celebrates Birthday

Irma Guerrero, daughter of Mr. and Mrs. Martin Guerrero, celebrated her 13th birthday May 14 at her parents' residence.

A wiener roast was given in her honor. Cake, cookies, punch, candy and Coke were also served.

Friends attending were Lisa Lopez, Connie, Marilyn & sister, Ruben, Rey, Tim, Delia, Sylvia, Elma, Roy, Roland, Roel, and Rene Guerrero. Yolanda Guerrero, James Swank, Tony Moreno and sisters, Angie Mendiola, Randy & Alfred Rodgriguez, Mr. and Mrs. Timoteo Guerrero, Rolando & Nora Hinojosa, Mr. and Mrs. Alfonso Garcia and family, and Mr. and Mrs. Willie Trevino and family. Out of town guests were Mrs. Lucy Rodriguez and son.

Mr. and Mrs. A.C. Glass, Miss Dula Jamison and Mr. and Mrs. I.D. Lewis of Fredericksburg have returned from a trip to the Grand Canyon and various interesting places in Arizona.

Fancy From a Can

AUSTIN -- The great variety of condensed canned soups on the market has been a boon to housewives who like to fix elegant meals with a minimum of trouble.

Cindy Gray, the Texas Parks and Wildlife Department's seafood home economist, says these canned soups add to the versatility of fish.

One recipe she especially likes takes advantage of a relatively new product, cream of shrimp soup.

Combine the soup with mushrooms and a bit of wine and you have a sauce to go with flounder which would be a gourmet's delight.

Miss Gray says flounder is an excellent fish to use in gourmet recipes because of its mild flavor and very white flesh. It can be baked or broiled whole, or filleted and prepared in a variety of ways.

"Baked Flounder with Shrimp Sauce" is an easy-to-do recipe for busy homemakers. Other equally good and equally easy recipes are available by sending a postcard to "Seafood," Texas Parks and Wildlife Department, John H. Reagan Building, Austin, Texas 78701.

BAKED FLOUNDER
WITH SHRIMP SAUCE

2 lbs. flounder or other thick fish fillets
1/4 cup margarine or cooking oil
1 teaspoon salt
1 cup sliced fresh mushrooms*
1 can (10 1/2 oz.) condensed cream of shrimp soup
1/4 cup half and half or milk
2 tablespoons dry sherry (optional)
1/4 teaspoon rosemary
1/4 teaspoon paprika
Chopped parsley (optional)

Place fish in shallow two-quart baking dish. Drizzle two tablespoons melted margarine or cooking oil over fish and sprinkle with salt. Bake in moderate oven, 350 degrees, for 25 to 30 minutes or until fish flakes easily when tested with a fork. Baste with pan juices several times during baking. While fish is baking cook mushrooms until tender in remaining two tablespoons melted margarine or cooking oil. Add soup, half-and-half or milk, sherry, rosemary, and paprika; stir and heat thoroughly. Spoon sauce over fish and sprinkle with parsley. Makes six servings.

*If desired, two 4-oz. cans sliced mushrooms may be drained and substituted.

Spanish Classes Present Plays

Spanish II classes at Rockport-Fulton High School presented two one-act plays May 16. The plays were produced and directed by Mrs. Hale and dedicated to Mr. Brooks.

Taking part in the play titled En El Mercado were Barbara Green, Elva Nava, Cathy Kleine, Joy Bright, Delia Valdez, Maggie Moreno, Sylvia Guerra, Lisa Hill, Pam Rowan, Romanda Perez, Veronica Estrada, Carla Krueger, Penny Jonas, DeLois Young, Lucy Rivera, Gracie Benavidez, Mike Morgan, Gerry Kleypas, Ricky Little, Dennis Miley and Bill Seele.

Taking part in the play called Fiesta were Virginia Gerdine, Carolyn Hawes, Georgia Miller, Ruben Guerrero, John Ledbetter, Lisa Conchola, Bob Gillis, Bobby Mundine, Chip Hale, Nasario Benavidez, Jean Heffel, Zulema Pena, Jeri Smith, Jean Picarrazi, Bill Mercer, Yolando Corpus, Rosanna Benavidez, Lucy Pena, Mary Cuellar, Patsy Wright and Wade Armstrong.

Plastic Start

The search for a better billiard ball by John Hyatt in 1868 led to the discovery of a thermoplastic substance that also marked the beginning of the plastic industry.

NAMED HOMEMAKER "LITTLE SISTER" — Becky Livingston, FHA president, presents Little Sister Award to Mary Cuellar.

YHT Selects 'Little Sister'

The main highlight of the YHT - FHA Mother - Daughter Banquet on May 15, was the announcement of YHT's "Little Sister."

As an affiliated chapter, the Aransas County Young Homemakers, were eligible to select one outstanding Future Homemaker of America from the local chapter for special recognition of her excellent work in homemaking.

She is known as YHT's "Little Sister." No student ever attains eminent success by simply doing what is required of her -- it is the amount and excellence of what is over and above the required that determines the greatness of ultimate distinction.

After careful study, YHT members believe they have chosen such a girl. Sylvia is a freshman in High School and an active member of FHA. She proudly represented her FHA Chapter this year at the State Convention in San Antonio in May. Sylvia will work with YHT throughout the year.

Lamar Woman's Club Meets

The monthly luncheon meeting of the Lamar Woman's Club was held on May 16 in the Emerald Room of the Sea Gun Restaurant, with Helen Owens and Pat Heldenfels as hostesses. Polly Moss, president, presided over the business meeting.

Since this was the month for new officers to be installed, Mrs. Moss was presented with an engraved key ring, and she presented bird houses to the outgoing secretary - treasurer, Pat Heldenfels, and the historian, Russell Cabaniss.

Jennie Heldenfels planned and presented a beautiful installation service in which each member was an important part of a whole group.

The following officers were installed: Russell Cabaniss, president; Elizabeth McKinsey, vice - president; Clara Belle Garner, secretary - treasurer; Jessie James, historian.

Chairmen of the following committees are: Mary Layshock, program committee; Marguerite House, art and gardening committee; Fannie Boyd, courtesy committee; Verna Cook, telephone committee; Jennie Heldenfels, project committee; Polly Moss, by-laws committee.

Nan Pugh will be parliamentarian and Ima Batsell will be in charge of the hostesses for each meeting and for the invocation.

There were 22 ladies present.

Calvary Baptist WMU Meets

The Calvary Baptist Church Women's Missionary Union met May 15 at the church. Hazel Molmen directed the Bible study and also brought the prayer calendar. Kay DeGraaf came as a visitor but became a member of the WMU.

The ladies attending the meeting were Mary Jane Cady, secretary - treasurer; Kay DeGraaf, Opal Green, Bertha Hinson, Ann Jones, Lucille Langston, president; Hazel Molmen, hostess; Anna Parr, program chairman; Bertha Sanders and Wanda Whitley.

The hostess and director, Hazel Molmen, served the group coffee and a delicious strawberry cake. Wanda Whitley will direct the next Calvary WMU meeting which will be held May 29 at 2 p.m. at the Calvary Baptist Church.

LUNCHROOM MENUS

The following lunchroom menu selections will be offered in the schools next week:

Monday, May 28: Meat Balls with Spaghetti, Buttered English Peas, Head Lettuce Salad, Bread-Butter, Chocolate Cake, Milk.

Tuesday, May 29: Swiss Steaks, gravy, Steamed Rice, Cole Slaw, Hot Rolls-Butter, Fruit Cup, Milk.

Wednesday, May 30: Pizza, Seasoned Green Beans, Tossed Vegetable Salad, Bread-Butter, Orange Slush, Milk.

Thursday, May 31: Sandwiches, Buttered Green Vegetable, Raw Vegetable Relishes, Jello Squares, Cookies, Milk.

NOTE: These menus are subject to change without notice, depending upon availability and delivery of food.

Beedys Attend Class Reunion

Mrs. and Mrs. T. L. Beedy of Fulton attended the 1916 graduating class reunion of A.C. Jones High School in Beeville, recently. It was their 57th anniversary.

There were 28 who graduated and 19 of those attended the reunion. Members and their wives and husbands met at the Country Club for luncheon and later at the home of Dr. and Mrs. L. N. Connally for a reception.

C of C Happenings

The Chamber of Commerce welcomes as new members Helga's owned by Mr. and Mrs. Bob Price and ADDCO Glass and Mirror Co. owned by Mike Richardson.

*

Refreshments for the C of C hospitality program were supplied in May by Irwin Real Estate, Key Allegro Motel, United Savings, Sipe Real Estate and Aransas Natural Gas Company.

Shower Honors Miss Fabian Cooling

Miss Fabin Raye Cooling, bride-elect of Alan Bracht, was honored with a miscellaneous bridal shower May 17 at Kline's cafe. Hostesses were Mrs. H.R. Kline, Mrs. Russell Kline, Mrs. Jerry McLead and Mrs. Sue Krogsgaard.

The serving table was laid with a white linen cloth and held a bouquet of white and yellow daisies. Serving were Mrs. H.R. Kline, Mrs. Russell Kline and Mrs. Jerry McLead. Mrs. Sue Krogsgaard was in charge of the guest register and Miss Karen Bracht assisted with opening of the gifts. There were 100 invited guests.

Money should not be the end sought in life.

Kelley-Roaten Wed

Miss Gail Ann Kelley, daughter of Mr. and Mrs. B. J. Kelley of Dallas, became the bride of David John Roaten, son of Mrs. and Mrs. Shelley P. Roaten Sr. of Rockport, Saturday afternoon at St. Luke's-on-the-Lake-Episcopal Church in Austin. A reception was held in the parish hall.

The bride is a senior at the University of Texas where she is a member of Alpha Delta Pi. The groom, a UT graduate, is a graduate student in forestry at Austin State University. After a wedding trip to Mexico City, the couple will reside in Nacogdoches.

Miss Susan Kelley of Dallas, the bride's sister, was maid of honor. Bridesmaids were Miss Lynn Brown and Miss Julie Holloman. Best man was the groom's brother, Shelley Roaten Jr. of San Antonio. Groomsmen were Frank Bailey of Corpus Christi and Bob Christian of Rockport.

Ushers were Jerry Eppner of Austin and Jay Cheek of San Antonio.

An empire cotton voil gown designed with a stand-up collar and sheared sleeves was chosen by the bride. It was fashioned with a cluny lace yoke and a chapel train. A headpiece of fresh flowers held her illusion veil, and she carried a bouquet of glamelias, stephanotis and baby's breath. Her attendants wore printed rosebud gowns and carried bouquets of roses, baby's breath and greenery.

"So you deceived your husband," said the judge, gravely.

"On the contrary, your honor, he deceived me. He said he was going out of town, and he didn't go."

B.J. Crowley's HOROSCOPE

Week of May 27

GEMINI -- Those born under this sign love everyone. They are usually very well liked by their peers, although conformity is not an important word in their vocabulary. Lucky day for Gemini is Friday, lucky number is 2 and best color is blue.

GEMINI -- May 21 to June 20 -- Do an about face by becoming practical and thrifty. Check ads before making purchases so you can get the most for your money.

CANCER--June 21 to July 22 -- Goodwill can grow if you continue to have a cheerful attitude. If others have wronged you, forgive them. Only then can you be happy with yourself.

LEO--July 23 to Aug. 22--Fairness and justice have never been more important than now. Curb the tendency to be too outspoken. Guard health.

VIRGO -- Aug. 23 to Sept. 22--If your faith has become latent, revive it. Attend services this week. Dining out should be pleasurable.

LIBRA -- Sept. 23 to Oct. 22 -- This week should provide a series of satisfactory events. Love and tenderness can win a great deal for you.

SCORPIO--Oct. 23 to Nov. 22 -- Smile and the world smiles with you. Cry and you cry alone. Back up your smile with sincerity.

SAGITTARIUS -- Nov. 23 to Dec. 21 -- Rid yourself of the tendency to be selfish. Financial worries should now become lessened. Happiness for you will come through sharing.

CAPRICORN--Dec. 22 to Jan. 19--Balance the budget even if you have to cut out a favorite activity or indulgence. Even though family members may disagree on your practical approach, they will thank you later.

AQUARIUS -- Jan. 20 to Feb. 18--New ways to solve old problems come to light. Communication is good. You can sway someone to your way of thinking.

PISCES--Feb. 19 to March 20 -- Work before you play. Then take the time to enjoy one you love. A small gift as a token of your love will be appreciated.

ARIES--March 21 to April 20 -- Call a family conference. Let each one express his opinion. Even though there will not be complete agreement, the air will be cleared.

TAURUS--April 21 to May 20 -- Try a new system for keeping your home and surroundings in order. By so doing you can overcome most obstacles and much dissatisfaction.

Economical

A Scotsman upon entering a saddler's asked for a single spur.

"What use is one spur?" asked the man.

"Well," replied Sandy, "if I can get one side of the horse to go, the other will have to come wi'it."

Thursday Bridge

Mrs. Tom Rogers was hostess to the Thursday Bridge Club at her home last week. Members playing were Mrs. James Bracht, Mrs. Russell Itschner, Mrs. T. J. Johnson, Mrs. Bob Mosier, Mrs. Harold Picton, Mrs. Jerry Wendell and Mrs. Lynn Wendell. High score was won by Mrs. Picton and second high was won by Mrs. Johnson.

Double Four Bridge

The Double Four Bridge Club met May 16 at the home of Mrs. W. M. Denny. Those playing were Mrs. A. L. Bachman, Mrs. Phyllis McBride, Mrs. J. V. Ferguson, Mrs. Eva Lutz, Mrs. Art Cox and two guests, Mrs. Harry Mills and Mrs. R.L. Gum. Mrs. Cox won high score and Mrs. McBride, second high.

Know the Weather

As the days continue to get warmer, we can expect more electrical clouds and storms. Do you remember the lightning count? Does it really tell you how far away the lightning bolt was?

When you see a bolt of lightning and do not hear thunder, begin a second-count and note the number of seconds until you hear the thunder. Divide this number by five and you have the distance of the lightning.

This is an infallible rule and is based on the knowledge that sound travels only a fifth of a mile per second. Therefore it takes five seconds for the sound to travel a mile, even though you immediately see the flash, even at some distance.

Lightning seen in the west is most dangerous (in the north temperate zone) for it is probably heading toward you.

Tax Payers Ask IRS

Q -- I'm selling some real estate in a few months, probably at a big profit. I want to spread the payments I will receive over several years to avoid one big tax bill. What should I do?

A -- You may use the installment method of reporting income to relieve you of paying tax on income that you have not collected. Under this method, you include in your gross income only the portion of each collection that constitutes profit. If a sale results in a loss, you may not use the installment method.

In general, you may use the installment method for the sale of real estate if: 1) the buyer agrees to make two or more payments in two or more of your tax years and 2) the collections, if you receive any, in the year of the sale do not exceed 30 percent of the selling price. You should make the election to use the installment method in your tax return for the year of the sale.

For more details, see IRS Publication 537, "Installment and Deferred Payment Sales." It's available free by contacting your local IRS office.

Q -- Last year I filed a withholding exemption certificate so I wouldn't have tax withheld from my pay. Do I have to file a new one to be exempt from withholding this year?

A -- Yes. Withholding Exemption Certificates (Form W-4E) must be filed annually. So if you did not owe any tax last year, expect to owe none in 1973, and file a new Form W-4E with your employer, you will be exempt from income tax withholding throughout 1973.

Remember, if tax has already been withheld from your 1973 pay, you must file a tax return next year to have it refunded.

Q -- When will I receive my refund check?

A -- If you have not received your refund or a letter explaining the reason for the delay within 10 weeks after mailing your return, contact your local IRS office or write the IRS office where you filed your return. Give all details including your Social Security number, current address, and the approximate date the return was filed.

Q -- Does the Internal Revenue Service pay interest to the taxpayer when it is late in issuing a refund?

A -- Yes. However, the IRS has 45 days from the due date of the return or the date of filing, whichever is later, to issue a refund without payment of interest. If it takes longer than that, interest at an annual rate of 6 percent from the due date or the date of filing, whichever is later, is added to the refund.

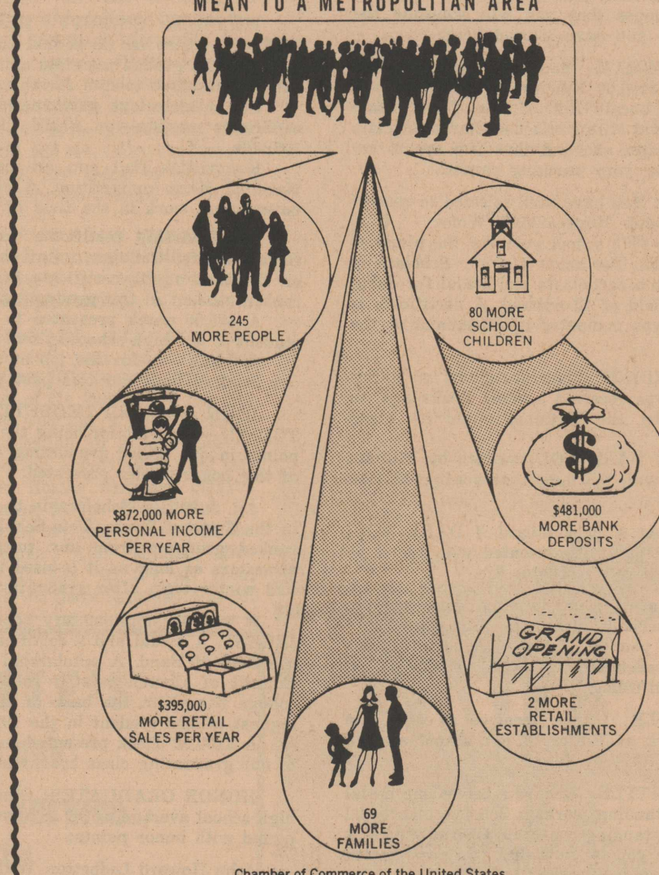
Library News

Members of the Library Staff are attending a workshop on programs and services for children conducted by Mrs. Celia Carroll, coordinator of children's services, Austin Public Library. The workshop is being held at the Corpus Christi Museum May 23 through 25.

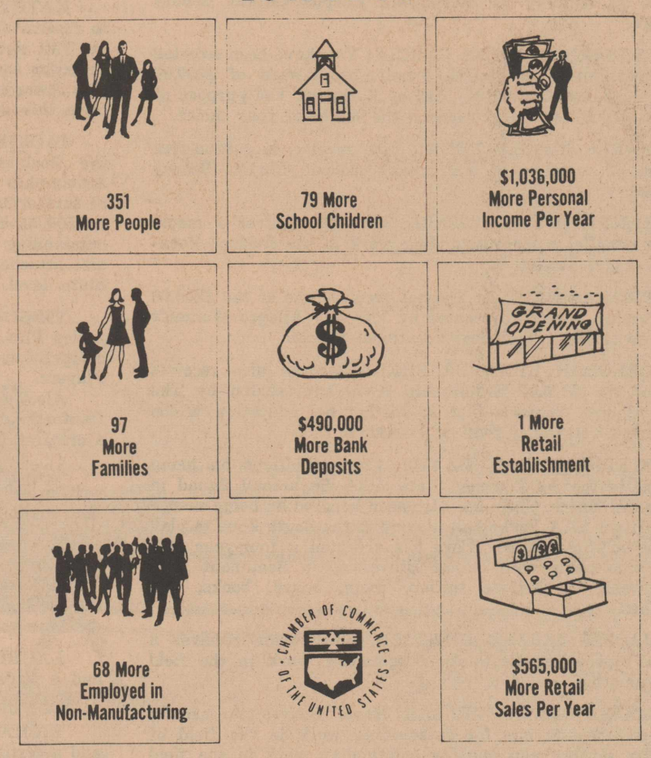
"Laughing All The Way" by Barbara Howar has been donated to the library by Mrs. Alice Moore. Other donations to the library have been made by Mrs. Hutchings, Mr. and Mrs. Leland Fisher and Irving McMahan. These donations are gratefully appreciated.

Library Hours -- Monday through Friday -- 12 noon - 6 p.m.; Saturday -- 9 a.m. - 12 noon.

Male hop flowers are banned in most European countries because they pollinate the female flowers to produce seeds that add an unpleasant taste to beer.



Chamber of Commerce of the United States



Rebekah Lodge

The Rebekah Lodge met May 17, with Dean Mackey as noble grand and Mary Lou Ashley as vice grand. Twelve members attended.

The rummage sale was a success. This Thursday, May 24, lodge members will join Aransas Pass Truth Lodge to honor the president of the Rebekah Assembly who is visiting this district.

Christin Wyatt is home and doing fine. Ora May is ill and at home. The lodge expresses sympathy to Lillian Smith in the death of her husband. The next meeting night will be May 31.

LULAC NEWS

Attending the LULAC convention at Houston were local delegates Marcelino Ramirez, Frank Covarrubias, Mr. and Mrs. Nasario Pena. Other members of local lodge No. 625 were Rosalie Tijerina, Fernando Ramirez, Mary Covarrubias, and Mrs. Marcelino Ramirez.

Local president Marcelino Ramirez was appointed to the state credentials committee. One of the 1973 projects was a scholarship.

4-H Bridge

Mrs. L. G. Wood was hostess to the 4H Bridge Club at her home May 18. Those playing were Mrs. W. E. Blackshare, Mrs. William Denny, Miss Lillian Fahr, Mrs. Ed Hall, Mrs. R. E. House, Mrs. Fred Hunt and Mrs. M. H. McKinsey. Mrs. House won high score, Miss Fahr second high and Mrs. Hall third.

Hi-Lo Bridge

Mrs. Marie Woods was hostess to the Hi-Lo Bridge Club at her home May 16. Members playing were Mrs. Charles Cleveland, Mrs. H. F. Elliot, Mrs. J. H. Mills, Mrs. Harry McDow and two guests, Mrs. R. L. Eckman and Mrs. C. L. Thomas. Mrs. Eckman won high score and Mrs. McDow was low.

GEOMETRIC DESIGN HEARING
ST. HWY 35
FROM GREGORY TO COPANO BAY CAUSEWAY

NOTICE OF PUBLIC HEARING
GEOMETRIC DESIGN

The Texas Highway Department will conduct a public hearing on Thursday, June 28, 1973 at 10:00 a.m. in the VFW Hall, 401 East Market Street, Rockport, Texas, for the purpose of discussing the improvement of State Highway 35 from Gregory to the Copano Bay Causeway, in San Patricio and Aransas Counties, Texas. The proposed highway project will bypass the cities of Aransas Pass, Rockport and the town of Fulton.

The first 3/4 mile of the improvement which begins between SH 361 and US 181 will be constructed as a freeway, which will complete the proposed freeway facility from Portland through Gregory. The remainder of the proposed route improvement will be a 4 lane divided highway to the Copano Bay Causeway with grade separations at the major intersections. As a result of comments received at the Route Public Hearing which was held on March 14, 1972, the proposed route alignment to be shown at this Public Hearing differs in two locations from the alignment shown at the Route Public Hearing. One area of revised alignment is from approximately three miles West of Aransas Pass where the new location of SH 35 leaves existing SH 35, to a point on Avenue A. The other area of revised alignment is to the West and North of the Aransas County Airport. The width of additional right-of-way required for construction varies from 80 feet, where the proposed improvement parallels existing SH 35, to a maximum of 400 feet where the route is on new location. A few relocations of residences and businesses will be necessary.

Maps and other drawings showing the proposed geometric design will be displayed at the public hearing. These maps, environmental studies and any other available information about the proposed project are on file and available for inspection and copying at the Resident Engineer's Office at Padre Island Drive and Greenwood, Corpus Christi, Texas. Also, the drawings showing the proposed geometric design have been placed on file with the County Judges of San Patricio and Aransas Counties and at the City Halls of Gregory, Aransas Pass, and Rockport.

The State's Relocation Assistance Program, the benefits and services for displacees and information concerning the relocation assistance office will be discussed.

Tentative schedules for right-of-way acquisition and construction will be discussed.

All interested citizens are invited to attend this public hearing. Written statements and other exhibits may be submitted to the Resident Engineer's Office, but must be received not later thant 10 days after the public hearing. c10 & c14

ORDINANCE NO.334

AN ORDINANCE PROVIDING FOR THE EXTENSION OF CERTAIN BOUNDARY LIMITS OF THE CITY OF ROCKPORT, TEXAS, AND THE ANNEXATION OF CERTAIN TERRITORY WHICH LIES ADJACENT TO AND ADJOINS THE PRESENT BOUNDARY LIMITS OF THE CITY OF ROCKPORT, TEXAS.

WHEREAS, a public hearing before the City Council of the City of Rockport, Texas, where all interested persons were provided with an opportunity to be heard on the proposed annexation of the hereinafter described territory, was held at Rockport, Texas on the 9th day of April, 1973, which date is not more than twenty nor less than ten days prior to the institution of annexation proceedings; and

WHEREAS, notice of such public hearing was published in a newspaper having general circulation in the City of Rockport, Texas, of the described territory, on the 29th day of March, 1973, which date is not more than twenty nor less than ten days prior to the date of such public hearing; and

WHEREAS, the described territory is owned by the City of Rockport, Texas and the Texas State Highway Department; and

WHEREAS, the territory is used for the public purpose of a waste treatment plant, municipal park and public road; and

WHEREAS, the territory lies adjacent to and adjoins the City of Rockport, Texas;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKPORT, TEXAS:

Section 1. The following described land and territory lying adjacent to and adjoining the City of Rockport, Texas, is hereby added and annexed to the City of Rockport, Texas, and said territory hereinafter described shall hereafter be included within the boundary limits of the City of Rockport, Texas, and the present boundary limits of such city, at the various points contiguous to the area hereinafter described, are altered and amended so as to include said area within the corporate limits of the City of Rockport, Texas, as set forth in the following field notes and shaded in red on plat which are part of this ordinance, to-wit:

Section 2. The above described territory and the area so annexed shall be a part of the City of Rockport, Texas, and the property so added hereby shall bear its pro rata of the taxes levied by the City of Rockport, Texas, and the inhabitants thereof shall be entitled to all of the rights and privileges of all the citizens and shall be bound by the acts, ordinances, resolutions and regulations of the City of Rockport, Texas.

PASSED AND APPROVED this the 14th day of May, A.D., 1973.

S/Walter S. Falk, Jr. Mayor
ATTEST:
Herman C. Johnson,
City Secretary c10

Deaths and Funerals

Military Funeral For Col. Whittle

Military funeral services were conducted for Lt. Col. Fredrick J. Whittle May 18 at the Rockport Cemetery. A firing squad from the Navy Air Station at Corpus Christi participated. Colonel Whittle, age 58, died suddenly May 16.

Born and reared on a farm in Grant County, Kansas, Colonel Whittle worked his way through the University of

Kansas and enlisted in the Army Air Corps in 1939. He was commissioned a second lieutenant in 1945 after completing Officer Candidate School.

After several stateside assignments, he was transferred to the Air Transport Command in Paris, France. Later he served in Weisbaden, Frankfurt and Heidelberg, Germany. Returning to the United States, he was stationed at Mitchell Air Force base on Long Island and Brooks Field in San Antonio before being sent to Korea. He served two years in Tokyo under General McArthur and was then transferred to the Philippines.

Upon his return to the United States, Colonel Whittle completed the Field Officers Course at Montgomery, Ala., and was assigned to the Pentagon in Washington. Next came an assignment to the Wright-Patterson Air Force Base in Dayton, Ohio. His final assignment was with the Alaska Air Command before being retired at Ellington Air Force Base, Houston in 1966 after 25 years of service.

During his military career, Colonel Whittle received many decorations, including the Bronze Star with two clusters.

He was married in 1947 to Gunilla Conradi, daughter of a Swedish diplomat stationed in Paris. The ceremony was performed in the American cathedral in Paris.

In addition to Mrs. Whittle, survivors include a son, Nils, two daughters, Joan and Mrs. Jenney Jones, all of New Castle, Calif., and a sister, Mrs. Janice Seikel of Harrah, Okla.

Since Colonel and Mrs. Whittle moved to Rockport two and a half years ago, both have been active in the life of the community. Mrs. Whittle is a widely known local artist and an active member of the Rockport Art Association.

An avid tennis player all his life, Colonel Whittle played almost every day and devoted much time and effort to training Rockport-Fulton High school students in the sport. He was a charter member of the Key Allegro Tennis Club and for several months served as the unofficial and unpaid tennis professional at the Rockport Racquet and Yacht Club. Associates credit much of the growing interest in tennis in this area to Colonel Whittle's interest and enthusiasm.

At the time of his death, Colonel Whittle was president of the Rockport Art Association and was actively preparing for the association's annual outdoor show scheduled for June 30 and July 1. In 1971 and 1972 Colonel Whittle, almost single-handed, built booths for the association's outdoor shows.

MRS. PAT MIXON DIES

Mrs. Pat Mixon, 70, died May 17 in a Corpus Christi hospital after a short illness.

She had resided in Rockport for many years. She was a retired teacher. She previously served as a librarian at Ingleside High School and also taught at Runge. Her given name was Ruby Mae.

Graveside services were held May 18 in the Runge Cemetery. Marshall Funeral Home of Aransas Pass was in charge of arrangements.

Survivors include her husband; two sons, Joel Mixon of Rockport and Ed Mixon of Cuero; one daughter, Mrs. Justyne Cox of Rockport; one sister, Mrs. William Cavitt of Sinton; and 11 grandchildren.

HENRY SMITH DIES

Henry H. Smith, 72, died at his residence May 14. He was born in Maryville, Iowa. He worked for the Ford Motor Company for 21 years. He lived in Colorado for 5 years and had been living in Rockport the past 2 years. He was a member of the First Baptist Church, and the VFW in Des Moines, Iowa. He was a veteran of World Wars I and II.

He is survived by his wife, Lillian Mae Smith of Rockport; two brothers, Cecil and Harry Smith; and one sister, Mrs. Lena Madole. He also raised 5 foster children.

Funeral services were held May 17 at Marshall Funeral Home, with burial in Rockport Cemetery.

COLLECT THE COMPLETE SET!
Choice of 3 Beautiful Patterns!

Enjoy the table-brightening beauty of this fine genuine Stoneware tableware. Exquisitely hand decorated it has the rich gourmet beauty for company use . . . yet strong, easy-care stoneware is perfect for cheerful everyday use too. Functional and versatile, you'll delight in the way the complete variety of serving pieces go from oven to table and then to freezer. The newest designs with cups and serving pieces in a graceful provincial shape. Cups stack to save storage space.
