54th Year — No. 7 | Dimmitt, Texas, Thursday, November 13, 1980 | 16 Pages

Cagers to tip off Saturday

Dimmitt's and Nazareth's basketball fans will gather in their home gyms Saturday night for the tip-off of the 1980-81 cage season.

Dimmitt's Bobbies and Bobcats will host Hartley in a four-game stand in Middle School gym, with the junior varsity girls playing at 4 p.m., the JV boys at 5:15, the varsity girls at 6:30 and the varsity boys at 8.

Nazareth's Swifts and Swiftettes will host Canyon in three games. The junior varsity girls will play at 5 p.m. and the varsity girls at 6:30, followed by a game between the Swifts and the Canyon Junior Varsity boys.

Hart High School's athletes and fans have one more Friday night on the football field, then will begin their basketball season next week. The Lady Longhorns will host Floydada in varsity and JV girls' games Tuesday, beginning at 6 p.m., then the Longhorns will get into action when HHS hosts Happy Nov. 21 in a three-game set.

For most of the county's teams, last year's successes will be a hard act to follow. But the young athletes seem eager to match or exceed last year's superb records.

Coach Joe Lombard's 1979-80 Swiftettes compiled a 38-2 record and won the state girls' championship last season for the fourth straight year — a feat that no other girls' team in University Interscholastic League history has ever done. And the Swiftettes have no less than three all-state players back this year.

Coach Buddy Birks's Swifts captured the regional championship and advanced to the state tournament for the first time in the school's history last year, compiling a 28-7 record through the state semifinals.

The Swifts have a new coach this season in Richard

SANTA CLAUS checks his list and gives his approval to Kenn Justice and Maxine Childers for the Chamber of Commerce "Christmas Preview Fun Breakfast" to be held Saturday morning at the County Expo Building. Justice is chairman of the breakfast, and Mrs. Childers is the CofC president. Merchants will display their latest Christmas gifts while chamber directors serve a free breakfast of eggs, bacon and biscuits to the public Saturday morning.

about dimmitt and castro county

by b. m. n.

A new program, to kick off the Christmas season, is being initiated this year by the Chamber of Commerce. It's a novel idea and should prove to be the beginning of an annual popular event. In cooperation with the merchants of the town the chamber will provide space for each business to display samples of their Christmas merchandise at the Expo building. In addition to a free breakfast, door prizes will be given away at regular intervals. You can't beat a deal like that.

We have told you for many years that you are making a mistake when you leave Dimmitt to do your shopping. The merchants here have anticipated your needs and have stocked their stores accordingly, and their prices have always been competitive with those charged in area shopping centers. In addition to that hometown courteous service, you have the advantage and convenience of a place nearby to make needed exchanges. Another thing to keep in mind is the ever present costly energy crunch. Any saving, real or imaginary, that might be realized by going to big town can easily be turned into a loss when the cost of travel is considered. Instead of that old saying that "it pays to trade at home," a better slogan would be "it is economical and fun to buy quality merchandise from friendly Dimmitt merchants." Attend the fun breakfast at the Expo building Saturday morning, you will be convinced.

Local and national economics are comparable. Our national economy has been severely damaged by the importation of foreign merchandise. By the same token, our local economy is weakened when we spend our money out of the county. If you are not in the habit of trading in Dimmitt, try it. You will be pleased with the results.

*

For the farming industry this year the weather has been both bad and good. The bad part was during the growing season with the drouth and unusually hot temperatures taking a toll on production and increasing operating expenses. The good feature has been the ideal weather during the harvest season. With the exception of cotton and sugar beets harvest has been completed. If the good weather holds another week or so those two commodities

Stores to display gifts during Saturday breakfast

You can get a free breakfast Saturday morning, do some early Christmas-gift browsing, and maybe win a holiday ham or turkey — courtesy of the Dimmitt Chamber of Commerce.

It's the chamber's first "Christmas Preview Fun Breakfast," and it will be held from 7:30 to 11:30 Saturday morning in the County Expo Building.

Seventeen local merchants will display their latest Christmas gift ideas at the come-and-go breakfast. Chamber directors will serve eggs, bacon and biscuits from 7:30 to 8:30 a.m., then will have pastries and coffee available until 11:30.

And everyone attending may register for free door prizes — mostly hams and turkeys — that will be given away during the morning.

There's no charge for the breakfast. The participating merchants are paying $15 each to help offset the cost, and other CofC member businesses are donating the door prizes.

The breakfast is open to "anybody and everybody who wants to attend," according to Chamber Manager Delores Golden.

Businesses displaying gift ideas at the breakfast will include the C. R. Anthony Co., Dimmitt Printing & Office Supply, The Shoe Tree, Cobb's, The Flower Patch, Parsons Drug, Kittrell Electronics, Tots and Teens, The Perfect Fit, Harman's, TG&Y, Killingsworth True Value Hardware, M. Loys Raymer's Art, Continental Telephone Co., Western Auto, Dimmitt Super Market and The Village Shop.

'Shop Dimmitt First' day to feature carols, shows

Saturday, Dec. 6, has been designated as "Shop Dimmitt First" day by the Chamber of Commerce.

The town square will be decorated, and music will be playing to set the mood for the Christmas season.

Dimmitt merchants will be giving away matinee show tickets for children with each purchase made in their stores. This will give parents a couple of extra hours to shop while their children are at the show.

Santa Claus will visit around town until 6:30 p.m., when the Community Christmas Tree lighting will take place.

The Dimmitt High School Choir, under the direction of Ken Hearst, will lead the singing of Christmas Carols on the courthouse square.

Winners of the Christmas Coloring Contest will also be announced during the evening program.

Driver cited after car-van mishap Sunday

Liborio Olmos Ortega, 29, of Dimmitt was driving northeast on FM 145 Sunday evening when his 1967 Plymouth was broadsided by a 1979 GMC van.

State troopers said Ortega had failed to yield the right of way at the intersection of FM 145 and State 194, which is controlled by a stop sign.

The driver of the van, Raymond Fuentes, 22, also of Dimmitt, three passengers in the van, and Ortega were all taken to Plains Memorial Hospital where they were treated for minor injuries and released.

Ortega was charged with DWI, having no valid driver's license and failure to yield right of way at an intersection controlled by a stop sign.

WELCOME ABOARD—Mayor Elmer Youts welcomes Ann Armstrong to the Dimmitt Board of Aldermen after administering the oath of office to her Friday afternoon in the city hall auditorium. In background is the picture gallery of Dimmitt's past mayors and council members — all men.

★ ★ ★

She's on the board now-- but what is her handle?

Alderperson?
Alderwoman?
City Mother?

When Ann Armstrong was sworn in Friday as the first female member of the Dimmitt Board of Aldermen, her FELLOW members tried all these handles in a humorous attempt to define the proper title for the new boardmarm.

With a chuckle, Mrs. Armstrong rejected the "City Mother" idea, but said that otherwise a title didn't make much difference to her.

Mayor Elmer Youts administered the oath of office to Mrs. Armstrong at a special meeting of the city governing board Friday afternoon. The aldermen also canvassed the results of the special Nov. 4 city election before Mrs. Armstrong was sworn in.

Mrs. Armstrong won a decisive victory over six other candidates in the special election, polling more than twice as many votes as the second-place candidate and more than 40% of all votes cast.

She's the first woman ever to serve on a city governing board in Dimmitt. She joins Mayor Youts, Fred Annen, Wayne Collins, Doug Lapins and Roy Lilley on the board.

Incidentally, the News will refer to Mrs. Armstrong as "alderwoman." It may seem awkward, especially since the council's official name is the "Board of Aldermen." But "alderwoman" is the correct term.

The Middle English word, "alderman," literally meant "old man."

And Mrs. Armstrong doesn't appear to be either.

FmHA awaits cost figures on renovation

The Farmers Home Administration (FmHA) has contracted with an architect to obtain cost estimates for the renovation of the Castro County Agricultural Housing Project.

FmHA has not, as yet, received those estimates, a spokesman said this week.

According to Philip Madeley, assistant district director of the agency, until the FmHA receives those estimates and some funding, there is little that can be done. Madeley said the FmHA hopes that the renovation will be completed before the migrant workers return to the area next summer.

Madeley said that FmHA has had several offers from companies willing to take over the management of the project, but has made no definite decision yet.

The housing project was turned over to the FmHA by the Castro County Housing Authority in early August.

At present, the project is being kept open and operated two months at a time.

Suspects arrested for armed robbery

Two Plainview men were arrested near Edmonson Tuesday morning less than 90 minutes after they allegedly had robbed the Allsup's Convenience Store in Dimmitt at knifepoint.

Accurate descriptions by two alert store clerks and fast follow-up work by local law officers led to the quick arrests.

The robbery occurred at 6:40 a.m. Tuesday, and Hale County sheriff's deputies — working from a clerk's description of the getaway car — made the arrests by 8 a.m.

Dorothy Hill was the clerk on duty when the armed robbery occurred. She had relieved her son, Mark, 22, less than an hour earlier.

Mrs. Hill said the two black men had come into the store twice before the robbery — once to buy some fried chicken and hot dogs while Mark Hill was on duty, and later to buy gas after she had started her shift.

They came back into the store a third time while there were no other customers.

"One went behind the counter and asked 'What's cooking?' I told him he wasn't supposed to be where he was," Mrs. Hill said.

"Then he pulled a knife and told me they wanted the money, and for me to push the button to open the register. They gave me a little shove and told me to hurry up."

After taking money from the cash register, the two men argued over whether to take Mrs. Hill with them, she said.

"I knew I wasn't going to try to fight them," Mrs. Hill said. "They teach us what to

[See SUSPECTS, Page 15]

Painting to be given to DHS Monday morning

Dimmitt High School's Art Department will receive an original oil painting Monday during a student assembly. The painting is a gift from the Educational Art Foundation.

The non-profit foundation was established in 1970 by Roy J. Beard, founder of Star Engraving Co. of Houston, for the purpose of acquiring art, paintings, etchings, statuary and other articles of art as gifts to high schools, colleges and universities. The foundation is now managed by Beard's son, Jack.

Gay Woods, a Houston artist, was commissioned to do the painting for DHS. All of the paintings involved in this program are of Texas scenes by Texas artists.

Dimmitt High School's painting is being donated as a result of the efforts of DHS Art Teacher Sue Broderson, who applied for the painting last December.

The presentation of the painting will take place at 10:10 a.m. Monday in the DHS auditorium. The presentation is open to the public.

Hereford man is injured in spectacular accident

Paul Rivera DeLeon, 31, of Hereford was hospitalized Friday afternoon due to injuries he received when his car collided with a truck pulling a laden implement trailer 11½ miles north of Dimmitt on US 385.

DeLeon was northbound according to DPS officers, when his Chevrolet Impala collided with the southbound truck and trailer. The driver of the truck was Herman Slaughter, 36, of Lubbock.

DeLeon's Chevrolet swerved out of the northbound lane and into the path of oncoming truck, officers said. The truck and trailer, which carried a tractor mounted with a ditching attachment, swerved to the right to avoid the car. DeLeon's car then struck the left rear dual wheels of the truck, officers reported.

The rear axle of the truck snapped and spun over the left side of the car, officers said. The car spun around and came to rest in the northbound lane of traffic.

The tractor that was mounted on the trailer landed upside down in the ditch on the south side of the highway. The trailer came to rest on the shoulder of the southbound lane. The truck skidded more than 100 feet down the road and came to a stop on the shoulder of the northbound lane, minus its rear wheels.

A rescue unit from the Hereford Volunteer Fire Dept. had to use a "jaws of life" tool to get DeLeon out of his mangled car. Traffic was tied up on the highway an hour after the accident.

DeLeon was given emergency treatment at Deaf Smith General Hospital, then was transferred to Northwest Texas Hospital in Amarillo. He suffered broken bones, lacerations and other injuries.

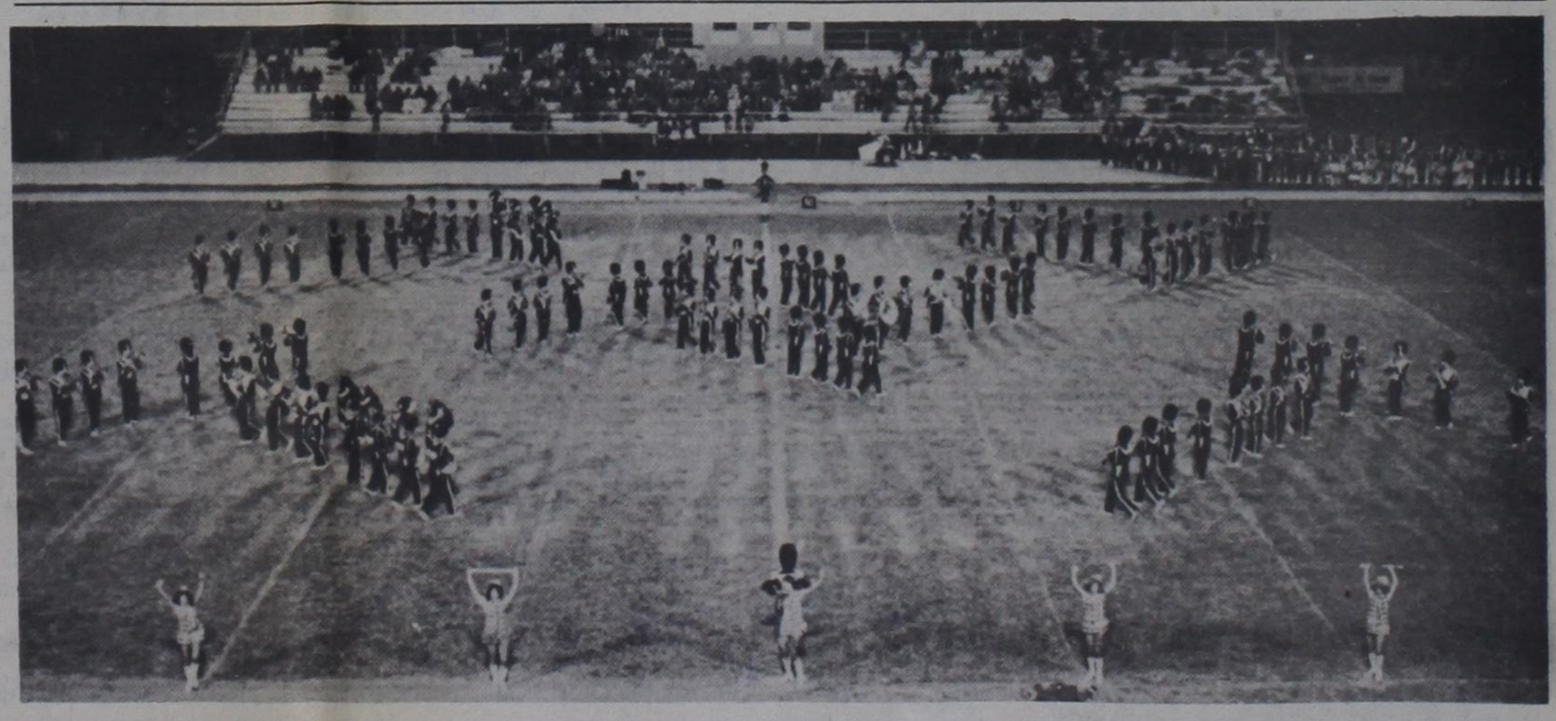

The Highway Patrol cited DeLeon on a misdemeanor charge of DWI.

THE DIMMITT BOBCAT BAND captured a Division I rating at the University Interscholastic League's regional marching contest last Wednesday at Jones Stadium, Texas Tech. Here, Ralph Smith's big band shows how it's done as it changes formations during its final halftime performance in Bobcat Stadium. The bands from Littlefield and Friona High Schools of District 2-AAA also were among the 14 bands that won top ratings at the contest. Twenty-seven area bands competed.

Sheffy's Chatter

Montises given big homecoming and turkey dinner

By MYRTLE SHEFFY

Johnnie and Truett Boothe and a bunch of the family, including the Bill Montises from Shallowater, went to the Amarillo airport to meet the plane bringing their daughter Sue and husband Fred Montis and children Fred Jr. and Jennifer who came home from Bister, England where he has been with the U.S. Service. They go to Denver, Colo. next. Johnnie says a crowd of family and friends taking roses and welcome home banners were there and when they got to Dimmitt, Dugan and the Hardy sisters had a red carpet out. Johnnie cooked a Thanksgiving dinner Sunday for 19 people, and they stayed for supper. And 7-year-old Mandy Boothe, daughter of "the Mikes" made the welcome home banner. The Montises will go to Midland to visit his folks before leaving for Denver.

*

Shirley Stephens entertained their Needlepoint Club girls in her home last Friday. She served lunch to Nancy Hays of Hereford, Sue Merritt, Carole Dyer, Esta Vandiver, Louise Kemp, and Mona Merritt. They had a fun day talking and sewing. Dorothy Sheffy and Myrtle Lois Moran, also members of this club were out of town.

Meredith Cleavinger, was hostess on a recent Sunday afternoon, at a shower for Pam Rickert and her coming soon baby. Many gifts and good wishes were given by the friends coming by. Coffee punch, sausage balls and cookies were served by assisting hostesses who were Sherri Baldridge, Rhonda Schaeffer, Barbara Hudson, Teresa Parsons and Janet Broadstreet. Mrs. Davine Wall is the mother of Pam.

*

Earl and Mabel Brock and her niece Geneva and husband George Hilton of Lubbock are home from a recent trip down south Texas way. They stayed at a lodge near Lake Zapata, didn't fish. Went on to McAllen where the flowers were so colorful, fences covered with Bougainvillea called one of the handsomest of the tropical vines. On here and there seeing the orange groves and things. Before getting that far they stopped in Junction, the nice hill country town, at the Uvalde place where they saw the unusual architecture of the John Garner house. Texas has much to see, if you have the time.

Bob Killough is in the VA hospital in Amarillo for treatment. We wish him well.

Herbert and John Dunn and their wives of Littlefield were in town last Sunday visiting their brother Coy and Nora Dunn and sister Connie and Gene Ivey.

Belle McAfee spent a weekend in Amarillo with her son J. Lee McAfee and family.

The game parties on Tuesday evening at the Senior Citizens are always fun.

Do come join us. We have "42," Bridge, Canasta, and that big table of "88" or what ever it is and coffee and cake. And on 3rd Tuesday we have a buffet supper.

*

Wayland Nelson and Faye Ann Nelson of Shallowater were weekend guests of Flora Stanford. They were relatives of the late Rev. Lee Standord. They were at the Methodist dinner and bazaar. The ladies served around 500 people the turkey dinner.

Jim and Linda Roberts spent a few days at their place in Ruidoso. The house is north toward the airport.

Dickie Holcomb joined them for a couple of days. Linda says five inches of snow came, made the pine trees very pretty.

Elizabeth Huckabay is the great grandmother of a new baby boy, whose name is Jeremy Nelson. His parents are Rex and Jonetta Allsup. Jonetta is the daughter of Bill Stephenson and they live in Plainview. Rex's mother was a school teacher here a few years ago before she died.

J.C. or Sam and Virginia Gilbreath went back to Sun City, Ariz. last week. Sam feels better in the warm climate. We are sorry for them to leave Dimmitt.

*

B. M. Nelson, Polly Bell, and Don and Verbie Nelson and Nathan went to Albuquerque over the weekend for the wedding of Mike Burnham and Martha Torres. Mike is the son of Herb and Mary Nelson Burnham, the grandson of B. M. and the nephew of Don. The wedding was Saturday afternoon in St. John's United Methodist Church in Albuquerque. Rex Burnham, Mike's brother, who spent the summer here with B. M., was one of the ushers, as was younger brother Jay.

Betty Hoover accompanied the Nelsons to Albuquerque and visited with a girlfriend who grew up with her at Amherst. Doyle kept the kids and ran the house while Betty was gone.

Doug Henry, former choral music director in Dimmitt Public Schools, visited with the Doyle Hoovers, former students and other friends here last week. Doug is now the music minister in a big church in Arlington, and has 11 choirs there.

Beral Hance was in Lubbock Saturday to be with her sister, Blanche Smith of Lamesa at Methodist Hospital. Also visiting Blanche was her husband Arthur, and Beral's granddaughters, Keri Hodges and Tracy Compton. Keri will graduate from Texas Tech in December with a degree in finance. Tracy is a freshman at Tech.

*

Sunday was a busy day for Dimmitt folks. Most all of us went to the First Baptist fellowship hall for the reception honoring Morgan and Geneva Dennis on their Golden Wedding Anniversary. Daughter Decimae Dennis from Midland, son Edgar and Betty from here and son Dr. Douglas and Mona Dennis from Goldthwaite and their families hosted the affair. I met Mary E. Pyeatt, Geneva's sister and a niece Jo Pyeatt both from Amarillo. Several were here from Memphis. At the cafe I met John Smith and friend Kathryn Montgomery from Memphis here to visit his daughter Walter and Wade Maynard and son Wyette. They came for the Dennis party too. They are longtime friends. Kay Snider came from Amarillo to have Sunday dinner with mother Opal Bearden and to attend the Dennis party. She and Decimae were school friends. Also here from out of town were Rev. and Mrs. Earl Landtroop. Also Juanita Blaine of Plainview. Grandson Eric was at the guest book, Brent was taking pictures. At the elegant looking refreshment table were Edgar's daughters Debbie and Connie Dennis and Deannea Merritt, Kim Watts, DeNise and Debbie Dobbs, Stephanie Ryan, and Kimberly Peggram. Mrs. Richard Connell served coffee and cake. Such beautiful flower arrangements and many gifts for the Dennises.

*

Cleo Forson was hostess Thursday to the new bridge club. They play in the party room at the Senior Citizens house. Had dinner and games there.

Guests were Susie Reeves who won high score, Jo Gregory, Emily Clingingsmith, Betty Cartwright, second high Oleda Schumacher, Elizabeth Huckabay and Rosalie Marklie.

Linda and Lindy Scarbrough of Amarillo were in town Sunday visiting friends Mary Booker, Cecil and Blanche Ginn and Dora Johnson. They went out to Flagg to visit former neighbors C. G. and Iris Ballard.

Guylene Rogers went to Paducah one day recently to attend the funeral of a family friend. Guylene is a teacher at Dimmitt school.

The Firemen's Auxiliary will be hostess to a dance Saturday, Nov. 15 at the Expo building. It will begin at 9 p.m. with the Rough Riders making music. Tickets are $5 per person. Breakfast will be served after the party. Proceeds will be used to help fire victims. Call Meredith Cleavinger for tickets, 647-5382.

Floyd and Fern Dickey went to Lubbock for a weekend visit with their daughter Susan and Jim Axe and the two daughters.

*

Mrs. Bedford Smith has been in Knox City for a few days visit with her father L. W. Graham, who celebrated his 93rd birthday last week. The Lions Club there gave him a party. Also his family was with him. Bedford went over for one day.

Gary and Barbara Bassett of Fredonia, Kan. were here recently for a visit with her aunt and uncle Richard and Ruth Wooten. Barbara is the granddaughter of the Barber Eubanks of Afton, Okla.

Cletha George was the birthday lady Halloween, Oct. 31 so her boys Jack and Jimmie and families gave her a party in the home of Jimmie and Floyce George. Coming in for the cake were Jack and Chollis and their family. Jimmy and Nancy English, Mimmy and Jackie Tyre of Tucumcari and the grands from here Patti and Gerald Summers, and kids Danny and Shelly Rice and girls Tisha and Brandi and Floyd's mom, Irene Carpenter.

Evelyn McWhorter of Memphis has been here for a

A REASON FOR EVERYTHING

The giraffe was given a very long neck and legs so that he could feed on the leafy part of trees. The giraffe is the only animal that can not make a sound. We do not know the reason for this. God has revealed many things to us, but not all things. Men delve deeply into theology and find many things that cannot be answered, but God has given us the answer to all things pertinent to our salvation.

Attend church, study God's word and grow in faith.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

More about Chatter

[Continued from Page 2]

visit with her sister Blanche Ginn and Cecil Ginn. He is improving from a recent spell of pneumonia.

*

Billy and Katy Graham of McLean spent Tuesday night with his mother Rachel Graham. And Wednesday morning Bill showed pictures of the Waco childrens home to the Methodist men and guests at the breakfast. Bill is one of the "Wranglers" for the Boys Ranch division at the Waco home and has done many things for them like cow feed and getting help from others for the boys.

Mr. and Mrs. Elmer Berryhill and Helen Richardson spent a few days at Ruidoso. The Berryhills have bought a small house in the hills there and were fixing it up for living.

Mrs. Chuck or Pat Braafladt was hostess at a luncheon at Hereford Country Club Tuesday with bridge in the afternoon. Her guests were Deanne Clark, Virginia Hansen, Stephanie Love, Sandra Clark, Nancy Ross, Martie Benton, LaQuita Hill and Sandra Potts.

*

The musical concert in Plainview by "James Dick and Wehuda Hanani" was attended by these Dimmitt people, Edna Riley, Jeannie Miller, Anita Morris, Allie Mae Willis, Carolyn Copeland, Jo Gregory, Lois Scott and her sister Melba MaHaffey. And one day last week, Lena Martin was hostess at a luncheon at the Tara House at north Lubbock for Lois Scott and Melba. And Wednesday Anna Dobbins was hostess to Lois and Melba MaHaffey at a luncheon at the "Ready Room" in Hereford with a cooking demonstration given by Amarillo lady and Saturday evening up to Anna Lee Dobbins for games of "84" or "42" by Jim and Dorothy Elders, Joe and Lois and Melba. You know she is visiting here from California, hence all the parties for her.

Mrs. Rachel Graham celebrated her 87th birthday Sunday, so her daughter Mrs. Ted Sheffy had a party in the afternoon with cake and cookies, coffee and apple cider served to the 25 or more friends by the granddaughters, Beth Wallace of Tulia, Ginia Malone of Hereford, Karen Sheffy and young great Brooke even made some little cookies. Rachel received a little chest of money and several gifts and many cards. Mary Gabel and daughters, Reginea and Sara and the little boys from Canyon were here. Mani is a granddaughter.

Party planned for new mothers

By TEENY BOWDEN

A party honoring two new mothers, Cindy Clatt of Lubbock and Susan Lefevere of Brownfield will be held in Fellowship Hall of the church from 3:30 until 5:00 Saturday, Nov. 15. Everyone is invited to see the new babies, Jasmyne Clatt and Ryan Lefevere.

Mrs. Raymond Jones, Mrs. E. R. Sadler, Mrs. Bruce Bridges, Mrs. Alton Loudder, Mrs. Milburn Haydon, Mrs. Carl Dean Carson, Mrs. Lee Brown, Mrs. Roy Phelan, Mrs. Mathel Green, Mrs. Judy King, Mrs. David Sadler and Mrs. L. B. Bowden attended the Baptist Women's World Day of Prayer with the Lee Street Baptist Church Monday morning. Mrs. Jones had charge of the program, Mrs. Loudder, Mrs. Carson, Mrs. Brown and Mrs. Bridges had charge of the music. The Lee Street women furnished and served the noon meal.

*

Fifty-eight votes were cast in box 16 in the election held at the community building Tuesday. The election officials were Charles Axtell, Ezell Sadler, and Bess Bills. Reagan received 39 votes to Carter's 18. Clark received 1. Kent Hance received 35 votes, Webster none. The bingo amendment was 19 for and 36 against. In box 10 held in fellowship hall of the church, 81 votes were cast, 51 were for Reagan and 29 for Carter. Kent Hance received 66, Webster none. The bingo amendment was 23 for and 49 against. Officials were Mrs. L. B. Bowden, Mrs. Jim Roberts, and Mrs. Alton Loudder.

Mr. and Mrs. E. R. Sadler, Ezell Sadler, Mrs. Euless Waggoner, and Mrs. L. B. Bowden attended the graveside rites for Claude Boyd at Castro Memorial Gardens in Dimmitt Thursday morning. He was 94, and was a pioneer of the Cleo Community. His son, Marvin Boyd and his wife Louise Houtchens ran a grocery store in both Cleo and Sunnyside in the 1930's and 1940's.

Mrs. E. R. Sadler and Mrs. L. B. Bowden helped with the annual Hospital Auxiliary Bazaar and dinner at the expo building in Dimmitt Friday. Mrs. John Gilbreath was unable to attend, but furnished gifts and food for the occasion.

Kittie Owens flew home from Houston Thursday, and is up and around and doing fine. The kids spent Thursday evening through Sunday night at home. They have been staying in Dimmitt with their grandparents.

Mr. and Mrs. Rick Bell and Kacie helped Caleb celebrate his birthday by taking he and his cousin, Zachary Bell and friend, Daniel Matthews to McDonalds in Hereford for supper. They played together during the day, and also visited with his grandparents, Mr. and Mrs. Lonnie Bell who were just returning from Mayo Clinic, and Mr. and Mrs. Bob Mooney, and his great-grandmother, Mrs. Polly Bell, before the trip to Hereford.

*

Mr. and Mrs. Charles Axtell, Paul and Holly were in Amarillo Saturday night to see "The Music Man" at the Amarillo Theatre Center.

Mrs. E. R. Sadler and Mrs. L. B. Bowden worked with auxiliary duties at Plains Memorial Hospital in Dimmitt Monday afternoon.

Mrs. Alton Loudder and Mrs. E. R. Sadler attended an Art and Craft Bazaar in Lubbock in the home of Bonnie Swinney Saturday. Mr. and Mrs. Cliff Brown also attended Saturday evening and had supper with Mrs. E. R. Brown.

Mr. and Mrs. Cliff Brown spent last weekend vacationing in Weatherford and Fort Worth. They came home Monday night.

Lynn Brown, Lee and Gale Brown, Karen Jones, Alan, Roy McGowen, and Mrs. McGowen meet with Bear Bryant and a group with him in Lubbock Friday and together attended the concert by The Imperials.

Ercell Keeler of Hale Center had dinner Friday with Mr. and Mrs. Ezell Sadler and also visited in the afternoon with E. R. Sadler.

Mr. and Mrs. Clyde Akers of Lubbock spent the weekend with her parents, Mr. and Mrs. John Spencer. Mr. and Mrs. Noah Spencer visited with them Saturday.

*

Several couples played "42" at the Ezell Sadler home Thursday night. Mr. and Mrs. Weldon Bradley of Dimmitt and Carl Bradley of Lubbock played with them.

Euless Waggoner came in from his place in Arkansas Saturday evening to spend the winter with his family here.

Mrs. Carl Dean Carson entertained in her home Friday with a glass party.

Carrie Sadler, Gabriel Montiel, Quint Waggoner, Jerri Ka Clark, and Scott Nelson participated with the Dimmitt Bobcat Band in the marching contest in Lubbock Wednesday. They won a I rating.

Dara Loudder participated with the Springlake-Earth Wolverine Band in the marching contest in Lubbock Tuesday. They made a II rating.

Mrs. Euless Waggoner visited in Muleshoe Sunday with her brother, Mr. and Mrs. R. E. Williams.

*

Mrs. Lee Brown, and Mrs. J. A. Jones and Karen attended a bridal shower honoring Sharon Jones, bride elect of Roy McGowen, in the home of Laverne Fennel in Springlake Saturday.

One way to get rid of the boll weevil may be to beat him with a tree. Actually, it's a product of the tree. The Tung tree. Deterrent 1 is the name of the product which is derived from tung oil. Tung oil is relatively easy to extract from the trees and the trees grow well nearly anywhere with a warm climate. Now back to the boll weevil. USDA scientists, determined to get rid of the expensive pest, started working with tung oil nearly 20 years ago and finally have discovered a mixture that works. They say you can dip a plump-and-juicy cotton boll (that's how it looks to the weevil) in Deterrent 1 and drop it in front of some nearly starved weevils. Hardly any of them will take even a second look. If all goes well, it should be avilable soon.

VETERAN'S SERVICES

By BEDFORD W. SMITH
County Service Officer

Notice to Pensioners: You have now received your AIQ (Annual Income Questionnaire) cards; and we are prepared to give you aid in filling them out to your best advantage if you wish our services.

In past years some who filled them out themselves have failed in accuracy in regard to medical expenses and/or correct income matters and so were dropped from the pension rolls or had pensions cut.

Some too, may benefit by coming into the new pension program, effective on January 1, 1979; but more prior pensioners to that date are better off under the prior law.

With complete information as to family income and its sources and allowed medical expenses for all the family, we can tell you whether it is best to change or not.

Our office hours in the courthouse are now Mondays through Fridays 8:30 to 11:30 a.m. plus other times as needed by calling 647-4666 for appointment. Our home phone is 647-4368.

Information is needed in filling out the AIQ forms are Social Security family numbers; and total medical expenses.

Social Security in Castro County

By JANICE B. ULMER

"I'm sorry, Mrs. Brown, but our records indicate you don't have enough social security work credits to qualify for any benefits."

"But I'm 62 and have worked on and off as a part-time waitress for years. What am I to do?"

We hear these problems with unfortunate regularity. People who have worked hard for years and who don't have sufficient coverage with social security, are far too frequent.

What might have helped Mrs. Brown?

First, it is important to ensure that your employer is deducting social security taxes from your wages. Second, cash tips must be reported to the employer as the law requires. These tips, when added to regular wages, can mean higher cash benefits. And more importantly, they can mean the difference between eligibility for social security and situations like Mrs. Brown's.

Cash tips amounting to $20 per month or more count for social security. Tips received in a form other than cash do not count.

A person who splits or shares tips should count only the amount he or she finally receives. If the employer charges a service charge and divides it among employees, the part received is not a tip. It is part of regular wages and should not be reported as a cash tip.

It is the responsibility of the employee to submit a written report to the employer when tips amount to $20 or more in a month. IRS has a form 4070 available for this. However, other forms can be used if they contain the same information.

Social Security has a pamphlet, "Social Security and Cash Tips," which provides more information on this subject. This publication is available at the social security office at 1401-B West 5th in Plainview. We will be happy to mail you one.

If you have any questions about this, please call our toll-free number, 1-800-392-1603, for more information.

AN OLD newspaper can be used to wrap or decorate packages.

There's one thing all farmers will agree on: nothing's more beautiful than a bumper crop at harvest time. Beautiful to look at. Beautiful to cash in on. And a lot of farmers depend on FEAST,* complexed micronutrients to give crops the edge so necessary in producing bumper yields.

FEAST micronutrients have been formulated to help your crops get the nutrients they need to develop and reach their potential. You see, while modern farm practices – like cultivation, irrigation, use of pesticides and new hybrids – have led to bigger yields at harvest, they've also sped up the removal of essential nutrients from the soil. You can replace the macronutrients by using basic N-P-K fertilizers. But when it comes to micronutrients, turn to FEAST, to be sure your crops are getting these nutrients in a highly available form.

Sure, there are lots of factors that go into producing beautiful bumper crops. But these days more and more farmers depend on producing their beauties with FEAST.

CARD OF THANKS

Heartfelt thanks to each and everyone who helped in this 1980 campaign and general election. Whether you polled, addressed cards, poll watched, worked the election, gave funds, delivered signs, voted for the "change," whatever, regardless the size of the task, I am grateful to you, for you made my job pleasant and rewarding.

DEANNE CLARK,
CHAIRMAN
Castro County

EARLY START—Betty Cartwright [left] and Vivian Pigg of the Plains Memorial Hospital Auxiliary sign up donors to the Dimmitt area's "Operation Christmas Greeting" project during the auxiliary's Holiday Bazaar and Buffet Friday in the County Expo Center. They report that 52 families already have signed in advance to have their names on the community Christmas greeting card, which will appear as the cover page in the News's Christmas edition. The regular "Operation Christmas Greeting" sign-up campaign will begin Nov. 28 at the First State Bank of Dimmitt. Proceeds from this year's community card will go to help refurbish the hallways and rooms of Plains Memorial Hospital during the coming year.

Backus, Hoelting attend seminar

Hubert Backus and Jim Hoelting recently attended an agronomy seminar in Plainview, sponsored by Terra Chemicals International.

Backus is a location manager and Hoelting is a salesman at Riverside Chemicals Co. in Dimmitt.

Riverside Chemicals Co. is a subsidiary of Terra Chemicals International, Inc.

Key Club sets dance Friday

The Dimmitt High School Key Club will hold a dance Friday as part of the National Key Club Week festivities.

The dance will be from 8 to 10 p.m. in the David Coles' barn. Dayton Todd of Amarillo will be the disk jockey for the evening.

Admission is $3 per person or $5 per couple.

Pioneer considering 2-for-1 stock split

Directors of Pioneer Corp. have called for a special meeting of the corporation's stockholders to consider a two-for-one stock split.

The Pioneer board of directors also declared a regular quarterly dividend of 40 cents per share, payable Dec. 2 to stockholders of record Nov. 20. Additionally, the directors announced their intention to raise the dividend to 22 cents per split share after the special stockholders' meeting.

The meeting, to be held at the corporation's offices in Amarillo, is scheduled for 11 a.m. Dec. 30. Stockholders of record Nov. 20 will be eligible to vote at the meeting.

If approved, the stock split would become effective Dec. 30.

The board established a new date for the annual stockholders' meetings. Beginning in 1981, the annual meeting will be held on the first Tuesday in May. In recent years, the annual meeting has been scheduled on the third Tuesday in April.

Pioneer, a diversified energy resources corporation, also reported third quarter earnings for 1980 that are 3.2 percent above those for the quarter last year and nine-month earnings that are 37 percent higher this year than in 1979.

In announcing the earnings, K. B. Watson, president and chief executive officer, said two considerations make the third quarter increase significant.

"The third quarter of 1979 was the best quarter of an especially good year," Watson said. "The third quarter of 1980 was a time of recession, with an inevitable effect on several of Pioneer's operations. Under those circumstances, it was an accomplishment for Pioneer's 1980 performance to exceed that of 1979, even slightly."

Public dance set Saturday

There will be a dance Saturday in the County Expo Building, sponsored by the Dimmitt Volunteer Firemen's Auxiliary.

The dance will begin at 9 p.m., and will feature music by the Rough Riders from Nazareth.

Tickets are $5 per person. A breakfast will be served after the dance.

All proceeds will go to help fire victims.

For tickets or information, call Meredith Cleavinger at 647-5382.

ACCIDENT CONTROL

WOODSTOVE users should check all stove and flue parts before lighting up this fall. Especially check pipes for leaks and flues for creosote buildup which could lead to suffocation or a house fire, points out the Texas Agricultural Extension Service.

State tax rep to visit here

State Comptroller Bob Bullock has announced that Kay Doggett from his Lubbock field office will be at the Castro County courthouse in the county commissioners' room next Wednesday from 10 a.m. to 12 noon.

A comptroller's representative is available to assist local residents at the courthouse the third Wednesday of each month.

Bullock urged anyone with problems or questions concerning state taxes to contact Ms. Doggett at the courthouse in person or call the Lubbock field office at (806) 795-0691. A toll free number (1-800-252-5555) is also available to Texas taxpayers.

YEARS ago, at a management conference held in Harrowgate, England, the Royal Society for the Prevention of Accidents erected their own display stand. Ironically enough, the entire display collapsed three minutes after the meeting had begun.

NOW

A checking account that pays you interest.

5¼%

First State Bank's 5¼% Checking Account

Everyone knows you earn interst on your savings account, but who ever heard of earning interest on the money in your personal checking account? With First State Bank's exciting new 5¼% Checking Account, you can.

How does the 5¼% Checking Account work?

Just keep a minimum balance of $500 in your account at all times, and you'll earn 5¼% interest paid monthly and compounded daily. (That's the highest rate allowed by law for any financial institution offering this type of account.) There's absolutely no service charge as long as you maintain your $500 balance. If your balance falls below $500, there's a service charge and a charge per check.

Do I still need a Savings Account?

At First State Bank, we feel you'll still want to set aside a certain amount of money for education, retirement, or just for a rainy day. That's why First State Bank continues to offer a wide variety of high-interest Savings Plans along with our exciting new 5¼% Checking Account.

How soon can I get the 5¼% Checking Account?

The 'NOW Account' will go into effect January 1, 1981 for all First State Bank depositors who sign up. To avoid a last-minute rush, and to be sure your account will start earning interest on the first day, come in and sign up today.

Check with us for details.

View from the library

By BRICK AUTRY

"What's in a name?" Juliet once asked. I could have told her. Trouble is in a name. I find that out often here at the library.

When I send out over due notices I find out how much trouble there is.

For example, I sent an over due notice to Mrs. R. Mrs. R came down to the library.

"Look here, Mister," she said, "I haven't been in this library for a long time. I have no library books."

"The list here says 'Mrs. R," I said.

"But I just told you I have no library books. Besides, I would never read any book like this! Who do you think I am, anyway?"

"Well, isn't this your handwriting?"

"I haven't been here in a long time."

"You are Mrs. R. aren't you?"

"Yes I am. Who else would I be? The monster who reads these kinds of books?"

"Goodness. I'm sure I have the wrong Mrs. R. Which Mrs. R are you?"

"I'm the Mrs. R. who has not checked out any library books for a long time."

"I'm not sure which Mrs. R. that is."

"It's the other Mrs. R., of course."

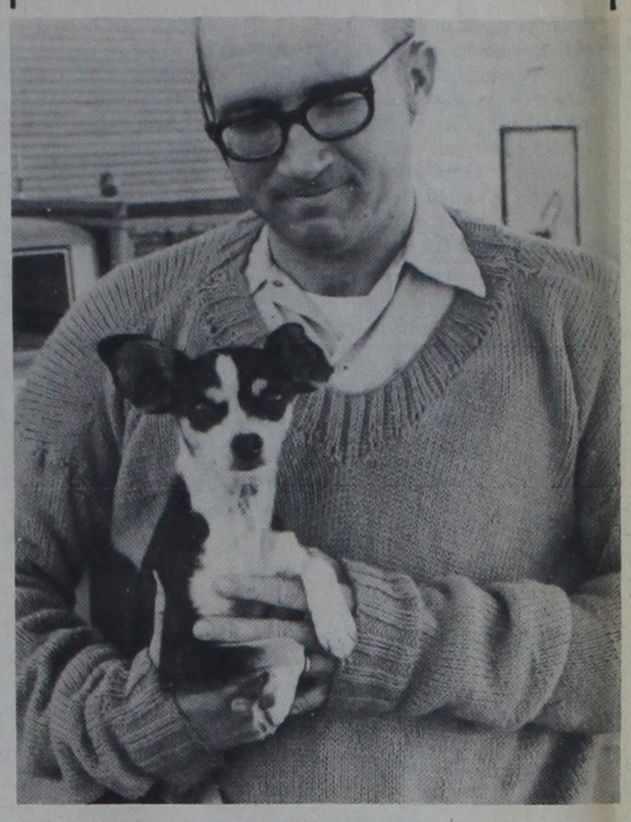

After checking the records I say, "I hate to say this but I have three Mrs. R's. here in my files. Which are you?" And I show her the names.

"Well, no wonder you're having trouble. You have me at the wrong address. This other Mrs. R. lives where I actually don't live."

If Mrs. R. number one lives on street 'A', and Mrs. R. number two lives on street 'C', and the other Mrs. R. has a box number, then this lady must be the Mrs. R. who doesn't actually live at the place the list says she lives. She lives where the other Mrs. R.s don't live, which means the problem obviously concerns some other Mrs. R.

The show, which will feature tole painting, macrame, ceramics, dolls, knitted and crocheted items, metal works and collectible coins, will be held in the H-H Restaurant in downtown Hart.

Refreshments will be served.

Bullock jumps into '82 race

"My record for getting the job done is my platform," State Comptroller Bob Bullock said as he announced he will run for re-election in 1982.

Bullock was first elected the state's chief tax collector and financial officer in '74. He was re-elected in '78 without opposition in either the Democratic primary or the general election.

In '74 and '78, Bullock noted, he was "first to announce and first at the finish line — just where I intend to be in '82."

In making his early announcement, Bullock said he is proud of what the Comptroller's office has accomplished in the past five years but that "we don't intend to rest on our accomplishments now."

"There are a few tax deadbeats and delinquents who don't like it, but the vast majority of honest taxpayers and business people support our energetic and equal enforcement of the tax laws," Bullock said. "The people realize that every delinquent dollar collected — both in Texas and from out-of-state — is a dollar they don't have to make up in new taxes."

DURING THE 1930s, the average American hen laid 121 eggs each year. Today, farmers can expect an average of 224 eggs from each laying hen.

Conservation

Parallel terrace gains popularity

By CLAYTON JOBE

When terraces are mentioned, many farmers don't like to talk about them. However, the parallel terraces that are built in modern times are rapidly gaining popularity. These terraces modernized to a wide base width are tailored to each farmer's equipment size.

These terraces are easily farmed since they are built parallel to each other, thus eliminating point rows which were so common on the old standard-type terrace.

Of course, the purpose of terracing a field is to prevent or eliminate gullies, and to hold on the land as much of the water as possible which comes from rainfall. This keeps the soil where it belongs and will increase production of crops. It keeps the farmer from worrying about whether his field is going to be washed away during a heavy rain.

There are many parallel terrace systems already established in Castro County. One of these may be seen at the Jim Elder farm located five miles north of Dimmitt.

Elder established this terrace system through the Great Plains Conservation Program, with both technical and financial assistance being given. Sixty percent of the cost of constructing these terraces is offered through the program. Also, cost-share assistance is available through the Agriculture Conservation Program from the ASCS office.

Hart to host art show-sale

The Pro Family Forum of Hart will sell Christmas trees starting Dec. 1, in the vacant lot beside the Dairy Bee in Hart.

Proceeds will go to the fund for John Darryl McLain to help defray medical expenses.

The trees will be fresh cut from the Canadian border and will range in height from four to seven feet.

WE HAVE THE
FEEDERS
TO FILL YOUR NEEDS

Double Capacity Feeder
This Double Capacity [2,000 lb. Feeder consists of a frame constructed of high quality structural steel and the feed bunkers are made of an almost indestructible, high quality polyethylene. This polyethylene will neither rust, rot, nor splinter and is resistant to outside erosion.

Cattle Feed Bunks
We also have a good stock of 12' cattle feed bunks that are on structural steel skids.

Combination Hay Rack and Feed Bunk
For the rancher, farmer, or cattle feeder that prefers to utilize a combination hay rack and feeder bunk, we have a 12' twin feeder with hay rack that has feeding capacity for 48 head.

Horse Hay and Grain Feeders
For the horseman we have three outstanding feeder products, two models of wall hay and grain feeders and the corner hay and 30 lb. grain feeder.

All Metal Horse Feeders
For the super horseman, we have two all metal horse feeders with hay racks, one 5' model and one 10' model.

Poli-Tron Mineral Feeder
Perhaps the most overlooked product among mineral feeders is the Poli-Tron Mineral Feeder. Holds three 50 lb. blocks or 150 lbs. of supplement.

We also have in stock a good supply of 2 gallon Handi-pans and 20 gal. Handi-Tubs. Like other Poli-Tron products, these pans will not chip, rot, rust crack nor splinter. Use it in your garage for dirty oil, in your home for soaking your feet, planting pan, waste pan, dog pan, parts pan, or you will be able to find many more uses. Very competitively priced.

Last but not least, we have superior multi-purpose unbreakable 20 gallon Handi-Tubs that you can use as a portable water tank or as a supplement feeder. It holds two 50 pound blocks, or 150 pounds of supplement. This Handi-Pan can help you 100 ways. Very competitively priced.

FORMER DIMMITT BOBCATS Thompson Mayberry [left] and Gary Naylor are seeing a lot of football action for West Texas State University this season. Mayberry is the starting cornerback for the Buffaloes. So far this year he has intercepted two passes and returned them 12 yards; has made 38 tackles, including three for losses totaling 14 yards; and has broken up seven passes. Naylor is a split end for the Buff Junior Varsity and has seen action in both of the squad's games so far. Mayberry, a junior, is the son of Mr. and Mrs. Ellis Mayberry. Naylor, a freshman, is the son of Mr. and Mrs. Jim Naylor. [WTSU Photos]

Swifts win final game, 13-0

By CHRIS ALBRACHT

The Nazareth Swifts ended their 1980 season on a sweet note as they defeated the Silverton Owls 13-0 at Silverton Thursday.

The Swifts snapped a four-game losing streak in the process of their victory, which left them with a 4-6 season record, 1-4 in District 2A north play.

In the beginning, neither team could do much of anything. Defense played an important part of the first half, stopping potential drives and forcing many punts.

The Swifts changed all of that just before halftime, though. After bottling up Silverton with an excellent 43-yard punt by Rodney Schulte, the Swifts defense held Silverton in check near its goal line, forcing the Owls to punt to the Swifts' 44. Nazareth proceeded to drive those 44 yards in seven plays, with the backbreaker coming on a 36-yard run by Virgil Huseman to the Owl 9-yard line. Three plays later, Huseman got the call and scored from five yards out. Joe Hochstein kicked the extra point, and Nazareth led 7-0 with 4:04 left before halftime.

The second half turned out to be an instant replay, as both defenses turned potential scoring drives into punting situations.

It stayed that way for 22:32 of the second half until the Swifts tallied their final score, driving 54 yards in nine plays, with Rodney Schulte scoring from two yards out. Joe Hochstein's kick attempt for the extra point was low, leaving the Swifts ahead for the victory, 13-0 with 1:28 left in the season.

In the individual statistics department, Virgil Huseman led all rushers with 100 yards on 14 carries. Mark Patton led Silverton with 74 yards on 12 carries.

It was the final football game for seniors Lester Backus, Gerry Kleman, Neal Hoelting, Joe Hochstein, and Hugh Wilhelm. For Bryan Huseman, the sixth senior, the final game came earlier, on Oct. 10.

Turkey shoot set for kids

A "Daisy Turkey Shoot" for children 7 through 14 will be held Nov. 22, starting at 9 a.m.

The shoot will be at Killingsworth True Value Hardware, which is co-sponsoring the event with the Daisy Co., manufacturer of air rifles and pistols.

Competition will be in two age groups, 7-10 and 11-14. Winner in each division will receive a new BB gun.

Entrants will fire five shots at a printed turkey target overlaid with a bullseye. The store will furnish the air rifles for contestants to use.

Each entrant must be accompanied by an adult.

THE westernization of mainland China has brought about an interesting new development. The Voice of America, once drowned out on the mainland, is now being recommended to Chinese youth by the government. The purpose is to enhance the teaching of the English language.

Dianne Hochstein

Hochstein on SPC cage team

Former Nazareth Swiftette Dianne Hochstein is one of 11 freshmen on this year's Women Texans at South Plains College in Levelland.

"Dianne comes from a good, sound basketball program and has had excellent coaching," said SPC Coach Gayle Nicholas. "Joe Lombard (Nazareth High School girls' coach) has an excellent program; Dianne has a good knowledge of the game and plays good, sound defense."

While at Nazareth, Hochstein was named to Who's Who Among American High School Students, and was an all-district selection her senior year. She was a point guard and averaged eight points a game last year as the Swiftettes repeated as state champions.

Hochstein, daughter of Mr. and Mrs. William Hochstein, is a business administration major at SPC.

Valley, Sudan to meet here for 2-A crown

Dimmitt's Bobcat Stadium will be the site tonight (Thursday) of the District 2-A championship playoff game.

The Valley Patriots, winners of the big district's North Zone title, will meet the Sudan Hornets, South Zone champs.

Kickoff time will be 7:30 tonight.

Admission will be $3 for adults and $1 for students. Sudan will be the home team, and its fans will occupy the west stands. All seats will be general admission; there will be no reserved seats for the game.

The concession stand at the stadium will be open, school officials said.

The Patriots are undefeated this year, and are currently ranked No. 2 in the state in Class A. Sudan was one of Valley's victims earlier in the season, losing by a 39-6 count.

Cats drop season finale, 21-0

By JOHN BROOKS

An opportunistic Olton Mustang offense took advantage of good field position Friday night and handed the Dimmitt Bobcats a season-ending 21-0 defeat at Olton Memorial Stadium.

Dimmitt, finishing the 1980 campaign at 2-8, was bottled up in its own end of the field all night long. The Bobcats' only offensive threats of the night were stopped by their own mistakes.

Dimmitt was penalized 15 times for 110 yards, and suffered four lost fumbles and three pass interceptions by the Olton secondary.

The officials were kept busy by the Mustangs as well, as Olton was flagged for 10 penalties for 100 yards. Olton lost five fumbles and Dimmitt picked off one Mustang pass.

The game was played in the northern half of the field during the entire first quarter, as Olton's worst field position during the period was its 48, while Dimmitt's best was the Bobcat 28.

Olton could take advantage of but one of the opportunities given by the Bobcats. That came with only 2:23 left in the first period, after Olton had been driven back by the Bobcat defense and by three penalties for 25 yards. Olton recovered a fumble at the Dimmitt 5, and took just one play to score what would prove to be the game's winning TD — a run by halfback Roy Luera around left end. The kick by Gregg Smith was short and the score stood at 6-0.

Both teams were using sophomore field generals in the game, and both came into the game fairly untested. Olton's Mart Cordova was seeing some of his first action of the year at quarterback, while Dimmitt's Lonnie Robb had been pressed into duty after Richard Guzman — who had been the starter since the second game of the season until he went out with three cracked ribs last week against Muleshoe. Guzman came in for only two plays in the game, once in the first period to fire a pass that fell incomplete, and again in the second quarter for a pass play good for 21 yards to split end Todd Touchstone. But Guzman was racked in the ribs again on the play, and could not re-enter the game.

Dimmitt did not run the veer offense during the game. Since Robb and Ron Rickenbrode, who had been the freshman quarterback most of the way last year and was Robb's backup Friday night, had more experience running the "I" formation, the Bobcats opted to use that set Friday evening.

The Bobcats also used a new face in the backfield, with former guard Tony Enriquez running at fullback. Enriquez seemed to enjoy his new duties as he picked up 48 yards on just nine carries, an average of more than five yards per tote. In fact, he was the leading rusher, by 29 yards, for the Bobcats. Dimmitt ended up with only 53 yards rushing and 33 passing, while Olton, running freely around the beleaguered Dimmitt defense, picked up 158 yards, all on the ground.

Quarterback Cordova picked up 90 yards on 13 carries, while Luera toted the ball 17 times for 70 yards. Olton attempted only three passes, and had two of them caught, only to be called back for holding penalties, while the Bobcats intercepted the other.

Dimmitt had the ball on the Olton end of the field twice in the first half, both times deep in the second quarter, and, both times, turned the ball over on downs. The first possession came on the Olton 25, and Dimmitt netted only five yards. The second one came at the Mustang 38, and Dimmitt ended up 11 yards farther back, at the 49, before giving the ball back to the Mustangs.

Luera put the Mustangs on the scoreboard again in the first three minutes of the second half, this time from his defensive halfback position. Luera picked off a Robb pass at the Dimmitt 30 and had clear sailing into the end zone.

The try for two failed, and Olton led, 12-0, with 9:45 left in the third.

Dimmitt had an apparent touchdown called back in the quarter as Jay Nelson out-fought two Olton defenders for a Robb pass and raced into the end zone, only to have the umpire tell the referee he had detected illegal use of the hands on the Bobcats. The penalty cost them five yards and denied them their only scoring threat of the evening.

Later in the third quarter, an old nemesis came back to visit the Bobcats. Remember the bad snap to the punter? Well, it happened again as Ricky Gonzales, standing in his own end zone, raced for the football. Gonzales scooted the ball across the end line to give the Mustangs a two-point safety, making it 14-0 with 4:08 left in the third quarter.

Cordova carried the ball only once more, late in the fourth quarter. The game's offensive leader with 90 yards, he ended the third quarter with 63 yards on 13 carries, but made the last one count for the final touchdown of the game.

It came after both teams had exchanged fumbles and interceptions, and one case of, well, what you'd have to call double larceny.

Robb threw a pass to tight end Chevo Ortiz, who stole the ball from an Olton defender, but had it taken away by Luera, who returned it to the Dimmitt 39. One play later, though, Cordova and center Dewayne DePraing misconnected on the center snap, and Dimmitt recovered the fumble.

Cordova finally got his chance to score with only 1:29 left in the game, as he took the ball in from 27 yards out. Mike Williams, up from the JV team for a week, kicked the extra point to make the final score 21-0.

It was the final game in the career of seven seniors — Morris Cole, Trent Armstrong, Chevo Ortiz, Todd Touchstone, Robert Boozer, Adrian Stanton and Tim Lay. All seven started on offense, and Cole, Armstrong and Ortiz were full-timers on defense. But the Bobcats next year will bring back a host of sophomores and juniors who gained valuable experience.

The Bobcats will be hanging 'em up this week, and will begin off-season weight and agility work in hopes that a bigger, quicker, stronger Bobcat team can represent Dimmitt High School next year.

TONY ENRIQUEZ [63] attempts to sidestep an Olton tackler as he picks up a gain for Dimmitt in the Bobcats' final game Friday night. Enriquez, a junior guard, stepped into the fullback spot for the season finale and was Dimmitt's leading ground-gainer with 48 yards on nine carries. The Mustangs won the game, 21-0. [Photo by Janice Smith]

7A suffers first loss

Dimmitt's 7-A football team suffered its first loss of the season in its final game, dropping a disputed 8-6 contest at Olton last Thursday.

The team still finished with a sterling 7-1 season record, and were hailed by their coaches as "a great group of kids."

"They are all winners, and should have greater things come their way," Coach George Rasor commented.

Olton scored on its first possession and added a two-point conversion to take a quick 8-0 lead — and that's where the score remained until the fourth quarter.

Dimmitt finally broke Olton's defensive barrier when Mark Smothermon scored on a 34-yard run to cap a 61-yard drive.

Dimmitt went for a two-point conversion that would have tied the score. A pass from Woody Glass to Sky Garner in the end zone appeared to be good, but the officials ruled it incomplete.

Dimmitt's defense stopped Olton on its next possession, with Mitch Brown providing the big play for the defense, then took over and started driving for a go-ahead score. But the drive ended when Dimmitt couldn't muster a first down on a fourth-and-eight situation.

Dimmitt was penalized six times, while Olton went free of penalties.

"The defense played exceptionally well, except for that first drive," Coach Rasor said. "We held Olton five downs inside the 6-yard line in the first half."

SAFETY experts estimate that more than half of the 10,000 pedestrians struck and killed each year by automobiles has been drinking.

Hartman starting for UT

Cheryl Hartman, a 6-1 junior from Nazareth, is one of three returning starters for the University of Texas women's basketball team this year.

Considering their 33-4 record last year and the return of three starters, the Longhorns are expected to be listed in the nation's Top 10 when the first picks are released.

The Longhorns opened Monday at Temple Junior College, and will travel to Iowa City, for a game tonight (Thursday) with the University of Iowa.

The Longhorns' first home game in the UT Special Events Center will be Tuesday, Nov. 25, when they host San Jose State.

The schedule this year will be highlighted by visits to Austin by Old Dominion (Jan. 20), two-time national champion, and the Republic of China National Team (Dec. 9); and road trips to top rival Stephen F. Austin at Nacagdoches, top powers North Carolina and North Carolina State, and the Giusti Tournament of Champions at Portland, Ore.

Longhorn Head Coach Jody Conradt, who won Coach of the Year honors last year, begins her fifth season at the UT helm after chalking up 135 wins and only 28 losses at Texas. Last year the Longhorns finished the season ranked seventh in the national Associated Press Poll, and made it to the second round of the AIAW playoff.

Returning starters who will join Hartman inside this year are 6-2 senior Jackie Swaim, the team's leading scorer in 1978-79 who sat out last year with injuries; 6-0 sophomore Joy Williams; 6-0 senior Nell Fortner, the team's leading scorer last year at 13.7 points per game; 6-0 sophomore Debra Rankin; 5-10 junior transfer Lesa Jones and 5-10 freshman Sherryl Hauglum, a Parade Magazine High School All-American.

Vying for starting posts at the guard positions — where the Longhorns were hard-hit by graduation — are 5-9 sophomore Nancy Walling, 5-7 freshmen Terri Mackey and 5-5 freshman Esoleta Whaley.

Dimmitt 8A loses to Olton

Olton broke a scoreless deadlock in the fourth quarter to take a 6-0 victory over the Dimmitt 8-A football team last Thursday at Olton.

It was the final game for Dimmitt 8-A, which finished the season with a 1-6-1 record.

Dimmitt threatened to score only once, when Greg Sava connected with Steven Hightower on a 40-yard pass play that carried to the Olton 9. But Dimmitt fumbled on the next play and Olton recovered to end the threat.

Dimmitt lost one other fumble, but had no interceptions as it ran its "shotgun" passing attack.

Hightower and Sava paced Dimmitt's offense, while Ray Cameron and Billy Patton sparked the defense.

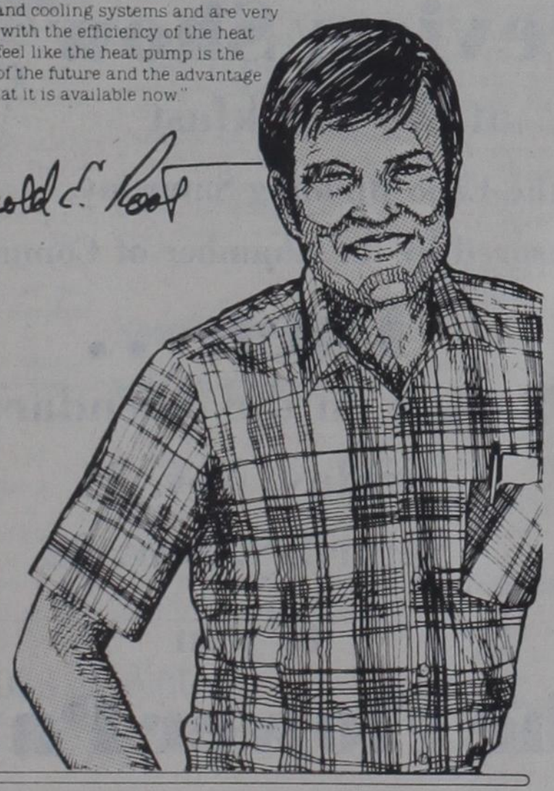

IN 1974 researchers in Kenya discovered a circular house foundation made from stone. They reported the structure to be 118 million years old.

It's True.
"After installing the heat pump in my own home and monitoring it very closely for two or three years, we were so impressed with the heat pump that we're using them in quite a few new homes that we are building. The heat pump is easy to adapt to different types of buildings and homes.
We've run detailed comparisons of other heating and cooling systems and are very satisfied with the efficiency of the heat pump. I feel like the heat pump is the product of the future and the advantage of it is that it is available now."
Harold E. Root

The things said about the heat pump are true. Find out more about the heat pump. It can save for you.

Venhauses host Sunday gathering

By VIRGIE GERBER

A dinner was enjoyed Sunday at the Paul Venhaus home. Attending were Ed and Eileen Gerber and family of Dumas, Harold Venhaus and children of Hobbs, N.M., Greg and Mary Lou Venhaus and family of Friona, Smitty and Annalene Lane and daughter of Shallowater and Nelita Venhaus of Farmington, N.M. The Ed Gerber family is moving to Wiliston, N.D. Ed works for Phillips and they are establishing a new plant in North Dakota.

Nelita Venhaus and four other girls from Farmington were in a bowling tournament in Amarillo over the weekend.

Bobby Hofernik of Taylor and her niece, Sunshine Hofernik are here for a week visiting friends.

Sonny Ball is recuperating at home after spending a few days at St. Anthony's Hospital for tests.

Dennis and Dolores Heiman, Francis and Julene Gerber and Jo Ann Bowan of Plainview drove to Salisaw, Okla. to spend the weekend with their sister, Etta Mae Kleman. An uncle, Father Harold Heiman of Subiaco, Ark., came Saturday to visit his family.

Gordon and Kim Wilhelm of Amarillo spent the weekend here with the Francis Wilhelms.

Lawrence Schmucker is doing fine after having had surgery Friday at Central Plains Hospital in Plainview.

Congratulations to Ronnie and Gerrie Russell of Lubbock on the birth of a son, Matthew Brian, Nov. 3 at Lubbock Municipal Hospital. Grandparents are the Jerome Brockmans of Nazareth and the Ross Russells of Canyon.

Joe Schmucker had surgery Tuesday morning at the E.A. Nichols Hospital in Plainview.

Sister Celestine Marie is recuperating at St. Josephs Convent in Amarillo after having been in St. Anthonys Hospital for a month. She is hoping to be back here soon.

Emil Huseman is a patient at Lubbock Methodist Hospital. He had surgery last Wednesday.

Booths still are available for A-C bazaar

The Arts and Crafts Bazaar to be held Nov. 22 at the County Expo Building still has some booth space available for clubs and individuals to exhibit and sell their wares.

Thirteen booths have been reserved, including such crafts as basket weaving, stained glass, windmills, oils and water colors.

The event and a concession stand, sponsored by Dimmitt Young Homemakers, will be open from 10 a.m. to 4 p.m.

Admission will be free to the public, and a door prize will be given.

To reserve a booth, call Cindy Ellis at 647-5332 in the daytime, or 647-5497 after 6 p.m.

It's Texas Nurses' Week

Gov. Bill Clements has declared the week of Nov. 9-15 as Texas Nurses Week.

The Texas Hospital Association and its member institutions recognize the vital role nurses play in providing care to the sick and injured in communities throughout Texas.

There is currently a shortage of nurses in our state and nation, with over 9,000 vacant nursing positions in Texas hospitals. The long-term solution to this shortage rests with the youth of the state, and with those being honored this week.

Ratzlaff completes Allsup's training

Kari Ratzlaff of Dimmitt, assistant manager of the Allsup's store at 529 Ave. H in Hereford, has completed the Allsup's Assistant Store Manager Training Course.

The class, held at the company's home offices in Clovis, is a requirement for all Allsup's assistant managers.

ONE out of every 60 infants born today will die in a traffic accident. Two out of three will suffer injuries.

NOVEMBER 17 — Joe and Kathy Lust, Joe and Linda Nowak, Melvin and Joy Wethington.

NOVEMBER 19 — Ivor and Hazel Bagwell, George and Barbara Hudson.

NOVEMBER 20 — Bill and Ann Murphy.

MILK PRODUCTION STEADY

Despite some reports, Texas dairy cows "kept their cool" during this summer's heat wave and drought and continued to produce milk on a steady basis. Records show that daily milk production per cow this summer compared favorably with the summer months of 1978 and 1979.

AFTER four hours behind the wheel, the average driver takes about 20% longer between steering wheel corrections.

Judith Sandoval

Airman Sandoval completes course

Airman Basic Judith Sandoval has successfully completed 290 hours, or eight college credits, in the Community College of the Air Force at Sheppard AFB at Wichita Falls. She graduated as a freight traffic specialist.

Airman Sandoval is now stationed at Francis E. Warren AFB in Cheyenne, Wyo., for on-the-job training.

She is a 1980 graduate of Dimmitt High School. Her parents are Emigdio and Maria Sandoval of Dimmitt.

She will be spending Christmas in Dimmitt with her family.

Plainview man cited in stabbing

A Plainview man was charged with aggravated assault after he allegedly stabbed a young Dimmitt woman during an incident that occurred in a street near Richardson Elementary School last Thursday.

Aida Garcia, 22, of Dimmitt was treated for knife wounds at Deaf Smith General Hospital some time after the incident. Hospital officials notified the Hereford Police Dept. after Miss Garcia appeared for emergency treatment, accompanied by Toribio Torres of Plainview.

Torres, 45, was arrested Friday on a warrant issued by the Dimmitt Police Dept., and was charged with aggravated assault. He was later released on bond pending grand jury action.

Police said Miss Garcia told them Torres had followed her car to Richardson Elementary, then had walked up to her car as soon as she parked. She said that the two started arguing while she was still inside her car, and that Torres pulled a knife and stuck it through the car window.

She told officers she grabbed the knife and tried to push it away, but that Torres then pulled her out of her car through the window. The two fell to the ground and fought, and Miss Garcia was cut, officers said.

A witness came over to stop the fight, and Torres reportedly told the witness he would take Miss Garcia to the hospital for treatment. Miss Garcia told police he then forced her into his car and took her to the Hereford hospital.

Hereford police questioned the couple after Miss Garcia was treated, then notified the Dimmitt Police Dept.

THINK the "hatchback" is a modern concept in car design? Hardly. Henry J. Kaiser invented it in 1948, and it first appeared in the 1949 Kaiser.

Postmaster explains nine-digit Zip Code

Did you know that your new nine-digit Zip Code will belong only to you and a few of your close neighbors?

The US Postal Service is implementing the voluntary use of the nine-digit Zip Code which will bring your mail to you with greater ease and economy.

The nine-digit code will consist of your present Zip Code followed by a dash and two digits which indicate the segment of the city in which you are located. Those two digits are followed by another dash and two more digits which will indicate your block-face or box number.

Dimmitt, for example, will consist of 22 segments, each made up of about 12 square blocks, or 48 blockfaces. A sample nine-digit Zip Code for a block in Dimmitt might then look like this: 79027-22-48.

Dimmitt Postmaster Bill Sava, speaking to the Kiwanis Club Monday, said the economy of the nine-digit code is its most attractive feature. Mail coming into Dimmitt which is pre-sorted by the new code will eliminate one mail handling, according to Sava. That, in turn, will eliminate cost and man-hours.

Sava said the Dimmitt Post Office receives 6,380 pieces of first and second class mail as well as 5,000 pieces of third class mail each day. Under the present system, all of this mail comes to the 79027 Zip Code and must be hand-sorted.

"We aren't even suggesting that someone in Dimmitt mailing to someone else in Dimmitt use the nine-digit Zip," Sava said. "We are mainly interested in large volumes of mail going out of town and coming into town having the extra digits."

Sava and the other postal employees are working now on the new system. By February, they will have compiled a computer print-out of the new Zip Codes for major mailers or pre-sort customers.

By the fall of 1981, the post office will be able to accept lists from individuals containing the addresses they use. The Postal Service will process the lists, adding the new Zip Codes, and return them.

Eventually, the US Postal Service will have a toll-free number which you may call for Zip Code information.

The new nine-digit Zip Code, like the present Zip Code system, is not mandatory. It is offered to create more efficient mail service.

In the present Zip Code system, the first three digits indicate a sectional center, such as Amarillo or Lubbock. The last two digits represent a town covered by that sectional center.

PLAINS MEMORIAL

Gary and Lee Ann Melton have a new baby boy, Stoney Ray Melton. He was born Nov. 11 and weighed 7 pounds and 3 ounces.

It's a girl for Estaban and Teresa Oltivero. Stephanie Ann Oltivero was born Nov. 6 at 2:20 p.m. and weighed 4 pounds and 14 ounces.

Henry and Linda Dominquez are the parents of a boy. Jeremiah Dominquez was born Nov. 6 at 5:56 p.m. and weighed 6 pounds.

Ramiro and Benedicta Gomez have a new baby girl, Nidia Maria Gomez. She was born Nov. 7 at 8:37 a.m. and weighed 7 pounds and 14 ounces.

OUT OF TOWN

Rex and Jonette Allsup of Plainview, have a new baby boy, Jeremy Nelson. He was born Nov. 4 and weighed 7 pounds and 10½ ounces. Mrs. Elizabeth Huckabay is Jeremy's great-grandmother.

Roger and Janice Allison of Okmulgee, Okla., have a new baby girl, Tiffany Ranee. She was born Oct. 31 and weighed 7 pounds, 5 ounces. Grandparents are Judge and Dolores Baldridge of Dimmitt and Edwin and Juanita Schacher of Nazareth.

Health Provider will be discussed

There will be a community meeting Nov. 20 at 7 p.m. in the Dimmitt city hall to discuss the services of the South Plains Health Provider Organization.

The meeting is open to all interested persons.

FIVE GENERATIONS were represented when members of Mary Edna Hendrix's family gathered recently. Seated, from left, are the great-great-grandmother, Mrs. O. B. Kelley of Tulia; the great-grandmother, Mrs. Hendrix of Dimmitt, holding Adria Anne Lankford of Red River, N.M.; and the grandmother, Mary Lynn Lankford of Amarillo. Standing is Adria's father, Kevin Lankford of Red River, N.M.

DISD reaction mixed on Stinson Street proposals

The Dimmitt School Board Monday reviewed the traffic congestion problem on Stinson Street, south of Richardson Elementary School, and heard more porposals from Police Chief Ron Mitchell and City Manager Garnett Holland.

The school district had already begun its efforts with the city to make Stinson a safer street when it started moving the fence south of the old football field, located west of the school and parallel to Stinson. The fence is presently being moved inward about 12 feet to allow for angle parking all the way from the school to 10th Street.

The board agreed last month to create two loading and unloading zones located at the east and west ends of the school. It agreed also to remove an island located behind the faculty parking area east of the school for easier access to the planned one-way loading zone between the parking area and the street.

However, disagreements arose Monday when Mitchell spoke about moving the fence located south of the developed playground and east of the school. He proposed moving the playground fence inward by approximately 24 feet, removing the old curb and gutter, widening Stinson Street, and opening up another paved lane for loading and unloading.

Such work with added sidewalks and recommendations to alleviate some of the drainage problems in the area would cost about $53,820, according to McMorries & Co. engineers, Mitchell said.

"We never discussed the (playground) fence east of the school last month," Chairman Charles Wales said.

Apparently, Mitchell had assumed that the school board was planning to move both the playground fence and the old football field fence.

The school board was opposed to forfeiting more needed playground space and to the cost of the additional work, and it preferred to stay with moving the old football field fence, removing the island east of the school, and creating two loading zones.

"We should go ahead with what we have in mind and look to this other later," Don Gregory said.

"I still feel this alone will not solve the problem," Supt. Robert Ryan said, adding, "Daily supervision by the police department will be a must."

Holland said that the city will help wherever possible with the traffic problems. The city will definitely help with dirt work, gravelling, and with removal of the island, he added.

The school board also reviewed the DISD annual audit dated Aug. 31, and was pleased with the overall picture.

Jack Anderson, CPA with Cornell & Co. of Amarillo, presented a balanced budget including total assets and other debits of $9,395,832; total liabilities of $1,529,737; and total fund balance and reserves of $7,866,095.

The total expenses per pupil increased by $160.17, Anderson told the board. Per-pupil expense totaled $1,952.39 in the year ended Aug. 31, 1979, and increased to $2,112.56 per pupil in the 1979-80 year, he reported.

The board approved Stanley Nelson's motion to accept the audit as presented.

Other business handled by the board included:

—Approval of a list of 15 people to serve on the Textbook Selection Committee to give recommendations on basal readers in grades 1-8, basal bilingual readers in grades 1-3, and earth science texts.

—A reminder that the board will open more roof repair bids at the Dec. 8 meeting. Trustees expressed the hope that the insurance company will then settle with the school district on hail damage received to all DISD buildings during the summer.

Obituaries

Hattie Fuller

Graveside services for Mrs. Hattie Lou Fuller, 84, were held Monday afternoon at Cederlawn Memorial Park in Sherman.

Mrs. Fuller, a former Dimmitt resident, died Saturday.

She was born Oct. 1, 1896 in White Rock. She lived in Dimmitt in the 1950's and 1960's, and was a waitress at Dickey's Restaurant and other Dimmitt restaurants during that time.

Survivors include three sons, Loyd of McKinney, Joe L. of Albuquerque and Powell F. of Sherman; two daughters, Mrs. Martha Jane Cox of Lubbock and Betty Brown of Bailey; 11 grandchildren, and 12 great-grandchildren.

J. P. Wesson

Services for J. P. Wesson, 76, of Borger were held at 2 p.m. Wednesday in Borger. Mr. Wesson was the brother of N. L. Wesson of Dimmitt and Hereford.

He died Monday.

Funeral services were held in Ed Brown & Sons Chapel of the Fountains, with Charles Kymes, pastor of the Johnson Park Church of Christ, and Darnell Boyd, pastor of Gardner Street Church of Christ, officiating. Burial was in Westlawn Memorial Park.

Mr. Wesson was born in Roff, Okla., and had lived in Borger since 1944. He was a retired employee of Phillips Petroleum Co., Plains Plant. He was a member of the Church of Christ.

He is survived by his wife, Arthurine; a daughter, Mattie Jo Wesson of Borger; a brother, N. L. of Dimmitt; and three sisters, Mrs. Mary Guest of Bakersfield, Calif., Mrs. Winnie Turner of Ada, Okla., and Mrs. Helen Howell of Dodson.

Mariana Silva

Services for Mariana Silva, 37, were held Friday afternoon. She had been a Castro County resident for the past seven years.

Mrs. Silva died at 2:15 a.m. last Wednesday in Plains Memorial Hospital after an illness.

Funeral services were held at 4 p.m. Friday in the Immaculate Conception Church with Father Raphael Chen, pastor, officiating. Burial was in Castro Memorial Gardens, under the direction of Parsons Funeral Home.

Mrs. Silva is survived by her husband, Jose; two sons, Daniel and Noel, both of the home; her father, Carlos Ventura of San Diego, Calif.; her mother, Trinidad Core of Wasco, Calif.; one sister, Joanna Ventura of Bakersfield, Calif.; and one brother, Raul Ventura of Bakersfield, Calif.

Police calls

A 26-year-old Dimmitt man was arrested on the same day he had been released from jail. He was arrested last Wednesday by county sheriff's officers on a charge of after-hours consumption of alcohol. He was released to Plainview authorities.

A 40-year-old man was arrested on a misdemeanor DWI charge Saturday evening by DPS officers. He was fined $200 and given six months' probation in lieu of a 10-day jail sentence.

A 45-year-old Amarillo man was arrested on a misdemeanor DWI charge by DPS officers Saturday. He was fined $253 and sentenced to six months' probation.

A Dimmitt man, 64, was arrested early Sunday morning by city police on a felony DWI charge. He was released on $750 bond pending court action.

DPS officers arrested a 29-year-old Dimmitt man Sunday night on a misdemeanor DWI charge after he was seen running a stop sign. He was fined $353.

City police arrested a 51-year-old Dimmitt man on a charge of carrying a prohibited weapon early Sunday morning. He was fined $253.

A 29-year-old Dimmitt man was arrested early Sunday by DPS officers and charged with misdemeanor DWI and having no driver's license. He was fined $228.

A Dimmitt man and woman were arrested early Monday by city police and charged with possession of marijuana. The woman, 26, was fined $250 and the man, 31, was fined $253.

A 1977 Chevrolet pickup driven by Rosa Davila of Dimmitt collided with a 1976 Plymouth Fury which was stopped at a yield sign at the intersection of Stinson and SW Seventh. The driver of the Plymouth was Timothy David Lay, also of Dimmitt. Ms. Davila was making a left turn off of SW Seventh and did not allow enough space for the turn, police reported.

A 1977 Mack dump truck, driven by Daniel Perez of Hereford, collided with the right front fender of a 1970 Ford pickup driven by Trigo Alejandro of Dimmitt on Nov. 4. According to city police, Perez failed to yield the right of way to Alejandro.

A burglary was reported in the 600 block of Northwest Sixth. The front door of the home of a Dimmitt woman had been kicked in and her AM-FM eight-track stereo had been stolen. The burglary is believed to have occurred Nov. 3 or 4.

Some towels and clothing were stolen off the clothes line of a residence in the 300 block of Northwest Third on Nov. 4.

An AM-FM eight-track stereo was stolen from an apartment located at the Castro County Agricultural Housing Project last Thursday. $40 in cash was also reported missing.

Police and firemen were summoned to the Colonial Inn early last Wednesday when a 1970 Ford was discovered on fire in the parking lot. Firemen believe the blaze was caused by a burning cigarette.

GED tests scheduled

The General Educational Development Testing Program (GED) will be offered here soon for adults who have not completed a formal high school education.

The GED is a testing program that allows an adult to obtain a certificate of high school equivalency. The certificate is not a high school diploma, but is valuable in determining job qualifications, admittance to occupational training or college, and for personal reasons.

The GED will be given the first Wednesday and Thursday of each month, beginning Dec. 3 and 4. The cost is $10 for the entire battery of tests. The tests will be administered at the Dimmitt school administration offices, 608 W. Halsell St.

Applicants for the GED must be at least 17 years of age and officially withdrawn from school for one calendar year. There are also other factors in determining eligibility for the GED.

To determine your eligibility, contact Ike Moore or Maria Fuentes at the administration office, or call 647-3103.

Times and arrangements for GED tests will be made at the applicant's request.

PIRATES pierced their ears and wore earrings in the belief that this improved their eyesight. This hypothesis, scoffed at for many centuries, has a scientific basis now. The piercing point on the earlobe corresponds to the auricular acupuncture point controlling the eye.

Miss Elliott gets post in Washington

The Running Water Conservation District has had the only woman district conservationist in Texas since February, but will lose her next month to a new post in Washington.

Stephanie Elliott has been appointed to a soil conservationist's position on the Inventory and Monitoring staff of the national headquarters of the USDA Soil Conservation Service in Washington, D.C.

In her new post, Miss Elliott will help develop "inventory and monitoring" procedures to provide data needed for proper administration of various SCS programs, and will serve as a liaison between the I&M staff and SCS program managers.

Her new job will take her throughout the US, where she will consult with local and regional conservation staffs.

Miss Elliott will move to Washington Dec. 15 and will assume her new duties Dec. 18.

A native of Amarillo and a graduate of West Texas State University, Miss Elliott has been with the Soil Conservation Service since 1974. She was a soil conservationist in Amarillo before being named to head the four-person staff here.

While in Dimmitt, her main projects have been in conservation tillage, such as furrow diking, eight-row terraces, minimum tillage and other practices that can help boost yields and cut costs.

Also, construction of the Running Water Draw Watershed structure, which was already underway when Miss Elliott came here, was completed Friday.

Stephanie Elliott

"I love Dimmitt," she said. "It has been good to me, and I really hate to leave. After I had been here a while, I decided I'd never go back to Amarillo and fight the traffic — and now look where I'm going!"

"I love working in the field," she added. "The farmers here are progressive and willing to learn. They're conservation-minded, and they listen. There are guys here who have their own progressive ideas, and it's exciting to work with them.

"Of course, Castro County is well known to the people in Washington, because of the per-capita income from agriculture here," she said.

Commissioners certify local election results

In a light meeting Monday, the Castro County Commissioners canvassed the county's votes of the Nov. 4 general election and found no significant discrepancies. The canvass made the election official with certified results.

The county governing board approved a maintenance agreement with Raval-Milgr for service on all of the radio equipment in the county sheriff's office. The agreement will cost $105 per month.

However, the board decided not to enter into a maintenance agreement with Dover Elevator for $160 per month. County Judge M. L. Simpson told the commissioners that service calls and parts for the courthouse elevator had cost approximately $1,000 in the last two years, and the commissioners felt the contract to be too expensive.

The commissioners signed a letter to Jimmy Ross, which expressed "thanks and appreciation for acting as county attorney before Jimmy Davis was appointed to the office."

In other action, the commissioners discussed but took no action on:

—The possibility of having a final audit and inventory in December for the sheriff's office and for Precinct 3 before the new sheriff and the new Precinct 3 commissioner take office in January.

—The leasing of available office space in the new county building located east of city hall. Presently, the Dept. of Human Resources uses part of the building, and the Castro County Appraisal Board is considering the remainder of the building as a possible headquarters for the future appraisal district. Even though the establishment of an appraisal district is optional this year, next year it will be mandatory.

—A report concerning an exposed gasoline line approximately five miles west and two miles north of Easter. Soil Conservationist Barnie Lee told commissioners that erosion had exposed the gas line and recommended that the county "put a block in the county road ditch and build a diversion terrace" to divert the flow of water onto surrounding pasture land. J. M. Wright, owner of property near the exposed line, requested that the commissioners handle the problem.

Hearing Loss Is Not A Sign Of Old Age

Chicago, Ill.—A free offer of special interest to those who hear but do not understand words has been announced by Beltone. A non-operating model of the smallest Beltone aid of its kind will be given absolutely free to anyone requesting it.

True, all hearing problems are not alike . . . and some cannot be helped by a hearing aid. But audiologists report that many can. So, send for this free model now, and wear it in the privacy of your own home. It is not a real hearing aid, but it will show you how tiny hearing help can be. It's yours to keep, free. The actual aid weighs less than a third of an ounce, and it's all at ear level, in one unit.

These models are free, so we suggest you write for yours now. Again, we repeat, there is no cost, and certainly no obligation. Thousands have already been mailed, so write today to Dept. 72086, Beltone Electronics, 4201 W. Victoria, Chicago, Ill. 60646.

BOBCAT SENIORS on Coach Ken Cleveland's Dimmitt High School basketball squad this year are [from left] Terry Mixson, Joe Nino, Randy Washington and Scott Rawls. These seniors will be joined by two juniors and four sophomores when the Bobcats open their 1980-81 season against Hartley here Saturday night.

RETURNING LETTER WINNERS on the Dimmitt Bobbies' squad show where they intend to finish this year. From left are Pam Nelson, Chris Salinas, Becky Andrews, Jackie Anthony, Suzan Collins and Cindy Sageser. The Bobbies will open their 1980-81 season against Hartley Saturday evening in the Dimmitt Middle School gym.

Cats will be 'exciting'

With four regulars back from last year's district championship squad, Bobcat Coach Ken Cleveland said, "We think we will have an exciting team to watch, and hope we can make the playoffs."

The Bobcats will open their 1980-81 season against Hartley here Saturday night with a varsity squad that includes four seniors, two juniors and four sophomores.

Starters back from last year are 5-11 senior Joe Nino, 6-3 junior Phil King and 5-9 sophomore Kevin Cleveland. Also back is 5-8 senior Randy Washington, who was a part-time starter last year.

Up from the junior varsity are 5-11 Kyle Weatherford, 5-7 senior Scott Rawls, 5-11 sophomore John Smith, 5-6 senior Terry Mixson, 5-10 sophomore Keith Gregory and 6-3 sophomore Jeff Watts.

"There are several juniors and sophomores who will start playing this year with the JV team, but with the possibility of moving up to the varsity later in the year," Cleveland said.

These junior varsity players with varsity potential, he said, include Bryan Armstrong, Bryan Gregory, Bobby Campbell, Fermin and Johnny Gonzales, John David King, Shan Powell, Jay Reeve, Richard Guzman, Sig Sageser, Jeff Moss and Gene Waite.

The Bobcats will play in three tourneys this year — the wide-open Hereford Invitational, and the small school divisions of the Caprock and Reese AFB Tourneys.

There are some tough teams on the Bobcats' pre-district schedule, including:

—Abernathy, defending state champions, who defeated the Bobcats in bi-district last year;

—Morton, no longer a district stable-mate, but picked to win state in Class AA;

—Lovington, N.M., Lubbock Dunbar, Hereford, and Lorenzo, most of which are favorites in their respective districts.

The Bobcats' opening opponent, Hartley, is picked to win its district also.

In the District 2-AAA race, Cleveland said, Littlefield should provide the toughest competition.

"They have four starters back from the team that we beat by only two points last year, so they'll be tough," he said.

And from the looks of teams elsewhere in the top of Texas, whoever wins district will face a big uphill climb.

"Our district winner this year will play the district up north (1-AAA) in bi-district — which will be Perryton," Cleveland said. "Perryton has their top seven players back from last year, and they are big. They will have an excellent team."

Region I-AAA, he predicted, "should have the best overall teams of any region in the state." The region includes such powerhouses as Abernathy, Perryton, Dimmitt, Coleman, Seminole and Childress.

Bobbies 'very competitive'

Major strengths: Tradition, positive attitude, several players with varsity experience.

Major weaknesses: Lack of experienced post players and lack of overall quickness.

That's how Coach Jimmy Hoyle assesses his Dimmitt Bobbies as they prepare to open the 1980-81 season.

The Bobbies, defending bi-district champions, will host Hartley at 6:30 p.m. Saturday in their season opener.

"This year's Bobbies have a great challenge ahead of them," Hoyle said. "The team must develop leadership and build on the togetherness that has already been established."

Only one full-time starter is back from last year — senior Becky Andrews, who averaged 13 points, seven rebounds and six credits per game last season.

But this year's team has six other letter winners who played a lot of ball last season and are expected to be valuable to the squad this year. They are seniors Chris Salinas, Jackie Anthony, Suzan Collins and Cindy Sageser, and junior Pam Nelson.

Those "new faces" Hoyle referred to are seniors Paula Porter and Brenda Parker, juniors Beth Benton, Jill Brown, Sheril Baldridge and Sonya Andrews, and the varsity's lone sophomore, Shelly Frye.

As Hoyle said, the Bobbies this year will have their work cut out for them if they plan to match or improve on last year's overall (25-9) or district (10-1) records.

HISD board calls for bids for building

The Hart Board of Education voted Monday to take bids for a new remedial reading building for the junior high and high school. Bids will be opened in the regular meeting of the board Dec. 8.

A financial report of the Elementary Halloween Carnival was presented to the board. Proceeds from nine booths totaled $576.30.

Mrs. Wescott and Mrs. Walker met with the board to give a review of their home-making programs for grades 7-12.

A report was given by the committee on remodeling the classroom part of the old CVAE building for the art department.

Approval was given by the board to get two dumpsters from the City of Hart for the lunchroom and the elementary grounds.

Supt. Averitt reported the total enrollment stood at 607 as of Nov. 10.

4-H shooters place high in 'mail match'

Several Castro County 4-H'ers have won honors from the 1980 Texas 4-H Trap and Skeet Postal League, based on their shooting scores during June, July and August.

H. T. Davison, 4-H and youth specialist and coordinator of the 4-H Shooting Sports Project, announced the winners.

Senior winners were Adrian Stanton, second in district and 10th in state; Doug Schilling, third in district and 11th in state; Kelly Ballard, fourth in district and 12th in state; Kent Kirby, fifth in district and 15th in state; Todd Hatla, sixth in district; and Robert Boozer, seventh in district.

Junior winners were Tim Kenworthy and Robby Hottel, who tied for first in district and fourth in state; Kennen Howell, third in district and 13th in state, Mike Stanford, fourth in district; and Billy Patton, fifth in district.

Sub-junior winners were Todd West, first in district and fourth in state, and Mark Standlee, second in district and fifth in state.

Kangaroos kick Horns, 29-8

The Hart Longhorns traveled to Kress Friday in what should have been a very evenly matched game. But Kress continuously converted third-down situations and pulled away from Hart for a 29-8 win in a District 3-AA encounter.

Hart received the opening kickoff, but fumbled on its third play from scrimmage. The Horns' defense rose to the challenge though, and forced Kress into an unsuccessful 26-yard field goal attempt.

The Longhorns got rolling at this point from their own 20-yard line. Derek Rich hit Chad Black for 14 yards on a third down play. Three plays later Rich found Kevin Belt for 23 more yards. On the next play Rich connected with Black for 17 yards, putting the ball on the Kangaroos' 29-yard line. Isaias Ponce carried several times, in what proved to be the only rushing yards of the evening, for the Horns.

Facing another third down from the 10, Rich hit Belt for the game's first score. Ponce carried over for a two-point conversion, giving Hart an 8-0 lead with 4:34 left in the first period. This 80-yard scoring drive proved to be the Longhorns' final one of the evening.

Kress received the kickoff and, by converting two important third down plays, moved 80 yards in just nine plays. Chad Bruington drove through the defense on a three-yard run for the score. Kirk Hawkins raced around left end for two points to tie the score at eight-all with just 23 seconds left in the first period.

Kress took advantage of Longhorn mistakes in the second quarter. The Horns were slowed by penalties and a lackluster running game, forcing Rich to go to the airways more often. Kirk Hawkins picked off a Longhorn pass and retuned it 36 yards to the Horns' 21-yard line.

The Longhorns stopped the Kangaroos on third down, but Lester Young kicked a 31-yard field goal, putting Kress ahead, 11-8. This is how the half ended as both offenses were shut down for the remainder of the period.

The Kangaroos wasted no time in the second half. Glen Terrell returned the kickoff 82 yards for a TD, and he also added a two-point run to hike Kress's lead to 19-8 with only 13 seconds gone in the third quarter.

The Horns, forced to throw almost every down, could not get untracked in the third stanza. The Kangaroos' Lester Young added his second field goal of the evening in the quarter to run Kress's lead to 22-8.

Early in the fourth quarter, Kress finished off a 55-yard drive with Chad Bruington going the last 11 yards for the score. Young added yet another point to make the final score 29-8 in favor of the hometown Kangaroos.

The loss dropped Hart to 4-4-1 and 2-2 in district play, while the Kangaroos made their record look identical to Hart's.

Hart will travel to Vega to finish out its 1980 football campaign. Game time in Vega Friday will be 7:30.

GAME AT A GLANCE

Hart		Kress
10	First Downs	15
-3	Rushing Yardage	102
154	Passing Yardage	161
151	Total Offense	263
32/13/4	Passing	29/10/0
9-74	Penalties-Yards	13-85

Score by Quarters:

Hart	8	0	0	0	—	8
Kress	8	3	11	7	—	29

Kress tops Hart JV in final seconds, 14-8

The Hart Junior Varsity entertained the large and talented squad from Kress last Thursday evening. The Longhorns played their hearts out before falling in the final 25 seconds of the game, 14-8.

Kress scored early in the first quarter after a Longhorn punt was blocked. Then the Kangaroos were held in check until the final seconds, when they passed for a winning score. Kress's QB ran for a successful two-point conversion to seal the victory.

The win put Kress at 4-0 in district and 7-1 on the year.

Hart played a good defensive game. Robert Martinez again led all Longhorn tacklers with 17. He was followed by Roland Alfaro with 12, Robert Gonzales with eight and Arthur Finch with seven. Coy Myrick intercepted a pass for the Horns.

The Longhorns had a pretty good night offensively, gaining 166 yards in total offense. Robert Martinez was the leading rusher with 66 yards on eight carries, including a 45-yard TD run in the third period. Martinez also carried for the two-point conversion to account for all the Longhorn scoring. Coy Myrick completed three of five passes for 39 yards.

Hart finished the season at 1-5-2. Although the record doesn't look too impressive, this bunch of young men played every game with a lot of determination and enthusiasm. The JV defense allowed only 67 points in eight games.

No junior varsity game will be played this week. The entire Longhorn squad will journey to Vega for the final game of the season. Game time will be 7:30 in Vega Friday.

ACS workers receive awards; hear WTSU athletic director

The Castro County Unit of the American Cancer Society held its first regular board meeting Nov. 5 in Dimmitt's city hall meeting room.

Certificates of appreciation for work in the 1980 Crusade were given to Oleta Raper, Jerry Marvin, Linda Roberts and Johnna Connell of Dimmitt; Carletta Harkins of the Easter Community; Ruth Bennett of Hart; Dorothy Guggemos of Nazareth; the Castro County News and KDHN Radio.

George Lamberth was presented a plaque for his leadership and guidance as president during the past two years.

Paul Weaver also received a plaque for conducting the annual Crusade against Cancer for the past two years, and the unit received the Golden Achievement Award.

Speaker at the meeting was Dr. Myron Dees, chairman of the Health and Physical Education Dept. and athletic director at West Texas State University.

Dr. Dees told those present that the American Cancer Society is one of the most successful fund-raising organizations in the nation, and the funds raised by ACS have facilitated many important discoveries in the fight against cancer.

Dr. Dees said that finding a cure for cancer in our lifetime is an attainable goal.

Dimmitt ACS officers for 1981 are Gwen Bryant, president; Ruth Bennett, vice-president; Barbara Little, secretary; Keith Mussett, treasurer; Cheryle Pybus, chairman of public education; Doris Lindsey, chariman of public information; Cleo Forson, chairman of service and rehabilitation; and Rhonda Powers, chairman of memorials.

The local ACS unit needs more volunteers.

School bus, pickup collide

A 1980 Ford pickup collided with a 1975 International school bus last Wednesday on FM 3215, just south of the Dimmitt city limits.

Officers said the driver of the pickup, Truvis Campbell, 68, of Dimmitt, was attempting to pass two buses. He reportedly passed one bus but collided with the other, which was attempting to make a left turn.

The driver of the bus, John Henry Reed, 57, was not injured. Campbell was taken by private vehicle to Dimmitt Medical and Surgical Clinic, where he was treated and released.

The pickup sustained heavy damage and the bus was moderately damaged, officers said.

To the voters of Dimmitt;

Thank you for the votes I received in the City Alderman election.

I will endeavor to be worthy of your support.

Ann Armstrong

Auxiliary members make the unique gifts through the year at home and in workshops. Proceeds from the annual bazaar and buffet go to benefit the local hospital.

ACS workers prepare for 'Great Smokeout'

Becky Street, Castro County chairperson for the American Cancer Society's "Great American Smokeout," says that every indication is that the fourth annual Smokeout in Texas is going to be the best ever.

Larry Gatlin, popular country-western singing star, will be the honorary chairman for GASO in Texas. He will lend his voice and influence over the various media to insure the 1980 Smokeout's success.

Miss Street and her committee are urging Dimmitt and Castro County smokers to quit on Nov. 20, at least for 24 hours. They will be handing out pamphlets and printed material about cigarette smoking and lung cancer in local businesses.

The Cancer Society suggests these tips on quitting smoking:

—Smoke one less cigarette each day.

—Make each cigarette a special decision, and put off making the decision.

—Don't give up cigarettes completely. Carry one with you in case of need. You'll find you're saving it permanently.

—Don't quit "forever." Just stop for a day, and tomorrow try it for another day, and tomorrow, and tomorrow.

—Tell your friends and family you're quitting. A public commitment bolsters will power.

—Pick a "Q (Quit) Day" — and quit.

—Hide all evidence of cigarettes, ashtrays, matches, etc., so you aren't reminded of your renunciation.

—Lay in a supply of chewing gum, cough drops, carrot sticks, etc.

—Nervousness, hunger, etc., are signs of the body's readjustment. If they're hard to manage, ask your doctor for help.

Pickup skids out of control

Ezekiel Garcia, 17, of Dimmitt was southbound on a county road 2.6 miles south of Dimmitt last Wednesday afternoon when his 1980 Chevrolet pickup went out of control.

The pickup left 660 feet of skid marks before rolling over one time, highway patrolmen said.

Garcia was taken by private vehicle to Plains Memorial Hospital, where he was treated and released.

Garcia was cited for having no valid driver's license.

Hart UMY sets turkey shoot

The First United Methodist Youth of Hart will sponsor a turkey shoot Saturday from 10 a.m. to 6 p.m.

The shoot will be held at the Hart Gun Club range three miles south of Hart on the Olton highway.

There will be a concession stand providing food and drinks. Several turkeys and hams will be given away.

The shoot is open to the public.

THE growing season for crops is the same for Hartford, Connecticut; Milwaukee, Wisconsin; and Buffalo, New York — 176 days.

More about Dimmitt ...

[Continued from Page 1]

do (in the company's training course), and that whatever is in a cash register isn't worth someone's life.

"But I knew I wasn't going to go with them, either," she said. "I probably would have 'fainted' if they had tried to take me with them."

That's a tactic she had learned from her husband James, a former policeman who also helps manage the Allsup's Store here.

As soon as the two men left the store, Mrs. Hill notified the Dimmitt Police Dept. and called home.

"The police were here so fast I couldn't believe it," Mrs. Hill said. "It seemed like I had just hung up the phone when they got here. Believe me, nothing looks better than a police car when you've just been robbed."

Mrs. Hill's husband and son also rushed to the store, and Mark played a key role in the case with his description of the two men's car.

After selling the two men hot dogs and fried chicken earlier Tuesday, the younger Hill had carried some trash out when he noticed the men had not left the store area, but were sitting in their parked car nearby. He routinely noted the car's description to himself, then went on about his duties.

Hale County officers later went by the younger Hill's description to spot the car and make the arrest.

Both Mrs. Hill and her son, officers said, provided detailed descriptions of the two robbers.

The Dimmitt Police Dept., Castro County Sheriff's Office and Texas Highway Patrol all cooperated in the investigation.

"We really appreciate the good, fast law enforcement work the officers did," James Hill said. "You usually have to catch them quickly after an armed robbery if you're going to make a case."

Arrested by Hale County officers were Richard E. Ewing, 21, and Delbert Turner, 22, both of Plainview. They're now in the Castro County Jail, charged with aggravated robbery. The two men reportedly face charges also in a robbery that occurred in Plainview Monday night.

More about Cagers ...

[Continued from Page 1]

Dye, and they have two starters and two other lettermen back from last year's championship team.

Coach Jimmy Hoyle's Dimmitt Bobbies last year compiled a 25-9 record and won the bi-district championship. They were defeated in the regional tournament by eventual state champion Slaton, but even so, they played Slaton closer than any other team in the state playoffs. One starter and five lettermen return from last year's Bobbies.

Coach Ken Cleveland's Bobcats won the district championship and went into the playoffs last season for the 14th time in 19 years. The 1979-80 Bobcats, who compiled as 20-13 record, lost in bi-district to Abernathy, which went on to capture the state championship.

Coach Ken Hoskins' Hart Longhorns have three returning starters, including a pair of all-district players, who will try to improve on last year's 6-19 season mark.

Coach Sam Browning's Lady Longhorns finished with a respectable 14-12 mark last year, and hope to compete for the District 3-AA championship this season with two full-time starters and one part-time regular back.

USE CHAIN SAWS SAFELY

Chain saws are popular for trimming trees, cutting firewood or clearing land, but they are also one of the most potentially dangerous power tools on the market today, says a safety engineer with the Texas Agricultural Extension Service. Each year some 23,000 persons require hospital emergency room treatment for chain saw injuries. To reduce accidents, keep chain saws in good working order, use them only according to the owner's manual, and use protective eyewear, a bump cap, heavy shoes and light, non-slip gloves.

IN a night fog headlights should be on low beam for best vision, since fog reflects headlight glare.

your co-op advertising dollars have to be spent or they can't help you sell

Chances are that you have cooperative advertising dollars available to your business right now. Millions of co-op dollars go unused every year because retailers either don't know they're available or don't know when or how to use them.

Manufacturers make these co-op dollars available because they want to help you sell their products. We want to help, too. We can help you choose from a wide array of formats . . . individual dealer ads, tie-ins with corporate ads, dealer listings, etc. We have artwork available on many products that will cost you only half-price . . . or less . . . to advertise.

So don't let the sales potential offered by your co-op program get away from you. Call us today, and we'll help you determine the best dealer advertising to give you the strongest impact and frequency.
